ITALIANS CLASH WITH IRREGULARS

20 MILLION FASCISTS HOLD TEST MOBILIZATION; CHEER WAR SPEECH OF MUSSOLINI

By UNITED PRESS
PARIS, Oct. 2. — Italian troops clashed with Ethiopian irregulars in the Dannakil region of Eritrea following penetration by the Italians into the Mussa Ali region, the Addis Ababa correspondent to the Paris Soir reported today.
The clash resulted in an unknown number of dead, the correspondent reported. He said the Italian forces numbered 20,000 but had not yet met the Ethiopian regulars.

By UNITED PRESS
ROME, Oct. 2. — Premier Benito Mussolini told the Italian people in a ringing warlike speech tonight that Italy is ready for war and cannot be stopped from its conquest of Ethiopia.

To 20,000,000 Italians called from their homes and work by the alarm of war in the greatest test mobilization in history Mussolini proclaimed: "To acts of war we will respond with acts of war."
Mussolini spoke from the balcony of Venezia palace, his official residence.

He recited Italy's grievances against Ethiopia, the failure of the allies to grant Italy a share of colonial spoils after the World War, and Italy's readiness to proceed with her course despite the application of international penalties.

"The blackest kind of injustice is now being done toward Italy and Italy is being refused her just place in the sun," he declared.

Mussolini then announced hostilities are about to open in East Africa.

"Fascist Italy," he said, "is firm in its aims and its unalterable decision. Maintain contact with its soldiers in East Africa and encourage them as they are about to fight."

He did not specify when hostilities would start, but said:

"A solemn hour is about to sound in the history of the fatherland."

"Twenty million Italians are gathered in all the squares of Italy. These 20,000,000 have only one heart, only one will, and only one desire. This manifestation wants to signify the complete and absolute identity between Italy and Fascist Italy. Only ignorant brains can think the contrary because they do not know what the Fascist Italy of 1935 is."

Marching With Army
"It is not only an army which is marching toward its destiny today, but there are 44,000,000 Italians as well who are marching with its army."

Both in Venezia square and everywhere else it was a scene of national enthusiasm perhaps unparalleled in history.

When Mussolini finished, after speaking 18 minutes, the national mobilization was declared ended.

The vast crowd broke into a tremendous roar, the waves of sound beating against the walls of the palace and thunderingly echoing back into the square.

NEW TYPE OF MONOPOLY ON LIQUOR SEEN
By UNITED PRESS
AUSTIN, Oct. 2. — Texas representatives were faced with a new type of state liquor monopoly today, administered by the state comptroller, as a substitute for the house license bill.

The substitute, by Rep. J. McConnelly, Palo Pinto, provides a system of state dispensary stores. The comptroller would issue and revoke licenses.

Liquor would be sold at not more than 25 per cent profit.

No by-the-drink sales would be permitted since McConnelly defined and prohibited an open saloon as any room, house, cellar, boat, vehicle, structure, or place used to store intoxicating liquor.

The house passed two minor measures.

CUBS PICK UP CAMPAIGN TO WIN BY 3 TO 0

By United Press
DETROIT, Oct. 2. — The Chicago Cubs, with Lonnie Warneke, the Arkansas smokeball king, on the firing line, picked up right where they left off in their sensational drive to the national league pennant today, to defeat the Detroit Tigers 3 to 0 in the opening game of the 1935 World Series.
A crowd of 50,000 which packed every inch of the stands, saw Warneke, given a 2 run lead in the first inning, handcuff the famed Detroit slugger with his binding speed, wicked hooks and curves.
Over the full nine innings, the Tigers touched him for but four hits and they came at futile rates of one an inning.

Following is the play by play report of the game:
First Inning
Cubs — Galan doubled through shortstop. Herman hit a slow bouncer down third base line. Owen threw to first and hit Herman in the back and Herman was safe on first. Galan scored for first score of the game. Linstrom bunted down first line and was out at first and Herman went to second. Harenett hit a looping fly in short right for a base hit and scored Herman for second run. Demarre hit a fly that was caught by Rogell for second out. Cavaretta hit an easy bouncer down third. Rogell took it and forced Demarre out at second. Score, Cubs 2, Tigers 0.

Tigers — White was called out on strikes. Cochrane flew out in short left field, for second out. Gehring flew out to Jorges for the third. Score, Cubs 2, Tigers 0.

Second Inning
Cubs — Hack hit a pop fly to short center field. Jorges hit a line drive to left field for a base hit and

PAVING SOON FORESEEN FOR LEERAY ROAD

Crushing of rock for the Leeray cutoff has started and pavement of the road will begin shortly. Chamber of Commerce directors were told last night by Secretary J. E. Spenser at their regular semi-monthly meeting.

As soon as the rock has been crushed for about two miles of the road the paving will begin, it was announced. This will mean that the paving will be completed almost as soon as the rock crushing, it was said.

The secretary said that George Bringham, state park engineer, and his crew of men are working on the state park location and are now surveying the outside lines for the park. When this has been completed they will run 26 cross lines from east to west and then will take the elevations for the park. The work will last about a week or 10 days longer, it was said.

Invited to Breck
A letter from the Breckenridge Chamber of Commerce inviting the Cisco organization to a luncheon today was read and some of the members expressed their intention of attending. Chairman E. O. Thompson of the railroad commission was to be the speaker.

A letter from the West Texas organization, asking that the local body cooperate in a movement to eliminate the Bankhead cotton production limit for this area, due to frequent droughts, was read. Action was deferred when the directors felt that they were not well enough informed on the subject to take a definite stand.

J. M. Bird reported that plans are going forward for the county livestock show to be held here Oct. 25 and 26. Appointment of an entertainment committee was deferred.

Highway 89 Meeting
There will be a group meeting at Eastland Thursday for the purpose of attempting to secure a paving allocation for Highway 89. The Weatherford cutoff, it was announced. This will be the third such meeting since the group appeared before the highway commission on August 20. It was reported that engineers are checking data on the relocation of Highway 89 through Cisco.

Directors attending the meeting last night were J. J. Collins, Dr. Charles Hale, Ed Huestis, W. H. LaRoque, J. D. Lauderdale, R. L. Pansler, and Charles Sandler.

France Promises To Aid Britain In Event Of Incident In Mediterranean

Copyright 1935 by United Press
PARIS, Oct. 2. — France has informed Great Britain unofficially that it will reply in the affirmative to the British appeal for French aid in the event that an Anglo-Italian incident in the Mediterranean leads to war, the United Press learned today from high sources.

The British, anticipating an official answer sent from Friday's French council meeting, have decided not to modify their naval plans in the Mediterranean.

Captain Anthony Eden, British cabinet member, who was expected to confer with Premier Pierre Laval here today, had postponed his arrival until Thursday night. He has informed Laval the latest decision of the British government is expected to stress British readiness to support sanctions or penalties to the limit, once Great Britain has been assured France will aid her.

Foreign War Vets To Initiate 15 Members

Cisco Veterans of Foreign Wars will hold a meeting at Lake Cisco Thursday evening for the purpose of obligating new members, it was announced today by W. H. Hayes, commander. A degree team from Brownwood will be here for the purpose, he said, as well as noted speakers.

In addition to the speaking and initiation of new members there will be music by Harry Schaefer's string orchestra, and a barbecue, Hayes said.

Officers of the organization, besides the commander, now include H. G. Bailey, senior vice commander; A. L. Clark, quartermaster; Guyle Greynolds, officer of the day; Dr. E. L. Graham, surgeon.

Fifteen new members to be obligated were listed by Hayes today. They are T. A. Bond, C. F. Thomas of Rising Star, Guy Brogdon, Rex Moore, Dave Gorman, W. L. Curry, Harry P. Schaefer, T. A. Sherrill, E. E. Fields of Putnam; E. C. Waddell of Putnam; Roy L. Williams of Putnam; J. J. Tableman, T. M. Terry, S. C. Horne, and E. L. Michael of Eastland.

The present membership, besides the officers, includes L. E. Vaughn, D. R. Hale, J. H. Mitchell, J. T. Eggen, Wyatt Jacobs, R. N. Miller, H. A. Bible, D. M. Lucky, Crigger, Paschall, K. K. White of Eastland, R. E. Grantham, and R. F. Blackstock.

The Cisco post is the only one of the Veterans of Foreign Wars in the county, having been formed recently. It is a part of the national organization which was founded in 1899 as the American Veterans of Foreign Service. It is a fraternal, patriotic, historical, and educational body, and is composed of men who have seen honorable service in the army, navy, marine corps, or coast guard of the United States on foreign soil or in hostile waters during a time of war for which the United States authorizes the issuance of a campaign medal.

POSTAL GAIN OF 6 PER CENT IS REPORTED

A six per cent increase in postal receipts for the September quarter of this year over the same period in 1934 was announced today by Postmaster Luther McCrea.

The receipts for the three months just past were \$5,268,611, as against \$4,969,36 during the same three months last year. This represented an increase of \$299,25.

Although there was an increase of six per cent over last year's receipts, the percentage of gain was somewhat smaller than that recorded for the entire year, the postmaster said. The smaller gain, he said, might be attributed to seasonal causes.

NEW YORK, Oct. 2. — John Kemp, 51, member of the Million-a-Year club of insurance salesmen and of the Pryors and Lambs club, was paraded in police lineups today as the alleged embezzler of insurance funds of Mrs. Will Rogers, W. C. Fields, and many other stars of stage and screen.

Perhaps there is less natural football talent. But this year's edition of the Lobos has more fight than any other it has ever been this column's privilege to report. whom they would like to see win either one of those two new cars, must get their nominations in now so that the nominees can make the most of the very best time to get subscriptions, which is now in the first period of the campaign.

One person could win both of these two extra awards, or they can be won by two separate people. There is no red tape to wade through in order to nominate winners of these two beautiful cars. You can nominate anyone—yourself, some member of your family—the girl friend or the boy friend, or just a friend.

As stated above—you could nominate yourself—win one of the two cars and one of these two extra nomination awards also. Under the rules and regulations of the Opportunity club nominations may be made at any time during the first three periods of the campaign. Positively no nominations will be accepted after the close of the third period of the campaign.

Just fill out—properly—the nomination blank you will find in today's paper with the name of the person whom you think capable of winning one of the two cars. Then bring it in person to Opportunity club headquarters at the Cisco Daily News.

From this list of nominations will come the real active members of the Opportunity club—and from that the winners of the two cars. So nominate a winner today.

Will you be one of them?
Either a winner of cash prize for sending in the name of a car winner—
Or a car winner yourself—
Or both!

Horses In Demand On Canadian Farms

OTTAWA, Ont., Oct. 2—The horse is staging a comeback in Canada.

The Canadian Department of Agriculture reports that demands for horses on United States farms and for use on farms in Western Canada has increased the value of the heavy type of horses by 30 per cent in the last two years, giving a great impetus to horse breeding.

In 1931, when the end of prohibition was in sight, exports of horses from Canada to the United States leaped from 672 in 1930 to 6,020 and in 1932 to 6,712. The trade dropped in 1933 and 1934, but is again being revived by demands for Canadian draft horses from U. S. brewers. A recent shipment from Lambton county in Ontario brought a price of \$250 per head in the United States.
The principal demand, however,

is a domestic one. In 1921 there were 2,610,495 horses on Canadian farms. Last year there were only 2,933,480. The drop is explained by the fact that with the advent of tractors and other automotive machinery farmers abandoned horse-breeding. Now with farm prices low farmers are abandoning tractors, and again turning to horses. They find it more economical to feed oats to horses than to sell the oats and buy gasoline.
