ROTAN SLAMS STANTON 14-6-NOW COAHOMA

The Rotan Yellowhammers dominated every category, including penalties, in their 14-6 victory over the Buffaloes in Stanton.

William Duke, thanks to his faithful friends on the front line, scampered 144 yards and scored two touchdowns as Rotan recorded their second season victory. Marsh Hill, Stu Nowlin and Henry Holz blasted huge gaps in the Stanton defensive line that a small elephant could easily dance through. Duke carried 30 times last Friday. Dave Springer had 9 carries for 47 yards. A good many of Springer's carries came on an "X" play, where the line and backfield went one way and Springer darted the other way against the flow of players.

Neil Summers, Ken Smith and

Paul Wylie chalked up 23 carries for 83 yards to total out the yards gained with the exception of the quarterback keeps by Norville Kennedy.

Rotan won the toss and elected to receive. On the kickoff return team for Rotan were Santos Flores, Randy Smith, Henry Soliz, Randy Murphree, Gary Powell, Dave Springer, Paul Wylie, Earl Pearson, Sid Haiman, Neal Summers and Kent Cave.

Paul Wylie took the opening kickoff at the 12 yard line and raced to the 34 before being hit by 4 Buffaloes.

Neil Summers picked up 16 yards on the first play from scrimmage but the drive ended in a desperation pass intended for Dave Springer that went incomplete.

Stanton's first play from scrimmage was a sure touchdown, but was slightly overthrown. With 2nd down and 13 needed for the first down and the ball resting on the Stanton 35-yard line, a mixup between Stanton quarterback Rick Wilson and Armando Rios resulted in a fumble. Alert Marsh Hill pounced on the loose ball giving Rotan good field position.

Rotan picked up 3 first downs on the following series of plays, but were forced to pass again on 4th down. 24 needed and Kennedy tossed incomplete to Harold Griben.

Randy Smith, Gary Powell and Ruple Weems led the Rotan defense on the next series and forced the Buffaloes to kick after three shots at a first down. With 3:05 remaining in the first quarter, Harold Griben took Stanton's kick at the 45-yard line and returned it to his own 41 before being stopped. This play started the trek to paydirt for Rotan's first score.

On 1-10 from the 41, Summers ran close behind Marsh Hill to pick up 7 yards. Kennedy kept on a sweep left to the 26 and Duke went over center to the

18-yard line and this same series was repeated until William Duke finally cracked over right tackle from the 3-yard line for Rotan's first 6 points. The TD came with 11 minutes left in the second quarter. Summers was stopped short of the stripe on the extra point conversion. Duke, Springer and Powell led the defense to again force Stanton to kick after three plays. Bruce Jones took the kick and was nailed in his tracks at the 37-yard line.

On 3rd down, there was a mix up in the Yellowhammer back field that resulted in a loose ball but alert Dave Springer recovered. The Hammers kicked on the following down.

The first half of action ended with the score 6-0.

David Markham recovered a Stanton fumble on the kickoff that ultimately led to Rotan's final score of the evening, Mark-

ham's recovery gave Rotan the ball on the 29-yard line. Duke picked up 5 yards over left tackle. Summers picked up 6 yards on a good block by Soliz and Hill, then the Rotan powerhouse William Duke charged to paydirt from 18 yards out setting the score 14-0. Duke made the PAT.

The remainder of the second half was a frustrating time for the Hammers. They committed numerous mistakes and collected untimely penalties that cut many potential scoring occasions short.

The Buffaloes scored their only TD on a pass from Rick Wilson to Jackie Swanson. The play covered some 33 yards from scrimmage.

The Yellowhammers will be at home against an always tough Coahoma 11 this week. Coahoma is 1-1.

Alan Ernest Scheduled For Roby Lion's Club Program

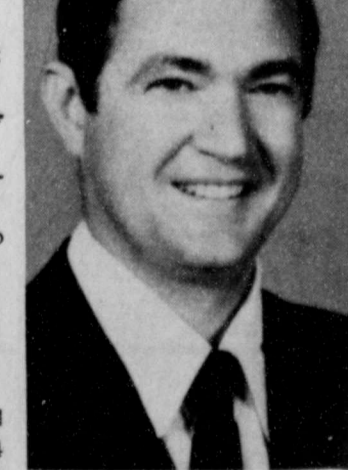

Alan Ernest, who is actively considering running for the U.S. Congress in District 17 although not officially an announced candidate, will be the speaker at the Roby Lions Club noon meeting this Thursday, Sept. 23.

Ernest is a 31 year old native of Ft. Worth. He is married and his home is at Padgett in Young County.

He graduated from Washington University in St. Louis in 1962 with a degree in electrical engineering (BSEE). He also had over one year of graduate business training at Washington University as well as some legal training at the University of Houston.

Upon graduation from college, Ernest was employed by the McDonnell Aircraft Corp. as an engineer on the Gemini manned spaceflight program. When Gemini flights began, Ernest was assigned to the NASA Manned Spacecraft Center in Houston as a spacecraft systems consultant for the Gemini flight crews.

After conclusion of the Gemini program in December 1966, Ernest was employed by an agency of the United States Department of State to be an advisor to the Vietnamese government on the pacification program in Vietnam. During his time in Vietnam, Ernest was the engineering advisor to the Vietnamese Ministry of Public Works and Ministry of Rural Reconstruction in the three northern coastal provinces of Binh Dinh, Phu Yen, and Khanh Hoa.

Alan Ernest

This past summer Ernest conducted a political survey in District 17. He traveled over 15,000 miles and visited with several hundred community leaders in 48 communities. On the basis of this survey he decided to become

an active, prospective candidate for the U.S. Congress in District 17.

Ernest's family roots are in Young County. His great-grand parents owned and operated a livery stable in Graham, Texas. His grandparents located at nearby Padgett in Young County and operated a farm which is still in the family. Ernest has a house on that location. His father worked for the Southwest Bell Telephone Company in Texas and Missouri.

ROBY LIONS SEEKING A WIN - MAYBE BRONTE

Coach Ted Posey and his Roby Lions Football squad traveled to Gorman Friday night where they turned in some fine plays, only to lose to the Panthers by a score of 32-12.

Gorman got on the scoreboard first with a 41 yard punt return. Donnie Stephens came back for Roby, with 5 minutes left in the first quarter, to score for the Lions. The first quarter ended with a 6-6 tie.

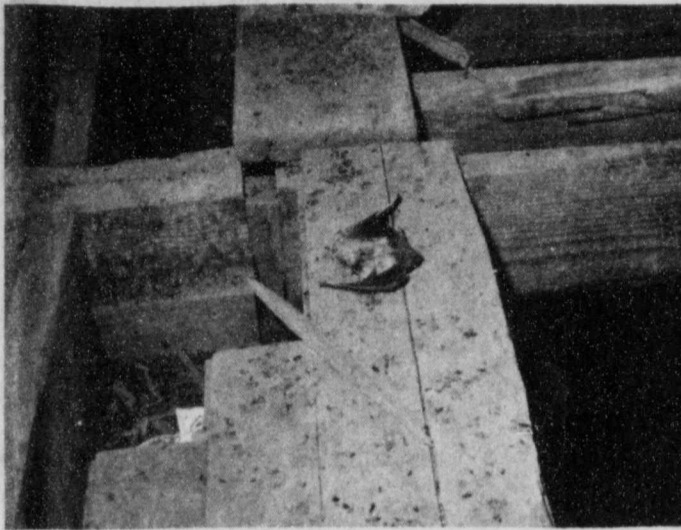

Early in the second quarter Gorman again scored then recovered a Roby fumble for another 6 points. Roby intercepted a Gorman pass and ran for good yardage, but failed to get back on the scoring side. The first half ended with Gorman 20, Roby 6.

Roby's Keith Matthies got the ball and ran to the 10-yard line only to lose the ball on downs. Roby then blocked a punt return on the 4-yard line with Keith Matthies carrying over from the

Roby Exs New Addresses Needed Now

All Roby Ex-students, if you have any address changes, send them to, or contact, Mrs. Betty Rivers, Sec.-Treas. of Roby ex-student association. She is trying to get the Homecoming cards addressed and mailed by Oct. 1. If you have a new address and haven't turned it in to her, please do so as soon as possible.

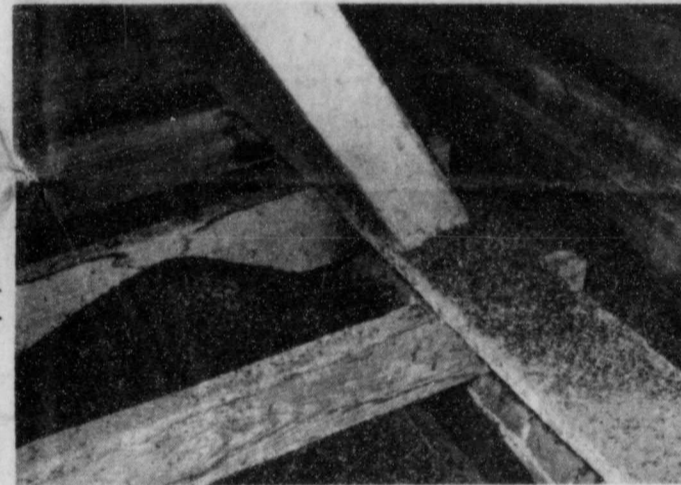

E. C. Unnewehr, Roby, was dismissed from West Texas Medical Hospital in Abilene, Friday. He is much improved.

one yard line. Gorman came back fighting strong and made another touchdown on a lateral pass to 4th down with one minute left in the 3rd quarter. They got the 4th quarter started with an early touchdown pass

to score again. Roby did some fine blocking and tackling, the backfield is doing some fine running and passing. Their pass receivers are greatly improved. Come out and support your team Friday when they meet

Bronte, here, at 8 p. m. The Roby fans are going to see a great little football team before the season is over, and we have great hopes for them. We'll look for you to be there Friday night.

Fisher County Students Have Five Shots At ACT Testing

Students at Rotan, Roby, Hobbs and McCauley who are planning to attend college will have five opportunities to take the ACT Test Battery during the 1971-72 academic year.

The first of five national testing dates on which the national assessment examination will be offered is Saturday morning, Oct. 16. Students planning to take the five-part ACT battery on that date must have registered no later than Sept. 27. It was announced by Mrs. Rudy Hamric, Fisher County Coop Counselor.

Mrs. Hamric also announced the complete national ACT schedule for the 1971-72 academic year. The schedule is (with corresponding registration periods in parenthesis): Oct. 16, 1971 (Aug. 23-Sept. 27); Dec. 11, 1971 (Oct. 4-Nov. 15); Feb. 26, 1972 (Nov. 29-Jan. 31); April 22, 1972 (Feb. 14-March 27); July 15, 1972 (April 10-June 19).

For the consecutive year, the cost for taking the ACT examination-questionnaire is \$6, despite increased services that are provided this year for the college-bound students and their high schools.

Last year approximately one million persons in the U.S. and overseas took the five-part battery, which is required or recommended for applicants at more than 1,900 colleges, universities, two-year colleges, scholarship agencies, and athletic conferences.

The ACT battery, which takes about 3 1/2 hours to complete, includes a series of four tests designed to measure general ability to perform a wide range of intellectual tasks typically required of college students. Another part of the examination consists of questions about the students' academic and nonacademic background, immediate plans for college, and career aspirations.

Resulting score reports are of valuable assistance to students in the complex and important tasks of pre-college planning. For this reason, it is recommended students take the ACT battery in their junior year or early in the senior year of high school.

With national headquarters in Iowa City, Iowa, ACT is an independent and nonprofit corpor-

Rotan Homecoming Schedule Announced

Final plans are complete for Rotan's 1971 Homecoming activities, according to President, Bernice Hargrove.

The "1971 Homecoming" will span two days, Nov. 12 and 13, and will officially begin with the Anson-Rotan football game on Friday night at 7:30.

After the football contest, the homecoming group will meet at the Rotan High School Cafeteria for registration, coffee and doughnuts.

Saturday, November 13, homecoming activities will again get under way with a visitation period and coffee at 9:00 a. m. in the school cafeteria. At 11:30 the Rotan Exes will meet for lunch that will be followed by an open house from 3:00 until 5:00 at the residence of Modell Hill at 905 E. Burnside.

There will be a banquet at the cafeteria from 7:00 to 8:00 p. m. followed by games and visiting.

A homecoming dance is scheduled for 9:00 p. m. at the

Community Center. If you plan to attend the 1971 Homecoming activities contact one of the members of the committee so they will be able to make plans for the banquet.

Earnest Kiker Named Treas. Of Tech FFA

Earnest Kiker, a senior Agricultural Education major at Texas Tech University, has been elected Treasurer of the Texas Collegiate Chapter of the Future Farmers of America. He is the son of Mr. and Mrs. Earl J. Kiker of Rotan. Earnest will graduate from Texas Tech in December, 1971 with a B.S. Degree in Agriculture and be fully qualified to teach Vocational Agriculture.

Earnest graduated from Rotan High School in 1967. While attending Texas Tech he has been a member of the Rodeo Club and F. F. A.

The Rotan Chamber of Commerce met for their regular monthly board meeting on Sept. 14 and voted to once again this year award \$50.00 to the area

County Stockmen Show Winners At West Texas Fair

Brad and Britt Stuart took all Southdown Breeding Sheep Honors at the West Texas Fair last week.

The Stuart brothers had both the Grand and Reserve Champion Ewe and Ram in the open and Jr. Divisions.

The sheep are Howard, Punchbown, and Stuart breeding.

Mike Heron showed the Reserve Champion Senior Angus Heifer at the Fair. The heifer, calved September, 1969, was bred by D. R. DeRusha of Abilene.

James and Sheila Jeffrey also showed Angus Cattle at the

farmer that gins the first bale of cotton at a Rotan gin.

The Chamber directors also made plans for a community wide "Dollar Day" sale on Oct. 8th and 9th. The Chamber of Commerce is taking an active part in attempting to promote Rotan businesses by staging a promotion each month. They realize that everyone benefits when Fisher County dollars are kept circulating in Fisher County.

The Chamber officials also went on record as encouraging all Chamber of Commerce members to attend yesterday's SCS meeting in Apeemont.

The next Chamber meeting will be October 12 at 7 a. m. at the Rotana Restaurant.

Roby Exs To Have Planning Meeting Tues

Roby Homecoming Ex-Students Association, officers, committee chairmen and committees are scheduled to hold a meeting at 8 p. m. Tuesday, Sept. 28, at the Midwest Electric in Roby. Jimmy Hayes, president, urges everyone to attend the meeting and report, so it can be determined what remains to be done. He states that so far everything is in fine shape for Homecoming.

Michael Allen Gets \$250 Dads Scholarship

Michael Eugene Allen of Rotan is one of five Texas Tech University sophomores selected to receive a \$250 Dads Association Scholarship for 1971-72.

Twenty such grants are awarded annually by the Association, five at each class level, freshman through senior. Selection is based on scholastic achievement and citizenship.

Recipients are to be honored at the annual Texas Tech Dads Day Luncheon Oct. 9 at the University Center on campus.

Allen, a chemistry major enrolled in the honors studies program at Tech, is the son of Mr. and Mrs. Eugene Allen, Rotan.

WTC Nickname And Colors Are Chosen

The first student body on the new campus of Western Texas College has chosen the nickname of the college and the team colors, according to an announcement from Dr. Duane Hood, director of student services registrar.

Students who registered the first two days - a total of 480 of them voted - and a majority of them chose blue, green and white as the official colors of the school. The school sobriquet, or nickname, chosen was "West-emers." The colors were chosen from a selection of five combinations, and the nickname was chosen from four suggested ones.

The nickname and the school colors are designed to be different from the school's competitors in the Western Junior Athletic Conference.

County 4 H Project Show Saturday September 25

Jack Cadenhead Completes Base Scout Training

Jack Cadenhead has just completed participating in one of Scoutings' most unique learning programs at Philmont Scout Ranch and Explorer Base, the "University of the Great Outdoors."

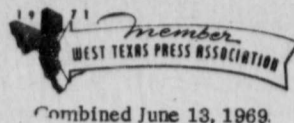

He was enrolled in the Conservation Conference, which is part of a national training program organized by the National Council, Boy Scouts of America.

The course, taught at the Philmont Training Center in the foothills of the Snagde de Cristo mountains, is one of 31 courses that was offered to more than 1,500 volunteer Scout leaders this summer.

In addition to adult training, more than 15,000 Explorers and older Boy Scouts visited the 214 square mile ranch this summer to take 12-day high adventure expeditions into the rugged mountain country. Among the many activities available were burro pack trips, gold panning, gold mine tours, mountaineering and archeological digging and study.

Kim's
Korner

By Kim Pease

LESSON LEARNED: My oldest son, Kip, and your obedient scribe left Rotan last Friday night for the Stanton-Rotan game and added another chapter to the continuing story of "Kim Pease and the Law". On the way back from the game, just as we approached the city limits of Sweetwater, my eyes began to cross and the car began weaving from side to side, so rather than risk having a wreck, I decided to pull over and rest my weary bones for 15 minutes. I thought it unnecessary to call my wife, because I planned on only a short nap, and would be on my way home in just a few minutes.

I went to sleep about midnight and didn't wake up until 4:00 a. m. When my son and I arrived home, Janece was waiting for us at the door with tears in her eyes. She just knew we had had a wreck and were stranded along side the road. She called the police about 3:00 a. m. and Rotan's Police Chief, Kenneth Hardin, Fisher County Deputy Sheriff, M. A. Hughes took out toward Snyder in search of the missing newsman and his son.

They alerted police in Big Spring, Snyder and Sweetwater to be on the lookout for us. One 10¢ phone call on my part would have saved a lot of law officials and one worried wife a lot of grief. The local police were just great and we thank them. The moral of this story is to call ahead if you're going to be late or carry an alarm clock to wake you up in 15 minutes.

CAN'T MISS: If you haven't seen the new paint on the pool and golf club-house, you've missed something. It has been painted "Yellowhammer Orange" and looks sharp.

PAYS TO SHOP AT HOME: A lady went into Darden's Department Store recently and admired a dress that owner, Lorena Darden, was wearing. She wanted one just like it, so Mrs. Darden had her girls make one. But you can't get that done in Abilene, Snyder or Sweetwater. Along this same line, I was looking for a football jersey for a present to my son Kip on his 8th birthday last week and checked at H. L. Davis'. Mrs. Bill Day said she didn't have any in stock at the store, but if I'd just wait a minute she would run to the house and get one of Hank's old jerseys. Tell me it doesn't pay to shop at home.

A GOOF: We reported a few weeks ago that Floyd Garcia was student teaching in Rotan. That was in error, he is student teaching in Hamlin with Janis Lain who teaches the first grade.

TELEGRAM: Senator John Tower advised that Mr. Kaufman Florida of Rotan is one of eight Texans appointed to the National Cotton Advisory Committee and will be serving with other members of cotton producing states. This committee advises the Secretary of Agriculture on the formulation and implementation of Nation Cotton Programs. The committee met in Washington on September 15th.

WIND WATCH: Lawrence Bredemeyer, local Southwestern Bell Telephone Company troubleshooter, forgot to wind his watch recently. It stopped at 4:00 p. m. and he said he worked an hour overtime before he discovered what was happening.

HEART ATTACK: Bill Hardy was in the coffee shop the other day and told this story. "My wife asked why men are more prone to have heart attacks than women", said Bill, his answer was "when you've got a heart the size of a pea and hard as a rock, what in their right mind would attack it." Bill said he was on his way out the door when he made that crack and didn't catch Diddle's remarks.

YOUNG FARMERS: Part of the Fisher County Young Farmers convention in Wall, last weekend was a tour through the Good-year Tire Testing Grounds near San Angelo. Don Waddell and several from Roby missed the tour bus and were given a special "side tour" that included a peek at the world's largest tire. Over 11 ft. tall, according to Waddell.

A DOLLAR TO GOD: Picked this up from Jerry Berry's Church of Christ newsletter in Rotan.

"A Dollar I Gave To God"
Three thousand for my brand new car.
Five thousand for a piece of sod.
Ten thousand I paid to begin a house--
A dollar I gave to God.

A tidy sum to entertain
My friends in pointless chatter,
And when the world goes crazy mad
I ask, "Lord, what's the matter?"

Yet, there is one big question
For the answer I still search:
With things to bad in this old world,
What's holding back the Church?"

FELLOWSHIP: There will be another after game fellowship following the Rotan-Coahoma game at the First Baptist Church in Rotan.

WOMEN SCHOOL: According to Superintendent, Ed Perkins at Hobbs, they have an increase of 27 students over 1970-71. Total enrollment now is 145.

FOOTBALL CONTEST: Charles Thornton won the first of 10 football contests that will be appearing in the paper through this season. The second contest was a three way tie between Mildred Parker, Charles Thornton and Jim Cockburn. Mildred came closest to guessing the total score of the Dallas-Buffalo game so the prize goes to her.

FISHER COUNTY TEACHERS ATTEND TSTA WORKSHOP

Mr. C. L. Evers, Mr. and Mrs. Robert Witherspoon, Miss Josie Baird, Mrs. Whit Clark, and Mrs. Rudy V. Hamric were Texas State Teachers Association district workshop participants Thursday evening at Abilene High School. Mr. Robert Witherspoon TSTA District Legislative committee chairman, led the discussion group entitled "Studying and Supporting the TSTA Legislative Program."

Fisher County Teachers will meet at Roby on October 4, for their first meeting of this school year.

To The Editor

Tell the Lions, if there are 250 of the fightingest Engineers in Vietnam willing to support them, they had better come through. After all, I'll be home the 5th of December and I'm anxious to see a championship game.

Good luck to the coaches and all those hard hitting Lions. Sincerely, Larry D. Markham and all the Pacemakers

7:30 p.m. on Tuesday, Sept. 28. The tour was organized by the Progressive Farmer magazine and included visits to four other countries en-route to Russia. The tour group, composed of a total of 127 people, visited collective and state cotton farms and cotton gins in Russia. Two Swiss farms were visited and slides will be shown of these also. The public is invited to attend and participate in a question and answer session following the presentation.

Scouting Fund Drive Is Completed

The local fund drive for the Boy Scouts of America has been going on in Rotan for the past week. Mr. Mac Weatherbee is the chairman for the drive and reports that the drive has met with good success this year as it has in the past.

The funds donated to the drive are used to support Scouting in the Rotan area through the maintenance of the Scout Of-

Mark and Mel Ashton of Abilene spent the day with their grandparents, Mr. and Mrs. Ray Ashton, Rotan.

ice where many of the Scout activities are planned and training is given to local scout leaders. A monthly newsletter is mailed to all scouts and a four man professional staff of scouts is available to aid the volunteer scouts with their problems and to help them offer a better program to the boys. Also, the funds will be used to help maintain and improve the Scout Camp, Camp Tonkawa, located near Buffalo Gap. The camp is open year round for the scouts, but is especially busy for four weeks during the

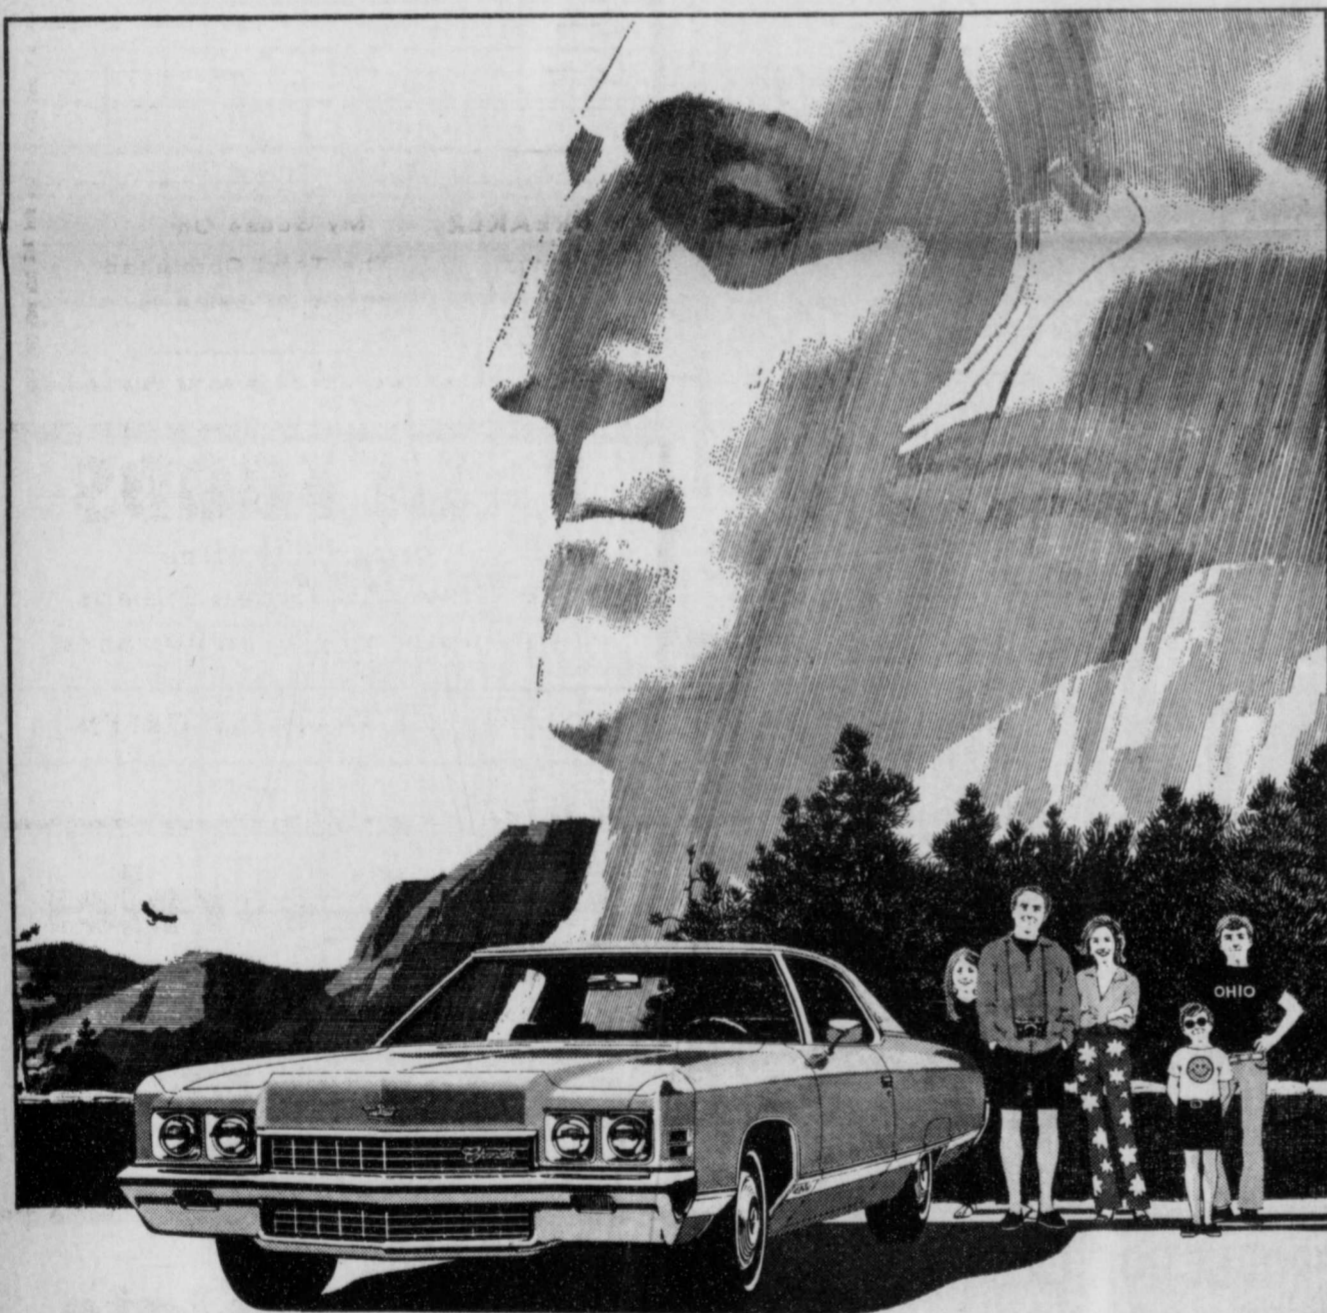

summer when local troops are at camp for a week. Last year the troop from Rotan camped out for a week under the leadership of Jack Cadenhead, local Scoutmaster.

The successful drive has been under the direction of Mr. Weatherbee, chairman; and the Captains, Mrs. Charles Thornton, Mrs. Bobby Smith, Mrs. William Cleveland and Mrs. Bennie Le Bleu.

Much work has been done by the workers in the drive and a special thanks and well-done to all involved in the fund drive.

Caprice Coupe illustrated at Mt. Rushmore in South Dakota.

We want your new Chevrolet to be the best car you ever owned.

The best. No qualifications. No reservations. We want it to be the most beautiful, most trouble-free, most comfortable car you ever owned.

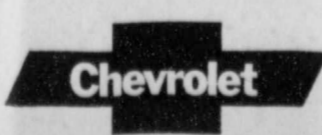

So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection.

Plus a 400-cubic-inch V8 engine and Turbo Hydra-matic automatic transmission.

All standard, as you expect with a luxury car. And Caprice is but one of the new Chevrolets. There are 45 in all: pictured below (left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega.

Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving.

Whatever your choice, we want your new Chevrolet to be the best car you ever owned. No less.

Clyde Hilbun Rites Held

Clyde Hilbun, 84, well known Littlefield banker, died Sunday afternoon, Sept. 12, in Medical Arts Hospital in Littlefield.

Funeral services were held at 4 p. m. Tuesday at the First Baptist Church, with Hammons Funeral Home in charge of arrangements.

He was born Nov. 19, 1886, in Lone Oak, Texas. At the age of 18, Hilbun taught school in Adair and Round Mountain. In Roby, he had owned a drug store and was owner and President of Roby First National Bank.

He moved to Littlefield in 1927 and served as President of First National Bank where he was a stockholder. He later became president of the newly organized Security State Bank in 1948 and held that position until March of 1958. He was serving as director at the time of his death.

He was married to Lora Bonner in 1909. The couple celebrated their 50th wedding anniversary in Littlefield. She died October 31, 1965, and he was later married to Mrs. Iva Hale of Big Spring.

A member of Littlefield Baptist Church, Hilbun also had farming and ranching interests. He is survived by his wife of the home; three brothers, Albert of Roby, Allen of Littlefield and Dr. Lynn Hilbun of Morenci, Arizona; three sisters, Joes Hilbun of Roby, Mrs. Nina Rogens, Abilene, and Mrs. Anna Lou Hall of Littlefield.

Pallbearers were Paul Hyatt, Mancel Hall, Kenneth Ware, Arthur Duggin, Paul Carmickle and John D. Smith.

Young Farmers Hold Meeting For September

Fisher County Young Farmers held their monthly meeting last Monday night, Sept. 20, with 20 members present.

Mr. Johnnie Ammons, manager of Midwest Electric Cooperative, presented the program on his recent tour of Russia. Mr. Ammons also showed slides he made on the tour with commentary on each slide. There were several slides about Russia's cotton production, farm machinery used in planting and harvesting cotton, cotton gins and the type of system used by Russia in their agricultural program.

Mr. Thurman Terry, Fisher County Commissioner, Precinct 4, spoke about a meeting to be held at the Stonewall County courthouse in Aspermont, Sept. 22, concerning the possibilities of counties in this area receiving government aid on construction of water resources, recreational facilities and problems incurred by salt water seepage in different counties. Mr. Terry encouraged everyone who could attend this meeting to do so. A group departed from the Fisher County courthouse at 12:30 p. m. Sept. 22 to attend the meeting.

Mr. Kiefer Cauble, president of Fisher County Farmers Union also spoke about proposed legislation concerning the farm program of the coming year and a trip being planned to Washington, D. C. for three Fisher County Farmers to present the views of farmers on the proposed legislation.

Other business conducted during the meeting concerned a Dove Hunt to be held Thursday afternoon, Sept. 23, at 3:30. All members and associate members are encouraged to attend and assemble at the Roby F. F. A. building. A dove barbecue supper will be held at the City Park at Roby on Saturday, Sept. 25, at 6:00 p. m. This will be a family affair with wives and children attending.

ROTAN FFA OFFICERS: Front row, left to right, Harold Gruben, senior, President; Frankie Jones, senior, Reporter; Bruce Jones, sophomore, Secretary. Back row, left to right, Clay Helms, sophomore, Treasurer; Robin Roberts, junior, Sentinel; and Mide Wade sophomore, Vice President.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Another tool in the fight against drug addiction was passed into law by the Texas Legislature recently when it gave the Texas State Department of Health authority to license and regulate methadone maintenance programs.

Methadone treatment, which substitutes methadone for heroin, isn't new. It allows an addict to go about his regular work without the terrific expense and debilitating effects of heroin.

Regulations will be adopted by an advisory committee in the near future to become effective in the fall of this year.

Another step in learning more about addiction was taken by the Legislature, which created a Research Advisory Panel to approve or disapprove research projects on humans in the fields of narcotics and dangerous drugs. The seven-member panel will consist of representatives from the State Health Department, the State Department of Mental Health and Mental Retardation, State Board of Pharmacy, Attorney General's office, and the University of Texas System.

The law permits the Texas Department of Public Safety to provide narcotics or dangerous drugs to the heads of approved research projects as the drugs are available. The law will facilitate research to determine drug effects on humans, particularly marijuana, and thus give the public scientific base line data from which to draw conclusions on the dangers or benefits of these drugs.

Methadone maintenance isn't a new concept in Texas, although its widespread use as a drug abuse tool is a recent development. In 1964, U. S. intelligence teams learned that Germany had discovered a new class of potent analgesics with a different chemical structure than morphine. That drug was methadone. Since then, methadone has been used in federal hospitals at Lexington, Kentucky, and Fort Worth, and by private physicians in hospitals to detoxify narcotic addicts.

Legally methadone is classified as a research drug when used in maintenance programs because the risks of taking the medication at this high dose over a prolonged period of years are not known. Therefore, both Federal and State regulations on methadone must be followed.

As It Looks From Here

By Congressman

Omar Burleson

Most Federal court dockets are overburdened with a backlog of cases. It would be a good assumption that the Federal District Judge sitting in Huntsville, Alabama, would have plenty to do without meddling into the affairs of Butler High School in that city.

U. S. District Judge, H. H. Grooms, showing that unerring eye for grave and weighty issues of national importance, which seems to distinguish much of our judiciary these days, has outlawed the use of the Confederate Flag as the school's banner and "Dixie" as their fight-song.

Dr. Max Rafferty, Dean of Troy University in Alabama, had this to say about the Court's action. "Their flag, for 101 these many years, has been the same Stars and Bars under which so many thousands of their great, great grandfathers fought, and their song--no surprise considering their school's geographical location--is 'Dixie'."

A few students, out of the school's enrollment of 2,000, found the old flag and the song "offensive." The Federal Judge decided to take away from the great majority of the children their right to enjoy the symbols of their ancestors' gallant struggle. Sure, the Civil War was over a long time ago and there is no need to continue to fight it but it is no wonder that the kids in Butler High School are a little up-tight about the decision.

This is not the first time that judges have decided to stamp out symbols of a vanquished cause. The Irish fought for 500 years to save their harp and shamrock from similar unwarranted action. The Scottish Highlanders had to hide their tartans after the battle of Colloiden. The Jews down through the centuries have seen the sacred emblems of their faith confiscated and destroyed by courts in Europe.

Dr. Rafferty's comments go further. "We are watching this ancient evil operate in our own land, casting its long shadow over our own children. In the past decade, we Americans have been told by judges where our children must go to school, what they may wear in class, how they may behave and what they may or may not read. And from here on, it appears even the school songs they sing are to be controlled by the courts."

The State of California has its Bear Flag. Our State of Texas has its Lone Star. Both are more than just a State's adopted colors. Both are symbols of historic significance. It is possible that now such symbols may be forbidden by those who find them to be "offensive?"

For that matter, and following the same absurd reasoning, may not some court even find the Stars and Stripes to be "objectionable?"

In the early days, as our pioneers pushed Westward, "Dixie" was hummed around thousands of open campfires. As the wagon trains fought their way across a raw and savage continent, the

song cheered and soled a people. There remains romance in the whanging banjos in a summer twilight aboard paddle-wheel steamboats. It meant something to the people.

The Stars and Stripes of the Confederacy holds a respect by the people of the South, as a symbol of a heroic lost cause. There are few, if any, in modern days who hold this banner in any deference to the Stars and Stripes. They do hold history in respect. They know it floated blithely on the morning breeze at first Antietam. It was carried through Shiloh's gloomy woods and Chickamauga's solitudes. The song of "Dixie" burst from hoarse throats and laboring bodies at Cold Harbor and at Chancellorsville.

When at last the Civil War crested bloodily on the heights of Gettysburg, the song echoed like a solemn requiem over the defeated hopes of the greatest "lost cause" in the annual of our Nation.

To ban "Dixie" as a school's fighting song and to prohibit a flag as a part of a school symbol, is banning history itself. This little song and the banner is part and parcel, warp and woof of the great tapestry which is the American story.

Roby Garden Club Holds First Meet

The Roby Garden Club met Thursday, September 16th, at 9:30 a. m. in the Midwest Electric Coop Room for their first meeting of the coming year.

Mrs. W. W. Morton and Mrs. M. E. Doyle served as hostesses and served coffee and doughnuts throughout the meeting. Mrs. Max Carriker, president, presided at the business meeting. Mrs. Roland Ray, Sr., secretary, read the report of the last meeting.

Mrs. Johnnie Ammons showed some interesting slides that were made on their recent trip to the Mediterranean. Pictures of Paris, Switzerland and Russia were enjoyed by all.

Mrs. L. L. Stuart passed out the new Year Books to the following members present: Mmes. Thurman Terry, Roland Ray, Sr., M. E. Doyle, W. W. Morton, Edd Carter, W. J. Hale, Roscoe Smith, Jess Goforth, Coy Carriker, Tom Parker, Cecil Alexander, Farnest Tefteller, Max Carriker, L. L. Stuart, Johnnie Ammons, and guests Mrs. Fred Stevenson of Roby and Mrs. Rayburn Stuart of Wichita Falls.

NOTICE OF EXECUTION SALE

By virtue of an Order of Sale issued out of the 42nd District Court of Callahan County, Texas, on a judgment rendered in said Court on the 30th day of July, 1971, in favor of LeClair Operating Co., Inc., against Paul M. Dworsky, in Cause No. 12, 212 in such Court, I did, on the 1st day of September 1971, at 10:00 o'clock a. m., levy upon the following described real estate situated in Fisher County, Texas as the property of the said Paul M. Dworsky, to-wit:

All of the interest of the said Paul M. Dworsky in and to the hereinafter described oil, gas and other mineral leases including, but not being limited to, all the interest of the said Paul M. Dworsky in and to all oil, gas and other minerals produced from said land and all proceeds of said production subsequent to January 1, 1970; the said oil, gas and mineral leases affected hereby being set forth as follows, to-wit:

An undivided .01562500 interest in and to lease dated September 23, 1953, from Kermit Smith, as lessor, to R. E. Williams, as lessee, recorded in Volume 212, page 16, of the Deed Records of Fisher County, Texas; and a lease dated August 28, 1953, from J. W. Turner, et vir, as lessors, to S. L. Parham, as lessee, recorded in Volume 211, page 3, of the Deed Records of Fisher County, Texas; and a lease dated September 23, 1953, from Laura Louise McClung, et vir, as lessors, to R. E. Williams, as lessee, recorded in Volume 212, page 20, of the Deed Records of Fisher County, Texas, and covering the following described land situated in Fisher County, Texas, to-wit:

Being 108.29 acres out of the East part of the T. Ayers Survey No. 324, and the North part of G. W. Crowles Survey No. 325, and on the 5th day of October, 1971, being the first Tuesday of said month, between the hours of 10:00 o'clock a. m. and 4:00 o'clock p. m., on said day, at the Courthouse Door of said County, I will offer for sale and sell at public auction for cash, all of the above described right, title and interest of the said Paul M. Dworsky in and to the above described property, production and proceeds thereof.

DATED at Roby, Texas this the 1st day of September, 1971.

A. E. Rollans, Sheriff
Fisher County, Texas

THE STATE OF TEXAS COUNTY OF FISHER

WHEREAS by virtue of a writ of Execution issued out of the 191st District Court, Court of Dallas County, Texas, on the 10th day of August, 1971, in Cause No. 69-4499-J, where W. W. Moon, Assignee of Hamilton Oil Well Servicing Co. was Plaintiff, and Midwest Production Company was Defendant, on a judgment rendered in said Court against Defendant and in favor of the said Plaintiff, for the sum of Three Thousand Nine Hundred Seventy-Four 29/100 Dollars, (\$3,974.29) with interest thereon at the rate of 6% per cent per annum, from April 15, 1970, together with all costs of suit; I did on the 1st day of Sept., 1971, at 11 o'clock a. m. levy upon the following described lots, tracts and parcels of land situated in Fisher County, Texas, as the property of Midwest Production Company to-wit:

Two wells in the Claytonville Field in Fisher County, Texas, being more fully described and known as the L. Wetzell #1 in Fisher County.

Southwest Claytonville being a tract of 40 acres in the Northwest quarter of the Southwest Quarter of Section 187, Block 3 of the H and T. C. Railroad Survey, and the Second well being the J. H. Morris #1 in the Southeast Claytonville Field of Fisher County, being a tract of 40 acres, more or less, being further described as the Northwest quarter of the Northwest Quarter of Section 190, Block 3 of the H and T. C. Survey, Together with all pumps, pipes, storage tanks, drilling equipment and all other fixtures on the above described real estate.

being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the courthouse door of said County, and I will offer for sale and sell at public auction, for cash to the highest bidder, all the right, title and interest of Midwest

Production Company in and to the above described property.

Witness my hand this the 7th day of Sept., 1971.

LEGAL NOTICE

All brands and marks on Texas livestock must be re-recorded with County Clerks after Aug. 30, 1971, according to Senate Bill 248. Owners will be given a six-month period (August 30, 1971 thru Feb. 29, 1972) in which to register these brands and marks which they are now using. After this time, brands which have not been renewed will be available on a "first-come" basis. Hereafter brands must be renewed every ten years. It is illegal to use a brand which has not been properly recorded.

This is hereby published to give all Fisher County residents notice of a called Budget Hearing at 9:00 a. m. Sept. 27th in the Fisher County Commissioners Office, Fisher County Court House, Roby, Texas.

The purpose of this meeting is to hear final plans presented on the proposed estimated 1972 budget.

NOTICE TO BIDDERS

The Commissioners Court of Fisher County will open bids on a 1972 - 2 seater, pick-up, 3/4 ton, 8 cylinder, V-8 engine, 4 speed transmission, on October 11, 1971 at 10:00 a. m. Trade in will be a 1969 Ford 6-cylinder pick-up.

Flash-Bits from Fisher County Nursing Home

Hello again friends and neighbors, here we are with a little bit of what kept us ticking last week. Most all are doing about as usual, must admit it got rather cold over the week end.

A delayed happy birthday to Mrs. Stames. She celebrated her 84th birthday Sept. 18th.

Among visitors were Mrs. Jim Foy of Seymour to visit Gyp Foy; Mr. and Mrs. Howard Noles of Roby and Claudie McKennon of Midland visited Mable Kimzey.

Mattie Lou Davis of Sweetwater visited her mother, Mrs. Eula Williamson; Mrs. Irvin Parker of Roby and Mr. and Mrs. Jack Shedd of Sweetwater visited with Mittie Watson; Mr. and Mrs. Walter Ivy of Aspermont visited his parents Mr. and Mrs. B. A. Ivy, also visiting the Ivys this week were Mr. and Mrs. L. C. Ivy of Brownfield and Mr. and Mrs. A. A. Rogers of Aspermont. Visiting Mr. Horton was a daughter Edith Stockton of Abilene.

Mrs. Charles Signor of Lubbock spent a couple of days visiting her Mother, Mrs. Stella Shelton. Others visiting Mrs. Shelton were Mrs. Willie McWhirter of Roby and Mr. and Mrs. Jenkins of Washington, D. C.

Mr. and Mrs. H. H. Gibson of Roby visited Mrs. Moffett and Mr. Williams.

That does it for this edition.

Rotan WMU Has Monthly Meet

Rotan First Baptist WMU met in the home of Mrs. V. B. Murphy, Sept. 20. Mr. George McBeth brought the lesson from Luke 12:16-21, "Passion to Possess".

Mrs. H. L. Davis, president, and Miss Jewell Price read the prayer calendar and Mrs. Davis led the prayer.

The meeting was well attended as well as the week of prayer.

Next meeting will be at the Crestview Lodge.

Mrs. Randy Williams

Mrs. Randy Williams, daughter-in-law of Mr. and Mrs. Andrew Williams of Rotan, received her degree in August ceremonies at East Texas State University at Commerce, Texas.

She is now teaching 1st grade at J. W. Webb Elementary School in McKinney.

Randy is a senior at East Texas State University and will receive his B. B. A. degree in Accounting in December.

Veteran Benefits Available From WTC

The Veterans Administration has given its approval for veterans to receive educational benefits while enrolled in courses at Western Texas College, according to an announcement from Mrs. Wilma Crawford, WTC financial aids officer.

Mrs. Crawford stated that "courses listed on pages 49-68 of the WTC catalog, as accepted by the Texas Education Agency for credit toward a teacher's degree or certificate have been approved." Also approved were those Technical and Vocational courses in Automobile Mechanics, Diesel Mechanics, Welding, Law Enforcement, Management, Office Occupations, and Vocational Nursing.

Previously, veterans who had applied for educational benefits at WTC had been informed by the VA that the school would soon receive approval. Mrs. Crawford now advises those veterans to write to her, and she

will forward the correct application procedure to them.

The VA approval is issued under the provisions of Section 1775 (a) (2), and (3), Chapter 36, Title 38, and is based on the standards of the Texas State Plan for Vocational Education and the accreditation and

approval by the Texas Education Agency. Approval becomes effective Aug. 26, 1971.

W. C. (Coach) Hedges, Roby, is in Simmons Memorial Hospital, Sweetwater. He was admitted Friday for tests and treatment.

HELP WANTED WOMEN

The English professor was lecturing to his class on the value of books in general, when he asked the pretty girl sitting in the second row what book she would choose if in her whole life she could have only one. This modern girl thought very carefully for a moment before she came in with her reply: "A checkbook."

Cotton Council Warns That Market Loss Likely

Cotton stands to suffer further market losses if adequate incentives to grow more of it are not provided for 1972. That was the warning sounded by the National Cotton Council economist in the opening session of the annual fall meeting of the Council's Board of Directors.

"Shooting for a crop that is just enough to meet expected demand and no more will not do the job," said Dabney S. Wellford, director of the Council's economic and market research

service. He pointed out that demand cannot be accurately forecast, and unfavorable weather can drastically reduce the crop, as it has in five of the past six years.

"If we expect to hold our markets, we must aim higher and build up the carryover stock from the dangerously low level at which it now stands," Mr. Wellford continued. The carryover from previous crops is expected to be about 4.1 million bales, and "once more there would not be enough

in the carryover to cushion us if next year's crop falls short of demand." The demand has exceeded the amount grown in each of the past five seasons, and as a result stocks have been reduced to the point that they hardly meet working stock requirements.

Secretary of Agriculture, Clifford M. Hardin will announce the 1972 government cotton program in the early fall. Mr. Wellford pointed out that unless there are reassurances about next season's crop, the industry can expect pressures to continue for textile mills to shift out of cotton because of the uncertainty of the supply.

Mr. Wellford stated that the Secretary has the mandate for a program to relieve this pressure. His report pointed out that the Agricultural Act of 1970 states that the "..... national base acreage allotment. . . . in the case of the 1972 and 1973 crops shall be in such amount as the Secretary determines necessary to maintain adequate supplies."

TOUGH TRO: This is the heart of Rotan's front line. Left to right, Henry Soliz, tackle; Stu Nowlin, center; and Randy Smith, tackle. They'll get a good test Friday against Coahoma.

Farm Bureau Opposes Acid Discontinuation

The Texas Farm Bureau has asked the Environmental Protection Agency to permit cotton farmers to continue using arsenic acid as a desiccant. "We simply do not have available to us any substitute chemical which will do the job of desiccating cotton leaves prior to harvest as efficiently, effectively or as economically as arsenic acid," TFB President J. T. Woodson said in a letter to EPA Administrator William D. Ruckelshaus.

The state's largest farm organization made the comments in response to an EPA announcement in the Federal Register of July 3 pertaining to continued use of arsenic acid as a desiccant. Woodson, a cotton, grain and cattle farmer himself from Fannin County, said that more than 75 percent of the State's present 4.8 million-acre cotton crop is in stripper-type cottons which are normally desiccated prior to stripper harvest. "Without arsenic acid to use as a desiccant, cotton producers in the foreseeable future would be without a reliable desiccant," Woodson said. "Defoliants used on picker-type cottons do not work satisfactorily for stripper harvest because it is almost impossible to kill and drop all of the leaves of cotton plants with defoliants now in use. "Other materials are either not available, or might possibly be available at an increased cost which would materially add to total production costs," the TFB president said.

Desiccants kill plants and cause them to dry up. Defoliants cause leaves (or most of them) to fall off.

Card of Thanks

We wish to convey our sincere thanks to all the wonderful people of this area for their help while my wife was in the hospital. My wife and the twins are home now and doing just fine. Thanks again to everyone that helped.

I hope this isn't one of those days when as far as accomplishing anything worth while is concerned you might as well check in your jersey. Well, I have those days and I find getting out a few minutes in the yard or talking over the fence to a neighbor a few minutes helps and then I'm ready to get in and try out a fresh batch of cookies for the younguns, and dad also. Here is a quickie just for that. . . .

"P. Nutty Crunches"

Combine in top of double boiler:
1/2 cup peanut butter
1 - 6 oz. package (1 cup) Nestle's Butterscotch Mommels
Place over hot water (not boiling) until Butterscotch melts. Add 1 - 3 oz. can (2 cups) Chow Mein Noodles and stir until well coated.
Drop by teaspoons on waxed paper covered cookie sheet. Top with a candied cherry (optional) and chill. Then watch them disappear.

The days are cooler, and a quick casserole for dinner will feed your family well and it is easy to prepare and put in the refrigerator until time to bake. How about this:

"MAIN MEAL CASSEROLE"

1 lb. ground beef	2 cups canned chili with beans
1/2 cup chopped onion	1 pkg. Taco flavored corn chips (FRITOS)
2 T. oil (Crisco, Wesson or such)	1/2 lb. grated sharp cheddar cheese
1 t. salt	
1/4 t. pepper	

Brown beef and onions in oil; add salt and pepper. Add chili and beans; cook until mixture is heated thoroughly. Place layer of Fritos in casserole, alternate layers of chili mixture, Fritos and cheese. Bake in 350 degree oven about 20 minutes. If this has been prepared earlier and set in the refrigerator to await baking time, it will require longer to heat through and it isn't good unless it is hot. Serve with plenty of ketchup for the kids, along with a luscious green vegetable, hot bread and cookies. Makes for a big deal. Try it.

I hope you all read the winning recipes in the Abilene Reporter News, Sunday morning, Sept. 19th. There are some really worthwhile ones to clip and file your future use. I've already tried the peanut brittle and it is delicious. Sure is a good Christmas candy also, to have sitting around to munch on.

We have received a good suggestion from a Roby resident on storage of eggs, other than refrigeration, and when you find a good price on eggs, but a few more than usual and store like this:

"Egg Storage"

In a cardboard box, alternate a layer of salt and a layer of eggs. Grease the eggs and they will be fresh when you get ready to use them. . . . As reported by Sussey Buck of Roby, years ago on the farm, and no refrigeration.

After seeing Mr. McSpadden has been to the Hondo Valley for apples, I decided to drop you a line and share my apple pie recipe with you. If you like a rich crust, try this. . . .

"PIE CRUST"

2 cups flour	1 t. salt
1 cup crisco	5 T. ice water

Mix and roll out as usual

"APPLE PIE"

6 medium apples, sliced thin
1/2 to 1/3 cup sugar (white or brown)
1/4 t. cinnamon
1/8 t. nutmeg
1/8 t. salt
1 T. flour
1-1/2 T. butter

Mix first six ingredients together, pour into unbaked pie shell. Dot with butter. Cover with pricked upper crust. Bake in hot oven (450 deg.) for 10 minutes. Reduce heat to 350 and bake 45 min.

Governor Smith Grants \$32,890 To ASBDC Here

Governor Preston Smith has announced his approval of a community action grant of \$32,890 in new federal funds to Aspermont Small Business Development Center, Inc. in Aspermont for Economic Development.

The grant, funded under Title II of the Economic Opportunity Act, also involves \$4,500 in unexpended funds making a total of \$37,390, and is effective Oct. 1, 1971, through Sept. 30, 1972.

Objectives of this program include establishing, preserving and strengthening small business concerns; improving managerial skills; mobilizing private managerial skills and resources; and assisting those who have not had adequate opportunities to enter into the mainstream of a free enterprise system. Also, the program will strive to assist in establishing or expanding businesses and services operated by local individuals and groups, and to locate outside industry for community, tourist projects and the development of natural resources.

Aspermont Small Business Development Center, Inc. operates in the counties of Armstrong, Briscoe, Castro, Childress, Cottle, Collingsworth, Crosby, Deaf Smith, Dickens, Donley, Fisher, Joard, Floyd, Garza, Hale, Hall, Hardeman, Haskell, Hockley, Jones, Kent, King, Knox, Lamb, Motley, Nolan, Pamer, Randall, Stonewall, Scurry, Swisher, Taylor, and Wilbarger.

COUNTY AGENT NEWS

By Richard Spencer

The fall armyworm attacks grain sorghum, corn, small grain and grasses, as well as alfalfa, peas and beans.

There may be as many as 5 to 10 generations of all armyworms each year. The larval stage lasts about 20 days during which time the fall armyworms reach a length of one to one and one-half inches. When the larvae are full grown, they dig into the soil about an inch and pupate. The adult female emerges from the ground within two weeks and generally flies some distance before laying eggs in masses of about 150; female fall armyworms produce about 1,000 eggs.

The full grown larvae vary in color from light tan or green to nearly black. They have three yellowish-white hair lines down the back from head to tail; on the side next to the yellow lines is a wider dark stripe spotted with red. There is a prominent white inverted Y on the front of the head.

When large numbers of fall armyworms are present, the host plants can be cleaned out of a field; then these larvae invade adjoining fields. Buildups are heaviest after cool, wet weather, however, when host plants are limited by dry weather, fall armyworms may be found in grain sorghum or small grain fields (especially those fields that have been irrigated or that are in a lush green growing condition).

Cultural control by shallow cultivation is effective when the larvae have become full grown and entered the soil a few inches where the pupal stage is passed.

Insecticidal control of fall armyworms is accomplished most efficiently when larvae are small. Several applications of insecticides may be required to control larger larvae. Insecticides recommended are Sevin, Tosaphene, Parathion, and Methol Parathion.

"Grain Sorghum Research in Texas - 1970" a progress report which describes an entirely new industry in the state, has just come off the presses at Texas A&M University.

The 120-page publication was compiled by researchers and specialists in the Texas Agricultural Experiment Station and the Texas Agricultural Experiment Station and the Texas Agricultural Extension Service.

Dr. H. O. Kunkel, dean of the A&M College of Agriculture and acting director of the Experiment Station, said the grain sorghum story, as outlined in the publication, is a good example of what a land-grant university can do for an agricultural commodity.

The report is especially significant in view of the more than \$300 million in cash receipts which Texas-grown grain sorghum has provided for the past four years. Receipts totaled more than \$350 million in 1970.

About one in every \$8 in cash receipts from all commodities marketed by Texas farmers has been from grain sorghums.

In 1970, 5.9 million acres of the crop were grown in the state with a yield of more than 300 million bushels, exceeding 40 percent of the entire U. S. crop.

A marked effect of the grain supply has been the growth of the livestock feeding industry.

There were 3,138 million cattle finished and marketed from Texas feedlots last year. The state is now third in the nation in numbers of cattle on feed.

We want to urge everyone to come out and see the Fisher County 4-H Members Projects on display Saturday, Sept. 25. A good lunch will also be served and the money will support 4-H work in Fisher County. National 4-H Club week has been set for Oct. 3-9 and the project show will give a good preview of 4-H work in the county.

Special Texas ID Card Available From D.P.S.

Colonel Willson E. Speir, director of the Texas Department of Public Safety, said today that effective September 1, Texans will be able to obtain a special personal identification card.

The card, which was authorized by the 62nd Texas Legislature, is laminated and contains a color photograph of the holder. It is the same size as a Texas drivers license.

Information appearing on the card will include the holder's date of birth, height, sex and eye color. Each card will have a special identification number issued by the DPS.

Speir said the cards should be of value to those persons who do not hold a Texas drivers license, but who need some sort of official card to help establish their identity.

In order to obtain a personal identification card, the applicant must appear at a DPS drivers license field office on or after September 1, execute a special application form, present a birth certificate or other documentary evidence of identity and date of birth, be fingerprinted and pay a statutory fee of \$5.00. The special card, which will be mailed from DPS Headquarters in Austin, will be dated to expire four years from the applicant's next birth date.

Also effective September 1, certain persons having military service connected disabilities will be exempted from drivers license fees.

Speir said those individuals with a 60% or more service connected disability will be entitled to the free drivers license provided they meet other requirements which apply to all applicants. At the time of application for a new or renewal license, the disabled veteran must present the DPS drivers license office an official communication from the Veterans Administration Regional Office showing that he is currently receiving compensation from the Federal Govern-

ment in connection with a 60% or more service connected disability.
