PFC T. Current Takes Part In Army Exercise

Army PFC. Theodore W. Current, 19, son of Mrs. Mary Z. Current of McCaulley, participated with other American and Allied Troops in Exercise Reforger V in Germany, October 10-16.

The military airlift command flew approximately 11, 000 U.S. based soldiers and more than 1,000 tons of equipment to 3 different airfields in Germany in preparation for the event.

The exercise, conducted by the Joint Chiefs of Staff and NATO, focused on the procedures and techniques for receiving, equipping, assembling and employing units after they arrive, rather than on rapid deployment of troops from the U.S.

Pvt. Current is regularly assigned as a recovery specialist in headquarters company, 2nd battalion, 15th infantry of the 3rd infantry division in Wildflecken, Germany.

ago it was mentioned in this paper that the district" marbles" could very well go to the winner of the Aspermont- Rotan clash on the last week of the season. It now appears that the early season prediction has turned out to be a reality. If the Rotan Yellowhammers beat Aspermont there will be a three way tie for first place and a flip of the coin will decide the team to represent the district in bi-district play.

Although the Rotan fans have seen some flashes of greatness in the squad this season, we think the best is yet to come. If the Big Orange Machine can put it all together this Friday night, it could be a full 48 minutes of football as exciting as the last half of the Jim Ned

County Commissioners Purchase New Vehicles In Monday Session

sioners Court met in regular session last Monday and turned a normal meeting into one of an unusual nature.

In Monday action Fisher County Judge Dwight Lovett informed the Commissioners that the new court house contractor was requesting his final payment of approximately \$2,200.00. The court agreed to issue two \$1,000 certificates and issue a check out of the general fund for the remaining \$200,00 odd dollars.

Commissioners accepted a bid from Treanor Equipment Co. for a motor grader for Commissioner Porter's precinct. The difference in trade was \$11,000,00

They also accepted a bid from Rotan Motor Company for a new truck for Commissioner Ford's precinct, Rotan Motor Company's bid of \$3,600,00 was low. Others bidding included Treanor Ford Trucks, \$4,344, 23; International, \$4,096,00; and F&M Chevrolet, \$3, 950, 00.

In other action of the meeting the Commissioners passed a resolution to conserve in all aspects of county government. Vehicle fuel, heating and cooling energy and other phases pertinent to the national crisis. This resolution was passed unanimously by all Fisher County Commissioners in order to show compliance and cooperation with guidelines recently released by President Nixon. The specific thermostat setting was not mentioned but each office was to be informed that it was the wish of the commissioners that all county employees make a sincere attempt to

conserve wherever possible.

Clay Fowler, a resident of Rotan, appeared before the Commissioners Court to relate a story concerning his failure to contact the Fisher County Sheriff on the three days of November 4. 6 & 7th. Fisher County Sheriff Bus Rollans also was in attendance to relate his side of the incident. It was

HONK- HONK: Someone said there was a sign up in Royston that said, "Honk if you want to impeach Nixon". This same person said it was so noisy you couldn't hear youself talk.

TURKEY SHOOT: The Rotan Volunteer Fire Department and Junior Class Turkey Shoot last Sunday was a whopper. The event took in over \$2,400 and that has to be a near record. The only reported catastrophe was that Evelyn Nowlin lost the insides of her watch.

THE BEER BUST: We understand that a group of citizens in Roby (about 45 of them) held an informal meeting last week concerning the alleged selling of beer to minors. It is clearly spelled out in the law that an adult can be prosecuted for "contributing to the delinquency of a minor". We never heard if the group that met intended to press the issue or let it drop after the meeting. Was the Liquor Control Board contacted? Was the committee to meet again for a follow up meeting? Are the citizens of Roby going to let this kind of thing happen again by turning their backs on the problem? We say bravo to those that attended the meeting it at least shows that you were interested.

STORY: A. B. Harrell of Rotan told me this one in the Post Office recently. "Do you know why God made Adam first?" he asked. "No, I don't, Mr. Harrell, Why did He?" "Because He didn't want to be bothered by a woman when He was trying to work". If I say any more, I'll catch thunder from the Women's Libbers so that's the end.

SHOWER: There is going to be a shower for Hattie Belle and Sybil Howard on Thursday night, 7:30, at the Fellowship Hall of the First Baptist Church in Rotan. The Howard sisters' home received heavy damage in a recent fire.

TALK: Mrs. R. T. Williams spoke to the Rotan Lions Club last Tuesday on her trip to Russia.

CONGRATULATIONS: Our congratulations to Jimmy Laurie and Ronnie Teichelman, FFA Teachers, and their FFA teams for representing Fisher County so well at the recent District Competition. Rotan and Roby brought home their share of high honors. BOOK REVIEW: Dr. James Zamus, associated with Hardin-Simmons, will be the book reviewer at the Book Review Club meeting on November 20th, The meeting is at the community center at 3:00 p. m.

POTPOURRI: "What am I supposed to do with this?" grumbled the motorist, as the police clerk handed him a receipt for his traffic fine. "Keep it," the clerk advised. "When you get four of them, you get a bicycle."

Smoke signals never got an Indian out of bed at 2 in the morning to answer a wrong number.

A young would-be state trooper in Roby asked his mother if she was observing the President's 50 m. p. h. request. "I certainly am!" she said. "As I was driving around the square I kept my eye on the speedometer and managed to hold it down to 50 all the way. I was real proud of myself. "

And then there was the new bride who went through six boxes of cake mix trying to concoct a birthday cake for her husband. Everytime she put the cake in the oven, the candles would melt.

Beginning of the year How did we ever get into the habit of looking backwards? By-product of some shoddy mathematics, no doubt. If the day you are born is your birthday-then it's undoubtedly your first birthday. And when you are a year old you should celebrate your second birthday, and begin your second Of course, we are not senously a ing that everybody add one to his next birthday. That would be too confusing for certain friends of ours who are 39 and holding! But you will agree, won't you, that on birthdays we ought to be looking ahead? The only year we can do anything about is the one we're about to live. Opportunities do a great deal more for human character than memories, no matter how fond the The churches with their tremendous resources for spiritual training and growth always celebrate our children's birthdays by looking ahead.

The Contest is open only to girls in the senior classes of public and private high schools who are citizens of the United States and who finish school in the second semester. The method for selection of recipients projects since its inception last is for the seniors to choose three girls and from the three, the faculty chooses one who becomes the school's Good Citizen. The Good Citizen from each school receives a Pin and Certificate of Award, Each girl completes a questionnaire which is sent with her transcript and letters of recommendation to the state chairman. Annual award for the state winner is a Series E Savings Bond. The National Winner is presented to the Continental Congress and given a sterling silver Paul Revere bowl engraved "National DARGood Citizen" and the year of McCaulley High School as of the award.

Recipients of DAR Good Citibasis of the following qualities: (1) Dependability--which includes truthfulness, loyalty and punctuality; (2) Service--cooperation, courtesy, condiseration of others; (3) Leadership-- personality, self-control, ability to assume responsibility; (4) Patriotism--unselfish interest in family, school, community and and community, but she has won nation.

The DAR Good Citizen of Hobbs School is Carol Faulkenbery, Carol is the daughter of Mrs. Helen Faulkenbery of Rt. 2, Hermleigh, Mrs. Irene Brown, in writing a personal recommendation for the Hobbs Good Citizen, says, "I have been privileged in knowning Carol Faulkenbery for twelve years. . . I have found her to be sincere and trustworthy at all times. She is an ambitious, all- around student who takes the initiative and is a good influence on and a leader of others. I recommend her without reservation for the good citizen's award and feel that she truly merits this honor.

Roby High School's Good Cit-1, Roby. Mrs. Wanda Pruitt, Rosure to recommend Cindy Mash for the DAR Award. She is a dependable student who willingly ranks at the top of her class scholastically.

"Cindy served as a student council representative in 1972-73 and is currently serving in that capacity. The council has completed several noteworthy year. They have erected a flagpole at the football field and have fostered a new awareness of patriotism. Cindy has contributed to all projects and ideals.

"Because of her character, service, dependability, and love of Goforth, Bill Hopson, Farrest country, Cindy would be an ex- Tefteller, Coy Carriker, Thurcellent DAR representative."

Cindy enjoys horseback riding and reading, but her first love is work of the student council. She plans to attend college after graduation from Roby High School.

Jana Lynn Jeffrey was selected by the students and faculty DAR Good Citizen, Mr. T. E. Green, superintendent, writes, To have Jana Lynn Jeffrey as

a student and to know her as a growing person has been one of those rare privileges that come to a school superintendent. She has worked hard, made good grades, and been courteous to her teachers and classmates.

'Not only has Jana Lynn shown interest in her school, church, many honors with her family's project of raising and showing

"It is a pleasure to graduate a student that you feel will go into the adult world capable and willing to contribute her very best to the building and maintaining a good government at home, at school, in the community, state and nation in which she will live. "

Jana Lynn lists her special interests as 4- H Club work, showing beef cattle, cheer leading, and basketball. She also enjoys horseback riding and water skiing. She plans to attend Tarleton State University next year. She is the daughter of Mr. and

Roby Garden Club Has Meet

Mrs. Edd Carter and Mrs. L.V. Goodwin were hostesses to the Roby Garden Club Friday, Nov. 2, at the Mid-West Electric Co.

Mrs. Max Carriker, president, presided over the meeting. The minutes of the October meeting were read by the secretary, Mrs. Carter, and the treasurers report was given by Mrs. Jess

The meeting took on an air of festivity when Mrs. Fred Waddell gave a presentation of "Christmas Decorations" in a very charming and illustrated

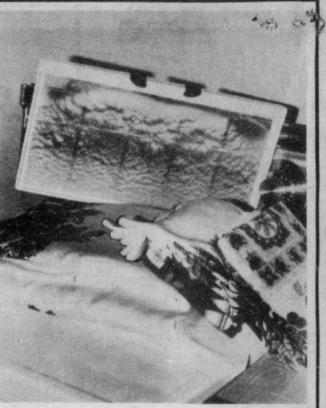

At the conclusion, refresh ments were served to the following members: Mmes. Jess man Terry, Max Carriker, Rex Kemp, William Hughey, Cecil Alexander, W. W. Morton, and the hostesses Mmes. Carter and Goodwin; and guests Mmes Dub Harvey, Z. H. Anderson, and Fred Waddell.

resented the faculty in writing her recommendation, Mrs. Strayhorn stated, "It is with pleasure that I recommend Roxie Cleveland as recipient of the Good Citizen Award, Roxie is well liked by her teachers and fellow students. Cooperation and a desire to be helpful are two of her outstanding traits. She is a young lady who can be depended upon to finish any task that she has been asked to do, and she is always cheerful while

working on her job. "In my opinion, Roxie is well qualified for this award, and I am sure her other teachers would join me in this recommendation.

Roxie has served as a Bible School River Missionary teacher, and represented Rotan as a YES (Youth Exchange Student) to Brazil. She enjoys reading and sewing. Roxie plans to attend college and be a legal secretary. She is the daughter of Mr. and Mrs. Eugene Cleveland

The meeting is called for 10:30 a.m. The program will be a slide presentation depicting the work of the National Society. The meeting will close with a luncheon in honor of the four DAR Good Citizens and their mothers. Mrs. Norvelle Kennedy and Mrs. Bennie LeBleu are coordinators for the luncheon.

Mix Up

It seems Mrs. Boone was terribly excited by the prospect of being able to choose anything her heart desired from a certain mail order catalogue.

Imagine her dismay when she found that her husband had made this generous offer from his scientific catalogue of school supplies.

Appreciation

The band deeply appreciates the gesture made by the football team for the sign showing their spirit for the band. A large sign, depicting a hammer holding a scroll, wished the band good luck and was signed by each member of the team.

Contest

The Rotan Yellowhammer Marching Band went to UIL marching contest on Tuesday, November 6. The contest was held in P. E. Shotwell Stadium in Abilene, Bands from this area participated in marching drills and received a rating. The Yellowhammer band received

a fourth division rating. Other Class A Bands in the area also participated. Their ratings are as follows: Roscoe, I; Robert Lee, I; Albany, II; Aspermont, III; Jim Ned, IV; and

Class Of 74

Time flies by and I rush again through this warm orange door And a little pain goes through me for I belong to the class of 74 I know I shall be late to class, but still I stand and think How each part of this school is full of the past, makes mind and

Here are our lockers, bright, narrow, from the outside - neat And they remind me of rushing to class, the noise of hurrying

The homemaking room where we burned even toast

Our cooking abilities were not much to boast Room after room where we studied and played Where some passed and went; some flunked and stayed Where typewriters suffered our poundings and beatings And we all joined together for senior class meetings. I picture the gym, its heat and its roar In pep rallies, ball games I holler once more Oh so many memories packed into four years Memories of silence, laughter and tears, Now I look at my classmates, such close friends I've made There's not a one I won't miss or a one I would trade From grade school to high school we've traveled on And now these days are almost gone. With a little regret I see drawing near The day we've all lived for year after year. With joy and sorrow we walk through this door Proud and reluctant, the time has come, almost gone forever more Are the high school years we've spent together as the Class of 74.

Well we haven't had too many visitors this week, guess the weather has been too bad, but finally this morning it looks like its going to clear off and I know the farmers will be glad. The cotton strippers have been idle for almost a week now, and we hope that the weather will be better this week, so we can get some-

Bro. and Mrs. J. H. Skiles of Stamford visited in the community Sunday and they ate dinner with MRS, VIDA BOYER.

MR, AND MRS, RICKY WILLIAMS spent the week- end in Tyler visiting with Mr. and Mrs. Randy Williams.

MR. AND MRS. J. D. KINCAID went to Sweetwater Sunday afternoon and visited with Mr. and Mrs. D. H. Hornsberger.

CALVIN PHILLIPS had a birthday this week, and the family attended a birthday dinner for him on Sunday at Mr. and Mrs. Mike Porters. Happy birthday to Calvin.

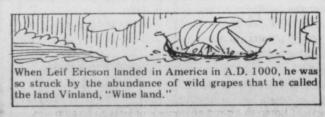

Saturday, Jimmy Hawthorne from Roanoke, Texas visited with MR. AND MRS. JOSH PHILLIPS. Jimmy is Josh's cousin.

MR. AND MRS. J. W. ETHEREDGE went to Munday Saturday nite to the 4- H District Leaders banquet. Todd Etheredge spent Saturday nite with Mrs. Eila Mae Hull and Cathy, and Randy and David went to their grandparents Mr. and Mrs. Lealon Wilburn of Roby. Todd was sure lucky Sunday as he won a turkey and a ham at the turkey shoot at Clay Fowler's ranch. Congratulations

Friday nite MELODY WALKER had a slumber party at her house and the girls stayed up almost all nite. Those attending were Patti Williams, Patricia Posey, Carmen Sparks, Carol Byrd, Renee Underwood, Debby Smith, Donna Smith, Kim Ratliff, Penny Moore, and Tammi and Tonni Sparks, also Carye Gruben. It was Melodys 14th birthday and I'm sure glad it only comes once a year. Guess Jim and I are getting old, as that staying awake all nite is just for the young folks. Happy Birthday to Melody. Saturday nite Melody rode at the Jackpot Barrel race at Haskell and was it a miserable nite, so windy and cold. Melody got a barrel in the 1st Go Round and didn't have a very good run the 2nd Go, so we were a little disappointed. Sunday she made up for it though, as we went to Snyder to the West Texas Barrel Racers monthly point race, and Melody was lucky enough to win 1st place in the 1st Go Round of the Junior Barrels, and had a real good run started the 2nd Go Round, but got the 3rd barrel, worse luck. She entered in the Pole Bending on her black mare, but got two poles.

While we were gone, our good old dog ran out into the road and got run over. We are sure going to miss him as he went every where that Jim went, and he killed another big bobcat this past week. He was sure getting good at that. So now we are looking for another German Police or a Boxer, but good trained dogs are

The major changes in the brucellosis testing program are as follows:

1. Testing of all animals two years of age and over at local auction markets rather than just testing those that terminate at slaughter.

2. Maintaining cattle in groups until they are tested and found clean or are quarantined, with testing expense to be paid by the seller.

3. Herds found to have the disease will be tested until they have two negative tests, not to exceed 120 days apart.

4. Retesting must be done with 60 days.

5. Animals may move from ranch to ranch owned by the same individual within a county or similar certified area without testing.

6. Animals moving and changing ownership must be tested. Numerous other conditions and procedures are also specified in

the proposed changes. All livestock producers are invited to attend the public hearing in Austin on Oct. 1 to obtain further information on the program and to voice any concerns they may have about for details. the proposed changes.

Fisher County recorded its first case of screwworms for the year on September 16. The case was on the Kenneth Justiss near Busby. Producers are urged to keep a close watch on their

livestock from now until frost. All suspected cases should be sent to Mission, Texas, for confirmation. Vials are available from our office.

Officials are gearing up for the approaching 5th annual Statewide Brush Control and Range Improvement Field Day set for October 4 on the Waggo-

ner Ranch near Vernon. The event will be hosted by the Texas A&M University Agricultural Research and Extension Center at Chillicothe-Vernon. An expected crowd of more than 600 will view firsthand the latest developements in brush control and range improvement.

Among the noted speakers on hand for the occasion will be Dr. Jarvis E. Miller, director of the Texas Agricultural Experiment Station; Dr. John E. Hutchison, director of the Texas Agricultural Extension Service: Ed Thomas, state conservationist. Soil Conservation Service; John Matthews, chairman, Brush Control and Range Improvement Association; and Dr. L. S. Pope, associate dean of the College of Agriculture, Texas A&M.

Guests will view first hand recent advances in chemical and mechanical control of mesquite and range improvement by research scientists and range specialists. Tours will be made during the morning with the field day program beginning at 1:30 p.m. at the Wilbarger County Auditorium, headquarters for

the event. Early visitors from 8:00 to 9:30 a. m. will have the opportunity to make complete tours of the research work. Intermediate tours from 9:30 to 10:30 will cover major points of interest. The short tour from 10:30 to 11:30 will consist of a

Director, Energy Economics

What are the prospects for next summer? Will we experience a gasoline shortage equal to or greater than the 1973

"While it's not inevitable, we probably will be short of gasoline. The conditions that have caused the shortages this summer cannot be radically changed before next summer. All our refineries are running essentially at capacity and we will not solve the problem until we get more refineries built. It will take several years to build enough refineries to overcome the shortage.
