ROTAN, FISHER COUNTY, TEXAS 79546

THURSDAY, NOVEMBER 4, 1971

Editorial Comment

By Kim Pease

Petition Circulated To Move Court House

This past week has seen the birth of 2 petitions in connection with the upcoming vote on a new Fisher County Courthouse.

One petition calls for the moving of the county seat from Roby, Texas to Rotan, Texas. This petition, according to an educated guess by one close to its origin, has approximately 300 to 400 signatures at press time but that figure is expected to grow to 700 or 800 by next Monday.

Another petition being circulated county wide calls for the commissioners to give consideration to permitting the county voters to decide if they want a new court house.

These are the only two petitions we know of at press time. There are however, several copies of each of these petitions in circulation.

We checked with the Fisher County Attorney, Rudy Hamric, on just how many signatures would be needed to put the proposed county seat change from Roby to Rotan to a vote. At the time we contacted Hamric, he and others were in the process of going through the registered voter list and property owner records to determine this figure. Hamric did cite Vernon's Annotated Civil Statutes Article #1596 which says that "when a county seat that has been established for more than 40 years it shall require, a majority of the resident freeholders and qualified voters of said county to make the application". In other words, one more than half of the qualified voters in Fisher County that own property in this county and reside on that property must sign the petition to move the county seat.

Many of those who are involved in this movement to attempt to influence the commissioners advocate that they really do not want to move the courthouse, but only want to get the commissioners attention so they will put the construction of a new courthouse to a vote.

The decision still clearly rests with the 4 county commissioners. They will have to record their vote according to how they feel the majority of the voters in their precincts feel on this issue.

We as a newspaper remain unchanged on the statement we made in an earlier editorial relating that something needs to be done to our present court house.

We don't pretend to have the answer to this situation, but do feel like that each commissioner is obligated to weigh all the facts carefully concerning this construction prior to registering his approval or disapproval.

We reiterate our editorial stand of last week by encouraging each voter and property owner to contact his respective commissioner and voice his feeling concerning this situation.

4-H AWARD WINNERS: Left to right, Jackie Shipp, Linda Hood-empyle, Tammy Stuart, Jan Wright, Carol Barrington.

National Gypsum Sales Up 14% Over 1970

National Gypsum Company, a major manufacturer of building materials and factory produced housing, today reported financial results for the third quarter and first nine months.

Colon Brown, chairman of the board and chief executive officer, said: "Third quarter sales and earnings continued the current year trend of improvement over 1970. Compared to the 3rd quarter of last year, sales were up 17% and earnings per share up 69%. Results for each of the three quarters of 1971 compared favorably to the corresponding quarters of last year. In each month of the third quarter of the current year, earnings per share were progressively higher than the corresponding month of 1970."

Mr. Brown added: "Nine month sales and earnings per share were up 14% and 36% over the same period of 1970."

In looking ahead, Mr. Brown

Roby And Rotan Telephone Directory Due

The new Roby-Rotan telephone directory is scheduled for delivery starting November 4.

Bud McCasland, manager for Southwestern Bell, said that about 2420 copies of the directory will be mailed to customers in the two exchanges.

The directory includes eight pages of alphabetical listings for Rotan and five pages for Roby.

Ed Deaton Completes Computer Programming

Ed Deaton, a career agent with the American Amicable Life Insurance Company recently returned from a Computer Programming School conducted in the Company's Offices in Waco.

The school emphasized the various economic needs confronting most families today. The new computer programming service enables a career agent to coordinate a client's insurance and other income producing assets, along with governmental benefits such as social security to effect sound financial planning. Diverse beneficiary and settlement option arrangements were studied to aid in this financial planning. Disability In-

surance was studied in detail. Joe Bachik, CLU Assistant Vice President and Director of Training along with Paul W. Rowlett, Training Consultant, conducted the school, which is a part of an extensive 9 year education and training program for career agents sponsored by American Amicable Life Insurance Co.

Roby, Rotan Lion Banquet Novembes 16th

The joint Roby-Rotan Lions Ladies Night is set for Tuesday, November 16, according to Dr. Maurice Callan, Roby Lions Club president.

Lion District Governor of district 2-72, R. F. (Bob) Levo will be present for the Ladies Night activities and is expected to make a short address to the joint clubs.

The main speaker for the evening will be Johnnie Ammons of Roby, manager of Mid-West Electric Cooperative.

The joint Ladies Night activity will begin at 7:30 p. m. at the Community Building in Roby.

Mr. and Mrs. Rex Kemp, Roby, visited their daughter and family, Mr. and Mrs. Grant Jackson, of Denton, recently. Mrs. Kemp also visited her sister in Dallas.

Roy Wayne Singley of Howard Payne College visited home folk in Roby over the weekend.

Ed Deaton Completes Computer Programming

The Fisher County Farmers Union will hold their annual convention at the Agriculture Building in Roby on Sat., Nov. 6th, beginning at 6:00 p. m. Supper will be served.

County Farmers Union Convention Saturday

Officers for this year include Keifer Cauble, president; Gene Terry, vice president; and Mrs. Jerry Hoodempyle, secretary.

Everyone is invited, prospective members, or interested farmers.

Gwen Carter and friend Mike White of Hardin-Simmons University visited her grandparents and other relatives in Roby last Saturday.

Rotan Chamber Sponsoring Turkey Drawing Fri. & Sat.

The Rotan Chamber of Commerce members will be giving away five free turkeys this weekend in connection with Rotan's "Fall Appreciation Days". Thirty-nine of the fifty-six members of the Rotan Chamber of Commerce members will be offering registration blanks this weekend to their customers.

Those participating in the turkey give-away include: Rotan Dept. Store, Frazier Drug, Rotan Flower Shop, Gray Butane, Rotan Ins. Agency, Hale Ins. Agency, Rotan Motor Co., Smith and Cyphers Station, Summers Drug, Thriftway, Village Flowers, J&J Supply, West Texas Utilities, White's Auto, Winns, Jack Allen

Station, Hatahoe, Atwell Cleaners, Brazos Transport, Landes Furniture, Clinic Pharmacy, Calvins Grocery, Martins Grocery, Dr. Marshall, Champion Jewelry, Murpree Grocery, Tom Collins, National Gypsum, Darden's De-

PFC Pete Garcia With Marines In Mediterranean

Marine Pfc. Pedro Garcia, son of Mr. and Mrs. Floyd Garcia of Rotan, is in the Mediterranean with the Second Shore Party of the Second Marine Division's Battalion Landing Team, home based at Camp Lejeune, N. C.

His unit is deployed aboard ships of the U. S. Sixth Fleet and will be conducting practice landing exercises and simulated beach assaults.

pt. Store, Ned's Fule Serv., Petry Mobil, H.L. Davis & Co., Porter Locker, Ezell Key Feed, Rockwell Bros., F&M Chevrolet, Rollins Farm Supply, Farm Tractor and Service and Rotan Advance.

The following businesses and individuals are members of the Rotan Chamber of Commerce but are not going to be giving the registration blanks: First National Bank, McDonald Brothers, Elizabeth Bigham, Bill Deavers Pest Control, Farmers Gin, A.C. Fillingim, Farmers Union Ins., Rudy Hamric, Home Lumber Co., Rotan Cotton Oil Mill, Rotan Gin, Rotan Paint & Body Shop, Rotan Veterinary Hosp., E. H. Shelton, B. Brown Smith, Southwestern Bell Telephone Co. and Weathersbee Funeral Home.

We encourage all residents to patronize the above list of businesses. These businesses and individuals are interested in the growth and future of Rotan and deserve your support.

Stella Shelton Named Roby Homecoming Queen

Roby Homecoming activities got underway Friday, October 29, with a downtown parade and a pep rally held on the Court House square. Classes from the beginning of the first school to the present participated. A bon fire and pep rally was held preceding the football game between Jayton and Roby, the score ending Roby 12-Jayton 13.

Mrs. H. C. (Stella) Shelton of Roby and Ike Jay of Abilene were named Homecoming Queen and King at the 12th annual Homecoming. Mrs. Shelton was crowned by Roland Ray, Jr. of Roby in a standing arch on the football field, and was presented a bouquet of red roses and a trophy. Ike Jay was also presented a trophy.

Following the ball game, the ex-students met in the school cafeteria for coffee and cookies, and a lot of reminiscing. Also, several class reunions were held.

Saturday's events started at 9:30 a. m. with a coffee held in the High School homemaking department, sponsored by the senior class mothers. At 2 p. m. the program was started with the Roby Band playing several selections under the direction of Frank Tiner, band director. The Choir, under the direction of Mrs. Ruth Davis, sang a selection of songs.

The business meeting was called to order by Jimmy Hayes, class of 1964, president and master of ceremonies; invocation by Leonard Mitchell, class of 1965;

the welcome address was given by Ray Pruitt, Superintendent of Roby Public Schools; and the response was made by County Judge Ralph Ammons, class of 1933.

Freddie Max Stuart, class of 1955 and Principal of the Roby

Mrs. Stella Shelton

Schools, introduced the speaker Richard Melton, Richard graduated from Roby High School in 1955 and is associated with Sears as finance manager in Midland. He spoke on many school events that are past history, and he had Principal Stuart laughing and looking like he might have preferred his students not knowing some of the things he did while he was just a "student". Melton also spoke of some of the serious things that are happening in our society today.

Johnnie Ammons, class of 1931 and manager of Mid-West Electric, led the memorial service for ex-students that have passed away since last homecoming.

Roland Ray, Jr. Vice-president, class of 1956, introduced King and Queen candidates for 1971. Queen Stella Shelton and King Ike Jay both responded with a brief speech. Citizenship award was given to Lena Hughey by Parker Wetsel, class of 1942. Retha Ammons Baker was recognized as coming the farthest distance and the class of 1942 received the award for the most in attendance.

Jimmy Hayes, past president, named the officers for the next homecoming: President, Roland Ray, Jr., 1st Vice president, L. W. Knox; 2nd Vice president, Tommy Jack Stuart; Sec. Treas., Bettye Rivers.

Homecoming ended with the annual get-together at the Sweetwater Country Club with Parker Wetsel and Jimmy Waddell in charge.

Yellowhammers Ready To Face Haskell Friday

The Rotan Yellowhammers faced a fierce Stamford squad last Friday and lost the contest 41-8. Stamford was fast, well organized and took advantage of every opportunity to place points on the board.

Sophomore Bruce Jones scored the only touchdown for the Yellowhammers. It came on an interception. Jones ran approximately 70 yards for the score. The extra point conversion was made by Neal Summers.

Rotan will travel to Haskell this Friday with a 2-1 District record.

Rotan Homecoming Weekend Nears

Rotan's annual homecoming activities will get off to an exciting start at 7:30 p. m. Friday, Nov. 12, when the Rotan Yellowhammers end season and district play with the Anson team.

A get-together is planned after the Anson-Rotan game at the Rotan School cafeteria. Refreshments of coffee and donuts will be served and exes will have an opportunity to register and enjoy fellowship with old acquaintances.

On Saturday, November 13, the homecoming activities will again pick-up with a visitation and coffee at 9:00 a. m. at the cafeteria. At 11:30 the ex-students will be served lunch and then have an open house at the home of Modell Hill, 905 East

Burnside, from 3:00 p. m. until 5:00 p. m. Activities will resume at the school cafeteria at 7:00 p. m. with a banquet then the ex-students will take part in visitation and games with the Roadrunners entertaining.

A homecoming dance is scheduled at the Community

Center at 9:00 p. m. which will end the homecoming weekend.

If you are an ex-student living Fisher County area please notify the ex-students association of your intent to be present at homecoming. They need the information to plan for the banquet arrangements.

Schedule For Overseas Holiday Mail

The Postal Services also urges that parcels be securely wrapped-packaged in strong boxes, heavy paper and tied

with stout twine. Each year many parcels arrive at their destination in poor condition due to insufficient care in preparation for mailing.

cells should be mailed Nov. 19 and packages sent Parcel Air-lift (PAL) should be mailed by Nov. 26.

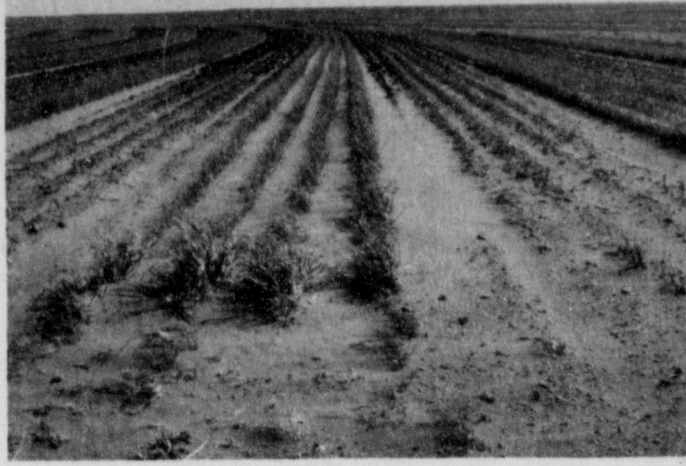

Airmail parcels and greeting cards may be mailed up to December 10.

The above dates should be observed to assure receipt of the mail by Christmas.

All parcels being sent to armed forces overseas should be mailed early, according to the Postal Service.

Parcels to be sent surface mail should be mailed by Nov. 5. Greeting cards should be in the mail by Nov. 15.

Space Available (SAM) par-

Small grain, stripcropped with cotton, catches soil blown from an adjoining farm during one of the "Big Blows" that occurred last spring.

Stripcropping Becomes Popular With Farmers

"Stripcropping is becoming more popular with Fisher County farmers", stated Gerald Harmon, Soil Conservationist, Rotan.

The planting or drilling of small grain in cotton blanks is on the increase on Roby and Rotan area farms in an attempt to reduce wind erosion. Most soils will be adequately protected with a drilled strip five feet wide in the blanks of a two and two pattern and a strip twelve feet wide in the blanks on a two and four pattern. These widths will reduce the wind velocity at the soil surface enough to reduce soil blowing to an insignificant amount.

Other benefits of stripcropping with small grain are the addition of residue to the soil, slowing down runoff to allow more time for infiltration of rainfall into the soil, and improving the movement of air and water in the soil.

The Weather

From the record of Fred Byerly, Rotan Weather Observer.

Nov. '71			
Mon. 1		78	62
Tues. 2		74	38
	.94		
Total precipitation to date:			
Oct. total		3.41	
1970		13.90	
1971		27.87	

The argument most often heard against stripcropping is that it takes moisture from the soil that could be used by the next row crop. This situation could be corrected to a large extent by using sweeps or chemicals to kill the small grain between March 1 and March 15. This method leaves the residue on the surface of the soil for protection from wind erosion and it allows time for the soil to store up moisture from spring rains prior to spring planting.

Card of Thanks

In deep appreciation to you dear, dear friends of Mrs. Herman Wallace, there are no words to express our heartfelt gratitude for the many wonderful things you have done for her and us during her long illness. We will never forget you for your love and devotion. May you be blessed in the same measure in your time of sorrow. Those who brought food to the home and church may pick up the containers at the First Baptist Church. God Bless each of you.

Herman Wallace and family

Card of Thanks

Thanks to all our friends for their expressions of sympathy at the loss of our loved one.

Entries To This Contest Must Arrive In Our Office Prior To 5:00 PM Tuesday,

FOOTBALL CONTEST

OFFICIAL CONTEST RULES

- \$5.00 in cash will be given by the newspaper each week to the person that picks the most winners from the games listed in each ad on this page. HERE IS ALL YOU DO. Pick the name of the team you think will win each game (there's one in each ad) and write that team's name in the corresponding blank on the official entry blank (or a reasonable facsimile) along with the name of the sponsoring merchant. EXAMPLE: The team you pick to win game number 1 (found in the upper left hand corner of this page) should be written in blank number one in the entry form. Write the team's name, not the score.
- In the event of a tie, the tie breaker will determine the winner. Fill in the total combined score of two teams selected as the weekly tie breaker. In the event that more than one person has the correct tie breaker score duplicate prizes will be awarded. Write your name and address on the entry blank and either mail it to arrive prior to 5:00 p.m. Tuesday or deliver it to the Rotan Advance Office, Drawer A, Rotan, Texas or the Roby Star Record-Roby Flower Shop, Box 427, Roby, Texas. You have six days to enter this contest. Entries Will Not Be Accepted After The Deadline.
- Only one entry per person may be made each week. Everyone is eligible to enter this contest except the employees of this newspaper and their immediate families. No purchase is require, a copy of this contest will be displayed each week at the newspaper that a reasonable facsimile may be copied.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Air pollution is a serious and difficult problem which affects everybody in Texas. It is a definite threat to human and animal health and costs Texans millions of dollars a year, now estimated at \$65 for every man, woman, and child in the State.

"Today, the Texas Health Department's air pollution control program is expanding with people and equipment to become the most complete air pollution control program in Texas history, and one of the most effective in the nation," said Charles R. Barton, the State Health Department's new deputy commissioner for air pollution control.

"There is simply more emphasis today on air pollution. We are working to meet the demands of the people of Texas for cleaner air."

Those demands were significantly voiced through the last session of The Texas Legislature which appropriated \$1.2 million for the Texas Air Pollution Program. This enabled the State to attract more than \$2.4 million in federal funds for a total program of almost \$4 million.

The Texas Legislature already had passed significant legislation for cleaning and conserving Texas' air. To provide an effective legal means for controlling air pollution, the Clean Air Act of Texas was passed in 1965. A year later the Texas Air Control Board, a policy-making body, was created. The Board set up rules and air quality standards to safeguard Texas' air resources. It later adopted six regulations covering almost every form of air pollution including smoke and particulate matter emissions, outdoor burning, sulphur compounds, motor vehicle emissions and toxic materials.

More recently, the Board put into effect a new, far-reaching construction permit system to control and prevent air pollution. Under the permit system, any industry or company construction of, or change in, a process that will emit air contaminants is required by law to obtain a Board permit before starting construction.

Air pollution control also is an individual concern. That's why the Texas Health Department is focusing attention on the theme "Make Air Pollution a Personal Matter" during 1971 Cleaner Air week.

Naomi Ruth Turnbow And Ronald Peek Will Unite

Mr. and Mrs. E. H. Turnbow of Rotan have announced the engagement of their daughter, Naomi Ruth, to Ronald Dan Peek, son of Mr. and Mrs. Tom Freeman of Austin, and grandson of Mr. and Mrs. E. M. Nolan, Rotan. The bride elect is a graduate of Rotan High School and is employed at Leisure Lodge, Rotan. The prospective bridegroom attended Texas University at Austin after completing his tour of duty in the Marine Corps. He is now employed by the National Gypsum Co. in Rotan. Vows will be read November 26.

FOOTBALL RUMBLES

-- by Pansy Hale

The football game played here Friday night before an estimated crowd of 1500 ex-students was a thriller. Every boy on the squad played their hearts out and no one was disappointed in their performance and our slogan is "Win District" and personally I think we will. It is almost impossible to pick out any one on the team to give them praise, as they played as a team, and not individually. That is what makes a good team, and boys I am so proud of you.

Being an old ex who loves sports, I heard a lot of compliments on everyone of you, such as "boy that was a good game last night" and "Robby has a good team", "Man, I enjoyed that football game last night", and that was only a small part of the praise I heard. Lets win Friday night. Beat Sands!

Robby had a tremendous crowd here for the homecoming, wish I had the names of all who registered, but there were close to 320 who did register and a lot that didn't. We think there was close to 500 at homecoming.

CITIZEN of The MONTH

We at the First National Bank of Rotan salute H. Govan as the Citizen of the Month for the month of November. This extraordinary individual will be remembered for the uncountless hours he has devoted to assisting with the Rotan Yellowhammer football team. H. Govan has been the trainer for approximately 47 years. He has taken care of the boys, seen that the equipment and medical supplies are available, carried water during time-outs and generally supervised the boys care from the sideline.

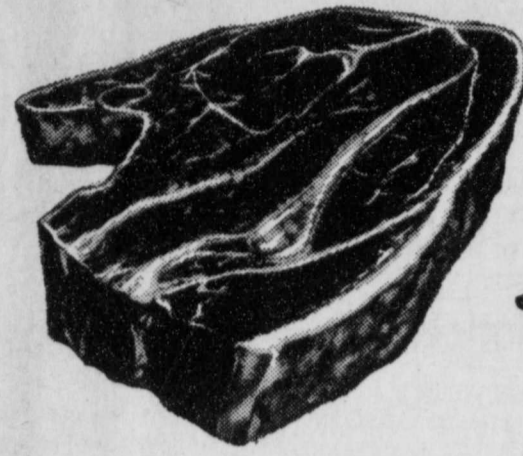

H. Govan first came to Rotan in 1919. He married Teresie King in 1920 and they have one married daughter, Birdie Rosetta Hendley of Odessa, Texas.

H. Govan and his wife are members of the Little Zion Baptist Church in Rotan.

We at the Rotan First National Bank take pleasure in saluting H. Govan as the Citizen of the Month for the month of November. His unselfish dedication to helping youth will always be remembered. Thanks.

Mrs. Houghton Succumbs At 66 In Rotan

Mrs. J. T. Houghton, 66, a long time resident of Fisher County, died at 5:45 a. m. Sunday in Callan Hospital in Rotan after a long illness.

Funeral was held at 2:00 p. m. Monday in the First United Methodist Church in Roby with the Rev. Homer Salley, pastor, officiating.

Burial was in the Roby Cemetery under direction of Weathersbee Funeral Home.

She was the former Virgie Kate Green and was born Jan. 21, 1905 in Ft. Bend County. She married J. T. Houghton July 29, 1922 in Hamlin. They moved to the McCauley community in Fisher County in 1923 from Jones County. They moved into Roby in 1946.

Survivors are her husband of the home; one daughter, Mrs. Charles Nelson of Dallas; three brothers, Cecil Green of San Diego, Calif., Otis Green of Lamesa and Jasper Green of Houston; four sisters, Mrs. Clarence (Fay) Cloninger and Mrs. Sam (Elsie) Grandy, both of Ft. Worth, Mrs. Mildred Brayton of Austin and Mrs. George (Dorothy) Hanks of Hobbs, N. M.

Pallbearers were N. D. Miers, Carl Murff, Pete Deel, John Matthews, Rex Kemp, and J. L. Savage.

Card of Thanks

We wish to express our sincere thanks to everyone that helped Mrs. Claudia Brown through the passing of her husband, L. A. Brown. Mr. and Mrs. Palmer Hunt and family Walter Cowan and family

Flash-Bits from Fisher County Nursing Home

Well Halloween has come and gone and the spooks didn't get any of us. We're all still a-going.

We are very happy for our Mrs. Shelton who was crowned Homecoming Queen at Roby Friday. She is still on cloud 9.

Mrs. Collins is still in Callan Hospital and not doing too well. Joe Ogle entered the hospital Monday and will undergo surgery Tuesday.

Happy Birthday this week to Mrs. Annie Tillotson who will celebrate her 91st birthday on Nov. 4 and to Joe Ogle who will be 80 years old on Nov. 7th.

Visiting with us this week were Mr. and Mrs. O. B. Williamson of Stephenville to visit Julie Harris and Lee Williams. Mr. and Mrs. Dick Maberry of Hamlin visited with Mrs. Shaw; Mr. and Mrs. Roy Kimzey of Roby visited with his mother, Mable Kimzey, and L. C. Ivy of Brownfield visited with Mrs. Roxy Ivy. Visiting with Lee Williams were Ricky Williams of Levelland, Mr. and Mrs. Randy Williams of McKinney, Mr. and Mrs. J. D. Kincaid of Hobbs and Mrs. Pauline Hornsbarger of Sweetwater.

Mrs. Hotton's visitors this week have included Mr. and Mrs. Perry Horton of Arizona, Edith Stockton of Abilene, Mrs. Clay Bunn of Roby and Mr. and Mrs. Buster Wright and Bobby Wright of Hobbs.

Many thanks to the Mary Martha Sunday School Class at First Baptist Church in Aspermont for the delicious home made cake.

Enjoyed having the little children from First Baptist Church who came Sunday night and brought the Halloween treats.

4-H AWARD WINNERS. Front, left to right, Kerry Waddell, Vickie Shipp, Michelle Cox, Sylvia Gaona, Lois Ann Cauble, Standing in back, Revis Cauble.

Rotan WMS Hold Monthly Meeting

The Rotan WMS met at the Crestview Lodge for the monthly meeting, October 27.

Mrs. C. E. Leon presided over the meeting. The singing was led by Mrs. Icie Hughes with Mrs. M. D. Ivy at the piano.

Mr. M. D. Ivy presented a very thought provoking message "Pass It On", after which he sang the old beautiful hymn "Pass It On".

November 1, the WMS met at First Baptist Church for a mission program, with Mrs. V. B. Murphy in charge. Her subject was "Unconventional Witness".

The week of prayer will be Nov. 28-Dec. 5 for Foreign Mission Lottie Moon Christmas offering. Theme for the week will be "Expect/Attempt".

Next meeting for the WMS will be at the Fisher County Nursing Home Nov. 10th.

Who's New

Mr. and Mrs. Tom Schliesing of Uvalde are the proud parents of a daughter, Lonelle Marie Roxann, born at Methodist Hospital, San Antonio at 4:45 p. m. Oct. 28. She weighed 8 lbs. 1 ox. The maternal grandparents are H. T. and the late Lonelle Fillingim, and the paternal grandparents are Mr. and Mrs. W. P. Schliesing of San Antonio.

COUNTY AGENT NEWS

By Richard Spencer

Texas agriculture produces an abundance of food and fiber each year, so consumers are blessed with a plentiful and high quality supply of products. Thus, it's appropriate to reflect on the agricultural industry in the state in preparation for Food and Fiber Abundance Week in Texas, November 15-21.

Cash receipts from farm marketings during 1970 totaled \$3.1 billion with \$1.9 billion coming from livestock and livestock products and the remainder from crops. Total cash receipts are expected to reach the \$3.76 billion mark in 1976.

Agriculture is one of the most efficient sectors of the economy. In 1970, each farm worker supplied himself and 46 other persons with food and fiber needs.

Texas consumers are continuing to get a bargain in the food market. The average consumer spent 16.5 percent of his disposable income for food in 1970. Over the past 10 years, the amount of disposable income spent for food has decreased 19 percent. In the meantime, per capita food consumption increased 19 percent.

The overall agricultural industry has a tremendous impact on the total economy of the state, adding almost \$10 billion annually. Recent studies show that agriculture has a multiplier effect of 2.7. Therefore, if agricultural income increased \$1 million, then the total economy of Texas would increase \$2.7 million.

Texas generally ranks third in the United States in total crop and livestock cash receipts after California and Iowa. Texas is the leading producer of cotton, grain sorghum and several other crops and leads in all cattle, beef cattle, sheep and wool, and goats and mohair.

Fisher County now has an agricultural income of over \$8 million annually. It is projected that the agricultural income will be over \$10 million by 1976.

Hybrid sorghum-sudan pastures, fast growing and excellent forage for livestock, can also be deadly during the fall grazing season.

The plant's own enzymes break down plant material and this results in prussic acid poisoning for animals which eat the forage. The actual agent causing death is hydrogen cyanide.

Prussic acid poisoning generally occurs at two times. It is especially prevalent after a frost has damaged plants. Also, poisoning occurs when plants perk up and begin fast growth after a very droughty period.

Hay that is improperly cured can also present prussic acid poisoning problems for a short time.

Hydrogen cyanide is very volatile and therefore stays in the plants for only a short time. But while it is present, animals must be kept off the pasture for a few days.

In severe cases, cows exhibiting symptoms when the veterinarian is called may be dead before he can arrive. He will probably be able to save only those which are still breathing.

Farmers and ranchers should

Geo. McDonald Elected To Baptist Board

George R. McDonald of Rotan was elected to a major position on a Texas Baptist board recently during the annual meeting of the 1.9 million-member Baptist General Convention of Texas. McDonald was elected to the 192-member Executive Board which is comprised of laymen and ordained church leaders from across Texas and conducts the business of the BGCT between annual sessions. Mr. McDonald is administrator of Callan Hospital and partner and manager of Clinic Pharmacy in Rotan.

Nancy Wall Named McCaulley Queen

During half-time activities of the McCaulley-Fluvanna football game October 15, Nancy Wall was crowned Football Sweetheart. Nancy is a senior and a very fine athlete. She is a cheerleader this year. Eddie Gibson, Football Hero, was also honored.

Homecoming at McCaulley was well attended with more than 100 persons attending the dinner preceding the ball game, and many more exes and fans from surrounding communities who had once been residents of McCaulley attended the football game. McCaulley led the victory over Fluvanna 40-20.

Howard Faught, president of the Ex-Student's Association awarded a gift to Larry Smart for traveling the most miles to

attend the Homecoming. Larry is stationed at Fort Benning, Fla. Graduating classes, dating back to 1913 were represented. The 1913 class was represented by Maudie Fancher Barton; 1918 by Eula Fancher McHone; and Ellen Peacock Galloway; 1923 by R. B. Hennington; 1924 by Hollis Madden; 1928 by Mrs. P. H. Buser (Emma Mae Green) and Howell Buser, teacher in 1932. Buford Dean represented the 1926 class; Mrs. Ruth Kemp Crance the class of 1928; Emma Hopkins Poindexter, 1927; and many others represented classes of more recent years.

New officers elected for next year's Homecoming are: Bobby Smith, President; Marlon Reed, 1st Vice President; Ricky Jeffrey, 2nd Vice President; Prescilla Smith, Secretary and Vicky Smart, Treasurer.

Card of Thanks

To the Roby exes and the Citizens Award Committee,

Thank you very much for the beautiful tribute you gave me Saturday. I loved every word spoken; but you did not tell all the truth. I am truly grateful that you forgot the many times I lost my patience and temper with you; the times I threw my voice and other things at you; the times I failed to take time to listen to you and your problems; the times I worked you too hard and too long; and the times I was really an old witch.

No one can really earn an award such as you gave me. But I'm happy you looked through eyes of love and bestowed the honor on me. With such memories as you have given me, I can never be lonely. I love you.

Lena Head Hughey

The best way to face the day is with a Hatahoe breakfast. Served Monday thru Saturday.

FISHER COUNTY RECIPES The Elf's Corner

Send your recipes to
The Elf's Corner, Drawer A, Rotan, Texas 79546

This is second-time around for those left overs---and some time we will find they are even better second time around. If you have a picnic ham or regular ham cooked and need to use it, how about a ham patty recipe and possibly a jellied entree that could be used for a buffet luncheon even. Grind about five (5) cups ham and use about 3 cups for patties and the 2 cups for a congealed dish. The patties may be mixed and chilled ahead of time and of course the congealed dish may be made a day ahead.

Now lets have a big loaf of Pumpkin Nut Bread to serve hot with either patties or congealed dish. Here they are.

"HAM PATTIES"

- | | |
|--|--------------------------|
| 3 cups ground cooked ham | 1 t. dry mustard |
| 1/2 cup long grain rice, cooked (1-1/2 cups) | 1/2 cup tomato juice |
| 1/4 cup chopped celery | 1 beaten egg |
| 2 T. Chopped green pepper, | 1 T. water |
| 2 T. cooking oil | 1/2 c. fine bread crumbs |
| 2 T. All purpose flour | 2 T. cooking oil |
| | 2 T. chopped onion |

Combine ground ham and rice. Cook celery, onion, and green pepper in the first 2 tablespoons oil till tender but not brown. Blend flour, dry mustard and a dash of pepper into the vegetable mixture; add tomato juice, cook and stir till very thick and bubbly. Add to ham mixture, mixing well then chill. Combine beaten egg and water. Form ham mixture into 8 patties, dip in egg mixture, then in bread crumbs. In skillet, cook patties in the other 2 T. oil over medium heat till browned, 3 to 4 minutes on each side. Serve with "Easy Hollandaise Sauce".

"SAUCE"

Combine one 8-3/4 ounce can ready to serve hollandaise sauce with 1/4 cup dairy sour cream. Heat and stir over low heat or make your own hollandaise and add sour cream. Makes four servings.

"CONGEALING HAM SALAD"

- | | |
|--------------------------------|--------------------------------------|
| 2 envelopes unflavored gelatin | 1/2 cup mayonaisse or salad dressing |
| 1 cup cold water | |
| 1 t. dry mustard | 2 T. sliced green onion |
| 1-1/4 cups chicken broth | 1 t. prepared horseradish |
| 2 beaten eggs | 1 cup whipping cream |
| 2 cups ground cooked ham | |

Soften gelatin in cold water; set aside. Dissolve mustard in small amount of the chicken broth; combine with the remaining broth and eggs in sauce pan. Cook and stir over low heat till mixture thickens slightly, 7 to 8 minutes. Add softened gelatin; stir till dissolved. Beat in ham, mayonaisse and horseradish (if you dislike horseradish omit it). Chill until mixture is partially set. Whip cream, fold into ham mixture. Turn into mold. Chill until set, unmold when ready to serve. Trim with lettuce, 8 to 10 servings.

Before I forget, here is a delicious "Ham Sauce" for the salad, if you want to use it.

- | | |
|------------------------|-----------------------|
| 1 can Eagle Brand Milk | 1/2 cup vinegar |
| 1 beaten egg | 1 t. prepared mustard |
- Mix and blend together and serve with any ham.

"PUMPKIN NUT BREAD"

- | | |
|---------------------|-------------------------|
| 2 cups sifted flour | 1 c. solid pack pumpkin |
| 2 t. baking powder | 1 c. sugar |
| 1/2 t. soda | 1/2 c. milk |
| 1 t. cinnamon | 2 eggs |
| 1/2 t. nutmeg | 1 c. chopped pecans |
- Sift together first 6 ingredients

1 t. salt
Sift together first 6 ingredients. Combine pumpkin, sugar, milk and eggs in mixing bowl. Add dry ingredients and butter, mix until well blended. Stir in nuts. Spread in well greased 9x5x3 loaf pan. Bake in 350 deg. oven for 45-55 minutes or until tooth pick inserted in center come out clean. Makes 1 loaf or double recipe and freeze one loaf.

This week we have a recipe from one of our friends and we want to share this with all our readers. Mrs. Lester Greenway has complimented us by sending one of her favorite recipes.

We certainly hope you will send in a household hint, recipe, or suggesting on improving this column. Here is Mrs. Greenway's recipe--lets all try it.

HOT ROLLS"

- | | |
|--------------------------------------|---|
| 1 dry yeast cake or 1 pkg. dry yeast | 3 T. Grease |
| 1 cup sugar | 1 qt. plus 1 cup warm water about 13 cups flour |

1 t. salt
Mix ingredients (in any order, it makes no difference). Store covered in refrigerator and pinch off amount needed, as you wish. For sweet rolls, use cinnamon and pecans and sugar for topping.

Until later,.....

FULL OR PART-TIME SALES, MALE OR FEMALE, FIELD ENTERPRISES EDUCATIONAL CORPORATION
World Book is now hiring for part or full time sales work in Rotan-Roby area. As a representative you can earn your set of World Book, Childcraft, Dictionary, Atlas and Cyclo-teacher, plus an average commission of \$50.00 per sale. No investment required. Two Attend DAR Workshop Savings Bond Sales At 68% Of 1971 Goal

Miss Della Baird and Mrs. Jas. B. Day attended the Division Workshop of the Texas Society, Daughters of the American Revolution, which convened in Graham, Texas November 29. This was one of a series of five workshops held in various parts of the state giving the members an opportunity to meet state officers and state committee chairmen and to learn more about the work of the society.

The meeting was held in the Graham Women's Club with luncheon meeting at the Gateway Inn. Miss Baird was among state committee chairmen reporting at the afternoon session.

Miss Baird, immediate past regent of Nancy Harper Chapter, is presently serving as chapter vice regent and is chairman of the American Indians Committee; Mrs. Day is chapter chairman of the DAR Service to Veteran Patients Committee.

Roby WMU Holds Meeting

The WMU met Tuesday, Oct. 26, at 2:30 p. m. at the First Baptist Church of Roby.

The meeting opened with the members singing, "Come Thou of Every Blessing". Mrs. William Hughey was at the piano, and Mrs. J. G. Warshaw led the singing.

The "Call to Prayer" was brought by Mrs. Hutch Carter. Prayers were said for missionaries whose birthdays were on Oct. 26.

Mrs. Hughey taught the Mission Book, "New Drums over Africa."

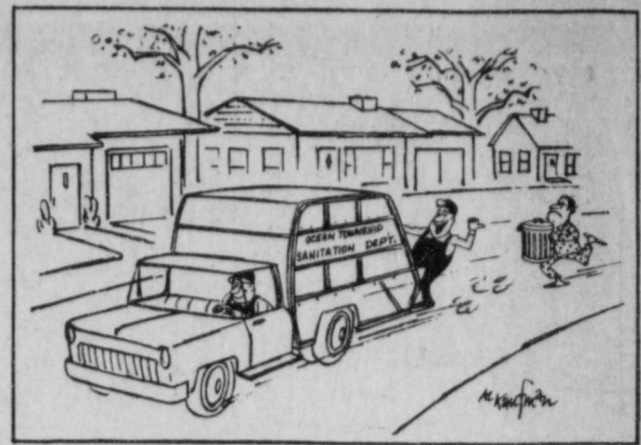

The meeting came to a close with everyone singing the WMU hymn for the year, "All Hail the Power of Jesus Name", and Mrs. Charles Smallwood saying the closing prayer.

When a person is misguided, he likes to blame his situation on someone else. Usually, he is merely swayed by his own arguments.—James H. Russell, The Belton (Tex.) Journal.

Remember when \$20 worth of groceries would hardly fit into the trunk of your car? Now it fits in the glove compartment.—Wm. R. Davis, Three Forks (Mont.) Herald.

Modern music is okay, but why did it have to come in our time.—Jim Thompson, The Madison (Ohio) Press.

Card Of Thanks

I want to thank the hundreds of people from this county and surrounding counties for the cards, flowers, visits and fellowship that I received during my illness. It is impossible to personally thank each of you, although each of you has played a big part in my recovery. Since the first accident of August 3rd, I have come to appreciate so much my many loyal friends who have tried to comfort me and members of my family.

Please accept this short note of thanks, remembering that we will always cherish the memory of this time when so many friends came to our assistance.

God Bless Each Of You,
H. L. Davis

County Coaches Comment

Rotan by Charlie Davis

We made too many mistakes to beat a team like Stamford. Everytime a mistake occurred, Stamford would capitalize on it. That is about the only thing I can say about the game last week.

Head Hunter awards went to Bruce Jones, William Duke, David Markham, and Gary Powell.

We did not receive any serious injury from the Friday night game, except for some minor bruises.

The boys worked real hard Monday, they know if we beat Haskell, we still have a chance for District.

Last week our Freshmen beat Stamford's Freshmen 32-0. This Tuesday our 7th and 8th grade played Hamlin here. Our Freshmen play Haskell Thursday at 6:00 p. m.

Roby by Ted Posey

I preach to our boys that it doesn't matter whether you win or lose; it's how you play the game that counts. I dare not mention one boy's name with calling each one's name for outstanding effort. I began thinking about one outstanding effort and another comes to mind. All of the boys played a fine game.

Jayton made 94 yards rushing the first half and with a little adjustment at halftime they made about 30 yards the second half. I am to blame here because I put our best 140 pound linebacker up against their best offensive lineman, a 235 lb. boy and they just overpowered us on each play. About three plays before they scored their first touchdown. I moved our only big boy in front of "Big Jim Phillips" at 6'4" and this helped to slow their offense.

Jayton made one big play in the third quarter that beat us. Kiser, our defensive safety left the game in the second quarter due to an injury, and Jayton slips two ends behind our secondary 10 yards deeper than our defense, due to fine faking by Brad Dibrell, their quarterback. I don't believe our boys knew anyone was behind them until the ball was thrown in the air and the wonder ed, "who's that?" Jayton's two ends were wide open in the end zone.

Pack Beauchamp received a leg injury and will probably be out for the year. Mark Kiser should be ready by tomorrow night. Other than that we only have minor burises from our game with Jayton.

We have not scouted Sands our opponent this Friday; but one of our ex's George Price who is coaching at O' Donnell sent us their scout report. It appears Sands will be smaller than the Roby boys. Can you believe that? We both put perfect records on the line tomorrow night, so somebody has got to come out the winner.

I would like to acknowledge the fine assistance I have had the last few weeks from Larry Williamson who does some scouting for me. We also had a pleasant surprise last Thursday during workouts, you guessed it, the milkman showed up. He may have been spying for Jayton.

I remain amazed at the support we are getting from last years seniors. I believe every football boy that played for us last year was on the side lines. Douglas, Knox, Noles, Holcomb, McClure, Wetsel and McWhirter.

Also, I would like to remind you of our girls A and B basketball game with Hawley, Tuesday, November 2, to be played at Roby. The B game begins at 6:30 p. m.

McCaulley by Norman Pond

What can be said after a game like we had last Friday night? Highland proved to be all we had expected them to be and a little more, as they defeated the McCaulley Eagles 44-4. The only bright spot in the game for the Eagles (offensively) came in the second quarter as Daniel Benavides split the uprights with a 42 yard field goal, his first of the season. Daniel was also the outstanding defensive player of the night picking off 2 Highland passes and making 13 tackles. James Griffin again played a fine defensive game as he turned in 11 tackles.

I was fairly well pleased with the Eagle defense after we finally got out of the hole. Highland won the toss and chose the wind and we never got past our 20 yard line in the first quarter with the exception of one time due to a 15 yard penalty to Highland. Highland took advantage of wonderful field position to notch up 28 points in that quarter. The second quarter was much better as the Eagles held Highland twice on fourth down situations. The score was 34-4 at halftime. The second half promised to be better yet until fumbles and silly mistakes ate up the clock and then there's no way of playing catch-up football in a wind like that.

One thing that was good about that game, however, is that we came out of it uninjured for the first time this season.

The Eagles travel to Blackwell this week where they meet the 1-4 Hornets. The Hornets have a tough team and always give McCaulley a tough time. The Eagles are 2-3 in conference now and I hope to pull up even this week with a big win over Blackwell. Beat Blackwell!!!

Hobbs by Larry Rose

A streak of bad luck ended Hobbs' winning streak at two as the Ira Bulldogs rode lady luck to a 35-14 victory.

The 1st bad break for the Panthers came on their 2nd offensive possession as Mike Hull, senior quarterback, suffered a broken shoulder. Later, a fumble at the goal line cost the Panthers a sure TD, then to cap off a bad night, the officials blew a play dead when they saw who they thought was the ball carrier go down. However, the actual ball carrier, David Martinez sailed virtually untouched into the end zone, but the TD was lost because of the fast whistle.

This week we host Hermligh in our last home game, hoping to start a new winning streak.

As It Looks From Here

By Congressman Omar Burleson

The Acceptance of the Administration's wage-price freeze has been almost phenomenal. According to official estimates between 70 and 75 percent of the people approved the President's initial action in setting up Phase I. There appears to be just as strong support for Phase II. Of course, those who had an agreement on wage or salary increases were disappointed and it is not difficult to understand their feeling. Many had depended on a raise and had planned their affairs accordingly.

Generally, however, consumers are so fed up with constantly increasing prices that they are willing to submit to controls of any kind. Most of the biggest businesses in the Country endorsed controls and some executives and economists even suggested a ceiling on profits and interest rates. The only trouble here is that no one could really come up with any satisfactory plan of making it work. The prevailing argument has been that if wages and prices are successfully controlled, profits and interest rates will adjust in the economic process. Although not enough time has elapsed there are some signs to indicate it may be working in this direction.

Having said this, there is a fear and concern on the part of many

that temporary controls may turn out to be something permanent. Within government has been heard-- "They may say they (the people) will take an administered economy after 45 to 60 days of it but this attitude will change after about 90 days." Those of this opinion feel certain that after a year's experience under controls people will want no more of it. They cite what happened in the 40's and 50's when controls were imposed. At first the reaction was accepted and supported as a necessary evil. At the present time, there is recognition that runaway inflation must be checked and that "something is being done." It furnishes a comfortable feeling.

The rub comes when the controllers start to make "adjustments". Not everyone is going to be happy if they are "adjusted" and pretty soon probably no one is going to like it.

Government administrators say they see "a million problems involved." After the new wears off and there is less cooperation from business and individuals the problem of enforcement will be immense. Whereas now there is good voluntary response, the time will likely come when it will take an army of enforcers and there are never enough. This is when the going will be rough, even with past efforts showing favorable results. During World War II the OPA employed about 70 thousand people and those old enough to remember will recall the black marketeering that became rampant. Even under patriotic influence prevailing at that time many simply didn't respect what they considered to be undue and burdensome controls. The obedience to controls became something like our conscience towards violating traffic laws or some other laws we feel the violation of which is really no violation at all. Laws not respected are difficult to enforce.

Who is really smart enough to figure out equitable "adjustments" on every segment in our vast economy? It is a question which will occur more and more if controls are extended indefinitely.

We can only hope at this point and time that controls issued with Phase II will cool inflation to a tolerable level before public support cools.

Imagine what might happen if the Country had a permanent system of price and wage controls. It's no joke but remember the fellow with a bear by the tail going around and around a tree? A friend who managed to climb the tree to safety shouted down to ask if he should come down and help hold the bear. His companion said not but he could come down and help him turn him loose. So with a controlled economy--just as soon as prices are stabilized and unemployment reduced to an acceptable level, the economy should be turned loose.

Round Roby

by Pansy Hale

Well, another Homecoming, a lot of greetings, hand shakes and laughter. Everyone seemed to be so glad to come home, and to see old friends and classmates. The weather man turned out to be on our side, as we had beautiful weather for the ball game and the Saturday events, which went off like clock work. Even though a few problems came up, they were ironed out. We missed Fila Melton Campbell, but so glad she is doing so well, and Fila, I'll be to see you one of these days.

Here, I would like to thank Carolyn Simmons, sponsor of the senior class, for the tremendous things they did for our Homecoming. They put out a lot of work, and I think the main thing was the half-time preparation, which was one of the prettiest I have ever seen at any homecoming. It made our Homecoming Queen really a Queen, such a lovely person she it too, Mrs. H. C. (Stella) Shelton, and the Homecoming King Ike Jay really out did themselves on being there all day Saturday to take part.

Lena Head Hughey, congratulations, every eye was filled with tears, and she could not talk for being so grateful for receiving the award she so duly deserved, as everyone loves Lena. Well, I can't say enough for the Homecoming Officers and their committees for the outstanding job they did, but here goes. Thank You!

I would like to thank everyone too, for helping me get out a Homecoming paper, your efforts in getting me your pictures, and the information for the ads that helped make the paper. To Kim for being so patient with me, and for his nice compliment. I'll close this week with this little remark, see you next homecoming.

The goblins worked overtime in Roby Sunday night. I must say it took a lot of work, but they had fun, but good clean fun.

Direct Dialing To Mexico City Coming

Southwestern Bell customers in Texas will be able to dial calls direct to Mexico City starting November 7.

"The new service promises new speed and convenience for many customers," said H. D. Schodde, vice president of Southwestern Bell operations in the state. "Texans place an average of 9,000 calls to Mexico every business day."

Schodde said dialing direct to Mexico City would be similar to dialing station-to-station calls to points in the United States. "Both seven and eight-digit telephone numbers in Mexico

City," Schodde continued, "all the customer has to do is dial 1, plus 90, plus the eight-digit number. That's all there is to it."

The new service will also be available to Southwestern Bell customers in Oklahoma, Arkansas, Kansas and Missouri, he continued.

Other Bell System companies that will inaugurate direct dialing to Mexico City on November 7 include Illinois Bell, Pacific Telephone, Northwestern Bell and Cincinnati Bell. The service will be extended by other companies on a gradual basis.
