## Thousands Coming To County Fair

### Times Writer Discovers Plenty Of Fall Fair Music In The Air

#### THEME SONG, NOT HEARD IN RECENT YEARS, BEING REVIVED

While Not the Largest Fair in West Texas, Citizens of Area Will Make It One of Best—Fine Exhibits Available.

By Leon Guinn.

There's music in the air today, and the theme song is "On to Snyder for the Fair." By telephone, telawoman and teleeditor the word is getting 'round that we're going to have a real tickle-you-gizzard County Fair right here in Snyder that will be second to none in West Texas. And the first thing our county folks want to know is just why we're having this County Fair.

We are having a County Fair for the same reasons car makers have automobile shows; fashion creators have style shows to feature the latest leggings for the woman beautiful; and soap companies run b. o. ads—our county people want to sell the world the idea we've got everything in Scurry County when it comes to agriculture.

First Since 1929.

This is our first County Fair since the honky-tonk days of 1929; and while it will not be the largest local fair in West Texas, Scurry County intends to make it the best; it's a cavalcade for the people, and the people intend to make it one of the outstanding events of 1937.

As to general admission tickets: A 25-cent piece, that would buy a banana split for the sweetie or what-nots for wife, will admit one to the amateur hour program in the Snyder High School auditorium Thursday night at 8:00 o'clock and the fair grounds for both days. This is the season ticket. Concessions and Harley Sadler's shows are separate.

Amusement Ample.

As to amusements: Children will find everything from special rides in "kiddie cars" to ice cream cones, balloons, hot "dawgs," hamburgers and soda pop. Elderly people, who want to take another fling will find plenty of thrills in the "overhead cars" that are guaranteed to make the heart play "Turkey in the Straw" with the gozlie-bone, by cracky!

Harley Sadler is loaning the arrangements committee a 70x100-foot exhibition tent that will take care of special displays. In the livestock department exhibitors will be here from Borden, Fisher and Scurry Counties. At least 45 heads of calves will be shown. A number of jacks, stallions and colts will be shown for the lovers of horse flesh.

Exhibits Numerous.

W. R. Lacey believes "the livestock exhibits will be the most complete we've ever had in Scurry County, and bundle feed, sorghums, cowpeas and cotton will receive more consideration than at any previous time."

Continuing, W. R. points out the "automobile show, commercial exhibits, preview of farm implements and tractors and other features." It's more than a movement, this "on to Snyder for the fair." Sponsors plan to make it a permanent institution, and why shouldn't they? Scurry County is the place "where ranchers farm and farmers ranch." And the Scurry County Fair is the place to reflect the highlights of farm and ranch life in products raised, as skyscrapers reflect the growth of progressive cities.

Old Settlers Coming.

The wagon wheel of the Old West we knew is broken, and the sod shanty days of early settlers will be kept alive by the Old Settlers Reunion. Our county folks provide the only means of recording the present agricultural and ranching history of the county; and selling the world on what we raise today will provide markets for tomorrow's farmers and ranchers.

If I could paint a word fantasy of a county fair, I would see more than cotton bolls, feed bundles and fat steers. . . . More than sleek horses, and frisky colts. . . . More than amusement and a place for courtship to unfold its fragile petals. . . . It would be a cavalcade of folks and events that have made county fairs an American institution; a covenant that welds farm and city together. . . . This word fantasy would indeed be "On to Snyder for the Fair!"

New Remingtons Here.

The Times has in stock two brand new Remington portables, streamlined ready for delivery to anyone who wants a maximum of typewriter service at a minimum of cost. Easy monthly payments.

#### SATURDAY AND SUNDAY SET AS SINGING DATES

Hermleigh to Entertain Hundreds of Visitors to Scurry County Song Convention.

A committee headed by J. L. Vineyard is making plans for Hermleigh to entertain several hundred singers Saturday night and Sunday, said L. M. Irion yesterday.

Irion is president of the Scurry County Singing Convention, which will be meeting in Hermleigh in regular fall session. Rupe Walton is vice president, and Mrs. Rupe Walton is secretary.

Vineyard and other Hermleighites say sessions will be held in the school building. Arrangements are being made for over-night accommodations for any singers who might come from a distance.

Quartets from Sweetwater, Rotan, Hobbs, Snyder and the major Scurry County singing classes will feature the session. Singers are requested to bring their books, of course.

At noon the singers will spread an old-fashioned basket lunch. "We are expecting one of the best crowds for a county convention in recent years, even if folks are slightly busy with their crops," Irion said yesterday afternoon.

#### Quaker Oats Has Named Times for New Ad Program

Realizing the growth and potential sales possibilities of Scurry County, the Quaker Oats Company is launching a five-year advertising campaign, using The Scurry County Times as the principal medium of local advertising.

The Quaker Oats Company, manufacturers of cereals using practically all grains, is centering its local campaign on its regular line of Quaker and Quick Quaker Oats.

Beginning October 29, the campaign will be given a sendoff with window decorations and company advertising to appear in The Times.

This unique sales campaign will be of particular interest to the grocers and farmers of this community, inasmuch as it pushes sales on both grain and truck foods, thus making it a sales push of mutual interest to both.

#### WINSTON SALE DETAILS GIVEN

Seventy-five to 80 head of two-year-old and yearling cows, along with several bulls, will be offered in the Winston Bros. Hereford auction sale, to be held here Friday, December 10.

Harrie and Wade Winston, veteran Hereford breeders, also announce this week that Earl Garten of Galesburg, Indiana, will be auctioneer for their first public sale in more than 16 years of Hereford breeding.

Pictures of the sale animals are to be taken by a professional Hereford photographer within a few days. The sale list will include several animals that have been given awards in leading Hereford shows of the Southwest.

#### Hobbs in Session After Brief Lapse

Hobbs High School started again Monday, after turning out for two weeks for cotton picking. Superintendent N. J. Gullett expects attendance to greatly increase now "that people have had a chance to become acquainted with the bus service to new communities."

At present the addition of Lone Star and Claytownville to the Hobbs district is causing the six buses to be taxed to near capacity, with Camp Springs and Midway students adding still further to the enrollment.

#### New Abilene Home of WTCC—Maybe—

This former federal building at Abilene, located at Pine and Third Streets, will house the West Texas Chamber of Commerce staff and exhibits when necessary alterations have been completed.

That is, the executive board of the WTCC has voted to make the change to Abilene from Stamford. But residents of Stamford have held up moving plans by injunction, declaring that WTCC by-laws and constitution call for the matter of removal coming before a general meeting of all directors from member towns. Both sides in the dispute have legal counsel.

#### NEW FAMILIES WELCOMED BY SNYDER FIRMS

Baskets, Greetings to Newcomers; Letters to Those Who Come For Health's Sake.

Fifty firms and professional people are joining hands this month in welcoming newcomers to Snyder, reports Mrs. Roy Stokes, hostess of the "Welcome to Snyder" Association. In addition, churches of the town are extending a warm welcome to new families.

Baskets or boxes containing useful items, and a card of greeting from each cooperating firm, go to the new families. Each patient from outside the county who comes to a local hospital or for any other health-seeking purpose, for a stay of several days, is sent a special letter of welcome and a cheery "Hope you will be well soon."

These firms and professional people are joining hands in the welcoming movement: Bert Baugh Tailor Shop, Bell's Flower Shop, Blue Jacket Shine Parlor, Bon Ton Cafe, Boren-Grayum Insurance Agency, Clark & Early Cafe, Dunnam Brothers, Economy Dry Goods Company, Dr. R. D. English, Gem Theatre, Goodnough Shoe Shop, Graham & Martin, Gray's Variety, N. M. Harpole Grocery.

Dr. C. E. Helms, Help Yourself Laundry, Higginbotham-Bartlett Company, Hollywood Shop, Irwin's Drug Store, Jones & Chapman, Louder Motor Company, McGlaun & Son, Miles Olds, A. P. Morris, Melvin Neal, Studio Service Station, Patterson Barber Shop, Peterson's Shoe Shop, J. C. Penney Company.

Piggly Wiggly, Randal's Lumber Company, Dr. H. P. Redwine, Robinson's Dairy, Dr. H. E. Rosser, Snyder Steam Laundry, Snyder Tailoring Company, Snyder Transfer Company, Stimson's Camp Ground, Straw's Cafe, The Tavern, Times Publishing Company, Towle Jeweler Company, Walton's Cafe, Wash-T-Yourself Laundry, Wilsford Coffee Shop, Ben Wilson, H. L. Wren Hardware.

#### Child Welfare Mass Meeting November 2

Officers of the Snyder Child Welfare Association, formed last year primarily to assist needy children of the school and community, announced yesterday that a mass meeting will be held in the district court room at 8:00 o'clock Tuesday night, November 2.

Several outside speakers will be present. Officers for the new year will be named, and plans will be made for legislation of the organization.

#### Peppy Mascot

Five-year-old Lynn L. Logan, daughter of Mr. and Mrs. Arch Logan, will perform with the Snyder High School pep squad at Friday night's football game in Tiger Stadium. Chosen recently as mascot of the pep squad, petite blonde Lynn L. has become one of the most ardent fans for the Snyder High Tigers.

#### McLeroy, Littlepage Help in County Fair

E. B. McLeroy, Borden County agent, and C. Littlepage, vocational agriculture teacher in Hobbs High School, were here late yesterday, and will be here throughout the week-end, to assist with plans for the Scurry County Fall Fair.

These two out-of-county fair assistants, along with a number of county residents, are due plenty of credit for advance plans leading to a successful livestock and agricultural exhibit, according to W. R. Lacey, general manager of the fair. McLeroy is general livestock superintendent. Littlepage has charge of the 4-H and F. F. A. Club calf show.

#### BULLDOGS SET EYES ON TIGER SQUAD FRIDAY

Razzle-Dazzle Loraine Eleven Due For Night Tilt Originally Slated at Loraine.

Loraine Bulldogs, who looked plenty tough in their 14-13 defeat by Colorado on Cantrill Field last Friday night, will come to Tiger Field Friday night at 8:00 o'clock for a tilt that was formerly slated to be played at Loraine.

Red Hill's Tigers are set for the Bulldogs, with the exception of Pull-back Tate's absence from the lineup because of injuries sustained in the Roby game. Jay Rogers, guard, whose leg was broken in the first game of the season, has been working out lightly this week, but will probably not see any action Friday night.

Loraine, like Snyder, has a 50-50 ranking in the conference, having won from Roby and lost to Colorado. Snyder lost to Rotan and won from Roby.

The Mitchell County visitors have a fully uniformed pep squad and a snappy band. This colorful group, coupled with Snyder's newly uniformed pep squad and Tiger Band, will give extra color to a game that, in itself, promises to be the most exciting of the year.

Loraine proved at Colorado last week that it has offensive power to burn. And it also proved that it can play the razzle-dazzle type of passing, deceptive, heads-up ball that the fans enjoy so fully.

#### Ralph Hicks Moves Terraplane Display

Terraplane-Hudson display room and sales office were moved several days ago by J. R. Hicks, local agent, from the Highway Garage to the brick building between Dairy blacksmith shop and Snyder Produce, just west of the square.

Hicks several days ago received the first of the Terraplane 1938 models—a two-door "job" with several innovations over the 1937 model.

#### Old Pictures Wanted

The Times has already taken several big steps toward a fiftieth anniversary edition that will be published within a few weeks.

But the edition will not be successful unless it carries many columns of reading material and pictures concerning old-timers, early incidents of county history, early scenes in Snyder and other parts of the trade area, and so forth.

So it is that the publishers are making an appeal this week for readers to send in old pictures and to bring in old papers or old articles that may form connecting links of Scurry County history.

All pictures will be cared for and returned to the owners. Please bring them in within the next week, if possible, and not later than November 1.

#### PRACTICALLY EVERY SECTION WILL BE REPRESENTED HERE

Last-Minute Change of Location Necessary To Make Room for Large Tent Being Erected—First Event Tonight.

Thousands of folks from practically every church or school house community within 25 to 35 miles of Snyder are making plans to be in town Friday and Saturday for the Scurry County Fall Fair. It will be the first event of its kind held here since 1929.

Success of the fair is assured, declared W. R. Lacey, general manager, and Frank Farmer, his assistant, yesterday. The two leaders based their prediction of success on keen general interest that is being displayed, on plenty of early exhibit entries, and on the excellent set-up on the fair grounds.

Location Is Changed.

#### Save Money!

Following are the Bargain Rates now in effect on The Times and combination papers:

Times alone in Scurry and adjoining counties, \$1.50; elsewhere, \$2.00.

Times and Abilene Reporter-News in trade territory, \$6.00; to active preachers and teachers, \$5.50.

Times and Fort Worth Star-Telegram in trade territory, \$8.50 with Sunday Telegram; \$7.50 without Sunday Telegram; to teachers and school libraries, with Sunday Telegram, \$8.00; to active preachers, with Sunday Telegram, \$6.50.

Times and Dallas Semi-Weekly Farm News or Pathfinder Magazine, in trade territory, \$2.25. Add 50 cents to each combination price for papers to be mailed outside trade territory. Special rate to college students, anywhere, \$1.25 for Times alone until June.

Location of the exhibits and of Harley Sadler's tent show was changed Tuesday, when it was learned that neither the exhibition tent nor the theatre tent could be placed just north of the city tabernacle because they are too large. On the new site, the big exhibit tent, loaned by Sadler, and other display equipment, began to take shape rapidly Tuesday, after the change was made.

First phase of the fair is scheduled tonight (Thursday) in the local school auditorium, when a number of amateur contestants will meet in preliminaries. The seven topnotchers will compete Friday night on the Harley Sadler stage for \$32.50 in cash prizes. Admission Thursday night will be by a season ticket to the fair.

Season Ticket 25 Cents. Season ticket to all events, aside from the tent show, is only 25 cents per person. The Lions Club, sponsoring organization, set this low figure in the belief that a fair should be placed within the reach of every man, woman and child in the trade territory.

Most attractive feature to exhibitors of farm and livestock products is more than \$350 in cash prizes, offered for products of farm, ranch and home. Entries in these divisions are large already, as The Times goes to press Thursday morning. Several midway attractions, plenty of concessions, a free show of high calibre Saturday afternoon on the grounds, and an automobile show and commercial exhibit are other features.

All livestock exhibits will be Saturday only. All other exhibits will be on the fair grounds both days.

#### PERRY OPENING SET SATURDAY

Snyder's most modern store will open Saturday morning at 8:00 o'clock, with special values to introduce people of this trade territory to its array of new merchandise and its late-1937 plan of merchandising.

Perry Brothers, with many stores in Texas, is the owner of the modernized place of business. The new location is on the north side of the square, two doors east of the store's location since it opened in Snyder more than three years ago. Perry Brothers purchased the new building it occupies, which also includes the Leath's Cafe site.

Manager Jesse Elliott, who has been spending day and night hours with moving his stock this week, invites folks to come in Saturday and give the store a good looking over.

#### Leath's Cafe Front Given Modern Trend

The front of Leath's Cafe, north side of the square, is being converted this week from a regulation front of 10 or 15 years ago to a front in the modern manner.

The entire front was torn out early in the week—just in time to catch the worst sandstorm of the fall. It is being replaced with a front that will match the Perry Brothers front, just to the east. Perry Brothers recently purchased the cafe building.

#### Ginnings Return With Vigor After Days of Wetness

Clear skies most of Sunday were all that Scurry County asked for temporary benefit. The weather man brought just that order last Sunday, and cotton that had been soggy with the week-long wet spell began to show its colors.

As a result, ginnings shot upward Monday, Tuesday and Wednesday. Almost as if by magic, loads of cotton began moving into the gins early Monday morning, and several gins ran all night. Tuesday and Wednesday nights found them groaning just as they did two and three weeks ago.

The Times cotton report shows that almost exactly 19,000 bales had been ginned through early Wednesday night. These figures include 8,598 bales in Snyder, 1,063 over the same time last week. Hermleigh had ginned approximately 3,500 bales to the same time, leaving about 9,096 bales, estimated, for the remaining six gins of the county—one gin each at Fluvanna, China Grove, Camp Springs, Dunn, Ira and Inadale.

The average estimate of total county production continues about 40,000 bales, but several prognosticators continue to believe the total may reach 50,000 bales.

The United States Civil Service Commission has announced open competitive examinations as follows: Associate refuge manager, \$2,200 a year; assistant refuge manager, \$2,600 a year; junior refuge manager, \$2,000 a year; Bureau of Biological Survey; assistant in home economics information, \$2,600 a year; Bureau of Home Economics.

## SHO' MIKE...BARGAIN DAYS ON TIMES ARE HERE AGAIN!

## "QUEEN" TO BE SELECTED FOR PTA CARNIVAL

Coronation of a carnival queen will be a feature of the local Parent-Teacher Association's gay Halloween carnival in the school gymnasium Saturday night, October 30, according to the sponsors.

Candidates from high school classes for the queen's contest selected at school Wednesday are: Aileen Morrison, senior; Billie Lou Hays, junior; Carolyn Dunn, sophomore; Wanda Jean Sims, freshman. Faculty committee in charge of the campaign is composed of Misses Vera Perlman and Annie Fannie Sewell.

Admission to the carnival will be free, with small charges made for side shows. Featuring these attractions will be a gallery of famous pictures, a fortune-telling booth, fishing pond, amateur boxing match, all kinds of eats, noisemakers, confetti, etc. will be on sale.

Doors of the gymnasium will open at 7:00 o'clock following a Halloween parade through the business district. A free stunt program will come at 8:30 o'clock, and the coronation of carnival queen will be at 9:30 o'clock.

Committees appointed to be in charge of the carnival are as follows: Decorations for coronation—Mmes. R. J. Randals, G. H. Leath, Herman Darby and Miss Hattie Hern.

Coronation program—Mmes. J. G. Hicks, Ixon Joyce, W. R. Lacey, Miss Margaret Williams and A. W. Yeats. Side shows—King Sides, W. W. Smith and Miss Margaret Henderson.

Concessions—Mmes. Wraymond Sims and W. P. King and Miss Alta Bowers. Tickets—W. F. Cox, Hadley Reeve, Mrs. Wraymond Sims.

Parade—Frank Farmer, E. L. Retchar, Mrs. Hugh Taylor and Miss Gertrude Hern. Publicity—Mrs. Dudley Ann, chairman.

## Joe Stinson Hosts To Friendly Fellows.

Mr. and Mrs. Joe Stinson were host and hostess to the Friendly Fellows Forty-Two Club at their home last Thursday evening.

Decorations were lovely fall flowers—mostly dahlias. Mrs. Stinson passed a salad plate with coffee at the close of the evening's diversion to the following: Messrs. R. J. Randals, J. W. Scott, Mrs. Lee T. Stinson and Mrs. Joe Hendricks, guests; Messrs. and Mmes. R. H. Odum, W. J. Ely, H. J. Brice, Wade Winston, Joe Caton, W. W. Smith and H. P. Brown.

## Mrs. W. R. Johnson Hostess to Friends.

Mrs. W. R. Johnson was hostess to members of the Tuesday Afternoon Bridge Club and guests at her home last week. Lovely fall flowers decorated the entertaining rooms, and the hostess passed a dainty refreshment plate at the tea hour.

High score prizes were presented Mrs. Henry Rosenberg, guest, and Mrs. T. L. Lollar, member.

Bridge guests were the following: Mmes. Hugh Boren, Henry Rosenberg, Joe Stinson, Joe Hendricks and J. G. Hicks. Mmes. H. G. Towle, Grady Shytle and Gordon B. Towle of Trenton, Nebraska, were tea guests.

Club members attending the party included Mmes. Lollar, A. C. Preull, W. W. Hamilton, J. C. Dorward, Joe Strayhorn, H. J. Brice and W. J. Ely.

Mrs. Willis Shropshire, formerly Baby Dale Warren, and her young son, Warren, accompanied by her mother-in-law, all of Colorado, visited with the younger Mrs. Shropshire's grandmother, Mrs. J. W. Warren, and friends here late last week.

## Dunn High School Juniors Married.

Marriage of Lorena Gray and Ray Brown, members of the Dunn High School junior class, was solemnized Saturday night at the home of Mr. and Mrs. Ben F. Newhouse at Dunn.

Mrs. Brown is the daughter of Mr. and Mrs. Carl Gray of the Big Sulphur community and the granddaughter of Mrs. Addie Gray and Mrs. G. W. Smoot of Snyder. For the ceremony she wore a gray woolen three-piece suit with black accessories.

Brown, son of Mr. and Mrs. J. W. Brown of the Round Top community, is a grandson of Rev. A. P. Cardwell, widely known Primitive Baptist minister of Corsicana. He has been a valuable member of Dunn's football team.

The young couple will be at home to their friends in the Big Sulphur community after the first of the year.

Mrs. Jack Howard and small son of Eunice, New Mexico, are guests of her parents, the A. W. Mobleys, at Hermleigh. Mrs. Howard has been visiting with local friends, also.

## Mr. and Mrs. Williams Hosts to Bridge Club.

Mr. and Mrs. Wayne Williams were host and hostess to the Thursday Night Bridge Club and guests at their home last week. Next meeting will be with the Melvin Blackards.

Mrs. Melvin Blackard and Wraymond Sims played high among club members, and Mrs. J. C. Smyth and Billy Boren were high for guests.

Refreshments were passed late in the evening to the following: Messrs. and Mmes. J. C. Smyth, Billy Boren, Alfred McGlaun and E. B. Yeatts, Misses Hattie and Gertrude Hern, guests; Messrs. and Mmes. Wraymond Sims, J. P. Nelson, J. P. Strayhorn, Herman Darby, J. D. Scott, Wayne Boren, J. G. Hicks, G. B. Clark Jr. and Melvin Blackard.

A. B. DeBald of Montrose, Missouri, left Wednesday for Dallas for a brief visit with relatives here before returning to his home. An interested visitor in Snyder for the past three weeks, with his son, William A. DeBald, and wife, the elder Mr. DeBald became a favorite visitor at local gigs, oil mill and in other business places of the town.

## Hallowe'en Theme Is Attractive at Party.

A Hallowe'en theme, featuring decorations of autumn leaves, fresh fruit and cut flowers and Hallowe'en table covers, was attractive last Thursday evening, when Owen Gray was hostess to the Duce Bridge Club and guests at the home of her sister, Mrs. P. W. Cloud.

High score prize went to Alta Bowers and the traveling prize to Frances Stinson at the close of bridge games.

Refreshments were passed to the members and five guests, Dorothy Strayhorn, Kenneth Alexander, Karen Williams, Norma Merle Shirley and Opal Cleavenger. The following members were present: Miss Bowers, Miss Stinson, Johnnie Mathison, Mrs. Billie Lee Jr., Mrs. R. E. Boyer, Margaret Deakins, Mrs. R. C. Miller, Mrs. Buster Curtis, Mavis Webb, Vesta Green and Allene Curry.

Next club meeting will be held at the home of Mrs. Miller.

Mr. and Mrs. Turner Snyder and son, Forest, were week-end guests of Mr. and Mrs. Homer Snyder and sons.

## Ex-Students Choose Ethyl Lynn Hays.

Ethel Lynn Hays, teacher in the Turner school, was chosen from ex-students of West Texas State Teachers College, Canyon, as Scurry County's candidate for ex-student queen of home-coming festivities at the school this week-end. Several will accompany Miss Hays to Canyon.

A county ex-student organization was perfected at a meeting Tuesday evening at the local high school building. Hadley Reeve, junior high school principal in Snyder, was elected president of the association, and Miss Jewell Foster, Spanish teacher here, is secretary.

Plans for the future activities of exes were enthusiastically discussed at Tuesday evening's meeting. Every ex-student of the Canyon school in Scurry County is urged to attend the association's next meeting, Reeve said. Announcement for the next meeting will be made soon.

Mr. and Mrs. Frank Stoker of Eastland spent last week with relatives and friends in Snyder. They were guest at the home of Mrs. W. R. Hudson during their stay here.

## Estine Dorward Is Honor Council Head.

Members of the woman's building honor council of Southwestern University, Georgetown, recently chose Estine Dorward, Snyder, as their president for the session 1937-38. Miss Dorward, daughter of Mr. and Mrs. J. C. Dorward, is a third year student in the school.

Student assistant in the department of speech and dramatic literature, the local girl is president of the student council of religious activities on the campus and of the Delta Delta Delta sorority. She is a member of the university honor council and the student senate.

## Forty P.-T. A. Workers At Thursday Luncheon and School of Instruction

Mrs. W. R. Weaver of Spur, president of 14th District, Texas Congress of Parents and Teachers, gave valuable information concerning the purpose and functioning of Parent-Teacher Associations to about 40 P.-T. A. workers last Thursday afternoon at a county-wide school of instruction held in the local high school building.

Assisting the district president in presenting a review of the organization were two district vice presidents, Mrs. Jack Rector of Spur and Mrs. P. C. Chenault, and Mrs. Wraymond Sims, local president.

In a brief talk before junior high school students in assembly before luncheon, Mrs. Weaver was well-received as she explained P.-T. A. as an instrument to help the student get what he wants and needs. The speaker was introduced by Hadley Reeve, junior high principal, at the close of a program presented by sixth grade students.

Visiting P.-T. A. workers from Ira, Pylon and other county associations along with Mmes. Weaver, Rector, Chenault and several others were guests of local organization at a delightful luncheon, which was prepared and served by third year home economics girls of the local high school under direction of Miss Vera Periman. Superintendent C. Wedgeworth, High School Principal King Sides, Reeve and several other teachers were present at the luncheon.

Two-course luncheon was served buffet style, with Ruth Line and Jonisue Cogdell presiding at the linen-covered table to serve the meal and vegetables. A bowl of varicolored dahlias was the table centerpiece.

Objectives of Parent-Teacher organization were read by Mrs. Sims, to open the afternoon instruction session. Mrs. Rector discussed projects of the Spur P.-T. A. and Mrs. Chenault talked on the endowment fund.

"Parent-Teacher Association is a school for parents and teachers, and the child is its one lesson," said Mrs. Weaver to open her part of the Thursday program. "Parents must be informed about the new methods of teaching," she continued. "Studying, as done in the P.-T. A., teaches us, as parents, to understand that schools are trying to prepare our children for living, and we learn how we may help."

Central theme of the entire meeting Thursday was the part of each parent in P.-T. A. work. "Especially, Mrs. Weaver urged, 'let us endeavor to put the 'pa' back in 'parent.'" The local organization is planning a special "dads' night" social affair soon, to tend toward interesting men in study of the new curriculum, it was announced recently.

In discussing the organization of additional units, Mrs. Weaver suggested to attendants that they fit the unit to the needs of the school and community. Fourteenth district is composed of 24 counties with 80 Parent-Teacher units, and more units are being organized, the district president announced.

State and district presidents are urging unit leaders to send reports of accomplishments and plans of their organizations before time for the annual state meeting in Beaumont, November 14. District conference, to which several Scurry Countians are delegates each year, will be held in Floydada in April.

## Y. W. A. Officers Elected This Week.

New Y. W. A. officers were elected Monday evening at a meeting held at 7:30 o'clock in the home of Mrs. Ethel Eiland, sponsor. Elected officers were: Lois Burrow, president; Ruth Letcher, vice president; Louise LeMond, secretary; Adelle Watkins, treasurer; Aletha Good-nough, reporter; Mable Watkins, program chairman.

All auxiliary members will be required to pay a five-cent fine if absent without reasonable excuse, the group decided Monday evening. Study course to be conducted the first week in November was discussed, and work was started at the meeting on handkerchiefs for a Christmas shower for Buckner Orphans' Home.

## Women of Church Invited to Attend.

All women of the church are invited to attend meetings each Monday afternoon at 3:00 o'clock of the Women's Missionary Society of the First Methodist Church being held in the church parlors. Study of "The Moslem World" is proving interesting, leaders say.

Mrs. H. C. Gordon was leader for the study Monday afternoon with her subject, "Ferment and Revolution." Changes in the Moslem countries were discussed by the following: Education, Mrs. J. O. Littlepage; social, Mrs. T. W. Pollard; economic, Mrs. B. L. Kent; religion, Mrs. Joe Strayhorn; conservative, Mrs. Joe Stinson; political, Mrs. R. L. Reschar. Mrs. M. W. Clark gave the devotional.

Present for the meeting, besides those on program, were the following: Mmes. W. W. Hamilton, R. L. Gray, A. D. Johnson, W. J. Ely, J. P. Avary, D. P. Strayhorn, R. W. West, R. M. Stokes, M. W. Clark, Warren Dodson, H. P. Brown, A. M. Curry, J. C. Dorward, A. C. Preuitt, R. H. Odum and H. V. Williams.

## Eleven Members Are Present for Ira P.T.A.

Eleven members were present for the last regular meeting of Ira's Parent-Teacher Association last Thursday. Following the regular business session and program, Mmes. Lewis Dunn and Ralph Payne served refreshments to the group in the home economics room. Next meeting will come this Thursday afternoon.

Four members of the organization attended the school of instruction presented at Snyder last week by Mrs. W. R. Weaver of Spur, district president, and Mmes. Jack Rector of Spur and P. C. Chenault of Snyder, district vice presidents.

The Ira organization will observe a social hour once each month, with meetings twice a month. All school patrons are invited to join. "We will have enjoyment and serve our community in all meetings," present leaders promise.

"Do you run a bus between the hotel and the railway station?"  
Manager—"I'm sorry, sir, but we don't."  
"That's strange. My friends said you would get me coming and going."

## LET'S TALK ABOUT CLOTHES

By a Young Modern

Coordination counts! Women who desire that "finished" appearance should keep this as their motto, always remembering that the difference between looking "pretty good" and "stunning" may depend on the shades of fingernail polish they use. Since nail polish is a universal necessity now rather than a luxury, manufacturers have devoted their time to making it blend in with modes of the moment. When clothes went flapperish, polish flared into wild reds and even into bright greens and purples.

Now, with fashions going feminine and seductive, a whole new era of polish has been ushered in. One of the best new shades is a flattering blend of a soft, rosy fawn. It has a slight bit of tan left in it, and is good for the stage when your hands are just fading from the summer toasting.

For hands that have completely recovered from all traces of sun tan there is a rosy, silver-violet tone. The third is a rich, glowing red, flattering to any skin and grand for evening clothes. It is particularly lovely with black, silvery blues and evening pastels.

## Art Guild Meets With Mrs. Boyer.

Art Guild met at the home of Mrs. R. E. Boyer Tuesday evening. Following interesting roll call, Effie McLeod directed a program on "Early American Art and Artists."

Mrs. Billie Lee Jr. told of "Art in America Following the Civil War;" "Life and Works of James Abbot Whistler" was a discussion by Alta Bowers, a comparison of the life and works of Winslow Homer with those of Whistler was by Mrs. O'Dell Ryan.

The hostess passed refreshments of delicious pumpkin pie with nuts and whipped cream and coffee to the following club members: Alta Bowers, Effie McLeod, Vera Periman, Jewell Foster, Quata Barrow and Mmes. Curtis Moseley, W. P. King, Billie Lee Jr. and O'Dell Ryan.

Elger M.—"Say, Lynn, did you ever hear of these lie detectors?"  
Lynn A.—"Heard of 'em? Why, say, boy, I married one."

With the polish problem taken care of, well-dressed women point out the importance of keeping your hands soft and white all winter. Complexions this season must be of the peaches-and-cream variety, so hands must correspond.

## Two Are Hostesses For Buffet Supper.

Dorothy Mae Lankford and Helen Adams were hostesses at a buffet supper given at the home of Miss Lankford Friday evening. Halloween noise-makers were given to guests as party favors, and the gay Halloween decorations added color to entertaining rooms.

Guests enjoying the affair were: Doris Warren, Carolyn Dunn, Billie Jean Wilsford, Johnnie Griffin, Emma Lee Pence; Don Adams, Renal Rossion, Preston Wilson, Marshall Gibson, S. D. Hays Jr., Virgil Jones and Elmer Pence.

Various games were diversion for the group after supper.

Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

## Have You Entered The Photo Contest?

We want to buy one hundred photos showing interior views of homes of this section. Each photo submitted must include a view of gas heating equipment. Note the sample below and read the five simple rules of the Contest conducted by your gas company.

A prize of \$10 will be awarded EACH of the TEN BEST PHOTOS submitted each week. At the close of the TEN WEEK PHOTO CONTEST four additional grand prizes of \$100, \$75, \$50 and \$25 will be awarded the four best photos submitted.

This sample photo shows a vented circulating gas heater in the home of one of our customers.

## 5 Simple Rules of the "Heating Photo Contest"

1. All photos must include a view of the gas heating equipment used to heat the room or adjoining room in which the photo is taken. (See sample).
2. The house in which you reside must receive its gas service from one of the companies of Lone Star Gas System and all photos submitted in the TEN WEEK CONTEST must be taken in a home served gas by one of the companies of Lone Star Gas System. These companies are: Lone Star Gas Company; The Dallas Gas Company; County Gas Company; Community Natural Gas Company; Texas Cities Gas Company.
3. Employees of any company of Lone Star Gas System and their immediate families and professional photographers or persons engaged in the business of making photographs for commercial purposes are not eligible to enter this Heating Photo Contest.
4. All photos submitted must have your name and address (including the town) PRINTED PLAINLY ON A SEPARATE PIECE OF PAPER AND PASTED TO THE BACK OF EACH PHOTO ENTERED IN THE CONTEST.
5. All photos submitted should be delivered to your local gas company office or mailed to LONE STAR GAS SYSTEM, ADVERTISING DEPARTMENT, 303 S. HARWOOD ST., DALLAS, TEXAS.

The contest is for a TEN WEEK Period from October 11, 1937 to December 18, 1937 (inclusive). All photos submitted will become the property of Lone Star Gas System to be used as desired by the company. Photos entered in the contest will not be returned and weekly prize winners will be advised by letter. At the close of the ten week contest a complete list of prize winners will be available for your inspection at your nearest gas company office.

Fight colds! Protect yourself and your family against becoming overheated or chilled. If you do "catch cold" consult your family doctor before it has an opportunity to undermine your health.

# ONLY "a cold" . . . but serious disease may follow

YOUR doctor will tell you that "common colds" are dangerous. Fifty per cent of all disabling diseases start with this all too frequent winter illness. Many "colds" result from sudden changes of temperature such as occur to occupants of the home as they go from a warm room into an unheated part of the house. Unless every room is comfortably warm sudden changes of temperature are unavoidable.

Winter months, more than any other season of the year, require careful protective measures against "the common cold." If YOUR family is constantly "catching cold" HEAT YOUR ENTIRE HOUSE THIS WINTER FOR YOUR HEALTH'S SAKE—it's a simple precaution to avoid the dangers of sudden changes of temperature.

# NOBODY'S BUSINESS

By Julian Capers Jr.

Austin.—Taking the economy bill by the horns, the Texas senate last week defied Gov. Allred in its refusal to permit it to consider reduction of appropriations, and took up consideration of Grady Woodruff's economy bill, which would slice \$4,000,000 off departmental appropriations for the next two fiscal years.

There is no authority in law for the employment of press agents to "sell" the departments and the political-minded department heads to the Legislature and the newspaper readers of the state, but they are carried on the payrolls by subterfuge, as "educational directors," "informational directors," and "statistical experts."

Over on the house side, speakers were treated to a strange sight. Dominated by Allred's ring of youthful brain-trusters—the majority of them kids just out of their teens, some still studying law—a subcommittee of the taxation and revenue committee sat for a continuous 13-hour hearing.

What's the Answer? With the session almost gone, it is becoming increasingly obvious that the Allred program of \$15,000,000 of new taxes is sunk without a trace.

Slap at Loan Sharks. Lt. Gov. Walter Woodul broke one of the rare tie votes in the senate this week to vote in favor of state employees who are being victimized by Austin loan sharks.

### Plowboys, Wolves Toned Down Friday By Baird, Loraine

The Roscoe Plowboys and the Colorado Wolves of District 6-B were toned down considerably last Friday, giving other squads of the district a new ambition to capture the area laurels.

Colorado was lucky to take a title game from Loreine, 14 to 13, when the husky Bulldogs revealed remarkable strength and fight. Roscoe proved it is no slouch, despite its recent heavy loss to Colorado, when it knocked out Merkel, 22 to 7.

### Parents Urged to Protect Youngsters

State Health Officer George W. Cox urges all parents of children between the ages of six months and 10 years who have not been immunized against diphtheria, to take them to their family physician and have this done at once.

The first 10 months of 1937 saw 1,635 cases of diphtheria reported to the Texas state department of health. This is an increase over 1936's figures, and shows the need of immunization of children in this age group.

"It was not many years ago that parents dreaded diphtheria because of inability of the medical profession to either prevent or cure the disease. But today, when we know both the cause and the cure, there is no obstacle but negligence which will prevent the complete elimination of the disease in Texas," says Dr. Cox.

HARLEY'S BIG TENT THEATRE PLAYING HERE

"Rose of the Rio Grande" Featured Friday-Saturday by "West Texas' Own Showman."

The amusement loving public of this section will have an opportunity Friday and Saturday nights to visit Harley Sadler's Own Company in a big tent theatre on the Scurry County Fair grounds...

Sadler, often referred to as "West Texas' own showman," promises plenty of variety, including band and orchestra, a full menu of vaudeville, and popular stage plays.

Between the acts will come such vaudeville numbers as the Big State quartet; the Range Riders string band; the Nulls, Donald and Myrtle; Denver Crumpler, radio tenor; Spitters himself; Billy Mack, eccentric dancer; Gloria Sadler, everybody's sweetheart; Slim and Lucile Andrews, and Buddy and Jean Oxford.

Harley says his big tent theatre is positively waterproof, and comfortable in all kinds of weather. For some 20 years this organization has been playing in West Texas. On this visit, as usual, popular prices will prevail.

SEISMOGRAPH CREW OFF TO ASIATIC WORK

Three Members of Local Group Are Sailing Early Next Month for Persian Survey.

The international aspect of seismograph work was given a local angle Friday of last week, when three members of the Seismograph Service Corporation crew left for Persia, Asia.

W. R. Meeks, second in command of the crew that came to Snyder late in September for work in Eastern Scurry County, with F. E. Haag and A. H. Manhart, will join a number of other employees of the Tulsa, Oklahoma, concern, and the entire group will sail for the Asiatic country November 5.

Meeks was in charge of the local crew while S. W. Wilcox, crew boss, was visiting in north middlewestern states on his vacation early this month.

Persia, a monarchy of southwestern Asia, extends from the Persian Gulf and the Gulf of Oman to the Caspian Sea. Iran is the name given the country by its inhabitants. It stretches 900 miles from east to west and 700 miles from north to south.

The country is predominantly agricultural, but oil production has in recent years become a major industry, from which the government receives large royalties. The Anglo-Persian Oil Company, which (in 1934) holds a concession covering all except the five northern provinces, produced 6,500,000 tons of oil in 1932 as compared with 5,750,000 in 1931. No later figures are available.

Snyder Decorated; Expects Big Crowds With dozens of flags flying across her business streets, Snyder is making plans to entertain giant crowds during the two fair days, Friday and Saturday.

Not only will the crowds be attracted by the fair. In the ordinary course of events, this week-end would probably have been one of the best in several years, from a business standpoint, since the cotton picking season is at its height.

Practically all stores are planning to use as many capable clerks Friday and Saturday as they can secure.

Mrs. Cleo Wilson, the former Miss Francis Faye Huestis, and her brother, Sonley, visited in Snyder last Thursday and Friday. Both attended local schools several years ago. Mrs. Wilson was a guest of Bonnie Miller during her stay here.

Snyder General Hospital

Mary Jim Wade, daughter of Mr. and Mrs. Wilmet Wade, was removed from the local hospital Friday, after 27 days of medical treatment.

Last week's patients still in the hospital yesterday were the following: Mrs. A. D. Browning and her week-old baby; G. W. Webb of Colorado, medical patient; Ed Ward, accident victim; Ross Bowers of Dunn, surgery.

Mr. and Mrs. J. C. Sellers of Polar are announcing the birth of a daughter, Barbara Jo, 8 pounds 13 ounces, Friday morning at 8:35 o'clock. Mrs. Sellers and the baby left the hospital early this week.

Medical patients have been these: Kenneth Spikes, Mrs. Dovie Ware of Knapp, and Skeeter Smith of Justiceburg. The first two are still in the hospital.

This week's surgeries include: M. E. Gurney of Colorado, Margie Grubbs of Dunn, Opal Cleavenger of Snyder, Franklin Brownfield underwent a tonsil operation this week, also.

Rites Held Sunday For A. J. Jackson, Who Died Friday

Rites were held Sunday afternoon, 2:00 o'clock, at the graveside in Snyder cemetery, for Ananias Jackson Booth, 74, who died Friday morning at the home of a daughter, Mrs. Mart Smith, five miles east of Snyder, after an illness of several weeks.

Rev. Ernest Gates, pastor of the Nazarene Church, officiated. Maple Funeral Home was in charge. Roe Rosson, Mitchell Minyard, John Woodard, Forest Jones, Joe Eicke and Doyle Pogue were pallbearers. Flowers were in charge of Nell Bertram, Mozelle Eicke, Gradine Fisher and Muriel Woodard.

Mr. Booth was born May 10, 1863, in Illinois. His home place was in Taylor County, 14 miles west of Buffalo Gap, but he had been residing with his children for several years, having been in the Mart Smith home for several months. He moved to Taylor County in 1903 from Erath County.

On June 5, 1887, he was married to Mrs. Lena Owen, who died in 1931. On August 26, 1937, he was married to Mrs. Lizzie Dennis, who survives.

Other survivors are one son, G. A. Booth, Lamesa; three daughters, Mrs. Mart Smith, Mrs. C. L. Williams of Thoresau, New Mexico, and Mrs. Thad Russell of Abilene; two sisters, Mrs. J. C. Boyd, Tiban, New Mexico, and Mrs. W. P. Reed, Caddo; one brother, John W. Booth, Nacoma; 19 grandchildren and six great-grandchildren.

Mrs. Frankie Hall and Mrs. G. W. Hicks and children, all of Odessa, were Snyder visitors last week.

AUTO SHOW TO FEATURE FAIR

Since several automobile dealers have received new 1938 models, an informal auto show will be a feature of the fair this week-end.

Along with the auto display will be several commercial exhibits, with Snyder business houses displaying their wares and offering special services to fair visitors.

Emergency Hospital

Mr. and Mrs. Orville Lee Taylor of near Ira are announcing the recent birth of a baby son in the Emergency Hospital. The child weighed nine pounds and five ounces at birth.

Mrs. Buster Curtis had a tonsil operation and stayed in the hospital several days recently.

Mrs. Stewart of Brownwood and Mrs. Boss Slaveley of Fluvanna are medical patients in the local hospital-Mrs. Stewart for several weeks past and Mrs. Slaveley since Monday.

O. W. Dever is in the hospital as a result of an automobile accident Wednesday morning. He received severe cuts on his right hand and arm.

Mr. and Mrs. Billy Nelson Jr. of San Angelo spent Sunday night in Snyder with Mrs. W. W. Nelson.

A Mouthful!

Twenty-three-year-old Joe DiMaggio, the killingest killer of the New York Yankees "Murderer Row," is shown in training for his sensational performance in the recent World Series.

The San Francisco Italian is the major league home run champion of the year with 46 round-trippers, and with a batting average of .346.

Mrs. H. J. Brice was a guest last week of her daughter, Mrs. Guy Stoker, and family at their ranch home near Eastland. The Stokers were week-end visitors in Snyder.

WHEAT LOANS TO STOP SOON

Emergency wheat loans from the government will stop Saturday, October 30, according to word received yesterday by Armour McFarland, local field man for emergency crop loans.

Many applications for loans have been made in recent weeks. McFarland said, leading to the opinion that Scurry County will plant a sizeable wheat crop for the second consecutive year.

Colorado Principal Succumbs Saturday

C. A. Wilkins, 33, principal of Colorado High School for 12 years, died in a Colorado hospital Saturday afternoon following two major operations during the week.

As chairman of football District 6-B, of which Snyder is a part, the school man was well known in this vicinity.

Survivors include his wife, a son, C. A. Jr., six years old, and two brothers. Last rites were held from the First Baptist Church Sunday afternoon.

Mrs. John R. Covey of Burleson visited with her parents, Mr. and Mrs. J. G. Patterson, in Snyder from Tuesday until Friday of last week. Her husband, formerly principal of the local high school, was a delegate to the Presbyterian Synod at Stokor, and he visited friends and relatives here on his way to and from the Plains city.

### LIONS BOOST FAIR; ENCORE SINGING FOUR

H. F. Sefton, New Santa Fe Agent, Is Unanimously Elected to Membership in Club.

Snyder Lions bit off three big bites in a snappy program Tuesday at noon.

They boosted the Scurry County Fall Fair, heartily endorsed the Snyder quartet, and elected H. F. Sefton to club membership by a unanimous vote. The newly elected member is Santa Fe agent.

The Snyder Quartet, heard a number of times on the Big Spring radio station, was presented to the Lions Club Tuesday at noon in three numbers.

"Years Roll On" was given the biggest hand, as the songsters were recalled for two encores. The other numbers were "I'd Like to Go Back" and "No Setting Sun."

J. P. Tate, Lentie Bell Tate, Jack Patrick and Emmitt Butts composed the quartet.

Club President A. C. Preult called on the club to support the approaching Scurry County Fall Fair 100 per cent, after W. R. Lacey, general chairman, outlined fair plans. The club made plans for trips into nearby communities Wednesday to advertise the event.

M. H. Greenwood, Pyron superintendent, was a guest, in addition to the four singers and their accompanist, Mrs. Emmitt Butts.

### Borden Ranches Improve Surface Supply of Water

Sixty-three earthen tanks have been completed and measured for payment in Borden County under the 1937 range conservation program, according to latest information, according to latest information.

These tanks consist of earthen dams varying in size from a few hundred yards of dirt to several in excess of 9,000 yards, and a total of 127,667 yards of dirt has been used in their construction.

More earthen tanks have been built since last March than in any similar period in the history of Borden County. The remaining tanks to be constructed before the first of the coming year will place Borden County ahead of any adjoining county in this type of range improvement.

Approximately 10 earthen tanks are being constructed at present, and contracts have been approved for over 20 more to be completed before January 1.

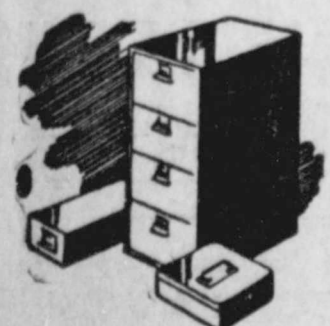

### First Presbyterian Church

The pastor will occupy the pulpit at the morning service at 11:00 o'clock and at the evening service at 7:30 o'clock. The subjects of the sermons will be "The Driving Force" and "To End Complaints." A cordial invitation is extended to all who would make this their place of worship.

In addition to the world wide communion and the visit of Miss Lena Boyd of India, which are already past, there will be two other special events in the observance of the centennial of our foreign mission board. On the night of Friday, October 29, at 7:00 o'clock, there will be a church supper, with special program of interest to all; and on the last Sunday, October 31, there will be a service of commemoration at the morning worship hour—James E. Spivey, pastor.

Claire Patterson, teacher in the Post schools, was a week-end guest of her parents, Mr. and Mrs. Frank Patterson. She was accompanied here by Mr. and Mrs. Tilman Jones of Post, who visited briefly with the Joe Catons before going on to Sweetwater for the day Sunday.

Myrtle Null, above, is leading lady with Harley Sadler's big stage show, "Rose of the Rio Grande," which will appear in Snyder as entertainment for the fair visitors Friday and Saturday, October 22 and 23. Miss Null is a talented actress with years of experience on road shows. This is her first season with the Sadler organization.

### Infantile Paralysis Attacks Philip Jr.

Infantile paralysis that attacked Philip McGahey Jr., eldest son of the former First Baptist Church pastor and his wife, has just about been conquered, said "Brother Philip" when he was in Snyder briefly Tuesday.

The youngster was rushed to Abilene from Breckenridge 10 days ago, when he complained of a throat ailment and rising fever. The disease was nipped in the bud before it had a chance to bring any permanent injury, attending physicians believe. Young Phil continues to be treated in Abilene, with his parents in constant attendance.

Anna Grace Foster of Washington, D. C., was a guest of Katie Poteet here early this week. Both girls spent the week-end with their parents at Sipe Springs, arriving in Snyder early Monday. Miss Foster, who is with the Agricultural Adjustment Administration in the capital city, returned there this week after a several weeks' vacation.

### Western Fisher Wildcat Staked On Small Block

Location for a 3,500-foot western Fisher County wildcat test has been staked by John Stribling, Rotan ranchman, in the center of a 4,560-acre block from which Magnolia Petroleum Company has purchased eight 80-acre tracts as protection.

Consideration for the acreage was said to be \$2.50 to \$6.50 per acre. Stribling is reported planning the test himself, on his ranch south of the Hobbs community, not far from the Scurry County line, where Humble holds a 7,500-acre assembly.

Location is 660 feet from south and east lines of section 110, block 3, H&TC survey. The block includes all of sections 110, 111, 112, 124, 122, the south half of sections 80 and 81, the north half of section 121, the northwest quarter of section 120, the west half of section 119, the west half and the northeast quarter of section 112, all in block 3, H&TC survey.

The Stribling block is west of a 4,800-acre block held by Magnolia and south of a 7,500-acre block owned by Humble, northwest of a 12,000-acre block east of Claytonville.

Ben Rogers of Midland, formerly with Shell Petroleum Corporation, has taken a large block adjoining the Claytonville area on the west, and Jim Turner of Midland is reported to have assembled a large block to the south, extending into Nolan County.

Forest Development Corporation of Abilene is reported planning a third wildcat north of the Crossroads community on the firm's 10,000-acre block west of Rotan, the test to be on land owned by Lee Fancher et al., in the southern corner of section 52, block 2, H&TC survey.

Everybody likes a holiday, but does everyone know how many there are and when they come? Three state celebrations are scheduled during the year: Texas Independence Day on March 2, San Jacinto Day on April 21, and Texas Pioneers' Day on August 12. But the national holidays are more numerous. Those to include New Year's Day, Washington's birthday and Arbor Day on February 22, Jefferson Davis' birthday on June 3, Independence Day on the Fourth, Labor Day in September, Columbus Day October 12, Armistice Day on November 11, Thanksgiving and Christmas.

### RED CROSS TO SHOOT AT \$600

A voluntary goal of \$600 was accepted for this year by Scurry County officials of the American Red Cross, according to Hal A. Lattimore, who has been reappointed as Roll Call chairman.

A field man for the St. Louis office of the Red Cross was in Snyder several days ago to help make advance plans for the Roll Call drive, which will be made between Armistice Day and Thanksgiving Day.

Lattimore points out that almost \$400 was raised by the county last year, and that at least \$200 more should be raised in view of increased income in the trade territory. Out of the \$1 membership, 50 cents remains in Scurry County; out of the \$5 membership, \$4.50 remains in the county.

### Zone Meeting Held For Scurry BTU's

Several Scurry County Baptist Training Union members gathered at the First Baptist Church Sunday afternoon for a zone meeting, with Rev. C. J. Childers of Westbrook, Mitchell-Scurry Association president, in charge.

Fred Jones of Snyder was made zone chairman. Other officers are: Edgar Eades, Union, vice chairman; Miss Adell Watkins, Snyder, secretary; Anthon Wade, Ennis, chorister.

The two zones of the association will meet at Wastella Monday night, November 1, in a joint session. Association contests, looking toward the Thanksgiving state convention, will be held at that time.

Martha Jo Jenkins, named among the most beautiful girls in Texas Technological College, Lubbock, last year, spent the week-end in Snyder with relatives and friends. Miss Jenkins is a graduate of the local high school.

Mrs. Minnie Jonte of San Diego, California, and her son, Lawson Jonte of Dallas, visited Tuesday and Wednesday here with her sister, Mrs. A. M. Curry, and daughter. The two were en route from California to Dallas. Mrs. Jonte, who has visited in Snyder numbers of times, is known to local people, and she will return here for a longer visit before returning to San Diego.

M. M. Clark of Pecos spent the week-end with his mother, Mrs. Stella Clark, here.

Sue Snider of Cisco spent last week-end with her sister, Mrs. W. C. Nelson.

C. K. Winston has been here this week to visit his brothers, Harrie and Wade, at their home in South-west Snyder. The Texas Company auditor and his family, who came to "the States" several months ago after long residence in Australia, have located in Dallas after visiting in recent weeks in several sections of the United States.

### OCTOBER

October, and the butterfly is in a world not now his own. He lingers, hears the north wind sigh.

"Why, may I ask, have you not gone?" He answers as the aged might, "One bit more sweetness I might have Before I vanish in the night, Or rest my spirit in the grave." —Erlene Townsend Day.

### Hunters vs. Hunted.

Quail meat on the dinner table might well become a delicacy of the golden past were it not for the constant efforts of state game officials to keep such birds evenly distributed over the state.

Last year over 4,375 quail were raised on the game preserves and distributed, 315 wild turkeys and 123 deer. There are 97 state game preserves where this work is carried on, encompassing over 2,600,293 acres.

However, on the other side of the fence there were 20,565 hunters on the 1,370 shooting preserves last year, and they killed over 7,500 deer, 16,500 ducks and geese, 5,250 doves and quail and 1,990 turkeys.

### Reunion in Fort Worth.

Mrs. P. C. Chenault and her four children had a happy reunion in Fort Worth last week-end. Frances, who is working in Hamlin, Vivian, who is a student in Trinity University, Waxahachie, Maxey of Dallas and Harvey Lee of Oklahoma City, met their mother in Fort Worth. The family group attended, among other enjoyable things, the A. & M.-T. C. U. football game. The two Chenault boys are graduates of A. & M. College.

### FAIR BOOSTED BY MERCHANTS

A dozen Snyder merchants yesterday (Wednesday) covered all stores and signs in Scurry County towns with words and pictures that gave a cordial invitation to the Scurry County Fall Fair, to be staged here Friday and Saturday of this week.

The local groups, going in three cars Wednesday morning and two cars Wednesday afternoon, were assisted by W. T. Hanes, Hernalleigh superintendent.

"We'll be coming strong, even if we are busy with cotton picking and ginning," was the sentiment everywhere.

### No Harm Intended; Times Makes Slip

The Times took its Washington correspondent too seriously last week, and published an article that was misleading though largely factual.

The article related that Snyder's postmaster will have \$77.78 at his disposal to hire extra help for expeditious handling of the Christmas rush. It's true, in a way, but Postmaster Warren Dodson points out that the allotment is divided among the present employees, and that no new workers will be needed.

No harm intended, of course. And The Times hopes the Christmas rush will be so heavy that the post office will need another allotment!

As the colored doorman ran down to open the limousine door, he tripped and rolled the last four steps. "For heavens' sake, be careful," cried the club manager. "They'll think you are a member."

"Where can I put this so I won't forget it when I go out?" "In front of the mirror."

Mr. and Mrs. E. C. Neeley and Mr. and Mrs. Dock Polk, all of San Angelo, spent the week-end with local relatives. Mrs. Polk and the Neeleys are former Snyder residents.

Paynell Spears and Florentz Winston of Hardin-Simmons University, Abilene, were week-end visitors with their parents here.

## GENTLEMEN, WE GIVE YOU THE MOST MODERN CHASSIS IN THE WORLD

**NOW ON DISPLAY at BUICK Showrooms Everywhere**

Under the new beauty of Buick, modern engineering makes history, co-starring the DYNAFLEX ENGINE and TORQUE-FREE SPRINGING

WHAT HAPPENS inside the 1938 Buick engine happens nowhere else in the world.

That is not advertising language, it is cold-steel engineering fact.

Speeding through the raceways of the intake manifold, the fuel mixture vapor hurricanes into the cylinders at speeds around 250 miles an hour.

As it sweeps past streamline valve contours, a scientifically designed T-urinator, built into the piston face, flings it into airswirls of terrific turbulence.

The spark that leaps through that compact storm-center sets off a flashing cyclone of power, exploding with tornadic force!

Sitting in the driver's seat you become aware of power that is livelier and more brilliant because gasoline is giving up more performance than it ever gave up to motorists before!

TO MATCH this incomparable stride, Buick engineers now give you a kind of springing you will likewise find on no other car in the world.

Poised on jarless coils of easy-flexing steel, Buick floats free of bobble, jar, chatter, jounce.

The car will not over-steer or under-steer—skidding, even on icy highways, is blessedly reduced.

Rear tires no longer scuff half their life away through power-wasting wheel-slip.

Through winter and summer, without need of grease and without "seize" from rust, dirt, water or ice, springs keep their gentle, even cushioning for the life of the car.

YES, IT IS a great story, the story of these twin engineering triumphs in the 1938 Buick.

So great a story that it obscures half a score of other advances, themselves enough to make any car a wonderful buy.

We invite you to learn more about them this week at any Buick show-room.

Final Rites for Son of Business Man Held Friday

Final rites for William Corwin Patterson, who would have been 22 years of age on November 7, were held Friday afternoon at the First Baptist Church, as former classmates and many friends of the family joined in a tribute service.

Rev. W. F. Ferguson of Slaton, former pastor, related how Corwin was converted, with his father, about 10 years ago. Most of his fellow graduates from Snyder High School in 1934 were in the congregation in a group, as Rev. Ferguson, Rev. Lawrence Hays and Rev. James E. Spivey, conducted the services.

Corwin succumbed at the family home, Thursday morning of last week, to an illness of more than a month from typhoid fever. He was a student in Draughn's Business College, Abilene, when he became ill. He had also attended John Tarleton College, Stephenville, since his graduation from high school.

Surviving are J. W. Patterson, Snyder business man, and Mrs. Patterson, parents; Virginia Egerston, sweetheart; Mr. and Mrs. W. H. Patterson, Kingfisher, Oklahoma, paternal grandparents; and Mrs. M. M. Cooper, Greenfield, Oklahoma, maternal grandmother.

Corwin moved to Snyder with his parents in 1924. He was born in Ryan, Oklahoma.

Pallbearers for final rites were L. A. Crenshaw, Leighton Griffin, Fred Jones, Vernon Slocumb, Emory Smith of Breckenridge, Victor Baze, Junior Thompson and Bernard Longbottom. Flowers were in charge of Mrs. Vernon Slocumb, Lovell Baze and Arthur McFavland; Misses Gertrude Ross, Nell Carleton and Doris Davis of Rotan. Odum Funeral Home was in charge of arrangements.

Honorary pallbearers were: Lee Colwell, Abe Rogers, Jack Martin, E. E. Weatherstone, Dr. I. A. Griffin, Ed Miller, C. E. Ross, J. C. Dorward, Lee Stinson, A. W. Arnold, Frank Arnett, Bill Taylor, Bob Terry, H. J. Brice, Sterling Williams, Roy Patterson, Sonley Huestis, Roy Patterson, A. P. Morris, Bernard Longbottom, Ward Gross, Joe Graham, Boss Baze, Jess Garner, H. G. Towle, A. C. Preuit, Hal Lattimore, Maurice Brownfield, Marcel Josephson, J. C. Smyth, Leon Wren, Edgar Wilson, N. M. Harpole, Fred Wilhelm, Morgan Maule, J. B. Pierce, Willard Lewis, Cleve Blackard, Nelson Dunn, P. W. Cloud, Harvey Shuler.

Means and groans over the fact that the buffalo is gone forever from the Texas range are all very well, but forward-thinking people are doing something more than groan over the gradual demise of other types of Texas wildlife.

The Texas game, fish and oyster commission, A. & M. College, the American Wildlife Institute and the United States Biological Survey are now all working together to protect and increase the wildlife resources in Texas.

Methods of such groups include the study of habits and necessities of various birds and animals, a continual restocking of game preserves, and the careful formation of game laws for the mutual benefit of the hunter and hunted. These determined workers must have the full support of Texas hunting citizens if this conservation policy is to be effective.

Old-Fashioned Dessert

Everybody loves a dessert you eat right-out-of-the-oven, when it's hot and sugary and deliciously fresh. You can stir up this old fashioned apple roll in a jiffy if you want to give the family a surprise treat at the last minute.

Apple Roll and Variations. Four medium sized apples (or 2 cups berries or other fruit), 1 1/2 cups sugar, 2 cups water, 1 tbs. butter, sugar and cinnamon.

- 1.—Select apples that will cook quickly. 2.—Peel, core and chop fine. 3.—Put sugar and water in a pan 2 inches deep. Cook about 5 minutes over slow fire. 4.—While syrup is cooking, make up a rich biscuit dough. 5.—Roll about 1-4 inch thick. 6.—Spread with the finely chopped apples (or other fruit) and roll into a long roll. 7.—Cut into pieces about 1 1/2 inches wide. 8.—Place cut side down in the pan of hot syrup.

Comrade Karl Fisher was on vacation in New England this summer, accompanied by his nine-year-old son. While he was motoring in Vermont a friend was pointing out various places of interest, but had failed to elicit any comment from Karl's boy. Finally he turned to the lad and asked: "Did you ever hear of Ethan Allen and his Green Mountain Boys?" "No," answered the boy. "What station are they on?"

Can You Beat It?

If you don't come to the Scurry County Fall Fair Friday and Saturday, you and the whole bloom'n' family will be missing something that you won't find anywhere else under the sun. You'll be missing the spirit of returning good times that is always generated by a good fair. You'll be missing the chance to see what has been done and what is being done in the way of improving the quality of Scurry County's and surrounding trade territory's products.

Current Comment.

By LEON GUINN. Publishers' Note: "Current Comment" is not necessarily the editorial opinion of The Times. Harvard's museum of zoology last week was exhibiting an eight-foot skeleton of a prehistoric Texas lizard known as Edaphosaurus to paleontologists. . . . This prehistoric creature used to roam the Plains and Panhandle when most of this part of the state was an inland sea, and is classified as a "rare find" by that scientific group of bone diggers we know as paleontologists.

Editorial of the Week.

"YES" TODAY—"NO" TOMORROW. Voters of the state agree to constitutional amendments, usually calling for the Legislature to find money to pay, and then when the law-making body talks about raising more taxes some of these same voters say "No!" How, pray, can the Legislature provide money for destitute children, blind children and so on unless money comes through taxation?

Three Great Seeds.

Von Roeder Seed Farms, alert to keep step with the times, are this season introducing two new cottons—Western Prolific and Improved Acala—to meet needs that were not entirely supplied by their first seed, Texas Mammoth. Three great seeds are offered right at our doorstep. No doubt this trade territory will be the first to say, by buying, "Your years of experiment and breeding are appreciated by our home folks."

Pointing That Way.

All signs are pointing toward the fiftieth anniversary edition that is to be published by The Times within a few weeks. The publishers take this advance opportunity to ask the cooperation of "all hands and the cook" in order to make this special edition one of the greatest weekly newspaper issues in the state.

No Finer Words.

"Stupendous Spectacle of Inconceivable Magnificence." Take three guesses as to what those billboard words describe, forget the last two guesses. Then bundle up the whole bloom'n' family and go to . . . the circus.

Congratulations are due several owners of business property. They are cleaning their premises as they have never been cleaned before. But this job will never be complete until a few filthy staircases and a few weed patches are nullified.

The Uninvited and Unseen Guest in the Average American Home.

Harrie Winston found this short story in a recent issue of the Kansas City Daily Drovers Telegram. The story, called "The Uninvited Guest," tells "Hidden Taxes," was originally written by Theresa O. Weiss in Nation's Business. The average American got out of bed and as he kicked back the sheets the Uninvited Guest remarked "Four cents a pound tax on sheets." When he went to take a bath and turned on the electric light, the Uninvited Guest murmured "Burn all the light you want. There's a three-cent tax on your bill that comes to me."

As the American proceeded with his cleansing process the Guest chuckled and reminded him that he collected two cents on the bottle of tooth paste, five per cent on the soap, and five per cent on the mouth wash, "and," said the Guest, "I've already collected 20 per cent on your hose, shirt, gloves and shoes. I collected 63 taxes on the suit you bought last week. They amounted to \$6.86 on the \$35 suit. Of every five pairs of shoes you buy I get one of them."

As written for Nation's Business the story proceeds: Mr. American went downstairs to join his wife at the breakfast table, but the Uninvited Guest was already comfortably seated between them. "Can't lose me," he chirped cheerfully. "Pass me that bread, will you? I've already collected 58 taxes on it and I might almost call it mine." "Stop exaggerating," frowned Mr. American. "Exaggerating, huh?" snapped the Uninvited Guest. "Listen! The farmer paid seven taxes on this bread, the grain elevator paid 10, the flour mill paid eight, the railroad 11, the truck owner seven, the baking company nine, and the retail store six. All those were passed right on to you in the price you paid for this loaf."

"Here, have some bacon," smirked the Uninvited Guest. "It's yours, now that I've gotten my 38 taxes out of it." Mr. American sipped his coffee and thought wicked thoughts about his special visitor. "Taste sweet enough?" the latter purred. "It ought to. Worth 45 taxes to me—the sugar, I mean." By this time Mr. American was growling audibly. "Pass me the milk, please," said Mrs. Average American. "Sure," interrupted the Uninvited Guest, "one and a half cents on a quart of that precious fluid! That counts up to plenty in a day, if you ask me."

Mr. Average American pushed back his dish of fruit (canned, plus 32 taxes)—half eaten. Mrs. American looked at him with questioning eyes. "What ails him this morning?" she said to herself. And then aloud, "Dear, just turn on the radio and get the correct time on Prof. Dumbbell's Gym Class Hour, will you?" Mr. American walked over to the radio, but his Uninvited Guest was already there, leaning nonchalantly on the cabinet. "Pretty nice radio you have here," he said. "Paid \$50 for it, didn't you? Cheap at that—and just think I got \$1.25 on that. That's not all, either. Whenever you need a new tube or part I'll get five per cent on all them, too."

"Average," said Mrs. American, "I don't like to remind you, but this is Tuesday and we've invited Mr. and Mrs. Andy Consumer over for a few rubbers of contract. We won't play for money tonight. They'll realize that we can't afford that any longer. We'll just play for points."

Ft. Worth Paper Relates Oil Play Invading County

The Fort Worth Star-Telegram Sunday carried an article with an Abilene dateline, in which Scurry County was spotlighted for near-future oil play. The Times purposely omits one erroneous paragraph that said, in part: "Acreage prices are reported high in Southwest Scurry, where two semi-wildcats are drilling, some figures running from \$15 to \$35 per acre." No such figures, or anywhere near them, have been reached in that vicinity, according to oil men.

The article reads: "The area between the West Central Texas Pennsylvanian production and the West Texas Permian Basin is beginning to share more in oil development and leasing activity, Scurry County particularly falling into the limelight. "A survey and lease play following the Rotan pool's discovery has been extended through western Fisher, where two more deep wildcat tests are planned, into eastern Scurry. Several major companies are giving geophysical prospectors a workout through Scurry, Kent and to the north. "With the trend from the Ira pool of southern Scurry limited on the east, two drilling tests are seeking possible producing zones at about 1,700, 2,300 and 3,100 feet. Robinson Brothers of Miami, Oklahoma, are drilling past 1,900 feet on their No. 1 Martin, a mile west of the Gooz No. 1 Henderson, which had favorable showings of oil. Three and a half miles to the south, T. G. Shaw is past 1,700 on a test two miles southwest of the Bristow & Cantrill No. 1 Tomlinson. Offsets to Shaw's wildcat are owned by the Texas Company and Iron Mountain Oil Company. Magnolia Petroleum Company is checkerboarding in the area.

"The territory receiving most attention is about seven miles north of the Westbrook pool, in Mitchell County, which has pay at about 3,000 feet." Another Sing-Song To Be Held Monday. Second community-wide sing-song will be held at the First Presbyterian Church Monday night, October 25. The 50 persons who gathered for the first sing-song two weeks ago were enthusiastic over the plan of singing the hymns and melodies of other days. They decided to hold the sing-songs regularly each second and fourth Monday night. Leaders of the song lovingly say the public is cordially invited, since the gathering is planned strictly without regard to church or other affiliations.

Fisher Singers to Plasterco for Next Fifth Sunday Meet

At the Fisher County Singing Convention, held the second Sunday at Liberty, overflow crowds were present for the all-day song fest and dinner on the premises in "country style." Among featured Scurry County visitors were: Lawrence Dever, the Dewey Nlededekens and a Midway delegation. Visitors from Rotan, Hobbs, Snyder, Sweetwater, Plasterco, Fyron, Hermleigh and other places caused standing room to command a premium. Highlights included: The Sinclair quartet, Rotan girls' quartet, a duet by Rev. and Mrs. Shepard of Sweetwater, and other quartet numbers. Next session of the Fisher County convention goes to Plasterco. The Fisher County Fifth Sunday Convention meets the fifth Sunday of October at Longworth, for an all-day sing-song and "abundant dinner." Scurry County singers are especially invited to be at Longworth the fifth Sunday of this month.

GETSEMANE This I know: That when the morrow comes That we shall go as others When the shadows darken And the candle's low, And each shall beg his own release, "Dear Father, give me peace." —Elythe Stokes Cramer, Terrell

Cotton Prices Upped. Cotton prices advanced sharply and the 10-market average of 8.24 cents for middling 7-8 inch on Friday, October 15, was 56 points higher than a week earlier, according to the Bureau of Agricultural Economics. The advance in cotton prices was attributed largely to the much reduced volume of offerings of spot cotton. The Times carries a full line of office supplies.

Good Report at Sunday Meeting By Dunn Charge

By Publicity Superintendent. Fourth quarterly conference was held Sunday, October 17, for the Dunn charge, Sweetwater district. Presiding Elder S. H. Young was present, to hold the conference. He brought a fine message, and the people enjoyed the occasion greatly. There was a bountiful lunch spread at the noon hour. The church was almost full at the meeting of the conference at 2:00 o'clock in the afternoon. We wish to report that the Dunn charge has paid in full the salary and benevolences for the first time in its history, besides special calls and assessments for various requirements. Our pastor and family have wrought a good work in the entire charge, and have had a good year spiritually as well as financially.

First Baptist Church

9:45—Sunday school for every age. 10:50—Morning worship. The pastor will preach on "The Essence of Christianity." There will be special music. 6:15—Baptist Training Union. 7:30—Evening worship. The pastor will preach on the subject, "Remembering Christ." The male quartet will sing. Welcome, thrice welcome.—Lawrence Hays, pastor. The cooperation of the people, with the pastor leading, and this act are especially praiseworthy, in view of the fact that last year the struggle to pay out in full was a difficult one. Therefore we lacked several dollars paying out. Our pastor thanked every one on any committee, and especially the board of stewards, for their faithful cooperation in every way during the year, and for the donations in money and the poundings during the revivals. We trust Bro. Young will be our presiding elder and Bro. Damron our pastor.
