

Posey Says: "Depth Picture Looking Darker"

ROBY LIONS LOSE SEVEN RETURNING LETTERMEN

"The football picture changes from day to day", said Roby's Head Football Coach Ted Posey, "but it seems as we get closer to opening day, the depth picture looks darker". Posey was referring to a rash of incidents that have forced key players to the sidelines leaving gaping holes in the Lion's offensive and defensive machine.

"We were to have 19 returning lettermen this year," Posey pointed out, "but in the last several weeks we lost 7 of those returning players". Sophomore letterman, Brad Etheredge, will be lost for the year after doctors ordered him to quit playing as a result of repeated asthma attacks. Sophomore Gary Park has a nagging leg injury that

has forced him to "hang up his cleats". Park was a letterman in his freshman year. Senior Steve Pursley discovered he has sugar diabetes recently which will end the football career for that former Roby letterman. Senior letterman Pilar Lujan quit school after getting married recently thus ending his football career. Two brothers that

both lettered on the 1972 Lion team, E. J. Carreon and Ray Carreon notified Coach Posey last Monday morning that they were going to have to quit football in order to work after school. E. J. is a senior and Ray a junior and both valuable players to the Lion Team. The final letterman was Roy Rivas. He lost his arm in an accident and is not yet ready for

full contact. Another player that Posey was counting on this year was Senior Gary Clark. He went to state competition last year in the discus throw and would certainly have been an asset to this year's team. Clark moved with his family to Pecos. "We've suffered some heavy losses, but we're not ready to throw in the towel", said Posey.

"We have a fine group of boys that will come through all right I'm confident of that". The Roby Lions beat Rochester 3-0 in a controlled scrimmage last Friday night. Flanker back Gilbert Brown snagged 2 TD passes from Dale Evers to give Roby the victory. The Lions are solid at the quarterback slot with three-year

letterman Dale Evers. He was on the All-Area squad last year on defense. Evers will wear #17 and tips the scales at 180. Behind Evers is Junior Gilbert Brown. Brown wears #16 and is the starting Lion flanker back. Donnie Stephens, the leading rusher from the 1972 squad, will be wearing #25 and holding down the right half-back spot. Stephens is a two-year letterman and weighs 140. Sophomore Carlos Jones lettered last year as defensive nose guard and this year won the starting berth at left halfback. Ricky Morton will back-up both Jones and Stephens. He is a freshman and will wear #23.

Gilbert Brown will start at flanker back backed up by Dwayne Rivers, 115 pound sophomore wearing #10. At the end positions Frank Castor and Paxton Beauchamp get the starting nod from Coach Posey's staff. Castor is a senior and last year's leading receiver; Beauchamp is a junior and was injured in the seventh game of the season last year. Others listed at the end position include Joe Green, Mark Pruitt, both freshmen, and sophomore Richard Gaona. At the tackle spot senior David Clark is the only player

secure in his starting spot. Clark is a 175-pound senior and made the All-District team last year on defense. Others listed at tackle are sophomores Craig Randolph and Bob Fournier, and freshmen Jesse Castor, Andy Webb and Rod Whitfill. At guard, Chad Holcomb, junior, 160 pounds, and freshman Stephen Evers look like probable starters in the Rochester clash. Roy Rivas could be a lot of help at guard toward the middle of the season. Freshman Monte Pope is listed as back-up guard. James Park has the starting center spot. He is a senior, 175, and looks real strong at the position. Head Coach Ted Posey, Line Coach Paul Mitchell and Backfield Coach Walter Holk, Jr., will pit their players against Rochester at 5:30 p. m., Friday September 31. Posey indicated that the strong teams in the district appear to be Jayton and Bronte. "We are short on depth and weak at one of the tackle spots," said Posey. "Our strongest asset is that we have some determined football players that want to win and this should carry us a long way".

County Employee Pay Raise Mentioned Each Precinct Could Get \$78,207. In 1974 Budget

Fisher County Auditor Al Finch presented a rough breakdown to Commissioners last Monday concerning the placement of the

1974, Fisher County should receive about \$332,500.00 in tax dollars. Finch estimated the net ad valorem tax amount at approximately

\$308,500 after discounts, commissions, etc. This amount is to be divided into various funds.

Finch suggested to commissioners that the 1974 budget breakdown be set up in the following manner: The general fund would receive 50%; jury fund 1%; road and bridge fund 2%; 1966 permanent improvement fund 1-1/2% and the certificates of obligation 16-1/2% of each 95% in ad valorem taxes.

Fisher County Commissioners voted last Monday morning to earmark \$100,000.00 of the \$127,460.00 in Federal Revenue sharing money for the period July 1, 1973 to June 30, 1974 into the commissioner's Road and Bridge Fund, which includes road and bridge, machinery, improvements and maintenance.

The remaining \$27,460 is to be spent in area of multi-government general purpose priority expenditures. Each Commissioner will receive an estimated \$78,207.00 for the operation of his respective precinct in 1974. \$25,000 will come from revenue sharing funds; \$21,107 from ad valorem

Commissioners To Make Key Decisions September 10th

Fisher County Commissioners approved the final "change order" last Monday on the new Fisher County Court House. The latest order called for installing carpet throughout the court house instead of the originally planned tile. The change order was for approximately \$13,000 but this figure included several other minor changes in other areas. The total amount of the change order issued amounted to approximately \$17,000.00.

Fisher County Judge Dwight Lovett informed commissioners last Monday of several projects that are to need action in the near future. He read a letter to commissioners from the Texas Sports, Fisheries and Wildlife Commission alerting them to a possible increase in salary for the Fisher County Trapper. The letter indicated that the county may have to increase their share of the trappers salary by as much as \$25.00 per month. Judge Lovett also informed commissioners that Justice of the Peace, Jeff Simmons, was requesting a part-time secretary to assist him in his office. Simmons cited that he has collected as many fines (\$14,444.00) through the first seven months of 1973 as he did through all of 1972 (\$14,311.40).

Richard Spencer, Fisher County Agent, also requested some part-time help in preparing the livestock for the spring show circuit. He specifically wanted help with the shows at Sweetwater, Abilene, Fort Worth, San Antonio and Houston. The estimated cost of the help if approved would cost the county \$525.00.

Commissioners voted to keep the election judges and assistants for special and general elections the same as in years past with one exception. Judge Theda Finch had requested that

New Court House Ready

The new Fisher County Court House is 99% completed and should be ready for occupancy around September 7th. Fisher County Judge Dwight Lovett reported to commissioners last Monday morning that about the only major project left to be completed is the large triangular planter inside the court house. Nurserymen should have this completed this week. James Scogging, the inspect-

ing architect is to have his first walk-through inspection on September 4. He will at that time prepare a list of items that need to be fixed by the contractor before turning the keys over to county officials. County officials plan to move into the court house around September 7. The official open house will not be held until after the new office furniture arrives in six to seven weeks.

Big Orange Machine Beats Eastland 2-1 Rotan Squads Scrimmage Seymour

Rotan football fans will get their final pre-season look at all three Rotan teams this Friday night when the Yellowhammers face Seymour in the final controlled scrimmage. The game will begin at 6:00 p. m., with the freshman scrimmage. At 7:00 the "B" team will play with the varsity taking the field at 8:00 p. m. "I was real pleased with the way the boys got after it against Eastland," said Head Coach Charlie Russell. "We made a lot of mistakes, but they were honest ones and to be expected this early in the season".

"We made a lot of mistakes, but they were honest ones and to be expected this early in the season".

"In order for us to be winners we have to continue improving each week and working as one team", said Russell. "When we begin playing solidly as a team, believing in each other, unquestionably to the extent that all ten teammates have faith that the eleventh is going to execute then we'll have moved a giant step toward being in the race for a winning season", concluded Russell. Offensively Russell singled out the performance of Joe Murphree on the line and Bobby Rodgers and Jerry Gentry in the backfield. All three turned in good performances against Eastland.

Mike Cade returned to the squad last Monday and according to Coach Russell will be playing at wing back. Cade has been unable to practice for the last month because of an illness and will need several weeks to get back in shape.

Janet Callan First In F.C. Jackpot Race

There were 19 Fisher County Jackpot Barrel racers competing this year at the Roby Rodeo. First place went to Janet Callan with a time of 18.92; Melody Walker placed 2nd with a time of 19.78; 3rd place, Randy Etheredge, 19.99; and 4th, Cheryl Terry, 19.98.

Tommy Frierson New Roby Rough Rider President

The Roby Rough Riders called a special meeting Wednesday, August 22, at 8:00 p.m. at John Kiker's place. The purpose of the meeting was to pass out the new parade riding equipment for the Roby rodeo parade. The new equipment consists of matching red and white head-stall, reins and mountie tie-downs. The club purchased 40 sets for the coming year.

It was suggested that the Club elect new officers. The suggestion was made into a vote and passed. Five persons were nominated for president and Tommy Frierson was elected for the next riding year. Other officers are: Mike Terry, vice-president; Sharon Neighbors, secretary-treasurer; and Becca Frierson, parade chairman.

Twenty-four members were present at the meeting, they are: Danny Terry, Brad Boyd, Brad Stuart, Britt Stuart, Carlos Jotes, Linda Hoodenpyle, Mr. and Mrs. Monty Neighbors, Scarlett Stevens, Lisa Hoodenpyle, Renee Desbiens, Robert Terry, Kenneth Terry, Mr. and Mrs. Tommy Frierson, Paula Terry, Vickie Shipp, Jackie Shipp, Damon Shipp, Shelly Boyd, Connie Williamson, Linda Williamson, Valene Kiker, Shannon Neighbors, and Club Queen Kim Boyd. The group had watermelon for refreshments.

Several Attend Jennifer Gibson Rites In Toyah

Mrs. Lizzie Young, Georgia La Neta and Mrs. Billy Terry went to Toyah, Texas Saturday morning to attend graveside rites for Jennifer Lynn Gibson, 9-day old daughter of Mr. and Mrs. Lynn Gibson.

The child died Thursday in an El Paso hospital.

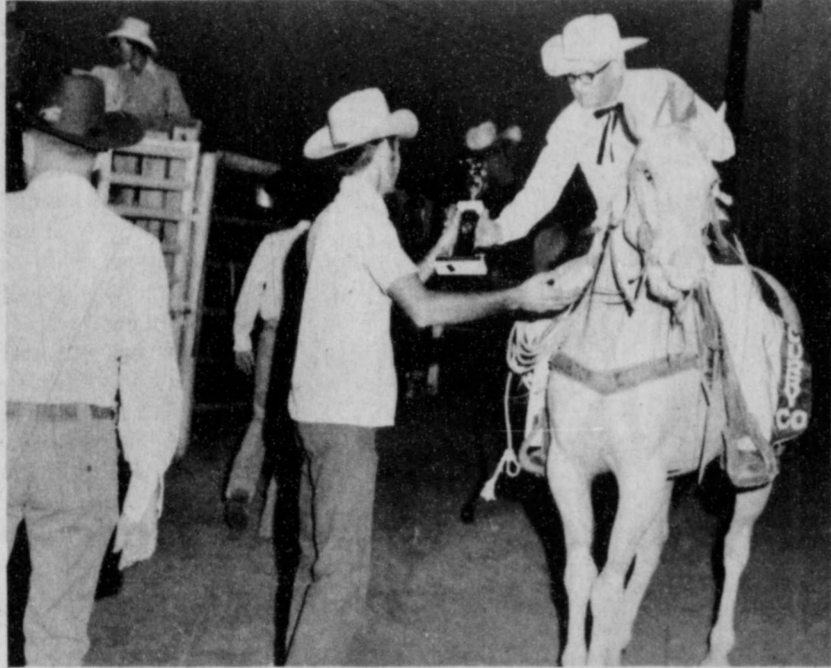

Survivors include her parents, one brother, Jason Lee; and grandparents, Mr. and Mrs. A.L. Gibson of Toyah and Mrs. Lizzie Young, Roby.

Hobbs Panthers Facing Long, Up-Hill Battle

It's going to be an uphill fight all the way for the Hobbs Panthers in the tough 3-B Six Man football district.

New Coach George Price, a 1966 graduate of Abilene Christian College, will head a team that didn't compete in football last year. Price has only two boys on his squad that have any experience and nine of the 15 candidates are freshmen.

Price recognizes that this will be a building year at Hobbs. He said the boys have good desire and overall team speed is good. Of course, the glaring weakness

is lack of experience. The Panthers also are comparatively small. The two boys with experience

are Joe Martinez, 155-pound back, who is the only senior on the team, and his cousin, David Martinez. He started as a sophomore but was injured early in the season. Since then, he's had an operation on some torn knee ligaments. Coach Price is hoping the knee will hold up.

David Martinez is a 150-pound junior back. He started as a freshman.

Only two other juniors are on the squad. They are Richard

Martin, 150, and Alfred Simmons, 185. Martin will be the quarterback this year while Simmons is a lineman.

There are only two sophomores on the team. They are Leo Soliz, 145, back, and Mac Rains, 220, lineman.

The group of frosh are Charles Wright, 115, back; Mike Martin, 115, end; James Hamilton, 145, center; Terry Porter, 140, end; Raymond Soto, 200, lineman; Clifford Teel, 130, lineman; Willis Ogden, 125, end; Oscar Garcia, 135, back-end; and, Derek Perkins, 140, end.

Coach Price said if he had to name a starting offensive unit it would include Joe Bob and David Martinez, Richard Martin, Leo Soliz, James Hamilton and Oscar Garcia.

Both Martinezes, Martin, Soliz and Garcia will see duty both ways. The other defensive hand is Raymond Soto.

Price has Assistant Coach Kenneth Wink, a 1964 graduate of Texas Tech, to help him. Wink has been at the Hobbs school 4 years and helped coach the team a couple of years. Price coached elementary

football in California and was girls basketball coach at O'Donnell.

The Panthers are in a tough district. O'Brien will be a heavy favorite to win the title. Other teams are from Trent, Leuders-Avoca, McCaulley, Highland, Weibert, Paint Creek and Benjamin.

Eugene Upshaw Receives Recognition For Labors

In recognition of past achievements, outstanding ability and service to community and state, Eugene Lawrence Upshaw has been selected to appear in the 1973 edition of Personalities of the South.

The Pecos County Juvenile and Probation officer, a position he has held since 1959, received notification of the honor recently from headquarters in Raleigh, N. C.

A native of Roby, Upshaw is the son of Mrs. W. B. Upshaw and the late W. B. Upshaw. He and his wife, Verna, who is a teacher at Alamo Elementary School, have one daughter, Sue, a sophomore at Ft. Stockton High School. Mrs. Upshaw is the daughter of Roy Kingsfield of Rotan.

Upshaw received his B.S. degree in sociology at Hardin-Simmons University and continued graduate work at Southwestern Baptist Theological Seminary. He has done in-service study and holds the Gold Seal Certificate, the highest rating in juvenile and probation work.

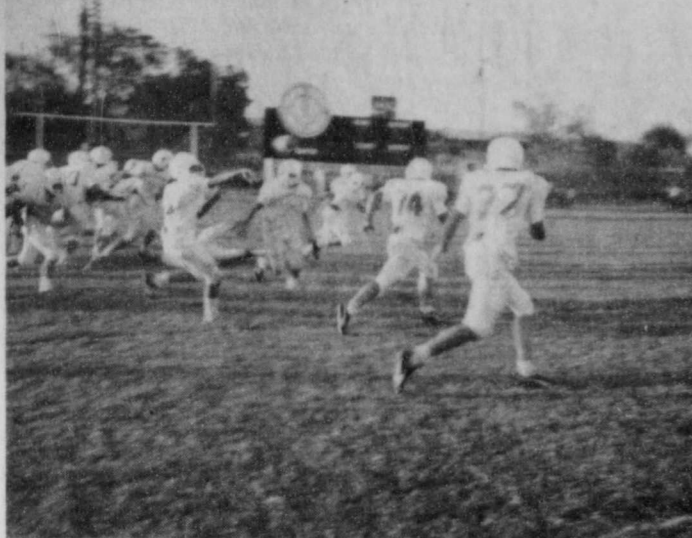

During his career as a juvenile and probation officer, Upshaw has served under five judges of the 112th and 83rd District Courts. He also serves Pecos County as Veterans Service Officer.

The selection was also based on memberships held by Upshaw, which include Texas Probation Officers Assn., Texas Juvenile Officers Assn., Periman Basin Juvenile Council, Big Bend Law Enforcement Assn., Criminal Justice Advisory Committee, of Periman Basin Regional Planning Commission and Veteran Service Officers Assn. of Texas. Special services listed were five years as counselor of the Texas Attorney General's Conference on children and youth and qualification as a Texas Education Agency-approved instructor in police science. He

has taught extension courses for Howard County Junior College and Sul Ross State University.

Upshaw is a member of the Fort Stockton Chamber of Commerce, Pecos County Sheriff's Posse, Pecos County Livestock Assn. and is camp chairman of the Pecos County Salvation Army.

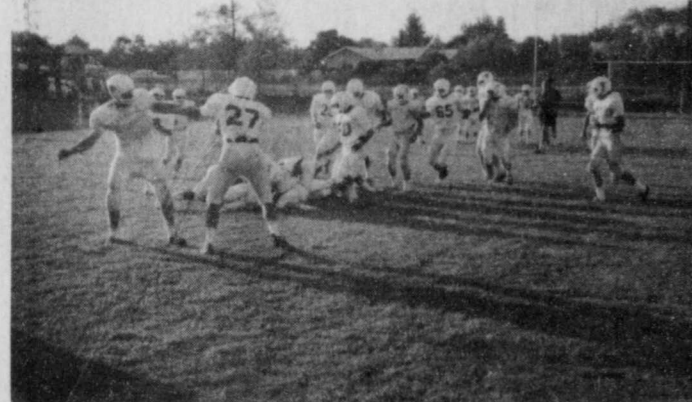

As a member of the First Baptist Church, Upshaw is a member of the choir, a trustee, a member of the lay speakers team and serves on the board of trustees of Piasano Baptist Encampment. He is a Mason and a 32nd degree Scottish Rite Shriner.

Odom's Shamrock Station Offers Gold Bond Stamps

Mr. and Mrs. Glen Odom have operated ODOM'S SHAMROCK STATION at 208 East Snyder in Rotan for the past three years. They offer a variety of services at the Station in addition to selling quality oil and gasoline for the motoring public. They are open for business six days a week, Monday through Saturday, from 8:30 a. m. until 8:00 p. m.

Mr. Odom says, "Pat is general flunky-- I couldn't run the operation without her help. We will wash and grease your car or truck, fix flats, change oil filters, and other services of this nature. We also handle a good line of tires."

Rotan Cotton Oil Mill for twenty-one years. He is a Veteran of the Korean War.

Mr. and Mrs. Odom say, "Rotan is our home. We like it here. We offer friendly service, quality products, and give valuable Gold Bond Stamps on your purchases. We appreciate your business and your friendship".

Rotan Meets Thursday, Roby On Friday.... Cub Scouts Registering

Both the Rotan and Roby Cub Scouts will be starting their fall programs this week. The Rotan Cub Scouts will meet on Thursday, August 30, at 7:00 p. m. in the Community Building at Rotan. Mr. Jerry Berry will be the cubmaster for the Cub Scouts. All boys, regardless of age, in the third, fourth and fifth grades are invited to attend and bring a parent. The Roby Cub Scouts will be under the leadership of Cayle Morgeson, cubmaster, and will meet on Friday, August 31, at 7:00 p. m. in the Willie Wired Hand Room at the Mid-west Electric Co-op in Roby. All boys in the third, fourth, and fifth grades are invited to attend and join the cub scouts. Cub Scouting is for boys in the third, fourth and fifth grades.

They meet once a week under the leadership of a den leader and wear the blue and gold uniform. The boys are divided into dens with five to eight boys per den. Both Rotan and Roby will have several dens of boys. When all dens come together for a meeting, usually in the evening and parents attend, this is called a pack meeting. At the pack meeting the boys receive awards and show off their projects done in den meetings during the month. Coming activities for the boys include a pushmobile race, pine-wood derby and scout show. The Cubs in Rotan and Roby have been very active and the Fall will be filled with fun and adventure for the Cubs.

Santana Yanez is a senior at Rotan High School. He is very active in FFA work whereby he has been on the Dairy Products Team which has gone to state two years in a row. His first year in Age we was on the 3rd place District FFA Quiz Team. Santana is the son of Mr. and Mrs. Thomas Yanez.

Young Farmers Convention Soon

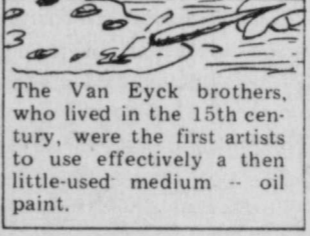

Young Farmers Area I officers met at Roby recently and completed plans for their convention Sept. 15 at the Stamford High School. President Tommie Jack Stuart said registration for the convention will begin at 10 a. m. at the high school at Stamford. Afterwards, a luncheon will be held at the Country Club from 11:30 to 12:30. General assembly will begin at 1 p. m. at the high school with the business meeting getting underway at 1:30 in the City Hall. Stuart said the registration fee will be \$4.00 for those who pre-register or \$4.50 at the door. Stuart asked that Young Farmer members, wives and guests be listed on the forms and said Young Homemakers Chapter should not be combined with Young Farmers without making special notation. The group's president said the registration fee does not cover the roast beef luncheon at the Country Club. The meal will cost an additional \$1.50 per plate for those attending. In the afternoon, John Barnes, assistant director of the FFA at Temple, will speak on agriculture futures and world market. Tommie E. Stuart, a vice president of First National Bank of Fort Worth, will discuss livestock futures. Wayne Frederick, state president of Young Farmers, will be present at the convention and Dan Gatties, executive secretary of Young Farmers, will tell of coming happenings of the organization.

Howard Davis Promoted To Air Force T/Sgt.

Howard W. Davis, nephew of Mr. and Mrs. O. M. Sparks, Rotan, has been promoted to technical sergeant in the U.S. Air Force. Sergeant Davis, a communications supervisor, is on duty at Columbus AFB, Miss., with a unit of the Air Force Communications Service. The sergeant, a 1951 graduate of Rotan High School, has completed a tour of duty in Vietnam. His wife is the former Carmen Tolentino.

Six Flags Begins Fall Weekend Schedule

Six Flags Over Texas began its final week of daily operation August 26 for the 1973 season. After Labor Day Six Flags will be open Saturdays and Sundays from 10 a. m. to 8 p. m. The weekend schedule will be in effect through December 2. All the more than 95 rides, shows and attractions will be in full operation for the weekend openings. Marked changes in landscape will give Six Flags a new look for fall. As cool weather approaches, the addition of more than 7,000 chrysanthemum plants will add a blaze of autumn color to the Park.

Senator Hightower Named To Legislative Council

Lieutenant Governor Bill Hobby has announced the re-appointment of Senator Jack Hightower of Vernon to the Texas Legislative Council. Also named were Senators William (Bill) Patman of Gando, Max Sherman of Amarillo, Jim Wallace of Houston, and Grant Jones of Abilene. Senators Hightower, Patman and Sherman are re-appointments to the council. The Legislative Council conducts research and drafts bills for members of the Texas Legislature. The Lieutenant Governor is chairman of the council, which consists of 10 representatives and a permanent staff.

Grain Sorghum Crop Tips

"Many Fisher County farmers are in the process of harvesting a better than average grain sorghum crop," states Gerald Harmon, Soil Conservationist with the Soil Conservation Service in Rotan.

"This increased production usually means that more residue will be available for erosion control during the winter and spring months," Harmon added. A yield of 2500 lbs. per acre from grain sorghum will normally leave approximately 3400 lbs. of residue per acre. Likewise a yield of 4000 lbs. per acre would leave approximately 5400 lbs. of residue per acre.

The residue, whether it is left standing or is incorporated into the top few inches of the soil, provides protection from wind and water erosion. Other benefits are improved soil structure and increased water holding capacity of the soil.

One method of handling the residue is to leave it standing, or shredded to within a few inches of the ground, and kill any regrowth with a contact herbicide. The following crop could then be planted into the standing residue next spring. This eliminates the need for several tillage operations and also saves valuable moisture that has been stored in the soil. This could

mean the difference in getting a crop planted at the optimum time or having to wait for the next rain. Herbicides are used to control weeds in place of several tillage operations.

Usually some special equipment, such as a fluted coult,

is needed to cut through residue and provide a two to three inch wide seedbed just ahead of the planter.

Farmers who would like to try this method of farming can obtain more information by talking with SCS personnel in Rotan.

The first successful steel walking plow was invented by John Lane in 1833.

ROTAN YELLOWHAMMERS HUDDLE

Personality Quiz

HOW GENEROUS ARE YOU?

You needn't be a wealthy philanthropist to give generously of yourself. Even if you're in the low-income category, you can develop a gift for gift-giving which will be particularly appreciated by recipients. This test will give you a good idea of how generous you really are.

1. When policemen or firemen stop by at your home seeking to sell tickets to a ball, you should (A) Present them with a donation, even if you can't attend the affair, (B) Explain to them that you'll be out of town on the date in question and make no contribution, or (C) Buy a couple of tickets, even though you can't attend?

2. If you've taken a short ride in a taxi, you should (A) Give the driver 15 percent of the fare, even though the fare was less than a dollar, (B) Give a minimum tip of 25 cents, or (C) Tell him you've run out of change and give no tip?

3. If a business or personal associate of yours has lost a loved one, the first thing to do is (A) Send a condolence card, (B) Make a telephone call telling him of your regrets, or (C) Send flowers to the chapel or the home of the bereaved?

4. When you're invited to spend a weekend at the home of a friend, you should (A) Present your host or hostess with a gift, (B) Express your appreciation verbally, or (C) Offer to pay for your keep?

5. If you're an airline or railroad passenger and a porter carries your bags, you should (A) Tip him a quarter, (B) Tip him a quarter for each bag that he carries, or (C) Never tip him more than a dollar.

For the correct answers, see below.

ANSWERS: 1. (A) Buying tickets you can't use may deprive others who want to attend from going to the ball. So, if you can't attend, make a small contribution, anyway, even though you can't use the tickets. 2. (B) Give him a minimum of 25 cents. For higher fares, give a tip of 15 percent. 3. (C) Send flowers. Flowers are a universal symbol of sharing sorrow and will be especially appreciated by mourners. A condolence card and phone call, if possible, would also be kind. 4. (A) Present the host or hostess with a gift. Offering to pay for your keep is a poor reflection on their hospitality. 5. (B) Tip 25 cents for each bag carried, although the sum may run up to more than a dollar.

Rate Adjustment Effective September 24th

Texas Long Distance Calls Will Cost More

Southwestern Bell today announced an adjustment of telephone rates for long distance calls within Texas which will produce an after-tax revenue gain of less than \$12 million (\$23 million before taxes) to the company. This amounts to a little less than 2% of the company's total operating revenues in Texas.

T. O. Gravitt, vice president for Southwestern Bell operations in Texas, said the new rate schedule will increase the cost of most three-minute intrastate calls from a few cents to a dime. The change is effective Sept. 24. Rates for local service and

charges for long distance calls to other states will not be affected.

One Plus calls within Texas, which constitute about three-fourths of the calls, will still generally be lower than the average for 41 other states offering a One Plus rate. The other states do not have a One Plus rate schedule. On calls requiring an operator, Texas rates generally compare favorably with other states, with some states higher and some lower.

"The increase on long distance rates in Texas is needed to partially offset sharp increases

in the cost of doing business," Gravitt said. He cited that telephone wages for 1973 will be \$110 million higher than in 1971, and taxes for the year will be \$40 million more than two years ago when the last intrastate rate adjustment was made.

The largest portion of the increase will be on One Plus calls but this type of call will still be considerably cheaper than operator handled calls.

For example, at the new rates, a One Plus call from Dallas to Houston will be only 93¢ for three minutes during the day. A station-to-station call requiring an operator will be \$1.15, and a person-to-person call \$2.05. A similar San Antonio to Waco One Plus call will cost 82¢, while a station-to-station call will be \$1 and a person-

to-person call \$1.75. "We truly dislike having to increase rates; however, we too have become the victims of inflation - not the cause of it," Gravitt said.

HUNTING WATER?

There's a far better way to get water than with a diving rod or witching wand. Low-cost electricity from the Midwest Electric Cooperative produces water on demand. An electric pump or a water corporation can turn the trick for home use, for industry or irrigation. Electric Cooperatives brought electricity to the rural areas of Texas. Their dependable power and a reliable water supply are Helping Texas Grow.

Fairy Graham Will Serve As Austin Page

--by Della Baird

Fairy Graham, nineteen-year old daughter of Mr. and Mrs. Bill Graham, will serve as junior membership chairman of Anne Pettus Shelburne Chapter, DAR. Fairy's Application for

membership in the National Society on lineal descent from William Adduston Rogers was accepted by the Board of Management in Washington, D. C. on June 1, 1973. Fairy graduated as Valedictorian of Rotan High School in May of 1972. While in high school she was a member of the National Honor Society and the Student Council. She was recipient of the Spanish Award in 1969, the Bookkeeping Award in

1971, and Social Studies Award in 1972. She represented her school in U. L. L. in some capacity each year. She was a member of the Math Club all during high school, and played in the Yellow Hammer Band. In the community Fairy was active in a variety of ways. She was pianist at First Baptist Church from 1966 through 1968 and organist from 1968 to 1972. She served as pianist for the Musical, "Tell It Like It Is". Fairy was Rotan Lions Club Sweetheart 1970-1971. She rode in parades as their representative, and was an entry in the District Lions Club Queens Contest held in Snyder.

In listing her hobbies, Fairy always names music as her first choice; but she also finds time for embroidery, needlepoint and decoupage. Fairy is now a sophomore at Texas Tech University where she is majoring in Accounting. She was on the Dean's Honor List in the spring of 1973. Along with a busy scholastic schedule, Fairy will be joining ranks with more than three thousand DAF junior members assuming positions of leadership at chapter, state and national level. She plans to attend the Texas State Conference in Austin in March and to represent Anne Pettus Shelburne Chapter as a Page.

Junior membership includes all regular DAR members between ages of eighteen and thirty-five. Two thousand-eight hundred and seven new Juniors were admitted last year.

In addition to assisting in all activities of DAR, the Juniors have special projects of their own. Their chief project through many years has been the Helen Pouch Memorial Fund which benefits the two DAR Schools, Kate Duncan Smith at Grant, Alabama, and Tamasee at Tamasee, S. C. Last year they provided \$29,425.14 for this fund.

DAR Juniors pledged \$6,500 to the President General's project, "A Gift to the Nation" (the restoration of two rooms in historic Independence Hall in Philadelphia). The Junior's special gift is for the purchase of a mid-18th century Philadelphia Mahogany Slant-top Desk. The pledge has been paid in full. The 1971-1974 National Junior project is an Arts and Crafts Center at Tamasee School. It will include an Arts and Crafts room and a separate ceramics department. The Center will be dedicated in October 1973. Junior DAR members serve as Pages at State Conferences and at National Continental Congress in Washington, D. C. each year. They set up Bazaar tables with varied items for sale at these meetings with proceeds going to the Memorial Fund.

Another of their special projects is Flags for the blind. As one State Chairman said, "At the State Junior Bazaar Booth we made new friends, exchanged new ideas, made money for the Helen Pouch Fund, helped promote the Juniors, and had FUN while working together!" The National Junior Theme for 1973-74 is, "You too! 'Can Do'..... For Junior Membership!"

Junior members of Anne Pettus Shelburne Chapter include Miss Graham, Denna McDonald Baskin (Mrs. K. R.) of Houston, Miss Joyce Batteas of Sweetwater, Kathlee Fisk Hale (Mrs. Jim), Paula Heathington Schuler (Mrs. Tom) of Wichita Falls, Miss Ann P. Shelburne of Asheville, N. C., and Marion Graves Locke (Mrs. T. R.) of Big Spring.

JUNIOR DAR MEMBER: Miss Fairy Graham with Top Scholar Award, DAR Membership Certificate, Needle Point and Decoupage Items.

CRAFTY IDEAS FOR FALL FASHIONS

The Fall-Winter fashion story is quite a yarn--in more ways than one. Knitted and crocheted styles have never been more popular.

This is the year of the sweater -- and the sweater coat and suit. Glittery little sweater-tops shine after dark, and the knit skirt or jumper goes to great lengths to make the at-home scene.

McCall's Needlework and Crafts Magazine, now on the newsstands, puts these new fashions at your fingertips. It also gives you crafty ideas for outfitting every member of the family.

Little girls will love the crocheted party pinafore embroidered with magic-garden flowers. Boys will warm up to the groovy Mexican-styled wrapcoat, a duplicate of Dad's.

Knitting for the man in your life makes you a "purl" of a girl--especially if you also make a matching outfit for yourself. His-and-hers tennis sweaters and ski tops are crafty ways to say "I love you."

Of course, men like to give as well as receive hand-crafted items. According to Rosemary McMurtry, editorial director of McCall's Needlework and Crafts, "Men are joining the craft scene--from furniture making to needlepoint."

Almost any Dad can make the boys' room furniture featured in the Fall-Winter issue of the magazine. The easy-to-construct shelf unit and bunk beds are fashioned from plywood and stock lumber painted in poster-bright colors.

Many men enjoy glass crafts, and the magazine offers several shining examples of this art. A dazzling addition to a daughter's room

HIGH--SPIRITED FASHIONS FOR FALL

Breezy and brisk as autumn weather are the new Fall/Winter fashions. Strong clear colors and lively young styles will lift your spirits even when the mercury falls.

"From snappy shirtdresses to pretty evening knits, from well-loved classics to the avant garde, these new carefree looks share an air of excitement, a great-to-be-alive spirit!"

That's how Mary McSorley, editor of McCall's Carefree Pattern Fashions Magazine, views the current season. A glance at the magazine's Fall/Winter issue will show you what she means. You'll see new dress shapes in classic fabrics and colors... classic shirtdresses in bold geometric prints. You'll see shirt-jackets layered over plaid pants... and caftans trimmed in gold brocade.

The jaunty costume on the magazine cover sums up the carefree spirit of '73. It's a fascinating interplay of color and texture: beige-and-brown plaid skirt, sky blue crepe shirt, honey-gold hacking jacket in soft cotton suede.

Many of McCall's most spirited designs show the soft touch of suede. Who could resist a Western-style pantsuit in a luscious apple red suedecloth? Or a cotton suede smock-coat in jewel-like turquoise--a real gem for a casual wardrobe? No wonder the suede look shapes up as Fall's big fashion favorite.

Another current favorite, the knitted costume, continues its round-the-clock popularity. The coat of the year is a sweater coat knit in an Irish fisherman pattern. A fisherman knit jumper is another heartwarming idea for knitwear devotees.

But it's in the evening that knit fashions have their

might be a mirror "famed" in stained glass leaves and flowers. Craftsmen (and women) will also appreciate a special section devoted to rugmaking. Inspiration comes from the four corners of the earth, with a Scandinavian-style rya rug, a Greek needlepoint rug, and an appliqued rug inspired by traditional Hawaiian quilts. A colorful runner with stylized lightning-bolt design is handsome enough to hang on the wall. Another sophisticated idea in wall decor is a silk collage--one of many original designs featured in the embroidery section of the magazine. This section is now larger and more varied than ever, with ideas ranging from a crewel tote bag to a colorfully embroidered Norse hat and muff. A number of these embroidery projects would make imaginative Christmas gifts.

finest hour. One of the newest after-dark looks is a long nylon dress topped with open work bodice and sleeves. High-spirited home decor is also included in the new McCall's Carefree Pattern Fashions Magazine. There are easy, inexpensive table toppers to dress up your dining room... and lend a festive air to the simplest meal. Patchwork items to make for your home. Even if you're a novice with the needle, you'll find it easy to sew with work-saving Carefree and Extra Carefree Patterns. So go ahead and express your fashion personality... that's the spirit!

Kathy Lee Davis, Russell A. Gee United In Marriage

Kathy Lee Davis and Russell Alan Gee exchanged marriage vows Saturday, August 25, at the First Baptist Church of Hermitage with Bob Crestwell officiating. The bride is the daughter of Mr. and Mrs. Harvie L. Davis of the Claytonville community. Parents of the bridegroom are Mr. and Mrs. Hal He A. Gee Jr. of

Tusculoa. Miss Jan Ables of Brady was maid of honor. Seating guests were Randy Gee, brother of the bridegroom, and David Wood of Tolar, Texas. Best man was Larry Hargrove of Throckmorton. Miss Irene Martin of Hobbs, New Mexico registered guests. Given in marriage by her fa-

ther, the bride wore a gown of white satin with a lace and pearl bodice with long sleeves of lace and lace train. The maid of honor wore a pink satin empire gown with a lace bodice. Following a wedding trip to Corpus Christi, the couple will live in San Angelo. The bride is a graduate of

Hobbs High School and is a senior at Angelo State University. The bridegroom a graduate of Hobbs High School and Cisco Junior College, is a senior at Angelo State University. He is employed by Shannon Hospital in San Angelo.
