Wheat yields increase 12 to 20 bu. per acre with ammonia application

Well-known West Texas farmers like **WADE MILLS** apply 100-120 lbs. ammonia per acre on wheat

Wade Mills, who farms approximately 765 acres in Castro County, reports: "The first time I used ammonia on wheat land I got increases from 12 to 20 bushels per acre. We applied 100 to 120 pounds of Phillips 66 Ammonia per acre.

"Applications of 120 pounds of Phillips 66 Ammonia on maize land has produced an average increase of 2000 pounds per acre. On maize following maize, Phillips 66 Agricultural Ammonia

is a must," he explains. Thousands of Texas farmers are using Phillips 66 Ammonia to help assure top net profits per acre. Actual field reports prove that Phillips 66 Ammonia (1) boosts wheat and small grain yields (2) increases maize yields (3) produces more high grade cotton (4) improves forage production.

See your local Phillips 66 Ammonia Distributor now. You can depend on better ammonia service.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby amended, by adding the following Sections which shall read as follows:

The Legislature may by law authorize the creation of a Hospital District co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, having the powers and duties and with the limitations presently provided in Article IX, Section 5(a), of the Constitution of Texas, as it applies to Wichita County, except that the maximum rate of tax that the said Lamar County Hospital District may be authorized to levy shall be seventy-five cents (75c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation.

"Section 7. The Legislature may by law authorize the creation of a Hospital District co-extensive with Hidalgo County, having the powers and duties and with the limitations presently provided in Article IX, Section 5(a), of the Constitution of Texas, as it applies to Hidalgo County, except that the maximum rate of tax that the said Hidalgo County Hospital District may be authorized to levy shall be ten cents (10c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation.

"Section 8. The Legislature may by law authorize the creation of a Hospital District to be co-extensive with the limits of County Commissioners Precinct No. 4 of Comanche County, Texas.

"If such District is created, it may be authorized to levy a tax not to exceed seventy-five cents (75c) on the One Hundred Dollar (\$100) valuation of taxable property within the District; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxpaying voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of seventy-five cents (75c) per One Hundred Dollar (\$100) valuation, and no election shall be required by subsequent changes in the boundaries of the Commissioners Precinct

"(b) The Legislature may by law permit the County of Comanche to render financial aid to the District by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the District (whether assumed or created by the District) and may authorize the levy of a tax not to exceed ten cents (10c) per One Hundred Dollar (\$100) valuation (in addition to other taxes permitted by this Constitution) upon all property within the County but without the County Commissioners Precinct No. 4 of Comanche County at the time such levy is made for such purpose. If such tax is authorized, the District shall by resolution assume the responsibilities, obligations, and liabilities of the County in the manner and to the extent hereinafter provided for political subdivisions having boundaries co-extensive with the District, and the County shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the County.

"(c) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character."
