HIGHWAY 15 SLATED TO BE EARLY 1939 PROJECT

Annual Roll Call Response Hearty Reports Leader

"The annual Red Cross Roll Call, which opened in Snyder Tuesday, is getting off to a mighty fine start," so said Sam O. Nations, Roll Call chairman, late yesterday.

The corps of workers who started trading buttons and membership cards for dollars Tuesday report more than 200 members have already been enrolled.

Mrs. Carrie Line, county chapter chairman, states "a better spirit is being evidenced this fall than before, and we look forward to a larger membership this year."

Bolestering the 1938 Roll Call is the active support given by the Parent-Teacher Association, the American Legion and Auxiliary, and other organizations.

Plans are to surpass the membership mark reached last year—probably several days before the drive closes just after Thanksgiving.

Hobbs Boys Go to Von Roeder Farms To Study Breeding

The Hobbs FFA boys passed through Snyder Saturday morning at 9:30 o'clock en route to the Von Roeder Seed Farms at Knapp, where they spent most of the day inspecting the Von Roeder farms and orchards.

C. Littlepage, Hobbs vocational agriculture teacher, stated Tuesday the group of 20 boys who made the trip by bus will receive extra credit on school work where reports are made on the field trip.

The Saturday trip to Von Roeder Seed Farms is the first of several scheduled field trips the Hobbs FFA boys will make during the school term.

Concrete Poured in NYA Lawn Project

Concrete pouring was started on Tuesday morning on the courthouse lawn improvement project, which is employing NYA youths on a project that calls for a retaining wall and flower bed around the entire lawn.

After concrete retain forms are completed, a retaining wall proper of native stone, topped with an iron pipe guard rail, will be constructed.

PAPER PRICES

Practically every Times reader—and many who do not now read this paper—will be interested in these newspaper rates between now and January 1. The Times—or any Times correspondent—can take your subscription for these or your favorite papers. Clip this out for future reference, or pass it on to a friend:

Times only, Scurry and adjoining counties, \$1.50; elsewhere, \$2.

Times with Semi-Weekly Farm News or The Pathfinder Magazine, \$2.25.

Times with Abilene Reporter-News (Sunday but no Monday morning), \$5.95.

Times with Ft. Worth Star-Telegram (no Sunday), \$7.45; Times with Star-Telegram (seven days), \$8.45.

Times with San Angelo Standard-Times (no Sunday), \$5.95; Times with Standard-Times (seven days), \$6.95.

Times with The Dallas Morning News, \$9.50 (The Dallas News has no bargain rate).

Special rate to teachers and schools: Subtract 50 cents from each Times-daily combination rate. For example, Times with Abilene Reporter-News, \$5.45.

Special rate to active ministers: Subtract 50 cents from each Times-daily combination rate; except for the Star-Telegram, for which the combination rate is \$5.50.

Subscribers who already take the Times may subscribe for any of the other papers at any time while the special rates are in effect, and take advantage of savings under the bargain rates. For instance, if you already take The Times you may get the Star-Telegram (seven days) for \$6.95, a saving of 50 cents under the bargain days price.

Thanksgiving

By ORA FARE CAMPBELL

For men who dared new lands to seek,
For women who shared their hardships bleak,
For their valor who expored a host of care,
For the courage and strength to withstand
Through cruel years' length the Red Man's band.

For spirits free who would not bow
To tyrants who are forgotten now;
For every blood-bought victory,
For union, peace and liberty,
We give thanks!

For faith like theirs, who day by day,
With toil and prayer prepared our way,
For blessings all, we give These thanks!

Work East, West Foreseen Soon as Surveys Started

The highway news for which the county has been waiting for years came to County Judge H. J. Brice late last week.

Work on Highway 15 in Scurry County will start within the next few months—that was the sentiment of the news, contained in a letter from Julian Montgomery, state highway engineer.

Definite surveys on the new routing through Scurry County have already begun.

The letter reads: "I am pleased to inform you that the Highway Commission recently approved the 1940 regular federal aid program. This program includes the following projects in Scurry County:

"Scurry County, State Highway 15, near junction Highway U. S. 84, to Fisher County line, 12.7 miles, grading and drainage structures.

"Scurry County, Highway 15, Snyder to Borden County line, 14.6 miles, grading and drainage structures.

Actual construction under the 1940 program will begin early next year. Judge Brice has been advised.

PUSH ROAD

Four Lamesa men are here today in the interest of seeing that the entire route of State Highway 15 is federalized soon. They are receiving the hearty support of local leaders. The group, led by CC Manager A. G. Bearden, also includes Judge W. M. Yates, J. E. Barron and W. W. Beeman.

County Goes Over 23,000 Bale Mark As Cotton Dribbles

Figures gathered by The Times up to 8:00 o'clock this morning (Thursday) indicate Scurry County's 14 gins have marked up a total of about 23,000 bales, as cotton continues to dribble in from all sectors of the county.

Snyder's five gins had turned out 12,524 bales up to 7:00 o'clock this morning (Thursday), giving city gins just a little bit over 50 per cent of cotton ginned in the county.

Many farmers are going over fields for the last time, although continued pretty weather will open some already cracked cotton bolls.

Hobbs Cooperative Gin in western Fisher County had turned out 1,765 bales up to Wednesday night, in a final ginning roundup that will probably give the Hobbs gin over 1,800 bales this season.

100 AT BANQUET

More than 100 people attended Hermleigh School's home-coming banquet Friday evening. Home economics girls of the school were in charge of serving, and an informal program was heard. The affair climaxed annual home-coming day.

The aim set forth in this new WPA project is to make available housekeeping aid services to needy families where the homemaker is temporarily unable to take care of a family.

"This aid," Mrs. Walsler stated Tuesday, "is being given without cost to families, except in cases of contagious or communicable diseases.

"Rural families may avail themselves of this service although transportation will have to be supplied. The nurses work seven hours a day. Physicians, the county health officer, or a civic group may refer needy cases to this office for attention."

Adjutant

State Adjutant Fred E. Young of the American Legion will be among well-known guests and speakers at the 14th District convention here December 3 and 4. He was a guest speaker at the district meeting in Abilene Sunday—a meeting attended by several local Legion leaders.

DECORATIONS FOR YULETIDE ARE PLANNED

Colorful Lights on Courthouse and Lighted Store Fronts Seen by C. of C. Leaders

Decorations that will surpass all previous Yuletides are seen for Snyder during the coming season by Scurry County Chamber of Commerce directors, meeting Monday night.

Gaily decorated stores and lighted store fronts, against a background of colored lights around the top of and streamlined from the courthouse will be seen in early December.

Coming of Santa Claus, with plenty of candy for the kiddies, was also arranged, subject to the majority of merchants supporting such a movement. It was pointed out that practically all merchants have supported this plan in recent years.

More detailed plans will be announced in a few days, said President Forest Sears.

The directors made plans to contact Commissioners Courts of Scurry and Kent Counties, looking toward betterment of the road from Snyder to Clairmont.

Plans for increasing the membership of the CC in order to broaden the work of the organization will be worked out at another directors' meeting late this week.

Marshal Warns Not To Hamper Firemen

"There are still a few people who live so close behind the fire trucks," Sheriff Stannard, city marshal, stated, "and we should like to say for the hundredth and one time cars should refrain from following the fire trucks."

People who insist on going to fires are reminded of the city ordinance forbidding the public from hindering progress of Snyder volunteer fire department. And the ordinance will probably be overlooked by some who have an admitted liking the sound of the fire truck siren.

MOVEMENT TO SAVE WILDLIFE GETS SUPPORT

Farmers and Ranchers of County Sign Up 100,000 Acres for Game Preserve Areas

That Scurry County farmers and ranchers are lining up 100 per cent for game preserve demonstrations in the county is evidenced by the fact 65 operators have signed up a total 100,000 acres in game management refuges.

Luke Ballard, county agricultural agent, states county committees have been organized and instructed to "get this county on the firing line to conserve as much of our wildlife as possible."

J. J. Koonsman, president; F. J. Helms, vice president; and Bernard Longbottom, secretary-treasurer, compose the county operating group of the Scurry County Game Management Association.

Strictly a non-profit group this committee serves as coordinators for the following committees:

Wildlife Planning Committee (countywide); Garrett Harrell, H. M. Murphy, Jess Koonsman, W. A. White, T. B. Hicks Jr., Buford Browning, Hugh Taylor and Jasper Helms.

Joe Stinson, C. V. Thompson, Pat Jones, Elmer Taylor, R. C. Miller, Dan Gibson, Emmett Trevey, L. L. Ballard, county agent; Frank Farmer, county superintendent; H. J. Brice, county judge; and J. C. Smyth.

The above group was appointed by William J. Tucker, executive secretary of the Game, Fish and Oyster Commission, and works in conjunction with the County Game Management Committee named below:

W. V. Jones, Camp Springs, chairman; Hoyt Murphy, China Grove; Buford Browning, J. J. Koonsman, Harris Winston, Ben Brooks and Tom Sterling.

Hugh Taylor, Anton White, Sidney Johnson, Jasper Helms, Joe Adams, J. E. Walker, D. Z. Hess and Robert Johnson.

These county planning boards, operating in conjunction with a regional game manager, are composed of public spirited citizens who are interested in replenishing wild game in the county.

To date 300 game management signs have been posted in Scurry County. Both the Gail 4-H Club boys and the Hobbs FFA boys have been supplying farmers and ranchers in the county with game preserve signs at a reasonable figure.

Pastors, Laymen To Memphis for Church Meeting

Five Scurry County Methodist pastors are in Memphis from Wednesday until Sunday this week to attend annual conference. New appointments will be read at the conference Sunday afternoon, probably appearing in Monday morning daily newspapers.

Rev. H. C. Gordon, Snyder Methodist pastor for the past four years, will be moved, since preachers are allowed to serve a church only four consecutive years. Other pastors with their length of service in Scurry County are as follows: Rev. M. W. Clark, Union, one year there and one at Fluvanna; Rev. Ira T. Huckabee of Hermleigh, one year at Fluvanna and the past two years at his present location; Rev. H. R. Bennett of Fluvanna, one year; Rev. C. D. Damron, Dunn, two years.

Accompanying the preachers is Rev. W. L. Porterfield, son-in-law of the local pastor, who recently transferred from the Arizona conference to the Texas conference. Also attending from Snyder will be Mrs. R. H. Odum, Sweetwater district secretary of women's work; D. P. Yoder and J. L. Carrell, veteran laymen in the church. Mrs. Yoder and Mrs. Carrell, the Gordon family will be in Memphis for the week-end.

Bethel Box Supper Slated Friday Night

A box supper will be held at Bethel, eight miles west of Snyder, Friday night, November 18, with plenty of boxes on hand to insure a bountiful community supper.

This pre-Thanksgiving supper is being sponsored to raise funds for purchasing play ground equipment for Bethel School.

Entertainment starts at 8:00 o'clock with everyone extended an invitation to attend. Community leaders request the boys to "bring along their best smiles, as well as nickels."

Senior Queen

Marguerite Wilson, a member of the senior class of Fluvanna High School, has been chosen as senior class queen for the giant carnival to be sponsored by the school Friday of this week. She has been competition, for Elizabeth Miller, winning sponsor of the Texas Cowboy Reunion at Stamford this year is junior candidate, Myrl Zo Smith is out for the sophomores, Patsy Snodgrass was nominated by the freshman class and Jerry Haynes is the seventh grade candidate.

The above group was appointed by William J. Tucker, executive secretary of the Game, Fish and Oyster Commission, and works in conjunction with the County Game Management Committee named below:

W. V. Jones, Camp Springs, chairman; Hoyt Murphy, China Grove; Buford Browning, J. J. Koonsman, Harris Winston, Ben Brooks and Tom Sterling.

LOCK DOORS—PLAN TO COME; IT'S ALL FREE!

Hollywood-Produced Screen Show To Be Seen at Palace Three Days Next Week

Lock the doors and come to town! The Times Free Motion Picture Cooking School, "Star in My Kitchen," will be the real community attraction for three days at the Palace Theatre.

Monday, Tuesday and Wednesday afternoons of next week are the days, beginning at 2:30 o'clock each afternoon. The Palace doors will be open at 1:30 for the benefit of those who wish the best seats.

This is the fourth annual Times Cooking School, and the publishers, as well as participating merchants and manufacturers, believe upwards of 2,000 women—men are invited, too—will register during the three days.

No Charge to Anyone. Like all other Times Cooking Schools, this year's event is entirely free to everyone.

All home economics classes in the trade territory—at Snyder, Pylon, Ira and Hermleigh—have been invited to come as groups, and special invitations have been extended to all other high schools—at Fluvanna, Vurn, Hobbs—to allow their girls to come to the show one afternoon out of the three.

Home demonstration club women and girls in all parts of the trade area are also specially invited to the school.

"Home-makers' Rally." The Free Motion Picture Cooking School will be a practical rally of home-makers to contribute fresh perspective for the "same old job"—the monotonous day-in-and-day-out job, yet the most important business in the world.

Just as men have their annual conventions, where they listen to lectures from specialists, local women will have their convention to consider home-making problems.

Just as fresh inspiration for the old job is one of the by-products of the familiar cooking school, which presents a lecturer in a model kitchen, so are new ideas and keen incentive born in the film class for home-makers, with its novel approach and modern setting.

In Scientific Kitchens. No "false-front" camera-beautiful kitchens satisfied these specialists. They insisted on working in complete, compact, modern kitchens which actually reflect more scientific ingenuity and careful planning than even the living room.

Recognizing the demands of home experts, the producers of "Star in My Kitchen" signed all-star kitchens, with an all-star cast, adding a continual procession of close-ups, so that every seat in the Palace is a good seat for this amazingly-pictured home-making course.

Every-day happenings have been dramatized in the plot of "Star in My Kitchen." Behind the sparkling humor and suspense was a determination to carry instruction and inspiration to home-makers.

Camera Took Its Time. The camera took its time and it took its close-ups, so that every person in the Palace Theatre will have a "large as life, and twice as natural" view of each operation.

There will be no "orchestra circle" at this entertainment, since the back row seats of the Palace Theatre will have an equal chance to peer into the busy mixing bowl, watching, nor overlooking the final work creaming, sitting and thorough mixing, nor overlooking the final work of baking, roasting, French-frying, or freezing.

WITHERSPOON PRESENTATION IN UNION HOME

Presenting her new daughter-in-law to neighbors and friends, Mrs. J. C. Witherspoon entertained last Thursday evening at her home in the Union Community to honor Mr. and Mrs. Jack Witherspoon, who were married recently. The younger Mrs. Witherspoon is the former Madras Jackson of Levelland.

Decorations for the affair followed a white and rose theme, with a bouquet of lovely white caryanthemums on the table. Also on the table was the white tiered wedding cake topped with a miniature bride and groom.

Numbers of appropriate games were played, and several prizes were awarded before the honoree won her prize. Small Warren Witherspoon, grandson of the hostess, pushed in a cart decorated in white and rose loaded with wedding gifts. Taken salad sandwiches, hot chocolate and cookies were served to the following: Mr. and Mrs. Jack Witherspoon, Mr. and Mrs. Leither Vaughn, Mr. and Mrs. Camel Taylor and children, Mr. and Mrs. J. C. Witherspoon Jr. and son, Douglas Witherspoon; Mmes. H. A. Mullins, Bill Greene, T. F. McCutcheon, J. O. McMorris;

Ruth Barnett, Lola Mae McKinney, Mattie Bell Barnett, Oleta Huffman, Frances Bentley, Johnny Jones, Zora Lee Cole, James McMorris, Marian Jones, Buck Woolver, Doyle Blakey, Evelyn Blakey, James Patterson, Jim Bob Taylor, Harold Dean Taylor, Troy Bentley, Billy Ray McMorris, Buena Bentley, Truman Davis, Virginia Greene, Leon Witherspoon, Buck Odum, R. J. Rossen, Renal Rossen, Ocie Odum Jr. and Mr. and Mrs. J. C. Witherspoon Sr.

Gifts were sent by several other invited guests who were unable to attend the party.

Party Given for Ira Seniors, Faculty

Members of the Ira senior class and Ira School faculty were guests of Margaret Dell Prim, for several years teacher of high school English at the Scurry County school, at her home northwest of Snyder last Monday night for a game party.

Table games enjoyed all evening included bingo and Chinese checkers. Priz went to Annie Mae Dixon and Edwin Falls. An Armistice theme was emphasized in favors and appointments.

Guests present were: Marie Casey, Mrs. Elmer Taylor, Mr. and Mrs. Ben Thorpe, Mr. and Mrs. E. W. Baldwin, Jo Halley, Herschel Dunn, W. T. Falls, Mrs. Dick Webb, Mary Ann Webb, Donald Armstrong, Gus Sterling, Edwin Falls Jr., Edwena Duke, Verna Price, Annie Mae Dixon, Margaretta Thompson, Jennetta Thompson, Irene Sterling, Alma Lee Cooper and Evelyn Wigins.

October Marriage Announced in Snyder

Marriage of Mrs. Alberta LaRue Bue of Snyder and W. C. Davidson of Camp Springs was solemnized Monday night, October 31, in Roscoe at the home of Rev. U. D. Crosby, pastor of the First Methodist Church, who read the ring ceremony. The couple was unattended.

Mrs. Davidson has been an assistant in the office of Dr. H. P. Redwine the past several months, and she will continue her work until the first of the year. The couple will live at Camp Springs after January 1.

Week of Prayer Programs Rendered

Week of prayer services were well given last Wednesday by women of the First Methodist Church. Mrs. Clyde Murray was leader, and others on program were: Mmes. L. H. Butler, T. M. Howe, R. H. Odum, A. W. Waddill, T. W. Pollard, H. T. Sefton and M. W. Clark.

Topics for discussion by the women included "Finding God," "Christian Brotherhood," "Fellowship of Suffering," "What We Have at Stake in China" and "Intercession." Offerings for the Week of Prayer go to home mission work of the church in Louisiana and for the relief of suffering in China. Next Monday at regular Missionary Society meeting, 3:00 o'clock at the church, a Spiritual Life meeting will be held at the close of the business session. All women of the church are urged to attend.

Bride Receives Gift From Club

Mrs. Paul Cates, Duce Bridge Club's most recent bride, was presented a gift from the club, for which she has served several months as secretary-treasurer, at a meeting held at the home of Allene Curry last Thursday evening. Mrs. Cates, the former Alta Bowers, also was awarded the high score prize. Traveling prize at the close of the games was taken by Mrs. Buster Curtis.

Red, white and blue scheme was emphasized in decorations and appointments, with white caryanthemums centering tables as a sandwhich plate was passed with sweets and hot tea.

Guests were Vera Periman and Mmes. Joel H. Hamlet Jr. and F. Joyce. Members present included the following: Mmes. Cates, Curtis, R. E. Boyer, Billie Lee Jr., Loy Logan and Willard E. Lewis, Margaret Deakins, Johnnie Mathison, Ruby Lee, Bonnie Miller, Gwen Gray and Frances Lewis.

Mrs. Curtis will be next hostess to the bridge club tonight (Thursday), one week early because Thanksgiving falls on the club's regular meeting night.

Miller Bob Is Three Years Old

Miller Bob Curmutte, son of Mr. and Mrs. Robert H. Curmutte of Odessa, celebrated his third birthday in Snyder Saturday, November 5, at the home of his grandmother, Mrs. J. A. Hood. Mrs. Hood invited a dozen little friends for the afternoon party.

Assisting in entertaining the children was Mrs. Weldon Johnson, whose son was among the party guests. Opening of the nice birthday gifts was a feature of the afternoon, and the group gathered around the dining table to watch Miller Bob blow out three candles on the pink and white birthday cake.

The cake was cut and served to the following: The honoree, Sidney Wallace Johnson, Carolyn Sears, Dawn Lee, Camille Cloud, P. W. Cloud Jr., Bobby Max and Jimmy Brownfield, Robert Howard, Don Mullins, William Brownfield, Paul Nelson and Bobby Hull.

Last Lesson Studied Monday Afternoon

Closing lesson of "The American City and Its Church" was heard by members of the Susanna Wesley Circle of Methodist women Monday afternoon at the home of Mrs. Lee T. Stinson. Twenty-one members and several guests were present. The guests were presented on program.

Mrs. T. M. Howe gave a review of the book, "The City's Church;" Mrs. H. C. Gordon was pianist and gave the closing prayer; Mrs. H. T. Sefton offered prayer and made a talk. Mrs. John R. Williams was also a guest.

Excellent response made the meeting a fine session. Nineteen members received council credit on study book. Mrs. M. W. Clark, study leader, is grateful for the fine cooperation of other women. "We trust that much lasting good was done."

Officers Elected

Members of the Amona Class of the First Baptist Church recently elected new class officers. Quata Barrow is teacher of the group of girls. New officers are: Daurice Worley, president; Louella Eades, vice president; Marvanel Curtis, second vice president; Mrs. Aletha Holmes, third vice president; Horrence Leath, secretary; Loraine Todd, reporter.

Sorority Girls Learn at Meeting

Interesting drills on history and membership of Beta Sigma Phi Sorority were held by the local chapter, Texas Gamma Delta, in the sorority room Tuesday night. Mayme Lee Gibson and Mrs. Clyde Murray were presented in these.

Mrs. Murray, program chairman, introduced Nelle Carlton, who gave a discussion of "Proper Introductions." Louise Wilsford's topic was "Invitations and Replies."

Other members present were: Mrs. W. H. Cauble, sponsor, Mrs. T. M. Howe, educational director, Helen Cauble, Louise Ely and Allene Curry.

Officers, Teachers Guests at Dinner

Mrs. W. R. Bell, superintendent of the young people's department of the First Baptist Church, was hostess Monday evening to other officers and teachers in the department at a dinner party.

Entertaining rooms and tables were decorated with lovely yellow caryanthemums and ferns. Geraldine Chapman and Loraine Todd assisted in serving the three-course turkey dinner.

Feature of the after-dinner program was an interesting talk given by Leslie Kelly on the subject "Truth is Stranger Than Fiction." The group present made plans for a department Christmas party to be held December 15. All members of the young people's department will be invited to the affair.

Those present at the dinner as guests of Mrs. Bell were the following: Polly Harpole, Thelma Leslie, Quata Barrow, Vera Periman, Mr. and Mrs. Leon Wren, Mr. and Mrs. Joe Graham, Dr. and Mrs. R. D. English, Mrs. Ethel Eiland, J. T. Patrick, Leslie Kelly and W. R. Bell.

Bride Absent From Gift Party Recently

Mrs. George Moore of El Paso, the former Jewell Buchanan of Snyder, was unable to attend a gift party given for her by Edna Hester and Faye Best recently. Her mother, Mrs. Albert Buchanan, received the gifts and offered words of appreciation for her absent daughter.

The party was given in the Simon Best home, and friends of the El Paso bride were invited. The white bride's cake was served with cocoa at tea time.

Those present were: Mmes. Rollins, Clark, Mullins, Daniell, Darby, Newman, Haney, Thompson, Glasscock, McMorris, Burk, Buchanan, Bentley, Vandiver and Best, Misses Blanche Bearden, Ruby Madding, Loraine Todd, Jettie Mae Werner, Dorothy Jones, Katherine Jones, Annie Slovacek and the hostesses.

Colorful Armistice Party Given Friday

Lovely caryanthemums and an Armistice motif in party details made a colorful setting Mrs. P. C. Chenault entertained El Feliz Club and guests at her home Friday afternoon.

Games of forty-two were played all afternoon, and a salad course with hot chocolate was passed at the close of them to the following: Mmes. Tom A. Boren, Hugh Taylor, Joe Monroe, John Spears, Frank Farmer, Grady Shyles, Mabel Y. German, John Irwin, Max Brownfield and James E. Spivey, guests; Mmes. A. J. Cody, R. H. Odum, E. H. Lilly, W. E. Doak, Lee T. Stinson, G. H. Leath, H. T. Sefton, Joe Strayhorn, J. E. Lemond, W. J. Ely, A. W. Waddill and J. W. Scott.

Mrs. Co-Jy is slated as next hostess to the club. Date for her party is November 25, the day following Thanksgiving.

Victory Bible Group in Strayhorn Home

Members of the Victory Bible Class of the First Methodist Church were guests at the home of Mrs. Joe Strayhorn last Wednesday afternoon, when Mmes. W. R. Shultz, Pearl Martin and W. A. Rodgers were assisting hostesses.

Mrs. J. P. Avary, class president, presided during the business session. Plans for next year's work were discussed, and good reports were made of visits, trays, flowers and garments to sick and needy.

The hostess passed refreshments of pie a la mode and hot coffee to Mmes. M. W. Clark, I. W. Boren, H. C. Gordon, W. J. Ely, Avary, A. M. Curry, W. E. Doak, J. T. Ramsey, D. P. Strayhorn and R. M. Stokes.

Return to Visit

Margaret Williams of Pampa, Wanda Newman of Amarillo and Margaret Henderson of Lubbock, former teachers in the local school, were holiday visitors with local friends. The three were guests of Dorothy Strayhorn during their three-day visit in Snyder, and they were honored at several informal parties by other friends.

Mrs. Stinson Gives Luncheon Tuesday

A lovely three-course turkey luncheon was the compliment of Mrs. Joe Stinson Tuesday afternoon to the Sine Cura Club and guests. White pom-pom caryanthemums centered the luncheon tables, and other caryanthemums and roses were arranged in the rooms.

In bridge play, which followed the luncheon, Mrs. Price Stell, guest, was awarded both the guest high score prize and the traveling prize. Mrs. A. D. Erwin played high for members.

Bridge guests were: Mmes. J. G. Hicks, T. M. Howe, J. C. Dorward, Stell and J. D. Scott; Mmes. Erwin, Vern McMullen, A. J. Towle, H. Rosenberg, Ernest Taylor, W. D. Beggs, W. R. Johnson, Wayne Boren, T. L. Leith and John R. Williams, Sine Cura members. Mrs. R. J. Randalls was a luncheon guest.

Next regular meeting of the club will be Tuesday, November 29, when Mrs. Rosenberg will be hostess.

Thanksgiving Is Motif in Affair

Quata Barrow was hostess to the Art Guild at a Thanksgiving dinner and program at her apartment on Tuesday evening. Tables were centered with lovely white and yellow caryanthemums, and dainty place cards marked places for Mrs. Joe Coston and Mrs. Ethel Eiland, guests, and the members.

Geraldine Chapman and Ruth Shipp, high school girls, assisted with the serving. Ethel Lynn Hays and Mrs. Ivan Hill were presented in a Thanksgiving program after dinner.

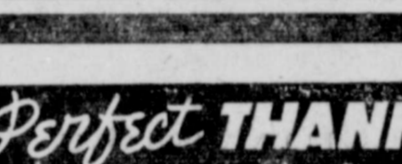

Members present were: Mmes. Lee Jr., O'Dell Ryan, Earl Loud, C. W. Key, Glen W. Berry, Maude C. DeHoff, Ivan Gatlin, Hill and Misses Edith Grantham, Vera Periman, Rayolene Smith, Jewel Foster, Frances Boren, Effie McLeod, Hays and Estella Rabel.

Crusaders Enjoy Steak Fry Tuesday

The Crusaders Class of the First Methodist Church and two guests, Mrs. W. L. Porterfield and Alice Meryl Wilmet, enjoyed a steak fry at the church Tuesday evening. Following a picnic supper, a business meeting was held.

Class members present were: Mmes. T. M. Howe, L. H. Butler, Lex Wilmet, Andrew Schmidt, H. T. Sefton, A. E. Harvey, A. P. Biggs, Hattie Belk, R. H. Odum, Frank Farmer, J. V. Robinson, Howell McClinton; Misses Hattie and Gertrude Herm, Gwen Wright, Nellon Minix and Neoma Strayhorn.

Intermediate BTU On Picnic-Party

Mr. and Mrs. D. V. Merritt were hosts last Thursday afternoon at a party given the Intermediate BTU class. Mrs. Merritt is sponsor of the young people's group.

The group of 30 who attended were sent on a scavenger hunt, which started at the Santa Fe depot. The hunt led the group to Thompson's Dam three miles south of town.

After returning the young people gathered around a bonfire and roasted winners and marshmallows. Delicious doughnuts and hot chocolate was served the hunters by Mrs. Merritt.

Social Club Plays Bridge Thursday

Wanda Jean Sims was hostess to the Lucky 13 Sports Club, composed of high school girls of Snyder, at her home last Thursday afternoon at 4:30 o'clock for a bridge party. High score prizes were awarded to Dorothy Winston and Louise Bowers.

Thanksgiving note was used at the refreshment hour, when the hostesses served a salad with wafers, olives, potato chips, ice box pudding and cocoa. Gilded horseshoes, the club emblem, were favors.

Those present were: June Clements, Melba Ann Odum, Louise Bowers, Patti Hicks, Margaret Gray, Horrence Leath, Lola Jo Rogers, Dorothy Winston, Dena Kate Odum, Billy Lou Hays, Carolyn Dunn and the hostess.

Club Members Attend Services

Loraine Todd was hostess to members of the M. U. Circle at a regular meeting Sunday afternoon. Mickey Norred favored the group with a talk, "Lest We Go Astray."

Annie Clyde Thomas assisted the hostess in serving refreshments with candy walking canes as favors. The group went in a body to evening services at the First Methodist Church later.

Autoists Warned To Guard Against Monoxide Poison

To minimize the danger of carbon monoxide poisoning during winter weather, motorists are urged by Dr. George W. Cox, State Health Officer, to check up now on the exhaust systems of their automobiles for defective connections and leaks.

"This unseasonable weather will give way to winter soon and it will be necessary to drive in closed cars. Carbon monoxide may seep inside from leaky connections and overcome occupants of the car," Doctor Cox warned.

He said that "warming up" a car in a closed garage is the greatest cause of carbon monoxide deaths. Leaks from manifold connections, cracked manifolds, defective mufflers, leaks from loose muffler connections and leaks from hot air heaters or connections are potential sources for release of carbon monoxide and should be checked, Doctor Cox pointed out.

"Pay particular attention to these items and remember that proper carburetor adjustments causes minimum production of carbon monoxide, and that the highest proportion of this gas is produced by an idling motor."

The state health officer said that headaches, which occur during long drives, may be an indication that carbon monoxide is leaking into the car. Sleepiness, dizziness, fatigue—and in extreme cases paralysis—are other symptoms of carbon monoxide leaking into the car. Truck drivers making long drives are particularly vulnerable, he stated.

Doctor Cox described this gas as being colorless, odorless, and tasteless. When in the air it gives no sign of its presence and is taken into the blood instead of oxygen, suffering or collapse may result from lack of oxygen.

Nineteen Girls Seek To Be Basketballers

The Fluvanna basketball squad this year consists of nineteen girls. Each girl certainly has to work if she wears one of those shiny red suits.

The squad has three new girls from Goli: Ola Smoot, Elmer Ruth Hollar, and Twalla Hollar, all play as forwards. The remaining members are: Esma and Rossa Carmichael, LaVerne Edmonson, Jewel Ray Dyess, Ruby Lee Odum, Ruth Freeman, Pay Mathis, Ina Nell Ball and Mary Frances Smith playing guards.

The forwards are: Edith Freeman, Hazel Evans, Alleta White and Margie Bullenger. A great deal is expected from these girls and it is expected that they will do their best.

Beefsteak Pie—A Thrifty One-Dish

Meat pies are in the British tradition and it is easy to understand why their savory goodness has also made them a national favorite here. They are hearty enough to be a meal in themselves and served once a week or so, they add pleasing variety to the menu.

Of the different kinds of meat pies at the housewife's choice, beefsteak pie must be given first place in popular favor, perhaps because it so happily combines the two virtues of economy and deliciousness. Enriched with a flaky pastry covering, it is extra tasty.

For Your Beefsteak Pie You Will Need the Following:

- 2 pounds round steak.
- 2 onions, sliced.
- 4 tablespoons Spry, the new all-vegetable shortening.
- 2 teaspoons salt.
- 1/4 teaspoon pepper.
- 1 tablespoon Worcestershire sauce.
- 2 tablespoons parsley, chopped.
- 2 cups raw potatoes, diced.
- 2 tablespoons flour.
- Pastry covering. (See accompanying receipt).

Cut steak in pieces and saute with onions in 2 tablespoons Spry until brown. Put in kettle and add salt, pepper, Worcestershire sauce and parsley. Add boiling water to just cover; simmer 30 minutes. Add potatoes and cook 45 minutes longer. Blend 2 tablespoons Spry and flour; add a little of the meat mixture, return to kettle, and cook until thickened. Pour into casserole greased with Spry.

Roll pastry 1/4-inch thick and of size to cover casserole, allowing 1 inch extra all around. Cut dough into 6 wedges and arrange on hot meat. Turn edges under and press on rim. Bake in very hot oven (450 F.) 20 minutes. Serves 6.

A Tender, Flaky Pastry Covering Is Made With:

- 1 1/2 cups sifted flour.
- 1/2 teaspoon salt.
- 1/4 cup Spry.
- 3 tablespoons cold water (about).

Sift flour and salt together, add 1/2 of Spry, cutting in with pastry blender or two knives until mixture looks like meal. Add remaining Spry and continue cutting until particles are size of a navy bean. Sprinkle water, 1 tablespoon at a time, over mixture. With a fork, work lightly together until all particles are moistened and in lumps. Add just enough water to moisten. Press dampened particles together into a ball. Do not handle dough any more than necessary.

Safety Emphasized By Science Students

The Social Science classes of Snyder High School have been studying and emphasizing safety. They have received several new sources of material. A great deal of interest has been displayed on this study.

The plan of work includes the study of the automobile, the cause of accidents, measures to avoid accidents, practice of operation of the automobile, and study of other accidents.

FFA Boys to River For Fishing, Camp

On Monday morning, August 15, 13 FFA boys and their sponsor, Mr. Browning, embarked in the Chevrolet bus on a big fishing trip. They camped on the Concho River, one-half mile west of Carlsbad. Although there wasn't a great number of fish caught, everyone survived on home-grown chickens and corn. The boys returned home Wednesday night with everyone reporting a good time.

Those who made the trip were J. R. and Lee Roy Brown, J. D. Paterson, Ross Belser, John A. Stavelly, Jack Turner, Joe Landrum, Dwain Ball, Johnny Sam Browning, John Henry Roddy, Billy Sims, Emmitt Lilly, Chester McDonald and Mr. Browning.

Since the trip was made at a busy time, all of the boys did not get to go.

POST, SNYDER PLAY TIE GAME

Snyder Tigers brought their 1938 season record almost up to 500 per cent Armistice afternoon by tying the hustling Post Antelopes, 6 to 6. It was a nip and tuck affair, with Post leading in penetrations, three to two, and Snyder leading in first downs, 12 to six. Actually, Snyder's Richardson made a penetration and a touchdown on a pretty pass, but it was called back because of a Tiger offside.

Post tallied in the third quarter when Justice ran 15 yards after faking a pass. The extra point was blocked.

Shields went off tackle for Snyder two yards for the local touchdown late in the fourth quarter. Red Neal, who has missed only two extra-point kicks this year, saw his try blocked by alert Post linemen.

Popeloy, Shields, Riley, Keller and Richardson stood out for Snyder; Wood, Carr, Justice and Dean for Post.

Palace Theatre

Friday and Saturday, Nov. 18-19—
"Stablemates"

starring Wallace Beery and Mickey Rooney. More thrilling than "BEST PILLOW" . . . more dramatic than "The Champ" . . . more laughs than "Love Finds Andy Hardy." By all odds the greatest thrill of the season. Wild Bill Hickok serial and comedy.

Saturday Night Prevue and Sunday and Monday, Nov. 19-20-21—

"There Goes My Heart"

with Fredric March, Virginia Bruce, Patay Kelly, Nancy Carroll, Eugene Pallette, and others. One of the finest pictures ever to come out of the Hal Roach Studios. Be sure to see this picture and laugh the blues away. News and Novelty.

Tuesday, Nov. 22—

"A Man to Remember"

with Anne Shirley, Edward Ellis, John Wray and others. A down to earth story of a county doctor and fine entertainment for all the family. Comedy. BARGAIN NIGHT. Admission 10 cents a seat.

Texas Theatre

Friday and Saturday, Nov. 18-19—
"Rollin Plains"

starring Tex Ritter and his horse White Flash. Dick Tracy serial and comedy.

Sunday and Monday, Nov. 20-21—

"Mr. Doodle Kicks Off"

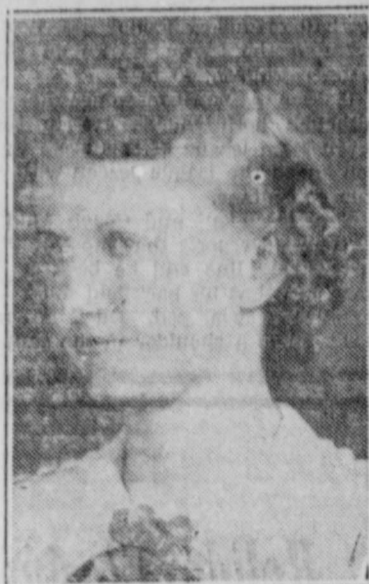

starring Joe Penner with June Travis, Billy Gilbert, Edith Tigrer. His touchdown kick, headed for the goal line, but he hasn't got the ball. The funniest football picture ever filmed. Musical and comedy.

Tuesday, Wednesday and Thursday, Nov. 22-23-24—

"Under the Big Top"

with Marjorie Main, Anne Nagel, Jack LaRue. Over 100 thrills. Greener by 100 thrills than a ring-side seat in the swiftest arena. Rain-Now End, musical comedy.

Several Groups Of Deer Hunters Go From County

Six groups of local hunters, who have already gotten the dust of game trails in their eyes, and who have motored to the deer country of the Big Bend and Uvalde sectors include:

Maurice Brownfield, P. W. Cloud and Bud Miller, who left Sunday afternoon for Llano County, were the first reported group to make the annual trek to deer territory. They were due to return today (Thursday) or tomorrow.

Jim Beavers, Forest and Wilmet Wade, Willie White, and Marvin Snowden left Monday afternoon for the Big Bend region, while J. M. Stewart and another group, who took Bill Miles along for cook, left Tuesday for Mason and Kerrville. Both groups plan to return tomorrow.

Nathan Reynolds headed another group of deer hunters who left Tuesday. J. E. Blakey and H. L. Wren are another duo who harkened to the call of border territory. Blakey and Wren plan to include fishing on their menu before returning Saturday.

Ralph Odum, Jesse Jones, and a group left this Thursday morning for Big Bend territory. They plan to return the last of the week.

Scott Stanfield of Monahans, who was a Snyder visitor Monday, and who left to join a group of hunters at Uvalde, reported black tails especially were in good trim this fall.

Mrs. George W. Polk of Fort Worth and two daughters, Milbrey and Jean Marie, and son, Billy, were week-end guests of Mr. and Mrs. William Fuller and daughter, Betty, in Snyder.

Legion Urging All Veterans to Answer Red Cross Roll Call

This message comes from the Will Layne Post of the American Legion: "We have just witnessed in the devastating storms in New England, Long Island and South Carolina, as well as in our neighboring Lynn and Dawson Counties, more of those unwanted occurrences for which the American Red Cross and the American Legion, in their disaster and relief service, must be prepared.

"The bonds of friendship which were welded during the World War continue to bind our two organizations in their work for humanity. For these reasons we ask that the buddies of the Will Layne Post take active part in the annual Roll Call of the Red Cross, and that all individual legionnaires join as members."

Visual Education Is Begun at Hermleigh

A total of \$211 cleared by a Halloween carnival staged at Hermleigh recently has made possible the introduction of visual education for the first seven grades, with equipment costing \$119 having been installed.

Included in equipment purchased is a projection machine, screen, and a library of subject matter—with accompanying lectures. Starting with "The Three Little Pigs" and other primary subjects, film on hand ranges through art work for seventh graders and travel students.

BUFFALOES ON TOP OF CARDS

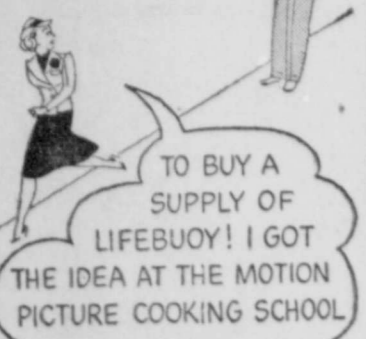

The 26 to 0 wallop given the Hermleigh Cardinals early in the season by the Fluvanna Buffaloes was sharply reversed at Hermleigh Friday afternoon, when the Hermleigh football squad whipped the Cardinals 7 to 6 in one of the season's closest games.

Not a first down was made during the first half of the neck-and-neck melee. Both touchdowns were the results of passes, and Hermleigh's point was also made on a pass.

The gridiron classic, which started at 2:30 o'clock assumed immediately the aspects of a major conflict, as the score at first tottered on the 0-0 mark.

New Way to Wash Dishes

All over the country women are changing their dishwashing habits. Instead of scraping and scrubbing dishes, pots and pans to get them clean, they now soak dishes for a few minutes in the new Rinso suds.

This new way to wash dishes is not only lots easier, but according to enthusiastic reports, the New Rinso is marvellously economical to use, a little goes so far—even in hard water areas. Women say that cup for cup, the New Rinso gives over 25 per cent more suds than the old.

A Treat to Hands. A careful and thorough check-up among users shows that the New Rinso is as kind as ever to hands.

For years women have longed for an easier and quicker way to wash dishes. Now that they are discovering this amazing new wash-and-rinse method, they now that their hopes have been realized.

Former Citizen of County, 89, Passes At Home of Child

David Bishop, 89-year-old ex-resident of Scurry County, for whom funeral services were held at the Hyton tabernacle Monday afternoon, died Sunday afternoon at the home of a daughter, Mrs. J. R. Kitchen, a Hyton community resident.

Survivors include the following children: Mrs. Betty Casper of Jackson County; Mrs. Flore Spires, Austin; Mrs. Filmore Bailey, Brownsville; Mrs. Alice Booth, Phoenix, Arizona; Mrs. Kitchen, Ross, George and Walter, Snyder, Jeff, Mitchell County, Albert, Wimberly; John, Lubbock; Charles, Phoenix, Arizona; and Jim of Elk City, Oklahoma.

Mr. Bishop, who moved to Hyton three months ago to stay with his daughter, Mrs. J. R. Kitchen, had been a Scurry County resident since 1914.

A native of Alabama, Mr. Bishop had been a Texan since 1861. He had been a member of the Church of Christ 68 years.

Association to Aid Children Hopes to Carry Work Ahead

Child Welfare Association is hoping to raise sufficient funds during the next few months to tide the financial situation of the organization over the summer months, leaders announced.

Reports of the work and expenditures of the association for the past year were heard and discussed at a welfare meeting Friday morning. Leaders urge the public to observe that the donated clothing and money have been carefully placed in deserving places in local schools and homes.

Mrs. Wraymond Sims, president, asks that any person in Snyder or the community having used clothing to donate please call her or other association members. These articles will be called for. Local people are also requested to make their yearly contributions to the work as liberal as possible.

Officers for 1939 elected Friday morning are as follows: Mrs. K. N. Sides, president; Mrs. John R. Williams, secretary; J. P. Billingsley, treasurer. These new officers will take over their duties January 1.

Products Show for 1939 to Be Talked

All central committee members of Scurry County Products Show setup will meet in the district court room Saturday afternoon at 3:00 o'clock. E. J. Anderson, chairman of the central committee, states the general public, and especially people interested in another Products Show next fall, are especially requested to attend the committee meeting.

PYRON SCHOOL BID SATURDAY

Pyron's proposed \$45,000 school plant will advance out of the dream stage at 4:00 o'clock Saturday afternoon, this week, when bids will be opened for construction of a new building.

A PWA grant grant of \$20,316 was recently approved. Pyron furnished \$20,000 through a bond issue that was voted April 14, plus old buildings having a total value of \$5,000 or more. The two old buildings to be dismantled and used partially in the new structure are the former Wastella and Lone Wolf school houses, now on the campus of the consolidated Pyron district.

The new building will contain 12 class rooms, offices and an auditorium having a seating capacity of about 450 persons. The building will accommodate 350 to 400 students, thus allowing for considerable expansion above the present enrollment of about 250.

Quartet Goes to Meeting at Fort Stockton Monday

Luke Ballard, Whit Thompson, Harrie Winston and Pat Jones composed a quartet of county range officials who attended a Triple A range meeting at Fort Stockton Monday.

Approximately 150 county committee men, range inspectors, and range program officials were in attendance at the range meeting, at which principal speeches were made by A. L. Smith, administrative assistant in charge of the Triple A range program, Carl H. Peterson of Washington, D. C., western field man, J. W. Doak, district field man, and others.

Besides Luke Ballard, who with Edward S. Hyman is in general charge of the Scurry County range program, Whit Thompson is a member of the county range conservation committee, with Harrie Winston and Pat Jones being county range inspectors.

Principal points of discussion centered around the 1938 range program, with the 1939 range program coming in for technical explanation. The general setup for the 1939 range conservation program shows slight changes from the 1938 program, with Texas range practices centering around tank building, well drilling, spreader dams, and spreader terrace work.

To California

Travis Green, former Snyder Tiger star lineman, is making the trip to Los Angeles this week as a member of the Hard-Simmons Cowboy football squad. The Cowboys play Loyola at Los Angeles. An 183-pound junior, Green was a squad man last year, started on the third team this fall, but has propelled himself into a starting position in some of the Abilene school's games.

FLUVANNA CHURCH

Rev. James E. Spivey will fill his regular appointment at the Fluvanna Presbyterian Church next Sunday. All are invited to morning and evening services.

Lions Vote to Help Give Yuletide Cheer With Other Groups

The Lions Club Tuesday afternoon voted to cooperate with the fire department and other organizations to bring Christmas cheer to dozens of Scurry County children. A committee will be named to work with other groups in making Yuletide merrier for underprivileged kiddies.

Miss Peggy Elliott of the local schools gave two heartily applauded readings in the modern non-eloquent manner Dr. T. M. Howie was also a club guest.

E. O. Wedgeworth, superintendent of Fluvanna Schools, a third guest, invited Snyder to take part in his community's giant carnival Friday, and Vice President W. R. Bell, in the chair in the absence of President H. L. Wren, pledged the club's support "in part repayment of the wonderful service you performed during the Scurry County Products Show."

Nathan Rosenber presented a new American flag that he purchased for the club.

Eagles Downed by Trent in Last Tilt

Doing all their scoring in the final quarter, Trent's fast six-man football team last Friday afternoon defeated the Pyron Eagles on the latter's gridiron, 20 to 0.

It was a non-conference game, although both squads are in the seven-team league of this area. Pyron ended the league season with a 500 percentage.

Superintendent and Coach M. H. Greenwood reports that most of his first string line will be back next year, but that his backfield must be practically revamped. Odell Miller, back, broke a shoulder in the game.

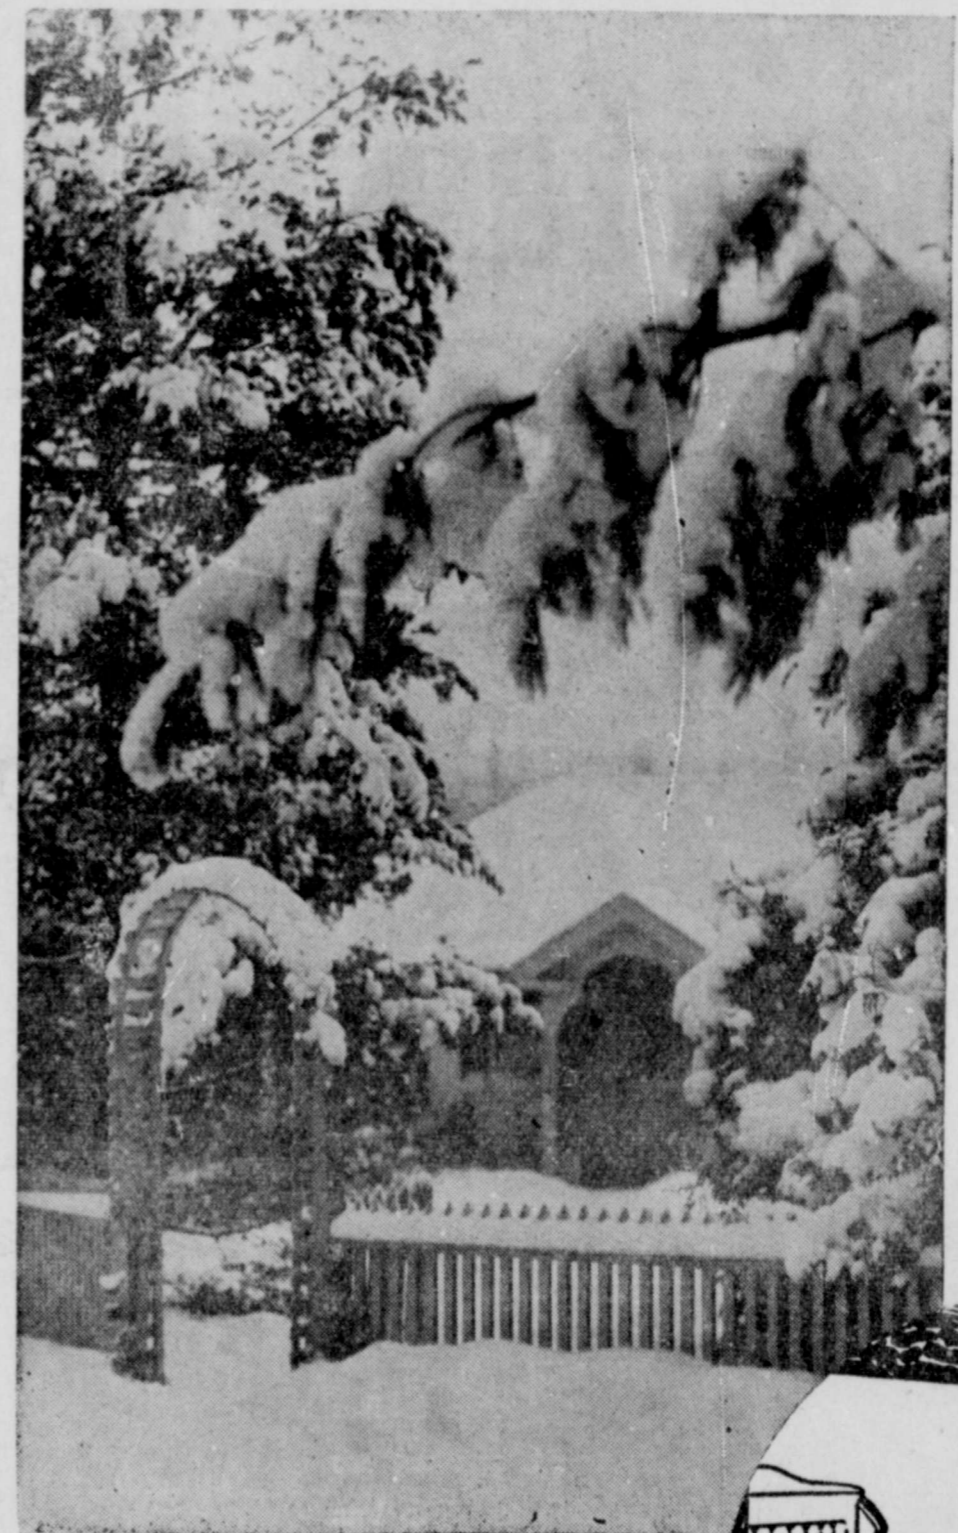

Representative Set For Another Term

State Representative C. L. Harris, who was visiting in Scurry County Monday, is setting his sails for a second term in the Legislature. The Spur man was nominated in the first Democratic primary, and the nomination was formally turned into election at the general balloting last week.

The solon expects some hectic times during the 1939 sessions, but thinks the Legislature now has one of the most capable, conscientious memberships in its history.

CHURCHES SET UNION SERVICE NOVEMBER 23

Rev. Spivey Preaches in Special Thanksgiving Gathering At First Baptist Church

The annual community Thanksgiving service will be held at the First Baptist Church Wednesday evening, November 23, beginning at 7:30 o'clock.

In the pulpit for the special meeting will be Rev. James E. Spivey, pastor of the First Presbyterian Church, Rev. Ira Harrison, pastor of the host church, who will be master of ceremonies, says special music is being arranged for the program.

An invitation is being extended by all churches of the community for people from a wide area to join them in this annual observance of Thanksgiving.

If the Methodist pastor has returned from the annual conference, he will have a special part in the service, according to Rev. Spivey and Rev. Harrison.

20,849 New Cotton Bales Says Report

Ginnings up to November 1, as tabulated by the Bureau of the Census, Washington, give Scurry County a total of 20,849 bales ginned, giving Scurry County sixth place in Central West Texas counties.

Jones County led a 20-county area in Central West Texas, with 32,152 bales ginned. Haskell was a fairly close second with 25,693, Fisher third with 24,639, and Rains County fourth with 22,811.

Ginnings by counties follow: Knox 22,262; Scurry 20,849; Dickens 20,583; Taylor 11,004; Stonewall 7,897; Howard 7,585; Callahan, 1,352; Coke 2,561; Coleman 7,780; Eastland 286; Martin 4,725; and Throckmorton 1,241.

Quartet to Meeting To Talk Watershed

William P. Holder, local P.S.A. supervisor, Hugh Birdwell, P.S.A. official, Luke Ballard, county agent, and Edward S. Hyman, assistant county agent, composed a quartet of local people who attended the Lone Wolf watershed meeting held at Valley View last Wednesday night.

Approximately 65 farmers and ranchers from Scurry and Mitchell Counties listened to conservation of water resources explained by Don C. Lerner, assistant conservationist.

A meeting of similar nature will be held in Scurry County in the near future to explain the Farm Security Administration water conservation program to farmers. The meeting will be especially of interest to those in the watershed area of Lone Wolf Creek.

Mrs. Will Brown Dies After Living In City 34 Years

The death Thursday of Mrs. Will Brown, 49, brought to a close the chapter in the life of a long time Snyder resident. Mrs. Brown had lived in Snyder 34 years.

Funeral services were held Friday afternoon at 3:30 o'clock at the First Baptist Church. Rev. Ira Harrison, pastor, assisted by Rev. H. C. Gordon, conducted funeral services.

Survivors are: her husband, five children, Joe, Lester, Alan, Johnny and Maxine; four brothers, Charles and Ed Wright of Sweetwater; Jeff Wright of Oklahoma City; John Wright of California; two sisters, Mrs. W. L. Samruder, Snyder, and Mrs. Clara Fitzgerald of Phoenix, Arizona.

Official Canvass Shows 835 Cast Votes Last Week

An official canvass of votes polled at last Tuesday's election reveals the fact that 835 votes were cast for governor, with W. Lee O'Daniel getting 816, Alexander Boynton 17, the Socialist candidate one, and Cy-clone Davis (a write-in) one.

Votes for O'Daniel by boxes follow: Northwest Snyder, 113 Ennis Creek, 18; Dermott, 25; Fluvanna, 34; Turner, 15; Bison, 21; China Grove, 21; Ira, 48; Bethel, 23; Dunn, 37; Lone Wolf, 20.

Pyron, 19; Hermleigh, 109; Camp Springs, 24; Canyon, 13; Lloyd Mountain, 9; Arab, 9; Northeast Snyder, 37; County Line, 14; West Snyder, 53; Southwest Snyder, 93; Crowder, 22.

Boynton received one vote each at Ennis Creek, Camp Springs, Dermott, China Grove, Northeast and Southeast Snyder and West Snyder; three at Fluvanna, two at Turner, four at Pyron and five at Hermleigh.

Neither the Communist nor independent voters received a vote. County voters denied the dueling amendment by a 236 to 196 vote.

Fall Revival Begins At Fluvanna Sunday

Brother Frank Traylor, minister of the Rotan Church of Christ, will begin a fall revival at the Fluvanna Church of Christ Sunday afternoon at 3:00 o'clock.

Song services will be in charge of the regular song director, Bro. T. J. Rea. Services will start promptly each evening at 7:00 o'clock, with no day services slated in the fall revival that goes through Friday evening.

New lighting and heating equipment has been installed, and the church made comfortable for any type of weather. Everyone is cordially invited to attend each evening's services.

No Saturday morning or night services are scheduled, but another session will be given Sunday afternoon, November 27, with the regular evening preaching at 7:00 o'clock.

Bro. Traylor, who is well known at Fluvanna, speaks three languages; has been pastor of the Iglesia de Cristo churches at Sander-son and Abilene, as well as others.

Two of Winners to Baptist Convention

Snyder will send three district winners to the state Baptist Training Union convention at Wichita Falls during the Thanksgiving holidays, plus the local Baptist pastor, Rev. Ira Harrison, and probably other delegates.

Winners were determined in the district elimination at Coahoma Monday night. The District is composed of the Mitchell-Scurry, the Bir Spring and the Lamesa Associations.

Marva Nell Curtis is a senior oratory contestant, Truman Barrett is the 16-year-old boys' sword (Bible) drill contestant, and Jimmie Merritt is the 14-year-old boys' sword drill winner.

Profit from game. Profit of about \$35 for the firemen and Lions Club was reported this week by committeemen, result of the six-man football entanglement between the two squads last week. Another result was breaking of Brud Boren's leg just above the ankle. The profits will go to charity, and Boren's leg and ankle went into a cast.

Hermleigh Gym Goes Up Rapidly Under Local Men

All steel and brick work on Hermleigh's \$20,000 gymnasium-auditorium was practically finished last week. Reports Wednesday of this week indicate the roof will be put on the building within the next 10 days.

J. A. and Frank Farmer, Snyder have the contract on the Hermleigh building, which is a PWA project. Hermleigh Independent School District is furnishing \$10,800 of the total construction costs, with the federal government furnishing the rest.

Construction work is progressing so rapidly, the combination gym and auditorium will be ready for occupancy a month earlier than expected, it is reported.

Modern in every respect, the new edifice will have dressing rooms, showers, and locker space. Aside from the gymnasium, a fully equipped stage will be constructed, following building completion.

Fred Buford & Company of Abilene did the architectural work, with sub-contracts going to Oliver Plumbing Company, Abilene, and H. L. Wren Hardware, electrical contractor.

TAKES MASTERS.

Ralph L. Reschar, band director in Snyder last year, was awarded a master of music degree at Indiana University at Bloomington at the close of summer terms. The Reschars left Snyder at the close of school last spring, returning to Texas in September to take up similar work at Wharton.

HOBBS TAKES INITIAL TITLE WITH 4 GAMES

First Year of Six-Man Football in Consolidated District Brings Out Good Records

Winning four conference games out of five and tying with Blackwell in the fifth, game Hobbs last week conference honors in the seven school line-up of six-man football teams.

Schools entered in the seven-team conference were Trent, Sylvester, Blackwell, Pyron, Divide, Dowell, and Hobbs. Eight games have been played to date by Hobbs with the Friday McCaulley-Hobbs game being the ninth.

In the first conference game September 16, Hobbs downed Divide 20 to 2. Other games follow: Hobbs and Dowell, September 23, 32 to 0 in favor of Hobbs; Hobbs 14, Pyron 0, October 7; Hobbs 12, Blackwell 12, October 21; Hobbs 28, Trent 7, October 28.

In two post-conference games Hobbs downed Dowell 20 to 14, November 4, but lost to A. C. C. Academy, Abilene, 22 to 14, November 11. Final game scheduled will be played Friday afternoon when Hobbs tangles with McCaulley on the Hobbs gridiron.

Pyron, playing its first year of football, rated 500 in the seven-team conference.

Fire Badly Injures Home in Ft. Worth

Interior of the Rivercrest home of the George W. Polks in Fort Worth was badly damaged by fire Saturday night. Mrs. Polk, two daughters, Milbrey and Jean Marie, and son, Billy, were visiting at the time with another daughter, Mrs. William Fuller, in Snyder.

The blaze probably started from the heating plant, according to Mr. Polk. It destroyed furnishings on the first two floors and smoke damaged the third floor. Numbers of valuable pictures and antiques were destroyed by the fire.

NEW INTEREST IN OIL OPENER

Interest in the Caffield & Guthrie No. 1 Spears & Brownfield reached a new level Tuesday, when the new discovery well pumped 50 barrels of high gravity in a three-hour test.

Late Wednesday reports from operators and others watching developments indicate No. 1 Spears & Brownfield "is making a fine showing." In fact one operator stated "this pool opener is showing up better than expected—by far." Production has been turned into the Ira field pipeline.

W. L. Callahan No. 1-First National Bank was reputedly drilling around 1,500 feet this morning (Thursday), with sub-surface formation running "true to form."

Local WOW Unit Re-organization Headlines 'Feed'

Approximately 65 people, including the Roscoe team of 15, gathered at the National Guard Armory Tuesday night, when reorganization of the Snyder W. O. W. lodge was completed.

E. A. Ray of Abilene, district manager for 50 Texas counties, was assisted in conducting lodge rituals by J. Howard Kelly of Waxahatchie, special representative for the W. O. W.

With the rituals in charge of the Roscoe lodge, 11 candidates were initiated into the first steps of woodcraft. Gay McGlaun reported Wednesday the Tuesday night meet was the first held by the Snyder W. O. W. lodge in about eight years.

Five candidates, who could not attend, will be given initiation steps at the W. O. W. meeting next Tuesday night, when the Abilene degree team visits with the local lodge.

An oyster supper at the Tavern, with 50 people present, was given after the armory meeting. Members of the Roscoe team were guests at the oyster fry.

W. O. W. leaders wish to thank the American Legion and Company G for courtesies extended in making the armory available for the lodge meet.

Speech Students at Hobbs Heard on Air

Students of the speech department at Hobbs, together with N. J. Guillet, superintendent, gave a 30-minute radio broadcast over station KRBC, Abilene this (Thursday) afternoon from 2:00 to 2:30 o'clock.

A 10-piece orchestra has been organized at Hobbs, with a number of local entertainments being arranged for the remainder of the school term.

FIREMEN DINE AND HAVE FUN AT '38 BANQUET

Arrival of Telegrams Threatens to Upset Variety Program of Talks, Entertainment

Sixty-seven firemen, city officials and guests gathered at the National Guard Armory Monday night for the annual Thanksgiving banquet of the local volunteer fire department. Informally resigned as Rev. James E. Spivey, chaplain, presided for the program.

Turkey dinner was prepared and served family style by Mrs. A. E. Walton and her helpers.

Rev. H. C. Gordon gave the invocation. Introduction of guests, city officials and those on program was followed by presentation of fire department officers. Members of the department attended in their uniforms.

Telegram to Firemen. A spirit of fun prevailed all evening. A constant stream of telegrams arrived for firemen during the banquet, and each was required to read his messages aloud. Jokes dated back as far as the 1935 firemen's convention in Amarillo, which several of the local boys attended.

Ellison C. Carson, a newcomer in Snyder, was presented in a vocal selection, "When Irish Eyes Are Smiling," accompanied by his wife Chief N. W. Autry spoke briefly on the past year and prospects for 1939. Peggy Elliott, local high school speech arts instructor, selected for her reading "Tintype Types."

Sandra Jean Josephson, daughter of Fireman Marcel Josephson, sang "A Tisket, a Tasket," and Billie Arline Biggs, daughter of Fireman A. P. Biggs and Mrs. Biggs, who has won numerous West Texas amateur contests, gave an acrobatic dancing number. The two young performers were accompanied by Margaret Dell Prim.

A specialty number, declared to be impromptu, by a group of the firemen simply "brought the house down." Directed by Marcel Josephson and accompanied by Chief Autry, the group had as instruments a variety of harmonicas, saxophones, horns and whistles.

Firemen and wives attending were: Rev. Spivey and Mrs. Spivey; Chief Autry and Mrs. Autry; Messrs. and Mrs. Carl Keiler, Melvin Newton, M. M. Gideon, Clyde Boren, Emmitt Butts, W. W. Smith, Joe Brown, Levell Base, Budd Martin, A. P. Biggs, Howell McClintion, Ed Griffith, P. D. Spain, Dock Bynum, Ike Lewis and T. J. Campbell; Mrs. B. G. Johnson, Chalmers Watkins and Marcel Josephson.

City officials and wives, who were special guests, included: Mayor H. G. Towle, City Attorney John E. Sentell, Mrs. Sentell; C. V. Secretary J. S. Bradbury, Mrs. Bradbury; Water Superintendent J. P. Strayhorn, Mrs. Strayhorn; City Marshal Simon Best, Mrs. Best; Earl Strawn and Tom DeShazo, Mmes. Strawn and DeShazo; Aldermen J. V. Robinson and E. P. Moffett, Mmes. Robinson and Moffett.

Other guests, besides those on program, were: Mrs. H. C. Gordon, Allene Curry, John Hilborn Biggs and Robert C. Blasek.

READER VISITS.

Bose Reader of Stephenville, who was this year elected state representative from Erath and Hood Counties, was a Snyder visitor during the week-end. He attended a rally of legislators and others at Lubbock, and visited local relatives and friends on up-and-back trips.

TWO CARS MEET.

Bernard Longbotham, county tax-assessor-collector, and J. C. East escaped with minor injuries last Tuesday when they ran together at an intersection near Snyder. Both cars were badly damaged. Longbotham has been out of his office since the accident, but was doing very well yesterday.

Thanksgiving Plans For Colored School

After closing the colored school in Southeast Snyder last Friday afternoon at 3:30 o'clock, Miss Myrtle King, teacher, gave a picnic for all the students. Everyone reported an enjoyable time.

Snyder Colored School is making preparations for a Thanksgiving program, which will be given at the school-house next Wednesday night. The program starts at 8:00 o'clock with school prayers and parents invited, as well as friends of the school.

Hazel Catenhead and Raymond Morris Jr. have moved to Abilene. We will miss them a great deal this term. Grammar drills and how to meet the public are being given by Miss King at this time.—Mercede Hunter, reporter.

Large Sugar Beets Raised at Lockney

The irrigated section around Lockney may become the sugar-beet capital of Texas. Inez Brown, who spent the week-end at Lockney with the newspapering J. L. Suits family, returned with a beet weighing 11 1-4 pounds—"just an average size," she declares.

Experiments with the sugar-making vegetables revealed this year that the Lockney country can raise beets with high sugar content, and boosters of the idea, including Mr. Suits, look forward to a highly successful 1939 season.

Accompanying the local woman to Lockney were Mrs. W. T. Baz, Mrs. John Johnson and two children.

AFFAIR GROWS TO GIANT SIZE

Many Additional Attractions Should Attract Enough Folks to Best Last Year's Record

The Fluvanna School is staging its annual school carnival on Friday, November 18, beginning at 10:00 o'clock a. m.

A feature attraction at 2:30 in the afternoon will be the football game between Fluvanna and Coahoma.

This gala day of fun and entertainment has been an annual affair for a number of years. It began on a small basis, but it has grown to such proportions that in recent years it has been one of the major attractions of this section of the state.

Plans for the 1938 carnival, which have been underway for some time, call for an even larger show than in the past. A number of new attractions have already been booked, and invitations have been mailed to all schools in this section to send a duchess to represent their community.

Twenty-one schools were represented in the giant pageant last year, and it is almost assured that the number will be doubled this year.

The entire campus will be gaily bedecked with flags and bunting, and a blaring callope will add to the carnival spirit. A full and varied program of entertainment will be provided for young and old throughout the day.

In addition to all types of carnival attractions will include: A football game, girls' basketball games, coronation of queen, big vaudeville shows, athletic display, and a giant free fireworks display.

Because of the many additional attractions and entertainment features of this year's carnival, and because of the fact that many of them are free, it is expected that the attendance will far exceed last year's record.

Now Get This Straight, Bill!

"What this county needs"—according to this emphatic young citizen who emulates his father in discussing the economic situation—"is plenty of ripe bananas!" Bill, the listener, seems to be taking it in between big bites of the mellow fruit. A rugged individualist, he agrees a fellow likes to peel his own.

Bananas contain four valuable vitamins—A, B, C and G. They are rich in minerals, natural fruit sugars, and they have an alkaline and slightly laxative reaction in the body. Combined with milk, bananas make an almost perfectly balanced meal. Besides, they taste so good and are just right for small hands to hold because they come in nature's own germ-proof package, which makes the best of all possible "handles" for eating; the delicious fruit.

Coronation Will Be Climax of Carnival And Warm Contest

An elaborate coronation ceremony will climax the carnival day activities. The class securing the most votes for its candidate will have the honor of seeing her crowned as queen of Fluvanna School. The following girls have been selected as queen nominees: Jerry Haynes, seventh grade; Patsy Snodgrass, freshman; Myrl Zo Smith, sophomore; Elizabeth Miller, junior; and Marguerite Wilson, senior. Already the race has attained interest and enthusiasm unparalleled in the history of the school.

Speech Arts Group Turns Its Attention To Pantomimic Art

The Speech Arts Class has turned its attention to pantomimic art. For the past week they have been spending each class period studying and practicing pantomimes. Outsiders that happened to pass by the door probably thought the class had gone crazy as each student proved very ingenious in devising clever pantomimes to act before the other class members.

Violin-Guitar Group Develops Students

Everyone seems to think the lessons that are given each Thursday are going to produce some real musicians. The pupils, if they do well enough, have been promised that they may give a recital in San Francisco, California, during the Golden Fair—a promise that is worth working for.

Henry Ford Has Had Many a Good Idea

Keeping ideas in circulation is certainly a worthy public service for any community. Henry Ford says that the only real security that a man can have in the world is a reserve of knowledge, experience and ability and that he appreciates the way The Reader's Digest presents a wide range of current thinking.

Hermleigh School News. Hermleigh was a very busy town Friday and Friday night. The big event of the day was a football game between the Hermleigh Cardinals and the Pivanna Buffaloes. The Cardinals worked hard all during the game. At the half the score was 0-0. The Cardinals were rested and came back in the game and scored a touchdown. Soon after the Cardinals score the Bufts made a score. The Bufts failed to make their extra point which made the score 7-6 in favor of the Cardinals, and when the game was over the score remained the same. Three cheers for the Cardinals. The climactic event was the homecoming banquet. We all enjoyed having the exes in town. The 4-H Club met Thursday, November 10. There was a 10-minute recreational period at the first of the meeting, after which Paye Deane Gleasine gave a report on her trip to the district fair at El Dorado. Plans were made for making a hat rack or a shoe rack. Next meeting will be two weeks from last Thursday.

Come to FREE Motion Picture Cooking School have a good time—learn about Spry!

So EASY to bake and fry with Spry —foods are doubly delicious, so digestible

THERE'S a delightful new motion picture coming and it's FREE to see "Star in my Kitchen." Watch this paper for time and place. You'll find real entertainment in it and real help, too. For it shows you a new, easier way to bake and fry—with Spry, the new ALL-vegetable shortening. Cooking experts for 281 home-making schools say Spry's the creamiest shortening they ever used. Gakes are mixed in half the time with Spry, yet they're lighter, finer, with a wonderfully delicate flavor. Just try this recipe. See if the most expensive shortening ever gave you so delicious a cake. Spry pastry is flakier and more tender—Spry-fried foods crispier and tastier and so digestible a child can eat them. Try Spry today.

OLD FASHIONED CHOCOLATE LAYER CAKE. 1/2 cup Spry, 1/2 cup sifted flour, 1/2 cup sugar, 1/2 cup melted butter, 1/2 cup cocoa powder, 1/2 cup milk. Combine Spry, salt and vanilla. Add sugar gradually and cream until light and fluffy. (So quickly done with smooth creaming.) Add eggs, one at a time, beating thoroughly after each addition. Sift flour and baking powder together 3 times. Add small amounts of flour to creamed mixture, alternating with milk, beating after each addition until smooth. Pour batter into two 8-inch layer pans greased with Spry. Bake in moderately hot oven (375° F.) 25 minutes. Spread chocolate frosting between layers and on top and sides of cake. CHOCOLATE FROSTING. 2 tablespoons Spry, 1/4 cup sifted cocoa powder, 1/2 cup sugar, 1/2 cup milk. Melt Spry, butter and chocolate together over hot water. Four hot milk over sugar and stir until sugar is dissolved. Add vanilla and salt. Add chocolate mixture and beat until smooth and thick enough to spread. Makes enough to cover tops and sides of two 8-inch layers. (All measurements in these recipes are level.) In 3-lb., 1-lb. cans. Also in the big 16-lb. family size. (Clip and save this Spry recipe!)

More Republicans!

What Texas needs is more Republicans. That cry has been raised so many times in recent years that many Texans have come to believe it is true.
From one standpoint the cry is probably justified. In a state that is solidly Democratic, and will probably stay that way until another Al Smith runs against another Herbert Hoover, there is no question but that national political forces are dished out less freely than in states where political power hangs in the balance from year to year.
On the other hand, Texas gets along better politically than most states. Except for a few isolated instances, we have never had the tremendous political machines that operate in New York, Pennsylvania, New Jersey, Ohio and other balance-wheel states. The old political story of the "ins" dishing out enough favors to keep the "outs" out is repeated on a much smaller scale in Texas than in most other states. Democrats evidently have a friendlier way of fighting among themselves.
Weighing all pros and cons in the matter, even so-called good Democrats must admit that Texas probably could get along better in many ways with a few handfuls of better grade Republicans thrown into the political stew.
As for the national situation, the reversal for the Democrats is worth its weight in gold, just as Herbert Hoover's downfall were good for the country. Herbert Hoover fiddled while the United States drifted into a depression; Roosevelt sought to shove his and his aides' reform ideas down too many unwilling throats. So the political tides shifted.
And they will shift again and again, proving over and over that the two-party system is in America to stay, that this talk of dictators and isms, regimentation and governmental control-of-everything is just talk.
Sometimes we folks down in Texas wish, though, that we were a more vital part of this interesting, nation-building two-party system! Bring on the Republicans!

Dear Santa Claus

Dear Santa Claus:
Now that it's only 30 (that's all) shopping days until Christmas, we'd like to make a few requests of your royal highness.
Please bring Scurry County a wonderful season. Maybe this is asking too much, for you have given us crops well above the West Texas average this year. But we're selfish critters, and we'd like another bumper crop to make us forget those disastrous years back in the thirties.
And we'd like a hard winter, even if the cold is hard on a fellow who doesn't wear "long handles." All the bugs and other parasites would be killed out, and we wouldn't have to worry about so many crop destroyers next year.
Most of all, dear Santa Claus, keep that famous Scurry County spirit on the up-and-up. Give us the grace and the courage and the unselfishness to live together, in town and country, as if a few blocks of pavement and a few miles of road did not separate us. This spirit has been more prevalent this year than ever before. We are told, please, please, let it continue in ripening glory, and help us build together one of the friendliest, most prosperous counties in the West.
Yours affectionately,
—Everybody in Scurry County.

Editorial of the Week

TWENTY YEARS AFTER
Armistice Day was the twentieth anniversary of the ending of the war which was to end all wars, and make the world safe for democracy.
The ablest political minds of the time drafted a treaty of peace, which, they believed, would effectively safeguard the nations of the world against future aggression. To make assurance doubly sure, they set up an institution for collective security, the League of Nations, which was to "police" the world and by virtue of the moral pressure which its combined membership would exert, shame aggressive nations out of unjustifiable war.
And to further put an end to the causes of war, they divided Europe into a lot of little nations having like racial and language ties, and took away the colonies of Germany.
Many people thought at the time that the scheme for permanent peace would not work. The United States declined to be a party to it. Time has proved that the efforts of the statesmen who met at Versailles were impractical. The League has been unable to preserve the peace of the world.
Few competent observers believe that the recent meeting between Germany, Italy, France and England has had any more effect on the outlook for permanent peace than to give the democracies, England and France, a breathing spell in which to bring their armaments up to the point where they can hold their own against the dictator powers.
Most students of the situation believe that the aggressor nations have their eyes on America as well as on the democracies of Europe. A realistic view of the outlook leads to the conclusion that our own safety lies in equipping ourselves to meet force with force, if need be.
The time to enlarge our navy, strengthen our coast defenses, increase our fighting air force and equip our army is now, before the fighting starts.—The Canadian Record.

Current Comment

By LEON GUINN
To one concerned with the plight of the small farmer in the Southwest, and to those of us who dislike further additions to human misery, figures released by the Farm Security Administration offer a candid explanation why the small farmer is being crowded from the soil. Boiled down, the answer is found, in a large sense, in the onward march of farm machinery.
"The march of the machine age," a local release declares, "has forced many farmers off the land, and onto towns and cities, where they have been reduced to the status of day laborers." "Furthermore," Robert Cook stated recently before a large Oklahoma group, "the question of tractors versus the horse has reached the breaking point in Texas and Oklahoma."
More than 4,000 farms have been added in Texas alone during the past five years (each with an acreage excess of 500), but the three-fold increase in tractor purchases during this time has more than offset the amount of additional acreage available to families. The entire problem, aside from the economic aspects, may be summed up by asking this question: Shall Southern farmers trade bales and livestock for machinery made in the North, or shall they trade their bales and seed for Southern manufactured products, and keep Southern dollars at home?
A new milk treating process is being developed in Wilmington, Delaware, that keeps the "ambrosia of the meadows" sterile and fresh for months. The process involves adding hydrogen peroxide and potassium iodine to milk in small quantities, and heating. The general idea seems to be that we will soon be drinking cold storage milk, as well as eating cold storage turkeys, eggs and meat products.
Lest this new process take hold with milk wholesalers (who take a chill quite often thinking of strikes and strikers), it seems this new "cold storage" threat should be well investigated before we get to hearing about the necessity of letting the cows go dry because a "cold storage" surplus of milk has discouraged Bessie from giving that two gallons a day.
Which reminds us that 90,000,000 pounds of surplus butter will be bought by the Surplus Commodities division of the AAA during 1939, since an additional allocation of \$10,000,000 will allow this government agency to increase butter buying from 52 to 90,000,000 pounds. Altogether, this agency alone may spend up to \$26,700,000 in a united attempt to put butter prices on a higher level.
During the 1938 fiscal year, for instance, the Federal Surplus Commodities Corporation has spent \$47,400,000 buying 1,800,000,000 (billion) pounds of surplus foods. Through relief channels, this billion pound mountain of food has been handed to 2,500,000 families in the United States, District of Columbia, and the Virgin Islands. Estimated value of the foodstuff bought is conservatively placed at \$62,210,000.
While such broad-scaled buying may not be justified on a permanent basis, due to several factors, no doubt the temporary relief afforded by such huge buying has helped tide many indigent Americans through some lean months this year. But continued buying at the billion pound mark will create such a large class of "dolers" Uncle Sam will find very difficult to wean them from the "git-mie" test.
Elmer Andrews is having some trouble lately in organizing a publicity staff, since Congress specified all Wage and Hour Law employees must have civil services status. Andrews has found very few able newspaper men who can meet all civil service requirements. The truth is that Henry Walla-e, Secretary Perkins and Henry Morgenthau have considered all the able publicity men who could pass the tests sometime since.

Thanksgiving Spirit

Scurry County has received more from the Red Cross during the past 10 years than she can hope to repay in 50 years. Are we a people without pride, without the true spirit of Thanksgiving? If not, we will join the Red Cross in such numbers this Thanksgiving season that other states and other counties cannot point to us and say: "You are not doing your part!"

Looking Back

"Will you look back with me for just a few years? Can you recall very many important farm meetings in the past where Texas farmers called, held and conducted a meeting under their own leadership?" So asks C. H. Day, president of the Texas Agricultural Association. Answering his own questions, and elaborating on them, Mr. Day declares farmers are conducting their own meetings and setting the job done. Truly, the Roosevelt administration has accomplished a great feat in convincing farmers that only through organization can they hope to accomplish much.

\$25 AWARD TO SOME FARMER TO SAVE FEED

Last of \$5 Weekly Prizes Will Be Given Saturday of This Week To a Silo Filler

Farmers and ranchers are showing an increased interest in the trench silo filling contest that closes Saturday, November 26, with the last round-up carrying a \$25 award for someone.
The man who receives the Saturday award must be present when the \$25 prize is announced at the Times office at 3:00 o'clock, reminds E. H. Lilly, secretary of the sponsoring Chamber of Commerce.
Terrell R. Bowlin, who lives in Precinct 4, was given the \$5 award Saturday, November 5, with G. E. Chorn of Route 2 getting the award Saturday, November 12.

One of the firm believers in feed conservation, Chorn turned in a total of 1,469 tons of kaffir, maize and cane silage.
Indications early this week are that the major award of \$25 will either go to Precinct No. 2 or No. 4—they are running neck and neck on silage reported—unless last minute figures change the precinct totals.
Under the rulings, the precinct turning in the greatest number of tons will be of course, the winning precinct. Any farmer in that precinct may receive the \$25.
Since next week is the last one of the trench silo contests, both Luke Ballard, county agent, and the Scurry County Chamber of Commerce are reminding farmers next week will be THE WEEK for final trench silo reports.

ROENSCH VISITS
T. H. Roensch of Roby, Fisher County agricultural agent, visited with county agricultural agents Monday. Roensch reported "Fisher County farmers and ranchers are showing a great deal of interest in the 1939 farm and range programs."

Mr. and Mrs. Hal D. Yoder and sons, Tommy and Terry, of Amarillo were week-end guests of the D. P. Yoder family.

HERE IS MORE CONCERNING COOKING

CONTINUED FROM PAGE ONE

For this is no half-hearted demonstration. Each delicious dish will be completed and shown with such realism that there are sure to be hungry "ohs" and "ahs" from the audience. If any stray husbands get into the "bustle," they are certain to ask, "When do we eat?"
Keeping up-to-the-minute on fresh discoveries to ease the homemaker's burdens, is one of the jobs of the household specialists who supervised the demonstrations in the profitable cooking school.
Because they have devoted years of training and study to home problems, these capable experts know how to help other housekeepers to run their homes more smoothly, interestingly and economically. Under the glow of their enthusiasm and creative skill, a well-cooked meal becomes elevated from "just a job" to an artistic achievement, requiring skill and imagination.
Takes Guess Out House Work.
Not only does this picture show new dishes, styles, and interesting ways to serve everyday meals and party feasts, but it demonstrates how to make intelligent use of the ingenious mechanical servants that take the guess work out of house work.
What about recipes? Naturally every guest of The Times will want to test these tantalizing recipes for menu monotony. Free recipe sheets will be distributed daily. And other things will be given away—valuable gifts that will find long and useful life in many a home.
Does your house run you? If so, why not accept The Times invitation to join the neighborly cooking school party.

Three Schools Seek Prize on Yearbooks

Dunn, Byron and Hermleigh have entered the division two yearbook contest being sponsored by The Abilene Reporter-News. These three Scurry County schools are vying with other West Texas schools in a close contest that closes the last of November.
Hobbs School is without an opponent in Fisher County seeking division two honors, although Capitola, Moody and Swedonia are entered in division one of the contest.
Schools in a 15-county area are competing in The Reporter-News

public school yearbook contest that will mean \$500 in cash prizes next May for winning entries.

WANTED: A Woman with Strong Arms to Work for 1/4¢ an Hour. Apply

YOUR ELECTRIC FOOD MIXER USES ONLY 1/4¢ WORTH OF ELECTRICITY AN HOUR!

No woman would be willing to do hard work for only 1/4 cent an hour, yet that is all it costs to run an electric food mixer. If you use your mixer for a full hour to whip cream, mix a heavy batter or to do other kitchen tasks in preparing a Thanksgiving dinner, you can figure that the cost for electricity will be only 1/4 cent.

Isn't that a small price to pay for using a handy servant that saves your time and your strength?

Other electric appliances do their daily jobs just as cheaply. For example, cleaning a room with an electric cleaner costs on the average only about 1/4 cent. That is why we say that electric service is the biggest bargain in your home.

Nothing You Buy Costs So Little Yet Does So Much as Your CHEAP ELECTRIC SERVICE
