CAMPAIGN TO GATHER CANS TO BEGIN SOON

Altrurian Club to Sponsor County-
Wide Collection as Part of
Vital Metals Drive

Tin cans, which have heretofore been called worthless junk and trash by Snyder housewives, became this week a critically needed war material.

Need for tin cans by the government is so acute, in fact, that a Scurry County tin salvage campaign will get underway Monday morning, it was announced this week.

Snyder's tin can collection drive will be sponsored by the Altrurian Club, and efforts will be made to collect as many hundred pound, used cans through April as possible. Each can donated will mean another stitch in time taken in our global war effort.

Mrs. Hugh Boren, A. C. Preullt and Lee T. Stinson were named Tuesday to direct Snyder's tin salvage campaign, and Estella Rabel, county home demonstration agent, was chosen to head the drive in rural communities of the county.

Snyder housewives, as a means of preparing for the tin can collection program, are urged by Mrs. Boren, Preullt and Stinson to cut the tops and bottoms from recently used cans, press them together and place in boxes for convenient collection.

Snyder and Scurry County women are advised that all tin cans will be donated on a voluntary basis. Cans of one gallon size and smaller will be eligible for contribution. No rusty cans, or cans which have been burned, will be accepted in the salvage drive.

"It is interesting to note," Estella Rabel, county home demonstration agent, points out, that two pounds of tin cans produce three pounds of copper.

One ton of tin cans produces enough copper to build a Flying Fortress. Uncle Sam needs all your available tin cans now.

Copper, Miss Rabel declares, is one of the nation's most critical war metals. Every piece of ammunition and every bomb turned out requires copper.

While no deadline has been set for terminating the tin can salvage program, efforts will be made to collect as many cans as possible during April, it is announced.

Humble Oil Refining Company of Houston assured the Chamber of Commerce Wednesday that the Humble warehouse, located on the R. S. & P. Railway tracks north of Ely, Arnold & Ely Gin, could be utilized as a collection depot for all tin cans taken in during the salvage drive.

Effective Monday, all Snyder housewives who have tin cans ready can take them direct to the Humble warehouse, the Altrurian Club, Snyder campaign sponsor, reports.

Use of the Humble warehouse as a collection depot for tin cans will make it an easy matter to load the cans on railroad cars.

County's Quota Of War Bonds Is 25% Subscribed

Sales of U. S. war bonds and war savings stamps in Scurry County Second War Loan Drive, started Monday morning with a "kick-off" breakfast at Leahy's Cafe, totaled \$50,256.25 through Tuesday, Scurry County's War Savings Committee reported.

Thus, the Second War Loan Drive, in the first 48 hours of life, got off to a flying start and resulted in Snyder and Scurry County contributing approximately 25 per cent of the assessed \$212,000 quota.

Members of the Snyder and Scurry County War Loan Drive committee remind county residents that \$212,000 is a considerable amount of money, and that steady, consistent purchases of war bonds and war saving stamps will be necessary the remainder of April to reach the assigned quota.

Private First Class Melvin Newton Jr., U. S. Army, son of Mr. and Mrs. J. M. Newton, has been in North Africa with the postal division of the army slightly over a month, his parents learn.

Melvin Jr. spoke, in a letter, of having passed through Ourn, North Africa, and several other points where war has left gaping scars in the earth—and on civilians.

Earl and Pearl are names of twins born April 9 to Mr. and Mrs. Jack Diekey at Snyder General Hospital.

Three New Directors of Chamber of Commerce

Three newly named directors of the Scurry County Chamber of Commerce for the ensuing year whose pictures have not appeared in print in many months are: John A. Stavely, Fluvanna community merchant; T. J. Sterling of Ira, farmer and rancher; and W. D. Everett, Snyder contractor, Directorship of the Chamber of Commerce, as announced several weeks ago, has been increased from nine to 12 member—in line with CC polli-

cies in other West Texas counties. The Chamber of Commerce has pledged whole-hearted cooperation with the Second War Loan Drive, and is correlating the organization's work program to fit the war effort.

Clavdia and June have planted approximately one half acre of garden space to beans, peas, tomatoes, squash, onions—in fact, nearly every vegetable adapted to West Texas soil and climate.

Outside of their regular nine-hour shift at the hospital, they put in their spare time in the garden.

TWO NEW CARS APPROVED BY RATION BOARD

Certificates Issued for Tractor Tires
And Tubes Climb as Passenger
Tire Permit Are Cut

Approval certificates for two new automobiles were granted Tuesday by Scurry County's War Price and Ration Board, and only three Grade I passenger tires were approved.

Issuance of approval certificates for tractor tires and tubes picked up sharply this week, with approvals given for 25 tires and 10 tubes.

Approvals granted by the Scurry County War Price and Ration Board follow.

Automobiles Granted—J. R. Green and John E. LeMond.

Grade I Passenger Tires and Tubes—Odom Funeral Home, two 600x16 tires; M. U. Vernon, one 600x16 tire; Ira Ray-Sturdivant, one 600x16 tire; M. U. Vernon, one 600x16 tire denied.

Grade II Passenger Tires and Tubes—William K. Blankenship, one 600x16 tire; G. W. Sheid, one 600x16 tire and two 600x16 tubes; Albert Hills, two 600x16 tires; Walter Wiley, one 550x17 tire; Marvin K. Lemons, one 600x16 tire; J. D. Robinson, four 600x16 tires and two 600x16 tubes.

Passenger Tires and Tubes—B. J. Tucker, two 600x16 tires and one 600x16 tube; John A. Stavely, one 600x16 tire and one 600x16 tube; Henry Johnson, three 600x16 tires.

Tractor Tires and Tubes—Travis Rhoads, two 600x16 tubes; W. R. Gibson, one 600x16 tube; E. P. Ashill, two 900x36 tubes and one 550x16 tube; J. S. Head, one 600x16 tube; David Strayhorn, one 600x16 tube; J. D. Robinson, one 600x16 tube and tube; J. W. Coffee, one 600x16 tube; Willard Glasdon, one 500x15 tire; J. E. Powell, one 600x16 tube; Kate Severin, one 550x16 tube; C. V. Lee, one 550x16 tube; Ross Williams, one 400x15 tire; J. C. Murphree, one 400x15 tire; J. A. Pierce, one 1200x20 tire; Clyde M. Boren, two 900x16 tires; Ray Patterson, one 500x15 tire; Calvin Helms, one 550x16 tire and tube; D. E. Clark, two 600x16 tires; Edward Howell, two 600x16 tires; Virgil Nail, one 400x15 tire; John Schattell, two 1000x36 tires and two 650x16 tires; John Schattell, two 1000x36 tubes and two 650x16 tubes.

Cement on Bridge to Pe poured Thursday

Forms were going up Wednesday for the west abutment of the Highway 15 bridge over Deep Creek, and engineers expressed the belief that concrete would be poured some time today (Thursday).

Construction progress on bridge work over Deep Creek is proceeding according to schedule, J. S. Gorman, resident highway department engineer, reports—despite brief delays caused by rainfall the past seven days.

Some 20 highway department employees are working on the bridge, which will be a \$38,000 concrete project.

Rabbit Drive Slated On Joe Merritt Place

A full blown rabbit drive—the type Scurry County hunters always look forward to in the spring—will be staged one day next week at the Joe A. Merritt place, southeast of Snyder, drive sponsors reported Wednesday.

Day for the drive will be set as soon as hunters secure enough ammunition. The government is releasing shotgun shells for rodent and predatory control, and limited stocks of shells are available, it is reported.

Nurse Gardeners

Just to prove that nurses are capable of doing several different jobs, Claudia Dunca and June Heath, two nurses at Snyder General Hospital, have a victory garden that is an example for others to follow.

Clavdia and June have planted approximately one half acre of garden space to beans, peas, tomatoes, squash, onions—in fact, nearly every vegetable adapted to West Texas soil and climate.

Outside of their regular nine-hour shift at the hospital, they put in their spare time in the garden.

Easter Program Slated April 25 by Musical Coterie

Sponsored by the Snyder Musical Coterie, the annual Easter program will be presented at the Methodist Church, April 25, at 9:00 o'clock.

A program of numbers will be rendered by representatives of all the churches of Snyder and three chorals clubs of the Snyder schools will be presented, announces Mrs. Arnor McFarland, Coterie president.

Knights Templar of the Snyder lodge will have the first part on the presentation, their traditional Easter morning ceremonies.

Invitation is extended to the public to attend these services. More details about the program will be given in next week's issue of The Times.

Five Families of Oil Concern Locate Here

Five families associated with the Gardner Brothers Drilling Company this week moved to Snyder, preparatory to beginning drilling operations on the Humble Oil Company wildcat test in the Hobbs community.

Representatives of the Gardner Brothers Drilling Company located here plan to be in Snyder for several months. Mr. Scott is understood to be superintendent here with the group.

Most Married Men Without Children To See Military Service in New Ruling

Virtually all Scurry County childless married men in the 18 to 37-year-old bracket this week faced a draft reclassification making them available for induction as their order numbers are reached.

This situation developed over the week-end, as the result of announcements by national Selective Service officials that nearly 3,000,000 childless married men over the nation will be reclassified in Class 1-A.

Selective Service officials estimate that the country's "emergency reserve of manpower"—childless married men, to the tune of 3,000,000, are now in 3-A and 3-B classifications.

Selective Service boards here and elsewhere maintained silence on the new ruling this week, but informed sources report these changes will be made in present classifications, effective this week.

Eliminate the 3-B classification, which now contains 2,000,000 men and includes all men in essential activity regardless of whether they are individually essential.

JEEPS TO VISIT WEDNESDAY AS DRIVE CLIMAX

Army Battlewagons Will Give Free
Rides to School Students Who
Participated in War Loan

Two U. S. Army jeeps will be in Scurry County all day next Wednesday as a climax to the buy-a-jeep campaign conducted in Snyder and Scurry County schools, M. E. Stanfield, county educational chairman of the buy-a-jeep drive, reports.

Second Lieutenant Keith L. Lee, public relations chief at Camp Berkeley, Abilene, will head the delegation of army personnel officers who will take school students of the county for rides in the jeeps.

Since rural schools of the county are meeting quotas assigned in the buy-a-jeep campaign, Mrs. Gaston Brock, county superintendent, says that schools carry students to the most convenient point for the jeep schedules given below:

U. S. Army Jeep No. 1—Dunn, 10:00 a. m. to 11:30 a. m.; Ira, 11:45 a. m. to 1:00 p. m.; Fluvanna, 2:00 p. m. to 3:30 p. m.; and Snyder, 4:00 to 5:00 p. m.

U. S. Army Jeep No. 2—Pyrro, 9:45 a. m. to 11:00 a. m.; Hermleigh, 11:15 a. m. to 1:30 p. m.; and Snyder, 2:00 p. m. to 3:00 p. m.

All school children of the county who participated in the buy-a-jeep campaign are urged to report, with their teachers, at the most convenient point next Wednesday. Students and teachers will be given free rides in the jeeps.

Closing of the buy-a-jeep campaign next Wednesday falls on San Jacinto Day, and will be state-wide in scope.

Snyder Schools have already sold enough war bonds and war savings stamps to buy five jeeps, and rural schools of the county are meeting assigned quotas. Exact figures from rural schools will probably be available next week.

Key Ends Fluvanna Meeting.

Bro. Raymond C. Keley concluded a 10-day revival meeting at Fluvanna Wednesday night that has attracted considerable attendance. Church of Christ leaders state. Bro. Keley leaves Friday for Lubbock to conduct another revival.

HUMBLE TEST IN HOBBS AREA TO GO 6,000 FEET

First Drilling Activity in Region to
Be Made on S. A. J. Willingham
Place Just Over Line

Interest in this area's oil front activities swung this week to the Hobbs community in Western Fisher County, with announcement by the Humble Oil & Refining Company of a 6,000-foot wildcat test—operations on which will immediately get underway. Derrick for the project has already been erected.

The test, it was announced, will be drilled on a 7,500-acre block assembled nearly 10 years ago and since kept under lease.

Location for the deep project, Humble Oil & Refining Company's No. 1 S. A. J. Willingham, was staked 600 feet out of the northeast corner of Section 43, Block 3, Houston & Texas Central Railroad Survey—about seven miles east of the Scurry-Fisher county line.

Nearest production to the Humble-Willingham wildcat test is five miles to the northeast, where Forest Development Company drilled a series of "tight" wells several years ago, including a number of producers.

The government, it is learned from reliable sources, has leased one of the Forest wells on the Bonnett Estate lease as a helium producer, and maintains 24-hour watch on the well. No admittance is given to the "government" well, which is causing considerable speculation and conjecture among members of the oil fraternity.

Three miles to the south of the Humble-Willingham test, John B. Stribling, prominent Fisher County Herford breeder, and Magnolia Petroleum Company drilled a dry hole on the Stribling property. Magnolia still holds a considerable amount of acreage in this sector of the community under lease.

There has been virtually no activity in Fisher County during the past two years, which was once the "hot spot" of this trade zone.

Fisher County interests told a Times reporter Tuesday that a number of wells in the Roan or Robinson pool, west of Roan, have been plugged. Encroachment of salt and sulphur water has been a major problem since opening of the Roan field. Practically all wells brought in were said to have been shot with such quantities of nitro that subsurface formations—shot through with gypsum and its secondary depositions—let salt and sulphur water become a gradually increasing seepage-through problem.

Major oil companies have long held huge blocks under lease in Western Fisher County, but little exploratory work has been done in the past few years.

210 Quarts Beer Taken in Raid by Group Thursday

In a raid last Thursday morning, 3:00 o'clock, in Snyder's colored section, J. G. (Pop) Galyean, constable of Scurry County, and two members of the Texas Liquor Control Board nabbed "Big Anderson" Davis with 210 quarts of beer and three gallons of wine in his possession.

Merjag and Morris of the liquor control board assisted Constable Galyean in the raid which netted what peace officers describe as a "real haul."

Charged with possessing intoxicants in a dry area for purposes of sale, "Big Anderson" was reported to have paid, "like a slot machine," \$100 in fines and court costs.

Anderson has been charged previously with violation of liquor laws. He has been arrested five times since last November on liquor charges, Galyean reports.

AAA Seed Wheat to Sell for \$1.10 Bushel

McClinton & Noble Feed Store, located two blocks north of the square on Avenue S, will handle a carload of feed wheat for Scurry County livestock owners at \$1.10 per bushel, the county AAA office announces.

Livestock owners in need of the grain for feeding purposes are asked to either contact the county Triple A office, or McClinton & Noble Feed Store.

Hess and Thompson New County Trustees

D. Z. Hess and Whitt Thompson were named county school trustees without opposition, a check-up of late election reports from remaining county communities, unreported last week, reveals.

A. H. Kruse and W. W. Hester were named trustees for the Ira School District, and Fred Davis was named trustee at Crowder, reports obtained this week above.

Incentive Payments to Cost County \$142,000

GOOD RAINS IN COUNTY AREAS ADD MOISTURE

Week-End Wetness Spots County
Saturday Evening and Night as
East Section Gets Most

In blessing Scurry County with more moisture this month than in previous months of 1943, the Weather Man gave Snyder and Scurry County from 22 to 35 of an inch rainfall last Wednesday night, and 40 of an inch precipitation Saturday evening and night.

Rain that fell Saturday evening and night was reported very spotty in sections of the county. A small strip around Hermleigh reported no rain, while good rains were reported at Dunn, Inadale, Bell, Plainview and Lloyd Mountain.

Precipitation at Plainview and Lloyd Mountain approximated two inches.

Rainfall which visited the county Saturday night was reported light in the western part of the county. Borden County received a "fair" rain, as did Kent and Garza Counties.

County farmers who have planted early feed and sudan report the April showers bringing up feed within a few days after planting. Despite the unusually early time of the year, several patches of April cotton are being planted in various sectors of the county.

A pre-Easter spell which blew up early Monday morning brought a cool wave which lasted through Tuesday. The cool wave was expected, veteran weather observers said, in view of the late Easter—April 25—marked up this year.

Martin Will Meet Plainview Here in Play Day Finals

West Side-East Side Play Day events, held Friday at Dermott and Plainview Schools, respectively, provided plenty of entertainment for attendants, and served as a valuable replacement for annual interscholastic league events of former years, Mrs. Gaston Brock, county superintendent, reports.

In the West Side events, held at Dermott, Dermott nosed out Turner by 29 points to 6 in a softball game, and Martin defeated Bethel by 12 to 6 points. In the final game, Martin put Dermott away by point-a-goal in a girls' game which provided additional interest, Dermott and Bethel "whipped down" Martin and Turner, 14 to 3.

Softball games in the East Side line-up provided considerable surprises for those who predicted easy wins for favorites.

Independence School group put away a second string Plainview team, 11 to 8, and in the second stanza Plainview nosed out Emis Creek, which drew a bye in the first round.

"Dinner on the grounds" was featured at both host schools, Dermott and Plainview.

Martin, winner of West Side softball games, will meet Plainview, winner of East Side events, here Saturday morning at 10:30 o'clock at Snyder Schools, Mrs. Brock reports.

Fluvanna School Man Goes to Army Friday

George Moore, who served several weeks as superintendent of Fluvanna Schools, left Friday for service with the U. S. Army. The Times learns, H. L. Miller, named superintendent last year, has returned to complete the current school term—expected to last seven more weeks.

Mrs. George Moore, who has been accepted by the Women's Army Auxiliary Corps, will leave for active WAAC duty when school is out.

John Spears Named Ration Board Head

Appointment of John Spears as general chairman of Scurry County's War Price and Ration Board, effective Wednesday, was announced by Mayor H. G. Towle of Snyder and County Judge Sterling Williams.

Spears, who has acted as chairman of the county gasoline board panel, was elevated to the general chairmanship of the War Price and Ration Board to replace Giles Ewers, resigned.

Lions Speaker

Lions Ross S. Covey, superintendent of Sweetwater Schools, and a past district governor of Lions International, will be principal speaker this (Thursday) evening at the Snyder club's ladies' night program, which will be held at the Manhattan Hotel.

Lions Club Will Host Big Crowd At Ladies' Night

Virtually 100 per cent attendance is expected to mark the Snyder Lions Club ladies' night program, which will be held this (Thursday) evening, beginning at 8:30 o'clock, at the Manhattan Hotel.

Principal speaker for the event will be Ross S. Covey, superintendent of Sweetwater City Schools, and a past district 2-E Lions governor.

A rather unique entertainment program has been arranged for this evening's festivities, club officials say. Tuesday's weekly luncheon was dispensed with in favor of the ladies' night festivities.

Attendees will witness "A Journey Through Music Land," with Mrs. Jim Polk as soloist. Mrs. L. A. Chapman will act as accompanist, and Mrs. Gerald G. Gordon as reader.

Lion Willard Jones will direct the choir and their ladies in singing of "America." Rev. Hubert C. Travis, Snyder Presbyterian pastor, will offer invocation. Lion Lee T. Stinson will be master of ceremonies for the banquet.

Willard Jones will be in charge of a quiz section, which will definitely decide, it is reported, which is the smarter—the men folks or the women.

Fire Department to Tackle School Boys In Softball Tonight

Rumors of a "come and for all" softball game between Snyder's Volunteer Fire Department and the championship softball team of Snyder High School reached a climax Wednesday, with announcement that the champion high school team will play the fire boys this (Thursday) evening, 7:00 o'clock, at Tiger Stadium.

Members of the high school team have been "itching to get a chance at the fire boys" for several days, according to reports, and a spokesman for the school squad predicts that the fire boys will be "up against a team that allows very few hits."

Softball fever reached a new level in town Wednesday also when members of the Snyder Lions Club softball team were reported about to close a deal with the high school boys for a decisive game. Tentative date for the Lions-high school game is expected to be announced within a few days.

Snyder Students Buy Five Jeeps in Bonds

Snyder Schools, through Tuesday, marked up sale of \$4,084.95 in U. S. war bonds and war savings stamps in the Texas-wide jeep buying campaign—enough bonds and war stamps sold to purchase five U. S. Army jeeps.

Elementary grades of Snyder Schools reported sale of \$1,151.30 in bonds and stamps, junior high school \$1,698.20, and senior high school \$1,235.45.

By percentages, participation in war bond and stamp purchases, as listed by E. L. Farr, school superintendent, follow:

FEED BONUSES WITHDRAWN BY AAA TUESDAY

Grain Sorghums to Be Affected by
Government Order—Increased
Prices Given as Reason

Scurry County farmers will lose a total of \$142,000 in reduced crop income during 1943.

So announced Scurry County's AAA office Tuesday, after efforts of county and state farm leaders to build up a great grain sorghum industry in West Texas to produce needed feed received a set-back with realization that removal of incentive payments to growers of grain sorghums and other crops would cost this county at least the \$142,000 income figure.

Johnnie M. Ammons, county AAA administrative officer, received a telegram Tuesday from B. F. Vance, state Triple A administrative officer, which pointed out that incentive payments of all crops except Irish potatoes and fresh vegetables had been ordered cancelled.

The county AAA administrative officer estimated Tuesday afternoon that all but \$18,000 of the \$142,000 loss in crop income would be from anticipated sorghum grain incentive payments.

This major change came as a result of the advancement of prices on many commodities. The price on peanuts was raised from \$28 to \$40 per ton. Under the tentative plan \$28 was to be the floor price for peanuts, but now instead of making incentive payments, farmers are to be given a guarantee of \$40 per ton for No. 1 peanuts. The floor price for peanuts in 1942 was \$88 per ton. This represents an increase of \$62 per ton in the price since last year.

The same policy is to be in effect for grain sorghums and other crops. For grain sorghums a loan price of 85 cents per bushel has been established. This guarantees the farmer fair returns for his grain sorghum and gives him some assurance that he will not have any more 40-cent and 60-cent maize for some time to come.

Ammons states that the reaction of Scurry County farmers to this change has been varied. Some farmers have expressed a dislike for the idea of "bonus" payments. They are of the opinion that any help from the government should come in the form of increased or support prices and should not be tendered in the form of a "gift." If a farmer can do a job that will help in the war effort he will do it without a bonus to bolster his patriotism.

These thoughts are in line with the newly expressed policy of increased prices on farm commodities.

However, still other farmers contend that the incentive plan was the only way of getting returns on this year's crop. They contend that they would be paid enough to cultivate the crops and under the new plan a complete failure would leave the farmer without any income from his crops.

Rehearsals for Lions Minstrel Start Soon

Rehearsals for the Dixie Land Negro Minstrel, sponsored by Snyder Lions Club, will get underway Monday evening at 8:30 o'clock, members of the minstrel arrangements committee announced Wednesday.

Complete cast for the production, which will feature folk songs of the past, will be named this week. Names of cast personnel and other minstrel details will be carried in next week's Times.

Thursday evening, May 20, was tentatively set this week as the date for staging of the Dixie Land Negro Minstrel. Additional information on the production, proceeds of which will go to the Snyder Lions blind fund, will be carried from week to week in Your Home County Paper.

Patrick Quartet Will Advertise Convention

Advertising Scurry County's forthcoming singing convention Sunday afternoon, April 25, the Patrick quartet will give a 15-minute gospel song radio program Sunday afternoon, 3:15 to 3:30 o'clock, over Station KXOX, Jack Patrick, quartet manager, announces.

E. O. Wedgworth, Scurry County Chamber of Commerce manager, will act as master of ceremonies for the occasion. Those in the quartet will be Jack, Juanita, James Allen and Earl Patrick. Radio owners of this area are invited to tune in for the quarter hour program.

**Who's New
In Scurry County**

Earl and Pearl are names of twins born April 9 to Mr

The WOMAN'S Page

Mary Evelyn Davis, M. H. Hanson Wed

Mary Evelyn Davis, daughter of Superintendent and Mrs. O. K. Davis of Dunn, and M. H. Hanson, Jr., son of Mr. and Mrs. M. H. Hanson Sr. of Dunn, were married Saturday, April 3, at the First Baptist Church in Lubbock.

Mrs. Hanson is a 1936 graduate of Floydada High School, and has finished her junior year at Hardin-Simmons University, Abilene. She was a member of the History and Speech Clubs and active in other school affairs at the Abilene school.

Sergeant Hanson is a 1936 graduate of Dunn High School, and was engaged in farming until his enlistment in the U. S. Army Air Corps in 1941. He graduated with high honors at Scott Field, Illinois. From there he went to Canada for special training, then to Alaska, where he served 15 months on a bomber in combat duty over Kiska and the Aleutians. He was recently transferred back to the States and is stationed in Florida, where the couple will live.

Mrs. Hanson was made honoree at a linen and war stamp gift shower last Thursday. Mrs. H. C. Travis, Mrs. Lee Smyth and Miss Patterson, teachers, and Mrs. M. D. Smith were hostesses.

The couple left Monday for Florida, where Sergeant Hanson reports back to duty April 20.

A child's laxative your child should LIKE

BLACK DRAUGHT

When your child needs a laxative give him one he will probably enjoy taking—pleasant tasting Syrup of Black Draught. Given as directed, it is usually mild in action, yet effective.

Follow Label Directions

HOME DEMONSTRATION CLUBS

By Estella Rabel, Scurry County Home Demonstration Agent

Tough Cuts of Meat Cooked.

When the Bison Home Demonstration Club met in the home of Mrs. J. D. Ochsner last Friday Miss Rabel demonstrated cooking the tougher cuts of meat until tender and palatable. She also stressed the importance of cooking both meat and vegetables with as little water and as little heat as possible to retain the natural minerals and vitamins in the foods. A sample of the delicious and nutritious meat and vegetables cooked was enjoyed by each lady present.

Those attending the meeting were Mrs. Mabel Hickman, Laddie Davis, Dovie Ware, Opal von Roder, Ella Richter, Mamie Henley, Eva Hasey, Ruby Sellers, Eva Murphy, Freda Murphy, Orla Lutz, Zelma Strain; Misses Maxine Hickman and Estella Rabel; and besides the hostess, Mrs. Edna Ochsner and her mother, Mrs. Webb.—Club Reporter.

Many Gardens Planted.

"Reports received from home-makers in various sections of the county reveal more garden seed are now in the ground than at any time in county vegetable history," Estella Rabel, county home demonstration agent, reported Tuesday.

Here are some urgently important jobs for April in victory gardens, Miss Rabel declares:

Check up plantings already in the ground.

Plant beans of all sorts, both pole and bush. Inoculate with nitrogen fixing bacteria—a dust or powder, available at seed stores—gives the beans extra vigor and growth and tends to increase yields.

Wait until the soil warms up good to plant lima.

Plant several kinds of squash—yellow crookneck, Fordhook and acorn varieties.

Plant cucumbers for slicing and pickling. Sow the seeds in rows one foot apart, and when the plants begin to run, thin out to two feet apart leaving only the best plants.

Plant leaf lettuce for late spring and summer production.

Okra may be planted now, but it is best to wait until the soil has

Mrs. Dennis Hostess To Daughters Club

Mrs. Alice Dennis was hostess to Altrurian Daughters Club members Monday evening when they met in the home of Mrs. E. L. Gray.

Highlight of the evening's program was during the business meeting, when members voted to buy a U. S. war bond as a part of the Scurry County Second War Loan Drive, which is underway now.

Mrs. Haskell O. Beard was program leader, and she opened the program with a song, "Friend of Mine," followed by Mrs. Charles Manning, a guest, who gave a short story on "Danny," on which she won a state championship title several months ago. Mrs. Beard presented a short sketch on "Food for Health."

Gussie Marie Gray was selected as delegate to the district Federated Clubs convention, to be held soon. Bonnie McCrory is alternate delegation.

Refreshments were served to the following: Mrs. Roy O. Irvin, former club member, Martha Cloud, Janice Miller, Rubilee Brown, Ethel Lynn Mitchell, Maurine Ward, Ila B. Mitchell, Doris Pope Wedgworth, Beard, Gray and McCrory; Misses Estella Rabel, Polly Harpole, Katherine Northcutt, Rube Lee, Rose Marie Clawson and Thelma Leslie.

Better Home Program For Altrurian Club

Altrurian Club members met at the home of Mrs. J. C. Stinson Friday evening at 8:00 o'clock.

The program, outlined by the better home committee of the club, was brought by Mrs. Shearer, home economics teacher at Snyder High School, and three of her pupils. This group of four presented a very interesting part on homemaking as it suited to our war time needs, stated Mrs. Shearer.

Following the program the hostess passed refreshments.

T. E. L. Class Meets In Periman Home

Members of the T. E. L. Class of the First Baptist Church met at the home of Mrs. L. N. Periman Wednesday evening at 8:00 o'clock for a business and social hour.

The program was opened with Mrs. H. E. Rosser giving the devotional. Theme of program topic was "Prayer." Following a business period, the hostess passed a lovely refreshment plate to 11 members and one guest.

Margaret Jane Farr Hostess to Lucky 13

Margaret Jane Farr was hostess to the Lucky 13 Sports Club Wednesday afternoon.

The club discussed plans for the rest of the year and for next year. Refreshments of tuna fish salad, riz crackers, pecan pie, and punch were served to Mary Ellen Williams, Mary Yoder, Mary Belle Weathersbee, Mary Nell Noble, Tippy Burns, Charlene Headstream, Ola Margaret Leath, Dorothy Jean Wilson, Bettye Jean Joyce, Johnnye Jean LeMond, Pherba Jordan, the sponsor, Louise LeMond, and the hostess, Margaret Jane.—Tiger's Tale.

Mrs. Manning Gives Review Thursday

"The Robe" by Lloyd C. Douglas, a book review was given by Mrs. Charles Manning Thursday evening when friends met at the home of Mrs. Bruce Murphy. Mrs. Manning, who reviews stories by memory, has won state awards for her outstanding work of book reviewing.

Mrs. Murphy passed a refreshment plate to the following: Mrs. E. Lovellette Seay, mother of Mrs. Manning, and Mrs. Blaine Willhoite, a sister of Mrs. Manning; Mrs. John Spears, Lee Smyth, Tom Boren, W. H. Sauble and Misses Rube Lee, Johnnie Mathison, Frances Boren and Dorothy Crosslin.

Woman's Culture to Run WAAC Booth

Snyder's Woman's Culture Club will have charge Saturday afternoon, 2:00 to 6:00 o'clock, of the WAAC information booth, Mrs. Henry Rosenberg, county WAAC recruiting chairman, announces.

"Don't be a slack-be a WAAC," recruiting officials remind women of this trade zone.

Sweetwater School Trains for War

Sweetwater Public Schools are aiding the war effort and doing their bit to train men and women for war industry. Above are shown two trainees of the aircraft riveting class, Mrs. Lenda Owens, front, and Mrs. Ruth Carter, both of Sweetwater.

Demonstration Club Council to Meet

Completion of plans for assistance in the war effort will mark the meeting of Scurry County's Home Demonstration Council Saturday afternoon, 2:00 o'clock, in the offices of Estella Rabel, county home demonstration agent.

So announce council officials, who report that delegates to the district meeting at Littlefield will give accounts of the convale. All council members and delegates are urgently requested to attend Saturday afternoon's meet.

Announcement was made Wednesday that J. W. Hendrix, special representative of the Texas Salvage Committee, will be principal guest speaker, and will explain in detail the tin can salvage drive which gets underway in the county Monday.

Council attendants will be given suggestions by Hendrix on how they can best aid their communities in getting tin cans prepared and brought to the Humble Oil Company warehouse in Snyder.

Nadell Wilson on College Honor Roll

Nadell Wilson was listed on the mid-semester honor roll at McMurry College, Abilene, this week.

Miss Wilson, a top ranking student as required to gain this honor, is a freshman and is majoring in administration and minoring in education. She is a daughter of Mr. and Mrs. Frank A. Wilson of Snyder.

Mrs. Amos Joyce Entertains Class

Esrudoma Class of the First Baptist Church met at the home of Mrs. Amos Joyce Monday evening for its regular monthly meeting. Luella Stoker assisted Mrs. Joyce in entertaining the group.

The house, decorated with bridal wreath, made a pretty setting for the meeting. Following a business meeting, the guests played games.

The hostess passed a tasty refreshment plate to the following: Mrs. Mae Stanfield, J. W. Conrad, Floy DeShazo, Pat Porter, Virgie Harris, James B. Turner, Myrtle Evans, J. W. Nelson, Powell, Alice Clark and Lillian Wade.

School Club Enjoys Careless Party

Lucky 13 Club members decided to save gasoline by having a careless party Thursday night. The group went to Walton's Cafe for supper and then walked to the show and saw "Reveille with Beverly." After the show, the group walked home.

Those attending the party were: Tippy Burns, Ola Margaret Leath, Mary Nell Noble, Mary Ellen Williams, Mary Yoder, Johnnie Jean LeMond, Bettye Jean Joyce, Dorothy Jean Wilson, Charlene Headstream, Pherba Jordan, Margaret Jane Farr, and the sponsor, Louise LeMond.—Tiger's Tale.

Mrs. Andrew Jones Honoree at Shower

The Business and Professional Women's Class of the First Baptist Church were hostesses to a miscellaneous gift shower when they met at the home of Mrs. E. L. McCrory Tuesday evening at 8:00 o'clock, to compliment Mrs. Andrew Jones, the former Lula Dunning. Mr. and Mrs. Jones were united in marriage last April 4.

Rose Marie Clawson presented a group of readings to the bride prior to gifts being opened by the honoree. The hostess passed refreshments to members and guests.

Your Electric Refrigerator Can Help You STRETCH the Family Meat Ration

You already know what a prominent part your electric refrigerator plays in the daily job of feeding the family. Now that meat rationing is here, your electric refrigerator can help you still more to make the meat you've so carefully selected go farther.

Here Are a Few Timely Suggestions

FIRST, and most important, be sure that your electric refrigerator is operating properly. The instruction book that came with your electric refrigerator will give you much helpful information on how to maintain food-saving temperatures.

Then plan your meat buying so that you can buy in larger amounts. Be careful to save leftovers which can be made into such appetizing dishes as stuffed peppers, shepherd's pie or some of the many other similar dishes you'll find in your cook book.

If you can spend the ration points, buy several days' supply of meat for the family and freeze it in the ice cube compartment.* Kept frozen, it will last two weeks or longer. Never freeze meat again after it has thawed. After thawing, meat is more perishable than before it was frozen.

*How to Freeze Meats

Line the ice cube tray or other pan with waxed paper. Place meat in tray and cover lightly with waxed paper. Place the tray of meat on the bottom shelf of the freezer compartment and turn the temperature control to the fastest freezing point.

Your Exchange Records Steady Growth in Scope

Growth of Your Exchange in scope and service to people of this trade area featured the second annual banquet of the organization's officials, held last Thursday evening in the Manhattan Hotel.

W. K. Roberts, former Snyder automobile salesman, who originated the exchange idea, was principal speaker. He pointed out that Your Exchange now serves 35 West Texas counties in this immediate trade zone.

Roberts declared that the Exchange, as the place where "buyer and seller meet," is getting the job done every week in sale of livestock, real estate, farm machinery, dairy equipment, insurance of all kinds and reminded county managers that membership is gaining at a steady rate.

Principal medium of reaching the people of Scurry, Fisher, Mitchell, Nolan, Garza, Borden and other counties of this area is through daily listing over Station KXOX, Sweetwater, YR officials said.

Those present at the annual gathering included: Roberts, Mrs. Roberts and their daughter, LaVohn; Lee S. Boulanger, Station KXOX announcer; Mr. and Mrs. Nolan von Roeder of Knapp, who furnished entertainment with showing of motion pictures on Von Roeder Seed Farms, spots in this territory and an elk hunt in the state of Colorado; G. A. Newton of Colorado City, Mrs. Newton and Newton's secretary, Marge Plaster; Mr. and Mrs. O. E. Davis of the Nolan county office and the Davis secretary, Allene Ray;

E. V. Grantland of Colorado City, district insurance manager, and Mrs. Grantland; A. W. Weathers, manager of the Scurry County Your Exchange office and his assistant, Mrs. Weathers; Bobby Jo Hays, H. Horn of Colorado City, one of the first Mitchell County Exchange members, and Mrs. Dorn; A. D. Summerlin, manager of the Fisher County office at Rotan, Mrs. Summerlin and daughter, Marge, and Mrs. Peters, secretary to Summerlin, and others.

Reeves to Preach at Fluvanna.—Elder S. L. Reeves of Abilene, Primitive Baptist minister, will preach Sunday and Monday evenings at the Fluvanna Baptist Church, church officials announced Tuesday. The general public is extended an invitation to worship with the Primitive Baptists.

Study Club Meets In Mowery Home

Members of the Progressive Study Club met at the home of Mrs. I. C. Mowery at 3:00 o'clock for a business meeting Tuesday afternoon.

Club members will have their next meeting in the basement of the First Baptist Church April 22. Highlight of the meeting will be a book review by Mrs. Charles Manning, who will give "The Robe" by Lloyd C. Douglas. Mrs. Manning is noted for her artistic way of giving book reviews.

Hazel Wills Boyd Weds Alabama Man

Hazel Wills Boyd, daughter of Mr. and Mrs. H. W. Wills of Athens, was married April 2 to Staff Sergeant Albert E. Gibson of Lowry Field, Denver, Colorado. Mrs. Gibson formerly lived in Snyder.

Staff Sergeant Gibson is the son of Mr. and Mrs. H. P. Gibson of Birmingham, Alabama. He was employed in the electrical department of the United States Steel plant at Birmingham before entering the U. S. Army Air Corps.

In 1940, the power industry in Texas supplied more than 4,520,000 kilowatt hours of electricity to about 997,000 customers in more than 1,600 towns, villages and communities.

Let's head off shelling in the future by shelling out now—for war bonds.

Hospital Group Seeks Articles for Abilene Soldiers

Scurry County's Red Cross Hospital Committee, through committee personnel, issued an appeal this week to Snyder and Scurry County people for supplies for sick soldier's room and recreation rooms at Camp Barkeley, Abilene.

"We are in immediate need of bed bags, dirty bags, tables, books, magazines—not over two months old—Spanish text books, ping-pong sets, used radios, victrolas, records, pot-potted blooming plants, curtains, cup towels and walking canes. Mrs. H. G. Towle, chairman of the county's RC hospital committee, states. Wheel chair covers are also urgently needed—covers three by six feet in size.

Donors are urged to bring in needed articles mentioned above on the earliest date possible, since the Camp Barkeley Camp and Hospital Council will meet at Camp Barkeley Wednesday, April 21. Scurry County wants to have a good report ready for presentation.

Also, county RC hospital committee members declare, prizes are needed for bingo games. A number of soldiers have not been used to rattle-snake rattles, and are utilizing the rattles for prizes. A considerable number of snake rattles are needed at once.

Donors to the hospital division are asked to contact Mrs. H. G. Towle, Mrs. J. C. Stinson, Mrs. Sam Williams or Mrs. Ross Blanchard in Snyder; Mrs. H. C. Flournoy at Pluvauna; Mrs. A. E. Kruse at Ira; or Mrs. M. U. Vernon at Hermleigh.

Any of the needed articles mentioned in above paragraphs will be carried to Camp Barkeley for the contributors.

Record Number of Gardens Make Pest Control Important

Since more than 3,500 victory gardens have already been planted in the county—more than any number in county vegetable history—Estella Rabel, county home demonstration agent urges county gardeners to maintain a keen look-out for pests during the remainder of April.

"Pests which should be looked for in April include aphids or plant lice, cutworms, flea beetles and cucumber beetles. Should one use a spray or dust, care should be taken to cover all plants thoroughly," Miss Rabel warns.

"Aphids or plant lice can be controlled with a five per cent mixture of rotenone dust—or a three per cent nicotine sulphate dust—or a nicotine spray. If nicotine sulphate is utilized, an activator such as soap in the spray should be used.

"Garden owners," Miss Rabel concludes, "can control cucumber beetles by one part of cryolite and three parts of sulphur—except on vine crops. On vine crops, utilize tale in lieu of sulphur because sulphur is likely to burn the vegetables."

Policeman—"What's the idea of knocking this man down?"
Motorist—"I didn't, officer. I stopped to let him cross the street, and he fainted."

Petty Officer

Williams F. (Billy) Pigman, son of Mr. and Mrs. J. D. Pigman, former Scurry County resident, is now a petty officer, second class, in the U. S. Navy, his county friends learned this week. Billy, former Bryant-Link Company associate, is in naval aviation as a radio man, television, and is stationed at Philadelphia, Pennsylvania.

Alton Blakely Says He's Ready for Axis

"I'm certainly going to do my part to give the Germans and Japs hell," Sergeant Alton E. Blakely, graduate of the U. S. Army Air Force Flexible Gunnery School, Fort Myers, Florida, said here last week while on a visit with relatives and friends.

Sergeant Blakely entered the air corps in August of 1942, at Escondido, California. First sent to Madison, Wisconsin, Blakely was transferred to Boca Raton Field, Florida, then to Fort Myers.

Blakely has two brothers in service. Private First Class Chalmer N. Blakely, U. S. Army Medical Corps somewhere in Hawaii, and Private Delbert Blakely of Camp Wolters, Mineral Wells. Another brother, R. L., is a senior in Ira High School. Parents of the boys are Mr. and Mrs. H. Blakely.

3 ways to get MAYTAG SERVICE

War has curtailed our pick-up service. So if your Maytag needs attention, we offer these suggestions:

1. If a part that needs service can easily be removed, bring it in.
2. If you are driving near our store, arrange to pick up our service man.
3. Phone for special arrangements. We are glad to cooperate.

Service on all types of Washing Machines, Stoves and Hot Water Heaters. We have a man ready at all times.

County Buys War Bonds With Idle School Reserve

Scurry County's Commissioners Court announces, through County Judge Sterling Williams, purchase of \$2,200 in U. S. war bonds from the county's permanent school fund.

County officials see in the purchase of war bonds with permanent school fund money an investment that will help the boys on the fighting fronts now, and assure school children of an iron clad investment return after the war.

Senate Bill No. 199, signed by Governor Coke R. Stevenson of Texas Monday, allows the State of Texas to invest certain construction fund monies in United States treasury securities. It also allows political sub-divisions of the state to invest funds, derived from the sale of bonds for specific purposes, in U. S. treasury securities of all types.

Passage of the measure releases a large amount of available funds now lying idle, and permits investment of securities offered in the Second War Loan Drive.

Ensign and Mrs. J. E. Sunderman arrived from Pensacola, Florida, Monday to stay a few days with Mrs. Sunderman's mother, Mrs. W. W. Hamilton. The couple will leave Friday for Dallas, where Ensign Sunderman will take over a new assignment as flight instructor at Henslee Field. Mrs. Sunderman is the former LaFrances Hamilton.

Max Mobley Finishes Pre-Flight Training

Naval Aviation Cadet Max B. Mobley, son of A. W. Mobley of Hermleigh, has completed the U. S. Navy Pre-Flight School course at Athens, Georgia, and been ordered to the Naval Air Station at Robertson, Missouri, for primary flight training, his father was informed this week.

Mobley will undergo three months of physical conditioning and ground school work. A 1940 graduate of Hermleigh High School, Max attended Weatherford Junior College a year and completed CAA primary training at Southern Methodist University, Dallas.

Most men can master their immediate problems if they give their full time and energy to the task.

Charley White Takes Place at Body Works

Charley White, who has been associated with Texas Electric Service Company as bookkeeper for some time becomes bookkeeper Tuesday for Miller Body Works, northeast corner of the square.

White has had considerable experience in bookkeeping and ledger work, and formerly was employed by Fuller Cotton Oil Company.

"Do you know what leather makes the best shoes?"
"Nope, but banana peelings make the best slippers."

Teacher—"What do you know about Italy?"
Pupil—"All I know is that it's shaped like a boot and run by a heel."

Girl Scouts Initiated In Thursday Rites

Members of the Girl Scouts met at the Snyder High School gymnasium Thursday night at 8:00 o'clock to initiate new members.

Second class Scouts present were Mary Jo Burk, Barbara Inman, Beverly Johnson, Connie Jean McMullan, La Trice Roper, Myrtle Etheredge, Bonnie Woodson and Peggy Nelson.

New members present, who were initiated during the meeting, were: Patsy Ruth Eaton, Nautia Faye Connally, Billy Jean Henderson, Della Merle Mason, Elda Jean Littlepage, Mary Ruth Martin, Joy McGlaun, Wanda Mills, Nancy Jo Richardson, Frances Scatell, Patsy Spikes, Jean Taylor Natalie Walton, Estelle Wilson, Jo Ann McGlaun, Shirley Beth Coffee, Fay Ellen Jordan, Eleanor Erwin, Frances Johnson and Jantie Lue Butterly. Twenty-six more members will be initiated this (Thursday) evening, when they will meet at the gymnasium.

Scout leader for the group is Mrs. Bernice Marie Shearer, home economics teacher at Snyder High School. Members are planning an all-night outing for the near future.

Dental Programs in Texas Schools Show Outstanding Results

In checking the results achieved by school dental programs in Texas, Dr. George W. Cox, state health officer, announced today that such programs have proved to be highly effective in lessening the permanent teeth mortality rate, reducing it in some cases more than 75 per cent in a period of only five years.

In one city, the permanent teeth mortality rate was reduced from 24.37 per cent to 3.5 per cent in less than five years' time, with a full-time dental health program in effect.

"If the mortality rate of permanent teeth is a dependable unit of measurement in the evaluation of dental public health programs," Dr. Cox said, "it is obvious that there is unlimited value in the type of programs now carried on by the State Health Department."

Dr. Cox expressed the opinion that the increase in the volume of dentistry for children in local dentists' offices was directly attributable to influence of the school dental programs, and added that the improvement of children's attitudes as patients was very noticeable.

"I believe that as time goes on," Dr. Cox stated, "the results will be even more noticeable. As the public becomes aware of the possibilities in this field, there will be an ever-growing demand for at least some type of dental health program in every community."

Stamp Sales in Dunn Schools Passing Aim

Katrina Smith and Julia Eva Ellis, in charge of U. S. war bonds and war savings stamps in Dunn School, reported Tuesday that sales are exceeding all expectations.

Misses Smith and Ellis report, for example, that \$31.30 worth of war stamps were sold last Tuesday, \$12 worth last Wednesday and \$66.60 worth Friday.

"We find students of Dunn School to be consistent, regular buyers of war bonds and war savings stamps, and believe this is a fine way to encourage thrift which will endure long after school days," the two war bond and stamp sales girls conclude.

Let's head off shelling in the future by shelling out now—for war bonds.

STYLE? Plenty—handsome pinch front or telescope models with expert tailoring and a gay feather in the band (the brim has row upon row of stitching to retain its shape!).

This Dinner-Table War

Is Your Family in Fighting Trim?

OF COURSE it's more trouble to feed a family in wartime!... That's what war is: trouble. But even so, aren't America's dinner tables banquets, compared with those in the other nations that are fighting to save mankind's freedom? That's why American women can swing market baskets and count ration points, and think nothing of it. They are helping to win. And in this war, we win or we die.

Gas Ranges Simplify Nutrition

If you take good care of your modern Gas Range, it can feed your family for years and years. Put it through its paces. Use the simmer-burners, for instance, for flawless vegetables; the thermostat-control for correct baking and roasting; the smokeless broiler, on ball-bearings, for sizzling foods in their own juices. Follow a Nutrition Guide. Even with war restrictions, you can have good-tasting meals that guard the health and good looks of your family.

FREE: Canning Booklet (War-time Edition)

Ready for you at your Lone Star Gas Company offices, telling how to put up Vegetables, Fruits and Meats. Pictures and charts throughout. Special recipes, from Hominy and Sauerkraut, to Berry Jam made with corn syrup. NOTICE to Lone Star customers in towns that have no company offices: Please send a postal for your Canning Booklets, to Miss Albertine Berry, Lone Star Gas Company in Dallas.

LAMB PIE

War-time version. As seen in the casserole above. More vegetables and less lamb.

- 1 Pound lamb shoulder, cut in cubes, rolled in seasoned flour
- 2 Tbsp. bacon drippings
- 2 Onions
- 3 Cups boiling water
- 1 Bay leaf
- 1 Cup diced potato
- 1 1/2 Cups peas
- 1 1/2 Cups carrots, sliced
- 1/4 Cup chopped celery
- Biscuit dough

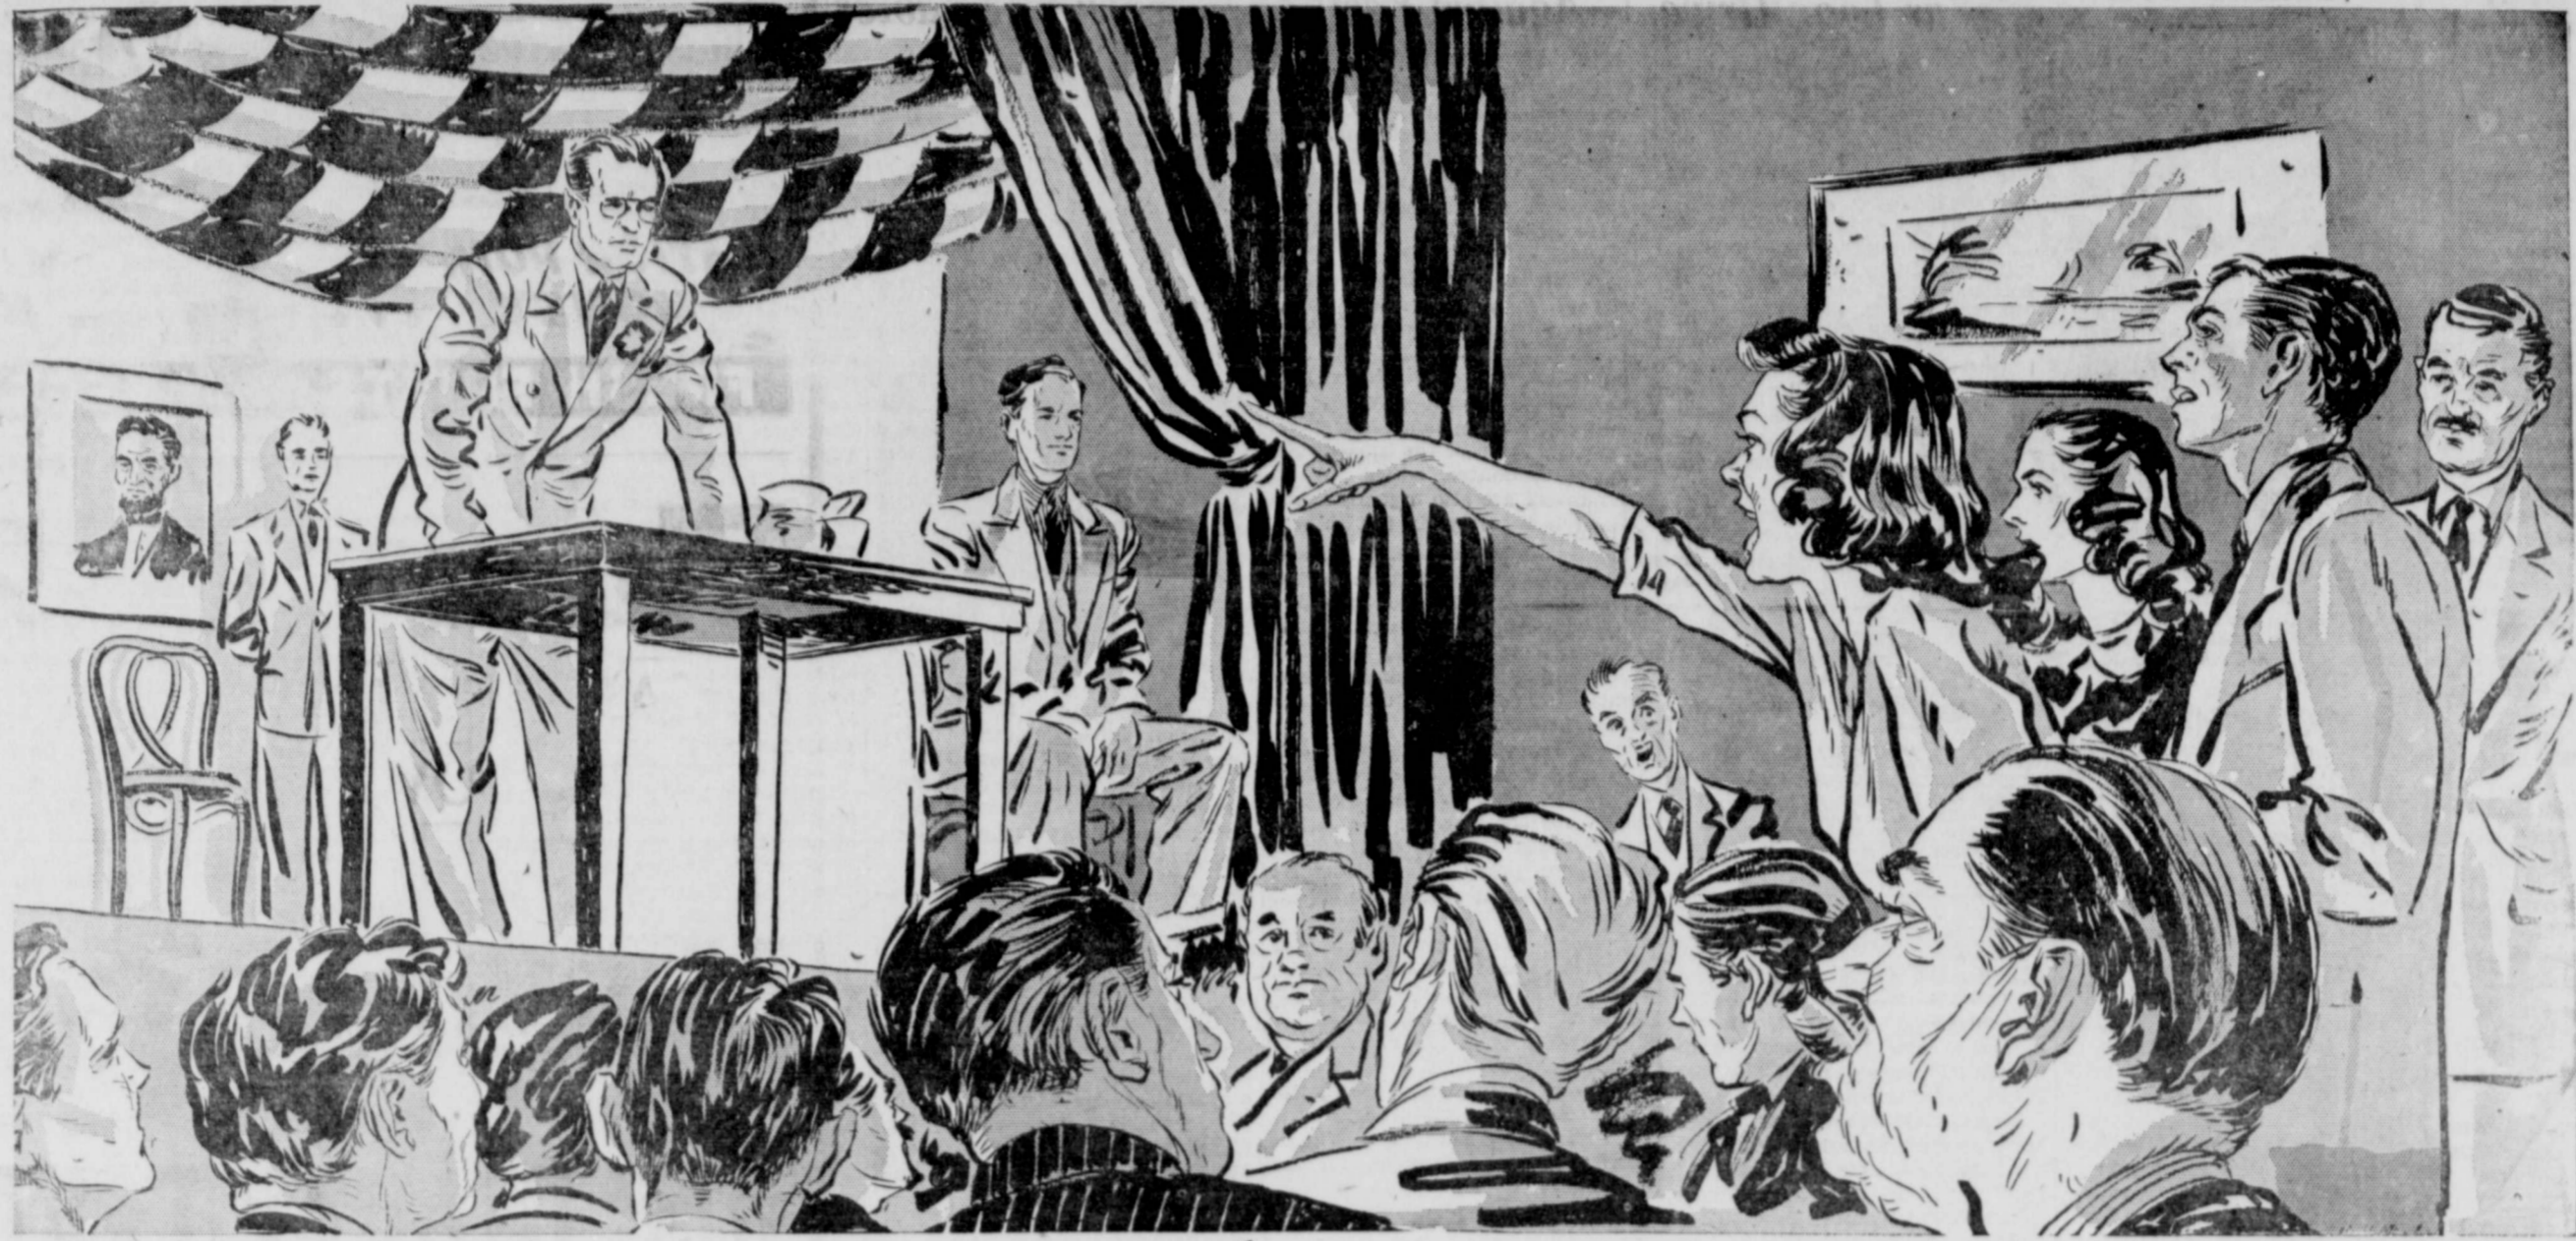

Brown the cubes with onion, in bacon fat; pour off fat and add boiling water. Cover and simmer slowly 1 1/2 hours. Add vegetables for the final 30 minutes of cooking. Taste, to be sure it's seasoned right, then transfer to a casserole. Place tiny baking-powder biscuits on top, and bake until biscuits are brown. Makes a fine main dish for 6.

Are you giving your worn-out kitchen fats to the Government?

Strain through fine mesh into metal container. Keep in cool place. Rancid fat makes fewer bullets. Sell to butcher when you have one pound or more.

LONE STAR GAS COMPANY

WHAT ARE WE FIGHTING FOR

The Four Freedoms

No. 1

FREEDOM OF SPEECH

THE right of the human being to speak and to express himself is as undeniable as a law of nature. Without it there is no hope for happiness, no promise of progress, no unity for national strength.

Only so long as we can speak out openly and without fear, as in public meetings so typical of free America, is it possible to consider important issues or arrive at practicable conclusions affecting public interest. It's the only way a decision agreeable to the majority or a compromise satisfactory to the minority can be determined. This is American, democratic self-government.

Because of the working of this process America was prepared to make the decision suddenly forced upon us by the treachery of an enemy. Immediately

the voices that had been many on both sides of the issue of war became one voice — the voice of free America, ringing out its determined answer to the challenge of the forces of destruction and oppression.

Here in America we know our course in this present world struggle and we know the principles for which we fight. This is a fountain of strength in our struggle against the dictators whose subjects know only what their masters want them to know, who think what they are told to think and who fight only because they are ordered to fight. There is a great silence; theirs is a world that is dead.

Without the voices of the people a land might just as well be without any sound, even the noises of nature. The sound that free speech has made in our country will echo 'round the world. The force that free speech has built will restore speech to the downtrodden nations. It must be . . . or all the people on earth will be doomed to eternal silence. America will not fail.

When You Buy Stamps and Bonds You Help Preserve Those Things We Are Fighting For!

Fewer Draftees Reclassified This Week By Board

Slowing up from the pace of previous weeks, Scurry County's Selective Service Draft Board Monday evening placed two registrants in class awaiting local physical examination and only four in Class 1-A.

Board members placed one registrant in Class 1-C, one in Class 2-B, five in Class 2-B (HD), five in Class 3-A and four draftees in Class 3-C.

Classifications made Monday evening follow:

Pending Local Physicals—William G. Spurlock Jr., order No. 10,539; and Lloyd V. McGlaun, 11,000.

Class 1-A—Earl A. Glass, 388; Augustine Villegas, 10,043; Lawrence R. Bailey, 10,945; and Perry W. Mason, 10,951.

Herschel Crosby, order No. 10,699, was put in Class 1-C.

John W. Sheehan, who holds order No. 268, was placed in Class 2-B.

Class 2-B(H)—Joe B. Robinson, 139; Claude E. Ingram, 10,111; Orby E. Glover, 10,225; Lewis K. Mitchell, 10,396; and James H. Mitchell, 10,642.

Class 3-A—Nelson B. Anderson, 574; L. A. Berry, 578; Vernon E. Carnes, 692; Isaac D. Lightfoot, 823; Robert G. Judkins, order No. 1,163.

Class 3-C—Jasper E. Parker, 109; Chester P. Eades, 572; W. D. Eades, 1,182.

Leatherneck

Roy E. Moffett, son of Mr. and Mrs. D. L. Moffett of Camp Springs, who has been promoted to the rank of lieutenant in the U. S. Marine Corps, has been assigned to active duty with the fighting leathernecks, marine officials announced Tuesday at Quantico, Virginia.

Care of New Pigs Vital to County's Meat Production

When spring arrives, with newborn pigs all over the place, an even larger number of the pigs' worst enemy, the worm parasites, will be on hand to delay the piglets joining the procession for the county's 1943 meat goal, Edward S. Hyman, county agricultural agent, warns.

Scurry County producers will endeavor this year to keep 1,267 sows for farrowing, Hyman declares, according to county war goal figures.

To produce pigs which develop quickly and profitably, Hyman urges employment of comprehensive sanitation. For example, remove all litter from farrowing houses which have concrete or wooden floors.

Hyman asks county hog raisers who want to realize the most from hogs in 1943 to scrub a sow thoroughly with warm soap and water a few days before farrowing time.

Pay special attention to scrubbing the sow on warm days only.

Within 10 days after farrowing, haul, but do not drive, the sow and pigs directly to a field previously sown to a forage crop, and allow no other hogs in this pasture except sows and litters similarly treated.

Above listed helps will result in getting pigs ready for market from four to eight weeks earlier than usual, the county agent concludes.

The use of temporary pastures is recommended to prevent over-grazing of permanent pastures which results in reduced grass stands and heavy soil losses.

Mr. and Mrs. L. G. Gary and Mr. and Mrs. Lovie Sheppard and children of Post war; Sunday guests of Gary's brother, Marvin, and Mrs. Gary.

Breakfast Starts War Loan Drive Monday Morning

Snyder and Scurry County's Second War Loan Drive was launched in Snyder Monday morning, 9:00 o'clock, with a "kick-off" breakfast at Leath's Cafe that attracted 100 per cent attendance of campaign officials.

"Our boys are giving their all and we should be glad to sacrifice everything necessary to help our boys—so that we shall not be ashamed of the part we have played when this conflict is over," J. B. Adams of the Union community, principal speaker, said.

Adams, who gave a message straight from the heart, created a keen interest of enthusiasm among Snyder War Loan Drive workers. He and Mrs. Adams have three sons in military service.

E. O. Wedgeworth, county war savings committee chairman, had general charge of the kick-off breakfast.

War Loan Drive officials were reminded that Scurry County's quota in the campaign is \$212,000, and that every effort possible should be expended to see that this county goes "over the top."

Following the kick-off breakfast, teams of Snyder business men, under general direction of Lee T. Stinson, went to work soliciting U. S. war bond and war savings stamp contributions.

Canvass of the town's residential section was started Monday morning under direction of Mrs. C. M. Boren. Workers reported Tuesday excellent sales of war bonds and war savings stamps.

More Gasoline Will Be Allowed County War Loan Workers

Snyder and Scurry County War Finance Committee workers, including members of the Victory Fund Committee and War Savings Staff, are entitled to necessary supplemental gasoline mileage for their work in the Second War Loan Drive, Scurry County's War Price and Ration Board announced Wednesday.

Persons holding "A" books, the county board reports, who desire mileage for war finance committee work for the current drive, must show that—including travel necessary for war finance work—their total occupational mileage will exceed 150 miles per month.

Persons holding "B" and "C" books and needing additional mileage for war finance work in the Second War Loan Drive may apply for ration to be used prior to the expiration date of the current ration allowance. Additional information on supplemental gasoline mileage for War Loan work may be obtained from the County War Price and Ration Board.

15-Minute Program On Air Sunday Puts Loan Drive Rolling

A check-up reveals a considerable number of Scurry County radio owners tuned in Sunday afternoon, 3:15 to 3:30 o'clock to hear the radio program over Station KXOX—sponsored by the Scurry County War Savings Committee—that formally launched the county's Second War Loan Drive.

Speakers on the 15-minute program included A. C. Alexander, vice president of Snyder National Bank; A. C. Bishop Jr., Hermleigh School superintendent; Rose Marie Clawson of Snyder Schools, who gave "Meeting the Challenge," and others.

Willard Jones, publicity chairman for the county's war savings committee, acted as master of ceremonies.

Girl's Trio, composed of Jettie D. Elkins, Katherine Lynch and Mrs. Juanita Heard, gave several vocal numbers, and June Jones played a piano solo, "German Dance" from Beethoven.

"They give their lives, you lend your money" themed the broadcast, which preceded the regular Sunday afternoon KXOX program of the Trinity Choir.

Buck Howell Trains At Farrugut, Idaho

Edwin "Buck" Howell, son of Mr. and Mrs. Luke Howell, former Tiger football star and assistant coach at Kermit High School several years, is now stationed at Farrugut, Idaho, as chief specialist, U. S. Navy instructor's division, his Snyder friends learn.

"Buck," as he is known in this trade area, enlisted in the U. S. Navy in May of last year. He first went to Norfolk, Virginia, for a nine-week period of training.

Following the nine-week training period, "Buck" was transferred to San Diego, California, and thence to Farrugut. As a chief specialist, the Snyder High School graduate declares he's liking his work fine, and is "proud to be of service in this crucial period of emergency."

FSA Homemaker Urges Early Fight Against Pests on Garden Vegetables

"Are you ready, Mrs. Seurry County Homemaker, for the battle against garden pests. We issue a challenge to all county homemakers to join with us in the fight against pests that make gardens unproductive and destroy vital plant life," Dorothy M. Crosslin, home management supervisor of the Farm Security Administration, said Tuesday.

Perhaps one of the earliest enemies to make appearance is the cutworm, a brown, gray or black faint striped worm that cuts plants near the ground surface, Miss Crosslin declares.

To eradicate cutworms, the FSA home management supervisor suggests that garden owners mix one tablespoon of Paris green with one pound of bran, then slowly add mixture of one pint of water and six tablespoons of molasses—stirring constantly. Scatter the poison mash at plants late in the evening. Keep this poison away from children, poultry and livestock.

Other garden foes of the worm species are the tomato fruitworm and the cabbage worm. The tomato fruitworm is green, rosy or brown, either striped, spotted or plain, and feeds on pepper and tomato plants. Dust with rotenone-sulphur when plants are in bloom. The cabbage worm is green and feeds on leaves or heads of cabbage. It may be eradicated by treating with rotenone-sulphur also, the FSA official continues.

There are a number of garden pests that are common to most vegetables. This includes the blister beetle, a gray or black insect. Meet at the firing line with pyrethrin dust. The green stink bug requires the same ammunition. The aphid or plant lice, yellow, tan or deep green in color, and usually found on the underside of foliage of most vegetables, are common. Put two tablespoons of nicotine sulphate with one pound of hydrated lime in a gallon bucket; seal and shake bucket for five minutes; dust foliage with mixture.

The potato beetle, yellow with black lines on back, feeds on all vegetables, especially potatoes and tomatoes. Dust with rotenone-sulphur dust. The flea beetle, deep olive green, will take leave under the same circumstances.

Some insects are more particular about their diet. The squash bug, a brownish black insect, feeds on cucumbers, melons, pumpkins and squash. Combat with pyrethrin dust. The spotted cucumber beetle, green spotted with 12 black dots, dots on the same food, and must be given the same treatment. The harlequin bug, calico back, terrapin bug or fire-bug is black or blue, marked with red or orange. It feeds on the sap from cabbage, collards, mustard, kale and swiss chard. Dust with pyrethrin dust. The leaf-hopper moves by quick flights or hops, and feeds on beans, potatoes, tomatoes and cowpeas. Dust with pyrethrin dust.

It might be well to remember to use dust while dew is still on the plant so that it will adhere, Miss Crosslin concludes.

Farmers Urged to File for Service on REA Electric Lines

"We are using every means possible to advise REA patrons of this trade zone that a greater number of farmers engaged in livestock, dairy and poultry production are now eligible for electric service as a result of the War Production Board lowering the minimum number of animal units required for electric hook-ups," Lon R. Adams, superintendent of Midwest Electric Cooperative, Roby, said Monday.

"Midwest customers in Scurry, Fisher, Borden and other counties with five animal units, for example, are now allowed an extension up to 500 feet under WPB regulations. Previously, a customer was required to have 10 animal units, which made it difficult to qualify for new extension connections."

Adams asks that interested Midwest patrons contact the Roby office for additional information on farm electrical hook-ups.

As we work, whole heart and soul, To avenge Pearl Harbor our final goal— In America.

The odds never seem too great— In America; We don't resign ourselves to fate— In America; We try to avoid all mishaps That throw our hopes back in our laps; We buy war bonds to whip the Japs In America.

Towns like Snyder do their part— In America; Each man performs with loyal heart In America. Scurry County, like all the rest, Will try its worst to do its best— The Japs will never get to rest In America!

—Kegan Townsend.

Aid to Enemy

"Any American who willfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy. . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, 'Shall we be more tender with our dollars than with the lives of our sons?' — Secretary Morgenthau.

Fencing Released From Ration List By War Boards

Fencing materials—essential to all Scurry County farmers and ranchers—were this week removed from the farm machinery rationing program, according to S. L. Terry, chairman of the county USDA war board.

In making the announcement, Terry said on behalf of the Scurry County War Board that fencing supplies can now be sold without restrictions. This means applications to secure delivery will no longer be required by purchasers.

The machinery rationing program, under which approximately 75 types of farm machinery are restricted to essential needs, was put into operation several months ago in all Texas counties. Purpose of the program is to route available supplies of essential types of machinery into channels where maximum contribution will be made to agriculture's war production program.

Although removed from rationing restrictions, supplies of fencing materials still are limited and Scurry County dealers are being requested to restrict sales to producers' immediate needs in order that maximum use might be obtained from the supplies on hand.

Baptist Pastor Will Preach Here Sunday

Rev. Roy Shahan, Snyder Baptist pastor who has been at Lubbock's Calvary Baptist Church assisting in a revival meeting, will occupy the pulpit of the Snyder church Sunday for both morning and evening services.

"We want to keep our Bible School attendance above the 300 mark, and extend visitors a cordial welcome to worship with us," church leaders state.

Tin Cans to Help

As a Scurry County homemaker, you will find details in this week's Times, Mrs. Scurry Countian, of how you can help drop more bombs on Rome and Berlin by contributions of used tin cans.

Scurry County's tin can salvage campaign gets underway Monday, and Uncle Sam feels you will be happy to have a part in contributing tin cans—which in turn will be impregnated with copper water and salts and will produce more copper for the war effort.

Contribution of tin cans may seem of only small importance, but if tin will help make extra bombs and ammunition to kill an extra 1,000 enemies, don't you think the campaign is worthy of your whole-hearted support?

War Board Confers On Draft Deferments

Scurry County U. S. Department of Agriculture War Board met Tuesday afternoon to recommend to Selective Service officials as to the eligibility of applicants to receive farm deferments.

The county war board is cooperating with the Scurry County Selective Service Draft Board to keep all trained farm labor on the farm this year. Officials of both agencies recognize that food production is vitally essential to the nation's all-out war effort.

National leaders have provided producers with regulations whereby farmers, who can show their food production to be essential in the war program, can obtain deferment from military service on an agricultural basis.

Mrs. Bryan Jordan and daughter, Phyllis, spent the week-end at Sweetwater with friends and relatives.

Shelby Galloway Killed in Accident In Los Angeles

Funeral services for Shelby Galloway, 30, former Snyder employee of the State Highway Department, who died last Saturday in Los Angeles, California, as a result of injuries sustained when a Mexican on a motorcycle ran into him, were held Tuesday morning, 10:00 o'clock, at Snyder's Primitive Baptist Church.

Rev. R. B. Hester, assisted by Bro. O. C. Floyd, officiated.

Born September 10, 1912, at McCamey, Galloway had been employed here several years by the State Highway Department. He had been in California only a few weeks, and was employed by Firestone Tire & Rubber Company as a truck driver and welder's helper.

According to accounts received by The Times, Galloway was reported to have been crossing a street in the San Antonio division of Los Angeles when a Mexican riding a motorcycle crashed into him. The Mexican told police officials his brakes failed to work and he ran into the Snyder man before he could swerve to the curb.

Pallbearers were Henry Camp, H. S. Morland, Elmer Strickland, Joe Middleton, A. C. Clardy and Cary Henry.

Laura Lee Cumble, Johnnie Myrl Lynch, Mmes. Vester Harrison and Ralph Neal were in charge of floral offerings.

Surviving are the widow, Mrs. Shelby Galloway; a daughter, Mary; three sons, Billie Ray, Leland and Milton; the father and step-mother, Mr. and Mrs. W. J. Galloway, of Weatherford; three brothers, Jesse Galloway of Fort Arthur, Sammie Galloway of Los Angeles, Private W. J. Galloway of Fort Leonard Wood, Missouri; and three sisters, Mrs. May Belle Bass of Lubbock, Mrs. Lorine Poss of Arson and Mrs. Bettie Hypock of Huntington Beach, California.

Funeral Home directed arrangements, with interment in Dunn Cemetery.

PERSONALS

Week-end guest of Tippy Burns was Sergeant Hal B. Whittaker of San Angelo.

Mr. and Mrs. A. C. Kincaid spent the week-end at Littlefield with Mrs. Kincaid's parents, Mr. and Mrs. T. M. Springer.

Private Ralph Johnson of Lubbock Army Flying School was here Thursday and Friday of last week to visit with his wife.

Mr. and Mrs. J. A. Berry and Mrs. Jack Berry are in Fort Worth this week to visit in the home of a daughter and sister, Mrs. S. E. Bateman.

Mrs. Billy Moore is here from Warren, Arizona, for an indefinite stay with her parents, Mr. and Mrs. J. S. Bradbury, and other relatives.

Mr. and Mrs. R. C. Patton of Lubbock visited in the homes of friends at the Lubbock Army Flying School.

Mrs. Fred Ebling and daughter, Sara, arrived last week to spend a few days with their parents and grandparents, Mr. and Mrs. C. E. Ross.

Leila Mae Stivels of Sweetwater was a guest of Mrs. I. C. Mowry Saturday. She is a commercial teacher in the Sweetwater High School.

Eugene Pinkerton was here Wednesday visiting his mother, Mrs. Mollie Pinkerton. Gene is employed at North American Aviation plant at Grand Prairie.

Mrs. W. O. Moore and Mrs. W. R. Wren of Warren, Arizona, arrived Thursday for an extended visit in the home of their brother and son, H. L. Wren, and wife.

Earl Strawn returned to Amarillo Monday morning after spending the week with his wife and friends in Snyder. Strawn is employed with the Certainated Production Company at Amarillo.

Mrs. H. P. (Abe) Rogers and daughter, Jane, left Tuesday for Fort Worth, where they will spend a few days in the home of a daughter and sister, Mrs. D. J. Hall, and family.

Mr. and Mrs. O. M. Bantau and daughters, Melma Doris and Eudalia, of Abilene were Sunday guests of Mrs. Bantau's parents, Mr. and Mrs. J. Y. Taylor, at Ira, and a brother of Mrs. Bantau, Edgar Taylor, and family here.

Doyle Keley of Abilene Christian College, Abilene, who is preaching every Sunday at Fluvanna Church of Christ, preached at the Church of Christ here Sunday. Raymond Kelly, a brother, finished a meeting at Fluvanna this week.

Marjory Stewart, daughter of Mr. and Mrs. Roy Stewart of Camp Springs, a junior at North Texas State Teachers College, Denton, spent the week-end with her parents. Marjory, a graduate of Hobbs High School, is majoring in physical education. Helen, another daughter of the Stewarts, is now in the home economics department of El Paso Public Schools.

Rationing Chief Position Resigned By Giles Bowers

Effective this week, Giles Bowers, who has served as general chairman of Scurry County's War Price and Ration Board since December, 1941, tendered his resignation.

Bowers has done an excellent job as County War Price and Ration Board chairman, city and county officials and his associates say, and regret is expressed that Bowers must resign to devote his full time to farming.

Statement issued by Bowers follows:

"Due to a shortage of farm help, and requirements of my personal business, I am compelled to resign my place as chairman of the local ration board, to which I have devoted most of my time since December, 1941.

"I desire to express my thanks to all county and city officials and to the other members of the ration board, and to the citizens with whom I have come in contact for the assistance and cooperation given me in this undertaking.

"With kindest regards to the people of Snyder and Scurry County, I am,

Sincerely,
GILES BOWERS."

Snyder General Hospital

Six patients remaining over at Snyder General Hospital since last week's report are: Mmes. J. W. Templeton, C. P. Shafter, Hugh Davis, M. T. Kelly, Max Brownfield, Kenneth Knotenberg, and Phillip Smith.

Patsy Logan and Mrs. E. V. Hamilton were carried home Wednesday morning. Mrs. Hamilton entered earlier this week for minor surgery.

Those entering the hospital for medical treatment this week are: Mrs. E. T. Rainwater of Emis Creek, and Mrs. Sam Bright, who was brought in Wednesday.

Johnnie Mae Ferguson of Hermleigh entered this week for surgery. Mrs. Jimmie Dyeess and small daughter were carried home early this week.

Former Well Driller Dies at Wichita Falls

James A. Bowman, 55, widely known oil field driller who headquartered here, passed away Friday in a Wichita Falls hospital following a brief illness.

Funeral services for the driller, who had assisted in drilling numerous Scurry County tests, were held Saturday at Rising Star. Several representatives of the oil fraternity from this section of the state attended final rites.

Gerald Bowman, a son, of Big Spring survives.

Mrs. Brandt Griffith and children, Patrick and Sandra, returned to their home at Midland Sunday after spending the past two weeks with their mother and grandmother, Mrs. F. F. Kincaid.

Bullock Returns To Austin Office After Treatments

Still using crutches, Senator Pat Bullock of the 24th District this week returned to his desk in the Senate after a three-week illness from sciatic rheumatism.

Senator Bullock has pending for attention in the final month of the legislative session several bills of considerable importance. He is co-author of the rural aid appropriation measure which embodied a \$10-per-month pay increase for rural school teachers. Teachers of Scurry and other counties are 100 per cent behind this measure.

Also he has on the Senate calendar his measure for adoption of multiple lists of textbooks, instead of the present basal adoption; and two bills dealing with the increase in the present \$22.50 per capita apportionment ceiling. A fourth bill by Senator Bullock on the Senate calendar authorizes payment of the costs of conducting entrance examinations. Two other bills by Bullock deal with enrollment fees in the school for the blind, and rental payments on mineral permits affecting the permanent school fund.

Buy War Bonds and Stamps.

Harmon Watkins on Duty in South Pacific

Anxiety for Mr. and Mrs. N. A. Watkins of the Bethel community over the safety of their son, Harmon Watkins, with the U. S. Army in the South Pacific, was relieved Monday when they received their first message from their boy since February 24.

Harmon, who was not allowed to say very much of interest to the public, reported that his group landed safely "somewhere in the South Pacific. All is well," he declared.

Mrs. T. U. Sunban of Independence, Kansas, and Misses Mildred and Ethel Vernon of Lubbock were week-end guests of their brother, A. E. Vernon, and family. Mrs. Vernon also visited in the home of her parents, Mr. and Mrs. W. H. Vernon, at Roscoe.

Lieutenant and Mrs. J. Scott Casey left Sunday after visiting in the home of Mrs. Casey's parents, Mr. and Mrs. Wade Winston, for Aberdeen, Maryland. Lieutenant Casey's mother, Mrs. Sam Casey, of Olney spent the week-end in the Winston home. Mrs. Casey has been a guest of her parents for the past several weeks.

With the billions of cigarettes sold yearly, it's strange how some fellows are always "just out."

Abilene to Preach At Primitive Baptist

S. L. Reeves of Abilene, formerly associated with the school system here, will preach Saturday morning, 11:00 o'clock, and Sunday morning, 11:00 o'clock, at Snyder's Primitive Baptist Church, church leaders announce.

Reeves has gained a reputation the past few years as a Bible scholar. The public is cordially invited to worship with the Primitive Baptists at their church, five blocks east and five blocks north of the square.

Church officials also announce that T. A. Dunn of Crosbyton will preach at the Snyder church April 24 and April 25.

Shahan Reports Fine Revival at Lubbock

Revival meeting Rev. Roy Shahan, Snyder Baptist pastor, is assisting in at Lubbock's Calvary Baptist Church, was reported Wednesday to be progressing fine. Total of 29 additions were added to the church through Monday of this week.

Rev. Shahan is helping the Lubbock pastor, Rev. J. L. McCarty, conduct the spring revival, which closes this week-end. Rev. Shahan will preach Sunday morning and evening at the Snyder church.

Plans for Convention Of Singers Underway

Singers, and those who follow gospel singing conventions, from a wide area are expected to gather Sunday afternoon, April 25, at Snyder's Tabernacle Baptist Church for semi-annual sessions of the Scurry County Singing Convention.

Jack Patrick, convention chief, reports that arrangements are being made to have several outstanding quartets here. A Sweetwater quartet has tentatively accepted invitation to appear on the program, and a considerable amount of the program will be given over to local talent.

Plenty of new convention books will be on hand for the semi-annual convolve, officials report. The general public of this trade zone is cordially invited to attend the songfest.

E A S T E R

The pompously dressed, slickly mustached gallants of former years attending Easter services in heavy, swallow tailed coats, stiff shirts and wide foppish neck ties have given way to smoothly dressed men, briskly purposeful... but the feeling of reborn hope is still as new and bright as the April sun! Times may change and customs in dress undergo modern transformation but now as then, durable, quality fabrics in styles that conform to the dictates of the times are demanded by discriminating men.

Our Practical Recommendations for Easter — and long after.

Union News

Mrs. J. B. Adams, Correspondent

Ruth Barnett and Mrs. Jack Starnes, who are working in a defense plant at San Antonio, spent the week-end with homefolks.

Mrs. Giles Garner of Snyder spent Saturday night with Mrs. C. E. Land.

Mr. and Mrs. E. M. Boles and boys of Lamesa were Sunday visitors in the J. B. Adams home.

Mrs. Shorty Hataway of Pleasant Hill visited her sister, Mrs. Luther Vaughn, last week.

Folks, please help me with the new of our community. Many of our soldier boys are taking The Times, and they like to read of the doings in their home community.

Whatley Hurt at Gatesville.
C. B. Whatley, former Scurry County citizen who is now at Dublin, sustained a critical back injury at Gatesville last week, and has been placed in a cast at a Dublin hospital. Whatley sends a subscription to The Times, and declares he wants to keep up with Scurry County happenings and "home folks" while he is hospitalized.

Let The Times do your printing.

CHICKENS! — TURKEYS!
Star Sulphurous Compound

Gives in drinking water or feed, destroys the intestinal germs and worms that cause most all diseases as they enter the fowl in feed, preventing most all diseases. Also rids them of blood-sucking lice, mites, fleas, blue bugs and red bugs that kill many of your chicks. Costs very little to use. Money back if not satisfied. At both Stinson Drug Stores. 45-46

Round Top News

Mrs. Buddy Crowder, Correspondent

Ather Ellis is in Wichita Falls this week visiting his brother, Othol Ellis, who is stationed at Sheppard Field.

Mrs. D. M. Denson and daughter, Pat, left Thursday for Paris to visit her mother and other relatives.

Mrs. W. J. Brown received word last Thursday of the death of a brother at Myrtle Springs. Mrs. Brown left the same day to attend his funeral, which was held at Myrtle Springs Friday.

Mrs. Wright Huddleston and children and Mr. and Mrs. Seth Berman of Lubbock spent Saturday night and Sunday with their parents, Mr. and Mrs. B. A. Worthington.

Visitors with Mrs. W. A. Johnston the past week have been Mr. and Mrs. James Wright of Little Rock, Arkansas, Bill Hunter and daughters, Dimple and Deanna, and Alma Rea Roe of Coahoma. Mr. Johnston has returned home after accompanying Mrs. Modine Johnston and daughters, Rita and Charlene, to Corpus Christi, where Mrs. Johnston, daughter of Mr. and Mrs. L. Z. Ashley, and Marcus Johnston, son of Mr. and Mrs. W. A. Johnston, were married April 8 in the home of Mr. and Mrs. Louis Johnston. Chaplain Campbell of the Corpus Christi Air Base officiated for the double ring ceremony. Marcus is serving in the U. S. Navy, and is stationed at Kingsville, where the couple will live. Mr. Johnston also visited with two nephews while at Corpus Christi and Wayne. He came back by way of Dallas and visited his son, Francis, and family.

Erdice L. Reynolds, Correspondent

Mrs. J. M. Boothe Jr. of Lubbock and Darlene Beavers of Post spent the week-end with their parents, Mr. and Mrs. C. W. Beavers, and daughter, Betty Jo.

Dick Fowler of Amarillo brought his two children to stay with their grandparents while his wife is recovering from an operation.

Wanda Koonsman was able to be brought home from the hospital first of the week.

This community received a good rain Saturday.

We are glad to have Mr. and Mrs. Lee Roy Massingill back in our community.

There will be church services in the home of J. M. Boothe Sr. Sunday at 3:30 o'clock for Grandmother Boothe, who is not able to attend. Everyone is invited.

Mrs. Clyde Reynolds, Mrs. O. Roggenstein and Mrs. Perry Rodman visited Mrs. Lee Thompson who has undergone major surgery in the Young Hospital at Roscoe.

Mrs. Weldon Johnson is in Temple for medical treatments.

Walter Moore and Mrs. B. S. Cross of Hermleigh spent Sunday with Sam Cross and family.

"We've got a new baby at our house. Guess what kind?"
"Boy?"
"No."
"Girl?"
"Yeah. Who told you?"

Canyon News

Mrs. Sam Adams, Correspondent

Mr. and Mrs. Clifton Thomas and children visited Mrs. Des Bryant at Ira Sunday.

Laverne Angel of Snyder visited Dorothy and Jessie Adams Friday night.

Mrs. Maude Taylor visited her brother, A. J. Hester, who is ill at his home in Electra.

Mr. and Mrs. R. C. Hoyle and children visited with Mr. and Mrs. Carlos Ford at Polar Sunday.

Mr. and Mrs. E. L. Newsom and Roy Lee visited in the R. C. Hoyle home Sunday.

Evelyn Gregory spent several days with Margie Heath at Pleasant Hill.

Those visiting Evelyn Gregory Sunday were Carolyn Niedecken, Veda May Cumble of Snyder, Margie Heath of Pleasant Hill.

Mrs. Sam Adams and girls and Celesta Perico visited Mr. and Mrs. Henry Selheimer at Plainview Sunday.

Mrs. Butler Barnett of Ira visited Grannie Adams Sunday.

Mattie Lee Barnett of Ira visited Jessie Adams Sunday.

Private Ralph Bates of Camp Barkeley visited homefolks last week-end.

R. T. Adams' new barn is almost completed.

Mrs. Sam Angel of Snyder visited her mother, Grannie Adams, Tuesday.

Folks, remember Sunday School at 10:30 o'clock Sunday morning.

Big Sulphur News

Eunice Lewis, Correspondent

Mrs. Wynn Levie spent Sunday with Mrs. J. L. Norris.

Mr. and Mrs. J. Earl Lewis were dinner guests of Mr. and Mrs. W. J. Fuller Sunday.

Mr. and Mrs. Keith Chambers of Fort Worth spent Sunday with Mr. and Mrs. M. J. Haynes and children.

Visitors in the home of Mr. and Mrs. Earl Lewis Sunday were Mr. and Mrs. Lewis Dunn and girls, Mr. and Mrs. Ralph Payne and Mrs. J. E. Lewis and daughter, Katherine.

Mrs. M. E. Lewis spent Monday and Monday night with Mr. and Mrs. H. B. Lewis.

Mrs. C. A. Eason of Erath County is visiting her daughter, Mrs. M. J. Haynes, and family.

Mr. and Mrs. Buell Lewis and son, Clinton, spent Wednesday with Mr. and Mrs. Bishop Vineyard and son, Cecil Don.

Melba Joye Haynes, who has been working at Ira, returned home.

Lindsay Ryan of San Antonio spent Sunday afternoon with Mr. and Mrs. Buell Lewis and family.

Mr. and Mrs. Lewis took Mr. Ryan to Snyder Sunday night and visited Mrs. L. G. Ryan. Mrs. Ryan is going to make her home with her daughter, Mrs. Evans Vineyard, and family at Kress.

Several from this community attended the bridal shower Tuesday afternoon at the Hermleigh High School honoring Mrs. James B. Clements, the former Clovee Corbell.

Mr. and Mrs. Will Adams of Snyder spent Monday afternoon with Mr. and Mrs. J. H. Henley.

Pleasant Ridge

Imogene Wells, Correspondent

Rev. C. E. Leslie filled his regular appointment here Sunday.

Mildred Coldewey, who is employed at Abilene, was visiting homefolks here Friday and Saturday.

Those calling in the home of Mrs. H. Wells Sunday were Mr. and Mrs. John Neitzler of German, Rev. and Mrs. C. E. Leslie of Hermleigh, Bobbie Ben Stahl, Lucille and Vada Moore.

Those visiting in the Hy Coldewey home Sunday were Corporal Raymond Eicke of Camp Barkeley, Abilene, Pritz Ohlenbusch of Inadale, John Schattels of German and Mr. and Mrs. C. H. Stahl and children.

Sunday visitors in the Alfred Kidd home were their daughters, Mrs. Alfa German of Sweetwater, Mrs. Ruth Corley of Hermleigh, Opal Kidd of San Angelo, and Rev. and Mrs. C. E. Leslie.

Ethel Wallace was a week-end visitor with Billie Faye Bloodworth of Colorado City.

Bevin Claxton, wife and son were visiting relatives at Midway Sunday.

Mr. and Mrs. G. A. Moore and children attended church at Shepherd Sunday.

Little Merlie Jo Moore of Lorain is visiting her grandparents, Mr. and Mrs. G. A. Moore.

Ennis Creek News

Allene Davis, Correspondent

Mr. and Mrs. Bobby Nobles of Abilene visited relatives in this community last week.

Mr. and Mrs. Bruckner and children of Lubbock visited Sunday with Mr. and Mrs. Pierce Caton.

Mr. and Mrs. Sam Stokes and Arlen and Mrs. Horton of Snyder were Friday guests of Mr. and Mrs. Earl Horton and sons. Mrs. Horton and Arlen remained overnight.

Mr. and Mrs. Leslie Walker made a business trip to Inadale Friday.

Mr. and Mrs. H. W. Voss of Snyder visited Sunday with their son, Carl Voss, and family.

Corporal and Mrs. Woodrow Adams of Canada and Mr. and Mrs. Ira Wilson and children of Bison spent Sunday night with Mr. and Mrs. Allen Davis and children.

We are sorry to report Mr. Loso's mother, Mrs. Gordy, is on the sick list.

Visitors in the Glenn Huffman home Sunday were Mr. and Mrs. Jake Huffman, Mrs. Beulah Eicke and Grandmother Watts, all of Union.

Raise a VICTORY GARDEN

Eat What You NEED— and Stock Up for Winter!

• A food shortage in the U. S. A.?

It won't happen here if we all grow Victory Gardens. It takes a lot of hard work to have a good garden, but you will be rewarded with fresh vegetables on your table all summer—and a supply of canned goods on the pantry shelves next winter.

Grow the vegetables you won't be able to buy at the corner grocery. Plan a garden of your own or join up with your friends. Everybody will be gardening. If you had a Victory Garden last year, have a bigger one this year. And be sure to ask us about International Harvester's 84-page booklet, "Have a Victory Garden." It's a honey!

HATCHING EGGS WANTED...

We started buying eggs last fall as soon as flocks were culled. We have been buying ever since. We will still be buying in June. Furthermore we have not cut the eggs off a single week, and won't, until the end of the season.

For a LONG TIME, steady, cash premium market, sell your hatching eggs to colonial. It's too late now to sell this spring, if not already on our list, but now is the time to see us for next fall. We start culling and testing flocks late in August. We use all leading brands.

Se us, or our representative below, NOW! Special prices on chicks for those who agree to sell us hatching eggs. Our chicks are all U. S. APPROVED—U. S. PULLORUM TESTED. Our best grade chicks are from flocks headed with genuine U. S. R. O. P. pedigreed males from hens laying from 200 to over 300 eggs per year.

A War Loan Must

The Second War Loan Drive, which got off to a flying start in Snyder and Scurry County Monday, is described by county war savings committeemen and others as the "most vital drive for funds since Pearl Harbor"—a drive which must not fall over the nation in raising \$13,000,000,000 in a hurry.

If our war-time expenditures keep on climbing month by month, the \$13,000,000,000 war loan drive will make Americans mighty proud of the fact they loaned Uncle Sam enough, at the right time, to keep the war machine rolling along to victory and peace. If the public fails in this drive, then Uncle Sam can only blame the public for a serious war effort setback. People of this trade area are determined, by their liberal war bond, stamp and treasury note purchases, that they will get their portion of the job done right.

Old Man's Comeback

If you have observed closely during the past few weeks, you will notice that older men in Scurry and adjacent counties are making a decided comeback, in that they are taking up where younger men called to arms left off civilian activities.

"Why, us older men hadn't given up at all," one typical country squire stated Saturday, "we had 'kinds' been neglected the past few years and bided our time to prove we could still turn good work in almost any field of endeavor. We merely needed to be called upon to do a definite job."

Older men, in taking the lead in farm, ranch and professional work, will have a steady influence on business that will help keep this area stable until normal conditions return—and younger men can again pursue peace-time occupations.

A Good Man Quits

Clay of Snyder and County of Scurry officials expressed regret this week at the resignation of Giles Bowers as general chairman of Scurry County's War Price and Ration Board. Bowers, who has headed the board as chairman since December, 1941, has been fair and impartial in administering rationing under his control—regardless of petty gripes from dissatisfied individuals—and has earned the appreciation and respect of OPA officials in the district office at Lubbock and the regional OPA office at Dallas.

Regardless of the hardship of rationing, Bowers has done a commendable job as local board chairman, and is due a vote of thanks from Scurry County as a whole.

Editorial of the Week

PRICE OF FREEDOM

Everybody wants freedom. "Freedom" is a popular word. But, as Eric Johnson recently pointed out in an article in Reader's Digest entitled "Your Stake in Capitalism," you cannot have freedom unless you also have "capitalism." Capitalism is as unpopular as freedom is popular—and there lies the danger to freedom.

It has long been good political strategy to talk about freedom and damn capital in the same breath. Under such inconsistent reasoning our lawmakers have enacted much social legislation designed to enhance the freedom of the individual by establishing wage and hour standards and other economic safeguards, while at the same time passing laws which destroy capital and strengthen the very freedom they profess to uphold.

Capital is accumulated savings which, put to productive use by private citizens, supplies jobs and opportunities. When private citizens are prevented from accumulating capital and using it to create jobs, private jobs in free enterprise gradually cease to exist.

As Mr. Johnson observes: "... A great many people—in polling booths and in legislative bodies—have thought that you can tax business just as much as you like and still have 'free enterprise' and the 'American way of life.' You cannot. Just suppose that you taxed all new savings and all new profits and all new capital out of private hands into the public treasury. What would you have left to be the creator of new jobs? Only the government. Only the totalitarian state. . . . We stand at a solemn parting of the ways. Our business leaders and our labor leaders want freedom. . . . But what is the price of freedom? I say it is the capital with which to operate capitalism. The word is capitalism."

Freedom will be lost unless we recognize the truth of Mr. Johnson's words.—The Hockley County Herald.

Members of the press in the North and West have added somewhat to Texas' notoriety during recent weeks with some pretty tall tales of mechanized cattle rustling—cattle thieves striking like lightning with high speed trucks, pick-ups and "under cover of dark" slaughtering shops, but actually cattle rustling in Texas is no worse than customary at this time of the year. . . . With livestock commanding the highest prices in many years, it is only natural that occasional thefts are reported, but efficient work of peace officers over the states, plus gasoline rationing and fire shortages, is holding the menace well in check. . . . Too, new OPA regulations governing sale of meat and meat products is proving a midriff blow to the boys who entertain thoughts of making "easy cattle money" without work.

Current Comment

By LEON GUINN

Editor's Note—Expressions or opinions contained in this column are those of the writer and do not necessarily reflect the opinions or policies of The Times. Current Comment is merely carried as a feature column.

It's a little too early to determine just how far the trend will go, but food production experts are happy to witness the gradual back-to-the-farm movement over the nation—a movement that is in sharp contrast to the decade of the farm-to-town migration. . . . When people are close to the soil, producing crops and agricultural products the entire nation prospers, but when people leave the soil and move to cities for wage working, attendant periods of non-employment and resultant "relief" always put a strain on the country's economic machinery.

A certain percentage of our people will always need to stay on the farm—once they get settled—because without production of essential foods and agricultural products our entire nation would be put in such a state of disorder that we would become not only ninny-winnies, but a helpless set of people who would lack enough to grow food for existence and fall into the category of an importer nation. . . . Naturally, fear of the all-inclusive draft is forcing return of many people to the soil, which may well pay good dividends after the war is over.

Even though the Nazis may be smoked out of Tunisia before June, it's a safe bet in Washington these days that the big assault on Europe will not get underway before the final quarter of 1943. . . . Men whose authority in military strategy cannot be questioned declare it will take at least three months—after Tunisia—to clear the Mediterranean by taking over strategic islands. . . . Such action would not only be mandatory to pave the way for invasion, but shorten sea lanes for getting men and supplies to the key areas for major offensive work. . . . Talk of Allied European invasion is cheap, but actual brass tacks work on the matter will require all the brains, strategy, resources and nerve we have to insure success and leave nothing to chance that might bring about another Dunkirk.

Incidentally, Washington talk of an Allied assault on Europe during the waning months of 1943 jibes with reports of naval experts, who look for shipping losses to drop sharply by mid-October. . . . Only slight gains can be expected in Allied shipping tonnage until this fall, because new escort vessels will not get into action for some time yet. . . . Too, it will require several months to "whip out" the Nazi submarine menace to a point we will not lose so many vessels and so much tonnage of vital foods and munitions going to the bottom of the ocean month by month. . . . Flying Fortress raids this week on Nazi submarine bases are a good hint that lairs of the craft, which always belong to inferior sea power, will be literally blown to bits before the end of this summer.

The United States Department of Agriculture will not have too many headaches this year in complying with the budget bureau's order to cut payrolls five per cent. . . . The department can transfer, if necessary, many of the 4,000 employees who would otherwise have to be dropped to Chester Davis' new food set-up. . . . Chester Davis seems to have been chosen as food czar for the nation on basis of his accurate predictions of last year's food production—and predictions regarding this year's production outlook. . . . Davis, as an integral part of the department, believes he will have a definite job to do, and is going at the food situation with hammer and tongs.

Do we really need 11,000,000 men under arms? Against the advice of the Selective Service System, those close to actual needs of the nation's militia declare we do not for reasons too numerous to mention. . . . In the first place, the United States cannot stand the economic displacements which would result with 11,000,000 men under arms, and in the second instance, such a gigantic armed force would bankrupt the American government. . . . The army, of course, wants to have the big stick to wield after the war is over, and is pressing Major Hershey, national Selective Service chief, to get all men possible in uniform by early fall.

We've got to consider, after all, that our Allies are supposed to furnish a portion of manpower in this global war against aggression, and if we haven't guts or sense enough to win the war with men already under arms, we cannot win the war under any circumstances. . . . We're already having trouble getting food and the bare necessities of life to many of our boys on the world's fighting fronts, so we'd make a grand show trying to achieve the impossible by getting food and ammunition to three times the number already in life-line outfits.

Frankly, army officials are becoming alarmed over the military prospects the next 12 months, and this fact accounts for a lot of the yelping over 11,000,000 men called to the colors. . . . The draft business has indeed become the \$64 question, but that is not an excuse for big army, navy, marine and air corps boosters to lose their heads entirely, and gut the U. S. of all available manpower to fight a war that started on foreign soil, and a war which will be won or lost "over there." . . . After all, the army and navy have gotten all they've asked for to date, in men and money and munitions, so our military leaders might as well be advised now that the civilian breaking point is about to be reached.

The one thing worse than a quitter is the man who is afraid to begin.

War Loan Drive Plans Outlined at Friday Meeting

Virtually all Scurry County communities were represented Friday at the American Legion Hut, when complete details of the Second War Loan Drive, which started in Snyder and the county Monday, were explained to city and community War Loan committeemen.

E. O. Wedgworth, county war savings committee chairman, presided at the gathering, which attracted excellent representation from rural communities.

A. C. Alexander, vice president of Snyder National Bank, and a member of the county war savings staff, gave a candid explanation of all series of bonds which will be included in the second War Loan campaign.

Announcement was made that Snyder's drive would begin Monday morning, 9:00 o'clock, with a "kick-off" breakfast at Leath's Cafe.

Confidence was expressed that Scurry County would reach assessed quota of \$212,000 well before the May 1 deadline.

Mesquite Will Host Next Mitchell-Scurry Baptist Conference

Good attendance was marked Tuesday at the April Mitchell-Scurry Baptist Workers' Conference, held at the Fairview Baptist Church in Mitchell County.

Mesquite Baptist Church was given the nod Tuesday afternoon to host the May gathering.

Morning program speakers on the theme of "The Church" included Rev. W. A. Strickland, Rev. Olen Welch, Rev. G. W. Parks, who brought the morning sermon, and H. L. Wynn, who spoke on "The Responsibility of the Church to the Association."

On the afternoon program, Rev. V. W. Tatum brought a message at 2:15 o'clock, and D. V. Merritt outlined "Training Service." Afternoon inspirational address was given by Rev. W. C. Harrison of Odessa, District 8 missionary.

National Geographic Wanted for Library

Snyder and Scurry County people who have issues of the National Geographic magazine on hand they wish to donate to a worthy cause are being asked this week to contribute such magazines to Snyder Schools.

with Freddie Bartholomew, Billy Halop, Huntz Hall, Bobby Jordan. Young America swings into action. News, U. S. Air Band, and Cartoon Comedy.

Saturday Night Prevue, April 17—
"Lucky Legs"
with Jinks Faulkenburg, Leslie Brooks and Kay Harris. She had a beautiful line that lifted her from the chorus line to headlines.

Sunday-Monday, April 18-19—
"City Without Men"
starring Linda Darnell with Edgar Buchanan, Michael Duane. Drama with the wraps off . . . and a feminine battle with all rules off. Musical and Novelty.

Tuesday, April 20—
"Brooklyn Orchid"
with Marjorie Woodworth and William Bendix. News, Cartoon Comedy and Novelty. Bargain Night—Admission 11 and 15 cents. Wednesday and Thursday.

April 21-22—
"For Me and My Gal"
starring Judy Garland and George Murphy. One of the biggest pictures ever made and brought back by request for those who missed it the last showing. News and Novelty.

Navy Instructor

Lt. (jg) "Buck" Howell, U. S. Navy, son of Mr. and Mrs. Luke Howell, new holds a chief specialist's rating in the navy's instruction division at Farragut, Idaho. "Buck," Snyder Schools graduate and former Tiger squad member, was assistant coach at Kermit High School for several years.

Seed Grains Send to Russia from Lubbock

More certified seed from Texas was en route Tuesday to replenish the scorched earth of Russian battle zones.

Agriculture Commissioner J. E. McDonald announced that 20,000 pounds of Texas-grown grain and sweet sorghum seed has been shipped to the farmers of Russia. It was contributed by the Texas Certified Seed Growers Association of Lubbock.

Protect FOOD Production With WATKINS AA Fly Spray!

Wherever food is produced or stored, you'll find insect pests ready to destroy it. Use Watkins Grade AA Fly Spray in the stable, milkhouse, creamery, warehouse, granary, and in freight cars and other places where food is stored. Watkins Fly Spray gets the crawling and flying insects that get the food.

Use Watkins Fly Spray in the house, too, wherever insects are apt to destroy food. Cockroaches spoil tremendous amounts of food every year. Watkins Fly Spray is especially effective against crawling insects, against mites and other bugs that eat and spoil foods.

Feed Planting in County This Week Well Underway

Feed planting is reported general over Scurry County this week, with several communities reporting some patches of April cotton already in the ground.

Milo maize and sudan, particularly, are being planted throughout the county to relieve the county's acute feed shortage situation. Several fields of sudan are said around Snyder and Hermleigh to be doing fine, with sudan one to two inches high.

Victory gardens, of course, are being planted not only in all county communities, but in virtually every part of Snyder which offers vacant lot or garden space.

Wheat, oats and barley—which made it safely through the dry frozers of early March—are reported in excellent shape. No green bugs, county agricultural officials say, are reported yet—like they are in grain fields of the Plains and Panhandle.

Kelcy Will Conduct Revival at Lubbock

Bro. Raymond C. Kelcy, Snyder Church of Christ minister, will conduct a 10-day revival meeting at the Walnut Street Church of Christ in Lubbock, beginning Friday.

Bro. Kelcy announces morning services at the Lubbock church will be held at 10:00 o'clock, and evening services at 8:15 o'clock.

During the 10-day revival, Bro. Kelcy will speak each afternoon, 4:15 o'clock, over Radio Station KFYO, Lubbock—with exception of Saturday. The Saturday afternoon broadcast will be given at 2:15 o'clock.

The Lubbock revival is scheduled to close Sunday, April 25.

Bo Moffett, Despite Dirty Clothes in Africa, Says It's Beautiful Country

Staff Sergeant Bishop P. Moffett, U. S. Army, 713th BY BN Battalion, Medical Detachment, has arrived safely in North Africa, his parents, Mr. and Mrs. B. P. Moffett, are informed.

Staff Sergeant Moffett writes as follows: "Dear Folks: We left Fort Dix on the seventh and went to New York. We got on the boat and had very nice places, but it was awfully crowded. Some of the boys got a little sick, but not too bad. We just ate two meals a day while crossing."

"Over here in Africa we've got good old Mother Earth for a bed—since a tent is big enough for one man but not large enough for two. We are now located about four miles from town."

"The rainy season has set in, and we have no lights when it gets dark. We get up at the break of day. It's

terribly hot here in daytime and cold at night.

"Insofar as we are able to ascertain, this is where we will be located all the time. Africa is exactly as pictured in shows, and quite interesting as a country."

"Our camp is located right on the coast and not far from (censored). I have not had any clothes clean since we left Clovis and have not shaved in three days, and we are not allowed much water for ourselves."

"This particular place has been bombed once, but that was some time back. We are getting things fixed up pretty well, so will write again soon."

"Love, Bo." Sergeant Moffett is a graduate of Snyder High School, and is well known in Snyder and nearby communities.
