King, Queen Seek Air Raid Shelter As London Bombed

LONDON, Sept. 11 (AP)—King George and Queen Elizabeth took cover under a police station today when an air-raid alarm sounded as they were touring bomber areas of southeast London.

As the sirens shrieked, the King and Queen left their car, in which they had been riding with home secretary Sir John Anderson, and walked downstairs into the shelter.

Their Majesties sat on bare wooden chairs in the center of the room. On benches around the walls were policemen, court officials, overalled ARP (air raid precautions) workers fresh from the ruins of a court house next door, white-smoked workmen from the police canteen and others.

Churchill, in opening his speech, said the air attacks so far had "failed conspicuously."

Conscription Here--And There

One of the most ubiquitous, and certainly the most vocal, opponents of conscription in the United States is the Communist party.

And this is odd, for Russia, to whom these people owe at least spiritual allegiance, has just called up its youth of 18, 19, and 20 for compulsory army service.

Conscription, then, is fine for the "socialist fatherland," but the United States must have no part of it.

This is very puzzling to those who are inept in Communist dialectic. To an outsider it looks as though these people were much concerned that Russia should win any war in which it might become involved, but less concerned about how America might fare in a similar crisis.

America will be defended no less resolutely, by means democratically decided upon, perhaps even by such means as the Communists adopt on the home grounds, reject here.

Budget for Year Set By Scouting Officials

SERIAL STORY THIS COULD BE YOUR STORY BY MARGUERITE GAHAGAN

YESTERDAY: Sue Mary visits an exhibit of modern art, meets the smiling, intense young man whom she saw in the park. He is Nick Alexander. He introduces her to Natalie Russo and Vera Oliver. Sue Mary is happy to find new friends.

INVITATION TO A PARTY CHAPTER III. SUE MARY found going to bed that evening a slow affair. She would come back to reality with a start, finding herself waving her comb back and forth like a fan, instead of through her hair.

There had been the first few moments at the art exhibit, when she wished desperately that she hadn't come, but then Nick had started talking. It was simple to call him Nick, and when he had learned that she was there, merely because she had nothing better to do, because she had time to waste, he had assumed control.

He made her talk about herself, made her tell of her work, her loneliness, of her life in the city. He was abrupt in his manner, dominating in his inquisitiveness, but his very interest held her.

He wasn't good looking, she remembered. He was too dark, too intense, too aggressive. He wore his black, wavy hair longer than the men in the office, and he looked as though he brushed it only once a day.

NICK had the gift of listening. To Sue Mary it was unbelievable that anyone could actually be interested in her humdrum life. Yet Nick listened and asked more questions; and what she read, what plays she'd seen, what she had studied in school, what she thought of current problems.

She had blushed when he asked her if she had gone to the Young Voters' rally last week. "I'm terribly stupid about those things," she confessed. "I'll have a birthday pretty soon. Twenty-one. And then when I can vote, perhaps I'll take an interest in things like that. I mean like politics, and crusades, and—well, you know—"

"And what will you be? Republican, Democrat, Socialist—or maybe Communist?" She smiled and shook her head. "It's funny to you, I know. My father was a Republican. I guess all my folks were. Mother doesn't take much interest, and well, I never thought much about it either. My brother-in-law's a Democrat. I used to hear him talk some—but really I never made up my mind."

"I can see I'll have to take you in hand. We'll have to continue your education." She changed the conversation abruptly. "We might start with a party. Ever go to parties?" "I don't mean the kind where you sit around and drink tea. I mean where people talk and think. This crowd's always throwing parties. None of them has money enough to make it much of an affair. We get some sandwiches and beer or coffee, play some records, and criticize"

ances." He was widely applauded. Resolutions adopted included: favoring adequate provisions to discharge obligations of the state; payment of pensions to the aged, dependent children, needy blind and retired school teachers; streamlining the government to eliminate various agencies; quickening of the state's industrialization program; endorsement of the national administration's defense program.

McDONALD REFUSES TO CRITICIZE CONVENTION AUSTIN, Sept. 11 (AP)—State Agriculture Commissioner J. E. McDonald said today the Texas Democratic Convention had a right to criticize his actions as he had a right "to vote for the Presidential candidate who offers the farmers the soundest agricultural program."

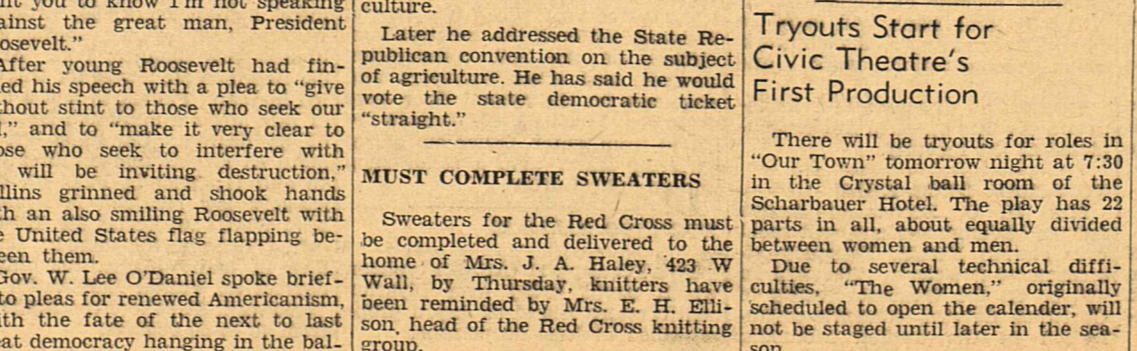

He was commenting on a resolution adopted at the convention in Mineral Wells yesterday calling on him to say whether he would vote for Willkie or Roosevelt. The resolution expressed condemnation if he should support the Republican Presidential nominee.

The commissioner, re-nominated by Texas Democrats for a sixth term of two years, did not say in his statement how he would vote. He reiterated his frequently voiced criticism of the AAA agricultural program.

Several weeks ago he aroused a furore in State Democratic circles by talking over agricultural matters with Willkie in Colorado Springs and announcing he would support the presidential candidate with the soundest program for agriculture.

Later he addressed the State Republican convention on the subject of agriculture. He said he would vote the state democratic ticket "straight."

OUR COUNTRY

Third of 24 articles on "Our Country," written exclusively for NEA Service and The Reporter-Telegram by the nation's most famous authors.

By John Steinbeck Author of "The Grapes of Wrath," "Of Mice and Men," "Tortilla Flat," etc.

THE time has come when some realistic thinking must be done about the American democracy in its relation to the mushrooming totalitarian states.

The dictators say that democracy is a degenerate form of government. This is a ridiculous generality. Democracy is only degenerate when its leaders and its people are degenerate.

Actually, totalitarianism is a degenerate form, for it is a hopeless, confused and embittered people have tossed all their responsibility to one man thus proving their lack of morality, versatility and ingenuity.

Democracy on the other hand, by dividing responsibility, keeps the political function and ability alive among the people and this makes for a difference in endurance. That endurance lies here—America could lose many hundred thousand men and remain a functioning nation while the loss of the key men would cripple the Third Reich.

Whether we like it or not, we are faced with a war. Totalitarian discipline, designed for war, must continue to expand or it will begin to die.

Germany cannot permit the example of a free America in the same world with her slave conquests and slavish citizens.

It will then be with us to prove whether or not we are degenerate. We are not a contented people. We never have been. Part of the nature of America has been its restlessness. Only the most fatuous have ever considered that we have a perfect government.

But we have maintained the right and the ability of the people to change our government slowly and lawfully. All our government has been in a constant state of change since it was established. We like this method. There are very few Americans who do not infinitely prefer the worst of our democracy to the best of Totalitarianism.

THE history of Germany has been the history of magnificent errors. Now, because we fight each other—party against party—group against group, industry against labor—Hitler suspects that we are degenerate. He has completely overlooked the vitality of this fighting.

It is through such fighting that we have kept alive and that we have progressed socially and economically. This fighting is the proof that we are not degenerate.

The war will come and then it will be seen whether or not a free and alert people can coagulate into a force to withstand and defeat the power of the hypnotized automatons of the dictators.

Nearly all Americans believe in the same things. They differ on the details. I think they are quite capable of leaving these details for the moment for the preservation of the whole. I am convinced that this will be done, but I believe that in his judgment of America, Hitler has made one of the great historical Germanic mistakes.

We must do our utmost to keep the American idea alive, says Louis Adamic in the next article of this series on "Our Country."

U. S. Embassy Said Damaged as British Raiders Bomb Berlin BERLIN, Sept. 11 (AP)—The United States embassy was damaged slightly by one of the bombs dropped into central Berlin today by British night raiders.

Half of the embassy garden, including the tennis court, was closed because of fresh holes suspected of containing unexploded bombs. One such hole at the edge of the garden is barely a yard from the home of propaganda minister Paul Joseph Goebbels, which adjoins the embassy property.

The holes are being left unexploded until the danger of handling incendiaries—if that is what they contain—is reduced. The damage to the embassy was a dent in the wall of the office of first secretary Donald R. Heath made by a half-pound fragment of a bomb which exploded 150 yards away.

Otherwise the embassy property, in the center of the bombed area, which includes the Reichstag, French embassy and Kroll opera house, was undamaged. America-New Zealand Air Traffic Opened SAN FRANCISCO, Sept. 11 (AP)—Reaching out across the lonely south Pacific, Pan American Airways' clipper planes today began carrying passengers between the United States and New Zealand.

Chances One in 5 Million of Becoming War Millionaire Because of Tax Laws

By Frederick Gardner NEW YORK, Sept. 11 (AP)—What's your chance of becoming a war millionaire? Wall Street seems to think it is about as slim as a Newt's eyelash—maybe 1 in 5,000,000 under present tax laws.

Individual income taxes, Wall Streeters figure, will plow under much or the major part of what remains of the war millionaire crop after the treasury has taken its cut of corporate profits from levies enacted or proposed.

The federal surtax on a million dollars income, it was figured, amounts to about \$648,000. Ordinary and state taxes add about \$150,000. Business reports have increased since the European war. A compilation by the National City Bank of New York shows profits of 334 manufacturing concerns in the first half of 1940 were up 60 per cent over earnings for the comparable 1939 period.

Multi-billion dollar defense expenditures, plus British war purchases, may bring further expansion in earnings. Yet stock prices on the average ended the first year of the war at lower levels than when the conflict started. Brokers give various explanations for the lag in stocks, including suspense over the Anglo-Nazi battle, but taxes are stressed.

While steel mills hum at capacity or near capacity output arms makers get ready for rush room expansion. Some traders who used to play for the millions prefer to clip coupons as "investors" rather than risk their capital at going tax rates. Not even Wall Street traditions of millions to be made from "war inflations" of stocks and commodities have tempted certain of these erstwhile big operators to quit their retreats for another bout with the ticker.

In 1914, before the world war speculative boom, there were 60 individuals with net incomes of more than \$1,000,000 in the United States; treasury data shows Million-dollar incomes jumped to 120 in 1915 and 206 in 1916, then dropped to 141 in the first year the United States was in the fray. With the collapse of the inflation cycle in 1920, the million-dollar income class shrank to a mere 32.

In 1929, at the peak of the post-war Wall Street bull market, million-dollar income returns increased to more than 600. Tax changes and business conditions held down million-dollar incomes in the last decade.

Said a tax authority: "It's still legal to be a millionaire in this country but not practically to expect to be one in face of tax obstacles. When we get through paying for the defense billions, millionaires may be even scarcer than they are now."

Home-Grown Food Supply Is Goal of Clubwomen

A winter's food supply from home grown and home preserved products is the goal of Mrs. J. D. Bartlett and her daughter, Mrs. Lois Lewis, of the Valley View Home Demonstration Club, according to Miss Alpha Lynn, county home demonstration agent.

When the Bartlett home burned in January of this year, one of the losses most missed was the preserved food, according to Mrs. Barnett. Early in the year plans were made for a pressure cooker to replace the lost one, and for growing an ample supply of vegetables for canning. The new cooker was purchased in June, and immediately began the canning program in the Bartlett home.

Canning to date shows 36 1/2 quarts of field peas, 33 pints string beans, 19 quarts peaches, 3 quarts pear sweet pickle, 17 quarts peach preserves, 13 1/2 pints peach jelly, 13 pints grape jelly, 8 pints grape butter and 23 pints grape jelly. With the exception of 2 bushels of peaches, all products were raised at home, according to Mrs. Bartlett's report.

The PTA plans to have socials and programs twice a month, to join the National PTA, and to sponsor speakers from Midland.

Butter Is Source Of Vitamins A, D, Clubwomen Told

The study of the nutrition side of butter in the diet, the fact that it gives a supply of vitamins A and D, was the focus of attention at the meeting of the Prairie Lee home demonstration club at the home of Mrs. Geo. Stewart, Tuesday afternoon.

Each individual should have at least a one-inch square of butter each day and also a quart of whole milk, it was pointed out. The vitamin A in butter makes for bigger bodies, longer lives, fewer colds, nicer skins, and better eyes, while Vitamin D is a preventative of rickets and makes strong teeth.

Members present were Mrs. W. E. Pigg, Mrs. J. L. Ledbetter, and the hostess. Visitors were Miss Lynn and Miss Leona Casbeer.

The club will meet again, September 24, at the home of Mrs. J. E. Wallace.

WASHINGTON, Sept. 11 (AP) — President Roosevelt returned to Washington today after a stay at his home in Hyde Park, N. Y.

Mrs. A. H. Riley Is Hostess for Bridge-Luncheon

Mrs. A. H. Riley was hostess Tuesday at one o'clock at a luncheon for the Bridgette club and guests at her home, 608 W. Cuthbert.

Roses and zinnias were used in the party rooms where guests were seated at quarter tables for the luncheon service.

Three tables of bridge were played with high score going to Mrs. Harry Staples of New Jersey, and second high to Mrs. W. P. Thurmon.

Guests were: Mrs. Staples, Mrs. Glenn Black, Mrs. Thurmon, Mrs. J. J. Black, and Mrs. G. B. Randolph.

Kingdom Highway Group Has Party At Perkins Home

Presbyterian young people who are going away to school were honored when the Kingdom Highway group of the church was entertained at the home of Mrs. John Perkins, 1909 Brunson, Tuesday evening. Young people of other churches who have been associated with the Presbyterian group and who plan to go away to school this winter were also complimented, the honorees being distinguished by wearing a rose.

Lynn Stephens, group adult sponsor, and Helen Armstrong conducted a series of parlor games.

Refreshments were served under direction of Mrs. M. L. Richards and Mrs. Tom Sealy.

About 35 were present.

Typewriter Stolen in Burglary of Store

Officers today were seeking the person or persons who broke into the M-System grocery store this morning about 2:30. All that was missing was a typewriter, an early morning check-up revealed.

The marauder gained entrance by breaking a pane of glass in a back window and crawling through a shelf.

Breakfast in Blue Room Opens Year for Club

Twentieth Century Study club opened the 1940-41 season with a breakfast in the Blue Room of Hotel Scharbauer, Tuesday morning at 9:30 o'clock. Wee chrysanthemums in tones of orange, bronze and yellow decorated the table where guests were seated for the breakfast service and the program.

In the absence of the president, Mrs. Joseph Mims, Mrs. S. M. Erskine, vice president, conducted the meeting and outlined the plans and objective for the year. The lessons will include miscellaneous study under the general title, "For More Abundant Life."

Mrs. W. C. Fritz read the president's message.

Mrs. John Redfern presented the Federation news and made report as treasurer and finance chairman. Reports also were given by Mrs. Ross Carr as membership chairman and Mrs. S. M. Erskine as yearbook chairman.

Plans were made for a book review tea in October, at which the club will present Mrs. Shultz Hartgrove of San Angelo.

Present were: Mmes. Carr, Erskine, Fritz, William Osburn, Ed Reichardt, R. P. Simpson, A. M. McClure, Redfern, F. R. Wallace, R. T. Wade, D. A. Pass, L. C. Tennis, W. L. Simmons.

Buffet Supper Is Compliment to Betrothed Couple

One of a series of pre-wedding courtesies being shown Miss Georgia Goss, bride-elect of Dan Harston, was the buffet supper for which Mrs. R. L. Miller and Mrs. Frank Miller were hostesses at the home of the latter, 600 N. Marienfeld, Tuesday evening.

Red roses were employed on the supper table from which guests were served informally.

Present were: Miss Goss and Mr. Harston, Mr. and Mrs. Don Thompson of Odessa, sister and brother-in-law of the bride-to-be, Mr. and Mrs. R. L. Miller, and Mr. and Mrs. Frank Miller.

Tuesday Luncheon Club Meets With Mrs. C. P. Butcher

Mrs. Cary P. Butcher, 904 W. Tennessee, was hostess to the Tuesday Luncheon Club at its bi-weekly party Tuesday. After the one o'clock luncheon had been served, the afternoon was devoted to bridge.

Guests were Mrs. J. R. Martin, Mrs. Frank E. Lewis, and Mrs. Curt Inman.

Members present included Mmes. A. B. Cather, David S. Googins, R. W. Hamilton, J. E. Simmons, R. C. Tucker, and the hostess.

Calling at tea time were Mrs. Alden Donnelly, club member, and her houseguest, Mrs. Marion Gardner.

Club Girls Learn Proper Way to Scald Chickens

"A medium scald is best for home picking of chickens," Miss Alpha Lynn, county home demonstration agent, explained to the Prairie Lee 4-H girls club which met at the Prairie Lee school house Tuesday.

"A medium scald is with water about 150° Fahrenheit, which is hotter than dish water," Miss Lynn explained, as preparation was made to scald the chickens brought for dressing by Faye and Dessie Casbeer and Helen Harrison. She also said that, after chickens are picked and singed they should be thoroughly washed with a rag and soda, that this is the first bath they have ever had and it should be a good one. Chickens to be dressed should not be fed for 24 hours beforehand.

The club adjourned to meet October 8 for a demonstration on canning chickens.

Club members present yesterday were: Avalene and Lavada Crudup, Leona Meissner, Helen Calhoun, Fay and Dessie Casbeer, Wanda and Jeannette Dunn, Billie Ladean Pigg, Helen Harrison, Verna Dodson, Evelyn Ware, Betty Floyd, Helen Ruth Harris and Tida Merle Franks.

SING-SONG SUNDAY

Midland County singing convention will meet at the Fundamental Baptist Church here Sunday. The public is invited to come and bring lunch.

Midland Couple Recites Vows by Candle-Light

In a candle-light ceremony read by the Rev. John E. Pickering, Miss Paula Gay, daughter of Mr. and Mrs. G. F. Gay of Corsicana and Robert Grubb, son of M. L. Grubb of Hamilton, were married at the home of Mr. and Mrs. R. D. Scruggs, 605 N. Peecos, Tuesday evening at 8:30 o'clock.

Clusters of pink roses and other flowers were employed in decor for the livingroom where the single ring service took place in the presence of a small group of relatives and friends.

Mrs. Alden Golladay was at the piano for the nuptial music, playing softly during recital of the vows. The couple had no attendants.

The bride wore a tailored dress of black crepe with white accessories. A reception followed the wedding. Refreshments were served from a table laid with a cutwork cloth, centered with figures of a bridal couple wreathed with ferns and flowers, and lighted by white tapers.

Guests were: Mr. and Mrs. Buck Costin of Monahans, sister and brother-in-law of the groom, Mr. and Mrs. W. B. Simpson, Mr. and Mrs. R. D. Scruggs, Mr. and Mrs. Joe Hewett, Mrs. Golladay, Miss Pauline Jordan, Miss Jackie Gregory, Henderson Haynie.

Mrs. Grubb is a graduate of Corsicana high school and has lived in Midland about two years. She is office manager at Scruggs Motor Company.

Mr. Grubb came to Midland six weeks ago from Odessa, and is employed at the M System grocery. He is a graduate of Rotan high school.

The couple is at home at 410 W. Kansas.

Wedding Dinner Is At Richter Home

Honoring Mr. and Mrs. Grubb, Mr. and Mrs. R. R. Richter entertained with a wedding dinner at their home, 213 S. Big Spring, Tuesday evening.

Covers were laid for the bride and groom, Mr. and Mrs. Buck Costin of Monahans, Miss Jackie Gregory, Henderson Haynie, and the host and hostess.

The wedding cake was in white

Fifteen Midland Clubwomen Attend Odessa Institute

Attending the club institute sponsored by The Odessa Study Club in that city Tuesday was a group of Midland clubwomen including: Messdames M. T. Hartwell, J. Howard Hodge, Jones, F. C. Cummings, Lamar Lunt, Austin Flynt, W. E. Ryan, Ernest Sidwell, J. Webb Miller, R. L. Miller, Eula Mahoney, J. A. Haley, Fred Wilcox, Fred Fuhrman, and Miss Lydia G. Watson.

The institute was held in the Ector County Auditorium, with luncheon being served downtown.

Mrs. J. W. Walker, state treasurer of Federated clubs and candidate for state president, was the guest speaker. She discussed club ethics and parliamentary law.

Mrs. Hodge, president of the Midland City-County Federation, who sponsored the organization of a similar group in Odessa, made the response to the welcome address.

Miss Lydie G. Watson and Mrs. J. A. Haley, who hold offices in the district organization, were introduced.

About 100 women from over District Eight were present for the institute, it was estimated.

SISTER IS GUEST

Mrs. J. J. Black has as her guest, her sister, Mrs. Harry Staples of New Jersey.

Silhouette for 1941

Buick SPECIAL 6-passenger 4-door Sedan, \$1052 delivered at Flint, Mich. Wheel shields and white sidewall tires, extra.*

As surely as the new Buick FIRE-BALL® straight-eight engine sets the performance pace for the coming season, the graceful silhouette of the new Buick SPECIAL and CENTURY cuts the automotive style pattern for another half decade.

The reason is not alone the grace of its Buick-created lines, nor the appearance of solid substance in action that gives this honey the look of a speedster straining at its leash.

It is the practical quality of great room enclosed in sleek and flowing lines—more room for legs, for elbows, for heads, more room for entrance and more room for carrying luggage—that makes this the silhouette the cars of the future will seek to achieve.

Why wait for that—when in this Buick you travel in a car that, like time and tide, obviously isn't waiting for any man?

BULLDOGS WORK UNDER LIGHTS TONIGHT

Public Invited To Meet Team At the Practice

Midland football fans will get a free preview of the team in action tonight at 7:30 when coaches Taylor, Clark and Johnson put the boys through their paces in the first night workout of the year.

Loud speaking equipment will be placed on the field and all the boys reporting for the team this year will be introduced to those present. Fans thereby will be given the best opportunity of the year to become acquainted with the boys on the squad.

Tonight's workout is being taken in order to allow the Ysleta team to use the field tomorrow night. Coach Clyde Wafer of the Ysleta team had requested an opportunity to work his boys out under the lights prior to the game between the Midland and Ysleta teams Friday night.

The Bulldogs will taper off on the week's workouts with a light drill tomorrow afternoon at 2:30. Only a light workout will be indulged in, then the boys get to rest until game time Friday night.

The Ysleta coach will bring a team to Midland that averages slightly less than the Bulldogs in weight but rates above the same as far as experience is concerned. The Indians have five returning lettermen and eight other boys who had limited experience during the 1939 season.

Meanwhile, the Bulldog coaches put the boys through a hard drill yesterday afternoon in an effort to get them ready for the first game of the year.

The work of Wendell Williams and Jim White in the backfield for the first string showed outstanding improvement. White was getting off long, high spiraling punts that gave the ends plenty of time to get down on receivers. Williams was hitting the line in a manner reminiscent of Dave Waford and passing in a markedly improved manner.

Outside of minor bruises and other assorted aches all the boys on the Midland squad are ready to go except little E. G. Foster. The light-weight guard is still suffering from a boil on his knee and has not been in uniform in several days. However, he is running and taking part in passing drills each day and will be in shape once he can get rid of the stubborn boil.

Kelly and Bigham were taking part in the punting drills along with White and Williams yesterday but neither showed as much distance or accuracy as the two veteran backs.

In the line, tackles Selman Cooke and Mike Buffington and end Maurice Bratton were showing a lot of ability in breaking up second string plays. Little needs to be said about the work of "Boog" Edson at guard. Over a period of years he has been the most consistent workman on the squad and as much is expected of him this year. At the other guard position, little Bill Hall is showing improvement daily and will be hard to keep out of a regular position.

Indians Regain League Lead as Grove Beats Tigers in 13 Frames

By Judson Bailey
Associated Press Sports Writer

Life does begin at forty and Lefty Grove, the gaunt ghost with a magnificent past and doubtful future, has returned to haunt the trembling American League as proof.

Old Mose maneuvered through 13-innings yesterday to conquer the Detroit Tigers 6-5 and cast the chaotic pennant race into greater confusion with Cleveland again in front.

Earlier this season Old Mose, 40 last March, seldom managed to last nine innings. When he broke a bone in his foot in August and was reported lost to the Boston Red Sox for the year, nobody figured it made much difference to Boston one way or the other—except sentimentally.

Then a week ago Sunday he came out of the limbo of the lost, and battled for 13 innings against a strong kid half his age, Sid Hudson of Washington, and finally was beaten 1-0.

Yesterday Grove was up against the leading pitcher of the League, Buck Newsom, winner of 18 games against 2 losses, and a gallant team that was on the hot end of a five-game winning streak and in first place in the league.

Grove gave up three hits, one of them Hank Greenberg's 30th home run for three tallies in the first inning. But after that he allowed only one run in the next ten frames and was never behind after his teammates tied up the score at 3-1 in the sixth.

His victory lifted the Red Sox within four games of the lead.

The Cleveland Indians and the New York Yankees were kept idle by rain yesterday and both gained through Detroit's downfall, leaving this situation:

	W.	L.	Pct.	GB	TP
Cleveland	76	57	57 1	21	
Detroit	77	58	57 0	19	
New York	75	57	56 8	1/2	22
Boston	73	62	54 1	19	

The Indians and Yankees were scheduled for a doubleheader today with Detroit tackling the Red Sox in a single game.

The Washington Senators subdued the Chicago White Sox 5-2, and the Philadelphia Athletics whipped the St. Louis Browns 6-4.

The only National League games that escaped the rain were in a doubleheader that Pittsburgh captured from the Phillies 11-3 and 11-1.

Odessa Broncs Meet State Champions on Fly Field Saturday

ODESSA, Sept. 11. — Joe Coleman's green and inexperienced Odessa Broncs meet the Lubbock Westerners, current champions of Texas high school football, here on Fly Field Saturday night, Sept. 14, at 8:15 in the outstanding school boy tussle in the state this week-end.

Odessa will throw a team of untried youngsters containing only three lettermen against the veteran, smooth-working machine from the South Plains.

Billy Hogan, quarterback and passer, weighing 130 pounds, will head the backfield. Assisting Hogan in the attack against the powerful Westerners will be Fred Christean, reserve of last season, 160 pounds at left half; Lewis Bewley, reserve squad, 150 pounds at right half; and Royce Meadows, a 154-pound lad, no previous football experience, at full.

Reserve backs included Jimmy McCracken from last year's B squad weighing 160 pounds at full, DeWitt Fly, B squad, 130 pounds at a half, and Tom Lewis, junior-high squad, weighing 125 pounds, at a half-back.

Probable starting line for the Broncs will have the other two lettermen, Jack Coats at center and Ed Thomas at right guard. Jake Rhodes, B squad, Billy Jack Anderson and Kimbell Cook round out the alternates at guard.

H. J. Halbrook, 175 pounds, and Raymond Evans, 180 pounds, will likely start at tackles. Halbrook was a reserve squad last season. This will be Evan's first year. James Clay, Lloyd Halbrook, and Ralph Wright, complete the tackle possibilities.

Starting ends will be either Otis McKelvy or Don Henderson at left end and Keith Evans at right end. Henderson was a member of the B team while the other two boys have had no experience. Reserve ends are R. D. Slay and John Cowser.

Crues Strikes Out 15 Hubbers to Cop 2-1 Win for Gassers

BORGER, Sept. 11 (AP). — Ex-big leaguer Willy Moore is due to go to the mound tonight as Borger bids for an even break in the finals of the West Texas-New Mexico League play-off.

The Gassers won last night to halt Lubbock's winning streak at five games. The Hubbers had swept Amarillo aside in three straight in the first round, then taken the first two from Borger.

Bob Crues, recently sold to the Boston Red Sox, fanned fifteen and allowed but three hits as Borger beat Lubbock 2-1 last night.

Question of who is the power hitter in golf has been settled for the time being, anyway. Down at Saratoga the other day, Jimmy Thomson, generally recognized as No. 1, and pretenders Sam Snead and Ed Oliver held a contest. Each whanged three blistering drives down the fairway. Thomson averaged 288 yards, Snead, 266, and Oliver, 265.

Until he went to the Pirates this year, Debs Garms' status as a major leaguer was only that of a lowly utility infielder and pinch runner.

But under the magic touch of Frankie Frisch, the speedy Texas collegian has developed into one of baseball's prize package surprises.

His average prior to yesterday was a neat 388. . . And the fact that he won't reach the 400 times at bat (necessary to qualify) may be all that would keep him from winning the N. L. batting crown.

Dick Chapman Paces Amateur Field With 2 Under Par Rounds

By Gayle Talbot
MAMARONECK, N. Y., Sept. 11 (AP). — The qualifying scramble ended, 64 earnest young golfers paired off at Winged Foot club today in two "sudden death" rounds of match play in the National Amateur Championship.

In the last two days the field had been reduced from 146. At dusk tonight there were due to be only 16 left.

Gone were such notables as Johnny Goodman, George Dunlap, Jr., Chick Evans and Francis Oimette—all former champions. Gone also was young John Cree of Hamburg, N. Y., who shot a sparkling 71 on his first qualifying round and then soared to a remarkable 87 on his second try.

Dick Chapman of Winged Foot was the one all were watching as he teed off in his first test today. Dick, a night club crooner during the off-season, shot two sub-par rounds of 71-69 to capture medal honors. His two-day total was five strokes better than the 145's registered by Marvin Ward of Spokane, Wash., the defending champion, and by Duff McCullough of Philadelphia.

Four players tied at 146—George Dawson of Chicago; Maurice McCarthy Jr. of Cincinnati; Tom Whitway of Cleveland and Harold Mandly of Avon, Conn. Frank Strafaci of Brooklyn, Freddie Haas of New Orleans and Steve Kovach of Pittsburgh were tied at 147. Bob Clark of St. Paul, the National Public Links Champion, failed to qualify with his 164.

Bing Crosby missed the train, too, with his 83-77, much to the disappointment of the tournament committee and an adoring gallery.

Bauch Passes for 3 Touchdowns in Win

BOSTON, Sept. 11 (AP)—Slingin' Sammy Bauch, the Washington Redskins' famed forward passer, left town with a decision over Holy Cross' Ronnie Cahill, but only because the National Professional football leaguer was supported by a stronger cast.

After throwing 33 high-powered operators into action last night before 26,000 at Fenway Park, the Redskins emerged with a 35-12 victory over the second edition of Nilas (Sweden) Nelson's Eastern All-Stars Collegians.

Bauch tossed three touchdown passes, two to Charlie Malone and another to Hayward Sanford. Cahill launched the all-stars' scoring by contacting Lloyd Ickes with a 26-yard heave and then, in the fourth period, the ex-Crusader raced 15 yards for the collegians' other tally.

While Bauch rested in the third and most of the fourth period, Dick Todd and Roy Zimmerman rolled up the Redskins' total by a touchdown each.

Wool

BOSTON, Sept. 11 (AP.) (U. S. Dept. Agr.) — Scattered sales of mostly small volume were being closed on domestic wools in the Boston market. Fine territory wools of good French combing length in original bags were bringing mostly 88-88 cents scoured basis. Twelve-month Texas wools were sold occasionally at mostly 85-88 cents scoured basis. Graded domestic wools were mostly very slow, but nominal quotations were unchanged.

Talk by Churchill Slows Market Sales

By Victor Eubank
 NEW YORK, Sept. 11 (AP.) — Prime Minister Churchill's prediction that Hitler is about to attempt the invasion of England brought a stock market rally to a jarring halt today.

The British leader's speech came late in the session while leading shares, particularly aircrafts, steels and other war babies, were engaged in a slow but fairly steady rise which had carried some issues more than a point ahead.

Traders were reported getting out of the market to await the final trial by arms for control of Europe. At the last, only a few issues held above water level, lending a mixed aspect to the closing. Transactions totaled about 380,000 shares.

Sperry, Douglas, Boeing, United Aircraft, Eastman, Johns-Manville, Westinghouse and Chesapeake and Ohio.

Falling behind were U. S. Steel, Bethlehem, Youngstown, Chrysler, Union Carbide, Kennecott, American Smelting, American Telephone, Western Union, North American and Standard Oil of N. J.

Bonds, which had tended higher through most of the day, also exhibited mixed trends at the last. Commodities generally worked higher.

Oklahoma and Kansas Bright Spots in Oil Industry Now

By Edward Curtis TULSA, Okla., Sept. 11 (AP) — Oklahoma and Kansas apparently were the bright spots in the oil industry today. Lowering of production in Illinois has returned some of the lost crude markets to those two midcontinent states, but outside that area the situation is not too optimistic. In northern Texas, crude demand is brisk, while farther south the market grows weak, barely holding its pace on the Gulf coast. The seasonal ebb in gasoline consumption is near, and while gallonage during the heavy touring summer months has been record breaking, there have been some grumbings that "gallonage records are fine, if they are accompanied by profits." There has been some contention that crude production has been too high, with too much moving into storage. There also has been some agitation against importation of high gravity crude from Mexico. At the same time, it has been pointed out that additional imports of heavy gravity oil from Venezuela and the Netherlands West Indies might give the U. S. A. a source of raw material for winter fuel oils which would not force refiners to continue piling up gasoline stocks. In the field of the Oil and Gas Journal reported 601 completions for the week, compared with 556 the previous week and 527 a year ago. Pool opens in Stafford and Phillips counties were completed in Kansas. An outpost northeast of the Frederick field, Tillman County, Oklahoma, found the pay... Clay and Montague counties in north Texas got new pools... Michigan an 800-bbl. wildcat south of the Beaverfoot field in Gladwin County and a new gas field in Missaukee County... The Ogburn distillate field, Harris County, Texas Gulf coast, was converted into an oil field by a north extension well.

"Impeachment" of Cardenas Made by Almazan Congress

SAN ANTONIO, Sept. 11 (AP)— It was reported here today that the Almazanista Congress had impeached President Lazaro Cardenas of Mexico and named Gen. Hector F. Lopez Provisional President. The Congress supports Gen. Juan Andreu Almazan, independent candidate for President in the recent elections in Mexico. Roberto Morales, vice president of the permanent commission appointed by the Congress to assume its powers during the congressional adjournment, was credited by the San Antonio News with issuing the proclamation. The paper said Lopez was designated to serve until Almazan, who claimed he was elected, takes office Dec. 1. Government officials in Mexico City laughed at the reports and followers of Gen. Almazan there greeted the dispatches with skepticism. A friend of Gen Jacinto Trevino, vice president of Almazan's political party, said a check shows Roberto Morales, identified in the San Antonio dispatches as vice president of the permanent commission of the Almazan Congress, actually holds that office, but the General has not heard anything about what he reports. "He says likewise that the report Gen. Hector Lopez was proclaimed Provisional President is news to him."

MEXICO CITY, Sept. 11 (AP)— General Adolfo Azueta, spokesman for the National Union of Revolutionary War Veterans, issued a statement today saying the organization had been advised that "certain elements" of the army were preparing a simulated uprising. The General, regarded as a follower of General Juan Almazan, claimant to the presidency, said the veterans organization thought the reports should be placed before the public for its information.

Keen Interest Is Aroused Over Talk By FDR Tonight

WASHINGTON, Sept. 11 (AP)— Keen political interest centered today on President Roosevelt's address to the International Teamsters Convention—an address announced by his press secretary as "in all probability the labor speech of the campaign." Mr. Roosevelt will make the address in Constitution Hall tonight from 8:30 to 9 p. m. (CST), but he said to reporters yesterday that no one would be able to tell whether it was political even after it had been delivered. The Democratic National Committee arranged to pay for the radio time on two national networks (NBC-CBS)—a possible sign, inasmuch as broadcasting companies charge to carry political speeches. Democrats said the occasion offered Mr. Roosevelt an opportunity to aim a few shafts, if he cares, at Wendell L. Willkie, his Republican opponent for president. Willkie has spoken several times on labor and related subjects since his nomination.

TO LEAD PIONEERS

Miss Frances Fonville will take over leadership of the Pioneer group of Presbyterian young people in their Sunday evening meetings, it was announced today. She came here from Dallas and has had considerable experience in work with children. The pioneers will be invited to take part in the series of Wednesday evening church suppers which will open next month.

Oddities in the News Round-Up

CARNEGIE, Pa., Sept. 11 (AP) — Because the flag salute is required at Carnegie high school this year, Walter B. Sterrett, 64-year-old history teacher, resigned, saying "the salute is a spiritual preparation for war." "My heart is with my country, but it isn't in teaching a flag salute to children," he said. "I would rather be dead than have to admit to myself that I had coaxed children into war." KANSAS CITY, Sept. 11 (AP) — Police interrupted a group of boys chopping down one of Montgall Park's largest elm trees. Their explanation: Outfielders shagging fly balls always were bruising themselves against the huge tree. FAIRBURY, Neb., Sept. 11 (AP)— Romance in an airplane came to Fairbury with the CAA flight training school. The only girl member of the class, Marguerite Sonderegger, 24, was married to her instructor, R. E. Lawrence, 37. HARTINGTON, Neb., Sept. 11 (AP)—Grade school teacher Arlyn Stople smilingly greeted her charges as they trudged in for the first day of school. The pupils smiled right back—even grinned. Then she opened her desk drawer—and found a 3-foot bull snake peacefully coiled up.

Rodeo ...

(Continued from page 1) of the 1940 show as J. Homer Epley, secretary, was out of the city. Proctor explained that about \$1,100 will remain in the bank after all bills of the 1940 show are paid. He urged that the organization remain intact and work 12 months of the year to build the show. Ask Permanent Guarantee. He also suggested that merchants keep their financial guarantee on deposit with the rodeo association rather than withdraw it and a merchants committee will visit those who supplied the backing. W. B. Simpson, Barron Wadley, J. C. Smith, Fred Fromhold, George Phillips, Paul McHargue, and others merchants expressed the belief the retailers would stand 100 percent behind the rodeo next year and in the years to come. Bob Hill and J. T. Baker made the ticket committee report and both recommended that advance sales of tickets be started earlier next year. Baker said two-thirds of the reserved seats for the six performances were sold. Ticket sales totaled about \$11,297, concessions provided \$500, programs \$500 and entrance fees \$2250. The complete detailed financial statement will be completed within a few days. Another open meeting of fair association officers, directors and stockholders, rodeo committeemen, merchants, civic leaders and others interested in the big show will be called soon to hear the final report and perfect plans for next year's show.

Fears for Safety Of Kidnaped Deputy Sheriff Are Voiced

OKLAHOMA CITY, Sept. 11 (AP) — Fear for the safety of a kidnaped Texas Deputy Sheriff was expressed by the Oklahoma Highway Patrol today when his abductors were reported sighted in a car near Kiowa, Pittsburg county, this morning. There was no sign of a third person in the automobile, the dispatcher said. The dispatcher said the fugitives were reported heading north toward McAlester. The deputy, George Robertson, 54, was abducted by the men as he attempted to arrest them at a Paris, Tex., filling station yesterday. The case recalled the abduction of two Paris officers by Arthur Gooch, first man executed under the Lindbergh kidnaping law, who was hanged at McAlester penitentiary June 19, 1936.

Mackey Club Upset In Playoff Opener

The Jeff's Sporting Goods team last night outlasted the Mackey Motor company team in a driving sandstorm to capture a 23-20 decision in the first game of the Shaughnessy play-off series. Bill Davidson went the route for the winners while the losers used Jim Adamson and Lee Hageman in a futile effort to cop the game. Errors were frequent throughout the game on both sides as the wind played havoc with fielding efforts. The series will be resumed tonight at eight o'clock.

"FORGET-ME-NOT" DAY

AUSTIN, Sept. 11 (AP)— Governor W. Lee O'Daniel today proclaimed Sept. 28 "Forget-Me-Not" day in Texas and urged citizens to contribute to flower sales, the proceeds of which are used for relief work among disabled veterans of the world war.

IS ADMITTED Mrs. Tony Bauer was admitted to a Midland hospital this morning for medical attention. VISITS FROM ODESSA Mrs. B. A. Healy of Odessa was a visitor in Midland Tuesday.

Highlights From the Week's Oil News

Highlights of the oil news of the week ending Sept. 7, as compiled by The Oil & Gas Journal: Kansas—Outpost tests in the Tuka area, Pratt County, and Wilkins district, Ellsworth County, were showing oil in cores. Pool opens in Stafford and Phillips counties and an extension well in the South Sitter pool were completed. The Severy township play in Greenwood County is unabated, with several producers completed and as many new tests started. Oklahoma—An outpost 1 1/2 miles northwest of the Frederick field, Tillman County, opened a pool in pay at 5,638 ft. A new producing zone was uncovered on the east side of the Cement field, Caddo County. An oil strike on the edge of Weleetka, Okfuskee County, was expected to result in a townsite drilling campaign. North Texas—One of the most prolific weeks for some time in North Texas' Fort Worth basin wildcat play was marked with the discovery of new oil fields in both Clay and Montague counties. Both are from the deep lime found productive at other points throughout the basin. West Texas—Crucial stages at many of West Texas' closely watched wildcat tests, together with indications of another test in the Waples-Platter extension area of the Bennett field in Yoakum County, held attention. La-Ark-Tex.—Willcox sand development in northern Louisiana is causing excitement as wildcatting extends outward from the Olla field. Michigan—An 800-bbl. wildcat completion south of the Beaverfoot field in Gladwin County and a new gas field in Missaukee County greatly improve the picture in Michigan. Southeast New Mexico—A new oil discovery at a wildcat test was indicated in northwestern Lea County at the close of the past week. Casing has been set for a test of a section of sand from 3,025-35 ft. Eastern Texas—The wildcat play of eastern Texas received a great stimulation during the week past when a total of nine wildcats were either definitely struck or tentatively announced. Louisiana Gulf Coast—A 779-bbl. producer opened commercial production at the South Crowley prospect, Acadia Parish. A southeast flank test at old Welsh dome, Jefferson Davis Parish, attracts attention. Southwest Texas—A scheduled production test of a well midway between the Minnie Bock and North Clara Driscoll fields, Nueces County, and the showings of two wildcats in San Patricio and Starr counties, featured developments. Texas Gulf Coast—Ogburn distillate field, Harris County, converted into an oil field by north extension well. Rowan field, Brazoria County, extended. Completions in All Fields.

Germans ...

(Continued From Page One) was partly wrecked by a German bomb.

The king and queen were not in the great white-stone palace when the bomb, a detonating action missile, crashed from the skies Sunday night. Coincident with this curiously delayed disclosure, which was not explained, First Lord of the Admiralty A. V. Alexander commented on reports making his dispositions for entrance into this country, and declared: "I can promise that if the enemy comes across in surface craft, they are going to get something to go on with."

Berlin Hard Hit. Waves of British RAF dive-bombers gave Berlin's 4,000,000 an acrid taste of terror from the skies, knifing through a fierce anti-aircraft barrage to rain explosives on Hitler's Reichstag, the Potsdam railway station, the Brandenburg Gate and the famous Unter Den Linden—Berlin's Fifth Avenue.

One unexploded bomb was believed to have dropped barely a yard from the home of Propaganda Minister Paul Joseph Goebbels. Hitler's high command admitted that a number of streets in the capitol "had to be evacuated temporarily" this morning "because of the danger of houses collapsing."

Bomb splinters slightly damaged the United States embassy, adjoining Goebbels' residence, shattering window and denting the opposite wall in the office of First Secretary Donald R. Heath.

Euge craters pocked Unter Den Linden. Incendiary bombs crashed to the roof of the Reichstag, setting fires which workmen quickly extinguished. Other explosives hit the 150-year-old Brandenburg Gate, 85 feet high and 205 feet wide, and fell on Berlin's second largest hospital, St. Hedwig's, which houses 700 to 800 patients.

The RAF raiders, striking before dawn in the most spectacular assault yet on the German capital, took a reported toll of five killed, many wounded and apparently heavy damage. The raid lasted two hours. Other squadrons of the Royal Air Force bombed German-occupied Belgium, attacking objectives at Ostend, Ghent, Brussels and points along the coast.

Oil News ...

(Continued From Page One) after acidizing with 9,000 gallons at total depth of 5,009 feet, and No. 9 W. M. Moore flowed at the rate of 1,529.04 barrels after a similar treatment at 5,085 feet. Large Waddell Oiler Gulf Oil Corporation No. 23 Henderson became one of the largest natural producers in the Waddell pool of northeastern Crane County as it set 24-hour potential of 13,016 barrels of 35.4-gravity oil, based upon flow the last half of six-hour gauge. Gas volume is 5,413,000 cubic feet daily, giving the well a gas-oil ratio of 481-1. No. 23 Henderson is bottomed in lime at 3,509 feet, having barely topped the pay, and has 2-inch tubing set at 3,507 feet, with perforations at 3,503. American Liberty Oil Company No. 10 J. B. Tubb, new Ellenburger, lower Ordovician producer at the south end of the Sandhills pool in western Crane, is standing after cementing 5 1/2-inch casing at 5,737 feet with 650 sacks. Total depth is 5,790 feet in Ellenburger dolomite topped at 5,746 feet. No Shows Yet in Sandhills Magnolia Petroleum Company No. 1 A. Sandhills heirs, northwestern Dawson County wildcat three miles east by south of the Cedar Lake pool in northeastern Gaines, this morning had shown nothing as it drilled to 4,915 feet in hard lime. In the southeastern part of the county, Sloan & Zook No. 1 J. L. Sypert is drilling lime at 3,715 feet. In southeastern Cochran County, Osage Drilling Company, Inc. No. 1 B Moore is drilling at 4,740 feet in lime; Osage No. 1 Mallett Land and Cattle Company is swabbing after acidizing with 1,750 gallons at 5,058 feet; Magnolia No. 1 F. L. Woodley is treating with 1,500 gallons, bottomed at 4,985 feet in lime; and Magnolia No. 1-H Mallett is drilling in lime at 4,918 feet. Flows Salt Water Amerada Petroleum Corporation No. 1 J. S. Todd, one-half mile west of the Food Store pool in northern central Crockett County, is reported to have flowed an estimated 40 to 50 barrels of salt water per hour after washing hole with clear water. Flow is through 2-inch tubing at 6,046 feet. The well is bottomed at 6,074 feet in chert. It is understood that operators plan to pull and re-run tubing with packer at 5,360 feet and perforations above packer for another test. The well had shown for a small natural producer while bottomed at 5,880 feet in crinoidal lime of the Strawn, lower Pennsylvanian, topped at 5,828 feet. J. K. Hughes No. 1 Shannon Estate, Crockett wildcat north of the Soma pool, is drilling unchanged below 1,880 feet in lime and anhydride. Taubert, McKee & Siemonit No. 1 Mrs. W. R. Crockett, scheduled Ordovician test in northern Pecos County, had drilled to 3,446 feet in Permian lime. Humble No. 1 W. T. Shearer et ux, quarter-mile northwest outpost to the Apco Ellenburger pool of northern Pecos, has spudded and is drilling below 30 feet in surface sand and calcite.

Increase in Stocks Of Oil Is Reported

WASHINGTON, Sept. 11 (AP)—The Bureau of Mines reported today a 7,147,000-barrel increase in the stocks of all oils during July. It said the July 31 total was 573,357,000 barrels or a 151-day supply compared with 566,210,000 barrels on June 30 and with 571,448,000 on July 31 a year ago. Domestic demand for all oil dropped from 106,416,000 barrels in June to 105,876,000 in July. Exports of crude petroleum decreased from 5,692,000 to 5,607,000 and exports of the refined products dropped from 8,612,000 to 6,219,000 barrels. July crude petroleum production totaled 113,244,000 compared with 111,690,000 in June and 110,337,000 in July, 1939. Stock of motor fuel were 89,609,000 barrels as against 93,276,000 in June and 78,947,000 in July last year.

Veteran Senator From Arizona Is Said Defeated

By The Associated Press Mounting returns from Tuesday's primary elections found Senator Ashurst (D-Ariz), long a colorful capital figure, in an apparently losing fight today in his sixth year of renomination, but the prospects were happier for three of his colleagues. Senator Vandenberg (R-Mich.), was assured of renomination by an overwhelming lead. Senator Shipstead, Farmer-Laborite who joined Republican ranks this summer, enjoyed a wide lead in Minnesota over a field of 8 as the choice of his adopted party. And in Vermont, Senator Austin received renomination unopposed. Ashurst, whose opposition to the conscription bill was urged against him in the Arizona campaign, trailed opponent Ernest W. McFarland by a vote of almost two-to-one. Ashurst has been Senator from Arizona since the state's admission to the union in 1912. Louisiana returns meanwhile indicated that four members of the House of Representatives had gone down to defeat, with three others facing the uncertainty of run-off primaries. Gov. Sam Jones, elected last winter by the anti-Long forces, had urged the defeat of all 8 incumbents as supporters of the Long organization. One did not seek renomination. Besides renominating Senator Austin, Vermont Republicans picked Gov. George D. Aiken, frequent New Deal critic, for the Senate vacancy resulting from the death of Senator Gibson (R.) Aiken won the short term nomination decisively over Ralph E. Flanders. In gubernatorial contests, two well known figures were riding high. Gov. Harold Stassen, keynote of the Republican national convention, had a huge lead in Minnesota for renomination over two critics of his administration. Stassen's activity in behalf of the Republican presidential nominee, Wendell L. Willkie, was stressed in his campaign. Dickinson Re-elected Michigan's octogenarian Gov. Luren D. Dickinson, who got national attention some months back when he condemned big city vice and the evils of liquor, was far out in front of six younger rivals. The Republican gubernatorial race in New Hampshire ended in a photo-finish with Senate president Robert O. Blood apparently victor over national grange lecturer James C. Farmer. A recount here was considered almost certain. In Washington the initial returns went against Gov. Clarence D. Martin, who seeks to be the first chief executive of the state to win a third term. He trailed former U. S. Senator Clarence C. Dill for the Democratic nomination. The state's contest for the nomination of U. S. Senator found Rep. Wallgren ahead on the Democratic ticket of five, and Stephen S. Chadwick, past national commander of the American Legion, leading a Republican field of four. Senator Schwellenbach (D) now holds the seat but he will vacate it because of his appointment to a federal judgeship. In Colorado, George E. Sanders led John A. Carroll for the Democratic nomination for governor. The winner will run against Gov. Ralph L. Carr, unopposed Republican nominee. An attempt by Willkie Democrats to name Arizona's three Democratic Presidential electors in a write-in campaign apparently had failed. Fragmentary returns gave the slate sponsored by Democratic party leaders supporting Roosevelt a two to one margin. A Willkie electoral victory would have insured him the state's three votes in November, whether Arizona went Democratic or Republican. Failure of Democratic leaders to register their candidates for election in time to get them on the ballot led to the write-in contest.
