PAVING PLANS OUTLINED FOR CITY CITIZENS

Collection Campaign Brings Heavy April Water and Sewer Payments

Two rules governing the city paving program were passed, and collection of heavy water and sewer fees in April was recognized, as the two features of the City Council meeting Monday night.

Water and sewer collections of \$1,809.08 included a large amount of delinquent bills that have been paid during a strenuous collection campaign.

Building permits of \$3,825 brought the 1938 total figure to \$9,175. Fines were \$32.10, and tax collections were \$633.02. Bills totaling \$1,520.57 were allowed.

Two Paving Rules.

The council voted to pave extra strips of streets or alleys, not included in the regular approved street projects, providing the owners of the property abutting on such streets or alleys will pay the entire estimated cost of the additional paving.

Pending completion of the paving projects authorized by the council January 3, the city will pay for topping material and otherwise sponsor the paving of the following streets only: Avenue S from the Deep Creek dip south to 30th Street, then west on 30th Street to Avenue T, thence north on Avenue T to the Deep Creek bridge. This was the context of the second paving regulation.

New City Insurance.

The councilmen voted that the city hall, fire station and city warehouse be insured for a total of \$3,000, fire and tornado, and that the warehouse equipment be insured for \$1,500.

B. P. Moffett, F. G. Sears and Dwight Monroe were named on a committee to investigate purchase of an underground tank and pump for storing and dispensing gasoline for city use.

J. V. Robinson was made chairman of a committee to investigate reopening of railroad grade crossings now closed, and to select his associates in the investigation.

Lions Plan Trip To District Meet Early Next Week

Several members of the Snyder Lions Club plan to be in Lubbock for the annual District 2-T convention, which opens Sunday evening and ends Tuesday, according to A. C. Preuit, local president.

An entertainment number will be provided by the local club Monday evening. Mrs. Hilton Lambert will present two of her pupils, Doris Glen Wilks and Dot Rea of Fluvanna, singing-whistling girls, in several numbers.

Pre-convention activities will begin with the registration, and the first business session will begin Monday morning. Present plans call for a dinner and a dance at Hotel Lubbock Monday evening, May 9, it was announced.

Several towns in the district are bidding for the 1939 convention. Amarillo and El Paso delegations will be present. The border city, strongest contender, will have not only their local clubs in attendance but also a Mexican Lions delegation from Juarez. If the 1939 convention goes to the border town, they promise to have the district convention of the Mexican Lions clubs held at the same time.

Regular semi-annual working of the Pyron cemetery, one of the best-known burial sites in the county, is planned for Friday of this week. Basket lunches will be spread at noon for the workers, who plan to spend practically all day at the job.

Foxes Roped

Three men of the Camp Spring community last week went rattlesnake hunting—and returned home with a veteran mother grey fox and four pups.

Discovered in a shallow cave, the foxes presented quite a problem. Finally, a short larfat was attached to a pole, and Mother Fox was persuaded to poke her head into the noose. Catching the four pups was then a simple matter.

The five-animal catch was made on the Jackson Willing ham place in East Scurry County.

The fact that Mother Fox had part of her front right foot missing, evidently in a steel trap, indicates that she is probably the much-sought varmint that has been catching lambs in the vicinity.

MOTHER

If all the empty and commercialized tributes that are paid Mother on her day were rolled into one, what a tremendous and useless noise that would be!

Would it not be a gracious thing if, on THIS Mother's Day, all of us became real pals to Mother . . . joining her in her joys, holding her heart in her sorrows?

It is a worthy ideal for this Mother's Day of 1938. May we not hold it foremost as we join the other sons and daughters of men in sending flowers, telegrams, candy, letters and other material remembrances?

Hospital Day Set Thursday

Snyder General Hospital and the Emergency Hospital Will Welcome Visitors On National Day, May 12

Thursday, May 12, will be visiting day in the two local hospitals.

National Hospital Day, as the special occasion is called throughout the country, will be a time for Snyder General Hospital and Emergency Hospital staffs to show visitors just what this community has to offer in the way of modern hospital service. 24 hours per day, 365 days in the year.

Facts and figures concerning the equipment and staffs of the local hospitals will be found elsewhere in this issue of The Times.

Program at Hospital.

A special program on the lawn of Snyder General Hospital Thursday afternoon, May 12, 2:00 o'clock, will feature an address to school children by Dr. H. E. Rosser, local physician. Snyder pastors will take part in the program.

A Stinson No. 1 window display, featuring a doll provided by Perry Brothers, calls attention to National Hospital Day.

The invitation to take advantage of this special visiting day is extended by hospital staffs to every one who wishes to become better acquainted with the local hospital facilities and staff members.

PARKING AIDED BY NEW MARKS

Newly painted diagonal lines in the center parking spaces around the Snyder square have greatly helped the local traffic problem, according to Marshal Simon Best, the marshal requests all parkers to park between the lines, and to keep their front wheels as nearly as possible in line with the end of the marks.

Best asks The Times to express his appreciation to town and out-of-town folks for their cooperation in carrying out his recent suggestions concerning double parking.

Two other traffic hazards in which he asks cooperation are:

1. Failure to honk horn when backing out of parking spaces anywhere in the business area.
2. Failing to signal with hand when stopping or making turns. Best points out that the proper signs are: Right turn, arm held upward at angle; stop, arm held downward at angle; left turn, arm held straight out of car window.

Pyron Girls Attend Home Makers' Meet

Three Pyron girls and their teacher, Mildred Dunlop, and a driver for their car, Theodore Souls, left yesterday for San Antonio, where they are attending the nineteenth annual rally of Future Home Makers. The rally ends Saturday, the group returning Sunday.

Geraldine Slaughter, third-year student, will display an evening dress. Callie Williamson, second-year student, will compete with a street dress, and La Verne Ware, first-year home economics student, will display a school dress.

Expenses for the trip were raised with an entertainment last week.

A May fete with all the flag-pole winding and music of such an occasion will be held Thursday night of this week in the Pyron gymnasium, with 75 children participating. Three teachers, Mattie Beth Payne, Mrs. N. E. Simmons and Wilma Allen, are sponsoring the program.

MUSIC LOVERS POOL EFFORTS ON PROGRAMS

National Music Week Observance Led by Coterie and Local Schools

Snyder's patrons of music, music clubs and school students are concentrating their efforts in making National Music Week here an outstanding event in cultural life of the community. Local people are always led in the observance by Musical Coterie, women's music group.

Proclaiming this week as National Music Week, the first week in May, in accordance with schools all over the nation, Snyder schools are giving time in classrooms this week to further the students' appreciation of music. The study will culminate with an assembly program for junior and senior high school groups Friday.

First-formal program for the observance was annual spring recital of the piano pupils of Helen Boren Rodgers Monday evening. The Musical Coterie will be presented in the Friday school assembly program at the gymnasium at 11:30 o'clock.

Music lovers of the town are cordially invited by Principals King Sides and Hadley Reeve and Mrs. John E. Sentell, Musical Coterie president, to attend the program.

Mmes. King Sides and W. C. Hollis will present piano numbers, and Mrs. A. M. Meeks, who recently moved to Snyder, will be presented in vocal solos. Musical Coterie's quartet, Mmes. A. C. Preuit, Homer Snyder, Hugh Boren and F. W. Wolcott, will sing a favorite number, "Shortenin' Bread," accompanied by Margaret Williams.

Newcomers Total 24 During April, Welcomer States

Twenty-four families and single citizens were welcomed to Snyder during the month of April, according to the report of Mrs. Roy Stokes, "welcomer" for the Welcome to Snyder Association.

Of this group, 17 families and single men are connected with Humble Company survey crews here, all of them located here for a number of weeks. Another Humble crew that is coming in this week will add eight families to the May group to be welcomed.

In addition to the Humble groups, these were welcomed during April: Claire Card and family, formerly of Snyder; Howell Harpole, Burton-Lingo Company manager, and family; Miss Estella Rabel, county home demonstration agent; Mrs. Lee Farris, telephone operator; Barney S. Wise, Resettlement Administration; H. B. Davenport, Times Publishing Company; Dr. Thomas Snyder, Snyder General Hospital.

Most of the Humble groups live in Stinson Camp. Men with families are as follows: C. E. Mahan, J. T. Cook, Wayne Smith, H. N. Graham, Fred Jones, C. E. Harrison. Single men are as follows: R. B. Myles, Jack Myles, R. E. Bodine, W. D. Pierce, Murray Jackson, P. P. Cates, M. S. Harvey, M. R. Hickman, R. L. Haney, Buster Reid, Brayden King.

SCHOOL PLANT CONSTRUCTION AWAITING AID

Final Plans Held up in Effort to Secure Helping Hand From Uncle Sam

Members of the Snyder school board emerged from a Tuesday night session with assurance that construction of a new school plant will start as soon as every possible financial assistance is secured from Uncle Sam.

Plans for securing federal aid have been in operation since the school plant, with the exception of most of the high school building, was destroyed by fire several weeks ago.

Board Members Busy.

Board members have made several trips, written and telephoned and sent telegrams—all in an effort to get enough aid from Uncle Sam to insure erection of a new plant without resorting to a bond issue.

Insurance of \$80,000 has been granted, leaving a substantial balance to be obtained from other sources if the proposed plans are carried out.

W. T. Strange of Big Spring, architect for the school plant, has submitted tentative plans for a building costing approximately \$125,000, with equipment of about \$15,000. He attended the board meeting Tuesday night.

Believe Aid Essential.

Board members, through Dr. J. G. Hicks, president, and A. C. Preuit, secretary, point out that if a large portion of the construction cost, in addition to insurance, can be secured from federal sources, they will feel well repaid for several weeks of uncertainty.

They request the forbearance and cooperation of the public in working out a problem that intimately concerns practically every family in the school district, as well as a number of families in nearby communities.

E. & H. Cafe Makes Many Improvements

A period of improvement for the eating place in the Times Building was climaxed this week with addition of a new neon sign proclaiming "E. & H. Cafe."

A recent interior improvement was addition of a Frigidaire cooling system for water, other drinks, ice cream and other foods. New paint, new coffee urn, new counter and other fixtures, and an arrangement insuring more room for customers are included in other recent improvements made by Worley Early and Clark Hudnall.

Fluvanna Graduates To Carlsbad Caverns

Fluvanna seniors, 11 strong, with Mr. and Mrs. Buford Browning, Arthur Snodgrass and E. O. Wedgeworth, will leave Saturday morning for Carlsbad Caverns. They will return Monday.

These seniors will make the trip: H. D. Sneed, Mada Ruth Sneed, Daisy Nell Gavin, Ross Beljev, Wayland Mathis, Bill Lightfoot, Berry Cribbs, Ruby Reeves, Marionette Patterson, Eula Landrum Smith, Cecil Boren.

Bid On No. 15 Slated May 24

Hopes for 1938 Construction on East-West Bolstered by Announcement of Fisher County Project

Hopes for new work on Highway 15 this summer were renewed by an announcement in daily papers late last week.

Included in projects that will be submitted for bids May 24, by engineers of the State Highway Department, is double asphalt surface treatment for Highway 15 in Fisher County.

Local officials have not received definite word as to the exact scope of the project, but County Judge H. J. Brice is of the opinion that it includes the entire strip from Roby to the Scurry County line; soon to

the Highway 15 overpass just south-east of Snyder.

All drainage and grading work has been completed on the Fisher County end of the project, and caliche base has been put down for about four miles out of Roby as a WPA project.

Continued efforts toward including the remaining unpaved portions of Highway 15 in the 1939 construction program are being carried forward by county leaders and business men, along with other cities and counties along the East-West airline route.

Proclaims Texas Bread Week

Governor James V. Allred by special proclamation calls upon the citizens of Texas to observe the week of May 9 as Texas Bread Week by serving bread, toast, sweet rolls, cake and other baked wheat foods. The governor points out that this program is important to the agricultural and industrial welfare of Texas because the increased consumption of bakery products increases the consumption of wheat, flour, milk, butter and cottonseed oil products. Farmers, millers, bakers and grocers

are cooperating to put the proclamation in effect. This group includes Ware's Bakery and Snyder Bakery of Snyder. Governor Allred is shown signing the proclamation. Standing back of the governor in the picture are, left to right: Granville W. Moore, assistant chairman, Texas Bread Week campaign; Jake Goldman, director, Texas Bakers Association; Ed Goodman, chairman, Allied Division; Dr. W. T. Cox, state director of public health.

NEW MARK SET BY LOCAL BOY

Continuing his sensational string of track victories, Fred Wolcott of Rice Institute and Snyder last weekend broke the Drake Relays high hurdles record at Des Moines, Iowa. He ran the tall timbers in 14.2 to break the old mark of 14.4.

On consecutive week-ends the running sensation of the Southwest has tumbled record after record, breaking the world high hurdles mark in the recent Texas Relays. At Des Moines he was also anchor man on the winning Rice short relay team. Elsewhere he has won the 100-yard dash and the low hurdles, but he did not enter these events last week.

Fred's mother, Mrs. F. W. Wolcott of Snyder, saw her only son in his Iowa triumph. She left Snyder last Thursday, returning Tuesday night. On the trip she visited Mrs. Earl Henry, daughter of the late W. D. Sims, at Marceline, Missouri, and her mother, Mrs. G. W. Arrington, at Canadian.

W. W. Smith Hears Program at Abilene

A district meeting of the Railway Express Agency, held at Abilene last Thursday, was attended by W. W. Smith, local agent. Speakers on the program included J. R. Rohrer of Houston, district sales manager; C. C. Stevens, traveling commercial agent of Dallas; R. S. Hampshire, district superintendent of Dallas, and W. E. Wright, Abilene routing agent.

Monthly award for salesmanship in the Texas department was presented to the Abilene office.

Special Paper Rates.

Times subscribers whose time runs out this spring or summer are reminded that they may renew until the first of the year for \$1. (61.50 outside Scurry and adjoining counties). The same rate, of course, applies to new subscribers. The Abilene Reporter-News also has a special rate from now until Bargain Days. Ask about it at The Times office.

SCOUT BUDGET DRIVE STARTS HERE MONDAY

Scurry County Now Has Largest Number of Boy Scouts in History

Boy Scout leaders, headed by Chairman W. J. Ely of the Snyder District, announce that the annual budget drive will be started in Snyder Monday of next week.

"Sweetwater, most 'scout-minded' city in the Buffalo Trail Council, recently set the ball rolling by raising a budget of \$3,010.

Snyder has been given a suggested budget of \$600, considerably more than the district raised during the past fiscal year. Ed McCurtain, assistant council executive, in charge of the Snyder District, will be here to assist local and county leaders.

Most Scouts in History.

Figures provided by Frank Farmer, rural scouting chairman, show that Scurry County has the largest number of Boy Scouts in her history—a total of 144 at a recent count.

Of this number, Snyder has 64 boys in her two troops. Pyron and Fluvanna each have 16 boys, Hermleigh has 15, Ira has 12, Dunn has 11, and Turner has 10. Thus, the county now has eight troops in seven communities. Scurry is the leading rural scouting county in the council, Farmer said.

A few years ago the Buffalo Trail Council had only one executive. Now the area has three executives, and these are being kept busy.

Twister Sweeps South of Snyder Tuesday Evening

A young twister swept through a portion of the county several miles south of Snyder late Tuesday evening, doing some property damage, but injuring no one.

A strip from the John L. Webb place in the Pleasant Hill community to the Sam Landon and Albert Bills places, toward Hermleigh, is known to have been struck heavily by the brief twister. A few window panes were broken, windmills were damaged, outbuildings were torn apart, and at least two houses were considerably shaken.

The wind accompanied a siege of unusual weather that visited the county late Tuesday afternoon. Heavy sand, calmed in some areas by showers, before it settled to earth, painted the west and northwest horizon an ugly brownish-red.

Scattered showers were heavy nowhere, but a few localities were hailed from planting activities. Snyder and vicinity received less than a quarter inch, while some communities reported a half inch or more.

Seeking Position as Hostess on Airlines

Scyble Burrough, graduate of the local high school, who is on the staff at Snyder General Hospital, left Monday for Wichita, Kansas, for her second interview with the personnel manager of the Transcontinental Western Airlines, for which she hopes to be a hostess.

Miss Burrough, daughter of J. I. Burrough of Tahoka, formerly of Snyder and Dermott, flew from Amarillo to Wichita. With the local hospital for several months, she will graduate at the Lubbock Sanitarium next Thursday.

Due to inclement weather, election of officers at the Tuesday night singing convention was postponed until Tuesday night of next week. The singers will convene at the First Presbyterian Church, as usual.

Four Snyder Women Attend Seventh District Club Convention at Childress

Four Snyder club women returned home Friday from the 17th annual convention of seventh district, Texas Federation of Women's Clubs, held in Childress last Wednesday and Thursday. Most sessions were at the First Methodist Church.

Mrs. Wayne Boren, district fine arts chairman, and Mrs. J. C. Smyth attended the Tuesday evening board dinner. Others in the local delegation were Mrs. A. C. Preull, Altrurian Club president, and Jonisue Cogdell, delegate from Twentieth Century Daughters. Mrs. Smyth, Alpha Study Club president, was delegate from her club. Mrs. J. W. Leftwich and Vera Periman, only other Snyder women on the district board, were not able to attend the convention.

Convention theme was "Planning Today for Tomorrow," and it was followed in all parts of the program. Mrs. I. W. Walker of Plainview, seventh district president, used that as her subject when she addressed the club women Wednesday evening in her presidential message.

Mrs. Boren was in charge of the fine arts reports and also of the fine arts program Thursday evening, on which two Lubbock artists were featured. Julien Paul Blitz, head of the music department of Texas Technological College, with his violin cello and his wife, Flora Blitz, pianist, were presented in concert.

Outstanding speakers on the two-day program included Colonel Ernest O. Thompson, candidate for governor, who spoke on "Where Are We Heading?" and prominent Texas club woman, Mrs. W. R. Potter of Bowie and Mrs. Volney W. Taylor of Brownsville, past presidents of the Texas Federation, were on program. Mrs. Potter spoke on "Woman's Part in World Peace Today," and Mrs. Taylor's subject was "Building for the Future."

Reports from clubs in the district and from committees were interesting as given in five panel sessions.

Social entertainment features were the luncheons, Wednesday honoring state officers and Thursday honoring junior club delegates, a barbecue given by the city of Childress and the sequentennial dinner Thursday evening, in which a colonial theme was carried out.

Spring Blossoms Party Decoations

Spring blossoms in lovely colors decorated the home of Mrs. W. J. Ely Friday afternoon when she was hostess to El Feliz Club. A dainty salad course was served at the close of a series of forty-two games.

Mrs. W. H. Cauble, Nellie Cotton and Sula Scoggin were guests for the party, and the following club members were present: Mmes. I. W. Boren, Lee T. Stinson, Joe Strayhorn, Guy Stoker, P. C. Chenault, W. E. Doak, J. W. Scott, J. E. LeMond, R. H. Odum, Wade Winston, A. J. Cody, D. M. Cogdell and C. F. Sentell. Mrs. G. H. Leath will be next hostess to the club.

Birthday Party is For Six-Year-Old

Six-year-old Don Spikes, son of Mr. and Mrs. I. H. Spikes Jr., was honored at a birthday party given at the home in South Snyder last Thursday afternoon. Mrs. Spikes was assisted in entertaining the group of children by Nan Blakey, who directed games and contests.

Favors for the party were balloons, whistles and balls, and delightful refreshments were served to the following: The honoree, Edith Marie and Richard Calvin Blakey, Mary Jo Harrell, Jo Anne and Clarence McGlaun, Peggy Lynch, LaVerne and Krankiane Arnett, and Margaret Smyth.

ing the convention were Mrs. Richard Turrentine of Denton, president; Mrs. W. P. Avritt of Lamesa, first vice president; and Mrs. Joseph Perkins of Eastland, secretary. These three did not appear on the program.

New seventh district officers elected at the meeting will preside for the 1939 convention to be held at Pampa. They are: Mrs. J. W. Rutherford of Chillicothe, president; Mrs. Harry Willis of Berger, first vice president; Mrs. Homer Brumley of Hereford, second vice president. Other officers and board members will be appointed by these three, and all of them will take office in November this year.

Local clubs won three prizes at the convention. Cash award of three dollars was given Mrs. Boren for best attendance at the meeting of subchapter in her fine arts department. Mrs. Leftwich's essay, "Home Training for Citizenship," won from the citizenship chairman a second place cash award for the local Altrurian Club. Twentieth Century Club received third place in the literature division with a short story written by Mrs. D. P. Yoder.

Two Visitors are Honored at Party

Mrs. J. P. Nelson entertained Tuesday evening at her home with a delightful bridge party to honor two former residents, who are guests this week of local relatives and friends. Out-of-town honored guests were the hostess's sister, Mrs. Ross H. Howard of Atlanta, Georgia, and Mrs. J. William Davis of Lubbock, the former Edwina Barnes.

Entertaining rooms were decorated with lovely pink and snap dragons, and the hostess passed a plate of salad and cake with tea. Gifts were presented to the two honorees, and Mrs. Melvin Blackard was awarded both high score and traveling prizes at the close of contract bridge games play during the evening.

Guests for bridge, besides Mmes. Howard, Davis and Blackard, were the following: Mmes. Wayne Boren, J. C. Smyth, Billy Boren, J. P. Strayhorn, Herman Darby, H. G. Towle, Joe Stinson, J. C. Dorward, G. B. Clark Jr., Wraymond Sims, J. G. Hicks, J. D. Scott, Wayne Williams, Alfred McGlaun, W. C. Hollis and Herbert Bannister of Lubbock; Misses Neoma Strayhorn, Wanda Newman, Margaret Williams, Hattie and Gertrude Herm. Annie Fannie Sewell and Edith Grantham were tea guests at the Tuesday evening affair.

Piano Pupils are Presented in Recital

Piano pupils of Helen Boren Rodgers were presented in spring recital before a crowd of relatives and friends of teacher and pupils at the First Christian Church Monday evening, 8:00 o'clock. The program was Snyder's first in annual observance of National Music Week, May 1-7.

The Monday evening program was as follows: "Come to School" by Moore, Billie Gene Henderson and Marilyn Garner; "The Moon" by Wright and "Ding Dong Bell" by Stairs, LaVerne Arnett; "Three Jolly Sailors" by Brown and "March of the Wee Folk" by Blake, Billy Joe Stinson; "March Petite" by Rolfe, Doris Glen Willis; "Leap Frog" by Goodhall, Billie Gene Henderson; "Marigolds" by Smith, Dorothy Rea and Doris Glen Willis; "The Polliwog" by Forrest, Marilyn Garner; "Dancing Dutch Doll" by Piaget, Dorothy Rea.

"Around Autumn Fires" by Burleigh and "Minuet" by Bach, John Jay Boren; "Little Tin Dancing" by Hunter, Ola Margaret Leath; "Spooks" by Eckstein, June Jones; "Autumn Reverie" by Brown, Carolyn Henderson; "Belles and Beaux" by Englemann, Mary Sue Sentell and Ola Margaret Leath; "The Butterfly" by Wright, Mary Sue Sentell; "Valse Lucille" by Friml, Dorothy Winston; "Tis Raining" by Grunn, Billie Lee Thompson; "Alba" by Nevin, Melba Ann Odum and Dorothy Winston; "By the Sea" by Posca, Virginia Preull; "Sonatina (1st Movement)" by Kuhlau, Patti Hicks.

The sea voyage was introduced in tallies, score pads and table numbers, repeated in the traveling prize and completed at the refreshment hour, when table covers, centerpieces, the refreshment plate and favors were in the motif. Johnnie Mathison was awarded the high score prize, and Allene Curry took traveling prize.

Kenneth Alexander was the only guest for the affair, and the following club members attended: Johnnie Mathison, Bonnie Miller, Ruby Lee, Frances Stinson, Alta Bowers, Vesta Green, Gwen Gray, Allene Curry and Mmes. Willard E. Lewis, Billie Lee Jr., R. E. Boyer, Loy Logan, Buster Curtis and R. C. Miller. Miss Bowers will be next hostess to the club.

Georgia Maule, daughter of Mr. and Mrs. M. M. Maule, is visiting this week with Geneva Glasscock at Phillips University, Enid, Oklahoma.

MAKE IT WITH BREAD

The Times is pleased to present the following recipes in connection with local observance of Texas Bread Week, beginning May 9:

Fruit Crumble.
 1/4 cups fine toasted bread crumbs 1 cup crushed pineapple
 1/2 cup seeded raisins, chopped 1/4 teaspoon salt
 1/2 cup dates, chopped 8 marshmallows, sliced
 1/2 cup nuts, chopped

Mix all ingredients together thoroughly and lightly. Chill. Pile in sherbet glasses. Serve with whipped cream.

Mexican Salad
 1 cup bread cubes (1/4 inch) 1 bunch curly endive
 toasted 1 bunch radishes
 1 bunch watercress 1 bunch dressing

Break salad greens into small pieces. Slice radishes. Add to greens with French dressing and let marinate in refrigerator. Just before serving, toss the bread cubes lightly with the greens. Yield: 6 servings.

Bread Crumb Cake.
 3 eggs, separated 1 cup soft bread crumbs
 1 cup sugar 2 teaspoons baking powder
 3 tablespoons cold water 1 tablespoon melted fat
 1/2 cup chopped nuts 1 teaspoonful vanilla extract

Beat yolks until thick and light. Add sugar and water. Add nuts, bread crumbs, baking powder and fat. Mix well. Add flavoring and fold in stiffly beaten egg whites. Bake in 2 greased layer cake pans in a hot oven (400F) 15 to 20 minutes.

Royal Pudding.
 2 cups hot milk 1/2 teaspoon salt
 2 cups bread crumbs 1/2 teaspoon vanilla extract
 2 eggs, separated 1/2 cup jam
 3 tablespoons sugar 4 tablespoons sugar

Beat yolks. Cool milk and add sugar, salt and flavoring and beat with yolks. Place crumbs in buttered casserole or baking dish and add liquid. Bake in a moderate oven (350F) 25 minutes. Remove from oven. Spread jam on top of pudding. Cover with meringue made by whipping the egg whites with a pinch of salt and folding in the 4 tablespoons sugar. Return to oven and bake 20 minutes. Serve hot or cold.

Federation Program Heard by Study Group

Federation day for Alpha Study Club came Tuesday with a program featuring talks along various lines of federation. Mrs. Ixon Joyce was club hostess, and Mrs. Wayne Boren directed the program, which opened with a parliamentary drill.

The leader reviewed a "Model Business Meeting," and Mrs. Joyce discussed "The Business of Being a Club Woman." Mrs. J. C. Smyth, club president, who was sent by the club as a delegate to the annual convention of seventh district, Texas Federation of Women's Clubs, in Childress last week, gave an interesting report on happenings at the meeting.

Members present were: Mmes. Melvin Blackard, Boren, Maurice Brownfield, Joe Graham, Alfred McGlaun, J. P. Nelson, Forest Sears, John E. Sentell, J. R. Sheehan, Wraymond Sims, Smyth, Wayne Dilliams, Winston, G. M. Heinzelmann, Misses Hattie and Gertrude Herm and Neoma Strayhorn and the hostess.

Mrs. Smyth Guest Speaker at Dinner

Mrs. J. C. Smyth, president of Alpha Study Club, was guest speaker at the Federation Day dinner party given members of the Altrurian Daughters Club Monday evening by their president, Mrs. Herman E. Doak.

Following the three-course dinner Mrs. Doak introduced Mrs. Smyth in an interesting discussion of the recently convention of Seventh District, Texas Federation of Women's Club, held in Childress. Texas Federation emblems were on each place card, and cornflowers formed the centerpiece for the tables. Burning candles in pastel colors were on the speaker's table.

Guests were: Mmes. Smyth, Billie Lee Jr. and R. E. Boyer and Alta Bowers. The following club members were present: Kenneth Alexander, Marie Casey, Gwen Gray, Dorothy Strayhorn, Margaret Williams, Wanda Newman, Annie F. Sewell, Mmes. Cleve Blackard, Max Brownfield, Joe Caton, P. W. Cloud, J. D. Scott, H. S. Darby and the hostess.

The couple spent several days following their marriage in Roxton and Paris, returning here last week. Mr. and Mrs. Ramsey will be at home at 2301 Avenue W.

Bridal Shower Is Compliment

Complimenting Mrs. Carroll Eastman, the former Christine Greer, a bridal shower was given by Mrs. G. W. Wolf at the home of her father, G. W. Underwood, Saturday afternoon. Following the games of the afternoon, the honoree was presented a box of lovely gifts.

Refreshments of cake and iced punch were passed to the following: The honoree, Martha Lou Holmes, Evelyn Clark, Lennie Bell Tate, Laura Lewis, Mmes. W. E. Watkins, Eugene Kruse, Louis Kruse, G. B. Carleton, C. R. Roberson, Bryan Etheredge, B. N. Stone, John Page, James A. Woods, G. D. May and C. P. Shaffer.

Mrs. H. V. Williams and possibly other Woodmen Circle members from Snyder Grove No. 1269 will take part in the district convention of the society at Sweetwater Monday. Twenty-five towns have been invited to send representatives.

Honor guests will be Mrs. Laura Krebs, national representative and state manager, Austin; Mrs. Katie Kidwell, district manager, Abilene; and Mrs. Laura Ferguson, state auditor and district manager, San Angelo.

The convention will open at 10:00 a. m. with formal ceremonies. At 1:30 o'clock in the afternoon will come ritualistic work. And talks by national and state officers will follow. The evening program, beginning at 7:30 o'clock, will be open to the public.

Jay Ramsey Marries Roxton Girl April 8

Marriage of Myrtle Bryant, daughter of Mr. and Mrs. C. F. Bryant of Roxton, and Jay Ramsey, son of Mrs. J. T. Ramsey of Snyder, was solemnized Monday, April 25, at the Baptist parsonage in Greenville. Rev. Adams, pastor, read the ceremony.

Mrs. Ramsey, a 1935 graduate of the Roxton High School, wore a smart gray crepe frock with navy accessories for the service. Ramsey, a life-time resident of Scurry County, received his education in the local schools. He is now employed with the Sinclair Oil Company.

The couple spent several days following their marriage in Roxton and Paris, returning here last week. Mr. and Mrs. Ramsey will be at home at 2301 Avenue W.

Marianne Randals Is Six Years Old

Marianne Randals was commemorated Tuesday afternoon at a birthday party given at the home of her parents, Mr. and Mrs. R. J. Randals, to celebrate her sixth birthday. Mrs. Randals was assisted by Esther Bearden and Patti Hicks with the party.

Novelty watches made delightful favors for the party, and ice cream was served with the birthday cake at tea time to the following friends of Marianne: Margaret Smyth, Sandra Jean Josephson, Mary Ellen Smith, Camille Cloud, Joe Dave Scott, Ila Ruth Newton, Myrtle Rae Lewis, Maxine McClintock, Billie Biggs, Jean and Nancy Johnston, Ann Wedgeworth and Helen Joy Taylor.

Grandmothers Enjoy Annual Party Given by Twentieth Century Club

Twentieth Century Club members were hostesses at their 17th annual grandmothers' party Tuesday afternoon at the home of Mrs. Joe Strayhorn, past president. Fifty Snyder women and two out-of-town grandmothers were guests for the traditional affair, looked forward to all year by members of the older women of the town.

Lovely garden flowers, larkspur and cornflowers, were in profusion in the rooms, and dainty corsages were presented guests as party favors. "Each year," said one grandmother "this party gets more enjoyable than before," to express her appreciation for the annual day, attendants for which include several who attend no other social affair all year.

Mrs. R. W. Cunningham, director for the program, gave a cordial welcome from Twentieth Century Club. She presented representatives from the local school, including students and teachers, in a tableau of "Music Through the Ages," with illustrations taken from music of biblical days to modern tunes. Annie Fannie Sewell was the reader, and Mrs. W. C. Hollis accompanied. Others taking part were Dorothy Strayhorn, A. W. Yeats, R. L. Reschar, Daren Benbenek, Wallace Smith, Ola Margaret Leath, Marjorie Arnett and Zora Lee Cole.

Between numbers by the guest artists and a program by club members, several of the guests were invited to speak. Mrs. I. W. Boren and Mrs. H. J. Brice gave papers to complete the program. Mrs. Boren's subject was "Parable for Mother" taken from the works of Temple Bailey, modern short story writer, and Mrs. Brice gave an interesting paper on "The Romantic History of Texas," which she had given at a previous club meeting.

Delicious ice cream and cake were served to those present, including:

Almost \$20,000 In Food and Clothing Issued by Welfare Association in 1937

Food and clothing with a total value of almost \$20,000 was issued during 1937 to needy persons of Scurry County, through the Scurry County Welfare Association.

An itemized report of the commodities issued has just been issued by the district commodity manager for the benefit of the county case worker, Mrs. Carrie Line, the Commissioners Court, the City Council and interested laymen.

Fresh grapefruit, 11,506 pounds, led the parade of food that was issued, while children's clothing led in that division. The total retail value of foods issued was \$4,584.43; of clothing, \$14,573.05. These two divisions bring the total value of commodities to \$19,157.53.

Basis of Food Issuance.

Food commodities are issued: 1. To families who are unable to accept employment, either private or public, due to physical disability, and who are regular recipients of county or city financial assistance; 2. To persons of the low income group who through no fault of their own have been deprived of working the full payroll period during the month on a public works project; 3. To families who have had continuous illness;

4. To families who because of the 821 wage scale are financially unable to meet the deficit in the necessary budget of the family needs;

5. To extra large families with only one or two employable members.

Issuance of Clothing.

Clothing is issued on a three-month basis in the majority of cas-

es, and in this manner persons are more adequately serviced and in time more persons are served. Food commodities are issued in the beginning as an emergency to supplement city or county financial assistance and continue so long as there is a verified need.

Recently the food commodities have become so depleted that the Texas Relief Commission authorities have made a request that they be conserved for the group of unemployable needy persons; or, families who are in destitute circumstances and have worked one-half the payroll period but have not received their first check; or, families who live in isolated areas where there are no available projects for an unusual length of time.

The food commodities are made available to the needy through the purchasing department of the state, or the surplus supplies as grown or manufactured in the various sections of the state, to cities and counties, who cooperate with and are supervised by Texas Relief Commission.

Division of Commodities.

Food issued in 1937 was as follows: Fresh apples, 2,178 pounds; eggs, 189 dozen; flour, 4,311 pounds; canned fruit, 37 cans; fresh grapefruit, 11,506 pounds; grapefruit juice, 1,402 cans; canned meats, 3,239 cans; dry skim milk, 1,693 pounds; evaporated milk, 2,592 cans; rolled oats, 502 pounds; onions, 1,995 pounds; dried peaches, 304 pounds; fresh pears, 990 pounds; dried peas, 687 pounds; potatoes, 1,600 pounds; dried prunes, 1,940 pounds; rice grits, 1,117 pounds; canned vegetables, 4,163 cans.

Items of clothing were as follows: Children's, 4,510; infants', 1,923; men's and young men's, 2,513; women's and misses', 2,421; comforters and quilts, 61; pillow cases, 54; sheets, 54; towels, 2,453; miscellaneous articles, 28.

MORE C. OF C. MEMBERSHIPS ARE REPORTED

Several Applications for Secretary Being Considered by Directors

Completion of the annual budget this week, and consideration of applications for permanent secretary, are chief activities of the Scurry County Chamber of Commerce Board of directors, according to President Forest Sears.

Most of the nine directors have completed their canvass for memberships, but a few remain to be seen. The board hopes to complete this part of the work before Friday night, Sears said.

Setting up of a budget of at least \$300 monthly or \$3,600 yearly is planned by the directors, on the basis of pledge cards that have been turned in to date.

Applicants Considered.

At a meeting last Friday night, the directors, 100 per cent strong, set about the task of selecting a secretary. Several applications are being considered and investigated, and others who have filed no formal applications are also up for consideration.

A committee composed of E. J. Anderson, W. R. Bell and J. C. Smyth was named to handle this matter and submit its findings to the directors at the earliest possible moment.

Board members point out that they are proceeding as rapidly as possible. "They consider selection of a secretary their chief duty just now, and they are determined to get 'the right man,'" said Sears.

Names Not Complete.

For the benefit of those whose memberships have not yet been listed in The Times, the directors state that the entire list has not been compiled. When all memberships are in, they will be grouped as to business or profession, and given in one full list.

The directors voted themselves the duty of collecting the first monthly pledge under the new setup, due May 1.

Names in addition to those published last week include: Irwin Drug Store, Stinson Drug Company No. 1, Hugh Taylor & Company, Snyder Insurance Agency, Boren-Gray Insurance Agency, Ely, Arnold & Ely Gin, Ben Franklin Store, Bob Terry, Pollard at Snyder Garage, Texas Public Utilities Corporation, Texas Electric Service Company, Baze Sandwich Shop, Bon Ton Cafe, Brown & Son.

J. L. Adams, Dr. Grady Shytles, Sunset Oil Company, W. W. Smith, Manhattan Hotel, Ware's Bakery, V. L. Littlepage, Strawn's Cafe, Perry Brothers, The Fair Store, Pick & Pay Store, D. & D. Auto Supply, Dock Bynum Produce, M. C. Herold, O. L. Wilkinson Lumber Company, Edward Thompson's Pool Hall, E. F. Sears, Pierce & Hill Barber Shop, J. V. Robinson, Frank Farmer, King & Brown, Sterling Williams, Olds Service Station.

Singing Convention At Snyder Tuesday Nights Written Up

Writing in last week's release of the April issue The Southern Music News, a Dallas publication edited by V. O. Stamps, and having the largest circulation of any music magazine in the South, Times Staff Writer Leon Guinn had this to say of Snyder's community singing convention:

"About the 'growingest' convention I know of is the Tuesday Night Singing Convention, recently organized at Snyder by Dewey Niedecken, Dock Bynum, and others backing the gospel singing cause.

"Meetings each Tuesday night in the First Presbyterian Church, this community convention has been attracting Silas Clark, Bill Smothers, Shorty Snyder, Ben Hadden and others from Abilene, the Roy Williams quartet of Hobbs, and others too numerous to mention here.

"Rev. James E. Spivey is doing a fine work as host pastor at the First Presbyterian Church for song lovers in this territory. The convention has grown to such proportions it is felt larger quarters will be needed in the near future."

Legion Meets Thursday.

American Legion and auxiliary officials announce that regular bi-monthly meeting of the two groups will be held Thursday evening, 8:00 o'clock, at the legion hut. Auxiliary members, especially, are anxious for a full attendance, since they plan an announcement of special interest to all buddies and their wives.

DOUBLE VALUE OF GAME WILL BE DISCUSSED

Wildlife Specialist From Extension Service to Speak Friday

The value of wildlife as an added money crop and for recreation will be discussed Friday night of this week, 8:00 o'clock, by R. E. Callender, game management specialist of the Extension Service. County court room will be the meeting place.

All landowners and operators, business men and others interested in the conservation of wildlife are invited to the meeting, according to M. V. Jones, chairman of the county wildlife committee.

Program Is Simple.

Simplicity of the program is attracting much attention, as evidenced by the voluntary committees that have accepted responsibility for blocking up large acreages in the various sections of the county, according to the county agent, Luke Ballard.

This action followed the committee meetings that were held in the county court room Saturday of last week.

It is pointed out that the wildlife conservation program is entirely voluntary.

Game Upholding Ahead.

Prime purpose of the program is to conserve and uphold desirable wildlife and fish, and to eradicate such undesirable predatory animals as may be designated by the County Game Management Association, composed of landowners and operators, says the county agent.

Arrangements for wild game preserve demonstration signs have been completed, and signs are available at Wilkinson Lumber Company at 25 cents each.

According to recommendations of the committee, these signs should be located at all entrances to farms or ranches, all corners and every one-half mile along property lines just inside of the fence, six to 10 feet and not posted on the fence posts for best results.

WORK ENDS AT ARAH SCHOOL Arah School, which dismissed last Friday, following a Thursday night program at the school building, was the second county school to close for the season. Miss Mollie Goolsby is the teacher. Martin School also closed last week-end. The students and parents enjoyed an all-day picnic at Browning Park, near Dermott. Teachers this year were Mrs. Ivan Gatlin and Mrs. Gaston Brock. Both have been re-elected for next year. Whatley School, taught by Miss Jessie Jack Horne, ended its work in mid-April. No schools will close this week-end, but several plan final exercises next week, and the following two weeks will see practically all county schools closing their doors for vacation, according to County Superintendent Frank Farmer. PROCLAMATION

The City of Snyder is indeed fortunate in having well-equipped hospitals ably managed and staffed with highly trained physicians, surgeons and nurses. Understanding and good-will between these institutions and the people of our community should be intimate and sympathetic.

May 12, 1938, has been designated NATIONAL HOSPITAL DAY by the American Hospital Association. As mayor of the City of Snyder, I proclaim the observance of this day, and sincerely hope the people will avail themselves of the opportunity to secure first hand knowledge of our splendidly equipped hospitals and appreciate the vast human services that are rendered.

(Signed) H. G. TOWLE, Mayor, City of Snyder, Texas.

Social Security Already Making Many Payments

Lang E. Holt, assistant manager of the Amarillo office of the Social Security Board, was a visitor here last week, contacting claimants for lump-sum benefits under old-age insurance provisions of the Social Security Act.

"We find that many people do not yet know that the Social Security Board is already making a lump-sum payment to qualified individuals," Holt said. "Lump sums are being paid to workers who have attained age 65 since last January 1, 1937, provided they have received wages from covered employment, and to the widows or close relatives of such workers who have died before reaching age 65."

"In each case, the amount of the lump sum is 3 1-2 per cent of the total wages received from covered employment, beginning January 1, 1937, and up to attainment of age 65 or death. Any individual eligible to file a claim for a lump-sum payment should communicate with the Social Security Board, Oliver-Eakle Building, Amarillo."

It was pointed out that a worker in covered employment who becomes 65 years of age does not have to stop working in order to apply for a lump-sum benefit. The payment which represents final settlement of his social security account, will be made to the worker regardless of whether or not he continues to work. O-age insurance should not be confused with the old-age assistance program. Persons interested in old age assistance should contact the district representative of the Texas Old-Age Assistance Commission.

Observing National Hospital Day, May 12

SNYDER GENERAL HOSPITAL

Snyder General Hospital, which opened its doors in September, 1935, is locally financed, and has about 100 stockholders. Its present value is well over \$50,000.

The 30 beds now in the institution is double the number available on the opening day. A new wing has been added, grounds have been improved and equipment has been added.

Features of the hospital include: Complete X-ray and laboratory equipment; incubators for pre-mature babies, complete oxygen equipment; complete surgical, medical, eye, ear, nose and throat facilities; complete delivery room and nursery.

Dr. Grady Shytle is chief hospital surgeon. Open staff facilities are provided for physicians and surgeons. Joe Caton is business manager.

Ann Brazell, superintendent, and four regular nurses compose the hospital staff. Mrs. Bill Headstream, laboratory and X-ray technician, Doris Bailey, night supervisor, Olene Thurman and Seyble Burroughs are members of the staff.

The superintendent holds a bachelor of science degree from the University of California. She is a 1930 graduate of the Herman Kiefer Hospital at Detroit, Michigan, where she also did post-graduate work in public health, communicable diseases and tuberculosis.

Mrs. Headstream is a 1934 bachelor of science, graduate of Texas Technological College, Lubbock. Misses Bailey and Thurman are graduates of Hendrick Memorial Hospital, Abilene, in 1932 and 1936, respectively.

respectively, and Miss Bailey also did work at Hardin-Simmons University, Abilene. Miss Burroughs, a graduate of the local high school, will graduate with the 1938 group from Lubbock Sanitarium next week.

EMERGENCY HOSPITAL

Emergency Hospital, established here 10 years ago by Dr. I. A. Griffin, was Snyder's first completely equipped surgical hospital. It now contains new and modern equipment, complete for operative and X-ray work, and 10 beds.

Other facilities in the hospital include complete baby delivery rooms, gas equipment for the resuscitation of newborn babies, and a small but complete laboratory.

Dr. Griffin came to Snyder from Killeen, Bell County, in 1928 to establish his Emergency Hospital, located upstairs on North side of the square since opening. He is assisted with his work by Mrs. Griffin and Fannie G. Warren.

1938 Wheat May Be as Heavy as Crop Last Year

Generally favorable wheat conditions are recorded in the Santa Fe railways agriculture report for May 1, with the nation-wide yield being set at 725,707,000 compared with 685,192,000 last year.

Of West and Northwest Texas, the report has this to say: "Although conditions are admittedly 'spotted,' it is believed that this part of Texas will produce as much wheat as it did in 1937, which means that the Texas crop should reach the official April 1 estimate of 39,862,000 bushels, compared with 41,960,000 bushels last year. With more moisture it can even reach last year's total."

"Wheat in most of the dry land farming areas of Northwest Texas has made wonderful improvement during the past 30 days and stands a chance of making close to a normal crop. Immediately east and north of Amarillo, prospects are poor, but east of the Panhandle, they improve to the Oklahoma line."

"Farther south in the irrigated district, damage from the early April freeze has shown up, and this with continued greenbug infestation, has greatly reduced the outlook. Along the Orient Branch of the Santa Fe, the crop suffered little from the freeze and is in good condition."

"Account of the Federal program, the cotton acreage in the South Plains region will be reduced about 30 per cent. Most of this land will give way to grain sorghums, sudan grass and other crops. Nearly all the land for cotton and other crops has been prepared."

"Texas range and livestock conditions are excellent."

Emergency Hospital

Mr. and Mrs. N. L. Beaver of Fluvanna are the parents of a baby boy, born at the Emergency Hospital last Tuesday. The child weighed 9 pounds, 12 ounces at birth.

Mrs. J. A. Ziegler of Silverton, medical patient, left the hospital yesterday after several days treatment. Raymond Tucker was a medical patient last week, also.

Mrs. Lewis, who lives five miles north of Snyder, had her tonsils removed at the local hospital early this week.

HIGH RANK FOR SNYDER'S BAND

Snyder High School's Tiger Band won a fourth place and shared a third place last Saturday at San Angelo, in a band contest that attracted a record field of entries. R. L. Reschar directed the locals.

Class B, in which Snyder was entered, attracted 14 bands. In band playing, Class B, the locals were placed fourth, just behind Sweetwater, Brownwood, Ranger and Lamesa, and just ahead of Brownfield. In band marching Snyder shared third place with Ranger, Brownwood and Brownfield.

A highly profitable and enjoyable trip is reported by Reschar and his bandsters.

Mr. and Mrs. Ernest Saxby and daughter, Peggy, of Hartsel, Colorado, have been visiting here with the A. J. Riley family. The out-of-state people also visited in Sweetwater and Ranger before leaving Tuesday for San Diego, California, to make their home.

HAMLIN LIONS GROUP VISITED

Hamlin Lions Club was visited Tuesday at noon by 12 local Lions and Jimmie Billingsley, who acted as mascot and chaperon. The regular noon luncheon here was dismissed.

Occasion of the visit was presentation of a lion carved from granite, which is being passed from club to club in this manner as a nationwide goodwill gesture. The lion's travels began in a Missouri club.

The granite lion was presented by A. C. Preull, president of the local club. Others who made the trip were J. R. Hicks, Marcel Josephson, H. A. Lattimore, W. R. Bell, Willard Jones, H. L. Wren, W. A. McGlaun, Frank Farmer, Billie Lee, J. R. Reeves and Jack Martin.

J. C. Watson of Abilene, secretary of Central West Texas Oil & Gas Association, was a guest speaker. He declared that increasing taxes may make it necessary for independent oil operators to withdraw from small fields, where they are largely responsible for development.

Fluvanna Sing-Song Attracts Full House

Standing room was at a premium at Fluvanna Thursday night of last week when Scurry County schools got together for the first informal sing-song ever held in the county. Over 600 people attended the sing-song, and many were turned away because of lack of seats.

Every large school in the county was present with from 50 to 100 singers. The keen interest, the good singing and the friendly atmosphere so pleased Superintendent E. O. Wedgeworth of Fluvanna that he announces the sing-song as an annual affair.

Work For Hermleigh Gym.

Superintendent W. T. Hanes of the Hermleigh School, accompanied by L. B. Rea, president of the Hermleigh school board and Mmes. Hanes and Rea made a trip to Austin Sunday on official business. Hanes and Rea returned Monday, reporting prospects for a new gymnasium at Hermleigh were looking better now than at any time recently.

Dunn Seniors Jaunt To Mexico Caverns

Dunn High School seniors were accompanied on their annual jaunt to Carlsbad Caverns, near Carlsbad, New Mexico, last week-end by the sponsor, Superintendent Cleo W. Tarter, Mrs. Tarter, Mr. and Mrs. C. B. Connally, Sybil Cope and Vivian Beane, teachers in the school.

Leaving late Friday in cars, the group spent the first night in Pecos, made the trip through the famed underground regions in New Mexico Saturday along with Snyder seniors, Ruth Tarter, a member of the local class, accompanied the Dunn group.

Carlsbad was well-explored by the crowd late Saturday, and a stop at the Red Bluff Dam near Pecos Sunday on the return trip was one feature of the annual journey.

Members of the senior class at Dunn making the trip were the following: Dorothea Merket, Laura Murphy, Lucille Ryan, Thelma and Velma Welch, Otha McFarland, Clara Haynes, Malcolm Hanson, Roy Lee Merket and Leo Ellis.

Pyron Seniors on Trip. Pyron's 12 seniors were among a number of West Texas graduates in Abilene Saturday for Harding-Simmons University's senior day. The group was accompanied by Mrs. M. H. Greenwood, sponsor, and David Schwartz. The seniors: Gerald Smith, Pate Moseley, Joe Glass, Delmon Pieper, Quincy Richburg, Joe Winbourne, Arlie Burdick, Lucille Kinney, Ethel Young, Opal Sanders, Geraldine Slaughter, Mildred West.

PLAN TO HALT GRASSHOPPER HORDE EARLY

Mixing and Distribution of Poison Bran Bait Planned By Committee

The county-wide grasshopper control committee met in the county court room last Saturday with D. A. Pogue, chairman, in charge, and completed arrangements for the mixing and distribution of grasshopper poison bran bait in accordance with rules provided by the federal bureau of entomology and plant quarantine. The bureau is supplying the bran and sodium arsenate for grasshopper control.

Reports from the county indicated that the greater infestation is in the dry lake section on the east side. It was decided that the mixing plant, which is located in the back of the building occupied by the county welfare offices, would begin delivery of poison bait in the afternoon, effective Tuesday of this week, and continue on that schedule until the demand indicates need for a change.

Bait Mixed at Plant. The plan of operation provides that the poison bait must be mixed ready for use at the mixing plant, the bran and sodium arsenate supplied by the federal government, the labor for mixing supplied by the county Commissioners' Court, and the substitute, cottonseed hulls, to be paid for by the producer.

The ready mixed poison bait under this plan will cost 30 cents per 100 pounds at the mixing plant, provided the producer supplies his own sacks. Four cents per sack will be added where the sack is furnished by the committee.

Application of the poison bait should be made in the morning and as late in the day as possible, in order to complete the distribution by 9:00 a. m., according to the county agent. Broadcast the poison bait as in sowing oats, using 10 pounds of wet poison mash to the acre of infested land. The poison bait must not be piled or placed in rows.

Cash When Delivered. "Since the committee has no funds provided otherwise, it will be necessary that cash be paid at the time of delivery of the poison bait to the producer, who will assume all responsibility for the poison bait after leaving the mixing plant. A receipt will be required, signed by the producer, for all poison bait delivered," D. M. Pogue, chairman, stated.

"Communities where grasshopper infestation has developed should get together and poison all areas effected at the same time and thus bring about definite results in control, since at this stage of the hatching the greatest results may be obtained with the least amount of labor and poison bait," County Agent Luke Ballard pointed out.

Annual Birthday Party Sunday for Tom Cary, Knapp

A number of descendants, relatives and friends of Tom Cary, 88-year-old Scurry County old-timer of the Knapp community, gathered near the home place Sunday for their annual all-day celebration.

Lunch was spread beneath large willow trees at a running spring near Moore's Creek in the Cary pasture. Barbecue and roast with all trimmings, and enormous amounts of cakes, pies and salads were on the menu.

Cary's Bakery of Brownfield furnished the birthday cake and bread. Everything was served in the old-fashioned picnic style. A land and stock owner in this area for 34 years, the old-timer came there with his wife in 1904. Mrs. Cary died March 14, 1911. Although well along in the eighties, Mr. Cary is active and hale. His favorite saddle pony died four years ago, and he has ceased to go horseback riding.

He has reared six children, all of them grown and married. Only Arthur of Benson, Arizona, and Ernest of Powell, Wyoming, were not present for the Sunday celebration. Only Mrs. Gene Warren is deceased. Children present with their families are as follows: Cas Cary, Mrs. Marvin Berryhill, Mrs. Fred Miller and Mrs. J. J. Dyer Jr.

Other celebration attendants included: Mr. and Mrs. A. L. Holley and daughters, Helen and Monohn, Monohans; Mr. and Mrs. E. E. Corcoran and daughters, Dawn and Virginia, Mr. and Mrs. E. F. Swalley, Mr. and Mrs. G. C. Peters, all of Lubbock; Mr. and Mrs. T. C. Sargent, C. W. and Luke Sargent, Geneva and Dulon Sargent, all of Ralls; Mrs. Dora Franks, Earl Cary and daughter, Modelle, all of Brownfield; Mr. and Mrs. F. M. Holley, Ira; Mrs. J. L. Weathers, Gene Warren and daughter, Doris, and Bobbie Warren, all of Borden County.

Mr. and Mrs. Allen Stevens and children, Eddie and Sue, Mr. and Mrs. Ivan Hill, Mr. and Mrs. I. B. Berryhill, Mr. and Mrs. J. J. Dyer Jr., Mr. and Mrs. Walter Weathers and son, James Edward, Mr. and Mrs. Raymond Berryhill and children, Lowell Ray, Danah Sue and Betty Louise, Jess Stevens, all of Snyder community; Mr. and Mrs. Jimmie Key and daughter, Mr. and Mrs. Hoyle Cary and daughter, Martha Gale; Mr. and Mrs. Cas Cary and children, Orland, Ben, Nellie Fay and Tommie, Mr. and Mrs. Marvin Berryhill and children, Garth, Rudene, La Fon and La Nell, all of Knapp; Mr. and Mrs. Fred Miller and daughter, Lavern, of the Nine-R Ranch.

HOME DEMONSTRATION CLUBS

Estella Rabel, County Home Demonstration Agent

Tri-County Club Meets. Tri-Community Club, composed of home demonstration women from the Woodard, Martin and Snyder communities, met at the home of Mrs. Harry Allen last Monday. During the brief business meeting the chairman appointed a "good neighbors" committee—Mmes. Lemons, Evans and Kurley—and projects for the year were discussed.

Plans for a cake walk and ice cream social to be held Friday night of this week at the home of Mrs. Eugene Gladson in the Martin Community were discussed. Time set for the affair is 7:00 o'clock.

After quilting the hostess served iced fruit punch and cookies to 15 club members and Mmes. Turner, Gladson, Gibbons and Brooks, guests. Next meeting will be at the home of Mrs. A. M. Armstrong Wednesday.

Mrs. Smith Gives Report

Mrs. D. D. Smith gave a report from the County Council meeting in April at a meeting of the Round Top Home Demonstration Club last Tuesday afternoon in the home of Mrs. R. C. Crowder. Neither the club president nor Estella Rabel, demonstration agent, attended the meeting.

The club will meet at the home of Mrs. J. W. Brown Tuesday, May 10 at 2:00 o'clock. Club members are urged to attend the meeting and to be on time, leaders said this week.

Family Needs Vegetables

"Every family needs leafy green and yellow vegetables, other vegetables, fruits, protein foods and starchy foods in daily meals," Estella Rabel, Scurry County home demonstration agent, told women of the China Grove Club at their

meeting in the home of Mrs. A. M. Merket Tuesday afternoon. Encouraging the women to build their frame gardens immediately, the agent gave suggestions and recipes to be used for planning and preparation of daily menus. Thirteen members, counting three new ones, were present at the meeting. New members are Mmes. R. D. Hall, Roy Allen and Merket. Program committee was appointed for next meeting to be held at the China Grove school building May 17.

Yarborough Opening Race in Sweetwater

A former West Texan, District Judge Ralph Yarborough will formally open his campaign for attorney general in this section of the state next Saturday afternoon in Sweetwater. Citizens from a number of surrounding counties, including Scurry, are expected to attend.

While earning money to complete his law education, Yarborough worked as a tank-builder in the West Texas oil fields and for three years and a half practiced law in El Paso until he moved to Austin to become assistant attorney general.

In reviewing his official record, Yarborough will tell of accomplishments which have been of benefit to West Texas as well as other parts of the state.

Visit Your Hospital!

National Hospital Day, May 12 (next Thursday) has become an occasion on which tens of thousands of people visit the thousands of hospitals in this country.

Since every individual and every family is a potential hospital occupant, it behooves each of us to become better acquainted with the institutions in our own community that render service in time of sickness and accident.

In other words—visit your hospital next Thursday! You will be surprised, if you have not made such a visit recently, at the completeness and efficiency from one end of the hospital to another.

The hospital has become an important factor in community life. It is a place not only for the scientific and sympathetic care of the sick, but also for teaching and research. It is, in fact, a health center.

On the Fourth of July we hear again of the glorious efforts of the founders of our country. On Armistice Day we honor those who defended our country's principles in the World War. On National Hospital Day, in a similar tribute, we pause to learn something of the increasing work of our hospitals, whose protective influence is measured not only by the 700,000 men, women and children daily in hospital beds, but also by the growing number of well trained, efficient doctors, nurses and other health workers who are fitted for their work by the hospitals.

Without the equipment, the personnel and above all the spirit of research and progress that characterizes the hospital, our country still would be swept by pestilence and plague; for the hospital is a bulwark against epidemic and widespread disease as well as a haven for those whom the doctor cannot adequately serve at home or in his office.

A moment's reflection will show that the service represented by the army of more than a half million men and women—the trustees, medical staffs and personnel of the hospitals—deserves one day out of a whole year for public consideration. This army fights for health and happiness 24 hours a day, every day, and according to a conservative estimate save 630,000 lives annually.

An important thing to remember is that National Hospital Day is not a donation day. Our hospitals, like all others, merely want to see old friends and to make new friends on National Hospital Day.

"Come in and get acquainted" is the slogan. Will you take advantage of the cordial invitation?

Editorial of the Week

THOUGHTS ABOUT MAYOR LA GUARDIA

Mary Whatley Dunbar wrote this striking word-picture of Mayor La Guardia of New York City after she heard the distinguished citizen during the West Texas Chamber of Commerce convention at Wichita Falls:

He reminded me of Napoleon as he walked back and forth across the stage with hands on his hips. Again he reminded me of Will Rogers, because he has a great sense of humor for such a little man. He has a bull dog chin. It would be hard to change his opinion. He has a long index finger too as one could see when he rested his head upon his hand, a miniature baton shaken forcefully at millions. This seemed to be his most typical pose. His feet hardly reach the floor from the big chair in which he sat and he constantly wiggled the right one. He looks very much the Italian with his dark hair, distinct Latin features and keen black eyes.

You might call his speech an impromptu one as he did not have any given subject. He spoke at random but his thoughts were far from being random ones. They were like sparks of electricity. He spoke before thousands in the big coliseum in Wichita Falls Tuesday afternoon at the West Texas Chamber of Commerce Convention. He was warmly welcomed, though enthusiasm did not run riot. He was introduced by Dr. O. B. Kiel, his old fight surgeon during the war. Dr. Kiel said, "There is only one field bigger than the one in which he has proved his ability. I'm sure he could do at Washington for all of us what he has done for New York City."

It was in answer to this remark that Mayor La Guardia said that he would rather be candid than a candidate. He stated that American people must stand or fall together. That it was not time for partisan advantage, that we are faced with the problem of want in a land of plenty.

"There is no Democratic or Republican way to solve our problem," he shouted, "but there is an American way." He said that labor must stop its family quarrels and work with industry and that the greatest blessing that could come to America was a breathing spell from politics.

He admitted Texas had done very well considering that a depression was on, and proceeded to read from statistics the millions she has received from the government in different projects including WPA, CCC, FHA grants, etc. He made the large audience howl by telling them how Jesse Jones had made six million dollars on New York bonds by reselling them. He put his horn-rimmed spectacles off and on during the reading of the statistics and when not using them gestured forcefully with them. He smiled happily when his wife was introduced and was presented with a beautiful bouquet of roses.

La Guardia enjoyed his Texas trip immensely and had a friendly word and greeting for the many friends and admirers who clamored to meet him.

Whether he is presidential timber or not remains to be seen, there's no doubt that he's a great man and has done miracles for the world's largest city as her mayor.

Current Comment

By LEON GUINN.

At a time when the world is enveloped in the mists and shadows of uncertainty, uneasiness and unrest, it seems as though Mother's Day brags through the pall as the one ray of sunshine falling on the four corners of a changing earth; a blessed benediction that renews again the kindred ties of reverence, respect, kindness, and universal love.

It matters not this Mother's Day whether the rose be red or white petaled, MOTHER still remains the one rose left in many lonely, aching and despairing hearts. . . . For through the centuries the word Mother has been strangely akin to the divine, a word to denote our closest approach to the angels. . . . Prodigal sons and daughters have wandered afar, sometimes going beyond the pale of mother's decency, but they have never wandered outside the circle of a mother's love.

If man could fuse the wisdom of Solomon, the music of David, the brotherly love of Paul, the longings of Job, and the commandment given by Moses into a word picture of Mother's Day, the picture would yet fail to describe the eternal touch of divine beauty reserved for the world's mother. . . . President Wilson may have failed in his objective to make the world safe for democracy, but his name will forever be linked with making Mother's Day a national event to be observed in the United States. . . . And in so doing, he gave to Americans a concrete token of our never old heritage; national recognition of Mother's Day.

In ancient Ur of the Chaldees, University of Pennsylvania and British Museum expeditions are unearthing in century old ruins relics that were housed in the world's first museum, a convent ruled over by Belshazzar's sister, Princess Bel Shalti Nannar. . . . In these convent ruins the expeditions are uncovering not only beaded gold and jeweled headbands, but also strange inscriptions on stones dating back to King Dungi, who lived about 1,800 years B. C.

At first the treasures discovered in the convent ruled over by Princess Bel, who led a strange feminine cult as High Noon Priestess, proved to be an archeologist's nightmare. Ancient surveyor's inscribed boundary stones, maces belonging to older civilizations, and hundreds of baked clay tablets attested to the fact these articles were old Belshazzar's time. . . . Then the fact dawned on scientists that years before the birth of the humble Nazarene in a manger.

Since the Chaldees worshipped the sun, moon, and planets, it was only logical that Belshazzar's sister should lead the cult of the moon addicts—since this very feminine cult was given over to the use of lipstick, rough, embellishments of jewelry, and other supposed-to-be charm inducements of the day. . . . Although the discovery of the world's first museum may sound rather incredible, it may not sound so fantastic, after all, when one considers the fact that these relics were dug out of sandstone strata far below the level of present cities, and that the Bible was used to verify the finds.

When Vancouver, B. C., city authorities got to the bottom of why an average of six street lights were being broken out each night in a favored parking place, they found that moon struck romancers were breaking the lights out to keep the place dark. Fancy a place, if you can, where the boys and girls are so homely looking they have to seek out dark places before they can stand to look at each other! But at that, we may owe Vancouver youngsters an apology. . . . Out here, young folks seem to find each other so attractive, it isn't odd to see couples parading city streets holding hands and say such sweet things that Westex honey sales are on the decline!

And Now—a Trades Day

Snyder, approaching its problems more effectively than at any time in recent years, realizes that in order to keep and maintain her share of business from surrounding communities, she must set her head to be of real service to these communities. So it is that a Trades Day, with plenty of free attractions—and no "catches" at all just to get folks to town—should be one of the major projects ahead for this summer.

On Pancake Hats

Just as Pessimism Pete was a-foxin' to start a rampage on women's new pancake-like hats, he happened to read that men aren't so unstyle-conscious, either. . . . with their comfortable belts, their tight-collared shirts, their smothery hats and their long-handled sweatified trousers.

At the Listening Post

Talkative Tillie, who has been listening in on some conversations about the Scurry County Chamber of Commerce, blurts out that some of the very men who wailed loudest and longest about the need for an active organization were the first to complain about subscribing to a budget that would support this type of C. of C.

Better "Good News"

If good news is no news, the many bits of building and repairing that have been going forward this year is really good "no news." But news or no news, The Times plans in the near future to give a good bird's eye view of this phase of Scurry County activity.

Veteran Farmer of Pyron Section Dies At Home Last Week

S. F. Smith, 78, stock farmer in the Pyron community 33 years, died Saturday morning at 8:15 o'clock, victim of a 23-month illness. Death came at his home in the edge of Fisher County.

Hermleigh Church of Christ was the site of final rites Sunday afternoon, 2:00 o'clock, with two Church of Christ ministers, S. D. Lofton of Post and O. D. Dial of Snyder, officiating. Burial was in Pyron cemetery, with Odom Funeral Home in charge of arrangements. Mr. Smith was a member of the Church of Christ.

Surviving are Mrs. Smith and one sister, Mrs. Lula Dodson, San Angelo; three daughters, Mrs. Minnie Ola Allen, Pyron, Mrs. Mary Kellam, Lulihart, and Mrs. Ethel Moore, Pyron; two sons, G. L. Smith, Pyron, and E. P. Smith, Los Palomas, New Mexico; 13 grandchildren and 10 great-grandchildren.

Schley Adams, Albert Dooley, Fred Glass, Clyde Gilmore, Johnny Gilmore and Rogers McMillan served as pallbearers at the funeral. In charge of flowers were Ola, Doris and Paye Allen and Mildred Simmons.

"What's the matter, Jenkins?" snapped a shoe store manager. "Can't you serve this customer?" "No, sir," replied the assistant. "He's trying to find two shoes which squeak in the same key."

Troop 35 Plans for Big Spring Roundup

Boy Scout Troop 35 last Tuesday night at the school gymnasium held an enthusiastic meeting, chief interest of which was the Buffalo Trail Council Roundup, slated for Big Spring Friday and Saturday.

The troop plans to have about 20 of the 1,000 expected attendants at the rally, and Troop 36 will also send a number of contestants.

At Big Spring the boys will participate in various contests, including pitching camp, cooking and other phases of scouting. Hadley Reeve will accompany Troop 35.

"What shall we do with ourselves tonight?" asked one student of another.

The Other—"We'll toss for it. If it's heads, we'll go to the pictures, and if it's tails we'll call on the girls."

First Student—"It might stand on edge!"

The Other—"All right. If it does we'll study for the exams."—Kentucky Mercury.

Snyder General Hospital

Several patients have been discharged from Snyder General Hospital this week. They include Betty Jean Witherspoon of Justiceburg, Mrs. N. M. Agnew of Big Spring, Mrs. Pat Jones of Fluvanna, and C. B. Lewis of Snyder. Mrs. R. N. Miller of Gail, wife of a pioneer Borden County rancher, who was a medical patient from Saturday until Tuesday, was moved to the home of her daughter-in-law, Mrs. Lora Miller, in Snyder.

Old patients still in the hospital this week are the following: Mrs. J. S. Lewis, surgery; Dr. A. C. Leslie, medical; C. Wedgeworth, accident; Mrs. W. E. Wade of Sweetwater, medical; Ira Low, accident.

Mrs. Charle Prather and Mrs. Eupha Shields, both of Snyder, entered the hospital Tuesday listed as medical patients.

Seven Wells Singing.

Cream Station for Hande Dande Store

Hande Dande Store, presided over by Fred Wilhelm, last week began buying cream in a spick-and-span, newly painted screened-off station in the rear of the east side store.

The veteran groceryman believes farmers are turning more and more to raising chickens, cows, hogs and similar "extra income crops."

Cream at the new buying station is purchased for Snowwhite Creameries, Stamford.
