

Only 14 Major Football Teams Are Unbeaten

By Herb Barker
NEW YORK, Nov. 2 (AP). — Northwestern, Clemson, Navy, Detroit and Kentucky were summarily removed from football's unbeaten class today as Bernie Bierman's Minnesota Gophers roared a new challenge to the Western Conference in particular and the nation in general.

Tonight just 14 major teams could boast unbeaten records and three of these had been tied. In the East, Cornell, Boston College, Penn State, Lafayette and Georgetown, all had perfect records, as did Minnesota, Notre Dame and Michigan (idle today) in the Midwest; Texas A. and M. in the Southwest; Tennessee in the South, and Stanford in the Far West. Tied but unbeaten were Southern Methodist, Mississippi State and Texas Tech.

Minnesota Wins
It was Minnesota which struck Northwestern off the list, winning a 13-12 decision in a dramatic struggle fought at Evanston before 48,000.

Minnesota's record now shows successive victories over Washington, Nebraska, Ohio State, Iowa and Northwestern which is just about par for the course.

Clemson's Tigers carried the Southern Conference banner into New Orleans but proved no match for revived Tulane which ground out 22 first downs and won, 13-0, with 31,000 looking on. Penn took advantage of the breaks and some doubtful rival strategy to give Navy its first defeat, 20-0, before a crowd of 70,000. Kentucky's unbeaten record was smashed completely by Alabama, 25-0, while Detroit's initial setback came at the hands of Tulsa, 7-0.

A crowd of 78,000 jammed the Yankee Stadium to see Notre Dame beat the Army, 7-0.

Eastern Teams Win
All five unbeaten Eastern teams won easily. Cornell, with Hal McCullough tossing three touchdown passes, romped over Columbia, 27-0; Boston College ran up a 25-0 count on Manhattan; Lafayette knocked over Washington and Jefferson by the same score; Penn State took South Carolina over the hurdles, 12-0; and Georgetown mowed down Syracuse, 28-6. Georgetown now has gone 22 games without defeat and Cornell has moved through 17 without a setback.

Big John Kimbrough was the siege gun Texas A. and M. needed to whip Arkansas, 17-0, while Southern Methodist handed Texas its second successive defeat, 21-13. Bob Foxey paced Tennessee to a stunning 23-0 conquest of Louisiana State, as Mississippi State found Southwestern of Memphis a tough nut to crack but won, 13-0. Texas Tech won over Miami (Floriad) 61-14 last night.

One of the day's most surprising results saw Duke practically run Georgia Tech off the gridiron with a 41-7 victory before 34,000.

Georgia nosed out Auburn, 14-13, and Mississippi scored over Vanderbilt, 13-7.

Fordham Wins
Jim Blumenstock's powerful running was the feature of Fordham's relatively easy 14-0 victory over North Carolina. Dartmouth, West Virginia and Duquesne also scored intersectional victories for the East.

Harvard checked Dave Allerdice's passes and emerged with a "moral victory" in a scoreless draw with Princeton. Brown scored over Yale, 6-2, on Dave High's 38-yard touchdown run. Temple nipped Bucknell, 10-7, and Colgate won over Holy Cross, 6-0.

Beaten three times in a row, Ohio State got back on the rails with a decisive 21-6 defeat of Indiana.

John Tennant's 62-yard run in the final quarter gave Wisconsin a 13-6 victory over Illinois, and John Pety's two touchdowns helped Purdue score over Iowa, 21-5.

Michigan State easily whipped Kansas State, 32-0.

Nebraska's Cornhuskers virtually clinched the Big Six crown by virtue of a 13-0 decision over Oklahoma.

A crowd of 55,000 saw Stanford's Indians retain their perfect record with a 20-14 victory of U.C.L.A. Oregon State rallied in the late stages to defeat California 19-13, in the only other Pacific Coast Conference game on the card.

Sweetwater Wins Over Tornadoes

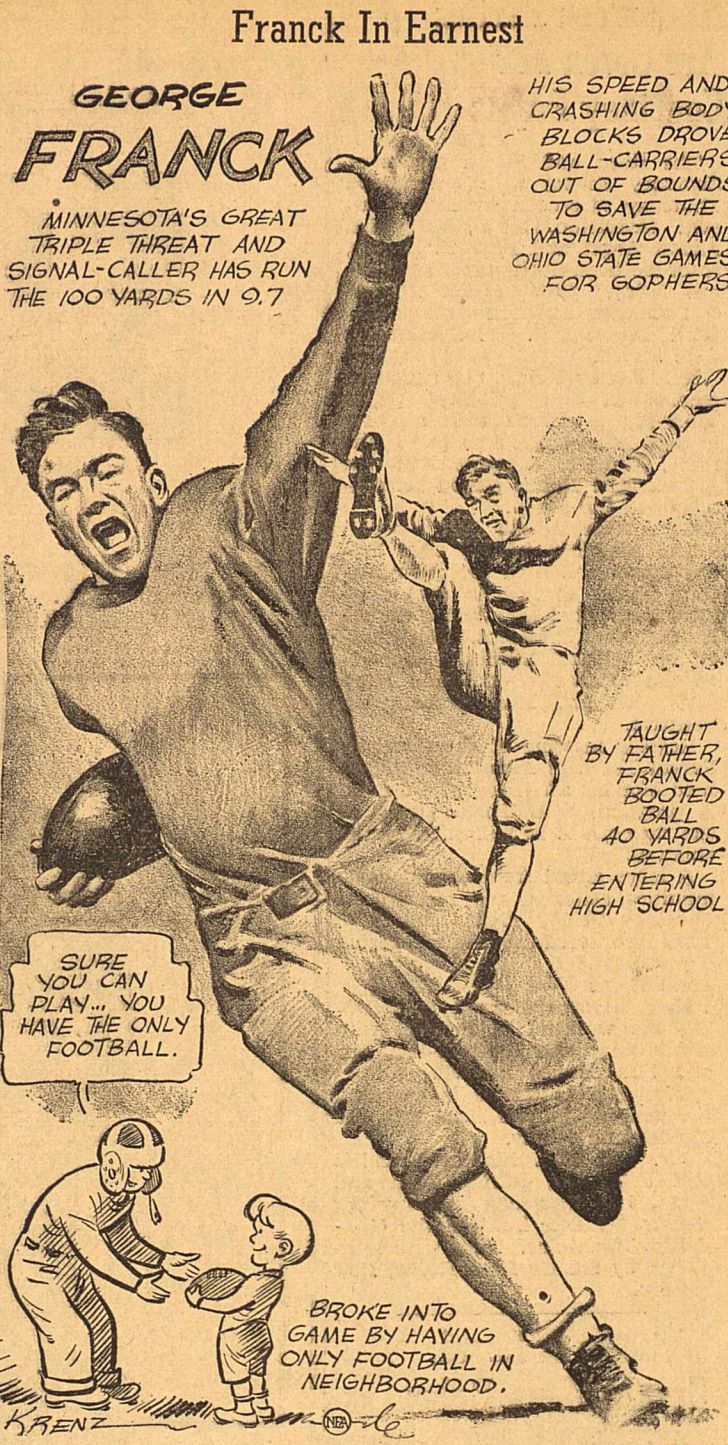

LAMESA, Nov. 2 (Special). — Leading 7 to 6 until the closing minutes of the game, the Golden Tornadoes lost to the Sweetwater Mustangs, 13 to 7 here Friday night before approximately 2,500 spectators.

With two minutes to play the Tornadoes had put up a great goal line stand to take the ball on downs on the half-yard line. White kicked safely from behind his own goal line to the 50-yard line.

Hudgins returned to the Lamesa 35-yard line, and on the first down he bounced off left tackle to cross the goal line untouched. Eberle kicked the extra point to make the score 13-7.

Scores In First
Lamesa scored their marker in the first quarter when White surged around his left end for 47 yards carrying the ball to the eight-yard line. On the first play of this series of downs, White swept around his right end and out ran the defense and left half to score standing up. He coolly kicked the extra point to give his team a lead that they held until the closing minutes. The half ended with Lamesa ahead 7-0.

Early in the second half Eberling was who was asily the outstanding player for the Mustangs broke through tackle and into the clear and ran for 80 yards and White brought him down on the 5-yard line. On the second play Flannigan plunged over for the score, but he missed the try for extra point.

Andrews Defeats Buffaloes With Pass In Fourth

STANTON, Nov. 2 (Special). — The Andrews Mustangs had their unscored on record marred but came through with a touchdown pass in the final quarter here Friday to beat the Buffaloes, 14 to 8, in a conference game.

The winning score was made in the final minute on a pass from Tompson to Joe Dillard, who made all points for Andrews. The Mustang barked earlier in the battle scored from the 30-yard line on a reverse.

Hogan Scores Again
In the last period, Hogan threw a pass to Christean. Chase, San Angelo back, batted the ball, but the Odessa receiver caught it. A few plays later Hogan went through left guard for the score, and Meadows again placekicked. Soon afterward, Hogan intercepted a Bobcat pass and ran 40 yards to a score.

The Bobcats score came when Dale Chase started to pass, and then shook off tacklers in a 24 yard run to the goal line.

Plainview Beats Big Spring, 8-0

PLAINVIEW, Nov. 2 (Special). — Scoring early and late in the game, the Plainview Bulldogs defeated Big Spring's Steers, leaders of District 3-A-A, Friday here, 8 to 0, in a non-conference contest.

Plainview scored a safety in the opening minutes, and 6 points on a 80-yard drive in the last quarter.

Sterling City Takes To Air For Victory

STERLING CITY, Nov. 2 (Special). — The Sterling City Eagles instituted an aerial game to triumph decisively Friday over the Courtney Eagles, 46 to 26, in a six-man football contest.

Courtney won 19 to 7 earlier in the season.

Most spectacular play of the day came on a 60-yard play when Sterling's Mitchell passed to Abernathy lateraling to Mitchell, Mitchell lateraling to Abernathy, and Abernathy passing for the touchdown. Dawson scored three times for Sterling City, while Abernathy and Sharp tallied twice, Mitchell kicking for four extra points.

Minnesota Roars Over Northwestern, 13 To 12

EVANSTON, Ill., Nov. 2 (AP). — Still undefeated and untied Minnesota's Golden Avalanche roared along in football's empire today in quest of the Western Conference championship and national honors.

By the margin of a single point after touchdown, Minnesota, unable to beat Northwestern on its home field since 1929, finally triumphed over Wildcats before a nerve-wracked crowd of 48,000 spectators. It was Minnesota's fifth straight win of the season.

Minnesota's victory left the Gophers and Michigan the only undefeated and untied elevens in the conference.

Duke Gives Georgia Tech Worst Defeat In Years

DURHAM, N. C., Nov. 2 (AP). — Duke's Blue Devils celebrated homecoming day by walloping the Georgia Tech Engineers, 41 to 7, today. The worst defeat the Rambling Wreck has suffered in recent years, before a crowd of 34,000.

Gillespie Leads Horned Frogs To Win Over Baylor

By Harold V. Ratliff
FORT WORTH, Nov. 2 (AP). — Little Kyle Gillespie returned to gridiron glory here today, slithering through and around Baylor's ponderous Bruins as the spark that once more ignited Texas Christian University's victory fire.

The Horned Frogs won, 14-12, in a thrilling game watched by a crowd of 8,000.

Gillespie, 155-pound quarterback whose trick knee seems at last to have reached the point of supporting him, gamboled 39 yards for one touchdown and set up another with a punt return that put the Frogs on the Baylor 17. Here Logan Ware and Frank King combined to smash to the Baylor 6 yard line. King got two and Gillespie one. Then King stepped back and fired a pass over the goal line. The ball settled into the arms of Connie Sparks.

Roach Kicks Both Points
Phil Roach, who today was one of the finest ends ever to cavort at TCU stadium kicked the point—as he had the first one.

It was Roach's sure-footed efforts before the cross-bars that paid off. It was Gillespie's all-around good work that put the Frogs in position for Roach to exercise his kicking talents.

By its victory today TCU stayed in the race for the Southwest Conference championship, although it is only a mathematical chance. The Frogs have lost one game.

It was a glittering passing attack that brought the Bears their first touchdown.

Big Jack Russell, great Baylor wingman, was on the receiving end of most of the heaves but it was a pitch to Weldon Elgony that set the stage for 210-pound Milton Crain to ram over from the two-yard line.

Baylor scored again early in the fourth quarter with Coleman's fine return of Gillespie's punt to the TCU 25-yard line starting the Bruins to rolling. Jim Witt circled left end for a first down on the TCU 9 and Travis Nelson caught the Frogs flatfooted on a reverse that brought the touchdown. Robert Nelson missed the point.

First downs were even but TCU ran up 203 yards rushing and passing to 124 for the Bears.

Baylor 0 6 0 6—12

Odessa Defeats San Angelo, 21-6
SAN ANGELO, Nov. 2 (Special). — The Odessa Bronchos, coached by Joe Coleman, outplayed the Bobcats and registered two touchdowns in the fourth quarter here Friday night to win a District 3-AA football game, 21-6.

San Angelo also scored in the last frame. The Bronchos made their first touchdown in the first period.

Odessa's opening score was counted by Hogan on a left guard smash after he had thrown a 30-yard pass to McKelvey, end, placing the ball on the 3-yard line. Meadows placekicked the point.

Hogan Scores Again
In the last period, Hogan threw a pass to Christean. Chase, San Angelo back, batted the ball, but the Odessa receiver caught it. A few plays later Hogan went through left guard for the score, and Meadows again placekicked. Soon afterward, Hogan intercepted a Bobcat pass and ran 40 yards to a score.

The Bobcats score came when Dale Chase started to pass, and then shook off tacklers in a 24 yard run to the goal line.

Kermit Beats Crane In Last 45 Seconds
CRANE, Nov. 2 (Special). — With only 45 seconds left to play, Wayne Odum, Kermit safety, caught a punt on his team's 30-yard line and ran through the opposition, providing the big punch that defeated Crane, 7 to 6, Friday. Gober's kick for point was good.

Maynard, Crane back, scored in the second quarter but the conversion failed.

McIver and McKee were offensive and defensive stars for Kermit with Currier ranking as a standout for Crane, who garnered 293 yards from scrimmage to Kermit's 78.

Christman And Mates Beat New York 33-0

COLUMBIA, Mo., Nov. 2 (AP). — Paul Christman sent the Missouri scoring machine into action with a 66-yard first period touchdown today in a drive that gave the Tigers a 33 to 0 victory over New York University in an inter-sectional game.

Christman's passes also defeated the Violets a year ago in New York. Although he played only 23 minutes today he was responsible for three of the Tiger touchdowns, two of them directly and the third helped along by his flaps.

Nancy Richey Ranson Will Appear Here In Lecture Wednesday Night

Midland citizens who have wondered just what the Scandinavian countries were like in the last days of peace in 1939 will have a chance to learn when Nancy Richey Ranson, newspaperwoman, author, and traveler, lectures here Wednesday evening at 8 o'clock in the Crystal Ballroom of Hotel Scharbauer. She will speak on her trip to Scandinavia last year.

The City-County Federation is sponsoring Mrs. Ranson's visit in pursuance of one of its objectives for the year, the presentation of several outstanding speakers in the interest of the civic and cultural life of Midland citizens. The lecture will be free and the public is invited.

Mrs. Ranson, who worked on the Dallas Journal for more than seven years before its sale in 1939, and has written for the Dallas News, the New York Times and numerous

Nancy Richey Ranson

other publications since, spent five months last year in the Scandinavian countries. The first month was spent in Denmark and Jutland, another month in Norway, and additional time in Sweden, Lapland and Finland.

She noted the tension of pre-war days in the various countries and was in Danzig about two weeks before it was bombed. The hotels where she stayed at Ivalo and at Petsamo were later demolished by Russian bombs. When she finally left for the United States, the trip home was through mined waters, and the ship was inspected by submarines and destroyers.

In addition to her correspondent work and travel articles, Mrs. Ranson is a poet. She has to her credit three volumes of poetry, "My Neighbors' Garden and Mine" (a collection of garden poems), "Texas Evening," and "Bucking Burro" (poems for children), as well as a book, "Texas Wild Flower Legends."

In a letter written last week to her friend, Mrs. Jas. H. Goodman, of Midland, Mrs. Ranson outlined the Scandinavian trip which will form the basis of her lecture here.

She will display various souvenirs of her travels abroad.

Economic And Legal Status Of Women Discussed At AAUW

Mrs. Hilda Blair Ray discussed "The Economic and Legal Status of Women" at the luncheon meeting of AAUW at Hotel Scharbauer Saturday.

In her talk she declared that there are three classifications of rights, natural, civil, and political. Since Texas law is based on Spanish law where the husband was in control of the family, she brought out the fact that a woman has "few natural rights and political rights and practically no civic rights" in this state. Jury service for women was one of the rights upon which she touched in her discussion.

Announcement was made that the Interior Decoration Group of AAUW will hold its first meeting, November 9, at 2 o'clock in the afternoon at the home of Mrs. W. B. Stowe. Miss Maxine Sill is chairman of the group.

Intermediate Relations Group will meet Wednesday, November 13. AAUW will hold its membership party, Friday evening, December 6, at the home of Mrs. Hilda Blair Ray.

Christ's Program Means Restitution, Full Restoration

R. A. Weaver
The Spirit of the Lord is upon me,
Because he anointed me to preach good tidings to the poor;
He hath sent me to proclaim release to the captives,
And recovering of sight to the blind,
To set at liberty them that are bruised,
To proclaim the acceptable year of the Lord, Luke 4.

In studying the life of Christ it will be found that the most earnest need of his declaration of principles made the beginning and reiterated in the sermon on the Mount. His mission as declared by Himself was an apophysis of Isaiah which set forth his work in the world—a work that sought both material and spiritual blessings to a world laboring under riches and inequalities. Despotism had stopped at nothing to impose burdens and yokes upon the people. Social and political conditions were far worse than today. Freedom, liberty and self-determination had long been abolished, and the common people were living under penance. To this picture Jesus came and offered to change all this and His promise was that in His Kingdom all people would be given equal rights of full exercise of sovereignty.

Invites To The Poor
We in America cannot realize at the blessings that are now being sent as a nation. But as we look around and note the horrible conditions under which most European nations live, we wonder if things are ever worse than now. But when Jesus came into the world he found just such conditions, and seeing the poor, who had no voice or aid in self-government, He said he had anointed me to preach good tidings to the poor." The glad tidings of Jesus present a solution of the problem of poverty, illiteracy and serfdom. As a result of the present depression, and the ravages war there are more poor people in the world today probably than ever before. But the message of the tidings of Jesus today, and it still a message of salvation from the evils of this world. To all those whose property has been confiscated all who have been forced to seek refuge in strange lands, Jesus has glad tidings for the poor.

Heals To The Captives
Under the world-wide revolution restoration, Jesus speaks today the 1,800,000 French prisoners of war—the thousands of English prisoners captured in Belgium; the millions of Polish citizens now living slaves for the Nazi regime; and promises that under His reign they shall have peace.

Heals Up The Broken-Hearted
To all the widows, orphans and the homeless, Jesus came into the world to bind up their broken hearts, and that is a part of His ministry today. To the maimed, the halt, the blind who have suffered from the horrors of war in those nations that have been overrun by aggressors, Jesus has promised comfort and peace and joy. The fugitives who have been driven from home, family, and country are the ones to whom Jesus speaks as He says, "He hath anointed me to bind up the broken-hearted."

Heals The Bruised
To those valiant Britons who suffer the horrors of daily and nightly bombardment from the air, I think a promise of Jesus particularly applies: "He hath anointed me to set the wreck and ruin of the devastation of life and property in England as a trial by fire, and the used bodies and broken hearts speak of an abomination that makes desolate; but even unto them there is hope in Christ. Might does it make right—not to the strong the battle, not to the swift is the race but somewhere along down the line there will be restitution—there will be restoration—there will be throwing of error and the establishment of Justice under God.

He Blinds Shall See
Some day all the blundering mistakes of men and nations will be made right—all the conquests for greed and ambition will be terminated, and the plunder of war will pass into the storehouse of God. He Blinds Shall See. Some day an-kind will behold the vision of brotherhood and the Fatherhood of God. Some day the hearts of men will respond to the call of the Divine wooing, and then will come the time in which peace and good will will govern the actions of people. He Blinds Shall See. That is when an may behold the good, the true and the beautiful, and rejoice in the blessings of a world in which we now live. That time will come when Christians are willing to do what the Master came into the world to do; and that was to set at liberty them that are bruised, and the only way we can transform the world is through His servants who are willing to follow in the steps of Jesus. He had the right answer—He gave the solution, but how many are willing to take up the job where He left off? Are you willing?

To Those Who Still Have **AN OPEN MIND** Between the Two Presidential Candidates

We, the No-Third Term Democrats of Midland County, sincerely believing that the coming national election November 5th is to be the most important national election in our Nation's history, ask that you carefully consider the following:

1. Would you desire a man to be elected to three or more terms as President of the United States when the founders of our Nation and the great men of the Democratic Party in the past—such as Washington, Jefferson and Wilson—time after time set forth and warned the American people of the danger of concentration of power and perpetuation in office of our elected leaders, which will result in the destruction of human liberties and freedom?

2. Can you vote for a man who owes all that he has to the Democratic Party when he has repeatedly taken away many of our individual and states rights . . . sacredly guarded heretofore by our forefathers . . . and when he has attempted to purge prominent members of our party because they held political views contrary to his?

3. Would not a man if he had the ideal of country and party above self, have urged the Democratic Party at Chicago to nominate some other great Democrat such as Hull, who, as Secretary of State for the last eight years, has had the greatest success in the dealings of our Nation with foreign powers . . . the job for which Roosevelt claims he is indispensable?

4. Would you want a man again elected President after he has tried to undermine and destroy one of the three pillars of our National Government—the Supreme Court—because the Justices who were not concerned with politics or Roosevelt, and who desired to serve only their country, would not permit the liberties of our people, as set forth in our Constitution, to be infringed upon and destroyed, which we believe Roosevelt has been trying to do?

5. Can Roosevelt be a real Democrat when he has violated all the principles for which the Democratic Party was founded and stands? When he was supported and nominated at Chicago, not by the members of our party, but by rotten, corrupt and criminal political gangs of our great cities in the North whose activities are well known to every American? When he turned down the real nominee of the Democratic Party for Vice President and rammed an unqualified cat's-paw down our throats? When the policies of the Democratic Party were made, not on the open floor, but in a few hotel rooms under the direction of the President's personal representatives?

6. Is it not our duty to ourselves, our families, our posterity and as American citizens safeguarding the last bit of human freedom and liberty in this world, to vote for a real Democrat — Wendell Willkie — who can give us:

- | | |
|---|---|
| 1. An America that is STRONG? | 5. An America of OPPORTUNITY? |
| 2. An America that is FREE? | 6. An America that is UNIFIED? |
| 3. An America that is RESPECTED? | 7. An America that is ENLIGHTENED? |
| 4. An America that is SECURE? | 8. An America FOREVER? |

"We want the America that we know and love and trust—the America whose name means Liberty. We want for ourselves and for our children the Republic formed by our Constitution, served by George Washington, counseled by Jefferson, Madison, Monroe and Jackson; the Republic saved by Abraham Lincoln. We want an America guided today and tomorrow, as it was guided yesterday, by the spirit of those men."—Wendell Willkie.
