FESTIVAL DAY.

They've sung the harvest home—Thanksgiving.
Day of rest and peace. Day of prayer and thankful meditation.
Day of rejoicing. Day, particularly, of festive board, succulent turkey and cranberry sauce.
Day when the folks come home and go away with warmed hearts and bulging waistlines.
Primarily, it marks the 399th anniversary of America's first harvest—when the Indians came over for "company" dinner with the Pilgrim Fathers.

There have been scant harvests since that day; there have been wars and rumors of wars—and up and down in business, yet the nation has always managed to find something to be thankful for.
At least, enough to set the day aside as one especial and apart from all the rest.

"Thanksgiving"—grand day in the lives of all American homes, whether the harvest has been particularly bountiful or not.

THANKS FOR STATE AID.

Scurry county received every cent that it had asked for rural school aid. County folks are thankful for this acknowledgement of work well done by all angles of school enterprises. It is something that all of us can be quite thankful at this joyous season of the year.

SMITE DANIEL!

Our young governor sort of trod on dangerous foreign soil lately, when he attempted to give his impressions of "how" if he were Governor of Illinois, he would handle the crime and gangster situation there. To one West Texan, it appears that the Governor has lots of territory down in this state that needs as much attention as the Illinois situation. He need look no further than his own backyard if the daily press of the state speak as any criterion of what is happening generally. But following Gov. Daniel's indulgence in the way of the interview, the Chicago Tribune in placing him about where he belongs said in a most vociferous manner, the following:

"Governor Dan Moody of Texas sez, sez he, that if he were governor of Illinois he would put Chicago under martial law and run the gangsters out. Unless reports have been unfair, as well as ungracious, if Texans were to enforce the law there, Illinois would merely gain so many more bootleggers and hijackers, but suggestions from the other states are always welcome. So many of them are singularly free from manifestations of the noble and other experiments, but nevertheless, they have their problems.

Texas for instance, is always fortunate when its freemen are not burning the jails to execute the writs of Judge Lynch on prisoners who have not had trials, and when Ma Ferguson is not working her way in through the kitchen door and pa through the coal hole. It's a great state and would look well in the map of Mexico.

"The fundamentalist belt of primitives which spans the country west of the Mississippi from the Rio Grande about up to the Canadian line is a great help to the country in its various matters of anxiety. Its great contribution to science has been the jake paralysis and to public morality the hypocrites of the bottle nosed saint in the garb of the Klu Klux. Half of the time it is in the tree and the other half in the speakeasy."

While the great Chicago paper said some most unkind things, it would appear that Governor Daniel will be more careful in his outspoken words in the future, than to draw the fire of such well known "slingers" of the King's English as the Tribune can do. Moody can keep his nose in Texas and find plenty to do, but being liberated from the Governor's chair shortly, perhaps he

Texas Banks In Good Shape

Depression Not to Have Material Effect on Institutions

Texas banks are in "good condition" and not likely to feel depression to any great extent, according to a statement issued Friday by James Shaw, state banking commissioner. Texas banks were reported sound despite failure of financial institutions in other sections, Shaw said.

The commissioner said Texas banks, the past several years, have been imbued with the idea of purging their institutions of doubtful assets and in this respect they had been generally successful. Shaw said approximately \$15,000,000 in doubtful assets had been removed from Texas banks in the last three and one half years.

Texas banks were "prepared for the strain and are in a strong condition," he said. He expressed the opinion that banks get into trouble in good times through unwise granting of credit and these troubles show up when hard times hit.

HASKELL INDIANS COME TO TIGER STADIUM THURSDAY

Arrangements Now Complete for Monster Crowd to Witness District Battle

Tigers Must Win

Victory Means Climb to Regional Honors for Tigers

The classic of West Texas football, Thanksgiving Day, is right on Tiger Stadium in this city, when the highly touted Haskell Indians come here to do battle with our Snyder Tigers in a game that will decide the District Championship. Preparations are being made to handle between 5,000 and 6,000 people. Invitations have been sent out to many West Texas towns and cities and the march into Snyder will start early Thanksgiving morning.

District 9, Class B champions will be known Thanksgiving afternoon when the smoke of battle clears away.

As to Haskell, first we want to give a report on the Big Chief of the Indian outfit, none other than Coach Bill Richey, who is a former Howard Payne backfield man. Coach Richey received his football training from Coach "Dad" Ams of the Howard Payne Yellow Jackets, who is one of the best coaches in the South. Coach Richey has been driving his men hard for the last three weeks and is working them until after midnight this week in making preparations for the Haskell Snyder game.

SEASON'S SCORES
Haskell 19, Knox City 0.
Haskell 0, Spur 32.
Haskell 6, Munday 0.
Haskell 20, Seymour 7.
Haskell 13, Anson 0.
Haskell 26, Merkel 0.
Haskell 7, Hamlin 0.
Haskell 44, Rule 6.
Haskell 6, Stamford 0.
Total Haskell, 145; opponents 45. Anson, Merkel, Hamlin and Stamford were conference games.

SNYDER'S RECORD
On the other hand, let us look at the Tiger season games:
Slaton 6, Snyder 12.
Slaton 2, Snyder 25.
Rotan 0, Snyder 57.
Post 0, Snyder 65.
Roby 9, Snyder 25.
McCamey 12, Snyder 0.
Roscoe 7, Snyder 20.
Simmon "B" 13, Snyder 12.
Colorado 6, Snyder 34.
McMurry "B" 0, Snyder 7.
Total opponents 55; Snyder 257.
Haskell's goal line has not been crossed by a conference foe this year, an argument in itself that denotes they have a strong machine that the Tigers must watch every minute. On the other hand, the Snyder team have had tough competition all year, they are right now at the height of their training and will give the best account of themselves, that they have ever given.

A motorcade Tuesday visited Rotan, Roby, Sweetwater, Lorraine, Colorado and Dunn. Like excursions were made by individuals to Post, Spur, Haskell, Stamford, Anson and other points. Indications point to the greatest crowd ever attending a battle in this section.

Coach "Red" Moore and his Tigers need no introduction to club folks, who realize that in the club they have the "lightest" group that has ever trod a local field. The Tigers as individuals and collectively have a reputation of working together with a team spirit that will carry them into regional arguments and here's hoping that the Tigers win by not less than four touchdowns. They have in them to go even farther than that, if they will show the same fight and spirit as has been evidenced in every game this year. In Haskell they have a worthy opponent, and the Times-Signal joins heartily with the business and professional interests of the city in welcoming their team, their citizens and their school interests to the fastest, liveliest city in all West Texas.

"Tigers smash the Indians" and welcome to them, too!

OLD READER RENEWS FAITH IN TIMES-SIGNAL

J. H. McClinton, pioneer of Scurry County and who has been a Times-Signal reader for 27 years, subscribing the very first year he landed here, was among the renewal visitors to the office, Friday. "Reading a paper so long, we simply can't get along without the Times-Signal," said Mr. McClinton as he proceeded to mark his date ahead another year. The Times-Signal publishers appreciate the good words and backing of the pioneers of the section in our desire to produce a clean, newsy paper.

Miss Christine Eoff of Lubbock will be the Thanksgiving Day guest of Miss Ola Lee Cauble.

Sherman	RH	153	13
Smith	FB	185	9

Averaging the Indians weight gives them 174 pounds apiece, collectively they measure up to a total of 1,915 pounds, that's fair weight for a high school team and we cannot help but wonder, if the Haskell High School authorities didn't get S. M. U. or T. C. U.'s weights mixed with their school team. The Tigers will quickly ascertain that little argument at Tiger Stadium, Thanksgiving afternoon. Let's at 'em, Tigers!

Local Sunday School Class Boost Season

Goodfellow Movement Sponsored by Euzelian Class of Baptist Church

The Euzelian Class of the First Baptist church are inaugurating a Goodfellow movement this week, the purpose being to organize and get together now for a holiday season of joy and plenty for the needy families of the city and neighboring community. The movement is non-sectarian, all are welcome to join in the generous plan. Anyone wanting to drop the class a line as what they have for this movement, may address "Goodfellow, c/o Post-office, Snyder. Donations will be published in local papers each week, unless otherwise requested.

Mrs. Guy Lemond is General Chairman of the work, with Mrs. C. P. Sentell in charge of all correspondence and Mrs. G. H. Leath, treasurer.

Any child writing a letter to Santa Claus, in care of the Goodfellows, will get their wish for Christmas in candies, nuts and warm clothing.

Donations of money, clothing or anything useful is invited by the sponsors and will be accepted anytime previous to Christmas Day.

Here is a movement folks, that all of us can join with complete satisfaction that it has as its base, a fundamental need in the onward journey of our fair, little city. Let us all co-operate with these folks in making this Christmas, one of happiness and joy to the needy folks who reside within our midst. Let us be our "brother's keeper" this Christmastide.

Thanksgiving Service Tonight

Annual Services Will Be Held at Methodist Church

Annual Thanksgiving services are being held tonight (Wednesday) at the First Methodist church, with Rev. P. C. McGahey, giving the sermon. Special musical program is being arranged and invitations have been extended to all to enjoy this gathering.

WILL HEAD HASKELL HIGH FOOTING GROUP

Supt. C. B. Breedlove of the Haskell High School expects to lead a delegation of 500 football fans here for the battle between his team and that of the Tigers. We welcome you, Supt. Breedlove, and we hope our Tigers give you a "scalping" such as you never enjoyed before. That goes for your citizenship, too, for we love you as citizens, but my goodness! when you're playing our Tigers, that's something else again.

SNYDER BOY GAINS ADDITIONAL HONORS

Herman Darby, son of Mr. and Mrs. Ed Darby and a student at the University of Texas was recently initiated into Sigma Iota Epsilon, honorary business administration fraternity. In addition, this Snyder boy is a member of Beta Alpha Psi and Pi Sigma Delta, other honorary fraternities.

Mr. Darby is vice-president of the Tejas Club, and will complete his work for a Bachelor of Business Administration degree in February. All of which brings congratulations from the Times-Signal and the many young and old friends of this hustling, young gentleman.

Thanksgiving

The lines are fallen unto me in pleasant places; yea, I have a goodly heritage.—Psalms 16:6.

We give thanks, O Lord, for the pleasant places, the goodly heritage. We are the heir to all the ages. Other men have labored and we enter into their labors. All the resources of industry, of science, of art, of literature, are at our command.

We give thanks for the opportunities that thus have come to us; the opportunities to have happy homes illuminated with friendship and love, suffused with the myriad sides of culture; the opportunities to do useful work, to contribute our part to the complex fabric of civilization, to serve the present age.

We give thanks for the great adventure of living, with all its risks of joy and sorrow. If happiness be our portion, may we accept it with joyous hearts; if sorrow, may we find strength to fulfill our obligation with courage, knowing that, in so doing, happiness will break through.

"Our harvesting being gotten in, our government sent four men on fowling, so that we might after a more special manner rejoice together after we had gathered the fruit of our labors. They four in one day killed as much fowle as, with a little help beside, served the company almost a weeke."

And thus the first American harvest festival, October 1621, was celebrated, the first autumn of the exiles in their new home. Many of the Indians joined in the three days' feasting. No record, however, shows that this was a day set aside for giving thanks.

The year following, misfortunes came and no autumn feast was held. The colonists counted the days for spring rains to aid in bringing their crops forward—then a terrible drouth withered the corn and burned the gardens brown. A special prayer was followed by a long refreshing rain, and at the same time a ship loaded with friends and supplies was sighted. So the governor appointed a day for "public thanksgiving," and thus started the tradition of Thanksgiving Day.

Let us join in giving thanks in Scurry County, for while the crops have not been as bounteous as they might have been, yet with good health, a will to do, and a desire to advance onward and upward, Scurry County and West Texas are coming into their own.

SCURRY CO. SCHOOLS GIVEN TOTAL \$14,755

State Rural School Supervisor Grants Every Cent of Aid

The Scurry County rural schools were granted every cent of state aid they asked for, totaling \$14,755, which is not only a great and distinct honor but likewise comes right back to County Supt. Bullock, to every school in the county, board of trustees, teachers and the entire student body.

Miss Selby Atwell, Rural School Supervisor, completed her work in the county, Friday. Daily trips were made with County Superintendent Bullock to each and every school. The supervisor unhesitatingly paid tribute to the condition of the schools, their work, and in but few cases mentioned entirely minor and insignificant changes should be made.

To The People of Scurry County:

We believe that the Goodfellows Fund, which is being sponsored by a non-sectarian group of women, is one of the most unselfish efforts ever attempted in this county for the Christmas happiness of Children who would otherwise have no Santa Claus this year.

In view of the distressing financial condition in which many families will find themselves this winter, we urge that our citizens mail their checks to the Goodfellow Fund, Mrs. Horace Leath, Chairman, and help a child find happiness on Christmas morning.

SIGNED:

- H. G. TOWLE, Mayor.
- HORACE HOLLEY, County Judge.
- CAL C. WRIGHT, M. E. Pastor.
- PHILIP C. MCGAHEY, Baptist Pas.
- T. M. BROADFOOT, Christian Pas.
- FRITZ R. SMITH, District Judge.

"CHAMPEEN" SALESMAN SPENDS TUESDAY HERE

J. C. Maxwell of the E. R. Squibb & Sons Co., of New York, one of the company's best salesmen was in Snyder, Monday, spending the greater part of the day with Joe and Lee Stinson at their stores. It was Mr. Maxwell's company who donated a gross of their tooth paste for the Business and Professional Womens Carnival, Tuesday night, which was one of the greatest shows ever given here. Mr. Maxwell was receiving the congratulations not only of the ladies but his many male friends while in town. He is with a company that needs no introduction anywhere on earth.

DALLAS EDITOR HERE

John E. King, managing editor of the Dallas News was a welcome visitor at the Times-Signal, Saturday. He was enroute to Lubbock, where a two day session of the A. P. Editors of the state were being entertained by Editor Charley Guy of the Avalanche-Journal. John invited us to go along, but we had to pass up the invitation as a felt-foot editor has enough troubles with his own weekly press "gangs" without stepping in with the big town boys in their daily driving efforts to get across.

MOVING TO VALLEY

Mr. and Mrs. T. F. Blackard and family left the first of the week for Frio county, in the Rio Grande Valley where he has leased a farm and expects to raise melons as big as a bale of cotton. Mr. Blackard landed in Scurry County thirty years ago, is one of the older pioneers and the Times-Signal dislikes seeing these fine folks leave our midst, but wish them good luck in their new location, and the added hope that one of these days, they will come right back.

Mrs. J. F. Lawlis and daughter, Miss Frances of Abilene and Miss Frankie Elliott of Sweetwater were week-end guests of Snyder friends.

Mrs. Sam Hamlett accompanied by Miss Charles Ella Hamlett are spending Thanksgiving Day with the former's parents, Mr. and Mrs. A. D. Kay and daughter, Miss Pauline at Dublin.

J. T. Bridgeman of Lubbock spent Sunday here with his family.

Tigers Smack Haskell

Tigers! Let's look into this Haskell Indian team.

Haskell has scored a total of 141 points against their opposition to 45 for all opponents. Their goal line has not been crossed by any opposing conference team.

Snyder has scored 257 points against all opposition to 55 for all opponents. Roscoe and Colorado both crossed our goal line.

"The eyes of Snyder, Scurry County and the West End of District Nine," will be watching your every movement in this game.

"Smash Haskell" first, then District Eight winners and go for the REGIONAL CHAMPIONSHIP. That should be worth gold footballs to each and every one of you Tigers, but you have a hard, long journey ahead BUT we know you have the fight and the determination to traverse that road. But it must be traveled first. We're all back of you, for you, and will help you fight to the last mortal inch of space. That's Snyder.

Officials Turkey Day

An all-Simmons University group of officials will be in charge of the Indian-Tiger game with Hale Daniels, Referee; Mose Sims, Umpire, and Bounds, Head Linesman.

SUSPENSION FOR SPUR HI IS RECOMMENDED

Following an all-day conference at Lubbock, Saturday, the executive committee adopted a resolution to recommend to the State Executive Committee of the University Interscholastic League that the Spur High School be suspended for one or more years in football beginning with the 1931 season. The committee charges Spur played ineligible players and alleges attempts at changing birth records.

The resolution was signed by W. E. Patty, chairman pro tem. Patty is superintendent of Floydada High School. Other members of the committee present included Chairman A. B. Sanders, superintendent, Ralls; W. D. Biggers, superintendent, Lockney; P. O. Boles, principal, Littlefield; V. Z. Rogers, superintendent, Lamesa; Sanders was disqualified by virtue of the fact that the Ralls school had filed the protest. This meeting follows closely upon the heels of a telegram from the Spur High School which was directed to the committee withdrawing from the conference due to alleged mistreatment.

FOOTBALL "PEP" LUNCH REAL HOWLING SUCCESS

Sixty-two business and professional men of Snyder gathered at the Woodrow Hotel, Monday noon, where a banquet was given and Judge Fritz R. Smith acting as toastmaster.

Jim Greene of Colorado was a visitor, bringing greetings from that city and the hope that the Tigers would win their game, Thanksgiving. Other short talks were made with the undercurrent that the Haskell-Tiger game is one of the greatest attractions ever brought to Snyder.

Three hundred adult and two hundred and fifty children tickets were handled at the meeting.

Plans were completed for a motorcade of nearby towns, Tuesday.

Mrs. Dan Whatley and her daughter, Mrs. James McKenna of Wichita Falls landed at Yoder Airport, Saturday afternoon, in the latter's Travelair plane. Mrs. Whatley was returning home from a visit with her daughter.

Bob Brown of Lubbock landed at Yoder Airport, last week, in a Spearman plane and left it in the hangar. He tried to fly to Lubbock but ran into a sandstorm and returned to the local port.

Gene Schattel landed at Yoder Airport, Sunday, with two planes, one of his students driving the second plane.

State Commander Will Be Present With State Colors

State Commander J. B. Durden of the Spanish War Veterans will be the leading attraction at a group meeting to be held in Snyder, Saturday night, December 6, according to Post Commander T. H. Chilton. With the State Commander will come the official state colors of the veterans who "smacked" the King of Spain and his cohorts just a few years back.

Abilene and Lubbock Spanish War Veterans will come to Snyder, while the seventeen counties that comprise the Sweetwater Chapter have been invited.

American Legion Posts of this city, Colorado, Sweetwater and other West Texas points have been invited to join in a round table discussion of legislation that now interests the veterans of the region.

Senators Underwood and Cunningham have been invited to join in the meeting, which will start off with a real "bean-roast," brown bread and coffee, which in all probability will be served at the Woodrow Hotel. The meeting will be held at the District Court Room. Veterans are hoping to stage a parade, which will have Spanish War Veterans in line, American Legion boys and the National Guard, headed by the Snyder High School band.

Charity Benefit Brings Immense Crowd to Help

B. & P. W. Club Give Great Show at High School Tuesday

Getting to press, early Wednesday morning, makes it impossible to give an extended account of the wonder Advertising Show as produced by the Business and Professional Womens Club. It was great from start to finish, showed careful preparation, besides reaping a handsome sum for the activity for which it was produced, charity cases for the holiday season. Business men and organizations of Snyder must take their hats off to the members of this organization. Their activity should be emulated by the "slow-moving" men of our town, when it comes to putting a real proposition across. This club have folks who work and enjoy taking a part when it comes to civic enterprise. God bless the ladies.

The Times-Signal will attempt to get an account of the affair for next week's issue. In the meanwhile, the Times-Signal is happy and proud to take its hat off to the B. & P. W. Club. Wish the Lions Club might soak up of some of their "pep" or buy a load of grass-burns.

TURNER SCHOOL LUNCHEON

On Thursday, November 20th, the Turner Home Economic Class served a luncheon to the Turner trustees, the State Supervisor, Miss Atwell, and the County Supt. A. A. Bullock. The dining room was decorated in white and pink, which were the colors which made the scheme for the luncheon. The luncheon for the occasion consisting of fruit basket cocktail, tuna fish tamales, creamed potatoes, cut clover leaf rolls, as a dessert peaches with whipped cream and angel food cake were served. For plate flavors, little cupid dolls, dressed by the H. E. girls in pink crepe paper were used.

The class in Home Economics for this school term consists of Johnnie Lee Holt, Eunice Taylor, Joyce Clarkson, Tempie Bates, Ina Owidia Birdwell, Bulah Hughes, Spivey, Nila Irion, and Chiorie Smith, with Miss Mell Thompson as their teacher.

Following the luncheon on Thursday the Friday night came a party given by the Home Economic girls and the Manual Training boys. Some fifty or sixty persons were present at the party. Various games were played. Finally the H. E. girls served to the crowd various kinds of home made candy and a good night was bid to all.

MIGHTY FINE LUNCH

The ladies of the Christian church served the turkey dinner to the business men, Monday noon, and it hit the spot. These ladies have a way of providing the best there is, and Snyder is lucky to have a group who are always on the job when it comes to feeding a crowd with dispatch.

GLAD TO BE HOME

Jodie Monroe landed home, Sunday, following a minor operation at the Lubbock Sanitarium. He was mighty happy to get back; so was his large circle of friends to shake hands and greet him again.

Miss Lucile Eoff of Lubbock spent the week-end here.

THE "THEN AND NOW IN REASONS FOR THANKSGIVING

A long voyage beset with many dangers—a landing at last in a strange land midst hostile natives to face hardships that tested their faith to the utmost—such was the lot of the Pilgrims, and yet—their courage undaunted—they gave thanks for it all.

So today should we give thanks for the many blessings that are ours.

FRIENDLY

J. L. Caskey made a business trip to Fort Worth, Monday.

H. P. McGinty of Sweetwater spent Sunday with his daughter, Mrs. W. W. Hull.

Miss Marion Rosser of Baylor-Belton, is spending the Thanksgiving holidays with home folks.

Mrs. Marie Roberts, Sweetwater was a Sunday guest of Miss Mary Alice Underwood.

Mr. and Mrs. R. N. Miller of Borden county were week-end guests of Snyder relatives.

Mrs. T. J. Thompson has returned home from a four weeks nursing case at Colorado.

Mr. and Mrs. M. Z. Dibble were business visitors in Marlin, several days this week.

Mr. and Mrs. Henry Shuler are spending Thanksgiving with the latter's mother at Ft. Worth.

Mrs. Sallie T. Pate of the Bryant-Link Store remained at Stamford this week-end account of the serious illness of her father, W. T. McCulloch.

Sporting editors from the Star-Telegram, Abilene Reporter-News, and Lubbock Avalanche-Journal have promised to attend the game, Thanksgiving Day.

Cement posts for mail boxes are being placed at strategic points around the square for the receipt of mail, when the new delivery system gets under way here. Co-operate with the postoffice in having all mail addressed to your house number.

Snyder folks are wondering when the Civil Service Commission intend waking up from their Rip Van Winkle sleep in appointing the new postmaster for Snyder. Like all Hoover ideas, the boys must take their time.

The Texas Editorial Association are meeting in Weslaco, the last three days of this week. To be eligible to attend this group, an editor must have been in the harness twenty years.

Mrs. Eura Little, nurse at the Emergency Hospital, visited her mother at Winters, last week-end.

Mrs. E. C. Neely underwent a tonsil operation at the Emergency Hospital, last Friday.

Mr. and Mrs. John Baze of Colorado were Sunday guests in the W. T. Baze home.

Mr. and Mrs. A. L. Francis and children and Mrs. Lillie Pryor were visitors at Sweetwater Sunday.

Miss Marie Casey, teacher at Hobbs School, is spending her Thanksgiving vacation at Lubbock.

Mrs. J. A. Newton left Monday for Amarillo to visit with her daughter, Mrs. W. L. Slayden and family.

Mrs. P. C. McGahey and baby son have returned home from a visit with relatives near Amarillo.

Mr. and Mrs. J. M. Harris and son Martin, left today for Austin and San Antonio. "Red" expects to attend the Texas-A. & M. game.

Mr. and Mrs. Wellington Taylor, spent Sunday with the latter's parents, Mr. and Mrs. R. L. Burdett, at Roby.

J. W. Greene and Ray Beall of Dallas, both students at Tech, were week-end guests of the former's parents, Mr. and Mrs. J. L. Greene.

Max Brownfield, George Oldham and J. M. Bolin returned home, Saturday, with two fine buck deer. The Times-Signal is thankful to Max for two edible roasts.

HASKELL IS COMING
With a pep squad of thirty girls in uniform, and a 30-piece band, Haskell High will arrive here early, Thanksgiving Day.

Mr. and Mrs. W. W. Smith and son Wallace spent the week-end at Abilene with Mrs. H. C. Mullins and family. Mrs. Mullins was honored with a birthday dinner on Sunday at her home, with several guests.

Mr. and Mrs. Glen Holladay and daughter, who have been living at Rails have moved back to Scurry county, residing in the Ira community. Happy to welcome these folks back home.

Mr. and Mrs. Chas. S. Owens of Floyd, N. M., visited the latter's parents, Mr. and Mrs. J. J. Taylor over the week-end. Mr. Taylor accompanied them home Sunday for a short visit.

Mr. and Mrs. Gay McGlaun arrived safely at the Mayo Institute, at Rochester, Minn., Friday. Mrs. McGlaun started through the clinic there, the following day, according to a letter received by Shorty McGlaun, Monday.

Nate Rosenburg attended the opening of the new hotel at Brown-wood, Friday night, being among the special invited guests. Asked if he completed his part at the feed, Nate naively blushed and said nothing. We have noted that young man in action at the Manhattan, and like ourselves, believes in eating hearty and well.

"Since Taking Argotant I Have Gained Six Pounds and Feel Like a New Man," Says San Angelo Man

Still another link is added to the long chain of evidence regarding the remarkable merits of Argotane in the case of Mr. Walter Cowley, 301 Upton Street, San Angelo, Texas, whose phenomenal health and strength by the use of the medicine was reported to an Argotane representative.

"I have suffered for some time from what appeared to be a general rundown condition and nervousness. I had no appetite and hardly ate enough to keep me alive. I was so nervous I couldn't get any sound sleep and would get up in the mornings tired and lifeless without any energy. Gas formed on my stomach and caused shortness of breath which made me very miserable for hours afterward. I had a very bad case of constipation and had frequent headaches. I had a dead liver, I was told, and so had pains in my back and always felt worn out and sluggish and just going down hill.

"I had read and heard so much about what Argotane was doing for others that I decided to see if it would help my case, and I will say that it has proven to be the right medicine in my case. No one has a better appetite and I eat anything I want and digest it perfectly. My nervousness has disappeared and I sleep fine every night, and I get up in the mornings full of life and energy. My kidneys and liver seem to be in good condition and my constipation is a thing of the past. In fact, my general health has improved, and I have actually gained six pounds in weight. Argotane has certainly helped me and I am glad to recommend it to my friends."

Genuine Argotane may be bought in Snyder at the Stinson Drug Co.

State Aid Explained

So many different view points are held as regards the State Aid Grant the Times-Signal asked County Supt. Bullock for the actual law on this matter which is herewith explained:

For the past three years we have been working under the state aid law which places the grant on a teacher-pupil basis. There are many who do not understand why one school receives more or less aid than another of the same size. The following will explain the workings of the law and from it one can readily see why this happens:

Every school that qualifies for state aid in the State of Texas is guaranteed 6 1-2 months of school out of State Aid funds exclusive of local tax at a certain salary schedule which is as follows: In a one teacher school the teacher is allowed \$95.00 out of state funds with a \$2.00 raise if she is retained for the second year or more her salary out of state funds would be \$97.00 per month. In a two teacher school the salary that the state guarantees out of state funds is \$105 for the principal and \$85.00 per month for the assistant with the two dollar raise as indicated above. In a three teacher school the principal is allowed \$120.00 per month, the inter-

mediate and primary teachers \$85 each with the two dollar raise for retention in the same school. In a four teacher school the principal is due \$130.00 out of state funds and each teacher assistant \$95.00 and the primary teacher \$95.00, with the usual raise for retaining the teacher and so on through the larger schools.

One teacher school must have 20 scholars left in the district after transfers, a two teacher school must have 36, a three teacher school 66 and a four teacher school 96, and so on, thirty at a time for the larger schools. Thus a two teacher school paying \$105.00 and \$85.00 per month for teachers is guaranteed 6 1-2 months school out of state funds. All above that price that is paid the teachers must come out of local funds.

Six and one-half months at \$105.00 and \$85.00 amounts to \$1,235.00 that the state guarantees. If you have 50 scholars in the district each drawing \$17.50 from the state, this sum will amount to \$875.00. You are guaranteed \$1,235.00 from the state therefore your aid grant will be the difference between the above mentioned amounts which will be \$360. If you had only the required amount of 36 scholars, 36 times \$17.50 amounts to only \$630.00. You are guaranteed \$1,235.00 therefore your grant would be \$605.00. In other words each two teacher school is guaranteed \$1,235.00 and the other schools in proportion and the aid grant depends on your number of pupils.

TAXING ONE INDUSTRY TO SUBSIDIZE COMPETITOR IS TYRANNY

At a meeting of the employees of the Texas and Pacific and Abilene & Southern Railways voluntarily called by Ira Dorton, the oldest man in the service, the following statement of facts and petition was prepared for presentation to the Hon. Oliver P. Cunningham, State Senator and the Hon. Robt. M. Wagstaff, Representative, and to the people of Abilene and Taylor County. It was unanimously adopted by sixty-eight employees.

The Government, State and City has subsidized every transportation agency that has been set up in competition with the railroads which give us employment. Through the benefits received in subsidies, exemption from Ad Valorem taxes and the starvation wages, paid to their employees, our competitors have, by cutting rates, so depleted the traffic of the railroads that our employment is in jeopardy. This subsidized competition first took our passenger traffic, then our less than carload freight and now they are taking the only thing left, namely the car load business.

The Class One Railroads (which does not include short lines like the Abilene & Southern having gross operating revenues of less than \$1,000,000.00) have about twenty billion dollars invested in road, exclusive of equipment. The builders acquired the right of way and built the railroads with private capital. The owners must maintain them and pay taxes thereon. No competitor of the railroad has any such investment. They have no such maintenance expense for the reason that the Government and State maintains their road for them. Nor do they have any such taxes to pay for the reason that they have no financial interest in the road used.

During the year 1929 the railroads expended the enormous sum of \$862,701,113.00 in maintaining road, exclusive of equipment. They also paid the sum of \$402,630,307.00 in taxes. These figures are so stupendous that they are beyond our comprehension and go clear over our heads, therefore we will reduce the taxes down to one County and apply that tax account to the City of Abilene and Taylor County, and also make comparison with our competitors. Since January 1st, 1930, or for the current year, the railroads have paid into the public treasuries in our city the sum of \$43,894.94 in Ad Valorem taxes. In

comparison we will submit a list of our competitors and show the amount of Ad Valorem taxes assessed against each as follows:

Abilene Transportation Co.	\$ 7.25
Merchants Fast Motor Lines	50.25
Fort Worth Warehouse Co.	None
West Texas Trans. Co.	None
Carl Rose	None
Hardigree Truck Line	None
Howard Truck Line	None
L. L. Tucker Truck Line	None
Roundtree Truck Line	None
Johnson Truck Line	None
Anson Truck Line	None
Southern Greyhound Lines	None
Lone Star Stage Line	None
Miller Bus Line	None
West Texas Coaches	None
Air Ship Lines	None

For the same taxing period in which our employees were assessed the amount of \$43,894.94, all of our competitors combined were assessed for State, County, City and School taxes the aggregate sum of \$57.48 and even that nominal sum has not been paid. Only two of our competitors have been assessed any taxes at all and those two by the City only. Not one single name in the list can be found on the tax rolls at the court house.

It takes a veritable truck load of tariffs to supply a local freight office in conformity with the law. Our employees must publish these tariffs at an enormous expense and the employees is expected to familiarize himself with each one of them. When the trucker needs a rate in connection with his business he telephones us, and we must under the law quote him our rates. He then goes out and cuts our rate low enough to take the traffic away

from us. We must adhere strictly to the tariff, or subject ourselves to the heavy penalties of the law, which applies to us, individually. Our competitors pay little attention to the limited regulation applying to them and they make such rates as are necessary to take our business away from us. If 25 cents per 100 pounds will not do it they make the rate 15 cents. They also pay rewards to the employees of shippers to tip them off when the shippers have freight to move. No shipper knows what freight rate is paid by his competitor.

Our competitors are able to cut our rates not only by reason of subsidies received and exemption from taxes, but by the payment of low wages to their employees. The maximum wages paid to a truck driver is less than one-third of the pay received by one member of a train crew. Many of the truck drivers receive only \$15.00 per week. In consequence of the business taken away from the railroads by this subsidized, tax free and low wage competition, railroad forces in the City of Abilene have been reduced more than fifty men, whose annual pay is estimated at the sum of \$75,000.00. Unless we are given relief from this intolerable situation further reductions in forces are inevitable. The men who are employed have far more arduous duties to perform.

We do not criticize our local taxing authorities. It is not always possible for the tax assessor to ascertain where the truck and bus lines are domiciled. Some of them have headquarters outside of our County and are not subject to taxation here. The railroads must pay taxes in all counties in which they operate.

In making this overture we do not ask for favors. It is a demand for our constitutional rights. If the trucks and busses can displace the

railroads by fair competition we will have no grounds for protesting, and we will accept the inevitable without murmuring. But the business of the railroad is being destroyed by use of enormous sums of the tax payers' money, and as tax payers we have a right to protest. The State has no lawful right to destroy the business of the railroad, and take away our employment, by subsidizing a system of transportation at public expense. Taxing one industry to subsidize its competitor is tyranny.

As railroad employees, and as local citizens, we most earnestly petition our law makers, and all good citizens generally to correct an intolerable condition. We sincerely urge that the subsidies now being granted to our competitors be removed, and that they be placed on the same plane with the railroads in respect to taxes. This can be accomplished by establishing a ton mile tax on freight handled, and passenger mile tax on passengers handled, large enough to offset the benefits received by reason of the State, building and maintaining a road for them, and apportioning such tax to the counties in which trucks and busses operate.

BIGGER AND BETTER

THE NEW CHEVROLET SIX HAS MANY IMPROVEMENTS

The introduction of the new Chevrolet Six marks the most impressive forward step in Chevrolet's twenty-year record of constant progress and improvement. For this Bigger and Better Six offers new beauty, new luxury, new completeness and new quality—yet it sells at lower prices!

In every curve and sweep of Chevrolet's modern lines—in every detail of its new Fisher bodies, you will see the fine hand of the master designer and the skillful craftsman. And the more closely you inspect it, the more deeply impressed you will be.

The improvements in the new Chevrolet Six begin at the smart new chrome-plated headlamps and extend throughout the entire car. The radiator is deeper. The lines are longer and lower, giving an air of exceptional fleetness and grace. And the interiors of the new Fisher bodies provide a new degree of comfort and luxury: greater roominess; fine quality mohair or broadcloth upholstery; more pleasing interior fittings; and a new, completely equipped instrument panel.

The chassis of the new Chevrolet Six has also been refined and advanced in a number of different ways. The frame is heavier, deeper and stronger than before. There is a smoother operating, long lived clutch; a sturdier front axle; an entirely new steering mechanism; an easier shifting transmission. In fact, every vital feature of the new car has been made better to provide more thorough satisfaction for the owner.

And along with these improvements, Chevrolet offers the smooth performance of a 50-horsepower, six-cylinder motor—four long semi-elliptic springs—four hydraulic shock absorbers—a safety gasoline tank at the rear of the car—and an economy of operation not surpassed by any automobile.

LUXURIOUS SHOW COMES TO PALACE

"Monte Carlo" Gay-Time Romance With Melodies

Entertainment of the very richest, gayest type is promised for audiences at the Palace Theatre, today and Thursday.

For Ernst Lubitsch's far-famed "Monte Carlo" is coming to town.

"Monte Carlo" is the story of the fads and foibles of the wealthy members of royalty who spend much of their time at the gaming tables of Monaco's famous casino.

Jeanette MacDonald, who was the romantic feminine lead in "The Love Parade" and in "Let's Go Native" is here seen and heard as the sweet-voiced Countess who loses heavily at roulette and decides that her only hope is a marriage with the affluent Claud Allister, a vacuum brained Prince of her acquaintance. All is all for the match too, until Jack Buchanan, a glamorous amorous Count enters the scene. Buchanan loves Jeanette the moment he sets eyes on her, but somehow he cannot effect a meeting with her. And so he bribes her personal hairdresser to leave his job. Jack takes the place of the domestic minion and handles the shears and curling iron so well that Jeanette finds him indispensable.

Comes the time for Jeanette to allow Allister to propose to her successfully. Jack must do something to prevent the match. In order to clear his mind he seizes Jeanette and kisses her warmly. She likes it. But he is only the hair-dresser to her. In the happy conclusion, however, Jack makes his true identity count for something.

The settings for this picture are done in the grand manner reminiscent of "The Love Parade." Miss MacDonald has 15 changes of costume, some of them, we are told, right before your eyes. There is an abundance of original and pleasing melodies sung by Buchanan, Allister, Miss MacDonald and others. Lubitsch was the director of "The Love Parade." Buchanan is the idol of the British musical stage.

Judge Smith has been connected with the affairs of the County for a number of years, having served as both county attorney and county judge and his position in the office of county attorney will be carried on in the same diligent manner as his other terms.

Leon Moses former county attorney of Garza County left Wednesday morning for his home in McKinney where he will practice law.—Post Dispatch.

ROTAN'S POULTRY SHOW IS CALLED BEST EVER

With 500 birds entered from Nolan Kent and Fisher Counties the Rotan Sixth Annual Poultry Show was counted the most successful show yet held there. The show opened Thursday and closed Saturday with several entertainment features on the program the closing day.

E. C. Johnson of John Tarleton College, who judged the show, said the present show is the best Rotan has had both in quantity and quality of exhibits.

Several entries in the Rotan show will go to other shows in West Texas during the Fall and Winter.

MY! THESE NEW BABIES

Allen Stephens, ranch boss at the Nine-R, was handing out free cigars, free dinners and everything else one day last week. In fact, folks thought he had gone a little crazy, but on close inquiry, a Times-Signal reporter discovered that Mrs. Stephens had presented Allen with an eight pound boy at the Emergency Hospital, November 19th, and that both mother and son were just doing fine. The Times-Signal editor personally congratulates these fine folks as it has not been a great while ago, that we had the pleasure of arranging the preacher, the church and being a witness, for which we felt very proud and happy. . . . and here's the finest wishes in this wide, wide world to that fine baby boy.

SOMETHING A LITTLE DIFFERENT

What can be done when there is the will to do it, was recently evidenced by the almost phenomenal success of a "Business Confidence Week" originated and promulgated by the International Association of Lions Clubs and carried out by Lions Clubs in co-operation with other thinking civic organizations.

Over two hundred million dollars in increased retail business was reported for the week. Two hundred million dollars worth of merchandise taken off the shelves of American Merchants, now, means close to half a billion worth of orders for American manufacturers very soon. THAT means money in the pockets of all American people, including yourself.

Like everything else that is attempted in a BIG way, there were those who said it could not be done—just another case of the fellow who says "It can't be done," being interrupted by somebody doing it!

Now that it has been done as nothing similar has ever been done before, there still are those who will say that they do not see why a man should be a part of an organization such as these Lions Clubs. They will say that they can not afford it; that such organizations never do anything worth while; that there is nothing for them to gain in being a part of the group. Such people always remind one of the story of the farmer who when he saw his first giraffe said "Hell, there ain't no such animal!"

There are still a few communities whose leaders are blind to the advantages of being a part of a plan for the good of all. Those communities failed to take in thousands of dollars in increased business in the weeks just past, all because of the failure to recognize the opportunity.

There is no such thing as a self made man. Any thinking person knows that, for without the help of others no man can "get" anywhere. Likewise a community can never be what it can and will be, with the right kind of a Service Club—one which works on the basis of Analyze, Plan and Execute—backed up by a working, ACCOMPLISHING, national organization.

My hat is off to anybody or any group that DOES things, and certainly no one can doubt that to be responsible for \$200,000,000 increase in business in 1930 is DOING SOMETHING.

MORE PROOF THAT ADVERTISING PAYYS

As evidence that advertising pays, the writer, J. W. Roberts, has been feasting on some of the best venison ever brought to these parts. It was presented in nice "generous hunks," the first by Maurice Brownfield of the Piggly-Wiggly store, who was kind enough to bring the "generous hunk" to the office after reading what we had to say in last week's Times-Signal in the form of a note at the bottom of a few words of thanks by Jimmy Smith, senior editor, who had been presented with one of those "generous hunks" of venison by Maurice upon his return from a successful hunt. Soon after the paper was in the mails Maurice showed his generosity by appearing at the office with some of that self same juicy venison for which our mouth had been watering for ever since we dropped the gentle hint, and right here and now, we want to sincerely thank Maurice for his generosity. It was enjoyed by the entire family.

Boss Baze, the popular cafe man, who also returned from a successful hunt the same time as Maurice Brownfield, no doubt had been reading the Times-Signal and felt that our feelings had been hurt because of what we said in the Times-Signal last week, and on Friday afternoon, proved his generosity was equal to that of Maurice Brownfield, when he hunk for which we are very thankful. Boss, it was as fine as we ever tasted, and we hope that you and Maurice will be as successful on your next deer hunt and also be as generous on your return. Thanks again to the both of you.

E. E. Wallace who has been on the sick list, is up and around again apparently feeling his old time self. "Flu" had kept him close to the family fireside.

"DERELICT" REAL ACTION DRAMA

Do you want to be thrilled? To hold your breath while a drama of life and death, or hate and love unfolds itself in ever mounting action against a background of storms at sea, of daring rescues and perilous encounters?

Then see "Derelict" Saturday only at the Palace Theatre, in which the great George Bancroft depicts a masterful character, taken right from the salty ocean, in a manner that is thoroughly moving and convincing.

in a drama of deep-sea love and hate that will stir you to the very depths of your soul.

We have seen the mighty Bancroft in "The Mighty," in "Ladies Love Brutes," since that first tremendous offering, "Wolf of Wall Street." But never have we seen him so much at home, so dominant of his situation, so completely then an Bancroft is real in "Derelict," and "Derelict" is a real story.

A belligerent, two-fisted sea captain, fighting to keep a sluggish tramp steamer afloat through the fury of a tropical storm. Out of the angry night comes the frantic staccato signal of a ship in distress—"S. O. S."—and he knows that, aboard the floundering craft is the one man in the world he hates, and the woman who double-crossed him.

That's the climatic situation of "Derelict," and if you can imagine anything more full of possibilities for dynamic Bancroft action, we can't. William Boyd, seen with Gary Cooper in "The Spoilers," is Bancroft's rival in "Derelict," a fighting seaman, who can battle with both fists when the occasion demands. Jessie Joyce Landis is both beautiful and capable. She adds distinction to her part in "Derelict."

BUILDING CHURCH ROSCOE BAPTISTS

Ground was broken Thursday morning for the beginning of the basement division of the new Roscoe Baptist church building. The old building was moved off the site last week preparatory to starting work on the new structure. The

plan is to build the basement unit at present and to add the second story at a later date.

About \$2,000 is to be spent on the initial unit with about \$1,200 of this amount already raised. Rev. W. H. Howell is the pastor of the church.

Now is the time to change to Germ-Processed oil . . . It's DE-WAXED. That means easy starting . . . and its Penetrative Lubricity means safer Lubrication during the trying months ahead

CONOCO

Is your car hard to start these cold mornings? Let that be a reminder that these are danger months for your motor!

It takes more turning-over to start, and more running to warm-up your motor during the cold months. So now, more than ever, you need the extra protection of this oil with two big cold-weather advantages!

Conoco Germ-Processed Motor Oil is de-waxed to prevent congealing at low temperatures. That's the first reason. Second, its penetrative lubricity insures instant lubrication at the first touch of the starter. By decreasing friction, Germ-Processed oil adds to the ease of starting.

You may be able to buy some other oils which are de-waxed, but there is only one oil with penetrative lubricity, only one that penetrates metal-surfaces and never drains away from working parts.

It's Conoco Germ-Processed Motor Oil. Ask for it whenever you see the Conoco Red Triangle.

Personals

Mr. and Mrs. Curtis Ritchey and baby of Hobbs, spent Sunday with Mr. and Mrs. C. L. Devenport.

Mr. and Mrs. Elmer Bentley and children spent last week-end in Henrietta visiting Mr. and Mrs. Alvin Brock, sister of Mr. Bentley. They were accompanied by Mrs. D. C. Bentley who will remain.

Miss Erdice Gilmore of Plainview spent the week-end with home folks. E. U. Bullard at present employed at the Hilton Hotel, San Angelo, spent the week-end with his family here.

Mr. and Mrs. J. C. Turner of Snyder spent Monday with Mr. and Mrs. E. U. Bullard and family, mother of Mrs. Turner.

Mrs. T. J. McDonald left Monday to be at the bedside of her brother who lives in California.

Bill Daniel accompanied by his mother, Mrs. W. M. Daniel, left Monday for Littlefield where they will make their home.

Mr. and Mrs. Alfred Weathers of Moor's Ranch spent Sunday with Mr. and Mrs. Joe Wilson. Another guest at the same time was Clifton Devenport.

R. W. Newman and J. C. Witherspoon left Sunday on a business trip to Old Glory.

EVENTS

Mitchell-Scurry R. Y. P. U. Ass'n.

The attendance at the Mitchell-Scurry R. Y. P. U. Association which met Sunday last, at Roscoe, a very splendid program was rendered at the conclusion of which two banners, 'Attendance' and 'Efficiency,' were awarded to the deserving Union with the greatest number present and the highest grade average made; the former banner was won by Hermleigh, the latter by Snyder.

Our Associational President, J. C. Smyth of Snyder, was chosen as a supported representative to attend the State R. Y. P. U. Convention to be held soon at Temple, Texas. A collection was taken to that effect. Everyone is sure a more appropriate person than Mr. Smyth could not have been chosen to represent this Association.

Those attending from Union B. Y. P. U. were: Misses Clarice Blakeley, Erdice Gilmore, Gertrude Binion, Patsy Bullard, Ruby Berry, Willie Mae Willis, La Rue Newman, Lois Huekabee, Allene Wilson, and Florine Bullard; Messrs Lloyd Devenport, Glenn Huffman, Ernest Berry, Curtis Rogers, and Clarence Brush, and Messrs and Madames Joe Wilson and Alfred Weathers.

Woolver Sisters Entertain.

Several tables of Forty-Two and "Touring" were much enjoyed by the crowd of friends who gathered at the home of Misses Willie, Jerardine, and Ardelle Woolver last Wednesday evening. Those enjoying this delightful occasion were: Misses Tenny Maye Jeffress, Ethel Lynn and Lee Alvin Hays, Helen Witherspoon, and Veda Sterling of Ira; Messrs J. C. Witherspoon, Clyde Binion, Bill Daniel, Weldon Jeffress, S. D. Hays, Jr., and Orben Newman.

Miss La Rue Newman Hostess.

The Misses Helen Witherspoon, Florine Bullard, and Thelma and Gladys Huffman spent a most thrilling time at the home of Miss La Rue Newman last Saturday evening when she entertained them with a "Slumber (-less) Party." The girls are still giggling at thought of some of the absurd things that happened and hope they may soon be permitted to do the whole thing over in spite of the "Morning after the

Night Before," effect that such parties always leave.

Clyde Binion Breaks Ankle.

Several boys while playing rodeo Sunday morning were not aware of the dangers that were apt to befall them until a horse upon which Clyde Binion was riding suddenly reared falling backward upon him cruelly crushing his left ankle. The boys say the infuriated animal on arising ran forward trying to paw the body of his rider as they dragged him away. Great excitement ruled but the scene of action was anything but a noisy one due to the fact that most of the boys quickly made their way to the top rail of the corral fence.

However, Mr. Binion, after having been carried to town where his limb was carefully splinted, now reclines in bed where his many friends furnish him with flowers, dainty things to eat, and many interesting magazines to read. He is doing nicely. (If you ask us, who wouldn't.)

Mr. and Mrs. R. L. McKnight and baby of Lubbock are here for Thanksgiving with her parents, Mr. and Mrs. Fred Grayum.

ALTRUIANS HOLD ANNUAL LOVE FEAST

Altruian Club members enjoyed their annual Love Feast on Friday, November 21, at the home of Mrs. R. L. Gray, meeting at 1:00 P. M.

Upon arrival, guests were presented with slips of paper bearing Biblical names which corresponded with like names found on programs, serving as place cards.

The hand painted programs were most attractive, with covers depicting a harvest scene, and containing an interspersed menu and program for the feast.

Yellow and white chrysanthemums were used in profusion lending an autumn atmosphere, and making a lovely setting for the party.

Candy pumpkins, in black and gold were used as favors.

As the four course feast was served the following program was given:

Toastmistress—Mrs. O. P. Thrane. Invocation—Mrs. Joe Caton.

Roll Call—One of God's Promises. "Thankfulness"—Mrs. H. P. Brown. Autumn Song—(Written and Dedicated to Club by Mrs. Fritz R. Smith.) Mmes. A. C. Preuit, W. W. Hamilton, and H. P. Brown. Club in Chorus.

Immediately following the Love Feast program their regular Bible Day program was given:

Director—Mrs. R. D. English. Hymn, "He Will Keep His Promise I Know."

Roll Call—One of God's Promises. Discussion of Bible Characters: The Six Marys—Mrs. C. C. Higgins.

Ruth—Mrs. W. W. Hamilton. Hannah—Mrs. J. M. Harris. Dorcas—Mrs. Joe Caton. Delilah—Mrs. Fritz R. Smith. Sarah—Mrs. E. J. Anderson.

Story of the Beautiful Girl Who Became Queen—Mrs. A. C. Preuit. Bible Contest.

Members present were: Mmes. E. J. Anderson, Roland Bell, H. P. Brown, C. R. Buchanan, Joe Caton, R. D. English, G. A. Hagan, W. W. Hamilton, C. C. Higgins, J. M. Harris, J. W. Leftwich, A. C. Preuit, Fritz R. Smith, L. T. Stinson, J. C. Stinson, Hugh Taylor, O. P. Thrane, H. G. Towle and C. J. Yoder.

MOTHER'S CLUB GIVES DINNER PARTY

Mrs. B. M. West, entertained members of the Mothers Self Culture Club, and their husbands and a group of friends, with a lovely turkey dinner, on Monday evening, November 24th, at the West home.

Eight tables of guests enjoyed this Thanksgiving feast, and later, several games of forty-two were played. Chrysanthemums and other fall flowers were nicely arranged throughout the home.

Club members and husbands present were: Messrs and Mmes. A. C. Alexander, J. P. Avary, P. M. Brownfield, A. A. Bullock, E. J. Richardson, E. F. Sears, I. H. Spikes, Jr., W. G. Williams, and Mmes. W. H. Cauble, L. E. Trigg, Estelle Wylie, and Mr. B. M. West. Guests present were Messrs and Mmes. H. L. Davis, H. P. Brown, Edgar Wilson, Sidney Johnson, H. M. Blackard, and Mrs. Josie York Lemley, Mrs. E. Wenninger, and Mr. Snell of Hillsboro.

FRIENDLY HELPERS MEET

The Friendly Helpers Class of the Methodist church met at the home of Mrs. R. J. Randals on Thursday afternoon, November 20, with Mrs. Randals and Mrs. Cal C. Wright as joint hostesses.

The afternoon was spent in needlework, and later, refreshments were served to the following members: Mmes. Claude Sims, Louie Vaughn, Wayne Boren, Howard McDonald, Homer Snyder, Glen Stark, J. G. Hicks, Estelle Wylie, L. T. Stinson, Coston, W. W. Hamilton, Joe Stinson, and Joe Strayhorn.

ALTRUIAN DAUGHTERS

Mrs. Herbert Bannister was hostess for the Altruian Daughters, on Monday evening, November 24th, at her home.

Paintings of the Bible—Miss Marjorie directed the business session.

Miss Martha Gray directed the fine Bible Day program.

Roll Call—Great Women of the Bible.

Why a Bible Department in the Federation?—Mrs. Joe Caton.

Poetry of the Bible—Miss Brentz Anderson.

Paintings of the Bible—Miss Martha Gray.

Delicious refreshments were served to the Misses Lucile Brown, Brentz Anderson, Mary Harkey, Ola Lee Cauble, Ina Mae Caswell, Margaret Dell Prim, Martha Gray, Eloise Scott and Mmes. Joe Caton, and J. D. Scott.

Mrs. A. J. Towle was a club guest.

Mr. and Mrs. James Randals and daughter Mrs. C. Arnett of Lamesa are spending Thanksgiving with their son and brother, Dick Randals and family.

MISS EULA MAE GRIFFIN

Miss Eula Mae Griffin was able to return to her home, south of Snyder, Monday, following an appendicitis operation at the Emergency hospital.

MR. AND MRS. RAYBON ENTERTAIN BRIDGE CLUB

Members of the Thursday Night Bridge Club thoroughly enjoyed the fine hospitality of Mr. and Mrs. W. T. Raybon, on Thursday evening, November 20, at the Raybon home.

At the conclusion of the bridge games, Mrs. Ivan Dodson and Forest Sears, received lovely prizes for leading scores.

The Misses Roberta and Evelyn Raybon assisted their mother in serving refreshments to Messrs and Mmes. J. G. Hicks, A. R. Norred, Waymond Sims, Melvin Blackard, Forest Sears, Wayne Boren, Herbert Bannister, Ivan Dodson, G. B. Clark, Jr., Mrs. Geo. Oldham, and Mrs. Clyde Shull.

SINE CURA CLUB

Mrs. Fritz R. Smith was a charming hostess for the Sine Cura Bridge Club, at her home, Tuesday afternoon.

Chrysanthemums and nasturtiums were artistically arranged throughout the home carrying out a pretty color scheme of yellow and white.

When final scores were counted, Mrs. J. G. Hicks won high score award and Mrs. O. P. Thrane second high.

Two courses of lovely refreshments were served to Mmes. E. J. Anderson, G. A. Hagan, H. G. Towle, A. J. Towle, O. P. Thrane, Wayne Boren, Vern McMullan, J. M. Harris, W. B. Lee, Dixie Smith, Ernest Taylor, R. H. Curmutte, and W. R. Johnson, members; and Mmes. W. D. Beggs, J. G. Hicks, and A. C. Preuit, guests.

IMPROVES GRADE OF COWS AND DOUBLE PROFITS

Glen Rose—The difference between two gallons of milk per cow, of average 3 per cent butterfat test, and more than four gallons per cow with a butterfat test of 5 per cent has been enough to make L. C. Trible, Somervell county dairy herd demonstrator, decide to get rid of his grade cows and put his work and time on good stock.

With the encouragement and advice of J. H. Survoik, county agricultural agent, he purchased several registered Jersey cows and a circle bull. This year's profits are twice as much as those of last year, while the registered offspring are worth three times as much.

WED. THURS. NOVEMBER 26-27: "MONTE CARLO"

with Jack Buchanan and Jeanette MacDonald. A thousand and one thrills and a million laughs—in "Monte Carlo." Gorgeous girls, gayety, glamorous goings-on. "Sunday Afternoon."

SATURDAY NOVEMBER 29: "DERELICT"

starring George Bancroft with William Boyd and Jessie Royce Landis. Two-fisted, fighting man. A sea-captain who can steer a course through fog or tempest. Runs the greatest thing in his life—love—on the rocks. A sensational, seaswept romance with a real wallop. Paramount News and Talkartoon, "Fire Bug."

MON. & TUES. DECEMBER 1-2: "THE VIRTUOUS SIN"

with Walter Huston, Kay Francis, and Kenneth MacKenna. A woman seeking love—a man loving power—It's drama rises in terrific crescendo—and crashes in a tremendous climax. Paramount News and comedy, "Model Women." Coming Decbr. 12-13—Gazy Cooper in "Marocco"

ALPHA STUDY CLUB ENJOYS LUNCHEON

The home of Mrs. J. G. Hicks was the scene of a gay party on Saturday, November 22, when Mrs. Hicks and Mrs. Albert Norred jointly entertained the Alpha Study Club with a delightful three course luncheon.

Chrysanthemums and roses decorated the entertaining rooms, and made a lovely setting for the Club party.

Attractive place cards featured the approaching Thanksgiving season.

Immediately after the luncheon an interesting program was given: Roll Call—Famous Irishmen. Picturesque Ireland—Miss Hattie Herm.

Churches, Past and Present—Mrs. Homer Snyder.

Two Castles Laden With Associations—Mrs. Chas. Noble.

Thackeray and the Out-of-Doors—Mrs. Wayne Boren.

WELVET HAMMER

felt at liberty to shoot the "old bull" as a last minute expression of what was on his mind.

THE TIME IS HERE

When the odors from the kitchen, tantalizing 'n' bewitchin', set a mortal's palate itchin'—Tempt the appetites o' men; When you smell the m'n'ce-pie bakin' Sniff the cake the cook is makin', Covered thick with icy flak'n'—Then Thanksgiving's here again!

RED CROSS ROLL CALL

According to County Chairman A. C. Preuit the Annual Roll Call ends today. Scurry County has been fairly good in its membership campaign for the Red Cross but if it could be doubled over the quota, then that would be remarkable.

The Red Cross has generously smiled on our section this year and if we can spare the dollar mem-

TWENTIETH CENTURY CLUB

Mrs. Earl Fish was hostess for the Twentieth Century Club on Tuesday afternoon, and a most interesting program was presented, under the leadership of Mrs. H. M. Blackard.

HERSHIP, WE SHOULD DO IT UNBESITTINGLY.

As we are going to press, 24 hours ahead of the Haskell-Tiger district foot ball game, we have both fingers crossed as to the ultimate score. . . and we're keeping those fingers crossed until the final whistle goes for close of the game and that the Tigers stand supremely at the top of the heap. Not in the history of Tiger football has such a team come to the front to fight for Snyder High as the team that represents the school this year. With a full squad of eleven men that know fight from start to finish, with substitutes who are equally as good as the regulars, Snyder stands in a most conspicuous position to win regional honors. . . they maintain the fighting spirit and will that has characterized every game this year. As this is being written, our scribe does not know of Haskell's battles this year, but let the old Velvet Hammer tell them, that when they come to Snyder they will be meeting true foremen, worthy of their skill and who will never grant an inch and whose eyes have been trained to "hold that line," as well as "right on the ball." That's Snyder, and we gladly welcome the Haskell Indians and their citizenship to our midst, and like true sports, we hope to defeat them, cleanly and well.

POLAR NEWS

By Mrs. J. A. Martin

Yes sir-re folks, we've been enjoying this sun shiny weather without wind even if the temperature has fallen.

A small number were at Sunday School Sunday. Come on folks, and make our S. S. worth while. Every family in Polar should be members of the Sunday School.

Bro. S. B. Wilkerson preached following Sunday School and Bro. J. A. Martin was ordained as a deacon of the Polar Baptist church Bro. T. L. Nipp delivered the charge

WELVET HAMMER (Continued from first page)

bership, we should do it unbessitatingly.

DISTRICT FOOTBALL

As we are going to press, 24 hours ahead of the Haskell-Tiger district foot ball game, we have both fingers crossed as to the ultimate score. . . and we're keeping those fingers crossed until the final whistle goes for close of the game and that the Tigers stand supremely at the top of the heap. Not in the history of Tiger football has such a team come to the front to fight for Snyder High as the team that represents the school this year. With a full squad of eleven men that know fight from start to finish, with substitutes who are equally as good as the regulars, Snyder stands in a most conspicuous position to win regional honors. . . they maintain the fighting spirit and will that has characterized every game this year. As this is being written, our scribe does not know of Haskell's battles this year, but let the old Velvet Hammer tell them, that when they come to Snyder they will be meeting true foremen, worthy of their skill and who will never grant an inch and whose eyes have been trained to "hold that line," as well as "right on the ball." That's Snyder, and we gladly welcome the Haskell Indians and their citizenship to our midst, and like true sports, we hope to defeat them, cleanly and well.

*** Women Hold Kitchen Conference ***

Cleburne—That a successful 4-H pantry demonstration has information of interest and value to impart was proven when the women's home demonstration club of Cotton Valley community in Johnson county met in Mrs. J. L. Dean's kitchen for the purpose of viewing her pantry and hearing from her the story of her work as demonstrator. A sufficient supply of canned fruits, vegetables and meats, of pickles, preserves and relishes, and of dried beans and fruits for her family during the winter months, all prepared by Mrs. Dean according to standardized processes was exhibited. The pantry shelves were in three sections and comfortably held the 540 containers, the commercial supplies, the pressure cooker used in the work of canning, and the recipe and menu files. Six cooperators also told of building storage space for their canned products.

Beef Cattle Utilized As Food Market

Oilton—Eighteen hundred head of beef cattle were placed in food lots in October to be fed out by farmers in Lamb county as a method of marketing their food stuff, according to D. A. Adam, county agricultural agent. He has been working with the farmers and bankers of that county in sponsoring a feeding program which originated last spring, was stimulated in August by a feeders' short course, and is now culminating in practical application of the plans.

Demonstrators are feeding only the stuff grown on the farms. Rations consisting of grain sorghum heads, cotton seed meal and, for roughness, hegar and kafir bundles.

Such items as this are seized with elation by the crusaders against a large cotton acreage. Some go so far as to regret that cotton grows in the South at all. Yet F. O. Masten, master farmer of Collinsworth county, is not a slave-farmer from it—and he raised more than 200 acres of cotton this year. Perhaps the explanation is that he made more than a bale to the acre, and in a dry year.

But high or low, lean years or fat somebody has figured out that it took twenty-five acres of cotton this year to make enough money to buy pork enough to supply the average farm family for a year. Sounds exaggerated but it stands the test of reasonableness. Ten-cent cotton on quarter-bale acres won't stand for many comparisons.

Cotton always needs the support of a full pantry its wonders to perform. Down in Southwest Texas a few thousand home demonstration club women have canned 1,903,348 containers of home-grown fruit, vegetables, meat and the like! With an average of close to 200 cans per home these folks can look winter in the face—and the banker, too.

The home demonstration agents reporting are from Anderson, Shelby, Angelina, Rusk, Nacogdoches, Houston, Polk, Cherokee, Jasper, Jefferson, Liberty, San Augustine, Walker and Orange counties.

PREDATORY ANIMALS AND THEIR CONTROL

By Eddie B. Ligon, U. S. Biological Survey

To the people of the Western United States engaged directly or indirectly in the production of livestock and poultry the question of predatory animals and their control is a question of vital importance.

 Making Lamb county a great livestock feeding section, improving the soil, providing profitable use for labor on farms during the slack months, and profitably marketing the home grown feed stuff are cited as the advantages of this work.

PREDATORY ANIMALS AND THEIR CONTROL

By Eddie B. Ligon, U. S. Biological Survey

To the people of the Western United States engaged directly or indirectly in the production of livestock and poultry the question of predatory animals and their control is a question of vital importance.

Not only do the losses sustained each year from predatory animals in the actual production of livestock and poultry climb high into the hundreds of thousands dollars, but the potential development and advancement in certain districts suited to and adaptable to this type of agricultural occupation represents losses as great or greater than that now felt.

THE HEAVY LOSS taken each year from the revenue of farmers and ranchmen by these pests the Federal and State Governments are joining forces with the people in an effort to bring about immediate relief and permanent control. In Texas there are approximately seventy counties now completely organized in cooperation with the U. S. Biological Survey in the control of coyotes-wolves, Mt. Lions, and bob cats. New counties are being added as fast as funds become available for the extension. Plans are fast becoming for extensive poison campaigns in Scurry, Borden and Garza Counties to start the first of December, and probably will be repeated once or twice through the winter months. It is the desire of the Biological Survey that we have the cooperation of every citizen in these counties in this campaign. We hope every one will realize this work is worth untold dollars to every land owner, and livestock owner now and in potential dollars once we can break the stronghold of the coyotes breeding grounds. The State Government are spending large sums of money in helping to carry on this work, because it will increase that taxpayers revenue.

At a meeting in the County Court Room at Snyder, November 12, and in conversation during the day with many others there were approximately forty-five citizens anxious and ready to go their limit in this work. There were some ten thousand baits asked for at the meeting, and several that has wanted baits were absent. All those that will cooperate and want the best known poison, baits, and every assistance we can render may leave

one dollar per hundred baits complete at the First State Bank and Trust Co. before they close Saturday, November 29th, or with the County Agent. Large ranch owners are usually progressive, they usually help the communities around them, and in Garza County two of them helped the county campaign three hundred dollars worth of baits.

We hope the large ranchmen of Scurry and the other counties doing this poisoning will assist in this work, at least to the extent of seeing their own ranch well poisoned during the campaign.

We realize there are some who own dogs, some for sport, some for pets, some for their usefulness around and with stock. We solicit your cooperation, by unified efforts we can poison the predatory animals and you can keep your dogs confined a few weeks. We furnish posters and notices in papers and general publicity with everybody knowing when and where the poison is being put out. Owners of poultry and livestock are forced to pen their stuff nights and watch after it in many instances, and then suffer big losses, and with your cooperation in confining your dogs a period of three weeks at each poisoning period you should not lose a valuable dog.

Let everyone forget our prejudice, unite in this campaign, for "in unty there is strength" and make this a safe county to extend our livestock and poultry enterprises. Dec. 2nd, will be the day to get your BAITS. Notify the bank or County Agent before or on Saturday, Nov. 29th, how many you want.

DRILLER INJURED
 Arthur Wood, driller at the Pen-de-Davis oil well, received a bad injury Sunday when his left hand was caught in the pump, making the amputation of two fingers necessary. Tissues of the left arm were also badly torn. Mr. Wood is under the care of Dr. I. A. Griffin, at the Emergency Hospital.
