NUMBER 41

Star Gazing

By DON HOUK

Hundreds came to Stratford to pay their last respects to L. M. Price.

It was a sad day for everybody, but there is some solace in the fact that he has passed to a much, much finer life than on this earth.

A double sextet sang at Mr. Price's funeral. They were Mrs. Wilma Lee Cameron, Mrs. Velma Plunk, Mrs. Kathryn Crabtree, Mrs. Maudie Flores, Mrs. Shirley Plunk and Mrs. Robbie Yates.

Kenneth Eller, Wilfred Moon, F. L. Yates, Vergil Plunk, Elmer Hudson and Mr. Webb. Mrs. Martha Harrison was accompanist.

This has been one of those weeks during which it is hard to run down the details in a number of stories.

Everybody seemed to know about an accident involving a horse and Jodie Reesing but nobody knew the details. The sheriff couldn't throw any light on it the first time I talked to him and then I couldn't find him later.

Mrs. Lorraine Mehner and Roger Coker, both of Stratford, collided sometime this week but I couldn't find out what day. It did happen on Main St.

There will be a hearing Oct. 25 to determine whether farmers and ranchers in Sherman county want to organize a soil conservation district.

A district has been a sore subject with farmers and ranchers for a long time. It dates back to the 1930's. It is unimportant in considering the modern setup.

The State Soil Conservation Board will be in Stratford to find out if there is a need for a district and whether or not one is wanted.

Whether you are for or against, be prepared to express your views at the hearing, it will probably mean a lot to the future of Sherman county.

There are reports that cattle are being moved out of the county in great droves. Even breeding stock is going. A few heifers are being sold.

This might be a good time for a man, who is not afraid of hard work, to open a feed lot in Stratford or the area to keep the cattle here. You ship a steer for a lot less than you can bring in corn that it takes to put on a pound and a half or two pounds of gain per day.

Seniors To Do Hobo Work

The Stratford high school senior class will sponsor a Hobo Day Saturday, Oct. 15, as a climax to Clean Up Week. Pat Taylor, class member, announces.

The class will perform odd jobs to raise money for its king and queen campaign and the senior trip.

The students will wash and wax a car for \$10, wax a car for \$8, wash a car for \$2 and do yard work for \$1 per hour. They also will do housecleaning, window washing and other jobs.

For appointments, prospects are to call 3211 Friday.

Sonny Judd To Show Calf In State Fair

Sonny Judd, son of Mr. and Mrs. Arthur Judd, will leave Sunday for Dallas to enter his 1,100-pound calf, "Bud," in the senior division of the Junior Livestock Show of the Texas State Fair.

He will be accompanied by Duard Lamb, vocational agriculture instructor.

Judd is a member of the Stratford FFA. His calf was bred by Largent and Saddler of Springer, N. M. and has been fed on feed 17 months.

The calves are to be sifted Tuesday, Oct. 18, and the judging will be Wednesday, Oct. 19. The sale will be Friday, Oct. 21. The two Stratfordites will return home Friday night.

CARD OF THANKS

I want to thank my many friends and loved ones for the nice cards and beautiful flowers and other gifts of kindness shown me, also the calls during my recent illness. It all helped so much to while away the lonely hours I was confined to my home. May the good Lord watch over and keep you in the paths of righteousness.

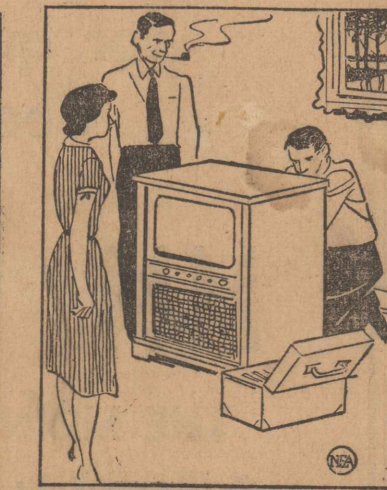

Mrs. W. G. O'Brien.

This Is Fire PREVENTION Week

Fire is the great ravager — and most fires could be prevented by simple precaution. According to the National Board of Fire Underwriters, in an average 24 hours, 800 homes, 100 commercial establishments, 50 manufacturing plants, 20 storage warehouses and 100 other buildings will burn. The loss, \$2,400,000. The death toll? Thirty persons, 20 per cent of whom will be children five years old or younger. Don't become a statistic. Follow the fire-prevention rules illustrated below.

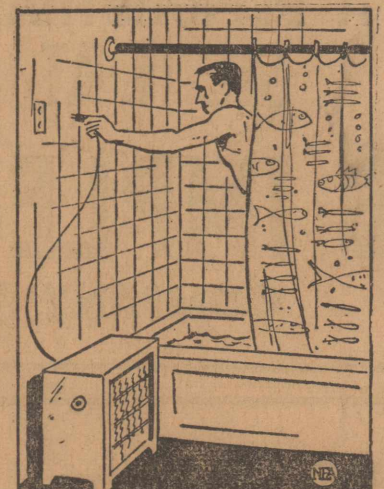

DINING ROOM: Be careful not to overload electric circuits. Don't use too many appliances all on one circuit. If you like to dine by candlelight, use electric candles. An overturned real candle can easily set fire to your tablecloth and cause great damage to your house.

LIVING ROOM: Don't try to repair your TV set. It's too complex for amateur tinkering. You could receive a severe shock. Call in a professional repair man if it needs fixing. When buying a TV set, make sure it has been listed by Underwriters' Laboratories.

KITCHEN: A common cause of kitchen fires is when grease, cooking in a pan or oven, bursts into flame. If one starts, cover the burning pan with a large flat cover or wet towel or smother the fire quickly by pouring ordinary baking soda or salt on it.

BATHROOM: Water and electricity are a dangerous combination, producing electric shock that's often fatal. It's unwise therefore to have a radio, electric heater or any electrical appliance that you might touch while bathing or grasping a water faucet.

BEDROOM: Never smoke in bed. Scores of people are burned to death in their beds every year. Keep ash trays handy and use them. Before going to sleep, check the room. Make sure no cigarette has slipped between cushions on a chair or onto the carpet.

BASEMENT: Keep it clean. Eliminate stacks of papers and magazines that fire could feed on. Your furnace is dangerous when dirty. Have it cleaned regularly and don't put off necessary repairs. If you have a gas furnace check often to see that pilot light is burning.

Truman Ward Killed In Auto Mishap

Word was received in Stratford at mid-week telling of the death of Truman Ward, whose wife is the former Angie Taylor, in an automobile accident.

Although details are lacking, it is believed the mishap occurred near Casper, Wyo.

Mr. and Mrs. Dave Taylor and Jack Newcomb have gone to Casper.

State Patrolmen Check Local Hiway Mishaps

State Highway Patrolmen Don Tabor and Bob Loving investigated three road mishaps over the weekend.

A car and trailer overturned a mile southwest of Stratford on Highway 54 at 9:45 a.m. Saturday. The auto was driven by Jack H. Wenzil of Wisconsin, the patrolmen said. The Wenzils were on the way to Phoenix, Ariz. The patrolmen estimated that \$3,000 damage was done. The victims were not injured.

Cars driven by Charles Oakley and Tommie McDougal, both of Stratford, collided Sunday at 7:40 p.m. at the intersection of Third St. and Main, the patrolman stated.

The McDougal car had \$200 damage and the Oakley car had \$10 damage, the officers concluded.

Dan Ferguson Resigns Boy Scout Position

O. D. (Dan) Ferguson, Scout field executive, has resigned as the Dallam, Hartley & Sherman counties district executive as of Nov. 1. He made his home in Dalhart.

Mr. Ferguson will accept a similar position in Colorado Springs.

He has been in the district over three years. He is a native of Amarillo. Ferguson and his wife will take a weeks vacation before reporting to Colorado Springs.

Wheat Seeding 2-3rds Complete

Sixty-five per cent of Sherman county's 190,000-acre wheat allotment has been seeded, according to Ernest Goule, county agent.

About 25,000 acres were planted before late September rains and another 100,000 acres were drilled after the rains. Farmers are now beginning to "dust in" their wheat, due to lack of surface moisture, Mr. Goule, said.

The wheat was planted first in summer fallow land and later in stubble. Volunteer wheat in stubble is coming along good, the agent explained. It will get some protection from wind this fall.

The volunteer grain and seeded wheat needs more moisture now to bring up a good stand for grazing this winter.

The dry land maize harvest is nearly complete. Most fields were combined in spots. Yields have been very light, the agent stated.

Irrigated maize harvest is expected to be in full swing this weekend. Some irrigated maize has yielded more than predicted, the official revealed.

A light frost Oct. 7 killed most vegetables and hastened the maturity of field crops.

The late September rains were too late to improve ranges and too late to provide winter grazing.

Livestock men must depend on heavy supplemental feeding or grazing of fields this winter, the spokesman concluded.

Farm Bureau & Wheat Growers To Hold Joint Meeting Oct. 18

Stanley Garnett, Amarillo, will be the main speaker before the joint convention of the Sherman County Farm Bureau and Sherman County Wheat Producers Association Tuesday, Oct. 18, at 7:30 p. m. in the American Legion Hall, according to an announcement of the two groups.

Mr. Garnett is district director of F. B.

Business will include the election of officers, adoption of FB resolutions and election of delegates to the state FB convention. "This will be a very important business meeting, as well as one of the top social activities of the FB and wheat growers. All farm families are encouraged to come out and take part in these activities," the officials said.

Re-opening of Blue Cross and Blue Shield insurance will be discussed.

Coffee and doughnuts will be served by the American Legion Auxiliary.

Polio Shots Are Available To 1-10 Age Group

Enough Salk polio vaccine for all children from one through ten years of age has become available to physicians, Dr. John R. Purgason, city-county health officer, announces.

The doctor has been advised that extra shots for the one through five age group have been sent to physicians. All polio shots are now being given through private doctors.

The National Foundation for Infantile Paralysis free program ended Oct. 1. The federal government has appropriated money for shots to be given to those who are unable to pay.

Dr. Purgason said parents of children in the one through 10 group should contact their family physicians if they want the shots for their children.

106 Antelope Taken So Far

A total of 106 antelope had been taken in the hunt which started yesterday north of the Punta De Agua river in Dallam and Hartley counties, Texas Game and Fish Commission officials report.

One-hundred and four were taken yesterday and two were weighed in this morning, up to 11:30 at the Frozen Food Lockers on Rock Island Ave.

The top bucks, according to antler spread, diameter, length and uniformity, were reported.

Robert Alexander of Gruver got the buck with the best uniformity. Its horns were the same length and had a nice spread.

J. T. Mooney of Stratford took a buck with an 11 3/4-inch spread of antlers six inches in diameter.

A Mr. Leverett, address unknown got an animal with horns 16 inches and 15 3/4 inches long. It was shot on the C. E. Wilmuth ranch.

Jim Maggard, district game warden, is in charge of the hunt. About 35 wardens are supervising the hunt. Hunters totalled 118 yesterday, a spokesman said.

Jeff Williams Will Be Next K&F Speaker

Jeff Williams, Chickasha, Okla. humorist and philosopher, will give the main address at the next Knife & Fork club meeting, Tuesday, Oct. 18, at 7 p.m. in the Dalhart High School cafeteria.

Mr. Williams, known as "the Sooner Philosopher," was born in Texas and raised in Arkansas. He practices law in Chickasha.

In addition to his legal work, he was Associate Administrator of the war savings program for Oklahoma and gave freely of his time in stimulating War Bond sales and in boosting civilian morale.

In recent years, he has become one of the most popular speakers in the United States, having covered over 150,000 miles, mostly by air.

Cub Training Meet Monday

A training meeting for Cub Scout den mothers will be held in the First Christian church Fellowship hall Monday, Oct. 17, at 8 p. m., O. D. (Dan) Ferguson, Scout field executive, reports.

All boys of Cub Scout age, eight to 11, and their parents are invited to attend, Ferguson said.

Bob Frugle, George Thomas and other Dalhart Scout leaders will conduct the session, which is entitled, "The Den Meeting."

Conservation Board To Meet On Oct. 25

Homer Haile Named To Stratford School Board To Replace Hudson

By DON HOUK

Services For Pioneer Woman Of Stratford

Funeral services for Mrs. Lillian Chambers, 81 — pioneer of the Stratford area and grandmother of Mrs. Levi (Marie) Reynolds of Dalhart — were held Saturday.

Mrs. Chambers died Friday in Nebbett hospital at Canyon where she had lived since 1928.

Funeral rites were held at 11 a.m. Saturday in the Griggs-Warren Funeral Chapel in Canyon, and then the body was taken by the Griggs-Warren Funeral home to Stratford for services at 3 p.m. in the First Christian church.

Win R. Matsler, pastor of the Canyon Christian church, officiated at both services. At Stratford, he was assisted by Cryder Brayshaw, minister of the Stratford Christian church. Mrs. Chambers had been a long-time Christian church member.

At Stratford, organ music was played by Mrs. Frank Sutton. Mrs. W. J. Love and Mrs. Frank Judd sang "Sweet Peace," and "Nearer My God To Thee."

Funeral bearers were Baskin Brown, Arthur Ross, Harry Jackson, Arthur King, John Kidwell, and Hose Flores.

Interment was in the Stratford cemetery.

Mrs. Lillian Peters Chambers was born in Jan., 1874 in DeKalb Tex. Her parents were Edwin and Emily Peters. She was one of a large family.

She was married in 1890 to Bulow H. Park and moved from Vernon, Tex. to Sherman county in 1901. Three children were born to this union and accompanied their parents to the Texas North Plains country. They are Sidney H. Park, Sunray, Roy W. Park, Dumas; and Mrs. J. R. (Vivian) Hurst, Plainview.

Her husband, Bulow H. Park, died in 1906 and was buried in the Stratford cemetery.

In 1908, she married Thomas Chambers, who had come to Sherman county in 1898. Two children were born to the Chambers: Mrs. Tommye Lillian Smith, Canyon, and Doris Ellen, who died at the age of six.

Thomas Chambers died in 1919, and likewise is buried in the Stratford cemetery.

Mrs. Chambers and her daughter, Tommye, moved to Canyon in 1928 which was her home excepting for a few years in Hereford, Tex. She was a member of the First Christian church of Canyon.

In addition to the two sons and two daughters, Mrs. Chambers is survived by two sisters, Mrs. J. B. Jeffries, Little Rock, Ark.; Mrs. Allen Winham, Texarkana, Ark.; a niece, Mrs. Tom Utley, Sherman county; nine grandchildren; and nine great grandchildren.

County & City Buy Oxygen Tent

The Sherman county commissioners court, in cooperation with the city, Monday authorized purchase of an oxygen tent for use by Dr. John R. Purgason, city-county health officer, County Judge Clyde Hudson announces.

The tent was bought jointly by the county and the city of Stratford. Each one paid one-half of the price.

Judge Hudson said there will be no charge for the use of the tent. It was purchased specifically for the free use of residents of Sherman county and Stratford.

Three Homes Burgled Oct. 2

Three farm homes were illegally entered the night of Oct. 2, Sheriff Ross Turner announces.

A saddle, blanket and bridle were taken on the Basil Naugle farm.

A trunk, automatic washer and blow torch were stolen from the Roy Strothers home and gasoline, 15 quarts of motor oil and a green Army overcoat were stolen at the Leo Smith place.

Hallowe'en Show Oct. 29

The Annual Hallowe'en Carnival, staged by the seniors of Stratford high school, will be held Saturday, Oct. 29, according to an announcement by a class official.

Room mothers met Tuesday afternoon to plan a dinner.

The highlight of the carnival will be the crowning of the king and queen.

Many of the attractions available in past carnivals will be repeated this year.

C. W. Moons Attend Rites

Mr. and Mrs. C. W. Moon went to Denver Wednesday to attend funeral services for Mrs. Roy Moon, sister-in-law of Mr. Moon.

Mrs. Roy Moon died Monday of a heart attack.

No other details are known.

The purpose of the hearing will be to determine whether there is enough interest in forming a soil conservation district. If there is, a referendum will be called.

Farmers who are interested in promoting a SCD in Sherman county should be prepared to support their beliefs through testimony before the state board.

Any farmer opposed to a SCD is likewise reminded that a prepared statement in opposition to the district should be given in testimony during the hearing.

Several copies of a petition asking that the hearing be held were circulated in Sherman county this summer. More than 50 landowners signed it.

It was filed with the state office late in September. The local hearing is in response to the petition.

If the state board finds that there is a need and sufficient interest in the county, it will call an election.

The farmers and ranchers of the county have discussed the formation of a soil conservation district all summer. Many feel that now is the time to render a decision.

Officials are encouraging all farmers, ranchers and their wives to attend the hearing and to testify as to their beliefs.

The three-man board must have adequate testimony to determine the wishes of the residents of Sherman county.

The hearing will be one of the most important in county affairs in recent years. Its outcome will be reflected in the future development of agriculture in Sherman county.

(This is the first of two articles to be published by The Star about the Oct. 25 hearing. — The editor.)

Grand Jury To Meet Monday

The Sherman county grand jury will hold hearings beginning at 10 a.m. Monday, Oct. 17, Sheriff Ross Turner announces.

The group has about six cases to investigate, the sheriff said.

Eight men and eight women have been called for duty. A panel of 12 will be seated.

'COONS FORM A BREAD LINE—Waiting for their bread is a host of raccoons that almost nightly come for dinner at the Berea, Ohio, home of Mr. and Mrs. George Schuster. It all started three years ago when Schuster fed a lone 'coon that had ventured onto his property. Next night the racoon brought a friend, and soon the friends were bringing friends. Now almost 40 panhandling raccoons come for a slice of bread, which Schuster feeds them from a casement window. They seldom ask disorderly, preferring to wait patiently for their turns. They consume about 50 loaves of bread a week.

Elks Trample The Tornadoes 13-7

The Stratford Elks galloped past Texline 20 to 7 last Friday night. Willie Price scampers 40 yards in the first quarter for the first tally. The extra point was blocked.

Russell Albert scored the second TD in the second quarter. Bob Donelson's extra point was good. The score was 13-0 at the half.

Texline came back to score in the third stanza from the one-yard

11 for Texline.

Bruce Biddy and Ralph Hampton made good showings on defense.

Lynn Hudson practiced without shoulder pads Tuesday. He received a neck injury in the Texline tussle.

Emory Hamilton, quarterback, may see action in the Spearman contest Friday. His arm is out of the cast.

Elks Victory String May Add One Tomorrow

By Don Houk

Coaches Haskell Bibrey and Pete Bateman are smiling these days after the fine showing of the Stratford Elks. The home team has trounced Vega and Texline in the last two weeks.

These were the first victories over Texline and Vega in football since the Elks began handling the pigskin three years ago.

This year the Elks started with an experienced forward wall with the exception of center where 132-pound Paul Addudell has done a good job.

Jimmy Phelps and Melvin Mitts are doing well for the first time at right end. They alternate. Lynn Hudson is at left end.

Russell Albert, the only experienced backfield man, is at full-back running up the middle of the field where the traffic is heavy.

Richard "Punkin'" McMinn and Willie Price, pony halfbacks, are showing much improvement as the season reaches the half-way mark.

Mike Neal, center last year, is calling signals and doing well at it for such a short time in a brand new position and with a new backfield.

With Wisdom, Huggins, Kendrick and Spurlock in reserve as backs, though light in weight, the Elks are determined to have something to say about who wins the conference championship this year.

With a three won, two lost record, the Elks take on the Spearman Lynx Friday night.

Stratford is ranked No. 4 in Class A&B play in the Panhandle.

Following Spearman, the Elks take on the strong Hooker, Okla., eleven and then the Gruver Greyhounds in Gruver Oct. 28.

Win or lose the Gruver game is the top game of the year for both teams.

After Gruver, the Groom Tigers invade Stratford, which ends the conference season for the Elks.

Who knows, that game may decide who will wear the royal purple of championship.

If the Elks continue to play as they have, it may be them.

Let's all journey to Spearman tomorrow night and give the boys our loyal support.

Food Supplies Could Become U.S. Problem

GALVESTON —UP— C. Petrus Peterson, president of the National Reclamation Association, Tuesday called for a stepped-up reclamation program to keep pace with a spiraling population.

Speaking at the 11th annual meeting of the Texas Water Conservation Association here, the 75-year-old former Nebraska state senator, said the nation "urgently needs" an accelerated reclamation program and added:

"If the worst should happen and we are faced with another war the United States and Canada wouldn't have an ally in the world unless we can feed their armies and most of their civilian population."

Element of Defense

Food, Peterson said, is as important an element of defense as is any of the products of the munitions makers. Even if the nation is spared war, he said, it must not overlook the significance of its population spiral.

"Nearly 4 million babies were born in our country last year," he said. "We have to look 25 years ahead to the time these babies establish their own homes and families and seek opportunities for themselves."

Hereford Bull Wins Ribbon

DALLAS —UP— Dallas Day activities at the State Fair of Texas were expected to bolster a lagging attendance Wednesday, as livestock judging and numerous other special events took place.

Total attendance at the fair so far this year stood at 591,196 Tuesday night, after 98,667 visitors passed through the gates Tuesday. The cumulative total at this time last year was 601,284.

A two-year-old 1,850-pound Oklahoma bull held championship honors in that class after judging at the Hereford show of the Pan American Livestock Exposition.

The animal was "Tr Zato Heir 394," owned by Turner Ranch of Sulphur, Okla.

Grand champion bull of the Holstein-Friesian show was "Oostle Standout" of the Carrington Farms of Austin.

Grand champion honors at the Duroc swine show were taken by the K. A. Ranch of Clarendon, Miss., and the Burbank Student Farm of San Antonio.

The K. A. Ranch showed the grand champion boar, with W. F. Hoarrall of Tulsa, Okla., taking reserve grand champion honors.

The Mississippi ranch won with the senior champion boar.

The Mississippi ranch won with the senior champion boar.

Feed Supply In Texas Improves

AUSTIN —UP— A sharply improved feed supply has resulted in many Texas farmers and ranchers delaying fall marketing of stock to pick up increased poundage, the U.S. Department of Agriculture reported Wednesday.

In its weekly crop and weather bulletin, the USDA said winter grazing prospects from wheat and oats pastures were materially boosted in the low rolling plains by additional rains.

"Native grass in that area, the High Plains and Trans-Pecos was coming along and will make considerable feed if frost holds off," the USDA predicted.

On the high plains, dusted-in wheat was reported making "excellent growth," but only "limited grazing" was expected until early November.

In favored South Texas areas, new range grass was coming along fast with some already making a seed crop.

"All classes of stock were picking up on improved range feed," the USDA said.

Meantime, light showers to flooding rains interrupted field work over much of Texas. However, only scattered showers hit most of the High Plains and wheat seeding in that area passed the peak.

Meantime, light showers to flooding rains interrupted field work over much of Texas. However, only scattered showers hit most of the High Plains and wheat seeding in that area passed the peak.

Dairy Outlook Is Brightened

CHICAGO —UP— An administration farm spokesman and the president of the American Farm Bureau Federation agree that prospects are looking up for the nation's dairy farmers.

Earl M. Hughes, chief of the Commodity and Stabilization Service, and Charles E. Shuman, the AFB president, addressed dairymen attending the third international dairy show.

Hughes said Americans are drinking less milk and eating an average of eight pounds less butter per person than they did before World War II.

Hughes said Americans are drinking less milk and eating an average of eight pounds less butter per person than they did before World War II.

Wheat Survey Report Given

A partial report on the wheat survey last week in Sherman county by Texas Department of Agriculture and the Texas Extension Service has been given by Ernest Goule, county agent.

A complete report will be published after the report of the state officials is forwarded to Mr. Goule.

The group covered the county in teams of two. The teams took samples of wheat in field boxes and checked for variety, certification, treatment and noxious seed content per pound.

Goule said many Sherman county farmers are using treated seed. Of 54 farms checked, only three undesirable varieties were found. Forty per cent of seed wheat planted last year was undesirable, the agent explained.

Sherman county was one of eight counties surveyed by the group in the Panhandle.

Sherman county was one of eight counties surveyed by the group in the Panhandle.

Mildew Removed, If Caught Soon

Recent hot, humid and rainy weather conditions in some areas offer excellent growing conditions for the molds that cause mildew.

Clothes and household fabrics, especially cotton, linen, silk and wool, are favorite camping grounds for mildew. Quick treatment of the stains is important.

Lucile King, county home demonstration agent, states.

First, brush off the surface growth of mildew. Do this outdoors, not in the house, where the spores might scatter over other materials and produce a new growth of mildew.

Soap and water will take care of

did in the corresponding 1954 period, he said.

Shuman, backing up Hughes optimistic report, said the dairy industry is demonstrating it "can solve many of its own problems. There is a good future in dairying if farm prices can be taken out of the 'political arena,'" he said.

Mrs. Alton Blades Is Honored At Bridal Shower

Mrs. Alton Blades, the former LaNell Naugle, was honored at a prettily planned bridal shower given recently at the home of Mrs. Frank Judd.

The hostesses were Mrs. F. A. Judd, Mrs. Arthur Judd, Mrs. Paul Aduddell, Mrs. Herb Folsom, Mrs. W. W. Davis, Mrs. Elmer Hudson, Mrs. Bessie Mitchell, Mrs. John Knight, Mrs. Sherdon Keener, Miss Laurine Naugle, Miss Ealon Davis, Miss Carolyn Folsom and Miss Dorothy Bachman.

The serving table was covered with lace and centered with an arrangement of yellow asters.

Yellow mum corsages were given to the honoree and her mother, Mrs. Willis Naugle.

Approximately one hundred attended or sent gifts. Many lovely gifts have been received since the shower.

Eighth Grade To Have Food Sale

Everyone is invited to patronize the food sale to be held Saturday at the Stratford Department Store beginning at 9:30 a.m.

The sale will be under the sponsorship of the Eighth Grade.

It is announced that the food-stuff to be sold will include cakes, pies, butter, eggs and other items.

Don Whitakers Are Parents Of Baby Girl

Mr. and Mrs. Don Whitaker of Roscoe, Tex., are the parents of a daughter, Debra Lynn, born Oct. 4 and weighing seven pounds and two and one-half ounces.

Mr. Whitaker is a former band director of Stratford.

Mrs. Roberts Gives Party For Daughter

Mrs. Harold Roberts entertained her daughter, Beth, on her sixth birthday with a party.

The guests were treated to a show and then refreshments were served to the following: Sandra Albert, Linda Mitts, Ethel Preston, Ted Martin, Mary Pat Martin, Mike Vincent, Terry Mathews, Terry Wilson, Sharon Wilson, Dallas Foreman, Dolly Mehner, Jean Ann Ross, Barbara Flores, Kay McIntosh, Lester Taylor, Allen Wayne Wells and Beth Roberts.

Pink And Blue Shower Given Mrs. Stephens

Mrs. Ira Stephens was honored with a pink and blue shower in the home of Mrs. J. N. Foster, Jr., Tuesday afternoon.

Co-hostesses were Mrs. Leroy Judd, Mrs. I. L. Walker, Mrs. Dewey Newburn and Mrs. J. L. Adams.

The table was laid with a white crocheted lace cloth over rose, centered with a lovely arrangement of white baby mums in a crystal vase and flanked by lighted white candles.

The table appointments were crystal with a silver coffee service. Mrs. Leroy Judd poured coffee; Mrs. I. L. Walker dispensed pink lemonade and Mrs. J. L. Adams served white individual cakes. Each cake was centered with a tiny rose and the favors were small storks with rose ribbons.

Mrs. Stephens was presented a corsage of white baby mums.

Thirteen guests were present and several friends from out of town sent gifts.

Mrs. C. Hill Hostess For Circle Meeting

Group 2 of the CWF of the Christian Church met Wednesday afternoon, Oct. 5, with Mrs. Clyde Hill as hostess. There were eight members and one visitor present.

Mrs. John Knight led the lesson on "Jesus' Manhood, Prior to His Ministry" and "First Year of Jesus' Ministry." Mrs. Rita Lowe led the devotionals.

Meeting was closed with the missionary benediction after which a social hour was enjoyed by all.

The November meeting will be with Mrs. Everett Palmer as hostess and with Mrs. Paul Aduddell as leader.

Assembly Of God WMC Having Quilt Project

The Women's Missionary Council of the Assembly of God Church met last Wednesday in the WMC room to continue a quilting project.

Mrs. J. L. Adams read the 1st Chapter of Acts and Mrs. Leroy Judd read the 2nd Chapter with a brief discussion of each chapter following.

After prayer, Mrs. Leroy Judd conducted a short business meeting and Mrs. J. N. Foster gave a report of the finances of the WMC and \$20.00 was given into the building fund.

Mrs. I. L. Walker, Mrs. Dewey Newburn, Mrs. J. L. Adams, Mrs. J. N. Foster and Mrs. Leroy Judd were present.

Fritch Church Setting For Pretty Wedding

The Immanuel Baptist Church at Fritch was the setting recently for a lovely wedding when Melba Jeanette Payne and Raymond Keith Wills exchanged nuptial vows. The Rev. C. B. Stovall, pastor, read the double ring service before a background of baskets of pink gladioli.

The bride is the daughter of Mr. and Mrs. Melvin Payne of Fritch. The bridegroom's parents are Mr. and Mrs. R. W. Wills, of Dalhart.

Mrs. John Peek, organist, played a nuptial prelude and the traditional wedding marches and accompanied Miss Sandra Cartwright, who sang "I Love You Truly," "Because" and "The Lord's Prayer."

Mr. Payne gave Melba in marriage. The bride's gown was of white Chantilly lace over satin and was of waltz length. The molded bodice was designed with a Peter Pan collar ornamented with seed pearls and the long fitted sleeves terminated to points over the hands.

Seed pearls also trimmed the scalloped finger-tip veil of imported illusion. Her white prayer book was topped with a white orchid and streamers of Stephanotis.

To follow tradition, she wore her grandmother's diamond locket and a pair of pearl earrings, a gift for the bridegroom.

Miss Lillie Faye Boyles, Borge, was maid of honor. She wore a blue organdy frock with pink accessories and carried a nosegay of pink carnations.

Miss Burnie Fay Lively, of Wichita Falls, formerly of Dalhart, was bridesmaid. She wore a gown similar to that of the maid of honor, and carried a nosegay of white carnations.

Miss Sandra Elkins, Tullia, cousin of the bride, was flower girl. Her dress was of white organdy over satin and she carried a basket of dainty flowers.

Bill Wills attended his brother as best man. Ushers were John Nikkel and Stanley White.

Mrs. Payne, mother of the bride, chose a rose shantung dress with beige accessories for her daughter's wedding. Her corsage was of white carnations.

The mother of the bridegroom, Mrs. Wills, wore a dark brown

suit with brown accessories and a white carnation corsage.

At the reception in the church parlors, Mrs. Tuck White served punch and Mrs. S. A. McEntire served the three-tiered wedding cake decorated with the bride's chosen colors of blue and white.

The serving table was laid with a blue linen cloth covered with white lace. Baskets of gladioli decorated the reception room, Mrs. Peek played instrumental music during the receiving hours.

For the wedding trip to New Mexico and Colorado, the bride wore a brown linen suit with pink accessories.

The couple is making their home in Fritch.

Mrs. Leroy Judd's Father Is Seriously Ill

The condition of Bob Anderson of Perryton is reported as serious.

His daughter, Mrs. Leroy Judd, is in Perryton at his bedside.

WOOLSEY'S APPLIANCES

THE COCK CAN TEACH US A LESSON

When a new day dawns the cock announces it with a lusty crow. No lagging, slothful bird, the cock. He calls his mates to awaken and enjoy each new day. The human family can take a lesson from him. We can, if we will, meet each day with a song or shout in our hearts and defy the things which seem a drudgery.

There are aids which give the kind of spirit needed to meet each dawn with a lilt. Attendance at the church of one's liking is such an aid. It assists in putting most people in the right frame of mind and spirit for meeting each day. For one thing, church attendance helps dispel resentments — great drawbacks to meeting the day in the proper spirit. Learn to use the Church as a source for joyful living. It is well worth your trial.

Mrs. N. Davis Is Hostess For Circle Meeting

Circle 3 of the First Christian Church met in the home of Mrs. Norval Davis Oct. 5 with ten members and two guests present, reports Mrs. Donald Borth.

Mrs. Arthur Folsom opened the meeting with Mrs. Grover Keown leading in prayer. The devotionals was given by Mrs. Irene Wakefield and Mrs. Arthur Judd was in charge of the lesson.

The next meeting will be in the home of Mrs. Arthur Folsom with Mrs. Grover Keown announced as the lesson leader.

The meeting was closed with circle benediction.

Delicious refreshments were served by the hostess and Bible games were enjoyed by all.

Mrs. O. Ellison Has Vacation

Mrs. Othelet Ellison returned Saturday from a two-week vacation to Malibu, Calif.

She visited Mr. and Mrs. Paul Smetzer. Mrs. Smetzer is Mrs. Ellison's daughter.

She also visited Mr. and Mrs. Rodney Ellison and Mr. and Mrs. Ray White. Mrs. White is the Stratfordite's sister and Mr. Ellison is Mrs. Ellison's son.

The Rodney Ellisons have a son, Randy Lee, born Sept. 22. He weighed seven pounds, 14 ounces.

Mrs. Keown's Sister Here

Mrs. Margaret Storen, of Kansas City, is here for a visit with her sister, Mrs. Grover Keown and other family members.

On Monday afternoon, Mr. and Mrs. Keown took their visitor to Dalhart.

Hayden Cooper Visits Stratford

Hayden Cooper of Ness City, Kans. visited his mother, Mrs. H. J. Cooper, in Stratford Sunday. Mr. and Mrs. D. B. Kendall, Dalhart, joined the family for Sunday dinner. Mr. and Mrs. F. L. Yates and Evelyn Cooper attended also.

Fiesta Mexicana — direct from the State Fair of Texas at Dallas — will give performances in Amarillo Oct. 17-18, with all net proceeds going to Boys Ranch at Old Tascosa. Performances will be at 8:15 p. m. Pictured, are part of the Fiesta's galaxy of 30 dancing, singing and instrumental stars. Elaborate and beautiful costuming will be among show highlights. Left to right, the stars pictured are: Ysidro Herrera, tenor; Yolanda Silva, soprano; Miguel Lerdo de Tejada, director; Maria Luisa Zea, dance star of stage, screen and TV; Agustin del Razo, famed comic dancer.

Bill Pendletons In Stratford Over Weekend

Mrs. Bill Pendleton and children were here during the past weekend from La Veta, Colo., to visit Mr. Pendleton and other relatives.

Mr. Pendleton is here supervising their new home, which is being built west of Stratford.

Circle Meeting Held At Home Of Mrs. Davis

Circle 1 of the First Christian Church met with Mrs. Cas Davis.

Meeting was opened with prayer by Mrs. Herb Rolson and Mrs. Archie Arnold presided over the business meeting. The devotional was given by Mrs. B. E. Doyal.

Mrs. Les Parker had charge of the lesson on 7th and 8th chapters of "The Christ of the Four Gospels." The meeting was dismissed with the missionary benediction. A social hour followed. Refreshments of coffee and cake were served to nine members and two visitors.

New Yorker Is Bride Of Carl H. Kuper

Mr. and Mrs. Carl H. Kuper are now at home in Dalhart at 1202 Maple Ave., following an extensive wedding trip to the Northwest including Canada.

Mrs. Kuper is the former Miss Ida Finkelson, daughter of Mr. and Mrs. Bernhard Finkelson of Station Island, N.Y.

The couple were married at the New York home of the bride's parents on Saturday, Sept. 3.

Tax Conference Dates Disclosed

LUBBOCK — Over 200 accountants, attorneys and other interested persons of West Texas and New Mexico are expected at the third annual Texas Tech Tax conference Oct. 17-19 at Lubbock. Thirteen tax specialists will discuss latest rulings on the Internal Revenue Code of 1954, an extensive overhaul of U.S. tax law. Among top speakers will be B. Frank White, regional commissioner of internal revenue at Dallas, who will talk Tuesday noon.

Inexpensive lamp kit, put together at home, looks good and gives plenty of proper light for reading, sewing, studying and other close tasks.

Getting the correct lighting for reading, sewing or studying is easy with an attractive lamp kit which you can assemble at home and to suit your decorative tastes.

Many 4-H's have found fun in the project, and only recently Mrs. Harriet Brummett, County Home Demonstration Agent in Floyd County, Texas, assembled one of the kits in less than one afternoon. "My husband thinks it is the best reading lamp in the house," says the proud Mrs. Brummett, who adds, "the amazing part about this quality lamp is the low cost. The kit and the approved R-40 bulb cost only about \$4.00."

Your Home Demonstration Club, 4-H Club or other groups can set up a craft lamp-building project with the help of your County Extension Agent. It's not only fun, but the kits come in a variety of colors permitting the homemaker to choose lamps which harmonize with the motif of the home. The Floyd County Home Demonstration Clubs are already planning similar craft lamp projects for this winter.

Important is the fact that although the lamp is extremely attractive, it still entails the design

of good lighting. Good lamp lighting requirements call for a shade that is open at the top for upward reflection of light, sloping sides which direct a soft but adequate flow of light downward on the subject matter being seen. The shade may be opaque and lined in white for maximum light output, or translucent and light in color.

For proper "seeability" a lamp is actually only as good as the bulb used. In this lamp recommended usage calls for a 150 watt, 150 R/W white indirect, bulb. This inside white bulb acts as its own diffusing reflector thus eliminating the use of a glass bowl for that purpose.

Again, the lamp is tall enough to cover a wide working area, and its base is large enough to prevent tipping.

Every home needs several good reading lamps, and here is your opportunity to have as many good reading lamps as you need at a cost you can well afford. With the school season in full swing, good lamps are an investment in good eyesight. Lamps can be replaced as styles change, but eyes are non-replaceable and should be given the proper light to see by.

First Grade To Have Bake Sale Friday

First Grade students are to hold a bake sale on Friday at Woolseys.

It is announced that no sales will be made until 10:00 a.m. Mothers are asked to have their items at the store by 9:30.

Dinner Guests Of D. B. Kendalls

Mrs. H. J. Cooper, Mrs. Hoss Yates, Miss Evelyn Cooper and Mrs. Thelma Jones, who is visiting here from Brownfield, Tex., were in Dalhart Wednesday night as dinner guests of their daughter and sister, Mrs. D. B. (Dorothy) Kendall and Mr. Kendall.

Belts Important To Individual

Your belt is an important accessory to your costume. If it is well made and the correct type for your figure proportions, it will add a professional touch to your costume, according to Lucile King, county home demonstration agent.

A narrow belt tends to diminish the waistline while a wide one tends to increase it. A belt of contrasting material tends to decrease the height of the figure.

If you are tall and slender, yet will proportioned, choose a wide belt of self or contrasting material. If you are short and stout you will want to wear a slightly narrow belt of self material.

Study your figure proportions and select the best type belt for you. A belt 3/4 to 1 inch wide of self material is a safe choice for most figures. This width may be increased or decreased according to the figure proportions, fashion, and design of the garment.

Kits for covering buckles may be obtained at notion counters, or if you prefer, have your buckle covered professionally. In either case be sure that it is the correct size for your belt, that it will wear well and is washable.

To hold their shape, belts should be interfaced with belting or firm muslin. For a permanent finish, belting is preferred. Muslin and cotton belting should be pre-shrunk.

Personnel Of PAM Co-Cadets Announced

GOODWELL — Mary Overstreet, Keyes freshman, and four Texhoma girls are among personnel of the Co-Cadets, women's precision drill team at Panhandle A&M college. The Texhoma girls are Barbara Wolley, Lorraine and Janelle Harland, and Doyleene Schaefer.

COOKING PERFECTION

of course, it's Electric!

It doesn't make any difference whether you live in an apartment, a little house, a mansion, an old home, or are building the most modern house in town. If you want to discover cooking perfection, cook electrically.

Electric cooking is versatile, and so are electric range sizes and styles. There are 30 inch apartment models for the small kitchen, standard sizes for regular kitchens — and then, the built-ins. Why with built-ins, you can have as many surface units as you want — and have the oven high or low, depending on your height.

Eventually, you'll buy the modern electric range. Why not now?

O&G Tests Are Reported

Reports on seven oil and gas tests in Dallam and Hartley counties have been received.

In Dallam county the D. D. Harrington No. 1 Hankla-A has been drilled to 2,300 feet. The hole is being reamed to set casing. It is 27 miles north of Dalhart.

The Continental Oil No. 1 Willis is drilling below 7,000 feet in sand and shale. It is three miles north of Perico.

In Hartley county, the Phillips No. 1 Cattle-A is below 6,000 feet. The Standard Oil No. 1-44 is drilling below 7,600 feet in shale and lime; the No. 1-45 is drilling below 3,200 feet; the No. 1-26 is below 7,000 feet, fishing for tools; and the Abramson is below 6,700 feet in lime and granite wash.

In Hartley county, the Phillips No. 1 Cattle-A is below 6,000 feet. The Standard Oil No. 1-44 is drilling below 7,600 feet in shale and lime; the No. 1-45 is drilling below 3,200 feet; the No. 1-26 is below 7,000 feet, fishing for tools; and the Abramson is below 6,700 feet in lime and granite wash.

TEXAS STATE SOIL CONSERVATION BOARD

NOTICE OF HEARING UPON ORGANIZATION OF PROPOSED SHERMAN COUNTY SOIL CONSERVATION DISTRICT, EMBRACING LAND LYING IN SHERMAN COUNTY, TEXAS

WHEREAS, on the 5th day of October, 1955 there was duly filed in the office of the State Soil Conservation Board, at Temple, Texas, a petition signed by fifty or a majority of land owners pursuant to the provisions of the State Soil Conservation Law, as enacted by the 47th Legislature, known as House Bill No. 444, requesting the establishment of Sherman County Soil Conservation District; and

WHEREAS, the lands described by said petition, and other lands which will be considered for inclusion in said district, are located in Sherman County, described substantially as follows:

All lands lying in Sherman County.

Now, therefore, notice is hereby given that a public hearing will be held pursuant to the said petition, on the question of the desirability and necessity of the creation of such district; on the question of boundaries to be assigned to such district; upon the propriety of the petition; and of proceedings taken under the said Act. The said public hearing will be held by the State Soil Conservation Board on the 25th day of October, 1955, beginning at 7:30 o'clock p. m. at the Court House in the county of Sherman.

All interested parties are invited to attend and will be given opportunity to be heard at the time and place hereinbefore specified.

Homecoming At PAMC Oct. 29

GOODWELL — Panhandle A&M college's 45th annual homecoming will be Saturday, Oct. 29, with warm-up festivities opening the night before with a bonfire and pep rally.

Homecoming officially starts Saturday morning at 9:30 a.m. when registration opens in the Student Union building. There will be a parade at 10:00, then a barbecue on the campus. Preparations are being made for 3,000.

There will be a band pageant at 1:30 p.m. followed by the homecoming game between the PAMC Aggies and the Lumberjacks of Arizona State College at Flagstaff.

Next will be open house in several campus buildings, then the homecoming dance at 8:00. Special guests will include the football teams and PAMC classes of 1935-45-55.

Mrs. Arthur Folsom will be the leader. The 20th Century circle will be hostess. Bible study and prayer will be at 7 p. m. Wednesday. The adult choir will practice at 8 p. m.

Prayer Vigil Scheduled To Whip Disease

Dr. W. R. White, Baylor University president at Waco, and movie star Dale Evans — wife of cowboy film star Roy Rogers — are among Americans who will take part in a 48-hour prayer vigil from midnight Oct. 14 to midnight Oct. 16. The nationwide vigil is on behalf of the 250,000 muscular dystrophy victims in the U. S., and particularly for Raymond Waller, 18, and now doomed beyond recall even if a cure was discovered tomorrow.

Raymond is a Texas boy. He lives at Port Arthur. He has been poster boy for the National Muscular Dystrophy Foundation since it was organized five years ago. But he has become an inspiration to the other quarter million victims of muscular dystrophy — which still baffles doctors; and to everyone interested in helping support research to find a preventive and cure.

Last Nov. 3 — when Raymond was 13 — he appealed to the American people for 15-cent or 18-dollar contributions to the Foundation in his name. The so-called "Raymond Fund" caught on and gave dystrophy research its biggest boost. Raymond now hopes to live to see \$1,000,000 poured into the effort to whip the mysterious crippling and killer.

Headquarters of the National Muscular Dystrophy Foundation, Inc., are at 709 Main St., Liberty, Tex.

Charles Boren Has Won Honors

CANYON — Charles M. Boren — son of Mr. and Mrs. Allen Boren of Kerrick — has just won two recognitions at West Texas State college in Canyon where he is a student.

He is a cadet major and one of eight senior Reserve Officers' Training Corps cadets designated "Distinguished Military Students."

The eight "DMS" students are eligible to apply for direct commissions in various branches of the Army. If they maintain high scholastic and military science records, they will be designated "Distinguished Military Graduates" at commencement.

Young Boren also has been elected vice-president of Stafford Hall. A senior, he is also a member of Tri Tau fraternity and the Officers club.

Church Has SS Conference

A Sunday school conference was held at the Assembly of God church in Stratford Wednesday night under direction of Rev. I. L. Walker, pastor.

It was held immediately following Bible study. Leroy Judd, Sunday school superintendent, introduced the program for October. It is Enlargement month, in cooperation with all Assemblies of God churches.

Mrs. I. L. Walker gave flannelgraph lesson on the steps of enlargement and growth of the Sunday school.

A rally Oct. 30 was announced. Members voted that all teachers and officers of the Sunday school continue in their present positions for the year, Oct. 1, 1955 to Sept. 30, 1956.

The Sunday school opened last Sunday with a promotion program.

Stratfordites' Relative Visits

Mrs. Carl Turner and family of Morgan City, La. visited in Stratford last week.

Mrs. Turner visited her mother, Mrs. Marvin C. Seaman, and brothers, Larry, John and Tommy.

The Turners are on their annual vacation. They continued on to Amarillo where they visited Mr. Turner's mother, Mrs. Goldie Turner.

Chester Guthries Are On Vacation Mr. and Mrs. Chester Guthrie are on a three-week vacation. They began by visiting Mr. and Mrs. J. G. Van Beber of Robinson, Kans. Mrs. Van Beber is a daughter of the Guthries.

HIS PATRIOTISM DIDN'T DIE—Lawrence Buol displays the American flag he knitted from the yarn of his old socks during two years of solitary confinement in a Communist China prison. Buol, recently released, is shown here with his wife as they relax at Walkik en route to their Stockton, Calif., home.

Ex-President Truman Pulls Back Curtains On Potsdam

EDITORS NOTE: The following dispatch is based on the fourth installment of former President Truman's memoirs written for Life magazine.

WASHINGTON — UP — Former President Harry S. Truman said Wednesday he learned at the 1945 Potsdam Big Three conference that Russia's leaders then were "pig-headed people" and "not in earnest about peace."

In the fourth installment of his memoirs written for Life magazine, Mr. Truman said his personal meeting with Soviet Marshal Josef Stalin at Potsdam "enabled me to see at first hand what we had to face" in postwar relations with Russia.

He said he decided then "that I would not allow the Russians any part in the control of Japan" after VJ Day.

The fourth installment of the ex-President's memoirs, devoted entirely to the Potsdam meeting with Stalin and British Prime Ministers Winston Churchill and Clement Attlee, also contained these footnotes to history:

1. Mr. Truman became so "impatient" with Stalin's obstructionism and Churchill's long speeches "that I felt like blowing the roof

off the palace." At the third session of the conference, he got so fed up with a prolonged British-Russian wrangle over Yugoslavia that he told Stalin and Churchill "if they did not get to the main issues, I was going to pack up and go home."

Never Saw Such People 2. In a letter to his mother and sister Mary at the end of the conference, Mr. Truman wrote: "You never saw such pig-headed people as are the Russians. I hope I never have to hold another conference with them—but of course I will."

3. Stalin's arrival at Potsdam "was delayed because of a slight heart attack which he had suffered—this was a well-kept secret." During the conference, Stalin told Mr. Truman that "his health was not as good as it used to be" and he'd had to start drinking vodka in French wine instead of vodka.

4. The "most urgent" U. S. goal at Potsdam was "to get from Stalin a personal reaffirmation" of Russia's Yalta conference promise to enter the war against Japan. Mr. Truman got such a renewed pledge from Stalin "in the very first days of the conference. But later Soviet Foreign Minister V. M. Molotov suggested that the United States and Britain "address a for-

mal request to the Soviet government for help against Japan. Mr. Truman regarded this as a "cynical" Russian maneuver to grab the glory for defeating Japan. He resolved not to "let Russia reap the fruits of a long and bitter and gallant effort in which she had no part."

Just One Secret Made 5. The renewal of Russia's promise to enter the Far East war was "the only secret agreement made at Potsdam."

6. Mr. Truman found the Russian leaders "relentless bargainers, forever pressing for every advantage for themselves." "It did not seem possible that only a few miles from the war-shattered seat of Nazi power, the head of any government would not bend every effort to attain a real peace. Yet I was not altogether disillusioned to find now that the Russians were not in earnest about peace."

Mr. Truman's day-by-day record of the Potsdam negotiations showed that the three powers argued, sometimes sharply and early, always inconclusively, about Italy and her former colonies, Yugoslavia, and the puppet governments Russia was setting up in eastern Europe, Poland's western frontier with Germany and control of the Dardanelles Straits.

At the end of the conference, they wrangled over wording of the

James Lowe In Field Exercise

GRAFENWOHR, Germany — Army Sgt. James F. Lowe, son of Mr. and Mrs. William Lowe of Stratford, has taken part in a field training exercise with the 70th Field Artillery Battalion in Germany.

Sgt. Lowe, a radio repairman in headquarters battery, entered the Army in Nov., 1953 and completed basic training at Ft. Sill, Okla. He arrived overseas in Nov., 1954.

Lowe attended Stratford high school and was a farmer in civilian life.

PTA To Meet Tuesday Night

The Stratford PTA will meet Tuesday, Oct. 18, at 7 p. m. in the school cafeteria.

The program will consist of a puppet show presented by two Clayton, N. M. high school girls.

communique, or as Mr. Truman put it, "The three foreign secretaries found that they could not agree among themselves on just what it was that the heads of government had agreed to."

Curtis Penn's Finger Cut Off

Curtis Penn, automobile body

mechanic had the little finger of his right hand amputated Tuesday by a Stratford physician. The finger was taken off because of deterioration of the flesh after it had been burned by acid.
