Marriage of Miss Lucile Brown To Mr. Edward Grissom Is Announced

Mr. and Mrs. H. P. Brown announce the marriage of their daughter, Martha Lucile, to Edward Grissom, son of Mr. and Mrs. Hardy Grissom, of Abilene.

The wedding took place in Roswell, New Mexico, Saturday afternoon, November 12. The charming bride wore a gown of brown transparent velvet, fashioned on princess lines, with puffed shoulder sleeves of ivory wool lace and with accessories to harmonize. She traveled in a gray wool model suit trimmed in leopard and wore brown accessories.

Mrs. Grissom was graduated from Snyder High School and attended Simmons University, Abilene, for two years, each year being chosen as one of the four from which the class beauties were selected. She also had special dramatic training in Boulder and Denver, Colorado. Her parents are well known in West Texas, having resided in Snyder for many years.

Mr. Grissom had his earlier schooling in New Mexico Military Institute, Roswell, and Kemper Military Institute, Boonville, Missouri. He later attended Texas Christian University at Fort Worth. He also made the European tour with the Simmons Cowboy Band of Abilene.

Mr. and Mrs. Grissom are spending a week in the Northwestern states, after which they will return to Sweetwater, where they will make their home. Mr. Grissom is interested in the Sinclair Oil Company of that city.

Several parties to be given in honor of Mrs. Grissom are being planned.

La'-a-Lot Club Is Organized Tuesday.

The La'-a-Lot Bridge Club was organized Tuesday evening at a meeting in the home of Miss Eva Nelle Arnold, at which time Misses Arnold and Saxton West were hostesses.

Officers elected were: Mrs. Herman Doak, president; Miss Mildred Stokes, vice president; Miss Gwendolyn Gray, secretary; and Miss Margaret Deakins, reporter.

Members are Misses Dixie Lee Davis, Saxton West, Bonnie Miller, Frances Faye Huestis, Wanda Newsum, Margaret Deakins, Gwendolyn Gray, Eva Nelle Arnold and Mildred Stokes and Mrs. Herman Doak.

Methodist W. M. S. Has Prayer Program.

The Senior Woman's Missionary Society of the First Methodist Church met Thursday at 1:00 o'clock at the parsonage.

A delicious covered dish luncheon was enjoyed, at the close of which, as an outward token of the society's love and appreciation, a gift was presented to Mrs. Young.

Going into a missionary program, Mrs. D. P. Yoder gave the devotional, reading from Acts 3:1-15, and stressing the joy and importance of witnessing for Christ, using concrete examples like that of Paul and many of our most devoted missionaries through the centuries up to the present day.

Mrs. Halley made an interesting talk on the "McDonald French Mission School" at Houma, Louisiana.

Mrs. R. H. Curritte sketched "The Life of Miss Ester Case," which was a great inspiration to us.

Mrs. C. C. Higgins talked on the "Needs of the Work and the Workers." Mrs. C. S. Harris closed the meeting with prayer.

An offering was made for the benefit of the schools and missions, the subjects of the program and our prayers. Fourteen members were present.

B. and P. W. Club Given Party Tuesday.

Mmes. Walls, Fish, Hattie Wade and Ethel Eiland entertained the Business and Professional Women's Club with a forty-two party Tuesday evening at the home of Mrs. Fish.

Following the entertaining games, Miss Ora Norred played piano selections and vocal numbers were sung by Miss Pauline Boren and Mmes. Daisy Smith and Elsa von Roeder.

Refreshments were passed to Misses Grace Avary, Pauline Boren, Elizabeth Floyd of Honey Grove, Grace Holcomb, Lal Jo Wilson and Ora Norred, Mmes. Nancy Caton, Mable German, Edith Hull, Ida Merrill, Vera Miles, Mae Rogers, Daisy Smith and Elsa von Roeder.

Lost 20 Lbs. of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drug store—the cook for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back. 1-1

Mrs. Weathersbee Gives Timely Article.

Mrs. E. E. Weathersbee gave an interesting paper on "Public Education in Texas" Tuesday afternoon at a meeting of the Woman's Culture Club. Mrs. Weathersbee presented the following factors:

Public education in Texas is now facing a crisis. Economic and financial conditions are affecting the schools adversely. A community, town or state is no better than its schools. Hurt the schools and you hurt everything. Education is the surest means of safeguarding what is left from the economic ruin.

The free public school has made it possible for every child to receive a liberal education. It has brought about the "golden age of childhood," converting these years into the most valuable period of life. The better the schools, the more prosperous is the community in which they are found.

Much is heard about the slashing of different expenditures in governmental affairs, particularly education, and the recent amendment to exempt homesteads up to the value of \$3,000 that has been enacted has cut the available school funds at least \$5,000,000. Retrenchments already have been made, and we must do everything possible to create such sentiment as will help in stemming the tide of harmful retrenchments and save Texas boys and girls from a backward step in education.

The aim and purpose at this time is to awaken the entire state of Texas to a realization of the harm threatening the educational opportunities of its boys and girls. May the people wake up and see the crisis that education is now facing and take steps to uphold our standards.

Husband's Evening Observed By Club.

A splendid Armistice Day program, arranged by the fine arts committee of the Altrurian Club, was given Friday evening when Mmes. R. D. English, J. C. Stinson and Carl Yoder entertained members of the club and their husbands at the home of Mrs. Stinson.

Flags, patriotic symbols, white chrysanthemums and red roses added to the attractiveness of the living room. The table and buffet in the dining room were centered with mounds of yellow chrysanthemums.

Patriotic sentiments were mentioned for roll call. Mrs. W. W. Hamilton gave the history of the song, "America the Beautiful," after which the club joined Mrs. Hamilton in singing the song. A tribute to veterans of the World War was given by Mrs. O. P. Thrane, who then asked the guests to stand in a few minutes of silence in memory of those who had passed on.

"What My Country Means to Me" was Mrs. W. R. Bell's interesting subject. A sing-song of war-time melodies was enjoyed, with Mrs. Violet McKnight, guest, accompanying at the piano.

The hostesses served a delicious two-course turkey dinner at tables centered with red roses.

Those present were Messrs. and Mmes. E. J. Anderson, W. R. Bell, Joe Caton, R. L. Gray, W. W. Hamilton, J. M. Harris, J. W. Leftwich, A. C. Pruitt, L. T. Stinson, O. P. Thrane, Fred Grayum and H. G. Towle, Mrs. C. C. Higgins, Dr. R. D. English and Messrs. Carl Yoder and J. C. Stinson. Other guests were Mrs. Pearl Shannon of Colorado, Mrs. Violet McKnight of Albany, Mr. and Mrs. R. L. Miller and Mr. and Mrs. J. D. Scott.

Methodist Auxiliary Has Week of Prayer.

The Ruth Anderson Auxiliary of the First Methodist Church met in the home of Mrs. E. H. Odum on November 9 for the Week of Prayer program.

Mmes. C. J. Yoder and Claude Sims had charge of the program. Main features of the program were: "The Life of Miss Ester Case" by Mrs. Sims; "The McDonald School" by Mrs. J. G. Hicks; "Our Work in Korea" by Mrs. R. H. Odum, and a round table discussion on "Helps and Difficulties in Prayer." Several songs were sung and prayers given.

It was truly an inspirational meeting. About \$9 was given for a Week of Prayer offering.

Fidelis Class Given Fellowship Breakfast.

Mmes. R. D. English, A. G. Eiland and W. R. Bell entertained the Fidelis Sunday School Class of the First Baptist Church with a fellowship breakfast Sunday morning at the home of Mrs. Eiland.

A pretty candle lighting ceremony was very impressive, the red and white tapers emphasizing the class colors. Red carnations also carried out the color note.

Talks were given by Rev. Philip C. McGahey, A. C. Alexander, superintendent of the Sunday School department; Mrs. Cleve Blackard, president of the class; and by Mrs. W. R. Bell, superintendent of the young people's department.

About 24 members were present for the delicious two-course breakfast.

Crusaders S. S. Class Is Given Party.

Mrs. Jewel McClinton and Miss Neoma Strayhorn entertained the Crusaders Sunday School Class of the First Methodist Church Monday evening in the home of Mrs. R. H. Odum.

Mrs. Melvin Blackard was leader for the program. After the singing of patriotic songs Mrs. Odum led in prayer. A poem, "In Flanders Field," was read by Miss Hattie Hern.

The class spent the remainder of the evening quilting.

A salad plate was passed to Mmes. Maurie Brownfield, Warren Dodson, Melvin Blackard and Ralph Odum, Misses Bonnie Gary, Hattie and Gertrude Hern and Blanche Mitchell.

Ruth Anderson Auxiliary Meets.

The Ruth Anderson Auxiliary of the First Methodist Church met in the home of Mrs. J. G. Hicks Monday in regular meeting.

Following singing of the song, "What a Friend We Have in Jesus," Mrs. Oscar Coston led in prayer. Mrs. A. E. Wiese conducted the devotional, reading Matthew 18:21-25. Mrs. Boren directed the lesson from the book, "Living Issues in China," with Mmes. Harry Lee, Porter and R. H. Odum taking parts.

VERY LATEST By Patricia Dow

Gray is the new color for daytime, afternoon . . . and yes, evening frocks. Gray, in the new fall and winter fabrics, has caught the fancy of the designers so the woman with home needle ability will make no mistake in making for herself a new gray daytime frock like that shown in the sketch below.

Leading retailers in the larger cities are showing grays in the rough crepes . . . and show red as the favorite color for trimming and accents. One model has a cape-scarf in two shades, gray with red fringe. From deep gun metal to lighter pastels, gray is getting all the attention. Dashes of red are used in trimming, making spots of color at waistline, at neckline and on the sleeves.

The natural trimming for gray is white, a carry-over from early fall uses on black. White still holds as the favorite trimming—only now it is in fur on sleeve and neckline, as shown in the sketch.

English Author Is Studied by Club.

John Galsworthy, noted English writer, and his drama, "Strife," were studied Monday evening by the Altrurian Daughters Club at a meeting in the home of Mrs. F. W. Cloud, at which time Mrs. Herbert Bannister was hostess.

Thanksgiving recipes were given by members for roll call. Director for the evening was Mrs. Cleve Blackard. A biography of Galsworthy's life and work was given by Mrs. Cloud. Miss Dorothy Strayhorn discussed "Galsworthy's Style," and an interesting discussion of the characters in the play, "Strife," was given by Miss Mattie Ross Cunningham.

Refreshments were passed to Misses Kenneth Alexander, Grace Avary, Helen Boren, Maurine and Mattie Ross Cunningham, Waunita Darby, Doris Pope Elza, Mary Harvey, Polly Porter, Margaret Dell Prim, Dorothy Strayhorn and Opal Wedgeworth, Mmes. Cleve Blackard, Max Brownfield, Joe Caton, P. W. Cloud, Ottis Moore, J. D. Scott, Elmer Spears and Forest Wade.

Ingleside Club Meets In Strayhorn Home.

The Ingleside Study Club met in the home of Mrs. Roy Strayhorn Thursday afternoon, with Mrs. Charles Noble leader for the study.

"Franklin's Place in Our History" was discussed by Mmes. W. F. Cox, R. H. Odum, R. S. Sullivan, Joe Tant Johnston, Tom Boren, R. S. Snow, C. W. Harless, Neil Gross, Tate Lockhart, A. E. Wiese and R. J. Randals.

Mrs. G. B. Clark Entertains Club.

Mrs. G. B. Clark entertained the Woman's Culture Club in her home Tuesday afternoon, with Mrs. E. E. Weathersbee directing the study on "Artists."

Texas artists were named for roll call. "McArdle's Life and the Painting of the Battle of San Jacinto" was discussed by Mrs. J. R. Huckabee. Mrs. A. C. Alexander gave sketches of the lives and works of Misses Janet and Mary Downie.

"The Life of Elizabeth Keeler" was told by Mrs. A. A. Bullock. "Frank Reaugh, Life and Paintings" was Mrs. J. L. Caskey's topic. Mrs. W. A. Morton told of the methods used in school to encourage interest in art. A poem, "Apostrophe to the Painted Rock," was given by Mrs. E. F. Sears.

Mrs. Clark served a dainty salad plate to Mmes. A. C. Alexander, J. P. Avary, F. M. Brownfield, A. A. Bullock, J. L. Caskey, P. C. Chenault, J. R. Huckabee, W. A. Morton, E. C. Neely, E. F. Sears, D. P. Strayhorn, E. E. Weathersbee and J. A. Woodfin.

Mmes. Bailey and Jones Class Hostesses.

The Esrudoma Sunday School Class of the First Baptist Church was delightfully entertained Wednesday afternoon by Mmes. A. A. Bailey and Willard Jones at the home of the latter.

Following the business session a Bible questionnaire was enjoyed. After games, refreshments were served to Mmes. C. Wedgeworth, Wayne Williams, Philip McGahey, Anos-Joyce, Gailther Bell, Noah E. Sisk, Alfred McGahey, G. B. Clark, Page Cleavenger and J. C. Smyth.

Washington—The "radio" boys are using large quantities of effervescent fizzy water these days.

Washington—The "radio" boys are using large quantities of effervescent fizzy water these days. The complexities of the hectic campaign have been just a little too much for them. They have a headache. They were torn between so many conflicting desires that they are close to a nervous breakdown. When Congress convenes in December and starts to investigate them, they plan to send a doctor's certificate stating that they are too ill to attend.

There are a hundred wise boys in Washington whose business it is to extend the sensitive tip of their proboscis into all kinds of things and tell the readers of their papers as much as it is good for said readers to know. These wise boys report with a chuckle that a good many of the perplexed broadcasters have been sawing off the legal limb on which they have been sitting pretty, as the saying goes. They say—and they usually know whereof they speak—that the broadcasters in their frantic efforts to make political hay while the campaign sun was shining, resorted to the ancient and dishonorable practice of rebating.

This practice is expressly prohibited by the Radio Act of 1927, section 18 of which places on licensees of broadcasting stations the obligation to treat all political candidates alike in granting them access to their radio facilities. Under this section Norman Thomas, the Socialist candidate, could have compelled the National Broadcasting Company to give him as much time as it gave to Hoover or Roosevelt.

The statesmen soon to reassemble on Capitol Hill know all about the dirty work done on the air during the dark hours. If you put your ear to the ground in any Washington backyard, you can hear the rumble of the whetstones on which are being sharpened the knives that are to lay bare the broadcasters' political gizzards during the coming session. But the operation is not going to stop with the gizzard. Oh, my, no! The capitol doctors are contemplating a large piece of plastic surgery that will change the entire face of broadcasting and make it more acceptable to the forty million listeners who have a billion dollars invested in receiving sets and want better, more palatable program interest on their investment.

When the inquiry into broadcast-

Teachers Invited To Howard County Meet

Teachers of Scurry County have been invited to attend a meeting of Howard County school officials and teachers at Big Spring Friday afternoon, beginning at 1:00 o'clock. The invitation comes from Mrs. Pauline Cantrell Brigham, Howard County superintendent.

Dr. Hob Gray, head of the education department of the College of Industrial Arts, Denton, is the principal speaker of the occasion. He will address two groups in the afternoon and another in the evening.

The afternoon session will be held at the municipal auditorium. There will be no fees of any kind. ing gets under way, several of the more inquisitive members of Congress plan to ask National Broadcasting Company a number of questions concerning its finances. They are worried about them, so worried that they may pass the hat to take up a collection for this first-born child of the most powerful and wealthiest group of corporations in the radio monopoly.

The feverish course of the campaign has opened the eyes of many members of Congress, old and new, to the fact that the so-called American plan of broadcasting based on the 100 per cent commercial exploitation of the limited number of ether channels for private profit does not and cannot be made adequately to serve the public interest.

ROUGH to your finger

ROUGH IN YOUR STOMACH

It's easy to say they're all alike—and easy to prove they are NOT. Dissolve a genuine Bayer Aspirin tablet in water, pour it off, feel the fine powder that coats the glass. Do this with some other tablet; see what coarse particles are left. They feel as sharp as sand, even to your finger. How must they affect those delicate membranes which line your throat—your stomach?

For immediate relief from headaches, colds, sore throat, neuralgia or neuritis, lumbago, rheumatism, there's nothing like Bayer Aspirin. It cannot depress the heart.

Under the present lack of system radio stations, owing their existence to a public grant, depending for their operation on protection furnished by the public, are neither fish, flesh nor fowl. They claim the benefits accruing to them from their status as a public utility, but they strenuously and successfully fight against the assumptions of all obligations to the public deriving from this status. They want political power and revenue from political campaigns, but they refuse to throw their facilities open to the public, free, for untrammeled discussion of public issues as the newspapers do.

Undoubtedly there will be a careful, impartial study of American broadcasting authorized by Congress soon after it reassembles. The extent of the investigation will depend upon what the new and old members of Congress have learned of the activities of the "chains" in the 1932 campaign.

Governor Roosevelt, for example, was shut off the air just at the point when he was about to present the high points of his Portland address.

and the millions who were listening in had to wait in exasperation until morning to read the peroration in their morning newspapers. Not more than three minutes would have been required for the governor to complete his address, but even that small concession was not made to Mr. Roosevelt or to the American people by the national chain broadcasting the message. Yet by the terms of the federal license under which the stations are permitted to use the ether, they are supposed to operate in the "public interest."

The national and state headquarters of the major parties were flooded with complaints from the typographical unions, protesting against the almost exclusive use of radio for advertising purposes. Job printers generally throughout the country entered their objections, too. The burden of the complaints was that, compared with campaigns of other years, relatively little printing of campaign material was ordered this year. It was pointed out that instead of dumping several hundred

A. R. Crowder Has Moved Meat Market

The Crowder meat market, located for some time in the building with Will Rogers grocery, on the southeast corner of the square, was moved early this week to the Templeton building, several doors north of the old location.

With modern and complete equipment, plenty of experience behind him, and tender young meats at reasonable prices, A. R. Crowder, manager, believes he is in a position to serve the people of Scurry County with their meat needs.

R. J. Randalls and Ralph Odum are deer hunting near El Campo this week.

Chevrolet Reported Making Innovations

Rumors that Chevrolet is almost ready to present a new car featuring a longer wheel base and a more beautiful body have been admitted to truthdom by the manufacturers, and D. P. Yoder, local dealer, is looking forward to receiving some of the models.

Advance material sent out by the Chevrolet people indicates that the price will probably be lower than that effective in 1932. Minor improvements in the engine, appearance and general performance are likewise expected by Mr. Yoder.

Relieves Women's Pains

Here is an example of how Cardul has helped thousands of women: "I was very thin and pale," writes Mrs. F. H. Scott, of Roanoke, Va. "I suffered from weakness and a severe pain in my back. This pain unnerved me, and I did not feel like doing my work. I did not care to go places, and felt worn, tired, day after day. My mother had taken Cardul, and on seeing my condition she advised me to try it. I have never regretted doing so. I took three bottles and it built me up. I gained in weight, my color was better and the pain left my back. I am stronger than I had been in some time." Cardul is sold by local druggists.

Plebeians Render Program. The Latin Club of Snyder High School met in regular meeting on Tuesday, November 8, with the president, Eva Nelle Arnold, presiding.

A committee was appointed to help the secretary make a scrapbook for the club, in which all paper clippings and socials should be kept.

An interesting program was rendered by the Plebeians—Royce C. Eiland, Reporter.

Education Essential to Right Living. After bread, education is the first need of a people. Our forefathers thus believed, since in this nation each citizen has the right to send his children for free public instruction.

It is highly significant that the United States, the only world power that has attempted to provide free education through high school to all children, has the highest wage scale and the highest standard of living among the masses of all the great nations of the world.

In America, with free schools and colleges at our doors, with books and magazines at our finger tips, with opportunities unknown to any other nation on the globe, there is no excuse for mediocrity. But, in the face of this, hundreds of boys and girls do not go beyond the eighth grade in school.

Who is to blame for this? Oftentimes parents, who are utterly indifferent to the progress of their children; sometimes teachers, who are bound down by systems and who have not the initiative to inspire their pupils with the desire for knowledge.

If the youth of this land had the proper coercion, all would be educated. Crime would cease, our jails and penitentiaries would be empty, our country would become a pleasure ground, and our homes could not be despoiled.

O, for that day to come!—Opal Crowder

Report Reflects Tremendous Jump Of Cotton Yield

The tremendous climb of Scurry County ginnings as compared with those of last year is reflected in the official government report as of November. The report is made each month by G. B. Clark Jr.

A total of 15,467 bales had been ginned in the county from the present crop on November 1, as compared with 14,450 bales on the same date last year.

The quick movement of this year's crop is readily seen when it is remembered that the report one month ago showed that only 257 bales had been ginned here prior to October 1, as compared with 6,001 bales at the same time in 1931.

This it will be seen that the official report shows ginnings in Scurry County from October 1 to November 1 to be 15,210 bales—not far from the season totals in 1929 or 1930.

The cupboard is their home

POULTRY, butter and eggs must never be without cupboards to go to. Behind the daily activity of Swift & Company's organization lie the simple ambitions of 55,000 employees and 48,000 stockholders—to live modestly, but well, and to deal fairly with each other and the rest of the world.
They understand the company's task. A most important part of that task is to buy produce from farmers at more than 100 produce plants, put it into attractive form for consumption and pass it along, without delay and with a minimum of cost, to retailers.
Employees and stockholders understand also the limitations of the job. They realize: (1) that Swift & Company must buy produce in competition with all other dealers and pay what any one else will offer; (2) that Swift & Company must sell whatever it buys at a price which consumers, through their retailers, are able and willing to pay; (3) that the little profit aimed at can be obtained only by keeping down every expense.
Our workers are spread over most of the United States; they are local residents wherever Swift & Company has a produce plant, a packing plant or a branch selling house. They are people just like the farm men and women who have produce to sell, with the same desire to give honest value and to get on in the world by performing real service.
Of our stockholders, more than 40 per cent are women. Their funds are invested in the company because they hope to receive at least moderate dividends. Over a period of years, profits have averaged less than half a cent a pound on all products sold.
Through good times and bad Swift & Company continues to maintain its national market for produce, working near capacity, paying cash to producers and, with the hearty cooperation of employees and stockholders, cutting every operating and selling expense over which it has control.
The Swift & Company national market was made by digging up demand wherever it exists in the United States, by advertising brands of high quality, Swift's Meats, Swift's Premium Milk-Fed Chicken, Golden West Fowl, Swift's Brookfield Butter, Eggs, Cheese and many other products.

County Line News

Mrs. Dick Hardee, Correspondent

This Tuesday morning greets us with a cold norther, makes a fellow think of killing hogs. Some have already begun putting away their meat. Quite a few are killing hives and coming to fill up their space in the pantry shelves. People are still getting out cotton as fast as they can, but that will be checked some now since our school started Monday. Not very many are keeping their children out to pick, as the majority of the farmers are better than half through as we have had an unusually favorable fall for gathering the fleecy staple.

Mr. Freeman has a brother and his family from Fluvanna who have moved in the house with him to pick cotton.

Raymond Brown has accepted a position as the night bookkeeper at the Ira gin, since Mr. Farmer is in school.

The turkey raisers of my community marketed most of their turkeys last week. Some are waiting to sell on the Christmas market, hoping for better prices.

I want to remind the people who wish to come, that Bro. Fields of New Hope and three other singers will be here Saturday night to sing with us.

On Saturday night, November 26, there will be a pie supper at our church. The proceeds will go to finish paying for our piano. All are invited to come and bring your pocketbook full of spending money.

Our school opened last Monday morning with a large crowd present. Talks were enjoyed from Bro. Jones and Mr. Bullock. We welcome our new teachers, Mr. Worley, Mr. Cummings and Miss Ethel Lynn Hays, and are glad to have the old ones back also. Our bus is being driven by Mr. Cummings. With the line up of teachers we have, and the cooperation of parents, we are sure we will have a successful school term.

Terrible Tigers Tear Through Tough Tribesmen: Roscoe Racers Speedily Stopped.

By putting under foot what was generally conceded to be the only snag in the way of the Snyder Tigers on their march to the football throne of the western half of District No. 8, Class B, local fans are highly pleased with the results of last Friday afternoon's fray on Tiger Field.

Those fighting Plovboys from Roscoe composed the snags. When the curtain went down on the stage the scoreboard showed thusly: Snyder 27, Roscoe 0.

Of course, when the western half championship is claimed for the Bengals, no upset is considered in the games on the schedules of Snyder and Roscoe. Snyder plays Merkel, and Roscoe plays Roby, and both Roscoe and Snyder are doped as easy winners. Snyder's opponent for district laurels probably will be Stamford, following Hamilton's victory over Haskell last Friday.

Ceremony Precedes Game.

An Armistice Day crowd of several hundred football fans was on hand before the game-starting whistle was sounded. A short patriotic ceremony was staged. The Snyder High School Band, under direction of Rowland Stephenson, played the national anthem while an American flag, trailed by the school flag of black and gold, was raised to the flag-pole tip, while football players and boosters stood at attention with uncovered heads. Other patriotic tunes were played by the band, and a short drill announcing opening of the Red Cross Roll Call drive, staged by high school girls, who held tiny red flags was followed by a few remarks by A. C. Preuit, Scurry County chapter head.

The game, although showing a one-sided score, had its thrills and

Two McGintys Take Bouts Friday Night At City Tabernacle

by Charles E. Dunn

The McGinty brothers were cocks of the walk Friday night at the city tabernacle, when they won early decisions from the lads who opposed them in the two feature bouts of the American Legion-sponsored exhibition.

"Red" McGinty won a knockout decision from Jimmy Waterman of Dermott in the second round of their scheduled six-round bout. Shade took the laurels from Tom Jones of Rotan when the visitor broke his thumb in the second round.

In the prelims, W. C. Sanders and Cliff Barnes, 100-pounders, Jack McCoy and Douglas Payne, about 55 pounds each, furnished the first two exhibits. Hogmouthe Birdwell, 121, and Arthur Snowden, 135, of McAlester, Oklahoma, punned each other in the third bout.

Kenneth Pitner, the Snyder Flash, and Sam Horton, Dunn Whirlwind, will take the ring at 130 pounds, in the six-round feature engaging next Friday night. In the semi-final, Frank Hall and Hambone Barnes, 141 and 145 pounds, respectively, will be the first handiers.

Another good-sized crowd was out for the bouts last week.

Another brick-wall stand was put up by the Nolan County boys in the third frame. An intercepted pass by Roscoe put a scare into the locals about the middle of the third quarter and a first down was made by the visitors. Held for downs, however, Roscoe was forced to kick. The period ended with Roscoe making a fair catch of its own kick on Snyder's 22-yard line.

The final period opening found Snyder being held for downs again. Two completed passes by Roscoe carried the ball toward a Roscoe score, but the Plovboys were held for downs. Rigby, carrying the ball for the third time of the game, then raced 40 yards for the third marker. McClinton kicked point.

The last quarter saw the 430 tons still fighting, the Roscoe squad trying desperately to pass and Snyder for a counter. McClinton finally got away for a 74-yard run for the final score, and kicked his third successive point after touchdown.

Snyder made four substitutions to a re-hashed line-up, while Roscoe put in eight extras. The starting line-ups follow:

Snyder—	Roscoe—
Joyce	D. Duncan
Neal	Left End
Lee	Left Tackle
Eiland	Left Guard
Green	Center
Rigsby (c)	Right Guard
Pespire	Right Tackle
McClinton (c)	Quarterback
Howell	Left Halfback
Burnett	Right Halfback
Dunn	Fullback

Substitutes: Roscoe—Shelansky, Harrington, Raybon, Graham, Killian, Potter, Cooper, Hawkins; Snyder—Casey, Birdwell, Burnett, Worley.

Officials—Goolightly (Simmons), referee; Baird (Simmons), umpire; Grant (A. C. C.), head linesman.

Statistics: First Downs—Snyder, 13; Roscoe four; penalties in yards—Snyder 25; Roscoe 15; passes—Snyder tried nine, completed one; for 11 yards and two were intercepted; Roscoe tried 15, completed three for 33 yards and one was intercepted.

SUNDAY SCHOOL LESSON

by Charles E. Dunn

International Sunday School Lesson for Sunday, November 20

STEWARTSHIP OF MONEY

Lesson Text—II Corinthians 9:6-15 Golden Text—Luke 12:15.

We have much to learn with respect to the Christian distribution of wealth. It has been estimated that out of every \$100 of income here in America, \$22 is spent for luxuries and only 76 cents is donated to the churches. In a recent year our people spent \$1,847,000,000 for tobacco, more than was set aside for education and religion combined. If each of us would make a definite record of what we spend for the creature comforts of life, in comparison with what we give to those institutions that permanently enrich life, the figures would be indeed revealing.

In this day of acute distress we are called on by Christ to live simply, so that we may make genuine sacrifices for those in need. No longer must our riches remain unutilized. As stewards of God's bounty, entrusted to us for the highest, most generous uses, we must realize our imperative obligation to put from our belongings all excess baggage that we may effectively extend a helping hand.

This giving, moreover, must be methodical. "On the first day of the week," wrote Paul, "let each of you put aside a sum from his weekly gains." The ancient Hebrews gave one-tenth of their substance to the Lord. Not everyone can give a tithe today, but all can give systematically.

Then, too, the giving should be blessed with good cheer. "God loveth a cheerful giver" is the good news of our lesson text. People complain over appeals for funds all unmindful of the privilege and joy of Christian giving. The whole of the gospel, indeed, the world's most precious treasure, can be summed up in the word "give."

To the rich young ruler the Master said, "Go and sell, and give." This command was a puzzle to this lovely youth. As Dr. Charles R. Brown has pointed out, he knew the meaning of "sell and give," "sell and save," "sell and spend." But the slogan "sell and give" was novel. He could not accept it. Yet these words, in their broadest interpretation, are the substance of the gospel, God's news to men. To him that gives comes the grace if heaven in unstinted measure.

First Baptist Church In Budget Drive for New Year This Week

"Sign-Up Week" is being observed by members of the First Baptist Church this week, in securing pledges from the congregation to cover the financial budget for the year 1933. Those in charge of the drive report fine response, and the campaign is planned to be completed as nearly as possible by Sunday when a report from the committees will be heard, according to Pastor Philip C. McGahey.

The new table was adopted by the church 10 days ago.

The new budget, although containing several items not included in the present year's budget, is only \$200 more than the 1932 table. In the new suggested expenditures are a \$1,000 bond retirement item and a \$750 interest payment. Other local expenses have shared in reductions in the new budget. Contribution to the cooperative program, which includes missions and other activities of the Southern Baptist Convention, has been retained at \$1,600 for 1933, the same as this year's pledge.

This year's budget is being worked on the "every-member canvas" basis, as adopted by the Baptist churches of the South generally. Further cooperation on the part of the church membership with the budget committees is being urged by those in charge—Committee.

Porter King and mother, Mrs. E. J. King, and son, Billy, with Mrs. N. B. Moore, were week-end visitors in Ellis County. Mrs. Moore remained for an extended visit.

Harley Sadler Will Come in Two Weeks

Harley Sadler, the king of West Texas showmen, will bring his big tent, actors and good-will to town for the week beginning Monday, November 28. It was learned here this week.

Sadler will play here under auspices of the Snyder volunteer fire department, to whom a portion of the proceeds will go for charity work. He will locate on the city lots, north of the square. His last appearance here was two years ago, when he stayed only a half week.

Town Goes Back to Old Lighting System

Unless the moon is high and bright, you will find Snyder bathed each night this winter in the rays of all her street lights.

The City Council literally pushed the light buttons at the regular session last week, when it ordered all lights turned on except when the "moonbeam schedule" is in effect. Hundreds of dollars has been saved by cutting off some of the lights all the time.

PICTURES OF COMEBACK IN SCURRY COUNTY ARE SENT

Several pictures of the activity brought to Scurry County by the bumper cotton crop were sent early this week to the Fort Worth Star-Telegram, to be used in a special edition featuring "West Texas' comeback."

The pictures were made by the Miles Studio at two cotton gins, the Fuller cotton oil mill and on the Snyder square.

They appeared in Tuesday's Star-Telegram, and will probably be in The Times next week.

Box Supper Will Be Held At Big Sulphur

Big Sulphur folks are making plans for an old-fashioned box supper at the school house Friday night.

Walker Dowell told The Times Monday that a big crowd was expected.

The money obtained from the auction will be used in paying for the piano in the school house. Rev. J. P. Fields, pastor, is scheduled to do the auctioning.

SEYMOUR MAN APPOINTED AS NEW COURT REPORTER

Seth Cockerell, Seymour, has been appointed court reporter of the 32nd judicial district, succeeding Thomas H. Chilton of Sweetwater, who died unexpectedly Friday afternoon.

Cockerell, formerly stenographer of the 50th judicial district, will work in the regular court under Judge A. S. Mauzey.

GARD OF THANKS.

I am very thankful for the kind treatment I received in Snyder while here and the kind treatment I received in the Emergency Hospital. I would advise anyone needing treatment of any kind to call on Dr. I. A. Griffin. I think I know this by experience, for he pulled me from the grave back to health, and I will recommend him as far as I go. I also want to thank the nurses, Mrs. Little, Mrs. Faulkner and Mrs. Griffin, for their kind attention. I appreciate the Christian men and women for their kind attention to a wayward boy, many thanks to all. B. L. Gilson. 1tp
