Everybody's Coming to Pre-Christmas Festival

ST. NICK PLANS TO ARRIVE FOR SNYDER EVENT

Wednesday, December 6, is Date of Window Unveiling, Light Displays for Visitors.

Snyder's Pre-Christmas Festival, planned for Wednesday of next week, will attract practically everybody in the trade territory, judging from early plans that are being made in thousands of homes.

The big feature, of course, will be the coming of Santa Claus by airplane at 3:00 o'clock in the afternoon. The jolly old fellow will go directly from the landing field to the dome of the courthouse, where he will throw candy to the thousands of children below.

But the beginning proper of the Pre-Christmas Festival will come at 2:30 o'clock, when all merchants will unveil windows newly decorated in the things that remind of Christmas-time and good cheer.

Whistles and other noise makers will announce opening of the big festival.

On Courthouse Lawn.

The Chamber of Commerce committee in charge of the program point out that Old Santa will not only be at the highest point in the town, where everyone can see him, but that use of the courthouse lawn will assure keeping the children out of the traffic and sidewalk crowds.

When dusk comes—about 6:00 o'clock—gorgeous arrays of lights in Christmas colors will be turned on for the first time.

From the courthouse top there will be lighted streamers leading to four large cedar trees—also well lighted—on the corners of the lawn. A band of lights will probably encircle the second dome of the courthouse.

Many merchants are planning to decorate their store fronts with brilliantly lighted trees and other attractions.

Inside, there will be the greatest array of Christmas goods that Snyder has shown in several seasons.

Stores will remain open over the regular closing time in order that visitors may look to their heart's content.

Business and professional men of the town are 100 per cent behind the Pre-Christmas Festival. They are planning to have as their guests one of the largest crowds of children ever seen here, in addition to hundreds and hundreds of grown-ups.

Schools to Be Dismissed.

All schools of the county are to be dismissed for the afternoon, according to information coming to Frank Farmer, superintendent. All of them will be given an opportunity to see Santa Claus at first hand and to receive candy from his lap of plenty.

Everybody is invited. It is Snyder's treat to the folks whose friendship and confidence make the town what it is today.

It's the Pre-Christmas Festival—in Snyder, beginning at 2:30 p. m., Wednesday, December 6, 1933.

LAST GAME OF SEASON TODAY

Noosed out of high conference honors by a half game margin, those tough Tigers will play their last 1933 game this (Thursday) afternoon, 3:30 o'clock, on the Stamford field.

Stepped on by every team in the district except Snyder, the Bulldogs are expected to be out for a strange hold in their last fray. They have displayed powerful mid-field offensives throughout the year, but have never been able to click when scores were needed most.

Five Tigers—Green, Lee, Holladay, Blakely and Eiland—are probably playing their last game as Tigers, for they are scheduled to graduate before another football season rolls around. All the squad is in good shape except Joyce, who has been pulling a lame leg.

Several carloads of fans are planning to see the Tigers make their final bow.

Victim of Accident In Abilene Hospital

From the Abilene Morning News: Doyle Campbell, 501 Grand Avenue, severely hurt in an automobile mishap near Snyder Friday afternoon, was reported resting well at the West Texas Baptist sanitarium Saturday at midnight.

Campbell, salesman for the Arch-enhold Auto Supply Company, of Abilene, received a fractured hip and arm when his car upset near Sand Creek, northwest of Snyder. Two other occupants of the car, one the driver, escaped unhurt.

The Abilenian was brought here by members of his family Friday night from a Snyder hospital, where he was given first-aid treatment.

NO PENALTIES IF SCHOOL TAX PAID AT ONCE

All penalty, interest and cost will be remitted on delinquent taxes paid to the Snyder school district before December 15, letters from the board to taxpayers who are in arrears stated early this week.

An urgent appeal to all delinquents was sounded in the letters. "Your school is in immediate need of finances to carry on the operations of educating the boys and girls of this community, and we ask that you cooperate in every possible way by paying your local school taxes at the earliest possible moment," the appeal read.

Snyder public schools have undertaken, in the face of many odds and difficulties, their valuable program and responsibility of educating the children of the district. This undertaking and whatever success may crown it will be made possible only through the loyal support and cooperation of such taxpayers as yourself.

"The board of trustees is putting forth every effort possible to carry on in the face of many financial difficulties. If the school is to remain open, current expenses such as heat, lights, water, materials, sanitation, etc., must be met. These bills are presented monthly, and according to the law must be paid from local maintenance funds entirely.

"The board of trustees has, in order to assist the taxpayers of this district and relieve some of the burden of taxation, ordered that all penalty, interest and cost be remitted on delinquent taxes if paid before December 15. This will mean a considerable saving to you if your account is delinquent, and the board hopes that every taxpayer who is delinquent will take advantage of this measure and pay his taxes at once. By your so doing you will be helping to relieve a great burden on the schools and make it possible for the school to pay long past due bills and get on a cash basis again."

Woodie Windham To Appear Again On Boxing Menu

That popular and lightning-fast young lightweight, Woodie Windham of Abilene, will appear in the Snyder ring again this week. He will meet Kid Greenfield of Fort Worth, also a fighter of considerable renown, as the final bout on the Townsend-American Legion card beginning at 8:00 o'clock Saturday night.

The promoters call attention to the change from Friday to Saturday night.

In the semi-final, Ziegler of Pluvanna will tackle Winston Phillips of Abilene. In last week's prelim Kenneth Pitner lost a judge's decision to the veteran Ziegler, so fans are expecting much of the Phillips-Ziegler affair.

Politely speaking, last week's main event was a flop, a mud pie, a what-you-may-call-it. The mighty Duke Trammel pasted Wildcat Monte a time or two, and in the third round the Oklahoman took the referee's count. Fans were not pleased with anything about the fight, and Referee Burn Baze has similar sentiments. "You can tell the world," he told a Times reporter Monday, "that I'll toss 'em out hereafter if they don't get in there and pitch."

Townsend Brothers guarantee that there will be no more such performances. Fans are satisfied that the promoters were not at fault in the least. It seemed to them just a case of two fighters with big names not wanting to muss up each other's features before a small-town crowd.

LONG TO FILL LOCAL PULPIT

Rev. C. A. Long of Sweetwater, new presiding elder for the Sweetwater district of the Methodist Church, will fill his first appointment at the local church at 11:00 o'clock Sunday morning. Pastor S. H. Young said yesterday.

The new elder was transferred from the McKinney district of the North Texas Conference, where he held a presiding eldership. Previous to his appointment to the East Texas area, he served for two years as pastor of the Pampa church.

Rev. O. P. Clark, former presiding elder of the Sweetwater district, is now serving as pastor of the St. Paul's Methodist Church, Abilene's largest church of that faith.

The pastor is anticipating an excellent crowd to hear the presiding official.

HE GETS EXCITED WHEN LETTERS START COMING

No wonder Santa Claus is surprised! Who ever heard of so many letters almost a month before time for him to visit good little boys and girls?

"I'm afraid many of us were over-confident when the campaign began last week," the chairman said. "Unless we buckle down to the job of making a house-to-house canvass in every community, we shall fall many memberships short of our goal of 800."

Dunn turned in the most encouraging report of the past week. J. C. Beakley, chairman there, with the assistance of Rev. Grady Anderson, Mrs. Thomas Echols, and Misses Susie Johnston and Vera Layne, made an intensive canvass that netted 66 memberships. Mr. and Mrs. Guy Stark, who also assisted with the drive, were the first Dunn members. Mr. and Mrs. Echols and their daughter made up the next 100 per cent family.

Residential Districts.

Reports from the majority of club-women workers in the Snyder residential district, under direction of Mrs. F. H. Odum, indicate that a total of at least 75 members will come from that source. A "mop up" canvass of the local business district is planned for this week by Marcel Josephson.

The Union-Bethel workers, led by S. G. Lunsford, turned in 31 memberships, and more are anticipated from that community. Hermleigh and Pluvanna, with drives partially completed, expect to secure at least 100 members between them. Elmer Lander and E. H. McCarter, respectively, are chairmen.

Several community chairmen have

Dear Santa Claus: I am sure you have been to my house before. I live 9 1/2 miles from Snyder. I sure hope you do not forget me. I want an all rubber doll with jointed arms and legs. It is 10 1/2 inches tall, washable too, will sleep, suck its thumb. I think you can come by my house and leave it. Be sure and don't forget the other little children. I am 10 years old, in the fourth grade. I go to school at Dunn. I have tried to be

BEER FLOWING FREELY ON TAP AND IN BOTTLE

Regular 3.2 Brew Sold Openly At Several Eating Places—Good Business, Say Owners.

Beer of the 3.2 variety is being sold openly in upwards of a dozen Snyder eating places. Take it on tap or in bottles, as you like it. Large signs on plate glass windows tell of the brew. Posters and streamers, odors and mugs, suds and coated breaths proclaim the news.

Thousands of dollars have been invested here in licenses, equipment and other requisites of the new business. Truckloads of the foamy fluid are filling retailers' pocket-books and customers' bellies.

"Eighty to 90 per cent of the 'best' citizens are buying it, any of the sellers will tell you. It is said that a federal licensor parked here for several days to pick up any stray business that might come his way from Scurry County, 'dry' by local option these years and years.

The old brands are back again. New ones have come, too, along with the most dazzling array of beer and liquor laws, and interpretations of laws, that the world has ever dreamed of.

"Other counties are doing it, so why not us?" was the warring of the half dozen sellers within a stone's throw of the courthouse. As for the three or more "beer clubs" outside the business district, they have been serving the yellow brew, for 10, these many weeks.

As for the law in the case . . . but why mix law and liquor? Eat, drink (beer) and be merry, for tomorrow ye may be paying more than a dime a glass.

Deer Hunters Back With Bucks Aplenty

Most Scurry County deer hunters have returned this season with venison aplenty. Probably the most successful group was composed of Frank and Maurice Brownfield, G. H. Leath, and Tommy Barton of Abilene. A buck apiece was their haul in the Balcones country.

In the rush of getting out this Thanksgiving and Pre-Christmas Festival edition, The Times must leave the other hunters' tales until next week.

Work Starts Friday On 4 Road Projects

Poll Tax Payments More Than Double Those of 1931-1932

Old Man Politics will be an honored guest in Scurry County during 1934 if poll tax payments continue the sensational clip set to date.

When the count was made early Wednesday by Deputy Collector S. T. Eliza, 186 polls had been paid. In 1932 at the same time only 88 had been paid, while in 1931 (preceding an election year), the figure was only 96.

Not only that: County and state taxes are hitting a high stride. Payments are far above those of any similar date since 1929.

ROTAN ELEVEN CINCHES TITLE BY FORFEITURE

Hamlin Throws Up Sponge on Eve Of Turkey Day Game to Give Yellowhammer Area Flag.

Rotan Yellowhammers have won their first conference football championship. They are kingly in District 10-B by a half game margin over Snyder and Roscoe.

Hamlin's Pied Pipers handed them the title on a silver platter Tuesday, when the Jones County coach announced his team would not play the game with Rotan scheduled for Thursday at Hamlin.

It was the Hamliners that gave the Snyder Tigers their first and only conference defeat in four seasons. The score was 6 to 2, way back yonder near the beginning of the season. After that the Fisher Countians tied Roby. That, plus one with Anson early in the season, was the only pointage marked up against them, and they finished hostilities with an average of 87.5.

Roscoe and Snyder Tied. Roscoe and Snyder are tied for second place and it is probable that they will remain that way. They have a loss and a tie apiece chalked up against them, both losses being to Rotan, and the tie being with each other.

Merkel offered an early threat, but she was toned down by a last minute 6 to 0 loss to Roscoe, and soon dropped out of the picture. Roby threatened also, but intelligibility proved her downfall. Snyder's tie with the Lions was cancelled in the percentage column.

The Yellowhammers and Coach Jobe will wait patiently until the bi-district play-off, early in December, with the winner of the Lamesa-Matador game.

The Week-End Games.

In week-end games, Snyder whipped Merkel, 13 to 0, in a belated outburst of speed by Wiese. Two weak sisters, Hamlin and Anson, nudged each other for four quarters with the Tigers getting a 6 to 0 edge.

Roscoe continued her winning ways by downing Haskell, 13 to 0. The rambling little Shelansky made a long run for touchdown while the game was young, and big boy Anthony scored again in the third quarter.

The exact line-up of games for Turkey Day is not at hand. Little interest attaches to any of them, however, since the title is already sewed up.

Munday Man Takes Over Paint Concern

J. A. Harnest assumed charge of the Yoder Chevrolet Company top and paint shop yesterday morning, and is meeting the people of his new home county daily. He moved his family here Wednesday.

With several years in top and body shops of the state behind him, Mr. Harnest comes highly recommended by the trade. He has been connected with a shop in Munday for two years, and has had experience at San Angelo.

FIRMS CLOSED FOR THURSDAY

With no special local attractions and with practically all business houses closed, Snyder is expected to be a quiet place Thursday.

Schools closed Wednesday afternoon, and will not re-open until Monday. A number of the teachers are attending the annual Texas State Teachers Association convention at Austin.

No deliveries will be made from the local post office. On this account, most Times subscribers will not receive the paper until Friday, although the week's run is being completed Wednesday night.

The Stamford-Snyder grid tussle at Stamford will draw a number of fans. It will be the last of the season.

No community-wide services are being held to commemorate the day, but churches and schools have been presenting Thanksgiving programs for several days.

Maximum of 300 Men May Be Put On County Jobs

The five original civil works projects submitted by Scurry County have been approved, and a number of men are scheduled to begin work on them Friday morning.

Four of the projects are concerned with improvement of lateral mail and school bus routes, and the fifth, a minor job, involves construction of a rock wall on the north side of the Snyder cemetery. Several men have been working on the latter project already.

Joe Monroe, relief administrator for this county, states that a maximum of 300 men may be employed if necessary. Worthiness and unemployment are the two chief bases for use of men on these civil works projects.

More Projects Asked. Applicants have been made for five more road projects and an additional county job—painting of the courthouse. A meeting of the City Council was called last night to consider applications through this arm of government.

Mr. Monroe states that this county's total civil works allotment will probably be about \$100,000.

Robert H. Curran, county judge, estimates that projects accepted and applied for through the county will require 20,000 man-work hours.

Each man may be worked a maximum of 30 hours weekly, at a wage of 35 cents per hour on road work, 50 cents per hour elsewhere, and 10 cents per hour for work horses.

SCHOOL PAPER PRINTED AGAIN

With Leslie Kelley as editor-in-chief and Billie Lee as business manager, The Tiger's Tale, Volume V, No. 1, was born early this week and delivered to subscribers and advertisers.

The four-page paper is liberally supported by 23 advertisers. In addition to an attractive array of news and features, it presents pictures of the five persons whose work was largely responsible for success of the first edition of 1933.

Miss Mattie Ross Cunningham is faculty advisor, Estine Dorward is associate editor, and Bonita McGabey is assistant business manager. Frances Northcutt, Mary McCarty, Richard Davis, Aubrey Wiese, William Boren, Geneva White and Sonley Huestis are reporters. Jack Reynolds and Emory Smith are business assistants.

A subscription campaign in the school netted a sizeable amount. With continued liberal advertising patronage, it is planned to publish 'The Tiger's Tale' monthly.

Institute of M. E. Young People To Open Friday Eve

The young people's department of the Methodist Church is sponsoring a Christian Culture Institute for the Willing Workers Union to be held in the Snyder church Friday and Saturday evenings and Sunday morning and afternoon.

Three courses will be offered. Mrs. Joe Caton will teach the course on "Department Leadership," Miss Nelda Garrett of Colorado is to teach the course on "Recreation and Personal Development" again this year, and J. L. Carrell of Union Chapel will conduct a class in "Worship."

Several young people from Post and a number from Dunn and Union Chapel are expected to attend, in addition to Snyder young people.

Classes will begin at 7:15 o'clock Friday and Saturday evenings, at 9:00 o'clock Sunday morning and at 1:30 o'clock Sunday afternoon. Two 45-minute classes will be conducted each time, and entertainment will be furnished between the class periods, states LeRoy Pearmire, dean of the institute.

Over 100 Volumes Arrive for County Library; More Due

A partial shipment containing 132 books for the circulating library for Scurry County arrived in the county superintendent's office last week.

Books for all ages of students, from primary grades through high school, are included in the shipment. All types of literature are included; however, most of the fiction books will be catalogued the latter part of this week.

County Superintendent Frank Farmer states that this shipment is less than one-fourth of the books to be placed in the library. He says that the books will be catalogued and made ready to be loaned to rural school teachers and students in the near future.

The county superintendent's assistant, Miss Bonnie Miller, is busy engaged in making cards to be placed inside the books.

Miss Lucy Bean Becomes Bride of George F. Blackerby Saturday Noon

A marriage of note and of especial interest to friends of the couple Saturday at high noon when Miss Lucy Frances Bean became the bride of George Francis Blackerby of Wichita Falls in a pretty home ceremony. The scene of the wedding was the home of the bride's parents, Mr. and Mrs. Benjamin W. Bean, 3107 Avenue V. Rev. Philip C. McGahey, pastor of the First Baptist Church, read the impressive ring ceremony in the presence of the bride's immediate family; her parents, Mr. and Mrs. Bean; her sister, Mrs. Winford Brooks, of Dallas; her brother, Jack, Mrs. Philip C. McGahey, a close friend of the family, was also present.

The house was decorated with lovely ferns and chrysanthemums in gold and orchid tones, making a beautiful color note of green, gold and orchid.

The bride entered the living room on the arm of her father, who gave her in marriage. She wore an attractive tulle frock of pearly blue crepe, trimmed with white, and her accessories were of black. She carried an arm bouquet of sweethearts.

Mrs. Blackerby is the youngest daughter of Mr. and Mrs. Benjamin W. Bean. She was graduated from Rockwall High School, and attended North Texas State Teachers College at Denton and Baylor University at Waco. For about seven years the Bean family has lived here, coming from Rockwall to Snyder, and in these years Lucy has greatly endeared herself to Snyder people through her charm and her rare loveliness. She was one of Snyder's most popular young women. For the past few months she has been employed with the First State Bank & Trust Company here.

The bridegroom is the son of Thomas W. Blackerby of Wichita Falls. He began his career as a professional baseball player in 1924, playing with Greenville in the Texas-Oklahoma League, and from there went to the Texas League, playing with Waco. While in Waco he led the league in batting average and home runs. He was sold to the Chicago White Sox of the American League, remained there a year, returned to the Southern League to play with Mobile, Alabama, and from there went to the Pacific Coast League. At the beginning of last season he was sold to Portland, Oregon, in the Pacific League and finished with a batting average of .342 and made only two errors during the entire season. When he came here two weeks ago he was on his way to Wichita Falls after a trip with the Portland team to Old Mexico, where a series of 15 games was played against the Aztec Club of Mexico City.

The couple left immediately after the ceremony for a wedding trip to points in Texas. They will be at home in Wichita Falls until March when Mr. Blackerby will go into training for a month in Southern California. They will then go to Portland, Oregon, where he will play another season with the Pacific Coast League.

Sports Club Enjoys Wiener Roast.

Misses Irene Wolcott and Martha Jo Jenkins entertained members of the Lucky Thirteen Sports Club Sunday afternoon with a delightful wiener roast on Deep Creek near Dunn.

Games were played, kodak pictures were made and the guests explored the wilds of that section of Scurry County, but the feature of the afternoon's entertainment was the kangaroo court held, in which Irene Wolcott was tried on some unique charge. Miss LaFrances Hamilton was the honory judge, Miss Estine Dorward was prosecuting attorney, Miss Roberta Ely was attorney for the defense. The defendant was declared guilty by the judge and the jury.

A picnic luncheon was served to the following: Misses LaFrances Hamilton, Mary Margaret Towle, Florentine Winston, Helen Caudle, Evelyn Erwin, Irene Spears, Estine Dorward, Roberta Ely, Nella Lynn Rogers, club members, and Miss Mattie Ross Cunningham, sponsor.

Members of the club will be hostesses to their mothers and ex-members of the club with a tea Friday afternoon in the home of Miss Frances Stinson.

Junior Club Meets With Miss Porter.

"The Magnificent Obsession" by Stephen Douglas was the book studied by the Altruistic Daughters at their meeting in the home of Miss Polly Porter Monday evening. Miss Rowena Grantham was program director.

In answering to roll call, each member read a scripture or thank. Miss Margaret Dell Prim gave "Effects of the Obsession Upon the Five Leading Characters in the Story" and Mrs. Joe Caton led a round table discussion on "What Incident in the Story of the Life of Christ Served as a Basis for 'The Magnificent Obsession?'"

Autumn flowers—chrysanthemums and roses—were used in decorating the entertaining rooms, and Miss Porter served a lovely plate consisting of salad, wafers, pumpkin pie and coffee to the following: Kenneth Alexander, Grace Avery, Vera Nell Bannister, Nancy Caton, Eloise Brownfield, Mattie Ross and Maurine Cunningham. Margaret Dell Prim, Wauwata Darby, Rowena Grantham, Mariwade Moore, Helen Rodgers, Mary Lynn Scott, Mary Ruth Spears, Dorothy Strayhorn, Doris Pope Wedgworth and Opal Wedgworth, members, and Mrs. S. C. Porter and Miss Edith Grantham, guests.

Miss Herm Hostess To San Souci Club.

Miss Gertrude Herm was hostess to San Souci members and guests at her home, 2212 Thirtieth Street, Tuesday evening. The Thanksgiving motif was carried out in decorations, tallies, score pads and refreshments served. Roses and chrysanthemums added beauty to the entertaining rooms.

At the close of the bridge play Misses Dan Gibson, member, and J. C. Smyth, guest, were presented with high score prizes.

A lovely plate was passed to the following: Misses E. J. Anderson, Wayne Boren, Billy Boren, Albert Norred, Dan Gibson, Marcel Josephson, C. Wedgworth and J. M. Harris and Misses Mattie Ross and Maurine Cunningham, Edith Grantham, Hattie Herm, Blanche Mitchell, Jessyle Stinson, Neoma Strayhorn and Maggie Norred, members; and Mrs. A. C. Frouitt, Jimmie Dauberty, R. H. Curran, Ivan Dodson, J. C. Smyth, Melvin Blackard, J. C. Dorward and W. W. Hamilton, guests.

Mrs. E. J. Richardson Hostess to Club.

The Woman's Culture Club and guests were entertained by Mrs. E. J. Richardson Tuesday afternoon. Mrs. P. C. Chenault led the program on "Travels Along Texas Border."

In answering roll call each member gave the name of a border town or city. Mrs. W. A. Morton discussed "Down the Rio Grande and Along the Gulf Coast." Mrs. W. G. Williams gave "The Magic Valley," "Rambling in the Big Bend" was Mrs. Dora Cunningham's subject, and the leader gave "Lasca" as a reading.

Beautiful roses decorated the entertaining room, and the hostess served a salad course to the following: Misses A. C. Alexander, F. M. Brownfield, J. L. Caskey, P. C. Chevalier, Dora Cunningham, J. R. Buckles, W. A. Morton, E. C. Neely, C. E. Ross, E. E. Westerbeke, W. G. Williams and J. A. Woodfin, members; and to Mrs. A. R. Porter, G. A. Hagan and I. H. Spikes Jr., guests.

Mrs. Brice Hostess To Tuesday Club.

Mrs. H. J. Brice was hostess to the Tuesday Afternoon Bridge Club this week.

At the close of the bridge games the hostess passed a salad course to the following: Misses T. L. Lollar, W. P. Ely, Joe Strayhorn, J. C. Dorward, Sidney Johnson, W. M. Scott and Neil Gross.

Class to Hold Bake Sale.

The Mary Martha Sunday School Class of the First Baptist Church will conduct a bake sale beginning at 9:00 o'clock Saturday morning in the Martin building, southeast corner of the Square.

Mmes. Winston and Smyth Hostesses.

The Alpha Study Club was entertained in the beautiful Wade Winston home in West Snyder by Mmes. Winston and J. C. Smyth with a beautifully appointed Thanksgiving dinner Monday evening at 6:00 o'clock.

The entertaining rooms were softly lighted, and flowers in autumn tones—yellow, orange and red—were in profusion. Lovely pink roses were in the living room.

Tables were covered with white linen, with gold lace doilies under each plate. Centerpieces were low candle silver sticks with gold candles encircled at the base by pretty autumn leaves. Favors were dinner mints wrapped with red and gold cellophane, which made beautiful reflections in the candle-light.

The dining table was covered with crepe paper and centered with tall candles. On that table was placed a harvest scene with a basket of fruit portraying the autumn season.

During the evening Mrs. J. R. Sheehan complimented the guests with vocal numbers, accompanied by Mrs. Melvin Blackard.

Miss Gertrude Herm directed the after-dinner program and gave introductory remarks on Thanksgiving. Miss Hattie Herm gave a Thanksgiving prayer by Grace Crowell; Mrs. Wayne Williams told the story "Thanksgiving" written by Phyllis S. Winslow; and Mrs. C. P. Sentell gave an interesting book review. Mrs. Roy Stokes rendered a piano solo.

The hostesses were assisted in serving by Misses Florentine Winston and Mildred Stokes.

Pretty red place cards marked places, and a lovely three-course dinner was served to the following: Mmes. Ophelia Blackard, Esther Boren, Lila Dodson, Ruth Hicks, Ellen Joyce, Eya Nelson, Elizabeth Wedgworth, Faye Norred, Annie Mae Sears, Lois Sentell, Nora Sentell, Thelma Sims, Dimple Stokes, Leola Williams, Halcyon Sheehan and Philip C. McGahey, and Misses Hattie and Gertrude Herm and Neoma Strayhorn, members; and to Mmes. Margaret Rennie and Adelle Smith, guests.

The Faithful Girls Sunday School Class of the First Baptist Church met Tuesday afternoon at the church.

Following a short business session refreshments were served to Raynell Lightfoot, Gloria Spradley, Lorene Todd, Ernestine Morton, Irena Jenkins, Orene Wilford, Evandell Largent, Vondal Melver, Johnnie Lee Greene, Gertrude Ross, Athlene McClinton, Ruth Bolk and Mrs. W. W. McCarty.

Friendly Helpers Are Entertained.

Mmes. Albert Norred, C. J. Yoder and Ed Thompson delightfully entertained members of the Friendly Helpers Sunday School Class of the First Methodist Church Thursday afternoon in the Norred home.

The meeting opened with a prayer led by Mrs. L. A. Vaughn. The president, Mrs. C. J. Sims, presided over the meeting. The finance committee reported that a new gas stove had been bought and installed in the class room, and also reported that two quilt tops have been completed and are ready to sell. Anyone interested in buying should see Mrs. Yoder or Mrs. Sims.

The social service committee reported that the class had completed four quilts recently and that three of these will be sent to the Waco orphanage and the fourth one given to a member who is ill.

Mrs. E. C. Neely presented the class with a beautiful hand-made handkerchief, which was sold to the highest bidder and the money put in the treasury.

Mrs. Ivan Dodson efficiently gave a Thanksgiving talk, concluded by a poem by Edgar A. Guest.

Members were busily engaged in piecing a string quilt during the business meeting, and at the social hour the hostesses served a delicious plate to Mmes. L. T. Stinson, B. N. Durham, C. J. Sims, Ivan Dodson, L. O. Biggers, T. J. DeShazo, Bill Nichols, Fred Joyner, A. R. Porter, V. L. Kent, L. A. Vaughn, Wayne Boren, E. C. Neely and Homer Snyder.

Friendly Fellows Meet In Bradbury Home.

Mr. and Mrs. J. S. Bradbury were host and hostess to the Friendly Fellows Tuesday night at their home on Twenty-fifth Street. Thanksgiving motif was carried out in tallies and score pads.

After games of forty-two were played, refreshments were passed to the following members: Messrs. and Mmes. J. Monroe, W. C. Hamilton, J. J. Taylor, W. A. Morton and Hugh Taylor, and Mmes. W. M. Scott and W. R. Bell. Messrs. and Mmes. R. D. English and H. L. Wren and Mmes. O. S. Williamson and Berlie Boles were guests.

Altrurian Club Has Annual Love Feast.

Mmes. A. C. Preuitt, R. D. English and W. W. Hamilton were hostesses for the Altrurian Club's annual love feast given in the Preuitt home Friday afternoon.

Tall baskets of fall flowers, as well as smaller bouquets, graced the entertaining rooms. Place cards were unique—old photographs of members when they were children. It was a lovely party.

A three-course luncheon was served to the following: Mmes. R. L. Gray, Lee T. Stinson, Joe Stinson, J. W. Leftwich, E. J. Anderson, H. G. Towle, C. J. Yoder, R. H. Curmuto, Joe Caton, J. C. Dorward, C. C. Higgins of Sweetwater, O. P. Thrane, H. P. Brown, W. H. Bell, J. C. Smyth, J. M. Harris and Fred Grayson.

Roll call was answered with events taken from Snyder papers of 20 years ago. Mrs. J. C. Stinson, Altrurian president, acted as toastmistress, and her introductions of the speakers were unusually clever.

Mrs. A. C. Preuitt, corresponding secretary, read a number of congratulatory letters from ex-members of the club—many of them from charter members.

Mrs. H. G. Towle, the only charter member who is still in the club, gave a history of the Altrurian Club, reading in the course of her talk the minutes of the first six meetings of the club 25 years ago.

Mrs. O. P. Thrane reported on the meeting of the State Federation of Women's Clubs, which convened in Austin recently.

M. E. Stewards and Wives Entertained.

Members of the board of stewards of the First Methodist Church and their wives and the official board of the church enjoyed an informal banquet in the basement of the church Friday evening. Rev. and Mrs. S. H. Young were host and hostess, and Rev. and Mrs. C. A. Long of Sweetwater were honored guests. Rev. Long is the new presiding elder for the Sweetwater District.

Autumn colors were used in the decorations, shades of yellow predominating. Baskets of chrysanthemums made attractive decorations for the entire room, which was softly lighted with floor lamps and candles. The candles in Thanksgiving colors made pretty table centers. A two-course turkey dinner was served to 49 people.

Rev. C. A. Long said grace over the food. A. C. Preuitt gave the address of welcome to the Longs, and Mrs. Joe Caton gave an appreciation of Rev. and Mrs. Young in the form of a toast.

In addition to being toastmistress Mrs. A. C. Preuitt arranged the program which followed the dinner. In a very informal way these present gathered around the piano and sang a number of old hymns, and a burlesque meeting of the Board of Christian Education was presented for the amusement of those present. During the course of the evening Mrs. W. W. Smith led the group in singing folk songs.

The stewards elected the following officials to serve for the coming year: R. H. Odom, president; R. J. Randals, vice president; W. W. Smith, secretary; and J. D. Mitchell, treasurer.

JELLIED CARROTS AND PEAS

Ingredients—One package gelatine, lemon flavor, one cup boiling water, three-fourths cup vegetable stock or cold water, three tablespoons vinegar, one-half teaspoon salt, one-fourth teaspoon paprika, one cup carrots, diced, one cup of fresh cooked peas (or chopped string beans).

Dissolve gelatine in boiling water. Add stock, vinegar, salt and paprika. Chill. When slightly thickened fold in vegetables. Turn into molds. Chill until firm.

Other vegetables in the same proportion as the above recipe may be used if desired. Celery and finely diced beets, chopped onion and cabbage, for instance.

Pork Is Favorite In Cold Weather

Now that cool crisp days are here the heavier, more substantial foods are welcome. A savory roast, golden brown and delicious, wafts a pleasant odor at the dinner hour. Pork is a versatile meat and may appear in many guises, so that the homemaker may utilize it frequently for her meals.

Here are a few ways to serve this popular meat. Introduce them to your family this fall:

Stuffed Rib Chops with Apples.

Ingredients—Six rib pork chops, 1 1/2 inches thick, one cup fine dry bread crumbs, one-fourth cup chopped celery, one tablespoon fat, one tablespoon minced onion, one tablespoon salt, one-eighth teaspoon savory seasoning, dash of pepper, one-eighth teaspoon celery seed, three tart red apples.

For the stuffing cook the celery, onion and parsley in butter for a few minutes, add the bread crumbs and seasonings and stir until well mixed. Wipe the chops with damp cloth. Cut a pocket in each chop. Sprinkle the chops with salt and pepper and rub lightly with flour. Sear the chops in a heavy hot skillet, browning both sides. Then fill each chop with stuffing and skewer the edges together with toothpicks. Lay the chops in a baking dish with a cover. On the top of each place, cut side down, one-half of an apple which has been cored but not pared. Cover and bake in a moderate oven for about 45 minutes. Lift the chops and apples from the baking dish and remove skewers. Garnish with parsley, and serve at once.

Pork Loaf.

Ingredients—One pound chopped pork, one cup bread crumbs, one egg, beaten, pinch of thyme or savory seasoning, one small onion, chopped, salt, pepper, fine dry crumbs, bacon or salt pork, four tablespoons flour, one cup thin cream.

Mix the pork, bread crumbs, egg, onion and seasoning. Shape into roll, and coat with fine dry crumbs; place in a baking pan and lay a few thin strips of bacon or salt pork over the top. Bake in moderate oven for an hour. A few minutes before the meat is to be served stir the flour into the fat in the pan and add the thin cream; stir until gravy is smooth, and season with salt and pepper.

Roast Stuffed Pork Spareribs.

Spare ribs of pork are an economical buy and a favorite wherever pork is. Stuffed and baked, as in the recipe below, they make a very dressy dish. The traditional apple that goes so well with pork is mixed with the bread crumb stuffing. Candied sweet potatoes are particularly good with the spare ribs.

Ingredients—Two sections spare ribs, one cup fine dry bread crumbs, one-fourth cup finely diced salt pork, one-half cup chopped celery, one-half cup chopped onion, one-

fourth cup chopped parsley, five tart apples, diced, one-half cup sugar, one-fourth teaspoon salt, one-eighth teaspoon pepper.

Select well-fleshed rib sections that match. Have the breastbone cracked so that it will be easy to carve between the ribs. Wipe the meat with damp cloth. Prepare the stuffing as follows: Fry the salt pork until crisp and remove the pieces from the skillet. Cook the celery, onion and parsley in the fat for a few minutes and remove them.

Put the apples into the skillet, sprinkle with the sugar; cover and cook until tender, then remove the lid and continue to cook until the juice evaporates and the pieces of apples are candied. Mix with the bread crumbs, crisp salt pork, cooked vegetables, salt and pepper. Lay one section of ribs out flat, sprinkle with salt and pepper, and spread with the hot stuffing; cover with the other section and sew the two together. Sprinkle the outside with salt and pepper and rub with flour. Lay the stuffed ribs on a rack in an open roasting pan and sear in a hot oven (480 degrees Fahrenheit) for 20 minutes, or until the meat is lightly browned. Reduce oven temperature rapidly to very moderate heat (300 to 325 degrees) and continue to cook for about an hour longer, or until the meat is tender. Remove the strings before serving the stuffed spare ribs on a hot platter.

Baked Pork Chops and Noodles.

Ingredients—Two cups egg noodles, four pork chops, one-half teaspoon salt, one small onion, one-third cup tomato ketchup, one and one-fourth cups water, fine bread crumbs.

Cook noodles in boiling water for eight minutes; drain. Fry pork chops until nearly done, and salt slightly. Mince onion and combine with noodles, ketchup and water. Put chops in casserole, cover with noodle mixture and sprinkle top with buttered crumbs. Bake in a moderate oven for 30 to 40 minutes.

Bride—"Now, Jack, you'll be very frank and tell me everything, won't you?"

Bridegroom—"Yes, darling—and, of course, you'll be generous and believe it."

Adult M. E. Society Has Peace Program.

Mmes. H. V. Williams, S. H. Young and F. T. Jarratt were hostesses to the Adult Missionary Society of the First Methodist Church Monday afternoon in the basement of the church. The church was beautifully decorated with chrysanthemums.

Mrs. Lee T. Stinson gave on the program an unusually interesting discussion of "World Peace and the Christian Citizen."

Pie and coffee were served by the hostesses to the following members: Mmes. A. M. Curry, R. M. Stokes, Joe Strayhorn, Sed A. Harris, I. W. Boren, Charles J. Lewis, Lee T. Stinson, W. W. Hamilton, J. E. Hardy, R. H. Curmuto, Joe Caton and E. D. Curry. Members of the Ruth Anderson Auxiliary were tea guests. They were Mmes. R. H. Odom, J. G. Hicks, Wayne Boren, L. O. Biggers, Ruby Littlepage, Eddie Thompson, John Whitmire, Homer Snyder, A. E. Wiese, F. A. Joyner and R. J. Randals.

The Times Creed:

For the cause that needs assistance;
 For the wrongs that need resistance;
 For the future in the distance,
 And the good that we can do.

THE WEEKLY DOZEN

Now Another Definition.
 Here comes another NRA-ism: "Now Roosevelt Assists."

It's Open Season for Them.
 Talkative Tillie says one reason for so many new brides and bridegrooms is that papa and mama on both sides of the house are able to furnish more beans, bacon and gasoline than at any time in recent years.

Not Like the Fish That Got Away.
 The Abilene Morning News suggests that most weekly newspapers are carrying accounts of successful deer hunts, but it's seldom that you find anything about the hundreds of fellows who went, saw—and missed.

Saint Nick as Fellowship Maker.
 The Pre-Christmas Festival is just another way Snyder has of binding herself more closely to the people of surrounding communities. The depression has assuredly bound town and rural people more closely together. May the Festival truly be another "do that binds."

Worthy Paper of a Worthy School.
 The Times extends congratulations to Snyder High School for the neat little newspaper issued by a new staff this week. The Tiger's Tale will prove interesting to students, faculty members, parents—and advertisers who so satisfyingly supported the first "Tale" in more than two years.

But Most Alibis Are Not Excuses.
 Many communities are not conducting Red Cross Roll Call canvasses. Many individuals are hunting for niggardly alibis when they are approached with membership cards and buttons. Judging from some of the arguments one hears, many a citizen needs to learn a new refrain: "Don't bite the hand that's been feeding you."

Plan to Be Here for the Festivities.
 Don't be afraid of the crowds when you come to town for Snyder's big Pre-Christmas Festival. All plans are being made for appearance of Santa Claus on the courthouse lawn and tower, so that there will be little danger of accidents or other catastrophes. Pile the whole bloomin' family into old Lizzie and come prepared for the time of your life.

It Was a Holy Day Years Ago.
 The chief trouble with American holidays is that they have departed almost 100 per cent from the original spirit that brought them into being. She would do well to remember as she prepares for the most joyous Christmas celebration in three years that the holy-day was founded by One whose Gospel was born of peace, love, good will and humble living.

May Your Christmas Socks Be Filled!
 Advertisers who have so liberally supported our modest effort to produce a Pre-Christmas Festival edition of The Times are herewith awarded a cordial vote of thanks from the three publishers, J. W., Bill and Jake, and from Buster and Allene, "devil" and "angel," respectively. May this beginning of the new Christmas season be as pleasing to you as your confidence deserves.

The Man May Be Right.
 Pessimism Pete is of the opinion that the good citizens of Snyder could step in and do away with a lot of the devilment that continues to go on from dance hall to bootlegging joint to public roads. Is it possible that one citizen was right when he said, "The trouble is that most of the 'good' citizens either are mixed up in the devilment on the sly or they crave the profits that come from the other man's degradation?"

The Wise Ones Will Go Sparingly.
 The majority of close observers will tell you that Scurry County is entering the Christmas season of 1933 at least 100 per cent more alert financially than she was in 1932—and probably 200 per cent better than in 1931. If we do not go wild now with the elixir of spare dollars, and spend them too freely for the safety of the months to come, there will be a minimum of bitterness and hunger in these parts until another harvest season rolls around.

Back on the Water Wagon.
 The best legal minds of the state are still puzzling over the exact status of liquor law enforcement. From all indications we have a law against liquor in any form as far as dry counties are concerned; but there seems to be no semblance of teeth in the law. The only thing left for prohibitionists to do, it would seem from the present status of laws and sentiment, is to begin a new and deep-seated campaign of education

Welcome to Our Pre-Christmas Festival.

For the 'steenth time, folks of Scurry and adjoining counties, Snyder welcomes you to her Pre-Christmas Festival.
 We are sure enough dressing up for you. Come prepared for the kind of hospitality you really like. Don't leave even one of the kiddies at home, for they'll all want to see old Santa and get some of the candy he is to throw from the top of the courthouse. There won't be a long-winded program. There won't be speaking and ballyhoo hour after hour.

You'll find just a well decorated town, a town that wants you to enter into the real spirit of Christmas-time. A set of merchants and other hosts that will have plenty of goods to sell you if you need 'em—merchants who crave an opportunity to have fellowship and to show you that Snyder really cares about the enjoyment and happiness of the folks in her trade territory.

Come in and discover that town folks are just country folks come to town.
 Come in and catch the festive spirit of the Christmas season.

EDITORIAL OF THE WEEK

MORE ABOUT RACKETS
 (Newspapers, particularly those of the weekly variety, are continuously opening the eyes of their readers to grafters of myriad hues who would filch them of legitimate earnings. Following is a recent editorial from the Lamb County Leader, which quotes, in turn, from the Sudan News, concerning rackets that invade West Texas with every good cotton crop.)

Texas editors, in loyalty to the cities and communities which they serve, are sounding a warning against that particular group of men and women who spend their lives in sharp shooting, smooth talking folks out of their money.

The Lamb County Leader has repeatedly warned the people of Littlefield and section against smooth talkers and their rackets; in fact, we had something to say along that line in last week's issue.

The editor of the Sudan News also issued a warning in last week's issue of his newspaper against spy artists. Here's what he said:

"Along with the bumper crop and the \$1,500,000 cotton money for Lamb County will come grafters, schemers and tricky salesmen, who will use every possible means to high power people into buying something they don't want.

"Beware of these salesmen who have a long tale to tell you about their wares, or a new kind of advertising which will increase your business tenfold. They are grafters who follow good times and are not interested in building Sudan or any other town.

"This is a profession with these people and they have it down so pat that they can sell you something you don't want, unless you are on your guard.

"Every form of advertising imaginable is included in these schemes which are absolutely worthless to merchants, and if they're any good, are too expensive.

You have a local job printing plant which pays taxes to help maintain the city, school, county, state and national governments. It helps build the town and furnishes employment for local people. This firm can print any job for you, whether it is a small individual job or a large cooperative job for the entire town. The cost of advertising will usually be about half what the high-powered salesman wants.

"Local business houses pay taxes here and are helping to build a better Sudan. Any kind of merchandise can be bought in Sudan from these stores and Sudan firms stand back of their sales.—Lamb County Leader.

CURRENT COMMENT
 BY LEON GUINN

One little fact, almost unnoticed last week, stands out as another contribution to the gracious art of living. . . . When you tune in on the radio, or meet the local train, standard time is at your service. . . . So it is with your kitchen clock. . . . Old timers in the railroad game remember 50 years ago when each town had its own time. . . . Since railroad stations 50 years ago were forced to keep three or more timepieces, it became obvious all had to have one definite schedule. Dr. Charles Ferdinand Dowd presented a zone time system to a railroad convention in 1869, although many give Sir Sandford Fleming (Canadian railroader) the credit for giving publicity to standard time zonings. . . . Meridians 15 degrees apart keep standard time zonings synchronized with the sun's pace. . . . For 50 years America has enjoyed one time schedule, of little importance today.

Memories of "Moby Dick" were probably revived with the exhibition this week in a nearby city of a 68 ton whale. . . . Scientists claim the whale is the last of prehistoric animals alive in this area. . . . You will doubtless agree the thesis that whales were once land creatures is rather silly. . . . Whales belong in water, and I should like to know how scientists think whales threw legs and corrugated hides away. . . . All dressed up and only the sea to swim in! . . . Proctor & Gamble is very interested in whale oil. . . . Gurgle, gurgle, presto; and Lux soap for the complexion. . . . What must Christians think of a few agnostics, when from the sea, air and land is evidence everywhere of God's handiwork? . . . Even the gasoline and oil you purchase once played a part in prehistoric whale and dinosaur life. . . . Intensely interesting must have been this earth ages ago, when animal vegetable oils and far flung forests helped to produce petroleum, the black gold of commerce.

This old world is getting rather smallish. . . . When gentlemen of the test tubes exhaust mimeographed experiments they hunt up a new outer layer of air, and presently some Navy man soars around in the stratosphere to hunt elusive little layers for observation. . . . Lieut. Com. T. G. Settle and Maj. Chester L. Fordney recently attained a height of 61,000 feet in a free balloon to study the cosmic rays. . . . The present outlook indicates 20 miles will be the target to shoot at soon in altitude. . . . Since the spheroid house (gondola) of a balloon absorbs sun rays, it is comfortable—this probing around 11 miles high and radiating to the earth graphic observations. . . . Until now all races have been content to look from the outside into given equations. . . . Now people look from the inside outwards, that is the unit first, then the whole. . . . Real progress is being made because the atom has been split and all sorts of things bombard Mr. Atom. . . . In other words, present knowledge must be in a nutshell. . . . The very elements of civilization are being daily weighed.

to get young and old citizens back on the water wagon. Education is the only tool that can be effectively used against the vicious type of propaganda that has been broadcast for several years by the liquor barons and their political allies.

Bud'n' Bub History of Beards By Ed Kressy

JE'VER STOP TO THINK?
 BY EDSON R. WAITE

Philip Hockstein, editor of the Jamaica, New York, Daily Press and Staten Island, New York, Advance, says:
 "That the condition of advertising reflects the progress of public education. The keen advertiser will want to keep abreast of the tendencies in education. He will want his copy to be so written and so arranged typographically that it will blend well with the ideas and tastes of people who are intellectually molded by our schools.
 Advertising is itself a tremendous educational force, but the advertiser who descends too far below the general educational standards or too far above will not obtain satisfactory results, except from certain special classes of readers.
 It is convenient for the purpose of this discussion to divide advertising into two general classifications; that is, competitive advertising and market-creating advertising.
 Competitive advertising, naturally, has been developed to a greater intensity than market-creating advertising. Market-creating advertising, however, offers the better field and gives the press its greatest opportunity for service.
 Competitive advertising which features price and price wars may suffer serious set-back if the competitive tendencies of industry are curbed in our economic development.
 But if all business competition were to be stopped, advertising would still remain one of the most vital forces in the nation as an instrument of social progress.
 J. H. Kraft, vice president of the Kraft-Phenix Cheese Corporation, says:
 "The milk crop of the United States is the only year-round cash crop the farmer has, and the only crop that pays him a check every week, 52 weeks out of the year, regardless of the weather.
 "As an industry, dairying in this country has developed faster in the past 25 years than most agricultural industries have in the past 100 years. Scientific control of milk production, the building up of superior herds, the cooperation of farmers in dairy programs are proof that the dairy farmer today is one of America's most alert business men, with an eye to the future.
 "During recent years dairying and cheese-making have become our largest national industry. The national income from cheese-making alone was more than \$100,000,000 last year. Today there are more than 30 states in addition to Wisconsin and New York in which cheese-making is an important industry and provides a substantial cash market to dairy farmers.
 "The South, long regarded as the nation's most conservative agricultural section, has in 10 years' time taken lengthy strides in the building up of the dairy industry.

The slaves of electricity, answering to the call of American industry, are giving the free worker the greatest capacity of production ever attained in the history of the world, and with this increase in might has come to him a share in the comforts and luxuries of life—far beyond the reach of his brothers in other lands.
 The other day I heard of a man who said that on account of having to add additional help and pay higher wages he had cut out his appropriation for newspaper advertising to average things up a little. Well, he couldn't be much of a business man with ideas like that!

THE NEW PILGRIMAGE : Leon Guinn

All day and night thousands of pilgrims are writing with gasoline and oil the cost of trekking to cotton fields over our beloved state, scattered as quilts must be when a patchwork motif is used.
 A series of misfortunes coupled with foreclosure and general mismanagement has put into the professional cotton picked column 450 Texas citizens (white).
 The pilgrimage has been made to pastures not very promising in greenery. For this has been a poor year to sack cotton and shekels. One factor conducive to an early homecoming this year has concerned the number of Mexicans, gringos, bohunks, or what have you, available. Primitive Mexico has poured from her lap 275 classified Mexicanites to gather the weather whitened acres of Texas.
 Even by wagon and freight the pickers made it to the plains and elsewhere. Many have the livid expression of hunger sliced in down-cast features, others the general appearance of weberone humanity. The average citizen is not concerned, for his argument holds they belong to a world apart from ours—forgotten mavericks of time.
 Doubtless true, but had the thought occurred to you just how far a few antique roosters, or a hunk of swine bosom could go to helping along these derelicts of progress? I am referring to the many in mump-jawed Model T's with only the chassis presentable, in wagons with the microbes of epidemics hidden in obscure corners.
 Today no pioneer frontier remains to be crossed, or clay besmeared Indians to be silenced with lead pellets and powder. Tomorrow's horizon indicates we must accept the prosaic job of turning out things, for a known coefficient of strength is America's straight edge of determining how much cotton and rayon, how many sacks of flour, how many radios.
 Frontiers to be crossed dip into specialized science, medicine, art, and printing—coherent lead horizontals of color. The air holds much promise. So is promise pregnant on a thousand fronts. But these peoples of the fields. One can't shove them off into a corner like a dry book.
 All day and night thousands of pilgrims are writing with gasoline and oil the cost of trekking to cotton fields. They have endured the pilgrimage.

THESE ARE DIRECTING DESTINIES OF HIGH SCHOOL "TIGER'S TALE"

The Editor-in-Chief Business Manager

Leslie Kelley, long the leader of Snyder High School in literary activities, has been elected by popular vote to the important position of editor-in-chief of The Tiger's Tale. He will make the paper a success because he always succeeds in everything he undertakes.

Billie Lee, prominent in football and track, was elected business manager of The Tiger's Tale after being instrumental in selling a large number of subscriptions and "putting the paper across." With Billie at the helm, the financial success of the paper is assured.

Associate Editor

Estine Dorward, one of the most popular students in school, was named as associate editor. She has won many honors in extra-curricular activities, notably dramatics and debate, and tops the honor list.

Assistant Manager

Bonita McGahey, named assistant business manager, is one of the high ranking students and is prominent in social affairs. She is the only senior "A" representative on the staff.

Teachers of County Attending Meeting in Austin This Week

Among those from Scurry County to attend the annual Texas State Teachers Association convention in Austin this week-end are the following: Frank Farmer, county superintendent; C. Wedgworth, superintendent of city schools; W. F. Cox, head of science department of Snyder High School; R. L. Williams, principal of the high school; Mr. and Mrs. Grady Hamrick of Fyron, Mr. and Mrs. Roy Irwin,

B. T. S. Convention Being Attended By Several Countians

Annual convention of the state Baptist Training Service, which is being held in Mineral Wells Thursday, Friday and Saturday, has as its delegates several Snyder and Scurry County persons. In the local group is Miss Marva Nell Curtis, who represents this district in the intermediate sword drill contest for 13-year-olds. Other delegates are Mrs. S. J. Littlepage and Misses Lola Mae Littlepage and Nadine Sumruld. J. Earl Mead, educational director of the Cliff Temple Church at Dallas, is president of the convention. The main speakers will include Dr. George W. Truett, who will deliver the Thanksgiving sermon; Dr. M. E. Dodd, president of the Southern Baptist Convention; Dr. C. Roy Angell, scheduled for three addresses and supervision of the sunrise prayer service on East Mountain, overlooking the city; and J. D. Grey of Ennis, who will conduct the consecration hour.

Senator Duggan Visits. State Senator Arthur P. Duggan of Littlefield, candidate for Congress from the new nineteenth district, was a brief visitor in Snyder last week. He was returning from Austin, where he attended the state-wide meeting of relief workers.

"No," said the druggist, "I don't want any slot machines that involve gambling." "These," said the salesman earnestly, "aren't gambling devices. The customer hasn't got a chance."

Smith Appointed As Farm Debt Chairman

Ben F. Smith was named several days ago as Scurry County chairman of the county farm debt liquidation committee. The appointment, coming through Governor Miriam A. Ferguson, is a federal position, and carries no salary. The function of the committee is to deal with farm mortgages and the reduction of principal and interest.

On the committee with Mr. Smith were named A. Johnson, W. B. Lemons, J. O. Dodson and Joe Stinson. Mr. Smith, who is county appraiser for the Home Owners' Loan Corporation, also a federal helping-hand body, reports that he has completed eight appraisals of Snyder and Hermleigh property within the past two weeks.

Joel Tinker and Olin Johnston were in San Angelo Sunday.

COUNTY SEEKS HIGHWAY PATH

Letters were mailed early this week to the 20 landowners through whose property the proposed Snyder-to-Hermleigh routing of Highway No. 7 would pass.

Each landowner was advised by the Commissioners' Court what the court is prepared to do in the matter of securing right-of-way. The court requested that the property owners appear before it in session within a few days in order that immediate settlement may be made.

Tell us one thing that has tended to the advancement and betterment of humanity that was not brought about by rebels. Can you?

Post Office Urges Early Gift Mailing

Shop and mail early is the cry of the post office department. Officials of that department report the volume of mail increases 200 per cent during the holiday time, and it is a physical impossibility to handle this great mass of mail matter efficiently and promptly within a few days.

To assure delivery of gifts, greetings and letters by Christmas day they should be mailed a week to 10 days before Christmas, Mrs. E. J. Arcego, Snyder postmistress, said yesterday. Owing to the long sea travel involved as a rule and to customs abroad, parcels for foreign countries should be carefully packed and should be mailed immediately.

Internationally Known Lecturer Says NRA Success; Visits H. G. Towle Home

Dr. A. M. Skeffington, internationally known authority and lecturer on refractive eye diagnosis and correction, was the guest several days ago of Dr. H. G. Towle, local optometrist.

Although primarily a clinician, Dr. Skeffington is on the honor speaker list of the Federated Advertising Clubs and is widely sought as a speaker. He was chosen by President Roosevelt as one of the national speakers on NRA.

The eminent visitor returned recently from an extensive lecture tour of Europe. "America does not have an inkling of what real depression means," he told Dr. Towle. "The European countries are in far more desperate straits than our nation."

Praises West Texas. Dr. Skeffington said that this part of the United States, in turn, is in much better condition than the mid-west, east and north. "You Texans have had only a touch of the real depression," he declared.

A high note of praise for NRA and the administration's other recovery efforts was sounded by the visitor.

"Just look at yourselves," he told a group of more than 4,000 persons, principally business men, at Houston several days ago. "You have good clothes. You are well groomed. You are well fed. You know NRA is succeeding."

As director of the Graduate Clinic Foundation of Optometry at Chicago, Dr. Skeffington says modern optometry is primarily interested in the adaptation of the visual apparatus of children to their school environments and constantly less occupied with simple good sight.

Business Hours Must Be Posted By Retail Firms

Every retail store must post, and keep posted in a conspicuous place, a notice indicating the group under which it is operating, Maurice Brownfield, chairman of the Snyder NRA Compliance Board, said yesterday. The notice should include store hours and the basic work of its employees.

Non-compliance with this provision is considered a violation of Section 2, Article V of the retail code, according to Mr. Brownfield. Suggestion has been made that stores should also post a copy of the minimum wage and maximum hour provisions of the code.

The following form, suggested for use by the employers, appeared in the National Recovery Administration retail bulletin No. 1:

"This store is operating under Group — of the Retail Code. It is open for business — hours per week. The maximum periods of labor for its employees are — hours per week, — per day, and six days per week. (These maximum hours do not apply to employees specifically exempted by the Retail Code)."

University research records show, the distinguished authority pointed out, that 66.8 per cent of children in school today are visually ineffective, not because their eyes are bad but because modern life demands more concentrated close work.

Speaks at Lubbock. The Chicagoan was accompanied by R. L. Wilson, owner of the Texas Optical Company, Fort Worth, who was also a guest in the home of Dr. and Mrs. Towle. The local optometrist accompanied the visitors to Lubbock, where Dr. Skeffington spoke inspiringly to members of the Business Men's Club.

Dr. Towle quotes many prominent Lubbock business men as saying, after the address, "We were all wrong about our NRA criticism. Hereafter we're going to get into the harness and fight for the President's recovery program."

Scurry County Gets Chance to Send 39 Of Her Coffer Cows

Scurry County has been allotted 39 coffer cows to be sold through the federal emergency relief administration to the State Relief Commission, for state relief needs. The entire state has been allotted 20,000 cows. Borden County also shares in the allotment.

The Extension Service of A. & M. College is cooperating through the county agents in regulating flow of these cows to the slaughtering centers. Canning plants are being equipped at these centers where the cows will be immediately processed into canned products. Lutoff is this area's focus point.

W. R. Luce, county agent, should be seen by those who wish to dispose of their coffer cows in this way. A minimum of \$1.75 per 100 pounds will be paid. Buyers reserve the right to reject any cows carrying insufficient flesh, crippled or diseased.

Baptist Revival Is Successful As Last Draws 16 Additions

The final service of the Baptist revival, which closed Sunday night, proved to be the climax of the two-week meeting. Sixteen persons made public profession or came for church membership.

Rev. Philip C. McCahey, pastor, who did the preaching, states that about 35 persons came forward during the meeting. He said Sunday morning, "If the crowds had come, these would have been some of the best revival services ever seen in Snyder."

The singer, Joe Trussell of Brownwood, returned to his home Monday morning. His services were highly praised by the pastor and board of deacons.

Several were baptized Sunday night and others were baptized at the Wednesday evening prayer services.

Hermleigh News

Minnie Lee Williams, Correspondent

Hermleigh High School senior girls are trying to live up to the ideal high school girl standard, and have made their first start by organizing a girls' club composed of the senior girls and their sponsor. The name "Zeitgeist," meaning the spirit of the time, was chosen, and "To be rather than to seem" was selected as motto. The club flower is the rose, and colors of pink and white were chosen to correspond. Officers elected were: Oleta Westbrook, president; Zera Davis, vice president; Gaye Nelle McMillan, secretary-treasurer, and Lucile Williams, reporter.

Oleta Westbrook entertained the Zeitgeist Club Thursday afternoon at the home of Mrs. H. L. Drennan, who acted as hostess, assisted by Miss Letitia Daniels of Glenrose. The topic discussed was the "Ideal High School Girl." Maurine Parr, chairman of the program committee, led the discussion, which was based on papers written by students and members of the faculty. Refreshments were served by the hostess to Misses Oleta Westbrook, Naomi Rogers, Nadine Todd, Beulah Crumley, Rose Caffey, Maurine Parr, Gaye Nelle McMillan, Zera Davis and Lucile Robertson, club sponsor.

A union Thanksgiving service will be held at the Central Baptist Church Sunday, with dinner on the ground and singing in the afternoon. All the churches and communities are urged to attend and bring baskets filled with good eats. Rev. G. W. Parks will deliver an 11:00 o'clock sermon, after which letters will be spread. All the singers of the various communities are cordially invited to come and help in the song service in the afternoon. Come one and all and let's make this a day of real thanksgiving. There will be choir practice at the Baptist Church Wednesday evening, beginning at 7:30 o'clock, that our voices may be more trained to sing Sunday.

Miss Ronel Thomas of Loraine spent the week-end in this community.
A Sunday School party was given in the Holley Shuler home Saturday night.
We regret to lose Mr. and Mrs. Claude Woolver from our community. They are moving to Inadale to make their home.
We are encouraged by the fine attendance we have been having at the Parent-Teacher Association meetings. The program Friday night was a success, although some were unable to be present. A talk by Mrs. S. D. Hays, a reading by Tenney Mae Jeffress, a play by Billie and Bobbie Hays and a debate on "Resolved, That Times Are Getting Better" with Lois Bynum and New Walls against T. J. Gilmore and W. A. Barnett. The affirmative won. Judges were Mrs. Earl Gladson, Messrs. Earl Woolver and Howell. A program will be given Friday night, December 15, by the young folks. Program committee is composed of Mr. and Mrs. J. W. Lettwich, Mmes. Hugh Jeffress and Delia McPherson and Miss Ethel Lynn Hays. Everyone is invited to come.

Arah News

Mrs. Earl McDow, Correspondent

Why Children Need a Liquid Laxative

The temporary relief children get from some synthetic, habit-forming cathartic may cause bowel strain, and even set-up irritation in the kidneys. A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to give the child "a double dose" a day or two later.

Can constipation be corrected in children? "Yes!" say medical men. "Yes!" say many mothers who have followed this sensible medical advice: 1. Select a good liquid laxative. 2. Give the dose you find suited to the system. 3. Gradually reduce the dose until the bowels are moving regularly without aid.

An approved liquid laxative (one that is widely used for children) is Dr. Caldwell's Syrup Pepsin. The mild laxative action of this excellent preparation is the best form of help for children—and grown-ups, too. The dose can be regulated for any age or need.

Your druggist has Dr. Caldwell's Syrup Pepsin. Member N. R. A.

Cotton Seed

UNTIL JANUARY 1ST, we will sell Watson Big Boll Mebane Cotton Seed for 50c Per Bushel.

We planted the Block Seed this year and the seed that we are offering, if sold by Watson Seed Company, would be the same as their pedigreed seed. We used every precaution possible in ginning these seed, to keep them pure, by having the rolls dumped and all loose seed cleaned up around the gins, and then letting one-half of the first bale go over into the seed house. We also ginned from six to ten bales at a time.

We believe this is the best cotton for this country that you could plant. It is a big boll cotton, easy to pick, short joints, makes a good yield and a good turnout. Staple 15-16 to 1 inch.

We refer you to Lee Cotton Co., Joyce & Sons, Andy Logan, Bird Rodman, Sidney Johnson, M. T. Casey, Thomas Eckles, Dave Denson, Bill Brooks and many others who planted Watson seed this year.

Until January 1st, we will sell these seed in the bulk for 50c per bushel. After then, they will be higher.

College Students Arriving Home For Thanksgiving Holidays of Week-end

Some students are returning for the holidays and others will not be here. A number of parties, picnics, teas, etc. have already been planned complimenting students who are spending the Thanksgiving holidays with their parents here.

Miss Charline Ely, a student at McMurry College, Abilene, was to have arrived here Wednesday night or Thursday morning, bringing with her as a holiday guest her roommate, Miss Janie Bess Saxton, who lives at Miami.

Clarence Walton, also of McMurry, is spending the holidays with his parents, Mr. and Mrs. I. H. Walton. Mrs. T. Egerton is spending the holidays with her daughter, Dorothy, who is a senior in West Texas State Teachers College, Canyon. Mrs. Egerton will visit with other relatives while there.

Miss Jeanette Lollar came home from the College of Industrial Arts, Denton, Tuesday. Misses Mildred Stokes, Johnnie Mathison and Owendolyn Gray met her in Sweetwater Tuesday night.

Miss Charles Ella Hamlett, who has made a splendid record at Randolph College, Cisco, will spend the holidays with her parents here. Austin Erwin and Travis Letour of Texas University, Austin, came home Wednesday.

Miss Rube Lee of Texas Tech, Lubbock, will have as her guest during the holidays Miss Roberta Rayburn, a former resident of Snyder.

A Weatherford College student, Carl Young, will not be home. The college has a conference football game Thanksgiving, and Mr. Young is on the team. The team will play Texas Military College at Terrell.

Willard Lewis was in Abilene Wednesday to bring Miss Frances Clements home from A. C. C. Rodney Glascock and Ester Jones probably will be home from Randolph College, Cisco.

Misses Eva Nelle Arnold, Elverne McFarland and Dixie Lee Davis and Buck Howell and Theo Rigby were to have come from Abilene Wednesday. All of them are students at Simmons University.

Simmons also has an important game, so G. L. Huestis will not be home for Thanksgiving.

Miss Margaret Deakins, student at John Tarleton College, Stephenville, was not expected home by her parents.

Friends Pay Final Respect Wednesday To County Pioneer

Last rites for Mrs. I. P. Byrd were held at the First Methodist Church last Wednesday afternoon, with Rev. S. H. Young, pastor, officiating, assisted by Rev. E. C. Lambert, Odum Funeral Home was in charge, and interment was in the Snyder cemetery.

Mrs. Byrd was born in Springfield, Missouri, in 1859. She came to Scurry County with her husband 45 years ago. Mr. Byrd died just two years after they came West. For a time Mrs. Byrd lived in her own home, but she has been in the home of her daughter most of the time for the past 32 years. Mrs. Byrd was a devoted Christian and an active member of the Methodist Church until her health failed a year ago. She had been very low for two months. She was the last one in her family to pass, all the brothers and sisters having preceded her in death.

Five children survive. They are: Mrs. Edna B. Tinker and J. L. Byrd of Snyder, Mrs. Jim Bridgeman of Lubbock, C. M. Byrd of Claremont and R. H. Byrd of Sundance, Wyoming. They were present with the exception of the son who lives in Wyoming. Fifteen grandchildren are listed among the survivors, 11 of whom were present at the funeral.

Honorary pallbearers were J. C. Dawson, Woodson Stinson, Horace Leath, Hugh Taylor, Lee Stinson, Roy Elkins, Edgar Wilson, Warren Dodson, O. P. Thrane, H. L. Davis, J. C. Moore, Roy Stokes and H. V. Williams. Active pallbearers included Bud Byrd, Bill Byrd, Dawson Bridgeman, Jim Lee Bridgeman, Max Sears, Grover Scott, Joe Brown and Aubrey Stokes. Vivian Sears, Dinawen Bridgeman, Jewel Byrd, Edna Byrd and Geneva White had charge of the flowers.

Mrs. W. O. McFall of Claremont was the only out-of-town funeral attendant with the exception of members of the immediate family. Mrs. McFall remained with Mrs. Tinker until Saturday. Others from out-of-town returned to their homes Wednesday night.

Former Snyderites Perform Nobly For Tech-Simmons Fish

Three former stars of Tiger football machines blazed new trails of glory Friday when they performed nobly on freshman squads through the mill by Simmons University and Texas Tech.

The young women's 30 to 0 defeat of the Burk Burnett all-stars was featured by two touchdowns by way of the lightning feet of Buck Howell. Theo Rigby, Buck's former running mate, scored touchdown No. 3. Both youngsters are regular first stringers with the Abilene crew.

At Lubbock Jesse Browning was a much-noticed first string line-man in the freshman team's 70 to 0 defeat of the University of New Mexico's first-year eleven. The former Tiger line starlet is a regular while his "little" brother, Leslie, gets into the line-up pretty often.

Kansas Cow Goes To College

When Charles Hager, of Chase, Kansas went down to McPherson to attend college this fall he tied old Bossie to the rear of his fliwer. Bossie spends her days on a grazing space near the college where Charles can milk her night and morning, seeing the milk and thus defraying their expenses for the school year. Bossie's supply has so far failed to meet the demand.

Blacksmiths of Area Meet In Snyder To Discuss NRA Code

Blacksmiths of District No. 9 for the state of Texas gathered Wednesday evening of last week in Snyder and adopted price schedules for the trade, to be made effective within a few days, when permanent codes are to be submitted by the national NRA committee.

J. E. Patterson of Lamessa, district chairman, was in charge of the meeting. A. L. Potet of Snyder is sub-chairman. Slightly increased prices in most lines of work are to become effective under the new schedule, officials of the district state. Standardization of prices on specified jobs will greatly relieve conditions that have been brought about by promiscuous price slashing, stated Mr. Potet yesterday.

Those attending the Wednesday meeting were: Sam C. Parier of Abilene, E. L. Shertoff of Colorado, C. S. Robinson and W. W. Zetzman of Post, J. E. Patterson and B. E. Alexander of Lamessa, Sam Glass of Loring, Ben Chandler of Hermleigh, and E. L. Darby, Little Westbrook, R. A. Turner, B. L. Base and A. L. Potet of Snyder.

A Fearless Expose

If you did not read "How Highwaymen in High Places Have Swindled Public"—in a late issue of The Pathfinder, a fearless expose of the methods and trickery of business and politics, you really missed something. It is too late now for you to get that issue of The Pathfinder, but you should make sure of not missing another single issue. Every week this brilliant national weekly not only gives you all the news, but it tells you frankly and clearly what is behind the news and what goes on "inside" at Washington. The Times wants you to read The Pathfinder, and will send it every week with The Times both one year for only \$1.75. Don't delay another day.

When the government starts to weeding out unfair competition—that's when the busy days will begin.

Two Wiese Runs In Final Quarter Win Merkel Tilt

From The Tiger's Tale. The Snyder Tigers downed the determined Merkel Badgers 13-0 in a hard tussle Friday. Wiese, with the aid of good blocking in the last quarter, sprinted for two touchdowns.

Starting line-up for Snyder: Left end, Beavers; left tackle, Jones; left guard, Neal; center, Blakely; right guard, Lee; right tackle, Green; right end, Holladay; half-backs, Wiese and Boren; fullback, Johnston; quarterback, Eiland.

Snyder made 188 yards against Merkel's 118. First downs: Snyder 8, Merkel 5.

All sensational playing came in the fourth quarter, when Wiese dashed 40 yards for a touchdown, but Neal missed place kick. Later in the quarter Wiese dashed for 39 yards and touchdown behind good interference. Neal kicked extra point.

Boaz starred for Merkel. Wiese and Johnston played outstanding games in the backfield, while Neal and Eiland starred in the line.

Merkel dedicated the game to a football boy that was killed in action on the same date three years ago. It was the first memorial game they had had. It was to Merkel's credit that she was determined and fought to the last gun.

You've Missed Something

Did you read "What the Farmers Want" which appeared in The Pathfinder the other week? If not, you missed something. "Financial History Repeats," an editorial in the following issue, would have given you untold food for thought. But there is no need to miss another of the brilliant, fearless articles which appear in The Pathfinder every week, when you can get The Times and The Pathfinder for a whole year at the bargain price of \$1.75. Leave your order at our office, where samples of The Pathfinder may be seen, or send it by mail or phone today.

Nervous, Dizzy

Mrs. Robert Newton of Route 6, Little Rock, Ark., said "I suffered from weak nerves, ached all over and felt weak and all plays and tipping head-aches. I took Dr. Pierce's Favorite Prescription and noticed a decided improvement in my nerves and I was soon enjoying good health, so necessary to mothers." Sold by all druggists. New size, tablets 50c, liquid \$1.00. Large size, tabs. or liquid, \$1.35. "We Do Our Part."

Farm Meat Losses May Be Prevented By Chilling Process

The prompt and thorough chilling of home butchered pork is an important step in preventing losses from sour hams and shoulders, say meat specialists of the United States Department of Agriculture. If meat is to be kept through the winter in good condition it should be chilled in a temperature below 40 degrees Fahrenheit. The accepted standard ranges from about 36 degrees to 38 degrees Fahrenheit.

To obtain these temperatures in some of the Southern states it may be necessary to use ice or commercial cold storage, since there is always danger of an occasional warm spell coming at a time when the meat is being chilled or cured. Several cases have been reported to the department of unexpected warm weather causing carcasses to sour in less than 24 hours after the hogs were killed. The cost of ice or cold storage would have been small compared with the loss from spoilage.

In order to make the most efficient use of ice the department recommends splitting the carcass down the back, removing the leaf fat, and cutting off the head. The use of a home-made ice box will help to prevent losses in curing farm meat. Instructions for making such a box may be obtained from your county agent or by writing to the Bureau of Agricultural Engineering, United States Department of Agriculture, Washington, D. C.

HEAVY TURKEY SALES COMING

With the Christmas turkey market opening early next week, growers are breathing new hopes for a price above the Thanksgiving level. Produce men are preparing to handle a much bigger run than they did two weeks ago, for most raisers were convinced that buyers would be in position to pay above the nine and 10 cent early market.

This season's crop is one of the fattest in the history of the county, although it is about 25 per cent below par on quantity.

Members Give M. E. Pastor "Pounding"

The old-time idea of "pounding" preachers was revived here Tuesday evening when a delivery wagon stopped at the Methodist parsonage with a supply of groceries and dry goods for Rev. and Mrs. S. H. Young. The "pounding" was supposedly sent up by members of the Methodist congregation.

Semi-Weekly Farm News and The Times for \$1.75. Save 25 cents.

FALL BUILDING PERMITS GROW

Building permits for November reminded P. M. Bolin, inspector, of the good old days of real construction. The month's total on three permits was \$2,600.

Dr. J. P. Avary is building a \$1,500 rock veneer home in West Snyder. Dr. H. E. Rosser received a permit for \$600 to make repairs on his home. Fred Wolcott completed residence improvements totaling \$500.

CLEANERS GET NEW PRICE LIST

Clean and pressing shop owners of Snyder adopted new price schedules for their work at a meeting Monday evening. Prices as adopted were those suggested by the NIRA code for the industry, which became effective over the country Tuesday morning.

The basic price as adopted was 95 cents for cleaning and pressing men's suits and ladies' plain dresses, with other work priced proportionately. This price is a 20-cent increase over prices that have existed in the local shops for several months. This basic price was that adopted at a district meeting held in Abilene Saturday, which was attended by three Snyder cleaners. Minor changes in working conditions were brought about by the code's adoption in the local shops.

Side Quit Hurting, Got Stronger, Well; CARDUI Helped Her

Mrs. R. L. West, of Huntville, Ala., writes: "I was weak and run-down. I had a pain in my side, and I kept losing weight. I grew nervous over my condition—this was unusual for me, for I am very cheerful when I am well and don't easily get nervous. I knew I ought to take something. My aunt told me I ought to try Cardui, which I did. It began to feel better. After I had taken three or four bottles my side quit hurting, and I was soon feeling strong and well. Cardui is sold at drug stores here."

Grand Jury Will Get Into Action Again This Week

The grand jury's second confab since district court opened almost three weeks ago will be held Friday. Judge A. S. Mauzey dismissed the court for Thanksgiving Day, after three days of trials. Old cases on the criminal docket will be called Friday and Saturday. Several civil cases are set for next week.

An instructed verdict for the plaintiff was returned Tuesday in the suit of the San Antonio Joint Stock Land Bank against R. L. McMullan. Notice of appeal has been filed. Trial of Elton Morrow on a burglary charge was in the hands of the jury Wednesday evening as The Times went to press. Denny Adams, convicted by a previous court on a burglary charge, will be tried again. The first decision of district court was reversed on appeal. The judge and George Mahon, district attorney, anticipate a brief session next week.

Two Insurance Men Go To Lubbock Meet

Hugh Boren and T. A. Boren of Snyder were among insurance men of the South Plains who gathered in Lubbock several days ago for a district meeting of the Texas Association of Insurance Agents. R. Q. Silverthorn, Plainview insurance man, was chosen as district director to succeed D. K. Bondurant of Lubbock. President John E. Boyce of the state organization, who resides at Amarillo, urged agents to cooperate with local officials in a campaign of education in holding fire prevention programs. Judge Clark M. Mullican of Lubbock was the principal speaker. He said that "insurance is property, just like any other property."
