"On To Groom, Tame The Tigers

Elks To Play In Conference **Title Game Friday**

Stratford Elkls will play the Groom Tigers Friday at 7:30 p. m. at Groom to determine the District 1-B championship. The Stratford Elks and Groom Tigers have records which match about as evenly as it is possible for two teams to close the season. Both Stratford and Groom have played nine games. Each of the team's first game was a non-conference game. Stratford lost to Boys' Ranch. Groom played their first nonconference game to a tie. Each team has been undefeated in six conference games. The Elks have scored 150 points in conference games against their opponents 13 points. Groom Tig-ers have scored 165 points against their opponents 19 points. The average weight of the Elk line is 160 pounds as compared to the 176 pound average weight of the Groom line. In the backfield the Elks have a 147 pound average as compared to the Tigers 140 pound average. The Elks have an average weight of all players of 155 pounds as compared to a 163 pound average for the Tigers.

in the third quarter. Neal con-verted, and wound up the scoring at 47-0.

The summary: First downs. Stratford 20, Follett 2; rushing yardage, Stratford 358, Follett 25; passing, Stratford completed 2 of 3 for 32 yards, Follett none of 6; punting, Stratford punted 3 times for an average of 30 yards, Follett, 7 times for an average of 31 yards; penalties, Stratford 12 for 150 yards, Follett 2 for 30 yards.

Friday night at 7:30, the Stratford Elks will tangle with the Groom Tigers at Groom. Stratford and Groom are both undefeated in conference play, and this game will decide the District 1-B championship.

FIRST GRADE NEWS (By Darla Galloway)

Due to the many other events occurring Hallowe'en week, we orgot to mention the very nice Hallowe'en party our room mothers gave the room. They also gave a party to those

vho had birthdays in October. They were Jack Newcomb and Sandra Lasley. Mrs. DeBord gave her daughter, Barbara, birthday party November Teacher — Mrs. Reaves.

SEVENTH GRADE NEWS (By Darla Galloway)

We had a skating party Thurs-day at Guymon. We want to thank the room mothers, Mrs. Gore and Mrs. Baker, for taking us. There were thirty-seven grade students present, also, five guests, Mr. Baker, E. H. Baker, Billy Baker, and Mr. and Mrs. Teague. Mr. Teague drove the bus. We had a fine time. There were several who didn't know how to skate, but soon learned.

EIGHTH GRADE NEWS (By Darla Galloway)

The football season is at close and basketball season is opening. Our first basketball game will be the twenty-second. We play Texline there, both girls and boys teams will play. The twenty-sixth we play Spearman We wish them lots of here. "Luck" and hope they win them all.

Monday we have our pictures taken. Don't anyone forget!

Let Us Replace That Sand Pitted Windshield Glass

A clear windshield glass may enable you to avoid accidents which could be both painful and expensive

GLASS IN STOCK FOR MOST ANY MAKE OR MODEL OF CAR **C&E** Paint & Body Shop

Announcing the most glamorous car in a generation!

You never looked or felt as good in anything before!

Other cars have changed models . . . this one changes motoring. Look at its rich, racy lines . . . at the long, low silhouette . . . at the dramatic upsweep of the rear fenders that plume back from the waist like the wake of a hydroplane. It's a streak of a car with the elegance of the boulevard and the spirit of the speedway.

Get into this car, drive it into traffic or out on the open highway and you enter a new domain of travel. In the 1957 Chrysler, with its new Torsion-Aire Ride, motion has a new "feel". And wait till you toe the throttle. A new Pushbutton TorqueFlite Transmission teams with a mighty airplane-type V-8 engine, developing up to 325 horsepower, to give you a new high-velocity. getaway, matchless passing power when you need it.

Come in this week and visit our showrooms. See and drive the most completely new car of the year!

Torsion-Aire Ride pours the road under you!

Try Chrysler's new Torsion-Aire Ride and you'll think some of the laws of gravity, motion and inertia have been suspended in your favor. No more rock and roll. No more pitch when you stop. Chrysler's new torque rod suspension and lower center of gravity give you a brand new ground-skimming "feel" of the road. The wheels ride the contours but you don't. The road just pours under you.

STUDY DAY (By Betty Bradley)

There are a lot of students in High School that would like to be on the basketball team or join some of the clubs, but they live in the country, and have no way to get to town. In Mantee Day on every Wednesday.

On Study Day they do hours every Study Day.

it would be more of a fun day in time of emergency instruc-D or an F average has to work on that subject for at least one hour, on Study Day with the teachers help. The students In leaving and entering the have found that Study Day is a building you should be listening good time to catch up on their required reading. · Study Day gave the school a chance to offer new subjects. To the students that had time and

were interested, they offered courses such as consumer education and business. Aptitude and preference tests are given to help the students learn what ber it is up to you. jobs they are best suited for.

Study Day would be an excellen day for field trips. I have heard a lot of complaints such as, "I just can't pass Algebra (or English, biology etc.)" If we had a Study Day the students would have no excuse for being on the failing list. Coaches, this would keep more football player on the eligibility list.

My parents are very good a- the game of life? How many bout bringing us into town for parents take the time to ask school activities, but some parents refuse to take time and making good grades? How money. I know my parents and many of us really teach our children the basic fundamentals a lot of other rural parents would appreciate the savings in time and money a Study Day at Stratford High School would twenty students you have twengive them.

RESPECT

(By Jean Spurlock)

Have you ever thought about respect? Respect is something everyone should have. Respect is to be desired by everyone.

Respect has to do with every vocation. To be respected, person has to be honest, sincere, and kind. All in all, a person who has a well rounded person-

He then played two years as a Civic Opera Co., and Wichita Falls Symphony. The next two years he taught school in Texas. He then came to Stratford, where he has been teaching for two years.
