

VOLUME 59 NUMBER 59

SNYDER, TEXAS, OCTOBER 3 NINETEEN HUNDRED AND FORTY-SIX THURSDAY

ISSUE NUMBER 17

Drive Slated For Highway Fund Freeze

COMMITTEES FOR CAMPAIGN IN COUNTY APPOINTED TO SEEK AMENDMENT VOTE

Dr. H. G. Towle was this week named Scurry County chairman of the County Good Roads Amendment Campaign Committee.

The newly-organized committee has as a goal educating people of Scurry and other Texas counties on the constitutional amendment making voters November 5 to the need of freezing highway funds for road uses only.

N. T. Underwood, Chamber of Commerce manager, has been named county vice chairman, as well as secretary.

E. L. Farr is chairman of the folder distribution committee, John E. Sentell chairman of the speaker's committee, Willard Jones chairman of the publicity committee and Lyle Deffebach heads the commercial concerns committee.

Members of the folder distribution committee, with Farr as chairman, are: C. Y. Landrum of Fluvanna, J. T. Bryant of Hermleigh, Pat Falls of Ira, J. M. Glass of Dunn, Frank Andrews of Pyron, N. J. Gullett of Hobbs and Nolan von Roeder of Knapp.

On Mr. Jones's publicity and advertising committee are: John Stavelly of Fluvanna, John Brown of Dunn, Cub Murphy of Ira, Schley Adams of Pyron, Matt Bavousett of Camp Springs, Cliff Birdwell of Ennis Creek, Burt Moore of Dermott, Floyd Merket of China Grove, M. U. Vernon of Hermleigh and C. N. von Roeder of Snyder.

Colorado River Lake Project Gets WTCC Approval

In executive board meeting Friday in Colorado City, the West Texas Chamber of Commerce unanimously adopted a resolution urging construction of a dam on the Colorado River for supplying water to Snyder, Odessa, Midland, Big Spring and Colorado City.

The board also favored the Robert Lee project for impounding Colorado River water for flood and irrigation control.

The board instructed Manager D. A. Bandeen to enter the chamber's intervention before the State Board of Water Engineers, urging that both projects be approved as good public policy and for enhancing the economy and general welfare of West Texas.

Members of the board voted to submit eight planks to local affiliates in this year's referendum ballot.

Snyder's WTCC director is Lyle Deffebach, local insurance and income tax man.

Who's New In Scurry County

New citizens arriving to make their home in Scurry County are as follows:

Mr. and Mrs. Raymond B. Robinson of Cuthbert, a son, Connie Ray, seven pounds, three ounces. Mr. and Mrs. E. H. Williamson of Snyder, a daughter, Barbara Gayle, weight eight pounds, two ounces.

Mr. and Mrs. E. G. Taylor of Snyder, a daughter, Effie Mae, weight eight pounds, two ounces. Mr. and Mrs. W. L. Sumruld of Snyder, a daughter, Jane K., weight seven pounds, 15 ounces.

Mr. and Mrs. J. E. Aury of Ira, a daughter, Golda Marie, weight nine pounds, two ounces. Mr. and Mrs. Ray Reeder of Snyder, a daughter Deborah Sue, weight four pounds, nine ounces.

Mr. and Mrs. H. D. Smith of Fluvanna, a son James Roy, weight six pounds, eight ounces. Mr. and Mrs. Jeffie B. Lanmon of Corpus Christi, a son Larry Brady, weight seven pounds, eight ounces.

Mr. and Mrs. T. A. Rosson of Dunn, a son, Thomas Arlin, Jr., weight seven pounds, five ounces. Mr. and Mrs. Jesse E. Lemons of Snyder, a daughter, Rose Ann, weight five pounds, 15 ounces.

Mr. and Mrs. J. R. Wilson of Dermott, a son, Bobby Gerald, weight seven pounds, 15 ounces.

FLOOD SWEEPS SAN ANTONIO—The raging waters of the San Antonio River, fed by a cloud burst, sweep into and around a business house at San Antonio. The flood caused heavy damage. At least 10 lives were lost in the sudden deluge. (APPHOTO).

New Meat Price Ceilings Must Be Posted by Stores

All Scurry County stores must post new meat ceiling price lists. So advises Myrtle Frazier, chief prize clerk, Office of Price Administration, Sweetwater, in a special release for The Times.

New lists, merchants are advised, must cover most cuts and grades of meats and postings is mandatory under the law.

Every retailer is also required to place tags on meat trays indicating the grade, cut and price of meat displayed.

Mrs. Frazier urges both retailers and consumers to report any overcharges to the Price Control Board immediately.

The consuming public has been expecting such announcement as the above for sometime.

Need for clear-cut marking of most cuts and grades of meat has been strongly evident over the country since June. The Sweetwater OPA office has ample authority to see that ceiling prices on meats and meat products are enforced in this trade zone.

Bobby Gray Made President of FFA Snyder Chapter

The Future Farmers of America of the Snyder Chapter met in the Snyder gym Tuesday, September 24, to elect officers for the coming year. Those elected are as follows:

Bobby Gray, president; Eldon Perry, vice-president; Franklin Brownfield, secretary; Bobby Sawyer, treasurer; John A. Smith, reporter; Beecher McCormick, sentinels; Don York, parliamentarian; Rex Millhollan, historian; Weldon Perry, second vice-president; Roy Trice, third vice-president; Glen McCowen, song leader.

Area Water Confab To Talk Conservation

Snyder was extended an invitation this week to send representatives to Lubbock the last week in October, when the Permian Basin, Caprock and Panhandle Waterworks Associations convene to discuss ways of protecting and developing underground water supplies here and elsewhere in West Texas.

Exact date of the meeting was not decided upon Tuesday by representatives of West Texas cities, who met with waterworks officials.

Not only city representatives over West Texas, but those from rural areas are invited to attend the conclave. Importance of this area's underground water supplies has been emphasized, repeatedly by U. S. Army engineers and other groups.

Andy Jones and Ivan Gatlin New Aldermen

Voting was remarkably light last Thursday in the city election to name two aldermen.

W. A. (Andy) Jones was elected alderman for Ward No. 1. Ivan Gatlin was elected alderman for Ward No. 3.

Lightness of last Thursday's voting is evidenced by the fact only 88 votes were tabulated—54 in Ward No. 3 and 34 in Ward No. 1. Jones was named to fill the unexpired term of Albert L. Martin, resigned; and Gatlin was named to fill the unexpired term of Haskell O. Beard, resigned.

Ad Does the Job

Times classified ads do get results! J. H. Byrd, veteran Scurry County citizen and a former sheriff, started to run a classified ad this week about losing his white gold watch.

With a yellow gold chain, but before the ad could be set up the watch had been found and returned.

Even the thought of a Times classified seems to get mighty good results oftentimes.

Classes at High School Elect New Officers for Year

All classes met Thursday, September 19 to elect officers. The sophomores elected James Littlepage as their president; Darrell Black, vice-president; Dan Scott, secretary; Joe Dave Scott, reporter. Class sponsors are Mrs. Dan Gibson, Mrs. Eva Nelson, and Mrs. Andy Jones.

Junior class officers are as follows: Donnie Everett, president; Daphne Eicke, secretary-treasurer; and Myrtle Etheredge, reporter. Sponsors are Mrs. Forrest Beene, Mrs. Tommy Beene, and Mr. Frank Patterson.

Senior class officers are Bobby McMullan, president; Ira Riggs, vice-president; Patsy Tamplin, secretary; Dan Cotton, treasurer; and E. J. Moore, reporter. Senior sponsors are Mr. Tommy Beene, Mrs. E. L. Taylor, and Miss Katherine Northcutt.—Tiger's Tale.

Westbrooks Return To Ideal Wash House

Those two well known wash house specialists, Little and Charles Westbrooks, are back in charge of Ideal Wash House, a block east of the square, and invite old and new patrons to utilize facilities of Ideal.

Little and Charles Westbrooks sold out the Ideal Wash House in the latter part to 1942. Charles was on the West Coast three and one-half years in activities that included war plant work.

The Westbrooks, it will be recalled, established Ideal Wash House several years ago. They are featuring both help yourself service and wet wash at the wash house a block east of the square.

No More Subsidies on Dairy Products Seen

Producers, who in the past, have been eligible for subsidy on cream and milk solids, are reminded that unless further changes are made, there will be no more subsidies on these products.

For those who have crop insurance for 1946, premiums are due October 31, without interest. After that date, interest will be charged from August 21 until payment is made.

At no time since records on the weather were started here in 1918 has rainfall been more spotted, or the official rainfall gauge been more upset than this year.

January started out as a normal month, with moisture total of 1.63 inches and snow recorded on four days of the New Year's initial month.

County Ginnings Total 1,600 Bales Late Wednesday

Scurry County cotton ginnings for the 1946 season, through Wednesday, stood at approximately 1,600 bales, a county-wide checkup reveals.

Ginning season for the county is considerably advanced, over last year. Department of Commerce figures furnished through Ray Sturdivant, county crop reporter, reveal that 1,033 bales of cotton were ginned through September 16.

County cotton ginnings through September 16, a year ago, totaled only 79 bales.

Observers will not yet venture a guess on probable cotton yield this year. Spotted rainfall during the growing season, plus a question mark around the word, frost, leaves an accurate estimate on cotton yield unobtainable at this time.

Legion Group to Talk School Speech Contest

Discussion of a Legion sponsored speech contest among high school students of the county will feature regular business meeting of the Will Layne American Legion Post No. 181, which will be held this (Thursday) evening, 7:30 o'clock, at the Legion Hut.

A county-wide speech contest among students in high school, Legion backed, has not previously been initiated in this trade zone.

Two important matters up for discussion and action will include organization of a Legion volleyball and badminton team, according to Forest W. Beavers, post adjutant.

The organization will give due consideration to purchase of rifles for memorial ceremonies to be held for county veterans killed overseas. Bodies of some of the veterans will soon be back—in their native state—for burial among loved ones and friends.

Anniversary Services On at Colored Church

Snyder's Colored Holiness Church began Twelfth Anniversary services Tuesday evening at the church in Southeast Snyder.

White friends of the colored folks are cordially invited to join in the services.

Some exceptionally good musicians are scheduled to be on hand for the Twelfth Anniversary series of gospel messages.

Mercury Skids to 45 In Sunday Cold Blast

Old Man Temperature took a sharp skid Sunday night, and Monday morning the mercury in Snyder's trade zone hovered on the 45 degree mark—only 13 degrees above freezing.

Monday morning's temperature reading proved a good reminder to Scurry County folks that fall is not only in the air—it's here in fact—and not a few people got their heating stoves fired up—for old time's sake if nothing else.

Olan Culp to Take Champ Gilt to Show

CLUB BOYS AWARDED PRIZES IN LAST THURSDAY'S GILT SHOW AT SNYDER

Olan Culp of the Hermleigh 4-H Club exhibited the first place winner in last Thursday afternoon's 4-H Club gilt show, staged on the south side of the court house lawn.

Fred Hale of College Station judged the county show. Hale is a well known judge of Texas Agriculture Experiment Station.

Young Culp, as a result of coping first place here, will get to show his gilt October 19 at the district exposition in Sweetwater.

Other winners in Thursday's show were: Carl Williams of the Hermleigh 4-H Club, second; Donald Head of Dunn, fourth, and Jimmie Layne of Dunn, fifth.

Each placing, below first, carried awards, each, of 100 baby chicks, J. N. Caviness, county agent, states.

Instead of 100 baby chicks, each boy who placed may get 50 turkey eggs and 25 poult.

The annual Scurry County 4-H Club Gilt Show is sponsored by Sears, Roebuck & Company and Texas Extension Service. The district Sears show at Sweetwater will carry prizes, in upper half of placings, of registered heifers.

In addition to those placing, others showing gilts were: Bobby Glass of Dunn, Jackie Dee Pylant of Fluvanna and Bill Voss of Hermleigh.

Billy Gene Pylant showed the best boar, which with the county's grand champion gilt will be exhibited at Sweetwater on October 19.

Five-Cent Air Mail Stamps Go on Sale

Effective Tuesday, Snyder's post office—and others in the county—began selling five-cent air mail stamps, for Tuesday the price of such stamps was rolled back from the eight-cent level.

The new five-cent airmail rate applies to the United States and its possessions. Harvey Shuler, Snyder postmaster, states the rate also applies to airmail sent to or by members of our armed forces stationed outside the U. S.

Dennis Builds Steam Car Cleaning Plant

Ben Dennis, operator of D & D Auto Supply, is constructing a 30 by 50-foot concrete tile building west of the supply store that will be a steam cleaning plant for automobile and tractor motors, and will have a machine shop in connection.

About three more weeks will be required for completion of the structure, which will be succeeded. Concrete tile blocks from Bill Grimmert's plant are being used in the new business concern.

The "steam laundry" for motor cleaning and machine shop is located just north of Piggly Wiggly.

Volley Ball and Badminton to Be Played in Snyder

Of keen interest to Snyder sports fans is announcement that Coach Tommie Beene of Snyder schools is forming a volley ball and badminton group for all persons able and interested in playing.

Three volley ball courts have been established in the high school gymnasium and new standards have been procured. It is the coach's intention to have a night arranged for an initial meeting of interested persons and at such a time regular meeting schedule will be worked out.

Game of badminton is new in this vicinity, but like all other places it is fast growing to be a major item of interest. The game is a cross between tennis and volley ball.

Light rackets are used and an object called a "birdie" which is made of a piece of rubber covered cork with feathers stuck around one end is used.

Snyder Firemen And Ladies Go to Session at Post

Horse to Doctor

N. W. Aury, Snyder Volunteer Fire Department chief, will head a large delegation of Snyder firemen and ladies today (Thursday) to Post for the Midwest Firemen Association convention.

Aury, a past president of the association, is on the program, and other speakers for the conclave will include Olin Culberson, secretary of the state convention, and Pat Bullock, 24th District senator.

Snyder will have a team entered in the traditional convention races, as will other towns of this area. In all, 41 West Central Texas towns are due to be represented at the Post gathering.

Ladies of visiting firemen will be extended special entertainment at the convention, it is stated.

This will be the sixteenth semi-annual meeting of the association. The sessions start at 1:00 p. m. Races will be held beginning at 4:30, the barbecue at 6:30, with the dance starting at 8:00.

Officers of the association are: John W. Mansfield of Merkel, president; Leonard Henderson of Colorado City, first vice president; Walter Crider of Post, second vice president; James C. Asbury of Baird, secretary. The district comprises the following counties: Scurry, Mitchell, Fisher, Nolan, Jones, Taylor, Shackelford, Callahan, Garza, Stephens, Eastland and Throckmorton.

The organization got its start in 1938 when Baird firemen conceived the idea of an association. First president was Asbury.

New Shop Going Up for Neals on North Highway

A new home for the Melvis Neal Machine Shop and garage is expected to be completed around November 1.

So The Times learned this week, in an interview with Mr. Neal. The garage and machine shop has been located at 1924 25th Street since 1939.

New home for the machine shop is being erected on the east side of the Lubbock Highway, across from the Hummcutt Service Station and about six blocks north of the square.

Structure is being built of concrete tile, and will be 40 by 80 feet in size.

A veteran Snyder mechanic, Neal began work in a local garage in 1912. Ever since that time he has been repairing and overhauling motors and equipment of all types, and putting the "know-how" into repair work that has kept hundreds of motors purring in this area.

Melvis is being assisted in operation of the machine shop and garage by Ralph Neal and Roy Pierce.

County Agents Busy On Lubbock Exhibit

Jamie N. Caviness, county agent, and Estella Rabel, county home demonstration agent, are busy this week arranging the exhibit Scurry County will have at the South Plains Fair in Lubbock, Saturday through next Thursday.

Scurry County's exhibit at the Lubbock six-day fair will be composed of agricultural products.

Scurry County's Chamber of Commerce is giving \$25 for materials that will be used with the county display.

Ray Palmer of California, new band director for Snyder Schools, announces community band rehearsal will be held this (Thursday) evening, beginning at 7:30 o'clock, in the band room, west part of the school gymnasium.

Anyone having an instrument, and who desires to play in a community band, is urged to be present for rehearsal.

Crop Picture Still Looks Encouraging

Cotton Especially Improves in Last Several Weeks

Scurry County's crop picture has brightened greatly during the past 30 days.

A survey of the county reveals that gins have turned out 1,600 bales of cotton, to date, and the county should make 9,000 or 10,000 bales of cotton.

Cotton is mighty important now, because it is the biggest cash crop in the South insofar as prices are concerned. They are at the highest level in 26 years.

Cotton, in fact, was bringing 38 cents a pound Wednesday on the New York market. Cottonseed are bringing \$66 per ton.

Turning to feed, Scurry County folks are still combining maize, and the prices hanging at \$2.30 per hundred pounds. While combining has slowed down, considerably, frost is expected to bring another rush in harvesting.

Scurry County has already seeded in more small grain, wheat, oats and barley, than in any recent year. At least 8,500 acres have been fallowed and seeded to small grain.

Small grain fields will be at a premium this winter and next spring, for the short feed crop—due to drought—means livestock will have to have green forage through the "doty" months of the year.

Cotton bolling this week is going at prices ranging from \$1.75 to \$2 per hundred.

Despite the inflow of migratory laborers to this trade territory, there is still a sharp demand for cotton pickers. Several farmers, in fact, were looking for hands here Wednesday afternoon.

Pep Squad Puts On Clever Act at Merkel Contest

In a demonstration that was the most spectacular put on in the West Texas area in many years the Snyder High School Black and Gold Pep Squad showed its wares between halves at the Merkel-Snyder football game Friday night at Merkel.

Ninety girls uniformed alike composed the pep squad which did various forms of marching and wheeling turns in perfect unison. The high light of the show was the formation of a huge M and huge S. The girls went right into these formations without losing a step and drew a large round of applause from the crowd.

This coming Friday night the Tiger pep squad will accompany the football team to Post for the game and will again perform at the half. The Athletic Council along with the teachers and Lions Club are arranging rides so that all the girls will be able to go.

October 11 Slated as Snyder Day at Fair

Friday, October 11, has been designated as Snyder Day at the 29th Panhandle South Plains Fair in Lubbock. The exposition is being staged from October 7 through October 12.

Snyder and Scurry County is planning on sending a big crowd to the fair for Snyder Day. J. N. Caviness, county agent, and Estella Rabel, county home demonstration agent, are arranging a display of Scurry County agricultural products for the Lubbock exposition.

Band for Community To Be Started Tonight

Ray Palmer of California, new band director for Snyder Schools, announces community band rehearsal will be held this (Thursday) evening, beginning at 7:30 o'clock, in the band room, west part of the school gymnasium.

Anyone having an instrument, and who desires to play in a community band, is urged to be present for rehearsal.

Tigers Face Post Team Friday with Win Aspirations

Snyder's Fighting Tigers, Back on the "Beam" Despite the Upset

Merkel handed them last week, are in good shape for the game they have Friday evening with Post, states Coach Tommy Beene.

The Tigers will have a good-sized delegation of fans at Post with them, too, rooting for them from the time the opening whistle blows.

The Snyder Pep Squad, 90 girls uniformed alike, will accompany the Tiger Squad to Post for the game. The girls in black and gold have been organized into one of the outstanding pep squads of this area.

Word Wednesday reveals that Snyder's Athletic Council, together with the town's Lions Club and teachers, are arranging rides so that all girls in the pep squad will have rides Friday evening.

As in last week's game with Merkel, the Snyder Pep Squad will be in action at Post at the game's half-way mark.

Volley Ball and Badminton to Be Played in Snyder

Of keen interest to Snyder sports fans is announcement that Coach Tommie Beene of Snyder schools is forming a volley ball and badminton group for all persons able and interested in playing.

Three volley ball courts have been established in the high school gymnasium and new standards have been procured. It is the coach's intention to have a night arranged for an initial meeting of interested persons and at such a time regular meeting schedule will be worked out.

Game of badminton is new in this vicinity, but like all other places it is fast growing to be a major item of interest. The game is a cross between tennis and volley ball.

Light rackets are used and an object called a "birdie" which is made of a piece of rubber covered cork with feathers stuck around one end is used.

The "birdie" is batted back and forth over the net and after about 30 minutes play a person has had a good work-out. Coach Beene has several sets available and decided to be used on the night decided.

Every person interested in this game is urged to call either Coach Beene at his home or Bill Schiebel.

Dennis Builds Steam Car Cleaning Plant

Ben Dennis, operator of D & D Auto Supply, is constructing a 30 by 50-foot concrete tile building west of the supply store that will be a steam cleaning plant for automobile and tractor motors, and will have a machine shop in connection.

About three more weeks will be required for completion of the structure, which will be succeeded. Concrete tile blocks from Bill Grimmert's plant are being used in the new business concern.

The "steam laundry" for motor cleaning and machine shop is located just north of Piggly Wiggly.

County Agents Busy On Lubbock Exhibit

Jamie N. Caviness, county agent, and Estella Rabel, county home demonstration agent, are busy this week arranging the exhibit Scurry County will have at the South Plains Fair in Lubbock, Saturday through next Thursday.

Scurry County's exhibit at the Lubbock six-day fair will be composed of agricultural products.

Scurry County's Chamber of Commerce is giving \$25 for materials that will be used with the county display.

Ray Palmer of California, new band director for Snyder Schools, announces community band rehearsal will be held this (Thursday) evening, beginning at 7:30 o'clock, in the band room, west part of the school gymnasium.

Who's New In Scurry County

Area Water Confab To Talk Conservation

Snyder was extended an invitation this week to send representatives to Lubbock the last week in October, when the Permian Basin, Caprock and Panhandle Waterworks Associations convene to discuss ways of protecting and developing underground water supplies here and elsewhere in West Texas.

Exact date of the meeting was not decided upon Tuesday by representatives of West Texas cities, who met with waterworks officials.

Not only city representatives over West Texas, but those from rural areas are invited to attend the conclave. Importance of this area's underground water supplies has been emphasized, repeatedly by U. S. Army engineers and other groups.

Andy Jones and Ivan Gatlin New Aldermen

Voting was remarkably light last Thursday in the city election to name two aldermen.

W. A. (Andy) Jones was elected alderman for Ward No. 1. Ivan Gatlin was elected alderman for Ward No. 3.

Lightness of last Thursday's voting is evidenced by the fact only 88 votes were tabulated—54 in Ward No. 3 and 34 in Ward No. 1. Jones was named to fill the unexpired term of Albert L. Martin, resigned; and Gatlin was named to fill the unexpired term of Haskell O. Beard, resigned.

Mercury Skids to 45 In Sunday Cold Blast

Old Man Temperature took a sharp skid Sunday night, and Monday morning the mercury in Snyder's trade zone hovered on the 45 degree mark—only 13 degrees above freezing.

Monday morning's temperature reading proved a good reminder to Scurry County folks that fall is not only in the air—it's here in fact—and not a few people got their heating stoves fired up—for old time's sake if nothing else.

Five-Cent Air Mail Stamps Go on Sale

A county-wide speech contest among students in high school, Legion backed, has not previously been initiated in this trade zone.

The WOMAN'S Page

Reception in Boren Home Honors Couple

On September sixth, following the wedding of M. J. Browning and D. V. Merritt, Jr., Mr. and Mrs. C. M. Boren, 2903 Avenue T, honored them with a reception at their home.

The color theme of pink and white was carried out in the arrangement of lace crepe myrtle. The lovely lace laid table was highlighted with the three-tiered wedding cake topped with the conventional bride and groom. Delicious punch was served by Mrs. C. M. Boren and J. G. Lockhart from the beautiful rose bud crystal while the cake was being cut and served by the bride and Mrs. D. K. Ratliff. Miss Leta White, maid of honor presided at the registrar where the following wedding guests registered:

Rev. and Mrs. J. Wm. Mason, Mr. and Mrs. J. R. White, Miss Maggie Williams, Martha Lou Henley, Vera Nell Hart, Ola Margaret Leath, Billie Claire Mason, Mr. and Mrs. Alfred Roson, and Rosanell Rosson, Mrs. Emma Browning, grandmother of the bride, Foch Browning, Dr. and Mrs. D. K. Ratliff, Mrs. J. G. Lockhart, Mrs. Jimmie Browning, bride's mother, Jimmie Merritt, Alleta White, Mr. and Mrs. D. V. Merritt, Sr., Mr. and Mrs. C. M. Boren and Don. Immediately after the reception the couple left on their honeymoon for points west and Mexico.

Twentieth Century Club Studies Parks

Snyder's Twentieth Century Club met last Tuesday in the home of Mrs. Joe Strayhorn with the president, Mrs. W. J. Ely, presiding. Program for the evening was on parks.

Mrs. F. C. Hairston, assisted by Mrs. P. C. Chenault, gave some interesting talks on parks they had visited this summer.

Mrs. Strayhorn, assisted by Naomie Strayhorn, served a lovely plate of cake and ice cream to nine members.

Tea for Mrs. Merritt Given in Roe Home

Given in honor of Mrs. D. V. Merritt, Jr. nee M. J. Browning, was a lovely gift tea in the home of Mrs. M. H. Roe, the affair being hosted by Mrs. J. W. Mason, Mrs. H. C. Michael, Jr., Mrs. J. W. Patterson, Mrs. J. G. Lockhart, Mrs. D. K. Ratliff and Mrs. M. H. Roe.

The house party composed of Misses: Jocelle Bynum, Leta White, Ola Margaret Leath, Johnnie Le Monde, Mary Bell Weatherbee and Rosie Marie Roe who carried a basket containing the plate favors. Mrs. Don Sealy assisted in the room where the gifts were displayed. The girls wore lovely pastel gowns with beautiful corsages of rose buds.

Flower profusions of white and pastel pinks adorned the lovely entertaining rooms, with lace ferns intertwining the reflector which held the stand of assorted dainty cookies. The table was laid with a delicate lace cloth with tiny pink ribbon streamers containing a miniature bouquet every few inches where the tea dainties and crystal punch bowl were placed.

Guests were greeted at the door by Mrs. M. H. Roe, and Mrs. J. W. Mason who in turn introduced them to the receiving line which was composed of the bride, her sister Ruby Nell Browning, Mrs. J. G. Lockhart and the groom's mother, Mrs. D. V. Merritt, Sr.

"To Newlyweds" and "Primer" were given by Helen Jo Graham. "All the Things You Are" and "My Heart Stood Still" was sung by Johnnie Jean Le Monde. The music during the entertaining hours was furnished by Mrs. Roy Stokes, Johnnie Le Monde and Ola Margaret Leath. Following the program the guests were invited to the dining room where they were served. Mrs. Ratliff then conducted the guests to the room where many beautiful gifts were displayed. Miss Leta White, presided over the beautiful brides book where the following registered:

Mesdames James Neal, John De Shazo, L. O. Bynum, J. M. Newton, Jimmie Dyess, Clyde Brown, Joe Graham, Leslie Browning, Sallie Blythe, W. R. Bell, C. R. Burt, Henry Hart, Merth Lou Henley, T. A. Favor, P. C. Chenault, A. E. Duff, Maurice Duff, Leighton, C. M. Boren, J. E. LeMonde, A. P. Morris, W. A. Griffin, Ola B. Leath, Vertna Gartman, E. E. Weathers, Alvin Koonsman, Dean Cockran, Henry Rosenberg, Lora Miller, Ethel El-land, W. T. Murphee, N. J. Sealy, L. N. Periman, N. T. Underwood, Gerline Stanfield Smith, J. R. Williams, Roy Stokes, Misses Polly Harpole, Joy Sawyer, Vera Nell Hart, Muriel Bullard, Ruth Davis.

Those sending gifts were: Mesdames Guy Glenn, Fran Berry, Jess Garner, Jim Moss, J. L. Robinson, Edgar Smith, Chas. J. Lewis, Willard Jones, W. D. Casebolt, Jodie Bynum, W. D. Herral, John Mills, Berton Moore, Lolla Collins, Walter Wall, T. J. Weaver, Effie Ramsey, J. H. Browning, Joe Merritt, Sam Williams, Roy Elkins, Juanita Heard, D. V. Merritt, Hollis Browning, Mary Fesmire, Adelaide York, B. M. West, H. A. Smith, J. P. Morgan, Sam Sanders, Bill Sanders, R. L. Lightfoot, Alfred Rosson, Jack

Elton Lloyd Honored With Birthday Party

A surprise birthday party was given in honor of Elton Lloyd on her 15th birthday, Saturday night in the home of her parents, Mr. and Mrs. Raymond Lloyd.

Games were played before the gifts were opened and admired. Then everyone enjoyed the refreshments of hot chocolate and cake.

Those present were: Mr. and Mrs. George Lloyd and children of Abilene, Mr. Hollis Lloyd, Ella and James Bostick, J. L. Campbell, Dean Alexander and Lottie Blum of Highland, Darrell Sims of Lubbock, Mr. and Mrs. Carl Gray of Harnleigh, Horace Davis, Marinell Wilson, Duane Davis, Dorothy Faye Duck, Martin Parks, Dean Shepherd, Claire Russell and Charlotte Faver.

Mrs. Addie Gray and Ora, Mrs. E. A. Smoot, Bobbie and Junior Corbell and Edwin Parks sent gifts.

Inman, Ellis, Jess Clements, Ora Fish, A. N. Edmondson, Hubert Starnes;

Inez Brown, J. W. Mason, John T. Lynch, Jr., Ernest Peterson, Wilson Connell, J. J. Dyer, Lyle Deffenbach, Minnie Land, Edgar Campbell, Carl Foree, Earl Strawn, Earl Horton, Ralph Odum, Tom De Shazo, John Erwin, James A. Clark, Velma Burt, Frank Arnett, Grubs, J. P. Pitner, George Trousdale, Dave Houston, Howell McClinton, H. P. Brown, Dick Brown, Pickas Bell, Edgar Taylor, Earl Fish, Collie Fish, A. C. Kincaid, Dell Smith, Leon Wren, M. E. J. W. Clawson, Com Ezell, O. L. Nichols, Sterling Williams, Clyde W. Boren, Jim Burt, J. G. Lockhart, Joe Robinson, Bill Miller, Theima Gregory, Verba Logan, Worley Early, Jack Dennis, C. L. Noble, Bonnie Moore, Virgie Harris, Joe Brown, T. W. Pollard, Clara Jones, R. L. Terry, Dorothy Mills, Elsie Tippin, Dorothy Reso, J. P. White, Ruby Browning, Leo H. Beaver, Barney Jones, Patsy Browning, Cephas Tidwell, Minnie Higginbotham, A. C. Alexander, Ed Williams, Misses Lois Hammett, Marjorie Chapman, Jean Hughes, Mary Echols, Vivian Lane, Betty and Roger Williams, Jeanie Nichols, Oleta and Opal Beard, Eleanor Browning, Betty Grubs, Peggy Burt, Joan Campbell, May McClinton, Ruth Seaborn, Billy Claire Mason, Velma Lee Edmondson, La Verne Edmondson, Marie Gill, Louella Eades, Jocelle Bynum, Mary Frances Smith, Betty and Connie Connell, Mildred Glenn, Mildred Cauldwell, Alleta White, Ola Margaret Leath, Johnnie Le Monde, Miss Maggie Williams, Mrs. Leo H. Beaver, Miss Minnie Higginbotham.

The couple left immediately after the reception for a wedding trip to Ruidoso, New Mexico. For going-away the bride wore a grey wool suit with black accessories. The couple will be at home in Hereford.

The bride is a 1944 graduate of Snyder High school and attended Texas Technological College. She was employed as stenographer for Associated Telephone Company, Lubbock.

The groom is a graduate of Plainview High school. He attended Texas Technological College and Harvard University. He served in the Navy four years, two of which were spent overseas.

Those from Snyder attending the wedding were Eltine Lloyd, Marinell Wilson, Duane and Veldean Davis, Mr. and Mrs. T. C. Davis and daughter, Vivian and Mr. and Mrs. Allen Davis and children.

Allene Davis Weds Travis W. White

Mr. and Mrs. Allen Davis of Ennis Creek, announce the marriage of their daughter, Neida Allene Davis and Travis W. White, son of Mr. and Mrs. C. H. White of Plainview, which took place in the College Avenue Baptist Church, Sunday morning, September 15, at eight o'clock. Rev. Wayland Edwards of Lubbock officiated with an impressive double ring ceremony.

Church decorations were of white gladioli and palms. Eva Genio Richardson sang, "Till The End of Time," and "Because" accompanied at the piano by Glenna Rhea Edwards who also played the wedding march.

The bride given in marriage by her father, wore a heavenly blue wool jersey dress with black accessories, and carried a white Bible topped with white gardenias and streamers of white satin ribbon.

Miss Arlys Womble of Lubbock, maid-of-honor, wore a grey wool crepe street dress and a shoulder corsage of pink roses.

J. T. Gullin, Jr., of Friona, served as best man.

The bride's mother wore a black crepe dress with red rose corsage. The groom's mother was dressed in blue wool jersey with red rose corsage.

At the reception which followed in the Troy Edwards' home at 1503 23 street Lubbock, white gladioli and a three-tiered wedding cake, topped with a miniature bride and groom decorated the bride's table which was laid with a white linen cloth. Assisting with hospitalities were Mrs. Troy Edwards and Mrs. Wayland Edwards.

The couple left immediately after the reception for a wedding trip to Ruidoso, New Mexico. For going-away the bride wore a grey wool suit with black accessories. The couple will be at home in Hereford.

The bride is a 1944 graduate of Snyder High school and attended Texas Technological College. She was employed as stenographer for Associated Telephone Company, Lubbock.

The groom is a graduate of Plainview High school. He attended Texas Technological College and Harvard University. He served in the Navy four years, two of which were spent overseas.

Those from Snyder attending the wedding were Eltine Lloyd, Marinell Wilson, Duane and Veldean Davis, Mr. and Mrs. T. C. Davis and daughter, Vivian and Mr. and Mrs. Allen Davis and children.

James Casey Marries. James O. Casey Jr., formerly of the Dunn community was married to June Baker of Baytown, Texas, September 2.

Mr. and Mrs. Fred Boyd of Hobbs, New Mexico, visited Mrs. Boyd's mother, Mrs. Carrie Line, over the week-end.

Women's Culture Club Plays Forty-Two

Snyder's Women Culture Club met Tuesday afternoon in the home of Mrs. Lora Miller. Mrs. S. L. Terry was co-hostess for the gathering.

Tuesday afternoon's meeting was staged in the form of a forty-two party. A lovely refreshment course was served by the hostesses to:

Mesdames D. K. Ratliff, Edgar Wilson, J. A. Woodfin and J. E. LeMond, guests; Mmes. W. W. Gross, A. C. Alexander Sr., A. P. Morris, Alice Northcutt, A. C. Morton, E. J. Richardson Sr., D. P. Strayhorn, Henry Kelley and John Spears, members.

Rosa Lou Kincaid Honored at Party

Miss Rosa Lou Kincaid was honored with a birthday party at the home of her grandmother, Mrs. F. P. Kincaid, Monday afternoon.

Games and contests were enjoyed by 15 little guests, including: Marie, Bobby and Kenneth Knollenberg, Robert Beardon, Ronald Miller, Sidna Gale Turner, Jessie Jones, Neida Lou Strickland, Billy Wade, Fred McFarlin, Clenta Barbara Blackard, Jane Joyce, Edelweiss Poe, Huanna Birdwell and Carol Sue Clark.

Rosa Lou received many lovely gifts. A pretty cake bearing eight candles, and hot chocolate were served in the brightly decorated dining room by her mother, Mrs. J. E. Kincaid, Mrs. Adison Castevens and Mrs. Acalie Kincaid.

Baptist Young People Enjoy Wiener Roast

Intermediate BTU of Snyder's First Baptist Church staged a wiener roast Monday evening on the J. M. Newton farm.

Mrs. J. N. Caviness had general charge of the wiener roast, which attracted 31 attendants. An excellent time was reported by each person present.

O. B. Pederson of Kimhurst, Illinois is the guest of Mrs. H. H. Kinsey.

Mrs. John Taylor of the Ira community has been visiting relatives in Oklahoma.

Carlene McPherson Weds Charles Morrow

In a quiet and impressive double ring ceremony performed Sunday afternoon in the parsonage of the First Methodist church in Sweetwater, Carlene Kinzey McPherson became the bride of Charles B. Morrow. Rev. Thomas Johnson read the vows and Mr. and Mrs. Thurman Allan of Snyder attended the bride and groom.

The bride, youngest daughter of Mr. and Mrs. W. H. Kinzey of Harnleigh and widow of the late S-Sgt. G. E. McPherson, Jr., of Chattanooga, Tennessee, is a graduate of Harnleigh High School and attended San Angelo Junior College.

During her high school and college days she was outstanding in school and social activities and served as president of the Sigma Alpha Chi sorority in college.

The groom, youngest son of Mr. and Mrs. John Morrow of Snyder, attended Snyder schools and was outstanding in track and football prior to entering military service. He spent 18 months in Central America with the U. S. Engineers. Entering the service in 1944, he spent one year in India. He returned to the States and received his discharge in June and since that time has been employed by the Texas Highway Department at Snyder.

For the ceremony the bride wore a light grey gabardine suit with dolman sleeves, fashioned by Michelle of Hollywood, and wore black and white accessories. Her corsage was an orchid. For "something old and borrowed" she wore a string of pearls belonging to her mother and for "something blue" she carried a blue Irish linen handkerchief.

Mrs. Thurman Allan, matron of honor, wore beige gabardine with red accessories and her corsage was red rose buds.

Following a wedding trip to Old Mexico, the couple and the bride's young son, Sandy, will be at home in Snyder.

The chief cereal food of western man is wheat.

Methodist Women Study India Monday

Woman's Society of Christian Service, Snyder's Methodist church, met Monday afternoon, 3:00 o'clock at the church.

The society began the study of India and interest in the organization is growing. All women of the town are urged to attend. Mrs. Clark gave a few thoughts on prayer in which she stated that one's hands must be in a prayerful attitude as well as the mind. Mrs. A. M. Curry led in prayer.

Mrs. Joe Strayhorn read Scripture taken from Acts 17: 24-26. Mrs. D. P. Yeager gave a poem on India. The group sang "Sweet Hour of Prayer," and discussion of the first chapter of the book, "I'm Proud of India," was given by Mrs. Birdwell. Mrs. Birdwell gave some interesting sidelights on "Ancient India and Her Culture."

Motion was made and seconded that the society help Mrs. E. L. Farr make capes for the Red Cross. At the next gathering Mrs. J. W. Burleson will discuss the next two chapters, "The Man With the Plow" and "Labor and Industry in India."

22 Girls Enroll in Pyron 4-H Club

A total of 22 girls have enrolled for the year's work in the Pyron 4-H Girls Club, The Times learned Tuesday.

Officers for the club were chosen last Wednesday as follows when the girls met at Pyron School assembly room: Margaret Richburg, president; Patsie Andrews, vice president; Martha Jean Hungerford, secretary-treasurer, and Margaret Zinke, reporter.

Estella Rabel, county home demonstration agent, and Mrs. Theo Soules, adult sponsor, met with the group of girls.

First project to be undertaken by Pyron girls will be the making of bracelets, rings, belts, etc., from green and gold lustralace.

At the girls' next gathering this month days and hours of meeting will be set.

C. W. Stimson To Aid in Handling Area Farm Labor

C. W. Stimson, it was announced Tuesday, has been employed as Farm Labor field assistant, and has established an office in the basement of the courthouse.

Stimson's primary duty will be to assist Scurry County farmers in placement of migratory laborers in a more efficient manner than heretofore.

Stimson's office has been set up with office of the county agricultural agent. Farmers who wish to secure cotton pickers should contact either Stimson or the county agent.

Stimson is employed by the Extension Service of Texas A & M College, Farm Labor Division, on a temporary basis.

All persons needing farm labor are urged to list their needs at the earliest possible time with Stimson.

Kenneth Rector with Advertising Concern

Kenneth Rector, former member of the armed forces and son of Mr. and Mrs. K. B. Rector of Hermleigh, is now at Cleveland, Ohio, where he is attached to the advertising firm of McCann & Erickson.

Kenneth has been at Cleveland a month, and says he likes his work fine. He is a graduate of Hermleigh High School.

Taxpayers Do Land-Office Business on First Day of Paying

Tuesday marked the beginning of "open season" for taxpayers, and at the close of business Tuesday evening Edgar Taylor, Scurry County tax assessor-collector, reported the first day's run of business approximated \$3,000.

October is a mighty fine month in which to pay taxes, because a three per cent discount is given for payment of state and county taxes. November discount will be two per cent and December discount on state and county taxes will be one per cent.

Personnel in the county tax assessor-collector's office completed writing of 3,444 receipts for tax payments some two weeks ago.

It is pointed out that state, county and school taxes may be paid from October 1 to January 31. After this date penalty will be on a sliding scale.

Hail Insurance Now Subject to Deductible

Attention of every Scurry County home owner is directed to the order of Texas Board of Insurance Commissioners, effective September 1, regarding deductible provisions.

A deductible, henceforth, of \$50 on farm and ranch buildings and a deductible of \$100 on all other classes of buildings, including dwellings, applies only to hail, hurricane and windstorm losses.

Hugh Boren & Son, Snyder Insurance Agency, Spears-Louder-Deffebach, Mrs. Charles J. Lewis and Holcomb Insurance point out the new deductibles are made mandatory by the state board.

Such a plan as local agencies refer to was adopted in place of a 75 to 100 per cent increase in windstorm-hail rates justified by a loss experience the past 10 years by insurance companies.

Tommy Browning Injured.

Tommy Browning, son of Mr. and Mrs. Hollis Browning, was injured last Wednesday afternoon at football practice, and as a result is still at home. Tommy was said Wednesday to be improving slowly.

General Eisenhower Salutes the Boy Scouts

Courtesy, Kansas City Star

The Boy Scout Movement merits the unstinted support of every American who wants to make his country and his world a better place in which to live. Its emphasis on community service and tolerance and world friendship promotes a speedier attainment of the enduring peace among men for which we all strive.

"By developing among its members both a spirit of sturdiness, self-reliance and a realization of the need for cooperative effort in every major enterprise, the Movement is a prime force in preparing tomorrow's men for their duty to themselves, their country and their world."

"Here in the United States the Boy Scouts of America has accomplished much in its years of service. But today, more than ever before, we need expansion of its membership and influence."
—Dwight D. Eisenhower, General of the Army

South Plans Unit Assembly of God Meets in Snyder

The annual fall convention of the South Plains section of the West Texas District of the Assemblies of God will convene in the local church here next week, the night of October 9 and all day October 10. Visitors from various parts of West Texas are expected. Rev. W. M. Bowman of Lamsea, the section's presbyter, will be in charge. Also, Rev. H. M. Sheats of Lubbock, district superintendent, will speak.

The services will be held at 7:30 in the evenings, 10:00 a.m. and 2:00 p.m., during the day. Lunch will be served at the noon hour by the ladies of the local church.

The people of Snyder are cordially invited to attend.—Rev. Robert Owens, Pastor.

America's cotton crop is the largest in the world.

Texas produced more turkeys in 1944 than any other state in the Union.

Tigers Lose Tilt Friday 37 to 0 to Big Merkel Crew

In a game Friday evening at Merkel in which the opposing players were just as big as the final score, Snyder's fighting Tigers went down in defeat to the strong Merkel Badgers by score of 37 to 0.

Friday evening's clash was a better played game than the score indicated. The Snyder squad held Merkel all during the first quarter and up through closing minutes of the first half when the Badgers scored their second touchdown. The Tigers were handicapped by the lack of able substitutes—although this did not bother the Merkel squad. They had several men for each position and used them.

Play of Snyder Ends, George Richardson and Pop Blakley was the one bright spot for the Tigers. These two boys were in on every play and it was their fine defensive style of playing that held the score down as low as it was. A little more support from the tackles would have relieved these ends of a lot of worry but the tackles were being taken out on every play by a fine Merkel line.

Burk and Gorman backed the lineup well and were in all plays. The Snyder back field functioned as well as could be expected but with no down field blocking the runners were tackled before they left the line of scrimmage.

Snyder's best chance to score came in the first quarter on a long pass play but the ball was juggled and dropped. End George Richardson added further to his fine play by going back to the tail back post and doing the punting. He kicked well all evening and at one time got off a 65-yard punt that put the Merkel team in a hole.

The Merkel team is a hard hitting and hard playing team that is destined to go far in their district and Snyder's loss to them is no disgrace. The Tigers are working hard this week for the game against Post and are in good physical condition and fine frame of mind.

One good thing can be said for automobiles. They made mortgages respectable.

A silkworm isn't a worm but the larva of a moth or butterfly.

Mrs. F. W. Crum Deis Saturday in Roscoe Hospital

Member of a pioneer Scurry County family, Mrs. F. W. (Junie) Crum, 66, passed away Saturday in a Roscoe hospital following a several-month period of failing health.

Born June 25, 1880, at Salem, Virginia, as June Akers, she came to Texas as a young girl. Her people settled in the Camp Springs community in 1889.

Mrs. Crum and her husband, a ginner by profession, made their home at Melvin for 25 years before the couple moved back to Camp Springs September 1, 1931. Funeral services for Mrs. Crum were held Monday afternoon, 2:00 o'clock, at the Camp Springs Methodist church.

Rev. A. T. Mason, Hermleigh and Camp Springs Methodist pastor, assisted by Rev. R. L. Long of Roscoe, officiated.

Palbearers were M. W. Bavousett, Don Snowden, Perry Alford, Marvin Snowden, N. J. Gullet and Austin Higgins.

Mesdames J. T. Trice, W. H. Talley, N. J. Gullet and Florence Alford were in charge of floral offerings.

Mrs. Crum is survived by the husband, F. W. Crum, former Melvin gin operator and Camp Springs community stockfarmer; an adopted daughter, Mrs. Carroll Watkins of Pear Valley, a granddaughter, Diana June Watkins; a brother, John M. Akers Sr., of Camp Springs; and three sisters, Mrs. Maude M. Akers of Camp Springs, Mrs. James Ralph Hicks of Snyder, and Mrs. Willie George of Brownsville.

In addition to the adopted daughter, Mr. and Mrs. Crum reared John M. Akers Jr., former member of the armed forces who is now at Denver, Colorado.

Mrs. Crum has been a member of the Methodist Church many years.

Odom Funeral Home directed funeral arrangements, and Mrs. Crum was laid to rest in Camp Springs Cemetery.

H. G. Moores Visit in Alabama Birthplaces

Mr. and Mrs. H. G. Moore of the Crowder community returned Saturday afternoon from a four-week trip that took the couple to various points in Alabama—points at which their childhood days were spent.

Both visited at Gaston, Alabama. The couple had not been back in Alabama in four years. Points visited included Gaston, Rhome, Georgia, and Chattanooga, Tennessee.

Moore was born at Henegan, Alabama, and his wife at Cedar Bluff, Alabama.

How much light is ENOUGH to study arithmetic?

Arithmetic requires concentration, close attention to small type, extra work for young eyes. BETTER LIGHT is needed for such exacting work to help prevent unnecessary eye fatigue, drowsiness, lack of interest.

Check carefully the lamp your children use for studying—be sure the lamp bulb is large enough—at least 100-watt or 150-watt size—and see that it has a shade which spreads the light—prevents glare.

EYESIGHT IS PRICELESS
LIGHT IS CHEAP!

Cover Crops Pay Off for H. A. Smith West of Snyder in Better Crop Yields

H. A. Smith, farmer six miles west of Snyder, has plenty of evidence to prove that accumulation of decayed plant and animal matter in the soil, known as soil organic matter or humus, is an effective agent in the nourishment of plants.

So reports J. N. Caviness, county agricultural agent, who says Mr. Smith planted an acreage of corn on his farm in June, 1945.

Worms became so numerous they were uncontrollable as the corn grew older. Due to the wormy condition Smith turned under the corn with a one-way plow. Corn at this time was still green and had been planted only 60 days; therefore was high in organic matter.

This land, Caviness continues, was fallowed the remainder of 1945, and in the early spring of 1946 was listed. Cotton was planted on the acreage previously in corn and observers can tell to the exact row where corn was turned under.

Cotton is not only larger than any of the rest, but is fruited more heavily and Smith is convinced that it will yield more lint per acre.

It may be impossible to replace, fully, organic matter already removed from the soil as long as the growing of row crops is continued, but this demonstration proves supply can be increased substantially by use of cover or green manure crops—which will not only prevent further deterioration but even improve productivity of the land.

Utilization of cover crops will protect the soil from the impact of rain and reduce the amount of run-off water. Moreover, it is pointed out, it will increase the nitrogen content of the soil.

Smith is a firm believer in the fact turning under of a cover crop will add organic matter to the soil and improve its structure. The land will become easier to cultivate, absorptive and water-holding capacity of the land will be increased and circulation of both air and water improved.

Prices on Fats Head For Higher Ceilings

Scurry County housewives need not be unduly alarmed because prices for oleomargarine, shortening and salad and cooking oils is heading upward.

Office of Price Administration officials say ceilings for consumer packages of these items will have to be raised "at least two cents" as a result of decision by the stabilization director.

However, OPA states that dozens of imported items, including chinaware, glassware and household utensils and appliances have been freed of all price control.

It seemed certain this week that OPA will either have to hike the price of cotton linters three cents a pound, or remove price controls entirely. Linters are desperately needed for making mattresses, upholstery and tire cord.

Thell Browning, Stock Farmer at Dermott, Passes

Ethelbert (Thell) Browning, 73-year-old Scurry County stock farmer, passed away last Thursday at the home of a son, Joe Browning, following a several month period of failing health.

Born in Williamson County August 20, 1873, Mr. Browning had made his home in Scurry County 44 years.

Funeral services for the pioneer stockman were held Friday afternoon, 3:00 o'clock, at Fluvanna's First Baptist Church. Rev. O. B. Herring, Snyder Methodist minister, officiated.

Palbearers were Johnny Browning, Alfred Browning, Harvie Lee Browning, E. C. Browning, Leslie Browning and Jesse Browning.

Those in charge of floral offerings were Elizabeth Browning, Ruby Nell Browning, Patsy Lee Browning and Darlene Browning.

Mr. Browning, widely known as "Thell," is survived by four sons, Caley Browning of Girard, Charlie Browning of Odessa, Joe Browning of Snyder, Sam Browning of Lovington, New Mexico; a daughter, Mrs. Bob Belew of Fluvanna; a brother, "Uncle" Bob Browning of Fluvanna; and a sister, Mrs. Tom Huffman of Vinita, Oklahoma.

McDonald Funeral Home of Lubbock directed arrangements, and interment was made in Fluvanna Cemetery.

Wooten Driver Turns Down Bid of Unions

Snyder guest last Thursday morning was John White of the National Labor Relations Board, Fort Worth, who held an election from 7:55 a. m. to 8:05 p. m. at the Wooten Grocery Company wholesale house.

Purpose of the election was to determine if employees wished union representation, or not, in the General Teamsters, Chauffeurs, Warehousemen and Helpers of America, AFL, Local 583.

According to the National Labor Relations Board, both parties consented to an election by the Fort Worth office.

Only vote cast was against union representation. Accordingly, the union will not be certified by the regional office in Fort Worth, White stated.

County Farmers Will Attend Bureau Meet

Scurry County farmers plan to have good representation Wednesday, October 9, at Lubbock when a district Farm Bureau meeting will be held with Bill Tilson, Meadow, director, in charge.

Chief job of agriculture, at this time, is to maintain farm prices at a fair exchange level, farmers are reminded. This was not done after World War I and result was a devastating depression. Purpose of the Farm Bureau is to formulate sound, practical plans that will help in avoiding another farm price recession.

WTCC Region Group Convenes at Colorado

Local Chamber of Commerce members expressed keen interest in the meeting Friday morning in Colorado City, regional executive board of the West Texas Chamber of Commerce, to lay plans for the 1946 WTCC referendum convention.

Frank Kelly of Colorado City, District 5 director, was official host and H. Y. Overstreet, president, presided.

The board appointed a sub-committee to conduct the "windup clearance meeting" which will be held at Abilene in November. Dates and places were also set for district WTCC meetings.

I'd like to know: "Does a doctor doctor a doctor according to the doctored doctor's doctrine of doctoring, or does the doctor doing the doctoring doctor the doctor according to his own doctorig doctrine?"

Key Tags Sent to County's Autoists By Disabled Vets

Helping disabled American veterans has a direct and forceful meaning this week for a lot of Scurry County people.

From national headquarters, Disabled American Veterans, Cincinnati, Ohio, have been mailed car licenses in miniature—clever key tags that help identify keys in case of loss and help disabled war veterans make a living.

Endorsed heartily by vet's organizations and government officials, the key tags are sent with no price. Donations are provided for, on the card sent, and virtually any motorist will find the key tag worth at least 50 cents to \$1.

Why not really help a disabled war veteran, today, in this worthy cause, Scurry County, by sending the boys—with arms, legs and in many instances an eye missing—payment for your key tag today?

Polar Oil Well Drills On Below 7,697 Feet

Still feeling ahead cautiously, Humble Oil & Refining Company No. 1 Irene Elkins, northeast outpost to Polar's one-well field, was drilling below 7,697 feet, in lime.

The deep project, which is commanding considerable interest, is located in Section 36, Block 5, Houston & Great Northern Railroad Company Survey.

Sinus, Hay Fever and Asthma Suffers

People from all walks of life suffer from these conditions, and seek relief in climates far and near. Sufferers of symptoms such as headaches, nervousness, swollen eyes, sneezing, or bronchial wheezing, palpitating heart, or pains through the neck and shoulders, there is a cause for these conditions within the body.

These causes, when found by X-Ray and NCM* readings, can be corrected scientifically and accurately. We invite you to be examined for these conditions here at our Sweetwater Mineral Wells Sanitorium.

* NCM—Neurocalometer.

Camp Site Being Sought for Boy Scout Council

Snyder District officials report that the Buffalo Trail Council, Boy Scouts of America, covering Scurry and 14 other West Texas counties, is seeking a camp site, or sites, to be owned and operated by the council for Boy Scouts of today and the years to come.

Snyder Scouters say several sites are now under consideration, one of which is located in the Davis Mountains near Balmorhea. The camping committee of the council regards this site with considerable favor.

Most interesting site, however, for many reasons is one on the proposed lake to be created on the Colorado River north of Colorado City. Since more than 1,000 Scouts attend the council's camp each year—held in either borrowed or rented camp sites of other councils—location of a permanent camp in this area would mean a great deal to both boys and leaders.

Representatives of the Snyder District are invited to go with the camping committee of the council October 12th to inspect the camp site in the Davis Mountains.

China Grove Women See Demonstrations

China Grove Home Demonstration club met September 26 at 3:00 o'clock in the home Mrs. Joe Hairston.

The president, Mrs. O. N. Laster Jr., called the house to order, and roll call was answered by each member telling something new that she has learned in learning.

A council report was given by Mrs. Stanley Merket, and a report of the "chicken fry" was given by the president, Mrs. Laster also read a very interesting letter from a woman of the Philippines expressing their thanks to this club for sending boxes of food and clothing.

It was announced that our exhibit is to be held at the October council meeting.

Miss Estella Rabel was present and demonstrated making different kinds of cheese and banana bread.

Miss Rabel and the hostess served Neufchatel cheese on crackers and cream cheese on crackers, also cottage cheese with pears, and banana bread and milk drinks to Mrs. W. H. Prescott, Bill Hairston, O. N. Laster, Stanley Merket, and Mrs. R. D. Hall of Colorado City.

The club will meet next time with Mrs. Merket.

Mr. and Mrs. Herbert Bannister and family of Lubbock were weekend visitors in Snyder.

Freezing of State Highway Money Would Aid Roads

In a county and state-wide campaign getting underway this week, voters are being advised of the constitutional amendment they will vote for, or against, November 5 to freeze highway funds for highway purposes alone.

If the Scurry County—and Texas—farmer is pulled out of the mud, state highway department funds cannot be diverted to other uses, it is pointed out.

The setup on Scurry County's Good Roads Amendment Campaign Committee will be found elsewhere in this issue of The Times.

While the state's three-year post war program will bring a paved road to within a mile of 62 per cent of all Texas rural dwellings, this objective cannot be reached if highway funds go into other state agencies.

Protecting road funds from diversion to other uses will enable county and state administrations to develop and execute the type of road-building program that will bring Texas people out of the mud.

Development of better rural schools depends on development of better roads over which school buses must travel. Today, we have 6,000 school buses in Texas and they must bring 300,000 rural children to classes. Better roads must be built if our educational system is to go forward.

Boy Scouts' Friendship Fund Helps Rebuild World Movement

The nearly 2,000,000 members of the Boy Scouts of America, through voluntary contributions to their World Friendship Fund, are helping brother Boy Scouts in lands ravaged by the war to rebuild their Scouting programs. The Fund, continuing indefinitely, contributes to safeguarding the future peace of the world and arouses in American boys an interest in the youth of other lands.

STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY ACTS OF CONGRESS OF AUGUST 24, 1912, and MARCH 3, 1933

of The Scurry County Times, published weekly at Snyder, Texas, for October 1, 1946.

State of Texas, County of Scurry: Before me, a notary public in and for the state and county aforesaid, personally appeared Willard Jones, who, having been duly sworn according to law, deposes and says that he is the publisher of The Scurry County Times, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management and circulation, etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the act of March 3, 1933, embodied in Section 537, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1.—That the names and addresses of the publisher, editor, managing editor and business managers are: Publisher, editor, managing editor and business manager, Willard Jones, Snyder, Texas.

2.—That the owner is: Willard Jones, Snyder, Texas.

3.—That the known bondholders, mortgagees and other security holders owning or holding one per cent or more of total amount of bonds, mortgages or other securities are: Farmers & Merchants National Bank, Hamlin, Texas.

4.—That the two paragraphs next above, giving the names of the owners, stockholders and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the

books of the company but also, in cases where the stockholders or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association or corporation has any interest direct or indirect in the said stock, bonds or other securities than as so stated by him.

5.—That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above is 2,960.—Willard Jones, Publisher.

Sworn to and subscribed before me this 30th day of September, 1946.—T. A. Boren, Notary Public. (My commission expires June 1, 1947).

Drivers' Licenses May Be Secured Saturdays

Scurry County motorists are reminded that the sheriff's office will be open each Saturday afternoon for renewal of drivers' licenses.

Mrs. Thaba Groves will be on hand to assist motorists with renewal of this very necessary and vital driving "document."

Red Cross Unit To Get Budget for Next Year Soon

Mrs. Melba Kennedy, national Red Cross representative, has been here this week assisting local RC officials in preparing a budget for next year.

Mrs. Kennedy reports considerable progress in this work, and at a later date complete budget details will be released—together with names of community committeemen and other workers.

Scurry County's Red Cross budget for next year will be larger than this year. Next year the county RC unit will not have a surplus in the treasury. This year's budget was easily met because a surplus was on hand to draw from at beginning of Red Cross work.

The Red Cross, county officials point out, still has many, many duties, to perform and especially does the Red Cross have a heavy burden to bear in carrying on work for service men and women overseas.

Due to the fact occupation troops will be at overseas stations for another year or more, the Red Cross will have a considerable amount of work in conjunction with supplying of garments made in the states and first aid work for war refugees.

Dudley Shows Set Up Tuesday For Week

Sponsored by Snyder's Will Layne American Legion Post No. 181, the D. S. Dudley Shows began Tuesday evening a week's engagement here.

The Dudley Shows feature high class entertainment for young and old. The Midway is more attractive this season than at any previous time.

In addition to a ferris wheel, the popular show has a merry-mixup ride that is always crowded. The Legion-sponsored carnival is located at the city tabernacle, one block north of the square.

Three Firms Observe Jewish Special Days

Last Thursday and Friday were observed here by members of the faith as the Jewish New Year.

Saturday will be observed in Snyder as Yom Kippur, and Economy Dry Goods Company, Pick & Pay Store and Ben Franklin will close until 5:00 p. m., it is announced.

Yom Kippur is the Day of Atonement, falling on the tenth day of Tishri and observed as a solemn fast day.

"The Price Is the Thing"

To those who eagerly await their new Chevrolets . . .
Here Is the Latest News about Chevrolet Deliveries
Everybody from factory to dealer is doing everything that can be done to speed deliveries to you
We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.
We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America . . . and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.
Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.
We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!
Keep Your Present Car Alive
Meanwhile, may we suggest that you safeguard your transportation by bringing your car to us for service now and at regular intervals. Let us help you to keep it in good running condition—to maintain its performance, appearance and resale value—until the day when your new Chevrolet comes along.

Class Sponsor—Pat Falls. Bow ties are coming back—just in time to hide our frayed shirt collars.

Hermleigh News

Winnie Lee Williams, Correspondent

Three new homes are being built in Hermleigh and the construction of a fourth will get under way soon. E. H. Vaughn, ex-lieutenant in the air corps, is erecting a three-room house with bath, just south of the Methodist church. R. A. DuBose and Leon Hammond are about to complete their six-room house, including bath, which is also a stucco. It is located just north of the A. W. Mobley place. Hammond saw several months' service in the Navy. H. L. (Vernie) Drennan will begin his new home soon. It will be a six-room rock structure with a bath, and will be modern throughout. Vernie's lot is on the highway just north of the First Baptist church. Drennan spent several months with the air corps enlisted reserves during the war. DuBose, Hammond and Drennan are all in business here while Vaughn is engaged in farming. H. H. Rummier is laying the foundation for a five-room house including bath. It will be located on the lot formerly owned by A. L. McMillan and later by C. P. Williams. Mr. Rummier is employed by the Higginbotham - Bartlett Lumber Company here. Private Walter Ammons who has completed his basic training at Fort Bliss, El Paso, is spending a two-weeks leave with his parents, Mr. and Mrs. D. P. Ammons. After his leave is ended he will report to Camp Stoneman, California for an overseas assignment. Ammons graduated from the Hermleigh High School last May and volunteered for service July 10. Twilla, young daughter of Mr. and Mrs. O. B. Jackson was operated for appendicitis Friday in the Snyder General hospital. We wish for her a speedy recovery. Mrs. F. E. Wade returned home Sunday from an extended visit with a sister, at Brownwood.

Ennis Creek

Mrs. Allen Davis, Correspondent

Mr. and Mrs. S. A. Wade and daughters and Mr. and Mrs. W. A. Wade left last Friday to visit relatives and friends in South Texas. Mr. and Mrs. W. A. Wade plan to stay for an extended visit with relatives. Mr. and Mrs. Blake Walker and daughter, Donna spent Sunday afternoon with Mr. and Mrs. Dee Myers and children at Turner. Mrs. P. M. Caton and daughter Mrs. George Dixon from Idalou were here on business Friday. Mr. and Mrs. Lavern Duck and baby have returned from Linden where they have been visiting for the past few weeks. A gift party was given last Friday by Mrs. Carl Brumley and Mrs. Blake Walker in the home of Mrs. J. D. Hart. Refreshments were served to the following, Mrs. H. S. Hart and daughter, Pattie Gene, Mrs. Richard Crenshaw and baby, Mrs. Davis Shaw and children, Mrs. Nathan Wade of Snyder, Mrs. George Brumley, Mrs. Gaiter Bell and daughter, Mrs. Clarence Thompson and children, Mrs. T. C. Davis and daughter, Vivian, Mrs. Orvel Hillis and daughter of Round Top, Mrs. Jimmy Walker and daughter of Snyder, Mrs. Allen Davis and the honoree, Mrs. J. D. Hart. Duane Davis, Dorothy Faye Duck and Horace Davis attended a birthday party in the Raymond Lloyd home in the Plainview community Saturday night. The public now appears to be a body of people entirely surrounded by politicians.

Big Sulphur News

Clara Mae Lewis, Correspondent

Mr. and Mrs. H. R. McHaney and sons to Hermleigh were callers in the home of Mr. and Mrs. T. D. Leech and children Friday night. Mr. and Mrs. J. L. Norris visited with Mr. and Mrs. Parmer Hobbs and children in the Plainview community Sunday afternoon. Buell Lewis was called to the Roscoe Hospital Friday afternoon to donate blood to his daughter, Mrs. Dale Hess, who then underwent an operation Saturday morning. Mr. and Mrs. Earl Burk spent Sunday afternoon with Mr. and Mrs. J. L. Burleson at Hermleigh. J. H. Jr., Oreta and Harvey Myers were callers in the home of Mr. and Mrs. T. D. Leech Thursday night. Mr. and Mrs. Olin Lewis of Hermleigh spent Thursday with Mr. and Mrs. H. B. Lewis. Mr. and Mrs. J. L. Norris were callers in the home of Mr. and Mrs. A. D. Higginbotham at Hermleigh Saturday night. Now that people have the radio, everybody has an opinion on every subject under the sun, and if you missed last night's program you don't know anything.

Relief At Last For Your Cough Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. CREOMULSION for Coughs, Chest Colds, Bronchitis

Farmers Urged To Aid Campaign Against Flames

County Agent Jamie Caviness this week is calling upon Scurry County farmers to enlist in the fight on fire which last year destroyed more than \$85,000,000 worth of farm property. Almost 4,000 lives were snuffed out.

Stating that the fire curve continues to surge upward to an all-time high this year, Caviness urges farmers to take time to eliminate the common causes of fire during Fire Prevention Week, October 6-12, which is sponsored by the National Fire Protection Association.

Pointing out that 90 per cent of the fires, which are devastating farms at the rate of one every 15 minutes, can be prevented by practicing constant vigilance, the County Agent declared: "So many times we have seen the result of a lifetime of work go up in smoke in a few minutes—and all due to failure to exercise ordinary care."

Losses would drop immediately and sharply, the county agent said, if farmers would:

- 1—Protect all farm buildings with adequate lightning rods.
- 2—Clean and keep clean heating systems, fireplaces and flues.
- 3—Check electric systems for adequacy of load, and repair or replace worn cords and equipment.
- 4—Cover roofs of all farm buildings with fire-resistant material.
- 5—Never discard a lighted match or cigaret.
- 6—Store gasoline and kerosene safely, and away from buildings.
- 7—Never use explosive cleaning fluids.
- 8—Cure hay properly before storing.

However, not all fires are preventable, the NFPA concedes. For the 10 per cent that are unavoidable, it recommends:

- 1—Know how to call your fire department.
- 2—Ladders long enough to reach the highest roof not protected with fire-resistant roofing.
- 3—An adequate water supply, such as a clear cistern.
- 4—Inspection of fire extinguishers to be sure they are ready in case of need.

LEGAL

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: Dorothy Parker, Defendant.

Greeting:
You are hereby commanded to appear before the Honorable District Court of Scurry County at the Court House thereof, in Snyder, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 18th day of November A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 2nd day of October A. D. 1946, in this cause, numbered 4320 on the docket of said court, and styled Emery Parker Plaintiff, vs. Dorothy Parker Defendant.

A brief statement of the nature of this suit is as follows, to wit: Divorce on Statutory grounds of cruelty, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Snyder, Texas, this 2nd day of October, A. D. 1946.

Attest:
Eunice Weathersbee, Clerk,
District Court, Scurry County,
Texas.
(SEAL) 17-4c

Mrs. McTavish: Jane, I saw the milkman kissing you to-day.
Maid: I'm sorry, mum. Do you object?

Mrs. McTavish: Oh, no, but see if you can't get a quart for nothing now and then!

Dunn News

Mrs. Bama Clark, Correspondent

We have had a cool spell of weather which reminds us that old man winter is just around the corner. We had better get our overcoats ready.

Those visiting in the home of Mr. and Mrs. Ira Riggs and children Sunday were Mr. and Mrs. Reuben Papeno of Snyder and Mr. and Mrs. Fred Coffin.

N. A. and Max Billingsley who are attending Tech college at Lubbock spent the week-end with their parents, Mr. and Mrs. Nat Billingsley.

Mr. and Mrs. E. F. Parker of Southland spent Wednesday night with Mr. and Mrs. Houston Cotton and sons.

Mrs. Katie Cuthbertson spent Sunday night in the home of her brother, W. A. Johnston and Mrs. Johnston.

Mr. and Mrs. Nute Johnson spent Sunday with his mother, Mrs. I. N. Johnson and Mr. and Mrs. R. D. Sherrod.

Ather Ellis arrived home Saturday after spending some time in Japan.

Mr. and Mrs. Jeff Ellis took their little daughter Judy Fern to Dallas Friday to a bone specialist. We are glad to report she is improving.

Mrs. Walter Brown, Mrs. Robbie Grannizzero, Mrs. Ray Brown accompanied Miss Joy Brown to Abilene Saturday where Joy will enter school at the A.C.C. The other ladies did some shopping while in Abilene.

Miss Sammie Marie Williams left for Abilene where she will attend Abilene Christian College.

Ralph Lewis of Post have been visiting his brother Richard Lewis and family.

Mrs. Ray Brown of Hermleigh spent Monday with Mrs. Walter Brown.

Miss Merrien Crowder left Sunday to take up her studies at the Abilene Christian College at Abilene.

Miss Julia Eva Ellis who is attending school at John Tarlton spent the week-end with her par-

Camp Bowie May Be Retained for Army

All Scurry County members of the famous 36th National Guard Division, and buddies in other West Texas counties, found a new ray of hope this week in seeking to prevent abandonment of Camp Bowie, Brownwood.

Secretary of War Patterson says he will look into the situation. Even though Camp Bowie has been declared surplus, it has not yet been turned over to the War Assets Administration for disposal.

ents, Mr. and Mrs. Jackson Ellis and family.

Rev. C. A. Long of Sweetwater, the Sweetwater district superintendent preached at the Methodist church Sunday morning and were dinner guests in the home of Mr. and Mrs. John Brown. Other guests were Rev. and Mrs. R. O. Browder and son Bobby.

The fifth Sunday singing was attended by a large crowd Sunday evening at the Methodist church.

We are glad to report Miss Mary Frances Echols able to be at home after being in the hospital for some time.

Mr. and Mrs. C. W. Hallmark and children returned to their home in Albuquerque, New Mexico, after visiting with her parents, Mr. and Mrs. T. A. Echols.

Buck and Othell Ellis who are working at Odessa, spent the week-end with home folks, Mr. and Mrs. Jackson Ellis and family.

Australia provides the world's foremost supply of raw wool. Texas' largest gas field is the Panhandle.

No Cotton Going into Government Agency

As in past years, the Commodity Credit Corporation will again, this fall, offer loans on the 1946 cotton crop.

Loan rate for Scurry County has been set at 24.21 cents per pound, basis fifteen-sixteenth-inch staple, middling.

Due to the fact the open market price of cotton is from 10 to 12 cents per pound above the loan rate, no cotton is going into the government loan at this time.

The patter of tiny feet was heard at the head of the stairs. The proud mother raised her hand, warning the members of her bridge club to be silent.

"Hush," she said softly, "the children are going to deliver their good-night message. It always gives me a feeling of reverence to hear them. Listen!"

"Mama," came the message in a shrill whisper, "Willie found a bed-bug."

"What's the idea of sticking me in a room with a screwy guy?"

"Why, he peers about and mutters, 'No lions, no tigers, no elephants.' He's crazy—the room's full of 'em."

"You sure should have heard de new pastah pray."

"Was he fervent?"

"Fervent? Why, brudder, he done asked de Lawd for things none of us ebber knew He had!"

Friendly Thoughts by Odom

Twilight is for recollection—for recounting—a time for peaceful thoughts. When at this hour a man reflects upon his record for the day with a view toward improving the morrow by some little added touch of kindness, he'll find in the mystic, darkening sky, a benediction hovering o'er his head.

Professional connections in other cities facilitate our serving you at distant points.

Sentell Speaks to Lions on Highway Funds Freezing

Speaker at Tuesday noon's Lions Club luncheon was John E. Sentell, Snyder attorney, who gave a fine talk on the constitutional amendment facing voters November 5 to freeze highway funds for highway purposes and stop diverting money to other funds.

The Texas Highway Department, it was stated, now has approximately \$107,000,000 on hand in cash and bonds, and the department has secured matching funds of \$100,000,000 from the federal government for road purposes.

Money available to the highway department should remain in the organization for road purposes, and not be diverted to other funds, Lions were told, to which they agree unanimously.

Dr. H. G. Towle gave the background and status of the state's present road program. Dr. Towle is county chairman for the campaign to get voters busy in support of the road freezing amendment.

Don Robinson was in the chair in absence of President Sam Williams.

Claud Wilson was elected to club membership. Coach Tommy Beene of Snyder Schools reported the Tigers were "raring" to go in their game against Post. The squad is in fair shape and Friday evening's clash will be at Post.

P-TA Organized At Turner School Friday Evening

In a community-wide meeting Friday evening at the Turner School, Parent-Teacher Association for the ensuing year was organized and officers elected.

Preceding officer election, games of forty-two were played and informal visitations were in order.

Turner P-TA officers elected Friday evening were:

Mrs. Dee Myers, president; Mrs. J. H. Kinneil, vice-president; Mrs. Bart Branson, secretary-treasurer; Mrs. Jack Davis, program chairman; Mrs. Leon Gulun, improvement chairman, and Mrs. Everett Clarkson, social chairman.

The Turner Parent-Teacher Association is looking forward to a fruitful year. Committees are formulating plans for P-TA meetings and something of an inventory is being taken on what project the

Father of Jim Moss Succumbs in Hospital

Jim Moss, Schooling Motor Company employee, received word last week-end that his father, Fred S. Moss, Joplin, Missouri, died in the Veterans Hospital at Fayetteville, Arkansas.

The elder Mr. Moss was a veteran of World War I, and was buried last Tuesday at Joplin, Missouri. He was 55 years of age.

Mr. and Mrs. Jim Moss were accompanied to Joplin, Missouri, for the funeral by Mrs. H. J. Schultz. They returned last Thursday.

The Missourian is survived by Jim Moss of Snyder; two other sons and two daughters, all of Joplin, Missouri, and four grandchildren.

Civic Groups to Meet October 15 in Snyder

Snyder civic meeting of area-wide importance will be held the evening of October 15, 7:30 o'clock, in the district court room. It was announced Wednesday. This meeting was postponed from October 8, the original called date.

At the civic conclave reports on various projects will be given and matter of a coordinated city and county program will be discussed. Certain activities should be coordinated, it is felt, and all persons interested in civic betterment are urged to be present.

W. B. Corley, Mr. and Mrs. Walter Lobb and children, all of Blue, Oklahoma, were here last week visiting relatives and friends. Accompanied by Minnie Lee Williams of Hermleigh, the group visited a portion of the week in the home of Mr. and Mrs. T. M. Pherigo. Mr. Corley is Mrs. Pherigo's father.

organization can sponsor, now that will be most helpful. In conjunction with the school, Mrs. Jack Davis is operating the Turner Lunch Room this year.

Fire Prevention On Farm Vital to Food Production

The fight against fire on the farm is especially important this year.

Especially since the world is calling upon Scurry, Borden, Fisher and other farmers of the nation for every possible bushel of wheat, truck of vegetables and pound of livestock.

Fire Prevention Week, October 6-12, sponsored by the National Fire Protection Association in cooperation with the U. S. Department of Agriculture, calls for cooperation—and results—from every farmer in America. It is imperative for the farmer himself and for the country that he shall not allow fire to put him out of business.

Fires on farms accounted for the staggering total of 3500 lives lost, countless thousands injured, and more than \$85 million in property loss in 1945. This is a loss which can—and could—be cut down, by the use of fire-resistant building materials, fire-safe construction, and constant care in ridding the farm of fire hazards before they are allowed to get in their deadly work.

Consult with your nearest fire chief and your county agent for advice on what may be done to prevent fire on your farm. That, plus a harking to the commonest causes of farm fires, as listed by NFPA, followed by determined, immediate action to wipe them out, is the best precaution a farmer can take to stay in business.

Most farm fires are caused by:

- Lightning; defective heating equipment and flues; sparks on flammable wood roofs; smoking and careless use of matches; improper storage and handling of gasoline and kerosene; hot ashes carelessly disposed of; ignition of hay; misuse of electricity; and, piles of rags, magazines, papers and the like, allowed to accumulate in closets, attics, basements and outbuildings.

Let this be your check-list. With it as a guide, go over your farm; room by room, building by building, out out now, before it is too late, those potential "incendiary fire bombs" on your farm—and make sure you stay in business!

Traffic Light Will Be Put at Busy Corner

"A traffic light has been ordered by the City Council, for the intersection of Avenue M and 26th Street, one of the worst traffic lanes near the school," so states E. L. Farr, superintendent.

Pedestrian lanes will be drawn off, and students will observe these lanes and lights.

The light will be three-way; having red, orange and green lights. This light has been ordered and will be here in near future.

Plans to eliminate the safety hazards on 27th Street are being discussed. This is another street where there is the heaviest traffic around the school building.—Tiger's Tale.

Mrs. A. G. Reynolds returned Saturday from Baird, where she had been visiting her daughter, Mrs. J. T. Loper, the past two weeks.

W. T. Cook Passes Tuesday of Long Period of Illness

William Thomas Cook, 80-year-old retired cotton man and gin manager and father of Mrs. Maud Holcomb, Snyder life insurance woman, died Tuesday, 2:30 p. m., at his residence, of paralysis. He had been ill four years.

Born November 27, 1865, the year the Civil War ended, Cook last worked in the cotton business in 1937. He had been a cotton buyer and gin manager 34 years.

Funeral services for Mr. Cook will be held this (Thursday) evening, 2:30 o'clock, at Odum Chapel. Rev. O. B. Herring Snyder Methodist pastor, will officiate.

pallbearers will be Elmer Taylor, Dean Cochran, E. W. Babbs, Ralph Johnson, Donald Ray Scott and Al Simpson.

Pauline Johnson, Thelma Leslie, Meme Katherine Dodson, Earl Louder, Al Simpson and T. C. Goss will be in charge of floral offerings.

Cook is survived by the widow, Mrs. Jeannette Lee Cook; four daughters, Mrs. Maud Holcomb of Snyder, Mrs. T. E. Eastwing of Berger, Mrs. A. L. Stevens of Midland, Mrs. H. C. George of Sulphur, Oklahoma; four sons, E. B. Cook of Oklahoma City, Oklahoma; D. C. Cook of Wynnewood, Oklahoma, H. D. Cook of Chico, California, and H. L. Cook of Slaton; two sisters, Mrs. Ann News' and Mrs. Florence Sallee of Salisaw, Oklahoma; 10 grandchildren and one great grandchild.

Odum Funeral Home will direct arrangements, and interment will be in Snyder Cemetery.

Vets Administration Contact Man to Visit

Scurry County GIs are advised this week that a contact representative of the Veteran's Administration will be in Snyder on Tuesdays, October 8 and 22, at the court house.

The VA representative will be at the court house from 8:00 A.M. to 11:30 A.M. on both dates—October 8 and October 22.

Veterans and their beneficiaries or dependents who have questions on such matters as pensions, insurance, hospitalization, education, on-the-job training and other rights and benefits are urged to visit the administration representative in order to speed up their claims.

Mr. and Mrs. Allen Moses and children of Hood Village visited over the week-end with Mr. and Mrs. R. C. Grantham and other relatives. Moses is being transferred to Italy.

Hermleigh and Hobbs Play Scoreless Mele

In a closely matched game played at Tiger Stadium Friday evening, the Hermleigh Cardinals and Hobbs Panthers battled to a scoreless tie.

Friday evening's game was a conference opener for Class B, District 4.

The teams ended even-up in the

tilt on first downs with 10 each. Hobbs pushed down to the one-foot line in the last quarter, but the Hermleigh line held firm.

Mr. and Mrs. W. G. Williams returned last Thursday from a vacation at Ruidoso, New Mexico.

Mrs. J. W. Clawson had as her guests Mrs. Bob Odum of Big Spring; a nephew, Robert Odum, and wife, of Colorado City.

Legion To Help Bring Bodies of Vets Home

Snyder's Will Layne American Legion Post is interested. The Times learns, in getting the opinion of all parents of boys who lost their lives in the line of duty during World War II.

The local American Legion wants to know that in case our boy is returned to the United States, would you be interested in burying him in a separate section of our local cemetery—with a memorial monument erected on such section in living memory of our war dead.

Every person interested in a movement of this nature is urged to contact Elmer Taylor, Will Layne Post commander, or Forrest Beavers, adjutant, at the earliest possible time.

Since the women started to keep diaries again it isn't safe to say pretty things to them even by telephone.

Cotton Pickers Here From Lower Valley

Mexican cotton pickers, arriving here from the Rio Grande Valley, are headquartered at the city tabernacle, one block north of the square, and Scurry County farmers are having little difficulty in getting harvest help.

Farmers who do not have housing facilities for the Mexicans are taking them, in instances, back and forth from work.

Virtually all of Snyder's colored population not otherwise employed is busy baling cotton, too, and some of the town's shoe shine boys are finding cotton baling more profitable than shining shoes and boots through week days.

"Yes, my daughter's musical education was a profitable venture." "Really?" "Yes, I managed to buy the house on either side of my own for about half the real value."

Mrs. Joe Eicke Dies Tuesday of Lengthy Illness

A Scurry County resident 34 years, Mrs. Joe Eicke, 50, succumbed Tuesday following a several week period of failing health.

Born September 30, 1896, at De Leon, Mrs. Eicke had been a member, many years, of the Baptist church. The well known farm couple resided in the Plainview community.

Final rites for Mrs. Eicke will be held this (Thursday) afternoon, 4:30 o'clock, at Snyder's First Baptist Church, Rev. A. T. Mason, Hermleigh and Camp Springs Methodist pastor, will officiate.

Surviving Mrs. Eicke are the husband, Joe Eicke; three daughters, Mrs. G. W. Parks, Deplina and Trillice, all of Snyder; two sons, F. L. and J. N. Eicke, of Snyder; four brothers, G. L. Huckabee, H. C. Huckabee and C. W. Huckabee, all of Snyder; four sisters, Mrs. J. T. Watts of Snyder, Mrs. Stewart Womack of Midland, Mrs. W. D. Jeffries of Wichita Falls, Mrs. R. E. Brotherton of Phoenix, Arizona, and one grandchild.

Arrangements will be directed by Odom Funeral Home and Mrs. Eicke will be laid to rest in Snyder Cemetery.

Capacity of New City Wells Are Overrated

Snyder's five new city wells have a total capacity of 600 gallons of water per minute, and not 3,000 gallons, as a Times article last week stated.

A reported went a little "strong" in saying the five would give up to 3,000 gallons of water per minute if necessary.

Work is progressing nicely on excavation, Block 17, for the city's new 650,000 gallon storage tank, in- to which the five new wells will be turned. Dewey Everett, local contractor, is doing the excavation work.

New set-up on city water wells is expected to double present supplies.

Work is progressing nicely on excavation, Block 17, for the city's new 650,000 gallon storage tank, in- to which the five new wells will be turned. Dewey Everett, local contractor, is doing the excavation work.

New set-up on city water wells is expected to double present supplies.

Health Officer Says Pyorrhea Curable In High Percent Cases

Contrary to the popular belief that pyorrhea is incurable, this is only true in the most advanced cases. Dr. George W. Cox, state health officer, advises Scurry County persons who even suspect the presence of pyorrhea to take time by the forelock and seek an early diagnosis from their dentist so that proper treatment can be instituted while the disease is still curable.

"Early detection and proper treatment of pyorrhea represent the formula for a successful cure. This means that the dentist must have an opportunity to discover the presence of the disease at the earliest possible moment since the symptoms are often so vague that the patient is unaware of its existence," Dr. Cox said. "Regular visits to the family dentist are therefore extremely important."

"The treatment of pyorrhea is not an involved procedure. In the average early case one of the main therapeutic features is the proper hygienic care of teeth and gums as outlined by any reputable dentist. Carelessness regarding mouth hygiene is usually the basic cause for the condition."

Officer—"How on earth did you make those four straight hits? The range is 600 yards and your sights are set for 300 yards."

Rookie—"See that little rock half way along? I'm bouncing them off that."

Be sure you are right—then ask your wife what she thinks about it.

TREES are needed!

When making out your nursery needs for this year's planting, remember to include a few red-buds. The rebud is Scurry County's official flower and one or more of these trees should be found growing in every yard. Plan also to have fruit trees, pears, peaches, cherries and plums. These trees not only provide delicious foods, but they add, when in flower, to the beauty of your garden. Likewise, plant pecans. The pecan is a beautiful shade tree. It is also the official state tree.

Five Active Girls Lead Snyder High Pep Squad Group

Five very attractive pep-leaders have been elected by the pep squad girls. These girls, other than being attractive, have a good school spirit. They are working hard to improve themselves and the pep squad.
These leaders are Helen Kay Shield, Helen Jo Graham, Bobbie Lee Miller, Shirley Coffee, and Ida Jo Hart.
Helen Kay is 5 feet 5 3/4 inches tall, has blonde hair, and blue eyes. She has a wonderful personality and a good school spirit. She has worked hard to become a good leader and has certainly accomplished it. Helen is one of the seniors of '47.
Helen Jo Graham is 5 feet and 2 inches tall, has dark brown hair and eyes. She is friendly to everyone and willing to help anyone in any way. She has good ideas for formations and new yells. Helen Jo is a popular senior girl.
Bobbie Lee Miller is another one of our leaders and an attractive blonde. She is 5 feet and 5 inches tall, has blue eyes. She has a million dollar personality. She has truly worked toward being a good pep leader and in helping any of the girls with the new yells. Bobbie Lee is an attractive junior girl.
Shirley Beth Coffee is 5 feet, 6 inches tall, brown hair, and gray eyes, and most of all very attractive. Shirley is friendly and obliging to every one. She has also worked hard to make the pep squad what it should be. Shirley is another popular junior girl.
Ida Jo Hart is 4 feet and 9 inches tall. She has brown hair and eyes. She is the shortest girl in high school. Ida Jo is little yet has more pep than nearly anyone in high school. She has worked hard along with the rest and is truly a good leader.

Game Warden Gives Pointers on Hunting To Area Nimrods

Mourning doves are legal prey for Scurry County hunters, and after September rains the hunters are having to go out after the birds, which are fat and in prime condition.
The season for this area will end October 20. Despite a shell shortage since 1940, dozens of hunters are out each week in maize fields and near creeks after the juicy table meat.
A game warden, through The Times, reminds hunters that shooting must cease at sundown.
Other pointers to steer clear of a ticket include:
Nothing larger than .10 gauge shells may be used.
All guns must be permanently plugged for three-shell capacity.
No shooting from an automobile will be allowed.
New hunting licenses, it is stated, went into effect on September 1. License not required unless hunting out of resident county, and a group of counties in the Big Bend area where licenses are, regardless, required.

Family Reunion Held In Ben Renfro Home

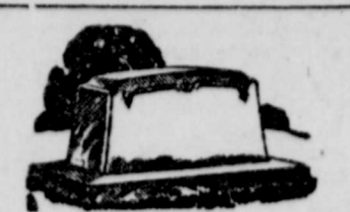

A family reunion was held in the home of Mr. and Mrs. Ben Renfro in Snyder last Sunday.
Those attending were their daughter and husband, Mr. and Mrs. Edd Green, Yucaipa, California; their son and wife, Mr. and Mrs. Clyde Renfro and children, C. J., Billy Don, Tildon, Douglas, Geneida and Kenneth of Tahoka, Texas; Mr. Renfro's sister and husband, Mr. and Mrs. Walter Duncan of Hobbs, New Mexico; their son and wife, Mr. and Mrs. Wally Duncan and two daughters, Frankie and Wanda of Carlsbad, New Mexico.
Other relatives present were a nephew and family, Mr. and Mrs. C. B. Stroud and son, C. B. Jr., Mr. and Mrs. William Mitchell and niece, Christine and Sonny Buttrill. A nice time was enjoyed by all.

First Presbyterian Church

All regular services next Sunday, Sunday school, 9:45 a. m. Preaching 11 a. m. and 7:30 p. m. Being World Communion Day, we will observe that, and cordially invite all who can and will, to be with us. We were glad for the increase last Sunday. Let us keep it up.
If God leads us in it the pastor will try to use Sunday morning the theme, "God's Proposition To Us." Public cordially welcome to worship and work with us.
C. C. Dooley, Pastor.

Dissension in the Service

Doubtless it was not necessary to wait until the end of World War II to ascertain that the regular army would find itself under fire from civilian components the National Guard and the Organized Reserves.
Scurry County ex-service men have quite a bit at stake, and should have their rightful part to say in the present controversy concerning the armed forces. This war was successfully conducted by a professional army, as always our wars must be—and have been.
There is much that could be said for all sides, but the important thing, at the moment, is the fact that America must remain strong, in a military sense, and must not lose sight of the objectives so many of our boys died for.

Current Comment

Editors Note—Expressions or opinions contained in this column are those of the writer and do not necessarily reflect the opinions or policies of The Times. Current comment is merely carried as a feature column.
By LEON GUINN
There was no official confirmation this week, but in a move destined to ease the meat shortage, Secretary of Agriculture Anderson is considering reopening the Mexican border to imports of 500,000 head of cattle annually. . . . Since fear of hoof and mouth disease led to a ban on Mexican cattle last June, U. S. authorities will be very careful about probable imports. . . . U. S. veterinarians now say Mexico is free from the disease, so imports may be the shortest route to placing meats, again, on every consumer table.
In a move more widespread than the general public is advised of, the Army and State Departments are changing over from military to civilian personnel in the occupation staff in Germany much more rapidly than indications may seem. . . . Plans, at this time, call for having civilians in at least two-thirds of all administrative jobs by Thanksgiving. . . . Some being assigned to military government are persons who have been doing the same, or similar work, in uniform up until now, but quite a proportion of employees are new appointments from this country.
Speaking of the American Zone in Germany, our military government officials are downright worried over the number of German veteran groups which have recently cropped up. . . . Authorities are also worried over the reaction of German civilians to criticisms of U. S. domestic and international policies uncovered in letters sent by writers in the U. S. to friends inside Germany. . . . We have, indeed, a problem in Allied Military Government with the Reich and by the time we get one thing ironed out two or three other items crop up that give us deep, purple headaches overseas.

Vanishing American

Look at the situation any way you like, OPA has so befuddled the marketing and distribution picture the ordinary meat animal—be it a hog, steer or even horse—has reached the stage where the critter is justly the vanishing American. And in many instances even the smallest cut of meat animals has disappeared entirely from store and butcher shops.
With the army requisitioning 25 per cent of packer's output, henceforth, to meet the barest needs of our armed services the picture for meat and meat products looks, indeed gloomy.
The Texas & Southwestern Cattle Raisers Association this week voiced the sentiment of practically all citizens when a spokesman said (of livestock raisers) "all we want is to be left alone by government agencies. We haven't even a single bill we want the Texas Legislature to enact." If left alone, the livestock raiser will do his full part to relieve our critical meat situation, and only by channels of saneness can we, again, have plenty of meat for the militia and civilians.

Yet Finer Schools

That boys and girls of Scurry and all other Texas counties will have still better schools to attend four and five years from today is strongly evidenced by consolidation tendencies of the State Department of Education, and action of school districts over the country.
A few short years ahead we will have considerably bigger and better schools than at present; and a corresponding reduction in the number of school buildings. Such centralization of educational facilities will give the average boy and girl a better chance than ever before to acquire a solid foundation for a life of enriched service.
Virtually all educators concede the fact that small, rural school districts have reached the zenith of affluence and efficiency. When presently blue-printed farm-to-market roads and highways are finished in Texas, school consolidation is expected to sweep away many now-going districts in the state. Our smaller schools, understand, are doing a mighty fine job, and this editorial is meant as no critical summary of same, but all straws in the wind point to a mighty upheaval and change in our Texas school system within the next five years, personal opinions notwithstanding.

Editorial of the Week

OUR FOREIGN POLICY
Henry Wallace, following compliance with the President's request for his resignation, went on the air to call for an American crusade for his views of how the peace should be made. This is entirely within his rights as a citizen. Mr. Wallace, no longer hampered by his obligations as an advisory member of the president's official family, can attack the Truman policies as he pleases. The Republican campaign of 1940 was fought and won against the policies of Woodrow Wilson which were promptly—and perhaps tragically—ignored.
Presumably the ex-Secretary is gunning for Harry Truman with an eye on the Truman job, though the possibilities of his winning the Democratic nomination in 1948 under existing conditions are remote. A third party candidacy would have a damaging effect, perhaps enough to defeat Truman, not enough to elect Wallace. Mr. Wallace, self will and all, is unlikely to be bidding for selection by GOP with which he once voted. Equally unlikely is it that he would be a welcome sheep in the event of proffered return to that fold.
If the political implications are ignored and it is assumed Mr. Wallace is genuinely concerned only with the foreign policy of the country, his timing is unfortunate. The terms of peace will have been written long before the next presidential election.
For all of our different internal viewpoints, our Trumans and Wallaces, our Byrnes and Peppers, essential is a recognized continuing foreign policy for the United States which will be respected by any party that comes to power.—The Dallas Morning News.
