"YOUR HOME COUNTY PAPER"

VOLUME 51  
NUMBER 51

SNYDER, TEXAS, OCTOBER 27  
THURSDAY AFTERNOON NINETEEN HUNDRED AND THIRTY-EIGHT

ISSUE NUMBER 21

## Poppy Day Will Be Observed in City November 5

American Legion Auxiliary to Take Lead in Selling Flowers That Aid War Buddies

Saturday, November 5, will be poppy day again in Snyder. Women of the American Legion Auxiliary will be in charge of selling the red flowers that bespeak honor to the World War dead and contribute to the welfare of the war's living victims.

More than 10,000,000 poppies are now sold annually by the auxiliary and approximately \$1,000,000 raised for welfare work of the American Legion.

Poppies were first sold in Milwaukee, Wisconsin, in 1919, in connection with the 32nd Division Homecoming. Previous to Memorial Day in 1920 the American Legion sold poppies in Milwaukee to raise funds for disabled vets' benefits.

That same year Dr. Pender Jensen of Tacoma, Washington, was searching for the war cemeteries of France for a comrade's burial place, and became so impressed with the masses of living poppies waving over the graves he had the Tacoma Post adopt the poppy as its memorial flower.

Nation-wide sale of red poppies began in 1921, the flowers being made of silk by French widows. Soon, however, the manufacture of paper poppies by disabled American veterans was started.

Besides the money accruing each year for we care work among disabled war vets, the making of the flowers provides three months of steady work for disabled vets who otherwise could not find employment.

Yes, Saturday, November 5, is poppy day again in Snyder. Be sure to include the purchase of poppies in your Saturday budget.

## SWABBING FOR OPENER TODAY

Final swabbing of Coffield & Guthrie No. 1 Spears & Brownfield, promising pool opener in South-west Scurry County, is slated for today (Thursday), with a probable test due Saturday.

The W. L. Callahan-First National Bank No. 1—a diagonal offset to the Spears & Brownfield No. 1—was spudded in Tuesday. Reported depth early Wednesday night was 40 feet.

A strong water well was completed early this week by Coffield & Guthrie, which will act as a supply well for both W. L. Callahan-First National Bank and the Spears & Brownfield well.

## Fluvanna Wallops Post B Team, 34-6, In County Tuesday

Fluvanna's potent Class C squad scored five touchdowns against Post's B team Tuesday afternoon at Fluvanna, running up a count of 34 to 6.

It was Fluvanna's game all the way, with the Buffaloes' J. R. Brown prancing across for three tallies, Roddy going for one and Rhodes for one. Four of the five extra points were made on bucks and passes.

Post's lone touchdown came in the third quarter, with quarterback Thomas tallying. First downs favored Fluvanna, 15 to three.

The Buffaloes, priming for their second tussle with Dunn next month, will go to Jayton for a Friday afternoon melee.

## MAGNOLIA MEETING.

Norman Autry and Earl Hicks, local Magnolia dealers, were among the 100 West Texas Magnolia dealers and service station men who attended a district meeting in the Hilton Hotel at Abilene Monday night.

## TRAPPER KEPT THROUGH 1938

Of the business transacted by the Commissioners Court, in session Monday, probably the arrangement whereby the county pays one-half and the citizens pay one-half for retaining a wolf trapper until January 31 will be of interest to most county people.

A total of \$75 was transferred from the general to the general special predatory animal control fund to retain the services of a wolf trapper until the end of January. Besides a number of claims being allowed, bids were opened and read on a courthouse yard improvement project. Of the bids submitted, Doll Williams was found to have entered the lowest. NYA help will be used on the improvement job, when approved by the court.

## Local Group to Farm Meeting in Waco This Week

Strong Organization That Will Have Voice in National Affairs Is C. H. Day's Plea

County Agent Luke Ballard, E. H. Lilly, Chamber of Commerce secretary, C. M. Werboon, Ben Brooks, and Perry Echols left Monday for Waco to attend the annual convention of the Texas Agricultural Association.

In the opening session Tuesday C. H. Day, president, stated farmers will have to build a "strong, sane, and influential organization, with such power that any needs of farmers voiced through the organization throughout the nation."

Senator Allen J. Flender of Louisiana, a federal farm program proponent, addressed the group of farmers, county agents, and commerce secretaries Wednesday.

## CANYON TO BE SINGERS' HOST

Canyon will be host Sunday afternoon to the Fifth Sunday Singers' Convention, with the afternoon program of gospel song slated to begin at 2:00 o'clock promptly.

Dewey Niedecken, president, stated Tuesday "Country singers can be assured of a live song program at our Sunday afternoon meet."

Besides the regular singing program, on which the Snyder quartet, Sunset Trio, Williams quartet, and others have promised to appear, a site for the spring convention will be chosen during the business session. Singers and song lovers are cordially invited to bring song books and their "best" smiles.

Others on program will include T. H. Westbrook of Sweetwater and the Sweetwater Girls' quartet.

## 1,800 Singers Fill Building for County Pleasant Hill Fest

A total of 1,800 singers filled the Pleasant Hill Tabernacle to overflowing Sunday, when the Scurry County Singing Convention convened for the fall session.

Probably one of the day's most talked of highlights was an old-fashioned "dinner on the grounds" that rivaled any previous community dinner in sumptuous "eats" county singers can remember with the past few years' singing history.

Program committee men were Earl Sheppard, Doc Bynum, Leon Quinn and Idis Allen.

L. M. Irion, president, reported Monday "The Pleasant Hill convention was one of our best. We wish to thank the G. A. Beeman Music House, Sweetwater, for the loan of a new convention piano."

It will be next host to the Scurry County Singing Convention the second Sunday in April.

## New Banking Hours At Snyder National

Snyder National Bank this week joined the parade of banks throughout the nation who are observing new banking hours, made necessary by the new federal Wage and Hour Law, which went into effect October 24.

Bank attaches wish to remind patrons Snyder National Bank will open at 9:00 o'clock each morning as usual, but close at 2:00 o'clock in the afternoon. The new Wage and Hour Law demands a strict observance of these banking hours, forbidding the former closing time of 3:00 o'clock.

It is further pointed out no business will be transacted after banking hours. This new schedule of banking hours is one demanded by law, and not one of the bank's own making.

OLD-TIMER STOPS. Rev. Beecher Bennett, former Snyder High School football star and chaplain in the U. S. Navy, stopped here recently and visited with Mr. and Mrs. Bill Davidson, Dunn, and Mr. and Mrs. Dewey Rollins, Snyder. Formerly stationed at Annapolis, Maryland, and Washington, D. C., the Rev. Bennett was en route to assume new duties at the San Diego, California, naval station.

ANOTHER DAUGHTER. It's a daughter for Mr. and Mrs. Bill Lee Jr., a young sister for three-year-old Saxton Dawn Lee and granddaughter number two for Mrs. W. B. Lee Sr. and B. M. West of Snyder. Small Goldie Jessica, weight seven and three-quarters pounds, arrived in a local hospital Friday morning at 2:40 o'clock. Named Goldie for Mrs. West, the middle name is for her dad's cousin, Mrs. Lee Sr. and the baby are doing well.

RIBBON WINNERS. More ribbon winners in the recent Products Show will be published in next week's Times.

## SPOOK PARADE FEATURES PTA FUN FESTIVAL

Crowning of School Queen Will Be Climax of Annual Carnival Monday Evening

A colorful parade of clowns and spooks through the business district of Snyder will inaugurate the annual school carnival, being sponsored by the local Parent-Teacher Association at the city fair grounds Monday evening. The parade will be at 5:30 o'clock, and as it hits the carnival grounds on the return trip, the annual fun fest will be well under way.

Crowning of a school queen will climax the evening's entertainment. School classes have held a heated contest this week for election of either Barney Huddell, Junior, or Forest Crowder, senior, as queen of the carnival.

Parade units will assemble at the fair grounds, returning there after going around the square. Led by the Tiger Band and its drum major, petite Leta Gay Hartman, with her twirling baton, units will be grouped and judged for prizes offered by local merchants. Pep squad and girls drum corps will also march in the parade.

Prizes will be as follows: Best decorated bicycle—light from Bud Miller's Olds Service Station, first, and a bicycle chain from the Anz Garage, second; cutest pet—box of candy from Irwin Drug; cleverest costume—fountain pen from Simson Drug Number 2; smallest, cutest girl—gift from the Holywood Shop; best animal imitation—candy from Pick & Pay; most attractive poster—carton of Coca Cola from Pigly Wigly; best clown—choice of hop ching checkers or Gene Autry pistol from Perry Brothers.

Prizes on Display. Prizes will be displayed in the show window at the Hollywood Shop late this week through Monday, the parade committee has announced. The committee is composed of Johnny Hensley, Mmes. R. L. Gray, Hugh Taylor and Dad Ann.

People from all Scurry County and surrounding territory are cordially invited to participate in the parade and attend the carnival. County school students are welcome to compete for parade prizes. Food booths and every kind of entertainment will be sponsored by various Snyder organizations to add to the fun festival.

## SIX-MAN GAME SLATED NOV. 3

A treat royal is promised football lovers Thursday night, November 3, when a six-man football game will be played by the fire boys and the Lions Club members.

It will be the first six-man football game ever played in Snyder—a promising gridiron clash that may revive memories of the 11-man Lions Club-fire boys game two years ago.

At that memorable clash puffing players battled to a scoreless tie. Battle scars of that game were nursed along by squad members of both team for days.

Camp Springs Man Returns With Bride. H. S. "Uncle Hub" Hawkins, who married Mrs. Carine Foster of Arlington, Texas, at Weatherford recently, returned to Camp Springs Saturday night with his bride.

A Camp Springs resident for 35 years, "Uncle Hub" Hawkins has been running a blacksmith shop at almost the same location since 1905, with the exception of having run a shop two years ago in Ft. Worth for a short time.

They were married in Weatherford a week ago Thursday, and visited Mineral Wells and Ft. Worth on their honeymoon trip. The Hawkins wedding is the first of several scheduled in the community.

Remains of Extinct Unearthed Recently. A chapter from Scurry County's archeological history was unearthed recently, when Melvin and Ulmer Vernon of Hermleigh found an almost complete jaw bone, a perfect molar, and two well preserved tusk ends of a now extinct Mammoth species six miles northeast of Hermleigh on the W. A. McFarland place.

The find was discovered in a sand bank that was being excavated for construction use in the Hermleigh School gymnasium.

The fossil remains will be on display in the next few days at The Times office.

"The Singapore Spider" will be the one-act stage offering at Fluvanna Friday night, along with Buddy and his gang. Attraction No. 3 is a rip-roaring western. Tim McCoy in "Ghost Patrol."

## No More Carefree Days for Girls on West Texas 'Tour'

Thoughts of carefree days on the open road were ended in Snyder Wednesday morning for two Memphis school girls, one 12, and one 14, as City Marshal Simon Best discovered the two Hall County girls near the square.

Anxious parents had driven all the way from Memphis and happened to be in Snyder when the girls were found. They started home with the truant pair at 1:00 o'clock Wednesday afternoon—happier, but wiser.

"We wanted to see West Texas," one of the girls sobbed, as Best hastened with them to a car in which the father and mother waited. When found the girls had only a small amount of change.

## MERKEL TO BE SITE OF GAME

Merkel, which on paper rates just higher than the Snyder Tigers, will be the site of this Friday afternoon's football frolic. Plans are being made for the Tiger Band, pep squad and drum corps to make the trip, but transportation has not been definitely arranged for these backer-uppers.

The Badgers led to Colorado and Ro'an in the conference race, and their loss to the Yellowhammers was by the narrow margin of 12-6 in contrast to Ro'an's heavy shellacking of the Tigers.

But the local boys, remembering their break into the win column last week with a 25-0 slashing of Lorraine, are a much-improved club. They declare that the Merkel mix-up will give them a 50-50 standing in the percentage column.

## Twelve Years of Chevrolet Sales Close for Yoder

More than 12 years of Chevrolet selling ended last week for D. P. Yoder. Sale of the agency means that the veteran car dealer is out of the new-car selling game, but he continues to maintain his used car department, his garage, paint and body shop and numerous accessories at the old location.

For 23 years the car dealer has lived in Snyder—11 years as operator of the utility plant, 12 years as distributor for Chevrolets.

He entered the car business in 1926 as a partner of R. W. Webb. Two years later the Webb interest went into the hands of E. J. Anderson, and two years after that Mr. Yoder became sole owner.

Despite the fact that he appears nonchalant about sale of the agency, Mr. Yoder admits that it is with regret that he gives up a portion of his business that has been close to his heart.

## Gospel Meeting to Be Continued Under Visiting Evangelist

Elder G. A. Dunn of Dallas, a widely known Church of Christ evangelist, began an eight day meeting at the Primitive Baptist Church Wednesday night, with evening services beginning at 7:30 o'clock.

Morning services will be announced at each evening service. Elder Dunn has held a number of meetings in the county, and another of Hobbs as president, the organization included women of the Midway, Hobbs, and Camp Springs communities.

Plans are being perfected this week for an active P-T. A. program throughout the winter. Superintendent and Mrs. N. J. Guillot are enlisting the aid of Hobbs teachers in the October drive.

## Mrs. Willingham Is Hobbs PTA Leader

A total of 50 people met Tuesday night at Hobbs, when organization plans were completed for the Hobbs Parent-Teachers Association. Mrs. Mabel Day of Rotan is sponsor of the parent-teacher group.

With Mrs. W. B. Willingham of Hobbs as president, the organization included women of the Midway, Hobbs, and Camp Springs communities. Plans are being perfected this week for an active P-T. A. program throughout the winter. Superintendent and Mrs. N. J. Guillot are enlisting the aid of Hobbs teachers in the October drive.

## Explosion Destroys Part Garage, Cars

Snyder volunteer fire department answered a call last Friday night at 8:00 o'clock, when the back of Iverson's Garage became ignited from an explosion that resulted from an attempted soldering job on a car gasoline tank.

Whit Thompson's car was demolished by fire, with Sterling Taylor's car partially burned. Truman Iverson, who received slight burns on the face and body, was reported doing fine Tuesday. Prompt action by the fire department saved the entire garage front.

ASSOCIATION INVITES. Interested band patrons are invited to attend meetings of the Band Parents Association, each second Tuesday in the school gymnasium, leaders announce. At the recent meeting the group discussed a booth at the school Halloween carnival, and plans were made to sponsor sale of popcorn balls, peanuts and candy. Rummage sale downtown Saturday netted \$12 for the treasury.

## Steps and Sidewalk For Colored Church

Concrete step and sidewalk work was finished early this week on the colored Baptist Church, which is located in Southeast Snyder. Church members have been donating a day's work to complete the project.

Roy Jennings and Bill Miles have taken the lead in remodeling work, which has included changing the building front and building overhaul in general.

Present plans call for erection of a parsonage in the near future by the local colored church folks.

## SUGGESTIONS OUTLINE NEEDS OF COMMUNITY

Products Show, Road, Cotton, Feed And Markets Included in Tuesday Discussion

Improvement of the Clairemont road to insure keeping the long-time Clairemont route running out of Snyder.

Selection of Von Roeder Seed Farms cotton seed for planting in wide Scurry County blocks.

Continued fostering of the "Save Your Feed" campaign, which is already saving the county thousands of dollars.

Investigation of a county-wide REA program (rural electrification), such as that now being fostered in Fisher County.

Better markets for produce, including possibly a milk or cheese plant.

Park and playground facilities through WPA assistance.

But the Show Was First. Those six and several other projects, were outlined as immediate Scurry County and Snyder needs, during a mass meeting of business men and a few others in the district court room Tuesday night.

But the principal topic of discussion—the topic which caused President Forest Sears of the Scurry County Chamber of Commerce to call the meeting—was the recent successful Products Show. Plans for next year's show were also discussed.

Unanimous sentiment that "the show was a big success, and should be bigger and better next year," was voiced by several impromptu speakers. Credit was given leaders in the Products Show revival, and to the city and county governments for providing show grounds.

But folks made the Show. But it was the folks in every nook and corner of the county who really made the show—this was the sum and substance of all the discussion.

The financial report of the show, showing that all bills were paid by show receipts and by the Chamber of Commerce, was read by Sears.

E. J. Anderson, general chairman of the show, said all committees and sub-committees will meet in the near future to map plans for next year.

C. Littlepage, teacher of V. A. at Hobbs School, attended the meeting. He spoke briefly.

## GAINES COUNTY ROAD STARTED

A report from Seminole this week indicates work on Highway 15, eight miles east of Seminole, is progressing rapidly. Work is being pushed eastward toward the Dawson County line.

Construction of this Gaines County highway gap, besides giving work to a large number of unemployed, will close one of the worst places in the East-West Highway that runs from Louisiana through Snyder to New Mexico.

These in charge of floral offerings were: Ruth Barnett, Mattie Bell Barnett, Lula Mae McKinney, Luella Layne, Juanita Henderson and Mattie Kimbrough.

Maples Funeral Home was in charge of funeral arrangements, with interment in Canyon Cemetery.

## Dressing Plant to Be Open Next Week

Continuing a policy of several years' standing, Snyder Produce Company will again operate its turkey dressing plant when the Thanksgiving market opens the first week in November.

Located on 25th Street, the dressing plant will employ local help entirely.

"There will be plenty of help," the manager stated Tuesday, "to insure a quick and efficient type of service for our customers."

Reports from market centers this week have the general theme that quality of Texas turkeys is better this year than last, but that Texas birds will not quite come up to the quality of birds raised in the North and East.

## Pretty Weather Is Hoisting Gin Total

Early Wednesday night figures gathered from county gins by The Times indicated the county's 14 gins had ginned a total of 17,500 bales, with Snyder's five gins having surpassed the 9,100 bale mark.

Most gins have had a steady night run, due to continued pretty weather. According to reports from county ginners serious cotton fires have been conspicuously absent the past two weeks.

SMITH-SMITH. Ben Smith is doing relief work at the Railway Express Agency while W. W. Smith and his wife are vacationing. The Weatherford man arrived Tuesday of last week, and will be here until early next week. The local people are visiting with their son, Wallace, at Len Morris College in Jacksonville, with relatives in Dallas and also at Weatherford.

## Cotton Bagging for Cotton Bales

Those in the picture, left to right, who were photographed when Scurry County scored another cotton "first" with cotton bagging are: G. B. Hogan, traveling agent for the Southern Pacific lines, J. T. Browning of Browning Gin, Brooks Browning, and E. H. Lilly, secretary, Scurry County Chamber of Commerce.

## WORK TO KEEP NORTH ROUTE

Definite action looking toward continuation of the route from Snyder northward, known for years as the Clairemont Route, is planned for the near future, it was learned by The Times yesterday.

Charley Fox, veteran carrier, reports that County Judge J. B. Earnest of Kent County and Commissioner Ab Cargile of the precinct adjoining Scurry County are anxious to confer with the Scurry County Commissioners Court and other county citizens in regard to making the Snyder - Clairemont road an all-weather strip.

It has been reported in recent weeks that the route will be improved unless the road is improved.

## Aged Snyder Man's Rites Saturday in Canyon Community

Funeral services for Robert Carson Layne, 86, of West Snyder, were conducted at the Canyon School house at 2:30 o'clock Saturday afternoon by Rev. J. W. McGaha, assisted by Rev. R. E. Bratton.

A Scurry County resident for 18 years, Mr. Layne had been in ill health five weeks, and passed away at his West Snyder home at 6:30 o'clock Friday morning.

Survivors are his wife, Snyder; Mrs. J. P. Reynolds, Glen Rose; Mrs. J. A. McKinney, Snyder; two sons, J. W. Layne, Snyder; S. J. Layne, Rainbow, Texas; 32 grand and 23 great-grandchildren.

Pall bearers were: Dick Henderson, Bernard Longbottom, Sam Hayes, Tom Pherigo, Will Rogers and Dave McCarly.

These in charge of floral offerings were: Ruth Barnett, Mattie Bell Barnett, Lula Mae McKinney, Luella Layne, Juanita Henderson and Mattie Kimbrough.

Maples Funeral Home was in charge of funeral arrangements, with interment in Canyon Cemetery.

## Dinner Sunday for 82-Year-Old Woman

Three daughters and a niece joined in with the kinfolks who gathered Sunday at the East Snyder home of Simon Best, at a family dinner given for Mrs. R. J. Crow, 82-year-old Snyder resident.

Besides Mr. and Mrs. Simon Best, and local friends who gathered for the family dinner, three daughters, Mrs. Ralph Lewis, Post; Mrs. Morrow Martin, Ft. Worth; and Mrs. Bob Gail of Mitchell County, A. Nice, Mrs. R. L. Milton of Odessa, was also present.

## District Judge Will Speak Here Sunday

District Judge A. S. Mauzey of Sweetwater will be in the pulpit of the First Methodist Church at the 11:00 o'clock hour Sunday morning, when special services are held commemorating Childhood and Youth Week in all Methodist churches.

All members and friends are cordially invited to attend both the Sunday morning and evening services. A. J. Cody is principal speaker for the evening service, which starts at 7:30 o'clock. Judge Mauzey will have a message of interest to all parents.

The attention of sacred harp singers and song lovers will be drawn to Colorado Sunday, when the Sacred Harp Singing Convention meets in the courthouse for an all-day sing song.

## ALMANAC

"A juggler's instant skill has been long years in learning."

OCTOBER 29—U. S. Army planes broke up clouds over Washington by blasting, 1924.

30—Morze code patented, 1838.

31—Alleged that Connecticut's charter concealed in an oak, 1697.

NOVEMBER 1—First simultaneous meteorological observations taken, 1870.

2—North and South Dakota admitted to Union, 1888.

3—Williams Cullen Bryant, poet, born, 1794.

4—Patent granted to R. I. Gatling for chattering gun, 1862.

## FIRST TO USE BAGGING MADE FROM COTTON

Scurry Rings Up Another Bull's Eye by Introducing New Bale Covering in Westex

Scurry County scored another "first" when seven bales of 1938 cotton were wrapped in cotton bagging. Produced by R. T. Range of Popular, the cotton was shinned recently by Browning in Company.

Through the untiring efforts of E. H. Lilly, secretary, Scurry County Chamber of Commerce, and J. T. Browning of Browning Gin, Scurry is the first county in all West Texas to use 100 per cent cotton bagging for bale wrapping.

From New Orleans. E. H. Lilly has been corresponding with S. Odenheimer, president, Lane Cotton Mills Company, New Orleans, Louisiana, and cooperated with J. T. Browning in securing 100 per cent cotton bagging for local use. Lilly stated Tuesday "cotton bagging is undoubtedly the coming thing for West Texas."

"You are to be congratulated," S. Odenheimer, of Lane Cotton Mills, states, "on being the first in West Texas to actually start the use of cotton wrapping, and, in my opinion, too much cannot be said for cotton bagging."

Continuing, Odenheimer says "use of cotton bagging will materially aid in reducing our surplus stock, and as an added outlet for cotton rope in place of steel ties, using surplus low grade cotton."

Used by Uncle Sam. Odenheimer, who recently secured a contract from the U. S. Department of Agriculture for 1,000,000 patterns of cotton bagging, has advocated the use of cotton bagging for 25 years.

Exact figures obtained by E. H. Lilly indicate 136,000 bales of low grade cotton will be used annually in pattern making, if cotton is substituted for jute bagging now imported from Cuba and other countries.

Lane Cotton Mills Company—actively engaged in pushing "home" products for over a quarter century—has released a statement given by the U. S. Department of Agriculture stating use of cotton ropes in place of steel ties would consume 25,000,000 pounds of low grade cotton each year.

## CHEVROLET TO SCURRY MOTOR

Scurry County Motor Company, owned by H. H. Elland, last week became local agent for Chevrolet cars and trucks.

Elland, a car dealer for 15 years, has moved the agency to the large building, just east of the square on the highway, where he has been located for several years. He came here as a car dealer from Siantan six years ago.

Change of the agency came almost a day with receipt of the first 1939 Chevrolets, which have been on display at the Scurry County Motor Company show rooms this week.

## Two Cars Stolen This Week Lead To Two Arrests

The trail of car thieves around Snyder has been leading lately to a bunk in the jailhouse. Past work by Alther Chandler, constable, resulted in catching Sam Lawson in Sweetwater Tuesday morning at 4:30 o'clock, one and a half hours after he was alleged to have stolen D. P. Yoder's 1936 Chevrolet sedan.

Lodged in the county jail without bail, Lawson, it is alleged, burglarized the J. D. Sparks home Sunday night, taking \$12 in money and a .32 caliber automatic. The pistol was found on Lawson by Sweetwater officers.

Chandler is also going to Dickens City Friday to return Charley Campbell, colored, who allegedly stole Paul Yarborough's 1936 V-8 coupe about 10:30 o'clock Monday morning. The car was found near Dickens City, wrecked, about 11:00 o'clock Monday night by Dickens County officers.

Campbell, who told officers he stole another car at Dickens, was caught at Spur with the stolen machine where, officers allege, he confessed to stealing the Yarborough's car at Snyder. He is in the Dickens County jail.

70 Attend Regular PTA Meet Monday. Final plans for sponsoring the annual school Halloween carnival were completed at last Thursday's meeting of the local Parent-Teacher Association. The carnival will be held Monday night at the fair grounds north of the square.

Seventy members, the majority of whom were parents, attended the regular P-T. A. meeting held each third Thursday afternoon, 3:45 o'clock, at the First Presbyterian Church.

Program for the afternoon was given by fourth grade students of Hattie Kern and Mrs. Madge Poppen. Mrs. W. P. King, director, introduced students in three numbers—Morris Dean Faver and Bonnie Jean Dial in readings and Harold Lewis Wade in accordion selections. Miss Ingram's room won the \$1 cash prize for having the most representative present at the meeting.

Special decorations and enjoyable programs greeting visiting parents

# The WOMAN'S Page

## GUEST DAY AT COTERIE WILL STAR ARTISTS

Besides observing guest day with guest artists this (Thursday) afternoon, the local Musical Coterie will make plans to attend the district convention, being held at Ozona next Thursday, Friday and Saturday, November 3-5.

Today a musical program will be presented before members of the club and a number of guests by out-of-town artists. Musical Coterie is presenting Margaret McClure of Sweetwater, violinist, and Virginia Bell Gambell of Lubbock, pianist, in the auditorium of the First Presbyterian Church.

A reception to honor the visiting artists will follow the program as the local club entertains in the parlors of the church. Special decorations have been planned and refreshments will be served.

Snyder's music club is well represented on the executive board of district six, Texas Federation of Music Clubs. Mrs. W. C. Hooks, local club president, and Mrs. Lida M. Hardy are district chairmen, and Mrs. John F. Sentell, past local president, is parliamentary.

Highlight of the three-day convention at Ozona will come Friday evening, district leaders announce. A fine arts program will be followed by a fun frolic to be held at the Methodist Church with the Missionary Society as hostess.

District officers include Mrs. R. P. Wyche of Abilene, president; Mrs. Norman Locks of Brownwood, vice president; Mrs. Christine of Merkel, treasurer; Mrs. Harry Minor of Abilene, corresponding secretary; Mrs. Sentell and Mrs. Sheridan Newman of Brady, auditor. Mrs. S. M. Harvick of Ozona will serve as convention chairman as president of the Ozona music club.

## Chop Suey Luncheon Compliment to Club

Mrs. H. P. Brown complimented members of the Tuesday afternoon Bridge Club and guests at a chop suey luncheon this week.

Bachelor buttons in attractive containers formed centerpieces for the tables. In the bridge games Mrs. H. J. Brice won high score for members. Mrs. Vern McMullen for guests, and Mrs. John R. Williams took the traveling prize.

Others present were: Mmes. R. L. Gray, W. H. Cauble, Hugh Boren, J. C. Doward, W. W. Hamilton, Sidney Johnson, Joe Strayhorn, James Ralph Hicks, J. C. Smyth, Herman Darby, Ernest Taylor, Raymond Sims, Henry Rosenbergs, Wayne Williams, E. E. Boyer and P. W. Cloud and Miss Neoma Strayhorn.

## Roll Call Proves Interesting to Women

Roll call, to which members answer with discussions of individual topics, is proving one of the most interesting parts of the program for Ingleside Study Club. Tuesday afternoon's meeting was at the home of Mrs. L. C. Rennels, with Mrs. W. P. Cx directing a program on "Social Origin," which centered on "Fire."

Fall flowers and napkins symbolic of Halloween recalled the season to the club as Mrs. Rennels served a sandwich plate with hot coffee to the following members: Mmes. Clyde Boren, Harold Brown, Cox, J. T. Johnson, Hal Lattimore, G. H. Leath, Louder, W. W. McCarty, C. C. Mosley, Newton, R. J. Randals, Redwine, King Sides, James E. Spivey and Tom Boren.

## Bobby Max Given Party Wednesday

Three-year-old Bobby Max Brownfield was made honoree last Wednesday afternoon at a birthday party given by his mother, Mrs. Max Brownfield.

The birthday cake was cut and served with ice cream, and Halloween napkins and candy were on the plates. Ann Wedgeworth and Margaret Smyth assisted in serving.

Invited guests besides the two were the following: Bobby Hat, Gary Hat, Eric, James Sides, Martha Ann and Charles Williams, William Brownfield, Jackson Hill, Dawn Lee, Camille Cloud, P. W. Cloud Jr., Charles Wade, Willard Lewis Jr., Carolyn Ann Sears, Billy Wayne Williams, Natha Dean Mustian, Mary Ann Doak, David Paul Nelson and Jimmy Brownfield.

## MRS. CATON IS HOSTESS FOR CLUB AFFAIR

Mrs. Joe Caton, original sponsor of Altrurian Daughters Club and still a member of the group, was hostess Monday evening to the club and a number of guests for supper. A program on "Charm," directed by Mrs. Max Brownfield, followed the meal.

Among the guests were several former members, including Mrs. Herbert Bannister and Maurine Cunningham of Lubbock, who came down for the affair.

Mrs. Herman Doak, club president, presided at the coffee service during supper, and several members assisted in serving. The dining table was decorated with bouquets of zinnias, and Halloween napkins and favors were used. Edith Grantham assisted Mrs. Caton with hostess duties.

Following roll call, to which each member responded with "My Definition of Charm," Mrs. Brownfield gave words of welcome and introduced three members in talks on "Charm." Mrs. P. W. Cloud's subject was "Conversation in Relation to Charm;" Mrs. Doak's "Charm Individuality," and "Everyday Manners" for Mrs. Forest Wade.

Present were the following: Estelita Rabel, Bonnie Miller, Hattie and Gertrude Herm, Maurine Cunningham, Alene Curry and Mmes. T. M. Howie, E. O. Wedgeworth, Herbert Bannister, John E. Blum and King Sides, guests; Edith Grantham, Margaret Dell Prim, Dorothy Strayhorn, Gwen Gray, Vera Perinan, Marie Casey, Alta Bowers and Mmes. Wade, R. E. Boyer, Brownfield, Cloud, Doak, Herman Darby and Harold Brown.

## Mrs. D. Strayhorn At Home to Alpha

Mrs. David Strayhorn, one of Alpha Study Club's newest members was hostess to the group Tuesday afternoon. Her house was beautifully decorated with the first fall chrysanthemums in tones of yellow.

Program for the afternoon, directed by Mrs. Joe Graham, was on "More Dogma, Please," an article in a recent Atlantic Monthly. Panel speakers on program were Gertrude Herm and Mmes. Ixon Joyce, J. P. Nelson, Raymond Sims and Alfred McLaugh.

The hostess passed a plate of chicken salad, wafers and pumpkin pie with Russian tea to the following club members: Mmes. Maurice Brownfield, Graham, G. W. Helmsmann, Joyce, McLaugh, Nelson, Fern Sears, C. F. Sentell, J. E. Sentell, Sims, J. C. Smyth, Wayne Williams, Wade Winston, Ed S. Hyman and T. M. Howie, Misses Hattie and Gertrude Herm and Neoma Strayhorn.

## Skating Party Is Birthday Compliment

A skating party was given last Thursday afternoon to compliment John Billy Harvey, seven-year-old son of Mr. and Mrs. A. E. Harvey, on his birthday—something new in the way of a birthday celebration.

They were: Alice Mary Wilmet, Billie Arlene Biggs, Maxine McClinton, Eugenia Palmer, Frances Leath, Deana Jean Quiry, Margaret Smyth, Sandra Jean Josephson, Clarice McClann, Maurine Tammis, Eleanor Erwin, Jean Ann, Ha Ruth Newton, Jennie Adams, Franklin Brownfield, Arlen Stokes, Marvin and Joe Wright, Sentell, David Lynn Steadman, Billie Jones and James Littlepage.

## Susanna Wesley Group Meets Monday

Monday's meeting was full of information and interest to all members of the Susanna Wesley Circle of the First Methodist Church, who met at the home of Mrs. A. M. Curry.

Feature of the afternoon was the deliberation by Mrs. Waymont Sims, president of Snyder's Club Welfare Association, who talked on "Family Delinquency in Snyder." Support to the organization was pledged by the group of women.

## Share Birthday Party in Home

Bobbie Jean Pierre, seven-year-old daughter of Mr. and Mrs. D. T. Pierce, and Billie Ray Adams, five-year-old son of Mr. and Mrs. Smith Adams, were honored at a two-way birthday party in the Adams home Saturday afternoon.

Game playing, admiring presents and eating birthday cakes furnished an afternoon of enjoyment for the following other guests: Nadine Todd, Joann, Betty and Robert Norred, Theresa Maples, Charlotte Ann Faver, Sammy Morton, Margaret Smyth, Janella Holmes, Laura Deane Jenkins, Sallie Merritt, Margaret Ann Reed, Jimmie Adams, James Alton Holmes, Norman Jean Brosseau, Maxine McClinton, Ina Love and Joyce Griffin, Bonnie Fay Adams and Roy and Barbara Nell Pierce.

## Mrs. D. Strayhorn At Home to Alpha

Mrs. David Strayhorn, one of Alpha Study Club's newest members was hostess to the group Tuesday afternoon. Her house was beautifully decorated with the first fall chrysanthemums in tones of yellow.

Program for the afternoon, directed by Mrs. Joe Graham, was on "More Dogma, Please," an article in a recent Atlantic Monthly. Panel speakers on program were Gertrude Herm and Mmes. Ixon Joyce, J. P. Nelson, Raymond Sims and Alfred McLaugh.

The hostess passed a plate of chicken salad, wafers and pumpkin pie with Russian tea to the following club members: Mmes. Maurice Brownfield, Graham, G. W. Helmsmann, Joyce, McLaugh, Nelson, Fern Sears, C. F. Sentell, J. E. Sentell, Sims, J. C. Smyth, Wayne Williams, Wade Winston, Ed S. Hyman and T. M. Howie, Misses Hattie and Gertrude Herm and Neoma Strayhorn.

## Share Birthday Party in Home

Bobbie Jean Pierre, seven-year-old daughter of Mr. and Mrs. D. T. Pierce, and Billie Ray Adams, five-year-old son of Mr. and Mrs. Smith Adams, were honored at a two-way birthday party in the Adams home Saturday afternoon.

Game playing, admiring presents and eating birthday cakes furnished an afternoon of enjoyment for the following other guests: Nadine Todd, Joann, Betty and Robert Norred, Theresa Maples, Charlotte Ann Faver, Sammy Morton, Margaret Smyth, Janella Holmes, Laura Deane Jenkins, Sallie Merritt, Margaret Ann Reed, Jimmie Adams, James Alton Holmes, Norman Jean Brosseau, Maxine McClinton, Ina Love and Joyce Griffin, Bonnie Fay Adams and Roy and Barbara Nell Pierce.

## SNYDER GIRLS INSTALLED BY NEW SORORITY

Eight local girls were formally installed in a new Snyder chapter of Beta Sigma Phi Sorority, an international organization, in an impressive candle light service at the Manhattan Hotel Sunday evening.

The installation followed a formal dinner in the main dining room of the hotel at 7:00 o'clock. Stella Grace Elliott of Kansas City, international field secretary, was hostess at dinner and later conducted the rituals.

Special guests were Elizabeth Hodges and Pauline Graves from the Beta Beta chapter of the sorority at Sweetwater. Both charter members of the Sweetwater organization, the two visiting sorority girls assisted with the installation.

Officers appointed were the following: Alene Curry, president; Nelle Carlton, vice president and rush captain; Louise Ely, recording secretary; Louise Wilford, corresponding secretary; Mayne Lee Gibson, treasurer; Mrs. Clyde Murray, program chairman. Others receiving pledge pins were Helen Cauble and Margaret Deakins.

Mrs. T. M. Howie has accepted the place as educational director for the group, and Mrs. W. H. Cauble will serve as sponsor. Meetings will be held each first and third Tuesday evening at 7:30 o'clock.

Centering the table at dinner was a bouquet of lovely yellow roses. Place cards were decorated with the sorority crest.

Mr. and Mrs. Mike Lewis were Buffalo Gap visitors over the weekend. They returned Monday.

## Party for Two Held Saturday

A birthday party to honor Betty Jane, 11, and Beverly, 13, daughter and son of Mr. and Mrs. P. D. Lambeth, was held Saturday morning from 9:00 to 12:00 o'clock. Assisting with the party was Mrs. Lambeth's sister, Mrs. Bob Hagler.

Halloween horns were given as party favors to the following guests: Billie Jo Rainey, Johnnie Jean Leonard, Billie Jean Henderson, Mary Belle Weatheresbee, Juanita Pinner, Barbara Inman, Dorothy Jean Wilson, J. D. Vaughn, Birdwell Burney, Doyle Stokes, Levoice Irwin, June Jones and J. E. Shipp Jr.

## Altrurian Club Studys Pan America

"Pan Americanism" was an interesting subject for study for Altrurian Club at its meeting in the home of Mrs. H. P. Brown Friday afternoon. Mrs. John R. Williams directed the story, head by members and several guests.

The hostess was assisted by Mrs. Harold Brown in serving refreshments to members on program and others and the following guests: Mrs. Jimmie Greene of Big Spring, Mrs. Mattie B. Trimble, Mrs. Anton White, Mrs. Willard Jones and Mrs. W. D. Harral. Other members present were: Mmes. W. R. Bell, D. M. Cogdell, J. C. Doward, R. D. English, F. A. Grayum, W. P. King, Lee T. Stinson, J. C. Stinson, H. G. Towle and A. W. Waddill.

## Party for Two Held Saturday

A birthday party to honor Betty Jane, 11, and Beverly, 13, daughter and son of Mr. and Mrs. P. D. Lambeth, was held Saturday morning from 9:00 to 12:00 o'clock. Assisting with the party was Mrs. Lambeth's sister, Mrs. Bob Hagler.

Halloween horns were given as party favors to the following guests: Billie Jo Rainey, Johnnie Jean Leonard, Billie Jean Henderson, Mary Belle Weatheresbee, Juanita Pinner, Barbara Inman, Dorothy Jean Wilson, J. D. Vaughn, Birdwell Burney, Doyle Stokes, Levoice Irwin, June Jones and J. E. Shipp Jr.

## Fine Arts Presented To Home Lovers

Fine arts were presented to members of the Woman's Culture Club at its meeting Tuesday at the home of Mrs. R. W. Cunningham. The program centered on art in the home and was climaxed by a group of piano accordion number by Mary Ellen Williams.

Refreshments were passed at the close of the program of Miss Williams and club members as follows: Mmes. A. C. Alexander, Huckabee, W. A. Morton, Richardson, D. P. Strayhorn, E. E. Weatheresbee, J. A. Woodfin and H. L. Wren.

## Virginia Yoder Is Most Popular Girl

Virginia Yoder, daughter of Mr. and Mrs. D. P. Yoder of Snyder, has resumed her studies at the Illinois College of Chiropractic and Foot Surgery, Chicago, Illinois, where she is in her senior year.

The local high school graduate has been voted the most popular girl in her class each of the three years she has attended the Chicago school. She is a member of the Phi Alpha Chi sorority at Illinois College.

Mr. and Mrs. A. L. Stanley of Okmulgee, Oklahoma, visited with Mrs. Stanley's father and mother, Mr. and Mrs. C. P. Chandler, Sunday.

Hallowe'en Social At Colored School

Sponsored by Miss King, teacher in the local colored school, and the colored folks Parent-Teacher Association, the colored school will give a Hallowe'en social Monday night. The social starts at 8:30 o'clock.

An active P.-T. A. has been organized, and we feel we are making good progress in our school. We are asking that each mother and father take an interest in their child's work to make Snyder Colored School what it should be.

Miss King is mighty nice to us, and the boys are learning multiplication tables right along. We hope to have lights in our school house before long.—Mercede Hunter, reporter.

Magnetic Masseur Successful Treatment for Chronic Ailments Same Treatment as Given at Glen Rose, Cisco and Mineral Wells Office—1812 27th Street

Hobbs Trench Silo Used by 4-H Boys For Maize Storage

Hobbs F. P. A. boys, who recently stored three and a half tons of maize heads in a trench silo on the school ground, believe they have found a profitable way to replenish chapter funds.

"By each boy donating 200 pounds of maize heads," C. Littlepage, vocational teacher at Hobbs reported Tuesday, "we have been able to get enough maize on hand to feed out five or six pigs this winter."

By using funds on hand, the Hobbs F. P. A. boys plan to buy five pigs, feed them out, and have club money on hand next spring when F. P. A. work at Hobbs demands field trips.

Besides raising chapter funds, the Hobbs trench silo demonstration is being made by F. P. A. boys to show that maize stored in silos is safe from weevils and insects; is the farmer's answer to a "soaked" feed, and will give club boys practical experience in storing feed and forage crops.

"Leto's" for the Gums

Do your gums itch, burn or cause you discomfort, druggists will turn your money if the first bottle of "LETO'S" fails to satisfy. For sale by Stinson Drug Company.

HOME DEMONSTRATION CLUBS

Estella Rabel, County Home Demonstration Agent

Win First Place.

Members of the Bluebonnet Home Demonstration Club of Pyron met with Beth and Ruth Mahoney last Thursday afternoon. The club is pleased over having won first place on their club booth at the Scurry County Products Show. The booth was in the form of a model pantry.

Estella Rabel, county agent, who was present for the Thursday afternoon meeting, stressed in her talk the need of proper bedding. Steps in making wool comforts and candlewick spreads were discussed.

Hot cocoa and cookies were passed to the following club members: Mmes. Orval Hess, Marvin Farmer, S. M. Pieper, members; Miss Rabel and Mrs. E. M. Mahoney, guests. Next meeting will be with Mrs. Boyd Moore Thursday afternoon, November 3.

Quality, Size Considered.

"Buy good quality, standard size sheets," County Home Demonstration Agent Estella Rabel stated at a meeting of the Plainview Home Demonstration Club, which met with Mrs. D. M. Pogue Tuesday, October 25.

"Things to look for in buying sheets and pillow cases," Miss Rabel said, "are: durability, suitability, laundering quality, comfort and attractiveness.

"Sheets should be long enough to be easily tucked and pillow slips should be the proper size for pillows—allowing one and one-half to two inches for the fullness of the pillow and nine or 10 inches usually for the length, making a 36 to 38 1/2 (often quoted) as standard pillow case lengths."

Those present at the meeting were: Mmes. B. B. Etheredge, C. R. Roberson, J. M. Boothe, John Woodard, Forest Jones, Edgar Von Roeder; Misses Lillian Huffstutter, Estella Rabel and the hostess, Mrs. D. M. Pogue.

Ira 4-H Club Girls Meet.

"Club work," Miss Rabel stated at a meeting of the Ira 4-H Club girls, "helps you to express yourself, and teaches one the value of doing things and how best to become a better home maker. Belonging to a 4-H club is really a privilege."

At a reorganization meeting the Ira 4-H girls the following officers: Frances Kruse, president; Marceline Hickman, vice president; Juanita Holladay, secretary; Vaudeen Hodges, reporter; Eva Mae Hodges, record leader; Mildred Wright, garden demonstrator; Juanita Holladay, clothing demonstrator.

Pyron 4-H Club Girls.

The Pyron 4-H Club girls met with their sponsor, Estella Rabel, at the Pyron Schoolhouse Thursday, October 20. Plans were made for a chapel program to include a talk from a girl who attended the Scurry County Products Show, one who attended the A. & M. College short course and one who attended the State Fair.

Union Chapel

Sunday visitors in the W. A. Barnett home were: Mrs. R. C. Layne, Mr. and Mrs. Jesse Bunch, Mr. and Mrs. Louis Gray of Snyder and Mr. and Mrs. Aubrey Blount of Odessa, and Mr. and Mrs. Thurman Barnett of Clairmont.

Mrs. P. F. Harmon visited Monday in the Crowder community. All on Odem made a business trip to Stanton Thursday.

Mr. and Mrs. John Watts of Martin were visitors of Mr. and Mrs. J. E. Huffman Sunday.

Mr. and Mrs. E. M. Boles of Lamesa were visitors of Mr. and Mrs. Joe Adams last week-end.

Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Creosote that is pleasant to take. Creomulsion is a medicinal combination designed to aid nature in soothing and healing infected mucous membranes by allaying irritation and inflammation and by aiding in loosening and expelling germ-laden phlegm.

### Fatal Accidents In This Division Keep State Pace

A list of motor traffic fatalities furnished The Times by G. R. Austin, Borden, Scurry maintenance foreman, gives some interesting figures on traffic fatalities within the state's highway divisions.

In Division 8 for instance, of which Scurry is a unit, traffic fatalities from January 1 to August 31, 1938, totaled 34. Of the 34 fatalities listed, eight occurred in cities of over 2,500 population and three in cities of less than 2,500 population.

The report states further 21 of these deaths occurred on highways, and two on other roads.

Of the 1,017 people killed in the entire state by motor vehicle fatalities, 238 deaths happened in cities of over 2,500 population; 59 in cities under 2,500 population; 616 on highways; and 104 on other roads.

Study of figures by divisions gives further emphasis to the fact that motor fatalities are still occurring every day on state maintained highways, as well as private roads.

Mrs. H. T. Sefton, worthy matron of Snyder chapter of O. E. S., left Saturday for Houston to attend the state Eastern Star convention. The convention opened Monday, continuing through Thursday. The local woman will return home late this week.

Mrs. W. K. Nelson went to Cisco Saturday night, where she spent the week-end with her sister, Sue Snider, who is employed by Charles J. Kleiner, independent Cisco oil operator.

Mr. and Mrs. Jim Williams of Abilene, who are well known to Scurry and Fisher County people, were Snyder visitors Friday. Mrs. W. W. Nelson returned to Abilene with the Williams family Friday night.

Mr. and Mrs. Creston Fish of Lubbock were week-end visitors with his parents, Mr. and Mrs. C. E. Fish, and his sister, Cyrella.

Mrs. H. G. Towle left late last week for Long Beach, California, to visit with her sister, Mrs. Pearle Shannon, who is ill. The local woman will return home in about two weeks.

### HOBBS ERECTS ROCK BUILDING

Foundation and sub-structure work was completed early this week on the \$4,000 rock veneer agriculture building that is being erected at Hobbs School. A total of 18 WPA workers from Scurry and Fisher Counties are employed on the project.

Frank Spicer is foreman on the project, which will be a three room structure when completed. A class room, workshop room, and a machine shop will give all vocational agriculture students plenty of room and sunlight to work in.

Besides absorbing the unemployed around Hobbs and Camp Springs, the agriculture building when completed, will give Hobbs four separate school buildings. State Department of Education ratings give Hobbs one of the highest totals in building equipment of any rural West Texas school.

Wallpaper closeouts at O. L. Wilkinson Lumber Company. 20-cent.

### COLORED CHURCH

The local colored Holiness Church is extending an invitation to all white friends in the city to attend services each Sunday morning and night, with some visiting preachers slated to appear in the pulpit. Our church is located in the oil mill section.—L. G. Norris, pastor.

Mr. and Mrs. Roy Irwin, Jane and Georgene Falls, Bernice Birdwell and Dorothy Terry, all students at West Texas State Teachers College, Canyon, were week-end visitors in Snyder. The six visited with their parents and friends.

DAY PHONE 59 D & D AUTO SUPPLY SNYDER, TEXAS NITE PHONE 49

ALL YOUR CURIOSITY satisfied by Your Mileage Merchant... Ask him exactly how you're sure of fast winter starting and extreme oil economy by changing now to WINTER OIL-PLATING

IS OIL-PLATING just a different name? ... No. OIL-PLATING is what Conoco Germ Processed oil does! The out-and-out difference is this: OIL-PLATING will stay firmly attached—plated—clear to the topmost point in your engine, while any plain mineral oil drains clear down the crankcase at every stop.

Exactly where is your gain? Well, in starting up again—next day or next month—the coldest OIL-PLATED engine is always oiled in advance... pre-lubricated before any oil down in the crankcase could ever stir. OIL-PLATING

thus keeps every engine part constantly slippery. The starter speeds... the battery lives and so does the engine, free of fierce starting friction.

But is there any oil saving? Why?... Because less engine wear puts more miles between quarts. And OIL-PLATING itself never passes out during the use of Germ Processed oil. Only the Germ Process, patented, creates OIL-PLATING, the sensible reason for you to switch to Your Mileage Merchant today.

Switch in Time!

CONOCO GERM PROCESSED OIL  
 OIL-PLATING GUARANTEED to lubricate before any oil can circulate

### Fine Showing of Herefords Features Livestock Section of Products Event

Continuing last week's list of Products Show prizes winners, a feature of this week's report is headed by the grand championship cow of the entire show—an animal from the Sidney Johnson Ranch. Other winners follow:

Range cows, over two years—Herefords, first and third, Sidney Johnson.  
 Fed cows, under two years—Herefords, first and second Winston Brothers; third, Diamond M Ranch.  
 Milk and Short Horns, range bull, first—Sam Head; range female, first—Sam Head.  
 Jacks, all ages—First, Wesley Woods; second and third, J. J. Koonsman.

Draft stallions—First, J. P. Biggs, second, Ben Brooks; third, Sam Austin.  
 Heavy horse colts—First, Oscar Rosson; second, Diamond M Ranch.  
 Light horse colts—First, Diamond M Ranch; second, Gray Parks Jr.

Draft mares—First, Diamond M Ranch; third, Howell McClinton.  
 Mule colts—Under one year, first and second, C. T. Williams; third, H. L. Williamson.  
 Mule colts, over one year and under two—second, H. L. Williamson; third, C. T. Williams.

Hogs—Boars over one year, first, Bunk Casey. Boars under one year, first, J. D. Patterson.  
 Goats—Angora, first, Welch Scribner; Angora kid, first, Welch Scribner.

4-H and FFA Boys—Lightweight beef calves, first, Malcolm White; second, Whit Thompson Jr.  
 Heavyweight beef calves—First, Malcolm White. The grand and reserve champion was also shown by White, a Hobbs FFA club boy.  
 Mule colts—Under one year; grand champion mule colt, Lee Williams, Hobbs. Williams also won first, second and third with suckling colts; third with yearling mule under two years.  
 Mule colts—Over one and under

two years, first, W. T. Smith, Hermleigh.  
 A. J. Jones exhibited the best pair of sorrel Percherons, a team with a difference of 18 days in their ages. The Percherons were weighed in at 1,590 and 1,390 pounds.  
 Dave Revier of the Diamond M Ranch exhibited the best Percheron brood mare, a gray animal weighing 1,900 pounds. Diamond M also placed second on the brood mare's, June Percheron colt.  
 Dairy heifers—4-H and FFA, first, Richard Stoker.  
 Dairy cattle—First, bull, I. S. Cross.  
 Registered dairy cows—First, Ben Brooks.  
 Egyptian (Karakul) Sheep—First in both ram and ewe to J. E. Miller.  
 Horses, draft geldings—Second Ben Brooks.  
 4-H and FFA pigs—Under 75 pounds, barrows; first, J. D. Patterson.  
 Barrow pigs—Over 75 pounds; first, Truman Jordan; second, Raymond Jordan; third, J. D. Patterson.  
 Gilts—Under one year; first, J. D. Patterson; second, Jimmy Smith; third, Bunk Casey.  
 4-H cows—Over one year; first, J. D. Patterson; second, Billy Brown.  
 4-H and FFA Sheep—Feeder lambs; first, Carlton Daugherty; second, Marvin Foree; third, Joe McWhorter.  
 Stocker ewes—First, Joe McWhorter; second, Carlton Daugherty.  
 Stocker rams—first, Marvin Foree.  
 4-H Club and FFA—Individual club exhibits; Hobbs, first; Ira, second; Crowder, third.  
 In the individual farm crop exhibits, G. R. Newman placed first with white maize, and Wick Hardee first with black husk kaffir.  
 Doc Kelley, who took first and second with cotton exhibits, also placed first with pop corn. G. R. Newman placed second with pop corn, and Guy Stokes first with red maize.  
 The grand championship bull in two beef cattle classes was a white faced Hereford owned by the Dia-

#### When You Need a Laxative

Thousands of men and women know how wise it is to take Black-Draught at the first sign of constipation. They like the refreshing relief it brings. They know its timely use may save them from feeling badly and possibly losing time at work from sickness brought on by constipation.  
 If you have to take a laxative occasionally, you can rely on

**BLACK-DRAUGHT**  
 A GOOD LAXATIVE

mond M Ranch, C. T. McGlothlin of Midland and Wichita Falls is owner of the Diamond M.  
 Grand championship in fed bulls went to a white faced Hereford owned by Winston Brothers.  
 In the Hereford beef cattle division, range bulls over two years, first place went to a Diamond M Ranch animal, with second and third going to a Sidney Johnson bull.  
 Will Smith placed first with range bulls under two years, J. J. Koonsman placing second with a white face.  
 Winston Brothers placed first, second, and third with fed bulls under two years.  
 J. J. Koonsman placed first and second with range Hereford cows under two years, with Hoyt Murphy placing third.  
 Bunk Casey, Hobbs F. F. A. boy, showed the grand championship boar, an 18 months old registered Red Duroc boar purchased from Lillard Stock Farms, Arlington.  
 J. D. Pat erson, Fluvanna F. F. A. boy, showed the grand champion Red Duroc gilt; reserve champion Red Duroc, and placed first, second, and third in feeder pigs.  
 Weldon Lengbatham, Hermleigh 4-H Club boy, showed the grand champion heifer, a well built white face.  
 Alfred Roggenstein of Lloyd Mountain showed the grand champion Rambouillet ewes and buck, took first in registered Rambouillet ewe and buck lambs, and placed third with range lambs.

#### Overall and Apron Party Is Discussed

The regular semi-monthly meeting of the Hobbs FFA chapter last Wednesday night, Sanford Thompson, reporter, gives the following account:  
 "Business discussed at our Wednesday night meeting included our annual 'overall and apron party,' a trip to Von Roeder Seed Farms at Knapp, and arrangements for using the Texas Terrace recently won by the chapter."  
 "The most 'unimportant' thing was initiation of candidates for membership as FFA Greenhands. A line formed, with the candidates having to run the belt gauntlet. Initiation proved to be a hide testing procedure."  
 Check up on your office supplies. The Times can supply you.

#### Emergency Hospital

Mr. and Mrs. B. M. Prince of Emuis Creek are the parents of a baby girl born last Thursday at the local hospital at 2:55 p. m. Mrs. Prince is the former Inez Chandler.  
 Tonsils of Rev. H. R. Bennett of Fluvanna were removed last Thursday.  
 Mrs. T. J. Erwin of Fluvanna underwent minor surgery Saturday.

#### Dr. Becker's CROUP Necklace

Breaks up that choking, croupy cough—fast. Quick relief without vomiting. No medicine by mouth. No dangerous vapor-lamps to set house afire. Just tie Dr. Becker's CROUP NECKLACE around neck and put child to bed. Mothers say: "Wonderful! Would not dare be without it." One necklace lasts all winter.  
 GUARANTEE: I will return your money if not completely satisfied. Send only \$1 to H. E. BECKER, 1218 Allen Bldg., Dallas, Texas.

The Fords Tell Their Plans for 1939

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

IF WE KNEW anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payrolls in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

THIS MEANS MORE VALUE

The current program has provided a new tire plant, which will turn out a part of our tire requirements... a new tool and die plant that will help us cut the cost of dies... and a steel-press plant that will enable us to make more of our own automobile bodies.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller.

Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser.

We have not cut quality to reduce costs. We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

## New County Oil Pool?

Will a new oil pool be opened in Scurry County when the Coffield & Guitarie No. 1 Spears & Brownfield is proven?

Nobody knows. But it is certain that the well has caused no little interest in oil circles, and that three more wells are being planned for the vicinity southwest of Snyder in the near future.

If all of us—farmers, ranchers, landowners, business men—could settle down to the fact that oil operations are conducted on a business-like basis, that most oil operators are as conscientious and honest as most other citizens, and that a good oil field is a permanent investment in the country's future, then we would be in a much better attitude to profit from oil operations of every description.

The operators who have kept pecking away at Scurry County's possibilities are to be congratulated by the entire citizenship, for they have brought hundreds of thousands of strictly "experimental" dollars into the county.

## The Exodus on Wheels

To any close student of human nature, life has been—and is—an exodus of events. Probably the exodus of Adam and Eve from the Garden of Eden and the migration of the Israelites from Egypt to the Promised Land stand out as two noteworthy examples, but of our twentieth century exodus—an exodus on wheels—all too little has yet been penned.

Into the pencilled shadows of the night the exodus on wheels continues, a motorized caravan of people seeking warmer climes during the winter; tenant farmers seeking greener pastures in kinder surroundings; and the endless procession of people moving both east and west with one end in view—satisfaction.

Since the first recognized dawn of human adventure when man could look out beyond the horizon of unconquered frontiers, life has been an exodus—a migration if we please. America was settled by a periodic exodus of people.

But this exodus of people rushing to and fro without any fixed objective is becoming a social problem that is going beyond expectations; an exodus on wheels that is your problem and mine so long as human misery crops up on every road and byway.

This endless migration is becoming a problem that only time and people with level heads can solve. No half cracked scheme can still man's untiring efforts to go "one more mile beyond."

## More Shekel Meters

As if automobile and flivver owners didn't have enough to worry about, an enterprising Pennsylvania man, George Miller, has invented a "depreciation meter."

The meter prevents an engine from running until the price of wear and tear for the next mile has been inserted. Thus, a car owner will discover—when the flivver is worn out—he has the money for a new one, maybe.

Simple! In fact so perfectly remarkable, this gadget would simply over-run our highways at night with thrifty and romantic youngsters. Saveum shekels useum more lipstick might become a younger generation obsession. Mr. Miller's gadget sounds entirely too clever.

## Comic is Not the Word

Comic is the word which James J. (Gene) Tunney, successful prize-fighter and unsuccessful reformer—from within the liquor industry, applies to the pretensions of the distillers that they are aiming to promote moderation (less buying of liquor) among the people (their customers).

"There is something comic," Mr. Tunney said, probably without a laugh, in addressing the United Restaurant Liquor Dealers of Manhattan, "about a group which spends great sums to advertise the virtue of moderation and then breaks the backs of representatives to make them meet impossible sales quotas. There is no moderation on the part of the distillers."

Comic? There must be another word for it.—The Monitor (Boston).

## Editorial of the Week

**THE SERMON ON THE MOUNT.**

In speaking before the National Eucharistic Congress in New Orleans, Pastmaster General Farley transmitted to his listeners the President's belief that present-day world problems would be speedily solved if approached in the spirit of the Sermon on the Mount.

A headwriter on a newspaper displayed a certain amount of familiarity with that famous Sermon by putting over the Farley article a caption that a solution of world ills is seen in the Beatitudes. Millions of Americans have no doubt heard of the Sermon on the Mount, just as several hundred thousand voters in the recent primary showed a hearsay knowledge of the Ten Commandments.

Among many other revelations for the explorer not fully familiar with the Sermon are quotations ascribed to Shakespeare and other writers, who happened to have been familiar with the Scriptures.—P.T. Worth Star-Telegram.

## Current Comment

By LEON GUINN

Not just because the Scurry County Singing Convention was held at Pleasant Hill, but because the Pleasant Hill people put Sunday's convention over in a way that will not soon be forgotten, we take off our hats to the public minded citizens of the entire community. Further proof of another fine day of gospel song was evidenced Sunday afternoon by the overflow crowd that filled the tabernacle to capacity.

Although the average man will tell you he doesn't yet understand the recently born federal Wage and Hour Law, almost anyone will tell you it may not bring about a better working arrangement from the average employer's angle—who, after all, is entitled to some consideration.

Doubtless the new tempo of shortened hours will benefit some industries so far as skilled labor is concerned, but to the small-scale employer it looks like some more stormy weather ahead. If one, however, gauges by the confusion yet evident in administrator Elmer F. Andrews' Washington office, the wage-hour law may work out to some extent—provided the C. I. O. and A. F. of L. doesn't get some dangerous throat grips on the act's benefits in general.

Along with autumn leaves, the migratory crops of sparrows and mud martins are falling around the square these nights—although some BB marksmen seem to be shooting at the stars as well as the light-blinded birds. In olden days our forefathers might have journeyed into the depths of a yet unconquered wilderness to bring home the feathered friends of the heavens, but for de luxe hunting these nights our youngsters throng around the public square "to bring home the bacon." Time bringeth changes, indeed.

The American Association for the Advancement of Science began last week one of the greatest studies on liquor and its effects yet attempted in America. Headed by a 100-man research council, the sedate group of scientists—who have degrees around nearly each neck represented—will report its findings, "whether they are favorable or unfavorable." It seems the organization's secretary, Dr. F. R. Moulton, might have gotten off to a better start by saying a certain element of the American people will do everything to beverage alcohol but let it alone.

It may sound like a "born thirty years too late" idea, but self evident straws in the wind indicate that cotton bagging will be the coming thing in the cotton crowned south and southwest within the near future, if additional outlets are to be found for our low staple cottons—the kind textile mills are pulling their long handles off about.

And why not? Haven't we about come to the conclusion we can't very well eat our surplus low grade cotton, and the one remaining avenue left open is to start using the stuff up one way or another? One farmer suggested last week we might start raising cotton for the seed and not the lint, if reduction programs keep cotton seed at their present price level. The only draw back to that plan would be the disposal problem if we got to raising too much seed to the acre and depressed cotton seed prices. A still better idea might be to start raising cotton as a sideline, if the agrarian South ever becomes completely diversified.

Although Cecil Horne of Texas Tech, journalism department, can turn out some rather dry news reports once in awhile, his report on the available manufacturing facilities of Lubbock is a release that will tickle many an ink-stained goz'e bone. "It is pointed out," Horne states, "the cotton problem of the United States is largely a Texas problem—a problem that is localized to a large extent in West Texas. In this connection W. D. Hunter (formerly with the U. S. Department of Agriculture) says that 'within a 100-mile radius of Lubbock will some day be grown as much cotton as the state of Texas now produces.'"

Since Scurry County is included in the 100-mile radius referred to by W. D. Hunter, we'd like to add that longer staple cotton, plus 100 per cent cotton bagging will go a long way in making this dream-of-empire approach the rugged rim of reality. Since cotton production figures indicate cost per bale is highest in East Texas, next highest in Central Texas, lower in West Texas, and lowest on the High Plains of Texas we feel we'd be right in the middle of any move than would benefit our own cotton producers.

A recent ruling by a Boston lady, Mrs. Gertrude Kay of Emerson College, has it that dunking is out of order at formal dinners, but proper at informal house parties. "It's still incorrect," she says, "unless you hold the doughnut between your thumb and the third finger of the right hand. Other forms are crude." Well, sister, we'd like to invite you to West Texas, where watermelons are at their best when the hands are used for silverware; holding roasted wieners on a forked stick is "good manners," and eating barbecue on lightbread (without spilling any trimmings) is a miracle!

Some men think it's their work that is burdensome, when it's the chip on their shoulder that's holding them down.

## TIGERS SLASH BULLDOGS FOR ONLY VICTORY

### First String Gives Way to Cannon Fodder as Count Runs Up Against Loraine 11

Holding Loraine practically powerless for all except a few seconds of play, at the same time clicking with their scoring machine, the Tigers Friday night rang up their first victory of the season.

The 26-0 shellacking of the Bulldogs gave the Tigers a 333 percentage, and gave them a bare chance of landing in third or fourth place in conference standings.

On the second play after his Bulldogs received the kickoff, Loraine's capable left halfback, Johnny Walker, scampered to the Snyder 10-yard line. That was the only time Loraine threatened, and it was one of the visitors' two first downs.

Popejoy, who played the best game of his career, intercepted a Loraine pass behind the goal line and returned it to his own 20. From there the locals made yardage mostly through the line to the Loraine five, whence Popejoy plunged for the first six tallies. Neal kicked a beauty.

Popejoy shook tacklers loose to make the second tally standing up, and the Tigers were knocking at the door of another when the first quarter ended. Touchdown No. 3 was promptly scored by Neal, who kicked two out of four extra point attempts during the evening. Coach Hill rushed in his second team, and these boys almost counted again before the half ended.

Shield, who gained more yardage than any other local, and who, like Popejoy, played his best game, took the ball across in the third quarter, making exactly 17 yards in five consecutive plays.

Richardson, end, stood out in a hard-driving line and as a pass snatcher. First downs were Snyder 15, Loraine two.

## Thanks From Yoders

We of the Chevrolet Motor Company wish to express to our many friends and customers our sincere appreciation and thanks for the courtesies extended to us in the past 12 years or more. We have been trying to sell and service Chevrolet cars. We hope we have given satisfaction in our work, and trust our friendship may continue. Again we say thank you.

—Every member of the organization,  
YODER CHEVROLET CO.

## BROWN'S LOTION

will stop BAD FOOT ODOR with three applications, at night only, or your money back. ATHLETE'S FOOT quickly healed. Guaranteed for RINGWORM, POISON IVY, INSECT BITES, ECZEMA, CONTACTIOUS SORES, CUTS, etc. Sold by STINSON DRUG COMPANY

## Sam O. Nations New Commander Of Local Legion

At the regular meeting last Thursday night of the Will Layne Post, American Legion, Boss Baze resigned as post commander. "Other duties," Baze said, "made it necessary that I resign, although I'm still for the post 100 per cent."

Sam O. Nations was elected post commander for the coming year. He will be formally installed as Will Layne chief in the near future. Post buddies stated Tuesday "the resignation of Boss Baze is sincerely regretted, but we are looking forward to another great Legion year with Commander Nations."

"The cooperation we received from the city under the leadership of Baze is truly appreciated," Hal Lattimore, adjutant, stated Tuesday, "and we are looking forward to another year's progress under our new commander's guidance."

Over 40 Legion buddies and wives were present last Friday night at a special for-ty-two party and social given at the Legion hut.

The Will Layne Post will entertain the 19th Congressional District American Legion Convention in Snyder December 3 and 4. Prominent speakers (with a program announced later) are slated to speak at the two-day convlave.

## Snyder General Hospital

Mrs. Wilcon Connell and small daughter, Betty Clyde, are still in the hospital. Mrs. W. H. Ward of Hermleigh, medical patient, was returned to the hospital after being taken home late last week.

Others at the hospital yesterday were the following: Mrs. H. R. Sullenger of Dermott, surgery; Mrs. Billie Lee Jr. and daughter Goldie Jessica; Mrs. Floyd Stephens and daughter; B. E. Chandler of Hermleigh, surgery; Tenney Bynum of Snyder, surgery.

Goldie Jessica, seven and three-quarter pound daughter of Mr. and Mrs. Billie Lee Jr., arrived at the hospital at 2:40 o'clock Friday morning. The eight pound 12 ounce daughter of the Floyd Stephens was born at 12:00 o'clock noon Friday.

Mrs. J. H. Rea of Hermleigh received medical attention this week.

## APPRECIATION.

H. Carl Hogue of Colorado, carrier for the Ira star route, is back on the job after being ill for some time. In a letter to The Times he says: "I wish to express my appreciation to the patrons of my route for their many good wishes during my recent illness. I am indeed glad to be back on the job again."

## First Presbyterian Church

The young people of the church will present a missionary program at the morning service at 11:00 o'clock next Sunday morning, due to the fact that the pastor will be preaching in Fluvanna. The program will consist largely of a play, entitled, "Two Masters." In the afternoon the young people will go to Abilene where they will give the afternoon and evening program for the Fifth Sunday Meeting of the Presbyterian Young People. Sunday school will convene at 9:45 a. m. and the school of Missions at 6:30 p. m. There will be no evening service.—James E. Spivey, pastor.

Fluvanna Presbyterian.  
Rev. James E. Spivey will preach at Fluvanna next Sunday morning at 11:00 o'clock. Everyone is cordially invited to attend the service.

## MARRIAGE SATURDAY.

Marriage of Wilborn E. Gunnels and Miss Claudene Cox, both of Colorado, was solemnized Saturday evening, 8:00 o'clock, in Snyder. Rev. H. C. Gordon, Methodist minister, read the service at his home in the presence of several friends of the couple. Mr and Mrs. Gunnels will live in Mitchell County.
