MAYOR NAMES ALDERMEN TO FISCAL POSTS

Appeals for Continued Cooperation From Citizens, Council for Sake of "Your City"

"Snyder is your city; help us make it the best in the West."

With this suggestion, Mayor H. G. Towle heads a message this week "To the City Council and Citizens of Snyder."

The veteran city administrator, in the timely message, names the aldermen to committee posts for the new fiscal year, and calls on the officials and the citizenship as a whole to continue their cooperative work for the ongoing of "your city."

Following is the message in full: Committees Selected.

Greetings:

I herewith present you and the citizenship of Snyder a list of committee members on the City Council, appointed by me as mayor, to serve in their respective departments during the coming fiscal year and ending the first Tuesday in April, 1940.

Finance—Forest Sears, chairman; B. P. Moffett, J. V. Robinson.

Street and Bridge—Dwight Monroe, chairman; Forest Sears, Claude E. Ingram.

Law, Ordinance, and Fire Department—J. V. Robinson, chairman; B. P. Moffett, W. E. Doak.

Water, Sewer and Farm—W. E. Doak, chairman; J. V. Robinson, Claude E. Ingram.

Buildings and Grounds—B. P. Moffett, chairman; J. V. Robinson, W. E. Doak.

Tax, Civic and Sanitary—Claude E. Ingram, chairman; Dwight Monroe, Forest Sears.

Expresses Appreciation.

I want to take this opportunity to express my appreciation for the splendid permanent construction, such as paving, city tabernacle, city hall and fire station, you aldermen have effected the past year. You have ever been alert and conservative to the best interest of the citizens and tax payers.

Just recently two government officials made this statement:

"Snyder has done more paving than any other city in Texas, for the population, and the cheapest for the citizenship in the state."

This statement appeared in the "Asphalt News": "Snyder, Texas, had the best job of asphalt paving put down by WPA."

We have had city officials and paving contractors inspect our paving from different parts of Texas, New Mexico, Oklahoma and Louisiana. They all marveled at the cost to the citizenship, and this question was always asked: "How much bond issue did you float?"

One big paving contractor made this statement in the presence of:

See MAYOR TOWLE, Page 8

TIMES SHOTS

Harrie Winston, a director of the Texas Hereford Association, attended a recent executive meeting at Ft. Worth that accomplished moving of the association secretary's office to Brady. This move is temporary, it having been made in order that the first full-time secretary, recently elected, may be in the home town of the new president.

If you miss dentists or ginners this week, they're probably gone to annual conventions. The dentists are meeting in Ft. Worth, the ginners in Dallas. Watch for full list of attendees and outline of convention accomplishments in next week's Times.

That Snyder will be represented 100 per cent at the West Texas Chamber of Commerce convention at Abilene May 15-17 is assured, according to the local director for the regional organization. One hundred per cent means a "Home Town" contest speaker, a beautiful sponsor, the Snyder Band—and dozens of local attendants.

Carl England, Times plant foreman, sold his Cub last week. Nope, not an animal, but the only airplane that was owned by a local man. The neat little ship went to Ed Richey, Ft. Worth, who contracted to train student pilots at N. T. A. C. Arlington. Don't be surprised, though, if you see England promenading through the skylines before long with a larger and faster ship.

C. M. Boren, local fireman, was named alternate delegate to the state firemen's convention at Harlingen in June, during the Midwestern Firemen's Association quarterly meeting at Albany last Thursday. The association's president is the official delegate. Also attending the Albany meeting were J. M. Newton and Willard Lewis. Next regional meeting will be at Colorado in July. These sessions attract about 100 firemen.

Who May Vote?

The question, "Who may vote in the bond election May 22?" has been asked so many times in the last few days that The Times sought an exact interpretation of the law from County Judge Sterling Williams.

Here is how the official election notice tells who may vote: "Qualified property tax paying voters of Scurry County, Texas, who own taxable property in said county and have duly rendered the same for taxation."

Thus, any citizen who has paid his or her poll tax and who rendered any kind of property for taxation is eligible to vote Tuesday, May 22.

"This means," the judge explained, "that those who have rendered either personal or real property are eligible to vote, no matter the value of that property. Cars, jewelry, dogs—anything—rendered for taxation makes the citizen a qualified voter, provided he has paid his poll tax."

FIVE CRIMINAL CASES WILL BE HELD FOR JUNE

District Court Adjourns Saturday Afternoon, Illness of Barber Shortening Term

Due to illness the first part of the week of Trust Barber, district attorney, five criminal cases were held over at the adjournment of district court Saturday afternoon for the next term of court in June.

District court, which convened Friday morning, was adjourned Saturday afternoon without the grand jury making its customary report. Two pending divorce cases were dismissed Friday at the request of plaintiffs.

According to Jimmie Billingsley, district clerk, 14 indictments were returned by the grand jury before court was adjourned. Sentences totaling 25 years were meted out to eight law violators.

CHICKENS FOR 4-H CLUBBERS

The 20 Scurry County Four-H Club boys and girls, selected last week by the county agent and home demonstration agent to each receive 25 chickens of their own choice to start a Four-H Club chicken circle, obtained their chickens Tuesday, according to the Scurry County Chamber of Commerce secretary.

Each of the 20 sponsors that made the Four-H chicken project possible were personally thanked Tuesday afternoon by the club boys and girls receiving chickens.

Both X. B. Cox Jr., county agent, and Miss Estella Rabel, home demonstration agent, will visit the club boys and girls each two weeks to check up on the chick raising projects. The chickens will be exhibited at the Scurry County Products Show here in October.

North Side Stores Sport New Awnings

Economy Dry Goods Store has spruced up its front appearance considerably by the addition of green and white awning recently. The green and white "sun shade" has been added as a harbinger of warm weather's arrival.

Perry Brothers makes the second north side store to add front awning. The black and white material, in two sections, extends across the entire front of the Perry Brothers location. A kiosk to the appearance of the north side business section.

DRUG STORE IN EAST BUILDING

The east side building formerly occupied by Shipp & Butts Barber Shop, the Blue Jacket Shine Parlor and the Gem Cafe will be the site early in May of a new Snyder drug store.

Owner of the new business is W. L. Jones, who has operated the Hermelich Pharmacy since January, 1938. A registered pharmacist with almost 30 years experience in the drug business, Jones will be assisted by his daughter, Mrs. Jay Vaughn, who is also a registered pharmacist.

The east side building is being completely remodeled by G. B. Clark Sr., owner. He announces that it will be modern in every respect, with colored structural glass and other features to blend with the other two east side buildings that have been recently modernized.

LOCAL CROWD BREAKS STATE MAN'S RECORD

New City Hall "Broken in" Tuesday Night as Firemen Play Host To 169 Neighbors

One hundred and sixty-nine people gathered at the new home of the fire boys in Snyder's recently completed city hall Tuesday night to hear a combination talk and lecture by Chief Frank Williams, field instructor for the Texas Fireman's Training School at A. & M. College.

Chief Williams stated the attendance of 169 people at the lecture broke all attendance records for a meeting of this type in Texas, even surpassing a record made at Victoria last year when he gave a lecture on the value of local fire departments.

Preliminary Speakers.

After introductory remarks by a member of Snyder Volunteer Fire Department, Melvin Newton, local fire chief N. W. Autry gave the address of welcome. J. V. Robinson, major pro tem, responded on behalf of the City of Snyder.

E. J. Anderson presented an interesting historical review of the Snyder Volunteer Fire Department, tracing the development of Snyder from the trading post days of 60 years ago to its present stage of civic improvement.

"When we started construction of our present courthouse in 1909," Anderson stated, "we had what was known as rat row on the north side so far as fire fighting was concerned."

Old Bucket Brigade.

"Joe Strayhorn was our first mayor, as I recall," Anderson continued. "Our first fire fighting equipment consisted of two hose reels and carts as a supplement to Snyder's bucket brigade."

"Since that time, however, we have progressed to the stage where Snyder Volunteer Fire Department has saved the city \$8,000 to \$10,000 annually in fire premiums. Our fire department is an institution that pays for itself many times over each year."

Chief Williams said the Texas Fireman's Training School, sponsored by the Texas Fireman's and Fire Marshal's Association, was the only school of its kind in the United States owning its own equipment.

Save Money for the State.

"During the past five years," Williams reported, "our local fire departments in Texas have been responsible for having annual fire losses reduced from \$80,000,000 to \$38,000,000. We cannot over-rate the value of the local fire department."

Chief Williams followed his talk with a motion picture, supplemented by explanatory remarks, on the work being done by the Texas Fireman's Training School. Closing remarks of the evening were made by the secretary of the local Chamber of Commerce.

Sandwiches, drinks and hot coffee were served by members of Snyder Fire Department, after which an inspection tour of the new City Hall was made by those attending the lecture.

Schools to Send Many to District Meet This Week

Scurry County will be well represented by contestants in the district Interscholastic League meet at Sweetwater tomorrow (Friday) and Saturday.

Superintendent R. S. Covey of Sweetwater, district meet director, stated Tuesday preliminary in tennis, debate and one-act play will be held tomorrow (Friday).

Other regular contests, including track and field events, will be held Saturday, with junior boys and girls tennis, junior boys playground ball and senior girls volleyball events to be held Saturday, April 29.

Finals in district track events will be held Saturday afternoon, beginning at 2:00 o'clock.

Presbyterians Will Hear Ballinger Man

Presbyterians of this vicinity are advised by church leaders that Rev. Charles H. Ward, pastor of the First Presbyterian Church, Ballinger, will be in the local pulpit Sunday morning at 11:00 o'clock.

Since the church is at present without a pastor, church leaders urge that a full attendance be present for this special service.

A congregational meeting will be held immediately after Sunday school April 23, it is also announced.

FOREMAN AT POST.

J. B. Early, who has been a Snyder automobile mechanic for a number of years, moved last week to Post, where he is foreman of the Ford agency repair department. He has been most recently associated with the Manhattan Garage.

SNYDER TO BE HOST SOON TO CHURCH MEET

Two Hundred Expected April 20-21 For Annual Conference of Sweetwater District

Snyder Methodists will be host April 20 and 21—Thursday and Friday of next week—to an expected 200 delegates to annual conference of the Sweetwater District.

The visiting group will be led by approximately 35 preachers, plus a number of lay leaders among the men and women of the district.

In the pulpit for a special series of sermons will be Rev. Finis Crutchfield, pastor of the First Methodist Church, Vernon. Rev. I. A. Smith, local pastor, declares the guest preacher is one of the outstanding ministers in West Texas.

Rev. Crutchfield will preach each morning at 11:00 o'clock, each evening at 8:00 o'clock, and possibly one afternoon.

Invitation to Public.

Host Methodists point out that the public is invited to all sessions, especially to the preaching services. Sessions will be held morning, afternoon and evening both days. Opening session will be at 10:00 o'clock Thursday morning.

Lunch will be served for all visitors both days in the church basement. Homes of local Methodists will be thrown open to the delegates, bed and breakfast being provided. Women of the host church will be in charge of serving delegates in the church basement.

In general charge of the conference will be Rev. C. R. Hooten of Sweetwater, recently named as presiding elder of the Sweetwater District.

Post Office Will Close Shop Late Saturday Here

Beginning Saturday of this week, April 15, window service at the local post office will not be offered after 1:00 o'clock each Saturday afternoon, announces Postmaster Warren Dodson.

The postmaster gives the following explanation of the change: "Establishment of parcel post delivery service (started last week), together with the 40-hour week law, has made this Saturday afternoon closing necessary in order to have sufficient facilities to maintain efficient service the remainder of the week."

"Usual Saturday afternoon service in the business district will be continued."

"Saturday afternoon closing has long been a custom in offices of this size, and we have adopted it only as a last resort in order to maintain service. It is hoped patrons will be able to adjust their business to the new hours and not request special service Saturday afternoon except in cases of dire emergency. If we were able to maintain Saturday afternoon services, we would not close."

Ira Expects 1,000 At Song Convention In Spring Session

Plans are being made this week by the Ira people to entertain around 1,000 singers and song lovers when the Scurry County Singing Convention convenes at Ira Sunday morning, April 23, for the spring session of the county singers' organization.

County singers and boosters of gospel singing are being urged by community leaders to bring basket lunches, since dinner "on the grounds" at noon will be a feature of the day's program.

L. M. Irion, president of the convention, stated Tuesday the song program will begin Sunday morning, April 23, at 10:00 o'clock.

They Won in Borden County

Wayland Sanders, Ernestine Owens, Bonnie von Roeder, Bobby Warren, Carla Jean von Roeder, J. W. Warren; front row—Max von Roeder, Patsy von Roeder, Helen Kay Shield, Helen Jo Warren, Clarence Lowell Minton.

Winners of the Borden County Rhythm Band banner at the county meet in Gall March 31 were these Murphy School children, coached by Mrs. Elpha Shield and Mrs. Ben Weathers, teachers in the school. They are, left to right: Back row—

REA MEETING WILL BE HELD HERE TUESDAY

Association of Communities in Wide Area Sought; Rotary Project Men Will Speak

A mass REA meeting, to be presided over by attaches of the Rotan REA office, will be held at the Chamber of Commerce office Tuesday night, beginning at 8:00 o'clock, it was announced Wednesday.

Purpose of the meeting Tuesday night will be to form an association of communities in wide area sought; Rotary project men will speak.

A mass REA meeting, to be presided over by attaches of the Rotan REA office, will be held at the Chamber of Commerce office Tuesday night, beginning at 8:00 o'clock, it was announced Wednesday.

Purpose of the meeting Tuesday night will be to form an association of communities in wide area sought; Rotary project men will speak.

A mass REA meeting, to be presided over by attaches of the Rotan REA office, will be held at the Chamber of Commerce office Tuesday night, beginning at 8:00 o'clock, it was announced Wednesday.

Sunrise Service Sunday Attracts Many to Church

Largest crowd ever to attend a local sunrise Easter service gathered Sunday morning at the First Methodist Church to attend the service sponsored and presented by the local Musical Coterie, women's music club, and Knights Templar. Several classes and clubs attended in groups.

The church was especially decorated for the occasion with cut flowers, suggestive of Easter—Easter lilies and delphinium in shades of orchid and pink. Singers were in vestment and the Knights Templars in full uniform.

Invocation was given by the host pastor, Rev. I. A. Smith, and Rev. E. B. Chancellor, pastor of the First Christian Church, gave the benediction. Knights Templar were led in their responsive reading by A. C. Preuitt, recorder.

"The Resurrection" by Manney, Musical Coterie's cantata, was directed by Mrs. Novis Rodgers. Mrs. A. C. Preuitt was organist. Several other singers of the town assisted the music club with singing in the cantata. Solo parts were taken by Mrs. P. W. Wolcott, Homer Snyder, J. R. Sheehan and John E. Sentell. Misses Dorothy Strayhorn and Gwen Wright. Two duet numbers were by Mrs. W. W. Smith and Lex Wilmetts, Mrs. Hugh Boren and Rodgers.

The sponsoring organizations wish to express appreciation to the public for its support of the annual service. Mrs. W. C. Hooks of Dunn is president of the music group, and Wallace Jones of Fluvanna is commander of Knights Templar.

Fluvanna Group to Give Program Over Big Spring Station

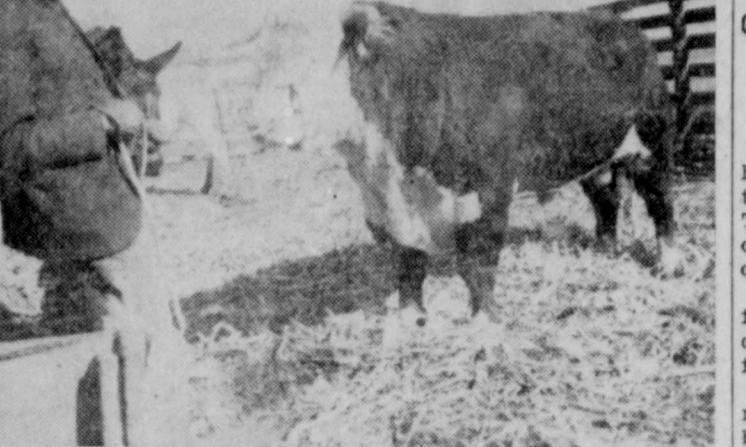

Approximately 60 girls of the Fluvanna High School chorus, under the sponsorship of Miss Rose Marie Clawson, will give a 30-minute radio program over Big Spring's Station KBBT Tuesday afternoon from 4:30 to 5:00 o'clock.

Accompanying Miss Clawson and the Fluvanna girls will be E. O. Wedgeworth, superintendent, announcer Gilbert Metz and E. H. Lilly, secretary of the Scurry County Chamber of Commerce.

Program numbers will include "Dear Old Girl," "Ghiana Mala," "All Ashore," "Drifting in Dreams," "At Peace With the World," "Swing Low, Sweet Chariot," "Beautiful Ohio," "What's the Use," "Wabash Blues," "Deep Purple," "Old Lullaby," a dramatic reading by Miss Clawson, and "Put On Your Old Gray Bonnet."

Piano accompaniments will be by Juanita Elkins, a student player, and Rose Marie Clawson.

Scurry Herd Bull and Owner

J. J. Koonsman, pioneer Scurry County rancher, is pictured as he proudly surveys Domino Randolph, two-year-old bull raised on the Koonsman ranch northeast of Snyder.

The big fellow is the son of Donna Domino, owned by Koonsman, and of Prince Domino, who was owned before his recent death by Wyoming Hereford Ranch. Domino Randolph is a double grandson of Anita Randolph, who placed first in her class at the Fat Stock Show, Ft. Worth, several years ago. Among the first registered Herefords ever to come into this section of the state were five bulls, purchased by Koonsman in 1898 from William Powell, well-known breeder of the Channing country. Since that was before there was a railroad in Scurry County, the bulls were shipped by way of Ft. Worth and the T-P Railway.

TEAS ASSURES EXTENSION OF NEW OIL POOL

Cellar Dug and Materials Moved in For Spudding of Test Near C. & G.'s No. 1-A

The Ira oil pool was extended one-half mile to the west last week when the Paul C. Teas No. 1 W. P. Thompson well pumped 154 barrels of oil during a test that followed cleaning out operations.

The Teas well, bottomed at 2,490 feet, was recently shot with 300 quarts of nitro from 2,390 to 2,445 feet.

One of the best producers in the new Ira field is indicated by swabbing operations being carried on at the Coffield & Guthrie rotary test, following a 580-quart nitro shot Saturday in the upper pay section from 2,232 to 2,412 feet. The test was reported Wednesday night showing considerable gas.

The Coffield & Guthrie No. 1-A rotary had previously been shot with 300 quarts from 3,030 to 3,150 feet.

The lower pay encountered has also been treated with two-stage acid treatment. The well is bottomed at 3,185 feet.

A plug has been set in the Coffield & Guthrie No. 1-A rotary test at 2,500 feet preparatory to thoroughly testing upper pay saturated sections.

Cellar has been dug and materials moved in to spud the W. W. Callahan at No. 1 First National Bank, 330 feet from the south and west lines of the southwest quarter of the north half of the northeast quarter of Section 129.

The W. E. Callahan at test will be located one-half mile southwest of the Coffield & Guthrie No. 1-A First National Bank test.

Yarborough & Wheeler No. 1 W. H. Sterling, an outpost test located in Section 140, is shut down at the contract depth of 2,509 feet, awaiting results of the Coffield & Guthrie No. 1-A First National Bank test.

BORDEN BOYS WIN SEVERAL SHOW PLACES

Four-H Club Members Win Number Of Places, \$33 in Premiums, At Lubbock Event

Eight Four-H Club boys from Borden County exhibited and sold nine beef calves, eight lambs and one pig at the South Plains Junior Fat Show, Lubbock, April 3-5.

Weldon Street of Mesquite community won first place in the beef calf division with his group of three calves fed by one exhibitor, and young Jackson one of the best Four-H money-making projects in Borden County this year.

O. D. Jackson of Gall won first place and reserve grand champion in the fat lamb division, and also won first place in the group of five lambs fed by one exhibitor. Ten dollars in premiums, and a sale price of 20 cents per pound for the 100-pound prize-winning individuals, and nine cents per pound for his winning group of five lambs, gave young Jackson one of the best Four-H money-making projects in Borden County this year.

Darrell Parker of Route 1, O'Donnell, won fourteenth place and \$5 in premium money with his light weight beef cattle. Darrell received 12 1-2 cents per pound for his beef calf through the auction ring at Lubbock. This was his first year of Four-H Club work in Borden County.

Young Street was the most experienced of the Borden exhibitors. It was his fourth consecutive trip to the Lubbock show, and while his beef calf projects have won some premiums in the lower brackets every year, this was his first time to show a top-winning exhibit at Lubbock. Thirteen dollars in premium money and an average sale price of over 11 cents per pound for his three beef calves has assured Weldon of one of the most profitable projects since his start in Four-H Club work four years ago.

The Borden boys, competing with entries from 39 counties, took a total of \$33 in premium money.

Interest in Four-H feeding projects in Borden County has resulted in the largest enrollment for 1939 that has ever been received by County Agent E. B. McLeroy.

Following is the full group of Borden boys that made the trip to Lubbock: Weldon Street, Route 1, O'Donnell, three beef calves; Clarence Simpson, Route 1, O'Donnell, two beef calves; Bonnie Wilson, Gall, one beef calf; Gene Strey, Gall, one beef calf; Darrell Parker, Route 1, O'Donnell, one beef calf; Gerald Buchanan, Luther, one pig; O. D. Jackson, Gall, eight lambs; Barney Odum, Route 1, O'Donnell, one beef calf.

Annual Banquet at Pyron Attracts 100

Despite inclement weather, almost 100 students, guests and faculty members attended Pyron's annual junior-senior banquet Thursday night. Toastmaster for the evening was Harlan Reed, a Pyron junior student.

Principal speakers of the evening were A. A. (Pat) Bullock, former county superintendent who substituted for Roy O. Irvin, and E. H. Lilly, local Chamber of Commerce secretary.

A solo by one of the faculty members, Miss Pauline Coe, was followed by a quartet arranged by the school faculty.

After the junior-senior banquet, the entire group gathered around the school piano and joined in a mass singing of old-fashioned songs.

BANK FIGURES AGAIN REVEAL IMPROVEMENT

Assets and Deposits Only Slightly Lower Than Those for Last Report During 1938

Condition of Snyder National Bank at the close of business March 29 is unusually good for spring, and only slightly "off" the figures of the report for December 31, 1938. So reveals the report in The Times this week.

Total assets are \$1,445,540.41, in comparison with \$1,450,685.49 three months earlier. Total deposits for the current report are \$1,299,416.50, the December 31 figures having been \$1,304,888.18.

Loans and discounts showed a decided increase over the last report, the new figures being \$255,409.26, in comparison with the previous figures of \$244,984.32.

The late-December and the late-March reports are among the best the bank has made during the past 10 years, revealing a gradually improving condition in the financial structure of the trade area.

Band Takes Part in Contest at Abilene

Snyder's Band, despite its large number of young inexperienced members, made a good showing at the district contest in Abilene last week-end, reports Director J. H. Hensley. Twenty-one bands took part in the contests.

In general competition, the local band was placed in Division 4, along with Anson and Brady. In a lower class, Division 5, were Stamford and Merkel. The local musicians were in Division 3 in marching, one step above their other rating.

J. C. Turner Buys Store at Colorado

Purchase of the L. L. Bassham One-Stop food store of Colorado City by J. C. Turner, former Snyder grocerman, was announced last week. The store is located on East Second Street.

Turner, until recently, was associated with Jim Adams of the Rainbow Market Place, Adams buying the Turner interests. Before going into his own business, Turner was employed by Pick & Pay Store. He and Mrs. Turner have moved to Colorado.

FREEZE DEALS BLOW TO FRUIT

County fruit raisers reported this week that Scurry County may expect only a 10 to 15 per cent fruit crop this year as a result of the light snow last Thursday afternoon that ended up Thursday night by sending the temperature tumbling to 26 degrees in Snyder. Other area orchards, including Van Roeder's and Murphy's in Borden County, have similar prospects.

Clearing skies Friday sent Old Man Mercury up to 33 degrees above zero, according to figures by Mrs. B. G. Johnson, but not before peaches, pears and plums were nipped in the bud.

Scurry County experienced a similar April snow last year that fell on the seventh day of the month.

Grasshoppers to Be Checked Soon By State Expert

H. Gunderson, specialist with the U. S. Bureau of Entomology, will be in Snyder Tuesday afternoon, April 18, to check with the county agents' office and farm operators on grasshopper control measures for the 1939 crop year.

All farmers and farm operators are urged by X. B. Cox Jr., county agent, to examine fence rows and grassy spots around their fields to see if any hoppers have hatched out yet. Grasshoppers or eggs found should be reported to the county agent's office at once.

Since the next 20 or 30 days will witness the main hatching season for grasshopper eggs, farmers are being requested by Gunderson to be ready for poisoning control measures at the outset, especially before the "hoppers reach the 'grown up' stage."

Plenty of grasshopper poisoning is on hand for control measures in Scurry County, Cox reported Monday. "This is one year we want farmers to get the 'hopper before the 'hoppers get a hold on early row crops."

Fifth Sunday Songs Set for Plainview

Plainview will be host the fifth Sunday afternoon of this month to the Fifth Sunday Singing Convention. Dewey Nietedeken, convention president, reported Tuesday.

The fifth Sunday afternoon gospel song program, which begins at 1:30 o'clock, will have as features both local and out-of-county quartets. Roy O. Irvin is vice president of the Fifth Sunday convention.

College Students Center Gay Easter Season With Informal Gatherings

Gaily, which centered around home-coming college students, marked the Easter holidays in Snyder. Spring holidays in most colleges and universities came on Easter this year, and local students gathered informally to celebrate their arrival in the old hometown.

Featured among formal entertainments during the week-end was the college student dance held at the Manhattan Hotel Saturday night. The students were joined by local friends and several from Sweetwater and other surrounding towns. Few college guests came home with the younger crowd of Snyder for Easter, but several groups plan to be here before school closes in June.

Holidays came with sadness for two students, Bill King, who returned to Texas Tech, Lubbock, this week after attending funeral services for his grandmother, and Joetta Beauchamp of A. C. C., who returned to school after being here the past two weeks since death of her father.

Other Tech students here for the holidays were: Elizabeth McCarty, Imogene Birdwell, Murray Gray, Milton Joyce and Homer York, all of whom visited with their parents.

From Abilene were groups from four schools. Faynell Spears, Louise Eliland came home from Hardin-Simmons University. LaFrances Hamilton, Roberta Ely and Miss Ely's guest, R. M. Phillips of Abilene, were holiday visitors from McMurry College. Nell Carlton and Louise Ely, students in Draughon's Business College, were home for the week-end. Dorothy Pinkerton, honor graduate of the local high school last year, who is continuing her scholastic record in Abilene Christian College, came in, and returned Monday along with Miss Beauchamp.

Jay Rogers, son of Mr. and Mrs. Abe Rogers, came Thursday and returned to John Tarleton Agricultural College, Stephenville, for Tuesday classes.

From Dallas, where they are attending the Hockaday Preparatory School, were Tassie Whatley, daughter of Mr. and Mrs. Dan Whatley, and Wynona Keller, daughter of the John Kellers. Several informal affairs were held at the Keller home for the girls and their friends during the week-end. The two joined other Hockaday girls, Nettie Dossier

Study Book Is Completed Monday

"Way of the Witnesses" by Shilitto, studied by Methodist Missionary Society women the past several months, was completed by the Susanna Wesley circle at the Monday afternoon meeting held at Mrs. I. W. Boren's. Mrs. M. W. Clark, study leader, was assisted by Meses J. C. Dorward and H. P. Brown, in giving the last two chapters of the book.

Eight members were present to enter into discussions and perfect plans for the district conference here next Wednesday and Thursday. Two hundred delegates from Sweetwater District Methodist churches are expected to attend the layman-preacher meeting.

Gills Hosts to Friends at Party

Mr. and Mrs. Leonard Gill were host and hostess to friends at a forty-two party given at their home Tuesday evening. Three tables of friends gathered to enjoy the evening.

Players were: Mrs. Lora Miller, Messrs. and Meses. Forest Wade, W. H. Ware, Edgar Wilson, Willard Jones and the host. Delicious ice cream and cake were served with iced punch at the close of a series of forty-two games.

Cut Flowers Used In Party Rooms

Lovely fuchsia and purple cut flowers were room decorations on Tuesday afternoon when Mrs. John R. Williams was hostess to the Tuesday Afternoon Bridge Club at her home. Next meeting of the club will be with Mrs. Joe Strayhorn.

Guests for the afternoon party were Meses. A. J. Towle and R. L. Gray, and the following club members were present: Meses. H. J. Brice, H. P. Brown, J. C. Dorward, Strayhorn, T. L. Lollar, W. R. Johnson, Sidney Johnson, W. H. Cagle, W. W. Hamilton and E. M. Deakins.

Mrs. W. R. Johnson was awarded the high score prize, and Mrs. Brown received the low score award. A salad with cake and coffee was passed.

Contest Chairman Is Hostess and Leader

Mrs. Herman Darby, chairman of Altrurian Daughters' yard and garden contest, which is the club's main project for the year, was both hostess and program director at the Monday evening meeting this week. Theme of the program was "Art of Flower Arrangement."

Mrs. W. R. Bell, local florist, was special guest for the evening, acting as the judge for flower arrangements by club members. Each member was furnished flowers and bowls and asked to arrange a group. Mrs. Max Brownfield of Goldsmith, former president of Altrurian Daughters, who was also a guest for the meeting, won the prize with an arrangement of iris and spira.

A salad plate with flower suggestions was passed by the hostess to the two guests and the following club members: Meses. Harold Brown, Joe Canon, P. W. Cloud, Herman Doak, Billie Lee Jr., J. D. Scott, Forest Wade, Clyde Murray, R. E. Boyer, Margaret Dell Prim, Edith Grantham, Gwen Gray and Dorothy Strayhorn.

Youngest Social Set Invited Monday

Snyder's very youngest social set made up the guest list for a birthday party given Monday afternoon to honor Jimmy Brownfield, younger son of Mr. and Mrs. Max Brownfield of Goldsmith, on his second birthday. The party was given by Jimmy's grandmother, Mrs. J. W. Scott, with whom he is visiting this week. Mrs. Brownfield assisted with the party.

An Easter motif was employed in decorations, favors and entertainments for the group of youngsters. Daunt Blackard, Margaret Smyth and Joe Dave Scott, who were among the older guests, helped with the serving of refreshments at tea time to the little guests and several of their mothers.

Guests were: Jimmy, Daunt, Margaret and Joe Dave, Annetta Jeanne Jones, Paul Nelson, Martha Ann Williams, Charles Williams, William Brownfield, Dawn Lee, Gary Ray Price, Gerald Price, Mary Ann Doak, P. W. Cloud Jr., Camille Cloud, Nadean Mustian, Eddie Joe Strayhorn, Willard Lewis Jr., Sidney Wallace Johnson, Betty Fuller Mary Anita Wedgeworth, Carolyn Ann Sears, Ann Wedgeworth, Clintia Barbara Blackard, Wayland Dodson, Dickie Beggs and Bobby Max Brownfield.

Talent Display Is Interesting to Club

Display of original talent at a Tuesday afternoon meeting of the Woman's Culture Club was one of the most interesting programs of the year. The meeting was held at the home of Mrs. E. E. Weathersbee, president, who decorated her home for the occasion with spring flowers.

A story was the contribution of Meses. W. A. Morton and E. F. Sears, poetry and prose was by Meses. J. P. Avery and J. A. Woodfin; Meses. Weathersbee and Bernard Longbotham gave readings; Meses. D. P. Strayhorn and J. R. Hucklebee sang; and Mrs. R. W. Cunningham gave the recipe for prepared and served to the group an original punch recipe that was delicious.

Outdoor picnic will be the May social held by the club annually, and it will come April 25, the club's last meeting in April.

Three Hostesses to Friendly Helpers

Mmes. H. P. Brown, O. D. McGlaun and Ross Pate were hostesses last Thursday afternoon to the Friendly Helpers Class of the First Methodist Church at Mrs. Brown's home. Mrs. D. M. Cogdell, president, presided for the business session.

Devotional by Mrs. A. C. Preull followed an Easter theme in her "Lesson on Immortality." Mrs. Wayne Boren told of her recent travels in Mexico, bringing pictures, Mexican money and souvenirs to illustrate. She centered her discussions on the cathedrals in Mexico and on Mexico City.

Refreshments of ice cream and cookies were passed to the following: Aubrey Gray, Essie Boren, Julia Pollard, Hattie Dorward, Lydia DeShazo, Marie Littlepage, Iva Thompson, Daisy Smith, Lilly Stinson, Johnnie Cogdell, Doris Keller, Irene Preull, the hostesses, Ethel Pate, Ada Brown and Effie McGlaun, and one guest, Rubie Brown.

Next regular meeting of the class will be the first Thursday in May when Mrs. Joe Stinson will be hostess.

Blue Bell Group Hears Easter Cantata

Mrs. Lewis Newby was hostess on Sunday morning to the Blue Bell Club at breakfast at her home. The group attended the sunrise Easter service at the First Methodist Church in a body following the breakfast.

Attractive place cards marked places and tiny Easter rabbits were given as favors for the following: Mangy Brown, guest, Evelyn Epps, Ethel Mae Sturdivant, Grace Holcomb, Lorraine Todd, Mrs. F. L. Pierce and the hostess.

Mrs. Cox Hostess At Pollard Home

Mrs. W. F. Cox was hostess to Ingleside Study Club members at the home of Mrs. T. W. Pollard Tuesday afternoon, and Mrs. King Sides directed the program on "International Life" following the club's study of social origins.

"Origin of Money" was told by Mrs. R. J. Randals; Mrs. H. L. Vann talked on "Modes of Transportation;" and Mrs. W. W. Smith gave a general discussion of the causes of war among primitive people. The program closed with a clever "Kay Kyser" English drill, in which Mrs. Sides won the prize.

Ice cream and cake were served by the hostess to Polly Harpole, guest, and the following club members: Meses. Clyde Boren, Harold Brown, Hal Lattimore, G. H. Leath, E. H. Louder, W. W. McCarty, C. C. Mosley, Pollard, Randals, L. C. Renals, Sides, Smith, H. L. Vann, Tom Boren and Carl England.

Local BTU Enjoys All-Day Picnic Affair

Intermediate BTU members of the First Baptist Church enjoyed an all-day picnic Saturday at Buffalo Springs, near Midway. All morning the group hiked and explored caves and springs, and at 12:00 o'clock they assembled for lunch spread in the shade of a large oak tree.

In the afternoon kodak pictures were made and other places of interest in the territory were explored by the crowd, transported from place to place in a truck.

Present to enjoy the pre-Easter picnic were the following: Elsie and Dorothy Murphree, Lillian and Leonard Thorpe, Everett and Evelyn Clark, Nell Verna LeMond, Joyce Tate, Earl Reeves, Faldan Norred, Billy Newton, Donald Armstrongs, D. V. Merritt and Martha Lou Holmes, members; Wanda Moffett, Donald McGlaun, Arthur Weeks and Don Snowden, guests; Mrs. D. V. Merritt, sponsor, and Mrs. John Cooper, chaperones.

MARRIAGE OF POPULAR PAIR HELD SUNDAY

Easter Sunday, 2:00 o'clock in the afternoon, marked the marriage of two popular members of Snyder's younger set. Wanda Shepherd, daughter of Mr. and Mrs. Earl Shepherd, and Leighton Griffin, son of Dr. and Mrs. I. A. Griffin, repeated their vows in a simple service held at the First Baptist Church in Breckenridge. Rev. Ira Harrison, pastor of the local Baptist Church, officiated for the ring ceremony.

For her marriage Mrs. Griffin chose a costume of dusty pink and navy blue-pink frock with navy bolero jacket, pink and navy accessories and pink corsage.

Both bride and bridegroom are graduates of the Snyder High School, and Griffin has studied one year in the University of Texas. Austin. The Shepherd family has lived in the Pleasant Hill community, southeast of Snyder, for a number of years, and Griffin's father is a prominent Snyder physician-surgeon.

The couple, unattended at their marriage service, left Breckenridge immediately after the ceremony for Mineral Wells, returning here Monday night. They will live temporarily in an apartment adjoining the Emergency Hospital. Griffin is a checker at the local Piggly-Wiggly grocery.

Mrs. John R. Williams Is Altrurian Delegate

Mrs. John R. Williams was elected delegate from Altrurian Club to attend the convention of seventh district, Texas Federation of Women's Clubs, in Pampa late in April. Mrs. Hugh Boren was named alternate.

Third in a series of spring programs on "Gardens and Flowers," Altrurian Club heard a program directed by Mrs. Lee T. Stinson at the meeting Friday afternoon in Mrs. Hugh Boren's home. An exhibition of rare and beautiful plants arranged and growing under glass was made by Mrs. Stinson, who is one of the town's leading garden and flower enthusiasts. She also led a round table discussion on "Garden Queries."

Mrs. W. R. Bell, local florist, who is a member of Altrurian Club, gave an interesting lecture on "Planning the Home Grounds." To illustrate her discussions, Mrs. Bell used colored posters and drawings showing various types of landscaping.

Twelve club members were present for the meeting. Mrs. Boren passed dainty refreshments at the close of the program.

Guests At Ranch

Week-end guests of Thadine Askins at their ranch in Borden County included Helen Anders, Alene Sutton and Claudine Thurman of Snyder, Fern Woody and Betty Jo Teaff of Bison. Entertainment included a marshmallow and wiener roast Saturday night, annual round-up activities Sunday and a late afternoon picnic Sunday at the Mushroom Peak near Gail.

Southern Women Reply to Query

Wherever they go, the "Touring Reporters" find eager answers to their question, "Were you helped by CARDEIT?"

Of 1297 users queried among those of 12 states, 1206 stated CARDUI benefited them. That is 93 out of every 100!

Users everywhere are glad to tell how CARDUI has made them want and enjoy food; how, with its help, they gained strength, energy, were thus relieved of the symptoms of "functional dysmenorrhea" due to malnutrition. Many also say that, when symptoms indicate the need, CARDUI in larger doses helps "at the time" to soothe pain.

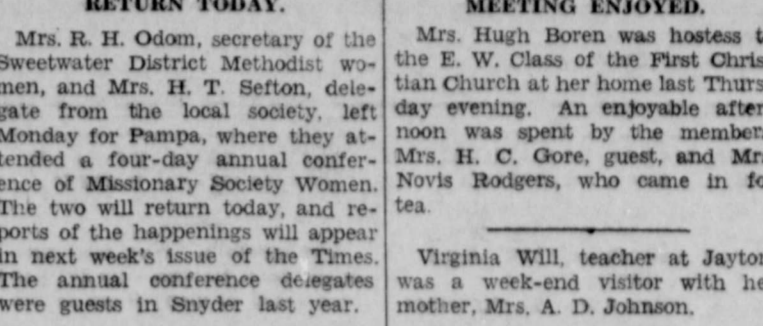

RETURN TODAY.

Mrs. R. H. Odom, secretary of the Sweetwater District Methodist women, and Mrs. H. T. Sefton, delegate from the local society, left Monday for Pampa, where they attended a four-day annual conference of Missionary Society Women. The two will return today, and reports of the happenings will appear in next week's issue of the Times. The annual conference delegates were guests in Snyder last year.

MEETING ENJOYED.

Mrs. Hugh Boren was hostess to the E. W. Class of the First Christian Church at her home last Thursday evening. An enjoyable afternoon was spent by the members. Mrs. H. C. Gore, guest, and Mrs. Novis Rodgers, who came in for tea.

Virginia Will, teacher at Jayton, was a week-end visitor with her mother, Mrs. A. D. Johnson.

Plug in an Electric Refrigerator and SAVE!

JUST plug in an electric refrigerator and food losses through spoilage are ended. From that time on you can forget about refrigeration. Your dependable, low-priced electric service will provide plenty of food-saving cold, even in the hottest weather.

TEXAS ELECTRIC SERVICE COMPANY
J. E. BLAKEY, Manager

WE CALL IT OUR SILENT PARTNER

Because Servel Electrolux Helps Balance the Budget

A "silent partner" is someone who furnishes the money, or part of it, to help run your business. Well—is your business running a home? Then Servel Electrolux, the gas or kerosene refrigerator, is a real "silent partner."

It furnishes money, all right. In savings on ice and grocery bills. Many a family here with a grocery bill of \$12 to \$15 a week, saves \$8 or \$10 a month with Servel Electrolux—often more. Over and above the small cost of gas.

And its convenience and protection to your family's health—well, that's "thrown in." The steady, even, constant cold, that keeps foods fresh, crisp, safe. The abundant ice-cube supply—and ice cream every day if you like.

And—it's really silent. Now and forever. The only one with no moving parts in its freezing system. With nothing to make a noise—and nothing to wear, to cause trouble and costly repairs. What a partner! Shall we make it your partner—NOW?

Blue Bell Group Hears Easter Cantata

Mrs. Lewis Newby was hostess on Sunday morning to the Blue Bell Club at breakfast at her home. The group attended the sunrise Easter service at the First Methodist Church in a body following the breakfast.

Attractive place cards marked places and tiny Easter rabbits were given as favors for the following: Mangy Brown, guest, Evelyn Epps, Ethel Mae Sturdivant, Grace Holcomb, Lorraine Todd, Mrs. F. L. Pierce and the hostess.

Workers Praise WPA Supervisor For Snyder Hall

Supervisor R. C. Black, who was in charge of constructing Snyder's new city hall through WPA and city funds, is praised in a letter that was sent this week to the Lubbock WPA office over the signature of every man who worked on the building.

"Without Mr. R. C. Black's knowledge or consent," the statement reads, "we, the undersigned, feel it our duty to recommend Mr. Black as to the following. We all worked for and under him during the building of the Snyder city hall here in Snyder, Texas, under a WPA project.

"We found him to be a man that knew all parts of the building work. He was strictly fair and impartial to all alike. He was gentlemanly and kind, but very positive and strict as to all parts of work. We want to thank you all at the general office for sending us workers a supervisor like Mr. Black."

The letter was signed by the following city hall workers: Wilborn D. Clement, Esker H. Land, Nathaniel W. Aldredge, Rolla W. Aldredge, Robert L. Ware, Newt Walls, Tom P. Ware, Calvin R. Jewers, Tex Lee Brown, A. J. Cook, C. A. Rucker, M. T. Popejoy, Gideon M. Greer, James A. Hendryx, Robert E. Wimberly, A. A. Behringer, A. V. Lawrence, S. O. Stokes, T. J. Rollins, T. E. Irvine, Walter G. Holmes, Carl Burney, Raymond E. Lattion.

CAR STILL MISSING.

No trace had been found late on Wednesday afternoon of a 1935 model V-8 Ford sedan that was stolen Tuesday afternoon from the front of Louder Motor Company.

Demonstration Club Notes

Estella Rabel, Agent

Mrs. Casey Hostess.

Thirteen old members and two new ones attended a meeting of the Camp Springs-Midway Club held at the home of Mrs. Guy E. Casey last Wednesday afternoon at 2:30 o'clock. Two interesting talks were made on program. Mrs. Clyde Brown talking on "Budgeting Time" and Mrs. G. A. Hudnall discussing "Improving Our Speech."

Refreshments of cake and ice cream were passed by the hostess to the following: Meses. Hudnall, Brown, Willie White, Bayousett, Wilmet Wade, Jim Beavers, Oscar Aucutt, Whit Simpson, Grady Williams, Leslie Parks, James Davidson, Betty Bayousett, Odell Faulkenberry and J. O. Guinn.

Dunn Juniors Meet.

"Plain seams are appropriate for almost all materials if the edges are finished properly." Irene Brown told members of the Dunn junior girls' Four-H club at their meeting Tuesday.

"If the material does not ravel," Miss Brown continued, "edges may be left unfinished or pinked. If the material does happen to ravel seams will be overcast."

After exhibition of equipped sewing boxes, cup towels, aprons, slips and housecoats made by the Dunn junior club girls, garments recently finished were judged. All club members were present.

Union Club Meets

The Union Home Demonstration Club met with Mrs. Walter Conrad April 8. Due to bad weather only four members were present. Miss Rabel gave an interesting demonstration on making dresser scarfs out of Monk's cloth. Next meeting will be with Mrs. Gordon Smith's on April 20.

"Colored and figured materials are sometimes used for dresser scarfs when the color design is harmonious," Miss Rabel stated. "Deep ecru or cream colored material blends in with darker woods better than white, and prevents such a decided contrast."

Mrs. Brinkley Hostess.

"In making dresser scarfs it is best to get linen that wears longer and launders easily," Miss Rabel told members of the Round Top Home Demonstration Club at their meeting Tuesday with Mrs. J. O. Brinkley.

Miss Rabel gave a demonstration on scarf making with the new wool thread stitch on Monk's Cloth. A

Sunday Rites for Borden Countian Mrs. W. O. Keen

Funeral services for Mrs. W. O. Keen, 43-year-old Borden County resident who died in a local hospital Saturday, were held Sunday afternoon, 2:30 o'clock, at the Gail Methodist Church. Rev. A. N. Tinkle of Fluvanna conducted final rites.

Survivors include an infant son, Robert Keen; two stepsons, her husband her parents, Mr. and Mrs. L. A. Pearce of Gail; three brothers, Roy, Roscoe; W. O., Big Spring; Delmo, Gail; and four sisters, Mrs. L. L. Pettie and Mrs. J. H. Williams of Abilene; Mrs. Ted Johnson, Snyder; and Miss Doris McIba Pearce of Gail.

Palbearers were C. T. Childs, Alfred Greenway, Obe Wilson, Vivian Clark, Dave Dorward and Elmer Holler. Those in charge of floral offerings were Meses Margaret Wilson, Doris Covey, Elmer Ruth Holler and May Oma Reeder.

Funeral arrangements were in charge of Odon Funeral Home, with interment in Gail Cemetery.

Lumber Yard Near End of Repair Work

Hardwood floor work has been completed and part of the west shelves have been added this week to the new Higginbotham - Bartlett Company lumber yard under construction just west of the square.

According to W. D. (Bill) Harral, manager, another week's work will be required before office equipment can be moved to the new location adjoining the old brick building.

The old building, which joins the new structure on the east, will be demolished and the new lumber yard headquarters finished with white stucco. Front work on the new structure, including glass brick and new display windows, was completed last week.

demonstration of Bermuda fagoting was also given.

Eight frame gardens were reported by members of the Round Top club. The next meeting will be held at the home of Mrs. Ross Beeman Tuesday, April 25.—Mrs. Adrain Harvey, reporter.

Meeting Saturday.

The Home Demonstration Council will meet with Estella Rabel, home demonstration agent, in her office Saturday afternoon, 2:00 o'clock. Sponsors, reporters and committees of all county clubs are requested to meet with Miss Rabel Saturday afternoon from 1:30 to 2:00 o'clock, preceding the council meeting.

Final AAA Meeting Slated at Fluvanna Thursday Evening

The series of special community meetings sponsored by the county agent's office to acquaint farmers with details of the 1939 Triple A farm program will close tonight (Thursday) with a community meet, 8:00 o'clock, at Fluvanna.

The Fluvanna meeting, originally scheduled for last Thursday night, was postponed until this week, due to rain that enveloped the county. Approximately 200 farmers and farm operators attended the Saturday afternoon meeting in the district court room here. Around 50 have attended each meeting held at various community centers such as Hermleigh, Ira, Dunn, Union and Ennis Creek.

Business Women In Circle Meeting

Business women's circle of the Methodist Missionary Society met Tuesday evening, 7:30 o'clock, at the home of Mrs. Hall A. Lattimore with seven members present. Mrs. F. L. Pierce, president, was in charge of the business session, during which Grace Holcomb was made secretary-treasurer to fill the vacancy left by resignation of Eda McParland.

The group voted to cooperate with other women of the church in entertaining delegates of the district conference here next week.

Mrs. Pierce conducted the devotional, and the interesting study was given by Mrs. M. W. Clark, sponsor, and Meses. W. W. Smith, Lattimore, Ethel Mae Sturdivant and Grace Holcomb. Next meeting will be held at the home of Miss Holcomb Tuesday evening, April 25, at 7:30 o'clock. All women who cannot attend afternoon circle meetings are urged to be present.

FRIDAY BOX SUPPER.

An old-fashioned box supper will be held at Pyron School Friday night, for the purpose of raising money for athletic equipment. That old-fashioned invitation, "Come one, come all," is given by community leaders to this old-fashioned event.

Local Track Men Sound Threat at San Angelo Meet

Tiger track men, competing at San Angelo Saturday in a 10-team invitation meet, sounded a distinct threat to district aspirants, who will gather this week-end.

Coach Red Hill's young men placed second in the meet, with 23 points. They trailed the host team, which rang up 34 points. Mertzon was third with 22, Robert Lee fourth with 18 1-2, Abilene fifth with 17 1-2, Bronie and Ballinger next with 16, Eula next with 4, Big Lake with 2, and Lake View with 1.

The local track men were at their best, but Shield, especially, was far off on his javelin and discus throwing. He placed second in both events, the winning javelin throw being 147.3 and the winning discus throw being 106.

Snyder's points were piled up without a single first. Here are their placings: Bullard, third in 100-yard dash; Clark, second in 440-yard dash; Pitner, second in 880-yard run; Clark, third in 220-yard dash; Penton, second in mile run; relay team (Wills, Bullard, Pitner, Clark), second; Shield, second in javelin; Clark, fourth in broad jump; Shield, second in discus.

Mr. and Mrs. C. Davis and daughter, Mrs. Cleo Richardson, Dimmitt, were business visitors in Snyder on Saturday. They were guests in the T. C. Davis home.

Camp Springs Will Shoot 'Em All Day

An all-day rabbit drive in the Camp Springs community got underway this morning (Thursday), with plenty of rabbits reported for hunters to stalk down with buckshot. Dinner, with all the trimmings, will be spread at the lunch hour.

Community leaders stated Wednesday the vicinity north of Camp Springs would be hunted this morning, with snipers hunting out the sector south of Camp Springs this (Thursday) afternoon.

Times want ads get sure results.

Carrell Represents County for WTCGA

J. L. Carrell attended the annual membership meeting of the West Texas Cotton Growers Association in Abilene Tuesday as a director of the farm group organization. He was Scurry County's only representative at the meeting, held in Taylor's county courtroom.

J. L. Wilkinson of Coleman, president of the cotton growers' group, presided at the meeting. The annual report on activities of the WTCGA and election of directors formed the principal business attended to, Carrell reports.

AT NURSERY SCHOOL. Ida May Callis announces that she will hold open house Monday at 1101 Street, for visitors who wish to inspect her nursery school. Hours are 9:00 a. m. to noon, and 2:00 to 5:00 p. m.

Who knows most about Building cars?

Ford has built more than one-third of all the automobiles ever built in the world

Look at these FORD FEATURES

- **STYLE LEADERSHIP**—The luxury car in the low-price field.
- **V-TYPE 8-CYLINDER ENGINE**—Eight cylinders give smoothness. Small cylinders give economy.
- **HYDRAULIC BRAKES**—Easy-acting—quick, straight stops.
- **TRIPLE-CUSHIONED COMFORT**—New flexible roll-edge seat cushions, soft transverse springs, double-acting hydraulic shock absorbers.
- **STABILIZED CHASSIS**—No front-end bobbing or dipping. Level starts, level stops, level ride.
- **SCIENTIFIC SOUND PROOFING**—Noises hushed for quiet ride.
- **LOW PRICES**—Advertised prices include many items of desirable equipment.

THERE are more Ford cars in use today than any other make. And there are more Ford V-8s than any other 8-cylinder car.

The 1939 Ford V-8 represents the broadest experience in building cars any manufacturer ever had. You will find values in it far beyond what any other maker can put into a car at the low Ford price.

Ford performance, traditional for a generation, has reached new heights in the 1939 V-8.

And now Ford style leadership is equally outstanding. "The smartest cars on the road" is the way owners describe their new Fords. Smartest in appearance. Leaders, as they deserve to be.

FORD V-8

APRIL IS FORD INVITATION MONTH! Your Ford dealer invites you to drive America's most modern low-priced car. Make a date for a new experience.

WHAT IS THE CAUSE OF YOUR AILMENT? In order to bring to the people of Snyder and the surrounding community an opportunity to obtain a FREE HEALTH EXAMINATION We are conducting a Clinic TWO DAYS ONLY — MONDAY AND TUESDAY, APRIL 17 and 18 During this Clinic one member of each family will be given a thorough health examination by the use of a highly scientific diagnosing instrument. Dr. C. C. Carter & Dr. Myron A. Tanner At the Office of Dr. R. D. English 2304 30th Street Snyder, Texas

It's got its "jeans" on under its party clothes! When you're all through reveling in this honey's good looks we'd like to have you remember: This is a Buick—through and through—and under its sleek new styling it's got its work clothes on! You've got a husky Dynaflex straight-eight engine there that doesn't know what it means to fret or fume or falter—yet goes mighty easy on the gas and oil. You've got a sturdy low-slung frame and chassis—solid in its set on the road, steady-riding, firm—staunch enough for the heaviest pushing. You've got springs of a kind that never wear out—they're coil springs, and they keep their softness without ever any need of grease. And they give better traction, longer rear tire wear, besides making the rough roads smooth! You've got room—and a better view—and that good old reliable Buick merit running like a fine blood strain through this whole able carriage. Now, what does it all cost you—compared with the others? Well, look around and you'll find that this big straight-eight costs less than some sixes! It's priced even lower than it was a year ago! And it includes in its price many a much-wanted item you'll be asked to pay extra for elsewhere. So while you're buying why not buy the car and the value of the year—the beauty that's a husky and a bargain to boot? \$894 AND UP delivered at Flint, Mich. *Prices subject to change without notice. Transportation, state and local taxes (if any), optional equipment and accessories extra. YOU GET A BETTER USED CAR FROM A BUICK DEALER. "Better buy Buick!" State School Aid Assures Longer Terms in County

According to information received Tuesday from the State Department of Education, division of equalization, by Roy O. Irvin, county superintendent, an 80 per cent payment of transportation aid to Scurry County schools will be mailed out in the next two weeks.

An emergency appropriation bill, signed last week by Governor W. Lee O'Daniel, will make possible the payment of 92 per cent of the teachers' salary aid grant for last year.

Only 69 per cent of the salary aid grant appropriated has been paid so far, which leaves a deficit of 23 per cent on this year's aid grant that will be paid when funds are available.

Oil Lease, Royalty Papers Are Taxable

According to information furnished by Herman Darby, tax assessor-collector, holders of oil and gas leases and royalty interests are required to render said holdings for taxation purposes.

Since rendition of oil and gas leases, together with royalty interests held, is required by law, the tax assessor-collector's office feels each person holding said interests will give rendition for taxation purposes within the next 30 days.

lease contains the further information that salary aid to teachers this year will be paid on an 80 per cent basis, rather than on a 60 per cent basis previously arrived at.

"With this encouragement," Irvin states, "it seems possible that most county schools will be able to round out a full eight-month term without further shortening of the school year."

ADVERTISEMENT FOR BIDS

NOTICE TO BIDDERS.

Sealed proposals, addressed to W. W. Smith, President of the Board of Trustees of the Snyder Independent School District, Snyder, Texas, for the furnishing of equipment for the Snyder Independent School District hereinafter called "Owner," in accordance with specifications and contract documents, prepared by and which may be obtained from C. Wedgeworth, Snyder, Texas, will be received at the office of Superintendent C. Wedgeworth, Snyder, Texas, until 2 P. M., April 20, 1939, and then publicly opened and read aloud. Any bid received after the closing time will be returned unopened.

A Cashier's Check, certified check or acceptable bidder's bond, payable to the Owner, in an amount not less than five per cent (5 per cent) of the largest possible total for the bid submitted, must accompany each bid.

Attention is called to the fact that there must be paid on this project not less than the general prevailing rates of wages which have been established by the Owner as the following:

Type of Laborer	General prevailing per 8-hour Working Day Rate	General prevailing per hour
Apprentices (All Trades)		
First Year	4.00	.50
Second Year	4.80	.60
Third Year	6.00	.75
Fourth Year	6.80	.85
Carpenter	8.00	1.00
Electrical Workers	8.00	1.00
Plumbers - Common	10.00	1.25
Locker Installer	3.20	.40
Truck Driver 1-2 Ton	3.20	.40
Truck Driver over 1-2 Ton	4.00	.50
Painters	7.00	.87 1/2

In case of ambiguity or lack of clearness in stating prices in the proposal, the Owner reserves the right to adopt the prices written in words, or to reject the proposal.

No bid may be withdrawn after the scheduled closing time for receipt of bids for at least sixty (60) days.

The Owner reserves the right to reject any or all bids and to waive any or all informalities.

Specifications may be examined without charge in the office of C. Wedgeworth, Snyder, Texas, and may be procured from C. Wedgeworth, Snyder, Texas, upon a deposit of ten dollars (\$10.00) as a guarantee of the safe return of the plans and specifications, the full amount of which will be returned upon the return of the plans and specifications within ten (10) days after receipt of bids. Additional sets of plans and specifications may be procured from the above upon a deposit of ten dollars (\$10.00) each, as a guarantee of their safe return within thirty (30) days from the date of opening bids, in which event five dollars (\$5.00) of the deposit will be returned.

W. W. Smith,
President of Board of Trustees
SNYDER INDEPENDENT SCHOOL DISTRICT
Snyder, Texas.

REA SUGGESTS FISHER RATES TO BE APPLIED

Based on Cost, Says REA Section Of Farm-Town Power on Fisher-Scurry Line

A notice this week from the REA Rate Section suggests a schedule of rates for the REA line that is being planned for Fisher and Scurry Counties, under sponsorship of the Midwest Electric Cooperative Association. The 352 members of the association, which recently received a \$137,000 allotment from REA, have been advised as follows:

"The REA Section suggested a schedule of rates for your project. Prompt action on this by your officers will speed your progress. Experience and careful study convince us that this schedule will give you service at the lowest prices consistent with the cost of operating your project.

"Under it you can afford to make full use of electricity through labor-saving and money-making equipment: First 30 kw. or less, at \$2.45 per month; next 30 kw. per month at 5.5 cents per kw.; next 120 kw. per month, at 2.5 cents per kw.; over 200 kw. per month, at 1.5 cents per kw.

"Rates on REA projects are based on costs. They must be high enough to cover all expenses and low enough to encourage liberal use of electricity. Among items that must be taken into account are interest and principal payments on the loan, taxes, power bought at wholesale, operation and maintenance, and an allowance for reserves.

"Revenue from the minimum bills should assure your cooperative of sufficient income to meet most of its fixed costs. The 30 kilowatt hours a month which the minimum bill pays for will light an average sized home adequately and operate washing machine and iron. Most families could operate a refrigerator with an additional \$2.45 worth of electricity.

"On a farm which had these appliances, lighting the laying house for 100 hens would add only 15 cents to the monthly bill. Use of a milk cooler, in addition to household appliances and poultry lighting, would increase the bill only 75 cents a month for cooling 10 gallons of milk a day; and with these uses, an electric range to do the family cooking would consume about \$2.95 worth of electricity a month.

"In other words, under the proposed scale of rates, the more electricity you use, the less it will cost you per kilowatt hour."

LEAGUE MEETING.

All Legion buddies are urged this week by Sam O. Nations, Will Layne Post commander, to attend the regular Legion meeting at the Legion Hut next Thursday night, April 20, at which time a special program will be presented. Buddies the county over are requested to bring someone with them.

First Christian Church

An illustrated candle light service will be held next Sunday night, beginning at 7:45. Special song will be heard.

"A Crown of Glory" will be the sermon subject at the 11:00 o'clock service Sunday morning, at which time the old people will be honored. Special song will also be heard at this hour.

The Sunday School will meet at the usual hour, 9:45 o'clock, Sunday morning, with Roy Allen Baze in charge.

Christian Endeavor meets at 6:45 o'clock in the evening. Jack Stewart is the leader, and "Christian Ambition" is the subject for discussion.

A hearty and cordial invitation for stranger and friend to attend all these services.—E. B. Chancellor, pastor.

BOXING AT PYRON.

Several boxing matches, proceeds from which will be used for purchase of football and basketball sweaters, will be staged at Pyron this month. Among the glove wielders are Le Roy Light, B. J. Moore, Dale Hess, Arthur Lee Pieper, Jack Glass, Dual Blair, Guy Joyce Adams, Chester Barnes, Billy Moseley, Thomas Miller, Alton Collier, Herman, Roy Kimzey, Harlan Reed, Hardee Bowen, J. Z. McGlothlin, Tilman Parker, Floyd Hale, Alva Chitsey, Ernest Schattel, Odell Miller, Arnold Pieper, Elwood Fritsch, Edell Parker and James Reed.

Will Celebrate

Nathan Adams, president of the First National Bank in Dallas and leader in cotton and oil financing, will celebrate 50 years of continuous service with the bank April 19 to 21, inclusive. Adams went with the bank on April 22, 1889, after a few months clerking for the Texas & Pacific Railroad in Dallas. His bank, today, is the largest in the Southwest and ranks sixtieth in the world.

Work on, renew your courage daily. The only failure is to admit failure.—Hubbard.

Boys From Scurry

Two white-faced Hereford calves exhibited by Whit Thompson Jr. and Sims Taylor, two Scurry County 4-H boys, at the South Plains Livestock Show and Exposition at Lubbock last Monday, Tuesday and Wednesday, brought good prices when put on the block at Lubbock Wednesday.

Open House

The public is cordially invited to open house of my nursery school, 1101 26th Street, on Monday, April 17, 9:00 a. m. to 12:00 and 2:00 to 5:00 p. m. I extend a special invitation to those who have children of pre-school age to see my equipment and become familiar with our schedule of activities.—Ida May Callis, phone 2567. 1p

PROGRAM ON RADIO.

The Sunset Quartet, directed by Dewey Niedecken, will present a 15-minute gospel song program over Station K5ST, Big Spring, Sunday, starting at 12:45 o'clock. From Big Spring the Sunset singers will go to Klondike Sunday afternoon, where they are to appear on the program of the Dawson County Singing Convention.

AT CELEBRATION.

Mrs. W. E. Baze and daughter, Inez Brown, Mr. and Mrs. Ben F. Smith and Miss Elizabeth Smith, were in Jayton Sunday to attend the Golden Wedding anniversary celebration held for Mr. and Mrs. J. A. Sultes. The local people were among other relatives and friends offering congratulations to the couple.

He's on the Road to Success—At 32!

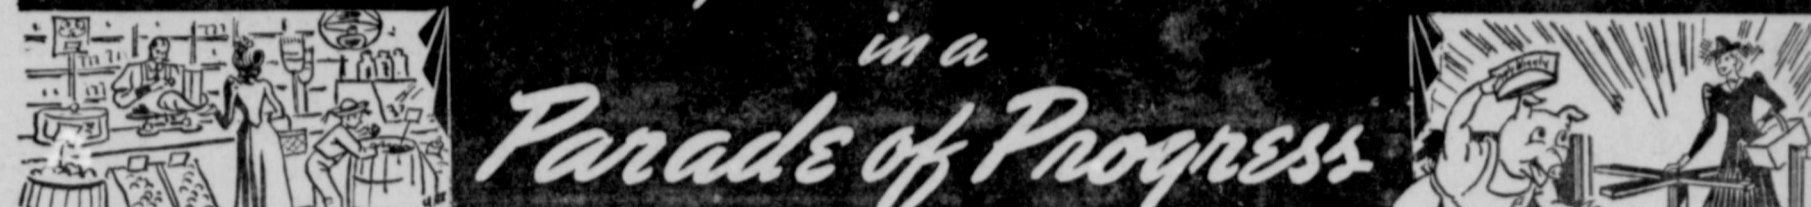

Fred R. is in line for a major executive position. With it goes a handsome salary. Like every successful man, Fred laid the groundwork for it beforehand. Even when he was earning little, he saved part of his salary regularly.

He studied at night, managed to make some good investments. Thanks to his bank account.

HOLDERS OF OIL AND GAS LEASES AND ROYALTY INTERESTS

Your holdings are subject to taxation by all taxing agencies. The records of my office do not show these holdings as in the case of Real Estate, and it will not be possible, with the aid of only one deputy, to check deep records in order to secure renditions. Therefore, may I urge each one having such holdings to see me or my deputy, Edgar Taylor, and render them for taxes before May 1, in order to avoid accumulation of Delinquent Taxes against these properties?

The City Hall

This is a two-in-one editorial. It seeks to pay tribute, first, to the men whose vision made possible the building of the city hall (the City Council), and, second, to the men whose work made the new hall a distinct asset to a growing little city (the WPA workmen).

The work has been slow, but the very nature of WPA work makes it slow, even with trained workmen. Most of the men on the job were not trained for that particular type of work. But they learned what to do and how to do it; and all of them are aglow with enthusiasm and pride, now that the tedious job is just about over.

That the men on the job have as much pride in their work as if they were paying heavy taxes every year for its upkeep, is proven by the open letter that is published in The Times from them this week. All the workmen wanted to dig down in their jeans, if necessary, to pay The Times for publishing the letter... a letter that pays tribute, without his knowledge or consent, to R. C. Black, who was WPA supervisor on the city hall.

Of course there is no charge for publishing the letter; but the workmen had their hearts in the right place about it, after all.

The Times has certainly not agreed with many phases of the Roosevelt work program, particularly its continuation of doling out millions of dollars for distinctly political influence. But we continue to have confidence in the American worker—the man who gets the job done, whether he is paid by the government or paid by an individual or paid by a giant corporation.

Uncle Bill's Opinion

From the aged pen of "Uncle Bill" Kellis, publisher of the Sterling City News-Record, come some choice comments on things religious, political, economic and otherwise. These selected paragraphs from recent comments make thoughtful reading:

Those who are responsible for Governor Lee O's election are the ones to be criticized. He was their ideal of a man for governor. They are getting what they voted for and I am going to try to help them swallow what they bit off. He had just as well promise everyone over 65 a slice of the moon as to have promised them a pension of \$30 a month. After his election, he could have with as much reason told them, "Here's your slice of the moon. All you got to do is find a way to climb up there and get it." No, I am not going to help anybody romp on the governor because he is ignorant of the laws of which he made oath to execute. I had as soon cuss a mule because he didn't know the Decalog.

And this choice morsel concerning President Roosevelt:

"The critics of President Roosevelt are enjoying themselves. Somebody has lied about what the president said about selling airplanes to France and Great Britain. In making an airplane, they use about everything the farmer, ranchman, the miner and manufacturer produce. What does not go into making a plane goes into the man who makes it. The farmer, the ranchman, the miner and the manufacturer do not give a whoop what Hitler, Mussolini or Hoover may think about it. They want a market for their stuff and Mr. Roosevelt is trying to get it for them."

Editorial of the Week

Eight hundred farm families in the Crab Orchard Lake district of Southern Illinois are wondering where they go from there.

For more than a century their people have lived in this section without feeling sorry for themselves. But planners came from Washington to tell these folks that their land is submarginal. The government was taking it over and would resettle the residents. They didn't want to be resettled. A reforestation plan was next. It gave way to flood control, and finally to a fish preserve and pleasure resort scheme. A dam was constructed and the whole area will be submerged. Williamson County will lose one-fourth of its taxable farm acreage.

Oh yes, the Illinoisans will be paid for their lands. Government appraisers are telling them how much. Walter Ghent of Cartersville told a reporter he had set out 8,500 apple and peach trees and spent \$45,000 in developing his place. Secretary Wallace's young men set a price of \$17,800 on it. Alonzo Bowyer is to get \$39 an acre for land which he claims has yielded 72 bushels of corn to the acre.—Nation's Business.

Page Parcel Post

Thanks to the efforts of local business men, through the Scurry County Chamber of Commerce, and Postmaster Warren Dodson the first installment of parcel post delivery was started in Snyder last week. All those who are affected by this new service will of course cooperate in every way possible to help the carrier... and to work toward extra hours of delivery (which would mean extra dollars for Snyder) as the number of delivered packages increases.

After risking their lives to rescue a Scottish terrier, Mason City, Iowa, firemen discovered last week the pooch they got out of a creek was unlicensed and unclaimed by anyone in Mason City. After getting the pooch dry and comfortable he was summarily sent to the city dog pound for keeps.

Current Comment

By LEON GUINN

A release this week from the Traffic Division, Texas Highway Department, on the primary causes of fatal motor vehicle accidents on streets and highways in Texas during 1938, indicates the greatest cause of fatal accidents by far—24.6 per cent—was brought about by drivers who insisted on having a drink or two before starting out in an automobile. That death stalks the highways and byways with the car driver who tries to mix gasoline and alcohol has been a well known fact for two decades, but the exact percentage of fatal accidents brought about by tipsy drivers was not known until the highway department began to keep official tab.

The next greatest cause of fatal automobile accidents—20.7 per cent—resulted from drivers going too fast for local driving conditions. Improper turning caused 54 fatal accidents in which 62 deaths resulted. In regard to the mechanical failure of motor vehicles, 71 accidents were caused by improper braking or no lights in which 84 lives were "snuffed out." Although we sometimes think the pedestrian inattentive to traffic is a public menace, only 97 pedestrians were killed last year in Texas in traffic accidents.

Concerning the manner of accidents, the highway department release states 278 head-on collisions topped motor accident fatalities with 392 people killed. Only two drivers stepping from vehicles were reported in the "death list," while 72 people were killed in 50 fatal car accidents with trains. Motor vehicle fatalities were the heaviest during Christmas week, the report continues, with February and Armistice Day victims trailing a close second and third.

Beginning today (Thursday), at least 178,000 corner grocery stores will take part in one of the largest promotional campaigns ever staged by an American industry. Termed the "Parade of Progress," this campaign will revive memories of the early day corner stores with cracker barrels and open sugar bins, not to mention bulk peanut butter buckets and patented cough and flu remedies. The stores included in the "Parade of Progress" campaign report an annual sales of over \$4,000,000,000. Since grocery store merchandising trends have changed 200 per cent in the past 20 years, a reference to the "good old day" stores will be a polite way of gaining the consuming public's attention.

About the newest thing in feminine footwear is a recently introduced leather known as Sani-kid, designed to overcome cracked shoe linings, and incidentally do away with lining hardness after wearing as far as possible in the construction of today's dainty shoe patterns. Introduced by Mitchell & Pierson of Philadelphia, Sani-kid is claimed to overcome shoe lining cracks that usually go pretty hard with stockings. The United States Process Corporation has perfected a new liquid to inject into shoe linings that incidentally will do away with shoe lining odors. After Sani-kid and the shoe lining "de-odorizer" are introduced for women, men's shoes and bedroom slippers are slated to come in for "modernization."

"We are studying every industrial plant in the nation in order to determine which one could be speedily converted to the production of ammunition and other war materials," A. W. Robertson, chairman of Westinghouse Electric and a national mobilization committee, stated last week. Louis Johnson, assistant secretary of war, added some gloomy words to this statement of Robertson's last week by announcing the government can line up 10,000 plants for production of war essentials.

Since conditions abroad bespeak a cheerless outlook for peace in Europe at the moment, it is necessary that the United States be on its toes for what President Roosevelt termed any "probable developments," but care should be used lest we, too, be caught in the widening net of circumstances that eventually starts a nation on the blood spattered road to war.

Mrs. Bernice Hanson Schroeder of Seattle, Washington, was granted a divorce last week from Fred Schroeder on the strength of her statement that "Schroeder said he was Hitler and I was Czechoslovakia and he was going to conquer me." If causes for divorce today keep up this dizzy pace, we may at last have grounds to believe justifiable causes for divorce from insulting remarks may become a permanent institution on our changing relations calendar.

The county administration expense factor received by the county agent's office this week shows that the administration cost of handling the Triple A program in Scurry County amounts to 1.9 per cent, a figure that is considerably lower than that found in a number of central West Texas counties. Farms are measured, compliance sheets checked, and applications for benefit payments are included in the 1.9 per cent administration factor expense account. Due to the fact that Scurry County has had county agent second to none through the years since the Triple A reduction program started, our costs of handling the vast amount of technical work necessary for participation in government programs has been insignificant to benefits received.

The blessed work of helping the work forward, happily does not wait to be done by perfect men—George Eliot.

PYRON ELECTS SCHOOL CHIEF

M. H. Greenwood, who is serving his third year as superintendent of Pyron Schools was reelected to serve a fourth year at a meeting of the trustees Tuesday night.

The progressive consolidated school, under Greenwood's leadership, has realized a long-time ambition—to begin work on a modern school building. The building will be completed within a few weeks, through joint WPA and local aid.

Completion of a native-stone gymnasium, consolidation of the adjoining Wastella school district and other progressive steps have also been taken during the past three years.

The Pyron district is unique in that it includes all or part of districts in Scurry, Fisher, Nolan and Mitchell Counties.

Also reelected at the Tuesday night board meeting were these teachers: Pauline Coe, J. C. Cupel, Eva Cliburn, P. A. Ammons, Mrs. N. E. Simmons, and Mattie Beth Payne.

Aged Physician, Once of County, Buried at Dunn

Funeral services for Dr. W. A. Palmer, 92 year-old Confederate veteran and pioneer Scurry County physician who died Sunday at Corpus Christi, were held at Dunn on Tuesday afternoon with the Dunn Masonic Lodge officiating.

Rev. J. B. McReynolds, assisted by Rev. C. D. Damon and Bro. Ben W. Newhouse, conducted final rites. Survivors include three daughters.

Mrs. T. M. Gannaway of Corpus Christi; Mrs. John C. Greene, Wichita Falls; Mrs. H. M. Murphy, Hermitage; four sons, W. A. Palmer Jr., Rincon, New Mexico, C. E. Palmer, Brownwood; S. A. Palmer, Nacogdoches, and H. B. Palmer of Laredo.

Dr. Palmer, who moved to Dunn from Ellis County in 1905, lived in this south Scurry County community until 1919. Mrs. Palmer died at Dunn in 1908. Dr. Palmer moved to Snyder in 1919, residing here until 1926.

Dr. Palmer was born in Harrisonville, Missouri, July 27, 1846. His people moved to Texas when he was five years old, settling in Dallas County.

At the age of 17 Palmer enlisted in the Confederate army, and served in the Tom Green Cavalry until the war's close in 1865. After the end of the Civil War young Palmer went to Sherman, where he studied medicine under his doctor uncle.

He completed his medical training at Louisville, Kentucky, later taking post graduate work at Bellevue Hospital in New York City.

Dr. Palmer and Miss Henry Brewer were married in 1882. Of the 10 children born to this union, seven survive.

Dr. Palmer was a typical pioneer physician, to whom the welfare of the sick meant more than money. A charter member of the Dunn Masonic Lodge, the pioneer doctor had been a Mason more than 50 years. Interment was in Dunn Cemetery.

Funeral services were held at Dunn, Texas, at 10 o'clock Sunday morning at the Pylant Funeral Home of Colorado City was in charge of funeral arrangements.

HERE IS MORE CONCERNING MAYOR

CONTINUED FROM PAGE 1

three others: "Snyder is getting a 20 per cent better job than we are doing." This brought a flare out of the others. They said, "I wouldn't admit it." His answer was, "Well, it is the truth, and we might as well admit it." That is something!

Splendid City Hall. The many citizens who have already inspected our splendid city hall and fire station have been agreeably surprised. In some particulars it compares more favorably than like buildings in neighboring towns that cost the citizens a \$50,000 bond issue. Look it over! Carl Keller takes great pleasure in showing it off.

We have an enviable water system, one of the cheapest operated in the state, and one of the cheapest water rates. Our sewer system ranks with the highest, has the approval of the State Health Department and the State Sanitary Department.

Our financial status is one of the best of any city in the state.

One of the Cleanest.

In casting about, you will find in our town among the cleanest and best-kept streets in the state, in fact of the fact that we have creeks and draws running through the middle of it and at times this proves to be quite expensive.

It behooves every alderman to specialize in the departments to which he has been appointed. Study each and every project carefully, take them under advisement, search for new ideas, for shorter and cheaper ways of completing the task.

The following points seem to me to be of major importance in discharging our duties to the citizenship of Snyder:

Consider Future Benefits.

1. Each of us should always keep in mind the present and future necessity of any particular project, and whether or not it will be of permanent benefit when completed. 2. As to finance, it is the duty of each to figure the cost to the tax payers of each and every project, and the way and manner in which it can be financed at the lowest figure consistent with first class work.

3. In considering the spending of the tax payer's money, we should always take into consideration the percentage of public that will derive benefits from any improvement, and the investment should be based on same.

Criticism Is Invited.

4. Each of us should at all times invite constructive criticism and try to impress upon the citizens their duty to become interested in city affairs, so that they will report to the different departments such matters as may need attention. By this cooperation on the part of the citizens, we will be able to save the tax payers hundreds of dollars in tax money every year.

5. It is certainly incumbent upon us to cheerfully consider complaints or requests made by any citizen, regardless of who the person or persons may be. If we are to discharge our full duty, we should have the courage to vote our convictions, regardless of personalities, for the

"Leto's" for the Gums

LAND PROGRAM TALKED TODAY

J. D. Prewitt, District 6 Extension Service agent and Miss Ruth Thompson, district home demonstration agent, met with local government agencies this morning (Thursday) at 9:00 o'clock to discuss a land use planning program for Scurry County.

The proposed land use program, to be inaugurated in cooperation with the county agent and home demonstration agent, will be devoted to correct farming practices, that will insure the future fertility of the soil, Prewitt stated Tuesday.

Funeral services were held Wednesday afternoon at the graveside in Dermott Cemetery for the infant daughter of Mr. and Mrs. J. M. Greenfield of Dermott. Born in a local hospital Tuesday, the baby died Wednesday. O. D. Dial, minister of the local Church of Christ, officiated for the services, and Odum Funeral Home was in charge of burial.

Patients new in the hospital this week include the following: Leonard Gill, son of the Harry Gills, surgery; Mrs. J. M. Greenfield of Dermott, whose baby girl was born on Tuesday and died Wednesday; Emory Ashenbush, medical; Gene Claybrook, surgery; Oscar Miller of Ira, surgery; Ruby Thomas, surgery.

Entered hospital and dismissed before Wednesday have been these: Mrs. O. W. Hudnell, medical; Mrs. B. F. Standefer of Dermott and her small daughter, born Saturday afternoon at 12:45 o'clock; A. J. Cantrell of Gall, medical; Bernice Green, Fluvanna, surgery.

Devis tires; easy terms. At Western Auto. 45-2c

general good of the entire citizenship, keeping in mind at all times the idea that our main purpose is to see that every person is accorded equal rights, and that we avoid waste of public money and extravagance in our administration. Last, but not least, we express our deep appreciation to the officials of WPA, and to the citizenship of Snyder, for their splendid cooperation. By this only have we been able to be on the front line. Sincerely yours, H. G. Towle, Mayor.

Snyder General Hospital

James William Patterson and J. W. Greene, both of whom have received medical attention in the local hospital the past several weeks were still in the hospital late Wednesday. Mrs. J. H. Outlaw of Welch, surgery from last week is also remaining.

Patients new in the hospital this week include the following: Leonard Gill, son of the Harry Gills, surgery; Mrs. J. M. Greenfield of Dermott, whose baby girl was born on Tuesday and died Wednesday; Emory Ashenbush, medical; Gene Claybrook, surgery; Oscar Miller of Ira, surgery; Ruby Thomas, surgery.

Entered hospital and dismissed before Wednesday have been these: Mrs. O. W. Hudnell, medical; Mrs. B. F. Standefer of Dermott and her small daughter, born Saturday afternoon at 12:45 o'clock; A. J. Cantrell of Gall, medical; Bernice Green, Fluvanna, surgery.

Devis tires; easy terms. At Western Auto. 45-2c

Borden and Scurry Ready for Lamesa

Plans were perfected this week by Scurry County dairy livestock owners to exhibit a number of dairy cattle at Lamesa's Dairy Day meet tomorrow (Friday), with several county club women planning to exhibit dairy products at the Lamesa meet.

Both Borden and Scurry County dairy livestock owners are urged to take livestock to the dairy day meet tomorrow (Friday) for classification and obtaining of American Jersey Club certificates.
