## Cub Scouts Battle For Honors In Palava Athletic Events

Cub scouts, trained to compete in outdoor athletic events, battled for honors in the athletic events held on the concrete floor of the coliseum in Amarillo at the annual Palava held Saturday. Wet grounds forced the scout packs to stage their events in Fair Park instead of Elwood Park as had been planned.

The Palava events included a tug of war for cubs over and under 70 pounds in weight, a ball throwing contest for 8, 9 and 10 year old boys, scout yells, a 75 yard dash for 8, 9 and 10 year olds, sack races and hoop races.

Stratford cub scouts made good showings in the tug of war for boys weighing over 70 pounds, in the ball throw for 10 year olds, in the sack race and in the hoop race although they failed to attain winning places.

The crowd was divided during the noon hour with some picnicking in the park and others eating in the coliseum. At 1:00 p. m. the 23 Stratford cubs took their places in the coliseum to participate in the events.

Cub Scouts attending the Palava included: Buddy Riggs, E. H. Baker, Allen Wells, Lynn Stephenson, Donnie Parvin, Lanny Harris, Stephen Seaman, Don Roper, Danny Brannan, Terry Tillery, Dennis Plunk, Charles Plunk, Steve Dettle, Jimmy Gupton, Donnie Woolsey, Rusty Thompson, Orland Lasley, Johnny Brannan, Kenneth Gupton, Marshall Ottinger, Terry Mathews, Jimmy Hudson, and Wesley Willey.

Den Chiefs attending were: Cleo Aduddell, Gary Garoutte, and Dean Roper.

## Daughters Fete Mothers At Banquet

A Mother-Daughter banquet was given Saturday night at 9:00 p. m. in the cafeteria of Stratford High School, by members of the Homemaking Department, honoring their mothers.

Three tables, joined at one end to a head table, were covered with white, with the beautiful 18 inch by 28 inch cake centering the head table. The club's colors, red and white, and the club flower, the red rose, were used in table decorations. The cake was white, decorated with red roses, and centered with a 15 inch high white archway, entwined with red roses. On one corner of the cake, standing near the word "Mother," was a doll with one arm outstretched toward the opposite corner, where sat "Daughter," with both arms reaching toward the mother. On this table, crystal holders held red candles and white candles. Candle holders on the other tables were white and held a tall white taper with a shorter red candle on each side. Gifts which were presented to the honorary guests were wrapped in white paper and centered with a red rose made of ribbon, and placed at intervals in the center of the tables between the candles. Little dolls, representing pixies, dressed in red and wearing red nylon wings, were used as favors. Place cards were white with the F.H.A. emblem in red. The programs were covers of white crystalline, bearing the words "Mother-Daughter Banquet, Stratford, Texas, were centered with two red roses, and were decorated with red cords and tassels.

Isla Jean Spurlock, valedictorian of the graduating class at Stratford High School, has been given the annual award of The Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community, it was announced today by H. T. Galloway, principal.

Miss Spurlock will receive an honorary subscription to The Reader's Digest for one year and an engraved certificate from the Editors, "in recognition of past accomplishment and in anticipation of unusual achievements to come."

The Reader's Digest Association has presented these awards yearly in senior high schools throughout the United States and Canada to the highest honor student of the graduating class.

## Senior Portraits (By Wilma Jean Sneed)

In the following two weeks I hope to present the Stratford Star readers with a portrait of our graduating seniors' plans when they leave Stratford High School.

Cynthia Reed was born on July 13, 1939. She has attended Stratford Schools since her school life began in 1945. Cynthia has been a very intellectual student with high grades. She will graduate with one extra credit, which will give her a total of eighteen credits. Cynthia plans to attend Texas Technological College in Lubbock. Her present plans are to major in elementary education. I am sure that I can speak for all Juniors, as well as Sophomores and Freshmen in saying we will miss Cynthia around the halls of Stratford High School next year.

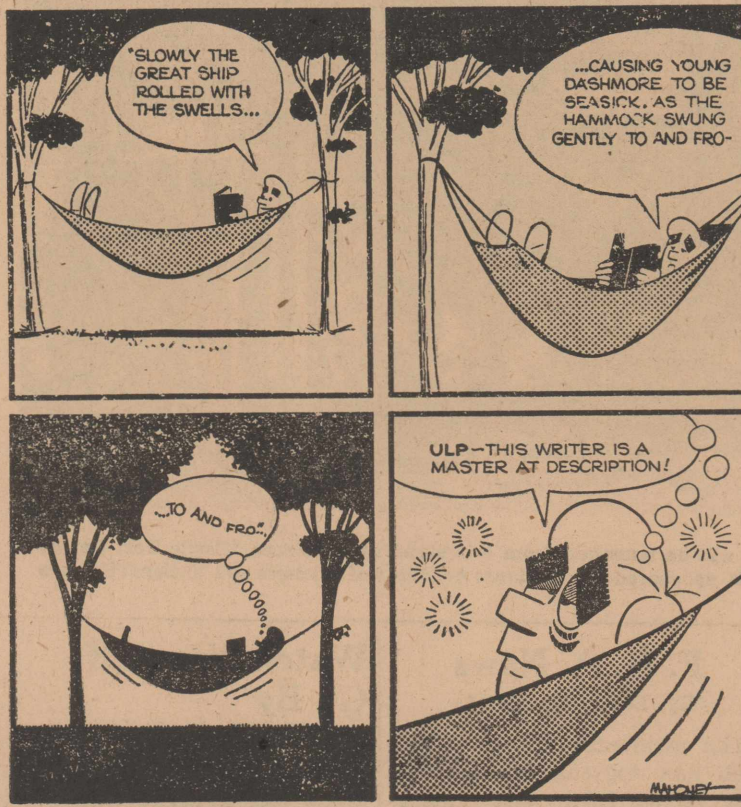

Jimmie Huggins was born on April 21, 1939. He also began his school life in the classrooms of Stratford schools. Jimmie has had many honors during his high school life. He has lettered in football two years and received the honor of being chosen Most Handsome in 1957. Jimmie will graduate with nineteen credits which will give him two extra ones. He is not sure as to his plans after he graduates, but possibly he will attend West Texas College in Canyon. At present the subject he has chosen as his major is agriculture.

Darla Galloway was born March 15, 1939. She moved to Stratford High School in 1955, in order to begin her Junior year here. Darla has been a great asset to the Stratford Schools and I am sure that all students will agree with me that there will be a great vacancy when she leaves. Darla has played the piano for almost every program that has been given in Stratford since she moved here. She has also accompanied the soloists and ensembles for the band during these years. Darla will graduate with extra credits. She has already made plans to attend West Texas State College in Canyon. Elementary music will be her major.

Teddy Oakley was born August 31, 1939. His school life was begun in the classrooms of Stratford schools in 1945. Teddy has been a good football player and has been a friend to all the students in Stratford high school. At the present time Teddy is undecided as to what he wants to do when he graduates.

Jeanne Spurlock was born January 9, 1939. She also started her school life in the Stratford class rooms. Jean has truly been a great asset to the stu-

dents in Stratford High School. She has lettered in basketball three years and has been a faithful worker on the paper and annual staffs. She, along with Darla Galloway, was chosen to attend Girl's State last year. Jean also plans to attend West Texas State College in Canyon. She plans to teach Home Economics.

Carroll Wisdom was born in March, on the eleventh day, 1939. Carroll also began his school life at Stratford. He has lettered in football and basketball all four years in high school. Carroll was chosen Most Athletic in 1957 and was the '57 basketball king. He will graduate with the required amount of credits. At present he plans to attend college at Wichita University in Wichita,

Kansas. He plans to go into the education field, but he has not decided the particular division.

## Band News (By Carolyn Folsom)

We were so very sorry to hear of Mr. Dick's leaving Stratford after school, but we can understand his point of view in advancement. We certainly appreciate all the things he has done for our band these past two years, and would like to express our appreciation. Instead of having a concert at the end of the year, since we could not find an open date, we will give a concert as an assembly. We welcome any visitors, but do not as yet know when it will be.

We will try to put up a poster down town telling when. Again we express our deepest appreciation to our director.

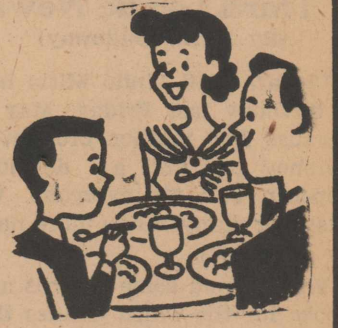

## Senior News

The Senior Class, varying with the different students seems very excited, mixed-up, happy

and sad about this graduating. We do not know exactly what is facing us after high school and are a little leery of it. We are overwhelmed with gratitude for our parents, teachers and friends who have so faithfully stayed with us, and behind us all of the way. There are so many things all of us would like to (Continued on Page 4)

## Third Grade News

(By Darla Galloway)

We are glad Linda Mitts had a birthday last Friday, May 3, because her mother brought a hershey bar and a delicious popcorn ball for everyone. We wish her many, many more happy birthdays.

We received some records and books for the Third Grades this week. This makes the second time we have received books and we surely do thank the P-TA for records and books. This is something we can enjoy for a long, long time.

It doesn't seem possible that another school year is drawing to a close. We are glad, for we like vacation time, but we are sorry also because we have enjoyed working and playing together. One of our high lights of the year has been the wonderful gifts from the P-TA. The eleven new story books have been in constant use. They are Boys Complete Book of Camping, Sheep Wagon Family, The Boy Cody, How Your Body Works, Good Luck Mary Ann, The Merry Men of Gotham, Unveiling Pirate, A Race For Bill, A French ABC, San Patch and a new one just received today, Ginger Fye. Our other gift was three

## Watch Yourself Go By

(By Darla Galloway)

I have secured a poem that I would like to share with everyone. The title is "Watch Yourself Go By," written by Strickland Gillilan.

Just stand aside and watch yourself go by; Think of yourself as "he" instead of "I." Note closely, as another man you note, The bag-kneed trousers and the seedy coat; Pick flaws; find fault; forget the man is you, And strive to make your estimate ring true; Confront yourself and look you in the eye — Just stand aside and watch yourself go by.

Interpret all your motives just as though You looked on one whose aims you did not know. Let undisguised contempt surge through you when You see you shirk, O commonest of men! Despise your cowardice, condemn whatever you note of falseness in you anywhere. Defend not one defect that shames your eye — just stand aside and watch yourself go by.

And then, with eyes unveiled to what you loathe — To sins with that sweet charity you'd clothe — Back to your self-walled tenement you'll go with tolerance for all who dwell below. The faults of others then will dwarf and shrink, Love's chain grow stronger by one night's link — When you with "he" as substituted for "I," Have stood aside and watched yourself go by.

**Flowers In Home Boost Family Morale**

Spring and summer flowers brighten family morale and add an extra touch of hospitality to the home. Flower arranging is fascinating, simple and it is fun, says A. F. DeWorth, head of the department of Floriculture and Landscape Architecture. A well-planned flower arrangement is a creative project.

Basic rules for arranging flowers are in the bulletin by Mr. DeWorth entitled, "Flower Arranging is Easy." The bulletin gives suggestion for making cut flowers last longer. They are available in the office of the county home demonstration agent.

**Control House Flies**

Flies carry disease germs that endanger health. Sanitation is the first step in controlling this pest, according to extension entomologists. Make sure all windows and doors are tightly screened. Keep garbage and other refuse tightly covered and dispose of it frequently by burning or burying. Keep compost piles covered, and clean up after dogs, cats and chickens.

Killing is the second step against this pest. Kill flies by spraying in and around the house. Use both the space and surface-type spray. The new bait preparations are good for use outside where flies gather.

For information on type of bait or spray to use, and how to apply, get a copy of the bulletin, "Texas Guide for Controlling Household Insects." It's available from your county agricultural extension office.
