## Altrurian Daughters Club Sponsors Usual Flower Show at Products Show

Again this year Altrurian Daughters Club will be sponsoring the flower booth at the Scurry County Products Show. Mrs. W. R. Bell is general chairman of the flowers and potted plants, and Jeanette Lollar is committee chairman from Altrurian Daughters Club.

Miss Lollar announces that all entries in the division must be in place by Friday noon. The sponsoring club hopes most entries will be accepted early Friday morning, with judging to fall Friday afternoon.

As announced by Mrs. Bell and Altrurian Daughters Club, cut flower entry classes will be as follows: Roses, one bloom to container; roses, more than one bloom to container; dahlias, one to container; dahlias, more than one bloom to container; one specimen flower, any in season; any blooms, more than one to container.

Container will be judged along with flowers of all kinds in special arrangement. Mrs. Bell says. Container will also be judged in special arrangements of grasses and in arrangements of vegetables, fruits and gourds.

Under the potted plant division, the judging will be done by division as follows: Any kind of bloom plant, any kind of foliage plant besides fern, any kind of fern, best pot mixed plants, any kind of cactus.

Plans for sponsoring the flower booth at the Products Show furnished the main topic of discussion at a Monday evening meeting of Altrurian Daughters Club at the home of Mrs. Herman Doak. Program for the evening, directed by Ruby Lee, centered on "Floor Coverings" from the club's selected study course, "Interior Decoration."

Discussions were by Mrs. P. W. Cloud, Borden Gray and Harry Ward.

The hostess' small daughter, Mary Ann, was dressed in Halloween costume to assist her mother in passing a Halloween salad, pumpkin

## Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

## CREOMULSION for Coughs, Chest Colds, Bronchitis

## Fun Fest Enjoyed By Club, Husbands

The annual husbands' evening party last Thursday evening, staged by Ingleside Study Club, was turned into a veritable "fun fest" by the committee in charge of entertainment. The affair, a Halloween home, and the opening feature was a delicious Mexican supper.

Jack o'lanterns with candles, fruits, autumn flowers and leaves formed decorations for the party. As the guests entered, Halloween masks made of brown paper bags with funny faces and eye holes were pulled over the heads of each. They were directed to the living room, where they had fun attempting to identify each other.

Quiz questions concerning famous persons in history and fiction and a musical quiz and a "right and left" spelling match tested the ability of quick thinking attendants. Prizes awarded for highest scores in all contests went to Mrs. W. W. Smith and Dr. H. P. Redwine.

The evening's entertainment closed with a sing-song of old favorite numbers, with Mrs. Louder at the piano. The contests were directed by Mrs. Carl England.

Attendees included: Messrs. and Mrs. Clyde M. Boren, Harold Brown, Jim Cloud, W. P. Cox, L. A. Chapman, Carl England, J. T. Johnston, H. P. Redwine, L. C. Rennals, W. W. Smith, T. H. Ray, Harry Ward and Mrs. Tom Boren, T. W. Pollard and H. T. Sefton.

ple and coffee to the following club members: Kenneth Alexander, Rose Marie Clawson, Edith Grantham, Polly Harpole, Ruby Lee, Thelma Leslie, Jeanette Lollar, Katherine Northcutt, Mmes. Wayne Arnold, Harold Brown, P. W. Cloud, Herman Darby, Borden Gray, Roy Irvin, J. D. Mitchell, Clyde Murray, J. D. Scott and Harry Ward.

Officers of Altrurian Daughters this year are as follows: Mrs. Murray, president; Miss Alexander, vice president; Mrs. Brown, secretary; Miss Leslie, treasurer; Margaret Dell Prim, parliamentarian; Mrs. Scott, reporter.

## MEETING TUESDAY

Initiation of new officers will highlight a stated meeting of the local chapter of Eastern Star Tuesday evening of next week at 7:00 o'clock. Mrs. Will Caffey, worthy matron, announces. All members are urged to be present at the hall for this meeting, she says.

## Friendly Helpers Guests At Brown's

Members of the Friendly Helpers Class of the Methodist Church were guests recently at the home of Mrs. H. P. Brown. Mrs. W. W. Smith led the afternoon's program, following a medley of piano numbers played by Mrs. A. C. Preuit. Mrs. W. W. Hamilton presented the devotional, and Mrs. T. M. Howle gave an interesting review of "I Married Adventure," travel book by Osa Johnson, wife of the late Martin Johnson, world famed explorer.

Guests at the class meeting were Mmes. Hodges of Abilene, W. J. Ely, R. W. Cunningham, Herman Avas of Wichita Falls and Harold Brown. The following members were present: Mmes. J. C. and Lee T. Stinson, Smith, J. C. Dorward, Wayne Boren, R. L. Gray, Preuit, Hamilton, Jack Gorman and Brown.

## Baptist Women Have Missionary Program

Regular third Monday missionary program will be presented at this week's gathering of the Baptist Women's Missionary Union at the church at 2:30 o'clock. All women of the church are invited to come by Mrs. W. B. Rodgers, new president, and Mrs. H. L. Wren, program director.

"God's Unchanging Plan of Stewardship" will be the topic for the afternoon, Mrs. Wren announces, with Mrs. E. E. Weatherbee giving the devotional. Mrs. John Taggart will discuss "The Unchanging Tithes and Stewardship." Mrs. Alice Northcutt will tell the "Motive of the Tithes." Mmes. Edgar Taylor and W. D. Haral will talk on "Denominational Work," and the program will close with a talk on "Larger Stewards" to be given by Mrs. Rodgers.

Regular meetings of the Baptist women feature four distinct types of gatherings each month. First Mondays are devoted to business meeting and Bible study led by Mrs. Ira Harrison, second Mondays are devoted to missionary study and fourth Mondays are local mission days, leaders have announced.

Besides Mrs. Rodgers, other W. M. U. officers are: Mrs. J. M. Newton, vice president; Mrs. W. D. Haral, secretary; Mrs. Jack Inman, treasurer; Mrs. D. V. Merritt, young people's leader; Mrs. Ethel Eiland, YWA counselor; Mrs. Alice Montgomery, junior YWA; Mrs. Rodgers, Sunbeam leader; Forrest Kelley, R. A. leader.

## Duce Club Guests Of Mrs. Loy Logan

Duce Bridge Club members were guests last Thursday evening of Mrs. Loy Logan at the home of her parents, Mr. and Mrs. John L. Webb, six miles southeast of town. Fall flowers decorated table appointments and were repeated in table covers and centerpieces as refreshments were served.

Kathleen Whitefield was the club's only guest, and the following members attended: Frances Chenault, who retained the high score prize, Allene Curry, who won the high score award, Frances Boren, Margaret Deakins, Johnnie Mathison, Ruby Lee and Mrs. John F. Blum. Miss Boren will be next club hostess.

## Altrurian Club To Present Mr. Godeke

Altrurian Club will present Mrs. H. F. Godeke of Lubbock, new president of Seventh District, Texas Federation of Women's Clubs, as guest speaker at a coffee Friday morning, October 25. The affair will be held at the home of Mrs. H. G. Towle.

Members of Snyder's study club and local teachers are invited to attend.

## Winter Sports

For winter sports the teenage girl will delight in this sports jacket of sanforized and aridex treated cotton gabardine. It's available in grey, navy, wine, green, tan and brown. Cotton accessories include knitted gloves and knee-length white socks.

## Art Guild in Annual Banquet Tuesday

Autumn toned cut flowers and fresh fruit spilling from golden cornucopias formed the keynote for Harvest decorations Tuesday evening when Art Guild held its annual formal banquet at the Manhattan Hotel. This year's affair was complimentary to four new club members, Rose Marie Clawson and Mmes. A. M. Belcher, L. H. Butler and Herman Trig.

Places for the group of 23 formally dressed attendants were cleverly marked with pictures symbolizing their names. Smaller replicas of the "horns of plenty" in silver were filled with candy corn to serve as guests favors. A three-course banquet meal was served.

Mrs. R. G. Dillard, Art Guild president, was toastmaster for the program, which featured contributions from old and new members of the host club. Toast to the new members was given by Mrs. Dillard, and two of James Whitcomb Riley's Harvest poems were read by Effie McLeod.

Feature of the program was presentation of Miss Clawson, speech arts instructor in the local high school, reading a one-act play, "The Violin Maker." Contest spelling was directed by Wilma Shropshire, and a sing-song of Harvest favorites closed the program.

The new members, Hattie and Gertrude Herm, Allene Curry, Frances Chenault and Mmes. Woodie Scarborough, Sam Joyce and Gaston Brock, guests, and the following other members attended: Frances Boren, Effie McLeod, Rayolene Smith, Wilma Shropshire, Edith Grantham, Mmes. C. W. Ponce, R. G. Dillard, M. E. Stanfield, W. E. Holcomb, Horace D. Seely and Ivan Hill.

The morning affair, which will be Altrurian Club's annual compliment to other club women. Approximately 175 local women are expected to attend.

## Circles To Conclude Study of China

Two circles of the Methodist Woman's Society of Christian Service will conclude their study of China in "Dangerous Opportunity" Monday evening at the church in a joint study session led by Mrs. T. M. Howle, leaders announce. The meeting will begin at 3:00 o'clock Monday, and all women who have made study of the book are especially urged to be present.

Mrs. Lida M. Hardy will be in charge of the review test. Exhibit of souvenirs from China and other articles bought in the United States, but products of Chinese workmen will be a feature of the afternoon. At the social hour a "China tea," with goodies typical of that foreign land, will be held.

Sixteen members and two visitors were present Monday afternoon at the weekly study meeting of circle one, and 19 members and one guest attended the meeting of circle two of the Woman's Society of Christian Service.

Mrs. Hardy, circle one study leader, presented a review lesson in "Dangerous Opportunity," and other discussions were given by Mmes. D. M. Cogdell, W. W. Hamilton and M. W. Clark. Mmes. A. W. Waddill, Lee T. Stinson and Howle gave discussions at the circle two meeting.

## Birthday Dinner Honors Family Trio

Birthday dinner Sunday at the home of Mrs. J. W. Woody was complimentary to three—Ray Hardin and Mrs. Mollie Pinkerton, whose birthdays were Friday, and John Woody of Midland whose anniversary fell on Sunday. Delectable chicken dinner was served buffet style to the group.

Present were the following: Mr. and Mrs. Woody and children, Fern, Myrl and Ray, of Bison; Mr. and Mrs. John Woody and children, Peggy and George, of Midland; Mrs. J. W. Woody, mother of John Woody, Houston Woody and Mrs. Hardin, Mr. and Mrs. Hardin and daughters, Louise and Laverne, Mrs. Pinkerton, and Mr. and Mrs. Ivan Gatlin and young daughter, Betty Lynn.

## Lydia Class Holds Monthly Gathering

Lydia Class members of the Baptist Church met recently at the home of Mrs. J. A. Woodfin with 14 members present. Following a business meeting, a social hour was enjoyed.

Members having birthdays during the past quarter were invited to take a gift from the birthday box. The pretty birthday cake was cut and served with ice cream.

## Mrs. Ralph Odom Made Conference Leader of Church

Mrs. R. H. Odom of Snyder, for more than four years secretary of women's work in Sweetwater District, was made conference chairman of Westway Service Guilds at the organization meeting of Northwest Texas Conference women in Memphis last Thursday and Friday. Nine Scurry County women attended the two-day meeting of the Woman's Society of Christian Service.

Representing seven Scurry County Methodist churches, the county women who were delegates to the conference were: Mrs. Harry S. Lee, Snyder; Mrs. S. A. Sifford, Inadale; Mrs. Paris McPherson, Union; Dora Anderson, Hermleigh; Mrs. J. N. Tinkle, Pluvanna; Mrs. E. A. Crowder, Ira; Mrs. W. C. Hooks, Dunn.

Mrs. Odom attended as Sweetwater District secretary, and Mrs. W. C. Birdwell was present from Scurry County, besides the delegates. Registration included 225 delegates, besides numbers of conferees and district visitors.

Sweetwater District led the conference in charter members in the newly organized Woman's Society of Christian Service. Mrs. Odom announces, and the district was one of the highest in reports of new members. Scurry County societies have 218 charter members, and 42 women are enrolled as never before having worked in the society. There are 1261 charter members in the conference and 277 new members.

Bishop Ivan Lee Holt was the conference convener, conducting devotionals and the installation of officers and charter service Thursday. Mrs. Ed Hutcherson of Memphis, relative of Mrs. Lora Miller of Snyder, brought greetings to conference guests.

New conference officers include

## "Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering! It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition. Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

## South America Is 20th Century Study

Program topics discussed by Mmes. Charles J. Lewis, P. C. Chenault, R. W. Cunningham and W. H. Cauble at the Tuesday meeting of Twentieth Century Club centered on Uruguay and Paraguay. At the meeting, held in the home of Mrs. Allen Warren, Twentieth Century Club continued its "Good Neighbor Tour" of other republics on the American continent, this week under the direction of Mrs. Lewis.

A salad plate was served at the close of the program to those on program and Mmes. J. E. LeMond, W. J. Ely, J. Nelson Dunn, H. M. Blackard, Joe Strayhorn, B. M. West, H. J. Brice, I. W. Boren and Bessie Perkins.

The following: Mrs. C. A. Bickley of Abilene, president; Mrs. J. H. Rutherford of Stamford, vice president; Mrs. J. O. Haynes of Big Spring, corresponding secretary; Mrs. W. T. Butler of Amarillo, recording secretary; Mrs. J. M. Simpson of Amarillo, treasurer.

Mrs. C. M. Randal of Seymour is retiring conference president. Mrs. J. M. Prothro of Midland replaces Mrs. Odom as District secretary.

## Typical West Texas Program Is Given

A program dealing with cattlemen and cowboys was heard at the meeting Friday of Ringside Study Club at the home of Mrs. C. L. Banks. Mrs. A. C. Martin was assisting hostess. The house was decorated with cut flowers.

Texas cattle brands were described in answer to roll call. Mrs. Carl Keller discussed the cattle industry in general, and Mrs. Martin told of the origin of the industry. Favorite cowboy songs were sung by Mmes. B. H. Moffett and N. W. Aury to close the program.

Sixteen members were present as the hostess served a salad course with cake and coffee. Next meeting will be an evening affair, at which husbands of members will be complimented, October 25. The forty-two party will be held at the Frank Arnet home at 7:45 o'clock in the evening.

## Cream Producer Can Help Quality Of His Products

A new method of determining whether or not cream is fit for human consumption is presenting a challenge to dairy herd owners of this territory, under a new federal food law being enforced by the Food and Drug Administration.

Enforcement of the law is achieved in this area, as elsewhere, by penalizing manufacturers for making butter out of old, cheesy, decomposed or filthy cream, but the responsibility is also shared by the producer, since his cream will be returned to him if it is below certain grades.

Although the new method of determining the fitness of cream, known as the mold mycelia count on butter, is no job for an amateur, there are several things the cream producer can do to help assure good quality in his cream, local produce buyers state.

Attaches at local produce houses, cooperating with the Texas Dairy Products Association and other interests in improving the quality of dairy products, make these recommendations:

Clean the cow's flanks and udder, and milk with clean, dry hands. Guard against the entry of dust or other foreign matters into the milk pail.

Strain milk before separating and cool cream immediately after separating. Avoid mixing warm cream with cool cream.

Keep cream covered in a clean, cool place, free from flies, dust, odors and other contamination. Clean the separator thoroughly after each use.

Clean and sterilize milk pails, strainers, cream cans and other utensils daily. Deliver cream at least twice a week, and preferably three times a week in warm weather.

## MESCAL IKE By S. L. HUNTLEY

## Sadler Troupe Will Open for Two-Night Stand Wednesday

County play-goers are placing on their "must" lists this week Harley Sadler and his all new stage show, which will be presented at the city fair grounds October 23 and 24.

Appearance of Sadler and his company here for two nights only is being sponsored locally by the Will Layne American Legion Post. Members of the Legion post urge the people of this territory to attend the 1940 edition of the Sadler stage show, since part of the proceeds will go to the local Legion post.

Sadler promised this week one of the finest attractions yet brought to Snyder. Besides outstanding plays, a marvelous orchestra is carried and vaudeville features will consist of many radio, stage and recording stars.

Opening play, Sadler announces, will be "The Lovable Old Grub," featuring Harley as the crotch old father, a play of outstanding merit and comedy galore.

Popular prices will again prevail this year. Children will be admitted for 10 cents and adults for 20 cents. Special reserved seats will be 10 and 20 cents extra, government tax included. Sadler's ad of his forthcoming show will be found elsewhere in this issue.

Mr. and Mrs. Ed Miller and daughter, Margaret, drove to Dallas Sunday to spend a few days at the State Fair of Texas. While there they were guests of Mrs. Miller's brother, J. S. Cook, an employee at the Republic National Bank.

## Union News

Mrs. J. B. Adams, Correspondent

Homier Beckett made a business trip to Beckett last week. Mr. and Mrs. T. F. McCutchen and children of Monahans visited in the J. E. Huffman home over the week-end.

Mrs. O. L. Morse has returned home from a three-week visit to Houston, Austin and Galveston. Mrs. Paris McPherson attended a conference of the Woman's Society of Christian Service at Memphis.

We are sorry to report that Tom Horton and little son are on the sick list at this writing.

Rev. and Mrs. Tinkle and Mr. and Mrs. J. L. Carrell were Sunday dinner guests in the E. B. Alexander home.

Mr. and Mrs. Mel Andress and son, Marvin, and Mr. and Mrs. O. L. Morse and son, J. D., visited Sunday in the Sharon oil field.

Mr. and Mrs. Paris McPherson and daughter, Margaret Bata, visited Sunday with H. B. Patterson.

## Bethel News

Mrs. R. L. Jones, Correspondent

Visitors in the J. E. Huffman home the past week were Hugh Huffman of Madero, California, Mrs. Leroy Smith of Colorado City, Mrs. D. V. Merritt and Doyle Bratton of Snyder, Eugene Trussell of Pflugmann, Mr. and Mrs. Clarence Brush of Martin and Mr. and Mrs. T. F. McCutcheon of Monahans.

Ethel Lynn Hays is at home for a visit. Her school dismissed for cotton picking.

Mr. and Mrs. Jake Grundman and daughter, Oleta, and grandmother, Mrs. Watts, visited last week with Mr. and Mrs. Mack Cordell in Calahan County.

Eugene Jones spent the week-end with Bobby Sealy.

Dinner guests in the R. L. Jones home Sunday were Mr. and Mrs. J. B. Adams and Mr. and Mrs. Virgil Jones and baby.

Mr. and Mrs. W. R. Shultz of North Snyder spent Sunday with Mr. and Mrs. Holly Shuler.

We are glad to report that Mrs. Homer Spence is improving from an attack of tonsillitis.

## Harley Sadler

Presented in this picture is the "one and only" Harley Sadler, who with his company, will give a two-night show in Snyder October 23 and 24. Sadler promises a new show this year from start to finish.

## BOY SCOUTS TAKE TRIP

Boy Scouts of the Hermleigh troop took a pleasure trip to Lake Sweetwater Friday night. There were 17 Boy Scouts making the trip; namely, Floyd Mize, Jimmie Charles Chorn, Otis Crumley, Billy Don Kinzey, Billy Bob Bayless, Johnny Womken, Lloyd Jackson, Billy Ray Vernon, Ray Draper Vernon, Keith Ray Vernon, R. G. Cranberry, Arch Shovden, Jessie Grabtree, Perry Mason, Jack West, Billy Jo Harkins and Harold Boyd Vernon. They were accompanied by Forrest Beavers, scoutmaster, and Bula Sturdivant, who drove the bus. All the Boy Scouts enjoyed the canoeing, which required good balance, and they also enjoyed swimming, scouting and fishing.

## PRODUCTS SHOW DISCUSSED

Discussions at the meeting of the Dermott-Martin Home Demonstration Club, held at the home of Mrs. Roland Sullenger last Thursday, centered on plans for the Scurry County Products Show to be held in Snyder this week-end. Mrs. Ruth Greenfield was honored with a shower.

Sandwiches, fruit salad and iced punch were served to Meses. Jessie Browning, Welch Scribner, Ruth Samples, J. T. Sullenger and Roy Elkins, guests; Meses. F. P. Kelly, W. W. Weathers, Johnnie Browning, L. N. Periman, Tom Davis, Theresa Scribner, Ruth Greenfield, A'len Stephens, Clint Reed, Albert Smith, Marie Flippin and the hostess.

Mr. and Mrs. E. L. Darby, Mrs. Madge Sims and son, Bobby, were week-end guests of Mr. and Mrs. Frankie Hall and daughter, Ann, in Odessa. They also visited with the R. L. Skiton family in Poyte.

## German News

Ollie Pagan Correspondent

Bennie Grizzell, who has been visiting recently with his father, T. E. Reed, left Thursday for New Orleans, where he will take up his duties on a ship. He went by way of Temple to visit his mother, Mrs. T. E. Reed, in a sanitarium there.

J. R. Wemken of this community went with the Boy Scouts of Hermleigh to Sweetwater Friday evening through Saturday.

Mr. and Mrs. G. W. Wemken visited in Lorraine Thursday evening.

James Hubert Wells of Snyder spent the week-end with James Pagan.

Mr. and Mrs. Edgar Wemken, accompanied by E. M. Mahoney and family, made a business trip to Ranger Saturday.

Mr. and Mrs. Aubrey Light and children of Plainview spent Sunday with Mrs. J. M. Pagan.

Mr. and Mrs. G. W. Wemken and sons, Truman, W. L. and Lloyd, visited Sunday with Mr. and Mrs. Alford Horn and family in Lorraine.

Folks, remember that Bargain Days are here for your home paper, The Times, and also daily papers when taken with The Times. Your correspondent will appreciate taking your subscriptions.

There was about one-fourth of an inch of rain which fell here Monday evening.

## Chenaults Hosts To College Group

Mrs. P. C. Chenault and daughter, Frances, were hostesses the past week-end to a group of Trinity University and Texas Technological College students, who formed a week-end home party here. The entire group left late Sunday, returning to Waxahachie and Lubbock. Here from Lubbock were Mrs. Chenault's son, Maxey, and his cousin, Charles Chenault of Wichita Falls, Tech student. The Trinity students arrived in Snyder Saturday night, after attending the Trinity-A. C. C. football game in Abilene earlier in the day.

In the Trinity sextet were Mrs. Chenault's younger daughter, Vivian, who is a senior student in the Waxahachie school, Fae Bockman, Virginia Youngblood, Henry Stuart, Frank Cates and Herman Bing.

Leota Glen left Sunday afternoon after spending nearly two weeks with her parents, Mr. and Mrs. C. T. Glen, returning to Amarillo, where she is employed in a government veterans' hospital.

## Inadale News

Mrs. Mamie Wells, Correspondent

Laverne Ware of Pflugmann spent the week-end with her sister, Arlie and Lottie Ware.

Weldon Douglas and Jerald Smith of California are visiting relatives and friends here this week.

Mr. and Mrs. Melton Pate and children of Sweetwater are visiting his parents, Mr. and Mrs. J. M. Pate.

Mrs. J. M. Pate has been on the sick list recently.

Mr. and Mrs. James had as their guests Sunday her parents, Mr. and Mrs. Less Butler and children, Mr. Mrs. Emory Tatum and son of Roscoe, Mrs. May Brown and son, Dan Rolene, of Wink and Jeraldine Molder of Roscoe.

Fossie Wells and Emma Mae Mannings went with their home economics teacher of the Pylon School to the Home Economics Rally in Sweetwater Saturday.

Mr. and Mrs. Lewis Williams and children of Sweetwater visited Sunday with their daughter and son-in-law, Mr. and Mrs. B. J. Clecker. Mr. and Mrs. R. P. Ware of Westbrook visited recently with his sisters, Arlie and Lottie Ware.

Mr. and Mrs. W. R. Bell spent a few days this week with their son, Roland Bell Jr., and his wife in Austin.

Opal Eberhard of Hermleigh and Dawson Moreland were in Abilene last Wednesday to attend the West Texas Fair.

## Locals Go To Big Spring Session of Funeral Directors

Mr. and Mrs. R. H. Odum represented Scurry County Tuesday at the Central West Texas District Funeral Directors' meeting that was held in Big Spring at the Settles Hotel. They were accompanied by Howard County by Mrs. H. T. Sefton, who visited Tuesday with her sister.

Approximately 60 funeral directors from Central West Texas towns were present for the gathering. Mr. and Mrs. Charley Eberly of Big Spring, Mr. and Mrs. Roy O. Nalley, also of Big Spring, and Mr. and Mrs. Clyde Brenson of Lamesa acted as hosts for the occasion.

J. L. Castleberry of Albany presided over the program presented. Principal speakers included Jimmie Greene, Big Spring Chamber of Commerce manager; Clyde Brenson of California, Jess Warren of Abilene and Willard Denton of San Angelo.

A banquet was given attendees Tuesday night at 7:30 o'clock.

Next quarterly meeting of the Central West Texas Funeral Directors will be held in Sweetwater in January.

Hosts for the gathering will include Mr. and Mrs. Ralph Odum, Mr. and Mrs. Howard Yates of Sweetwater and Mr. and Mrs. N. H. White of Colorado City.

Mr. and Mrs. W. R. Bell spent a few days this week with their son, Roland Bell Jr., and his wife in Austin.

Opal Eberhard of Hermleigh and Dawson Moreland were in Abilene last Wednesday to attend the West Texas Fair.

## Dawson County Fair Attracts Local Folks

Visitors from both Scurry and Borden counties were attracted to Lamesa Saturday for the final day festivities of Dawson County's annual fair. Attendance was boosted greatly by fair weather.

Grounds, still wet from Thursday and Friday rains, were almost trampled dry Saturday by visitors from neighboring counties of the Lamesa area.

Approximately \$500 in premiums and additional ribbons were awarded to winners in agricultural and livestock exhibits. Many poultry and agricultural products, not eligible for prizes, were displayed by farmers of counties adjacent to Dawson County.

Mrs. Kate Risinger of San Diego, California, is a guest here of her father, A. J. Gurnes, and sisters, Mrs. Eugene Kruse of Ira and Polly Carnes, surgery patient in the local hospital.

Snyder Wins First Conference Game from Roby Friday, 14-7

Tigers Held To Low Score When Lions Show Class

GAME AT A GLANCE table with columns for various football statistics like Yards Rushing, First Downs, Passes Completed, etc.

It was a fighting bunch of Roby Lions that held the Snyder Tigers to a 7-14 score at Roby last Friday night.

First score came in the opening quarter of the game when Neal, two-letter man for the Tigers, took the ball around right end to get in the open and then ran 85 yards to pay dirt.

Following the half-way marker, tough breaks for Snyder led to the Lion score. Spikes received the kick-off, bringing it back to the 40 before being jarr'd loose from the ball when he was hit hard by a Roby lad.

Hard-fighting Class B Hermleigh Cardinals came from behind last Thursday to tie and then whip a fighting bunch of Fluvanna Buffaloes in their initial conference melee.

It was from there on a long pass from Fagan to Cooper that the Roby team got their chance to tie the Tigers as they did for the time being.

From there the Tigers again took control and in a few plays, Blanchard was well on his way for a spectacular 70-yard sprint for the deciding touchdown.

Calling the game were Beans McCasland, Loraine, referee; Truett Pulcher of Hardin Simmons, head line-man; and Bud Reeves of Hardin-Simmons, umpire.

STARTING LINE-UPS table listing players for Snyder and Roby teams.

SCORE BY QUARTERS table showing the score progression by quarter.

When Coach Jack Cisco of the North Texas State Teachers College wants to write speed on the gridiron this fall he does it in capital letters, for if he wishes, he can start college football's fastest foursome against his opponents. Shown above are

Cisco's flashy little scatbacks, all of whom can pace the hundred in several hairs less than 10 seconds.

Cardinals Rally To Beat Fluvanna In Thursday Tilt

Hard-fighting Class B Hermleigh Cardinals came from behind last Thursday to tie and then whip a fighting bunch of Fluvanna Buffaloes in their initial conference melee.

Fluvanna grabbed an early lead when Brown took the ball about 60 yards to pay dirt early in the first quarter.

First downs favored Hermleigh, 12 to 5, as the Scarlet and White boys displayed a versatile running and passing attack.

Fluvanna's starters were: Squires, center; Mariner and Sallenger, guards; Johnson and Lilly, tackles; Love and Wilson, ends; White, Brown, Landrum and Ball, backs.

A rustic who saw a lady artist sketching a landscape in which she had given prominence to the sky, took a respectful interest in the work.

"Ah," said the lady artist, "Perhaps to you, too. Nature opens her sky-pictures, page by page. Have you seen the lambent flame of the dawn leaping across the livid East—the red-stained, sulphurous lelets floating in lakes of fire in the West—the ragged cloud at midnight, black as a raven's wing, blotting out the shuddering moon?"

"No," replied the man—"not since I gave up drinking."

Third Conference Win Chalked Up By Colorado City

GAME AT A GLANCE table for Colorado City vs. Merkel.

Colorado City's Wolves assumed the rider's seat in the race for District 6A football honors by beating Merkel's Badgers, 13 to 0, in a bitter-fought game at Merkel Friday night.

Johnny Grubbs, 145-pound will-o'-the-wisp halfback of the Wolves, had a part in each of the visitors' points. He passed to Wingman Wade for 12 yards and the first touchdown.

Grubbs slashed off tackle for three yards and the final touchdown in the last 10 seconds of play. On the previous play he had run off tackle for 25 yards.

The Wolves also had one touchdown called back. The badgers threatened in the fourth period, moving to the 10-yard stripe before a penalty shoved them back.

Colorado City—Ends, Wade and Woods; tackles, Coffey and Webster; guards, Cooper and Feaster; center, Coker; quarter, McCordie; halves, Grubbs and Smith; full, Allen.

Merkel—Ends, Cox and Hickam; tackles, Reynolds and Davis; guards, Rutledge and Gibson; center, Coates; quarter, Melton; halves, Bryant and R. Smith; full, Warren.

Loraine Bulldogs on Schedule for Tigers Friday Bill of Fare

It will be a newly-inspired bunch of fighting Tigers who resume their march toward a perfect conference standing Friday night when they tangle with Coach Beans McCasland's Loraine Bulldogs.

The game will be played at Loraine beginning at 8:00 o'clock Friday night.

All the boys are in good shape for the melee and Dale Reed, veteran back, who withdrew from school last week, is now back in the starting lineup.

Starting guards will probably be Bill Miles and Leonard Keller. Several boys are trying hard for their positions and it is likely that Robert Boren, Jimmy Burt and Marshall Erwin will see service in the game Friday night.

Probable starting lineup for Snyder—Lynch and Terry, ends; Mebane and Bates, tackles; Miles and Keller, guards; Snyder, center; Blanchard, Reed, Neal and Spikes, backs.

By JAY ROGERS

From reports coming out from Tiger stadium, there will be virtually a new Tiger squad on the field next Friday night against Loraine in comparison to what fans saw perform against Roby last weekend.

Mrs. Ella Gann of Odessa, sister of Dr. A. C. Leslie, arrived Monday to spend several days with Dr. and Mrs. Leslie and daughter, Thelma.

If you saw Red Neal play in the game against Roby the other night, you saw a fair example of just the kind of ball that he is capable of playing when the occasion demands.

Two luckless lads on the Tiger team met just a little more than their match in the Roby game and were forced to call for a little breathing spell.

Southwest Conference games are gaining much interest in Snyder these days. Nearly any store that you visit on Saturday afternoon that carries a radio, has the dial turned to one of these melées and an anxious, interested crowd will be gathered around listening.

In punting, Schmidt of Arkansas led with a 45-yard average; McKay of Texas was next with a 43.7 average and Layden, also of Texas, third with a 42.2-yard average.

Advertisement for Airport Tavern, featuring a large image of a woman and text listing menu items like 'FRIED CHICKEN', 'MEXICAN DISHES', 'STEAKS', 'CHINESE FOOD', 'CHINESE DISHES', 'SANDWICHES', and 'AIRPORT TAVERN, Sweetwater'.

Junior High Cubs To Play Post Tilt Today

Snyder Junior High Cubs play a return game with Post on Tiger Field this (Thursday) afternoon starting at 3:30 o'clock.

Coach S. L. Morgan says that all of his boys will be in good shape for the game. Bobby Sims, regular guard who was out of last week's game with the flu, will be back in the starting lineup.

Probable starting lineup for Snyder—Dorffman and Deavers, ends; Townsend and Buchanan, tackles; Sims and Mebane, guards, Major, center; Crenshaw, Hicks, Everett and Stanfield, backs.

Colorado City Meets Roscoe in Crucial Tilt

Loop-leading Colorado City Wolves meet the defending 6A champions of Roscoe Friday night in a conference tilt on the newly-lighted Roscoe football field.

Colorado City has lost only one game thus far and is favored over Roscoe, who has dropped three games and tied two.

STANDINGS

DISTRICT 6A CONFERENCE STANDINGS table.

SCURRY COUNTY CLASS B TEAMS (Conference Standings) table.

HERMLEIGH VS. DUNN

Hermleigh's loop-leading Cardinals play their second conference game of the season Friday afternoon when they meet the Dunn Owls at Dunn. The highly-favored Hermleigh boys have won three games out of three starts this year for a perfect record, while Dunn has failed to win a game.

Lamesa Crew Drubs Junior High Cubs, 6-0

In a slow game on a wet field the Junior High Tiger Cubs dropped their fourth game of the season to a Lamesa club, 6-0, last Thursday.

It was the third defeat of the season for the lads but Coach S. L. Morgan declared that the boys played a good offensive game all the way. Their main trouble, seemingly, was on defense for running plays, and it was through this weakness that Lamesa made their score.

The fast game, featuring eight-minute quarters, was marred by off-side penalties for the local club. Bobby Sims, guard who was out of the game because of illness, was replaced by Sears Sentell.

## THE ROCKING CHAIR

Democracy was born and raised in a rocking chair. Today we are neglecting the importance of both these ways and means of life.

Changes often take place in our daily lives with the passing of the years that are of tremendous importance to us. Yet we seem unmindful of the fact until it is called to our attention.

The rocking chair, one of the greatest benefactors to our society, is quietly dying without public notice. With its passing we have seen the arrival of a new American social affliction, "nerves" or "jitters."

This phenomena took place first in the cities where style decreed the passing of the rocking chair. Those who create the nation's style are unwittingly responsible for this banishment.

There has been no single institution in American life that has wielded a more powerful influence on behalf of democracy than the little rocker. It has served our family and mine well throughout the years. "Nerves" and "jitters" were unheard of when the tempo of the nation was set to the "rhythm of the rocker." It was an outlet that afforded complete relaxation.

Nerves and judgment as well as men were sounder in those days. Neighbors were real neighbors after they visited and rocked awhile. No matter how great the storm, our silent friend—the rocking chair—was always a protecting haven.

Somehow, those precious hours between parent and child in the rocking chair have a way of lasting across the expanse of years. It takes to make a lifetime. No child can ever forget the warmth of his mother's breast nor the beauty of her voice while being rocked to sleep night after night. Fathers can be remembered as having showed their greatest affection in those twilight hours that seemed to have been created for rocking.

The rocking chair has been the only place where complete understanding has been found between parent and child. The parent felt the obligation of guidance for the child which the child accepted without question.

Many of the ills that have befallen us as a people have come about because the older generation has not fully discharged its obligation to the young. This applies not only to little ones who love the experience of the rocking chair. It is equally applicable to the young men and women who are about to begin their careers as parents. More people should realize that our early years make us what we are, and therefore in large measure determines our chance for success in striving for what we want to be. Excuses for this negligence

with Warren Williams, Jean Muir, Victor Jory and others. Family Nights.

## NEW SERVICE OFFERED BOYS BY RED CROSS

Personal, Family, Health Problems Will Be Handled Through New Functions of Organization

To relatives and friends of men who registered Wednesday for military training, R. G. Dillard, Roll Call chairman of the county Red Cross chapter, extended an assurance today (Thursday) the Red Cross is making full preparations for expansion to deal with welfare problems of all men who enter service, as well as their families at home.

Pointing out that the Red Cross is the government's official agency chartered to deal with personal or family problems of men of the army and navy, Dillard said the public will be asked for increased membership support during the organization's annual Roll Call, November 11 to 30, that military, public health, first aid and other National Defense responsibilities of the Red Cross may be met adequately.

"Increased staffs of chapter home service workers, and field representatives at training points," Dillard stated, "will assist the men or their dependents in matters of illness, emergencies, material relief, obtaining of information needed by military authorities for furloughs or dependency discharges, advising in business difficulties, obtaining of employment for a member of the family and other problems."

"Army hospitals have already asked for more than 4,000 Red Cross nurses to be on duty by next July. The first groups were called September 15, and another yesterday. For convalescent, Red Cross 'Gray Ladies' will write letters, read books, provide games and other amusements. Red Cross volunteers will make comfort items for hospitalized men."

"Among other preparedness measures being taken by the Red Cross, our chapters will be expected particularly to train more women and girls in home hygiene and prevention of disease as a civilian safety measure, train additional thousands of first aiders in industries affected by war materials production, increase enrollment in the Red Cross nursing reserve corps and in nurse's aide special courses for training of assistants in civilian hospitals in time of national emergency. In addition, they must continue to produce garments and surgical dressings for use overseas and here at home. This expansion will take into account, also, the continuing need of domestic Red Cross peacetime services."

**Stonewall Test Gets Operators' Attention**

Scurry County operators expressed a considerable amount of interest late Wednesday in Shell Oil Company's No. 1 Patterson, deep Stonewall County wildcat, west of the Cargile pool, and a test in which geophone survey is being run. This well may result in acreage being blocked in Northeast Scurry County in the near future.

The geophone survey was being run late Wednesday after taking a Schlumberger electrical survey to determine point of saturation in the Ellenburger, lower Ordovician. It is bottomed at 6,760 feet, 23 feet in the Ellenburger, which shows oil standing in cores at 6,737-45 feet. Location is in Section 393, Block D, H&TC Survey.

Mrs. V. G. Young of Midland is a guest here of her mother, Mrs. R. M. Stokes, other relatives and friends.

have been many, but the most common one has been "too busy." It should be properly stated as "too busy going around in circles." Efficient progress results from carefully thought out plans being properly executed by men and women of calm thought and action. A little thinking to the "rhythm of the rocker" will make individual and national progress more efficient while adding a great measure of happiness to the lives of all of us.

You will find no rockers in the halls of dictators. They know that the propaganda which is their life blood cannot influence a satisfied people. Many a wild-eyed radical is to be pitied rather than condemned because he never had the advantage of the rocking chair. Look back at the little rocking chair in a new light. Let us reclaim it and gather for ourselves and our children the many happy hours, and the resulting happy years to be gained only through this great American institution.

## Cotton In the Ditch New Practice

Comparatively inexpensive and virtually as effective as concrete, a lining of cotton fabric and asphalt is being laid in this irrigation ditch near Grace, Idaho. Prior to this lining the canal sustained a water loss of from 20 to 30 per cent for years.

After being lined with cotton fabric and asphalt, the average loss was only four tenths of one per cent. Irrigation ditch lining is one of many new farm uses for cotton which may eventually consume hundreds of thousands of bales a year.

**Stimson Reports Trip to State Pen For Lions Club**

A report of Lion J. O. Stimson on his week-end visit to the state penitentiary at Huntsville, accompanied by several other county people, composed a highlight of Tuesday's Lions Club luncheon in the Manhattan Hotel.

Stimson gave some interesting details of his visit to the prison's printing plant, shoe shop, license plate making department, mattress making plant and the prison roeoe.

Stimson, who was accompanied to Huntsville by Mr. and Mrs. Jesse Koonsman and daughter, Wanda, and Mr. and Mrs. Alvin Koonsman, stated the largest crowd he had ever witnessed attended Sunday afternoon's prison roeoe.

R. G. Dillard, Chamber of Commerce manager, stated, "Final details were sealed up for the opening here this (Thursday) evening of the county's Third Annual Products Show, an event that is scheduled to eclipse anything of its nature presented here before."

"There will be more livestock, more cotton, more sheep and more booths exhibited here than at any previous show," Dillard continued, "with attendance slated to break all records for a free show of this kind."

## 1940 Wheat Crop Indemnities Being Settled Rapidly

The indemnity phase of the 1940 crop insurance program is heading down the home stretch with 68,676 insured wheat growers, including a number of Scurry County growers, having been paid nearly 15,000,000 bushels of indemnity through September 11, the county agent's office reported Wednesday.

Claims for wheat crop insurance in this trade zone and other parts of the nation's wheat-growing areas have been settled on losses caused by practically every hazard known to the wheat growing industry—too much rain, not enough rain, dry weather, cold weather, insects, hail and a long string of other natural enemies, Claude D. Cotten, local agent office attaché reports.

Indemnities paid now by the Federal Crop Insurance Corporation exceed 1940 premium collections by about 173,000 bushels. It is anticipated, Cotten continues, that the corporation will have to dip considerably further into its cash reserve before all 1940 settlements have been made.

Mrs. V.—"Our George will be in the hospital a long time."  
Mrs. V.—"Why? Have you seen the doctor?"  
Mr. V.—"No, but I have seen the nurse."

"Why keep worrying about the children?"  
"I can't help it."  
"But, my dear, you are hurting your brisge game."

Mmes. N. M. Harpole and Melvin Newton, Polly Harpole, Katherine Northcutt, Violet Bradbury and Ra Ruth Newton attended the State Fair in Dallas the past week-end.

Him—"Didn't the kiss I gave you make you long for another?"  
Her—"Yes, but he is away on a business trip and won't be home until next week."

## Snyder General Hospital

A son was born to Mrs. John P. Gatlin in the local hospital at 5:05 o'clock Tuesday afternoon. The baby weighed six pounds nine ounces. Mr. and Mrs. Shelton Holmes are announcing the arrival of their nine pound five ounce son. Young Holmes was born at 3:30 o'clock Monday morning. Mmes. Gatlin and Holmes and their small sons were still in the hospital late yesterday.

Mmes. John Wesley Norred and Tim O. Cook and their sons, John David and Gerald Tim, were still in the hospital Wednesday of this week as was Mrs. N. C. Wilson, who is recovering from an accident four weeks ago.

Arthur Townsend Jr. had a tonsil operation Wednesday and was still in the hospital early today. O'Don Stevenson is suffering from an eye infection in the local hospital this week, and Mrs. Scrivner is a medical patient. Pauline Cernes of Alcee and Mrs. Fred Martin are this week's surgeries.

Margaret Deakins was a week-end guest of the Bert Kings in Dallas.

### Winter Vegetables In Valley Promising Usual Abundance

The usual fall and winter vegetables will be available this season to grocery men and market owners of Scurry, Fisher, Borden, Nolan, Mitchell, Kent, Garza and other Central West Texas counties, but not in excessive quantities, the U. S. agricultural marketing service predicted this week in its October 1 report on Texas truck crop conditions.

The service states growers are exerting greater caution than usual in seeding and transplanting. Higher priced seed and probable limited quantities of some varieties are resulting in better care for seed beds and some holding back for more favorable conditions.

Large acreages of carrots have been planted in the lower Rio Grande Valley and winter garden section. Early cabbages, however, are expected to be limited.

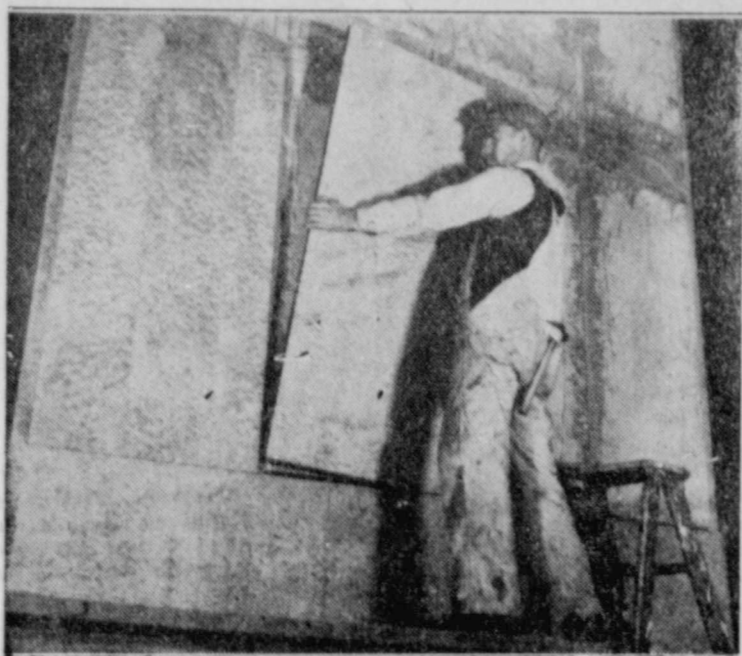

A survey conducted this week among local grocers and market owners reveal that plans are being made with wholesalers of truck garden products to give Scurry County people the choice offerings of fall and winter vegetables.

### Hermleigh Adopting New English Books

Hermleigh School adopted this week a system of English notebooks which will be used from the fourth through the eleventh grades, Superintendent A. C. Bishop Jr. reports.

"This year," Bishop states, "will be one in which we will emphasize the importance of English as a basic grammar and high school subject. We are making every effort possible to make our students more speech and English conscious."

### Want Cotton in Your Walls?

Large panels of a new decorative wallboard made of cotton, wood and steel are installed at Rockefeller Center, New York. The material, called bonded metal, is made up of a thin layer of steel, a layer of cotton cloth and a layer of wood, bound to-

gether by special adhesives. Though the wood itself is less than a sixty-fourth of an inch in thickness, it gives the appearance of a solid board. The new product, which is a promising outlet for cotton, is being widely used in public construction.

The man at the theater was annoyed by the conversation in the row behind.

"Excuse me," he said, "but we can't hear a word."

"Oh," replied the talkative one, "and is it any business of yours what I'm telling my wife?"

Said the math prof—"Now watch the board while I run thru it again."

### Former Pastor Goes To Church Festivities

Rev. R. W. Roe, former Scurry Baptist minister, who has held a number of pastorates in both Scurry and Fisher Counties, was one of the former pastors who attended sixty-first anniversary service observances of the Lebanon Baptist Church at Frisco Friday.

The Lebanon church was organized in 1879 by Rev. I. B. Kimbrough, with 21 members. Rev. Roe, who now lives near Llano, reports the anniversary services of the Lebanon church Friday were well attended, with many pleasant memories recalled by former pastors of the church who attended the festivities.

### First Christian Church

Bible School will be held Sunday morning at 9:45 o'clock, with regular church services to be held at the 11:00 o'clock hour.

Junior and Senior Endeavors will be held Sunday evening at 7:15 o'clock, with preaching to be held at 7:45 o'clock.

Preaching services will be conducted at the First Christian Church morning and evening, each first, third and fifth Sunday.

We extend you a cordial invitation to attend every service possible at our church. "Let us come unto the House of the Lord to worship."—M. E. Hutson, pastor.

For an hour she had listened to the conversation of a fatuous admirer.

"I was hit by an automobile last week and knocked senseless," he remarked, during a lull.

She—"When do you expect to get your senses back, sir?"

### Scurry County Folks Attend Fisher Song Convention Sunday

Appearance on program of the Idis Allen Quartet of Turner, Dewey Niedeken, J. M. Glass and other Scurry County singers composed one of the highlights Sunday of the Fisher County Singing Convention, held at Longworth.

In addition to the Scurry County Quartet, other special numbers were given throughout the day by the Hobbs, Hamlin, Roby and Sweetwater Girls' Quartet.

An old-fashioned basket lunch, replete with trimmings, was spread at the noon hour, with special emphasis given to feeding out-of-the-county visitors.

Roby was successful bidder at the convention's business session to entertain the Fisher County Singing Convention at Roby the second Sunday in March.

Scurry County singers who attended the Longworth gospel song fest included Mr. and Mrs. Idis Allen, Mr. and Mrs. J. M. Glass, Mr. and Mrs. J. T. Glass, all of Turner; Mr. and Mrs. C. L. Banks and daughter, Laura, Mr. and Mrs. Leon Quinn and Dewey Niedeken, of Snyder; Mr. and Mrs. W. O. Moore, Mrs. Dink Carnes and Mrs. R. E. Deavers, of Hermleigh.

Mr. and Mrs. Banks and daughter, Laura, visited after the convention's conclusion with Mr. and Mrs. Travis Green, teachers in the Longworth School.

### Canyon News

Mrs. Dayton McCarter, Correspondent.

Little Bette Jane Goolsby of the Bison community spent a part of last week with Mr. and Mrs. Edwin Goolsby and daughter.

Mr. and Mrs. Dayton McCarter visited Saturday night and Sunday with Mr. and Mrs. Jimmie Hill in the Murphy community.

Rev. J. W. McCaha will preach his anniversary sermon at the Canyon school building Sunday, October 20. Dinner will be spread at the noon hour and everyone is cordially invited to attend.

An Odom ambulance driven by Galthier Bell was sent to Alice last Tuesday for Polly Carnes, who became ill earlier in the week. Daughter of A. J. Carnes of Snyder, Miss Carnes was operated in a local hospital Tuesday of this week. Accompanying the ambulance to Alice last week were Dr. Grady Shyites and Miss Carnes' sister, Mrs. Eugene Kruse of Ira.

Wallace Smith was down from Lubbock, where he is a Texas Tech student, to spend the week-end with the W. W. Smiths.

MALNUTRITION IS PREVALENT ON W. T. FARMS

Survey Conducted by FSA Reveals That One-Third of Families in Nation Below Safety Line

We have discovered, as a result of a survey recently conducted by the Farm Security Administration and the Bureau of Home Economics of the U. S. Department of Agriculture that a third of the farm families in West Texas and the nation are below the safety line in nutrition.

"We realize, in working with our FSA clients in the county, that it takes careful planning to buy good nutrition cheaply. It takes a considerable amount of planning to make out market lists for a week at a time to be sure the meals fit together and make a balanced diet.

"To make the most of food values, if we are to make our citizens strong and able to resist bodily disorders of any kind," Seely pointed out, "it is a good idea to serve fresh fruit for breakfast, for instance. Serve raw vegetables in salads, or cut them in narrow strips to make a crunchy relish. When vegetables are cooked, short cooking in a small amount of water cuts down the loss of vitamins and minerals.

"We have noticed during the past few months, in working with county farmers and their wives, that people in Scurry County are becoming acutely diet conscious, and want to banish forever rickets, pellagra and other diseases that come from faulty nutrition," Seely pointed out.

"We also find that the American idea of diet as Scurry County people interpret it, calls for more than just simple protection from disease. People in this trade zone want to be sure the food they eat helps toward abounding good health.

"Since people in this area are anxious to see that Scurry and nearby counties are not listed in the West Texas belt where one third of the farm families are below the safety line in nutrition, we want you to write the U. S. Department of Agriculture, Washington, for a free, helpful bulletin in diet planning, 'Diets to Fit the Family Income,'" Seely concluded.

Coffee Concern Opens Contest to Local Consumers

There is happiness ahead for the housewives of this trade area in the form of a contest they will enjoy entering. An advertisement on Page four, Section II, of this issue tells all about 10 weekly contests being sponsored by Duncan Coffee Company, roasters of Admiration coffee.

There will be a new contest each week with a first prize of \$100 cash, second prize of \$40 cash, third prize of \$20 cash and 20 cash prizes of \$1 each. The contest is very simple. You merely write in 25 words or less why you prefer Admiration coffee.

It is pointed out by Duncan Coffee Company officials that at this contest should have an especial appeal to the housewives of Scurry, Fisher, Borden, Nolan and other nearby counties, since it is restricted to the Southwest.

The \$3,000 contest is but a part of the Admiration fall and winter advertising campaign, which is reputedly the largest and most extensive campaign in Southwest coffee merchandising history.

Roby Quartet Heads Plainview Song Menu

Appearance on program of the Roby Quartet and a number of other Fisher County singers featured Sunday evening's regular bi-monthly song fest held at Plainview School, six miles east of Snyder.

Leaders of the Plainview community state their second and fourth Sunday night singings are being so held that the first and third Sunday night singings at Mt. Zion may be held without any type of interference. Singings at both communities are attracting a number of Snyder people.

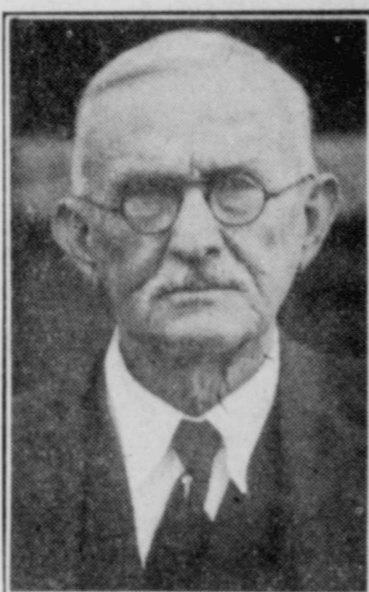

J. W. McGaha to Preach Sermon of Three Score Years Age at Church He Has Preached in for 40-Year Period

Preaching the Word of the Gospel for 61 years has been the unusual experience of Rev. J. W. McGaha of the Canyon community. He has preached in pulpits from Alabama to Texas, and in practically every Central West Texas community.

This long period of service as a soldier of the cross will be celebrated Sunday morning, when the pioneer Baptist minister will preach at his home church in the Canyon community.

Rev. McGaha, now 82 years of age recalls very well the sermon subject of the first sermon he arranged back in Alabama when he arose, at 21 years of age, to give his first gospel message to the world. The text was "For What Shall It Profit a Man," based on Mark 8:36.

For 40 years, except for a little "furlough" eastward, "Brother" McGaha, as folks of every creed know him, has been living in Scurry County. He settled in the Canyon

community, then the most densely populated area of the county, and has continued to live there.

Commissioners Iron Out Highway Matters

Spirited round-table discussion featured the regular monthly meeting of the Commissioners' Court Monday. Both monthly and quarterly reports of county officials were checked and approved, members of the court report.

Business of a vital nature to the county's general welfare was trans-

A man went to a secret service agency to report the disappearance of his wife. After a few days the agency announced that the thought they had found her.

"What did she say?" "Nothing." "Then it wasn't my wife."

acted, and problems affecting further road development in the county ironed out.

M. E. HUTSON IS NEW MINISTER OF CHRISTIANS

Kansas Man Accepts Place Vacated Several Months Ago by E. B. Chancellor—Moves Here

Congregation leaders of the First Christian Church announced this week the naming of M. E. Hutson of Lafontaine, Kansas, as their new minister. Hutson replaces E. B. Chancellor, who resigned as minister of the local church several months ago to move to Wink.

Bro. Hutson, who comes here well recommended, has the distinction of being the city's youngest minister—he is only 23 years of age. Rev. and Mrs. Hutson are residing in an apartment in the basement of the local church.

"We are deeply impressed with the Snyder community as a privileged place to live," Hutson stated this week, "and we want people of this community to feel free to call upon us anytime we may be of service. Anytime we may be of assistance with city or school activities, we would appreciate people contacting us, or calling 258-J."

Hutson will conduct preaching services here the first, third and fifth Sundays of each month. The former Kansas minister will conduct services the second and fourth Sundays of each month at the First Christian Church in Post.

Then there's the story of the Scotchman who would allow his children to have only one meal at a time.

Black Candy

R. T. Cornelius, a colored man from "uptown" colored section of Waco, caused some snickers Saturday night at the Dawson Service Station, 1618 36th Street, when he stated some female passengers in the car he was driving, en route to the Plains, needed some "sweets," and wondered if Snyder had any drug stores.

A bystander told Cornelius where the city's drug stores were located, and became so curious after the colored folks drove away from the station that he followed the Negro to a local drug store. The incident had a very surprising ending when the "sweets" the colored "gent" referred to turned out to be 12 cents worth of licorice candy, replete with twists and cellophane wrappings.

ALL SECTIONS OF COUNTY IN DISPLAY ROW

Largest Number of Communities in History of Products Show File Places for Exhibitions

"A careful checkup early this (Thursday) morning indicates that community booths, numbering approximately 18, promise to set an all-time record at our 1940 Products Show," Mrs. Roy Hargrove of Ennis Creek, chairman of the community booth division, states.

"People of our various county communities," she continued, are showing more interest than previous in arranging booths for their respective communities, indicating that Product Show visitors can expect a real treat where community booths are concerned."

Mrs. Hargrove is joined by Harrie Winston, Products Show president, and other officials in extending the public a cordial invitation to inspect the 18 community booths which will be on exhibit at the current exposition, which officially opens this (Thursday) evening at 7:00 o'clock.

Booths from the Camp Springs, Ennis Creek, Pryor, Hermleigh, Dunn, Fluvanna, China Grove, Hobbs, Polar, Dermott, Pleasant Hill and other communities are expected to be in place this (Thursday) evening by 6:00 o'clock.

A pre-show glimpse of things that will be on exhibit at community booths indicates that county people will display more farm products this year than ever before, more canned goods and more feed and grain stuff.

Choice specimens of grain stuff being brought into town today for exhibit in community booths included heads of milo maize, kafir corn, feterita, sudan grass and other varieties of feeds produced this year.

Squashes, beets, beans, peas, radishes, egg plants, tomatoes, pears and peaches were included in some of the vegetables and fruits that will adorn appropriate spaces in community booths. Examples of needlers will also be shown in some of the booths.

Booth floors are being covered with cottonseed hulls, which are being furnished by the respective communities.

Individual awards, Products Show officials point out, applying to the community will be those won in the General Exhibits and Home Economics Department. No livestock or poultry awards will apply to this award.

Awards of ribbons, Mrs. Hargrove emphasizes, will be given to the community having the greatest number of individual awards in the Livestock and Poultry Department.

Community booths placing first will receive blue ribbons, those second will receive red ribbons, and booths placing third will be awarded white ribbons.

Following is the schedule of points given for displays in the community booths—the total number of points being 1,000.

Two varieties of head feed (10 heads each), 100 points.

Two varieties of bundle feed (one bundle each) 100 points.

Four varieties of fresh or canned fruit, 100 points.

Four varieties of fresh or canned vegetables, 100 points.

One-half gallon dried peas or beans, 50 points.

Twenty bolls of cotton, 100 points.

Five other products not listed above, 150 points.

Greater number individual awards in the General Exhibits and Home Economics Department from the community, 150 points.

Originally and neatness, 150 points.

Excellent attendance marked a feature of the Mitchell-Scurry Baptist Association brotherhood meeting that was held Tuesday night at Union. Brotherhood members from both counties attended the gathering.

Rev. Joe Williamson gave an interesting talk on "Defense For Our Youth," with scripture for the program read by Rev. Lon Ward of Wastella.

Edgar Eades spoke on "Things I Can Do to Help My Pastor." Special songs for the occasion were given by a Snyder quartet, composed of J. T. Patrick, Jack Inman, Willard Jones and E. J. Bradbury.

Snyder was successful bidder for the January brotherhood meeting, which will be held here the third Thursday night in the New Year's first month.

Consumption of Cotton By Mills Helps Prospects

(Editor's note: An authoritative summary on the general cotton outlook for Scurry, Fisher, Garza and other counties of the state is given Times readers this week, in the following article, by the agricultural marketing service of the U. S. Department of Agriculture.)

As to the outlook for the domestic use of cotton, prospects continue unusually favorable. Figures for the amount of cotton used in September are not yet available, but for August domestic mills set an all-time high record for August consumption.

Mill activity for September indicates that when figures are available for the month just closed, they will probably set an all-time record for September cotton consumption.

How much cotton mills use depends upon the orders they have on hand and prospects for future business. This would take into consideration, of course, all stocks of finished goods and materials that are in the process of manufacture.

Also, the effects of general business conditions must be taken into account and funds that are being made available for defense expenditures. Money already spent for defense projects has improved business along several lines. It has increased payrolls, and increased payrolls will mean increased buying power among all classes of consumers where cotton products are sold.

With conditions now prevailing, it appeared that mills in the United States probably will use even more cotton during the 1940-41 season than they used during the marketing season for last year's crop.

The foreign outlook for cotton and goods is much less promising than usual. It's decidedly unfavorable. At the present time, three countries are taking most of our cotton exports. Many of our usual markets are cut off from supplies.

So the cotton situation, as a whole, takes in a domestic situation and outlook that is very favorable to America, probably more favorable than ever before. But it also takes in a foreign situation and outlook that is much less favorable than we have had at any time during the past 60 years.

Highlight of the group's visit to Huntsville was the witnessing Sunday afternoon of the prison system rodeo. The county group reported that attendance at the rodeo exceeded anything they had seen this year.

Stimson states prison system officials are striving to improve the penal system of the state generally, and that more humane treatment of prisoners is the thing prison system officials report they are giving their attention to at the present.

After coming in from a twenty-mile hike the officer in command of a Negro company said, before dismissing them, "I want all the men who are too tired to take another hike to take two paces forward."

All stepped forward except one big husky six-footer. Noticing him, the officer said, "Well, Johnson, ready for 20 miles more?"

"No, sah," replied Johnson, "Ah'm too tired to even take dem two steps."

# The Times' Weekly Page of WORLD NEWS IN PICTURES

## Old U. S. Tanks Arrive in Canada

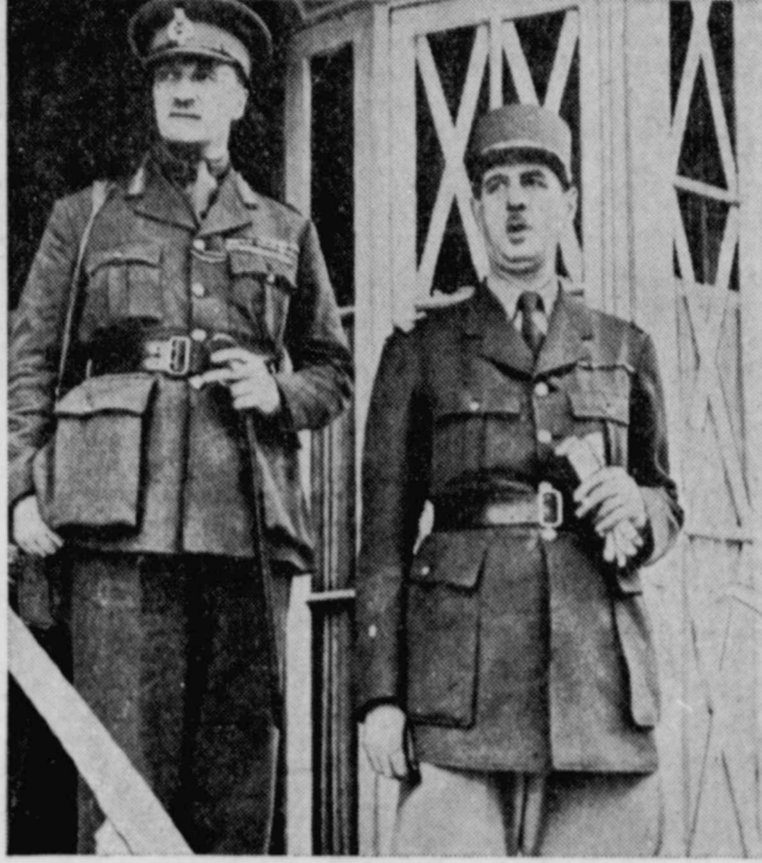

A long trainload of "whippet" tanks of World War vintage is here shown arriving at Canada's Camp Borden. These ancient tanks were turned over to Canada by the United States government. They are too old for actual combat duty in these days of highly mechanized warfare, and will be used to train Dominion tank corps.

## Slain!

Soundphoto of Fu Siao-En, mayor of Shanghai and Japan's most colorful of puppet rulers in China, who was assassinated while he slept in his home in Honkew.

## Bearing Brunt of Dakar Blame

A recent picture of Gen. Charles de Gaulle (right), leader of "Free France," and Brig. Gen. E. L. Spears, who has been acting as liaison officer between De Gaulle and the British government. These two men have taken the brunt of the blame for the ill-fated naval expedition against Dakar, French colony in Africa.

## Savior of Britain

Air Chief Marshal Sir Hugh Dowding, boss of Britain's air fighter command, Marshal Dowding is the unsung hero of Britain's stiff resistance to the Nazis in the air.

## Made-to-Order Miracles

The advent of television created quite a nifty set of headaches for that corps of geniuses known in the radio world as "special effects" men. In radio work, it was a simple matter to simulate the explosion of a pistol by dropping a book flat upon a table. But in television the "unseen audience" wants to SEE that pistol. These photos show how the "special-effects" department tackles the job.

Right: A group of spiders, the mechanical insects, controlled by the wires of the web, merrily spin their yarn on tiny wheels. Left: Smoke without fire. Special effects men built the miniature, arranged the "explosion" with a rat-trap, and produced the smoke from that cylinder in the corner.

## Where Nine School Children Died

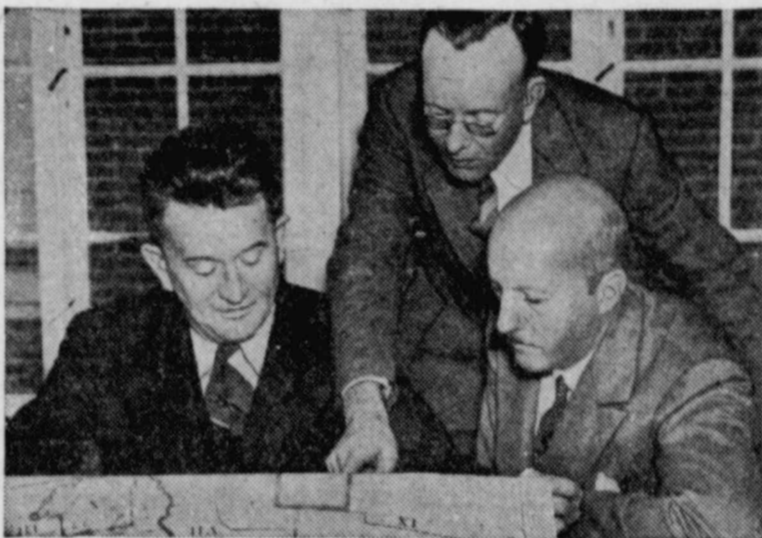

Nine school children died here in a fire which destroyed a mission school in Breathitt county, in the hills a little distance from Jackson, Ky. The school, known as "Little Mission," was maintained by the missionaries and was undenominational. The children who died were in their beds on the second floor when the fire started.

## First Nurse Called

Agnes C. Rosele, 24, of Washington, D. C., first Red Cross nurse called to active duty in the army nurse corps in recently authorized expansion program.

## Named Temporary Draft Director

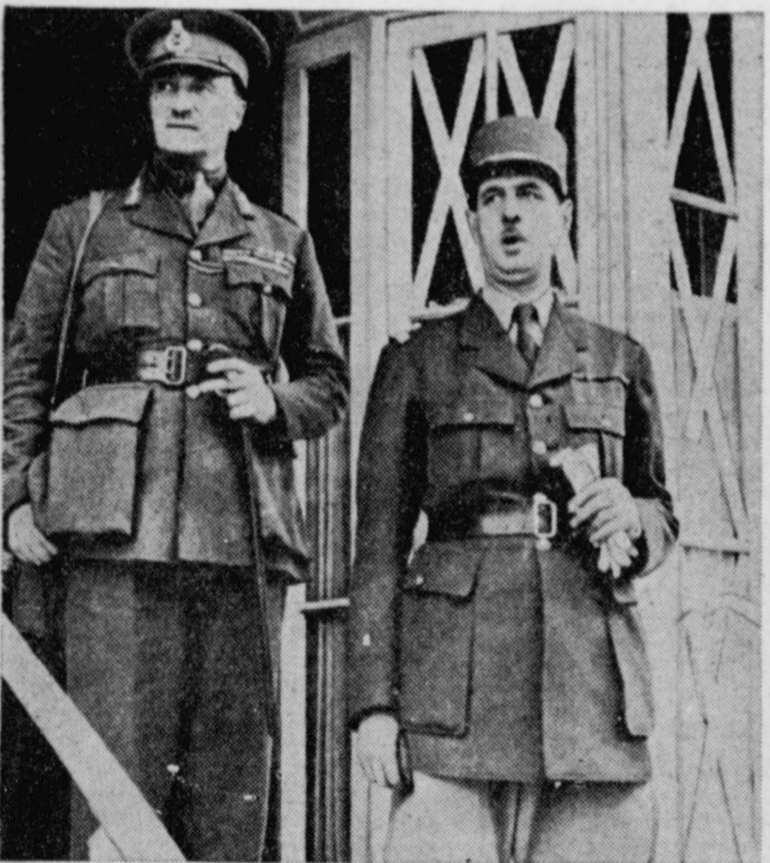

President Roosevelt has given Lieut. Col. Lewis B. Hershey power to carry on administration of the selective service system, pending designation of draft director. Photo shows (L. to R.) Lieutenant Hershey, Major Ben B. Powell, chief of man power division and Maj. Chauncey Parker, chief of the finance and supply division.

## Re-Writes Laws

Sam Bass Warner, professor of criminal law at Harvard, is rewriting the U. S. sabotage laws with the co-operation of the department of justice.

## Bearing Brunt of Dakar Blame

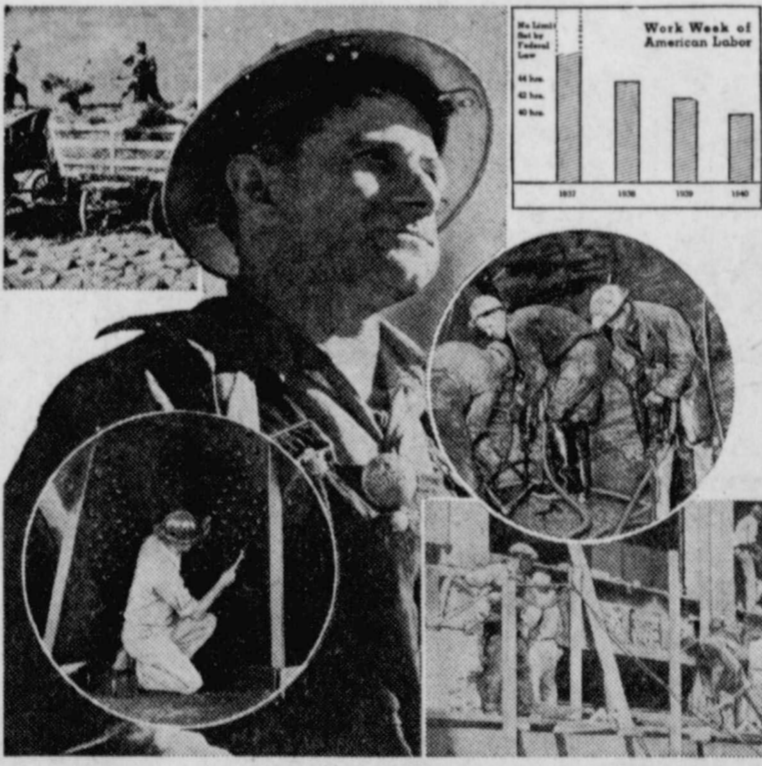

A recent picture of Gen. Charles de Gaulle (right), leader of "Free France," and Brig. Gen. E. L. Spears, who has been acting as liaison officer between De Gaulle and the British government. These two men have taken the brunt of the blame for the ill-fated naval expedition against Dakar, French colony in Africa.

## Savior of Britain

Air Chief Marshal Sir Hugh Dowding, boss of Britain's air fighter command, Marshal Dowding is the unsung hero of Britain's stiff resistance to the Nazis in the air.

## American Labor Looks Ahead

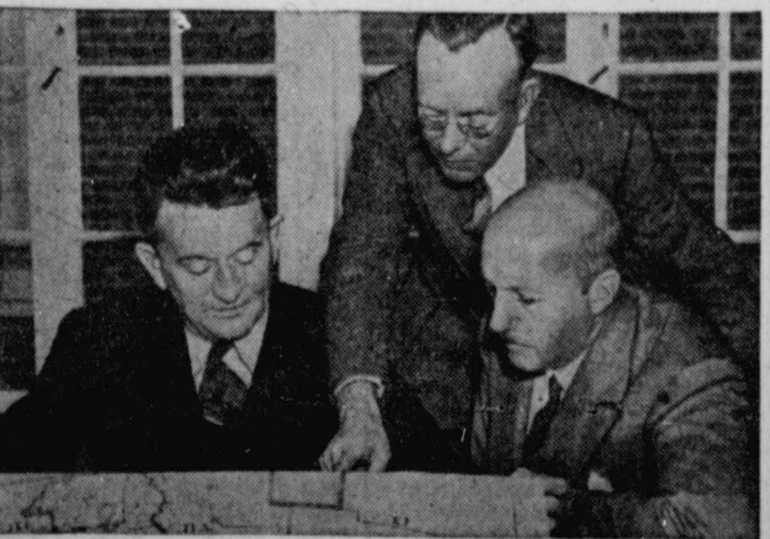

October 24 will mark another reduction in the standard work week of American labor. Under the federal fair labor standards act, the number of working hours will be reduced from 42 to 40, compared with 44 hours when the law went into effect two years ago. No other country in the world has so short a work week.

## Noted Author

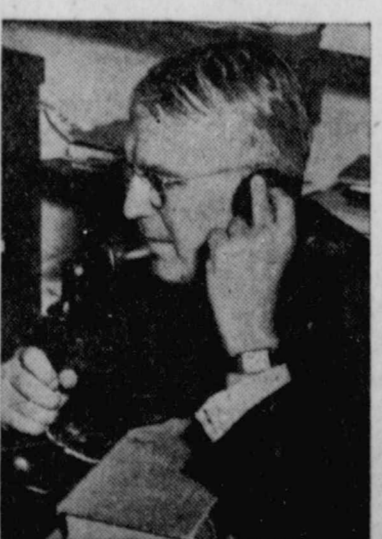

Sigurd Undset, Norwegian author and 1928 Nobel Prize winner, will deliver a talk in New York October 22 on "Scandinavia and the War." This will be the first of a hundred lectures by American and European statesmen, authors and journalists on the twenty-eighth annual schedule of Columbia university's Institute of Arts and Sciences.

## Named Temporary Draft Director

President Roosevelt has given Lieut. Col. Lewis B. Hershey power to carry on administration of the selective service system, pending designation of draft director. Photo shows (L. to R.) Lieutenant Hershey, Major Ben B. Powell, chief of man power division and Maj. Chauncey Parker, chief of the finance and supply division.

## Re-Writes Laws

Sam Bass Warner, professor of criminal law at Harvard, is rewriting the U. S. sabotage laws with the co-operation of the department of justice.

## Alaska 'Achilles Heel' of America

Alaska celebrated the seventy-third anniversary of its transfer from Russia to the United States on October 18. This huge area was purchased in 1867 for only \$7,200,000. Military experts have termed Alaska the "Achilles Heel" of America. Nome is only a few hours' flying time from Siberia and from Japanese air bases off the tip of the Aleutian peninsula. The United States is rushing work on air, naval and army bases at Dutch Harbor, Kodiak, Sitka and Anchorage.

## 'Happy Returns'

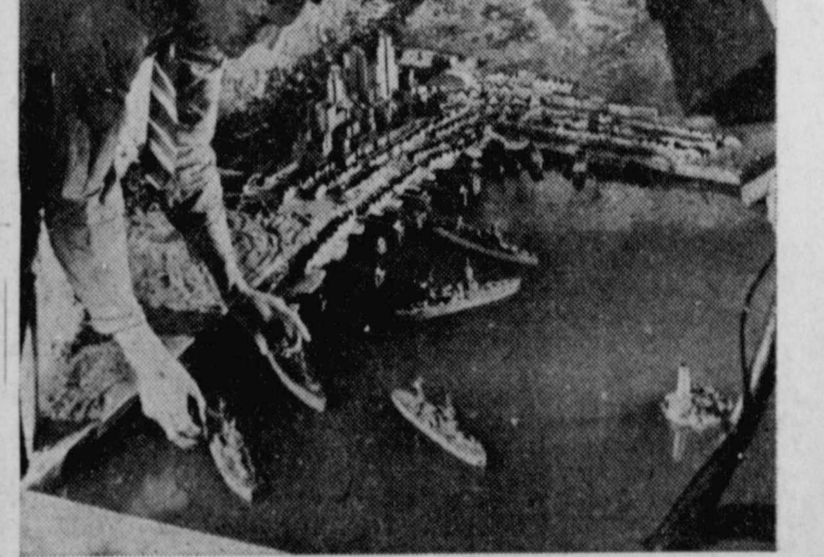

Thirty-two years separate the birthdays of two famous Americans who celebrate their birthdays this week. John Dewey, the renowned philosopher and educator, will celebrate his eighty-first birthday October 20. He is now lecturing at Columbia university. Father Charles L. Coughlin, Detroit radio priest, will observe his forty-ninth birthday October 25.

Right: Blitzkrieg! The bombing of a military munitions train. Charges were wired to a control board, where a technician's hand is shown setting them off. Each light bulb controls a salvo of 4 "bombs." To the radio audience it looks real enough.

Right: In television rain must be seen to be believed. And here it is. A realistic shower falls on a miniature castle. The rain is glass tinsel shaken through a wire screen.

Studio Battle Fleet... An ingenious and amazingly detailed miniature simulating a great harbor with a city in the background. In the harbor are a lighthouse and a squadron of battleships. The water, incidentally, is real.

The workshop of NBC's "special effects" department.
