Miss Betty Lynn Bradley, daughter of Mr. and Mrs. George W. Bradley, became the bride of Charles Clinton Beck III, son of Mr. and Mrs. Charles C. Beck Jr. of Gruver, at 8:00 p. m. September 3 in the First Christian Church.

The double ring ceremony was read by Bruce Clark, local minister. Traditional wedding music was played by Mrs. Frank Sutton, organist, who also accompanied Miss Frankie Adudell, who sang "Because."

Pet Cat Battles

'Porky'

Just what will cause a pet house cat to attack a porcupine, no one knows. Mr. and Mrs. Max Stephenson did not see the porcupine which apparently ventured near their home last week, but they did spend a considerable amount of time removing porcupine quills from around the mouth of their pet cat.

Porcupines have been known to occupy the Coldwater draw south of Stratford. One at least seems to have ventured into the south part of Stratford near the Stephenson home, or else the cat went on a hunting trip to the Coldwater canyon during the night.

Notes From The High School Principal's Office

School is really under way with a total enrollment in high school as of September 14 of 39 freshmen, 27 sophomores, 29 juniors and 31 seniors, making a total of 126. We are proud of our new additions to the high school, — we now have plenty of room in the science laboratories and class rooms. You can look for some very good work projects to come out of the physics, general science, chemistry, and biology departments.

I personally feel that we have an extra good faculty throughout the school system. May I invite you the patrons of Stratford community, to visit the school in order to get first hand information as to what we are doing. I want to give a special invitation to parents of high school students to visit this office and your child's classroom. Let's work together for the best interest of the student.

On behalf of the school administration and the student body I would like to welcome these new families to our community and school: Mr. and Mrs. Eugene Plummer and son, Spencer Glenn; Mr. and Mrs. John Keith and daughter Carolyn Ferguson; Mr. and Mrs. Ortega and daughters, Pauline and Mary Jane; Mr. and Mrs. Albert Diehl and daughter, Sandy, and sons, Richard and Curt.

Our capable librarian, Mrs. Smith, is rapidly reworking the high school library in preparation of moving to the new quarters. You will be getting more information about this in later papers.

It is the wish of the administration and faculty that every child have a successful school year.

A pep club has been organized and cheer leaders elected. President of the club is Molly Davis; cheer leaders, Donna Boner, Darla Taylor, Natacha Morris, Sandy Diehl, Kay Spurlock. The pep club is an important part of our effort to support our athletic teams.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

Miss Carriger Is Bride Of T. W. Mezzell

Miss Patsy Jean Carriger, daughter of Mr. and Mrs. J. E. Brannan, became the bride of Troyce Wayne Mezzell of Cactus on Saturday, September 12, at 10:00 a. m. The bridegroom is the son of Mrs. Sybil Ballard of Cactus.

Double-ring vows were exchanged in the Church of Christ with Vernon Williams, minister, officiating.

The bride's only attendant was Mrs. Jimmy Skillin, who wore a street length blue dress with

white accessories.

Jimmy Skillin served as the bridegroom's attendant.

Given in marriage by her stepfather, J. E. Brannan, the bride was attired in a street length white dress of lace and net over blue taffeta. The bride's double tiered veil of illusion trimmed in nylon lace was made by an aunt of the bride, Mrs. J. J. Willey. She carried a bouquet of white carnations attached to blue satin streamers atop a white Bible borrowed from Mrs. Colleen Brannan.

Mrs. Brannan, chose for her daughter's wedding a two piece blue dress with black accessories. Her corsage was of white carnations. Mrs. Ballard, mother of the bridegroom, wore a black dress with beige accessor-

ies. Her corsage was also of white carnations.

Immediately following the ceremony, the home of bride's parents was the setting for a reception honoring the wedding party. The serving table was laid with a white lace cloth over blue. The rectangular shaped wedding cake, centered with a miniature bride and groom, was surrounded by a white tulle ruffle and white and blue carnations, and was flanked by two white candles. The cake was made by Mrs. John Haney, an aunt of the bride. The crystal and silver service completed the table appointments.

Miss Linda Huggins, cousin of the bride, served punch, and Miss Kay Mezzell of Cactus, sister of the bridegroom, served the cake.

About twenty relatives attended the wedding and reception.

For traveling, the bride wore a brown tweed sheath dress with a short matching jacket, and brown suede flats.

Mr. and Mrs. Mezzell are at home in the Bennett Apartments in Dumas.

The bride was a popular member of the senior class in Stratford High School, and her husband attended school in Cactus and Dumas, and was in the U. S. Marines, receiving his discharge in July this year. He is now employed with the Lewis Construction Company in Dumas.
