Like apple pie and ice cream an electric dishwasher and electric water heater go together. Your dishwasher does the dishes "on the double" — you're out of the kitchen in half the time. And you break fewer dishes, keep your hands lovelier, and keep those dirty dishes out of sight — in the dishwasher — between loads. Plenty of hot water is what your dishwasher wants — and gets — from an electric water heater. You can put that electric water heater right where you want it — where you use the most hot water — because it has no vents — no flues. Yes, the electric dishwasher and water heater go together. Try one now — add the other later. You'll like them both.

### ATTENTION, HUSBANDS

Wouldn't you spend 1 1/2 a day to give your wife lovely hands? Of course you would — especially if you could get the dishes done for that price, too. You can! And electric water heating is inexpensive, too, with a big bargain rate.

## FOR AND ABOUT TEENAGERS

### When Dating Begins To Be Serious

By C. D. Smith

A young lady from Iowa says: "My boyfriend lives twenty miles away and I don't see him very often. There is a boy that lives in my town I like but not as a boyfriend. When I am any place where my boyfriend isn't, I sit with this other boy. How should I treat this boy that lives nearest to me. Should I be sitting with him? If not, what should I tell him?"

There doesn't seem to be much of a problem, since the young lady is definite and honest with herself about her feelings about both boys. To view the problem from different sides, there is nothing wrong with sitting with this other boy—unless she is engaged to the one who lives away—or with being with him, having a date for a movie, etc. It would be wrong, on the other hand, to encourage the hometown boy, or to have dates with him if he is "serious" while the young lady just "tolerates" him because her boyfriend doesn't

happen to be around. The thing for the girl to do is to be as honest with both boys as she is with herself. Tell the hometown boy how she really feels about him as a friend. Tell him about the boyfriend and tell the boyfriend about him. With such a direct approach, there will be no chance of any misunderstanding.

The time to settle on one boyfriend or girlfriend is when one has decided upon a lifetime partner. Until that time, it is not necessary to shut out the rest of the world, or to stop having friendships.

Granted, in this day and age, teenagers will decide to "go steady" and each promise not to date other boys or girls. When such a promise is made, one of the individuals should not expect the other to follow the agreement unless he or she does as well. In dating, in courtship—as in marriage—honesty is always the best policy.

If you have a teenage problem you want to discuss, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFORT, KY.

WHY DO WITHOUT A LITTLE LUXURY LIKE THIS... LET ALONE THESE BIG CHEVY VIRTUES!

Chevy's the only car of the leading low-priced three that gives you the convenience of crank-operated vent windows. No awkward latches to fumble with... your knuckles and fingernails will appreciate it.

**THESE BIG CHEVY VIRTUES!**

**bigger brakes**  
Bigger, yes, and built with bonded linings for as much as 66% longer life. And how's this for proof that Chevy's a real stopper: in a NASCAR\*-conducted test of repeated stops from highway speeds, Chevrolet outstopped both of the "other two" time after time.

**full coil ride**  
You're the expert on ride, so you'll want to try Chevy's easygoing smoothness for yourself. MOTOR TREND magazine can give you a hint of what you're in for: "... the smoothest, most quiet, softest riding car in its price class." And Full Coil springs, of course, never squeak, never need grease.

**greater roominess**  
Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more front seat head room than all but one of the high-priced cars! And Chevy's front seat hip room spreads up to 5.9 inches wider than comparable cars.

**bigger savings**

Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from every full-sized car!

**higher trade-in**  
N.A.D.A.\* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to \$128 higher than comparable models of the other two cars in Chevrolet's field.  
\*National Automobile Dealers Association.

**award-winning engines**  
The NASCAR Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines... for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

**Bride-Elect Is Favored At Tea**

Miss Wilma Jean Sneed, bride-elect of Don Ray Knight, was honored with a lovely shower tea in the home of Mrs. Alvin Judd Friday evening.

Mrs. Alvin Judd, Mrs. Horace Sneed, mother of the bride-to-be, Miss Wilma Jean Sneed and Mrs. John Knight, mother of the prospective bridegroom, received the guests.

The bride's register table featured an arrangement of white and pink roses around a single pink taper and a porcelain "Dan Cupid." Behind the table, pink and white feathered doves served as wall decorations and as an omen of "Peace and Happiness" for the approaching marriage. Misses Jonna Knight and Cathy Sneed presided at the guest register for the first hour and Mrs. Joe Bil-

lington and Mrs. J. E. Brannan registered guests the second hour.

Little Misses Joy Brannan and Mary Frances Caraway handed out pink bridal bell favors from a ruffled pink net basket.

The refreshment table was laid with a pink net cloth over pink satin. Pink tapers and a wedding bell arrangement featuring pink carnations was used on the table. The wedding bell theme was also used in lovely pink bells on the drapes and to decorate the cake squares.

Table appointments were in crystal and silver. Miss Darla Galloway and Ann Caraway presided at the table the first hour and Mesdames H. L. Vincent, R. M. Buckles, Dick Faris and F. L. Yates served during the second hour.

The house was decorated throughout with gladioli and roses in Miss Sneed's chosen

colors of pink and white.

Hostesses were Mesdames Alvin Judd, H. L. Vincent, J. R. Pendleton, R. M. Buckles, Joe Billington, J. E. Brannan, F. L. Yates, Jess Scarborough, Emery Hamilton, John Haney, Dick Faris, Russell Terrell, H. H. Caraway, and Miss Minnie Laura Jackson.

Approximately 60 guests signed the honoree's register.

**Mrs. H. Keener Is Post-Nuptial Shower Honoree**

Mrs. Harold (Poe) Keener, the former Linda Taylor, was honored at a shower recently in the home of Mrs. Henry J. Bachman.

The honoree was presented a corsage of yellow daisies. Her grandmother, Mrs. Butler of Boise City, and Mrs. Ralph Keener were presented white carnation corsages.

The bride's colors of yellow and blue were carried out in the table decorations and refreshments. The serving table was laid with an ecru cloth over blue, and centered with an arrangement of yellow daisies, flanked by yellow candles. Yellow pineapple punch and individual cakes decorated with yellow and blue rosebuds were served.

Miss Darla Taylor, cousin of the honoree registered the guests. Misses Sue Ellen Flores and Peggy Taylor, another cousin of Mrs. Keener, and Mrs. Carl Oquin assisted in displaying the gifts.

Hostesses Mrs. Alvin Judd, Mrs. Marvin Burkham, Mrs. Dee Howard, Mrs. J. W. Smith, Miss Sue Ellen Flores, Miss Martha Stone, Mrs. Carl Oquin, Mrs. Fred McDaniel, Mrs. Graydon Gamble and Mrs. H. J. Bachman presented the honoree with an electric mixer.

About 35 guests called during the two hours of the shower, and others unable to attend sent gifts.

Of this total 4,657,100 loans were made for dwellings; 228,400 for business ventures and 69,800 for farms and equipment.  
In all, 35 percent of the eligible World War II veterans have taken advantage of the loan program. An exceptionally low record of defaults has won the approval of the nation's financial leaders and an extremely high percentage of the loans have already been repaid in advance of the final due dates.
