ANNUAL CHAMBER OF COMMERCE AND WTCC ELECTIONS TUESDAY

Entire Membership of Organization Is Urged to Be Present for Business Session.

Snyder Chamber of Commerce members are expected to be out in practically full force Tuesday night at 8:00 o'clock for the annual election of officers, Secretary J. W. Scott said yesterday.

In connection with the local election, members will be asked to name Snyder's director for the West Texas Chamber of Commerce. W. J. Ely, who is closing his second year's work in this capacity, led his home town last year in being recognized as the leader in general activities among almost 200 member towns.

Tuesday night's meeting will be held in the district court room. Importance of a full attendance in order to properly choose officers for the new fiscal year is stressed by President Harrie Winston of the local chamber.

R. H. Odum is first vice president of the organization. Willard Jones is second vice president.

Small Son of City Alderman Is Taken By Death Saturday

Harold Noel Clark, six-year-old son of James A. Clark, city alderman, and Mrs. Clark, died Saturday at the home in North Snyder. He had been ill for four months with acute rheumatic typhoid.

Final rites were held at Odum Funeral Home Sunday afternoon, 2:00 o'clock, with Rev. Lawrence Hays, assisted by Rev. H. C. Gordon, officiating. Burial was in the Snyder cemetery.

Surviving are the parents; three sisters, Mrs. Charles A. Kemp, Melba and Evelyn Clark of Snyder; five brothers, Blanton E. Clark of Carthage, James A. Jr., Donald, Everett and Lindal Clark of Snyder; four grandparents, Mr. and Mrs. I. N. Clark of Fayetteville, Tennessee, and Mr. and Mrs. S. H. Jones. Dwight Monroe, G. H. Leath, W. J. Ely and J. E. Shipp, members of the City Council, were pallbearers. Misses Nadine Sumruld, Mary Nell Morton, Evelyn and Doris Worley were in charge of flowers.

Spanish Teacher to Get Summer Place

Miss Maurine Cunningham, head of the Spanish department of Snyder High School, was notified Tuesday of her selection as a member of the Spanish faculty at Mary-Hardin Baylor College, Belton, for the summer session.

The local teacher is a graduate of the school for women. Last summer she received her M. A. degree from the University of Mexico, Mexico City, where she majored in Spanish four summers.

Work Continues Rapidly

Work on John Irwin's new drug store, southwest corner of the square, is going forward rapidly. Painters, carpenters and other workers, under Mr. Irwin's directions, are converting the former grocery store location into a modern drug store. Early May has been set by the druggist for a formal opening.

FIFTEEN PALACE TICKETS GIVEN!

Fifteen free tickets to the Palace Theatre have been issued by The Times since Wednesday of last week.

They went to Mr. and Mrs. Virgil Nail, Mr. and Mrs. Billie Lee Jr., L. J. Smith (2), John Curran, Mrs. C. L. Banks, Felix Jarratt, H. A. Lattimore (2), C. A. Blair, Woody's Service Station, George Brown (2).

Each cash insertion of a classified ad, and each new or renewal subscription to The Times, means a free ticket to the Palace. You can get The Times until January 1, 1936, for \$1.00 or \$1.50 outside Scurry and adjoining counties. Get these tickets at Times office only. Next week's tickets good for "Vanessa, Her Love Story," Tuesday and Wednesday.

Four names of Scurry County people will be found in display ads in this issue. Each person who is named may secure a free ticket to see "Sweet Music," next Thursday and Friday, May 2-3. If you find your name, get the free ticket from the merchant in whose ad your name appears.

County Party Well Cared for in Iowa During Operations

A Sunday letter from Elmer Louder, who is in charge of a party of six that is in Marshalltown, Iowa, for four eye operations, indicated to Mr. and Mrs. Earl Louder that "We are surely treated fine in this city. The police chief is furnishing me a man to show me the city as soon as I can stay away from the hospital long enough."

The party includes Lanille and Ralph Robinson, children of the Pleasant Hill community, whose eye operations are being sponsored by the Snyder Lions Club; W. A. Louder of Hermleigh and C. L. Louder of Stanton, father and uncle of Elmer, who are also undergoing operations; and Mrs. G. C. Robinson, mother of the children.

Operations on the four persons are progressing nicely, Elmer wrote. "We feel sure that we will be able to take them home with two good eyes each. I feel that it is going to be a wonderful boost for the Snyder Lions when we bring these children home."

"I have just finished a letter to the schoolmates of the children. We had lots to tell them, as this morning the children's dresser was full of dolls, purses, rabbits and candy eggs. The little girl says she is not going to eat her eggs until she can see them. Her eyes are bandaged up. The Lions here installed a radio in their room and I am sure that they are going to be two pretty well spoiled children when this is all over."

Marshalltown is a city approximately the size of Abilene. The group will probably remain there until some time in May.

NRA Food Code Man Meets With Snyder Grocers

Thirteen local grocery men and meat market men met in the Chamber of Commerce office Wednesday morning with J. H. Brock of Lubbock, secretary of the district NRA food and grocery code authority.

After the local food dealers heard Mr. Brock explain the object of the district authority and its desire to cooperate with each town with its territory, a re-organization of the Snyder unit was effected.

A committee composed of Maurice Brownfield as chairman, N. M. Harpole and Melvin Blackard, was named to head the local group. This committee will lead the food dealers in adjusting wages, hours and other code provisions. An operating week of 60 hours was established for the grocery stores, and full cooperation with other stores was offered by market operators.

The meeting was attended by N. M. Harpole, Edgar Taylor, W. R. Bell, Melvin Blackard, Buel Fox, Henry Wilhelm, R. O. von Roeder, A. R. Crowder, Henry Shuler, Marcel Josephson, Dean C. Chan, Harold Brown and Maurice Brownfield.

Two Members Talk On Cotton Situation At Fluvanna CAA

The Fluvanna C. A. A. met in regular session at the school building Thursday evening, April 18. Two very interesting talks were given on the cotton situation by H. C. Flournoy and Edgar Smith.

The regular meeting night was changed to the first Thursday night before the first Saturday in each month. The next meeting will be May 2. Everyone is urged to be present. These meetings are of great interest to those who would like to understand the present economic situation.—Reporter.

Oklahoma Preacher Is Leading Revival

Evangelist J. E. Young of Guthrie, Oklahoma, is conducting the revival that has been going on for several days at the Assembly of God Church, 1615 Twenty-fifth Street.

The visitor will preach Friday, Saturday and Sunday nights in the coming of the Lord and signs of the time. Church leaders say: "We are having good crowds. Some have heard the Lord. If you are not listening to these old-time messages, you are missing a blessing. Good singing. Come early and get a seat."

Gridders to Work Out Today at 4:00

Coach "Red" Hill is printing his football lads for a stiff scrimmage this (Thursday) afternoon at 4:00 o'clock. Followers who would like to see how the boys look after two or three weeks of spring training are invited to come out and watch the mix-up at Tiger Field.

The 30 Bengals will be divided into two squads of fairly equal strength, and every one of the "cannon fodder" boys will probably get a chance to do their stuff. "Spring training will end this week, says the coach.

SHOWER TIME FOR TWO DAYS

It was shower time in Scurry County last week-end.

Light rainfall began Thursday in some areas. Snyder received a quarter inch early Friday morning, and 15 of an inch was added late that day, with heavy mist between times.

Spotted sections from one side of the county to the other received similar showers from early Thursday until early Saturday.

Even in communities where the fall was not enough to plant on, the dust storms that had continued for many days were downed, and no unpleasant soil filled the air until Wednesday, when a light sandie swept into the county. The blow increased its power early Wednesday night, aftermath of a heavy storm on the Plains.

Plenty for County Dads to Do Monday At Called Session

Meeting Monday in called session, the Commissioners' Court disposed of several pressing and routine matters.

Petition for a public road just west of Snyder was denied because the court declared the road was not necessary and was not on a section line. The petition was signed by 16 citizens.

J. G. Drinkard offered to accept \$500 for damages and the land that will be used for the new Highway No. 7 right-of-way. His offer was accepted.

The commissioners authorized the county treasurer to borrow for the general fund special the sum of \$500 from the jury fund; and the sum of \$500 for the general fund special from the permanent improvement fund.

Large Crowd Hears Easter Cantata Here

Numbers of music lovers of the town were present Sunday morning at the First Methodist Church for the sunrise Easter service held by the Knights Templar and the local Musical Coterie.

Rev. H. C. Gordon, Methodist pastor, gave the invocation, and the Knights Templar under the direction of Austin D. Erwin, local commander, gave their special Easter observance preceding the Easter cantata which is presented annually by the Musical Coterie. The cantata, "The Dawn," with words by Flora MacDonald and music by William Baines, was directed by Mrs. E. E. Spears. Mrs. R. S. Sullivan was accompanist.

The Willing Workers Class of the First Methodist Church, of which Mrs. W. W. Hamilton is teacher, was responsible for the decoration of the church for the service. Mrs. J. D. Scott was chairman of the class decoration committee.

INSPECTION OF GUARD FRIDAY

Captain John E. Santell of the local National Guard unit has been notified that annual inspection is scheduled for Friday afternoon and night.

A full corps of more than 60 men and three officers await the yearly visit. Captain Santell reports that the boys are on their toes in an effort to win some of the high honors received in years past. This will be the eleventh annual inspection since Captain Santell organized the unit in 1925.

First Lieutenant Tim O. Cook and Second Lieutenant Roy O. Irvin are second and third in command. Major John A. Herman, Fort Worth, senior instructor of the 142nd Infantry, is this year's inspector.

LOCALS ENTER 1935 DISTRICT BAND CONTEST

Ticket Sales Already Begun for "At the Sign of the Eel," Scheduled May 3.

Fred P. Rattan and his Tiger Band will enter the district band contest at Abilene Friday and Saturday with the well wishes of their home town. They will be among dozens of similar organizations from West Texas towns to take part in the annual event.

The local crew of about 30 musicians will leave Friday afternoon and return late Saturday. They will be entered in the Class D division, which includes bands in the one to two-year class. Transportation will be provided by parents and other school patrons.

Plenty of Practice. Intensive practices have marked the several-weeks period leading up to the district contest. The first public concert of the season was played by the band on the courthouse lawn Sunday afternoon, with dozens of cars filled with listeners occupying all available parking spaces.

The Tiger Band will also be entered in the West Texas High School Band contest at Lubbock early in May, when 25 bands are expected to compete for \$300 worth of prizes, loving cups and trophies offered through the Lubbock Chamber of Commerce.

Play Coming May 3. On Friday evening, May 3, the local band will sponsor a thrilling mystery drama, "At the Sign of the Eel," in the high school auditorium, along with a well-rounded program of band numbers. Ticket sales are already being pushed by band members and their fellow students in grade school and high school. Proceeds will help pay expenses of the band trip this week-end, and also for equipment.

New stage scenery has been made for the play, and an extensive advertising scheme is being carried out in posters and stickers. Band members promise that the play will be one of the best ever staged here.

Girls and Teachers Go to Annual State Home Eco Contests

Several girls and their teachers from Scurry County left Wednesday for Corpus Christi, where the students will compete in state contests Thursday, Friday and Saturday.

Pyron and other Class B schools are sending representatives, while Snyder, only Class A school in the county, is sending two girls under direction of Mrs. Sue M. Lee, head of the local home economics department.

Maureen Wolfe represents Snyder in the advanced contests, while Ruth Line will compete in the younger division.

Several girls who competed from this county last year received high places, and a reputation is expected this year.

The girls and teachers will return late Saturday or Sunday.

Snyder Lions' Luncheon Program at District Convention Well Received

The "model luncheon" program presented by local Lions at the District 2-T convention of Lions International in Plainview early this week was highly commended by district and International leaders, as well as a number of club members from the West Texas area, according to the seven local members who attended the annual gathering.

Snyder's program was one of two presented at noon Monday, second day of the three-day convention. It featured Mrs. Earl Louder, who played several Mexican songs on the piano accordion; Miss Maurine Cunningham, who gave a preview of what Lions might expect when they attend the International convention at Mexico City in July; Warren Dodson, who spoke of "Why a Lion," A. C. Preuit and Marcel Josephson, who conducted a novelty musical number.

Outstanding guests at the local program included Fred O. Grimes of Hillsboro, director of Lions International; Rafael de la Colina of San Antonio, district general from Old Mexico; Sam Braswell of Clarendon, past International director, and Mrs. Braswell; Jimmie Greene of Colorado, deputy district governor; J. C. Smyth, president of the local club, presided. The program was supplemented by several musical numbers, furnished by other clubs.

Mrs. Louder also played for the other model luncheon, conducted by Perryton club, and in the floor show program Monday evening. She was called on frequently to play in the lobby of the Hilton Hotel, convention headquarters, in behalf of Jimmie Greene, who was supported for district governor by the local club.

Other Locals Attend. Other local delegates, who assisted in the luncheon program, were E. H. Odum, Earl Louder and W. J. Ely. Mrs. E. M. Deakins and daughter, Margaret, were also convention guests.

More than 400 Lions from an area bounded by El Paso on the west, Mitchell County on the south, and including all the Texas Panhandle, attended the sessions, which featured an outstanding educational and entertainment program. At the closing sessions Tuesday afternoon, Marcel Josephson cast the Snyder club's votes for Jimmie Greene for district governor and Childress for the 1936 convention city. Ralph Randal of Panhandle was elected in preference to Mr. Greene in the final balloting, and Childress was named convention city over Big Spring.

CLEAN COOL CREAM DELIVERED OFTEN WILL MAKE HIGHER PRICES

Clean Cows and Barn help produce Clean Milk, which, if milked into a partly closed-top pail and strained quickly, will keep sweet a long time.

FEW CREAM PRODUCERS HEAR SPECIALIST DISCUSS QUALITY

State Department of Agriculture in Drive Against Production of Low Quality Cream.

Several produce men and a handful of cream producers were present at the courthouse Friday night when W. A. Tenney, a representative of the State Department of Agriculture, discussed methods of producing and marketing cream of a better quality.

Despite the disappointingly small group of producers, the visitor gave a full discussion of the problems confronting everyone who handles cream. He pointed out that produce buyers must buy cream strictly on the basis of quality in order to comply with pure-food requirements. Local produce men say they purchase an alarmingly large portion of No. 2 cream.

Using charts to emphasize his points, the speaker went into detail concerning how to sell better cream—from the milk pail to the buyer. The State Department of Agriculture, through speaking engagements such as that of Mr. Tenney, and through pictures such as that reproduced above, is making a determined drive for elimination of so much low grade cream in Texas.

Dentists Back From Convention at Waco

The two local dentists who attended sessions of the annual Texas State Dental Society at Waco through April 18 returned late last week from what they termed a highly profitable meeting.

Among outstanding speakers at the convention were: Dr. Arthur H. Merritt, New York City; Dr. Walter C. McBride, Detroit, Michigan. Attendance was exceedingly good. Dallas was selected as the 1936 meeting place.

Dr. Sed A. Harris of Snyder was especially recognized as a long time secretary of the West Texas Dental Society. A student casting clinic from the Baylor University College of Dentistry included W. N. Fuqua, brother of Dr. R. O. Fuqua, the other local attendant.

Seniors to Inspect Wonders of Cavern

The wonders of Carlsbad Cavern will be inspected this week-end by members of the Snyder High School graduating class and their chaperones. A party of about 35 students, with their class sponsor, Mrs. J. P. Nelson, and R. L. Williams, high school principal, will leave early Saturday morning.

Last year's graduating class made a similar trip to the New Mexico wonder cavern. The travelers plan to return on Sunday afternoon.

CCC BOYS OFF FROM COUNTY

Ten CCC boys and one alternate left Scurry County Tuesday morning for Sweetwater, where they were probably relayed to New Mexico camps, reports the relief administrator's office.

This was the first CCC detachment from the county since early January, when nine young men went into Uncle Sam's service.

The last group included: Troy Pinkerton, Route 3; Robert Roddy, Fluvanna; Charlie Leard, Route 1; James Martin, Snyder; Frank Pinkerton, Snyder; Jess King, Route 2; Onice Koldren, Ira, Clark County; Rex Lightfoot, Snyder; Jesse Cuthbertson, Ira, alternate.

LAND PURCHASE FOR U. S. TREE PROJECT TO START THIS SPRING

Scurry Designated as Southwestern Corner Of Soil-Water Conservation Strip 100 Miles Wide, 1000 Miles Long.

Scurry County will be included in the 1000-mile shelter belt of trees that is being planted by the federal government from the Canadian border to the South Plains of Texas.

This good news was brought to Snyder Friday by Edgar H. Kemp, shelter belt assistant to John D. Jones, state director, whose headquarters are in Wichita Falls.

Mr. Kemp conferred with civic and agricultural leaders here in regard to purchase within the next few weeks of farm land on which shelter belt strips will be planted.

Vast Sum for County.

W. R. Lacey, county agent, with whom the shelter belt assistant conferred at length, estimates that the new program will bring several hundred thousand dollars into the county. He bases his estimate on the recent federal appropriation of several million dollars that was set aside for the shelter belt program in 21 Texas counties.

The county agent says he is thoroughly convinced, after the conference with Mr. Kemp, that the tree planting program will be of untold value in years to come in solving the water conservation and land protection problems of West Texas. "We should count ourselves extremely fortunate that we have been included in the tremendous undertaking," he says.

Scurry on Southwest Corner.

Scurry County is on the southwest corner of the nation-splitting belt. This county, with Fisher and Jones, will compose the southern borderline of the giant program. From these three counties the belt will run in a northeasterly direction through portions of Oklahoma, Nebraska, Kansas, South Dakota and North Dakota—approximately 1,000 miles.

Mr. Kemp is working in the 13 southernmost counties of the Texas belt, as follows: Scurry, Fisher, Jones, Kent, Stonewall, King, Haskell, Baylor, Dickens, Knox, Cottle, Motley and Ford. E. L. Meyers, also a shelter belt assistant, covers these eight northern counties: Wall, Barger, Hardeman, Childress, Hill, Collingsworth, Wheeler, Hemphill and Lipscomb. Portions of counties adjoining this group may also be included in the belt, Mr. Kemp indicated.

Texas Belt Is Started.

Texas Shelter Belt work was begun in Wheeler and Childress Counties, and the program will be rapidly extended to the other counties of West Texas. A government nursery for shelter belt trees has been established at Chillicothe, in Hardeman County. It covers three-quarters of a section of land.

Mr. Kemp said that other nurseries will be established in this territory. At the invitation of local citizens, he inspected a site near Snyder that was recommended for such a project in this county.

Due to shortage of seedling trees for this shelter belt area, Mr. Kemp expects only a small part of the planting to be completed during the first planting season—next fall. The bulk of the planting will probably come during the second and third years, after young trees have been developed.

Plan Summer Fallowing.

Summer fallowing of the land that is to be purchased is planned by the government. This work will be done by the landowner or farmer of the place, if he wants to do it and be paid by Uncle Sam. The government will pay for the periodic working of the ground and for proper care of trees when they are planted.

Planting and fence building will be in charge of men employed by the U. S. Forest Service, under whose supervision the shelter belt is being put in. The work will be local, however, and all materials used in the work will be purchased in the county.

Mr. Kemp made it plain that no landowner will be forced to have a shelter belt strip on his place. The government, through the new money grant, will purchase outright or lease with the option of purchase. "If a landowner does not cooperate," the forestry man said, "he will be the loser—not his neighbors or his entire community."

About 100 Miles Wide.

The belt will be about 100 miles wide. Each strip of trees will be 10 rods or 166 feet wide, and will be planted crossways in the path of the prevailing damaging winds. Only good farming lands will be planted with trees. The strips will run approximately one mile apart in these cultivated areas, preferably through the center of each section. Ample room for passageways will be allowed on the ends and in the center of each strip.

SEEK NURSERY

Several local business and civic leaders are meeting in the Chamber of Commerce office this (Thursday) morning to promote plans for securing a nursery site here for growing of shelter belt trees.

Mr. Kemp indicated when he was here last week that a county in this end of the proposed shelter belt will be selected for a nursery site. "We want to prove to shelter belt leaders that Scurry County can offer the proper soil, plenty of water, and plenty of cooperation for such a nursery," the county agent said yesterday.

Two've rows of trees, about six feet apart in the rows, will be allowed in the restricted area. Kemp explained that the trees will be planted close together in order that they might grow to greater height, which means greater protection from vicious winds and dust storms, and therefore better conservation of moisture.

Proven Trees Planned.

"We have no visionary ideas of the trees that are adaptable to this section," Mr. Kemp pointed out. "Varieties proven over a period of years in this immediate area will be used. We are making every effort to secure data on tree growth in every county of the shelter belt." While here, Mr. Kemp investigated trees best adapted to the soil and weather conditions of this county.

Among trees suggested by the Forest Service for this area are: Green ash, American, Chinese elm, post oak, cottonwood, hackberry, chokeberry, plum, haw, buffalo berry, sumac, willows (moist sites), red cedar, ponderosa pine, linc, Arizona locust, black walnut, pecan, Honey-suckle, Chinese arbor vitae, black locust, plastic apricot, chinaberry, Osage orange, Austrian pine and Russian mulberry. All these varieties will not necessarily be planted, of course.

Water Problem Considered.

Mr. Kemp said that the water problem has been considered in making shelter belt plans. "It is surprising," he said, "what a small amount of water is required when the soil will greatly conserve and the water problem would be largely solved after the trees spread their root system."

Shelter belts planted and maintained by the farmers themselves have been sustained with remarkable results for as long as 40 years in North Dakota and other states, Kemp indicated, as he stressed the point that the government's idea is not experimental.

Wind velocity is retarded 10 times the height of the windbreak on the windward side, and 20 times on the other side. "It has been conclusively proven," he continued, "that this checking of winds and dust will greatly conserve the moisture of the protected area, and therefore increase crop yields."

The WOMAN'S Page

Roscoe Woman's Talk Is Program's Feature.

Mrs. Dale Morrison, Ph. D. of Roscoe, was principal speaker on the P. T. A. program here last Thursday evening. She spoke on "Adolescents" or "Cooperation Between Children and Parents." She was introduced by Mrs. Earl Louder, who has known her for several years.

In addition to the talk by the Roscoe woman, several numbers were given by the Tiger Band, under direction of Fred P. Rattan. Mr. Rattan also gave a two-cornet number.

Wynona Keller, daughter of Mr. and Mrs. John Keller, was presented in a clever tap dance number, and Mary Ellen Brown, daughter of Mr. and Mrs. George Brown, gave an acrobatic dance. Both are pupils of Mrs. Hilton Lambert.

Miss Frances Jones, high school blues singer, sang "Take Your Own Back and Go Back to Your Shack in Caroline" with Mrs. Louder accompanying, to conclude the program.

Joint Meeting of Societies Monday.

One of the gala days of the missionary society socials came Monday afternoon, when the adult missionary society and the Ruth Anderson auxiliary of the First Methodist Church were entertained in the parsonage by Mmes. H. C. Gordon, A. C. Preuit and B. L. Kent. The parsonage was beautifully decorated with Easter lilies and other harmonious spring flowers. The warm welcome extended at the joint meeting added unusual pleasure and enthusiasm.

Each society had its short business meeting, and then the two entered into the afternoon's program under the leadership of Mrs. I. W. Boren.

Mmes. Joe Strayhorn, W. W. Smith, A. C. Preuit, D. P. Yoder, Lex Wilmet, Homer Snyder, R. M. Stokes, Ivan Dodson, Wayne Boren, R. H. Curmiste and J. G. Hicks appeared on the program preceding the social hour.

Refreshments were passed to almost 50 women.

Matrix Circle in Friday Meeting.

The Matrix Circle of the Child Conservation League, which was organized recently, met at the home of Mrs. Alfred McGlaun Friday afternoon.

The hostess directed an interesting program on "Our Club and the Child Conservation League." "Practical Methods of Vitalizing Our Club Life" was discussed by Mrs. Buel Fox; Mrs. Jesse Jones read "Conservation"; and Mrs. Herman Doak talked on "What Can We Do Toward Meeting Our Community Needs?"

Members present were Mmes. J. E. Sentell, Lyman Wade, Herman Doak, I. H. Spikes, A. A. Bailey, J. D. Scott, Jesse Jones and Buel Fox and the hostesses.

Twentieth Century To Sponsor Lecture.

The General Federation of Women's Clubs has sent out a plea for federated clubs to sponsor a free lecture on "What the Public Should Know About Cancer."

Twentieth Century Club members of Snyder will sponsor that lecture Saturday evening, May 11, at 8:00 o'clock. The place for the lecture has not been definitely secured, and Mrs. P. C. Chenault, Twentieth Century president, asks that the public watch The Times next week for the place.

Etude le Plaisir At Northcutt's.

Miss Frances Northcutt was hostess to the Etude le Plaisir Club at the home of her mother, Mrs. Alice Northcutt, Tuesday evening. The program for the evening was on "Dutch, Finnish and German Art and Artists," and it was directed by Oetka Ware.

Miss Ware was assisted in giving the program by Grace Elizabeth Caskey, Irene Spears and Frances Northcutt.

iced punch, rolled sandwiches and salad were passed to the sponsor, Mrs. J. D. Scott, and to 16 club members.

Netha Lynn Rogers will be hostess to the club next Tuesday evening at 6:30 at the home of Mr. and Mrs. Ixon Joyce.

Dr. and Mrs. Hicks Entertain Thursday.

Dr. and Mrs. J. G. Hicks were host and hostess to the Thursday Night Bridge Club last week. Roses and tulips were used to decorate entertaining rooms.

Mrs. Robert H. Curmiste Jr. and Wayne Boren received high score prizes for members, and Miss Gertrude Herm took the guest prize.

At the close of a series of contract games, cherry pie a la mode and iced punch were passed to the following: Mmes. Pearl Shannon and H. G. Towle and Misses Hattie and Gertrude Herm, guests; and Messrs. and Mmes. Wayne Boren, Melvin Blackard, Herbert Bannister, Ivan Dodson, Robert H. Curmiste Jr., A. R. Norred and Forest Sears and Mrs. G. B. Clark Jr., club members.

Mrs. J. C. Smyth was hostess to the San Souci Club Tuesday evening. Mrs. Wayne Boren played high in bridge games.

Cut flowers were used to decorate the house, and lovely refreshments were served on tables covered with yellow luncheon cloths. Lighted yellow tapers centered the tables.

The following San Souci members were present: Mmes. Forest Sears, E. J. Anderson, Billy Boren, Wayne Boren, Albert Norred, Munger Y. Lewis, J. Ralph Hicks and R. C. L. Robertson, and Misses Edith Grantham and Neoma Strayhorn.

Mrs. O. P. Thrane received the high score prize, Mrs. Pearl Shannon received the prize for second high, and Mrs. Wayne Boren was presented with the guest prize at the close of the interesting games of contract.

A dainty salad plate was passed to Mmes. E. J. Anderson, Wayne Boren, Edith Smith and Ella Cooper of El Paso, guests, and to the following members: Mmes. Hugh Boren, Robert H. Curmiste, T. L. Lollar, Forest Sears, A. D. Erwin, W. B. Lee, Ernest Taylor, Joe Stinson, H. G. Towle, Pearl Shannon, O. P. Thrane and Vern McMullen.

Mrs. T. L. Lollar will be hostess to the club at its next meeting on May 7.

Misses Estelle Hancock of Rochester and Eva Nelle Arnold, Hardin-Simmons University students, were Easter holiday guests of Miss Arnold's parents, Mr. and Mrs. A. W. Arnold. Mrs. Arnold accompanied the girls back to Arkense Monday.

Special prices on graduation gifts at H. G. Towle Jewelry Co. 46-47c.

Miss Bonita McGahey, a student in Hardin-Simmons University, Abilene, was a week-end guest of Miss Charlyne Kincaid.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and do-less. My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me. . . . If Cardui does not help YOU, consult a physician."

Miss Jan Thompson Duce Club Hostess.

Miss Jan Thompson was charming hostess to the Duce Bridge Club at her home on Avenue T last Thursday evening. High score prize awarded at the close of bridge games went to Miss Alene Curry.

An Easter motif was emphasized at the party in table appointments, decorations and centerpieces with soft pastel shades—green and yellow predominating.

The hostess was assisted by her mother, Mrs. Ed J. Thompson, and Mrs. J. P. Holdridge and little son, Kenneth, in passing a lovely plate of cheese balls, chicken salad sandwiches made with green bread, olives, banana pudding in party shells and coffee to those present.

Miss Adelle Baugh was guest for the evening, and the following club members were present: Misses Mildred Stokes, Frances Chenault, Janice Erwin, Margaret Dealins, Bonnie Miller, Frances Boren, Mavis Webb, Vesta Green, Dorothy Darby, Gwen Gray, Johnnie Mathison, Lera Mae Scott, Mary Jane Beall and Alene Gurry.

The Bell Home Makers Club met with Mrs. Bryan Etheredge Wednesday, April 17. A check-up was made on leafy vegetables planted, tie laying, hot beds and asparagus beds, new clothes closets, reorganized clothes closets and shelves added, foundation patterns made, garments made from foundation patterns and variations made from foundation patterns. Ten members were present. Mmes. Hill and Farmer gave interesting talks. A petition was signed favoring the farm tenant bill. Definite plans were made for putting on a play, the proceeds to go to financing a delegate to the A. & M. Short Course. Our next meeting will be with Mrs. J. A. Farmer.—Mrs. Will Caffey, reporter.

The newly organized girls' study club, which will be known as the "Crescent Club" ("The Torch"), met at the home of Miss Alene Curry Tuesday evening. Mrs. Max Brownfield, president of the Altrurian Daughters Club, who was recently chosen as sponsor of the junior club, was present for the meeting.

A welcome to the new sponsor was given by Miss Ruth Yoder, club president, and Mrs. Brownfield responded. Miss Frances Chenault was director for the evening's program.

"Trails," a poem by Roberta Meyers of El Paso, was read by Miss Frances Boren; the director gave an English drill; and Mrs. Brownfield gave a short drill on parliamentary law from Roberts' "Rules of Order."

A plate of chicken salad sandwiches, iced tea and candy was passed, with rosebuds and sprigs of red honeysuckle as plate favors, to the following: Mrs. Brownfield, Jan Thompson, Lera Mae Scott, Mary Jane Beall, Adelle Baugh, Frances Boren, Ruth Yoder, Frances Chenault and Almerene Heard.

The next club meeting will be with Miss Ruth Yoder Tuesday evening, May 7, at 8:00 o'clock.

See our new patterns of non-fading washable wall paper, just received.—D. C. Gibson-Lambert.

The Intermediate Girls' Auxiliary of the First Baptist Church met in the church Tuesday afternoon, with Mrs. Fred P. Rattan, sponsor, and several members attending. The following program was given: "The Bible Reveals His Plan" by Bernice Starnes, "What Will Mission Study Bring" by Allice Ruth Jenkins. Refreshments were served after the program.

The Crowder Home Demonstration Club met at the home of Mrs. Whit Farmer Thursday, April 18. Seven members were present. Mrs. Andrew of the Union Club visited with us and lent a helping hand to our pattern making. A get-together social gathering will be held Thursday, April 25, at the Crowder school house, for club members and their families. Post cards will have been sent out the early part of this week to all members not present at the last meeting. The next meeting will be May 2, at the home of Mrs. Fenton.—Mrs. R. L. Johnson, reporter.

Games of anagrams were enjoyed during the afternoon, and a plate of sandwiches, olives and hot tea was passed at tea time. Party favors for the honoree, her mother and Mrs. Billie Lee Sr. were lovely corsages, and for each other guest a single perfect rosebud. The hostesses also wore corsages.

The Serv Christi Sunday School class of the First Baptist Church met last Thursday evening in the home of Miss Gertrude Ross, daughter of Mr. and Mrs. C. E. Ross.

Following the business session, delicious refreshments were served to the following: Mrs. Edgar Taylor, teacher, and Ernestine Morton, Ruth Lane, Johnnie Lee Greene, Rosemary Camp, Loraine Todd, Allice Ruth Jenkins, Hazel Wills, Paye Niedecken, Marva Nell Curtis, Ray Newman, Adelle Watkins and Raynell Lightfoot.

The senior A class of the local high school met in regular session Wednesday morning. The house was called to order by President Aubrey Wisse, and after the roll call, the minutes of the last meeting were read and approved.

A list of those class members who will make the Carlsbad trip with the class was made, and the list reached 35 names. Bernard Longbotham, class song writer, presented a song to the class, and it was selected as the official class song.

On the program following the business meeting Wednesday Mary Margaret Towle, Otho Gillmore and Roberta Ely made talks.—Reporter.

Mrs. Billie Lee Jr. Honored at Shower.

A lovely bridal shower honoring Mrs. Billie Lee Jr. who was before her recent marriage Miss Saxton West, was given by Mmes. W. R. Bell and Ethel Eiland at the home of the former Friday afternoon.

Members of the honoree's Sunday School class—the Mary Martha Class of the First Baptist Church, of which her mother, Mrs. B. M. West, is teacher—were invited in from 4:30 until 6:00 o'clock.

Carrying out the Easter idea, the house was beautifully decorated with white lilies and softly lighted with tall white tapers. The array of beautiful wedding gifts were presented in a ribbed basket following a toast to the bride, given by Mrs. Ethel Eiland.

Games of anagrams were enjoyed during the afternoon, and a plate of sandwiches, olives and hot tea was passed at tea time. Party favors for the honoree, her mother and Mrs. Billie Lee Sr. were lovely corsages, and for each other guest a single perfect rosebud. The hostesses also wore corsages.

Formal Banquet Is Staged at Hotel By National Honor Society Saturday

The formal banquet given Saturday evening, April 20, at the Manhattan Hotel by active members of the National Honor Society of the local high school honoring graduate members of the society was the feature of the year's activity for the group. Graduate members have been thus complimented each year since the organization of the chapter in May, 1932.

Miss Estine Dorward, president, was toastmistress for the evening, and attendants say that she made an unusually good one. Miss Mattie Ross Cunningham, sponsor, and Principal R. L. Williams were special guests.

A huge bowl of cut flowers—roses, larkspur and snapdragons—was placed in the center of the long table, and tall white tapers in sparkling crystal candelabra burned at either side of it. Smaller bouquets of roses and carnations in cut glass bowls and lighted white tapers were placed alternately the entire length of the table.

Candies served in cut glass bowls were after-dinner sweets. Place cards and favors were combined in booklets of red, white and blue, bearing the National Honor Society's emblem in gold.

President Is Toastmistress. Following the three-course meal, Miss Dorward gave words of welcome to graduate members, the sponsor and a few guests, and each responded with words of appreciation to the hosts of the evening for the lovely evening.

E2M Sisterhood To Make Spread.

It was decided at the meeting last Wednesday morning of the E2M Sisterhood that the group will make a spread for the bed in the girls' room of the high school. Miss Hazel Gordon, president, was in the chair for the business meeting, and Miss Effie Elizabeth McLeod, the sponsor, was in attendance.

Each girl making a portion of the spread may put her name on an embroidery, and some extra blocks will be made for Sisterhood officers and accomplishments of the club.

Hazel Gordon gave the main talk on the day's Easter program on the subject, "The Meaning of Easter." The sponsor added a few thoughts to the program, and the group adjourned, to meet May 1.

Tech students home for the Easter holidays included Misses Vera Periman, Hazel Pollard and Mary McCarty, Billie Mitchell and Delmus Perry.

Special prices on graduation gifts at H. G. Towle Jewelry Co. 46-47c.

The main address was given by Rev. Lawrence Hays, pastor of the First Baptist Church here, on "Building of Character." Thoughts presented by him were inspiring, attendants say.

Miss La Vera Cox Wins Corpus Trip.

Miss La Vera Cox, daughter of Mr. and Mrs. O. S. Cox of Comanche, recently won a contest in sewing in the Comanche High School home economics department, in which the prize is a trip to Corpus Christi for a convention of home economics girls, with her expenses paid. She will leave soon.

Miss Cox is a niece of Mrs. Nathan Rosenberg, with whom she stayed while she attended the high school here during the first semester this year. She won popularity with the high school set during the four and one-half months school term and was elected one of the three yell leaders during the football season.

Loans for Rural Rehabilitation in Area Being Made

Fifty-two loans for rural rehabilitation in Scurry County had been approved at noon Wednesday, according to J. Monroe, relief administrator. The average of these loans, for capital goods, was \$135.

Capital goods include such items as horses, mules, cows, farm implements and harness. Other goods that may be purchased through the loans include groceries and clothing. No direct money loans are made.

Mr. Monroe points out that these loans are made only after a farmer has exhausted every other known legitimate means of getting the necessities of life or farming equipment. They are secured from the government at 5 1/2 per cent interest, and are in no sense of the word outright donations, the administrator said.

At noon Wednesday there had been 111 applications for the loans approved in this office, and a total of 74, including the 52 already approved at Austin, had been sent to the state office.

RURAL SCOUT MEET FRIDAY

Rural Boy Scout leaders and others interested in the Scurry County program are invited to meet in the district court room Friday night at 8:00 o'clock for a conference concerning the program in this county.

A. C. Williamson of Sweetwater, Boy Scout executive of the Buffalo Trail Area, will be a guest speaker. Frank Farmer, who is in charge of rural scouting in the Snyder district, and W. R. Lacey, district commissioner, are anxious that a good crowd of interested leaders and parents from all parts of the county be on hand.

Cecil Worley, an instructor in the engineering department of Texas Technological College, Lubbock, was a guest of his parents, Mr. and Mrs. T. S. Worley, during the week-end.

Record Attendance At S. S. Features Final Revival Day

Sunday, final day of the eight-day revival at the First Christian Church, was featured by a record-breaking Sunday school attendance, reports G. E. McPherson, pastor, who preached during the series of services.

Seventeen additions to the church, building up of a fine church spirit, and creation of new interest in the church services are other results reported by the pastor and church leaders. Church members ask The Times to thank those who attended from other churches during the week of services.

Visitations every afternoon were a successful feature of the meetings, and excellent results were reaped, the pastor says.

A special choir presented "He Is Risen," under direction of Mrs. Hugh Boren, as a feature of the Sunday morning Easter service. The sermon was on the resurrection.

County Board Plans Meeting Next Month

The new county school board will meet on the afternoon of May 7, first Tuesday in the month, according to Superintendent Frank Farmer. Members of any school boards who wish to bring classification problems before the county board will be heard at that time.

M. B. Hamilton, L. A. Haynes, A. C. Preull, W. B. Lemons and S. L. Johnston compose the new board.

Joe Struts His Stuff.

Joe McClinton, former student in the Snyder junior high school, was high point man Saturday in the eighth grade division of a seven-team invitation track and field meet sponsored by Lubbock High School. His points were garnered by placing first in the 100-yard low hurdles, first in 8-pound shot put, second in 100 yard dash and 300-cus, and as a member of the third place relay team. He is pushing during spring training for a place on the Westerner football team.

THE WEEKLY DOZEN

Acquaintance to Friendship.

"An acquaintance becomes a friend," writes William Feather, "as soon as you discover that he has a sense of humor." Which makes us wonder how a lot of sour-dough philosophers around town ever had a friend in the world.

Reminding You of a Pledge.

Have you read the Texas Centennial pledge recently? Read it now, then, and make your blood boil with the enthusiasm of the approaching event. "I will think—talk—write . . . Texas Centennial in 1936! This is to be my celebration. In its achievement I may give free play to my patriotic love for Texas' historic past; my confidence in its glories that are to be."

Don't Blame the Rattlesnakes.

Human beings have a way of talking much about something that doesn't amount to much. Rattlesnakes, for example. The reptiles, who strike only when they are in danger, don't often inflict a fatal bite. Yet we talk much more of their deadly poison than we do of the poison that is dishied out by bootleggers and called liquor. If the rattlesnake gives warning and the bootlegger doesn't, which is the worst of the two?

You can thank cooperative farm organizations of various sorts and call them for the fact that the farmer of today is far better informed on financial, social, economic and other national and international problems than was the farmer of pre-war days. If most town and city dwellers would check their knowledge of general national and international affairs against the knowledge of the average farmer, they would find that they are several laps behind.

"I believe," declares Congressman George Mahon, "that the two greatest natural resources of West Texas are its soil and its water supply." Therein, the legislator believes, lies the foundation on which West Texas could build a more stable prosperity. So George is asking Secretary of Interior Ickes for an appropriation for making a survey of the underground water resources of the plains region. This is one time that all West Texas will say, "Let George do it!"

"Regardless of Party Ties."

"Everything that we can do with intent to increase the security of the individual will, I am confident, be a stimulus to recovery," President Roosevelt said recently. Which reminds us of this clipping from the Wichita Beacon, an independent Republican paper: "With all due respect to Mr. Hoover, the people will not turn to the political element that was in power when came the crash. Roosevelt still is the people's choice. He still is backed by a vast majority of American citizens, regardless of party ties."

Nothing Short of the Best.

Snyder should send nothing short of her best representation to the West Texas Chamber of Commerce convention at Plainview next month. She already has the best director in the entire set-up—W. J. Ely, as everybody knows. We will no doubt plunge right now into the business of sending the best home town speaker, the best speaker, the best poster, the best report, and the best delegation. Be it remembered, as a basis of inspiration, that Snyder led all others in the excellence of her WTCC work in general last season.

Plainview—Convention City.

Snyder has sent representatives within the past few weeks to three conventions at Plainview. First it was the P-T-A; then, federated clubs; early this week, Lions. Next month it will be West Texas Chamber of Commerce; later in the year, Methodists. Besides these conventions, there will be five or six at Plainview this year that will probably not be attended by any locals. Plainview deserves great gobs of credit for inviting and graciously entertaining so many conventions in a land that is bleeding for want of water.

The Man With the Hoe.

If you are a Snyder man with a hoe, you are at least two weeks behind schedule. For it is gardening time in Snyder, and the spring fever take the hindmost! If you don't garden English peas and radishes, you should garden sweet peas and roses. You won't expect too much, of course. Just about enough to pay your water bill (maybe), and just enough vegetables and beauty to repay you for the work you spend. And, most interesting of all, just enough exercise and soil-joy to keep you out of the doldrums! Bring on your hoed!

When Spring Is in the Air.

This is the time of year when that seasonal disease, spring fever, runs its course, an exchange observes. One of its more common manifestations is an urge to clean up one's property, in order to get rid of winter's accumulation of rubbish, both indoors and out. These clean-up campaigns also contribute toward fattening the property owner's pocketbook, inasmuch as they eliminate many ordinary and unnecessary fire hazards. Snyder will do well to remember this, as she tries to repeat her fine fire record of 1934.

The Play—and Playing—Goes On!

Snyder folks will have an opportunity next week to show exactly how much they appreciate their band. Some of us need to get the untruth out of our minds to the effect that the band is just a school organiza-

The Shelter Belt Is Coming.

The shelter belt idea swooped down on Scurry County last week almost without warning. Not even civic and farm leaders knew that this territory was being seriously considered for shelter belt planting. Now that the idea is developing into a full-grown project that will provide hundreds of thousands of dollars in cash, plus the far more important ultimate benefit of soil and water conservation, most folks in the county are as jubilant as a bunch of kids.

Just what is this shelter belt plan? How will it be carried out? Who will be benefitted? Is it just a hair-brained experiment of the U. S. Forest Service? Some of these questions are answered in the front-page news article in this issue. Paul H. Roberts, acting director of the 1000-mile tree belt, answers the others in a recent issue of the Forestry News Digest: "The function of the shelter belt project is to establish tree shelter belts on the cultivatable lands of the relatively treeless Middle West in such a way as to reduce the destructive effects of wind; thus conserving moisture, stabilizing the productivity of the land, developing game and recreational resources, and making the countryside a better place in which to live. . . ."

"The project occupies a key position with relation to tree planting in the plains region. Such planting has been done during a period of 50 years or more, but on a very small scale. It has depended almost entirely upon the initiative of individuals or small groups, though recently with limited state and federal assistance. Nevertheless, there is significance in the fact that tree planting has increased steadily and consistently during those years. . . ."

"The proposal to create shelter belts in the prairie-plains region has claimed public attention in a way that no forest undertaking has claimed such attention within recent years. Why does the shelter belt project strike the imagination of people, not only in the states directly concerned, but throughout the whole United States? "First, because it is the most magnificent attempt ever made through tree planting to promote the agricultural economy of a vast region, to improve the living conditions of its residents, and, in general, to advance its rural culture. "Second, because it presents a direct challenge to the science of forestry and to the sciences allied with it. . . ."

EDITORIAL OF THE WEEK

WHY BOYS GO WRONG.

Bud Russell, the man who is said to have hauled 100,000 convicted felons from Texas county seats to the state penitentiary in his "Big Bertha" cage car as the chief transfer officer for the state pen system, was recently interviewed upon the question of why so many young men are becoming criminals, and made this frank statement: "Boys who are brought up to hate authority, to see and hear tales where the outlaw is made the hero, who are encouraged at home to ridicule and shun the sacred things, these are the boys who furnish our army of criminals." "Uncle Bud," as he is familiarly known, has handled many hardened criminals, among them Clyde Barrow and Raymond Hamilton. He said he told Barrow several years ago that what he needed as a boy criminal was an old-fashioned razor strap applied plenty by the strong arm of the right kind of a daddy. In his later troubles with the law, Barrow is said to have often said, "Uncle Bud's advice about the razor strap was exactly right."—Exchange.

JUST A TAXPAYER.

The suggestion was made recently that the ordinary citizen, who is neither on the relief roll nor on the government payroll, ought to have a badge designating the honor or, as it might prove, the appropriation, of being an ordinary citizen and taxpayer. The estimate is made that the number of those who are either on government payrolls or on government relief rolls is in excess of thirty million persons. This means about one out of every four or five people in the country, are tax-supported in one manner or another.—Floyd County Hesperian.

tion. It is THE Snyder band. It deserves the support of hundreds of citizens who benefit from it in one way or another. "At the Sign of the Eel" is a good play. It has capable direction. It has an accomplished cast. It is backed by one of the best bands Snyder has ever boasted. The best wishes of thoughtful Snyder folks go out to the band when it enters district competition at Abilene Friday and Saturday. And hundreds of tickets to the play that comes next week should go out to the same folks.

Too Much Practical Education?

The old, old question of whether our schools need more or less practical courses is being discussed with new fervor, now that the curriculum movement is gaining headway in Texas. Happily, Scurry County school leaders and teachers are taking a lead in the reform movement. We anticipate a decided change in curricula within the next few years, but don't be surprised if the practical courses fail to gain as much, as a few outsiders would like. After all, high school education was not created just to make a money-maker out of a young man or a young woman.

The Times Creed:

For the cause that needs assistance;
For the wrongs that need resistance;
For the future in the distance,
And the good that we can do.

The program follows: 8:00 p. m.—Song and prayer service, Marvin Gary. 8:15 p. m.—Devotional, Rev. D. L. Nipp. 8:25 p. m.—Enlisting Our Church Members in Sunday School Attendance, Marvin Hanson. 8:35 p. m.—Enlisting for B. T. U., Francis Johnston. 8:45 p. m.—Enlisting Our Women, Mrs. Tom Echols. 8:55 p. m.—Enlisting Our Manpower, R. R. Cumble. 9:05 p. m.—The Results, Rev. Lawrence Hays.

We are glad to announce that as you see we are to have with us Bro. Hays, pastor of the first Baptist Church of Snyder, who will bring us a soul-stirring message. Come one, come all, and let's have a good time together.—R. R. Cumble, pastor.

Former Resident Dies.

Word has just come to The Times that J. S. Pogue, former resident of Snyder, died on the evening of April 10 at the home of his daughter, Mrs. Maryland Lawwell, Tulsa, Oklahoma. Two other daughters and one son survive. Services and burial were on Tulsa April 11. Mr. Pogue once owned a blacksmith shop in Snyder.

Brown Gets Life; Wife Admits She Smuggled Pistol

A sentence of two years in the penitentiary was assessed by a jury at Dickens Wednesday for Mrs. Brown. She asked for a suspended sentence.

An associated Press dispatch from Lubbock said Monday of Clarence Brown, former resident of Snyder: Clarence Brown, former running mate of Virgil Stalcup, Texas-Oklahoma desperado now in Texas' death row, was sentenced to life imprisonment by Judge Clark M. Mullican in 99th district court this afternoon.

Brown had pleaded guilty of murder in the jail-escape slaying at October 27 at Dickens of Sheriff W. B. Arthur.

By agreement, prosecution and defense recommended life imprisonment, and a jury that deliberated five minutes concurred.

Wife Pleads Guilty.

The Abilene Morning News published the following report of Mrs. Brown's trial at Dickens Tuesday: Testimony that Mrs. Clarence Brown was returning from Fort Worth in an automobile with Sheriff S. H. Newman of Scurry County and two other men when her husband escaped here October 27 was given today in Mrs. Brown's trial for smuggling a weapon into the local jail.

Mrs. Brown, whose husband had pleaded guilty of murder of Sheriff W. B. Arthur in a trial at Lubbock Monday and accepted life sentence, today pleaded guilty of furnishing a gun to a person charged with a felony. She asked for a suspended sentence.

Sheriff Newman, a defense witness, said he had not heard "very much" about Mrs. Brown. Cross-examination by District Attorney Alton B. Chapman revealed that Mrs. Brown, the sheriff, Lee Grant, who then was a Scurry County commissioner, and Grant's son, Tuck, went to a county judges' and commissioners' convention in Fort Worth in October in Newman's car. On re-direct examination by H. A. C. Brummett, defense attorney, Newman said Mrs. Brown had asked to go and that he frequently had accommodated persons when he made trips. The sheriff is married.

Mrs. Brown Testifies.

Mrs. Brown, on cross-examination, testified the sheriff asked her to go to Fort Worth. She testified the party registered at the same hotel and she said she "understood" that "an oil company registered the whole party." The four returned the day Brown and Virgil Stalcup escaped at Dickens, it was said. Stalcup has been convicted of murder of Sheriff Arthur and assessed the death penalty.

The defendant said she purchased a revolver, and carried it into the jail here October 14.

Arguments will be conducted before District Judge A. J. Foley and a 110th district court jury Wednesday morning. Testimony was completed today.

Fluvanna Seniors to Present Final Play

"The Girl in the Fur Coat," a three-act comedy-drama, will be presented April 26 by the senior class of Fluvanna High School in the auditorium of that school.

The characters are: Nitty Nan Narecort, a beautiful young actress; Gertrude Brown; Mrs. Lee, Bob's mother; Pauline Deere; Hettie Lee, young girl of sixteen; Mozelle Brown; Maggie, young mountain girl; Jessie McKnight; Mrs. Roger Devake, Margarette Tucker; Silas Lee, Bob's father, Murvel Lemons; Bob Lee, the hero, Merton Noel; Roger Devake, rich crook; Burl Bewley; Pete Denny, the comedian; E. L. Bell; and Judge Maynard, who owns half of Brunson, John Buchanan.

Armory Sought for Snyder by Citizens

Led by Chamber of Commerce officials, several local citizens have requested Congressman George Mahon to seek appropriation for building a new National Guard armory here. The money would come from the gigantic public works fund recently passed by Congress.

Answers to telegrams sent to Washington indicate that the congressman will seek to include the armory in this district's appropriation.

Senior Play Makes Bull's Eye Friday

"The Smiling Cow" made a perfect bull's eye Friday night as far as a \$54 crowd was concerned. Many of these who presented a comfortably filled house to the graduating class said the three-act comedy may easily be classed among the best senior productions ever seen here.

Mmes. J. P. Nelson and R. C. L. Robertson were directors. Estine Dorward, William Miller, Roberta Ely, Leslie Kelley, LaFrances Hamilton, Edna Mae Dunnam, Royal Connell, Bernard Longbotham, William Born, Maxine Huckabee, Otha Gilmore and Frances Northcutt composed the well-applauded cast.

Principals' Group To Meet in Austin During State Meet

First annual meeting of the State High School Principals and Supervisors Association in connection with the state meet of the Interscholastic League will be held Friday evening, May 3, at 6:00 o'clock, in the Stephen F. Austin Hotel, Austin, according to R. L. Williams of Snyder, secretary of the association.

The meeting will be presided over by Enos Gary of San Antonio, president of the association, who succeeded Mr. Williams to the place last year.

Herman Ochs, president of the Wolff & Marx Company, San Antonio, will address the meeting on the layman's attitude toward public school education in Texas. The session will adjourn in time for all participants to get to the Interscholastic League contests beginning at 8:00 o'clock.

Principals and supervisors who plan to attend have been notified through the state press to make reservations through the local high school principal.

Last of Curriculum Meets for Teachers

About 40 teachers of the county gathered at the local school building Tuesday night for their final curriculum meeting of the year.

Elmer L. Taylor, superintendent of Ira schools, presided over a program that included these speakers: E. H. McCarter Jr., Fluvanna; Miss Mattie Ross Cunningham, Snyder; Cleo Tarter, Dunn; Frank Farmer, county superintendent.

Better Housing Prizes.

Information has just been announced to Frank Farmer concerning a nation-wide Better Housing essay writing contest for students. Prizes ranging from \$1,000 to \$100 will be awarded to boys and girls. Further information may be obtained from the county superintendent. County contests must be completed not later than May 3.

Methodists Hear Fine Reports at District Meeting

D. P. Yoder of Snyder, lay leader of the Sweetwater District of the Northwest Texas Methodist Conference, declared when he returned from the annual district meeting at Sweetwater Wednesday afternoon that conference finances are in the best condition he has ever seen them. Financing of the conference program is one of the major objectives of the layman's group this year.

At the Tuesday morning business session, committee reports were heard, and the district re-elected its old lay leaders, as follows: Mr. Yoder, leader; J. P. Bodine, Burford, and L. P. Lawlis, McCaulley, associates. The lay leader and J. L. Carrell of Union are among delegates named to the annual conference, which will be held at Plainview in November.

Attendance reached a high peak, when more than 200 delegates gathered at the Highland Heights Church. Rev. C. L. Long, presiding elder, opened the two-day meeting, which ended in mid-afternoon on Wednesday. Luncheon was served both days by women of the church. Dean G. C. Boswell of McMurry College, Abilene, was the principal speaker. His subject was "The Layman's Responsibility to the Church." The delegation from Snyder included Rev. and Mrs. H. C. Gordon, Mr. and Mrs. R. H. Odum, E. A. Black, I. H. Walton and Clarence Walton.

Otis D. Carter, Once With Times, Visits

Otis Carter, who was formerly associated with The Scurry County Times, was a business visitor in Snyder Wednesday. He was accompanied by Mrs. Carter and their three-year-old son, Conrad.

Mr. Carter recently sold the County-Wide News, a Littlefield newspaper that he founded in 1934, to J. A. Price, who is now in active charge of the Plains publication. "Tell my many Snyder friends that I'd like to see every one of them," Otis said, "but I'm in a big hurry and can't do it this time."

Penalty and Fines Exacted From Car Owners Who Delay

Car owners who waited until after April 1 to purchase their 1935 license plates have, in several instances, been forced to pay a 20 per cent penalty and a healthy fine, the county tax assessor-collector reports.

The assessor-collector collects the penalty from those who do not give an affidavit that the car or truck has not been operated on a public road since April 1. Enforcement is left up to local officers.

Registration of cars and trucks has been heavier than expected since the deadline date. Cars have totaled 137; trucks, 32. A large number of these have been new vehicles.

Total registrations this year may exceed any year since 1929, an examination of records in Bernard Longbotham's office reveals.

Short Course Will Be Held in Summer

"Changing Country Life" will be the theme for the twenty-sixth annual Farmers' Short Course to be held at A. & M. College July 28-August 2, according to Roy W. Snyder, chairman of the central committee. It is probable that several Scurry County farmers and farm leaders will attend the course.

Phases of the housing problems facing the rural family; soil conservation with particular reference to emergency erosion work; and agricultural adjustment will furnish features of the program. Demonstrations in doing will be stressed rather than talks and lectures at this event, the largest rural gathering in Texas each year.

Junior B Class Meets.

The Junior B class of Snyder High School met April 24 in regular session. The house was called to order and the secretary read minutes of the last meeting. Bud Merritt and Buck Chandler were heard on the program. The class is having a party at the home of Edward Hollingsworth Friday night, April 26. Admission will be 10 cents for everyone. The next meeting will be May 1.

FOREIGN WARS VETS TO MEET

Veterans of all United States foreign wars, along with other citizens interested in the welfare of this group, will meet in the district court room next Tuesday night at 8:00 o'clock to discuss organization here of a post of the Veterans of Foreign Wars.

The meeting was arranged with local American Legion leaders on Tuesday of this week by J. H. Owens of Abilene, commander of the organization in District 7, comprising about 15 West Texas counties. He was accompanied by C. E. Garrison, senior vice commander of the Abilene post.

Mr. Owen said the organization is being rapidly enlarged on a nation-wide scale. He pointed out that veterans who took part in any of Uncle Sam's several foreign campaigns are eligible for membership. The Abilene man will be in charge of the meeting here next week.

Keep a Good Laxative always in your home

Among the necessities of home life is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. "We have used Theodor's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."

Methodist Stewards Plan Feed Tonight

Stewards of the First Methodist Church and their wives, along with Pastor H. C. Gordon and Mrs. Gordon, will attend the annual stewards' "feed" in the basement of the church building tonight (Thursday).

The yearly affair will be in charge of the following stewards and wives: Messrs. and Mmes. W. W. Smith, A. C. Pruitt, W. P. King, I. H. Walton and J. P. Nelson.

Followers of the continued story, "Robbers' Roost," that has been running in The Times will find more of the story next week.

Motorist: "I had the right-of-way, didn't I?"
Man: "Yes, but the other fellow had the truck."

Jerry: "Goodness, Joe, this is not our baby. This is the wrong carriage."
Joe: "Shut up! This is a better carriage."

Writers Urged to Mail News Sooner

Times correspondents have been very faithful in recent weeks, and the publishers certainly appreciate it. But a few of them have been sending in news so late each week that it has been impossible to use it in the paper.
 In order to be fair to every writer, and to use every item of news possible, The Times is beginning a new system of setting up correspondents' letters each week. Hereafter, letters will be used as they are received. Except in very rare cases, all news that reaches the office by Tuesday night will be used; all news received after that time may not be used.
 Another important suggestion: Please do not include community visits in your news. Except in rare cases, such as old people who seldom leave their homes, visit inside the county are news to only the parties about whom the item is written.
 Thank you, correspondents, for your fine work. We are sure you will be glad to help us along the lines of the two suggestions just mentioned.

The Universal Car
ONE name comes quickly to mind when you think of "The Universal Car." The description is distinctively Ford. No other car is used by so many millions of men and women in every part of the world. Everywhere it is the symbol of faithful service. . . That has always been a Ford fundamental. Something new is constantly being added in the way of extra value. Each year the Ford has widened its appeal by increasing its usefulness to motorists. . . Today's Ford V-8 is more than ever "The Universal Car" because it encircles the needs of more people than any other Ford ever built. It reaches out and up into new fields because it has everything you need in a modern automobile. . . The Ford V-8 combines fine-car performance, comfort, safety and beauty with low first cost and low cost of operation and up-keep. There is no other car like it.

Another Murphy Well to Be Sunk Late This Month

A second well on the J. E. Murphy place near Ira is due to be spudded in this afternoon or Friday, it was announced here yesterday. The rig and all other equipment has already been moved on the ground, and drillers think they should get into action before the week has passed.

The No. 1 J. E. Murphy well, brought in more than four years ago, is now pumping about 15 barrels daily. The new well will probably be sunk to the No. 1 pay depth, between 2,300 and 2,400 feet, and possibly deeper. It is located one-fourth mile west of the first test.

The well is known as the E. L. Goos and associates No. 2 Murphy. Mr. Goos and associates are of Danbury, Connecticut. The official location is 330 feet from the north and 1,650 from the east line of section 174, block 97, H. & T. C. Railway survey.

Drilling on the McLaughlin-Allen well on the W. C. Allen ranch, northwest of Snyder, went beyond 1,800 feet this week.

It is reported by local oil enthusiasts that another test may be sunk in the near future on the J. Wright Moor ranch, adjoining the McLaughlin-Allen well.

Brother of County Man Dies at Acorn

Prof. T. D. Mullins, retired teacher, writer and musician, died at his home at Acorn, Polk County, Saturday, April 14, after a prolonged illness from dropsy. He was a brother of H. A. Mullins, farmer of the Canyon community. Funeral services were held the following day, and burial was at Owens Chapel cemetery.

The teacher gave his life to the cause of education, having spent about 25 years as instructor in various schools in Texas and Oklahoma. He leaves a wife, three adopted children, three sisters and four brothers.

Next Convention Of Singers Goes To Pleasant Hill

County singers who gathered at Union Saturday night for annual business session of Scurry County Singing Convention named the Pleasant Hill community as host to the next singing, third Sunday in October.

Grady Hamrick was re-elected as president, and Walter Holmes was again named as vice president.

Officers of the convention estimate that at least 1,000 persons attended the Union sessions Saturday night and Sunday. Only a few hundred of them could enter the Union Baptist Church. Many stood around the walls, and others mingled about the church grounds.

Out-of-county singers, many of them, took the spotlight throughout the convention, especially Sunday afternoon, when the entire period was given over to visitors. Several West Texas counties sent prominent singers to the convention.

"It was one of the greatest county conventions we have ever held," officers said at the close of the Sunday afternoon singing.
