FORTY-NINTH YEAR

SNYDER, TEXAS, THURSDAY AFTERNOON, AUGUST 20, 1936.

NUMBER 11

## POLITICAL FIRES KINDLED TO WHITE HEAT AS VOTE NEARS

### TRIO FINED IN COUNTY COURT LIQUOR TRIALS

**Hung Jury in One Case, Some Dismissed, Some Acquitted and Several Continued.**

Out of nine men charged in county court with liquor law violations, three were fined, some were dismissed, some were acquitted and several cases were continued until the September term.

The cases, growing out of two June raids by state, county and city officers, were tried before Judge H. J. Brice, beginning last Thursday morning. County Attorney Dick Webb was prosecuting attorney and Temple Dickson of Sweetwater defended all the alleged liquor law violators.

**Green Is Fined \$150.**

Heaviest fine was given Chicken Green for sale of whiskey—a fine of \$150. The case was appealed to the court of criminal appeals, Austin. Two other cases charging Green with possession of liquor for the purpose of sale were passed to the next term of county court, in which cases will be set September 7.

Crockett Davis was fined \$100 for possession. His attorney filed notice of appeal. J. C. Day Sr. pled guilty of possession of unstamped liquor, and was given the minimum fine, \$10, and costs.

**Cunningham Jury Hangs.**

Jack Cunningham of Big Spring, charged with sale of liquor in a dry area, saw his case continued when the jury voted four for conviction and two against. He will face another charge, possession, in September.

Aubrey Stewart and Clarence Myers were acquitted by the jury on charges of possession. Stewart faces a liquor sale charge in the September court.

The case against Dee Myers for possession was dismissed on motion of the state.

### COMPANY G IS SECOND AGAIN

Scurry County's National Guard, Company G, 142nd Infantry, returned home early Sunday morning with second divisional laurels in their caps for the second consecutive year.

Company G was first in its regiment, and went to the finals with a San Antonio infantry company out of a field of 45 companies. Captain John E. Sentell's guardsmen achieved the same distinction last year, and were beaten in the finals by the same company.

Captain Sentell says the twelfth annual camp was one of the best behaved and most congenial he has ever taken to the summer session at Palacios.

### Tyler Baker Takes Burton-Lingo Helm

Tyler Baker of Sweetwater became manager this week of the Burton-Lingo lumber yard, succeeding C. W. Harless, who was recently transferred to management of the Burton-Lingo yard at Denison.

The local yard has been in charge of Dick Pearson, veteran Colorado manager, for two weeks.

Baker, who is single, moved Wednesday to the home of Dr. and Mrs. W. R. Johnson. He was associated with the Burton-Lingo Company at Dallas before his transfer to Sweetwater.

### Telegram Gives Highlights of Exhibit That Includes Scurry

**By FRANK REEVES in Fort Worth Star-Telegram.**

The cotton and feed section of the West Texas Chamber of Commerce display at the Fort Worth Frontier Centennial, sponsored by Scurry, Fisher, Jones, Shackelford, Mitchell, Stephens, Nolan, Taylor, Callahan and Eastland Counties, an area as large as Vermont, presents convincing figures to the many visitors making this building headquarters.

Resources for this year include 350,000 bales of cotton yearly average; grain sorghum, 2,000,000 bushels and 230,000 tons of feed; oil, 10,000,000 barrels yearly; cattle, 250,000 on ranches and farms; and wool, wheat and fruits produced in substantial quantities.

**The Display Stage.**

The area, which takes pride in calling itself "The Heart of the West Texas Country," has 10,000,000 acres of cotton and feed land still unplowed.

The stage for this display is covered with samples of cotton and grain sorghums. A miniature train, loaded with small cotton bales and cars of grain sorghum, stands on a track that winds through the various exhibits.

An attractive sign says: "West Texas is the Nation's Last Frontier for Cotton; the Foundation of the Stock Feeding Industry."

The claim of West Texas as a cotton producing area of importance is established by the fact that West Texas produces 46 per cent of the state's cotton and 13 per cent of the nation's cotton, or 1,570,000 bales per year for a period of 12 years.

**Natural Advantages.**

Some of the natural advantages for producing cotton in West Texas are listed as follows: Fertile level lands, no boll weevils and no root rot. Produced (not harvested) by 10-man-hours per bale against 30 to 38-man-hours average in other sections.

Grain sorghums have established themselves as a dependable and revenue producing crop throughout all West Texas. They are being used more and more each year for the fattening of livestock and poultry, and thousands of carloads are shipped each year to other states to be used in commercial mixed feeds.

**Placards in this display tell visitors that West Texas produces 90 per cent of the grain sorghums grown in the state and 44 per cent of the crop grown in the United States.**

Grain sorghums are used for producing 1,567,000 tons of silage in West Texas each year, in addition to the 22,600,000 bushels of threshed grain.

**Giant Head of Maize.**

A giant head of maize that has been constructed from many small heads never fail to attract attention. A watchman in the building says it is surprising how many visitors from the North take small bits of the cotton from the bale of ginned cotton on the front porch of the West Texas building.

Towns with panels forming a background for this display include the following: Cisco, Stamford, De Leon, Moran, Sweetwater, Snyder, Albany, Haskell, Colorado, Hamlin, Roby and Abilene. These panels are neatly lettered, many of them carry photographs, and each tells a convincing story of the advantages and attractions for the various towns.

**County's Budget Hearing Is Being Held Here Today**

The annual county budget hearing is scheduled to be held in the county court room this (Thursday) morning at 10:00 o'clock. The public is urged to be present for hearing of the proposed budget for the coming fiscal year.

At its regular meeting last week, the Commissioners Court accepted the resignation of Albert Smith, constable, who has not been on the job for several months, and immediately named Ather Chandler to serve in his place. Chandler was elected in the first primary for the regular two-year term beginning January 1.

The commissioners and County Judge H. J. Brice met Wednesday of last week for the third consecutive day, that time as a board of equalization. A number of taxpayers appeared before them to seek reduction of tax levies for 1937.

### Lions Club to Have Watermelon Cutting and Games Tonight

Ice cold watermelons, furnished by Clemens von Roeder of the county of Borden, will be the menu for Lions Club members, their families and a few guests who will gather at the school park this (Thursday) evening at 6:30 o'clock.

Before the melon cutting, several rip-smorting games will be played by frolicking Lions, and several contests will be carried out. The affair is being arranged by a committee composed of W. E. Holcomb, Earl Brown and J. C. Smyth.

The Lions missed their regular Tuesday noon luncheon in order to partake of this Thursday feast. They will reconvene at the Manhattan Hotel in regular session next week, according to the president, Frank Farmer.

### Mary Ellen Brown, Snyder, Wins First On Colorado Stage

Mary Ellen, 10-year-old daughter of Mr. and Mrs. G. H. Brown, Snyder, was unanimously winner of first place in the weekly amateur program at Colorado Friday night out of a field of 18 contestants. The program, given at the open-air stage, Ruddick Park, was witnessed by about 3,000 persons.

Mary Ellen's acrobatic numbers on drums not only drew the judges' decision, but brought prolonged applause from the audience. After her contest appearance, the sixth-grader gave an acrobatic dance and singing number by request of many people in the audience. She is also an accomplished toe and tap dancer.

The local girl has been notified that she will appear in a special program at Ruddick Park Friday night of this week, in which winners in all the amateur night programs will take part. This program will be a feature of the Centennial celebration that is to be held in Colorado Thursday, Friday and Saturday.

Trained for two years by Mrs. Hilton Lambert, Mary Ellen won first place both years for acrobatic dancing among the local teacher's pupils. The talented child has appeared on several local programs, including two performances at the Palace Theatre several months ago by pupils of Mrs. Lambert.

### Everything Ready For Mitchell Fete

"Please tell the public everything is ready, and old-times from Scurry County are expected at the Colorado Centennial celebration," J. H. Greene, Colorado Chamber of Commerce secretary, wired The Times yesterday afternoon.

He was referring, of course, to the giant three-day program, which opens Thursday afternoon at 4:00 o'clock with a mammoth parade. Registration will begin Thursday morning.

### 26 REPORT FOR GRID PRACTICE

Twenty-six suits have been issued to Tigers who entertain hopes of making the 1936 eleven. Head Coach W. W. Hill reported yesterday afternoon.

This number will be supplemented, before school starts September 7, by at least another boys who are unable to attend the practice session to bring the total to 30 or 35 youngsters.

Hill and Glen W. Berry, assistant football coach and head basketball coach, are giving the lads daily field and skill practice. They are not ready to say yet just how strong they think the Tigers will be when the season opens.

Tiger Field has been double drilled in order to get its depleted sod in growing shape, if possible. The center of the gridiron has been moved eight feet eastward because of the new floodlighting system.

### Odom Funeral Home Announces Addition Of New 1937 Hearse

When R. H. Odom returned from Cincinnati last week with a 1937 model Sayers & Scovill hearse, with Buick chassis and motor, he further laid claim to having one of the most modern and complete funeral homes among the smaller cities of Texas. Mrs. Odom accompanied her husband.

The new machine supplements the combination hearse and ambulance of recent model, and the snow-white ambulance already owned by Odom Funeral Home.

Beautifully upholstered and offering lighting and other appointments heretofore unknown to even the most expensive hearses, the Odom machine's artistically paneled sides represent curtains that blend with the streamlined effect of the entire chassis.

### Hobbs School to Be Started Next Week

Superintendent R. K. Williams of the Hobbs school, Fisher County, announces that first work will be done there Monday morning, August 24. A number of Scurry County students attend the school.

The bus will make the usual round Monday morning, and pupils will be returned to their homes at noon.

Singer Sewing Shop, east side of the square, is now in charge of Mrs. Lee Grant. Entire equipment of the Singer Shop is available for those who need dressmaking, hem-stitching and kindred work. Mrs. Grant announces.

### Interest Mounts In First Baptist Revival Meeting

Crowds have increased night by night at the First Baptist Church revival services, reports Pastor Lawrence Hays. Interest reached a high point Wednesday night, he said, when 143 attended prayer services at 7:30 o'clock, and only scattered seats were empty during the preaching hour.

Rev. C. E. Lancaster of Pampa, who is doing the preaching, is bringing straight-forward messages on sin, salvation, every-day Christianity and other pertinent subjects.

The junior choir, under direction of Willard Jones, who is leading song services, jumped from 64 Tuesday night to 82 Wednesday night. The adult choir was also at its highest peak of the meeting, which began Sunday morning.

Sunday school classes will be featured in morning services next week. Services are held at 10:00 a. m. and 8:00 p. m.

Rev. Lancaster will preach on the east side of the courthouse Saturday afternoon at 3:30 o'clock. The junior choir will be presented in several songs before the preaching.

### Hardware Store To Be Open Next Week

With most of his fixtures complete and with merchandise coming in practically every day, H. L. Wren plans to have his new hardware store ready to open by Friday of next week.

Occupying the Towle building on the north side of the square, the building and fixtures are being finished in orange and green. Modern open-face counters and show cases will be used almost exclusively.

Opening date will be definitely announced in next week's Times.

### Snyder to Have Twelve New Faculty Members as School for 1936-37 Opens

Snyder students and patrons will be introduced Monday morning, September 7, when the local school term begins, to 12 new faculty members—six in high school, three in junior high and three in the primary department.

Superintendent C. Wedgeworth late last week announced completion of the 1936-37 faculty, which includes 31 teachers and leaders, two more than last year.

Margaret Henderson of Lubbock, former teacher at Cleveland, Texas, will have charge of commercial work—the first full-time commercial teacher here in several years.

**New Court Coach.**

Glen W. Berry, whose home is in Lufkin, comes from Cushing to become head basketball coach and a high school teacher. He coached the Cushing court team to a state championship last year. His wife will teach in the primary department.

W. C. Hollis, who completed his M. A. work at the University of Texas this year, is the new teacher of social science, including history, and also will help coach debate.

Elsie Barcus of Clarendon, who has been teaching at McCamey, will have charge of physical education for girls. Edna Lyster of Naples, the sixth addition to the high school

### Times Will Again Post County Vote

Although only seven races are to be decided in Saturday's primary, The Times will post detailed returns in front of Bryant-Link Company, as it did in the first primary.

Folks are again invited to this free election party, which should be ended by 10:00 o'clock because of the short ballot. No extra will be issued, but the bulletin board will be left up Sunday for all to see.

Election judges, who gave wonderful cooperation during the first primary, are again requested to bring in their returns for all offices, when complete, or phone them to the Times office collect.

### A. A. Rollins Is Killed In Wreck Near Jacksboro

Audra A. Rollins, former Snyder resident and son of J. H. Rollins of Snyder, died in a Wichita Falls hospital at 11:45 o'clock Saturday morning as a result of injuries suffered in an automobile accident Friday night.

Rollins and H. M. Pryor were victims of a collision five miles south of Jacksboro at 8:30 o'clock Friday night when the automobile in which they were riding crashed into a parked truck. Pryor, a Graham man, was not critically injured. The occupants of the truck, Lester Johnson and Clifford Anthony, both of Crosby County, had pulled to the side of the road to repair a flat tire. They escaped with minor injuries.

Rollins was crushed between the steering wheel and the car's front seat, and it was necessary to tear the automobile apart by means of two trucks before he could be extricated.

Rollins has been a used car salesman for the LeSage Motor Company at Wichita Falls since June. He had an interest in the Palm Cafe, east side of the square, Snyder.

Funeral services, held Sunday afternoon at 4:00 o'clock, were at the Merkle Undertaking Company, with Dr. C. M. Raby, pastor of the First Methodist Church, officiating. Burial was in the Breckenridge cemetery. Several relatives attended the rites.

Survivors are the widow and father; eight brothers, Elza, Dewey, Ivy, Lonnie, Jim, Damon and Raymond of Snyder, and Alvin Rollins of Wichita Falls; two half brothers, Garland and Bub Rollins of Snyder.

### Townsend Argument In Snyder Saturday

A debate on the Townsend Old Age Pension Plan was conducted in the district court room Saturday afternoon before a medium-sized audience composed primarily of men who would be eligible for \$200 monthly under Dr. Townsend's proposal.

Dr. C. P. Tate of O'Donnell supported the plan, and P. I. Townsend, former Scurry County Democratic chairman and long-time Democrat, opposed it in a warm interchange of arguments.

Regular debate rules were followed, with Sid Bruton, deputy sheriff, as chairman.

### Hardware Store To Be Open Next Week

With most of his fixtures complete and with merchandise coming in practically every day, H. L. Wren plans to have his new hardware store ready to open by Friday of next week.

Occupying the Towle building on the north side of the square, the building and fixtures are being finished in orange and green. Modern open-face counters and show cases will be used almost exclusively.

Opening date will be definitely announced in next week's Times.

### Snyder to Have Twelve New Faculty Members as School for 1936-37 Opens

Snyder students and patrons will be introduced Monday morning, September 7, when the local school term begins, to 12 new faculty members—six in high school, three in junior high and three in the primary department.

Superintendent C. Wedgeworth late last week announced completion of the 1936-37 faculty, which includes 31 teachers and leaders, two more than last year.

Margaret Henderson of Lubbock, former teacher at Cleveland, Texas, will have charge of commercial work—the first full-time commercial teacher here in several years.

**New Band Director.**

Ralph L. Reschar comes from Somerset, Kentucky, where he established an enviable reputation as a band director and musician, to become director of the Tiger Band. He is a graduate of the University of Indiana. He will teach in the junior high school.

Other junior high teachers are Margaret Williams of Frederick, Oklahoma, graduate of C. T. A., who will be in charge of public school music; Mattie M. Tomlinson of Runge, graduate of Southwest State Teachers College, who comes from Pearsall school.

New teachers in the primary department are: Dorothy Egerton, daughter of Mrs. T. Egerton, who has been teaching in the Groom schools; Alta Bowers, daughter of Mr. and Mrs. Giles Bowers of Snyder, teacher in county schools for two years, who graduates from Mary Hardin-Baylor College this summer; and Mrs. Glen Berry.

**Five M. A.'s on Faculty.**

Local schools now have five faculty members with M. A. degrees.

### SURVEY BEGUN THIS WEEK ON SOUTH ROUTE

**Permanent Opening of Underpass And Overpass Give Scurry Better Highway Outlook.**

The county faced the brightest highways prospects in several months when it was announced within the past few days that the Highway 101 survey has begun, and that the underpass and overpass near Snyder have been permanently opened.

Beginning of the survey on Highway 101 from the Mitchell County line to its intersection with Highway 7 and Highway 15, two miles southeast of Snyder, followed a recent conference at Austin by citizens from Snyder, Dunn and Colorado with the State Highway Commission.

**Uncertain Routing.**

Resident Engineer H. M. Dyer, who has been stationed at Snyder for several months, said yesterday that routing of the highway is only a matter of conjecture. All preliminary plans for the new routing, however, lead Mitchell and Scurry County observers to believe that the road will lead directly south from Dunn, and that a new bridge will be built across Deep Creek about a mile and a half south of Dunn.

Highway 101 from Colorado to the Scurry County line has been rerouted and is practically complete.

**Underpass Completed.**

The underpass northwest of Snyder has been permanently opened, and is complete with the exception of a few minor finishing touches.

The beautiful overpass over the Santa Fe, southeast of town, that links Highways 7 and 15, and almost joins 101, has also been opened permanently. Topping was finished late last week. Only side rails, sodding of the slopes with grass and other details remain to be completed.

### Hermleigh Plans Renovation, Grid Squad This Year

Complete renovation of all buildings and organization of a football team will be features of Hermleigh's school opening Monday, August 31, writes Superintendent W. T. Hanes from Lubbock, where he has been attending Texas Tech.

The entire plant of three buildings is being completely renovated and repainted on the inside. The school curriculum is being changed to conform with the new program of the state department of education. Music will be offered this year throughout the school system.

Twelve teachers will again be in the school. All places are filled except the high school principalship, and this vacancy will probably be filled this week.

The school's first grid squad will be coached by C. B. Bishop, teacher last year, and by Superintendent Hanes. Twenty-two complete football uniforms have been purchased. More than 20 boys, with their coaches, will leave Saturday or Sunday for an eight-day training camp.

### Two Stinson Stores Install Neon Signs

Snyder's latest users of neon signs are the two Stinson drug stores.

Oval signs in red neon in front of both stores, north side and west side, tell the passerby: "Rexall Drugs."

### Opportunity Days Are Featured at Penney's

While the boss is away the clerks will... put on a value event that will make a reputation for the assistant manager and his associates. That is the theory advanced by Horace Mullins, assistant manager of the J. C. Penney Company store here this week, in the absence of Manager H. L. Vann, who is on a vacation trip to Alabama.

Attention of Times readers is directed to the advertisement of the Penney store on page three of this issue for more details of the event.

**Revival Begins Sunday.**

The Church of God revival will start at the Big Sulphur school house, five miles southwest of Hermleigh, Sunday night. "Holiness will be preached," sponsors say, "and everyone is welcome to attend all the services."

### \$1.00 in Cash if You Tell Best 'Un

The Times is prepared to offer \$1 in cold cash of the realm to any old-timer who can tell the best TRUE hot weather story or dry weather story concerning Scurry County. Fifty cents will go to the next best story writer.

If you have the hottest or driest story—or think you have—turn it over to The Times not later than Tuesday noon, in writing; not more than 250 words. The cash will be awaiting the two winners, and the best stories will be published the following week.

You can qualify as an old-timer, under Times story-writing rules, if you are at least 45 years of age, and if you have been in Scurry County at least 25 years.

Let's get some fun out of this hot weather spree! Bring in or send in your story and win \$1 or 50 cents!

### Ask Designation Of Four Counties In Drouthy Area

Designation of Scurry and three adjoining counties of the Nineteenth Congressional District as a part of the national drought area has been recommended to Uncle Sam by the Texas Extension Service. It was learned here late last week.

Congressman George Mahon and County Agent W. R. Luce are largely responsible for hasty investigations by the district agent of the Extension Service, and subsequent recommendation to Washington by state authorities.

The three other counties are Borden, Mitchell and Howard. Many visiting farmers and others who have seen the plight of Scurry County crops say no other section of the state has such poor prospects just now.

Along with designation as a drought area, reduction of freight rates for livestock shipments is being asked.

### More Cotton Ginned

The terrific hot spell that made Scurry County one of the hottest places in the state last week, has given way to lower temperatures since Friday, but snatches of clouds have been mere teasers. Several bales of cotton have been ginned here and in other parts of the county since Raymond Lloyd's first bale was turned out last Wednesday.

### RULE PERMITS NEW PLANTING

A ruling on the agricultural conservation program was received in the county agent's office August 14 that permits farmers who have filed application on this year's farm program to plant sorghums and millets on the retired acreage for home use.

This applies only to those farmers not producing their normal feed crops.

### Trio From Area Win At O'Donnell Rodeo

Three Scurry and Borden County cowhands went to the O'Donnell rodeo last week to claim several first and second placings.

Ira A. Drum of Pluvanna won first in yearling bell and second in calf roping. R. D. Parks of Snyder was second in cow belling. Frank Miller of Borden was first in yearling bell the first day, and second the second day.

### Patrons Pleased as Delivery Expanded

Almost 300 men, women and children—believe it or don't—became city delivery patrons of the local post office when territory of the two carriers was expanded Monday by addition of 24 blocks.

These patrons are already highly pleased with the new service Uncle Sam is providing, and almost 100 per cent of the potential users are taking advantage of the service.

**Drinkard Gets Degree.**

H. Victor Drinkard, teacher in the Hermleigh schools, will receive a bachelor of science degree from West Texas State Teachers College at Canyon tonight at exercises to be held, with Dr. J. A. Hill, college president, delivering the main address and conferring degrees. Mr. Drinkard, son of Mr. and Mrs. J. G. Drinkard, has been teaching in county schools for several years.

### SHERIFF RACE CONTINUES TO BE HEADLINER

**Almost as Many Voters May Go To Polls Saturday as in Hot Primary Last Month.**

Political fires are being kindled to such white heat these last few days before the second primary that many observers expect the total vote to come within striking distance of the record ballot cast July 25.

As in the first primary, interest is spotlighted on the sheriff's race, which finds Clyde Thomas, farmer from the Ira community, matched against J. A. Woodfin, former city marshal of Snyder.

Interest has deepened in the county clerk's runoff as the two candidates, Charles J. Lewis and Mattie B. Trimble, the incumbent, "shell the woods" for votes that may be undecided.

**Representative Race.**

Next in county-wide interest is the state representative race, with Leonard Westfall of Aspermont, first term holder of the place, crossing swords with C. L. Harris of Dickens County, youthful leader in the first primary out of a field of four candidates.

In commissioner's Precinct No. 1, Forest Jones is seeking re-election against Hubert Robison, who survived the four-candidate first primary.

Two newcomers to precinct politics, J. E. (Jake) Huffman and J. G. Landrum, are said to be running neck and neck in the Precinct No. 2 commissioner's contest.

**Only Two State Races.**

These two county, two precinct and one district races are joined by two state races to complete the Saturday ballot.

State interest is lax in both contests, since Ernest O. Thompson of Amarillo is generally conceded to be assured of re-election as railroad commissioner, and the commissioner of agriculture place is not of major importance in the minds of most voters.

Frank S. Morris of Dallas County, who nosed into the railroad runoff, has waged an intense campaign, and he has been aided by Lon A. Smith, anti-Thompson member of the commission, and by three of the first primary candidates. Thompson is actively supported by the other commissioner, C. V. Terrell.

J. E. McDonald is seeking to retain his job as agriculture commissioner against the July 25 lead of George B. Terrell of Alto, ex-commissioner and ex-congressman.

**Good Absentee Voting.**

Absentee voting, which ended at midnight Wednesday, had reached a total of 115 Wednesday at noon. The first primary absentee vote was 162, a county record.

All voting boxes will remain unchanged from the first primary, according to A. C. Preullit, county chairman.

Because the ballot is short, all precinct chairmen are expected by Preullit to have their counts completed and their unofficial returns into the Times office by 8:00 to 9:00 o'clock.

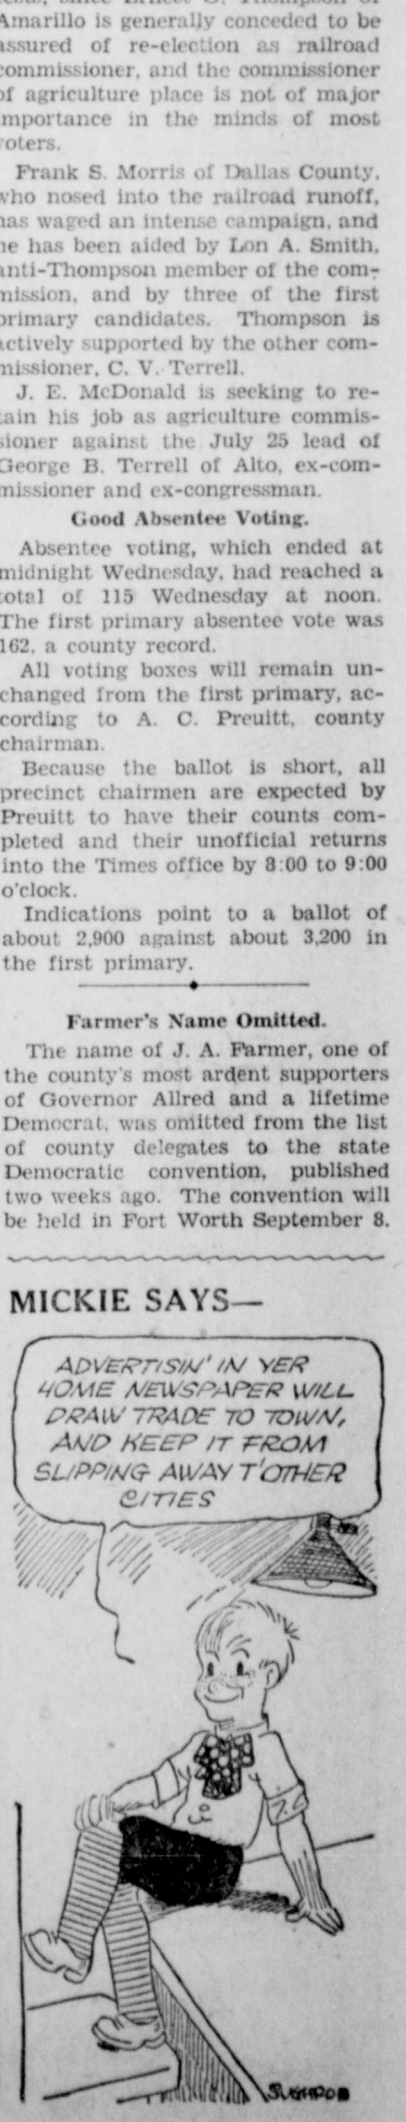

Indications point to a ballot of about 2,900 against about 3,200 in the first primary.

**Farmer's Name Omitted.**

The name of J. A. Farmer, one of the county's most ardent supporters of Governor Alford and a lifetime Democrat, was omitted from the list of county delegates to the state Democratic convention, published two weeks ago. The convention will be held in Fort Worth September 8.

## Charline Ely Is Presented In Junior Speech Recital Wednesday Evening

Miss Charline Ely, daughter of Mr. and Mrs. W. J. Ely, was presented last night in her junior speech recital at McMurry College, Abilene. Her program was given in the beautiful rock garden on the McMurry campus in the presence of several hundred friends.

The local girl was presented by Mrs. Flora Barrow, summer director of the speech department of McMurry. She was assisted with the program by Evelyn Long of Ranger, violinist, who is a junior in the school.

Miss Ely will receive a bachelor of arts degree tonight with an English major and speech minor. She will teach next year at Water Valley, near San Angelo.

A graduate of the local high school, Miss Ely has taken active part in school activities at McMurry just as she did in Snyder. She has been a member of the Thespian Club, dramatic club of McMurry, all during her four years at the school. She has also held membership in T. I. P., social club for girls, and the school's press club. In 1935 she was chosen junior class favorite; last year she held the presidency of Sigma Lambda Kappa, a junior federated club; and she is secretary of the summer senior class.

An original arrangement of "The Song of Hiawatha" by Henry Wadsworth Longfellow was given by Miss Ely, who appeared in costume for the five different episodes.

Snyder people who were present for the program were the following: Mr. and Mrs. Ely, Mrs. H. G. Towle, Mrs. H. J. Brice, Richard Brice, Margaret Deakins, Johnnie Mathison and E. M. Deakins.

## Rainbow Girls in Afternoon Meeting.

Rainbow Girls of the First Baptist Church met at the school park Tuesday evening at 6:00 o'clock for a class meeting. New class officers were elected during the business meeting.

After playing games for several hours, refreshments were served to two guests, Lentie Bell Tate and Elsie Murphree, and the following members: Jessie Huey, Elwanda Spears, Frances Rogers, Geraldine Chapman, Pauline Rogers, Alina Ruth Rogers, Elsie Pearl Dennis, Norma Lee Morgan and Zonelle Burnett.

## Slumber Party Honors Visitor.

Miss Elizabeth Phillips of Childress was named honoree at a slumber party Friday night at the home of her sister, Mrs. Orvino Sturdivant.

The group of girls went to bed at 4:00 o'clock Saturday morning after spending the time playing games, telling ghost stories and eating ice cold watermelons.

Those present were: The honoree, Leona and Rosa Lou Prather of Ennis Creek, Peggy Gelaska and Bobbie Lou Harless, Gladys Mae and Marjorie Witten, Geneva Way, Edna Lee Robinson and Sydney Mae Webb, all of Lloyd Mountain.

Louisiana People Here. Miss Cyron Callahan and Harold Napper, both of Simsboro, Louisiana, were guests last week of Mr. and Mrs. Grady Ferguson on the Ferguson Ranch in Kent County and of Mr. and Mrs. C. E. Ferguson here. Miss Callahan and Mrs. Grady Ferguson have been friends for years, and Mrs. Ferguson accompanied them back to her old home for a visit. Leaving Tuesday, she planned to visit with her parents, Mr. and Mrs. W. A. Barnett, Miss Callahan and with other friends.

Mr. and Mrs. J. W. Crawley and children visited in Mart last week with their daughter and sister, Mrs. Joe D. Heath. Mrs. Heath accompanied them home for a two weeks' visit.

## How Cardui Helps Women To Build Up

Cardui stimulates the appetite and improves digestion, helping women to get more strength from the food they eat. As nourishment is improved, strength is built up, certain functional parts go away and women praise Cardui for helping them back to good health. Mrs. G. E. Rastin, of Hixson, W. Va., writes: "After the birth of my last baby, I did not seem to get my strength back. I took Cardui again and was soon sound and well. I have given it to my daughters and recommend it to other ladies." Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

## Morning Party Is Compliment to Club.

A three-table morning bridge party Tuesday at 8:45 o'clock complimented members of the Tuesday Bridge Club and guests. Fresh summer flowers decorated entertaining rooms as Mrs. J. C. Dorward was hostess to friends.

Mrs. O. H. Smith, a guest, took the traveling prize at the close of the bridge play. A dainty salad course was served.

Guests were the following: Mrs. Essie Groves of Los Angeles, California, and Mrs. Joe C. Shinson, G. Towle, Ivan Dodson, Melvin Blackard, Wayne Boren, Hugh Boren and O. H. Smith; Misses Hattie and Gertrude Herm. Mrs. H. J. Brice and Joe Strayhorn were the only club members present.

Mrs. W. J. Ely will be hostess to the club at its next meeting.

## Underwoods Hold Annual Reunion.

The Underwood family held its annual reunion at the home of George W. Underwood Tuesday. The occasion celebrated Mr. Underwood's seventy-fourth birthday. Twenty-two of those years have been spent in Snyder.

A basket picnic lunch was spread under shade trees in the yard for all of Mr. Underwood's children except one daughter, who lives in Pomona, California. Reunions are held by the group every year; either at the home here or at the ranch home in Kagi County.

Of the 10 living children, nine were present. He also has 40 grandchildren and two great-grandchildren. More than 60 people were present for the enjoyable day.

They were: Ed Underwood and grandson, Mr. and Mrs. C. M. Byrd and children, Mr. and Mrs. Roy Underwood and children, Mr. and Mrs. Bud Underwood and children and Mr. and Mrs. Bill Underwood and children, all of Claremont; Mr. and Mrs. Garland Wolf of Snyder; Mr. and Mrs. Nath Underwood of Jayton; Mr. and Mrs. Bud Furcane of Jantion; Mr. and Mrs. Ed Myers of Plonnet; Mr. and Mrs. Alvin Koonsman of Snyder; Miss Christine Helms of Pomona, California; Mr. and Mrs. Bill Helms of Roten; Mrs. Maggie Freeman and daughter, Mildred Fay, Mrs. J. ## Tacky Party Is Given for Class.

Misses Margaret Miller and Marie Oliver delightedly entertained the members of the Win One Class of the First Methodist Church with a "tacky" party last Thursday evening at the home of Miss Miller.

Reva Pitzer received the costume prize when the judging was completed. Kid games were played on the lawn, and delicious iced watermelon was served late in the evening.

Those present were the following: Elizabeth Blakey, Elizabeth Gordon, Hazel Gordon, Zeufebau Patrick, Claire Patterson, Starlene Taylor, Katie Marie Louder, Dollie Randall, Virginia Yoder, Virginia Will, Hazel Pollard, Mary Margaret Towle, Estine Dorward, Evelyn Erwin, Ruth Leicher, Reva Pitzer, Mrs. Joe Caton, class teacher, Mr. and Mrs. J. E. Miller, and the hostesses.

Only members of the bridegroom's family and a few friends were present for the service. Miss Ney Camille Fenton of San Angelo was maid of honor, and Dixie White, Lubbock football star, was best man.

The bride, who is the daughter of Mr. and Mrs. T. S. Doak, Lubbock, was dressed in a brown tulle frock and wore a corsage of pink rosebuds. Both she and Mr. McClinton are 1936 graduates of Lubbock High School. She will continue her work as cashier for the J. C. Penney Company store in Lubbock.

Mr. McClinton is the youngest son of Mr. and Mrs. Oliver (Butch) McClinton, former residents of Snyder. He won recognition in sporting fields as halfback on the Westerner football team there the past two years, and as a track man. He is employed with the Peerless Dry Cleaning Company at Lubbock.

Several parties were given honoring Mrs. McClinton before the wedding. The couple is at home at 1212 Tenth Street, Lubbock.

## Mrs. Louder Plays On Colorado Program

Mrs. Earl Louder, an outstanding artist in the field of music, was presented on two programs in Colorado recently. Mrs. Louder plays the piano-accordion and piano and sings.

Last Friday night Mrs. Louder was one of the guest artists on the weekly amateur program sponsored by the Colorado Chamber of Commerce. She and one of her piano-accordion pupils, Robert Earl Wulfin of Colorado, performed before 3500 people at Ruddick Park.

Mrs. Louder and Robert Earl also were presented on Friday's Lions Club luncheon program. She gave two solos, "Sharp Shooters March" and "Is It True What They Say About Dixie?"

Accordions duets by the two were "Glow Worm" and "The Glory of Love." For an encore Mrs. Louder played her own accompaniment for a vocal number, "Quit Shoutin' in the Amen Corner," a negro spiritual.

### Jones Bill Sets Out Benefits of Rural Forestry

Through Congressman George Mahon, The Times has a copy of a bill on farm forestry that was introduced at the last session of Congress by Marvin Jones, representative of the 18th District. The bill was referred to the committee on agriculture, of which Congressman Jones is chairman. It reads: "Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.

"That, in order to aid agriculture, increase farm-forest income, conserve water resources, increase employment, and in other ways advance the general welfare and improve living conditions on farms through reforestation and afforestation in the various states and territories, the secretary of agriculture is authorized, through the Forest Service and in cooperation with appropriate federal, state and other agencies, or directly, to produce, procure and distribute forest-tree and shrub planting stock;

"To make necessary investigations; to advise farmers regarding the establishment, protection and care of farm forests and forest and shrub plantations and the harvesting, utilization and marketing of the products thereof; and to enter into cooperative agreements for the establishment, protection and care of farm and other rural tree and shrub plantations within such states and territories; and, whenever suitable government-owned lands are not available, to lease, purchase or accept donations of land and develop nursery sites for the production of planting stock.

"No cooperative reforestation or afforestation shall be undertaken pursuant to this Act unless the co-operator makes available without charge the land to be planted and the government shall not contribute to the direct additional cost more than 50 per centum of the estimated ultimate direct additional cost of establishing, protecting and caring for any such tree or shrub plantation in accordance with the conditions and requirements of the secretary of agriculture."

**They Build Displays.**  
T. W. Pollard, Jesse Jones and their employees will be glad to help you with any shelving display cases or other work of similar nature. After several days of bustling labor, they completed two window display shelves at the Pollard & Jones service station that are almost works of art.

**Studebaker Sales Grow.**  
Studebaker dealers in the United States sold 5,348 passenger cars and trucks during July, bringing the total for the first seven months to 43,512. This exceeds each of the three previous full years. Total retail deliveries in the United States in 1933 were 39,551; in 1934, 42,917, and in 1935, 43,435.

Visitors are pleased to find so many well watered yards in Snyder despite the fierce heat and dry weather that has been prevalent most of the summer.

### Chevrolet Produces Car No. 12,000,000 In All-Time Record

Spurred by a record-breaking demand continuing month after month, the production of Chevrolet cars and trucks passed the 12,000,000 mark at Flint, Michigan, late last week, the last million of that all-time total having been built in almost exactly eight months.

The announcement was made by M. E. Coyle, president and general manager of the Chevrolet Motor Company. The number of cars and trucks built since introduction of the 1936 model is now 1,182,000, he said.

Achievement of the 12th million-car milestone in the company's history was hastened, Mr. Coyle said, by the sustained demand which these products are enjoying all over the country, and the increased production facilities, which, installed a year ago, have enabled the company to keep pace with that demand. Even with those facilities, he said, it has not been easy to build cars and trucks as fast as they were wanted in the field.

Number 12,000,000, Mr. Coyle announced, will be displayed in Detroit and at the Great Lakes Exposition in Cleveland prior to being driven to Dallas for exhibit at the Texas Centennial.

### Don't Blame It on His Ingrown Nails

When Mrs. H. G. Towle heard a violent commotion Monday night after she had retired, you could hardly expect her to think it was being made by the mayor of Snyder, her usually easy-going husband.

But it was the mayor, all right, with a centipede curved around one of his bare feet. Dr. Towle stepped on the varmint just before he retired, and the many-legged visitor was not pleased. The courageous mayor fought the invader with pillows, forks and other weapons until he killed him quite dead.

So if you see the mayor limping, about town, don't blame it on ingrown toenails.

Until America moves aggressively against incompetent, reckless and speed-mad drivers, and out-of-repair cars, our arisly accident record will continue to get worse, not better.

### City Tabernacle Revival Subjects Are Announced

Rev. B. A. Etheredge, evangelist for the revival services that are being held at the city tabernacle, announces that he will preach Friday night on "Why I Am a Baptist." The Saturday night subject is "Is There a Literal Hell of Fire and Brimstone, and Do Sinners Go There at Death?"

"The meeting continues as the Lord leads," the evangelist says. "Souls are being saved and Christians are being revived. Come and get right with God."

Five services are planned for Sunday. An old-fashioned song and praise service will be held at 10:00 a. m. At 11:00 a. m. the evangelist will preach on "Can a Saved Person Sin a Sin That Will Send Him to Hell?" A big singing is planned for everybody at 3:00 p. m., and special music and singing is offered at 8:00 p. m.

The Sunday evening subject is "Sinners in the Hands of an Angry God. His Judgments Poured Out in This Life as Well as in Eternity."

### Two Other Schools Open Last Monday

Two other schools in the county opened Monday besides the three mentioned last week. Crowder, Bethel and Ira school openings were announced. China Grove and Canyon also began their year's work.

The same teachers are returning to Canyon this year—A. T. Williams and Mrs. Christine Hamil. Both have taught there for several years.

Another teacher has been added at Canyon this year, making it a four-teacher school. Leading the school's activities this year are Mr. and Mrs. Goosby, Mrs. C. C. Moseley and Miss Evelyn Worley, all of whom are new to the place. Teachers there last year were Mr. and Mrs. L. E. Stock and Miss Alta Bowers.

Wild animals never kill for sport. Man is the only one to whom torture and death of his fellow creatures is amusing in itself.—J. A. Proude.

"The Unpardonable Sin or Crossing the Deadline" is the Monday night subject.

### EMERGENCY HOSPITAL

Mrs. Gladys Meadow of Monahans was in the Emergency Hospital early this week as a result of an automobile accident. She suffered cuts about her head and other bruises. She was taken home Tuesday.

Billy Bob Hardee, son of Mr. and Mrs. Dick Hardee, Ira, was in the hospital for a minor operation Tuesday.

### Dewey Stacys Move to Mobile.

Mr. and Mrs. Dewey Stacy and children visited here with Mr. Stacy's parents, Mr. and Mrs. M. Stacy, the latter part of last week and the first of this week. The Stacys are moving from Seattle, Washington, to Mobile, Alabama, where Mr. Stacy will be connected with a shipping concern. The former navy man has been employed as a deep sea diver, working on the great Coulee Dam in Washington.

### Economy Store Has New Man This Week

Earl Solomon began work Monday as new card writer and window trimmer at the Economy Store. He takes the place formerly held by Ed Sumner.

The new man, who formerly worked in Gainesville, is experienced in window trimming and card writing, having done the work for several years.

Solomon arrived here Sunday and is getting acquainted with customers and business people of the town this week. He is staying at the John Keller home.

### New Manager Goes To Snyder Produce

Snyder Produce has a new manager this week, effective Wednesday, in the person of Paul O'Brien, who has been with the Western Produce Company at Abilene.

O'Brien succeeds J. A. Brown, who, with his family, is moving to the state of Colorado.

There were in 1936, according to the United States Census Bureau, 1,913,196 persons in the United States over 75 years old.

A new third party has been formed. They usually finish in that order.—Omaha Morning World-Herald.

Vote Saturday!

I Ain't Gonna Sin No Mo'. Talkative Tillie says if the state representative race gets any hotter, it will be a downright sin to talk about the weather any more.

If Scurry County voters realize how much their ballots mean, they will go to the polls Saturday in numbers at least as large as in the July primary.

His Hirsute Adornment. Now that an interviewer has assured a waiting world that Hitler has a red moustache, we can readily understand why the Jews see red every time they see Der Fuehrer's picture or hear his name mentioned.

The two county and two precinct races will probably be as tight as any four runoff races ever held in the county. One vote determined one of the runoff candidates.

The New Three R's. With Scurry County schools starting right and left, Pessimism Pete rises to suggest that the Three R's ain't what they used to be. Now it's Rabs, Rootin' and Razz, especially during football season.

Editorial of the Week. THE LIQUOR INTERESTS BECOME WISE. Wonders will never cease. An executive of one of the largest distilleries in Kentucky believes the liquor interests are making a mistake in their method of advertising their wares.

He Uses Republicans. Speaking of believe-it-or-nots—Did you know that President Roosevelt had two Republicans, Secretary Ickes and Secretary Wallace, in his cabinet? And did you know that a number of Republicans have other important positions under the New Deal?

Not Such a Bad Town, Folks. Snyder is not such a bad town, after all. Mitchell County ginned her first bale of cotton Tuesday of last week, and had raised \$35 in premiums up to Thursday at noon.

A Thing of Real Beauty. Locals who have been to the Frontier Centennial at Fort Worth, declare the show to be a thing of real beauty, from the West Texas Chamber of Commerce exhibit building to glorious Casa Manana and the other entertainment attractions.

Why should there be any strait-laced code for liquor advertising? If liquor is a good thing, if it is beneficial to humanity, there is every reason why its virtues should receive the widest and most attractive publicity.

Tile for Scurry County. Because of the extreme dry weather, gardening of any variety has not been pleasant or very profitable in Scurry County this year. But gardeners who were far-sighted enough to use tile according to directions came out far ahead of their tileless brethren.

But those manufacturers and dealers who can see farther than the end of their noses, see plainly that the thing is being overdone and that presently they will be called upon to stem another rising tide of indignation which will again abolish their business.

Neon Takes the Day. We haven't counted them accurately, but offhand we can name 14 local business houses that have installed neon signs within the past 18 months. Used with judgment and taste, this amazing innovation in street advertising is taking the day everywhere.

The shrewd publicity of Rose, plus the ingenuity of Amos G. Carter, has caused the Fort Worth show to steal the spotlight from Dallas, so far as entertainment is concerned. . . . With John Murray Anderson and Raoul Pene du Bois as two show men without peer to steer the show along practical theatrical lines, one finds the show's highlights a succession of grand events guaranteed to make pale Ponce de Leon's sought fountain of youth for reviving jaded nerves.

Current Comment.

BY LEON GUINN.

The Frontier Centennial at Fort Worth is the theme song of Texas, since Fort Worth has proven itself to be the fun center of the nation, and the drawing card for big boys of the entertainment world. Billy Rose, the Sixth Avenue miracle boy, transplanted Jumbo from New York to Fort Worth with the delicacy of a Belasco, added to the Pioneer Palace, the Last Frontier and the West Texas Exposition the same Jumbo New York cheered loud and long.

Of course you'll visit Casa Manana, where 4,500 people dine and dance under the stars. . . . You'll be thrilled by the grand finale with Everett Marshall and Faye Cotton, and also by Paul Whitman's lifting music makers. . . . Then, there's Sally Rand's Nature Ranch. . . . Most folks say part of the celebration is pretty good, in order to be so bad. . . . But, really you'll enjoy every moment, from the "nature" gals to the Last Frontier. . . . Especially is the Last Frontier worthy of careful notice.

Monday, September 14, is Snyder and Colorado City day at the Frontier Centennial, the all of us relying on Jimmie Green's hallyho and Snyder civic pride to make Texas better acquainted with our two cosmopolitan cities of agrarian commerce that are Colorado City and Snyder. . . . And one will visit Dallas, to complete the Centennial celebration, for the \$25,000,000 fairland at Dallas is the grand climax to the never again duplication of the Texas Centennial.

Talkative Tillie says the easiest way to find a Snyder beer joint is to follow the cat route. This reminds us that Roscoe, after giving legal beer a full-grown trial, voted it out by a handsome majority.

Tribute to a Craftsman. The Times would not do justice to the high ideals of printing which it attempts to exemplify if it did not pause to pay tribute to Roy T. Porte, a master craftsman, who died at his home in Salt Lake City, Utah, last month. Those who have purchased printing in any quantity know that the Franklin Printing Catalog is considered "the printer's Bible."

Clarksville Times: "Tell a man there are unpeep million stars visible every night in the year and he'll believe every bit of it; but put a 'fresh paint' sign on the front of your building and he'll stick his salty paws on it every time to see if you're lying."

PROPOSED AMENDMENTS TO THE STATE CONSTITUTION

S. J. R. No. 3-A A JOINT RESOLUTION

Proposing an amendment to Article XVI of the Constitution of the State of Texas, by striking out Section 20 thereof, providing for local option on the question of the sale of intoxicating liquors for beverage purposes; providing that spirituous liquors, or liquors composed in whole or in part of the products of distillation shall not be sold for private profit, except to the state; providing that the Legislature shall pass laws relative to the sale, possession, transportation and manufacture of such spirituous liquors; providing for the establishment of state dispensaries; providing for the manufacture, sale, transportation and possession of all liquors which are exclusively products of the fermentation process; providing that intoxicating liquors shall not be manufactured, sold, bartered, or exchanged for beverage purposes in any county or political subdivision wherein the sale of intoxicating liquors had been prohibited by local option election taken under the laws in force at the time of the taking effect of Section 20, Article XVI of the Constitution of the state of Texas, until a majority of the qualified voters of such county or political subdivision shall determine such to be lawful at an election held for that purpose; providing for an election on the question of the adoption or rejection of such amendment and making an appropriation therefor; and prescribing the form of ballot.

Be it resolved by the Legislature of the state of Texas: Section 1. That Article XVI of the Constitution of the state of Texas be amended by striking out Section 20 thereof and substituting in lieu thereof the following: "Article XVI. Section 20: "(a) It is hereby declared to be the policy of this state that the open saloon shall not be reestablished. The sale of spirituous liquors, manufactured in whole or in part by means of the process of distillation and/or containing in whole or in part such spirituous liquors, for private profit, is prohibited within this state except when such sale is made to the state. The state of Texas shall have the right to purchase at wholesale and to sell at retail such distilled spirituous liquors. Such sale shall be made only in unbroken packages and no such liquors shall be consumed on the premises where sold. The Legislature shall pass laws relative to the manufacture, sale, transportation, and possession of such spirituous liquors and relative to the establishment of state dispensaries; provided, however, that the Legislature shall have power to regulate the sale for private profit and possession of distilled liquors for medicinal, scientific and mechanical purposes.

Section 2. The sum of ten thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state of Texas, not otherwise appropriated, to pay the expense of such publication and election.

H. J. R. No. 9 A JOINT RESOLUTION

Proposing an amendment to Section 26 of Article 3, of the Constitution of the State of Texas, by adding thereto Section 26a, providing that under no apportionment shall any county be entitled to more than seven (7) representatives unless the population of such county shall exceed seven hundred thousand (700,000) people; providing for the apportionment in counties of more than seven hundred thousand (700,000) people; providing for its submission to the voters as required by the Constitution and making an appropriation therefor.

Be it resolved by the Legislature of the state of Texas: Section 1. That Section 26, of Article 3, of the Constitution of Texas, be amended by adding thereto Section 26a, as follows: "Section 26a. Provided, however, that no county shall be entitled to or have under any apportionment more than seven (7) representatives unless the population of such county shall exceed seven hundred thousand (700,000) people as ascertained by the most recent United States census, in which event such county shall be entitled to one additional representative for each one hundred thousand (100,000) population in excess of seven hundred thousand (700,000) population as shown by the latest United States census; nor shall any district be created which would permit any county to have more than seven (7) representatives under the conditions set forth above."

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state, at the next general election, to be held on the first Tuesday after the first Monday in November, 1936, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to the Constitution limiting every county to not more than seven (7) representatives unless said county shall have a population of more than seven hundred thousand (700,000) people as ascertained by the most recent United States census in which event such county shall be entitled to one additional representative to each one hundred thousand (100,000) population in excess of seven hundred thousand (700,000) population."

Section 3. The governor of the state of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for amendments thereto.

Section 4. The sum of ten thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state of Texas, not otherwise appropriated, to pay the expense of such publication and election.

S. J. R. No. 18 A JOINT RESOLUTION

Proposing an amendment to Section 48, Article III of the Constitution of the State of Texas, authorizing the establishment of teachers' retirement systems, and making an appropriation for the election.

Be it resolved by the Legislature of the state of Texas: Section 1. That Article III of the Constitution of the state of Texas be amended by adding thereto Section 48a, as follows: "Section 48a: In addition to the powers given to the Legislature, under Section 48 of Article III, it shall have the right to levy taxes to provide a retirement fund for persons employed in public schools, colleges and universities, supported wholly or partly by the state; provided that the amount contributed by the state to such retirement fund shall equal the amount paid for the same purpose from the income of such person, and shall not exceed at any time five per centum of the compensation paid to each such person by the state, and-or school district; and shall in no one year exceed the sum of one hundred eighty (\$180.00) dollars for any such person; provided no person shall be eligible for a pension under this amendment who has not taught 20 years in the state of Texas, but shall be entitled to a refund of the moneys paid into the fund. All funds provided from the compensation of said persons, or by the state of Texas, for such retirement fund, as are received by the treasury of the state of Texas, shall be invested in bonds of the United States, the state of Texas, or counties or cities of this state, or in bonds issued by any agency of the United States government, the payment of the principal and interest on which is guaranteed by the United States; provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amounts that may become due each year under such retirement plan as may be provided by law; and provided that the recipients of such retirement fund shall not be eligible for any other pension retirement funds or direct aid from the state of Texas, unless such retirement fund, contributed by the state, is released to the state of Texas as a condition to receiving such other pension aid."

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at the next general election to be held on Tuesday, after the first Monday in November, which is November 3, 1936, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to the Constitution authorizing retirement fund for persons employed in public schools and colleges and universities supported wholly or partly by the state."

Section 3. The governor of the state of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for amendments thereto.

Section 4. The sum of five thousand (\$5,000.00) dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state of Texas, not otherwise appropriated, to pay the expense of such publication and election.

S. J. R. No. 22 A JOINT RESOLUTION

Proposing an amendment to Section 22 of Article 4 of the Constitution of the State of Texas, by striking out the salary of the comptroller, treasurer and commissioner of the general land office at six thousand (\$6,000.00) dollars per annum; and the salary of the secretary of state at six thousand (\$6,000.00) dollars per annum.

Section 1. That Section 23 of Article 4 of the Constitution of the state of Texas, be amended so as to hereafter read as follows: "Section 23. The comptroller of public accounts, the treasurer, and the commissioner of the general land office shall hold office for two years and until his successor is duly qualified. He shall represent the state in all suits and pleas in the Supreme Court of the state in which the state may be a party, and shall specially inquire into the charter rights of all private corporations, and from time to time, in the name of the state, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such charters, unless otherwise expressly directed by law, and give legal advice in writing to the governor and other executive officers, when requested by them, and perform such other duties as may be required by law. He shall reside at the seat of government during his continuance in office. He shall receive for his services an annual salary of ten thousand (\$10,000.00) dollars, and no more."

Section 2. That Section 21 of Article 4 of the Constitution of the state of Texas, be amended so as to hereafter read as follows: "Section 21. There shall be a secretary of state, who shall be appointed by the governor, by and with the advice and consent of the Senate, and who shall continue in office during the term of service to which he is appointed, and who shall authenticate the publication of the laws, and keep a fair register of all official acts and proceedings of the governor, and shall, when required, lay the same and all papers, minutes and vouchers relative thereto, before the Legislature, or either house thereof, and shall perform such other duties as may be required of him by law. He shall receive for his services an annual salary of six thousand (\$6,000.00) dollars, and no more."

Section 3. Said proposed constitutional amendment shall be submitted to a vote of the qualified electors of this state at the next general election to be held throughout the state on the first Tuesday after the first Monday in November, 1936, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to the state Constitution fixing the salary of the governor at twelve thousand (\$12,000.00) dollars per annum; the salary of the attorney general at ten thousand (\$10,000.00) dollars per annum; the salary of the comptroller, treasurer and commissioner of the general land office at six thousand (\$6,000.00) dollars per annum; and the salary of the secretary of state at six thousand (\$6,000.00) dollars per annum."

Section 4. The sum of five thousand (\$5,000.00) dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury not otherwise appropriated to pay the expenses of such publication and election.

POLITICAL Announcements

The Times is authorized to announce the following candidates for office, subject to action of the second Democratic primary, August 22, 1936:

For State Representative, 118th District: C. L. HARRIS of Dickens County LEONARD WESTFALL of Stonewall County

For Sheriff of Scurry County: CLYDE THOMAS J. A. WOODFIN

For County Clerk: CHAS. J. LEWIS MATTIE B. TRIMBLE

For Commissioner, Precinct 1: FOREST JONES HUBERT ROBISON

For Commissioner, Precinct 2: J. E. (Jake) HUFFMAN J. G. LANDRUM

Letter From J. Bryan Bradbury, Dry Leader Of House, to Leonard Westfall's Pastor.

Abilene, Texas, July 30, 1936. Rev. Atticus Webb, Asperment, Texas. Dear Brother Webb: It is my understanding that my friend and colleague, Hon. Leonard Westfall, is again making the race for representative from this district.

Having served with him for one term in the Legislature, I am convinced that he stands on the moral side of every question. Never has there been a time in the history of our state like now when we need men who would stand without compromise for righteousness and morality. During the last session, when we were having a hard fight to regulate the liquor traffic, Judge Westfall stood with us in every instance. Of course you know the fight a person makes when he opposes the liquor traffic and their lobby. I was in charge of the liquor bill which was being opposed with the whiskey crowd and I am glad to say that Judge Westfall stood with us on every vote. Not only did he stand against the whiskey traffic, but he stood on the moral side of every other question that I can now recall.

When the people of your district will interest themselves enough to investigate his record on moral questions I am sure they will re-elect him.

Yours very truly, (Signed) J. BRYAN BRADBURY, (Pol. Adv.) 11p

To the Voters of Scurry County.

With all the obstacles that have been thrown in my path since the first primary, I have tried to bear things patiently and silently. But the time has come for me to speak in my defense. In regard to my indebtedness, there is not anyone who can truly say that I ever refused to make reasonable satisfaction about what I couldn't pay, by making a note or renewing the same. In fact, it is not altogether the people I owe who are making such a commotion; but it is others who envy me my commendable race. I am asking you once again for your vote and influence. Respectfully, CLYDE THOMAS, 11p

To the Voters of Scurry County.

In fairness to the voting citizenship and to myself, in the race for county clerk, I make this public statement: My opponent, knowingly, has grossly misrepresented and falsified in that he has spread all over this county the statement that I have large property holdings and a large income. The facts are these: I own no farm lands in Scurry County or elsewhere. The land I own in Gaines County, left me from my husband's estate, brings a net income of \$80 per year. The records for the public show these facts. My family owns our home in Snyder, possessing taxable property, we render support to city, county and state government and to public education. I earnestly solicit your support in the election Saturday. MATTIE B. TRIMBLE, 11c

To the Voters of Scurry County.

I thank you again for the generous vote given me in the first primary. Please come back to the polls on next Saturday and select the one you want to serve you as county clerk. I offer you courteous, efficient and dependable service. CHAS. J. LEWIS, 11c

To the Voters of Scurry County.

This is my final appeal for your vote and influence in Saturday's primary. I have done my best to present my candidacy on merit alone, and I solicit your support on this basis only. If I am elected, I pledge you devoted, honest service in the Legislature. 11p C. L. HARRIS.

Supervisor Says Control of Screw Worm Necessary

Screw worm control depends a great deal upon a proper understanding of how screw worm flies develop. The true screw worm lives only upon the healthy flesh of animals. It is the young of a certain kind of fly, and is called the true screw worm because it is the harmful parasitic species. It is usually the first to lay its eggs on the broken skin of an animal. This injury may be a cut, scratch, tick bite or wound of any kind. The true screw worm fly breeds only in living animals. Joe E. Clayton, district supervisor of screw worm control in this area, with headquarters at Gail, gives a few facts about the life history of the screw worm fly. From 10 to 400 eggs are laid on the wound; young maggots appear in 11 to 21 hours. They immediately burrow in the flesh and feed in clusters, forming pockets in the wound. Unless the animal is found and maggots killed, these maggots drop from the wound in four to 10 days and go into the ground, where they change into flies in 10 to 14 days. The flies then mate and the females are ready to lay eggs in six to 10 days. The total cycle requires from 18 to 37 days, usually averaging about 24 days. Clayton will be glad to demonstrate the use of benzol and pine tar oil in the screw worm treatment.

Jim and Joe Return To Boyhood Haunts

Judge Jim Stinson of Abilene and Joe Stinson of Snyder wandered down to their old stomping grounds at Killeen Saturday and Sunday. They visited the old home place, four miles east of Killeen, that they left 34 years ago, and took a gander at the memory-soaked haunts of their boyhood days. They mingled with the old-timers most of the day Saturday, and Jim filled the First Methodist Church pulpit Sunday morning in a service replete with old songs, old memories and old friendships. Jim was introduced by his long-time law partner, Ernest Brooks, also a Killeen product. Accompanied by their wives, the brothers enjoyed part of the four-day pioneer celebration that was ended at Killeen Sunday.

Church of Christ Services.

A great service was enjoyed last Sunday at Avenue M at 21st Street. Bro. W. R. Smith of Abilene gave two splendid lessons. He is a new addition to the Abilene Christian College faculty and comes to us highly recommended. We will meet next Sunday, August 23, at above named place at 2:30 p. m. for Bible study and communion service. Come and worship with us.—R. C. Huggins.

Young Man, Woman! Train for Business!

The young man or young woman who has no definite training for a definite job has small place in the new world of business. The Scurry County Times has a \$55 scholarship that may be used at Draughon's Practical Business Colleges in Abilene, Lubbock, Dallas or Wichita Falls. It is being offered at a substantial reduction, and may be sold on a per-month basis to reliable persons. Inquire at the Times office for details. The scholarship may be applied immediately on any regular life scholarship offered by either of the four schools mentioned above. Senator Borah's proposed old-age pension of \$60 a month will arouse no huzzahs among those accustomed to the luxury of figuring on \$200 a month.—Arkansas Gazette (Little Rock).

"Take a Load Off Your Feet-Here" Says Conoco

This authentic old Southern colonial mansion, built on the grounds of the Texas Centennial Exposition at Dallas by the Continental Oil Company, is for the free use of exposition visitors seeking a cool haven of rest and relaxation. Air-conditioned, and located just inside the exposition gates, "Hospitality House" has played host to nearly all comers since the exposition opened June 6. W. E. Doak, local Conoco agent, invites his Scurry County friends to take advantage of the house of rest when they go to the Centennial, the World's Fair of Texas.

Field Executive Is Named for Work in Buffalo Trail Area

Darold P. Wilson was named field executive of the Buffalo Trail Council, Boy Scouts of America, Tuesday afternoon by the council executive board, which met in Midland in connection with the annual council-wide swimming meet held there. He will travel over the entire area and will service all troops in the Buffalo Trail Council, of which Scurry County is a part. He is to work in cooperation with Area Executive Alfred J. Stiles, who makes his headquarters in Sweetwater, but his own headquarters have not yet been fixed. Wilson returned last week from Mendham, New Jersey, where he was graduated from the 49th training school, sponsored by the national organization of the Boy Scouts of America. He was re-elected for his second year as teacher in the J. P. Cowen school of Sweetwater, but resigned to take the position as scout field executive. Wilson is 24 years old, has a B. S. degree from Abilene Christian College, and did graduate work at the University of Texas. He has served as principal of the Sylvester school and on the summer school faculty of Abilene Christian College. He has been connected with Boy Scouts for almost two years, serving as scoutmaster and later as district commissioner.

Fred Jones In Meeting.

Fred Jones, linotype operator on The Times, left Wednesday noon for Bono, Johnson County, where he is directing the singing in a revival meeting at the Baptist Church. He will return August 30 to his place on the paper.

H. J. Greens Enjoy Belated Honeymoon

After 35 years of married life, Mr. and Mrs. H. J. Green, 2411 Thirtieth Street, are enjoying their first real honeymoon. They are guests of their son, Vernon Green, and wife and their daughter, Mrs. Dwight Skelton, all of whom reside in Hollister, California, but were formerly residents of Snyder.

All of the Green's six children have grown up, and the last daughter married recently, thus the urge to take a vacation-honeymoon. Mr. and Mrs. Green have lived in Snyder for the past 16 years.

"Hollister is located in the heart of California's noted fruit belt, 30 miles from the Pacific Ocean and 100 miles south of San Francisco. This is a ideal spot for the delayed honeymoon," they write friends in Snyder.

Snyder General Hospital

Mr. and Mrs. Ray Haney are announcing the birth of a seventh and one-half pound boy, born last Thursday. The boy has been named Donald Ray. Mrs. Lawrence Jones, Mrs. Fla Joyce, both of Snyder, and Mrs. E. W. Carter of Sylvester, all surgical patients during the past week, were still in the hospital yesterday. Mrs. Haney and her young son are also still in the hospital. Other surgical patients during the past week were the following: Clifford James of Snyder, G. L. Murphy of Texas City, Mrs. T. A. Hollar of Gail, and Miss Bonnie Nance of Justiceburg.

Patsy Sue King of Dallas was at the hospital for X-ray and cast for a broken arm late last week; Melba Ann Odum of Snyder was an accident patient; and Mrs. D. G. Snider of Snyder was in the hospital for X-ray. Mrs. Snider was the only one of the three remaining in the hospital yesterday.

Families of Snyder Country Club Feast

Members and families of Snyder Country Club gathered near the swimming pool Friday evening for a watermelon feed that was provided through the courtesy of Clemens von Roeder, Borden County farmer. After several hours of ice cooling, the melons were cold and delicious. Dick Randals over-eating is said to be the only casualty of the evening.

**IT COST MR. BROWN \$1,000.00 TO LEARN IT!**

His name isn't Mr. Brown, but this incident actually occurred. We suggested to him that he insure his house against fire. He decided to wait until his business improved. But fire wouldn't wait—as a result it cost him \$1,000 to repair fire damage when he could least afford it.

It cost Mr. Brown \$1,000 to learn that insurance is really the only way to safe economy.

Get your business training in a nationally known school in the Centennial City, Dallas—the city of employment. Byrne College places more graduates than any other two schools in the Southwest. There is no higher or nobler career than that of a well trained successful business man or woman. A business education will start you on the immediate road to success with good pay, while a college education will slowly start you on a professional career with two years of small earnings.

The Famous Byrne System of shorthand, typing, and bookkeeping, which we own and control, together with our original individual advancement method enables us to give you a thorough training in half the time required elsewhere, therefore we are the only school in which you can enroll now and be on a payroll in from three to five months. (Post graduate work given in any system of shorthand or bookkeeping.)

Reasonable terms given on tuition. Board and room \$5.50 per week or spare time work to earn room and board.

### Boy Scouts And Leaders Return With Lively Tales of Trip To Centennial

#### FIRE DESTROYS OLD RESIDENCE

Explosion of an oil cook stove started a fire Thursday morning of last week that destroyed an old residence in Southeast Snyder owned by Mrs. Nettie Wasson.

The fire was beyond control before the siren sounded, but firemen who rushed to the blaze saved two nearby homes—Mrs. Wasson's residence and the home of Dr. Sed A. Harris. Both homes were damaged.

Mr. and Mrs. Ollie Morrow, occupants of the house, lost practically all their furniture and clothing. They ask The Times to extend their warmest thanks to the many friends who have assisted them in any way to replace their losses.

#### Mitchell Invites Scurry to 3-Day Centennial Fete

Mitchell County, which came over strong to help Scurry County celebrate in May, is inviting this county to join her in a giant homecoming Centennial celebration at Colorado, scheduled for Thursday, Friday and Saturday of this week.

Headliner event of the three-day celebration is the elaborate historical pageant which will be staged at Ruddick Park Thursday evening, under direction of Mrs. Bill Martin of Lovaine, as "Mitchell County Cavalcade of Progress."

Old-timers from Scurry and other counties are invited to register at the chamber of commerce office in Colorado beginning at 10:00 o'clock Thursday morning. With Mayor J. A. Sadler as marshal, the parade will be held in the afternoon.

Friday morning at 10:00 o'clock the annual old-timers' memorial will be held at the Palace Theatre. Water carnival activities will be held that afternoon, and free barbecue will be served to old-timers and their families at the park at 6:00 o'clock. Included in the Friday evening all-star amateur program will be Little Mary Ellen Brown of Snyder. Attorney General Bill McCraw of Dallas will be principal speaker Friday evening.

Additional water events will be staged Saturday afternoon, and a street dance will be staged after 9:00 p. m.

#### First Christian Church

Bible school, 9:45 a. m.; morning worship, 10:45; Christian Endeavor, 7:15 p. m.; evening worship, 8:15.

Subject of morning sermon, "The Christian's Unquenchable Joy."

The evening services will be in charge of the Junior Endeavor department. Bro. Rodney Glascock will bring the message.

You are invited to all of our services.—G. E. McPherson, pastor.

#### Piggly Wiggly Head Going to Convention

Mr. and Mrs. Maurice Brownfield, local Piggly Wiggly family, will be in Dallas Monday, Tuesday and Wednesday for the annual national convention of Piggly Wiggly operators.

Says "The Weekly Turnstile," Piggly Wiggly publication, of the convention: "Operators from far and near will descend on the Centennial city to celebrate the nineteenth anniversary of the founding of the Piggly Wiggly system. While full attention is being given to the business program and entertainment of guests, Howard Butt, president of the operators' association, emphasizes that to most operators the annual convention is first and last an opportunity for them to renew old friendships with fellow operators."

The Brownfields have attended the annual conventions for several years, and declare they give information and inspiration that continues throughout the year.

#### Hood Wills Takes Trip

Hood Wills of Fluvanna was one of the members of the senior swine production class of Texas Technological College, Lubbock, to make a week-end trip over the Panhandle to inspect hogs on several farms. Conditions, management and care of hogs were carefully studied on the trip.

Mr. and Mrs. O. D. McGlaun and children returned last week from a several days' visit to Carlsbad Caverns and Ruidoso, New Mexico. The local transferman, like several other Snyderites who have visited the New Mexico mountains this summer, wished for all the coats he had left back home.

#### Week-end guests of Mrs. Mary E. Banks and Mrs. J. C. Maxwell

and family were Mrs. E. L. Woodley of Baird and Mrs. Bertie Jordan of Plainview, sisters of the local women. Mrs. Jordan was accompanied by her daughter, Mrs. B. D. McClure, and Mrs. McClure's small daughter, Shirley Ann. Mrs. Banks also had as her guest her son, Bill (Adrian), who is assistant chemist at Octane refinery at Baird. Mrs. Banks planned to move this week to Plainview to reside with her mother, Mrs. A. B. Roberts, but the house in which they were to have moved, then vacant, burned Friday.

#### Laxative combination folks know is trustworthy

The confidence thousands of parents have in good, old reliable, powdered Theodor's Black-Draught has prompted them to get the new Syrup of Black-Draught for their children. The grown folks stick to the powdered Black-Draught; the youngsters probably will prefer it when they outgrow their childish love of sweets. Mrs. C. W. Adams, of Murray, Ky., writes: "I have used Theodor's Black-Draught (powder) about thirteen years, taking it for biliousness. Black-Draught acts well and I am always pleased with the results. I wanted a good, reliable laxative for my children. I have found Syrup of Black-Draught to be just that."

#### HERE IS MORE CONCERNING TEACHERS CONCLUDED FROM PAGE 1

Superintendent Wedgeworth; Mattie Ross Cunningham, M. A. graduate of Stanford University, California, this summer; King Sides, high school principal, W. C. Hollis and Edna Lyster, all on the high school faculty.

All the eight teachers in junior high have B. A. degrees except Reschlar, who has a B. M. degree. All except four of the 10 primary teachers have B. A. degrees.

A major change in the junior high school is naming of Hadley Reeve as principal to succeed R. S. Sullivan, who goes to Pecos as grammar school principal. W. H. Calloway will be assistant principal.

Others in Junior High.

Other teachers who return to junior high are Mrs. H. A. Lattimore, Velma Sharp and Dorothy Strayhorn.

Teachers returning to high school, in addition to Sides and Miss Cunningham, are W. W. Hill, head football coach; Effie McLeod, English, debate; Yetta Mae Slaton, Spanish; W. F. Cox, science; Annie P. Sewell, speech arts and other subjects, who is attending Columbia

#### Fair Store Pleased With Summery Sale

Because folks came in far greater numbers than they expected, and purchased in greater quantity than anticipated, the Fair Store manager an owner are highly pleased with opening days of their sale that features a close out of summer merchandise.

Manager H. L. Davis and Owner R. N. Kayal say they proved their formula that it pays to stage a real sale when a sale is staged at all. The selling event is continuing.

Sullivan to Pecos.

Mr. and Mrs. R. S. Sullivan and sons, who have been spending the summer at Nacodoches, were here this week moving their furniture to Pecos, where they will make their home. Mr. Sullivan, for several years principal of the local grammar school, will have the same work in Pecos. Mrs. Sullivan has been active in music and study circles of the city.

University, New York, this summer. Returning teachers in the primary department are: Mrs. Grace King, Mrs. Omah Ryan, Mrs. King Sides, Hattie Herm, Gertrude Herm, Mrs. Herman Darby and Mrs. Madge Popnoe.

#### EMERGENCIES part of the day's work

A telephone operator in a small Southwestern town did these things on a recent busy day:

She called a doctor for a distracted mother whose baby was ill. She helped locate a barge so a farmer could save 37 head of cattle on an island about to be flooded. She handled a call that rushed workmen to strengthen a crumbling levee. And she told an anxious motorist that the highway to the west was still above water.

To her, this was all in the day's work.

Some other things that are "all in the day's work" in the Bell System are the staff work of American Telephone & Telegraph Co., the researchers of Bell Laboratories, the skillful manufacturing and buying of Western Electric.

You seldom think of these organizations. Yet without the help they give to the men and women who furnish telephone service here, it would be difficult to make that service as fast, as clear, as far-reaching, and as low in cost as you have learned to expect.

#### Dixon Poe To Speak For Presbyterians Sunday at 8:15 p. m.

Dixon Poe, who leaves September 1 to commence his study for the ministry at Trinity University, will speak at the 8:15 service next Sunday evening at the First Presbyterian Church.

Poe came to Snyder from Wilburton, Oklahoma, the first of this year to take up stenographical work with his uncle, Oliver H. Smith. During the eight months of his residence here he has been very active in church, Sunday School and Christian Endeavor work. At the time of the evangelistic services conducted by Dr. E. B. King in March of this year he announced his decision to enter the gospel ministry, and has just completed plans for the commencement of his training at Trinity.

A cordial invitation is extended to all of those who have come to know Mr. Poe during these months that he has lived in Snyder to come and join with the congregation of the Presbyterian Church in wishing him the very best success in his preparation and work, says the pastor, Rev. James E. Spivey. The service will feature young people with special music and other participation.

The pastor will occupy the pulpit at the morning worship service, taking as his text John 9:4.

F. P. Engleman, editor of the Tulsa Herald, and Mrs. Engleman and Mr. and Mrs. Hubert Rutherford and two children, Miles Allan and Shannon, also of Tulsa, were guests during the week-end of Mr. and Mrs. W. R. Lacey and the C. M. Boren family.

#### Bank Will Be Closed For August Primary

Snyder National Bank will observe Saturday, election day, by closing its doors. All state-wide elections are observed as holidays by Texas banks.

Post office service will follow the usual procedure, since state primary days are not national holidays.

If The Times doesn't have the office supplies you want, they'll get 'em. Good supply in stock.

The Times has typewriter paper.

#### Funeral For Norris Infant Held Friday

Funeral services were held Friday afternoon at 6:30 o'clock for the infant daughter of Mr. and Mrs. Joe Norris at the residence, four miles northwest of town.

Rev. James E. Spivey, pastor of the local First Presbyterian Church, officiated for the services. Interment was in the Snyder Cemetery, with Maples Funeral Home in charge.
