Robert Lee Dogies Defeat Shorthorns

The Robert Lee Dogies went to Bronte last Thursday night and took a 14-6 victory from the Shorthorns. The Dogies avenged a 2-0 loss to the Bronte lads earlier in the season.

The Dogies' first touchdown came on a dazzling 70 yard kickoff return by Greg Grim. The extra points were made on an 8 yard pass from Kirby Rasco to Bobby Boone.

Caesar De La Pena made the second counter on a seven yard run. The PAT was no good. The touchdown was set up when Douglas Roberts caught a Rasco pass good for 20 yards.

Grim put an end to the Shorthorns' hopes in the waning minutes of the game when he intercepted a pass. Rasco and David Rodriguez also had pass interceptions.

Coach Max Anthony praised his squad and said, "The whole team played real well."

Bill and Frankie Williams, of Las Vegas, Nev. recently spent several days with her parents, Mr. and Mrs. O.W. Higginbotham. Other recent guests of the Higginbothams were Pete Hickman and daughter, Holly, of Fort Stockton and Grant Hickman of San Angelo. They were joined by Mrs. Ed Hickman and Mr. and Mrs. Hadley Richards of Robert Lee.

Steers to Try Sterling City In Last Game at Home

The Robert Lee Steers will play their last home game of the season Friday night when the Sterling City Eagles come here for a District 3-A game. Game time is 7:30 p.m.

The Steers and the Eagles have identical 3-5 season records. However, the Sterling City bunch has a 1-2 district record, compared to Robert Lee's 0-3.

Millions of Americans will go to the polls Tuesday, Nov. 4, to elect government officials from the highest office in the land on down to the local level.

The race of greatest importance to most Americans will be for president and vice president of the United States. However, there are some contests closer to home that will attract Coke County voters to the polls.

The ballot will be different this year from any ever seen by Texans. Republican nominees will be listed in the first column rather than the usual Democratic nominees. The reason for the

Winter Weather Arrives in Area

Winter weather arrived in Coke County this week as temperatures dropped into the low 30s and a blanket of frost covered the area.

It was too early for ranchmen, as they would like to have a little more time to grow some more grass after the big rains in September. About the only ones to benefit from the frost are farmers who have cotton and want it to stop growing and shed its leaves.

A trace of rain and sleet fell Tuesday morning in some areas of the county.

Weather forecasters predicted a warming trend for Thursday and warmer weather throughout the weekend.

change is that Texas has a Republican governor for the first time in more than 100 years. Libertarian candidates are listed in the third column, independents in the fourth and write-ins will be listed in the last column on the ballot.

ABSENTEE VOTE HEAVY
County Clerk Mrs. Winnie Waldrop reported Tuesday afternoon that she has had 99 absentee ballots voted in her office or mailed to those who requested them. This number is unusually heavy for Coke County, she said. Friday (today) is the last day to vote absentee in the clerk's office and the last day for mail ballots to be postmarked.

Ronald Reagan and George Bush for president and vice president are the first names listed on the ballot. Jimmy Carter and Walter Mondale are in the Democratic column; Ed Clark and David Koch in the Libertarian column; and John B. Anderson and Milton S. Eisenhower in the Independent column. Patrick Lucy, not Eisenhower, is Anderson's running mate. Eisenhower's name was certified before Anderson selected Lucy.

The second race on the ballot is of interest to Coke County voters, since it is for 21st District U.S. Representative. Incumbent candidate, Republican Tom Loeffler, is opposed by Democrat Joe Sullivan and Libertarian William Rice.

Two railroad commissioners will be elected this year. Republican Henry C. (Hank) Grover is running against Democrat Buddy Temple for a full term. For unexpired term, the incumbent, James E. "Jim" Nugent is opposed by Republican H.J. "Doc" Blanchard and Libertarian David Hutzelman.

For associate justice, Supreme Court, place 1, Republican Jim Brady is running against James P. "Jim" Wallace. For place 4, Republican incumbent Will Garwood is

Rifle Program Meeting Called

A meeting for persons interested in the 4-H rifle program will be held in the county court room of the courthouse next Monday night at 6:30 p.m. All youth of ages 9-19, regardless of whether or not they are enrolled in 4-H at the present time, are welcome to become a part of the rifle program. The rifle range has been completed, several coaches have been lined up and plans are underway to get the program started in the near future. The meeting should conclude by 7:45 or 8:00 p.m.

All youth attending the meeting are encouraged to bring their parents with them. The basic plans for the rifle program will be explained. It is important that the parents understand and support the program. Patrolman Bobby Hart, head coach and 4-H leader, along with the County Extension Agents will explain the rifle program.

Program leaders would

like to express their thanks to all that have contributed to construction of the rifle range. First to Joe "Binks" McCutchen for donation of the land. Also, to the County Commissioners' Court for their support and help in construction. Also giving construction assistance were members of the Coke County Young

Farmers Chapter and numerous 4-H parents.

They also would like to thank Sun Oil Company, Allied Chemical Company and Bryan Concrete for their donations of supplies.

All the above have helped bring the program to the point where active participation in the .22 caliber target rifle program can be initiated.

"I shall make electric light so cheap that only the rich will be able to burn candles"

That's what Thomas Edison promised over 100 years ago.

And he did it!

For the same amount of light produced by ten 100-watt bulbs during their average lifetime, you'd have to buy \$59,937.50 worth of 35¢ candles. (That's a conservative estimate supplied by a reputable bulb manufacturer.)

Yes, electric lighting has come a long way, since Edison invented the incandescent bulb. And through most of those years the price of electricity has gone down steadily. Even now, when inflation is forcing power companies to increase their rates, electricity is still America's best bargain.

Roscoe Plowboys Take 42-0 Win From Steers in Last Week's Game

By Bobby Phillips and Bob Flowers

The Robert Lee Steers hosted the Roscoe Plowboys in a district bout last Friday. The Plowboys took a 42-0 win back with them to Roscoe. The plowboys managed to gain 356 yards total offense and 23 first downs to the Steers' 71 and five first downs. The Steers managed to stay away from penalties as they had none and Roscoe had three. The loss downs the Steers record to 3-5 for the season and 0-3 in district.

FIRST QUARTER

The Plowboys received the opening kickoff at the 5 and returned it 29 yards to the 34. The Steers recovered a fumble at the 43, but the Plowboys held on downs at the 34. Roscoe drove 34 yards and three first downs for the score. PAT was good and Roscoe led 8-0.

The Steers received the ball in the end zone and took over at the 20. The Plowboys held on downs, and eventually took it across the double stripe for the score. PAT failed, Roscoe led 14-0.

SECOND QUARTER

The Steers held the Plowboys at the Roscoe 47. Robert Lee took over at the 20. Roscoe held at the 29. The Steers held them at the 19 but the Plowboys got the ball at the 22. Two plays later they scored again to lead 22-0.

THIRD QUARTER

During the third quarter the Steers got as close as the

14 yard line and attempted a field goal, but it failed. Roscoe took over at the 34 and took it 66 yards for a TD to lead 28-0.

FOURTH QUARTER

The Steers opened the fourth quarter with an interception, which Roscoe returned to the Steer 13. The Plowboys made it first and goal at the 1, then took it in for a 36-0 lead.

The Steers threw another interception at the Plowboy 45 and they returned it to the Steer 43. Roscoe fumbled at the Steer 29 and the Steers drove to the Plowboy 44 before they were stopped. The Steers held at the 50, and the Plowboys punted. Groves Parks received the ball at the 20 but fumbled. Roscoe took it in from 11 for a final score of 42-0.

Robert Lee has its last home game of the 1980 season tonight (Friday). The Steers have yet to score on home turf, but maybe they will overpower the Sterling City Eagles.

Don Plumlee, of Houston, visited over the weekend with his parents, Mr. and Mrs. S.B. Plumlee.

The two selected belonged to Kathy Paden and Kristi Wrinkle.

A trip to Sweetwater's Camp Booth Oaks, for a Leaders-Daughter training, was made by Hazel Abbott, Debbie Bell, Loyas Balas and Lori Balas on Saturday, Oct. 18.

Either Sex Deer Okay in County

Deer hunters in 23 Texas counties, including Coke will not need antlerless deer permits to harvest a doe this fall, according to the Texas Parks and Wildlife Department.

Wildlife biologists had originally proposed some 40 counties where antlerless deer could be taken without special permits because of the high deer populations, good fawn crops and relatively light or moderate hunting pressure. However, county commissioners' courts in 17 counties rejected the

proposal.

Charles Winkler, big game program director for the department, said another factor in the decision to remove the requirement for antlerless deer permits is the traditionally low utilization of the permits by landowners and hunters.

Counties where antlerless permits are not required to harvest an antlerless deer are: Burnet, Blanco, Williamson, Bell, McCulloch, Menard, Schleicher, Mills, Mitchell, Nolan, Sterling, Coke, Irion, Tom Green, Concho, Bexar, Atascosa, Terrell, Pecos and Jeff Davis.

Vote for Greater Banking Convenience

Passage of Proposition 1 on the November 4th ballot will open the door to even greater banking convenience. This simple change in the law will allow Texas banks to place unmanned teller machines at convenient locations for faster service, night or day. These teller machines are becoming a convenient option for handling routine banking business.

"Round-the-clock banking at unmanned tellers is convenient, safe and a positive step toward avoiding unnecessary credit card use. . . moreover, it is an energy saver — instead of traveling across town to a bank, an unmanned teller can be built in your neighborhood."

— San Angelo Standard-Times

Proposition 1 "will make life easier for bank customers. . . (it) will eliminate many, if not all, of the tortuous lines seen clogging drive-in bank lanes."

— Houston Chronicle

Proposition 1 "has gained widespread support as the amendment faces voters Nov. 4."

— Orange Leader

"Off-premises unmanned teller machines should be approved by Texas voters."

— San Antonio Light

People in forty other states
already have this convenient banking choice.
It's time Texans did, too.

Vote for Proposition 1 November 4th.

Plans Are Progressing Nicely for Pageant Association Fund Raiser

Plans are progressing for the Coke County Pageant Association's fund raising activities on Saturday, Nov. 8. The event will be on the courthouse yard unless bad weather requires moving it to the stock show building and area.

Ben Boykin and Hank Baker are in charge of acquiring items for the auction sale, and George Newby will be the auctioneer.

Thelma Jo Hinnard and Joan Davis are seeking commitments from persons who will furnish items for the bake sale. Pauline Vaughan is in charge of getting posters made and displayed and Dee McCleskey is serving as liaison with the news media.

Opal Jacoby and Nancy

Allen are making arrangements for the concession stand and noon meal, both of which will be under the control of the Order of the Eastern Star chapter.

Reba Roberts will supervise operation of the pageant's membership sales booth. Lucile and Wilson Bryan will arrange for the facilities for having your picture made with the "Rabbit Twister." The over-all set up is being worked out by Robert and Pauline Vaughan.

Vote to Keep Judge Will Garwood on the Texas Supreme Court

Judge Will Garwood has widespread support from Democrats, Republicans, Independents, three former governors, four former attorneys general, 11 former Supreme Court justices, 15 Texas Bar presidents.

Texas lawyers endorsed Judge Garwood by 82%. He won local judicial preference polls by 86% in Dallas, 86% in Houston and 80% in Fort Worth.

Judge Garwood is the choice of so many because he's fair-minded, non-partisan and better suited to the job through personal qualifications and superior training.

He has over twenty years experience in private civil law practice. He served with the Judge Advocate General's Corps, U.S. Army, and was first in his class every year at The University of Texas School of Law, receiving his LLB with honors.

"The appointment of Will Garwood to the Texas Supreme Court sounds like a chapter of Texas history repeating itself. The Garwoods have a long record in the judiciary. Will Garwood's grandfather, Hiram Garwood, was county judge of Bastrop County in 1888 and at one time president of the Texas Bar Association. W. St. John Garwood, son of the county judge and father of the new associate justice, was the first Houstonian to be named to the Texas Supreme Court in 80 years . . . This three-generation record of public service is in the finest Texas tradition"

— HOUSTON POST

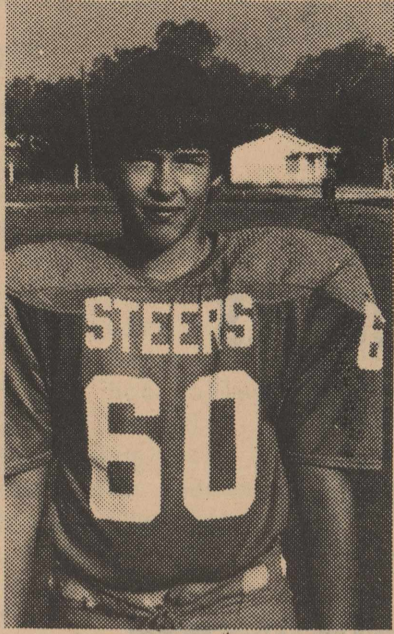

"Garwood's legal credentials are, to put it modestly, magnificent."

Performance beyond promises!

When he first asked for our vote two years ago, Tom Loeffler promised he'd put his Washington background and Texas heritage to work for us to do the best job possible to represent the 21st District.

In those two short years, Tom Loeffler has given us much more than he promised! He is a growing and respected voice in Congress with important committee assignments. During his first two years, he has been more effective in protecting the freedoms and rights of Texans than many people who have served 20 years in Congress. He's been and done everything he promised—and more!

In fact, Tom Loeffler has proven he's the best of a new breed of responsive and responsible congressmen forging a new brand of leadership in Washington. He deserves our overwhelming vote of confidence on November 4th!

TOM LOEFFLER *Let's re elect*
Congressman
21st District-Texas
The best of a new breed!

Paid for by the Loeffler Campaign '80 Committee, the Honorable O. C. Fisher and Jim Lunz, Co-Chairmen, June Deason, Manager.
