INITIAL PLANS FOR ROLL CALL MADE TUESDAY

Herman Darby Selected Chairman Of Red Cross Membership Drive in County.

With the annual Red Cross Roll Call less than three weeks away, initial plans were completed Tuesday for a county-wide membership campaign.

Selection of Herman Darby, assistant to County Tax Assessor-Collector Bernard Lenebham, as Roll Call chairman, featured the day of planning that was pushed by Paul Partridge, representative of the American National Red Cross.

Darby succeeds Maurice Brownfield, under whose leadership the county enrolled more than 400 members last year despite drouthy conditions.

Quota Is 500 Members.

This year's Roll Call quota is 500 members. The new Roll Call chairman expressed the belief, shortly after acceptance of the post, that this figure will be reached and passed by Scurry County.

Plans are being worked out and workers are being chosen for a county-wide membership drive within one or two days of the Roll Call's opening date—November 11. The goal will be active workers in every community of the county.

Darby said yesterday that the organization will be closely knit in order that every adult in the county, as near as possible, will be given an opportunity to join the Red Cross.

New Program Outlined.

Partridge, who works out of the midwestern branch office at St. Louis, outlined at a Tuesday morning meeting of the county executive group a new plan of safety and first aid that is being sponsored by the national organization.

First aid stations are being established on major highways in order to give emergency treatment in case of accidents. The visitor cited figures to show that car accident deaths during the past 15 years far overbalance fatalities sustained in all United States was combined.

Another phase of the new program is education looking toward prevention of home and farm accidents, and teaching of first aid methods for treating such accidents.

Wedgeworth Chairman.

C. Wedgeworth, superintendent of city schools, was named as chairman of a county committee that will foster the new Red Cross first aid program.

Officers of the county Red Cross chapter include: J. S. Bradbury, general chairman; Marcel Josephson, vice chairman; J. D. Mitchell, treasurer; Mrs. Max Brownfield, secretary.

Major Roll Call sub-chairman will be announced next week, according to the Roll Call chairman.

General Chairman Bradbury called attention at Tuesday morning's meeting to the fact that a continuous program of helpfulness has been carried on during the past year by the county chapter, several hundred dollars having been spent on destitute persons.

Fred A. Yoder Has Radio Electric Shop

Fred A. Yoder, who has been associated for some time with W. L. (Bill) Roche in operation of the Radio Electric Shop, announced yesterday that he is now sole proprietor of the business a half block off the square on 26th Street.

Associated with him is E. I. McKinney, formerly of Abilene, who has seen several years of experience as a radio and electrical man.

Radio and electric repair work, and sale of radios and electrical and heating equipment, are being featured by the shop.

Attend Dallas Funeral.

Mr. and Mrs. G. A. Hagan were in Dallas last week to attend the funeral of Mr. Hagan's brother, J. A. Hagan, who died suddenly early in the week. The Dallas man was living at the home of his son, Lester Hagan, and wife at the time of his death.

If You Get Extra Paper This Week, Kindly Pass It On

A number of extra copies of The Times are being mailed and delivered this week. Naturally, there will be a few of these extras that go into the hands of subscribers.

If you are already a subscriber, and get one of these extras, won't you please pass it on to a neighbor or a friend?

And, if you know of anyone who wishes to receive an extra copy, the publishers will appreciate your referring them to the Times office, where a copy will be given without charge.

Educational Plan For PCA Talked At Recent Meet

Plans for the annual stockholders meeting of the Sweetwater Production Credit Association in January and a tentative educational program for prospective members were discussed at a meeting of the board of directors of the association held in Sweetwater recently.

Dr. Virgil P. Lee, vice president, and Mr. Fritzen, field representative of the Production Credit Corporation of Houston, were in attendance and addressed the meeting. Production Credit Associations, of which there are 38 in Texas, have advanced more than \$8,000,000 to Texas farmers and stockmen and are preparing for the rush of next season's business.

One of the important actions at this meeting was the appointment of membership committees in the several counties composing the territory of the association. These committees will function to develop greater interest in the association among members and assist in forming non-member farmers and ranchmen about Production Credit services. The committee members also expect to stimulate interest in the annual stockholders' meeting in January, when officers and directors of the association will be elected.

Committeemen in this territory include the following: H. P. Billingsley, Dunn; I. W. Boren, Snyder; Mrs. C. E. Donaldson, Snyder; Sidney Johnson, Snyder; Arthur P. Smith, Snyder; O. P. Thrane, Snyder.

Cisco Woman Here For Major Surgery In General Hospital

Among patients who have entered Snyder General Hospital in recent days are Mrs. T. F. Bookman of Cisco, who underwent surgery. She is one of several patients who practically filled the hospital rooms this morning.

M. C. Harless of Farmersville, surgery patient at the hospital last week, has been removed to the home of his brother, C. W. Harless, Mrs. J. A. Marschall with Jim Gilmore, and J. A. Jr., first baby to be born in the new hospital, left for their home yesterday.

Medical patients who have entered the hospital since last week are J. A. Wilson of Snyder and Mrs. J. H. Rogers of Hermleigh. Surgical patients are Melba Ann Odum and Mrs. W. W. Davis of Snyder, Mrs. Ira P. Smith of Fluvanna and J. E. Ross of Dunn.

Roche and Gilmore Open New Business

W. L. (Bill) Roche, who has been associated for a number of months in ownership of the Radio Electric Shop, announces this week the formation of a partnership with Jim Gilmore, and opening of a new business two doors south of the Palace Theatre.

The new concern, which will be known as Roche & Gilmore, will specialize in radio work, electric motor rewinding and repairing, and other types of electrical repair.

A complete line of radios, batteries, tubes, electrical appliances and equipment will be handled.

Home Room Programs.

Special home room programs were rendered at Snyder High School Wednesday morning, with "Why School Regulations and Discipline?" as the general subject. Those on the programs were highly complimented by Superintendent C. Wedgeworth, who made a brief talk over the radio system, on "The Art of Understanding." The school chief stressed the student's need of willingly accepting the school's necessary plan of discipline.

NEW BUS WILL OPERATE SOON

Snyder public schools will operate a second new bus into adjoining communities, beginning probably next Monday, it was announced early this week by Superintendent C. Wedgeworth.

Bus No. 1 carries an overflow load of more than 50 students daily. It runs west and southwest of Snyder into Bethel, Turner and Crowder districts. The new route will include the western part of this territory and an area due north of Snyder, in the Martin district.

After a survey Tuesday, the superintendent announced that the new route will go north five miles from the Santa Fe passenger station. It will backtrack one mile, then go due east to the Martin school. It will turn south to the Bethel school, then east, crossing Highway No. 83 and the railroad tracks and continuing into Snyder.

At least 60 students will be brought into Snyder by the two buses, the superintendent estimated yesterday.

Members and Sponsor of New High School Press Club

Here are members of the Press Club of Snyder High School. Front row, left to right, they are: Elizabeth McCarty, Dottie Mae Caton, Wolsey Barrett, Lyle Alexander. Second row: Royal Connell, Charles Harless, Lewis Wilsford. Third row: Nell Carlton.

Juanita Sentell, Dorothy Terry, Louise Bowers, Marie Oliver, Dorothy Winston, Frances Jarrett, Fourth row: Mary Helen Bolin, Dollie Clements, Mary Davis, Pauline Rogers, Frances Head, Gloria Spradley, Louise LeMond, Sadie Tell Jenkins, Faynell Spears, Miss

Effie McLeod, sponsor. Back row: Imogene Birdwell, Leslie Cole, Rosanna Reynolds, Evelyn Polard, Virginia Egerton, Tommie Winters, Otha Lee Clark, Elizabeth Gordon. Elizabeth Gordon is editor-in-chief and Sadie Tell Jenkins is business manager.

Wet Spell and First Norther Bring Shivers, Halt Picking

INITIAL HOME TITLE MIX-UP COMES FRIDAY

Lorraine Bringing Green Team That Has Proven Unexpectedly Strong in Conference.

Snyder's first at-home conference game of the season will match Lorraine's battling boys and the local squad on Tiger Field Friday afternoon at 3:30 o'clock.

Fans, Coach Red Hill and the players themselves are staging a healthy moral rally since the win from Post Antelope last Friday with their first conference scalp.

But Lorraine's football team is not to be sneezed at, by any means. The small Mitchell County town, putting its first conference team on the field, made the other members take more than a second look when they tied Roby Lions, last year's champions, in an early game. They lost to Colorado, 13 to 7, and then wilted before the strong Roscoe club's attack.

The Tigers are not forgetting that Colorado has won from them in a practice mix-up, 6 to 0—exactly the margin of points by which Colorado whipped Lorraine.

Lorraine will probably bring its snappy band and its newly formed pep squad, along with dozens of fans who are proud of their first football team.

All of Coach Hill's first stringers will be ready for action with the exception of Johnny Boren, whose game leg will probably keep him out for the season. Weldon Strayhorn has proven an able quarterback substitute despite his inexperience, and he is improving every quarter.

The pep squad, sponsored by Miss Ruth Irby, and the Tiger Band, directed by Fred P. Rattan, will be out in force for the encounter. And local fans are planning to flock to the support of the squad in what they believe will be the first conference win.

Walker and Miller Open New Grocery

A new grocery store and meat market was opened two doors north of Snyder National Bank Thursday of last week by J. V. Walker, former Abilene grocer, and Charley Miller, Borden County rancher. The merchants announce that they will offer a full stock of groceries and meats for buyers of this trade territory.

Vacuum Still Used By Graham & Martin

Continuing their shop improvement, Joe Graham and Jack Martin this week are operating a modern vacuum still on which installation was begun early this month. The equipment at the cleaning plant keeps the naphtha cleared of soaps, fatty acids and odors, according to the owners. It is the same method used by the larger shops throughout the country.

Light Rain Continues Early Thursday.

Scurry County citizens were shivering today in the grip of the season's first norther, which swept in Tuesday night on the heels of a cold drizzling rain.

The temperature dropped 40 degrees in 24 hours from the warm 78 where it stood at noon Tuesday. At noon Wednesday it had dropped to 38, and at times the rain changed to sleet.

Heaters were dragged from basements, dusted off, and lighted. Overcoats were unearthed from closets and put in use, while gloves again became general wearing apparel. Drizzles that continued through Wednesday night brought the two-day total of precipitation in Snyder to .70 of an inch, according to Mrs. Wesley Evans, official recorder. Light rain continues as The Times goes to press.

October had been unusually warm, nearly five degrees above normal. Some days were 10 degrees hotter than is usual for the month. Low temperatures, but not quite freezing, continued through Wednesday night and into Thursday morning. Thirty-six degrees was the lowest reading Wednesday night. Overhanging, dripping skies threaten to envelop the county at least another day or two.

Picking Stops.

Cotton picking halted abruptly when the norther and wet spell struck late Tuesday.

The fear of a heavy frost was cancelled by the dampness, but most cotton is nevertheless receiving a setback that will shorten the crop unless frost is postponed until late November.

Snyder gins had turned out 2,029 bales when the check was made this morning. The turnout of other county gins will probably bring the season's total to about 3,500 bales. The influx of cotton pickers into the county halted suddenly yesterday, and many wreck "whoopies" were left in the county with shivering loads of whites and Mexicans.

NEGRO SHOT IN DANCE FRACAS

Sam (Catfish) Johnson, 32-year-old colored resident of Snyder, shot through the right arm and body during a dance in the colored settlement late Saturday night, is recovering rapidly, according to the attending physician.

Anderson Davis, 40, colored, was killed shortly after the shooting. He surrendered to County Attorney R. W. Webb while officers were searching for him. He waived examining trial in county court Tuesday, and was released under \$500 bond. He was charged with assault with attempt at murder. The case will be presented to district court, which convenes November 25.

"Catfish" was rushed to the Snyder General Hospital after the shooting. A small caliber steel bullet was taken from his left side, not far below his heart.

Colored witnesses told officers that both men left the dance floor after an argument in which blows were struck, and that the shooting occurred when Davis returned with a pistol.

COUNTY READY TO BALLOT ON HOG QUESTION

Substantial Majority Must Vote "Yes" If Control Plan Is to Continue in Operation.

Scurry County farmers, nearly 150 in number, will join fellow workers over the nation Saturday in deciding by ballot the fate of the government's hog-corn adjustment program for 1935.

Unless a big majority of the votes are for continuing the program through the next year, Secretary of Agriculture Wallace has said, the program will be thrown out.

The voting will get under way at 8:00 a. m. at the courthouse and will continue until 9:00 p. m. Corn-hog contract signers can vote, in addition to farmers who have raised hogs for sale.

There are very few corn raisers in the county.

Those who favor voting "yes" on the ballot say a considerable increase in hog production is desirable for both farmers and meat buyers, as the drouth cut hog production too much.

But an unlimited increase, they say, will work harm to both farmers and consumers, bringing lower hog prices and smaller incomes for hog raisers, in turn losing a big market for industrial products.

The ballot reads: "Do you favor a corn-hog adjustment program to follow the 1935 program which expires November 30, 1935?"

AAA officials contend that the program should get most of the credit for the 37 per cent increase from 1933 to 1934 in cash-farm income from hogs, and the fact that the 1934 hog income was nearly 60 per cent more than the income of 1932.

New 1936 Chevrolet Will Be on Display Before November 2

A shipment of new 1936 Chevrolet cars is en route to Yoder Chevrolet Company here according to notification received from the Chevrolet Motor Company. Yoders are informed that their full quota of cars for the local announcement would be in their hands before November 2 the introduction date.

"Production has been under way for many weeks according to word from the factory," said Mr. Yoder. "This means that we shall not only have a full line to show on November 2, but that we will be able to make immediate deliveries."

"Our service personnel has been undergoing factory-directed training in the servicing of the new product, as part of a country-wide program instituted by Chevrolet. When the new cars come out, the service organization throughout the United States, including our own personnel, will be more thoroughly schooled in every detail of maintenance work on our new cars than ever before in Chevrolet history."

Mr. and Mrs. Joe Nipper of Turkey were week-end guests of Mr. and Mrs. I. W. Boren.

Cotton Rental Checks Cheer County Growers

Snyder Band to Make Plans for District Contest

Immediately after his return from a called meeting of the West Texas Band Directors Association at Sweetwater Sunday, Director Fred P. Rattan of the Tiger Band announced that plans were underway for entering the local musicians in the annual district contest.

The contest will be staged the last Friday and Saturday in April at Sweetwater. The Tiger Band will be entered this year in the Class B division, composed of schools having 250 to 750 in high school and a band of more than a year's experience. Last year, in the district contest at Lubbock, the local one-year band placed high among several entrants in its division.

"Safari" by Holmes was selected at Sweetwater as the required contest number for Class B entries. Two optional numbers will also be presented by each band. A resolution was adopted that will give 10 points in the contest for balanced instrumentation.

The local director is highly pleased with the progress of his band work this year. A total of 56 students are taking band work, and 39 of this number have advanced far enough to be actual members of the organization.

The Tiger Band has made a hit not only at home but on the three football trips it has made—to Slaton, Colorado and Rotan.

First Touchdown Of Season Gives Bengals Victory

The Tigers' scoreless season ended Friday night at Post. They pounded at the Antelope goal line for almost two hours in a non-conference nightcap, and finally opened a hole through which Bo Moffett plunged for the first touchdown that the team of 1935 has pushed across.

That six-point margin won the ball game. Post threatened only once, early in the game, when her huskies barely nosed inside the 20-yard marker. After that it was an all-Snyder affair, except when the Garza County boys completed two futile passes in the second half.

The game was remarkable for three reasons. First, it was the initial Tiger win of the year. Second, Snyder made only six points despite the fact that she scored 16 first downs to Post's 4. Third, the local starting eleven was also the finishing eleven—and not a substitution was made by Coach Red Hill from whistle to whistle.

The Tigers played a whale of a defensive game, but their offense followed out the all-season record of failing to elick when it needed to elick most—except when that lone touchdown was scored. In that last half they drove near the pay stripe five times. Once they were held inside the one-yard line. Once they fumbled. Twice they were penalized 15 yards. And once they tallied.

The starting and finishing lineup for the home boys:

Bohby Mitchell	Left End
Otha Lee Clark	Left Tackle
Marshall Gibson	Left Guard
Chandler Watkins	Center
Finis Webb	Right Guard
J. P. Tate	Right Tackle
Weiden Strayhorn	Quarterback
J. C. Morgan	Left Halfback
Tommy Winters	Right Halfback
Bo Moffett	Fullback

Highway Wide Open Toward Sweetwater

Finishing touches have been given the stretch of Highway No. 7 from the east side of the Snyder business district to Hermleigh.

The work was completed last week and thrown open to traffic Friday. Motorists now have a smooth, modern road from Sweetwater, through Snyder, Post, Slaton, Lubbock and Littlefield—with the exception of the short stretch of old pavement just northwest of Snyder.

Another Champ Turnip.

The mammoth turnips with tops that were brought to the Times office last week by George Garner were overshadowed this week by a huge turnip grown without irrigation by W. A. Reynolds on the J. R. Vinson farm, six and one-half miles southeast of Snyder. The big fellow is on display at the Times office.

Brownfields Boast 10-Pound Boy Boss Born Saturday Eve

Baby Bobby Max, take a bow! Husky, tipping the scales at 10 pounds, black-haired and blue-eyed, Mr. and Mrs. Max Brownfield's heir appeared on the scene Saturday night at 8:00 o'clock in Emergency Hospital.

The cake pans and the candles are due for quadruple duty in this family from now on. Robert Max, as Snyder's newest citizen is officially named, is the fourth of the clan to claim a birthday in one five-day period in October.

His father was born on an October 19, his mother on October 21, and his uncle, Grover Scott, on October 20.

He is the first grandchild of Mr. and Mrs. J. W. Scott, and one of several grandchildren of the Frank Brownfields. The Times staff extends him a special welcome, as his mother, the former Miss Eloise Scott, was until two years ago the Times society editor.

Ginning Tax Cut As Price of Tags Goes Downward

Arrival of 1,527 first and second rental checks totaling \$46,000 was the signal for general rejoicing among cotton contract signers of Scurry County late last week.

Most of the new money represented the initial batch of second rental checks received in the county. The balance represented first rentals on contracts that were delayed for one reason or another.

The county agent states that three-fifths of the second rentals are now in, and that several first rentals are yet outstanding.

A total of 1,317 checks was received Friday, and 210 arrived on the Monday mail.

The bulk of the checks had been issued to farmers by Tuesday, the county agent's office reports.

Ginning Tax Cut.

The farm administration Tuesday announced a reduction in the Bankhead ginning tax from 6 cents to 5.45 cents a pound.

Cotton produced in excess of allotments under the Bankhead Act are subject to a ginning tax equal to 50 per cent of the average market price for the staple. The Washington administration determined that the average price for spot cotton for a "representative period" had been 10.90 cents.

Tags Reduced.

With the reduction in the Bankhead tax effective Tuesday, the AAA reduced the price of tax exemption certificates, sold either through the certificate pool or between producers, from 5 to 4 cents. The local office received official notification yesterday.

The special surplus tax exemption certificate pool, opened several months ago to dispose of certificates from last year, has been loaded, and the AAA said the regular 1935 pool will be opened soon.

Lions Invited to Attend Minstrel Of S'water Club

A three-way committee appeared before the Lions Club Tuesday noon to invite members to attend a negro minstrel staged by the Sweetwater Lions Club, at Sweetwater, on the night of Tuesday, November 5.

County Judge Charles W. Lewis of Nolan County, head of the visiting group, told the local club that the minstrel would be staged on the night of the fifth especially for visitors, and on the following night for Sweetwater people. Funds derived from the show will be used for blind work.

The judge was accompanied by Carl Anderson, city attorney, and A. T. Nemir, attorney, who spoke briefly. Frank Farmer, Earl Brown and J. C. Smyth were named as a local ticket committee.

Paul Partridge, representing the American National Red Cross, was principal speaker of the day. He told of the organization's new drive to eliminate deaths from car, farm and home accidents, and also called on the club to assist in the forthcoming Red Cross Roll Call.

Casey Fraser of Dallas and Guy B. Cason of Camp Springs were other guests of the day.

Little Mary Sue Sentell presented a well applauded reading.

Jack Martin and Willard Jones were named as program committeemen for November.

Stinson's One-Cent Sale Is Scheduled

The semi-annual one-cent sale will be put on for four days beginning Wednesday, October 30, at Stinson's Rexall drug stores on the north and west sides of the square.

It works like this: Buy a dime box of pills, or a quarter's worth of cold cream, and you get another box or jar for one cent more. The merchandise is fresh, the packages are full size, and the earlier you go the less likely you are to be trampled underfoot in the rush.

Opens Barbecue Stand.

Jeff Davis, colored chef who has been cooking at the Tavern for some time, announces that he will open a real pit barbecue stand directly behind the Manhattan Hotel. His wife will be in charge while Jeff is handling his cooking duties at the southeast corner of the square. The veteran chef says he will make the kind of barbecue that will make your mouth water for more.

LOCALS GO TO LAMESA MEET

Five Scurry County corn-hog officials, and County Agent W. R. Lacey were in Lamesa Tuesday for a district meeting presided over by E. C. Martin, new district agent of the A. & M. Extension Service.

The county association group included M. L. Anderson, president; A. Johnston, secretary; Eb Clarkson and H. W. Bates, members of the county allotment committee, and Cecil Hall, community committeeman.

State Missions Will Be Theme Sunday At Baptist Meeting

A state mission program, with "State Missions" as the theme, will be given at the Dunn Baptist Church Sunday, according to the pastor, Rev. R. R. Cumble. He outlines the program as follows:

Ten o'clock Sunday morning. Sunday school classes assemble for reports; 10:15, general assembly and song service; 10:25, "The Sunday School and State Missions," Rev. I. D. Hull, Snyder; 11:00, special music; "The Challenge of the Brotherhood to State Missions," H. L. Wren, Snyder; 12:00 noon, dinner on the ground.

Afternoon session—1:30, "The Relation of the W. M. U. to State Missions," Mrs. C. B. Reeder, Lorraine; 2:00, "The Cooperative Program and State Missions," Rev. P. D. O'Brien, Colorado; 2:30, "The Church and State Missions," Rev. Lawrence Hays, Snyder.

Ira Folks Planning Halloween Carnival

A spooky Halloween night carnival, with ghosts and goblins frolicking to fill the school money box, is being planned by the Ira community Parent-Teacher Association. Booths will be put up, and patrons can have their fortunes told, buy articles at an auction sale, and see exhibits and stunts.

SECOND STRING LICKS VISITORS

The second string Tigers entertained Coahoma's little band of first stringers Saturday afternoon by a 15 to 0 count. If the locals had made more of their hefty yardage count, the score would have been several degrees higher.

This "cannon fodder" eleven lined up thusly, with starting players listed first in each case: T. J. Kite, left end; Jackie Scarborough, Clyde Boren, left tackle; Virgil Jones, left guard; Leon Autry, center; Dick Fowler, right guard; Pickas Bell, right tackle; Balunn Grant, Carl Harrove, right end; J. R. Watkins, Wallace Smith, quarterback; D. J. Hall, left halfback; Ardah Head, right halfback; Jay Rogers, fullback.

Fred Wolcott Jr., who is attending John Tarleton Agricultural College, Stephenville, spent the week-end with his parents, Mr. and Mrs. F. W. Wolcott, and his sister, Miss Irene Wolcott, in Snyder.

O. D. Dial Called to Breckenridge Church; Is Given Farewell Party

Mmes. J. O. Stinson, J. S. Lewis and C. L. Banks were hostesses on Monday evening with a delightful party honoring Bro. O. D. Dial and family, who have led the Church of Christ for the past three years.

Bro. Dial was called to the church at Breckenridge late last week, and he left Tuesday with his wife and small son and daughter for that city.

The party in their honor was held in the home of Mr. and Mrs. C. L. Banks, and a program of readings, songs and talks was heard by almost 50 guests. Later the party took the form of a gift shower.

Miss Laura Banks, daughter of one of the hostesses, gave the toast to the Dial, and a vocal duet, "Somewhere, Somebody's Needing You," was given by Miss Grace Elizabeth Caskey and John Rutland. Another vocal duet was offered by Geraldine Chapman and Georgia Forkner, "The Old Spinning Wheel." "Dionne, the Dentist," a reading, was given by Miss Banks.

Gay McGlaun, long-time member of the church here, and a special friend of the Dial family, presented the farewell talk. He expressed the appreciation of the entire church for the faithful service rendered by Bro. and Mrs. Dial. At the close of the farewell talk, as Geraldine Chapman and Georgia Forkner sang "Roll Along Covered Wagon," a wagon filled with lovely farewell gifts was placed before the honorees.

Punch and cake were served by the hostesses to those attending the party.

Junior Coterie Has Meeting Thursday.

The Junior Coterie, junior music organization, met at the home of the group sponsor, Mrs. E. E. Spears, last Thursday evening. Two of Mrs. Spears' piano pupils, who are members of the club, gave numbers on the program. They were Frances Sears and Dorothy Pinkerton.

Paynell Spears, Louise LeMond and Irene Spears were the other club members present, as delicious date loaf and punch were served by the hostesses.

Guests were Misses May McClin-ton, Mavis Jenkins, Ernestine Morton, Ruth Line, Mary Curmutte, Marjorie Reynolds, Vera Gay Arnold and Charlyne Kincaid.

Baptist W. M. S. In Monthly Social.

The Baptist W. M. S. met in the home of Mrs. W. M. Scott Monday afternoon for its monthly social meeting. The theme for the program was "Youth Uplifting the Banner," and Misses Geraldine Shuler and Mabel Watkins, members of the Y. W. A., were special guests.

Mrs. B. M. West directed an interesting program, with Mmes. J. M. Newton and R. D. English taking parts. A special vocal duet, "Have I Grieved the Holy Spirit," was sung by Mmes. Fred P. Rattan and J. M. Seiser, with Mrs. H. L. Wren accompanying.

The guests, Geraldine Shuler and Mabel Watkins, complimented the group with a rendition of "Living for Jesus," vocal duet. Mrs. Lawrence Hays was their accompanist. Pie with whipped cream and coffee were served to the 25 members and guests present.

Mary Jo Hulsey Has Birthday Party.

Mary Jo Hulsey, daughter of Mr. and Mrs. H. F. Hulsey, celebrated her ninth birthday Friday with a party at her home.

Games were played and refreshments were served to the following guests: Daphne Pay Scarborough, Bobbie Nunn, Charlene Headstream, Miriam Gordon, Mary Nell Noble, Ola Margaret Leath, Mary Belle Weathersbee, Eloise Gill, Dorothy Jean Wilson, Mary Ellen Williams, Janelda Martin, Louise and Katherine Henley, Mary Jo Burk, Wau-nita and Louise Estmon, Ina Fay

Mr. and Mrs. Hal D. Yoder and sons, Terry and Tommy Joe, spent the week-end in Fort Collins, Colorado, returning home Tuesday.

"Career Woman" Studied by Club.

"Career Woman," a short story by Margaret E. Sangster, was the subject for study at the Tuesday evening meeting of the Cresset Junior Club at the home of Miss Frances Boren.

Mary Jane Beall was director for the program. "Publication of the Short Story" was Allene Curry's subject for a short discussion preceding the study of "Career Woman." In a study of the life of Margaret E. Sangster as presented by Frances Chenault, club members learned that she not only was a writer of short stories, but she also wrote novels and poetry. The leader reviewed the story.

A plate of open-face sandwiches, potato chips, ripe olives, chocolate covered Brazil nuts and hot cocoa was passed to the following: Grace Holcomb, a guest, and Almarene Heard, Frances Chenault, Mrs. Willard Lewis, Mary Jane Beall, Jan Thompson and Allene Curry, club members.

Next meeting will be at the home of Mrs. Willard Lewis, with Frances Boren as leader. The meeting will be Tuesday, November 12.

Popular County Couple Marries.

Marriage of Miss Irene M. Boyd and O. B. (Jolly) Irion, both of the Turner community, took place at the home of Rev. H. C. Gordon, pastor of the First Methodist Church, in Snyder Saturday afternoon. Rev. Gordon read the service.

Mrs. Irion, an attractive brunette, is the daughter of Mr. and Mrs. F. A. Boyd, prominent residents of the Turner community. She is well known in the county, having lived here for a number of years.

Jolly is especially well known to the business people at Snyder, having worked in town at intervals during the past several years, most recently at the Bynum Produce Company. He received his education in Scurry County schools and from Draughan's Business College, Abilene.

Mr. and Mrs. Irion are at home to their many friends in the Turner community.

Young Women Are Adult Special Guests.

Members of the newly organized Young Women's Circle were special guests at the meeting of the Adult Auxiliary of the First Methodist Church at the home of Mrs. J. C. Dorward Monday afternoon. Mrs. A. D. Johnson assisted Mrs. Dorward with hostess duties.

A short business meeting was in charge of Mrs. A. M. Curry, adult president, and an interesting program followed a beautiful devotional, "The Ways of the New Order," by Mrs. A. C. Preuitt.

Mrs. W. W. Hamilton, sponsor of the Young Women's Circle, directed a playlet, "The Workers' Conference," on city evangelist work in Korea. Those taking part were: Mmes. Herman Doak, P. W. Cloud, Fred A. Yoder, Melvin Blackard, W. W. Smith and J. C. Dorward.

The following members of the Young Women's Circle were present: Mmes. P. W. Cloud, J. D. Scott, Melvin Blackard, R. T. Devault, Herman Doak and Fred A. Yoder. Adults present included Mmes. I. W. Boren, A. M. Curry, R. H. Curmutte, H. P. Brown, A. C. Preuitt, D. P. Strayhorn, W. W. Smith, Joe Strayhorn, Lee T. Stinson, S. H. Newman, Joe Stinson, H. V. Williams and J. E. Hardy.

Apricot pie topped with whipped cream was served at the close of the interesting program.

Mrs. Cloud Wins Prize at Bridge.

Mrs. P. W. Cloud received the high score prize at the close of contract bridge games Tuesday evening at the home of Mrs. Herman Darby, who was hostess to the San Souel Club.

A Hallowe'en note was emphasized in appointments and decorations, and refreshments served.

Mrs. J. P. Strayhorn was a guest for the evening, and the following members were present: Misses Hattie and Gertrude Hern, Mattie Ross Cunningham, Ruth Truss, Neoma Strayhorn, Yetta Mae Slaton and Edith Grantham; Mmes. H. W. Hartman, Wayne Boren, James Ralph Hicks, Forest Sears, Billy Boren and Munger Y. Lewis.

Mrs. L. R. Bailey Honored Tuesday.

Mrs. P. C. Chenault entertained Tuesday evening at her home, honoring Mrs. L. R. Bailey on her birthday. Games of forty-two were enjoyed during the evening.

Shades of red were given emphasis in house decorations with red geranium blooms and other fall flowers. A dainty refreshment plate was passed late in the evening, and a daintily wrapped gift was placed on the honoree's plate.

Those present were: Mr. and Mrs. Bailey, Mr. and Mrs. W. R. Lace, Mr. and Mrs. M. E. Savage, Rev. and Mrs. Alfred M. Dorsett, Mrs. J. L. Robinson, Mrs. Tom Boren, Mrs. M. L. Maxey of Dallas and the hostess.

"Literature" Is 20th Century Topic.

"Literature" made an enjoyable topic for study at the Tuesday afternoon meeting of the Twentieth Century Club. Mrs. W. J. Ely was hostess, and Mrs. W. H. Ware directed the program.

A favorite verse was given in answer to roll call. "Our Relation to Other Countries in Literature" was discussed by Mrs. C. E. Fish; Mrs. Allen Warren presented a piano solo; Mrs. Joe Strayhorn gave an American poem; "A Poem From Abroad" was the leader's contribution; and Mrs. H. J. Brice talked on "Outstanding Foreign Writers."

Lovely red dahlias in cut glass bowls centered the dining table and decorated the living room, and a Hallowe'en scheme was used in the refreshment plate of fruit salad in orange cups, open-face sandwiches, Hallowe'en candies and spiced tea.

Members present were: Mmes. P. C. Chenault, I. W. Boren, W. H. Ware, J. E. LeMond, J. Nelson Dunn, B. M. West, H. J. Brice, C. E. Fish, Joe Strayhorn, C. J. Lewis, R. W. Cunningham and W. R. Lace.

P.-T. A. GROUP HAS LECTURE FOR FEATURE

A lecture by Mrs. G. H. Leath on "Managing Children in the Home" was the feature of the regular meeting of the Parent-Teacher Association at the school building last Thursday. Mrs. P. C. Chenault was in charge of the program.

During the business session, home room mothers were assigned, and the attendance of parents from each room was scored. Mrs. Omaha Ryan's low second and low third grade room will keep the picture during the next month. It will be decided at the next meeting what room may keep the picture during the month following the meeting.

Preceding the program, Miss Yetta Mae Slaton, head of the high school Spanish department, gave a reading "I Have Found Such Joy," by Grace Noll Crowell. Mrs. M. E. Savage favored the group of more than 50 who attended the meeting with a vocal solo, "You'll Get Heaps o' Lickin'," with Mrs. W. W. Hamilton accompanying.

Mrs. J. Nelson Dunn, president,

"Texas Cowboy" Proves Interesting.

"The Texas Cowboy" proved to be an unusually entertaining study for the Altrurian Club Friday afternoon. Mrs. Joe Caton was hostess, and Mrs. W. W. Hamilton directed the program.

Mrs. J. C. Dorward told "The Legend of the Stampede Mesa," and Mrs. J. W. Leftwich gave the reading, "Lasca." Mrs. O. P. Thrane read "The First Settlers' Story." The house was decorated with autumn leaves and flowers, and favors were narcissus bulbs wrapped in varied colored packages, which were passed from a tea wagon.

Mrs. Wayne Boren was a guest at the meeting, and the following Altrurian Club members attended: Mmes. W. R. Bell, Hugh Boren, H. P. Brown, Joe Caton, J. C. Dorward, R. D. English, W. W. Hamilton, J. W. Leftwich, A. C. Preuitt, J. C. Smyth, J. C. Stinson, O. P. Thrane and H. G. Towle.

Witnesses called during the trial were: Mrs. W. F. Cox, defense, and Mrs. Noa B. Sisk, prosecution. Mrs. R. J. Randals was foreman of the jury, and others on the jury were Mmes. J. M. Newton, King Sides, Tom Boren, Leonard West and Sam Williams.

The defendant was found guilty by the jury, and as her sentence she was asked to give an imitation of the Sally Rand fan dance.

Baskets of Marigolds Are Party Decoration.

Baskets of lovely marigolds decorated the home of Mrs. J. C. Gay Tuesday afternoon of this week, when she was hostess to the Ingleside Study Club. Mrs. R. J. Randals directed the program.

Roll call was "Plan for Community Service." Mrs. Sam Williams gave the first part on the "Citizenship" program, "Taxes and Where They Go." "Training Children in Citizenship" was a discussion by Mrs. W. F. Cox.

A session of "kangaroo court" followed, with Mrs. W. W. McCarty being tried for reckless driving. Mrs. R. S. Sullivan took the role of judge, Mrs. Clyde Boren was prosecuting attorney, and Mrs. W. W. Smith was attorney for the defense.

Witnesses called during the trial were: Mrs. W. F. Cox, defense, and Mrs. Noa B. Sisk, prosecution. Mrs. R. J. Randals was foreman of the jury, and others on the jury were Mmes. J. M. Newton, King Sides, Tom Boren, Leonard West and Sam Williams.

Monroes Hosts to Friendly Fellows.

Mr. and Mrs. J. Monroe entertained the Friendly Fellows Forty-two Club at their home last Thursday evening. A number of guests attended the party.

The Hallowe'en motif was effectively carried out in decorations and appointments for the party as well as the lovely salad plate, which was passed at the close of the evening's forty-two games.

Guests were: Messrs. and Mmes. J. S. Bradbury, O. P. Thrane, M. M. Gideon, Whit Thompson, W. B. Stanfield and A. J. Cody, Mmes. H. J. Brice and Gerlie Smith and Dwight Monroe. Messrs. and Mmes. W. R. Bell, R. D. English, Hugh Taylor, W. A. Morton and C. E. Fish, club members, attended the delightful party.

Thursday Night Bridge at Hicks.

Dr. and Mrs. J. G. Hicks were host and hostess to the Thursday Night Bridge Club at their home last week. Bouquets of roses made attractive decoration for entertaining rooms.

Club prizes went to Mrs. G. B. Clark Jr. and Wayne Williams, and Dr. and Mrs. R. C. L. Robertson took the prize. Other guests were Mr. and Mrs. J. D. Scott.

A refreshment plate was passed to the guests and to four tables of club members at the close of the contract games played during the evening.

M. E. Workers in Meeting Thursday.

The children's division workers' council of the First Methodist Church met for its regular monthly business session at the home of Mrs. Warren Dodson, superintendent of the junior department of the church school. The meeting was Thursday of last week.

Miss Ruby Curry, assistant superintendent of the beginners, was assistant hostess. Mrs. J. E. Hardy, division superintendent, was in charge of the business.

A salad plate with coffee was passed by the hostesses to the following workers in the division: Mmes. J. E. Hardy, Homer Snyder, Allen Warren, J. H. Henderson, A. M. Curry, H. B. Winston, W. W. Smith and W. F. Cox and Misses Elizabeth Gordon and Genevieve Jarratt.

W. H. Calloway, low sixth, Mmes. W. W. Hamilton and N. W. Autry. Miss Velma Sharp, high sixth and low seventh, Mmes. J. E. LeMond and E. W. Thompson.

Mrs. H. A. Lattimore, low seventh, Mmes. Roy Brown and Jewel Moffett.

Minnie Stars

Minnie Mouse, celebrated heroine of the Walt Disney characters, returned to her native land—a star in her own name. Marisa Lusiano of Montevideo, Uruguay, S. A., entered Texas State College for Women (CIA) this year under the auspices of the Institute of International Education, and brought Uruguay's favorite star with her. She laughingly exhibits the miniature reproduction and says, "Meeney is tops in my country!"

E2M Sisterhood Meets Wednesday.

Last Wednesday was again meeting day for the E2M Sisterhood, high school girls' club. Poetry and short stories were studied during the meeting, and roll call for the day was "Why I Joined the Sisterhood."

The club, led by Thana and Thaba, the Benbenek twins, sang the popular tune, "Isle of Capri," for the opening number on the program, and a literature program followed. Miss Effie McLeod, sponsor, was present at the meeting.

The life of Edgar Allan Poe, writer of poetry and short stories, was discussed by Katie Marie Louder, a reading, "The Old Washplace," was given by Frances Head; Joetta Beauchamp presented a summary of the life of Robert Louis Stevenson; and one of O'Henry's short stories, "Pony of Unfulfillment," was read by Frances Beik.

How Cardui Helps Women To Build Up

Cardui stimulates the appetite and improves digestion, helping women to get more strength from the food they eat. As nourishment is improved, strength is built up, certain functional pains go away and women praise Cardui for helping them back to good health. . . . Mrs. C. E. Radtke, of Hinton, W. Va., writes: "After the birth of my last baby, I did not seem to get my strength back. I took Cardui again and was soon sound and well. I have given it to my daughters and recommend it to other ladies. . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician."

John Billy Harvey Honored Saturday.

Honoring John Billy Harvey on his fourth birthday by Mrs. A. E. Harvey entertained at her home, 2403 Avenue N, with a birthday party.

Colorful table covers and room decorations were in Halloween colors, and party favors were suckers and Halloween whistles. Lawn games were played by the group of children.

Birthday cake with hot chocolate was served to the following: The honoree, Joy and Jack McGlaun, Joye and Anz, Eugenia Farmer, Alice Meryl Wilmet, Billie Biggs, Billy Dick Norred and Roy Edward and Eugene German.

Lambeth Girls Entertain Friends.

Celebrating their tenth and eighth birthdays, Beverly and Bettye Jane Lambeth entertained a group of friends at the home of their parents, Mr. and Mrs. P. D. Lambeth, Thursday afternoon from 4:00 to 6:00 o'clock.

Outdoor games were played, and the house was decorated with Halloween emblems as a weird Halloween story was told by Ernestine Morton, who assisted in entertaining the group.

Later the birthday cakes were cut and served with ice cream. The guests were: Billy Joe Stinson, Don Rogers Carter, Jimmy Lockhart, Barbara Inman and Mary Bell Weathersbee.

Six-Year-Olds Are Honored Saturday.

Mmes. Roy Stokes and Chalk Brown entertained Saturday afternoon with a delightful birthday party at the Stokes home, honoring Misses Durell Stokes and Patsy Brown Putnam, on their sixth birthdays.

Gifts were presented to the honorees, and games were enjoyed during the afternoon. Halloween horns and all-day suckers were party favors for the youngsters. A pretty birthday cake centered the dining table, and after the candles were blown out, the cake was served with Dixie cups.

The party guest list included: Helen Jo Graham, Joyce Cleavenger, Eleanor Erwin, Ramona Keller, Bobbie and Peggy Hays, Maxine Milner, Jimmie Lockhart, Grayum McKnight, Joe Dave Scott, Franklin Brownfield, Marvin Sentell, Arlen and James Bailey, Harold Lewis Wade, Billie Dick Stokes, Joye and Jean Anz, Sam Bernard Rosenberg, Ila Ruth Newton, Ann McMullen and Dorothy Jean Wilson.

Marry Here Saturday.

Miss Lela Mae Morton and J. T. Joyner were married Saturday afternoon at the home of Rev. H. C. Gordon, pastor of the First Methodist Church. Rev. Gordon officiated for the ceremony. The couple will make their home in Snyder.

LET'S TALK ABOUT CLOTHES

By a "Young Modern"

Have you gotten your winter suit? Fashion says they are your "best buy" for the coming season, and you can select suits that will nicely take you from "dawn 'till dinner." They give you a feeling of being casually well dressed and at the same time give you a versatility that no other ensemble can offer.

For that early morning shopping tour, either to the grocery store or to the business part of town, a fitted jacket suit with a plain skirt becomes a necessity. Three-cornered scarfs in deep colors will brighten the costume, and when the weather gets colder, don a swagger length mannish coat to match the suit.

A luncheon engagement down town sees one in a short fitted suit collared with blue fox fur. This suit boasts a slim-hipped skirt, made in gores, and huge tapering sleeves. The collar gracefully rolls around the neck, making a flattering frame for the face.

Velveteen wool tipped with swaggar tweed is an interesting combination for the casual motor trip through the country before dinner. The coat to this suit has a small stand-up collar, large patch pockets, and narrow turn-back cuffs on the wide sleeves.

For that dinner date in the evening, girls at Texas State College for Women (CIA) triumph over a Cossack-fitted three-quarters length suit. The style is new and pleasing to the individual interested in a restrained sophistication. The collar is rippled in Japanese mink and like bands of fur are shown on the wide sleeves. The coat is belted, and a very slight ripple in the skirt gives a pleasing contrast to the fitted top.

Hallow'en Party For Sine Cura Club.

Mrs. Hugh Boren entertained the Sine Cura Club and guests at her home Tuesday afternoon with a Hallow'en party. The Hallow'en note was used in appointments, decorations, favors and in the refreshment plate passed.

High score prizes went to Mrs. M. E. Savage, guest, and Mrs. R. H. Curran, club member. Mrs. Wayne Boren took the traveling prize.

Guests were Mmes. H. Rosenberg, Wayne Boren, M. E. Savage and J. C. Dorward. Members present included Mmes. A. D. Erwin, Ernest Taylor, W. R. Johnson, H. G. Towle, Vern McMullen and R. H. Curran. Mrs. Erwin will be hostess to the club at its next meeting, Tuesday, November 5.

Mrs. Billie Lee Jr. Hostess at Bridge.

Mrs. Billie Lee Jr. entertained the Duce Bridge Club and guests at her home on 8th Street last Thursday evening. High score prize went to Frances Chenault at the close of interesting bridge games.

A lovely refreshment plate of chicken salad, wafers, olives, individual cherry pies topped with whipped cream and coffee was passed by the hostess to the following: Grace Avary and Mrs. Herman Doak, guests; and Gwen Gray, Bonnie Miller, Vesta Green, Rube Lee, Frances Chenault, Frances Boren, Johnnie Mathison, Alta Bowers, Mary Jane Beall, Jan Thompson, Mavis Webb, Janice Erwin and Alene Curry.

Bonnie Miller, Gwen Gray, Vesta Green and Johnnie Mathison will be hostesses to the club members and their escorts with a Hallow'en party at the home of Miss Green at the next club meeting.

Are YOU HAPPY After Meals

Or Do Gas on Stomach and Sour Stomach make you Miserable?

Too much food, or the wrong kind of food, too much smoking, too much beer, make your body over-acid. Then you get heartburn, sour stomach, ALKA-SELTZER relieves these troubles promptly, effectively. Use Alka-Seltzer for Headache, Colds, Fatigue, "Morning After Feeling," Muscular, Sciatic and Rheumatic Pains. Alka-Seltzer makes a sparkling alkaline drink. As it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer tastes like carbonated mineral spring water—works like magic. Contains no dangerous drugs . . . does not depress the heart . . . is not laxative. Get a drink at your Drug Store Soda Fountain. Keep a package in your home medicine cabinet.

Beware The Cough That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies, such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results. Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go to a bottle of Creomulsion right now. (Adv.)

... but, after all is said and done, it's the cigarette itself that counts. . . . the question is, does it suit you? Now, when it comes to a cigarette that will suit you . . . you want to think whether it's mild, you want to think about the taste

That Chesterfields are milder and taste better is no accident . . . The farmer who grows the tobacco, the warehouseman who sells it at auction to the highest bidder, every man who knows about leaf tobacco will tell you that it takes mild, ripe tobaccos to make a good cigarette. In making Chesterfields we use mild ripe home-grown and Turkish tobaccos. Outstanding . . . for mildness . . . for better taste

THE WEEKLY DOZEN

What About It, Boys.

Talkative Tillie says the old saw about girls being made of "sugar and spice and everything nice" should be amended to read "sugar and frills and 30-day bills."

Turn Down the Heat.

Pessimism Pete says about the only way governments—local, state and federal—can expect to get out of the red is to turn down the heat by cutting off the hot air.

If You Are Planning to Build.

If you are planning to build any time in the near future, you will take the advice of many close observers by starting the foundation right now. Scurry County is starting on a slow but almost certain road back to normalcy, and there is an ever-increasing demand for homey homes and modern buildings for rent or lease.

Gas Masks for Tomorrow.

Arthur Brisbane says gas masks will be regular equipment in a generation or two—maybe sooner—for those who live in population centers of the world. Indeed, says the famous commentator, athletes will use gas masks as they do their sprints and plunge over their hurdles. Of such is pre-war stuff made. And who knows but that Brisbane may be a realist?

We Are Living Longer.

Drs. W. J. and C. H. Mayo: "The average life of mankind in the time of Queen Elizabeth was 20 years. Today the average is 53 years for man and 61 for woman, who is biologically more important. Recent discoveries in medicine are leading to astonishing results, and give a prospect that the life of man will soon reach the Biblical promise of three score and ten."

Good Signs of the Times.

Commercial failures in Texas totaled 19 for February, as compared with 23 a year ago; liabilities involved were \$184,000, as compared with \$468,000 for the same month last year. . . . In 1934 Texas women and girls working in 3,335 home-demonstration clubs earned food value at \$3,508,634. . . . Texas building permits showed a gain in February of 115.8 per cent over February, 1934.

What's in Your Car?

What's in your car? Well, among other things, you have corn, hog parts, cattle accessories, wool, soy beans, cotton and many other products of the farm. Commenting on Henry Ford's use of various farm products for motor car manufacture, the Dallas branch manager recently said: "Ford already has gone far enough to prove that industry can be a good customer of the farmer."

Hail to Wee Dickie.

Hats off to wee Dickie Jones, youngest trick rider and youngest master of ceremonies ever uncovered in Hollywood. He is a native of Snyder-town, where his father, R. P. Jones, was employed by The Scurry County Times. Another Snyder son has gone forth to conquer—but probably not into greater worlds than many of those who have succeeded as a good Samaritan or a good parent at the local hearthstone.

The Band in Our Town.

Find a town with a good band and you will almost invariably find a town with more than the normal amount of progressiveness and civic pride. The Tiger Band, after several ups and downs during the past few years, is winning an enviable reputation for color, performance and pep. The director is winning the high respect of everyone. The band in our town, if it continues to grow in power and usefulness, must have growing public support.

Increase in Number of Farms.

The Earth, Santa Fe magazine: "Nearly 10 per cent increase in the number of farms in the United States during the last five years is indicated by preliminary reports from the 1935 Census of Agriculture for approximately one-fourth of all counties in the country. When the count is complete the fact probably will appear that the increase is due to a large number of jobless persons, or part-time workers, in cities, who are trying to take up the slack on a 5 or 10-acre tract within a short distance of their jobs."

Death Stalks the Highways.

Never before has such a determined effort been made to reduce highway accidents; for never before have highway accidents taken such a terrific toll of life and misery and heartache. Death stalks the highways, and until the monster is halted there will be little peace of mind for those who must travel in car, bus or truck. When statistics reveal that more persons were killed in car accidents during the past 15 years than in all the wars in which the United States has been engaged, it is time for us to literally stop, look and listen.

The Red Cross This Year.

The visit in Snyder this week of a Red Cross representative reminds Scurry County people that the annual Roll Call is only a few days away—18, to be exact. Over and over again, when disaster of any kind threatens or strikes, the Red Cross has been found in the breach. Flood, tornado, drought, fire, dust storm—whatever the size or the degree of the damage to life and property—the Red Cross is ready and anxious to help. Scurry County, of course, will continue to maintain the high roll of membership she has boasted for several years.

Our Highways.

The Scurry County highway situation has been muddled often in recent years. But through all the muddling there has come through a steady program of building and improvement that gives the county a more strategic highway position every year.

Our highways are meat and bread to us. They are meat and bread as much or more than they are arteries of transportation. The thousands of dollars left by tourists every year eventually spread into every nook and corner of the county. Good highways, of course, mean more tourists, and more tourists mean more dollars—more meat and bread.

Our highways are so vital to all of us that we cannot afford to risk losing completion of any of them for political or purely selfish reasons. The State Highway Department has given the county all the cooperation that could possibly be asked. It looks to the future and builds to the future. Its accomplishments of recent years have proven its vision and progress. It remains for us to cooperate with them for better highways—for more transportation, more bread and butter.

EDITORIAL OF THE WEEK

IT'S ALL UP TO YOU.

How did you arrive at your present station in life? Pause and cross-examine yourself. Count up your assets. Who is responsible for them? Then reckon up your liabilities. Who contracted them, and why?

Thinking before acting leads to assets. Acting before thinking results in liabilities. Thus it is that we lay the foundation upon which we build our lives.

What does life mean to you? Do you ask for its full and brimming measure? Do you seek all that you are rightfully entitled to, or are you satisfied with a part measure? Do you consider yourself as of no account to the world, or do you think that you must do your best because it is your duty and not another's to carry out the underlying plan?

Hesitate no longer. Check up on yourself—discover your shortcomings. If by chance you are not the counterpart of your ideal, plug away a little harder, a little more earnestly, and think more deeply. Seek the cause; then buckle down to the task before you with new-born energy, realizing that it is your fight, that time cannot be recalled, that the scales must balance in your favor.

Your life is in your hands—mold it as you will. Profit by experience—attain your goal. It's all up to you.—The New Era.

CURRENT COMMENT

By Leon Guinn.

The sealing industry is one of the few business enterprises Uncle Sam took over in 1911 without at least first hand knowledge of this highly skilled, highly competitive profession. . . . In 1911 only 124,000 priblof seals remained in the Bering Sea, ghost herds of seals ravished by Great Britain, Russia and Japan. . . . As owner of the Priblof Islands (part of Alaska deal with Russia in 1867) Uncle Sam negotiated with the powers mentioned above; now due to conservation measures, the United States henceforth kills seals, Japan and Great Britain receiving 15 per cent of the kill. . . . The Fouke Fur Company of St. Louis holds the contract for sale of the skins, receives 34 per cent commission for sale, varying fees for dressing and dyeing. . . . Recently Fouke sold 24,350 pelts for government account, turned in \$576,130 to the Treasury Department.

Each summer 24 Fouke employees go to the Priblof Islands, supervise the annual seal kill. . . . Native Eskimo-like people (under Department of Commerce rules) do the actual killing of seals, selecting only 3-year-old males; drive the animals inland, then a blow on the head, a heart thrust, and the seal hide trek is on. . . . The fur side is then tanned; American women shortly buying the coats for \$275 to \$400.

With the slightest hint of autumn in the air, the stockman and farmer is careful about turning horses and cattle in stalk fields of late feed, for just now some feeder suckers contain lethal prussic acid. . . . And with autumn comes the "peddler" of inferior biologics for West Texas farmers and ranchers, the cut rate bandit of the veterinary profession, offering everything from screw worm soothing syrup to adulterated anti-hog cholera serum. . . . In the Southwest alone, annual loss from screw worm infection amounts to \$10,000,000, a rather stiff toll from this livestock parasite. . . . With livestock prices steadily rising, with hog and piglet meats at a premium, West Texas livestock owners owe it to themselves to rely on qualified veterinarians for biologics needed to combat equine forage poisoning, botulism (food poisoning), Bang's disease (contagious abortion), and other livestock ailments. . . . West Texans are noted for their care of horse and cow.

The Times Creed:

For the cause that needs assistance;
For the wrongs that need resistance;
For the future in the distance,
And the good that we can do.

COMING SOON

Jack Hoxie, famous star of western pictures, will be coming to Snyder in a few days. He and his Hollywood company will be here with Harley Sadler's circus, which shows afternoon and night, Friday, October 25.

ON TEXAS FARMS

By Minnie Fisher Cunningham, Extension Service Editor

Cover crops to improve his land are a part of the agricultural faith of Henry W. Meyer of Realitos, Duval County. Mr. Meyer bases his faith on works, having in 1934 planted 25 acres of land to cowpeas which were grazed and then turned under. This land produced eight and a third bales of cotton in 1935, a yield well above the county average.

To J. E. McDaniel, out in the Silled community, goes the distinction of digging the first trench silo in Wise County. This trench, which is 10 feet wide at the top by 8 feet wide at the bottom and 7 feet deep by 90 feet long, has a capacity of about 90 tons of silage and will provide sufficient feed, so far as roughage is concerned, for the entire winter and well into the spring for his dairy cattle.

Louis Young of Katy, Harris County, has a baby beef which has made gains of approximately three pounds daily. The calf is now on a ration of 70 per cent corn, 20 per cent rolled oats and 10 per cent pea sized cotton seed meal. Louis, who is a 4-H club boy, is planning to show the calf at Houston.

He was closely followed by L. L. Burres, just out of Decatur, who has completed another silo, 8 feet wide at the top by 6 feet wide at the bottom and 7 feet deep by 70 feet long, with a capacity of about 50 tons of silage.

Lubbock Wholesale Market Attended by Several From Here

Several Snyder people attended the eleventh semi-annual West Texas-New Mexico wholesale market that was held at Lubbock Saturday through Tuesday.

Dr. and Mrs. H. G. Towle, Mr. and Mrs. Oscar Gregg and Miss Grace Avary represented the Towle Jewelry Company. Mrs. John Keller and daughter, Wynona, represented the Hollywood Shop.

From 75 to 100 lines of ready-to-wear, millinery, shoes, hosiery, general merchandise, men's wear, jewelry, gift items and other goods were featured from Dallas, Kansas City, St. Louis, San Antonio and Los Angeles.

A style show was staged at the Lubbock High School auditorium Monday evening. Merchants were admitted free to the style show and to the dance that followed. Other entertainment features were also provided.

State Reserve for Borden Is Received

The entire issue to eligible producers from the 10 per cent state reserve of tax exemption certificates has been received in Borden County.

County Agent Cline E. Morris requests all producers to get their tags at Gall or send an authorized agent for them.

Harley Sadler's New Circus Will Be Here Friday

Harley Sadler, still West Texas premier showman, will be in town Friday afternoon and night of this week.

The popular entertainer is bringing this year a three-ring circus, formerly known as Bailey Bros., plus Jack Hoxie, western movie star, and his Hollywood troupe. At noon he will present a downtown parade, featuring wagons and miniature animal cages drawn by Shetland ponies. "Don't miss the old-time circus parade," Harley warns.

The usual circus attractions are offered by the showman, who hails from Sweetwater. There will be 25 trained dogs, many cages of wild animals, plenty of funny clowns headed by Buck Baker, breathtaking aerial and wire walking acts, performing horses and the other acts that make a delightful time for old and young.

"I hope," says Harley to his West Texas friends, "that you will bring your family and enjoy an afternoon or an evening at Bailey Bros. big three ring circus; and, remember, I promise you we will endeavor to make it the biggest attraction of its kind ever offered at our low prices. I thank you for your past support, and hope I may continue to have your good will."

Hotel Expenditures Totalling \$125,000 in El Paso This Fall

Famous in pre-war days for entertaining General Pershing, Herbert Hoover and other notables on many occasions, the Pasa del Norte, which was the finest hotel in the Southwest at that time, is now carrying on a program of modernization which will further distinguish this hostelry as one of the most modern hotels in the country and one of the first in Texas to be equipped with dry-air-conditioning.

Other improvements being made include: Replacement of plumbing fixtures, redesigning of bathrooms, refinishing of the main lobby, new furniture and rugs, new elevator cabs and sound proof doors. The upper floors are being rebuilt to include de luxe suites in Indian and Mexican designs typical of the border and the Southwest.

"Our belief in the future of this great southwestern country and the increasing traffic of winter tourists prompted us to make this forward move," said Jack Chaney, manager of the hotel. "Although the remodeling work will extend through the entire hotel, we have organized the work so guests will not be inconvenienced and we will be doing business as usual."

Presbyterian Church

In observance of the 400th anniversary of the printing of the English Bible, the theme for worship service at 11:00 a. m. Sunday will be "My Guide Book for Life." The tremendous importance of our Bible has had a tendency to be overlooked in the last few years; we need to be possessed again with this conviction.

At the evening service, the theme, "The Wisest Investment," will be the third in a series on "The Proclamation of the King," or "The Sermon on the Mount." The evening service begins at 7:30 o'clock.

Sunday school will meet in all departments at 9:45 a. m. The young people's society of Christian Endeavor will meet at 6:30 p. m. to discuss the theme, "When Defeat Is Victory," or "Jesus' Death on the Cross." The Intermediate Christian Endeavor will meet at the same hour.

God has blessings for those who are faithful in worshipping Him. A cordial welcome awaits you at all of our services.—Alfred M. Dorsett, pastor.

Pleasant Hill Host To County Singers

Pleasant Hill community played host Saturday evening and Sunday to several hundred singers of Scurry and adjoining counties. The semi-annual county singing convention was the occasion.

The Lorraine men's quartet and several singers from Dallas and other outlying points were among special guests.

Lee Roberts of Snyder, formerly vice president, is the new president to succeed Grady Hamrick, who is now teaching in Sweetwater.

Lenora Patterson, recently elected senior councilman, was confined in the hospital last week, suffering with asthma. After a three days stay in Hermleigh, she has returned to school.

Miss Effie McLeod, head of the English department, and Miss Ruth Irb, speech arts teacher, observed Dallas schools Monday.

Carrell to New Mexico

Rev. Harvey Carrell, son of Mr. and Mrs. J. L. Carrell of the Union community, left Wednesday to join the New Mexico Methodist conference, going from Snyder to El Paso. Carrell graduated from the local high school, and received his degree from McMurry College, Abilene, in June this year.

Snyder Transfer Boasts Twenty Years of Service to This Territory

400 MILES OF WEST TEXAS IS BEING SERVED

Mr. and Mrs. Pete Bridgeman Write Unequaled Story of Growth And Expansion.

A story of growth and expansion that is equaled by few other West Texas enterprises has been written by Mr. and Mrs. Pete Bridgeman during the past 20 years.

Their Snyder Transfer Company, established in 1915, has grown to be one of the major transportation lines of West Texas, serving 400 miles of territory and having offices in six towns.

As if to celebrate their twentieth anniversary in the business, the Bridgemans early this month purchased their biggest and best truck—an International, with 12 wheels and a huge Hobbs trailer van. This is the fifth new truck purchased during 1935.

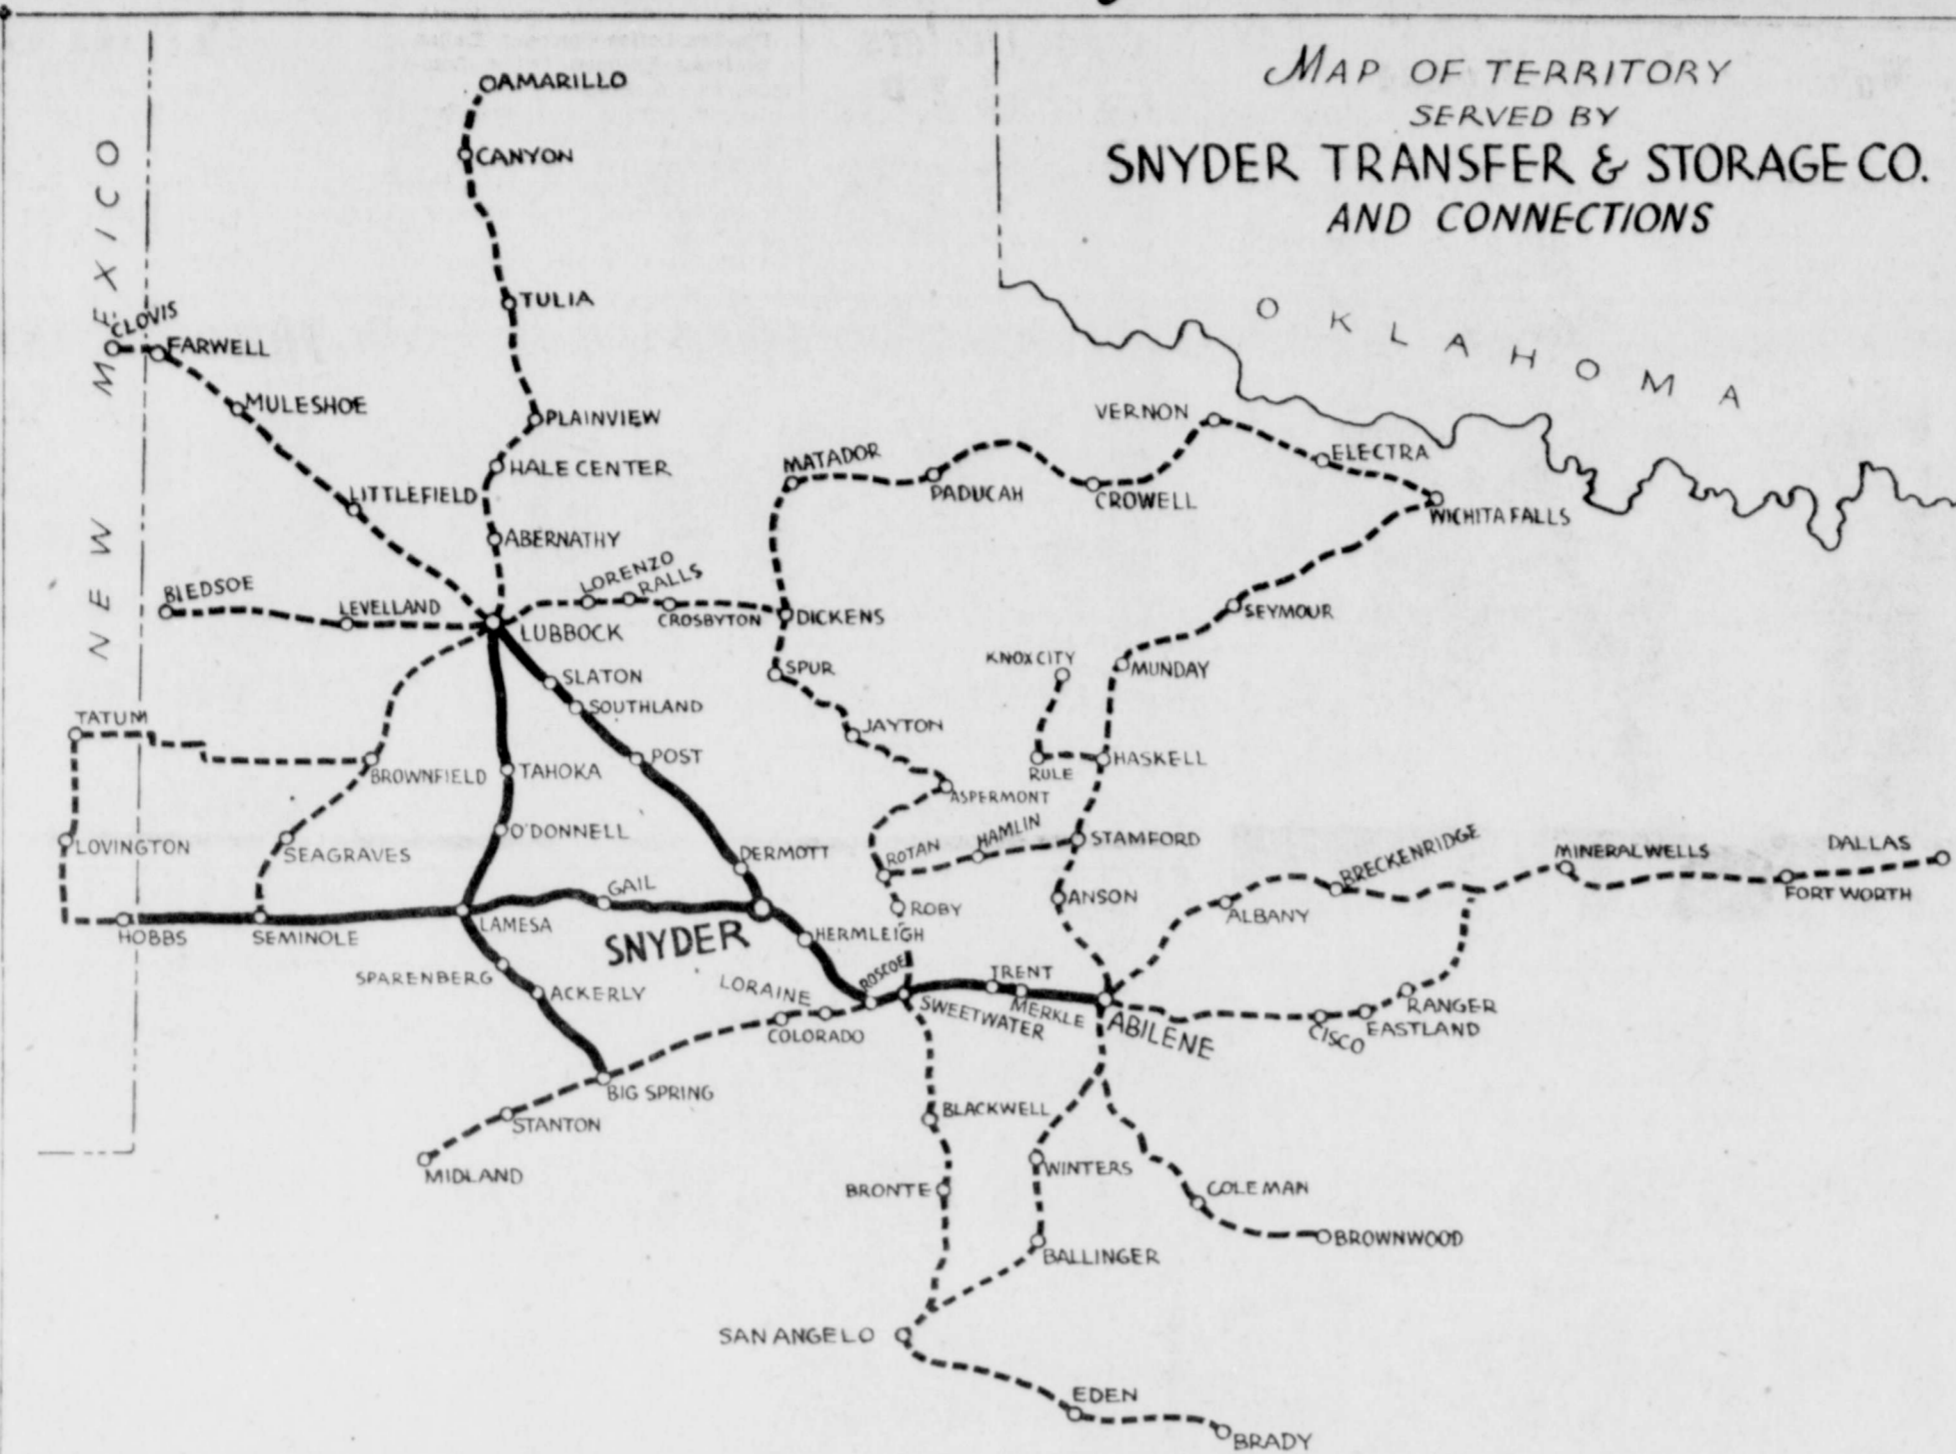

"Rolling Stock" Galore. The company's "rolling stock" is now composed of 10 trucks, three pick-ups, two business cars and the team and wagon that is used in Snyder—a total of 16 vehicles, valued at \$17,500.

The team and wagon used for Snyder pick-up is unique in modern West Texas transportation animals. It is probably the last non-motorized outfit of any large transfer company in West Texas.

"Old Dutch," who has seen service with the local company since 1923, is the dean of the Bridgeman dray animals. He and his running mate, "Dan," who has been at the same job for eight years, represent a total of more than 3,200 pounds of horseflesh.

Pete is a horse lover. Some folks say he keeps Old Dutch and Dan for sentimental purposes, but if you watch the two big horses day after day you know that they get the job done—without the use of gasoline, oil or repair bills. A few years ago they were given a more modern wagon to pull—a flatbed with regular inflated truck tires.

Expansion of the Snyder Transfer Company has been gradual but sure. In 1922, when trucks were still few and far between, a pick-

up was purchased for local service. Seeing the demand for quick service that no other agency was able to give, Pete bought a truck or two, and in 1926 he established a line from Snyder to Sweetwater. In 1931 he made his biggest jump, extending his line eastward from Sweetwater to Abilene and northward from Snyder to Lubbock, making a continuous route from Abilene to Lubbock. Last year he purchased the McCauley Transfer Company trans-

fer line from Lubbock to Big Spring, by way of Lamesa. This year, with the demand increasing for a route directly west, he extended his line to the New Mexico border, by way of Lamesa. Despite the expansion to larger cities, Snyder Transfer Company continues to maintain its main offices at Snyder, its birthplace, and home-town of the Bridgemans. 19 Regular Employees. The company maintains a regular staff of 19 employees, exclusive of the two owners, and at least five extras are worked during peak freight moving time in the fall and winter. Here are the regular office employees: O. D. McGlaun and J. R. Reeves of Snyder, with Buster Jones as combination teamster and office man; J. E. Harris and O. B. Harris of Abilene; B. F. Gee and L. C. Rone of Sweetwater; M. H. Bridwell, Jack Bridwell, Fred Kincaid and D. J. Byars of Lubbock; Jim Bridgeman, R. J. Clanton and Verne Weir of Lamesa. The regular truck drivers are Hughey May, Dennis Kirk, Claude Terrell, Earl Abercrombie and Russell Reed. The local concern keeps step with changing transportation times not only by keeping its trucks in good shape and its service on the road at a high peak, but by maintaining office equipment and records that are up-to-date. Latest addition to the office service is teletype equipment, which enables customers to order merchandise from many major shipping points and secure overnight delivery at no extra cost. Three Machines Used. One of the machines, which are operated by the Southwestern Bell Telephone Company, is located at the Snyder office and another at the Lubbock office. At Abilene, the concern uses a machine in conjunction with other motor lines. Direct connection is maintained with Fort Worth, Dallas and other leading wholesale points. The teletype is best described as a cross between long distance telephone service and telegraph service. Operators on each end of the line exchange messages by use of an electrically-controlled keyboard. The transfer lines are bonded and insured under the State Railroad Commission. Pete takes an active part in state and West Texas activities of truckmen's organizations. He recently joined other West Texas truck lines in entertaining state transportation officials at Lubbock. Writing supplies at Times office.

Employees Given Much Credit for Success of Local Pick & Pay Store

The owners of the Pick & Pay Store, as they begin celebration of their third anniversary sale, give much of the credit for their success to the young men who have been employed by them during their stay in Snyder. Heading the list is J. C. Turner, who had been employed by Sam Hamlett for some time when the store was purchased by the Josephsons. He has continued with Pick & Pay during its three years here. Ed Turner has been with the store most of the time during its existence, and Garth Austin has seen several months of service. Marcel says he has trained these boys up to a high standard of efficiency, and that their courtesy and helpfulness with customers is outstanding. Young men who assist the Josephsons on Saturdays and other rush days include James Stewart,

THIRD ANNIVERSARY IN SNYDER

Pick & Pay Store Celebrating Third Anniversary

SNYDERSTORE EXPANSION IS REMARKABLE

Friday is the beginning of Anniversary Week at the Pick & Pay Store.

Mr. and Mrs. Marcel Josephson established their modern grocery here on October 27, 1932. They are celebrating the end of their third year of local merchandising by staging a food sale that begins Friday morning of this week and continues through Thursday of next week.

The anniversary selling event is to be featured by special prices throughout the store, by demonstrations of nationally-advertised products, and by the full cooperation of jobbers and manufacturers with the local merchants.

"Hard Times" Growth.

The Josephsons came to Snyder when farm prices were at their lowest peak. They came, in short, when the depression was at its height, although Scurry County made some bumper crops in 1932.

Purchasing the grocery stock of Sam Hamlett on the north side of the square, the merchants catered to an increasingly large group of buyers for almost two years in the same location.

Growing business demanded a larger building. On September 15, 1934, the store was moved to the northeast corner of the square, where floor space and storage space is double that of the north side location.

It is in this roomy, well-located building that the third anniversary sale is to begin this Friday morning.

"We are ready," says the Josephsons, "with the most complete stock that has ever been in our store."

Active Civic Interest.

Josephson has built his business not only on fair prices, quality merchandise and customer service, but on public recognition of his worth as an active citizen.

He has been a Lions Club "ram-rod" since the club was organized almost two years ago. He served as "tail twister" of that organization for more than a year, and continues to take an active part in its activities. He is vice chairman of county Red Cross forces, and served one year as Roll Call chairman.

Worthy enterprises always find ready friends at the Pick & Pay Store.

Mrs. Josephson, too, takes an active part in the town's civic and social life.

Free Delivery Service.

Free delivery service has been offered at the store since it was opened. Now, with a new Dodge pick-up, this service is more complete than ever.

A complete line of fresh fruits and vegetables, in addition to a full stock of groceries and feeds, is carried the year round.

The Josephsons came to Snyder from San Antonio. Three of Mrs. Josephson's brothers—the Bernans—are in business in Colorado, and are known to a number of Scurry County people.

Mr. and Mrs. Josephson invite all their friends and customers to join them in celebration of their third anniversary in Snyder.

Home Town Boy Makes Good in Hollywood

Meet little Dickie Jones, son of Mr. and Mrs. R. P. Jones, former Snyder residents. Wee Dickie is

called the youngest trick rider and youngest master of ceremonies in Hollywood. Read the accompanying article for details of this youngster's career since he first saw light of day in Snyder.

Changing the name of a thing leaves it what it was before.

Better make yourself work than for others to make you.

Weak-mindedness results from giving pieces of it to others.

Some people are never right—not even when they are not wrong.

Several Dealers Help Pick & Pay On Anniversary

Several wholesalers and manufacturers are joining hands with Pick & Pay Store this week in celebration of the grocery's third anniversary in Snyder.

Cooperating concerns are as follows, according to Mr. and Mrs. Marcel Josephson:

- Walker-Smith Company, Brownwood.
- Duncan Coffee Company, Houston.
- J. H. Tubbs Wholesale Grocery, Sweetwater.
- Sweetwater Distributing Company, Sweetwater.
- Yukon Mill & Grain Company, Yukon, Oklahoma.
- Waples-Platter Company, Fort Worth.
- Abilene Fruit & Vegetable Company, Abilene.

Swift & Company, Fort Worth. Dal-Tex Coffee Company, Dallas. Hoffman-Hayman Coffee Company, San Antonio. George Parks Meat Market, Snyder. Snyder Bakery, Snyder. The Josephsons ask The Times to publicly express their appreciation to these firms for their hearty cooperation.

Lawrence Shipman, who teaches agriculture in the New Deal consolidated school north of Lubbock, was a Snyder visitor recently. He is a graduate of Savanna High School and of Texas Tech. At the latter institution he starred as a member of the national livestock judging team. He is attending night classes at Tech this year in an effort to secure his M. A. degree.

Demonstrations of Products Saturday

At least two widely advertised products will be demonstrated to those who visit the Pick & Pay Store Saturday, according to Mr. and Mrs. Marcel Josephson.

Which means, of course, that you can get some luscious tastes or sips free of charge.

White Swan coffee, roasted and distributed by Waples-Platter Grocery Company of Fort Worth, will be served piping hot. White Swan products are being featured during the seven-day anniversary sale.

Swift & Company of Fort Worth will have a special demonstration of their Brookfield mayonnaise and salad dressing. Other demonstrations may also be arranged, the merchants said Tuesday.

J. G. Davis Jr. of Dimmitt, a student in Texas Technological College, Lubbock, was a week-end guest of his sister, Mrs. Albert Smith, and Mr. Smith, here.

"We'll All Hang Together"

VOLUME VI SNYDER PUBLIC SCHOOLS, SNYDER, TEXAS, OCTOBER 22, 1935. NUMBER 6

MODERN RADIO PROVES TO BE OF BIG BENEFIT

All Purpose Microphone and Amplifiers Being Used In Every Room.

The Snyder Independent school is fortunate in having a modern radio system this year. A receiving set has been placed in every class room and one in each office. By this system the instructors can communicate conveniently with one another. A small microphone may be connected with the two large sets in the auditorium, enabling the speakers to be heard easily.

This system has been found very useful. Educational radio programs may be heard in any or all of the rooms at any time the instructors believe they are worthwhile. Announcements are made over the radio—a method much more efficient than those used heretofore. An office may make its communications by this system and save much time and trouble.

Certainly every resident of Snyder should be proud of this efficient new radio system, which is one of the most helpful modern devices available to a public school.

Editor-in-Chief and Business Manager

These two girls were chosen by the student body of Snyder High School to be in charge of the Tiger's Tale, school paper. Elizabeth Gordon, left, is editor-in-chief, and Sadie Tell Jenkins is business manager. The paper is to be published monthly.

S. H. S. ALUMNI IS SCATTERED

Roberta Ely is displaying a fine specimen of Snyder High School work in McMurry College, Abilene. She ranked high in her English entrance examination.

Estine Doward is a room-mate of Mary Margaret Towle at the Southwestern University, Georgetown.

Evelyn Erwin is getting a higher education at Baylor this year.

Mary McCarty is attending her first year at C. I. A. Last year she was a freshman at Texas Tech.

LaFrances Hamilton, a popular ex-student of Snyder High, is attending the School of Mines in El Paso.

Mrs. Fred Jones, who was Miss Nella Lynn Rogers until her marriage in May, lives in Snyder.

William Miller will probably be a county agent some day, but at present he is at A. & M.

"Broadway" Browning is a football hero at Texas Tech.

Mildred Stokes is secretary to the county agent here.

William Boren, Aubrey Wiese, Fred Wolcott, Sam Joyce, Murray Gray and York Murphy are Snyder boys at John Tarleton this year.

Royce Eiland is attending Hardin-Simmons at Abilene.

Rube Lee is doing secretarial work in Snyder General Hospital. Charlene Ely is a senior at McMurry.

Frances Northcutt, who is attending the College of Industrial Arts, through the sectionalizing tests in English was placed in the highest division.

Miss Maurine Cunningham, star Spanish teacher in S. H. S., is now teaching in the Lubbock High School.

Oteka: "What do you think of my new engagement ring?"

Flo: "Lovely, when's it coming off?"

JOE HILL JR. IS SPEAKER HERE

Joe Hill Jr. of Canyon, the only West Texan to go to the Anarctic regions and personal orderly to Admiral Richard E. Byrd, Friday night, October 18, in the high school auditorium, told of his adventures near the South Pole. Neeka, and Eskimo husky dog, which was a personal gift from Admiral Byrd, was on the stage with his master.

Hill used slides to illustrate his talk. Examples of the clothing worn by those on the expedition were also shown. After the lecture the audience was permitted to ask any questions it might wish concerning the trip. The program was extremely interesting throughout the evening.

Hill has lectured in many of the state colleges and universities. Snyder is fortunate to have heard him.

Dot: "Jackie, you remind me of a clock."

Jackie: "Why, because I'm right up to the minute."

Dot: "No, you never get wound up until it's time for me to go home."

BLACK-DRAUGHT

I Only Heard..

That the gymnasium will be started in about two weeks and will be finished in time for the basketball season. It will be constructed on the lot just north of the Caudle house.

That the fire chief turned in the fire alarm the other day when he wanted to get out of giving an oral composition in English. (Maybe this is one of his suggestions for improving fire drills and their use.)

That the carnival hasn't bothered the study habits of some of our high school students. (Probably they had very few to bother, anyway.)

That the new commercial and business course taught by Mr. Dennis of Draughtons' Business College reminds us of the annual homecoming of ex-students.)

Billie Morris, member of the Senior B Class, surprised her many friends by announcing her marriage on September 8 to Leonard Lanford.

Rosanna says she wouldn't mind a National Honor Society initiation every week.

Wasn't it lucky that there were not any pigs with hearing distance Monday morning about 8:30 o'clock?

Laxative combination folks know is trustworthy

The confidence thousands of parents have in good, old reliable, powdered Theodor's Black-Draught has prompted them to get the new Syrup of Black-Draught for their children. The grown folks stick to the powdered Black-Draught; the youngsters probably will prefer when they suggest their children love of sweets. Mrs. C. W. Adams, of Murray, Ky., writes: "I have used Theodor's Black-Draught (powder) about thirteen years, taking it for biliousness. Black-Draught acts well and I am always pleased with the results. I wanted a good, reliable laxative for my children. I have found Syrup of Black-Draught to be just that."

BLACK-DRAUGHT

President Heard In Dedication Speech

Our classes were fortunate in hearing President Roosevelt's dedication speech at the formal opening of Boulder Dam. Our new radios made this possible. Some of the students took notes while Mr. Roosevelt was speaking.

The bill for the \$168,000,000 project, which was presented by Hiram Johnston, was passed by Congress in 1928. The building of this dam not only gives Los Angeles a much-needed water supply, but also prevents the flood waters of the Colorado River from leaving its annual foot of trash on the land.

The Choral Club, band and pep squad organizations are doing some splendid work. Their reports will appear in the next issue.

Three of our local teachers, Mrs. Herman Darby and Misses Mattie Ross Cunningham and Dorothy Strayhorn, visited in the Lubbock public schools Wednesday. They observed new and different methods of teaching in both the junior and senior high schools.

Camp Fire Program Under Direction of Mrs. Hal Lattimore

Under the direction of Mrs. H. A. Lattimore, the Camp Fire Girl movement has been started.

The board of directors for the Camp Fire Girls is composed of the following officers: President, Rev. Alfred M. Dorsett; vice president, Rev. H. C. Gordon; secretary, Mrs. R. D. English; treasurer, A. J. Cody; Ralph Odum, Dr. J. G. Hicks, C. Wedgeworth, J. C. Smyth, Mrs. R. H. Odum, Mrs. H. A. Lattimore.

At the present time we have in process of completion about six groups of girls.

Any girl ten years of age and over who is interested in joining one of these groups may do so by seeing Mrs. Lattimore.

Snyder Junior High Whips Young Rotan Team By 19-0 Score

Score, 19-0 in favor of Snyder Junior High.

First downs, Snyder 18, Rotan 1. In line, Browning, Thane, Mebane and Belk starred.

Outstanding in backfield: Moffett, Clark and Noel Mebane.

Touchdowns made by Moffett. Good blocking on offense by entire line.

Defense permitted only one first down, which was result of a penalty.

Score was held down by virtue of boys not knowing plays, due to lack of practice. Only four plays were used. Penalties for off-side and holding cost several scoring chances.

All this was due to lack of practice in the technique of blocking and the timing of plays.

The game is to be returned at Rotan Tuesday, October 22. The team as a unit should function much better in this game.

C. Wedgeworth spent the weekend with his wife and daughter in Tenaha.

Prevention Program Given By Senior B's

The Senior B Class, under the sponsorship of Miss Slaton, and President Virginia Yoder, enjoyed a program on the subject of fire prevention Wednesday, October 9.

The class voted to have a picnic at Ennis Creek Tuesday, October 15.

Those on the program were: Juanita Sentell, Joetta Beauchamp, J. R. Watkins, Lyndal Westbrook, Tessie Merritt, Marie Oliver, Sterlene Taylor, Ouida Birdwell, Dawson Moreland, Doyle Blakely, Lloyds Moreland and Lillian Logan.

Students Interested In New Class Work

Seemingly, students are taking a great interest in the new courses offered in the high school this year.

Sociology, a semester course, includes the study of all the activities and development of the human race and attempts to determine the contents of human nature.

Speech arts, which is also a semester course, covers the dramatic field and includes some public speaking and stage work.

Bookkeeping, which is a two-semester course, is also being taught this year.

The little musical play, "The Golden Touch," was presented by Mrs. Darby's fourth grade Friday, October 11. The costumes of golden color added much to the program.

THE NEW FORD V-8 FOR 1936

Why do we say The New Ford V-8 for 1936?

What is new about it?

Of course, the newest engine in the low-price car field is still the V-8 engine. Since Ford made it available to all car users (keeping it as economical as cars with fewer cylinders) the Ford V-8 has been the newest engine on the market, and remains the newest for 1936.

You may buy a car on minor "talking points"—some specially advertised feature "with the car thrown in"—but after all, it is the engine you buy when you buy a car. Hence we put the engine first.

Other new points about the car make a long list.

Its lines are much more beautiful. The hood is longer and sweeps forward over the distinctive new radiator grille, giving the car a length and grace that are instantly impressive. The fenders are larger, with a wide flare. Horns are concealed behind circular grilles beneath the headlamps. New steel wheels.

Ford upholstery—always of sterling quality and excellent taste—is rich and enduring. The appointments of the car have a new touch of refinement. There

is no question about the increased beauty of the Ford V-8 for 1936.

In more practical matters, many improvements have been made—

Steering is made easier by a new steering gear ratio. The cooling system circulates 5 1/2 gallons of water through a new, larger radiator. Natural thermosiphon action is assisted by two centrifugal water pumps. New style hood louvers permit a rapid air-flow around the engine.

Easier, quieter shifting of Ford gears—The gear shift lever now travels a shorter distance.

The two qualities you want in brakes—Brakes that stop the car with ease and certainty. Ford Super-Safety Brakes of the long-tested, fool-proof, mechanical design.

Safety—as always—in the electrically welded genuine steel body. Safety Glass all around at no extra cost. Hundreds have written grateful letters because this glass has protected the safety of their families.

A car you can drive without strain all day, if you like, in city or country. Steady, holds the road, responds to the

driver's touch like a well-trained horse. You don't have to "push" or "fight" the Ford V-8—driver and car easily get on terms of good understanding with each other.

An engine has much to do with the roominess of a car. Very much indeed. A long engine uses up car space. The compact V-8 engine permits much of the ordinary engine space to be used by passengers.

It really is a great car in every way, this 1936 Ford V-8—the finest, safest, most dependable Ford car ever built. Now on display by Ford dealers.

Says Diphtheria, Smallpox Among Preventable Ills

"Quarantine and isolation have long been practiced to limit the spread of contagious diseases. Theoretically these measures should no longer be necessary for diphtheria and smallpox, two diseases which are absolutely preventable," said Dr. John W. Brown, state health officer.

The attitude of people toward observance of health regulations varies as greatly as does human nature itself. Most families, realizing the necessity for restrictive measures, cooperate readily. This attitude is exemplified by the mother who learned that her little girl had measles.

Mrs. W. A. Nuckles of the Unity community in Lampasas County has saved 730 white leghorn pullets which have begun laying. She has a 500 acre farm located on the Lampasas River, which produces grain well, and this year's grain crop will be utilized to a large extent in feeding poultry.

Local Firms That Have Helped Build Scurry County

BY J. E. ROBBINS

Snyder National Bank Snyder

This bank, founded in 1904, confines most of its activities to the further advancement of the community in which it is located, its resources being primarily devoted to that section.

Snyder Drug Co. Snyder

Everything to make you keep well. The Snyder Drug Company, located at Snyder for the past seven years and owned by Mrs. J. L. Caskey, has it. And B. N. Willford, the druggist employed here, will fill your prescriptions, too.

Scurry County Produce Market Snyder

It is to the interests of the farmer to patronize the Scurry County Produce Market, managed by A. B. Parker, because in the firm's few weeks of activity in the buying and selling of poultry, cream, eggs and hides and turkeys, they have been laboring for the farmers' interests.

Pick & Pay Store Snyder

You naturally expect a store of this kind to handle a superior line of groceries, fruits and vegetables, and you won't be disappointed if you trade here.

Manhattan Hotel Snyder

The Manhattan Hotel at Snyder, owned by E. M. Deakins for the past 10 years, is a modern little hotel, catering to tourists and commercial men. The rooms, 36 in number, are clean, comfortable and cheerful.

City Meat Market Snyder

Most people refer to the City Meat Market, which L. C. West has conducted since May of this year, as the house of quality, and we know that the name is judiciously used, for it lives up to that title in every respect.

Jack Colwell Snyder

Your old suit cleaned and pressed at Jack Colwell's dry cleaning shop will look as good as many men's new ones.

J. R. Hicks Tire Shop Snyder

A newer conception of the word service is embodied in J. R. Hicks Tire Shop at Snyder, established here by Mr. Hicks as successor to Hiram Koper, nine years ago.

Frank's Garage Snyder

We know how to fix 'em and we will guarantee the work. So says W. F. Arnett, owner of this garage for the past 10 months. And we believe him, too. So will you after your job is done.

Irwin Drug Store Snyder

J. E. Irwin is the owner of a flourishing drug store in Snyder, which he has conducted since May of this year.

Ivion Bros. Snyder

I. J. Ivion, owner of the Ivion Bros. Garage at Snyder, says he can fix anything but a broken heart, broken eyes and the break of day.

Olds Service Station Snyder

The Olds Service Station builds for tomorrow by their service today. Day in and day out you'll get the kind of service that has built this business.

Blue Jacket Shine Parlor Snyder

A shine parlor of exceptionally neat appearance, clean and inviting is that of Roy Jennings, colored, in operation here since 1933.

Louder Motor Co. Snyder

When E. H. Louder, proprietor of the Louder Motor Company, selected Ford Motor Co. products as his feature line, he made an excellent choice, for there probably are no better products on the market today.

Dr. C. E. Helms Snyder

There is a vast difference in the work of an expert and an inferior magnetic massager. You won't run the risk of inferior work if you get into the habit of calling on Dr. C. E. Helms, who has successfully created all chronic diseases without the use of drugs or the knife in Snyder for over six months.

N. M. Harpole Grocery Snyder

You don't need to go out of town or send your money out either in order to effect a saving in your grocery bill. Stop in at the N. M. Harpole grocery, which has been here for 27 years, and see what real economy is.

Maples Funeral Home Snyder

Simple but beautiful services, rendered with a kind, sympathetic understanding, have always been the rule with Oscar R. Maples, the new funeral director at Snyder.

J. C. Dawson Snyder

Having been located at Snyder for 26 years, J. C. Dawson has, in that time, always catered to the interests of the farmers of this vicinity, being very well equipped to do car washing and greasing and giving you prompt and efficient service.

Abilene Poultry & Produce Co. Inc. Snyder

You'll get cash and the top market price for your produce, poultry, eggs, cream and hides at the Abilene Poultry & Produce Co., Inc., where M. P. White, a resident of Scurry County for 34 years, has been operating manager for nine months for this concern.

Guy's Shoe Shop Snyder

There are three important essentials to good shoe and harness repairing. They are fine leathers, skilled workmanship and modern machinery, each one closely related to the other in turning out good work.

Snyder Tailoring Co. Snyder

C. E. Fish and son, Creston Fish, started this cleaning and pressing establishment at Snyder in 1925. Since that time they have proved their ability as reputable cleaners.

J. J. Dyer, Jeweler Snyder

When hearts are trumps, lead with a diamond. If you buy it at J. J. Dyer's jewelry store it'll be a good lead and she won't renege.

Rainbow Market Place Snyder

It is better to buy the best than to wish you had. You can't make that mistake at the Rainbow Market Place in Snyder, for Jim Adams doesn't have anything but the best in the market—never has, since he started it August 1, 1935.

Bert Baugh, Tailor Snyder

When people of Snyder and vicinity want good tailor made suits, they invariably call on Bert Baugh, who for the past 26 years has so ably taken care of their needs along these lines.

The Backbone of Scurry County

The title for this article has been selected only after the subject had been given much thought and consideration. It was our desire that the title should be significant of the basic value of the community; that it should be descriptive of the real commercial strength and life of the community; that, in brief, it should be a story, sufficient in itself, requiring no elaboration.

Snyder Cooperative Gin Company Snyder

Another of the many firms interested in the agricultural progress of Scurry County is the Snyder Cooperative Gin Co., owned by 143 local farmers as stockholders and dealers in cotton and cotton seed, and ginners since August 6, 1935.

Edd Dodds Snyder

When the prices are the same, why not buy from an independent store like Edd Dodds Red & White store in Snyder, which Lee Armstrong manages? Your money will stay right here in Snyder and help build it.

Farmer's Produce Snyder

By maintaining an uninterrupted policy of paying the highest cash market prices for produce, poultry, cream, eggs and hides, the Farmer's Produce, owned by L. O. (Doc) Bynum, has in its three years of business activity built up a large trade with residents and farmers of Scurry County.

Noble's Tailor Shop Snyder

Our work has always spoken for us and spoken well. You can pay more but you can't get better dry cleaning, tailoring or alterations than you'll get here at C. L. Noble's tailor shop, which he has conducted during the past six years. Phone 46.

Stratford Hotel Snyder

In Scurry County, at Snyder, is the Stratford Hotel. With 18 rooms, modernly furnished, and a kitchen and dining room famous for food the county over, we know of no better place to spend a week-end or to enjoy a business trip. You'll be glad you came.

E. J. (Pete) Bradbury Snyder

There's a big difference in good gas, oils and grease and just plain, every-day gas, oils and grease. That difference isn't always reflected in the price tag, either. It will, however, always show up in the performance of your car and the life of your car.

J. P. Billingsley Dunn

It is with pleasure that we include in this review of Scurry County the history of J. P. Billingsley's Service Station at Dunn, which he has operated since 1932.

Sleep-Ezy Mattress Factory Snyder

One of the finest mattress factories in this vicinity is the one at Snyder conducted by B. W. and F. M. Dunnham for the past 10 years. The Dunnams themselves are mattress experts, with many years of experience in this line of endeavor and they personally inspect every job.

Trice Service Station Snyder

Instant service and Gulf gas and oil. That's what you will get at J. T. Trice and Fred Trice's service station.

The Texas Company Snyder

Gay McLaughlin, wholesale agent for Texaco products for 23 years, has always had in mind to build better, to build more durably, to build more dependably, a name that would endure.

Leath's Cafe Snyder

Delicious coffee, fine food and pleasant surroundings for breakfast, lunch or dinner.

Gulf Refining Co. Snyder

We are not satisfied until you are. Pursuance of that policy has built this wholesale Gulf Refining Co. station to its present outstanding position.

Mrs. Grant's Sewing Shop Snyder

The sewing shop of Mrs. Lee Grant has had the confidence of the people of this community for eight years and has always valued that confidence.

Bell's Flower Shop Snyder

"Say it with flowers," but say it with ours. The flower shop of Mrs. W. R. Bell, at Snyder for the past 11 years, always has had a splendid assortment of cut flowers, potted plants and flower designs for all occasions at all times.

Cave Beauty Shop Snyder

To the eye of an artist, nothing is at once so exquisite and so elusive as a lovely complexion. Fineness of texture, delicacy of hue, subtle changes of color—these thrill our sense of beauty, defy our attempts to capture them.

John Lynch Fruit Stand Snyder

Only quality makes low prices low. That is the foundation upon which this fruit stand and hamburger stand was started by John Lynch five years ago. And it has proved itself a good foundation.

Help-Yourself Laundry Snyder

In January of this year H. D. Brown founded this self service laundry at Snyder, which is well equipped and, which today is recognized throughout this section as a house of merit and one deserving of its large patronage.

Dever's Service Station Snyder

A modern service station at Snyder is that of C. E. Dever, which he started here about a month ago.

Winston & Clements Snyder

The farmer who uses the products sold by Winston & Clements, wholesalers of flour and meal and retailers of feed, is a farmer who is getting the most for his money.

D. & D. Auto Supply Snyder

Patronize the D. & D. Auto Supply of A. E. Dennis at Snyder, your neighborhood store, the home of satisfaction, where price sells and quality tells.

Dunn Gin Dunn

With just and ample cause to be proud of its role in the development of Scurry County in an agricultural capacity, the Dunn Gin, owned by the Puller Cotton Oil Company, enters its third year of service to the residents of Scurry and adjacent counties.

Parks Meat Market Snyder

If you buy your meats and bread provisions at the market of G. E. Parks, you need never worry about the quality.

Wade's Service Station Snyder

Service as you like it. You will really get just that at the Wade's Service Station, which was started here three years ago by Roy Wade.

Miles Studio Snyder

A photograph of yourself or family is a possession you will always treasure, and as the years go by you will value it even more.

Ohlenbusch Bros. Store Inadale

There's no need to look very far for a good general merchandise store if you live in or near Inadale, for Fred C. Ohlenbusch has been operating one there for three and a half months, when he succeeded his brother, A. B. Ohlenbusch.

Ohlenbusch Gin Inadale

The cotton growers of Scurry County have since the past three years, ever since it was organized, found in the Ohlenbusch Gin a staunch advocate of the farmer's interests; a firm that has always made every endeavor to work with and for them to their mutual advantage.

W. P. Sims Dry Goods Fluvanna

It may be good and not be ours, but it can't be ours and not be good. Since we started this dry goods store in Fluvanna 18 years ago, that is all we have ever handled.

Fluvanna Mercantile Company Fluvanna

It was in 1915 that this concern, the Fluvanna Mercantile Company, managed by W. H. Jones since 1924, came into existence, and in those 20 years it has always been their object to give you a little more for your money.

Fluvanna Garage Fluvanna

There is a revelation in store for you if you drop in at the Fluvanna Garage, which is owned by F. W. Wimmer, and get a demonstration of the new Ford V-8.

James Welch Dunn

People of Dunn and vicinity have for nine years been buying their general merchandise at the general store of James Welch, and with good reason, too.

B. J. Cleckler Grocery Ira

Few businesses in Scurry County have enjoyed the steady and consistent growth attained by the B. J. Cleckler Grocery at Ira.

Hermleigh Pharmacy Hermleigh

W. L. Jones, a registered pharmacist, graduated from Danforth College of Pharmacy in Texas. You are assured then, of expert care in having prescriptions filled.

Miller Drug Store Ira

You are a stranger here but once. Our quality patent medicines, tobacco and candies, our low prices and our friendly service will make you the friend of Miller's Drug Store in Ira, established here by Oscar Miller two years ago.

Ira Service Station Ira

You'll find the Ira Service Station the kind you come back to—a service station where you get real service—not just a filling station.

Higginbotham-Bartlett Lumber Co. Hermleigh

Secure our estimate for the lowest rates on lumber, building materials and paints and oils. We have been pleasing people of this section of Scurry County for nine years, and we can please you, too.

Fuller Gin Hermleigh

Having the machinery and necessary facilities to do your cotton ginning, the Fuller Cotton Oil Co. gin, which was established at Hermleigh several years ago and which L. B. Rea has managed three years, has naturally assumed an important part in the agricultural life of Scurry County.

Rector Grocery Hermleigh

Let's review the reasons why you will be benefitted trading at this store of K. B. Rector all the year around.

CONOCO GERM PROCESSED MOTOR OIL

When your car's in cold storage at the curb this winter, don't have misgivings. Simply do what no oiling system can do by itself . . . make your engine stay oiled at a standstill, by changing to Conoco Germ Processed Oil.

Then when the thermometer slides, so will every part of your engine. You can come out calmly, as late as you like, to an engine that's oiled IN ADVANCE—clear to the top—before you've touched door-latch or starter. No more cruel, scraping starts, without half enough lubrication. And right there, you know, is where engineers lay more than half the blame for worn-out motors.

But the Conoco Germ Process . . . patented . . . spares you all that. How? By giving this oil the startling power

to COMBINE with metal. That's what gives you the famous Hidden Quart, which won't drain down. It's up there for starting, and then while you're running it backs up the high-durability Germ Processed Oil film.

You may have one of the newest cars—with their copper-lead, high-lead, or cadmium-alloy bearings. Or you may have an older model—with babbit bearings. But you can be sure that any bearing—or any other moving part—is safer with Germ Processed Oil.

This season don't merely change your oil . . . change your car's whole future . . . all for the better. Get to your helpful Conoco man before Sunday comes. Continental Oil Company, Established 1875.

Mrs. L. A. Haynes, Correspondent

Mrs. A. P. Serratt, former resident of Scurry and Borden Counties, died suddenly of a heart attack at her home three miles north of Ballinger October 14. She is survived by her husband and one son, Meiton, three daughters, Nita, Lena and Faye, all of Ballinger. Her mother, Mrs. J. B. McKnight, and two brothers, Cliff McKnight, and two sisters, Raymond McKnight of Dunn, also survive. They were all present at funeral services. The services were held at the Presbyterian Church of Ballinger, with Bro. Moore, pastor, in charge. Jessie McKnight is visiting relatives at Ballinger for a few weeks. Miss Oma Jones and Thaddeus Aaron of Rotan were married October 18. Bro. Dever of Snyder performed the ceremony. The bride is the daughter of Mr. and Mrs. T. K. Jones. These young people will be at their home in Rotan. Charles Lavender, who underwent a tonsil operation Saturday, is doing nicely. Mr. and Mrs. Hubert Deere and children moved here from Durand, New Mexico, last week. Mrs. Ike Smith underwent an operation in a Snyder hospital Sunday afternoon. H. D. Mitchell of Intan spent a few hours Saturday with his sister, Mrs. O. D. McDonald, and Rev. McDonald. Their mother, who had been visiting here, returned home with her son. Bro. McDonald filled his last appointment at Gail for this conference year last Sunday. Alan Farrell of Slaton attended the play Friday night. His wife, who is a teacher in the school here, returned to Slaton with him and spent the week-end. The little daughter of Mr. and Mrs. Hubert Deere is ill at this writing. Mrs. Faye Clemons, who has been ill for some time, is improving. A box supper will be held at the Methodist Church next Monday night, under the auspices of the Missionary Society. Each lady or girl is to bring a pair of men's socks and fill one with sandwiches, fruits etc. The socks will be numbered. When the buyer finds his number, the pair of socks is his. A program will be rendered, and everyone is invited to come. Dr. Lawrie, his daughter and granddaughter from Post were visiting Mr. and Mrs. Hugh Cooke Sunday.

Little Billy Wayne Williams of Snyder spent Thursday night with his grandparents, Mr. and Mrs. Bub Blackard. Mr. and Mrs. Murry Boyd and Warren Boyd are spending a few days with their brother, Marshall, and helping him with his cotton and feed. There will be singing at the Baptist Church at Ira each Sunday afternoon at 3:00 o'clock. The class was organized last Sunday, with Albert Miller as president, Elmer Herring vice president, Geraldine Hardee secretary and Ophelia Davenport as choir leader. We ask the cooperation of the Ira and Egypt communities so we can have a real singing class. We also extend a hearty welcome to the singers of other communities to come and be with us. Sears Cook and family had as guests Monday afternoon J. H. Sears and wife of Snyder, and uncle and wife, Mr. and Mrs. D. C. Sears of Sacramento, California. Claire Webb was hostess at a birthday party for her mother last Thursday night, it being a surprise.

Martin News

Mayne Lee Gibson, Correspondent

Cotton pulling is the order of the day in this community. Mrs. S. H. Musgrove was given a surprise birthday dinner Sunday. She was told a neighbor was ill and wanted her to come. On her return home, she found a beautifully laid table, with a bountiful dinner on it. It had been brought in by her children and an old friend. Those attending were Mr. and Mrs. Fred Musgrove and children of Union, Mr. and Mrs. Neal Musgrove and son, Mr. and Mrs. Collins and daughter from Fort Worth, Mr. and Mrs. Pierce from Arkansas. Fluvanna School News. Those who attended the play at the school auditorium last Friday night say that they saw one of the best plays that has ever been presented in this community. Between 500 and 600 people attended the play and about \$47 was realized from gate receipts. School will be dismissed Friday of this week for a cotton picking season. School will probably be closed for a month or five weeks. There will be three basket ball games in the gymnasium Thursday night of this week. Hermleigh will be here with both girls' and boys' teams to engage Fluvanna girls' and boys' teams. The Dunn independent team will play the Fluvanna independent team after the high school games are played. A good crowd is expected for the games as these will be the last games played before the cotton picking season. The high school Curian Club, under direction of E. O. Wedgeworth, will present a three-act comedy, "Fingerprints," in the school auditorium on the night of October 31. Admission to the play will be 10 cents for children and 15 cents for adults. Most of the teachers will return to their homes when school is dismissed. The Suez Canal has made \$10,000,000 the last ten months on Italian transports and will catch them coming back. Youngster Born in Snyder Heralded As One of Hollywood's Shining Stars

From Jimmie Smith of Dallas, formerly editor of The Times, comes this remarkable story of a lad who was born in Snyder:

Little Dickie Jones is Hollywood's youngest "trick rider" and the youngest master of ceremonies ever uncovered in the California cinema capital. Born in West Texas, at Snyder, where his father, R. P. Jones, worked in The Scurry County Times plant, the youngster will be next seen with Dick Foran, new Warner Brothers western star, whose first stellar role is in "Moonlight on the Prairie."

Hoot Gibson Protege.
Little Dickie left Dallas three years ago as a protege of Hoot Gibson, the latter taking the youthful like to Saugus, California, where the youngster stayed one year in training under the Gibson regime. It was here that the youngster was dubbed "Little Western Star" because of his expert reaction to trick riding, roping and as master of ceremonies to the queens and kings of the cinema world.
During Dickie's childhood, he sang with Bill Boyd over WRR, appearing each Saturday with the Big Brothers Club. On October 25, three years ago, he left Dallas with his mother, Mrs. LaVerne Jones, whose unceasing efforts in the youngster's behalf made it possible for his succession to the throne as a young Dallas boy who made good on the west coast.

Seen in "Wonder Bar."
After thorough training under Hoot Gibson, his first picture was with Al Jolson in "Wonder Bar." Then, in succession, followed "Westward Ho" a Republic picture. Then in "The Hawk," a Continental picture, succeeding to RKO studios with two comedy shorts, co-starring in the second with Edgar Kennedy in "Gasoloon."

Known as the kid with the dancing feet, this Dallas youngster is coming into his own, according to all press dispatches out of Hollywood, and his newest starring vehicle, "Moonlight on the Prairie," will bring him honors that will entitle him to first-class rating in any zone of endeavor.

Dickie's history reads like a page out of a Horatio Alger novel, but the real reason of his success was the unceasing love and devotion of a mother who believed in her son, who has come through in dollars of the realm.

First Baptist Church

Sunday school, in departmental groups, meets at 9:45 a. m. for worship and assembly program. We are greatly encouraged by the good work done through the leadership of our departmental superintendents. Horace Mullins, the general superintendent, is making a good start. He proposes to lead our forces in proportion as they follow.

Let it be said that the constituency of the Sunday school, and, in fact, the entire church, show a wonderful spirit in cooperating. The average Sunday school attendance for the year just closed was 386. Our hope is to keep it above the 400 mark this year. With almost 600 enrolled, 400 is not too many to expect and work for in regular attendance.

The pastor will preach Sunday morning on "Holding Fast Our Profession." This message has a wide application in these uncertain times. A mixed quartet will sing "Crimson
