

THE STRATFORD STAR

Volume 51

Stratford, Sherman County, Texas, Thursday, July 19, 1956.

Number 29.

FARMERS WILL VOTE JULY 20

Farmers voting in the wheat marketing quota referendum on July 20 will have all the basic information they need in making their decision, according to R. C. Buckles, Chairman of the Sherman County Agricultural Stabilization and Conservation Committee.

Wheat price supports have recently been announced at an average of \$2 a bushel for 1957 production, to be available for those who comply with farm allotments in all commercial wheat states if marketing quotas are approved in the July 20 referendum, the Chairman explained.

This announcement was followed on July 6 by an announcement of the "unit" rate for determining payments under the wheat Acreage Reserve of the Soil Bank in 1957. This unit rate has been set at 60 percent of the national average price-support level.

The actual payments which farmers may earn for taking part in the 1957 wheat Acreage Reserve will be determined by multiplying the base unit rate for the county by a yield figure which will be established for the farm by County and Community ASC Committees.

If quotas are approved by at least two-thirds of the farmers voting in the July 20 referendum the wheat unit rate under the Soil Bank's Acreage Reserve in 1957 will be 60 percent of the \$2 national average, or \$1.20 a bushel, as an approximate national average, with the usual differentials for local areas.

If quotas are disapproved by more than one-third of the growers voting in the referendum, price support on the 1957 wheat crop will drop to 50 percent of parity, as directed by law; in that case, the wheat unit rate under the Soil Bank Acreage Reserve would be 60 percent of the price-support level then in effect.

The comparable price-support level for 1956-crop wheat is also at \$2 a bushel and the unit rate for determining Acreage Reserve payments is at a national average of \$1.20 a bushel. Therefore, both the price-support figure and the Acreage Reserve unit rate are being continued for 1957 at the level in effect for this year's production.

C. C. Plunk Buys Phillips Bulk Station

The Wholesale Petroleum Business, operated for the past 6 years as Williams 66 Products Co., has been sold to C. C. Plunk. The new owner will do business as Plunk 66 Oil Company and W. L. Williams, former operator, will remain as an employee for a few months.

Alex Coates has leased the T. O. C. Motor Co., formerly operated by C. C. Plunk. Mr. Coates took over the management of the firm Monday.

Brayshaws To Anniversary In Perry

Rev. and Mrs. Cryder Brayshaw and Rodney will be in Perry, Oklahoma over the week end.

The First Christian Church of that City is celebrating the fifth anniversary in the new church, and will burn the mortgage on the building. Mr. Brayshaw will have part on the program. The Brayshaws will return to Stratford the first of next week.

Webb-Horn Nuptial Vows Exchanged

Nuptial vows were exchanged by Glennis Gertrude Webb, daughter of Mr. and Mrs. Glenn Webb, and Bill Duane Horn, son of Mr. and Mrs. Kirksy Horn, of Chickasha, Oklahoma, Sunday at 2:00 o'clock in the afternoon, with Rev. M. E. Upchurch, pastor, reading the double-ring service in the First Baptist Church.

Miss Daria Jean Galloway, organist, played a prelude of nuptial selections, and accompanied Miss Nellie Johnson as she sang, "Because of You" and "The Lord's Prayer." Traditional wedding marches were played by Miss Galloway for the processional and recessional.

Escorted to the altar and given in marriage by her father, the bride wore a floor length gown of embroidered nylon over white satin, fashioned with a fitted bodice, sweetheart neckline and long sleeves that tapered to points over the hands. The bouffant skirt featured an ever-pleated ruffle extending to the waist in the back. Her fingertip length veil of nylon illusion fell from a lace headdress, embroidered with seed pearls. She carried a prayer book topped by a bouquet of white carnations.

Attending the bride as maid-of-honor, Miss Geraldine Clements wore an orchid dress of polished cotton, styled with fitted bodice and a full skirt. She wore a white picture hat and white gloves, and a corsage of orchid carnations.

Bridesmaids were Miss Cynthia Reed of Stratford and Miss Katy Bryan of Tulsa. They wore dresses of aqua polished cotton, styled identically to that of the honor attendant. Their corsages were of white carnations, and they wore small white hats and white mitts.

As flower girl, Becky Horn, sister of the bridegroom, wore an orchid dress of dotted nylon with matching bandeau, as she scattered rose petals along the bridal path.

Harry Clements was ring-bearer.

Edwin Horn of Chickasha, Oklahoma, was his brother's best man.

Ushers were Orville Olinger, Greensburg, Kansas, uncle of the bride, and Robert Horn, Chickasha, Oklahoma, brother of the bridegroom.

Mrs. Webb, mother of the bride, chose a blue lace dress with a matching duster and hat for the wedding. She wore a corsage of white carnations. The mother of the groom, Mrs. Horn, wore blue with black accessories. Her corsage was also of white carnations.

Miss Jean Spurlock registered

COUNTY TAX RATE APPROVED

Tax rates for assessing 1956 county taxes have been approved. An ad valorem rate of 30 cents has been approved. Of the 80 cent rate 40 cents has been assessed to the general fund, 15 cents to the road and bridge fund, 15 cents to the special road and bridge fund, 8 cents to the permanent improvement fund, and 2 cents for the jury fund.

Road district one has a tax rate of 40 cents, Road district two has a tax rate of 50 cents, Road districts three and four have a tax rate of 30 cents. A water district tax rate of 5 cents has been approved.

Electric Storm Takes Toll In Equipment

TV sets, electric motors on air conditioners, and a few electric stoves were damaged during the electric storm in Stratford Saturday night. Most of the damage was reported in the northeastern section of the city.

the wedding guests.

Among out-of-town guests attending the wedding were Mrs. Fessie White of Emporia, Kansas and Mrs. W. E. Webb of Enid, Oklahoma, grandmothers of the bride.

Immediately following the ceremony, the bridal party was feted at a reception in the home of the bride's parents. The bride's favorite colors, orchid and white were used in the decorations. The table was laid with a white nylon cloth over orchid, and centered with an arrangement of orchid gladioli and white carnations in a milk glass bowl. The centerpiece was flanked by white tapers in milk glass candle holders.

The beautiful orchid trimmed white wedding cake, topped with a miniature bride and groom was served by Miss Virginia Plunk of Stratford and Mrs. Wonda Horn, sister-in-law of the bridegroom. Miss Ann Roberts presided at the punch bowl, serving orchid colored punch.

The bride attended school in Stratford.

The bridegroom is a graduate of the Chickasha, Oklahoma High School and has been in the U. S. Air Force the past three years.

The young couple left immediately after the reception for a wedding trip.

DECLINE AID FOR CONTROL OF HOPPERS

At a meeting Tuesday, July 17, of the Grasshopper Control Advisory Committee and County Agent it was decided not to request the aid of the Federal Government on grasshopper control work in Sherman County at the present time.

Recently the county agent and a federal entomologist made a two day survey of the grasshopper infestation of the county. The county agent reports that they found light to severe infestation in many of the draws and lake spots over the county where there was green vegetation. There were a few severe infestations found over the flat pasture area in some parts of the county. Over considerable acreage where it was exceptionally dry only light infestation was found. This condition was reported to the ranchmen in a survey made by the county agent to see if they were interested in spraying for grasshopper control. The results of this survey indicated that only one-third of the ranchmen estimated the grasshopper situation serious enough on their rangeland to justify spraying. The Grasshopper Control Committee took this into consideration and did not feel enough ranchmen interested in any particular area to sign up a large enough block to secure the aid of the Federal Government in the grasshopper control program at the present time.

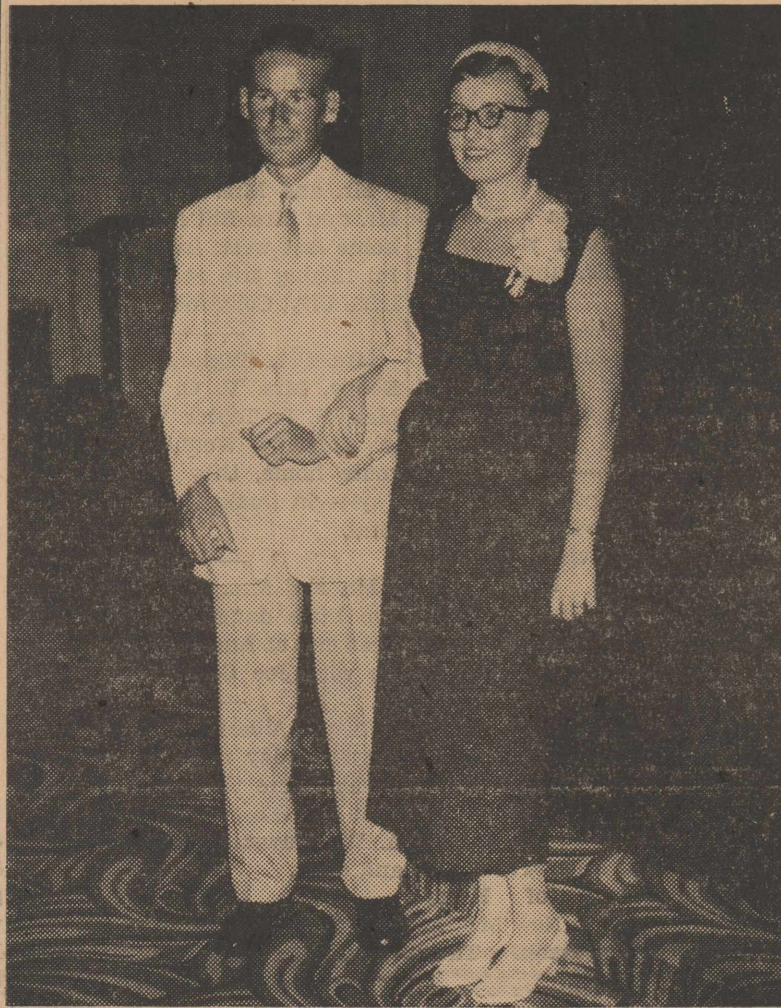

The committee took into consideration the request of a number of ranchmen to assist them in bringing in aldrin and dieldrin for spraying grasshoppers at the lowest cost possible for the material. In as much as local dealers are in a position to handle these insecticides and that the interest of the dealers as well as the ranchmen was to hold the price of the grasshopper control program to a minimum the committee felt that the situation would be satisfactorily taken care of by the local dealers.

The farmers and ranchmen are encouraged to treat areas heavily infested with grasshoppers where they are localized in lake bottoms, fence rows, bar ditches, and along draws. These areas may be treated with four ounces of aldrin per acre. The aldrin may be mixed in water or oil solution. Farmers and ranchmen should be careful to not apply enough oil on the rangeland to damage the vegetation. Where grasshoppers are in yards, gardens, borders and fence rows, where livestock will not be grazing they can be controlled by an application of dieldrin. Instructions on the container should be carefully followed in putting out aldrin and dieldrin for grasshopper control. If not more than four ounces of aldrin per acre is put out there is no danger to livestock but where an area is treated with dieldrin, the livestock should not be permitted to graze. Aldrin has given very effective control and will usually kill the hoppers for a week to ten days after it is applied. Dieldrin has given a very effective control and may kill hoppers for as long as thirty days after application.

In spraying gardens with either the aldrin or dieldrin care should be taken to not spray fresh vegetables that are for table use.

Senator Hazlewood Here Monday

Senator Grady Hazlewood, Randall county candidate for reelection as state senator, was in Stratford Monday in the interest of his campaign.

NEW VARIETY OF WHEAT RELEASED

A new hard red winter wheat for Texas has good disease resistance, early maturity, high yields, high test weight and high milling qualities to its credit. Crockett wheat is recommended for the Panhandle and South Plains wheat areas and also for the Rolling Plains and north-central Texas wheat areas. Individuals interested in producing certified seed of Crockett during the 1956-57 crop year may obtain foundation seed from the Foundation Seed Section, Texas Agricultural Experiment Station, College Station, Texas.

Planning 9th Annual Stratford Celebration

Assignments for completing plans for the ninth annual Stratford Jamboree and Junior Fair to be held September 7 and 8 were made last week.

Post 262 of the American Legion will sponsor the carnival. The Stratford Chamber of Commerce will sponsor the grand parade. Junior fair activities will be handled by the Sherman County Farm Bureau. Bathing Beauty contests will be arranged by the Beta Sigma Phi Sorority.

A meeting will be held in the American Legion Hall Monday night to iron out some of the details for the annual celebration.

Dodgers And Giants Play Texhoma Friday

Dodgers and Giants, starting at 7:00 p. m. Friday, will be hosts to two teams from Texhoma. The Dodgers will play the first game of the double header. All fans are urged to attend and back the little league.

Thursday night the regular scheduled game between the Braves and Giants will be played. The game opens at 8:00 o'clock.

An infected blister can cause lockjaw.

Ceremony Unites Martha Ross And Philip C. Johnson

In an informal double-ring ceremony at 7:00 o'clock in the evening Friday, July 13, Elizabeth Martha Ross, daughter of Mr. and Mrs. Brown Ross, became the bride of Philip Charles Johnson, son of Mr. and Mrs. Philip O. Johnson of Braintree, Massachusetts.

Rev. Herschel L. Thurston, pastor, read the impressive service in the sanctuary of the Central Methodist Church in Dalhart. Rev. Herschel L. Thurston's father, Rev. L. L. Thurston, now retired and living in El Paso, Texas, christened the bride when she was three and a half weeks old, in the Fort Boulevard Methodist Church in El Paso. Rev. L. L. Thurston was pastor of the church of which the bride's maternal grandfather and great-grandfather were members in Oklahoma in 1898, and pastor of the church of which her mother was a member at the time the bride was christened.

Given in marriage by her father, the bride was attired in a sheath dress of navy blue flecked with white. Her accessories were white and her small sequin hat had a brow veil. She wore a white carnation corsage.

Attending the bride as matron-of-honor, Mrs. Homer Blake wore a navy blue nylon dress, with white accessories. Her corsage was of white carnations.

Mrs. Ross, mother of the bride wore a gray nylon dress with white accessories, and a white carnation corsage.

J. G. Voelm of Amarillo was the bridegroom's best-man.

Following the ceremony, the bridal party and wedding guests were honored at a wedding supper given by the bride's parents at Suddarth's Grill in Dalhart. Those attending were the bride and groom, Mr. and Mrs. Philip C. Johnson, and Mr. and Mrs. J. G. Voelm of Amarillo; Mr. and Mrs. Homer Blake and son, Tommy, Mr. and Mrs. Richard Albert and daughter, Sandra, Mrs. H. M. Brown and Mr. and Mrs. Brown Ross, all of Stratford.

The bride attended schools in Dallas and Stratford, and graduated from Mt. Carmel Academy in Wichita, Kansas. She attended Draughon's Business College in Amarillo, and is now employed by Phillips Petroleum Company in Amarillo.

The bridegroom attended school in Braintree, Massachusetts, served in the U. S. Army four years during World War II,

FARMERS ENTITLED TO TAX REFUND

Farmers are entitled to claim a refund of the Federal tax on all gasoline bought and used for farming during the 6-month period January 1 through June 30, 1956, C. H. Bates, extension farm management specialist reminds Texas producers.

Any owner, tenant, or farm operator who buys gasoline for use on a farm may file a claim, says Bates. A farmer may also request a refund of the tax on any gasoline used on his farm by a custom operator or a neighbor in connection with cultivating the soil, or raising or harvesting a crop.

Under the law enacted April 2, 1956, the amount claimable this year is 2 cents on each gallon of gasoline purchased and used on a farm for farming purposes during the first 6 months of 1956. In future years claims will be filed for a full 12-month period from July 1 through June 30.

Claims must be filed on Internal Revenue Service Form 2240. It may be obtained from county agents or District Directors of Internal Revenue. Date for filing for this year's refund is after June 30, but not later than October 1, 1956. The law does not permit payment of claims filed late.

Refund claims must not be made for gasoline used off the farm, according to the specialists, or for gasoline used for other than actual farming purposes, as described in Form 2240. This applies to gasoline used on the highway, for personal use such as mowing the lawn, or for processing, packaging, freezing, or canning operations. Sufficient records should be kept to enable the Internal Revenue Service to verify the accuracy of the refund claimed.

Earl Riffe Wins Guymon Golf Tourney

Earl Riffe, the old master of the links, fired a sizzling eight under par 100 for 27 holes to win the Guymon Invitation Golf tournament Sunday. His score of 31-32 for the first 18 holes set a new course record of 63 for 18 holes, although he slipped to a 1 over par 37 for the last nine, he won by two strokes over his closest competitor, Fred Fagan of Guymon, who finished with a total of 102 for the 27 holes.

It is rumored that the old master had gone into strict training in Colorado Springs for the past week preparing himself by playing golf from an electric caddy cart, a strict milk diet, and going to bed early.

Although his trainers had to work on his legs, rubbing out the cramps and catches for the last five holes, the champ finished strong. One trainer hinted that it might be necessary to "fire" his legs before his next outing.

Other Stratford entrants who finished in the money were H. L. McMahan who finished third with a four under par 104, and Fred Green three under par, 105, for fourth place.

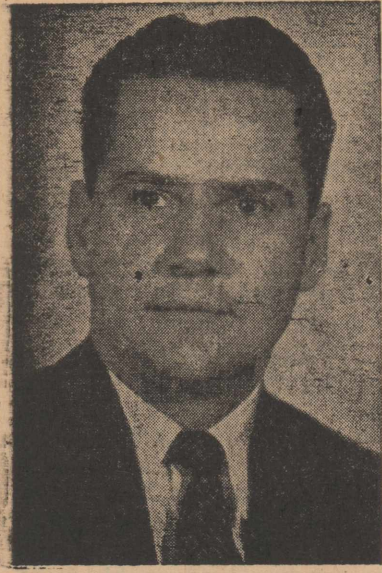

One Guymon fan remarked that Stratford should put in a golf course so that their players could get in a little practice.

and is now in the roofing business in Amarillo.

Mr. and Mrs. Johnson are at home at 410 South Alabama, Amarillo, Texas.

Baby muskies only 2 inches in length feed entirely upon live fish.

WHY Frank McCown

Of Dalhart Merits Your Vote For District Attorney

1. Broad legal experience not restricted merely to Criminal Law.

- * Over five years in general practice.
- * Two terms as County Attorney.
- * Experience as defense attorney before elected County Attorney (KNOWS BOTH SIDES OF THE CASE).
- * Attorney for Local Bank.
- * Attorney for local Real Estate Board.
- * Attorney for Local Federal Savings and Loan Association.

2. Full cooperation against Hot Checkers is included in his positive plan for future action (the only candidate to announce such a plan).

- 1. Prompt, vigorous, effective help to victims of hot checks.
- 2. Regular days in EVERY county to handle complaints, make investigations.
- 3. Available every day to peace officers to help conduct investigations.
- 4. Periodic information aids to the public (like recent one on hot checkers.) Weekly bulletins to help officers keep abreast of new laws, new case precedents.
- 5. Vigorous attention to court dockets to keep them current.

3. Education.

- * North Texas State College, Undergraduate.
- * Graduate Baylor Law School with honors.
- * In constant attendance to all legal institutes to keep abreast with new laws and methods.

4. The kind of public minded Citizen you want in this important Law Enforcement Office.

- * Born in farming community of Whitney, Texas.
- * Married and has one son.
- * Past President, Methodist Men.
- * Twice Vice-President Lions Club.
- * Twice Vice-President Dalhart Jaycees.
- * Past Vice-President and an organizer of Dalhart United Fund.

5. The only candidate who has promised, if elected, to give more personal attention and attendance in EVERY COUNTY.

Vote For Frank McCown For District Attorney (Paid Political Adv.)

Town Talk

Miss Hazel Harris returned home Saturday from West Texas State College in Canyon where she has been doing graduate work.

Mr. and Mrs. Newton Crabtree and Charlie, and Lynn Gaylord visited Mr. Crabtree's mother, Mrs. B. R. Crabtree, in Dalhart Sunday afternoon. They also made a quick trip to Amistad, New Mexico to see their son, Joe.

Miss Minnie Laura Jackson spent the week end visiting in Amarillo with Mr. and Mrs. C. N. Headrick.

Mr. and Mrs. Jim Fox, Lubbock, were week end guests in the home of Mr. and Mrs. John Pemberton.

Mrs. James Gambal returned Monday to her home in Bragg, Colorado after a visit in the home of Mr. and Mrs. Mike Burgess. Mrs. Lena B. Keenan accompanied her to McClave, Colorado where she will visit relatives.

J. G. Voelm, Amarillo, visited Mr. and Mrs. Brown Ross Monday.

Mr. and Mrs. F. L. Yates attended the funeral of Harry Childers in Roswell, New Mexico Wednesday of last week. They were accompanied to Roswell by Mr. and Mrs. Harry Vincent of Texhoma.

Mrs. Barbara Coolidge, Fort

Worth, Texas, and Mr. and Mrs. George Ross Turner, Jr., and children of Hooker, Oklahoma, were week end guests in the home of Mr. and Mrs. Ross Turner.

Don Hyso, Los Angeles, California, a cousin of Mrs. Marguerite Wilson, has arrived in Stratford to spend the remainder of the summer.

Mr. and Mrs. Roy Allen and Mr. and Mrs. Bill Allen returned home last week from a successful fishing trip at Durango and Lake City, Colorado.

Mrs. T. L. Taylor, Patricia and Bobby, Mrs. V. O. Gilbert and Mrs. G. L. Taylor were visitors in Amarillo Wednesday. Enroute home, they visited G. L. Taylor in Dumas Memorial Hospital.

Mr. and Mrs. Don Ellison and two little daughters spent last week end at Amistad, New Mexico with Joe Crabtree.

Russell Albert and Willie Price left Saturday night for Calvert, Texas where they are visiting with Willie's grandmother, Mrs. A. W. Klawetter, and his uncle and aunt.

G. L. Taylor went to Dallas Wednesday of last week for a medical check-up, returning home Friday.

Mr. and Mrs. W. O. Bryant and their niece and nephew,

WHY YOUR CHILD SHOULD BE VACCINATED AGAINST POLIO NOW!

Vaccine given in July and August will prevent paralytic cases and even deaths in August and September.

PUBLIC HEALTH SERVICE REPORT FROM 22 STATES AND NEW YORK CITY IN 1955 --

UNVACCINATED	29.2 cases per 100,000
VACCINATED	6.3 cases per 100,000

A VOTE FOR Experience And Ability

Is A Vote For ARCHIE McDONALD for District Attorney

"It shall be my purpose to vigorously enforce the law" means ALL types of cases to be tried in District Court, not merely "hot check" cases. EXPERIENCE has shown that felony (over \$50.00) "hot check" cases represent a minor portion of cases handled by your District Attorney; that misdemeanor (under \$50.00) "hot check" cases are one of the biggest problems of your County Attorney. Witness the record of cases tried in the District Court of Moore County, 1949-1955:

Assault with intent to murder	2
Assault with intent to rape	1
Attempt to fondle minor child	1
Burglary	11
Child Desertion	19
D.W.I. 2nd offense	12
Forgery	46
Indecent Exposure	4
Murder with malice	3
Murder without malice	3
Malicious mischief (over \$50.00)	2
Rape	1
Robbery	3
Removing mortgaged property	5
Sodomy	4
SWINDLING (INCLUDES "HOT CHECK")	10
Theft	33
TOTAL	160

1949-1955 MISDEMEANOR "HOT CHECK" Cases Tried in County Court

ARCHIE McDONALD successfully prosecuted his first "hot check" case in County Court on Jan. 5, 1949. He has had continued EXPERIENCE with the problem. He has also had ACTUAL EXPERIENCE during the past seven and one-half years in the handling and actual trial of the 17 different type felonies listed above, some of which he has tried alone. There is no substitute for ACTUAL EXPERIENCE AND MATURE JUDGMENT.

(Hear McDonald on KDDD, 12:15 on Friday, July 20) (Paid Political Adv.)

Evening Rains Bring 1.02 To Stratford

Five evening and night showers have brought 1.02 inches of rain to Stratford. Rains over the territory have followed

the same spotted pattern as in recent weeks. A five inch rain was reported south of Stratford Friday night. Other areas had little more than a quarter of an inch. Recordings in Stratford were: Thursday .04, Friday .25, Saturday .18, Sunday .05, Monday .50.

Braves Tumbled Dodgers 15-6

The booming bats of Rommie Feemster and Pat Donelson, and the clutch pitching of Bobby Seaman, paced the Braves to a 15-6 victory.

Jimmy Hudson, Johnny Purgason and Dwayne Pittman also contributed timely hits to help the Braves to their third victory. Bobby Pendleton, Orland Laseley, Larry Farris, Melvin Fowler and Lynn Stephenson did a good job defensively to aid in the victory.

Big guns for the Dodgers were Burkham, Johnson, Garoutte, Brannan, Luther, M. Davis, D. Parvin and Reynolds.

Dean Roper was the big stickler for the Yankees with 3 hits followed by Johnny Steel's two hits.

Curtis Davis was the winning pitcher and Joe Minkley the loser. Danny Haney, L. Allen, S. Tilley, C. Aduddell, J. Minkley and C. Fedric played good ball for the losers.

Kerrick News

The Kerrick Home Demonstration Club met Tuesday, July 17, in the home of Mrs. Robert Elms, with five members

and one visitor present. For the minutes, the rules for being "Woman of the Year" were read. The nominee for "Woman of the Year," was Mrs. Allen Boren.

The demonstration was "Making Jellies," and Mrs. Robert Elms had charge. Refreshments were served to Mesdames Fred McDaniel, Pete Taylor, Kenneth Wells, Allen Boren, Robert Elms and a visitor, Mrs. Bob Sheldon.

The next meeting will be in September.

Mrs. Robert Elms and Mrs. Walker Taylor were Guymon visitors last Monday afternoon.

Homer Boren, son of Mr. and Mrs. Allen Boren, left last Wednesday morning for Memphis, Tennessee, where he will attend Naval school. His address is: Boren, H. W. 489 7654 A.T. "A" Sch. Wing 4, Memphis, Tennessee.

Mrs. Clyde Harbour and Donna were Amarillo visitors Tuesday.

Mrs. Fred McDaniel and Mike returned home one day last week from a visit with her parents, Mr. and Mrs. Myron Leedy of Junction City, Kansas. Patti remained for a longer visit. Also visiting in the Leedy home were Mrs. Dave Harvie and Mrs. Edna Sutherland of Vancouver, British Columbia, Canada.

Mrs. Harvie, 80 years old, is a great aunt of Mrs. McDaniel's, and this was their first meeting. Musky eggs hatch in two or three weeks and the young grow to 2 inches in length in five or six weeks.

State Capitol Highlights

(By Vern Sanford)

Reunions, rodeos, fishing trips. From now until school starts, vacationing Texans will take to the highways by the thousands.

They are likely to find the roads more crowded than at any time in the state's history.

From year to year, total traffic volume has climbed steadily. Highway Department surveys show. In addition, vacation months bring a steep jump.

August especially is a headache for the Department of Public Safety. Accident rates climb sharply. During the past five years August accident rates have been from 3 to 27 per cent higher than in July.

"People try to over-drive on a long vacation trip," says Asst. Chief C. G. Connor of the Texas Highway Patrol. "Fatigue is a particular problem. Speed is another."

They can't do much about people who drive when they're too tired, Connor admits. But something can and has been done about speed.

"Installation of radar detection devices has had a tremendous impact on driving practices," said Connor.

Studies made before and after radar use was begun on state and federal highways in November, 1954, show: (1) excessive speeding dropped from 11 to 15 per cent, (2) accidents dropped 3.4 per cent and (3) deaths dropped 1.9 per cent.

During the same period accidents on the non-radar patrolled stretches, farm to market roads, city streets, etc., climbed 13 per cent. A similar increase could have been expected on the state and federal highways, Connor believes, especially since total mileage increased also, nearly 5 per cent.

Had normal trends continued, 181 more lives would have been lost in 1955.

Operation Alert Scheduled Would Texans know what to do if atomic bombs fell? To find out, a full-scale drill will be held July 20.

Five key areas, Houston, El Paso, Austin, Waco and Fort Worth-Dallas area, will be assumed hit by bombs between 11 a. m. and 1:30 p. m. that day.

Smaller towns and rural areas also will participate in Operation Alert. Many have been designated as reception centers for evacuees from cities.

State Civil Defense and Disaster Relief Headquarters in Austin has asked all mayors, county judges and other local civil defense officials to cooperate.

Strategic industrial centers, such as Beaumont-Port Arthur, will practice evacuating plants and schools. Military bases will test their full-scale emergency measures. Purpose of the drill is to show up any flaws in the plan where by federal, state and local officials and trained volunteers would cooperate to cope with a major catastrophe.

Nationally, Operation Alert will presume 52 cities bombed. FCC has ordered all radio and TV stations off the air at 3:10 p. m. July 20. Special civil defense frequencies, 640 and 1240, will be used for test broadcasts of disaster instructions.

Physical Ed Teachers Reassured Physical education teachers won't be out of jobs if proposed new high school graduation requirements are adopted.

Commissioner of Education J. W. Edgar clarified the plan for alarmed teachers. Physical education and health courses still are required by state law, he said.

A State Board of Education study committee recommended they no longer be counted among the 16 units required for graduation. Committee suggestions were part of an overall effort to strengthen high school curricula academically, especially in scientific studies.

Vaccine For Adults Seen Soon Texans over 20 may be able to get polio vaccinations within "a month or two."

But, said State Health Department officials, this is still "purely speculative." Actual timing will depend on when the vaccine supply exceeds that needed for youngsters and ex-

pectant mothers.

In Texas, polio takes its heaviest toll among tots under four years old. They have 51.2 per cent of all cases, 69.1 per cent of paralytic cases.

Persons over 20 account for only 17.4 per cent of total incidence, 6.8 per cent of paralytic cases.

Forty-one new cases were reported in the state last week, bringing the '56 total to 440.

Worse And More Of It More and more Texans have less and less water. In its monthly report, the State Water Board listed these gloomy details:

Texas reservoirs were down 17 per cent, and observation wells and springs were at all-time lows. Storage in Trinity River basin lakes was at 27 per cent of capacity; in Red River lakes, 55 per cent; in Lake Texoma, 51 per cent.

Famous Comal Springs near New Braunfels ceased to flow for the first time in history. Ground water levels, below average in almost all areas, hit record lows in four areas. No general area of the state could claim normal rainfall. Statewide precipitation was 46 per cent of normal.

The scientific name for raccoon is Procyon lotor and means "the little dog with the washing

habit."

There is no lack of game for hunting in this country. Except for the herd animals like buffalo and certain birds, there is more game available now than ever before.

A baseball game lasts nine

innings. A football game lasts four quarters. Even poker games usually break up before the hands round the clock. But hunting and fishing are sports that last all day.

FACTS AND FIGURES on "casualties" and "damage" to target areas have been fed into an electronic computer such as this for Operation Alert 1956 to get a lightning-quick picture of the bomb-damage assessments in the 76 target areas throughout the nation. Evaluated data from target areas goes by wire to the operations room at FCDA Headquarters. (U. S. Air Force Photo)

On the Alert, 1956

DAMAGE RINGS for Philadelphia-Camden "blast" are plotted during last year's Operation Alert, just as they will be this year, in concentric rings from the point the bomb hits. In addition to simulated bomb "casualties" in the 1956 Alert, the Civil Defense directors will seek to minimize fallout "casualties" by swift shelter commands on the basis of predicted and monitored fallout patterns. (Battle Creek Enquirer and News Photo)

Nationwide Test To Be July 20-26

For seven days in July, Operation Alert 1956 will confront civil defense planning with the type of problems that would arise out of a mass nuclear attack on the U. S.

THE THIRD ANNUAL training exercise, scheduled for July 20-26, will enact on a nationwide stage some of the civil defense measures which would be taken if this nation were suddenly attacked by bombers and submarines capable of wiping out millions of persons and dozens of cities in a day.

Plans call for 76 cities, air bases and Atomic Energy Commission installations to be hit by 125 mythical nuclear bombs. These would include 39 hydrogen bombs rated as high as 5 million tons of TNT equivalent each. More than 30 Federal agencies will cooperate by evacuating key employees and operating from emergency sites. Coordinated by the Federal Civil Defense Administration, State and local CD organizations will carry out training exercises as if the attack were real.

JUNIOR SPACEMAN and Davy Crockett were among the two-thirds of the population of Bangor, Maine, which took part in a test evacuation during Operation Alert 1955. The test was typical of the ways local communities are expected by the Federal Civil Defense Administration to tie in their local civil defense training with Operation Alert 1956. (Courtesy Young's Photo Service, Brewer, Me.)

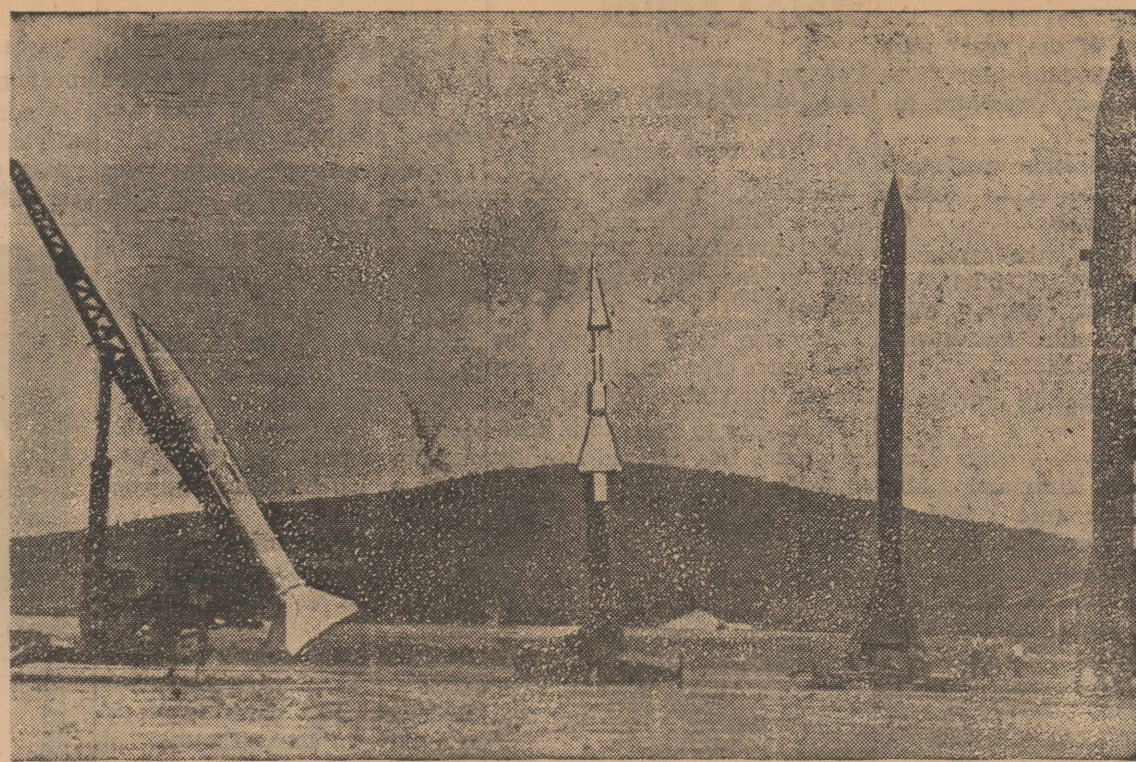

EMERGENCY HOSPITAL scenes like this would be duplicated across the nation if the assumed toll of "dead" and "injured" during Operation Alert 1956 were not merely "paper casualties." The 200-bed emergency hospital, including part of the sorting (triage) area shown here, has been designed by the FCDA to be moved into disaster areas and set up on short notice. It is complete with X-ray, operating room and other usual hospital equipment. (FCDA Photo)

Mrs. Watson Honored On Birthday

Mrs. C. T. Watson was a very, very surprised lady Tuesday at 3:00 o'clock when a group of friends gathered at her home for a party, in honor of her birthday. Mrs. Hollis Harrington baked the large chocolate birthday cake on which was written with yellow icing, "Happy Birthday, Frances." It was

very surprised lady Tuesday at 3:00 o'clock when a group of friends gathered at her home for a party, in honor of her birthday. Mrs. Hollis Harrington baked the large chocolate birthday cake on which was written with yellow icing, "Happy Birthday, Frances." It was

surrounded by roses and bells of Ireland on a large cake plate. As the honoree cut the cake, the guests sang, "Happy Birthday." Coffee was served with the cake.

Some of Mrs. Watson's friends were unable to attend the party, but sent gifts or called during the day. Among those who made Mrs. Watson's fifty-first birthday a happy one on which she received many lovely and useful gifts, were Mesdames W. E. Cummings, Dick Diehl, Leonard Plunk, Jodie Reesing, Hollis Harrington, Demus Eller, J. W. Flores, Frank Judd, Paul Adudell, George Skillin, L. E. Bonar, Fred Poole, Bessie Mitchell, Brown Ross, Houston Cates, Dorothy Price, James E. Powell, Earl Albert, Richard Albert, Misses Jeannette Eppstein, Amarilly Gibbons, the honoree's two grandchildren, Jamie and Butch Powell, and three young boys, Dick Diehl, Jr., Dennis and Charles Plunk.

Priscilla Club Party News

(By Club Reporter)

Dear Aunt Sally:

Did you ever see it so dry and hot? This heat must be good for something but I don't think it's me. Well, anyhow, heat and all, and an especially windy day was Tuesday. We all swarmed in on Frances Browder and for the second time this year, all were there.

It really seemed like Christmas so many received gifts and such pretty ones. Twila Blanks was tickled pink over the beautiful brown table cloth which will be so pretty with her new china. A pink canister and condiment set that will just match her new kitchen had Mary Bolton's name on it. Nell Craig was the recipient of a pair of brass wall planters (she can put them up high enough the girls can't reach them) and I just know both Nell and Little Jayme will get a lot of good out of the six piece child's silver set Jayme received. It was also rumored something was included for papa but I couldn't say what it was.

Frances received a very handy coffee warmer and she and Ray a hammer. Everyone said she asked for it, what with being so friendly with skunks and what not.

A tiny bottle of real perfume was Betty's gift, "cause she was so sweet," the card said.

Wanda Ferguson is our new member and we are real happy to have her. She and Mary will soon be all straightened out in their new homes. Wanda has the cutest little blue eyed baby girl who is just starting to go everywhere. Because of Carrie Lee, we are placing Syble, who is really her great aunt, in the grandma class along with Mary Belle and Velma. It has some compensations, you can usually sit in the easy chair and rock.

Ruth Morris is looking for all to see her Tuesday, July 24. She thinks she will be all rested up from her trip to Fort Worth by then.

Ada Mae is one busy person at club. Nancy may not have got in the grove quite as soon as some of them but she "sees all" and wants to experiment with everything now.

This will probably be the last time Frances entertains us for awhile. They are moving to Austin in August to put R. A. in school. Some of the rest of us are so tired we would almost welcome a move if it would cut our working hours some.

Aunt Sally, I've got to run (it seems I'm always in a rush, doesn't it) this is Bible Study day and I must not be late to class.

Be seeing you at Ruths. Love, Mary.

Christian Church

(Cryder Brayshaw, Minister)

"Get Out The Vote" — Bible School Goal — 202. Bible School 9:45 a. m. Lesson: "We Belong To A Great Company."

Morning Worship 10:45 a. m. Speaker, Frank Sutton, M.C. Dee Brannan.

Special music, duet, "The Shepherd of Love." Mrs. Madge Lowe and Mrs. Norval Davis, accompanied by Mrs. Frank Sutton.

The Lord's Supper will be observed at this hour. Acts 20:7. Youth Meetings at 6:30 p. m. Leader for Chi Rho, Carol Smith.

Evening Church Service will be in charge of the youth. They have planned their service and I am sure it will be a fine one. You should be present to back the youth.

Bible study and prayer service Wednesday evening 7:30. Study the 2nd chapter of II Timothy.

Family Camp At Ceta Glen begins Sunday, July 29, and will continue through August 1. We have several planning to go for camp. We would like to see Stratford well represented.

C.Y.F. News

The C.Y.F. certainly wants to thank the congregation for cooperating to make the ice cream and cake social a success. A total of \$50.00 was received from the free will offering.

Next Sunday, it has been planned to discuss the C.Y.F. Convention to be held in Fort Worth August 8 to 11. It is hoped that all the C.Y.F.'ers can go.

The C.Y.F. met Monday and Thursday nights to plan and practice for the evening service for the 22nd, as the minister and his family plan to be away.

Circle Two Meets In Williams Home

Circle No. 2 of the First Christian Church met at the home of Mrs. Warner Williams July 11, with Mrs. R. C. Buckles as leader. Eleven members were present.

The next meeting of the circle will be in the home of Mrs. Bob Pendleton August 1 at 2:30 p. m. with Mrs. Sam Calvird as leader.

Mr. and Mrs. Gordon B. Fedric are parents of their second son, Keith Douglas, who weighed nine pounds six ounces. He was born June 28 in Dumas Memorial Hospital. The paternal grandparents are Mr. and Mrs. Byron Fedric, and the maternal grandparents are Mr. and Mrs. Sam Cunningham.

CARD OF THANKS

I wish to thank each and everyone for the beautiful flowers and cards sent to me during my illness in the hospital; also those who visited me. I appreciate it very much. Thank you again.

Mrs. Ray Gore

TO THANK YOU

I wish to thank my friends and relatives for the cards, flowers and visits while in the hospital and since my return home. They made the hours seem shorter.

Dan Foreman

EXPRESSION OF THANKS

We wish to thank all our friends and relatives who so kindly remembered us with cards, letters, flowers and personal visits during our stay in the hospital and also in our home during our illnesses. Your kindness will never be forgotten. May God bless each of you.

Mr. and Mrs. G. L. Taylor

Among The Sick

Mrs. G. L. Taylor returned to Amarillo Wednesday, where the doctor removed the bandage from her eye which was operated on three weeks ago, and she reports that she can see better than she could before the operation.

G. L. Taylor was admitted to Dumas Memorial Hospital as a medical patient Sunday. He continued to run a temperature Wednesday, but it is hoped he will be able to return home in a few days.

John Worley, son of Mr. and Mrs. Lee Worley, underwent surgery in Coon Memorial Hospital in Dalhart Wednesday for removal of a blood clot in his leg.

Mrs. Dave Taylor is on the sick list this week.

Roscoe Dyess went to Halstead Saturday for a medical check-up, and returned home Monday. He was accompanied by his wife.

Mr. and Mrs. Joe Brown returned home Sunday from Halstead, Kansas where Mr. Brown recently underwent surgery. He is reported to be doing nicely. Baskin Brown went to Halstead and brought his parents home.

Mrs. Truman Ward returned home Friday from Dalhart where she recently underwent an appendectomy. She is "feeling fine."

There is still a possibility that Dale Blazier of Miles City, Montana, may have to undergo surgery. His mother, Mrs. Besie Hodges, went to Miles City Sunday to be with him and his

family. Mrs. John Harrison was taken to Dumas Memorial Hospital Tuesday.

20th Century Circle Meets With Mrs. Buckles

The Twentieth Century Circle of the First Christian Church met Wednesday, July 11, at 2:00 p. m. in the home of Mrs. R. M. Buckles.

Tentative plans for the year were approved. The devotional was given by Mrs. Elmer Oquin. The lesson, "Paul's Childhood and Student Days," was given by Mrs. Harold Oquin.

The group voted to have a covered dish luncheon in the home of Mrs. Orland Lasley for their August meeting. Extensive discussion was held on the forthcoming service projects for the new year, as the circle will meet one Wednesday of the month and work on the projects.

Delicious refreshments of angel food cake with fresh strawberries were served by the hostess, Mrs. Buckles, to members, Mrs. Elmer Oquin, Mrs. Harold Oquin, Mrs. Orland Lasley, Mrs. Dave Cain, Mrs. Sam R. Lasley, Mrs. Norval Blake, Mrs. Claude Fedric, Mrs. Harold Baker and Mrs. Roy Mitchell.

Mrs. Standefer Hostess To Mary Ethel Circle

The Mary Ethel Circle of the First Methodist Church met in the home of Mrs. R. W. Standefer Wednesday, July 11, at 2:30 p. m. Mrs. Standefer presided in the absence of the chairman, Mrs. Joe McAdams. Mrs. M. Dortch and Mrs. Herman Lavake presented the devotional. Mrs. O. L. McMinn presented the program on the "Quadrennial Goals" with each member reading a scripture.

Those present were Mrs. H. V. McDonald, Mrs. Alfred Pronger, Mrs. O. L. McMinn, Mrs. M. Dortch, Mrs. Herman Lavake, Mrs. Ernest Cummings and the hostess, Mrs. Standefer.

Star Club Ladies Entertain Families

Members of the Star Home Demonstration Club entertained their husbands and children at the park Tuesday night.

The occasion was the annual party featuring "Outdoor Cookery."

Those enjoying the evening were Mr. and Mrs. Richard Albert, Sandra, Lane and Debra; Mrs. Harold Bennett, Hal and Pam; Mr. and Mrs. Roscoe Dyess, Bill, Ernie and Ellen; Mr. and Mrs. Bill Keener and Billy; Mr. and Mrs. Raymond Keener and Grant; Mr. and Mrs. Arthur Judd, Sonny and Gay; Mr. and Mrs. Earl Kirkwood and Karl; Mr. and Mrs. Tommie E. Wakefield and son; Mr. and Mrs. Gene Stinson; Mr. and Mrs. Leroy Judd and children; Mr. and Mrs. W. R. Scarph; Mr. and Mrs. T. L. Wakefield; Mr. and Mrs. Warner Williams; Mr. and Mrs. Alfred Pronger, Jana and Freddie.

The next meeting of the club will be August 7 at 2:30 p. m. at the home of Mrs. Raymond Keener.

Group 3 Meeting In Folsom Home

Group 3 met in the home of Mrs. Arthur Folsom Wednesday, July 11, at 2:30 p. m. with 7 members and one guest present.

The meeting was opened by the leader, Mrs. Arthur Folsom, followed with prayer by Mrs. Lyon. Mrs. T. L. Wakefield

"HOWDY TO HOME FOLKS"—Democratic governor candidate Ralph Yarborough (at right), waves a "howdy" to hometown friends from the steps of Chandler's First Baptist Church, after a Sabbath pause in campaigning. At center is the Rev. Ed Lewis. At left are Richard Yarborough, the candidate's son, and Mrs. Yarborough.

gave the devotional and prayer, after which she gave a very interesting lesson from the first two chapters of the book, "Paul, His Life and Teaching." The lesson was enjoyed by all.

A short business session was held. Mrs. L. L. Lyon was chosen as Secretary-Treasurer and reporter. There were seven books reported as being read, four devotions, \$6.50 collected.

The next meeting will be with Mrs. Elmer Hudson, August 1, at 2:30 p. m. with Mrs. A. L. Sutton as leader and Mrs. E. Hill as devotional leader. It was moved and seconded to have the devotional and collection at the beginning of the meeting.

The meeting was dismissed with the Missionary Benediction. The hostess then served lovely refreshments.

WMC Meets At Church

The WMC and Missionettes of the Assembly of God Church met in the auditorium of the church Wednesday afternoon of last week. Opening prayer was given by Mrs. J. L. Adams. A chorus sang, "Love, Wonderful Love." Mrs. J. N. Foster conducted the devotional. The

scripture reading was taken from Colossians two, fifth and tenth verses, and Jeremiah two, thirteenth verse. "All That Thrills My Soul," was sung by the group. Mrs. K. M. Horn made the closing prayer.

A short business session was held at the close of the meeting.

Those present were Mrs. Bob Goodwin and daughter, Mrs. K. M. Horn, Joyce and Glinda, Mrs. Dewey Newborn and daughter, Mrs. J. N. Foster and Marlene, Mrs. Leroy Judd, Donna and Faith, Mrs. J. L. Adams and Alta Mae.

Highway 54 Fall Convention To Be At Nevada, Missouri

R. L. Ward, president of the National Highway 54 Association, announces from El Paso, the association will hold its fall convention at Nevada, Missouri some time during the month of October. The convention city was selected at a meeting of the association board of directors held in El Paso Saturday. All states the highway passes through except Illinois were represented at the El Paso meeting.

Sunray Man At Ft. Hood

Cadet Ralph C. Green, son of Mr. and Mrs. Arlie Green of Sunray, Texas, is receiving six weeks of training this summer at Fort

Hood, Texas under the Army's ROTC program.

Training which ends August 3, includes weapons firing, tactics, and bivouacs. Green, a 1953 graduate of Canyon High School, is attending West Texas State College. He is a member of Kappa Kappa Psi fraternity.

HAZLEWOOD SUPPORTS FARM INTERESTS

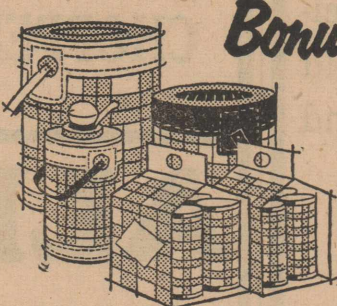

Excerpts from Grain Producers News Indicate Farm Support

No one will deny that there is a distinct advantage in having Legislators . . . with interests common to ours. Mr. Hazlewood . . . has demonstrated his intense interest in the problems of the High Plains Farmer.

Mr. Hazlewood was Chairman of the subcommittee that killed the attempts to take away the gasoline tax refund to farmers and other non-highway users. He vigorously opposed and helped kill the underground irrigation water bill which would have compelled every farmer to go to Austin for permits to drill wells, as well as show . . . that water is going back into the ground as fast as it is being taken out.

Dr. J. A. Hill, writing for a Panhandle newspaper, said of Grady Hazlewood, "As a member of our highest state lawmaking body, Grady Hazlewood has far more courage than the average. He is not clay in the hands of self-seeking potters. He has convictions and stands by them . . . He has great faith in the common people. Born and reared in a farm and ranch environment . . . he understands the minds and hearts of the people he serves . . ."

"A PROVEN RECORD IS A GOOD THING TO TIE TO" . . . VOTE FOR THE RE-ELECTION OF SENATOR HAZLEWOOD - JULY 28!

Child Drowns In Conchas Lake Mishap

TUCUMCARI — Janice Lynn Woodruff, 4, fell from a boat and drowned Saturday evening in Conchas Lake, 14 miles east of here, while her parents fished just a few feet away.

Mr. and Mrs. L. A. Woodruff of Hereford were fishing from a dock and the child and her brother, Kenneth Loyd, 8, and one sister, Linda Diana, 6, were playing in a boat that was tied about 10 feet from the parents.

The brother in the boat with the little girl discovered that she was missing between 7:10 and 7:15 p. m. and told his father. Woodruff went to the family car to see if she was there and then asked several people on the shore if they had seen the child.

After he failed to find the child, the Corps of Engineers was notified and when its search of the area failed to locate the girl, state and county officers were called in and dragging operations were begun.

The body was recovered from about 25 feet of water and 40 feet from shore at 11:25 p. m. Saturday by Sheriff A. P. Garnett and game warden Tommy Rogers, who were part of the large search party which dragged the section of lake where the child disappeared.

Other than her parents and brother and sister who were in the boat, she is survived by one other sister, Barbara Jane, 1; grandparents, Mr. and Mrs. F. W. Boney of Sunray and Mr. and Mrs. W. H. Parks of Durate, California.

Woodruff is an employe of the Texas Highway Department. The family went to Conchas Lake Friday for a vacation.

Rites Held For Artho Infant

HEREFORD — Funeral services for Daniel Gene Artho, 21-month old son of Mr. and Mrs. Elroy Artho, were held at 9 a. m. Monday in St. Mary's Catholic Church in Umbarger with Father Prosper, O. S. B. officiating. Burial was in St. Mary's Cemetery in Umbarger.

The child suffocated in his home nine miles west of Dawn Saturday afternoon when he crawled off the bed where he was supposed to be taking a nap.

When his mother found him his head was caught between the solid wood part and the cross piece at the top of the footboard. Nurses at the Deaf Smith County Hospital, where the child was taken, said the infant's shirt button was apparently pushed into his larynx and caused suffocation.

The child was born October 30, 1954. Besides his parents, he is survived by three brothers, Raymond, 7, Arnold, 4, Edward, 3, and a sister, Janet, 6; grandparents, Mr. and Mrs. Paul Artho of Dawn and Mr. and Mrs. John Irlbeck of Canyon.

The baby was the nephew of

Ted Irlbeck of Stratford who with his wife and baby attended funeral services in Umbarger. They returned home Monday night

Warn Children Of Sitting Close To TV

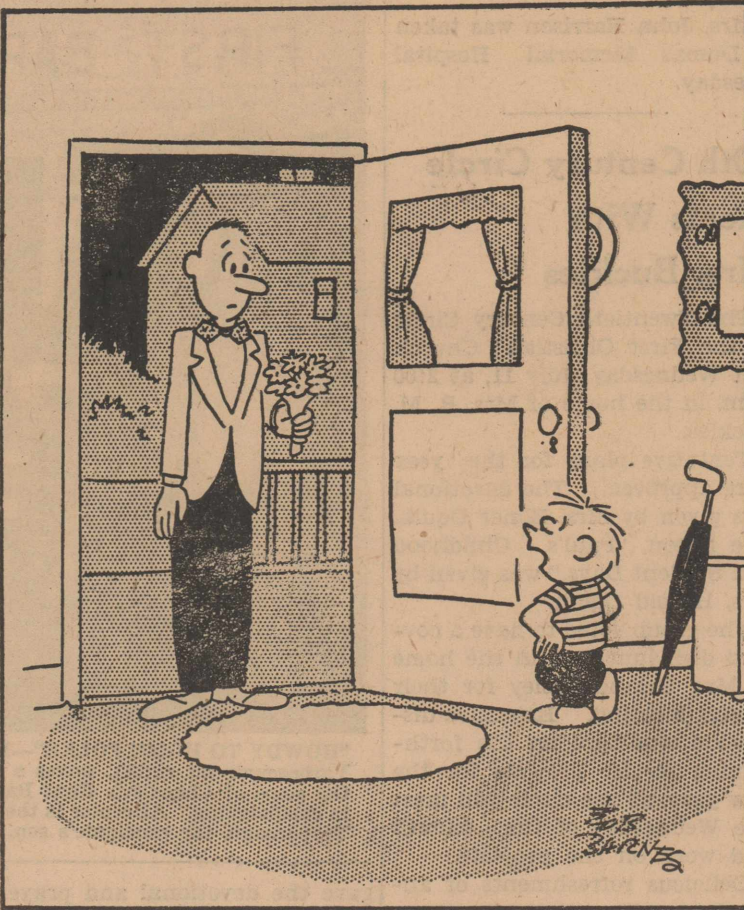

E. R. "Red" Slocum, UTOO Executive Director, issues this warning to children who sit too close to the TV sets in their homes. "It wasn't mentioned in the atomic energy commission's report on radiation, but common TV sets may give off harmful radiation. Black-and-white picture tubes produce a "soft" X-ray radiation through the face plate. "Soft" rays are the worst kind, because they are absorbed by the body. However, they dissipate readily and are not dangerous except at close range. Experts claim that three feet is a safe distance to watch TV without risk of harmful radiation. The larger the TV set, of course, the greater the danger. Radio Corporation of America has issued a handbook for TV repairmen, warning: "X-ray radiation is produced by the 21-inch tube when it is operated at its normal ultor value. The radiation is through the faceplate and is sufficient to require the adoption of safety measures in TV receivers. Shielding such as that provided by a 1-4 inch thickness of safety glass in front of the faceplate should provide adequate protection against personal injury from prolonged exposure at close range." When this tube is being serviced outside the TV receiver cabinet, the RCA handbook warns, "it should never be operated without requiring adequate X-ray shielding in front of faceplate." Large screen projection tubes, such as used in theatres to show TV fights, can give off dangerous amounts of radiation. The audience is usually protected, however, by lead plates or other barriers. A large dose of X-ray radiation, absorbed by the body over a long period, can produce such harmful effects as cataracts on the eyes, malignant tumors and even leukemia. Ordinary commercial TV receivers aren't likely to cause any of these dreaded results, though they may add to the body's X-ray intake. Main danger to the average TV viewer would come from a set in need of repair. As a precaution, children should also be kept from sitting too close to the TV set."

New Employees At Courthouse

Mrs. Bessie Stone has accepted a position as a radio operator in the sheriff's office. She replaces Frances Farris who resigned to make plans for her approaching marriage.

Mrs. Mary Nan Wakefield has accepted a position as a clerk in the county agent's office. She fills the vacancy caused by the resignation of Mrs. Darrell Cotney.

LAFF OF THE WEEK

"She told me to tell you she went out with Tom . . . You'll find her out on the back porch with our cat."

Foot trouble afflicts 65 men in every 100.
