MORE COUNTY DRAFTEES PUT IN CLASS 1-A

Two Dozen Registrants Readied for Call to Colors—Others Classified by County Draft Board

Scurry County's Selective Service Draft Board, in regular weekly meeting Monday evening, placed six county registrants in class awaiting local physical examination, 24 in Class 1-A, 22 in Class 1-C because of being in military service, four in Class 2-A, one in Class 2-B, one in Class 2-C and seven in Class 4-F.

Classifications announced Monday evening by the draft board follow:

Pending Local Physical Examinations—James Junius (colored), order No. 10,895; William F. Parker, 10,933-A; Edward W. Beville, 10,960; Edgar M. Lammert, 10,968; An'on A. Lopoou, 10,980; and Claude Wilson Jr., 10,982.

Placed in Class 1-A—Roy C. Hollen, order No. 172; Alton L. Hill, 301; Ernest W. Lloyd, S-547; Willis A. Powell, 905; James A. Goebel, 10,086; Roy H. Kinney, 10,402; James R. Cook, V10-466; W. S. Thompson, 10,513; Arthur G. McDowell, 10,778; Doyle M. Buchanan, 10,789; Walter M. Beauchamp, 10,800; Jesse W. Dawson, 10,810; Carl J. Allen, 10,828; Orvel N. Hillis, V10-868; Billie J. Rodgers, 10,874; Max G. Phillips, 10,876; Audrey E. Brown, 10,878; Johnnie Brown, 10,883; Duol O. Blair, 10,888; Jewel F. Cox, 10,889; Jack L. Terry, 10,897; Milton O. Dorman, 10,899; James E. Buffington, 10,899; and Coy L. Thompson, 10,902.

Draftees placed in Class 1-C because of military service—Raymond L. Grimmett, 194; George E. Trousdale, 280; William Moffett, 443; Jesse H. Roberson, 476; Newt F. Rowland, 975; Howard Jones, 1,191; Curtis W. Richards, V10-866; Willis E. Cumble, 10,740; Havis H. Black, 10,771; Wendle L. Hendrix, 10,772; William E. Kennemur, 10,790; Jim L. Sullivan Jr., 10,793; George A. Moore, 10,794; Claude A. Weathersbee, 10,795; Bill Aaron, 10,797; William L. Cain Jr., 10,801; Charles P. Taylor, V10-802-A; Willie L. Sipes, 10,804; James H. Bowen, 10,807; Myron R. Jettison, 10,808; William E. Miles, V10-834; and John Terrell Lynch Jr., V10-842.

Registrants put in Class 2-A—Houston P. Clay, S-1191; L. Z. Ashley Jr., 10,928; Barrie O. Greenfield, 10,940; and Harvey P. Sterling, 10,950.

Henry L. Drennan, order No. 319, was put in Class 2-B; and Arthur L. Pipper, order No. 10,786, was put in Class 2-C.

Placed in Class 4-F—John G. Moore, order No. 220-A; Lester O. White, 468; Myron T. Gheilan, 539; Charlie Cooper, 749; Emmitt R. Butts, 1,101; W. O. Webb Jr., 10,703; and William A. Bailey, 10,806.

Peanut Crops Brings \$21,947 Income for Farmers of County

Scurry County's 1942 peanut crop resulted in a "sideline" cash income of \$21,947 for county farmers, the county AAA office announced this week.

Total of 105,440 bushels of peanuts were raised in the county last year, it is revealed, and brought in \$18,069 to county growers.

Peanut hay, amounting to \$3,878 worth, was realized from last year's oil crop.

As an indication that Scurry County soil and climate are adapted to other cash crops besides cotton and feed, Scurry County producers last year had 1,500 acres in peanuts.

Since Scurry County producers are making numerous inquiries on the \$30-per-acre payment for peanuts grown between 90 per cent of war crop allotment and 110 per cent allotment, attaches of the county Triple A office state they will be happy to furnish producers with full details on the important war crop.

Abilene Wholesaler Injured in Car Crash

E. B. Akins, Abilene fruit and vegetable wholesaler, suffered bruises and lacerations on the face and body Friday night when the Chevrolet truck he was driving, en route between Snyder and Dermott, struck a calf in the highway and overturned.

Akins was reported to have been driving at a reasonably slow speed, and the animal, loose along the highway, ran in front of the truck too late for Akins to stop.

Cab of the Chevrolet truck was badly battered, and front fenders of the truck were smashed, but slight damage was done to the truck body proper and sideboards.

The Chevrolet truck was towed to Snyder Saturday morning to Miller Body Works, northeast corner of the square.

AAA Office Asking For Ginning Tickets

Scurry County producers who have not yet turned in their 1942 cotton gin tickets to the county Agricultural Adjustment Administration office are asked to do so at once.

Records in the county AAA office can't be completed until all cotton gin tickets are turned in. Farmers who may have, heretofore, overlooked turning in gin tickets are admonished to attend to the matter this week-end, if at all possible.

State Redistricting Goes to Committee

A sub-group of the senator district committee Tuesday began a study of a bill by Senator Rogers Keiley reappropriating most of the state's 31 senatorial districts on the basis of the 1940 census. The state has not been redistricted since 1921.

Under provisions of the redistricting act, Scurry would be included in the proposed 105th District, composed of Scurry, Fisher and Nolan Counties, with population of 43,578 people.

Set for hearing before the main committee Monday night, the bill was referred to the sub-committee without debate or discussion. Sub-committee members are Senators Moffett of Chillicothe, Laning of Jacksboro and Ramsey of San Augustine.

SNYDER MARINE WHO SPENT TWO YEARS IN SOUTH PACIFIC TELLS OF NATIVE CUSTOMS

Named "White Chief" of an entire South Sea island village because of his friendliness to the natives, Staff Sergeant Chalmer Watkins, U. S. Marines, son of Mr. and Mrs. Coy Watkins, related experiences Sunday afternoon, at a meeting of Snyder Volunteer Fire Department members, and at Tuesday's Lions Club meeting which will be intriguing to Times readers.

Chalmer Watkins, "White Chief" of a South Sea Island group, who here tells of his experiences.

Gist of the talks Staff Sergeant Watkins gave Sunday afternoon and Tuesday follow:

"We will only carry through to victory if we stick together. In early 1941, when the U. S. Marines landed on a South Pacific island, it took two months to convince the natives the marines did not want to take over the island.

"Natives in South Sea islands were dark, but got whiter the longer we knew them. That is, the natives, although of the black race, had as white a heart as anyone else in the world after one became acquainted with them.

"Of the 8,000 to 10,000 natives who lived on two islands the marines I was stationed with for awhile, we never heard of but one divorce case.

"Natives," Chalmer continued, "on South Sea islands are very intelligent, but superstitious. It is compulsory to go to church in the South Seas, and those who do not go to church must have an excuse from the chief or head of each community family.

"While prevailing religion is Catholic, the I.M.S. (London Missionary Society), a Protestant organization, has many followers. Preachers on South Sea islands do not get paid, and have to work for a living.

"People of the islands we visited," Watkins declared, "live off the fat of the land—fruits, coconuts and

fish. Strangely enough, snakes were unheard-of on islands the marines were stationed, and no animals of any kind are found in the tropical undergrowth.

"Conditions on the South Sea islands two years ago, where the natives observed a more perfect form of democratic government than we, was the nearest thing to heaven I've ever seen. In comparison, conditions now are like hell.

"Natives in the South Sea area were highly honored when a U. S. Marine wanted to go with a native girl. Once a marine, however, started going with a native girl, he had better not even look at another native girl. South Sea females are 'one man women.'

Watkins, in relating additional details on native life in the South Sea zone, reported that low customs among the islanders were among the mysteries of the human race.

When a South Sea island youth, for instance, wants a girl for a wife, he goes to looking about either in his own community or in another community. When he finds a girl whom he believes would make a good wife, he watches her, at a distance, for days to see if her daily habits meet with his approval.

Upon approval of the bride-to-be, the islander strips to the waist, and coats himself with coconut oil. He enters the house of the prospective bride and goes to her room. If she says nothing, she approves of him as a husband, but if she screams, her parents try to catch the youth—but cannot because of the coconut oil coating. This constitutes, when a native coats himself with oil and goes into the room of a native girl, a proposal.

South Sea people live in small communities, Watkins declares, with the chief of each community being, usually, the father of the group. When a son marries, another room is usually added to the rooms already existing, and in cases each little community will be really a house of 14 to 18 rooms.

Staff Sergeant Watkins has seen battle action in the Solomons, and other parts of the Southwest Pacific battle area. A graduate of Snyder Schools, Sergeant Watkins left Tuesday night to report for duty with the marines. Where he will be stationed has not yet been determined by marine officials, but the Snyder youth has rung up a record of more than one year in the thick of battle.

Two Fires Within 14 Hours Destroy Buildings at Ira

Fire demon struck again in the Ira community Wednesday evening and this (Thursday) morning, with two fires which caused damage in excess of \$4,000.

Wednesday evening's fire, which broke out at 8:00 o'clock, completely destroyed the old Horace Holley building, used as a rooming house, and marked up approximately \$4,000 loss.

The Holley structure was believed to have caught from a defective butane plant. The Holley house, located about one-half mile east of Ira, was occupied by some of the Ira School faculty members.

Report received by the Times indicates the Holley structure, a landmark for 40 or 45 years, contained a considerable amount of furniture for Ira School. The house was covered by insurance.

Second Ira community fire originated this (Thursday) morning, 10:00 o'clock, at the Ira Methodist Church from a defective flue.

Mrs. Ben Thorpe, who was conducting classes in the church, reports all desks, books and school equipment were saved. The church, built at a cost \$3,600, burned to the ground.

Repairs received by the Times indicate the Holley structure, a landmark for 40 or 45 years, contained a considerable amount of furniture for Ira School. The house was covered by insurance.

AAA Office Asking For Ginning Tickets

Scurry County producers who have not yet turned in their 1942 cotton gin tickets to the county Agricultural Adjustment Administration office are asked to do so at once.

Records in the county AAA office can't be completed until all cotton gin tickets are turned in. Farmers who may have, heretofore, overlooked turning in gin tickets are admonished to attend to the matter this week-end, if at all possible.

State Redistricting Goes to Committee

A sub-group of the senator district committee Tuesday began a study of a bill by Senator Rogers Keiley reappropriating most of the state's 31 senatorial districts on the basis of the 1940 census. The state has not been redistricted since 1921.

Under provisions of the redistricting act, Scurry would be included in the proposed 105th District, composed of Scurry, Fisher and Nolan Counties, with population of 43,578 people.

Set for hearing before the main committee Monday night, the bill was referred to the sub-committee without debate or discussion. Sub-committee members are Senators Moffett of Chillicothe, Laning of Jacksboro and Ramsey of San Augustine.

Your Feet Hurt?

Sudden rationing of shoes in the nation Monday made Snyder and Scurry County people "leather-conscious" in several different ways.

People who had not thought much about footwear until stoppage of sales here and in other parts of the nation focused attention to men's and ladies' shoes, and leather goods for growing boys and girls.

When shoe sales were resumed Tuesday, under ration restrictions, folks of this area decided no one would need to go barefooted, and began to take pairs of used shoes and sippers to shoe shops to have them "overhauled" for the walking days ahead.

Tire Recaps Soon to Be Allowed Without Rationing Approval

A telegraphic notice from Washington Tuesday advised Texas OPA office that, effective about March 1, all trucks, including operators of all trucks, will be permitted to have their own tires recapped without local board authorization.

"To encourage recapping as against replacing tires," the telegram read, "and to reduce the work load of local boards, the rubber director has requested that we discontinue rationing of Grade F comeback about March 1."

The telegram explained that little added strain is anticipated on the rubber stockpile as result of the new ruling, as all passenger cars are already eligible for recaps. At an average of 5,000 miles per car a year the plan will be possible, it said.

The new step in recapping is made possible, the announcement said, by rigid restrictions on gasoline usage that cannot be continued unless gas rationing is rigorously applied by all local boards to maintain a 5,000-mile-a-year travel average.

Mesquite Eradication Demonstration Held

Considerable interest was focused Wednesday afternoon in the mesquite eradication demonstration, put on by County Agent Edward S. Hyman and Bob Spencer of the Soil Conservation service at the Mert Jones ranch, south of Pluvana.

Hyman and Spencer demonstrated eradication of mesquite with sodium arsenate. Ranchers of both Scurry and Borden Counties witnessed the demonstration.

Pickets Jibe O'Daniel Speaking at St. Paul

Four pickets bearing two huge signs paraded Tuesday before entrances of the state capitol at St. Paul, Minnesota, where Senator W. Lee O'Daniel of Texas was to address the Legislature later in the day.

The estimated portion of the 1943 pack allotted to civilians, for use in 1944, will provide a maximum of 35 pounds of canned goods per person.

Canned Goods Rationing Plan to Allow 35 to 40 Pounds per Person

If you're what statisticians call an "average American" you've been eating 46 pounds of canned foods a year. That was the average consumption per person in this country during the pre-war years 1935-1939.

Under the rationing of commercially packed fruits and vegetables, which begins March 1, you won't get that much. The share of such products for each person for this year will be somewhere between 35 and 40 pounds. Next year, if conditions do not change, it may be even less.

Canned products are "fighting foods," and that's the reason they are to be rationed. Because foods that can be dried or packed in cans are easily shipped, 35 per cent of the 1942 supply of these products is going to the armed forces and to our Allies fighting overseas. Of the 1942 pack, from 50 to 55 per cent is being set aside for our armed forces and for lend-lease shipments.

The amounts reserved for these purposes range from 19 per cent of the grapefruit pack this year to 100 per cent of the blueberries, figs, banded fruit juices and carrots.

The estimated portion of the 1943 pack allotted to civilians, for use in 1944, will provide a maximum of 35 pounds of canned goods per person.

County Assessed \$4,100 Quota For Red Cross Fund

Scurry County's 1943 Red Cross War Fund Campaign is just around the corner, reminds E. O. Wedgeworth, Scurry County chairman, who states plans for the all-out campaign are being formulated this week.

Scurry County's 1943 War Fund quota, it was announced Tuesday, will be \$4,100. This campaign to raise the assessed quota will be conducted through about March.

"The American Red Cross, in operating on fronts all over the world, has such a tremendous volume of work to do we are begging Snyder and Scurry County people to cooperate 100 per cent in the forthcoming campaign," Wedgeworth states.

"In view of the fact the Red Cross is caring for the needs of our soldier boys in all parts of the world, and doing activities on the home front, greatly increased contributions will be necessary if the Red Cross continues to function on schedule."

War fund quotas for county communities, and list of war fund community committees will be given in next week's Times, Wedgeworth reports.

Borden County Well Spurred

Oil news from Borden County took an encouraging turn today (Thursday) with word that operations have started at the Cosden Petroleum Company's No. 1 Ada Anderson Smith, Section 57, Block 25, H. & TC Survey. The test was drilling today past 255 feet, in red beds.

First Tax Reduction Bill Reaches Senate

On the Texas Senate calendar Tuesday was the first major tax reduction bill of the session.

It would reduce the state property tax for general fund purposes to a maximum rate of 17 1/2 cents per \$100 valuation. The state affairs committee has approved it.

The rate is now 35 cents.

Weldon Longbotham Gets Marine Advance

Another Hermleigh community youth, Weldon Monroe Longbotham, 21-year-old son of Mr. and Mrs. Victor Longbotham, prominent Hermleigh couple, has been assigned to active duty as a second lieutenant in the U. S. Marines, Atlanta, Georgia, marine officials disclosed Tuesday.

Weldon Monroe, after receiving his commission, has been ordered to lead the fighting marines in battle after finishing an intensive training course. Weldon attended Texas A. & M. College. His father is a rancher and wholesale oil dealer.

Elva Couch Becomes Stenographer at FSA

Elva Couch of Sweetwater assumed duties this week as stenographer for the Farm Security Administration, basement of The Fair Store.

Miss Couch, who has been employed in the FSA district office in Sweetwater, replaces Mrs. Helen Murphy, FSA stenographer here the past several years, who is on furlough.

REGISTRATION FOR RATIONING BOOK NO. 2 SET

February 25, 26 and 27 Slated as Sign-Up Days at School Houses by County Ration Group

Thursday, Friday and Saturday, February 25, 26 and 27, were this week designated as the dates Snyder and Scurry County people will sign-up at county school houses for war ration book No. 2, according to a release from Giles Bowers, general chairman of Scurry County's War Price and Ration Board.

On February 25, 26 and 27, Bowers reports, all schools of Scurry County will be closed, and teachers of respective schools will have charge of registration. This system was used in signing for war ration book No. 1.

"We are utilizing every means at our command to urge Snyder and Scurry County people to register February 25-27 in their home districts," Bowers said. "Such procedure will avoid congestion at larger registration centers of the county."

Registration hours have been set from 9:00 a. m. to 6:00 p. m. each day.

Preparatory to institution of the point rationing system March 1, sale of all processed goods—fruits, vegetables and soups—will be prohibited from February 20 to March 1, county war price and ration board personnel told a Times reporter.

Since school faculty members of Scurry County schools will have charge of the three-day registration for the point rationing system, Snyder and Scurry County people are strongly urged to obtain all needed information about rationing before going to registration centers. Those who secure information of filling out the forms, prior to signing, will assist greatly in affecting smooth functions of registration activities.

More than 2,000,000 consumer declaration forms are being forwarded this week from the state OPA office, Fort Worth, to county war price and ration boards. This step is a prelude to the February 25-27 sign-up for war ration book No. 2.

Forms, when received, will be placed, for example, by the Scurry County War Price and Ration Board at food stores and other convenient places. These will be picked up by consumers and filled out before they appear at school houses during the registration period.

The blanks will be used in Scurry, Fisher, Garza, Borden and other counties of the state to report stocks of canned goods, exclusive of home packed products and those exempt from rationing, that each family has on hand midnight, February 27, in excess of five cans for each member of the household.

Under provisions of an OPA release Tuesday, the amount of coffee on hand as of November 28, less one pound for each member of the family above 14 years of age, also is to be reported.

Additional information on the February 25-27 sign-up for war ration book No. 2 will be carried in next week's Times.

Chamber of Commerce Sets Annual Banquet February 19

COUNTY FUND TO PARALYSIS TOTALS \$1,083.47

More Than Double Quota Raised in Concerted County-Wide Drive on President's Birthday

Based on a population basis, Scurry County, with \$1,083.47 turned in to date on the recent infantile paralysis drive, is believed to be a leader among Texas counties.

J. C. Stinson, county treasurer for the nationally sponsored infantile paralysis campaign, A. B. (Boss) Baze, general chairman for the county, list gross contributions turned in to date, as follows:

Snyder, from staging of the Lions Club sponsored play, "Merry Go Round," \$699.38; ball, \$235.

Hermleigh, \$140.19.

Ennis Creek, \$6.28.

Ira School, \$22.05.

Turner School, \$5.

Independence School, \$6.64.

Pluvana School, \$99.66.

Bethel School, \$5.

Plainsview School, \$5.30.

Crowder School, \$6.50.

Dunn School, \$20.

Loyd Mountain School, \$10.21.

Martin School, \$11.17.

Dermott School, \$5; and Dermott community, \$40 from Gene Sanders dance.

Ringsdale Club, \$2.

George Waverly Briggs, vice chairman for Texas of the committee for the celebration of the President's Birthday, states in a letter to The Times:

"It is indeed gratifying to learn Scurry County has contributed so much to the infantile paralysis drive.

"It is also gratifying to learn that your celebration campaign this year was in such capable hands as those of W. J. Ely, chairman of the Scurry-Borden County chapter; A. B. (Boss) Baze, chairman; J. C. Stinson, county treasurer, and E. O. Wedgeworth, manager of the Scurry County Chamber of Commerce.

"Have you, by chance, a typewriter made since 1935 you could possibly spare the U. S. government?"

Mayor H. G. Towle, City of Snyder, this week received a request from the War Production Board, asking that everyone who possesses a typewriter made since 1935, and who can get along without the machine, to bring such machines to the Scurry County Chamber of Commerce.

A survey, War Production Board officials state, will soon be made of Snyder and Scurry County to determine the number of machines in the county.

The survey will not be made with a view of taking up typewriters, but with the view to ascertaining how many machines could be made available in case of extreme emergency.

Demands of the armed forces for typewriters, WPB representatives declare, is exceeding all expectations. Those who can spare machines of the specified age bracket will be paid an equitable price by the government.

E. O. Wedgeworth, Chamber of Commerce manager, reports adequate storage facilities are available at the CC office for storage of machines turned in. Any machines turned in will be duly credited to the individual for government account.

Government Asking For Typewriters as Vital Need of War

Have you, by chance, a typewriter made since 1935 you could possibly spare the U. S. government?

Mayor H. G. Towle, City of Snyder, this week received a request from the War Production Board, asking that everyone who possesses a typewriter made since 1935, and who can get along without the machine, to bring such machines to the Scurry County Chamber of Commerce.

Red Cross Leader To Tell War-Time Tasks of Order

People of Snyder's trade area—Red Cross officials, civic leaders, parents of boys in military service and all others interested in work of mercy—are extended a cordial invitation by Scurry County Red Cross officials to hear Mrs. Linda Miller, representative of the American Red Cross, speak Saturday afternoon, 2:30 o'clock, in the district courtroom.

Mrs. Miller, associated with the American Red Cross a number of years, will discuss war-time Red Cross policies and work, and how the agent of mercy is today helping Americans and people of other lands during the war emergency.

Mrs. Carrie Line, chairman of the Scurry County Red Cross chapter, states Saturday afternoon's gathering will be a mass meeting to have Red Cross work today fully outlined to residents of this trade area.

Mrs. Miller will appear here to lay groundwork for the March Red Cross War Fund drive, in which Scurry County was this week assessed a \$4,100 quota.

Bullock Bill to Raise Teacher Pay Goes to House Committee

Texas' rural school program faces disaster as the only alternative, Representative Lock of Zavalla told the House appropriations committee in urging recommendation of the bill to increase teachers' salaries, backed by Senator Pat Bullock of Snyder.

Action was postponed until at least next week when the committee will hold a hearing on a rural aid bill by Representative Chambers of May.

"I feel it would be useless to make the raise less than 10 per cent," Lock said. "This, he explained, would cost approximately \$1,700,000.

Under provisions of the measure, that sum would not be added to the total of rural school aid but would be obtained principally through increasing teacher-pupil quota which in turn would reduce the number of teachers.

"You need not fear we'd be taking a job away from anybody," Lock said. "Teachers can go out and get jobs anywhere now."

Increasing the quota would eliminate the need for about 800 teachers, he estimated.

Roy Allen Baze Gets Cadet Colonel Rank

Outstanding honor for Roy Allen Baze, son of Mr. and Mrs. A. B. (Boss) Baze of Snyder, was contained this week in promotion of the Reserve Officer Training Corps cadet to rank of cadet colonel—highest ranking a cadet can attain.

Young Baze, a senior engineering student at the University of Oklahoma, Norman, is a commissioned officer of a motorized battery of 105 millimeter howitzers.

Baze made the second highest in grades of over 2,000 students in the school in recent exams. He takes a BA degree in June, and has attended the University of Oklahoma almost four years. He will be commissioned a second lieutenant in the U. S. Army in the near future. Roy Allen graduated from Snyder High School in 1939.

Former County Child Killed by Milk Truck

Mr. M. L. Andress returned Friday night from Albuquerque, New Mexico, where she attended final rites last Friday for Jan Lear, six-year-old son of Mr. and Mrs. G. H. Lear, former Scurry County residents, who was killed when run over by a milk truck.

Jan, according to reports reaching The Times, died within a short time after being hit by the milk vehicle.

Survivors include the parents, Mr. and Mrs. Lear, who formerly lived west of Snyder, and a daughter, Pansy.

Cadet Colonel

Promotion of Roy Allen Baze, son of Mr. and Mrs. A. B. (Boss) Baze, to the rank of cadet colonel, highest rank a cadet can attain, was announced this week at the University of Oklahoma, Norman, Baze, in the Reserve Officer's Training Corps, gets his BA degree in June.

LEONARD AND MORRIS ARE TO BE SPEAKERS

Committees Appointed to Arrange For Annual Gathering at School Gymnasium Next Week

Annual membership gathering at the Scurry County Chamber of Commerce will be staged Friday evening, February 19, in Snyder High School gymnasium, in the form of a banquet, CC directors voted in a meeting Tuesday evening at the Chamber of Commerce offices.

Principal speakers for the annual gathering will include Senator G. C. Morris of Greenville, Homer Leonard of McAllen, former speaker of the Texas House of Representatives, and Ernest Boyett, executive secretary to Governor Coke R. Stevenson of Texas.

Banquet toastmaster will be A. A. (Pat) Bullock, senator of the 34th Senatorial District, of which Scurry County is a part.

Committees named Tuesday evening to handle CC banquet details follow:

Ticket Sales Committee—J. E. Blakey, chairman; C. F. Senell, R. C. Miller Jr., Melvin Blackard, R. H. Odem, L. A. Chapman, Victor Baze, Roy Porter and H. L. Wren.

Committee on Purchasing—Alma Beedel, chairman; Leighton Griffin, and Horace Williamson.

Committee in Charge of the Evening Program—Sam Williams, chairman; Henry Rosenberg and C. P. Sentell.

Plates for the CC membership banquet, it was voted, will cost 65 cents each. Each Chamber of Commerce member will be asked to invite his wife, a farmer and his wife.

Food for the event will be prepared by the Snyder School lunchroom committee, and served by high school girls.

Chamber of Commerce directors voted to name 8:00 o'clock as the hour for beginning the annual convalescence—slated to be one of the most important CC banquets staged here in many years.

Dorothy M. Crosslin Assumes FSA Home Management Place

Dorothy M. Crosslin, daughter of Mr. and Mrs. C. W. Crosslin of Childress, assumed duties here Monday as home management supervisor for Scurry County's Farm Security Administration. She has charge of home management work in Scurry and Kent Counties.

Miss Crosslin, as FSA home management supervisor for Scurry and Kent Counties, replaces Mrs. Ida J. Crosby, who has been on sick leave furlough since last October.

"I'm glad to be here," Miss Crosslin said, "because I've heard so much about Snyder and want to be of help to the farm women of this section. I want rural women to bring their home management problems to me, and I will be at their service at all times."

The new supervisor operated a school lunch room project at Spur for a number of months, and is a graduate of Texas State College for Women, Denton.

\$5,820 Will Come to County Schools in Aid

Scurry County schools will benefit by approximately \$5,820 from the release this week in Austin of war-rands representing a \$2 per capita apportionment of 1,532,640 scholastics, it was revealed Wednesday.

Snyder Schools, with 1,018 scholastics, will benefit by \$2,036 from the \$2 payment, and other schools of the county will receive approximately \$3,794 from 1,897 scholastics.

With the \$2 payment released this week, \$15 has been applied to the current per capita apportionment of \$22.50. L. A. Woods, state superintendent of public instruction, says, "A \$2 apportionment will be made early in March."

Who's New In Scurry County

Nelda Gradine, a girl, arrived Monday at Snyder General Hospital, for Mr. and Mrs. Grady Sellers. The infant weighed seven pounds four ounces.

The WOMAN'S Page

Margaret Gray and Max West United In Saturday Wedding at Bride's Home

Margaret Gray, daughter of Mr. and Mrs. R. L. Gray, prominent Borden County ranch people, became the bride of Max West at the home of her parents Saturday.

The couple was united in marriage before an improvised altar decorated with baskets of white carnations and fern. The ceremony was read by candlelight, with Rev. L. A. Smith, pastor of Snyder's Methodist Church, officiating. Patti Hicks presided at the piano, playing the traditional wedding march from Lohengrin.

The bride wore a two-piece ensemble of powder blue, with black accessories, and corsage of sweetheart roses and sweet peas.

Mrs. West was a 1940 graduate of Snyder High School, where she was popular among the younger set, being president of the Lucky 13 Sports Club and a member of the high school band. She attended Southwestern University, Georgetown, and Texas Technological College, Lubbock, where she was a member of La Chisparrita Social Club. At present she is employed at the Snyder National Bank.

West, son of Mrs. Goldie West and the late B. M. West, active Scurry County ranch people, is a graduate of Snyder High School. He attended Texas Military College, Terrell, and Texas Tech, Lubbock. He is now a member of the United States Army Reserve, and left Wednesday for induction into the army at Mineral Wells.

The couple left immediately following the ceremony for a short wedding trip.

Mrs. Johnny Boren spent a few days with her husband at Lubbock, who is stationed at Lubbock Army Air Corps as an aviation cadet. Boren is expected to receive his wings Tuesday, February 16, having been there since first part of December.

Business Women in Luncheon Meeting

A memorial silhouette setting of George Washington and Abraham Lincoln, used with Valentine decorations, was set in the home of Mrs. N. M. Harpole when members of the Business and Professional Women's Class of the First Baptist Church met at her home for a covered dish luncheon. Polly Harpole, Katherine Northcutt and Mrs. Frances Brown were hostesses.

Rose Marie Clawson opened the program with a devotional and each guest gave a short talk. Following this, the group joined in the singing of a number of songs, with Miss Harpole at the piano.

Included in the party were: Mmes. W. R. Bell, Roy Shahan, W. K. Roberts and Harpole guests; Mmes. Lili Jo Colwell, Lillian Huffstutler, Inez Tast, Ha B. Mitchell, Irma Stanfield, Misses Lula Dunnam, Louise LeMond, Thelma Leslie, Violet Bradbury, Clawson and Effie McLeod.

Furnishing for Camp Unit Asked by Women

Subject of interest to the people of Scurry County and the surrounding communities is the new hospital unit being opened at Camp Berkeley, Abilene, states Mrs. H. G. Towle, district chairman for the camp and hospital council committee for Scurry County.

Mmes. Towle, district chairman, and Mmes. Joe Stinson, Sam Williams and Ross Blanchard, county chairmen, have made plans to attend the meeting of February 17 at Abilene, and say that such items as listed below are urgently needed for the new unit: Game tables, cards, checkers and tables, bedside tables, ash trays, books, fairly new magazines, radios, cup towels, etc.

People who have any of these articles are asked to get in touch with either of the four chairmen, and they will carry the articles as they go to the meeting.

Mrs. John Keller arrived over the week-end from Fort Worth, where she has been visiting her daughters, Ramona and Wynona.

Mickey Norred spent the week-end with Thelma Coleman at Trent. Miss Coleman was formerly a beauty operator at Marinello Beauty Shop.

Bus Schedule

Buses arriving and leaving from Stinson Motor Company, four blocks north of square.

Texas Art Will Be Shown by Art Guild

Final plans were made for the exhibition of Texas artists, which will be presented in the band room of Snyder High School Sunday afternoon, from 2:30 to 4:30 o'clock. These plans were arranged when members of the Art Guild met at the home of Estella Rabel Tuesday evening.

Members of the Guild wish to extend a cordial invitation to the public to view this exhibition Monday afternoon from 2:30 to 5:00 o'clock, since all Snyder's club members have been invited for the Sunday display.

During the Tuesday meeting new club officers were elected as follows: Estella Rabel, president; Mrs. Vivian Hill, vice president; Mrs. Mae Stanfield, recording secretary; Mrs. Henrietta Lee, corresponding secretary; and Mrs. Maude Holcomb, treasurer.

It being "I Am an American" Day for the club, song by the same name was sung by the group, with Mrs. Emmeline Manning presiding at the piano. Rose Fisher led the discussion. Mrs. Stanfield presented "Simon Bolivar" and Mrs. Hattie Gartin talked on "Benito Juarez."

The hostess served a Valentine plate of hot speed grape juice, rolled chicken sandwiches, cranberry heart, olives and cake to the following: Mmes. Manning, Hill, Stanfield, Gartin, Rayolene Isaacs, and Misses Effie McLeod, Frances Boren and Fisher.

Here's Answer

Schools may pose the problems for youngsters but the answer to mother's question of what the school girl should wear is contained in this trim little cotton corduroy suit. With box jacket, flared skirt and matching calot, it's stylish and sturdy. And with specially treated cotton, it's water and spot resistant, as well.

Esrudoma Class Meets Monday Eve

Esrudoma Sunday School Class of the First Baptist Church met with Mrs. Wayne Williams Monday evening. Mrs. Horace Eiland was an assistant hostess.

A business session was held, in which membership enlargement was discussed, and plans were made for grouping new members. The class also voted to work one night a week at the Red Cross rooms, where help is urgently needed.

A dainty refreshment plate, consisting of icebox pudding, red heart-shaped sandwiches and tea, was served to Mmes. Wade Winston, Roy Linder, D. V. Merritt, Edward Y. Thompson, John DeShazo, Walter Coonrod, Roy Porter, Lyman Wade, G. B. Clark Jr. and the hostesses.

Duce Club Meets in R. C. Miller Home

Members of the Duce Bridge Club and guests met Thursday evening in the home of Mrs. R. C. Miller Jr.

Those included on the guest list were Mmes. Rubilee Brown, Mary Lynn Scott and Ed J. Strout. Rube Lee won high score prize of United States war stamps.

The hostess passed a lovely refreshment plate to the following: Mmes. Mary Margaret Blum, Margaret Burge, and Frances Boren and Johnnie Mathison, in addition to the above guests.

Woman's Culture Meets Tuesday

Mrs. J. W. Clawson gave an interesting talk on "Mobilization of Our Dollar," and Mrs. J. A. Woodfin talked on "Juvenile Crimes" and what we can do for our children of America today, when members of the Woman's Culture Club met in the home of Mrs. E. J. Richardson Sr. Tuesday afternoon.

The program was opened with each member answering with an individual roll call, and during the business hour the resignation of Mrs. Horace Roe was accepted. Mrs. H. L. Wren was program leader.

Junior Honor Society Greets New Members

Junior Honor Society met Wednesday for new members, Charlie Boren, Billy Sheild, Billy Jay Eiland, Bonnie Lou Parks, Jake Harmon, Randolph McMullen, Johnnie Jean LeMond, and Bettye Jean Joyce, to take the pledge.

The new officers elected for this semester are: Darrel Sims, president; Billy Jay Eiland, vice president; Bettye Jean Joyce, secretary and treasurer; Beverly Johnston, reporter; Margaret Jane Farr, Mary Ellen Williams, and Tippy Burns, social committee; Dot Wilson, Bonnie Jean Woodson, and Billy Jay Eiland, program committee.

Initiation for the new members was discussed, but nothing definite was decided. The club decided to discontinue the roll call at the beginning of the meetings, and have more time for programs.—Tiger's Tale.

Francine Champion Weds in Fort Worth

Francine Champion of Fort Worth became the bride of Richard Sweeney, also of Fort Worth, Saturday.

Mrs. Sweeney is a niece of Maurice Brownfield of Snyder and Max Brownfield of Goldsmith. She is a granddaughter of Mr. and Mrs. F. M. Brownfield of Idalou, former residents of Snyder.

Ola Margaret Leath Hosts Lucky 13 Club

Members of the Lucky 13 Sports Club met at Ola Margaret Leath's home Wednesday afternoon. The group discussed having the scavenger hunt.

Refreshments of tuna fish salad, ritz crackers, pickles, cookies and spiced tea were served to: Charlene Headstream, Mary Yoder, Mary Nell Noble, Mary Belle Weathersbee, Mary Ellen Williams, Pherba Jordan, Tippy Burns, Johnnie Jean LeMond, Dorothy Jean Wilson, Bonnie Jones, Margaret Jane Farr, Bettye Joyce, and the hostess, Ola Margaret Leath.—Snyder High School Tiger's Tale.

Homemakers Class In Social Gathering

Members of the Homemakers Class of the First Baptist Church entertained their husbands Friday evening when they were invited to the parsonage for a social gathering and buffet supper.

The house was beautifully decorated with fall cut flowers and the usual Valentine motif. Place-cards on the dining table were white hearts trimmed with red, and each carried a scripture of the 119 Psalm.

Fred Jones gave the invocation, and Mrs. Jack Wright was director of the games.

Those present were Staff Sergeant Chalmer Watkins, recently home from the Solomon Islands, Jerry Campbell, Mr. and Mrs. Hollis Browning of Slaton, Mmes. Jack Darby and Leland Herod; Messrs. and Mmes. Jack Caperton, Howell Harpole, Fred Jones, E. J. Bradbury, Roy Porter, Noel Banks, I. C. Mowery, G. W. Geeland, George Lloyd, Jack Wright, Buddy Martin, Myron Roe, Colie Fish, and the hostesses.

Presbyterian Guild Enjoys Buffet Dinner

A buffet dinner was enjoyed Monday evening at 7:30 o'clock, when members of the Presbyterian Guild met in the home of Mrs. Irene McFarland.

The entertaining rooms were decorated with a Valentine motif, and lighted candles were placed in different parts of the rooms to make a spray of shadow lighting.

Mrs. Kate Spencer opened the program with a devotional, and she was program director. Rube Lee gave the story of "The Woman of Samaria."

Those present for the meeting were Mmes. Spencer, Nadine Gordon, Emmeline Manning, Irene Travis, and Johnnie Mathison, Lee, Frances Boren and Frances Chenault.

Mrs. Shell Entertains Fellowship Class

Members of the Fellowship Class of the Presbyterian Church met in the home of Mrs. Mary B. Shell February 3 for a social and business session.

Following an interesting program given by several members, the hostess passed a lovely refreshment course to one guest and nine members.

Mildred Herod Stars In College Play Night

Assisting in presenting the first All-College Play Night on the Texas State College of Women campus was Mildred Herod, daughter of Mr. and Mrs. M. C. Herod of Snyder. The entertainment, which is a part of the college physical fitness department and the Women's Recreation Association, was held last Wednesday evening.

Miss Herod is a member of the community recreation class in which the play was a special project. She is a senior, and is majoring in music and education.

Eastern Star Meeting.

Stated meeting of Snyder Chapter 450, Order of the Eastern Star, will be held Friday evening at 7:30 o'clock. Visitors welcome.—Jesse Eva Scott, W. M., Oma Wren, Secretary.

Mrs. Midge Sims of San Angelo was a guest of relatives here Sunday.

Hermleigh Seniors Feted at Dinner

Senior class of Hermleigh High School held its annual dinner in the FFA room at Hermleigh Sunday at 7:30 o'clock.

The class colors, blue and gold, were carried out with a patriotic theme. The seniors and their guests were led to a candle-light room by their president and toastmaster, Don Moore. The tables were arranged in the shape of a V and decorated with blue and gold crepe paper.

Helen Rountree gave the invocation. John R. Covey Sr., high school history and mathematics teacher, was the guest speaker. Vess Barnes Jr. helped to keep the crowd in high spirits with his jokes.

The dinner was prepared by the senior girls and served by freshman Home Economics Club.

Just before the benediction by Principal M. A. Murdock, the entire group joined together and sang "The Star-Spangled Banner."

Those present were: Superintendent A. C. Bishop Jr. and Mrs. Rish-op, Mr. and Mrs. M. A. Murdock, Mr. and Mrs. John R. Covey Sr. and Mrs. John R. Covey Jr., Miss Twalia Copeland and Mrs. Myrtle Bowen, class mother; and Seniors Cloyce Clements, Katherine Bowen, Eunice Lewis, Travis Patterson, Varlin Corbell, Doris Banta, Vess Barnes Jr., Ted McMillan, Frankie Kubens, Don Moore, Floyd Mize and Helen Rountree.—Katherine Bowen, Class Reporter.

Mrs. Edgar Taylor Entertains Class

Golden Rule Sunday School Class members of the First Baptist Church were invited to the home of their teacher, Mrs. Edgar Taylor, for a covered dish luncheon, social meeting and election of officers Tuesday evening.

New officers elected are: Frances Sentell, president; Patsy Ruth Eaton, vice president; Billie Jean Henderson, secretary; and Nadine Todd, reporter.

Members present for the affair were Doris Camp, Wanda Mills, Patsy Ruth Eaton, Billy Jean Henderson and Nadine Todd.

Demonstration Club Notes

Turner Club Meets Monday.
Members of the Turner Home Demonstration Club met Monday at the home of Mrs. A. R. Turner.

Estella Rabel, county home demonstration agent, explained the forthcoming point ration system in detail, and demonstrated the cleaning and oiling of sewing machines.

Those present were Mmes. Oscar Hooper, D. Myers, L. M. Irion, G. W. Flippin; Misses Alma Williamson and Estella Rabel. Popcorn was served attendants as a meeting treat.

Union Club Meets Thursday.
Interesting meeting of the Union Home Demonstration Club was held last Thursday at the home of Mrs. Wiley Eubanks.

Following a demonstration by Estella Rabel on cleaning and repairing sewing machines, popcorn was served the following: Mmes. J. H. Buffington, Inez Buffington, May Buffington, J. B. Adams, R. L. Jones, Virgil Jones, J. L. Carrell, Paris McPherson, Weldon Sumrall, J. W. Jacobs, Fritz Mogford, Luther Vaughn, Ted Haney, Jack Ramsey, Leverett Lewis, Walker Coonrod, Wiley Eubanks and G. W. Garner; Miss Rabel and Marionette Jones.

Mrs. Bob Deavenport and young son, Sammie, of San Angelo, and Mr. and Mrs. W. C. Spull of Seguin were here Wednesday to attend the funeral of Mrs. J. O. Stimson.

Party Given for Mariwyn Williams

Edna Mariwyn, younger daughter of Mr. and Mrs. D. P. Williams, was honored on her fifth birthday Saturday when her mother gave a party in the Williams home.

Games were under direction of Mrs. Williams, prior to the guests being served cake and punch. The cake decorations were carried out with a Valentine scheme, using white frosting and red candles.

Plate favors of Valentines were passed to the following: Eddie Joe Strayhorn, Muriel Wayne Neal, Loretta Lewis, Parker Roe, Annetta Jeanne Jones, Roger Wayne Jones, Ed Casabolt and Edwin Weathers.

Mr. and Mrs. Jack Bowling and son of Hobbs, New Mexico, were here this week visiting relatives and friends.

Registrants Now In Non-Essential Jobs to Be Called

The government Tuesday warned Scurry County Selective Service registrants and registrants in all other sections of the nation to expect no further draft deferments, regardless of their number of dependents, unless they find more essential jobs.

The government told men in 29 occupations that, even though they have five or six children, they must find war important jobs by spring or face induction into military service. Non-essential occupations range from bartenders to gardeners and waiters. Space prohibits listing each occupation in The Times.

Uncle Sam also informed 36 kinds of businesses, from curtain makers to tobacco vendors, that their physically fit workers from 18 to 38 years of age soon will be doing more vital work—or shoulder arms.

War Manpower Commissioner Paul V. McNutt says action taken this week is just a beginning. The lists will be expanded later.

By the end of 1943, 10 out of every 14 of the able-bodied men between 18 and 38 will be in the armed forces, McNutt declared.

Selective Service boards are instructed to start April 1 reconsidering the status of the newly designated non-deferables. Those, however, who register with the U. S. Employment Service in an effort to get more war important jobs will be given until May 1 to find their new places.

Naval Construction Workers Are Needed

Men of Scurry, Fisher, Borden and nearby counties, 39 to 50 years of age, are urgently needed in navy construction work, representatives of the Big Spring Navy Recruiting Office stated here Wednesday.

The navy's construction regiment needs men skilled in trades, and will pay handsomely for those who qualify. Interested parties are asked to contact the Big Spring recruiting office immediately.

New Executive

James K. Polk, with West Texas area Boy Scouts, has assumed duties here as field Scout executive for Scurry, Mitchell and Fisher Counties. Polk, who dearly loves to work with boys, has been in Boy Scout work 14 years.

Old Age Pension Roll In State Shows Gain

Death and ineligibility sliced 1,962 names from Texas' old age assistance rolls in January and 2,032 names were added, the Department of Public Welfare announced Tuesday at Austin.

Average payments of \$30.62—an increase of 31 cents over last month—will be made in February to 182,362 persons for total outlay of \$3,780,023 from state and federal funds.

Continuing the downward trend started in December, aid to dependent children allotments of \$21.40 will be granted to 11,875 families this month. In November 22,501 families received checks averaging \$10.55.

Blind assistance rolls increased by 74 last month to 4,180. Scurry County has about 300 on the pension list.

Mrs. J. O. Stimson Dies Tuesday of Lengthy Illness

Death came quietly Tuesday morning, 6:00 o'clock, at the J. O. Stimson residence in East Snyder, and claimed the life of Mrs. J. O. Stimson, 50, after a 10-month period of falling health.

Born October 19, 1892, Mrs. Stimson was a native Texan. She had clerked for several years in J. H. Sears & Company, and was well known to the people in this trade area.

Mrs. Stimson was the wife of the past president of the Scurry County Rodeo Association, and past president of the Scurry County Chamber of Commerce.

Snyder's Church of Christ was filled to overflowing Wednesday afternoon, as friends from Scurry and neighboring counties gathered at 2:00 o'clock to pay final tribute to the long-time county resident.

Bro. Raymond C. Keely, Snyder Church of Christ minister, conducted funeral services.

pallbearers were F. G. Sears, Ben Harless, O. D. McGlaun, Jesse Koonsman, Gay McGlaun and Clyde Shull.

Flower bearers were Mrs. Clyde Shull, F. G. Sears, Bob Devenport, and Miss Winnie Garner.

Surviving are the husband, J. O. Stimson; the parents, Mr. and Mrs. S. L. Johnson; a daughter, Mrs. Harry Ward; two brothers, Olin Johnson of Snyder and Earl Johnson of San Antonio; a sister, Mrs. L. L. Linecum of Altus, Oklahoma; and two grandchildren.

Odom Funeral Home directed funeral arrangements, with burial in Snyder Cemetery.

Fire Calls Coming Thick and Fast as High Winds Prevail

Snyder's volunteer fire department is keeping the fire siren clanging regularly these spring like, sandy spiced day.

Members of the department answered a call Sunday afternoon, 3:30 o'clock, in East Snyder, when a short in electrical wiring caused fire to break out at the former Ray Hardin Cafe, located north and east of Snyder General Hospital on Highway 15.

Prompt action by Snyder's fire department members resulted in damages being slight. English sparrows had built a nest, of straw and grass, in the cafe's wiring box, which was believed to have brought about the electrical short.

The department answered a call Monday evening, 9:10 o'clock, to Southwest Snyder, when grass and weeds caught on fire at Avenue U and 28th Street.

Tuesday morning, 11:45 o'clock, members of the fire department answered a call to Northeast Snyder, when a Ford sedan, belonging to Odell Graham, caught on fire from defective wiring. The fire was put with only small damage to the involved vehicle.

Sewing Machines of County Being Put in Running Condition

Sewing machines, some 35 to 50 years old, now are sewing for victory as a result of machine clinics being held this month in Scurry County by Estella Rabel, county home demonstration agent, through cooperation of the county Home Demonstration Council.

As a result of the club meetings, more than 100 machines will be cleaned and many more repaired as persons trained in the gatherings help neighbors get their machines in working order, Miss Rabel declares.

Many of the machines never had been cleaned before, and collections of lint, thread and dust are found. In the sandy section of the county, grit was removed from mechanisms. Paint brushes, tooth brushes and tooth picks and kerosene, or naphtha, are among aids utilized in the cleaning of the machines.

Farm Bureau Slated For Member Growth

C. N. von Roeder, president, and Walter Moore, secretary, of the Scurry County Farm Bureau, say higher farm prices promised by the U. S. Department of Agriculture through the AAA will increase farm bureau membership considerably.

Farm bureau units have been exerting pressure the past several months on Congress to provide higher payments for farm commodities to offset shortages of labor and increasing scarcity of farm machinery.

Scurry County's Farm Bureau announces that free help on income tax returns will be given to both old and new Farm Bureau members. Bureau members who wish free help on filing income tax returns are asked to drop by County Agent Edward S. Hyman's office.

Hyman is arranging space for income tax work in his office, and will be glad to help farmers contact Farm Bureau officials on income tax matters.

The Better to Find You, Adolf!

In the acceptance room of a Canadian aircraft instrument factory, a resident technical officer checks the equipment on behalf of the Royal Canadian Air Force, before it is shipped out to assembly plants in Canada and the United States. Production of aircraft instruments is but a tiny part of Canada's rapidly expanding plane production program. With a population only

one-twelfth that of the United States, and a national income one-fifth the American income, Canada has nevertheless succeeded in creating a gigantic war industry which compares favorably with that of the larger weapon manufacturing countries in the world. Canada is playing a vital role in supplying the United Nations with tools of war to fight the Axis.

WAVES Recruits Needed

Women of Scurry County anxious to help in the war effort have a splendid chance to join the U. S. Navy's WAVES, officers of the Big Spring Navy Recruiting Station report. Women who want to help the WAVES in their recruiting campaign are asked to see the U. S. Navy representative here each Wednesday at Snyder post office, 12:00 to 2:00 p. m.

Most of the people who tell others not to read the Bible haven't read it.

Grass Fire Rages Near Town

Grass fire of major proportion occurred today (Thursday), about six miles south of Snyder near the old Strayhorn dam. Members of Snyder's volunteer fire department and others were called to battle the blaze, which burned over a considerable portion of pasture land. The fire, of undetermined origin, was fanned by a strong southwest wind.

Doris Hart of Odessa is visiting this week in the home of her grandparents, Mr. and Mrs. W. S. Clardy.

Raising of Pork To Help in Huge Food Production

Scurry County farm families who grow a substantial part of their own food will give a big boost to the work of properly feeding the nation this year and next, the county agent's office declares.

Scurry County's 1,400 farmers, for example, can do a real service by producing at home the pork the family eats. In raising a sufficient number of meat hogs for home use, farmers release commercially grown pork to those unable to raise hogs. At the same time, production of hogs on the farm for home use helps ease the strain on the nation's transportation system—already bogged down with shipment of war goods.

"You'll need some equipment," Edward S. Hyman, county agent, says, "if you're new on the job of raising pigs. But many growers make the self-feeders and creepers needed with odd bits of lumber and other materials around the farm. You can get the plans and helpful suggestions from your county agricultural agent. Some farmers who haven't the lumber and cannot buy it, provide shelter for their pigs with bales of straw or with straw thrown over a frame-work of poles and wire.

"Main thing is to provide a place which is dry and free from drafts. To take care of early spring pigs a handy man can make an electric brooder with a few boards, a piece of light cord, an electric socket and bulb and a tin reflector. Of course, if you buy a weaned pig a brooder is not necessary."

Mrs. Lee Smith, who has been in California the past few weeks visiting her husband, Lee Smyth, who is in the U. S. Navy, returned Tuesday. Lee, formerly employed in Abilene, has been in the U. S. Navy service the past several months.

Ration Instruction for Teachers Set Friday

Snyder and Scurry County school teachers are asked by Scurry County's war price and ration board to attend a ration book instruction school Friday afternoon, 2:30 o'clock, in the district courtroom.

Giles Bowers, general chairman of the county war price and ration board, states either David Radliff or George Young of the district OPA office at Lubbock will conduct the course of instruction.

Detailed information will be given at Friday afternoon's clinic on registration here February 25-27 for war ration book No. 2, in preparation for beginning of point rationing here and elsewhere March 1.

Ralph Johnston and Lloyd Clark of Lubbock spent the week-end here with relatives.

District Scout Group To Meet at Colorado

Ben W. Newhouse, chairman of the Snyder District leadership training committee, will head a group of Snyder District officials who will go to Colorado City Friday evening, February 19, for a meeting of Boy Scout leaders of Sweetwater, Colorado, and Snyder Districts.

Newhouse states the three-district meeting will be held at Colorado City Junior High School, and will begin at 7:30 o'clock. Following the Colorado City convalescence, a six-night training course will be held in Snyder, with dates to be announced later.

Freida Kelly, Patsy Snodgrass and E. A. Birdwell, students at Texas Technological College, Lubbock, were week-end guests of their parents here.

Make Your 1942 Income Tax Return Now!

Single persons with gross income of \$500, and married persons with gross income of \$1200 are required by law to make 1942 income tax returns.

SHOES GO ON RATION BASIS IN FAST MOVE

Sales Prohibited Over United States Monday by Order Issued First To Public Sunday

A sudden government order put shoes under rationing Sunday. Sales were prohibited Monday in all Snyder stores, and rationed sales of footwear began Tuesday.

The ration, as announced by the Office of Price Administration, will be three pairs per year for each man, woman and child.

Snyder and Scurry County people were caught entirely by surprise by the sudden rationing of shoes. Almost every person contacted Monday was "shoe conscious"—since shoe sales were forbidden throughout the day.

Snyder merchants began the sale of shoes Tuesday, where purchasers turned in their No. 17 ration stamp.

Here's the gist of the OPA shoe rationing regulations, as released by Scurry County's War Price and Ration Board:

Shoes rationed—All unused shoes, including all types of boots and shoes made in whole or part of leather, and all rubber soled shoes. All ordinary types as special work shoes, hard soled moccasins and casual and play shoes fall within this definition and are rationed.

Shoes not rationed—Soft and hard soled house slippers and infants' soft soled shoes; ballet slippers, ordinary waterproof footwear, including arctic, gaiters, work, dress, and tow rubber, and lumbermen's overs.

Members of a family may pool their coupons so that some may buy more if others buy less. It was revealed in the rationing order. "Rationing is of utmost necessity now to conserve existing supplies," OPA spokesmen declare.

Members of the County War Price and Ration Board are confident that shoe rationing will not work undue hardships on civilians—if they will make all useable pairs of old shoes last as long as possible.

Real burden, under shoe rationing, will be on parents with growing children, and mothers and fathers probably will be forced to give up some of their coupons for the children. A child of three to four years of age can easily use four pairs a year, and a lively boy of eight or nine can run through a half dozen pairs.

Former Pastor of Presbyterian Church Dies in Oklahoma

Snyder friends were notified Tuesday night of the death in Durango, Oklahoma, of Rev. C. H. Ward, former pastor of Snyder's First Presbyterian Church. Rev. Ward had been suffering from heart trouble for a number of months.

Funeral services for the former Snyder Presbyterian pastor were held at Tishomingo, Oklahoma. Interment will be made today (Thursday), at Cameron, Texas, Ward's former home.

Rev. and Mrs. Ward visited with Snyder friends last November, and had been here several times since Ward held pastorate of the Snyder church.

The former Snyder Presbyterian pastor was noted for his work with young people, especially boys, and had continued work with young people after moving to Oklahoma.

PALACE THEATRE

Program for Week—Thursday, February 11—

"Seven Days' Leave"
with Victor Mature and Lucille Ball, and Freddy Martin and his orchestra. So hop, hop and solid you'll be stamping in the aisles. News and Novelty.

Friday-Saturday, February 12-13

Soil District News Notes

Jim L. Stullenger Jr. of Fluvanna, employed by the local Soil Conservation Service work unit as an engineering aide, has been called to the colors.

H. C. Flournoy of Fluvanna reports 2.3 inches of rainfall for January as recorded by the rain gauge located on his farm. The average rainfall for the county for the month of January, as recorded by the local rain gauges from 1911 to 1940, was 59 inch.

Frank Andrews of Pyron is constructing terraces with a Coriscana terracer.

I. W. Kimzey of Pyron is building terraces with a one-way play and a side-disc attachment on his tractor.

A. J. Collier of Pyron is building terraces with a one-way plow.

Dee Pylant of Fluvanna has built approximately six miles of terraces with a 28-inch disc attached to the side of his tractor. Dee estimates he can build one mile of terrace with this disc in a 12-hour day.

Farmers in the Murphy community, Borden County, including Ed Murphy, Lloyd Murphy, C. N. von Ruedy, Nolan von Roeder and Ben Weathers, are pooling their resources—labor, tractors and equipment—in the construction of approximately 25 miles of terraces which they expect to complete soon.

Mr. and Mrs. Walla Fish spent the week at Dallas with Mrs. Fish's sister, Mrs. Bobbie Wren.

Mrs. Fred Boyd of Hobbs, New Mexico, was a guest of her mother, Mrs. Carrie Line, first of the week.

Members of a family may pool their coupons so that some may buy more if others buy less. It was revealed in the rationing order. "Rationing is of utmost necessity now to conserve existing supplies," OPA spokesmen declare.

Members of the County War Price and Ration Board are confident that shoe rationing will not work undue hardships on civilians—if they will make all useable pairs of old shoes last as long as possible.

Real burden, under shoe rationing, will be on parents with growing children, and mothers and fathers probably will be forced to give up some of their coupons for the children. A child of three to four years of age can easily use four pairs a year, and a lively boy of eight or nine can run through a half dozen pairs.

Ira Musical Program Nets \$22.05 for Fund

Ira School, in a musical program staged Friday evening, oversubscribed its quota for the nationally sponsored infantile paralysis campaign by raising \$22.05. A. B. (Boss) Baze, county chairman of the infantile paralysis campaign, reports.

Margaret Dell Prim, Ira School faculty member, had general charge of Friday evening's entertainment, which attracted a number of people from nearby communities to Ira.

"We are glad Ira has joined the rank of Scurry County communities 'over the top' in the infantile paralysis collection campaign," Baze said. "We congratulate the community on its contribution to the campaign."

Sandstorms Are on New Weather Menu

Scurry County's installment this week of almost spring-like weather turned into an old-fashioned sandstorm Tuesday, second of the 1943 season, which was described by some as a "goon" or "sandy whistler."

Wednesday's sand storm, which struck about 1:15 p. m., was whipped by a bitter norther, which continued throughout the afternoon.

Veteran weather observers of the county point out that the "sandies" are beginning earlier than usual. The installments of weather, insofar as sand storms are concerned, are said to be exceptionally rough on the South Plains, where several Scurry County families moved this year.

Mrs. W. E. Holcomb was joined by her sister, Mrs. Leslie Stevens of Midland, in going to Crosbyton to spend the week-end with their parents, Mr. and Mrs. W. T. Cook.

Private Shirley Morgan of the Lubbock Army Air Corps, spent the week-end here with his wife and daughter, Shirline.

Mrs. R. W. Thompson and daughter, Elizabeth, of Washington, D. C., were guests of Mrs. Ethel Eiland Sunday.

Mr. and Mrs. D. P. Williams and daughters, Cella Pat and Edna Marilyn, were in Dallas over the week-end, visiting with Mrs. Williams' parents.

Mrs. Elizabeth Gallup, 92, Fort Worth resident the past 62 years, and grandmother of Mrs. Wayne Boren of Snyder, succumbed Friday at her home in Fort Worth following a several-week period of illness.

Mrs. Boren had been at the bedside of Mrs. Gallup for several days, and was at the bedside when the Fort Worth woman passed away. Funeral services were held Saturday afternoon.

Survivors include a daughter, Mrs. J. W. Bondurant; the granddaughter, Mrs. Boren; and a great-grandson, John Jay Boren of Austin, who attended the funeral services.

Mr. and Mrs. D. P. Williams and daughters, Cella Pat and Edna Marilyn, were in Dallas over the week-end, visiting with Mrs. Williams' parents.

Mr. and Mrs. D. P. Williams and daughters, Cella Pat and Edna Marilyn, were in Dallas over the week-end, visiting with Mrs. Williams' parents.

W. A. Bynum Dies Monday After 43 Years in County

W. A. Bynum, 76-year-old Scurry County citizen and long-time farmer, died Monday afternoon, 5:00 o'clock, following a brief period of illness.

Born October 17, 1866, in Arkansas, Bynum had resided in Scurry County since 1899. He and a brother, George Bynum, operated a store in Snyder a number of years ago.

"Uncle Andrew" Bynum, as he was known, remained a bachelor, and had lived in the Turner and Arm communities around 40 years.

Funeral services for Bynum were held Tuesday afternoon, 2:00 o'clock, at the Snyder Church of Christ. Bro. Raymond C. Keley, Snyder Church of Christ minister, conducted final rites.

Palbearers were Ted Haney, J. E. LeMond, T. B. Knight, Ben Weathers, J. B. Johnson and S. W. Trevey. Mmes. Luther Bynum, W. H. Nobles, Eula Mae Corley and Odessa Meriton were in charge of floral offerings.

Surviving are two brothers, J. N. Bynum and G. W. Bynum; and a sister, Mrs. Dossie Arron of Villa, Arkansas.

Odum Funeral Home directed arrangements, with interment in the Snyder Cemetery.

Mrs. R. W. Thompson and daughter, Elizabeth, of Washington, D. C., were guests of Mrs. Ethel Eiland Sunday.

Mr. and Mrs. D. P. Williams and daughters, Cella Pat and Edna Marilyn, were in Dallas over the week-end, visiting with Mrs. Williams' parents.

Mrs. Elizabeth Gallup, 92, Fort Worth resident the past 62 years, and grandmother of Mrs. Wayne Boren of Snyder, succumbed Friday at her home in Fort Worth following a several-week period of illness.

Mrs. Boren had been at the bedside of Mrs. Gallup for several days, and was at the bedside when the Fort Worth woman passed away. Funeral services were held Saturday afternoon.

Survivors include a daughter, Mrs. J. W. Bondurant; the granddaughter, Mrs. Boren; and a great-grandson, John Jay Boren of Austin, who attended the funeral services.

Mr. and Mrs. D. P. Williams and daughters, Cella Pat and Edna Marilyn, were in Dallas over the week-end, visiting with Mrs. Williams' parents.

Roy Irvin Promoted To Army Majorship

Promotion of Roy O. Irvin, 142nd Infantry of the 36th Division, from captain to rank of major was announced this week by 36th Division public relations officials at Camp Edwards, Massachusetts.

Irvin's promotion this week was one of 21 promotions announced for 36th Division officers, Harold A. Rossonquist, first lieutenant, field artillery, public relations officer, reports.

Major Irvin is said by officers of his division to have risen steadily in rank since becoming associated with Company G. Irvin was formerly county superintendent of Scurry County schools, and taught school in the county for a number of years.

Mrs. Boren Attends Funeral for Relative

Mrs. Elizabeth Gallup, 92, Fort Worth resident the past 62 years, and grandmother of Mrs. Wayne Boren of Snyder, succumbed Friday at her home in Fort Worth following a several-week period of illness.

Mrs. Boren had been at the bedside of Mrs. Gallup for several days, and was at the bedside when the Fort Worth woman passed away. Funeral services were held Saturday afternoon.

Survivors include a daughter, Mrs. J. W. Bondurant; the granddaughter, Mrs. Boren; and a great-grandson, John Jay Boren of Austin, who attended the funeral services.

Mr. and Mrs. D. P. Williams and daughters, Cella Pat and Edna Marilyn, were in Dallas over the week-end, visiting with Mrs. Williams' parents.

Mrs. Elizabeth Gallup, 92, Fort Worth resident the past 62 years, and grandmother of Mrs. Wayne Boren of Snyder, succumbed Friday at her home in Fort Worth following a several-week period of illness.

WAAC Recruiter Is City Visitor Tuesday

Lieutenant Raymond J. Dees of the Lubbock Army Recruiting Station, and Lieutenant Jesse J. Gardner, Women's Army Auxiliary Corps, spent Tuesday in Snyder in the interest of recruiting Scurry County women for the WAACs.

Scurry County, as a means of assisting in the WAAC recruiting drive, has been asked to furnish nine recruits during the remainder of February and March.

Some of the WAACs already recruited are serving in Africa and England, Lieutenant Dees says. If West Texas meets its current WAAC quota, total of 584 fighting men can be released for the battlefield, it is pointed out.

Mrs. Corene Jones, Larry Morton, Lela Mae Schultze and Jo Bob Jones were week-end visitors at Lubbock.

Mr. and Mrs. D. P. Williams and daughters, Cella Pat and Edna Marilyn, were in Dallas over the week-end, visiting with Mrs. Williams' parents.

Mrs. Elizabeth Gallup, 92, Fort Worth resident the past 62 years, and grandmother of Mrs. Wayne Boren of Snyder, succumbed Friday at her home in Fort Worth following a several-week period of illness.

FIRE Fire Is No Respector of Persons... Hugh Boren & Son INSURANCE AGENCY Phone 196 Snyder, Texas

Thank you... Your response to this company's appeal to conserve telephone service, your sacrifices of peacetime telephone convenience, have helped keep war calls flowing over the wires in ever-increasing volume. Thank you! Under the handicap of stringent material shortages, the telephone problem during 1942 was somehow to add more telephones than in any two years before the war... while handling 67 million long distance calls—15% more than in 1941—40% more than in 1939. During the present year, 1943, even more war calls must be handled. They must and shall get through. But your help will be needed... every day and every evening... in making... Fewer and briefer telephone calls, please, and... Only vital long distance calls to busy war centers. Again... thank you!

 We are happy to know Grandpa Gladson is improving, and we hope he soon will be well.
 Farming is the order of the day and people are glad to have the sunshine for their work.

COTTON QUIZ

Seed Treatment Urged as Vital to Planting Season

"Now that Scurry County farmers are having a considerable amount of cottonseed culled, it's a fine time to fight against crop saboteurs by having all planting seed treated," Edward S. Hyman, county agricultural agent, states.
 Treatment for seed intended solely for planting purposes is made with one of the mercury dusts, such as cresolan, or some other dust recommended by the Texas Extension Service.
 Seed treatment methods are simple, Hyman declares. A month or two before planting, the cottonseed and dust are put in a tight container and rolled around until thoroughly mixed. During the storage period before planting, the treating dust kills the parasites.
 The county agent says, too, that the practice of seed treating pays if given only a few hours before planting. The cost only runs about 10 cents an acre, and treated seed in turn produce more seed and lint.
 Saboteurs of planting seed have been called damping-off, seedling blight, sore skin and rot. But whatever the name, they have been identified as very small plants which attack the growing cotton. Planting treated seed helps to produce cotton more cheaply, and helps assure a larger amount of seed needed in these vital war days.

Synthetic Rubber Official Pleased by West Texas Grains

Scurry County's Chamber of Commerce, as a unit of the West Texas Chamber of Commerce, expressed satisfaction this week at the statement of J. K. Ostrander, War Production Board representative, that he was impressed "with West Texas possibilities as to conversion of grains into alcohols—if under war conditions it will be possible to obtain critical materials involved to make an alcohol plant adaptable."
 Ostrander, as WRPB representative, was in Abilene last week to meet with West Texas delegations desirous of having a grain alcohol plant located in West Texas.
 The Philadelphia engineer came to Abilene to inspect possible sites for plants to distill grain alcohol, which in turn would be used to manufacture synthetic rubber. Ostrander admitted that raw materials resources of West Texas were tremendous, but said WRPB plans for grain alcohol plants would have to be changed—if adaptable to West Texas conditions.

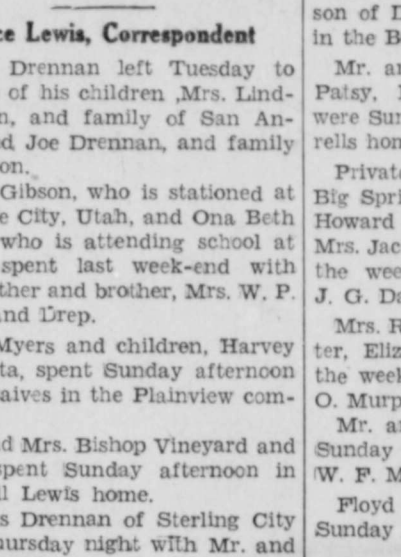

Turner School Raises \$5.

Turner School, located west of Snyder, turned in \$5 in the infantile paralysis collection campaign. Mrs. Gaston Brock, in charge of county school collections for the National Foundation of Infantile Paralysis, reports. Mary Brown Roberson, recently named Turner School teacher, had general charge of raising funds in the community.

BABY CHICKS
 The U. S. Department of Agriculture says: "Probably the most important step . . . is to stress at every opportunity the vital necessity of poultry raisers starting their chicks earlier than usual in order to lengthen the hatching season. It just doesn't seem possible now that hatcherymen can take care of the flood of business."
 The demand for chicks is greater than ever before, so no matter when you want them place your order now.

Canada Fights COUGHS
 Due To Colds or Bronchial Irritation This New Amazing Way
 By far the largest selling cough medicine in all Canada is Buckley's CANADIOL Mixture. Composed from rare Canadian Fine Elixirs (by a secret process) Buckley's is entirely different from anything else you ever tried. It's extra fast for Dad—yet gentle and mild for Mother and the little ones. Get a bottle today—take a sip or two then swallow slowly—Instantly you feel its powerful effective action spread thru your head and bronchial tubes. Coughing stops. Right away it loosens up your chest—opens up clogged bronchial tubes—makes breathing easier. At all first class drug stores.
 Stinson Drug Co., Irwin Drug Store

Income Tax Control
 Income Tax Control, that is, the handling of a taxpayer's business transactions in such a manner so as not to produce the highest tax; is becoming a matter of more and more importance, as the tax rate increases.
 Such control usually requires that information relative to any given transaction be obtained before the transaction has been completed, instead of after.
 This manner of controlling taxes is legitimate and legal; the courts having ruled that "It is the right of the taxpayer to exercise judgement and discretion in the matter of INCURRING taxes," and again "Any one may so arrange his affairs that his taxes should be as low as possible; he is not bound to choose the pattern that will best pay the Treasury; there is not even a patriotic duty to increase one's taxes." Once taxes have been incurred, it is decidedly the duty, patriotic and otherwise, that this tax be properly calculated and paid.
 To meet the growing demand for the accurate and proper handling of tax problems which arise both before and after the tax has been incurred, we are offering a TWELVE MONTH TAX SERVICE for those who desire it, which will include the preparation of Social Security and Victory Tax returns where desired. Consult us at your convenience about this service.

What to do when a fuse blows
 Fuses are the safety valves of your electric wiring, and when one "blows out," it is a sign that something is wrong, most often a worn appliance cord or some other trouble that has "shorted" the current. When this happens, the thin metal strip in the fuse melts, shutting off the current to prevent further damage.
HOW TO REPLACE FUSES
 You can save time and inconvenience by keeping a supply of fuses on hand (15-ampere for branch circuits and 30-ampere for the main circuit). Then when a fuse "blows out," you can replace it with a new one quickly by following the six suggestions of Reddy Kilowatt, shown at the right. If some, but not all, of your lights go out, this indicates that a branch circuit fuse has blown. If all your lights go out, and lights next door are on, the trouble likely is a blown main circuit fuse.
 1 Know where main and branch circuit fuse boxes are located in your home or store.
 2 Disconnect the appliance, lamp or other electrical equipment that caused the fuse to blow.
 3 Look for the blown fuse... usually the mica window is smoke-blackened where the thin metal strip has burned in two.
 4 Before removing or inserting a fuse, first open the main switch to cut off the electricity.
 5 Replace the blown fuse with a new one of proper size, and then reclose the main switch.
 6 Don't try substitutes for fuses. They afford you no protection and are dangerous.

God Needs Us Strong

The Times joins people of Snyder and Scurry County this week in paying tribute to the Boy Scouts of America, and especially of the Snyder District, on occasion of their thirty-third anniversary.

Boy Scout Week

God needs us strong, in heart and mind, in purpose and faith throughout the months ahead, Mr. and Mrs. Scurry Countian, so don't you think it's mighty good time now to see that all your immediate neighbors get to go to the church of their choice each Sabbath Day?

The Lady's Good Looks

The women are told not to neglect their personal appearance in war-time. They are told to keep up "good grooming." They usually do so.

Editorial of the Week

BOOSTING SHIP OUTPUT.

The shipping bottleneck, which has been of prime importance all along, now has become pressing. That is a principal reason for the current shift in production emphasis which is slowing down activity in some lines.

Current Comment

By LEON GUINN

Editor's Note—Expressions of opinions contained in this column are those of the writer and do not necessarily reflect the opinions or policies of The Times. Current Comment is merely carried as a feature column.

Food demands are steadily increasing throughout the entire nation, those interested in the situation are discovering. . . . Not only will food demands keep increasing as we take over more territory formerly occupied by the Axis would-be conquerors, but pleas for food to feed us and the world will be of paramount importance for many years after the war.

Rationing of sugar and coffee, plus the forthcoming rationing of canned goods, meat and butter, bids fair to make people, in both town and country, grow more victory gardens this year than ever before, and raise chickens in every spot available.

Say what you will, the anti-inflation forces are in retreat all along the line. . . . There's no possible hope of clamping a lid on the economic system of the country, because the ball has started rolling at such speed there can be no stopping until a hill is reached.

Regardless of what you hear and read, Congress, thank our lucky stars, is intent upon having a hand in fixing the size of the armed forces, and Washington's "100 No. 1 generals" can rant and rave all they wish.

If accounts of how poets of Americans on Guadalcanal, in North Africa and elsewhere on the fighting fronts be at least half true about killing eight to 10 of the enemy for the loss of each American, and War Department releases be halfway accurate about American fighters destroying 10 to 12 Axis planes for each plane we lose, the 1,782,000 men already have across the seas could really raise "old billy" if turned loose at the proper moment.

Officials of the War Production Board's Washington office are hopeful that American motorists, in face of drastic gasoline rationing, will be indeed wary of patented gas savers and other devices peddled in various parts of the country.

The U. S. Department of Agriculture is thinking on farm price terms in channels of the powerful Congressional Farm Bloc. . . . Admission is made by the department that farm prices should be allowed to rise to encourage production of essential food crops during 1943.

Lions Will Attend Zone Meeting at Post Next Month

Approximately 16 members of the Snyder Lions Club indicated Tuesday, at the club's regular weekly luncheon in the Manhattan Hotel, they would attend a zone Lions gathering—if staged the latter part of March at Post.

Three clubs, Snyder, Post and Lamesa, are in this Lions Club zone. J. H. Norris of Lamesa is zone chairman.

E. O. Wedgworth reported that infantile paralysis fund contributions from the recent county-wide drive grossed \$1,075 through donations already turned in. Of this amount, approximately \$800 was realized from staging of the Lions sponsored play, "Merry Go Round."

On the entertainment side of the ledger, attendants were shown a timely motion picture, "Manila Bombed." Staff Sergeant Chalmers W. Watkins, U. S. Marine, son of Mr. and Mrs. Coy Watkins, related some of his experiences in the Southwest Pacific war theatre which attracted considerable attention.

First Baptist Church

Were you in service at the Lord's house last Sunday? Did you have a good reason for not attending? Some say attendance at our services is good and we appreciate those who are coming but the attendance is not what it should be.

Firemen Fight Grass Blaze

Members of Snyder's volunteer fire department answered a call Monday evening, 9:10 o'clock, when a grass fire gained considerable headway on Avenue U at 29th Street.

Marine Officer

Roy Everett Moffett, son of Mr. and Mrs. D. L. Moffett of Camp Springs, has been commissioned a second lieutenant in the U. S. Marines, and will undergo final phases of the rugged officers' training course at Quantico, Virginia, before leading leathernecks in battle.

Dunn Couple Gives Boys to Uncle Sam

Mr. and Mrs. J. A. Johnston, long-time residents of the Dunn community, have one son in military service, two nephews and three grandsons; and one son and one grandson engaged in defense work.

Marcus Johnston, son of Mr. and Mrs. Johnston, is with the U. S. Navy, Squadron, U. S. Naval Aviation School, Kingsville. The two nephews, whom Mr. and Mrs. Johnston reared, are:

Louie Johnston, U. S. Navy, at Corpus Christi, and Lieutenant Bobbie Johnston of the U. S. Air Corps, Grandsons in service include Wayne Johnston of the U. S. Navy Medical Corps, Corpus Christi; James Hunter of the U. S. Army at Chanute Field, Illinois; and Jack Hunter, with the navy on the U. S. S. Saratoga.

Paralysis Funds Drive Directors Express Thanks

The following officials of Scurry County's infantile paralysis committee express their thanks to the people of Snyder and Scurry County for going over the top with a gross of \$1,083.47 in these statements:

A. B. (Boss) Baze, county chairman: "I want each and every person in the county, from the greatest to the least, to know that we really treasure the way Scurry County kicked in for the infantile paralysis drive."

"Not only do all community committeemen and assistants deserve plenty of credit, but the entire cast of the Lions Club 'Merry Go Round' play deserve special recognition, along with E. O. Wedgworth, Rose Marie Clawson and Louise LeMond, play directors."

W. J. Ely, chairman of the Scurry-Borden County chapter: "At a time when the world is engaged in all-out global war, it is heart-warming to know the people of Snyder and Scurry County can raise more than \$1,000 gross for the relief and benefit of infantile paralysis victims—a thing close to President Roosevelt's heart."

J. C. Stinson, county treasurer: "I've never seen anything like this year's infantile paralysis drive. People in all nooks of the county pitched right in to make the event an outstanding success. Everyone who helped in any way, committee members and donors alike, deserve our sincere thanks."

Buy Victory Bonds and Stamps

FSA Loans for Food Production Heralded

"Scurry County's Farm Security Administration, with its Food-for-Freedom loans and assistance to rural people of Scurry and Kent Counties, is doing a real war-time job we can all be proud of," T. Euel Limer, area FSA specialist with headquarters in Lubbock, stated here Monday afternoon.

Limer, who has recently recovered from a siege of illness, says the Farm Security Administration, through the Scurry County office, is offering hard pressed rural families of Scurry County a chance, through current loans, to carry on farming operations during 1943, buy poultry, livestock and contribute, directly, to production of essential war crops.

Visiting cards at The Times.

Roy Moffett Is Made Marines Lieutenant

Roy E. Moffett, son of Mr. and Mrs. D. L. Moffett of Camp Springs, who was commissioned a second lieutenant this week in the U. S. Marines at Quantico, Virginia, knows what it means to work up.

Moffett, 22, made a brilliant record at Hobbs School, Western Fisher County, during his high school days, and was graduated with honor.

He started at Texas Tech College, Lubbock, on a scholarship and plenty of determination. By work after college classes and tenacity, young Moffett soon became a leader in his class, and held various offices among student body organizations.

Roy's father is a steam fitter and recently has been employed on several government projects. Roy enlisted in the marines in June, 1942.
