Highlight of the 1954 Dodge line is the new super deluxe series known as the Royal V-8. A completely new interior styling is keyed to harmonize with 11 different body colors and 14 two-tone combinations. The Royal V-8 series is keynoted by Jacquard upholstery fabric, previously used only for rich tapestries and expensive furniture. On the exterior, a new spear-like chrome moulding accents the low, sweeping lines and lends a smooth, modern look. There

also is a new grille design and treatment of headlights, taillights and wheel covers. The 1954 Dodge line also introduces such engineering advancements as PowerFlite, a new fully-automatic transmission; the economy-and-endurance tested Red Ram V-8 engine stepped up to 150 h.p. and 7.5 to 1 compression ratio; and a new type full-time power steering unit. The Coronet Six and Meadowbrook Six have been stepped up to 110 h.p. and 7.25 to 1 compression ratio.
