Iron Guardists Die In Mass Suicides

Thirty End Lives As Services Held For Slain Leader

Four Million Residents Of Bessarabia Rise Up In Rumanian Revolution

By The Associated Press.

BUCHAREST, Nov. 30.—In a macabre climax to elaborate funeral services over the gold casket of Corneliu Zelea Codreanu, the Iron Guard's "martyred captain," every one of the 30 Iron Guardists who participated in the prison assassinations of 64 persons high in King Carol's former regime were reported reliably tonight to have "committed suicide."

At the same time, a diplomatic communication reaching strife-torn Bucharest said revolution had broken out among the 4,000,000 inhabitants of Bessarabia, the territory Rumania ceded to Russia last June 27. Widespread deaths and injuries were reported there.

Details Lacking.

Details were lacking on the reported suicide of the Iron Guards, who broke into Jilava prison early this week and began their revenge blood purge against those whom they held responsible for Codreanu's death two years ago today.

Comparative calm reigned all day throughout Rumania, but nearly 100,000 Iron Guards headed tonight for Alba-Julia, ancient seat of Rumanian kings, where a demonstration for the return of northern Transylvania from Hungary is planned for tomorrow.

Reports reaching the Hungarian frontier said the Iron Guard may be at the beginning of a bloody "total revenge" for the slaying of Codreanu. These dispatches said the country was on the verge of civil war.

Tramping Feet.

The tramp of marching feet echoed through Bucharest from dawn until far in the night as almost the entire Iron Guard membership turned out to bury Codreanu and his 13 slain lieutenants.

Iron Guard officials estimated some 150,000 green-shirted men and women were in the procession led by Premier General Ion Antonescu, vice-premier Horia Sima, and the German, Italian and Spanish ministers.

Although King Mihai was represented only by an army officer, Adolf Hitler and Benito Mussolini sent two dignitaries each. (Mihai was reported in border dispatches to have fled Bucharest as a result of the week's disorders.)

Paraguay President Follows Up Ouster

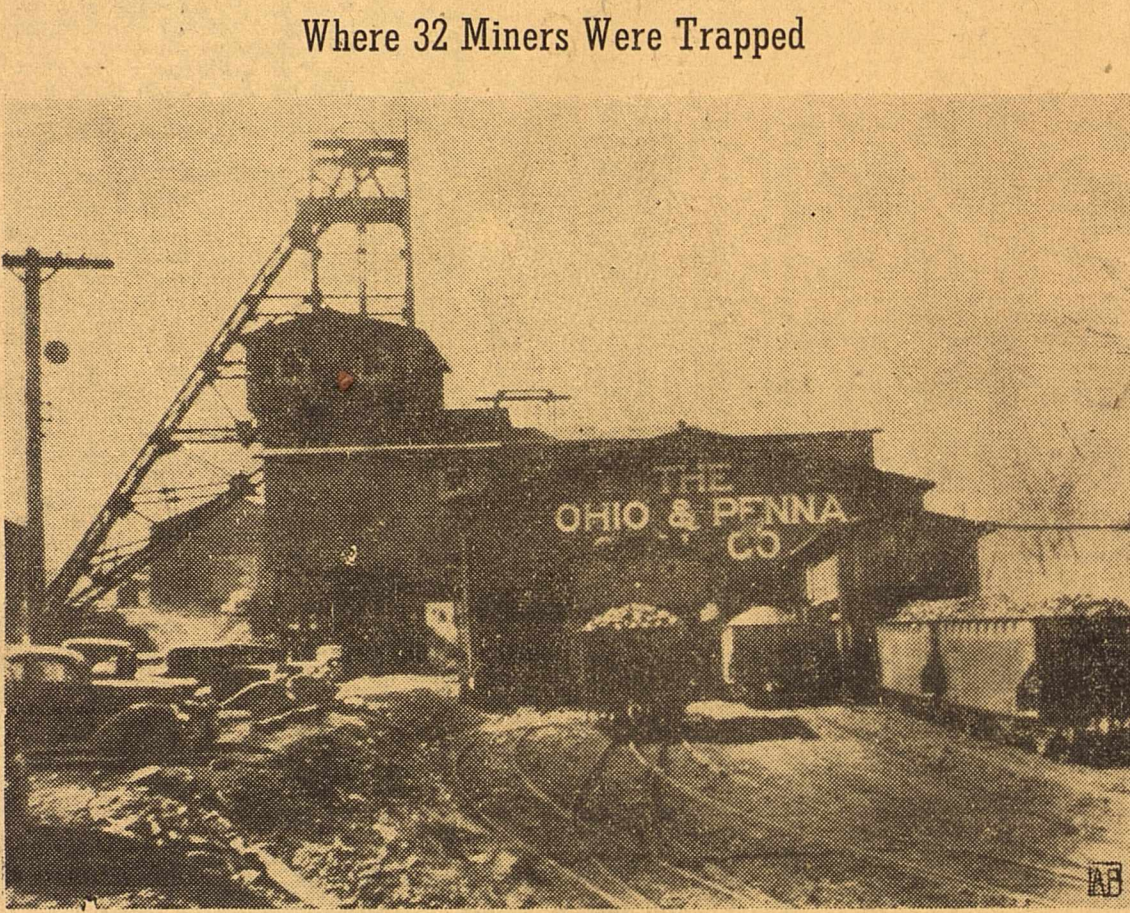

ASUNCION, Paraguay, Nov. 30 (AP).—President Efigenio Morinigo followed up his ouster of Lieut. Col. Ramon Paredes, former "strong man" of Paraguay, and other officials of his cabinet with a proclamation today saying he had decided to assume all government powers to push forward the "Paraguayan revolution."

This phrase was first used by Morinigo's predecessor, Jose Felix Estigarribia, when he dissolved the congress and initiated a dictatorial government.

Estigarribia was killed in an airplane crash last September and Morinigo succeeded him to serve the unfinished term.

Death Comes To Stephen M. Francis, Prominent In West Texas Ranching; Funeral Rites Here This Afternoon

Reports Childress Condition Improved

The condition of Homer Childress, Midland, employee of Thorp Paint Company of Big Spring, who was seriously injured in an automobile accident on Highway 90 between Odessa and Midland was reported "satisfactory" last night at Headlee Hospital in Odessa.

Childress suffered an injured right leg when his pickup overturned, it was reported.

He was admitted to the Odessa hospital at 2:30 a. m. Friday.

The accident occurred about 12 miles east of Odessa.

Patrolmen Ragsdale and White investigated the accident.

The demolished pickup was brought to Southern Body Works here.

Uncle Sam Announces Enormous Credit To Chinese Government

WASHINGTON, Nov. 30 (AP)—The United States pointedly made clear its attitude toward the Tokyo-Nanking "peace" treaty today by reaffirming its recognition of Chiang Kai-Shek's anti-Japanese government and announcing a \$100,000,000 credit to it.

With the ink hardly dry on the pact signed at Nanking by Japanese Ambassador General Nobuyuki Abe and Wang Ching Wei, recognized by the Japanese as President of a National Government of China, there were these developments here:

Secondly, President Roosevelt announced that two \$50,000,000 credits to Chungking were "contemplated." One, to be made by the Export-Import Bank and to be repaid in shipments of strategic materials, will be for the Chiang Kai-Shek's administration's "general purposes" such as keeping its army of 2,500,000 in the field.

The other allocation will be from the treasury's \$2,000,000,000 stabilization fund.

SANTA FE, N. M., Nov. 30 (AP)—New Mexico's allowable oil production for December was set today at 104,000 barrels daily, the same as the November allowable and 4,400 barrels over the U. S. Bureau of Mines recommendation.

Saint Nick Has Candy For Tots After Long Trip

Lighting Of Christmas Decoration Is Signal For Many Observances

Hundreds of Midland's citizenry, mainly children, lined streets of the business area Friday to welcome Santa Claus on his annual visit to usher in the Christmas season.

Santa was flown over the city, and then escorted "to town" from the airport for the parade.

In the parade, led by Motorcycle Officer Frank Manning, was Santa's truck from which he threw candy "kisses" to boys and girls. Accompanying were the high school and junior high bands, the latter making its first appearance in the new uniforms.

The parade moving from the high school through the downtown district, was followed by children while adults observed from cars, office windows and sidewalks.

Holiday lights over the business district, had been turned on Thursday night, and will burn during the Christmas holidays.

Merchants have trimmed windows in the Yule motif and gift counters are prominently displayed.

The First National Bank building has put up special lighting with neon messages atop the buildings announcing the season's greetings.

The Junior Chamber of Commerce will sponsor an annual home lighting and decoration contest. Prizes are offered for the home with the best Christmas lighting.

May Day Contest

Jaycees announce that this year's contest may be divided into districts with winners competing for a sweepstake prize for the best lighted home. Prizes will be awarded each district winner also.

The Woods W. Lynch Post 19 of American Legion will distribute food baskets. Committees are to be appointed to execute the program.

An annual Cantata, featuring Midland singers, also will be held. Rehearsals are under way.

Opening Of First Devonian Pool In West Texas Looms

By Frank Gardner Oil Editor.

Spraying oil and circulating water on an unestimated amount of gas, Gulf Oil Corporation No. 5 Wristen Brothers yesterday indicated opening of the first West Texas pool to produce from the Devonian formation.

No. 5 Wristen is bottomed at 7,075 feet, cemented back from total depth of 9,187 feet, and has 107 feet of open hole between top of plug and 7-inch casing set at 6,968 feet. Two-inch tubing is set at 7,073 feet, with perforations at 7,069.

The well unloaded itself of circulating fluid after it had partially been swabbed down through tubing. At last reports it was being allowed to blow for further testing of oil and gas.

According to some paleontologists No. 5 Wristen topped pink crinoidal lime of Devonian at 6,930 feet. It later went into the Montoya at 7,200 feet, the Simpson at 7,400 and the Ellenburger at 9,002 feet, showing good saturation in the top of the last formation. Lower part of the hole was junked at 9,187 feet when testing tool and packers were lost, and several attempts to sidetrack were unsuccessful. Location is 330 feet out of the east corner of the west quarter of section 18, block 5, H.&T.C. survey, on the east flank of the Shipley Permian pool in Southeastern Ward County.

Test Staked Near Gasser.

Magnolia Petroleum Company yesterday announced location of No. 3-41 Sealy 1,650 feet from the south, 2,970 from the west line of section 41, block F, G.&M.M.B.&A. survey, in the Magnolia-Sealy (South) pool of Northern Ward. The new test is only 933 feet southeast of the company's No. 2-41 Sealy, spectacular gas well which blew wild for over five days until it was brought under control last Wednesday.

Stanton Girl's Injuries Fatal After Accident

Dorothy Jean Barfield, 14-year-old daughter of Mr. and Mrs. J. K. Barfield, of Stanton, died early Saturday morning of injuries received in an automobile collision in Stanton Thursday.

She was the second victim of the accident, E. H. Davidson, superintendent of the Texas-New Mexico Pipeline Company here, having been killed almost instantly.

Mickey Heaton, 18, one of the nine occupants of the Barfield automobile, is seriously ill at his home in Stanton. He was unconscious an hour after the collision, suffering severe head cuts and a leg injury.

Four Others Injured.

They are: Guy Spinks, 16, back injury; Ross Hay, 19, leg injury; and Jessie Spinks, 21, severe leg injury.

Dearl Cox, 21, O. C. Turner, 16, and Howell White, 19, were uninjured.

All live in Stanton.

Funeral services for Mr. Davidson were conducted Saturday morning at Barrow Funeral Home with the Rev. W. C. Hinds officiating.

The body was forwarded to Houston for burial.

Survivors are the widow and son, Buddy Davidson, of Midland; three sisters, one of whom is Mrs. H. L. Rook of Houston; and his mother, who lives in Ohio.

Rites Not Arranged.

Funeral arrangements for the Barfield girl had not been completed.

Davidson had lived in Midland since 1938, coming here as superintendent of the Texas-New Mexico Pipeline Company. He has been in the Texas Company and associate companies for 21 years. He was actively engaged in development of the Permian Basin and was a graduate engineer of Texas A&M College.

Davidson was the second victim of the accident, E. H. Davidson, superintendent of the Texas-New Mexico Pipeline Company here, having been killed almost instantly.

More Than 1000 Peasants Travel To Capital To Guard Camacho Ceremony As Fiesta Mood Prevails Over City

Major Is Killed By Gunfire As Police Make Investigations Of Assassination Reports; "Determined" Forces Said To Be Scheming

MEXICO CITY, Nov. 30.—More than 1,000 peasants armed with new rifles and cartridge belts arrived in the Mexican capital tonight in trucks from Puebla State, home of President-elect General Manuel Avila Camacho, to "watch things" tomorrow when he becomes the nation's chief executive.

About 40 others armed with pistols also came here from Vera Cruz State.

Although the city was in fiesta mood tonight on inauguration eve, soldiers and police stood guard at strategic points to prevent a rumored plot to assassinate General Avila Camacho at his inauguration.

All troops in the federal district were in barracks, police are on the alert and authorities said they were taking every precaution.

The commander of the federal district military zone was warned publicly that "determined groups" were "plotting subversive acts" and asked the people to cooperate with military and police authorities in suppressing such action.

Investigation of the rumor resulted in the death of Major Guillermo Garcia Gallegos last night in a volley of gunfire when he led a detail of soldiers in a raid on a meeting, which police described as "subversive," at Communist offices.

Second Shooting.

Among 55 persons arrested in the raid was Esteban Chapa, who holds a responsible position in the Department of Interior. A cache of three rifles, 15 pistols, a bomb and a quantity of cartridges was seized, police said. A second shooting in which a detective was wounded occurred in a suburb where police raided a private home for hidden arms. Four more persons were arrested.

Henry A. Wallace, United States Vice-President-elect will represent his country as a special ambassador at the ceremonies, scheduled for 11 a. m. CST in the chamber of deputies.

Midland To Have Goodfellows Club

Midland will join other cities in Texas, providing Christmas cheer for needy families by organization of a "Goodfellows Club."

Woods W. Lynch Post 19 of American Legion endorsed and approved support of the club, which seeks support also of Lions and Rotary clubs and civic and church organizations.

The club probably will become a permanent organization. Funds will not be solicited.

To Place Receipts.

Receipts will be placed about the city for donations.

Citizens making donations of \$1 or more will be registered "Goodfellows."

An executive committee composed of one member from each sponsoring civic organization, will have active and complete charge of executing the program.

One committee will secure names of needy families, and another will on Christmas morning distribute baskets.

RFC's Smallest Loan Receiver Is Fleeced

EAST ST. LOUIS, Ill., Nov. 30 (AP).—When Henry Edward Miller decided upon a shiny new chair for his one-man barber shop he became the recipient of the smallest loan ever granted by the Reconstruction Finance Corporation.

The federal agency which has lent \$11,000,000,000 handed Miller's application for a \$150 loan with dispatch and Miller repaid the principal, plus \$2.50 interest, with like promptness.

But, alas! A smooth-talking salesman skipped town with the money and the chair never was delivered.

DRAFT DODGER EXPLAINS NOT MAD AT GERMANY

CHICAGO, Nov. 30 (AP).—Policeman Milton Bass said today that Thomas Reed had admitted that he failed to register for selective service and had offered this explanation:

"I'm not mad at Germany."

Reed was turned over to the Federal Bureau of Investigation.

LATEST NEWS FLASHES

Brazos River On Rise Again.

HOUSTON, Nov. 30 (AP).—The turbulent Brazos was rising at both ends tonight spreading out over still more land near Hempstead and between East Columbia and Freeport. Several families were forced to leave their homes.

Reports Warships Pursue Rhein.

MIAMI, Fla., Dec. 1 (Sunday) (AP).—Tropical Radio said early today the German freighter Rhein was broadcasting continuous calls to a Mexican station at Merida, Yucatan. The radio station said it intercepted another message from an unidentified station saying "Rhein being followed by warships."

Asks America To Tighten Controls.

LONDON, Dec. 1 (Sunday) (AP).—A plea to America to tighten and extend export controls "so as to insure that no vital materials get through to the enemy" was voiced tonight by Hugh Dalton, minister of economic warfare and master of Britain's blockade of Germany and Italy.

Gatesville Citizens Rout "Witnesses."

GATESVILLE, Nov. 30 (AP).—Deputy Sheriff T. W. Lilledahl said a group of citizens broke up a convention of Jehovah's Witnesses here tonight and seized and burned literature and benches which were thrown from the second story meeting place.

The Air Battle

It is all very well to talk about a good neighbor policy with Latin America and to found an Export-Import Bank whose function it will be to help trade relations with the countries to the south of the United States. But something is wrong when Germany and Italy are allowed to beat the U. S. in the extremely important battle of the air.

Like it or not, radio has become an immense factor in the field of diplomatic strategy and in the battle for business.

There is danger that the United States will make the same blunders in handling Latin America that Great Britain did in broadcasts to the Arabs. It came to British notice that the Italians were sending daily and nightly broadcasts to the Moslem world of the Near East from a powerful station at Bari. So the British jumped in to counter-broadcast. But their transmissions bored the Arabs. The programs were too British. The Italian ones were sickly Arabic.

Just about the same thing apparently is happening in the battle in the air of Latin America. Many broadcasts from the United States mean exactly nothing to Latin Americans.

They are in English. It appears also that American broadcasters, even when using Spanish, think of Latin America as one community speaking one idiom.

Excluding vast Brazil, whose language is Portuguese, the Spanish spoken in various parts of Latin America differs widely.

Argentina, Uruguay, Paraguay, Chile and Bolivia speak one kind. Central American and Caribbean lands speak another. The former group happens to possess 65 per cent of the radios.

Only about one-quarter of U. S. broadcasts are in Spanish. The Germans and Italians keep up Spanish programs all day long.

The Axis countries carefully watch their timing. Americans make the mistake often of sending programs when people are in bed.

The Axis broadcasters supply what they think Latin America demands in programs. U. S. broadcasts are said often to neglect this. Favorites in Latin America are high class operatic music, concerts by international stars, the best Hollywood stuff and, above all, the news which, unlike that from Axis countries, is free from bias.

If ever there was something to put upon the plate of Nelson Rockefeller's Committee to Co-ordinate Cultural and Commercial Relations with Latin America, this is it. Good will, a common front against "isms" and good business are involved.

Flank Attacks On the Pocketbook

These are hard and trying times for the patient American taxpayer. That admirable citizen realizes there are certain city, state and national expenses that must be incurred. He knows the bulk of the money for these necessary things must be raised by taxation in some form or other.

But what he objects to—and rightly so—are the often concealed flank attacks upon his thinning pocketbook, the niggling assaults embodied in a multitude of bills passed without rhyme or reason.

The National Consumers Tax Commission, Inc., estimates that the 43 state legislatures, which meet next year, will consider more than 60,000 bills, of which 11,000 will be tax measures.

The commission predicts that, if the solons run true to form, they will enact 1800 of the latter, or an average of about 42 per state. It would seem a good moment to call for a moratorium on most of these.

Fairy Tale Come True

Fairy tales have a habit occasionally of coming true. In America they prove it is still the land of opportunity. Even as Napoleon said every one of his troopers carried a marshal's baton in his knapsack, so it can be said every American boy carries with him the chance to achieve the heights. If you are skeptical, listen to this:

About 40 years ago a wealthy banker in Salt Lake City gave himself the pleasure of having as his guests at a Thanksgiving Day dinner the newsboys of the town.

After the meal, he made a little speech, saying he hoped from the bottom of his heart that some day one of the boys would be governor of Utah.

And on Thanksgiving Day, 1940, a governor-elect of Utah attended a dinner with today's newsboys of Salt Lake City. The hero of this fairy tale come true is Herbert B. Maw, the newsboy of four decades ago.

The Spirit That Wins

In the days of chivalry when a knight went forth to do battle, his lady fair was apt to give him farewell with the familiar words:

"Where are the accursed Arabs?"
"Come back with your shield or on it."

Something of the same spirit seems to exist in modern Greece. The citizens have been sending packets of prized cigars to their warriors. In one such packet was found a letter from the donor:

"Smoke these cigars and enjoy them. If you happen to be my own son, do not return at all to your father's house unless you return victorious. If you are not my son, remember your father would express the same wish."

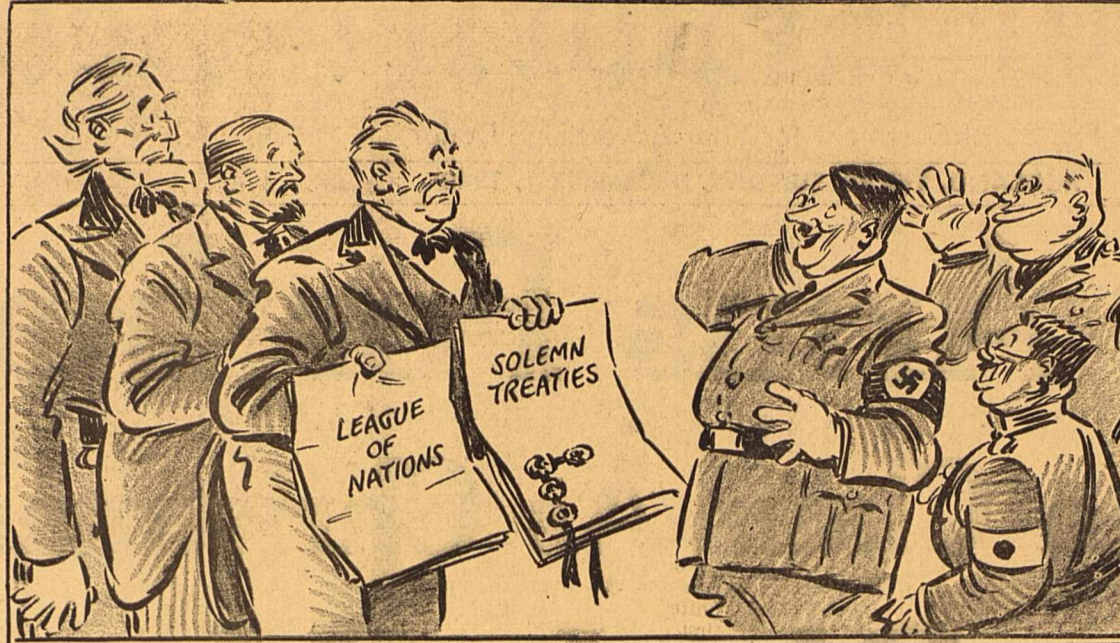

Young folks always seem so silly after you've ceased to be one of them.

Maybe Sherman was right way back then, but we doubt if he could adequately express himself today.

There's very little chance of anybody making a fool out of you without your help.

Age catches up quickest with those who travel the fastest!

So Pardon Us If We Aren't Impressed

Second Winter Of War May Weaken Two Axis Nations

By Kirke L. Simpson
Staff Writer Associated Press.

The cold gloom of Europe's second winter is closing in amid multiplying signs that it may see the Nazi-Fascist "new-order" fellowship put to a supreme and perhaps decisive test.

Imponderable factors preclude even a guess as to where or how the war will end. Among the horsemen of horror loomed on Europe by the war to make this probably the most tragic Christmas season the old world has ever known are starvation and freezing cold for tens of millions of non-combatants.

There are discernible, however certain symptomatic items indicating that there may be a graver concern over the winter outlook in Axis Europe than in London. They give the lie to the Nazi-Fascist assumption that mankind in the mass can be dragged by force alone into a new way of life.

Italy Now Hurt.
Intimations of tottering national morale point now toward Italy, not England. No other reasonable explanation of the Italian army's fiasco in Greece has been ordered.

Tragic blundering by Italian Strategists and army staffs alone cannot account for Greece's rout of her attackers against great odds of numbers and modern battle gear.

It is now revealed by Washington government reports on Italy's economic plight that the British blockade has been grinding for months at Italian morale. Sharply rationed food and skyrocketing prices are noted. That is all Italy has thus far gleaned from Mussolini's great adventures at war in Ethiopia, in Spain and Greece.

Not Discouraged.
By contrast, in bomb-tortured England there is no hint of declining morale. Bright visions of delivering a finishing stroke at Italy are reflected in London war news. The essential pillars of the Hitler-conceived "new order" structure for continental Europe are lacking still. Spain in the west and Bulgaria in the east are still standing aloof.

An upsurge of French public reaction has thwarted the Hitler-Fascist hopes for an effective political union between Berlin and Vichy. Intimations of popular "Free French" demonstrations in both German-occupied and unoccupied France leak through censorships.

In Nazi-conquered Norway, Holland and Belgium the same story is told day by day.

All told, Britain enters the winter season thrilling with renewed hope that Christmas, despite its war tragedies, will be a season of good cheer if not peace in England.

Alsace Stock Lower Than Any Vichy Area

BASEL, Switzerland, Nov. 30 (AP)—Horses are living in the Maginot Line and the stock of the Vichy government is lower, perhaps, in Alsace than in any other part of France, travelers from the "lost provinces" reported tonight.

Alsation newspapers publishing an announcement of the German security police, warn of "protective custody" for saboteur and greasy sparrows, and cite these examples: Three Alsations taken into "protective custody" for trying to break up a public meeting of the Nazi party.

A factory worker and a woodcutter taken into "acute custody"—apparently one grade tighter than the "protective" variety—because they "besmeared a public building with placards hostile to Germany."

General Election In Texas Exceeds Votes For Previous Races

By The Associated Press.
AUSTIN, Nov. 30 (AP)—Texans stuffed a record 1,041,168 votes for presidential electors into ballot boxes Nov. 5.

The state election board's canvass of voting today showed the total exceeded by 191,630 the vote in the 1932 general election, the previous record, and by 198,630 the 1936 vote. The results were certified as official although 33 of the state's 254 counties failed to report within the Nov. 25 statutory deadline.

Results of the gubernatorial race will be canvassed by the House of Representatives after Jan. 14, as required by law. The governor is a member of the election board.

840,000 Demo Votes.
Democratic electors garnered 840,151 votes and others were distributed as follows: Republican 199,152; Socialist 728; Communist 212; Prohibition 925.

With one exception, the race for U. S. Senate established the pattern for other statewide races.

The exception was the Agricultural Commission contest in which J. E. McDonald was re-elected with a total vote of 647,911. W. N. Bill Corry of Keller was announced as an independent after McDonald, a Democrat, advocated the election of Wendell L. Willkie got 453,573 written votes.

The highest individual vote 999,635, went to James P. Alexander of Waco, Democratic candidate for Chief Justice of the Supreme Court.

Nash Produces 400 New Models Per Day

KENOSHA, Wis., Nov. 30.—An indication of the astonishing speed with which the American automobile industry can move into peak production of an entirely new product was seen here today as Nash Motors' new production lines began to roll at a near-capacity rate.

The company is now turning out 400 units of its new low-price automobile every day on a separate production line designed especially to handle this completely new kind of car. The new line was completed about six weeks ago, and was built from scratch, so to speak, as it differs in many respects from any production lines used in the auto industry today.

Although the new car spent three years on the drafting board and in the research laboratories of the company, it was only 10 months ago that materials, dies and vast quantities of special machinery needed to build the automobile were ordered.

APPRECIATION DINNER IS PLANNED FOR RAYBURN

DALLAS, Tex., Nov. 30 (AP)—An appreciation dinner sponsored by friends in North Texas will be held here the night of Dec. 10 for the speaker of the national House, Sam Rayburn of Bonham, Martin B. Winfrey, chairman of an arrangements committee, announced.

Camp Bowie Unit Almost Completed

BROWNWOOD, Nov. 30 (AP)—Facilities for the 36th Division, first unit to move to Camp Bowie is now eighty-five per cent complete. The payroll this week was \$337,720 with around 10,000 men employed.

The Brownwood Chamber of Commerce has been asked to secure 700 acres of land adjoining the camp on the south. The land is to be used for facilities of corps troops that will be assigned here. It is understood here that the 5,000 draftees necessary to raise the 36th Division from its present strength of 15,000 to the full strength of 18,000 is to be processed here instead of at reception and replacement centers, and will be quartered on the present camp site and not in the new area.

At present work has been started on 434 buildings and 3,800 tent frames at the camp. The tent frames are more than enough to house the 36th Division.

Business' Attention On Problems Of War

NEW YORK, Nov. 30 (AP)—American industry whirled along at the swiftest pace in a decade this week, but business men appeared increasingly preoccupied with problems presented by a war-geared economy.

Taxes, inventories, prices, wages, all came in for discussion as business moved toward a new year which appeared certain to set historic production records.

When Senator Pat Harrison revealed the administration at Washington had decided no further taxes retroactive to 1940 would be sought from Congress, the news seemed only to have emphasized the fact that 1941 levies would surpass ever-present high rates. Some Washington quarters predicted an effort to raise \$10,000,000,000, a peace-time high, by taxation next year.

To rising taxes, was being added the problem of pouring into the man of the hungry industrial machine, the fodder of raw and semi-finished materials necessary to keep up and increase its present rapid tempo.

Cotton plants do not winter-kill in South America. They continue to grow until they reach the size of fruit trees.

COUNTY DRAFT BOARD CLASSIFIES 70 REGISTRANTS

The Midland County draft board met Friday night and classified 70 registrants. Notices of classification were mailed yesterday.

Returns to U. S. As Polish Envoy

Jan Ciechanowski, above, is reported to have been appointed Ambassador to the United States from the Polish-exile government in London. Ciechanowski, who succeeds the popular Count Jerzy Potocki, was Polish Minister to Washington from 1925 to 1928.

Recommends Penalty For Finance Groups

AUSTIN, Nov. 30 (AP)—A committee of the Texas House of Representatives today recommended penal punishment for finance companies that require purchasers of property to buy insurance through the Finance Company or its representatives as a requisite of a loan.

The group, named at the last general session of the legislature to investigate fire insurance rates and procedure of the State Insurance Commission, also recommended penal punishment for associations of insurance agents, organized legally for the purpose of advancing insurance as an institution, for soliciting, writing or issuing policies and retaining commissions for distribution among the members.

Midland Places High In State's School Rankings

Midland High School ranks high in comparison among Texas schools for scholastic rating and affiliated units. A compilation of 47 representative schools shows Midland fourth in credits. Lubbock is first with 58 1/2 units; Odessa second, 56 credits; Goose Creek, third, 55 1/2; Midland 55 credits.

Midland's system offers its 55 affiliated credits in liberal arts, vocational subjects, business administration, music, and social sciences. School Comparisons.

Comparison of area schools, credits and enrollments offered: Midland 55, 527; Odessa, 56, 619; Big Spring, 48, 821; Iraan, 47, 243; Monahans 38 1/2, 333; Wink, 37 1/2, 257; Crane 36, 190; and Pecos, 31, 167.

Midland ranks fourth in grade point scores made by freshmen at the University of Texas 1939-40.

Four former Midland students at the university totaled 1,649. The average for all schools was 1,180; Texas schools 1,181; and out-of-state schools 1,173.

Freshmen students from Midland in the University of Texas are: Billy Kimbrough, Frank Arrington, Nell Ruth Bedford and Jean Lewis.

Brownwood was first with 2,319 (two students); El Paso, second, 2,133 (three students); and Glade-water, third, 1,677 (three students).

Area school grade points were: Abilene 1,284; Big Spring, 0,94; Lamesa, 1,000; Lubbock, 0,959; Odessa, 1,000; San Angelo 1,173; Sweetwater, 0,697.

Slaying Suspect Is Arrested In Oklahoma

COMANCHE, Tex., Nov. 30 (AP)—Sheriff Wild Spivey said today Clifford Brook, 20, indicted here two weeks ago in the slaying of J. D. Couch, 64, had been arrested at Claremore, Okla.

Frank Barton, 19, is in jail here also charged with the slaying. Couch's nearly nude body was found in his dugout home near Gustine, Tex., last Aug. 18. He was believed to have been slain and robbed two days before the body was found.

Sheriff Spivey said extradition proceedings for Brook, who is held by the Claremore sheriff, were pending.

The Best Gift of All—**FURNITURE**

NO MORE SNAGGED STOCKINGS!

Christmas Cantata To Be Given Dec. 20

The Christmas Cantata "The Star Divine," by Frances V. Hubbard and A. W. Lanzing, will be presented by Midland High School choral club and glee club, Dec. 20, in the Christmas program, Mrs. De Lo Douglas announced.

There are about 125 students in the two organization working the cantata.

A number of students attend practices of townspeople, who will present the cantata before Christmas.

Bulldogs See T. C. U. S. M. U. Grid Game

The reward for the Midland Bulldogs showing in the football season was a trip to see TCU's Horned Frogs play SMU in Dallas yesterday.

About 25 boys made the trip. They left Friday.

The Bulldogs saw TCU and SMU play in Dallas in 1938.

Proceeds from the Midland-Andrews game helped defray expenses.

Basketball Team Begins Practice

The Midland Bulldog cagers, coached by Earle Clark, have been practicing daily, to be in shape for the first game of the season against the Odessa Bronchos Dec. 19 there.

There are only three letter men, Williams all district guard, Bratton, center, and Horace Brown, guard. Others showing up well in practice are Charlie Kelley, Clarence Scharbauer, A. W. Jones, and Charles Elyatt.

Coach Clark says that the team should be good. There are replacements in every position.

Former Student Writes About Oklahoma School

D. D. Shiflett received a letter from Catherine Blair, former senior, who moved last month to Tulsa, Okla. She said 3,000 students were enrolled in her high school.

Q. V. V. Members Meet At Link Home

The Q. V. V. met at the home of Frances Ellen Link last Tuesday. Elma Jean Noble gave a reading.

Elma Ann Tolbert, Maxine Stewart, Mary Lee Snider, Betty Kimbrough, Hilda Vogel, Verre Byrd, Bonnie Guthrie, Doris Lynn Pemberton, Elma Jean Noble, Gloria Coryell, Joyce Strong, Margaret Ann West, Kathryn Frances, were guests.

Home Making Club Has Thanksgiving Program

A short Thanksgiving program was given at the home making club meeting Nov. 28, in the clothing laboratory. The social service committee collected a full basket of food which was delivered by the club to a needy family.

The yearbook was completed and mailed to Austin where it will be judged with others in the city.

Former Students Here For Holidays

Jean Lewis, Jeanne Davis, Fredda Fae Turner, Nell Ruth Bedford, B. C. Girdley and Frank Wade Arrington were home from a ten-day trip through Oklahoma, Kansas, and Missouri.

Fred Gordon Middleton, Bobby Walker, J. R. Dublin and George Hyatt visited their families here during Nov. 21 Thanksgiving holidays. They are students in NTAC at Arlington.

Mary Lou Hoskins, attending San Marcos Academy, visited her parents here this weekend.

Marjory Ann Monaghan spent last weekend here visiting friends.

Steve Stookey, former student, visited in the home of James Mims last week.

Joyce Saunders, Lubbock, spent last week-end here with Frances Guffey who was home for the holidays from Draughon's Business School in Abilene.

Lucille McHargue, Louise McClain and Buddy Van Huss, students at John Tarleton in Stephenville, were home last week.

Jim McHargue Tommy Wilson, Bobby Martin, Darrel Johnson and Bill McGrew, of Schreiner Institute were here this weekend.

Josephine Barber, Lubbock, Beatrice Cooke, Mary Jane Harper, student of TSCW and Tennis Stewart, spent Thanksgiving holidays here.

Sixth Coronation To Be Held Dec. 5

The coronation of Mary Sue Cowden, Catioco queen elected by popular vote of the student body, will be held in the high school auditorium Thursday night. This is the sixth consecutive year the coronation has been held.

The ceremony marks one of the high lights of the school year. Mrs. De Lo Douglas, director, says the performance will equal that of preceding years. Dances and songs will be presented at the court, consisting of the queen, J. M. White, the king, and attendants Montez Downey, Windell Williams Melba Schlosser, Joe Conkling, Helen Armstrong, Peyton Anderson, Louise Cox, Maurice Bratton, Edith Wemple, Jack Hurt, Frances Ellen Link, and Jerry Nobles.

R. C. Ferguson, laboratory of industries instructor, is preparing the stage set with the assistance of students.

Tickets are being sold by students, and proceeds will be used to help finance the year book.

Band Members Work On Concert Music

The high school band is working on concert music and the Victor Course, Director M. A. Armstrong said. A concert will be played soon.

The band attended football games this season. Trips out of town were financed by students with the exception of the trip to Sweetwater, sponsored by the Midland Chamber of Commerce.

Personals

Jo Ann Dozier spent the Thanksgiving holidays with her sister in Goldsmith.

Helen Armstrong returned home last Sunday from a ten-day trip through Oklahoma, Kansas, and Missouri.

Betty Joe Doherty visited in Ballding during the Thanksgiving holidays.

Charlotte Kimsey, slightly injured in a car accident Nov. 23, returned to school Tuesday.

Willene Pace has withdrawn from school.

Guy Tom Cowden Thanksgiving week in Booneville, Mo., at Kemper Military School.

Eddie Culbertson was absent all week as a result of a car accident Nov. 23.

"Cotton" Kimbriel, former coach here, saw Midland beat Odessa Nov. 21.

Attending the A&M-Texas ball game at Austin Thursday were W. W. Lackey, D. D. Shiflett, Coach L. W. Taylor and the following members of the Bulldog team: Odie Kelley, Bob Eidson, Emory Corbett, Roger Sidwell, J. M. White, Wilford Lester, Selman Cooke, John Ward, Gordon Bigham, and Mike Buffington.

Football Player Is Rewarded With Radio

Windell Williams, star player of the football team, won a radio given to the student turning in the most money. Windell turned in \$25 for ticket sales to the Midland-Andrews game.

Sub-Debs Meet At Walker Home

The Sub-Deb club met Nov. 23 at the home of Mary Helen Walker. Twelve members were present. Gloria Coryell and Verre Byrd were guests. Members played bridge.

Seniors Give Dance In Gymnasium

The senior class gave the first dance in the gymnasium Nov. 21. The juniors were invited. PTA members were sponsors.

Christmas Holidays Will Begin Dec. 20

School officials announced Christmas holidays will begin Friday afternoon, Dec. 20. School work will be resumed Jan. 6.

Staff For Annual Busy During Week

The Catioco staff sponsoring the coronation Dec. 5 had a busy week. Class editors are getting sketches for seniors ready for the engravers, Miss Ruby Catching, Catioco sponsor, said.

Photographers took snap shots of the band and pep squad Thanksgiving day at the Midland-Odessa tilt. The football section of the 1940-41 Catioco is being prepared. Miss Catching said pictures of the choral club, glee club, and band will be taken this week.

Nine-tenths of the total weight, not height, of an iceberg lies below the water surface.

At Your Library

Following are some interesting items relative to books in the county library.

"As a Rhodes scholar at Oxford several years ago, Stanley Vestal scanned in the Bodleian Library the manuscript of Pierre Esprit Radisson's Voyages and decided that he would eventually write the biography of the man who discovered the Mississippi River, Lake Superior, and the hinterland of Hudson Bay and was, in every real sense, the founder of the Hudson's Bay Company. The long-expected volume is now ready and published under the title of 'King of the Fur Traders.' It is hardly surprising that the man himself has been lost among his many achievements and adventures," says Mr. Vestal. "Yet he is more interesting than these. His career has the never-ending attraction of a puzzle. It bristles with unanswered questions and unsolved problems over which historians maintain a perpetual dogfight."

"Issued as a novel, 'The Hornet's Longboat' by William Roos is based on fact, constructed from the diary of Captain Josiah A. Mitchell of Freeport, Maine. It is due to Captain Mitchell and to him alone that the 'longboat' reached safety when in May of 1866 the clipper ship Hornet caught fire off the west coast of South America. Captain Mitchell and his men sailed 44 days before they sighted land, probably the longest voyage ever made by an open boat. The volume is illustrated with portraits of Captain Mitchell and the mate, a picture of the Hornet herself and a photograph of the white house in Freeport to which the Captain eventually returned. It also contains an end paper chart showing the boat's course.

"Just a century ago a group of Texans won their freedom from Spain and Mexico and established the Republic of Texas. These stirring events provide the background of 'On the Long Tide,' the new novel by Laura Krey. Born in Galveston, Mrs. Krey was raised on a Texas plantation and went to school in Virginia. She later attended the University of Texas and although she now lives in St. Paul, Minnesota, no year passes without her returning to the South. Although her heart is still in Texas, she feels nearly as much at home in North Carolina, Virginia, Mississippi, and Louisiana. She also claims to have a particularly soft spot for Boston.

"Out of the Rockies comes a poet, Belle Turnbull, with a new type of song. In 'Goldboat' she has written a novel in verse that is hard and tough, with the ring of America in it, telling the story of John Dorn, gold dredger, who comes to Rockingham village with two young ambitions: to work his company's boat successfully in honor, and to bring his chosen girl to live in mountain country.

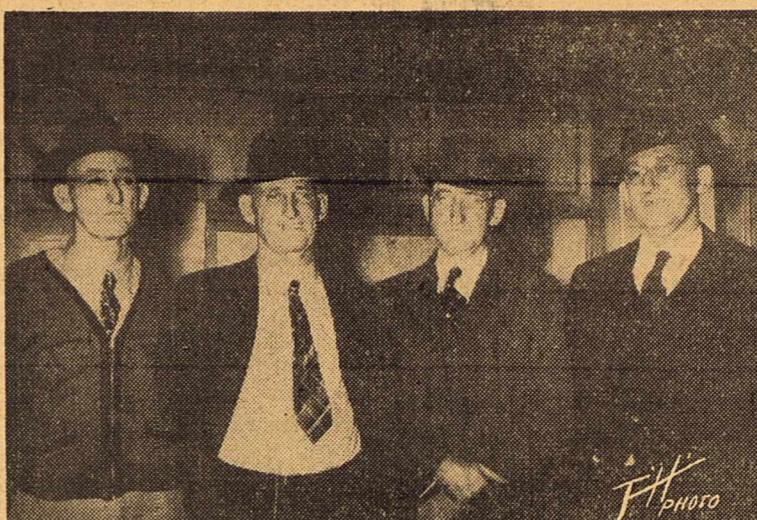

"Julia Papin Gooding (a direct descendant of Elizabeth LaGarde, the founder of St. Louis, Missouri) is the author of 'Formal Dinners,' a new cook book."

"In the volume, 'Pan America: A Program for the Western Hemisphere,' Carleton Beals explains what the vital raw materials are now they can be obtained; how the battle for strategic materials has governed modern world history, and indicates what action America must take for economic survival. Although the United States is by no means self-sufficient, concludes Mr. Beals, the Western Hemisphere is very nearly so."

"Frelawny; A Man's Life: Margaret Armstrong (aunt of Fanny Kemble) has written a romantic biography of the English aristocrat who is remembered as the friend of Shelley and has Byron's companion in the fight for Greece. His story of his adventures, filled with violence and almost incredible exploits, is accepted by this author as he told it in his autobiography, and is the flavor of a 'Munchausen tale.' (A. L. A. Bkist.)

"If Old Hack Middleton felt he had a right-of-way across his neighbor's field he drove over it, even if it were freshly plowed. In fact he did most things he had mind to: 'I'm Old Hack Middleback, I live on my own land and I grow my own grub. I ain't got no use for men and I got

Meet After Twenty-eight Years

Four brothers, three of them barbers and all in their fifties were reunited in Midland last week for the first time in 28 years.

They are left to right in the picture C. J. Hunt, 57, Dallas, W. H. Hunt, 59, Gainesville, R. E. Hunt, 55, Midland, and T. A. Hunt, 51, El Centro, Calif. C. J. Hunt is in the oil trucking business.

The brothers, in twos and threes managed to see each other during the years, but somehow distance and other causes prevented the four

Christmas Pageant To Be Presented At Courtney Tomorrow

Fifth and sixth grades will present the first Christmas program of Courtney schools, tomorrow evening, in the form of a pageant called "King Christmas."

Mrs. Blanche Alcorn is sponsoring the program which will be presented first before the Parent-Teachers Association and later in general assembly.

Taking part will be the following cast:

Little Sister—Reta Myrle Livingston
Little Brother—Leonard Shafer
Christmas Star—Matty Lou Flanagan
Bell—Mary E. Clements
Holly—Ruth Glaspie
Evergreen—Troy Gene Alcorn
King Christmas—Waylon Livingston
Toy Soldiers—Tony Roberts, Riley Newsom, John Harvard, Glenn Stewart

Carol Singers—Norma Jean Framlett, Doris Marie Snodgrass, Elsie Baker, All Ree Eastman, Dorothy Mae Powell
Christmas Tree—Clifton Hazlewood
Christmas Candle—Raymond Lewis
Candy Cane—L. R. Shoemaker
Santa—Billy James Lowder

Music classes of Courtney presented the "Story of a Man's Life" as told in music, Wednesday at the general assembly program.

less for women. If you want something hauled, I'll haul it at reasonable rates. If you got any errands (he pronounced it that way) to run in town, I'll run 'em. I ain't above work, and I ain't below charity. I don't bother nobody, and I know my own rights. I raise the best pigeons in Kerris County, and I'm not afraid of snakes, skunks or buzzing bumblebees. I like my own company, and I know how to keep it. Them as treats me right gets treated the same way. I'm free-born, free-bred, free as a bird and 72 years old. Them as don't like me can leave me alone." Old Hack Middleback is one of the salty characters young Lemuel Hayden came to know during his rural vacation in Ohio, described by Jake Falstaff in his "Jacob's Corners."

In "Border Skyline; Fifty Years of 'Talking Out' on the Boys Round-up Grounds" Will F. Evans gives a vivid description of the events which occurred in the 80's and 90's in the Davis Mountain region of Texas, when the old-timers used deer and antelope meat for their first Camp Meeting meals. When the pioneer women cooked in skillets over the coals of the open campfires, using bear-oil for shortening for biscuits. It is an authentic history of the Boys Cowboys Camp Meeting from 1890 to the present time.

Will Continue Illustrated Lectures

Evangelist O. V. Schneider will continue his illustrated prophetic lectures this week at "Midland's Little Church Around the Corner," on Loraine and Pennsylvania. Tonight at 7:45 o'clock, the subject, "The Greatest Crime," will be presented by R. E. Delafield, who came from the Hawaiian Islands, and recently came to Texas.

The subjects for the week are: Monday, "The Mark of the Beast and the Seal of God"; Tuesday, "Suicide on the Installment Plan"; Wednesday, "How to Make an Honest Living"; Thursday, "Is God Particular?"; Friday, "How to Keep the Sabbath"; Sunday, Dec. 8, "The United States in Prophecy."

Bill Collins, Chamber of Commerce secretary, returned last night from El Paso where he carried a Midland exhibit to the first annual Southwestern Travel Show.

Collins Returns From Annual El Paso Exhibit

Collins also attended an executive committee meeting of the Associated Southwestern Chamber of Commerce.

Directors of the organization will meet in El Paso Dec. 8. Mayor M. C. Ulmer and James N. Allison are directors, the former being vice-president.

The El Paso Rotary Club and the A. S. C. C. were hosts to exhibitors at the show.

Midland's exhibit, one of 15 or 20 cities, portrayed this city as an oil, livestock and financial center of the Permian Basin.

Health Board Mails Annual Seal Letters

The Midland County public health board yesterday mailed annual Christmas seal letters to 2,000 citizens in the city and county.

Letters are part of a seal sale campaign being conducted in the city.

They included seals in \$1, \$5, \$10, denominations.

Signed by Curtis Inman, chairman of the board, letters urged support in the war against tuberculosis.

BACK FROM CRUISE

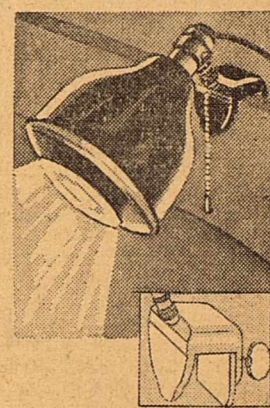

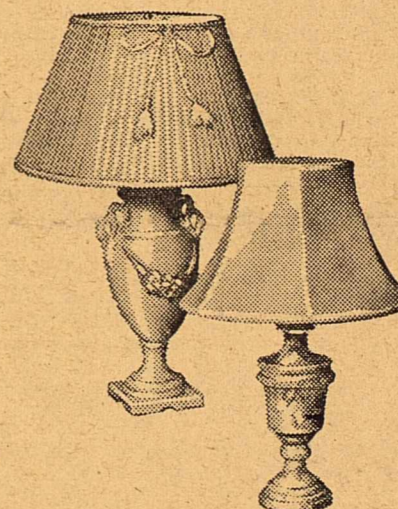

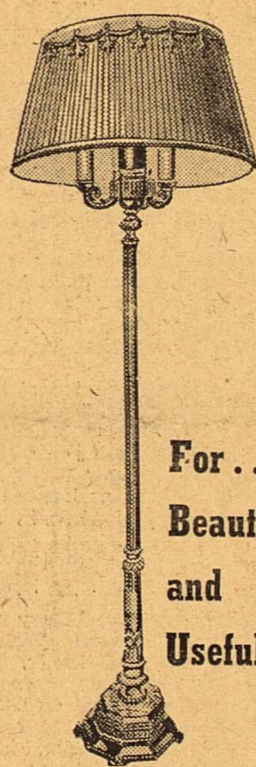

Miss Maria Spencer has returned from a Caribbean cruise, following attendance at the national convention of Business and Professional Women's Clubs at New Orleans recently. Panama, Honduras, and Nicaragua were on the cruise itinerary. She especially praised the beautiful weather and described in vivid terms the unusual scenery in Honduras.

TICKETS ON SALE TOMORROW

Tickets for the Clare Tree Major production of "Alice in Wonderland" will be on sale at the high school, beginning at 12:30 noon tomorrow. The play will be presented at 7:30 o'clock tomorrow evening at the high school auditorium. Tickets will be 75 cents for adults and 50 cents for children. Season tickets are available at \$1.00 for children and \$1.50 for adults.

Rarely seen now, the beautiful whistling swan winters in Currituck Sound, N. C. Floating rocks are found in the Tennessee river.

The Best Gift of All— Better Light Better Sight

For... Beauty and Usefulness

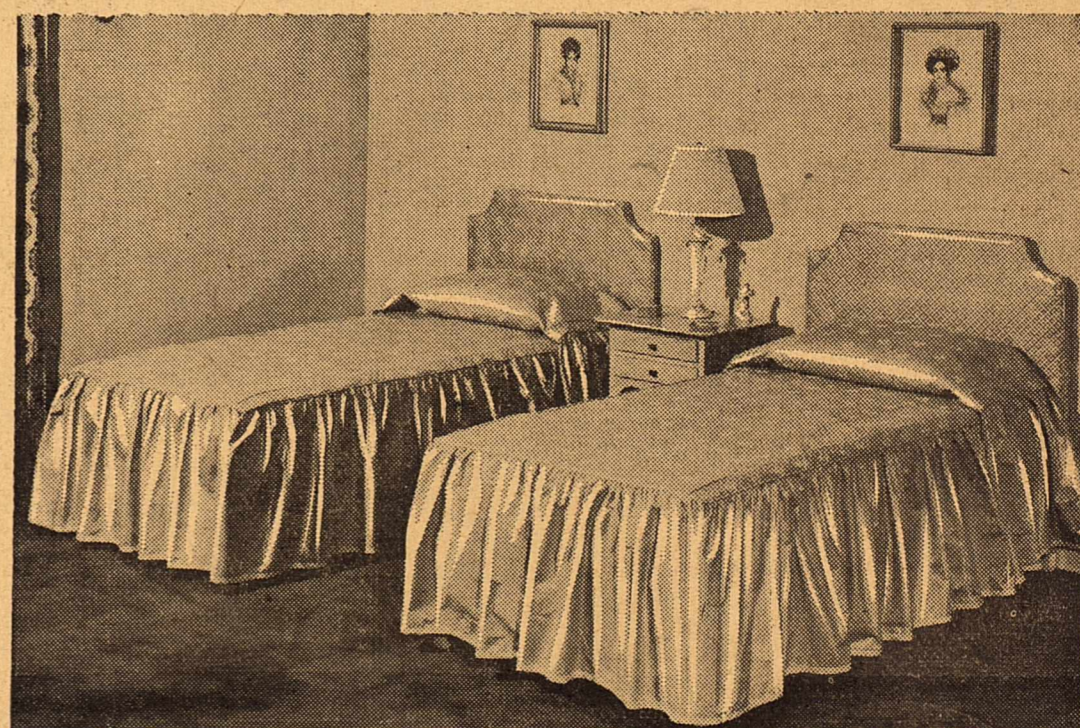

We have a fine, full stock of all types of bed lamps and table lamps. Beautiful designs to fit any style room. The latest lamps in beauty and utility. Come in today and look them over. You will want to fill your home with these lovely lamps... lamps conceived and constructed by the most skillful craftsmen in the industry.

We handle all General Electric appliances. Everything to make the home a pleasanter place to live and work. General Electric makes the world's nicest gifts. Come in and see them.

GIVE A PRESENT FOR THE HOME

PHILLIPS ELECTRIC CO.

Phone 878209 E. Wall

Here's a new and practical idea in beds. Dispensing with the usual bedstead, the box springs are placed on short legs. To one end of the box springs is secured a plain headboard. An inner-spring mattress is placed on the box spring. Then a quilted slipper is drawn over the headboard and the made-up bed is covered with a matching quilted spread. Thus the appearance of the bed can be changed as easily as the drapes, permitting seasonal preferences in color and materials. Full bed size or twin bed.

Survivors of a torpedoed merchantman are shown being pulled aboard a Canadian destroyer somewhere on the high seas. The merchant ship was torpedoed by a Nazi craft.

Brumley Salvages Game As Rice Defeats Baylor 21-12

Owls Will Engage Mustangs For Tie With Beaten A&M

HOUSTON, Nov. 30 (AP).—Troubleshooter Bob Brumley, Rice's magnificent full-back, blasted in 10 minutes today the hopes Baylor held for tossing the Owls out of the Southwest Conference championship scramble.

Tired of watching Baylor push Rice all over the field, Brumley took charge of the offense in the third period and in stunning time, the Owls had overhauled Baylor and run up a 21-12 lead they never relinquished.

The victory meant that the Rice-Southern Methodist battle here next Saturday will decide which of those two teams will share a tie with Texas A. and M. for the league pennant—barring a deadlock in the game itself.

Brumley Rips Line.
Brumley's scores were made at the points. He broke great holes in the Baylor line and his accurate toe split the crossbar on every try.

His grand performance gave him the conference scoring lead over John Kimbrough of Texas A. and M. and kept Rice in the Cotton Bowl talk.

Brumley's score was made at the end of 32, 58 and 55-yard drives, all but six yards of which came in the big third period.

Late in the fourth period Baylor tried to come back, getting to Rice's 7 on a dazzling aerial offense before the Owls stiffened.

Bruins Start Well.
Baylor started off as if to slaughter Rice, passing and running down the field almost at will. A 76-yard drive brought the first touchdown in the second quarter. Jimmy Witt blasting over from the one yard line for the score.

Weldon Bigony and Jack Wilson in the same period started another touchdown spree from the Baylor 35. Finally Witt breezed 33 yards on a reverse for the touchdown.

Baylor had a slight edge in statistics gaining 14 first downs to Rice's 9—Rice made 8 in the third period; picking up 123 yards rushing to Rice 106, and completing 7 of 21 passes for 83 yards, compared with Rice's 5 in 13 tries for 77 yards.

Score by Period:
0 0 14 7—21
Baylor 0 12 0 0—12
Rice scoring: Touchdown, Brumley (3); points from try after the touchdown, Brumley 3 (from placement).

Baylor scoring: Touchdowns, Witt 2.

Steers' Victory Brings Laurels

BIG SPRING, Dec. 1 (Special).—The Big Spring Steers capped the District 3-AA title for the first time since 1934 here Friday by polishing off Abilene's Eagles, 25-6 before 3,200 fans.

The Steers toyed with the Eagles at the outset and gained momentum in the third and final frames to rub out Abilene.

Led by Horace Bostick, quarter-back, Presley, full, and Owen Brummett, half, Big Spring scored in every quarter.

Abilene, showing a surprising amount of vim, surged through the Steers in second canto on a pass from Howell on his own 13 to Collins in end zone to tally.

Presley drove with blood with a 20-yard sprint. Second canto on Big Spring came with Bostick's plunge through center line. High spot of the struggle was marked by Presley's 33-yard dash for a touchdown in the third quarter. Big Spring's final tally occurred in closing minutes of the game when Bostick broke through the middle of Abilene's forward wall.

Big Spring made nine first downs and Abilene three.

Cowboys Triumph 27-7 Over Yellow Jackets

BROWNWOOD, Nov. 30 (AP).—Led by a pass-flipping scat back, 150-pound L. B. Russell, the Hardin-Simmons University Cowboys slashed a 27-7 victory here today over the Yellow Jackets of Howard Payne—a thirteenth straight win for the bowl-minded Cowboys.

Russell passed to End H. C. Burris for two of the scores, flipped a hit to End D. A. Parker, and then plunged through for the fourth. He also held the ball while Murray Evans kicked three extra points.

The Yellow Jackets kept the whitewash sign away by a spectacular 53-yard pass from Tommy Samuels to Ronald Warren, good for a touchdown in the third quarter.

BULLDOGS ATTEND DALLAS FOOTBALL GAME

As their reward for a season of hustling play, members of the Midland high school football team yesterday saw the SMU-TCU game in Dallas.

Coaches Bud Taylor, Earle Clark, Julius Johnson, and principal D. D. Shifflet, accompanied the players.

C. M. "DAD" JOINER FORCED TO PAY BACK ALMOYNY

DALLAS, Tex., Nov. 30 (AP).—Mrs. L. A. Joiner, former wife of C. M. (Dad) Joiner, discoverer of the East Texas oil field, was granted judgment of \$3,300 for alleged back payments under a divorce separation contract today in district court.

Under terms of the contract Mrs. Joiner received \$28,000 in cash and was to get \$500 a month for the remainder of her life.

District 3-AA Basketball Teams To Start Work

Williams And Eidson Good Prospects For Schoolboy All-Stars

Wendell Williams, Midland backfield ace who is leading scorer in District 3-AA, and Gus "Boog" Eidson, stellar guard, are likely choices of sport's writers for the 1940 all-district eleven.

Bob Cook, editor of the Nolan County News, at Sweetwater, unofficially announced that Williams with Billy Hogan, Odessa, Gus White, Lamesa, and Glenn Chase, San Angelo, would form his all-district backfield.

The Abilene Reporter News was expected to place Williams and Eidson on its team, released today.

The Reporter-Telegram sent names of the two Bulldog stalwarts to the Big Spring Herald sports editor, Jack Douglas, yesterday as nominations.

New Mexico Team Tumbles Raiders

ALBUQUERQUE, N. M., Nov. 30 (AP)—A ball-hawking New Mexico University football team toppled Texas Tech's Red Raiders from undefeated ranking here today, grabbing at every break for a 19 to 14 victory.

Out-maneuvering their highly-rated foes at every turn, the alert Lobos struck like lightning for a pair of touchdowns in the opening period and jammed through another in the third, then halted an all-out Raider offensive which netted a threatening 14 tallies in the final quarter.

The late-maturing New Mexico team, winning for their first time in six years of competition against the Raiders, ended a otherwise mediocre season in a flash of brilliance. Today's victory, coupled with last Saturday's upset of Arizona, put the Skids under two strong bowl possibilities.

Had Arizona won last week, it would have been champion of the Border Conference, and host team in the El Paso Sun Bowl.

Sweetwater Defeats San Angelo Bobcats

SWEETWATER, Dec. 1 (Special).—San Angelo's Bobcats ended a scoreless five-year jinx against Sweetwater's Mustangs here Friday but came out on the short end of a 33-2 score.

Led by the flashy duo, Harold Higgins and Marion Flanagan, Sweetwater ran over the hapless Bobcats, scoring 19 points in the first quarter, and seven in each of the third and fourth stanzas.

Nearest the Bobcats got to Mustang pass dirt—not including the safety—was in the third quarter when Bobby Lonon returned a punt to the Sweetwater 45, then worked to the 41, passed to Gibbs for five. But Bill Jones failed to make the needed yard.

Sooners Lose 33-13 To Bucking Broncos

SAN FRANCISCO, Calif., Nov. 30 (AP)—Santa Clara's Broncos found a scoring plunge through the air lanes today and whipped a fighting University of Oklahoma team 33 to 13.

Ory Mathews, brilliant Oklahoma halfback, did all of Oklahoma's scoring in the first period.

Before the 20,000 customers had settled in their seats, he ran the opening kick-off back 88 yards to a touchdown, and a short time later grabbed a pass and ran half way down the field to the goal.

But when Coach L. T. "Buck" Shaw put the first string Broncos in, things began to happen.

Abell Oil Operators Make Four Proposals

AUSTIN, Nov. 30 (AP).—Four separate proposals to field production units were advanced by operators in the new Abell oil field of Pecos County at a Railroad Commission hearing yesterday.

Magnolia Oil Company representatives proposed 40-acre proration units with proration allocation based two-thirds on acreage and one-third on wells; Sinclair-Prairie representatives suggested 20-acre units with an option up to 40 and proration allocation half on acre and half on wells; Phillips Petroleum Company representatives advocated 40-acre units with 75 per cent on acreage and 25 per cent on wells; and Karl Crowley, representing small lease owners, wanted 10-acre spacing and the per well method of allocation.

On Dec. 9, examiners will take evidence on whether the Church-Fields, McClintic and Gulf-McElroy pools in West Texas should be prorationed as a common reservoir under a common set of fields rules.

OHIO PRISON INSTALS STREAMLINE CAFETERIA

COLUMBUS, O. (UP).—Columbus' largest dining room—the hall at Ohio Penitentiary in which more than 10,000 meals are served daily—is going streamlined.

Following the lead of federal prisons, the Ohio institution is installing cafeterias to replace the old-style restaurant system.

King Football bows to basketball in District 3-AA schools this week with several squads opening drills.

The following conference schedule was announced:
Jan. 7: Sweetwater at Big Spring, Midland at San Angelo, Lamesa at Odessa.

Jan. 10: Sweetwater at Midland, San Angelo at Lamesa, Odessa at Big Spring.

Jan. 14: Midland at Odessa, San Angelo at Sweetwater, Lamesa at Big Spring.

Jan. 17: Big Spring at Midland, Sweetwater at Lamesa, Odessa at San Angelo.

Jan. 21: Lamesa at Midland, San Angelo at Big Spring, Odessa at Sweetwater.

Jan. 24: Midland at Sweetwater, Big Spring at Odessa, Lamesa at San Angelo.

Jan. 31: San Angelo at Midland, Sweetwater at Big Spring, Odessa at Lamesa.

Feb. 4: Midland at Big Spring, San Angelo at Odessa, Lamesa at Sweetwater.

Feb. 7: Midland at Lamesa, Big Spring at San Angelo, Sweetwater at Odessa.

Abilene is omitted at the request of school officials.

Coach Earle Clark has been drilling the Bulldogs in nightly sessions for three weeks. Members of the football team are expected to join the basketball squad Monday, when afternoon drills begin.

Navy Eleven Wins Traditional Tilt From Army 14-0

PHILADELPHIA, Nov. 30 (AP).—The Navy football team turned a better-than-fair season into something extra special this afternoon by beating the Army, 14-0, before a crowd that filled not quite all of the 102,000 seats in Municipal Stadium.

It was, finally, a victory over Army, and that is enough in itself. Now the Middies can forget about those defeats by Penn and Notre Dame and that scoreless tie with Columbia.

Navy's linesmen were too sturdy and its backs too many. Though the Middies lost sophomore star Bill Busk of Pasadena, Calif., on a first half injury and also saw Wes Gebert of Everett, Wash., go limping to the sidelines, they had others by the tail.

Strike Fast.
Busk ran Army's first punt from his 35 to the Cadet 42 and Navy was on its way. Sherwood Werner plunged for two and Busk, in three tries, made a first down by inches. Then Navy scored on seven plays, Busk contributing 12 on a running pass to Malcolm, and plunging for the final inches.

Navy made two more threats that period, and turned back three by Army in the second quarter. Early in the third the Middies marched from their 40 to the Cadet 19. Bob Leonard, Gainesville, Tex., who placed a field goal and extra point last year and had booted the extra point on to Busk's tally, came in to try a placement from the 28. It was wide, and Army got the ball. But Navy went 53 yards in six plays and a 5-yard penalty on the Cadets the next time they got possession.

Howie Clark carried on three of the five running plays, contributing the day's longest rusing gain by cracking the Army right side and breaking into the clear for 28 yards and climaxing the march by throwing a 6-yard touchdown pass on the 10 to Malcolm.

Vito Vitucci kicked the extra point from placement.

Boston College Wins On Breaks

BOSTON, Nov. 30 (AP).—A series of lucky breaks came to the rescue of a top-heavy favorite Boston College football team today and enabled it to maintain its undefeated record and Sugar Bowl game hopes by nosing out a courageous Holy Cross eleven, 7-0, before a 38,000 crowd at Fenway Park.

Knocked back on their tail-feathers by the Crusaders' opening charge, the Eagles stumbled and stalled and never did get out of their own territory until the final period, when the climaxing break, Sub End Don Curriavin's recovery of Joe Osmani's fumble, gave them the ball on Holy Cross' five-yard line.

Dolph Kissell, the Eagles' spare line-bucker, took two slams through the tired and discouraged Holy Cross forwards, before scoring from the two-yard line, and Frank Maznicki converted the seventh point.

Group Will Entertain Stanton Grid Players

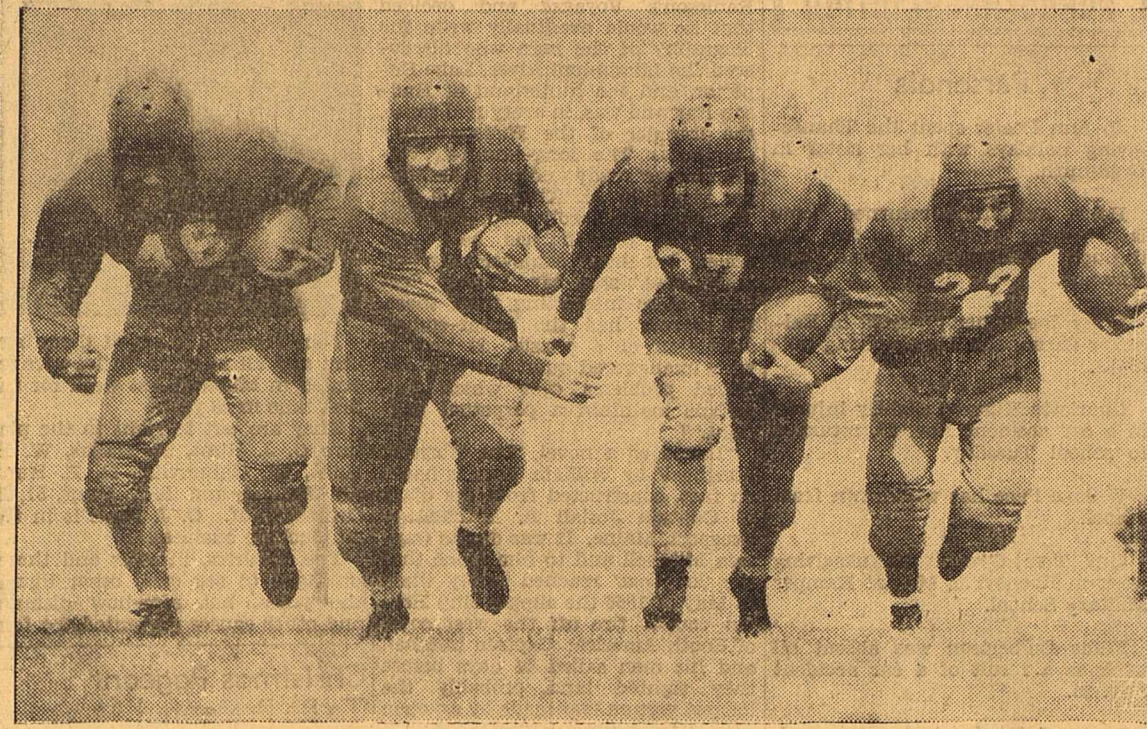

STANTON, Dec. 1 (Special).—Stanton high's gridgers will be feted at a football banquet here at 7:30 p. m. Thursday in the Methodist Church banquet room.

The Parent-Teachers association will sponsor the event.

The Buffaloes closed the 1940 season with a win over Big Spring "B."

A Cleveland agricultural engineer has developed a potato wash protruding eyes, making peeling easy and waste negligible.

SMU Mustangs' Pony Express

This quartet of SMU Mustang backfielders, Will Mullenweg, blocker, Bobby Brown, quarterback, Presto Johnson, kicker, and Ray Mallouf, passer and runner, were in there yesterday against Texas Christian as Southern Methodist won, 16-0, keeping them in the conference chase.

Midland Bulldogs Get Second Place

Midland high Bulldogs wound up in second place of District 3-AA as league standings were completed after Friday games closing the season.

The Bulldogs won 4, lost 1, and tied 1 in conference play. They eked out 7-6 wins over San Angelo and Abilene, beat Sweetwater 14-7, tied Lamesa, 6-6, shaded Odessa 16-14, but lost to the champion Steers, 0-6.

Won-Lost Record.
In outside conference competition, Midland beat Ysleta, 19-0; Wink, 24-6; Breckenridge 7-6, lost to El Paso's Austin High 7-12, and romped over class A Andrews, 26-13.

District 3-AA standings:
Team W. L. T.
Big Spring 5 0 1
Midland 4 1 1
Odessa 3 2 1
Sweetwater 3 3 0
Abilene 2 3 1
Lamesa 1 4 1
San Angelo 0 5 1

Indians Keep Record Intact With Triumph

BERKELEY, Calif., Nov. 30 (AP).—Cleated football warriors of Stanford carved the final chapter of the most gripping gridiron story in far western history today with a hard fought 13 to 7 win over the University of California.

It was a story of a comeback from a 1939 season that saw Stanford finish last in the Pacific Coast Conference race to a 1940 wind-up that bagged the title and battered down the Rose Bowl doors.

Two touchdown drives in the second period posted the points that brought Stanford undisputed leadership in the conference and the nomination to the New Year's day classic at Pasadena.

The Indians finished as the only major college team in the far west with neither defeat nor tie.

Cornhuskers Wallop Kansas State 20-0

LINCOLN, Neb., Nov. 30 (AP).—Nebraska's Cornhuskers literally "reversed" themselves into the Big Six football championship and a probable New Year's Day bowl bid as they walloped Kansas State 20 to 0 today before an estimated 20,000 whooping fans.

The Huskers shot reverse after reverse, both from a single and double wing formation, as they befuddled the Aggies.

The scoring started with eight seconds left in the first half when Herman Rohrig drifted back as if to pass, and the Aggies, who had been knocking down tosses consistently, spread with the receivers.

The one-sidedness of the game is best shown by the 23 first downs Nebraska made and the 341 yards net the Huskers got from scrimmage compared to the three first downs and 11 yards net the Aggies had.

Mustangs Start Slow But Defeat T. C. U. Eleven

DALLAS, Tex., Nov. 30 (AP).—Once-beaten Southern Methodist stoked its furnace after a listless start and battered down Texas Christian 16-0, before 15,000 here today.

Never in danger but unable to get its own offense adjusted for two periods, the Methodists finally ground out a triumph that kept alive hopes for a Southwest Conference tie with the Texas Aggies and a possible appearance in the Cotton Bowl.

Spotted with injuries, it's great Kyle Gillespie unable to start a continuing aerial attack, Texas Christian moved to the Methodist 27 on it's deepest charge.

Scores in Third.
No longer than the first play of the third period did they wait to make victory secure.

Connie Sparks, TCU end, bobbed the kickoff and Guard Eddie Bianchi recovered on the Christian 28. Fullback Preston Johnston, a running ripper, tossed in runs of seven and 17 yards to the four and Johnny Clement plunged the touchdown. Johnston kicked the point.

Then, later in the fourth period, the surging Methodist line accumulated for the second touchdown. Tackle Lynn Bostick blew in on Gillespie's attempted pass, batted it into the air and Bob Maddox recovered on the Christian 32.

Red-haired Clint McClain, teamed with Cliff Hagerman to go to the eight and then took up the touchdown chore himself, circling left and Johnston's conversion attempt was wide.

Score by Period:
Texas Christian 0 0 0 0—0
S M U 0 3 7 6—16

Southern Methodist scoring: touchdowns, Clement, McClain (sub for Johnston); point from try after touchdown, Johnston (placement); goal from the field, Campbell, (sub for Johnston) (placement).

Four years ago, New York's Violets upset the Rams and kicked them right out of the Rose Bowl. Today, the Violets were willed and the Rams showed both N.Y.U. and 35,000 customers they had both barrels loaded.

The Rams did about as they pleased all afternoon. Not only did they score four touchdowns, but they crossed the wily Violets goal line on three other occasions only to have the "microscopic" eye of Referee E. H. Heintz detect a back in motion illegally and call the scoring play back.

Midland Makes Bid For Regional Game

Bill Collins, secretary of the Chamber of Commerce, said last night that Colorado City will be invited to play its regional championship football game in Midland.

Colorado City defeated Brownfield Friday in bi-district play and awaits outcome of the Wink-Ballinger playoff in Odessa Saturday for an opponent.

Collins talked with Colorado City officials and tendered the invitation last night.

A decision on the battle ground likely will be made in Odessa Saturday following the Wink-Ballinger tilt.

Fifteen billion tons of soil were carried away by a spring dust storm in the Ukraine district of Russia during 1928.

Football Over Nation Runs True To Form As Bowl Games Begin Shaping; Stanford Will Be Coast Participant

By Hugh S. Fullerton, Jr.

NEW YORK, Nov. 30 (AP).—For one of the few times this season major football games went strictly according to form today—even to the classic Army-Navy game, considered about the toughest of them all to predict.

Navy, which had looked like the better of the two all season, won 14-0 before 102,000 fans at Philadelphia, mainly on the strength of its fine line and the running of Bill Busk and Howie Clark.

Boston College, Tennessee and Stanford all came through to complete their regular seasons unbeaten and untied and to turn toward New Year's Day "bowl" games.

Mississippi State, tied once but undefeated, led the same trail along with Nebraska and Fordham, once beaten but so highly regarded that it immediately received and accepted an invitation to play an unnamed opponent in the Dallas Cotton Bowl, Indians Clinch Bowl.

The Dallas group and the New Orleans Sugar Bowl were first under the wire with their invitations, announcing them while Stanford was only halfway through the task of beating California 13-7 to clinch beyond argument its right to play in the Rose Bowl on New Year's Day.

Tennessee and Boston College snapped up the sugar bowl bids as soon as they were offered. Mississippi State, 13-0 conqueror of Alabama, and Nebraska, which whipped Kansas State 20-0 to clinch the Big Six title, are considered the most likely candidates for the Orange Bowl game at Miami.

Meeting just the kind of strenuous opposition they expected from traditional rivals, and with bad weather to make it even harder for some of them, Tennessee whipped Vanderbilt 20-0 through the great turning of Johnny Butler and Buist Warren over a rain-drenched gridiron. Boston College's Eagles got just the "breaks" they needed to conquer Holy Cross 7-0, scoring in the final period after recovering a fumble on the five-yard line.

Thrills 80,000 Fans.
Stanford again thrilled 80,000 spectators by staging two well-executed scoring drives in the first half and then by holding California for four downs on the one-yard line before finally yielding a touchdown late in the final quarter.

Fordham, upset in midseason by St. Mary's of California, clinched its Cotton Bowl invitation by whipping New York University with a fine exhibition of power. The Rams' opponent probably will be chosen Monday by Southwest Conference faculty members. In the running are the once-defeated Texas Aggies, who may yet be chosen for the Rose Bowl, and Rice and Southern Methodist, whose victories today preserved their chances to tie the Aggies for the conference crown.

S.M.U. defeated Texas Christian 16-0 and Rice turned back Baylor 21-12. They meet next week.

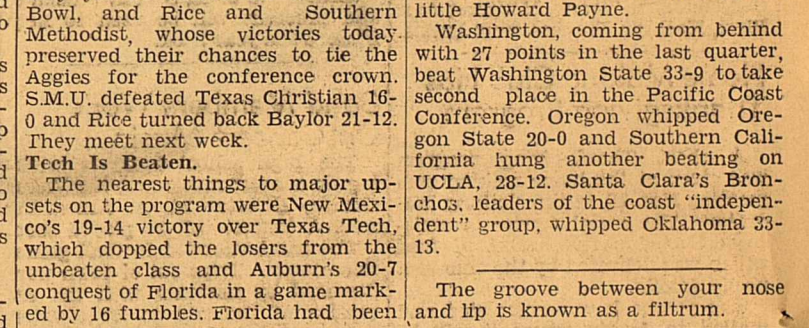

Tech Is Beaten.
The nearest things to major upsets on the program were New Mexico's 19-14 victory over Texas Tech, which dopped the losers from the unbeaten class and Auburn's 20-7 conquest of Florida in a game marked by 16 fumbles. Florida had been a slight favorite on the basis of a couple of recent upset victories.

Georgia outscored Georgia Tech, 21-19, Duke outguffed Pittsburgh, 12-7, Louisiana State beat Tulane 14-0 and Maryland and Washington and Lee played a 7-7 tie in other southern scraps. Duquesne remained among the eastern leaders with a 14-7 conquest of Carnegie Tech while down in the Southwest Hardin-Simmons remained unbeaten and untied with a 27-7 victory over little Howard Payne.

Washington, coming from behind with 27 points in the last quarter, beat Washington State 33-0 to take second place in the Pacific Coast Conference. Oregon whipped Oregon State 20-0 and Southern California hung another beating on UCLA, 28-12. Santa Clara's Bronchos, leaders of the coast "independent" group, whipped Oklahoma 33-13.

Fordham Rams Will Play Cotton Bowl Battle At Dallas

Texas A&M Holds Inside Track For Second Principal

CORVALLIS, Ore., Nov. 30 (AP)—Stanford University, undefeated and untied champion of the Pacific Coast Conference, has been officially selected as the conference's Rose Bowl football representative. Professor C. V. Ruzek, conference president, announced today.

The Oregon State College professor said the exact vote, which came a few hours after Stanford's 13 to 7 victory over its final conference rival, California, could not be made public. It was believed to be unanimous, however.

DALLAS, Nov. 30 (AP)—Powerful Fordham University, beaten once in a shocking upset earlier in the season, tonight accepted an invitation to play a New Year's Day game in the Cotton Bowl against the Southwest Conference representative.

President Dan D. Rogers of the Cotton Bowl Athletic Association announced shortly after Fordham's 26-0 rout of New York University that the Rams had agreed to the game.

The Southwest team will be selected by a telegraphic vote of the faculty members of the Southwest Conference next Monday, Rogers said, with only Texas A. and M., Rice Institute and Southern Methodist eligible.

Aggies Probable. It was believed certain that the Aggies, mighty rulers of the Southwest for two seasons and victims of a terrific upset from Texas University, 7-0, only two days ago, would be the Fordham opposition.

However, both Southern Methodist and Rice are still in the conference running and will meet next Saturday at Houston.

As it now stands, the Texas Aggies are assured of at least a tie for the conference crown and the winner of the SMU-Rice game can share the title with them. A Rice-SMU standoff would give the Aggies undisputed possession of the title—the first time in history that a conference team would have won the flag two years running.

Fordham has won seven and lost one this season—St. Mary's Gallopers, traditional rival from the Pacific coast, coming east to give them a 9-6 defeat on a field goal in the closing minutes of play. Boasts Good Record.

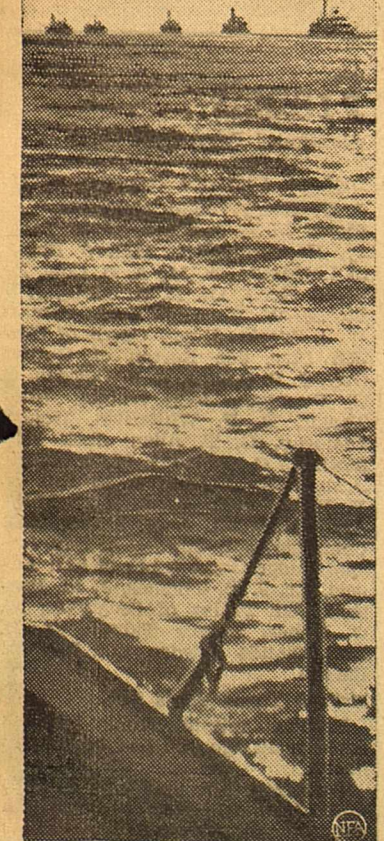

The Rams knocked off Purdue, 13-7; North Carolina, 14-0; Arkansas, 27-7; Tulane, 20-7; Pittsburgh, 24-12; West Virginia, 20-7; and New York University, 26-0.

Nineteen straight victories, including a Sugar Bowl victory over Tulane, were behind the Aggies when they fell before their 46-year-old traditional rival, Texas, in the greatest upset of the nation this week.

The Aggies had defeated UCLA, 7-0; Southern Methodist, 19-7; Rice, 25-0; Baylor, 14-7; TCU, 21-7; Arkansas, 17-0; Tulsa, 41-6; and Texas A. and I, 26-0.

Rogers said the two teams would receive 4 1/2 per cent of the gross gate receipts.

Rogers said advance ticket reservations for the game, taking new life after the Aggies' defeat and possible home appearance, had been "very heavy" and that actual ticket sale would start early next week.

War's perils seem far away as this convoy, pictured from the deck of a protecting British warship, steams calmly along. But danger is ever present. Nazi planes and U-boats have taken such heavy toll of merchant vessels that Minister of Shipping Ronald Cross recently declared British ships could not keep pace with sinkings.

TYLER, Tex., Nov. 30 (AP)—Sadness pervaded the Courier Times Telegraph newspaper office today as word was received that one of its carrier boys had become a traffic victim that might end a 45-day deathless for the city.

But an X-ray examination showed the boy was only badly bruised. The newspaper has played a leading role in the traffic safety campaign here.

German Agents Honeycomb U. S. Government, Yards And Plants

Second of three articles telling the real story of German and Italian fifth column activities as directed by axis diplomats in the United States.

By Bruce Catton
NEA Service Staff Correspondent.

WASHINGTON.—In a government department there works a girl who studied in Munich a couple of summers ago. Recently the girl found herself on a Nazi mailing list, getting batches of propaganda literature every so often.

She took it as a joke, but finally showed the material to her boss. He advised her to take it to the Department of Justice, just to make sure that she herself might not get suspected of subversive activities. She did so. The FBI men thanked her and said they were already familiar with the kind of literature she was getting. The story ends there.

Except that immediately after that, the mailing of German literature to her ceased abruptly. In other words, some German agent had a pipeline good enough to find out instantly when a minor government clerk took a case to the authorities.

That's a sample of the way the fifth column has spread. In a very small way, it indicates what the Dies committee experts believe has happened on a large scale all across America.

"Innocent" Beginnings. How did all of this happen? Who started it, and when?

It began shortly after Hitler came to power in Germany. First steps were taken by such innocent-looking organizations as the Friends of New Germany. This organization eventually developed into the notorious German-American Bund, according to testimony before the Dies committee by Fritz Kuhn, the now-imprisoned New York Bund leader, and Dr. Otto Wilhelm, Chicago Bund leader.

Parallel with this came special visits of propagandists. One of the most noted was Dr. Colin Ross, who went about the country delivering lectures. Many of these were sponsored by the Kyffhauserbund, a league of ex-German soldiers, which was organized in 1937 and now, according to the Dies committee records, has branches in Pennsylvania, New York, New Jersey, Massachusetts, Michigan, Connecticut, Texas and Illinois.

A notorious case developed in Texas, where the editor of a German-language paper (a loyal American citizen) got a threatening letter from Baron von Spiegel, German consul-general in New Orleans, warning him of Hitler's vengeance if he did not stop printing anti-Nazi material.

Try To Enlist Americans. Every effort was made to cultivate native American organizations that displayed Nazi-like tendencies. When the retired Maj. Gen. Frank Van Horn Moseley was quizzed by the Dies committee about his abortive efforts to launch a semi-Fascist organization, he testified that in 1934 the German ambassador Hans Luther, went to Atlanta to visit him. William Dudley Pelley told the committee that when he started his Silver Shirts, a Nazi emissary came to him and offered to subsidize the outfit by having 15,000 German-Americans join up—at \$10 a head.

Fritz Kuhn himself testified that the German-American Bund had "worked sympathetically" with numerous native organizations. Among these, he said, were the Christian Front, the Christian Mobilizers, the Christian Crusaders, the Social Justice Society, the Silver Shirt Legion, the Knights of the White Camelia, and divers Italian, Ukrainian and White Russian groups. Publications of Pelley and Father Coughlin, the Dies committee found, were standard reading in Bund camps and headquarters.

"News"—With Axis Flavor. The dealings with organizations of that caliber were tolerably crude, of course, and there is little indication that the Nazis expected much more of them than a chance to spread propaganda and race hatred. Considerably more ambitious were the jobs attempted by such propagandists as Dr. Manfred Zapp, head of Trans-Ocean News Service.

Technically Trans-Ocean was what its name implies—a news service. Actually, as the Dies committee investigators found out after raiding its New York offices, it was a clearing house and nerve-center for a vast network of propaganda and espionage work.

Boston And Vols In Sugar Bowl Fracas

NEW ORLEANS, Nov. 30 (AP)—Before even one of the Rose Bowl participants was officially decided, Sugar Bowl authorities announced today they had landed the only available unbeaten, untied football team in the country—Boston College and Tennessee—for their New Year's Day game.

The announcement caused little surprise. Ever since Boston College romped over Tulane 27-7 here last September, before the eyes of most of the men who choose the Sugar Bowl teams, it had been considered the Eagles were welcome to fly back here Jan. 1 if they should go through their season undefeated.

This they did, although they gained only a narrow 7-0 victory over a supposedly much inferior Holy Cross team today.

The teams were announced at 5 p. m. in the offices of the New Orleans Mid-Winter Sports Association. Battling California for undisputed possession of the Pacific Coast conference title, which carries automatic entrance to the Rose Bowl and the right to invite an opponent.

The Sugar Bowl's 73,000 seats have been sold out for several days, except for a few "combination tickets" to all sports events on the Mid-winter calendar and several thousand reserved for disposal by the participating teams.

Tennessee thus becomes the first team ever to go to three bowls, which it does on successive years. In 1935 it beat Oklahoma in the Orange Bowl and this year lost to

Mississippi State Orange Bowl Choice

MIAMI, Fla., Nov. 30 (AP)—Orange Bowl schedule chairman Will M. Preston told the Miami Herald tonight by telephone from Tuscaloosa, Ala., that Mississippi State had accepted an invitation to play in the New Year's Day football game here.

Preston said Mississippi State, unbeaten this season and tied only by Auburn, agreed to come to the Orange Bowl before receiving any definite word on the outcome of a feeder Rose Bowl bid.

Charles F. Baldwin, Orange Bowl chairman, also in Tuscaloosa, said Texas A. & M., Georgetown, Lafayette and Penn State were being considered as an opponent for the Maroons.

KING MIHAI LEAVES RUMANIAN CAPITAL

AT THE HUNGARIAN-RUMANIAN FRONTIER, Nov. 30 (AP)—Reports reaching here from Bucharest tonight said that King Mihai had left the Rumanian capital, which was being guarded by increasing numbers of German and Rumanian troops.</

Midland Enters Texas Road Week

Midland today entered Texas Highway Week with programs scheduled at the schools and service clubs of the city. Radio programs also will be conducted.

E. H. Barron, county judge, will speak to the Lions Club at Hotel Scharbauer Wednesday and P. J. Mims will address the Junior Chamber of Commerce at the Crawford Hotel, Friday.

Wemple also will speak to high school students in assembly Wednesday.

Speakers over KRLH are: Wemple, Monday; M. C. Ulmer, Wednesday; and Mims, Friday.

The highway committee of the Midland Chamber of Commerce plans to attend meeting programs.

Highway problems of Midland County will be outlined.

Get the Christmas Rush Over Early-- Then Relax Yourself

By Alicia Hart
NEA Service Staff Writer

If you have firmly resolved that you, the hostess, are going to look at least as well as your house and trimmings do when this year's Christmas guests arrive, don't wait another minute to figure out and write down ways to get all shopping done before December fifteenth.

Cards ought to be addressed by the same date. And there's no law against wrapping the presents you shopped for early, getting them addressed and ready for mailing soon after the fifteenth. Last-minute, hurried sessions with wrapping paper and ribbons can be just as nerve-racking as last-minute shopping tours.

ORDER GROCERIES BEFORE CHRISTMAS WEEK

Remember to place your orders with the grocer, florist and meat market a week before Christmas. Put the finishing touches on the children's costumes for the school pageant several days before they are to be worn. In other words, go through the hustle and bustle of details early instead of late. Wear yourself all out early in December and then have a week of reasonable peace and quiet immediately preceding Christmas.

GET ENOUGH PRE-CHRISTMAS SLEEP

Get the rest of the family to try to cooperate, to get their shopping done, their cards addressed and final arrangements made for parties to be given and parties to be attended. Don't be trapped into agreeing to let the bridge club meet at your house the day before your holiday guests are expected. Don't agree to serve on more Christmas entertainment committees than you absolutely know you'll have time for.

Then plan to get enough sleep the week before Christmas, to have a new permanent wave if you need it, to spend some time getting your face and your clothes in good order. You'll find that the holidays will be ten times as much fun as they were last year when you were so tired and harassed that you looked simply awful and felt even worse.

MILLION DOLLAR ASSETS ARE CREDITED THE W. T. S. T. C.

AUSTIN, Nov. 30 (AP)—Assets of \$1,833,947 were credited the West Texas State Teachers College at Canyon as of Aug. 31 in a report issued today by state auditor Tom C. King.

Of the assets at the end of the state's fiscal year, King said \$33,855 was in current and restricted funds and \$1,800,092 in plant equipment.

ATTEND GAME

Mr. and Mrs. Fred S. Wright and Mr. and Mrs. M. D. Self attended the Texas-A&M game at Austin, Thursday.

Oil News . . .

(Continued From Page One)

in the North Ward pool, flowed 256-90 barrels of oil per day after 460-quart shot at total depth of 2,775 feet.

Gulf has staked location for two more tests in the North Ward. No. 156 O'Brien is 1,650 feet from the north, 990 from the east line of section 19, block F. G. & M. M. B. & A. survey, and No. 157 O'Brien is 990 feet from the south, 330 from the west line of section 18, same block and survey.

In Ward's Estes pool Gulf made location for No. 141 E. W. Estes (Tract B) 582 feet from the south, 3,650 from the west line of section 27, block B-19, public school land.

Thins In Salt
Showing some thinning of the salt section, Stanolind Oil & Gas Company No. 1-B W. F. Cowden Heirs, deep Permian "Holt pay" test in Northern Ector County, topped Yates sand at 2,800 feet, datum of plus 310. It logged first frosted quartz grains at 2,840 feet. The Yates markers are said to be about 55 feet low to Stanolind No. 1 Cowden, deep Permian pumper a mile to the east. No. 1-B Cowden is drilling ahead past 3,128 feet in anhydrite and shale.

While Forest Development Corporation No. 1 W. L. Bradley et al, discovery well of the Douro area in Central Ector, awaited installation of pumping unit, the firm's No. 2 Bradley, nearly a mile west, cemented 8 5/8-inch surface casing at 243 feet with 125 sacks and was standing, bottomed at 305 feet in red beds.

Nears Ordovician.
Humble Oil & Refining Company No. 2-46 Tubb, in the Sandhills deep pool of Western Crane County, was believed nearing the Ellenburger, Lower Ordovician, as it cored below 5,750 feet in lime. No Ellenburger was present in cores to that depth. Depth of 8,376 feet in chert and lime had been reached by Gulf No. 1-1 University, Eastern Crane deep wildcat.

Seek Separate Designation.
New pool designation will be sought by Davis & White of Fort Stockton for the deep area opened by their No. 1-A Ed Fromme one-half mile east of the Shearer pool in Northern Pecos County, according to statement of owners filed with the official Railroad Commission gauge of the discovery well.

No. 1-A Fromme pumped 60 barrels of 25-gravity oil in 12 hours on the test. It is producing from lime zone found from 1,865 to 1,888 feet, the total depth, and was acidized with 1,000 gallons. The well found the deeper oil after missing the regular Shearer sand pay in the 1,400-1,500-foot horizon. It is in section 110, block 10, H. & G. N. survey.

Magnolia Petroleum Company No. 1 Markey Heirs, test in the Abell Ordovician pool of Northern Pecos, is drilling past 1,110 feet in salt and anhydrite.

Culbertson & Irwin, Inc. of Midland No. 1 Mary Heiner, Pecos Ordovician wildcat in section 589, G. C. & S. P. survey, is drilling Permian lime at 3,000 feet.

GROUND BREAKING HELD FOR BAYLOR BUILDING

DALLAS, Nov. 30 (AP)—Ground-breaking ceremonies for a new \$75,000 library building at the Baylor University College of Medicine, were held here today.

Dr. W. W. Looney, professor of anatomy at the school, turned the first shovelful of earth. Actual construction will begin next week.

SECRET RADIO STATION ADDING ESPIONAGE

STOCKHOLM, Nov. 30 (AP)—The newspaper Dagens Nyheter in an Oslo dispatch reported today German authorities in the Norwegian capital had made numerous arrests in a search for operators of secret radio stations allegedly facilitating espionage activities.

STANTON SCHOOL BAND Will Go To Clinic In Garden City, Dec. 7

STANTON, Nov. 30 (Special).—The Stanton High School band will attend a band "clinic" at the Garden City High School Dec. 7. G. Ward Moody, Odessa director, will direct the "clinic."

Five bands will attend, Garden City, Forsan, Coahoma, Big Lake, and Stanton.

The Stanton band is under the direction of Jack Reynolds of Abilene Christian College, who succeeded John Hamblen, now director at Tahoka.

Program for the "clinic":
9-9:30, meeting of directors; 9:30-11:30, first group rehearsal; 12:30-2:30, second group rehearsal; 2:30-4:30, third group rehearsal; 4:30-5:30, marching events.

ENGLISHMAN'S APPEAL PREVENTS BRITISH STRIKE

LONDON, Nov. 30 (AP)—Fears of a strike in Britain's war industries were allayed today as the result of an appeal last night from a 48-year-old dockworker to the governing body of the Amalgamated Engineering Union to submit a wage dispute to arbitration.

Acting on Owen Jenkins' plea for mediation, the national committee decided against calling a half-day strike Dec. 14 to determine by vote the numerical strength back of a demand for a wage increase equivalent to five cents an hour.

Profound Research Is Planned For Aviation

SUNNYVALE, Cal. (UP)—America's aviation program will be carried out with the aid of the most profound aeronautical research ever before attempted in any country, according to Dr. George W. Lewis, of Washington, director of aeronautical research of the National Advisory Committee on Aeronautics.

Here for the purpose of inspection, Dr. Lewis declared this work will be carried on at the old research laboratory that is in full operation already at Langley Field, Va., and the new \$10,000,000 plant that is now under construction here at Moffett Field.

Building Tunnels
"Three wind tunnels are under construction here," Dr. Lewis said, "and one of these will operate at a higher speed than any other one in the world. It is 16 feet in diameter and will be ready in two months."

Dr. Lewis declared that the war has demonstrated the two things which count most in aerial warfare are quality and speed as against quantity. These, he declared, would be the lines along which America's aerial armada will be built.

The whole trend in airplane development is toward higher speeds," he said. "When the war started, pursuit planes had a speed of 330 miles an hour. Today, planes which cannot perform at speeds of 400 to 500 miles an hour are almost outmoded.

Latin-American Library Branch Is Opened Here

The Latin-American branch of the Midland County library was opened Nov. 20, Miss Marguerite Hester, librarian, announced and there are 211 volumes for readers of all ages now ready for circulation.

While Busillo is custodian of the branch which is now located in Juarez Hall in Mexican town, through courtesy of the Juarez Society.

Files of the American Boy, the Bulletin of the Pan American Union in Spanish, and the Spanish edition of the Readers' Digest (a gift of the AAUW) are also ready for circulation.

Books in Spanish will soon be available, Miss Hester said. The library branch will be open from 4 until 6 o'clock each Monday and Friday afternoon.

DIME WEDDING RINGS SEAL UNIONS IN RENO

RENO, Nev. (UP)—Many of the young people who come here to be married to the birth of California a daughter early yesterday morning at the Western Clinic Hospital. The baby weighed six pounds 5 ounces and has been named Barbara Ruth.

CONGRATULATIONS TO:

Mr. and Mrs. R. F. Carroll on the birth of California a daughter early yesterday morning at the Western Clinic Hospital. The baby weighed six pounds 5 ounces and has been named Barbara Ruth.

Texas Census Figures Available In December

WASHINGTON, Nov. 30 (AP)—The Census Bureau, its huge staff hard pressed to complete essential phases of the 1940 population count, will announce its final figures for Texas next month, including the figures for the Lone Star State's cities and counties, a bureau spokesman said.

Final figures for the states must be submitted to President Roosevelt next month for submission to Congress and for use in apportioning the 435 seats in the House of Representatives. The spokesman said the Texas figures probably would be available about the middle of the month.

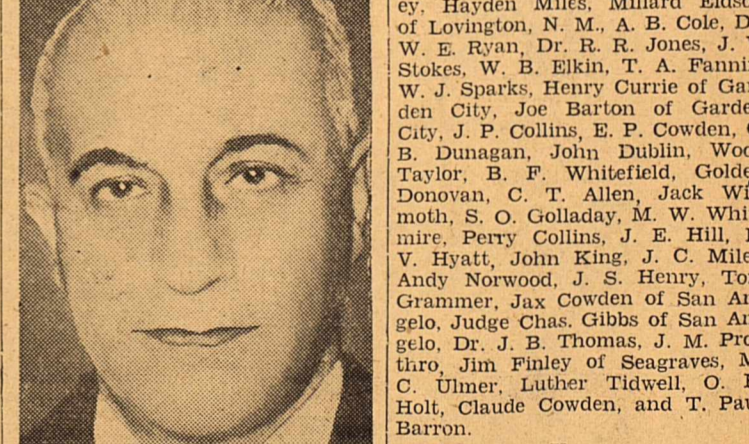

The final reports, now being checked and double-checked by machines, will inform Texans how nearly correct the bureau was when it estimated their state's population at 6,418,321 after the preliminary count.

Thus far the bureau has announced final figures for only five small states: Nevada, Delaware, New Hampshire, Vermont and Rhode Island.

ROOSEVELT TELLS PRESS MAY USE AIRPLANE
WASHINGTON, Nov. 30 (AP)—President Roosevelt told a surprised press conference today that he might use the airplane for the first time in eight years if it should become necessary while he was away from Washington to return within 12 hours for some emergency.

Paul Barron.

Retired Three Years Ago.
Francis retired from business three years ago and had been in ill health.

Tomorrow Mr. and Mrs. Francis would have celebrated their sixtieth wedding anniversary. Married in Corvell County, they started housekeeping before either of them was 20 years old. Their first home was on a 40-acre tract and the two often recounted interesting experiences of the period when they followed the frontier as settlement moved westward. From Hamilton County they moved to Runels, Glascock and Midland Counties.

Miss Ruth Pratt and Roy Johnson Are Wed at Twilight Saturday

Midland Couple Leaves To Make Home At Pampa Following Marriage, Reception

Reciting their vows by candle-light in a twilight ceremony, Miss Ruth Pratt, daughter of Mr. and Mrs. W. Iley Pratt, and Roy Johnson, son of Mrs. Lula Johnson of Floresville, Texas, were married at the home of the bride's parents, 911 W. Kansas, Saturday evening.

White blossoms and greenery decorated the living room where magnolia leaves and ivy framed the mirror over the mantel. Reflected in the mirror was a seven-branched brass candlestick in which white candles burned, while a single green candle stood at either end of the mantel. White daisies, clusters of blossoming narcissus, and green candles were used at vantage points in the room.

Mrs. Johnny Sherrod presented the wedding music. As a nuptial solo, Mrs. Foy Proctor sang "I Love You Truly." During the ceremony, Mrs. Sherrod played softly "Sweetest Story Ever Told" and Mendelssohn's and Wagner's wedding marches as the processional and recessional.

Preceding the service she played appropriate selections including Schubert's "Serenade." The Rev. W. C. Hinds read the single ring service for the couple who stood beneath an archway outlined with ivy. Floor vases of huge white mums and ferns and tall candelabra each bearing seven tall white tapers marked the altar archway.

The bride was given in marriage by her father. She wore a Forstman's suit of sheer black woolen with collar of red fox fur, and blouse of white satin, inset with lace and featuring clusters of tiny tufts. Her flowers were a corsage of Tallman roses and she wore white gloves, with other accessories in black.

She was attended by Mrs. Ralph Guyger as matron of honor. Mrs. Guyger wore black crepe, with a gardenia corsage. Johnny Sherrod attended the bridegroom as best man.

A reception followed the ceremony.

The three-tiered wedding cake, in all-white, topped with tiny figures of a bride and groom beneath an archway, stood on a table laid with maderia. The centerpiece was a silver bowl of huge white Shasta daisies on a mirror plaque surrounded by ivy leaves. Four candlesticks of prisms crystal, holding green and yellow candles, marked a square about the mirror. On the buffet a basket of silvered wickerwork was filled with fruit and unique fruit-candles and green candles burned elsewhere in the room.

Miss Mary Miller cut the cake after the bride had cut the first slice and Mrs. John L. McGrew presided at the silver service. Miss Alma Heard was in charge of the guest register, while Miss Rosellen Morrison and Mrs. L. C. Link assisted in the houseparty.

Members of the houseparty wore corsages of sweetpeas. Mrs. Pratt, mother of the bride, was gowned in a gold afternoon frock with gold-and-brilliant clips. Mrs. Johnson, mother of the groom, wore an afternoon frock of soft blue.

Mr. and Mrs. Johnson left after the reception for Pampa, where they will make their home. The bride is well-known in Midland and is a graduate of Midland

To Pampa

Mrs. Roy Johnson, who was Miss Ruth Pratt until her marriage at twilight Saturday evening, left after the ceremony with Mr. Johnson for Pampa where they will make their home.

Jo Dozier Hostess To Dance For High School Crowd

Jo Dozier was hostess to a large group of the high school crowd with a dance at the home of her parents, Mr. and Mrs. Ed Dozier, 411 N Colorado, Friday evening. A nickelodeon supplied music for dancing. Punch was served during the evening.

Marion Flynt Jr., Frank Wright, James Mims, Murl Reynolds, Johnny Bizzell, Joe Sam Tress, Joe Haygood, Pete Graham, Jimmy Harper, Gerald Graham, R. C. Fitch, Francis Mickey, Jack Noyes, Bob Preston, Gerald Nobles, Clayton Upham, Eugene James, Foster Hedrick, Bobby Martin, Darrell Johnson, Jack Patison, James Frank Johnson, Hugh Corrigan, Roy Long, Calvin Campbell.

Annual Woman's Day Program Will Be Presented Tonight

Women of the First Christian Church will present the annual Woman's Day program at the worship hour tonight at 7:30 o'clock. An "Information Please" program with Mrs. Glenn Brunson as the questioner and Mrs. F. C. Cummings, Mrs. Curtis Gilmore, Mrs. B. W. Reecer, and Mrs. J. E. Pickering as the board of experts will feature the service.

The program: Hymn, "O Zion Haste!" "Send the Light" Devotional, Mrs. Charles Brown Song, "Rescue the Perishing" "Information Please," Mrs. Glenn Brunson, director Offertory, Mrs. Lee Cornelius Closing hymn, "Hark, the Voice of Jesus Calling"

'Alice In Wonderland' To Be Staged At High School Tomorrow Night

Alice, whose marvelous adventures have been a source of delight to generations of children, will go through some of her strange experiences on the stage of the high school auditorium tomorrow evening, when a cast from the Clare Tree Major Children's Theatre presents "Alice in Wonderland." The play will be the second of four sponsored this year by the North Ward PTA. Curtain is scheduled to rise at 7:30 p. m. on the colorful scenery and gay, made characters of the story.

Not only Alice but The White Rabbit, The Duchess, The King and Queen, and other fantastic companions in adventure will appear in proper costumes.

No Engagement Told By Mr. and Mrs. Friday

Mr. and Mrs. M. P. Friday today denied a report, which reached The Reporter-Telegram, that they had announced the engagement of their daughter, Marjorie, to Orville Moore. The Fridays entertained relatives and close friends at a Thanksgiving supper at their home last Thursday evening, they explained, but there was no announcement of any engagement. The erroneous report was telephoned to The Reporter-Telegram following the supper by a woman who claimed to be a friend of Miss Marjorie Friday and Mr. Moore. The Reporter-Telegram now gladly corrects this misinformation.

Robert Payne Named To Honorary Pre-Med Fraternity At U. T.

By Billy Noble AUSTIN, Tex., Nov. 30 (Special) Recently initiated into Alpha Epsilon Delta, honorary pre-med fraternity, was Robert Payne, son of Mr. and Mrs. E. E. Payne, of Midland. He technically is a major in chemical engineering, but his intentions of studying medicine, especially bio-chemistry and physics, and his excellent scholastic record won him his membership in the honorary fraternity.

A senior in the University this year, Payne is continuing his work in chemistry and physics and is laboratory instructor in freshman physics. He has been connected with the physics department for the last two years as grader. This year, the position of lab instructor was added. In an interview Payne stated that he planned to continue his work in the University for at least three years more before going definitely into medicine at the school in Galveston. His main objective, he said, is bio-chemistry.

Payne is undoubtedly one of the busiest men on the campus. He is rarely at home, which is Brackenridge Hall, and when he is, he is usually busy helping some one with physics or chemistry. He is also a member of Sigma Phi fraternity and Alpha Phi Omega, service fraternity.

An Orange Jacket Martha Halk, daughter of Mr. and Mrs. F. A. Halk of Odessa, a junior in the university, was one of ten sophomore and junior girls recently initiated into the Orange Jackets, honorary service organization. The ceremony was held last week in the Home Economics Tea Room.

Two Are Guests Of Treble Clef Club Saturday

Fifteen children received gold stars for attendance at the meeting of the Treble Clef Juvenile Music Club at the Watson studio, 210 W. Ohio, Saturday morning.

Buster Brown, a visitor, played "Busy Mill Wheel" as a piano solo. John Harvard presented a piano number, "Reminiscence" and Niles Winter a violin solo, "Santa Claus on Parade."

Christmas plans of the club were discussed.

The business session was featured by attention given to ear training. Niles Winter introduced Buster Brown as his guest and Mildred Sipes introduced her brother, L. D. Sipes, as her guest.

Norma Jean Hubbard, club president, presided, with the vice president, Dorothy Barron, serving as secretary in the absence of Peggy Riley.

Niles Winter and John Harvard were at the attendance card.

Phone your order for home-made fruit cakes. King's. (Adv.)

Federation Group Has Coffee Friday, Discusses Business

New rules and regulations for the City-County Federation's student loan fund were reported on by Mrs. Andrew Fasken in the Federation's meeting at the home of Mrs. J. Howard Hodge, 1301 W. Missouri, Friday morning. Serving with Mrs. Fasken on the committee were Mmes. Hugh West, Louis Thomas, Frank Elkin, and J. A. Haley.

Mrs. Haley reported on Red Cross work and urged that women assist in knitting. Max Bentley, activities director of the West Texas Chamber of Commerce, was a guest speaker, explaining the Chamber's project for reorganization of the state government and its plan for financial management of the state. The Federation endorsed the project. Accompanying Mr. Bentley was Judge James H. Goodman.

Mrs. L. C. Chase made an appeal for the Mexican recreational project. Mrs. Geo. Burton reported as the safety council representative.

Mrs. Haley will make her report as delegate to the state convention at the December meeting. Three delegates, Mrs. Walter Cowden, Mrs. Hal Peck, and Mrs. Hodge, were chosen to attend the Far West Federation on December 6.

Preceding the regular session of the Federation a coffee was held at 9:30 o'clock.

Mrs. James H. Goodman greeted guests at the door.

At one end of the coffee table bronzed grapes, autumn leaves, and a pumpkin filled basket, formed an autumn decorative motif. At the other end of the table laid with Venise lace, Mrs. Tom Nance poured coffee.

Mrs. W. P. Knight, Mrs. Fred Wemple and Mrs. Burton assisted in the dining room. Present were: Mmes. L. G. Byerley, Nance, Knight, Eula Mahoney, Yates Brown, J. Webb Miller, Fasken, W. G. Whitehouse, M. R. Hill, Haley, John Perkins, Hal Peck, Frank Elkin, F. R. Schenck, Wemple, Walter Cowden, C. M. Dunagan, A. W. Wyatt, Elmer Freeman, Miss Lydie G. Watson, Mmes. Goodman, Archie Estes, John B. Mills, Barbara Wall, Geo. Kidd, R. L. Miller, Burton, Charles Brown, Paula Vogel, J. M. Armstrong, and the hostess.

Health Director Is Sent To Fort Worth

Dr. R. B. Wolford, director of the Midland city-county health unit, will be transferred to the city health department of Fort Worth.

Wolford will begin duties there Tuesday.

Wolford's successor has not been announced, but is expected to arrive here tomorrow.

Music Club Will Broadcast Program

Civic Music Club will present the following program in a broadcast over Station KRLH this afternoon at 4 o'clock:

Piano, "Appassionata" (Beethoven)—Miss Frances Gillett Baritone, "In Questa Tomba" (Beethoven)—Lee Cornelius Piano, "Rondo Capriccioso" (Mendelssohn)—Mrs. Frank Miller

CAR INJURIES FATAL

ORANGE, Nov. 30 (AP)—A. G. Hughes of Dayton, Ohio, died here today of injuries suffered in an automobile collision Wednesday.

The program will represent completion of an imaginary tour in Germany on a musical trip round the world.

THE CURTAIN CALL

News of the Civic Theatre

The Women From "The Women"

The presentation by the Midland Civic Theatre of Clare Boothe's amusing satire, "The Women," at the Yucca Theatre, Wednesday evening at 8:15, is expected to be one of the company's greatest box-office successes, as well as one of its most artistic productions. With a cast of over forty characters, the play should draw a large and appreciative audience.

Theatre and after theatre parties are expected to be held in conjunction with Wednesday evening's performance, which marks the occasion as a gala social event in addition to the entertainment value of the play itself.

Tickets may be purchased at The Book Stall, Walgreen's Drug Store, Williams Studio, the Piggy-Wiggly, the Petroleum Pharmacy, or through members of the company.

Local Items From Stanton

STANTON, Nov. 30 (Special). — Mrs. Elsie Gikerson and Mrs. J. E. Kelly drove to Dallas Friday for a week-end visit. Mrs. Gikerson will visit her son, who is in school there, and Mrs. Kelly will visit her daughter, Mrs. J. W. Moore, Mr. Moore and family.

Mrs. Jim Tom drove to Vernon Thursday. On her return she will be accompanied by her sister, Mrs. Bristol Chesser and daughter, Erlene, who will enter school in Stanton for the remainder of the term. Bristol Chesser, who is now in Washington, D.C., will meet his wife here, and they plan to be out of town on business for some time. Erlene will remain here in the home of her grandmother, Mrs. V. Y. Sadler.

Mr. and Mrs. Earl Jones drove to Austin Wednesday, to witness the Thanksgiving Day football classic, between Texas U. and A. & M.

Others making the trip to Austin for the game were Cecil Hamilton of Odessa, H. C. Hamilton of Big Spring, Elmer Long and Leslie Deavenport of Stanton.

Mr. and Mrs. E. L. Powell were Thanksgiving Day guests in the Colorado City home of Mr. and Mrs. Ray Moffett.

Wayne Powell, accompanied by his father, Dr. J. E. Moffett, went to Lubbock Friday, where Wayne planned to go through a clinic.

Mrs. Arnold Marshall, of Big Spring was a visitor in the home of Mrs. Ruby Robertson, last week. Mr. and Mrs. Marshall are former residents of Stanton.

Mr. and Mrs. Earl Burns visited her parents, Mr. and Mrs. T. W. Angel, in Snyder, last Thursday. Mr. Angel is recuperating from a major operation.

Mrs. M. T. Alexander, of Lubbock spent last week end in the home of her brother, W. W. Eiland, and Mrs. Eiland. Thanksgiving guests in the Eiland home were Mrs. E. E. Eiland, of Midland, and her daughter, Miss Kathleen Eiland. Sunday evening, their guests were Mr. and Mrs. Troy Eiland and family, of Midland.

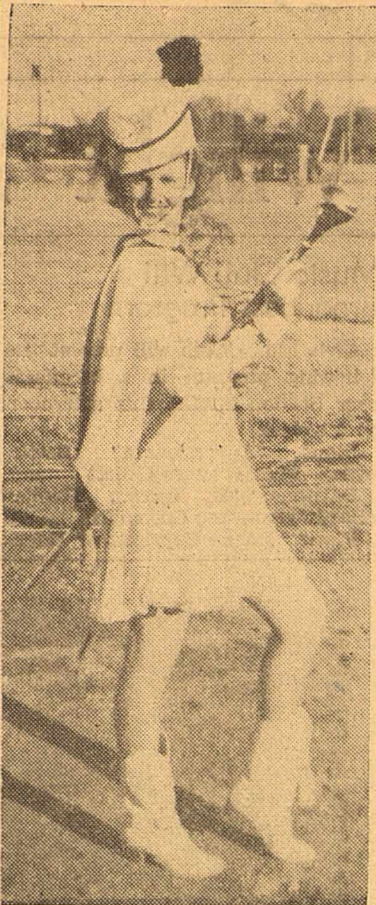

Mrs. E. Thornton visited her daughter, Jeanette, in Midland, Wednesday. Jeanette is employed in the Midland Motor Co.

Miss Marjorie Blackerby, daughter of Mr. and Mrs. J. O. Blackerby, spent the Thanksgiving holidays at her home. She is attending business college in Lubbock.

Kansas City is the birthplace of the Beety brothers, Noah and Wallace, of movie fame.

Phone your order for home-made fruit cakes. King's. (Adv.)

Drum Major

Nina Holder, for two years drum major of the Stanton High School Band, will direct the band in its marching maneuvers at the Garden City clinic on December 7. She will compete for the award offered the best drum major at the clinic. She is a senior in Stanton High School.

Treble Cleft Juvenile Music Club will meet at the Watson studio, 210 W. Ohio, Saturday morning at 9:30 o'clock.

Midland County Museum in the courthouse will be open to the public, Saturday afternoon from 2:30 o'clock until 5.

A Message From the Queen

The frog footman (Edward Charles) receives from the fish footman (Walter Murdoch) a letter from the queen which invites the duchess to play croquet with her majesty. A scene from the Clare Tree Major production of "Alice in Wonderland."

If You Can't Take It, You've No Place In the Lord's Army

By R. A. Weaver.

62 But Jesus said unto him, No man, having put his hand to the plow, and looking back, is fit for the kingdom of God. —Luke 9.

Our lesson tells of three applicants for places among the follower of Jesus. The first applicant was a scribe. He had a good income, social standing, a knowledge of Jewish literature and traditions. One would think this man had a good background for the work of the Kingdom. But Jesus evidently saw these as handicaps, for he plainly answered this man: "The foxes have holes, and the birds of heaven have nests; but the Son of man hath no where to lay his head."

The challenge was one of hardship, discomfort and privations. Rather a discouraging invitation, it seems, but Jesus did not invite softies into his legion. The program of the Master was not a salting forth on some magic carpet, or being carried to heaven on flowery beds of ease. It was and is, a program that calls for courageous battles and bloody seas. It is a tough job to be done with tender hearts. Here, Jesus said in fact that to enter the Kingdom of heaven to find ease, rest, luxury and perfection of physical and mental well-being without paying the price is to miss the mark. It is a matter of evaluation of the things material and the things spiritual. Seek first the Kingdom and all the other things will be added. The motive, the ideal, the goal count more than a self-seeking attitude. Can you take it, he asks. Can you stand the test? Can you come up not, you had better not try until you have made up your mind that you can, and that you will move heaven and earth trying. It is better to be on the outside than to be a drag slowing down the movement on the inside.

The Thief of Time. The second applicant was invited to become a follower of Jesus. His status quo was a disturbing factor in his mind. Duty at home and duty with Jesus. He was interested and wanted to contribute his part to the great undertaking. He asked permission to first return home and wait until his father died, and then after burying his father, he would be ready. The old thief of time—procrastination again. This grim specter has caused more failures in life than any other tempter. "I will wait until some more convenient day." That day never arrives. "Tomorrow I shall turn over

a new leaf." All the tomorrows are in the future and never become today.

Between Two Fires. The third applicant had divided interests. He was between the devil and the deep blue sea. He could not fix his eyes upon the main purpose. He was one of these individuals who says, "Let me talk it over with my wife," or "Let me sleep over it." That means the conclusion of the matter. The forward step is predicted on this one thing—"Choose ye this DAY whom you will serve." No one else can make the decision but your own soul. No one can be your mentor when the matter of destiny affects your soul. The answer Jesus gave to this man are words of destiny: "No man having put his hand to the plow, and looking back, is fit for the kingdom of heaven."

It Is To Buck The Line. On one occasion Jesus said: "If any man will come after me, let him deny himself, and take up his cross (exposure to death) daily and follow me." Here, Jesus places the matter on a life and death basis—

If you want to follow Jesus you must be willing to take up your exposure to death daily. That is a challenge—that is a call for soldiers on the front lines. It is not a matter of sitting down and doing your knitting, and being satisfied because you believe.

A Christian has to buck the line against temptations, against error and against the lusts of the flesh. He must be willing to follow in the steps of his Master; that path is the blood-sprinkled way that leads through Getsemane, and on to Calvary. But the way of the cross leads home. Is it worth it? If it is the magnificent obsession of your soul, it is worth this and more. If it is a creed, or a belief, or a doctrine only, it may not be worth disputing over. But if the Omnipotence of the Creator was thrown into it, and if it is backed by the Father, the Holy Spirit, the Son and the Angels of heaven, it should be worth all that we are and all that we have; and deserve our time, our study and our lives. What you will do about it depends upon the illumination you place upon it.

All who have accepted the terms of the Gospel and who have dedicated their lives to Christ are satisfied with the outcome here and in the world to come. They are anchored in the Rock while other are blown hither and thither by contrary winds. They have found

Stanton Study Club Discusses Plans For Circulating Library

STANTON, Nov. 30 (Special). — The Stanton Study Club met at the home of Mrs. Floyd Smith, Thursday afternoon, for a business meeting and program. Mrs. Earl Powell, president, presided over the business meeting, at which Mrs. J. E. Kelly gave a report on the state Federated Club convention. Mrs. Kelly, official delegate from the club, and Mrs. Powell attended.

The group decided to present the motion picture, "Cavalcade of Texas" at a local theatre, with members of the fifth and sixth grades of the Stanton school as the club guests. The Parent-Teachers Association will be joint hostesses for the affair, which will be given at an early date.

Plans for a circulating library for the rural schools were discussed. The library, which could be divided into units, and used at each school as needed, would be for the exclusive use of the county. Required reading for the schools will make up the library.

Mrs. Robert Anglin was program director for the afternoon. Music was furnished by Mrs. James Jones and Mrs. O. B. Bryan, of Big Spring, who sang, "We'll be Roused Up in Glory."

Those present were: Mesdames Anglin, J. E. Kelly, Earl Powell, Earley Smith, O. B. Bryan, James Jones, H. A. Poole, John Hopper, Arlo Forrest, and the hostess.

WOMEN'S CLUB DONATES \$10 TO MILK CAUSE The Junior Women's Wednesday Club has donated \$10 to the milk fund sponsored by the Midland County Department of Public Welfare and the Chamber of Commerce.

Room Inadequacies May Be Filled With Careful Papering

The use of wallpaper as a finishing for the interior walls of the house offers an unlimited range of decorative possibilities. Wallpaper runs the gamut from formal hand printed scenic types to small figure papers suitable for a cottage bedroom. There are no hard and fast rules for choosing papers, and interesting effects are obtained through original uses. Washable wallpapers have recently been added to more standard types. Color and tone in wallpaper may be used to excellent advantage to set the color scheme of the room, since several colors are usually combined in one paper. The draperies can pick up one shade, the upholstery another, small art objects another. Plain Draperies Better. In general, where the paper is figured, the draperies should be plain. Horizontal lines in the paper may be continued across a window by the use of striped material. If the paper pattern is of intermediate size, it will help adjust small furniture to a large room. A scenic panorama on only one wall will give a room depth. A gay informal pattern with a rough texture will conceal an uneven wall.

Galveston Shows Large Building Activity In Week

By The Associated Press Galveston pressed Houston for the lead among reporting Texas cities in building permits for the past week. The Galveston total was \$166,019 as against \$222,450 for Houston. Houston's total for the first 11 months of the year, \$21,098,260, was far ahead of that of its nearest rival. The figures for cities other than Houston:

City	Week	Year
Galveston	\$166,019	\$2,027,079
Dallas	119,368	9,716,712
San Antonio	78,190	7,198,580
Austin	72,295	6,599,445

Cotton

NEW YORK, Nov. 30 (AP)—Cotton futures closed today unchanged to 2 points lower.

Castor oil is used in the hydraulic brake fluid of many modern automobiles.

Land Control And Lack Of It

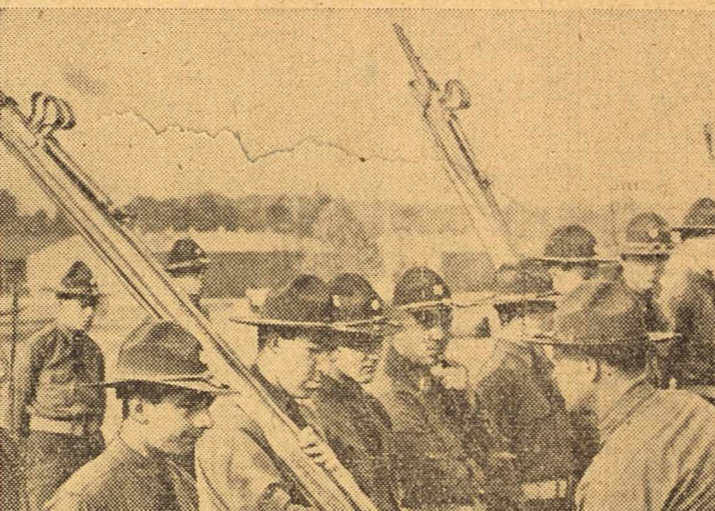

This is not a before and after picture, but it does show two extremes in maintenance and control of subdivisions. Although street improvements are present along the unkept street, the neighborhood certainly lacks appeal because of lack of control. Shrubs grow haphazardly, the trees serve as billboards, and the beauty of the street is marred by the utility poles in the foreground. The other picture shows what can be done to a similar neighborhood by observing sound land-planning principles.

Construction Of Naval Air Base Brings Boom To Corpus Christi

By Jim Karr. CORPUS CHRISTI, Tex., Nov. 30 (UP)—The navy has come to the Texas coast, and Corpus Christi is on top of a mile-high boom that may double its population of 50,000. The expansion was set off by a \$25,000,000 appropriation to build a naval air training base at Flour Bluff, 12 miles southeast of Corpus Christi. Hotels and lodging houses are jammed, and laborers in search of work crowd their families into a single room to eat, sleep and cook until they can find jobs or the high rents force them to move on. Despite a recent building program by the board of education to take care of normal growth for the next 10 years, schools are so crowded that classes have been broken up into half-day shifts to take care of all students. Twice as many workers have registered with the office of the state employment service as have been placed on construction jobs. No completion date has been set for the naval base, although it has been indicated that it will be ready for the first cadet fliers in February. The first class will be graduated in July. When the base is completed, 2,500 student fliers will be in training at all times, with a monthly graduating class of 300. Approximately 15,000 students, officers and civilian employees will be stationed at the base. The Federal Housing Authority is rushing construction of a 250-unit housing project near the city limits of Corpus Christi for the training base's civilian employees. In addition to the navy air school, the Canadian government has looked over prospective sites for winter training bases at Ingleside Cove, on the north shore of Corpus Christi Bay, Aransas Pass and Copano Bay, near Rockport, 30 miles northeast of Corpus Christi. The U. S. air forces long have recognized the Texas coast as ideal for air training bases. The area from San Antonio to the coast has more cloudless days per year than any other region of the United States, government surveys showed.

Army Musicians Double in Grim Role

Army bands no longer lead troops into battle with stirring martial airs, so they are learning to make themselves useful during actual combat. Above, members of a regimental band in the 27th Division, N. Y. N. G., are getting instruction as stretcher-bearers at Fort McClellan, Ala., where they are in federal service.

Texas To Be Highway Conscious This Week

AUSTIN, Nov. 30.—Texas will be made highway conscious next week when about 200 talks will be given in all parts of the state during Texas Highway Week, December 2 to 6, inclusive, it was announced today by the Texas Good Roads Association. Starting Monday, prominent state figures and civic leaders will swing into action to make this first observance of the week a success and to arouse greater interest on the part of the citizens of Texas to their highways and their needs. It will be shown how those needs have grown more imperative because of the importance of the Texas highway system in the new national defense program. The Texas financial picture will be stressed by speakers and by information disseminated during the week, with efforts concentrated on arousing greater public realization to the vast amount of work yet needed on the highway system to bring it up to present day needs. The state-maintained system of some 22,600 miles is only about one-half completed to modern standards and it is estimated it would take approximately \$570,802,000 to bring the system up to the needs of today. The state highway department receives about \$30,000,000 a year in revenue for construction, however, and it is estimated it would take 19 years to do the job that is needed now.

Storm Sashes Necessary In Winter For Stopping Various Frost Damages

The installation of storm sash, tight enough to prevent cold air striking the inner windows, will aid in combating the formation of window frost on window panes. Frost is formed by the condensation and freezing of moisture from the inside air upon the cold surfaces of the window panes. Obstruction of vision is the least of the important trouble caused by frost. Most serious is the possible damage and annoyances that can be caused by melting frost. When frost melts, water runs down over the woodwork and plaster, damaging the finish on the woodwork and the wall decorations. Brickwork Requires Careful Workmanship Good workmanship is essential for good brickwork. The brick should be laid level with uniform mortar joints not exceeding three-quarter inch in thickness. Joints should be filled solid with mortar and be weathered or tooled. Bricks which are sound or tooled, free from cracks, and uniform in size should be used. Mud bricks also will not absorb too much water.

Unrest in Conquered France

Unrest in conquered France is not limited to Frenchmen. It is spreading so rapidly to the German army of occupation that an average of two Nazi soldiers a day are committing suicide. So said Marion Dix Bromley, of South Pasadena, Calif., pictured above with her pet cat as she recently arrived in Brooklyn after four years of writing in Paris.

BOMB RUINS PLAY BUT FANS STAY FOR SOLUTION

LONDON, Nov. 30 (AP)—A bomb blew out the electric supply of a London movie theater last night while the audience was sitting on the edge of the seats watching a murder mystery thriller. The manager got up on the stage and told the audience the rest of the movie could not be shown. The audience refused to go home until he told them who had committed the murder.

Care In Winter Work Will Save Needless Losses

Precautions to be observed during winter construction where low temperatures prevail will assist home planners and builders in preventing damage to materials and possible failures caused by action of the elements. The best construction principles require that workers, materials, and construction be protected from unfavorable climatic conditions, and the principal problems in winter construction are solved by protection and heat. Lists Suggestions. Among precautions covering fundamental points relating to sound winter construction are: Keep all masonry materials dry and preferably not in contact with the ground. Store cement and lime in tight sheds with floor raised above ground. Stack framing lumber off the ground with ventilation below and protect with cover. All kiln-dried material should be kept exceptionally dry, preferably in a warm ventilated place, and never in the building under construction, during the plastering operations. Most steel and iron products should be painted before delivery.

Setbacks Of Houses Should Be Different

Monotony in a neighborhood sometimes results from placing houses at a uniform distance from the street and at a uniform distance apart. Variation in the setback of houses from the building line adds interest to the street and contributes to the general appearance of the neighborhood.

Saw Unrest in Nazi-Held France

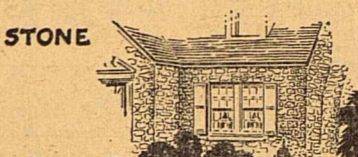

Unrest in conquered France is not limited to Frenchmen. It is spreading so rapidly to the German army of occupation that an average of two Nazi soldiers a day are committing suicide. So said Marion Dix Bromley, of South Pasadena, Calif., pictured above with her pet cat as she recently arrived in Brooklyn after four years of writing in Paris.

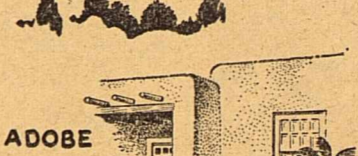

Better Homes Better Living by the Housing Editor

There is a wide field of choice for the prospective homeowner in selecting exterior wall material, but there are many factors which should help to influence that choice. Suitability of material to climate, economy of upkeep, and relative plentifulness in the locality should have an effect upon choice. There are several distinct types of stone walls. Coursed ashlar is the term used to describe the stone when it is laid in horizontal lines similar to brickwork. The courses are usually uniform in height and size of stone. This type tends toward formality and is common to stately dignified houses. Random ashlar is more informal and describes a wall where the stone is coursed irregularly, although still horizontally. This type is found in houses of various architectural periods and was common in the early American farm house where stone was used.

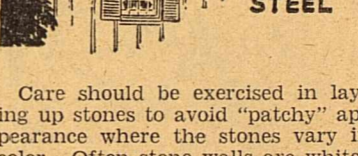

STONE

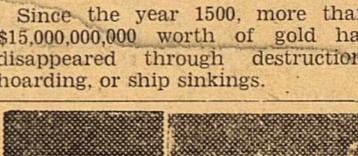

CONCRETE

ADOBE

STEEL

Care should be exercised in laying up stones to avoid "patchy" appearance where the stones vary in color. Often stone walls are white-washed. Most builders advise again a strong contrast in the color of the mortar joints. Gray, similar to the color of the stone, is regarded as the best shade for mortar.

Since the year 1500, more than \$15,000,000,000 worth of gold has disappeared through destruction, hoarding, or ship sinkings.

Wallpaper Color Rules Similar To Paintings'

The effect on the home owner of having the interior repainted or repapered is usually striking since the surface covered is that of the entire room. Color choice is highly important in redecorating interiors, and many highly desirable effects may be obtained by a skillful designer. Rooms that are cold and bleak in appearance should be given warm cheerful colors, and poor selection here would mean the room would have a chilly character. Wallpaper colors are similar to those of paint, and in general the same rules prevail. Rooms with Southern exposure should be given cool light colors while warm shades should be given to rooms on the cold side of the house.

Opening—A. K. 30

By Wm. E. McKenney
America's Card Authority.

There will be plenty of bidding at the national tournament in Philadelphia, which gets under way next week. I have had to retire from national competition as I found it impossible to conduct an event of this size and play as well, but I still love to kibitz.

I recall kibitzing on today's hand, which was played by Col. Robert J. Gill of Baltimore. Since "Bob" was elected vice president of the American Contract Bridge League a few years ago, he has really taken his bridge seriously. His team made a good start toward the national championship at Asbury Park last summer, when they eliminated the Four Aces, but the death of the father of one of the boys broke up the team.

Kibitzing was fun with all of this bidding, but you have to bear the bidding in mind when you start to play the hand, or you may miss out on a trick or two. Colonel Gill won a top score for himself on the hand.

The opening spade lead was ruffed and the queen of diamonds finessed. When the nine-spot fell from the East hand, the colonel gave up that suit for the time being.

His next play was a heart to dummy's king and then the four of clubs for the finesse of the jack. He cashed the ace of hearts and then led clubs.

East ruffed the fourth club with the heart jack and played a spade, but declarer could stand the ruff and lost only two trump tricks. Most declarers were defeated one trick at a contract of four hearts.

Explosion In Prison Cloaked In Secrecy

CANON CITY, Colo. (UP)—Whether the premature explosion of a prison-made bomb foiled the planned wholesale prison break at the Colorado state penitentiary probably never will be known. The tightly-sealed lips of convicts take care of such episodes.

But this much is certain: When Jimmy Valentino took the piece of lead pipe from Eugene Milliken and it exploded, sending both of them to their death, he knew nothing of the plot.

Valentino was walking back to his cell after eating breakfast when Milliken handed him a piece of lead pipe through the bars and said:

“Here, throw this in the rubbish can.”

“Sure,” said Valentino. Those were the last words either of them spoke. The bomb exploded, throwing Valentino over the railing in front of the cell block and hurling Milliken to the rear of his cell but, strangely enough, leaving a canary in Milliken's cell unharmed.

Suspicion On Milliken

“I am confident that Valentino knew nothing of the bomb before Milliken handed it to him,” Warden Roy Best said. Milliken, he said, apparently feared guards might search his cell when he went to breakfast after Valentino and his companions, the “early” breakfast group, were locked in their cells.

Final naturalization papers are granted in the United States 90 days after application has been filed.

DUDE COLLEGE

BY OREN ARNOLD

YESTERDAY: A thick hedge saves Wesley from serious injury. Ronnie hurries him home. The week adds to Wesley's misery. Saturday he walks out in the desert, sits a long while in the moonlight. Returning home, he passes Lona's apartment, sees Andre leaving. It is 1:20 a.m.

had stuffed off 10 chronic worries.

He helped her mount a big palomino gelding.

"Rope, first aid kit, canteen, pistol, matches, emergency food, notebook and pencil, all in your pack and ready," he informed her.

"Lordy!" she looked down at Wesley. "What is it, a polar expedition?"

"Minimum requirements out here. It's several miles."

He watched her try her horse, first a trot, an easy second pace, a rapid gallop. He joined her then on his own bay.

"You ride well," said he, "Pretty indeed."

"Why, Wesley!" She was still in light mood. "You are improving. You gave me a compliment and didn't even blush. And—wherever are your goggles?"

He did blush then. He had hoped she would notice, and when she did it embarrassed him. But he smiled.

"I uh, took your advice."

"Stout fellow!"

"Ronnie, I did try this week to get in touch with you, but you were always away. You fly a lot."

"I was in Mexico. Andre wanted to go and—"

"Andre?"

"Yes. Wesley, please don't—don't harbor any feelings about that night. Andre is very impulsive, but he was awfully sorry he struck you, and no harm really came from it after all. I bawled him out plenty."

"I see."

"You won't—I mean, it's all right, Wes?"

"Of course, Ronnie."

"You're a dear."

Dear! She had said it. Wesley's soul responded as if it were a musical chord suddenly strummed by a sympathetic hand. Then, as suddenly, the music within him died. Obviously, she had said it with no thought. A casual remark. "Dear" meant nothing, really. Plainly, too, she was deeply concerned about the man Andre who was infinitely nearer to her in wealth and social position and general eligibility. Doubtless she and Andre—

"Andre has taken a liking to Mexico, so I fly down there often," she broke his thoughts. "We go to Hermosillo, Guaymas, anywhere. Lots of fun. He has some sort of—of business acquaintances there. Something about oil, I think."

"Mind if I change the subject, Ronnie? There is Rainbow Canyon in the haze. We'll be there in an hour but even now you can see the gorgeous coloring."

It was so. The landscape, ever changing, took on more splash of red and yellow and green. Thin desert air stirred their horses to speed. They were at the foot of the great red rock precipice which held the cliff dwelling in exactly 45 minutes.

"We climb the steep slope up hand over hand, then take six ladders," Wesley said. "Follow me, if you aren't afraid."

"I like to play follow the leader, little boy!"

They laughed together. It was good thus to climb and play like children indeed. Wesley wondered if he dared break into song. He felt like it but didn't quite have the nerve.

The climb, itself a Grade-A adventure for most folk, lifted them 970 feet above the canyon floor. The dwelling was a three-story rock ruin in a great wind-eroded niche. It offered an incomparable view. "O-o-o-o-o-oh!" Ronnie gave heart-felt tribute, gazing off.

Wesley handed her his binoculars.

She murmured in awe. "Vastness! Even our horses are like ants, standing in the canyon trees. It's marvelous, Wes!"

He nodded, understanding. "We have—some things in common," said he. "Some mutual likes."

He was in no mood for work. He sat with her for an hour near the niche edge, looking off and talking. He told her much about the ancient people who had lived in this cliff citadel. The sun shadows lengthened and engulfed the canyon, so lest they lose too much light they explored the ruin itself, moving quietly almost reverently from room to room.

They came to a peculiar little third-floor ceremonial chamber and Ronnie peeped out a tiny window there.

"Company's coming," she said. "I see somebody else on a horse."

"Yes? Who? Here, take the glasses again."

She focused his binoculars, peered outward and down.

"Why, Wes—it's that girl Lona Montoya!—And she's coming into Rainbow Canyon alone!"

Gauging Of Producer, Starting Of Three-Mile Outpost Renew Interest In Dayton Area, Eddy County, N. M.

HOBBS, N. M., Nov. 30. — The shallow Dayton area of Eddy County, Southeast New Mexico, came in for renewed interest this week with the completion of a new producer and starting of operations on a three-mile northwest outpost.

Suppes & Suppes are rigging up rotary at No. 1 Rogers, the new outpost. It was staked 2,310 feet from the north and 1,650 from the east line of section 10-18s-26e.

Brewer Drilling Company, Martin Yates, Jr. and others No. 1 E. M. Williams Estate Dayton well 330 feet from the north, 1,550 from the west line of section 25-18s-26e, flowed 96 barrels of oil per day through open 2-inch tubing upon completion at 1,041 feet in lime. Gas volume was estimated at 300,000 cubic feet per day. The well topped pay in sand at 1,029 feet and was shot with 70 quarts of nitro from 1,028 feet to total depth.

Tops Delaware Sand. Bassett & Birney et al No. 1 Kimball, wildcat a mile south by southwest of the discovery well in the Dayton area, is drilling past 1,435 feet in lime. It is 330 feet out of the southeast corner of section 28-18s-26e.

Fred Turner and D. C. DeVito, both of Midland, No. 1 DeVito, Delaware test in the Black River region of Eddy, topped Delaware sand at 1,530 feet and logged a showing of oil in sand at 1,533 feet. However, it filled 500 feet with salt water in 24 hours after drilling sand from 1,640 to 1,650 feet. At last reports the wildcat was shut down for repairs to engine, bottomed at 1,670 feet in lime. It is 330 feet from the south, 1,650 from the east line of section 12-23s-25e.

Flows 64 A Day. Extending the Maljamar pool of Western Lea County three-quarters of a mile westward into Eastern Eddy, Skelly Oil Company No. 1-B J. S. Lea flowed 64 barrels of oil in 24 hours on first test of natural production. The first five hours it was tested through 20/64-inch choke on 2-inch tubing and the last 19 hours through 21/64-inch opening. Tubing is set at 3,876 feet, four feet off bottom, with packer at 3,166 feet and perforations at 3,688 feet. Gas was estimated at 60,000 feet daily. Operators have shut the well in to test bottom-hole pressure. They will pull tubing and acidize lime pays with 2,000 gallons. The well encountered first fire oil at 3,530 feet and logged broken increases as drilling continued. Last increase was found in lime from 3,854 to 3,874 feet. It is located 1,980 feet from the south, 660 from the east line of section 23-17s-31e, on the east edge of Skelly's 6,400-acre Lynch-Dow-Lea block.

Eddy Wildcat. On the Lea side of the pool, Maljamar Oil & Gas Company made location for No. 7-A William Mitchell 1,980 feet from the north and 660 from the west line of section 19-17s-32e. It is a south offset to the firm's No. 5-A Mitchell, a producer.

S. P. Yates et al No. 1 Taylor Ross, Eddy wildcat eight miles west of Lake McMillan, is drilling below 75 feet in salt. It is 1,650 feet from the south and 990 from the west line of section 22-18s-25e. In the Red Lakes district of Eddy Sam Sanders No. 7 Berry, 990 feet from the north, 1,584 from the east line of section 24-17s-27e, pumped 30 barrels of oil per day. It topped pay at 483 feet, halted drilling at 529 feet in lime and was plugged back to 505 feet. The well was shot with 40 quarts from 475 to 500 feet. Sanders No. 8 Berry, 220 feet from the south and 330 from the west line of the same section, is drilling anhydrite past 215 feet.

Root Area Adds Well. Neil H. Willis No. 2 Keyes, in the Keyes area of Eddy, was completed on pump for natural production of 138 barrels of 23.5 gravity oil in 22 hours. It entered pay at 1,626 1/2 feet and is bottomed in lime at 1,961 feet. Location is 1,980 feet from the north and east lines of section 15-20s-30e.

O. Wood No. 1 L. T. Root, in Eddy's Root area, was gauged at flow of 165 barrels in 15 hours through open 2-inch tubing set at 2,540 feet. First pay was found at 2,523 feet, and total depth is 2,590 feet in lime. The well was shot with 75 quarts from 2,525 to 2,558 feet.

In Otero County, Otero Oil Company No. 1 McGregory logged showing of oil and gas in sand at 834 feet and halted drilling at 1,145 feet in shale to realm hole. R. H. Ernest No. 1 Located Land Company, also in Otero, was shut down at 3,843 feet in black shale.

LONDON'S PRETTY GIRLS GET MOST FREE RIDES LONDON (UP)—Motorists are lending a hand in London to the many people caught in the after-raid rushes on their way to and from work.

Now the not-so-pretty women of London are protesting because the pretty girls are always picked out by motorists for a free ride.

"I have seen motorists creep along the curb, ignoring requests from older and less attractive women till they come across a pretty one," said these pavement wallflowers last. "It is really most unfair."

But the motorists do not agree, and say that it is the not-so-pretty and not-so-pretty girls who are being unreasonable.

MISSING SETTER TURNS UP FAR AWAY AND HUNGRY DANVILLE, Pa. (UP)—Carr Fryling's 3-year-old English setter, missing for two months, turned up in time for hunting season at all places—a delicatessen store 175 miles away from home at Bristol, Pa.

Mrs. Clara Jones, Edgely, R. D. owner of the shop, wrote Walter S. Lovett, chamber of commerce secretary here, that the dog appeared "just around meal time."

Death Dive

Half-shrouded in a pall of smoke, a British fighter plane plunges to destruction after an air battle over Germany according to Nazi-censored caption on the picture.

Texans In Washington

By L. T. Easley. WASHINGTON, Nov. 30 (AP)—The resignation of Representative Marvin Jones of Amarillo from the House to assume a judgeship in the United States Court of Claims left a gap in the service record of the Texas congressional delegation which time alone can fill.

The former Panhandle attorney took his seat in the House on March 4, 1917. Figuring his years as representative, the average service in congress of Texans was among the longest of any state in the union. The 21 served an average of slightly over 11 years.

Massachusetts topped Texas, its 15 House members serving an average of 13 years. Ten of 15 are Republicans, whose unusually long service record more than offset the comparatively short term of the Democrats. The average length of service of the 45 New York representatives was eight years and six months. Pennsylvania's 34 congressmen had an average service record of only four years and six months, and Illinois' 27 members only seven years. Virginia also led Texas, but had the advantage of a smaller state in computing such averages. Its nine members had served an average of 12 years each.

The long record of Senator Morris Shepley in both the House and Senate (he served from 1902 to 1913 in the House before going to the Senate), and of Senator Tom Connally, who served in the House from 1917 to 1929, when he followed Shepley to the Senate, boost the total service records of Texans in congress to a little more than 12 years. This approaches that of Massachusetts and Virginia. Senators from the former state had records totaling 19 years, those from Virginia 29 years.

The examiner who conducted the CAA hearing on the proposal to establish additional air routes throughout Texas, particularly in the western section of the state, was himself a Texan. He was Thomas L. Wrenn, formerly of Sherman. He says he learned a long time ago that "you can outsmart a cow," you ought to be a success, and that he has been trying all his life to outsmart them.

One of the most entertaining after dinner speakers here is big Grover Hill, assistant secretary of agriculture. With an infectious smile and delightful drawl, the former Panhandle cattleman modestly contends he doesn't know anything about politics and that he just fits into the picture here as a cow man imported to give the government benefit of his first hand knowledge of the livestock industry.

He says he learned a long time ago that "you can outsmart a cow," you ought to be a success, and that he has been trying all his life to outsmart them.

Overplanting should be avoided. The most pleasing effects are achieved by simple planting treatments and the use of minimum material.

Well-proportioned and well-arranged planting in groups is recommended, rather than scattered thin areas of isolated plants and shrubs.
