Steers End Season with 21-0 Victory Over Water Valley

By Bobby Phillips

The Robert Lee Steers traveled to Water Valley to take a district win from the Wildcats 21-0. The Steers racked up 397 total yards offense to the Wildcats' 126. The Steers almost doubled the Wildcats in first downs 19-10. The win brings the Steers to the 400 mark for the year just shy of an even season. The game went as follows by quarters:

FIRST QUARTER

The Steers received the kickoff at the 26 and returned it to the 31. They drove to the Wildcat 43 for a first down. The Steers ended up with the ball after three fumbles. Then Quint Anthony connected with Scot Long on a 26 yard touchdown pass. PAT by Darren Williams was good. The Steers were ahead 7-0.

The Wildcats took the kickoff at the 19 and returned it to the 31. Kyle Gibbs recovered a fumble after a pass completion at the Steer 34. Water Valley held at the 34 and Anthony punted 12 yards to the 46. The Steers held at the 44 and had possession of the ball at the 30 as the quarter ended.

SECOND QUARTER

The Wildcats held the Steers and received the ball at the 41, and in turn gave it back at the Steer 25. Williams drove to the Steer 37 for a first down but unfortunately, they were stopped at the 44 and punted to the Water Valley 15. Gibbs intercepted a pass and returned it to the Water Valley 15. Water Valley intercepted a pass at the 5 and returned it to the Steer 45. The Wildcats drove to the Steer 31, but the Steers held them at the 30. The Steers threw an interception and the Wildcats returned it to the 50 as the quarter ended.

B TEAM HANDS LOSS TO IRION COUNTY

Irion County had tough going here last Thursday night when the Robert Lee Steer B team downed their B team 12-0.

Larry Palmer drew first blood when he scooted over the double stripe from 5 yards out.

The second TD for the Steers came when Jamie Sawyer and Jimmy Skinner blocked a punt and Tommy Bosworth picked it up and ran in for 6 points. Both PAT efforts failed, but the Steers had a 12-0 victory.

LUPE MUNOZ GOING TO STATE CONTEST

Lupe Munoz will compete in the cross country running state meet which will be held Saturday at Southwestern University in Georgetown. She will run at 10 :30 a.m.

She earned a berth in the state competition last Saturday when she finished eighth at the regional meet in Lubbock, with a time of 13:01. She competed in the Conference AAA Division.

SLOW DOWN

THEY DEPEND ON YOU

THIRD QUARTER

Water Valley received the ball at the 33. They drove to the Steer 40. The Steers held and took over off a punt at the 9 yard line. Williams and Parks drove to the Water Valley. A 24 yard field goal attempt failed and Water Valley took over at the 24. The Steers held at the 22 and the Wildcats punted to the Water Valley 49. Joel Percifull caught a 21 yard pass to the 28. Williams drove to the 6 where Graves Parks took it across the double stripe for 6. PAT good. Steers lead 14-0. Water Valley received the ball at the 17 and returned it to the 26. Then they drove all the way to the Steer 5 as the quarter ended.

FOURTH QUARTER

The Wildcats were pushed back by the Steers and penalties and the Steers took over at the 30. The Steers drove to the Wildcat 34 with a 33 yard pass to Scot Long. Amando Sanchez carried it to the 23, and Anthony ran to the 4 before Williams carried it across for the final TD. PAT was good. The Steers led 21-0.

Water Valley took over at the 25. They were penalized back to the 12 and the Steers held them at the 19 and took the punt at their own 36. The Steers drove to the Wildcat 31 when Eddie Hood lost the ball at the 44. The Wildcats were on the move but Parks killed them by intercepting a pass at the 9 yard line. The quarter ended with the Steers at their own 23.

Senior football players who played their last game Friday night are: Ernie Abalos, Tim Bosworth, Marty Caston, Graves Parks, Joel Percifull, Steven Ray and Jose Saucedo. Coaches are Nelson Coulter, Clyde Dukes, Max Anthony, Bobby Bolding, Edward Poehls, and head coach, Jerold Epperson.

Dogies Defeat Irion County in Season Finale

The Robert Lee Dogies finished their 1980 football season in fine fettle last Thursday night when Irion County came here to suffer a 26-0 defeat. The victory gave the Dogies record for the year of seven wins and two losses.

Kirby Rasco started the scoring with the first touchdown on a run from 20 yards out. On the second counter, Greg Grim got completely out of hand, so far as the Irion County defense was concerned, as he rushed downfield for 80 yards on a punt return.

Rasco again went in for the counter on the third touchdown of the game, as he went in from 30 yards out. The final counter came on a 25 yard run by Jim Jacobs.

The only successful PAT came on the final TD when Kevin Johnson went in from three yards out for two points.

David Hodnett made an outstanding defensive play when he recovered an Irion County fumble.

Coach Max Anthony had some kind words for his players. He said, "The whole team played real well. All year it has been a team effort."

'Big Event' Helps Pageant Group

The Coke County Pageant Association, Inc. wishes to thank all those who helped make a success of their money making project "The Big Event," held Nov. 8 on the courthouse square.

Mr. and Mrs. Robert Vaughan, over-all chairmen, wish to thank all the committee chairmen and their committee workers for their splendid work and cooperation. The chairmen were: Opal Jacoby, Nancy Allen, Jackie Walker, and Jeffie Roberts for the Eastern Star food booth and lunch; Edna Havins and Bonita Copeland co-chairmen of entertainment; Joan Davis and Thelma Jo Hinnard the flea market and pageant booths; Hank Baker, George Newby and Ben Boykin, auction sale; Lucile and Wilson Bryan, photo booth; Dee McCleskey and Bonita and Les Copeland, membership booth.

According to Joan Davis there were eight individual and seven organization booths.

The chairmen wish to thank all who participated in the entertainment, the workers and contributors to the various booths.

A special thanks goes to Bob Whipple, owner of Whipple TV Service, for the color TV set which was auctioned, and to Alice Wallace for the decorated cake which was won by Pansy Bloodworth.

Many persons expressed a desire to make this an annual affair.

Relatives and Friends Have Party For Aunt Laura on Her 90th Birthday

"I'm not tired. I never get tired," asserted Aunt Laura Capps Saturday, when a nephew attempted to help her up the back steps of her home in Robert Lee.

Thirty-six members of her family and two next door neighbors, Mr. and Mrs. Alvin Harper, had just honored her with a 90th birthday dinner in her and Uncle Will's backyard.

Aunt Laura and Uncle Will Capps have lived in Robert Lee for the past 57 years. They were married June 25, 1922, in Krebs, OK and have watched many changes in Robert Lee - including a new courthouse and the building of Lake Spence.

Aunt Laura is the daughter of John and Nancy Millican - one of ten brothers and sisters - and is the last surviving child. She was born November 12, 1890, in Mills County.

Uncle Will, the last surviving member of his family, had eight brothers and three sisters. His youngest brother, Mart D., who lived with them for 35 years, died in 1965.

Aunt Laura and Uncle Will lost both their children - Willie June, their daughter, at birth, and W.K., their son, just before his 10th birthday in 1936.

"We've lived in this house 14 years and in Robert Lee forever," Aunt Laura declared. "I'm a member of the Baptist Church - have been for 75 years; ever since I was baptized in Yellow Wolf Creek when I was 15 years old. That was the clearest water," she added.

Since Uncle Will retired as a carpenter (or as he says, "driving nails - sometimes my own"), they have lived in their home with their

Santa Claus Coming To R-Lee Nov. 22

Santa is coming to Robert Lee Nov. 22. He will be available to visit with all the kids in the area and will have a small gift for each of them. Santa will arrive about 4:30 p.m.

Alpha Kappi Pi sorority and the

Sam Ybarra Hurt On Road Job

Sam Ybarra, 20, of Robert Lee was critically injured in a construction accident Tuesday afternoon of last week. The accident occurred about 10 miles northwest of Robert Lee where Sidell Construction Co. is doing some road construction work.

Ybarra was driving a tractor-tanker which slid off the shoulder and rolled eight or ten feet down an embankment. He reportedly tried to jump was unable to get clear of the vehicle.

Ybarra was taken to Shannon Hospital in San Angelo by West Coke County Ambulance Service. He had surgery three times through Monday and reportedly will have to have further surgery on a broken leg. He is the intensive care unit of the hospital and was expected to remain there for several more days.

He is the son of Mr. and Mrs. Jimmy Ybarra of Robert Lee.

Lions Club made arrangements for the visit. A spokeswoman for the organization asked that all kids in the area dress up and decorate their bicycles, tricycles, wagons, etc. to form a parade and escort Santa into town. The parade will form in front of Shaffer Funeral Home. Prizes will be given for the best costumes and best decorated vehicles. No motor vehicles will be allowed to take part in the parade.

In addition to visiting with the kids, Santa also will be available to have pictures made with those who would like them.

The Lions Club will be selling chili at their building, starting at 4 p.m. and everybody is invited to come by for a bowl "of the best chili in Coke County."

Everyone is invited to make plans to visit with Santa. Remember the date--Saturday, Nov. 22,--and the time--4:30 p.m.

CHILDREN'S LIBRARY WEEK NOV. 17-22

By Nancy Rasco, Librarian

Nov. 17 through 22 is Children's Library Week. We would like to extend an invitation to all children to come by the library during this week. On Saturday Nov. 22, we will show a film. After the film we will have a drawing for a prize. To be eligible for the drawing you must check out a book during that week.

We are organizing a Friends of the Library. We will have a meeting at 10:45 on Tuesday, Nov. 19, to organize this. Anyone who is interested please come. We need you.

Library hours are:

Monday - closed
Tuesday - 8-12
Wednesday - 8-12, 1-5
Thursday - 1-5
Friday - 8-12
Saturday - 10-5

SAMUEL RAY NAMED TO HSU HONOR SOCIETY

Samuel Ray of Robert Lee was one of 22 students recently inducted into the Texas Rho chapter of Alpha Chi national honor society at Hardin-Simmons University in Abilene.

Ray is a junior at HSU. He is the son of Mr. and Mrs. Judson T. Ray.

Alpha Chi is a national organization which is established to recognize juniors and seniors in high academic standing at colleges and universities.

Dr. Larry G. Brunner, chairman of the department of English at HSU, and Celeste Rainey, president of Alpha Chi, presided over the induction ceremonies which were held Oct. 13 at HSU.

DEADLINE FOR PURCHASE OF CORRALS NOVEMBER 17

It was announced this week the deadline for purchasing the 1980-81 Corral yearbook will be Monday, Nov. 17.

The yearbooks can be ordered from any of the annual staff members or Winnie McPeck, sponsor.

Cost of each book is \$10.00.

Commissioners Court Has Meeting

Coke County Commissioners' Court met Monday for a regular monthly meeting. Commissioner Jerry Parker served as judge

pro-tem due to Judge D.W. Sims' absence because of illness.

The commissioners canvassed the ballots which were cast in the Nov. 4 general election.

SAN ANGELO SOCIAL SECURITY OFFICE HOURS CHANGE

Effective Monday, Nov. 17, the office hours will be from 9:00 a.m. to 4:30 p.m. Frank Upp, district manager, said special telephone service is now available making social security contacts easier. To call in your application for benefits call 949-3718, station-to-station collect. If you want to follow-up on your medicare claim dial 112-800-442-2620 (toll free). For all other social security business dial 112-800-392-1603 (toll free).

County Extension Agents Sterling Lindsey and Kathy Jobe presented reports to the court and discussed future plans for their programs.

Lindsey also requested that the sand be changed in the livestock barn at the Coke County Recreation Center. He also requested the commissioners buy some front sights for rifles owned by the 4-H Clubs of the county. The rifles will be used at the new rifle range which is about complete.

The commissioners voted to deed Lot 3, Block 36, in Robert Lee to Ruby Jones, if she will pay back taxes and costs of transferring the property.

The commissioners paid bills before adjourning.

Thank you!

Kathy, Lance and I sincerely appreciate the overwhelming vote of support you gave us Tuesday, November 4.

I will continue to do everything within my power to effectively represent you and your wishes in Congress.

Thanks to your support and your votes, we celebrate a great victory!

Paid for by the Loeffler Campaign '80 Committee, the Honorable O. C. Fisher and Jim Lunz, Co-Chairmen, June Deason, Manager.

1980 Autumn Unusually Beautiful

[An Editorial]

It's hard to find words to describe the weather and the countryside of Coke County during the past week. It's been beautiful and lovely and gorgeous, but these words really are inadequate.

The Indian Summer of 1980 in Coke County has been most gracious to each of us.

A somewhat earlier-than-usual freeze started the leaves of trees to turning to colorful hues of yellow to red and on to brown. But evidently the freeze was not of great enough intensity to cause most leaves to drop. Then, immediately following the freeze, almost summer-like weather invaded our country and seemed to delay the denuding of the trees of the area.

A very special beautiful view greets everyone who is traveling from Bronte to Robert Lee. As motorists approach Robert Lee and go over the hill which gives a fine view of Mountain Creek Lake, they also are presented with a panorama of colors which must surely thrill anyone who has an ounce of artistic blood in his veins.

The lovely scene of the landscape is not alone. The weather and the temperatures also have made this area a miraculously fine place to be. The mercury has dropped into the 50's at night (very fine sleeping weather) and then soared into the high 80's on most days. One day last week San Angelo was the hot spot in the nation with a 94.

Despite the things that are wrong with this country, West Texas continues to be a wonderful place to live. Our clear, blue skies,

the wonderful way that our lakes have been replenished with water, the gold, red and brown of our trees, and the green of our oat and wheat fields make Coke County truly beautiful.

As Thanksgiving approaches, I think we have so much for which we should be thankful, regardless of the outcome of election.

The male penguin incubates baby penguin eggs between his feet!

No new flu strain is expected this year

COLLEGE STATION — Flu season may come early this year, but the viruses that infect Americans should be familiar types that have been around a few years, says a Texas A&M University microbiologist.

Dr. John Quarles said the Center for Disease Control in Atlanta is telling physicians and researchers not to expect anything dramatically new, but to be prepared for A-Texas varieties or perhaps Russian flu.

Quarles said several isolated influenza cases have already been confirmed this summer and that usually means an early season. Normally, the peak time for Americans is January through March.

LOOK WHO'S NEW

Jill Alana is the new daughter of Mr. and Mrs. Jack Thomason of Abilene. She was born Tuesday, Nov. 4, at 4:00 p.m. at Hendrick Memorial Hospital. She weighed 7 pounds 5½ ounces and was 21½ inches long.

Jill Alana has a sister, Stacy Jean, who is 14 months old.

The baby's grandparents are Mrs. Jerry Thomason of Robert Lee and Mr. and Mrs. Morris Smith of Diboll.

Great-grandparents are Mr. and Mrs. Pete Smith of Robert Lee and Mr. and Mrs. Dee Hannah of Diboll.

Jennifer Joanne Grace, daughter of Mr. and Mrs. Lee Grace of Wichita Falls, was born Saturday, Oct. 25, at 3:52 p.m. in Wichita General Hospital.

She weighed 6 pounds 1½ ounces and was 19¾ inches long.

The baby's mother is the former Jackie Conley.

Grandparents are Mr. and Mrs. Luke Grace and Mr. and Mrs. John Conley all of Wichita Falls.

Mrs. Myrtle Watson and Mrs. Henry Grace, both of Wichita Falls, are the baby's great-grandmothers.

Miller Services Held at C-City

Funeral services for Johnnie Gene Miller, 50, of Odessa, were at 2 p.m. Monday at the Oak Street Baptist Church in Colorado City. Burial was in the Robert Lee Cemetery under the direction of

Kiker-Seale Funeral Home.

Mr. Miller died at 2:30 p.m. Saturday at Ector County Medical Center of an apparent heart attack.

He was born May 25, 1930, in Rotan. He was a butcher at E-Z Superette in Colorado City before moving to Big Spring. He moved to Odessa last year where he was manager of Martin Distribution Company.

He was married to Bobbie Thomason on Sept. 30, 1976 in Colorado City. He was a Korean War veteran and a member of Hillcrest Baptist Church in Big Spring.

He is survived by his wife; a daughter, Vickie Bear of Austin; a step-daughter, Kristi Leigh Oden of the home; two brothers, Jimmy Joe Miller of Kilgore and Jerry Dee Miller of Haltom City.

ALPHA KAPPA PI MEETS IN JOANN RUNNION HOME

Alpha Kappa Pi met Wednesday, Nov. 5, in the home of Joann Runnion. The program was presented by Mary Bessent.

Plans were made for the sorority's booth at the Big Event Flea Market on Nov. 8. It was announced the downtown Christmas parade will be Saturday, Nov. 22.

Refreshments were served following the meeting.

LIONS CLUB MEETING

1 — 3rd Tuesday of each month — 7 P.M. Lions Club Community Center

Try leaving on a flight of fancy.

It's one thing to sit around and dream of faraway places. But when you decide to go, you've got to come up with a ticket. Wishing won't make it so. Saving will get you there.

One of the easiest, safest ways to save is to buy U.S. Savings Bonds through the Payroll Savings Plan. A little is taken out of each paycheck automatically. And the Bonds will eventually grow into a first-class ticket to anywhere.

Nothing is too far. Tahiti, London, Paris, Rome. Even a trip around the world. Or just a long vacation on a Caribbean island. Anywhere.

So go ahead, take a flight of fancy. Then start buying Bonds so you can take a fancy flight.

Take stock in America.

When you put part of your savings into U.S. Savings Bonds you're helping to build a brighter future for your country and for yourself.

Women enrolled in higher education increased in the '70s

COLLEGE STATION — The number of women in higher education has increased dramatically, according to a Texas A&M University demographer.

Dr. R. L. Skrabanek noted that in 1970 there were only 68 women enrolled in college for every 100 men; but by 1978 the ratio had increased to 92 per 100 men. Nearly one-half of all college degrees granted in 1977 went to women. The number of females receiving doctorates more than doubled between 1970 and 1977.

Skrabanek gathered his information from a new Bureau of Census report, "A Statistical Portrait in the United States: 1978." The report in itself can be viewed as an example of women's progress. It is only the second such volume exclusively about women ever to have been published by the Census Bureau in its almost 200-year history — and the first was in 1976.

So says the VA... By Virgil Parich

Contact nearest VA office (check your phone book) or a local veterans group.

How to spend without worry.

Buying the things you want makes you feel good. But spending that "little extra" you *should* be saving makes you feel guilty. And you worry.

One answer is to buy U.S. Savings Bonds through the Payroll Savings Plan. They'll take out that "little extra" from each paycheck for Bonds.

You're automatically saving the amount you want to save, without ever seeing it. So you *can't* spend it. You won't even miss it. But you *can* spend what's left of your pay (after bills) without feeling guilty. Without worry.

When you put part of your savings into U.S. Savings Bonds you're helping to build a brighter future for your country and for yourself.

ENERGY UPDATE

A broad-based coalition of both energy producers and energy users has announced a nationwide series of activities dramatizing available solutions to energy problems. The week-long event will be held next March 15-21 under the banner of American Energy Week (AEW).

AEW will focus on four major messages:

- Development of domestic energy resources and technology can provide a solid foundation for continued economic and social growth, and for national security.
- A well-balanced program of developing domestic fossil fuels, nuclear and synthetic fuels, renewable sources and technically efficient conservation can reduce dependence on foreign oil.
- Energy sufficiency is a reachable goal.
- The promise of a strong future can be restored by national dedication to mobilizing technology and energy resources.

"The economic consequences of our reliance on foreign oil are growing more ominous each day," said Don McCammond, executive vice president and managing director of AEW. "But yet the nation's consciousness of the available solutions to the problem is muddled by lack of knowledge, partial information and general skepticism.

Americans want to know what must—and what can—be done."

Representatives of a wide variety of groups are joining in the American Energy Week effort. National figures such as Rev. Theodore Hesburgh, president, University of Notre Dame; Sens. Robert Byrd and Howard Baker, majority and minority leaders, respectively, in the U.S. Senate; Rep. Thomas "Tip" O'Neill, speaker of the U.S. House of Representatives; tennis professional Roscoe Tanner; and auto racer Janet Guthrie, among others, are serving on the AEW national committee.

McCammond stressed that American Energy Week is not just another organization, but rather a means of assisting existing state and regional efforts to create a positive atmosphere for meeting the energy needs of a growing, and changing, nation. It can, he said, bring together a coordinated nationwide grassroots network that will continue to focus on energy solutions long after the official AEW observance.

"The goals of American Energy Week are larger than a single week can presume to accomplish," he commented. "A continuing concerted national expression of commitment to meeting these goals can awaken Americans to the task of winning the energy battle. A week devoted to the cause is only the beginning."

For more information about American Energy Week and how you can become involved, write: American Energy Week, 1111 19th Street, N.W., Suite 400, Washington, D.C. 20036.

Lunchroom Menu

Monday, Nov. 17: Vegetable beef soup, cheese stick, crackers, milk, pineapple upside down cake.

Tuesday, Nov. 18: Bologna, cheese sandwiches, pickle slices, corn, potato chips, milk, cookies.

Wednesday, Nov. 19: Pinto beans with meat, turnip greens, potato salad, corn bread, butter, fruit cobbler, milk.

Thursday, Nov. 20: Corn dogs with mustard, corn, french fries with catsup, banana, milk.

Friday, Nov. 21: Turkey and dressing with giblet gravy, cranberry sauce, green beans, cream potatoes, hot rolls, butter, rainbow jello with cream.

Mr. and Mrs. A.J. Bilbo returned home last Thursday after spending a month with their daughter and family, the Jarvis Littlefields, at Afton, Okla. Mr. and Mrs. Littlefield brought the Bilbos home and plan to stay in Robert Lee until after the Thanksgiving holidays.

Mr. and Mrs. Foy Askins spent last weekend in Lubbock with Mr. and Mrs. Ray Askins. They were joined there by Mr. and Mrs. Eddie Buttram of Hamlin. Mrs. Buttram is a sister of Foy and Ray Askins.

VISITORS TO ARIZONA

Mr. and Mrs. S.B. Plumlee returned home Saturday after spending a week in Arizona. Their daughter, Betty King, of Lake Jackson, flew to Midland where the Plumlees picked her up before continuing on to Arizona. They visited Mr. Plumlee's sister, Mrs. Hallie Humphries in Globe, Ariz. and a nephew and family, Mr. and Mrs. Royce Robertson, at Mammoth, Ariz. They also visited with Mr. and Mrs. R.B. King in El Paso. The travelers report they had a good trip and perfect weather.

STEVEN RAY ATTENDING NATIONAL FFA MEETING

Steven Ray, son of Dr. and Mrs. Phil Ray of Robert Lee, is attending the national FFA convention in Kansas City, MO, this week.

Ray was a state winner of the Santa Fe Educational Award, and will be presented this award at the national FFA Convention.

The award is based upon leadership achievements in the Texas FFA Association. Also, Ray was selected to be a member of the Courtesy Corps at the national convention. He is currently serving as vice-president of the Area II FFA Association, and is vice president of the Robert Lee FFA Chapter.

COMPTROLLER REP TO VISIT ROBERT LEE

State Comptroller Bob Bullock will have a representative from his San Angelo office in Robert Lee on Nov. 19, 1980 to assist local taxpayers and answer questions about state taxes.

Enforcement Officer Dru Beck will meet with local taxpayers in the county judge's office at the county courthouse from 9 to 10 a.m.

Nov. 14, 1980

Robert Lee Observer

PAGE 5

"If Robert Lee area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing state tax forms, Ms. Beck will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office, and we believe these face to face sessions with taxpayers help do just that," Bullock added.

The San Angelo office serves San Angelo and surrounding counties.

Mrs. Dewitt Snead returned home Tuesday of last week after spending three weeks at Midland visiting relatives and friends.

Nov. 10: Patricia Clay admitted. Mattie Luckett dismissed.

Sea Grant Program awarded funds to continue projects

COLLEGE STATION — Texas A&M University's Sea Grant College Program has been awarded \$1.73 million from the National Oceanic and Atmospheric Administration (NOAA) to continue its research, education and public service efforts.

The federal grant, announced by Secretary of Commerce Philip M. Klutznick, will be augmented by state funds and other sources, providing a total budget of \$3,039,876 in support of 26 Sea Grant activities in 1980-81.

The Texas A&M Sea Grant College Program, now in its 13th year, conducts marine education and training, fisheries research and seafood technology, studies in mariculture, coastal and ocean engineering, environmental quality, marine extracts and biomedicinals, safety in the marine environment, and provides marine advisory and information service.

Program Director Fennan D. Jennings said the funding includes support for research at the University of Texas Marine Science Institute at Port Aransas, the University of Houston, Texas Southern University, Baylor College of Medicine and Texas A&M University at Galveston.

SAN ANGELO IRS OFFICE MOVES TO FEDERAL BLDG.

The San Angelo office of the Internal Revenue Service has moved into the Federal Office Building at 33 East Twohig, announced Frank Strickland, director's representative for San Angelo.

"Our office hours will remain 8 a.m. through 4:30 p.m. Monday through Friday," Strickland said. Taxpayers who prefer to use the telephone for tax help can dial IRS toll free at 1-800-492-4830.

EXTENSION SERVICE TO SPONSOR PROGRAM

A Christmas Program - **NEW IDEAS** - will be presented by Doris Richards, West Texas Utilities home economist from San Angelo, on Monday Nov. 17, at 2:30 p.m. The program will be held in the commissioners' courtroom at the county courthouse.

The program is being sponsored by the Coke County Extension Service. Miss Kathy Jobe, Coke County extension agent-home economics, invites all interested persons to attend.

STILL TIME TO REGISTER FOR NURSES COURSE

There is still time to register for the nursing course which is being planned at West Coke County Hospital and Nursing Home.

The first session will be held on Thursday, Dec. 4, at 1:30 to 3 p.m., and will be repeated at 3:15 to 4:45 p.m. for those who find that time more convenient.

The \$40 fee for the course will be payable on opening day. Further date and time slots for classes will be announced to the trainees at the first sessions.

Celery was known in many ancient civilizations. The early Chinese brewed a medicinal tea from it which was supposed to cure stomach troubles.

Bobby Evans to Head Del Rio District

James R. "Bobby" Evans, District 7 maintenance engineer, with the State Department of Highways and Public Transportation (DHT) in San Angelo, has been promoted to district engineer of District 22 in Del Rio effective Jan. 1, 1981. He will be replacing S. Gutierrez the current district engineer in Del Rio who is moving to Corpus Christi as district engineer. Roger Q. Spencer, the present district engineer in Corpus Christi, is retiring from the department effective Dec. 31, 1980.

Evans, a 24 year veteran with the DHT, is a native West Texan, having lived in Bronte and San Angelo all his life. He began his career, working part-time, while attending Texas Tech University. In 1958 upon graduating with a civil engineering degree he began work in San Angelo for Resident Engineer Gerald G. Lackey. In 1963 he became associate maintenance engineer and was promoted to district maintenance engineer in 1972.

Under the supervision of Evans the maintenance personnel of District 7 have regular program of safety training. Management training and personnel supervision courses have been made available to train supervisors to do the best job with the personnel, time, and equipment available.

Evans has been willing to test new methods and material for highway maintenance. U.S. 83 between Ballinger and Paint Rock was used to experiment with reflective pavement markers on the center line for better night visibility in rural areas. This type of marking is now replacing the more expensive process of placing delineators along the roadside.

JAMES R. "BOBBY" EVANS

Under Evans' leadership the forces not only maintain the highways but enhance the enjoyment and safety of the motorists with roadside beautification. These efforts were recognized recently when John Stephens of Robert Lee received the Eleventh Annual Lady Bird Johnson award for highway beautification in Coke County.

Mr. and Mrs. Evans (Billie Jean) have a daughter, Susan, who is married and lives in Atlanta, Ga., a son, Mark, a senior at Central High School. They are active members of the First United Methodist Church. Mrs. Evans is a history teacher at Lake View High School.

"Friends and fellow employees of Mr. Evans are happy to see him advance but will miss seeing his smiling face and hearing his cheery hello as he comes and goes while overseeing the highway maintenance in District 7," said D.R. Watson District 7 engineer.

Evans is the son of Mr. and Mrs. Sid Evans of Bronte.

An alternate energy system under development includes a heating unit powered primarily by the energy created when water freezes.

"Selling the Auction Way"

Dr. Swann to Be Honored for Service

Citizens of Sterling City and the entire area are making plans to honor Dr. William J. Swann at an appreciation dinner on the occasion of his 50th anniversary of practicing medicine in Sterling City. The affair will be sponsored by the Sterling City Lions Club and will be held at the Sterling City Community Building.

Sterling City has issued an invitation to their Coke County neighbors to join them in honoring the doctor, since he has practiced as the stand-by physician at West Coke County Hospital for years and has many friends on this side of the county line. Also, Dr. Swann came into Coke County to woo his bride more than 50 years ago.

No formal invitations are being sent out, the Sterling City Lions said, as it would be an impossible task to invite all the doctor's friends. But everybody is invited, they said. A catered dinner will be served and the cost per plate will be \$4.00.

Sterling City folks have commissioned Don Bowen to create a bust of their beloved doctor and it will be unveiled and presented at the

Services Tuesday For Mrs. Clift

Mrs. Jim (Bertie) Clift died at 12:45 p.m. Sunday, Nov. 9, in West Coke County Nursing Home where she had been a resident since Aug. 24, 1971. She would have been 99 years old on Nov. 17.

Graveside services were held at 10:30 a.m. Tuesday in Robert Lee Cemetery under the direction of Shaffer Funeral Home. The Rev. John Reynolds, pastor of the United Methodist Church, officiated.

Bertie Indiana Clark was born Nov. 17, 1881 in Caldwell County, daughter of George D. Phillip and Mattie (Warwick) Clark. She moved to Coke County at an early age and was married to James A. Clift at Fort Chadbourne in 1901. They moved to Robert Lee in 1905 and were engaged in the mercantile business. He died Jan. 25, 1942. Mrs. Clift lived in San Angelo several years before returning to Robert Lee. She was a member of the United Methodist Church and an honorary member of the San Angelo Chapter No. 896 Order of The Eastern Star.

Two sons, Wayne Clark Clift and James Wallace Clift, preceded her in death.

Survivors include a daughter-in-law, Zollie Clift of San Angelo; three grandchildren; and a number of great-grandchildren.

She was a sister-in-law of Mrs. Freeman Clark of Robert Lee.

Predator Control Program Monday

Dr. Dale Wade, Extension Service wildlife specialist stationed at the San Angelo Research and Extension Center, will be in Robert Lee to present a program on predator control next Monday night that should be of interest to all Coke County producers. The meeting will be held in the old rec hall in the Robert Lee Park. Starting time will be 7 p.m.

Dr. Wade, in a slide presentation and discussion, will give basic information on predator control. Also, he will give information on current government regulation and the outlook concerning future regulations. Dr. Wade is nationally known as a predator control educator and is presently serving on a National Advisory Committee in this area.

All producers and interested persons are invited to attend the meeting Monday night.

dinner.

Dr. Swann came to Sterling City in 1930, and has given 50 years of dedicated service to the citizens of the area, and to anybody else who sought or needed his help. This dinner, the Lions pointed out, is not a retirement party, for Dr. Swann "continues to serve his patients in

the same professional fashion. He still practices and gives excellent medical care."

Dr. Swann was born Oct. 27, 1900, the son of Dr. and Mrs. J.C. Swann of Wedowee, Ala. He graduated from Wedowee High School in 1916 and attended the University of Alabama. He then entered Emory University where he received his degree in medicine in

Nov. 14, 1980

Robert Lee Observer

PAGE 7

1924. He interned at Grady Hospital in Atlanta, Ga., and later did an internship and residency at Shreveport Charity Hospital in Shreveport, La.

He began his practice in Roscoe, Tex., where he was associated with the Young Clinic. He was married in 1926 to Opal Chumley,

daughter of Mr. and Mrs. Sam Houston Chumley, pioneers in western Coke County.

(Editor's note: I have never met Dr. Swann, but I have lived in Coke County for over 32 years and have never heard anything but kind words spoken about the good doctor to our west.)

Now in production.

DECADES OF GAS SUPPLY FROM TWO OF NATURE'S BEST-PROTECTED SOURCES.

Did your mother ever hide some of her spare cash in a cookie jar, out of easy reach until she needed it?

Well, that's what Mother Nature did when she placed enormous deposits of natural gas in hard-to-reach places.

Places like the deep basins in Texas and Oklahoma, where the deposits were miles too deep for man to reach them.

Places like the tight basins in Texas, where formations were so tight-fisted the gas could barely flow to the wells.

Now, after spending years and millions of dollars, producers have the technology to

explore five-mile depths and speed up the flow of gas through dense rock. And high-production gas wells are being completed in the deep and the tight basins.

Many industry experts believe that each of these sources can double the nation's current proven reserves. Exciting news, because Lone Star is well situated to buy your share of this new gas for the 1980's, the 1990's and beyond.

 Lone Star Gas Company

GAS. IT'S PLENTIFUL, EFFICIENT AND RIGHT FOR THE TIMES.

Texas A&M's research funding increases 14 percent

COLLEGE STATION — Research funding at Texas A&M University has soared to \$72.2 million in 1979-80 for a 14 percent increase over a year ago, university officials announced Wednesday.

The figures — released in an end-of-the-fiscal-year report by the Office of University Research — are up \$8.6 million from \$63.5 million when the university ranked among the top 20 research institutions in the nation.

So says the VA...
