

## Schools Open August 31st

Classes will begin Monday, August 31, for all students in both elementary and high school, it was announced this week by R. W. Standefer Jr., superintendent of the schools.

The date formerly set for August 27, has been delayed in order to allow the general contractor, Timmons Construction Co. of Amarillo, sufficient time to complete all construction and remodeling work in both the high school and elementary school buildings. Fred Buford, architect, plans to make a final inspection of the buildings on Saturday, August 29, and will make his report to the Board of Trustees for their acceptance.

Superintendent Standefer has set up a new teacher orientation schedule to begin Thursday, August 27, at 10:00 a. m. and continue through Friday and Saturday. All faculty members are being notified of the change in the opening date.

### 18 Teachers In Grade School Faculty

Eighteen teachers compose the faculty of the Stratford Elementary School. They include:

First Grade: Mrs. Julia Reaves and Mrs. Golden Corley.  
Second Grade: Mrs. Jewel Peterson and Mrs. Frankie Warden.

Third Grade: Mrs. Dicy Stephenson and Miss Doris Ballinger.

Fourth Grade: Mrs. Tommy Quisenberry and Mrs. Mildred Ottinger.

## Let Paving Contract In Precinct One

A contract for paving 11 miles of road and constructing a concrete bridge in Precinct One was let by the Commissioners' Court Friday. Cooper and Woodward of Amarillo secured the paving contract with a low bid of \$177,843.59. Gilvil-Carroll submitted a bid of \$180,235.21, and Ray Boswell of Pampa bid \$183,936.14.

The paving project will complete the paving of the Sunray Road from the intersection of Farm-to-Market Roads 119 and 189 straight north to U. S. Highway 54 near Texhoma, a distance of about 10 miles. It will also include paving South Second Street in Texhoma, Texas to the cemetery, a distance of about one mile. Included in the road improvement program is the erection of a concrete bridge over the Frisco west of the Freeman Ranch.

The paving and road improvement program will be carried out under road district provisions. The qualified voters of the road district which is composed of Precinct One approved \$213,000.00 in road bonds to complete the improvement program by a vote of 46 to 5.

Taxes levied on property within Precinct One will liquidate the bonds issued to pay for the road improvement program within 15 years. Bonds previously issued by Precinct One for its first road improvement program have been paid off.

## Tech Students Get Degrees Saturday

Commencement exercises will be held Saturday at Lubbock when 450 students will be graduated from Texas Tech and 144 will receive degrees.

James Edward Stavlo of Sunray will receive a Bachelor of Science degree in chemical engineering.

Sonja Wiseman Esterfield of Gruver and Mrs. Lora Schafer Folsom of Stratford will receive Bachelor of Arts degrees.

The revered Indian leader Mahatma Gandhi once said, "We must look the world in the face with calm and clear eyes, even though the eyes of the world are bloodshot today."

## Mrs. James Lowe Burned Painfully In Home Accident

Mrs. James Lowe was painfully burned about the chest, abdomen and one arm and hand Tuesday as she removed the lid from a pressure cooker at her home. The 16-month old son of Mr. and Mrs. Ronald Mills was standing nearby and received slight burns on one shoulder and his jaw.

Mrs. Lowe had put beets on to cook in the pressure cooker. She did not think there was any pressure in the cooker as she had not placed the pressure gauge on it. As she removed the lid, hot beets and hot water were blown from the cooker over the front of her body, one hand and one arm.

Mrs. Lowe telephoned her mother, Mrs. Lee Worley. Mrs. Worley and her daughter, Mary, were rushing to the Lowe home when Mrs. Joe Mahoney, driving by in her car, saw them, and inquired if something was wrong. Mrs. Mahoney took Mrs. Worley and Mary to the Lowe home and rushed Mrs. Lowe and the Mills baby to the Stratford Clinic. Mrs. Lowe, concerned over the condition of the Mills child, did not realize her own condition until after she arrived at the clinic.

It is presumed that the pressure cooker had been filled a little too full and that in cooking, a beet became lodged against the vent over which the gauge fits, allowing steam pressure to accumulate in the cooker.

## Better Homes HD Club Meets With Mrs. Miller

The Better Homes Demonstration Club met August 13 in the home of Mrs. J. H. Miller. The regular members were present and enjoyed a demonstration on braided rugs, given by Mrs. A. L. Baker. A beautiful crystal bud vase, given by the hostess was won by Mrs. James Crawford.

Refreshments of cookies and punch were served. The next meeting will be August 27 in the A. L. Baker home.

The guests, playing piano numbers which she had played in the musical festival held each spring at the home.

## Mrs. Shireman Celebrates 90th Birthday

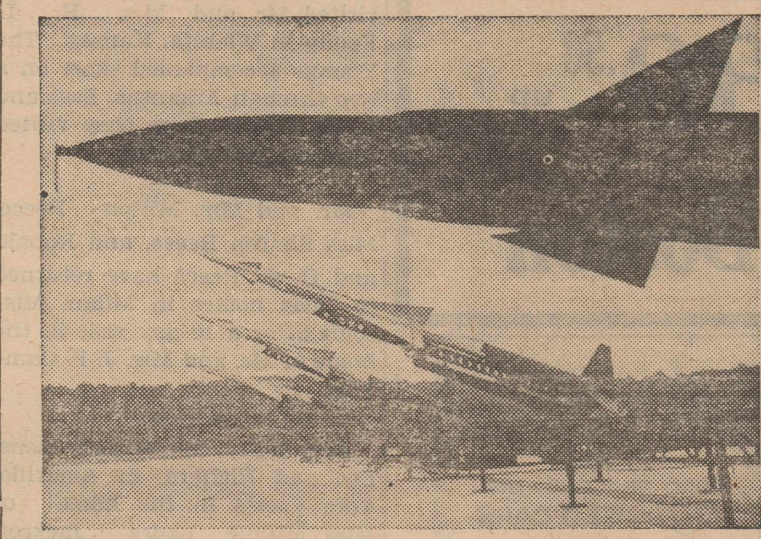

Mrs. J. W. Shireman, Amarillo, celebrated her 90th birthday August 5. Those visiting her on that day were her daughters, Mrs. J. D. McDaniel; Mrs. O. C. McDaniel of Douglas, Arizona; her granddaughter, Mrs. Thomas Rodda, and great granddaughter, Lynda Rodda, of Naperville, Illinois; J. D. McDaniel and Mr. Rodda; Mrs. W. P. Henry of Amarillo, and Mrs. A. W. Morehead of Canyon.

## County Picnic Friday Night

SILHOUETTE AGAINST SKY . . . Nike anti-aircraft missiles stand ready at Ludwigsburg, Germany, following commissioning of first permanent Nike base east of the Rhine.

A county wide picnic will be held in the Stratford City Park Friday night, August 21, at 7:30 p. m. Each family is invited to attend and take a basket supper and eating utensils for their own family. Cold drinks, coffee and entertainment will be furnished by the Sherman County Home Demonstration Clubs.

Demonstration club ladies sponsor the annual event to enable friends and neighbors to get-together for a brief visit while suitable entertainment is supplied by local talent.

## Wright Family Reunion Held In Amarillo

The W. H. Wright family reunion was held in Amarillo August 9 when four brothers and four sisters met for their annual get-together.

The brothers and sisters, their husbands and wives, children and grandchildren and great grandchildren who attended the reunion were Mr. and Mrs. Robert E. Wright, Dennison; Mr. and Mrs. W. H. Wright and Gene, Tucumcari, New Mexico; Mr. and Mrs. Paul M. Wright, Paradise; Mr. and Mrs. M. T. Wright, Wichita Falls; Mrs. W. D. Ellis, Stratford; Mrs. H. T. Ferguson, Texhoma, Oklahoma; Mrs. John E. Compton and Melvin, Amarillo; Mrs. C. F. Verner, Lawton, Oklahoma; Mr. and Mrs. George Ferguson, Texhoma, Oklahoma; Mr. and Mrs. Woodrow Ferguson, Karen and Gene, Amarillo; Mr. and Mrs. W. H. Mulkey, and Joe, Denton; Mr. and Mrs. Arnold Stump and five children, Texhoma; Mr. and Mrs. W. D. Ellis Jr., Billy and Mike, Nara Visa, New Mexico; Mr. and Mrs. Arthur R. Ellis, Beth and Sue, Amarillo; Mr. and Mrs. Ernest Wright and three children, Amarillo; Mr. and Mrs. J. B. Farris, Dimmitt; Mr. and Mrs. Paul Acker and five children, Dimmitt; Mr. and Mrs. Grady Silvers and four children, Goodnight; Mr. and Mrs. Bob Dabney and Billy, Amarillo; Mr. and Mrs. Randy Martin and four children, Monte Vista, Colorado; Mr. and Mrs. Buddy Whitfield and three children, Amarillo; Mr. and Mrs. Joe Paul Weatherford and Mary Lue, Dalhart; Mr. and Mrs. Buck Buzzard and Patricia, Amarillo; Mr. and Mrs. Pearl Trueblood and six children, Tarleton, Oklahoma; Mr. and Mrs. Loyd Jasper, Grand Prairie; Mr. and Mrs. Wm. Wells, Lanell and Roger, Lawton, Oklahoma; Mr. and Mrs. Everett Sober and four children, Dumas; John H. Goodwin and four children, Sunray.

The five visitors included Fred Parker and four children, Becker, Kansas; Wanita Green and Patsy Snider, Amarillo; Nancy Sratere, Tucumcari, New Mexico.

After the 101 present enjoyed a picnic dinner, the afternoon was spent visiting, taking pictures and planning for the reunion to be held in August of 1960.

## Sharon Gamble Is Drum Major For Elk Band

Sharon Gamble, daughter of Mr. and Mrs. Graydon Gamble, was selected the drum major for the Stratford Elk Band in the trouts which were held in the band hall Saturday night.

Four twirlers will support the drum major in all band appearances. Kay Caraway, Kaye Webb, Yvonne Gamble and Charlene Wisdom were chosen as the official twirlers for the current school term.

## Arlyn Haile Named On FHA Committee

Arlyn Haile has been appointed as a new member of the Sherman County Committee for the Farmers Home Administration. He will succeed Walter Lasley, whose three year term of office expired June 30.

## Sorority To Guide September 10 Beauty Contest

The Nu Beta Chapter of Beta Sigma Phi is again sponsoring the Beauty Contest in connection with the Stratford Jamboree. The contest is to be held Thursday, September 10, in the Stratford school auditorium.

Business firms are being asked to sponsor entries in the beauty contest. One entry will include both a contestant for the "Miss Stratford" title and a contestant for the "Little Miss Stratford" title. Any business firm which has placed an advertisement in the Fair Book will not be charged a fee for entering a beauty in the contest.

Contestants for "Miss Stratford" must be single and must be within the age limit of just starting their freshman year in high school, to including those who have just completed their senior year in high school.

Little girls four through six years of age are eligible for the "Little Miss Stratford" beauty contest. Each contestant must furnish her own bathing suit.

Entries may be placed with Mrs. Gail McDaniel by telephone prior to September 1.

## Two-Inch Rain Falls Over Territory

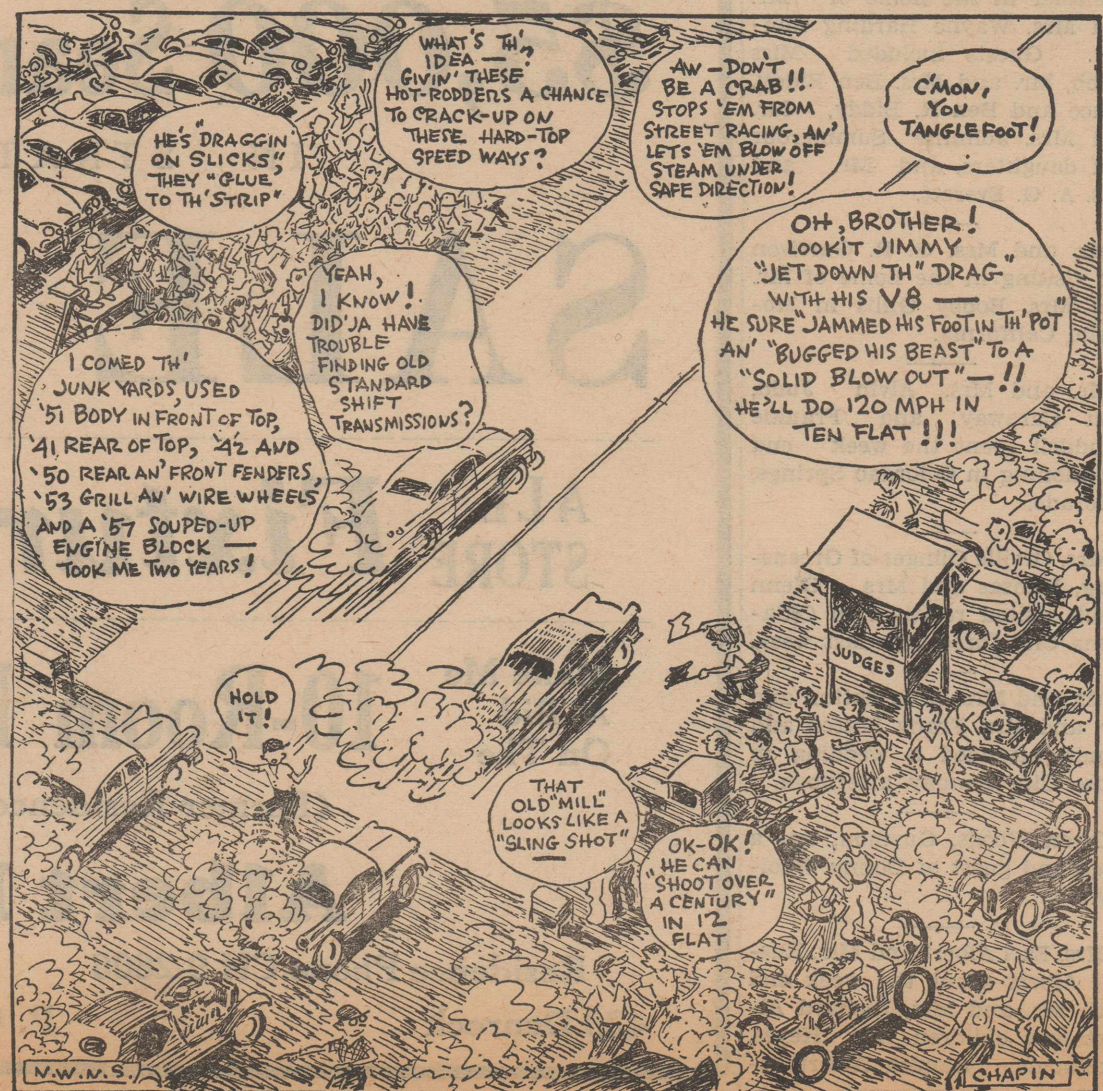

A general rain falling over this territory Thursday and Friday nights of last week left approximately two-inches of moisture. The rain improved the condition of growing row crops, boosted wheat that was up, and placed sufficient moisture in unplanted fields to start drilling wheat as soon as work can be resumed in the fields.

In Stratford the official reading was 1.92 inches.

### Why Some Boys Don't Get Dates

By C. D. Smith

A 16-year-old boy writes: "Read your column regularly, but have never seen my problem discussed. I can't get a date. I try, but I never can. What can I do about it?"

The first thing our young friend has to do is to find out WHY he can't get a date. And there is bound to be a reason. The sooner this reason is discovered, the better.

Here are some of the things that

most girls look for in a boy who asks them for a "date": neat appearance, good personality, with a friendly disposition, and a good reputation.

Neatness doesn't necessarily mean that the boy has to be a flashy dresser, or wear only high-priced suits. Every lad can be neat and well groomed if he wants to make the effort.

A good personality doesn't re-

quired that one always be the "life of the party." The most popular boy is usually the one who is neither quiet nor boisterous; who can make conversation or sit back and listen to someone else talk. A girl doesn't expect every "date" to be the life of the party, but she does expect him to make conversation and not be a silent companion.

Any boy can develop the habit of neatness at all times. If he works at it, he can develop a pleasing and winning personality. And—he must also earn himself a good reputation. The boy who is always creating a disturbance of one kind or another, who gets into mischief or has the reputation of a "trouble maker" may be entirely serious and sincere when he asks a girl for a date. But he's usually wasting his time. There are too many boys with good reputations for a girl to have to take a date with a boy who doesn't measure up.

If you have a teenage problem you want to discuss, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFORD, KY.

"Previously Owned by a Little Old Lady..."

Surprisingly, that gentle little old lady who never drove over 30 miles an hour was really tough on her car's motor. The fact is that start-and-stop driving at low speeds means the motor doesn't warm up enough for its own good. Sludge forms in the motor oil. Damage to the engine will result.

Most of us do a lot of start-and-stop driving these days, and that's why it's wise to protect with Phillips 66 Trop-Artic\* Motor Oil. It flows quickly in a cold engine... resists sludge formation... then keeps on protecting your motor on long, hot drives.

Trop-Artic is an all-season oil. Get it from your Phillips 66 Dealer.

### '60 Conservation Reserve Signup Starts August 24

Farmers who wish to put cropland in the Soil Bank's 1960 conservation reserve must ask the county ASC committee to set a basic annual rate per-acre for the offered land, R. C. Buckles, chairman of the Sherman County Agricultural Stabilization and Conservation Committee, states. The period

for filing such requests is from August 24 through September 10. No such requests will be accepted after September 10.

In setting the basic annual per-acre rate for land offered, the county committee will take into consideration the productivity of the land and the rate will be limited to the local fair rental value of the land based on the crops harvested from it during the past 5 years. When all the eligible cropland on the farm is offered for the conservation reserve, the rate will generally be set 10 per cent higher than the rate for only part of the eligible land.

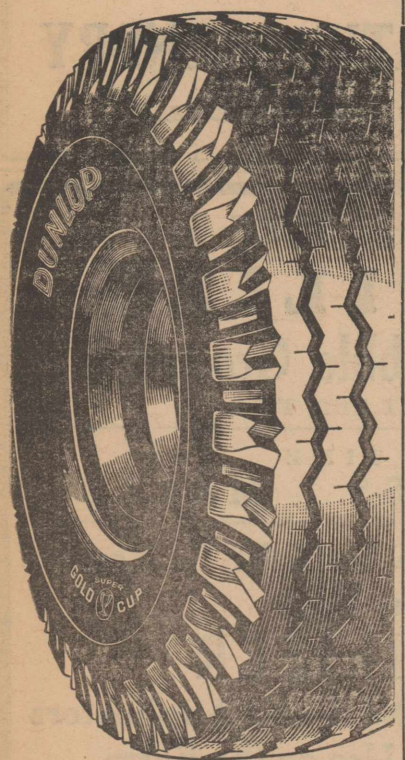

After the basic rate has been determined, the farmer may apply for a contract at any figure below the basic rate established for the land offered in the request for rates. If necessary, a priority system will be used to determine which offers are accepted.

Contracts under the conservation reserve may run for as long as 10 years. During the time of the contract, the farmer will receive an annual rental payment on the reserved land for the life of the contract, and he also will receive cost-sharing help in establishing an approved conservation practice.

For Texas, the basic per-acre rate of payment under the 1960 conservation reserve is \$12.00, the same as under the 1959 program.

## No Going Steady When One Is Away

By C. D. Smith

A young lady from Carolina writes: "Several weeks ago my fellow went into the service. We are planning to be married next year when I finish school. We love each other very much, but we think it best not to go steady while he is in Texas. Do you think this is the right thing to do?"

Couldn't be righter. For many reasons. One is that a boy and girl cannot go "steady" when they are many, many miles apart. The only

thing they can do is to promise not to date while they are apart. Regardless of how sincere they are about their feelings, each is certain to wonder from time to time if the other is living up to the "no date" agreement. This is not to say that you can't "trust" anybody—only that couples who are going steady—and then must be separated—should make up their minds individually as to whether or not they will have "dates" while they are apart.

The old saying "absence makes the heart grow fonder" should hold true in cases where two people were "meant for each other." When a boy and girl go steady for a long period of time, a separation gives each of them time for thought and reflection. They can then be objective about their feelings and attitudes.

A girl who is entering her senior year of high school will miss out on many activities if she can't even go to a dance or a social affair with a friend because her "steady" is away. A boy who is away from home is certain to receive invitations and most likely will want to attend dances, too. No, a boy and girl can't go "steady" by mail . . . can't go steady with someone a thousand or more miles away. And, they make the wrong decision when they decide to sit like a bump on a log and not go anywhere until they are together again.

law requires that a poll tax holder have his receipt stamped "Republican" or "Democrat" the first time he participates in a primary or convention. From then on, in effect, he's stuck with the party stamped on his tax receipt, until he gets a new poll tax.

## State Capital Highlights

(By Vern Sanford)

None of the money-raising bills that failed to pass the Legislature during the past seven months were put away to gather dust.

They'll be on parade again if a fourth special session is held to raise money to increase public school teachers' salaries.

Gov. Price Daniel has said he will call the session if the public demands it. Texas State Teachers Association has its campaign rolling to create this demand.

TSTA's goal is a program that would cost \$63,000,000 over a two-year period. Of this, \$56,000,000 would go for a \$405 increase in annual base pay for teachers.

This would bring teachers' base pay up to \$3,610 a year. Hale-Aikin Committee recommended a minimum of \$3,800 a year plus a number of other school improvements that would have totaled some \$200,000,000 for a two-year period. But TSTA decided that getting that big a tax bill would be too tough. For the time being, the 70,000-member teacher lobby will settle for a package one-third this size with emphasis on the item it wants most, pay raises.

Time most discussed for the new special session is the politically crucial month of January. This will give the teachers, scattered in summer, time to get organized. It also is the month for poll tax paying, with January 31 as the deadline. (Governor Daniel said, "January or February would be the time.")

Next year, for the first time, January will be the month for candidates for office to make their announcements. New law makes February 1 the deadline for filing for state primaries.

There's talk that Governor Daniel will announce for a third term if teacher raises are turned down. On this the governor says, "I'm not closing any doors."

Privately, many legislators are glum at the prospect of being boxed in by another round of tax-and-spend pressures, particularly right before their campaigns begin. They expect to get a lot of static anyway, from the tax measures they've already voted.

Few will oppose the teachers openly. As one said, "If you're against teacher raises, they'll say you're against good schools and little kids and motherhood, it's suicide."

Watch For New Laws  
Scores of new laws passed during the regular Legislative session ending in May go into effect this month.

From here on, anyone convicted of four moving traffic violations within 12 months will be classed a "habitual violator", subject to drivers license suspension for any period up to a year. Same rule applies to anyone convicted of 7 or more violations committed within a 24-hour period.

New, tightened laws are in effect on the waterways, too. Now against the law are: operating a boat or skiing while under the influence of liquor, skiing at night and "reckless or negligent" boating and skiing.

Now required by law are: a life preserver for every passenger

on a boat and a lighting system, according to size, for every boat. Boat registration fees will not be required until next April.

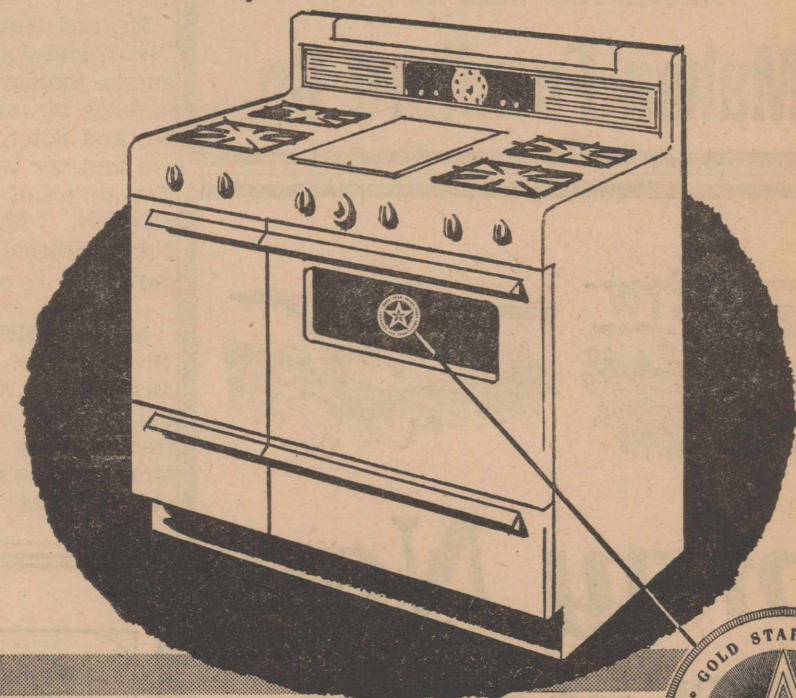

Another new law makes taking a ride in someone else's car without his permission a felony offense. Previously, it was hard to get more than a misdemeanor conviction for car stealing.

Ranchers and farmers will be required to fence land along state and U. S. highways to prevent cattle from roaming on the road. Law does not apply to farm-to-market roads.

Other new laws won't be noticed until later. For example, the new "stick with the party"

Group One of the CWF met last week in the home of Mrs. R. C. Buckles, with Mrs. Joe Billington presiding. Mrs. John Knight gave the devotional, using as her subject, "Open our eyes in Thy common places," John 2:1-10.

Mrs. Lyall Murdock led the lesson on "City and Country Churches," with several members taking part in a discussion of the lesson.

Mrs. John Knight will give the lesson for the meeting in September, and the hostess will be Mrs. Joe Billington.

**Mrs. Zelda Dunlap Entertains Embroidery Club**

The Embroidery Club enjoyed an afternoon of visiting and working Thursday, August 13, in the home of Mrs. Zelda Dunlap.

A delicious plate lunch was served to Mrs. J. W. Elliott and Miss Hattie Thorpe, visitors, and to members, Mesdames A. E. Pronger, E. W. Butler, H. M. Williams, Roy Allen, W. P. Cummings, C. R. Foster, G. L. Taylor, Frank Judd, R. C. Buckles and Grover Keown, by the hostess, Mrs. Dunlap.

**Mrs. Skillin Honored With Nuptial Shower**

Mrs. Jimmy Skillin, the former Shirley Robbins, was honored with a tea-shower in the home of Mrs. B. L. Smith Friday night from 8:00 to 9:00 p. m. Hostesses serving with Mrs. Smith were Mesdames W. D. Eller, Earl Kirkwood, Horace Sneed, H. L. Vincent, Webb Whorton, J. J. Willey, H. H. Caraway, Galle Wright, Walter Vincent and Melvin McRae.

The hostesses presented the bride, Mrs. Skillin, her mother, Mrs. J. A. Robbins, and the bridegroom's mother, Mrs. George Skillin, with carnation corsages.

The bride's chosen colors of blue and white were used throughout the entertaining rooms in flowers and appointments.

Mrs. Dwayne Plunk and Miss Sharon Smith assisted in registering the guests, and in presenting dainty wedding ring favors. The refreshment table was laid in white lace over blue. The centerpiece was a white satin wrapped wedding ring with a blue net bow and lillies of the valley were fashioned into a heart shaped frame for the picture of the recent bride and groom. Gladioli flowers were used at the base. Cake squares iced in white with a blue wedding ring, further carried out the wedding ring theme. Miss Linda Huggins served the cakes and Miss Kay Caraway served punch.

The bride was presented with many lovely and useful gifts. Approximately 30 guests signed the register.

### Shockley-Morris Nuptials Read In Church Of Christ

The Church of Christ in Dumas was the setting for the exchange of wedding vows Saturday afternoon between Miss Sue Ellen Shockley, daughter of Mr. and Mrs. W. A. Shockley of Dumas, and Lawrence Ray Morris, son of Mr. and Mrs. Vernon

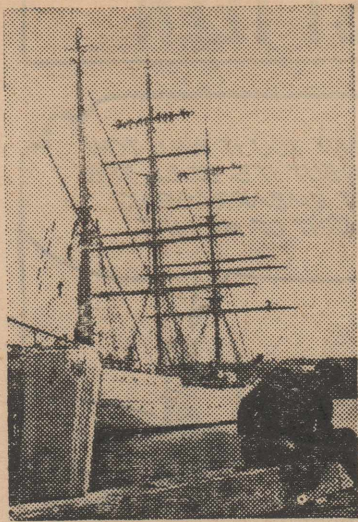

Morris of Sunray. Officiating at the double-ring ceremony was S. L. Edwards, minister.

Matron of honor was Mrs. Don Shaw, Sunray, who wore a two-piece dress of blue cotton, white accessories and a white carnation corsage. Don Shaw served as the bridegroom's best man.

The bride wore a dress of blue silk shantung and her bridal bouquet was an arrangement of white carnations with ribbon streamers, centered on a white Bible.

In keeping with the traditional "something old, something new, something borrowed, something blue" the bride carried her first Bible given to her by her parents when she was a child. Her something new was a watch, a gift from the bridegroom; and she borrowed a blue garter from her matron of honor.

Mrs. Shockley chose for her daughter's wedding a white linen dress with black trim, black accessories and a white carnation corsage. Mother of

the bridegroom wore a grey dress, black accessories and a white carnation corsage.

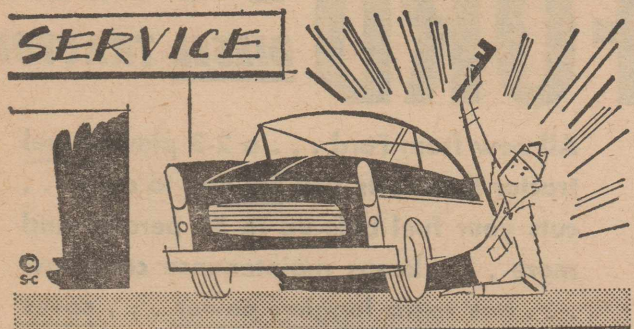

Parents of the couple were the only guests attending the wedding.

Immediately following the ceremony, the couple departed for a wedding trip to Lubbock and Sweetwater.

Mrs. Morris attended Dumas High School and her husband attended Texas Tech in Lubbock and is currently farming near Sunray.

### Livestock Law Study Set For Saturday Night

A meeting of Sherman County Livestock men will be held Saturday, August 22, at 8:00 p. m. in the County Exhibit Building, in Stratford. The purpose of the meeting will be to explain and discuss the new Animal Health Law recently passed by the Texas Legislature. The law will become effective September 1.

This law provides two plans for livestock men to get Sherman County into a Brucellosis control area. These plans will be explained at the meeting.

Brucellosis is a contagious disease of animals and man caused by a bacteria. In cattle it has been called Bang's disease. Human Brucellosis is a lingering disease of the blood stream. Man becomes infected by drinking unpasteurized milk from infest-

ed animals or by handling infected animals with out proper sanitary protections. In cattle this disease causes heavy losses in infested herd and cre-

ates a marketing problem. After the plans are presented for getting Sherman County approved as a Brucellosis free area, at the meeting, leaders will

make plans for initiating this program in this county. It is hoped that livestock men will take advantage of this meeting as an opportunity to become

better acquainted with the purpose of this law and advise their leaders what to do about this program in Sherman County.

## Washer\* DISHWATER HANDS

Lovely hands, aren't they? So different from dishwasher hands. When you wash dishes by hand — they should be in 150° water for two minutes — think what that does to your hands — even with gloves on. You end all this with an electric dishwasher — it takes the hot water in stride inside the cabinet. Your hands will be smoother, softer, lovelier. Manicures will last longer, too. Don't have dishwasher hands — have lovely dishwasher hands.

### ATTENTION! HUSBANDS

Remember how lovely her hands were before you made a dishwasher out of her? Well, don't let her be a dishwasher — buy one! Reddy's wages to run it will be 1 1/2¢ a day.
