

# MULES GO TO PORTALES FRIDAY NIGHT

GAME 7:30 N. M. TIME—SEE STORY ON SPORTS PAGE—

## Mr. Muleshoe ...

By J. M. Forbes

### Cheers & Jeers From The

**Board of Seats:**  
Dr. Scoop: Here is my check for \$2. This gives me the right to cuss and praise you for the things you say and don't say in your column each week.

**Quarterback Club meets Monday noon.**

**Lions Club meets Wednesday noon.**

**Teen Town meets Tuesday night.**

If you will attend some of these meetings you will get some good material for your sheet. (Maybe).  
—Vance Waggon.

I seem to see a little cussin' but no praisin' in that piece. We all ought to attend more important meetings than we do. I could point out that the JayCees, PTA, Masons, Odd Fellows, Baptists, Methodists, Presbyterians, Boy Scouts, Girl Scouts, Rainbow, Sunday School, Square Dance, Bridge, and other clubs also have their regular meeting times. Tain't possible for one man to get around to all of them (Not that I go to some of those mentioned above). But that doesn't excuse one. All organizations are important. America is run by committees and who the heck appoints a committee excepting an organization. If you belong to an organization you are helping to run the U. S. A.

Which brings us to a convenient place to say that Mrs. Clyde Holt has consented to become a member of the staff of the Muleshoe Journal and that our coverage of community events ought to improve noticeably. Mary Frances knows and is known by lots of people, not only in Muleshoe, but over the county. Besides which, she worked in The Journal office for quite a time a few years back and is no stranger still, she likes the work. She will appreciate it and we will have a better paper if you will phone here information about people or organizations which you may have, even if to you it might seem trivial.

But we talk too much about The Journal. We go on and on about our little affairs while momentous things are happening all around us. Here's the tomato harvest in full swing and scattering money right and left at a time when there isn't much to distribute. Here's a tremendous big cotton shed going up and Mr. Underwood ready to receive cotton as soon as his office is moved up from Lubbock and placed on the foundation. Here's an estimated twenty residences under construction at this time in Muleshoe, many more in the country side. And right around the corner is one of the biggest grain sorghum harvests this territory has enjoyed in many moons and cotton right behind that. Truly we live in a wonderful little town, wonderful territory and ought to be busy and happy all the time.

When a sister of Vice-President Alben W. Barkley came to Muleshoe the other day, she didn't visit the newspaper office, the country house, or any prominent place like that. She spent her 30 minutes exchanging verbal pleasantries and sharp ripostes with the vegetable market boys down on the corner, teasing a daughter who was with her and so forth. The kin of the distinguished Veep of the US thoroughly enjoyed herself. But next time, doggone it, you boys tell her about our shallow water, our lack of sandstorms; no use in letting anybody fall to become a booster for good old Bailey County. Don't never let people, especially a kinsman of a VIP, just visit around and enjoy themselves in such a haphazard manner, no more.

## Threeway Revival Starts Sept. 16

The fall revival at the Threeway Baptist Church will begin Friday evening, September 16, and will continue through September 25.

Rev. Wayne Perry, pastor of the First Baptist Church of Sudan, will be the Evangelist. Brother Perry is well known in this section, and the public is cordially invited to attend these services. They shall be twice daily 10:00 a. m. and 8:00 p. m.

Carroll T. Holtzclaw is pastor, and will conduct the song services during the Revival.

### Mrs. CARTER INJURED

Word was received here by Mrs. H. C. Holt Monday that her sister, Mrs. Annie Carter of Levelland fell and badly fractured her ankle. Mrs. Carter was visited in the home of Mrs. Holt several times and is well known by many people in Muleshoe.

## Annual Poland China Gilt Show To Be Unreeled Here Saturday

## Officials Plan Better Handling Reserved Seats

School officials today announced plans for a better handling of the reserved seat section than obtained last week at the game between Springlake and Muleshoe. They frankly admitted that some who had bought reserved seats failed to get them because others were occupying them. They said the reserved seat section will be roped off and plainly marked at future games.

At the same time they made provision for sale of reserved seats at the stadium at game time. There will be a table at the stadium and the person who presides over that table will have a map of the reserved seat section showing what seats are available and which are sold.

The Springlake-Muleshoe game receipts at the gate were a little more than \$650, and this figure does not include advance reserved seat sales. Under the contract, Muleshoe paid Springlake \$100; Springlake will pay Muleshoe \$100 for the game next year in their stadium. Portales will give Muleshoe school \$300 for the game the coming Friday night and next year for the return game Muleshoe will give Portales \$300, officials said. Each game is contracted with terms varying in some respects.

## Local P-TA To Meet Monday

The first meeting of the year of the Muleshoe Parent Teachers Association will be held Monday evening September 19, at 8:00 at the high school auditorium.

Mrs. Bill Collins, chairman of the Membership Committee, announced Monday that this is Membership Drive Week. All parents who have children in school are asked to send their membership dues to the school by the students. Membership dues are fifty cents each.

To the Grade School class getting the most members and subscriptions will go a prize of \$50.00, prize of \$5.00 cash.

The High School class getting the most members and subscriptions will also receive a cash prize of \$5.00.

Mrs. Morris Childers, Chairman of the Publications Committee, announced that subscriptions to the Texas Parent Teacher Magazine for a year will be twenty-five cents. A year's subscription to the National Parent Teachers Magazine will be \$1.25. Those wishing to subscribe to either magazine may send their money to school by the students or pay Mrs. Childers at the Monday meeting.

The program subject for the September meeting is "Parents and Teachers As Partners".  
Invocation, Rev. T. G. Craft.  
Special Music.  
Introduction of Teachers, Supt. Grandy.

Meaning of Grades and Report Cards to Parents, Fred Johnson.  
Goals of Parent Education from View-Point of Teacher-Principal, Troy Perkins.

The business meeting following the program will be conducted by Mrs. R. E. Herrington, President.

## Men's Bible Class To Resume Studies

The Men's Bible Study Class will resume studies Thursday night, September 22, after a summer vacation officers of the class announce.

They issued an invitation for all men to attend this study class and to start on the first night to get advantage of the course as it progresses during the coming months. At the same time they urged old members to be on hand for the start of the course.

Rev. T. G. Craft, pastor of the First Methodist Church of Muleshoe, is the teacher. The class meets in the bank building, at the rear of the real estate offices of Beavers, Hanover & Day.

The shady side of the courthouse square will be the location Saturday morning from 8 until 10 o'clock for the annual Poland China gilt show.

The eight gilts sponsored by the county agent and the Sears Foundation will be shown to determine a champion to enter in the district competition at Lubbock Saturday afternoon. Four pens of fat barrows also will be shown to determine the pen of three barrows eligible to compete for the district championship.

Jack Heald, young Poland China breeder living one half mile north of the airport will carry the winners along with his fine young Poland China boar to Lubbock immediately following the show here at Muleshoe.

## Field Day At Lubbock Friday

The Lubbock Experiment Station is holding a series of field days to give farmers of this section of Texas some first hand information and a first hand look at their latest experiments on cotton, grain, sorghum and other valuable crops.

Cotton defoliation also will be discussed. Bailey, Farmer, Swisher, Floyd, Dawson, Gaines, and Terry County farmers will be guests of Don Jones and his staff tomorrow, Friday, September 16. J. K. Adams, Bailey County farm agent, urges all farmers to consider the importance of these experiments and to set aside September 16, for an all day visit to the Station, located 3 miles east of Lubbock on the Idalou highway.

## Progress Revival To Begin Sept. 21

A revival meeting will begin at the Progress Baptist Church next Wednesday, February 21, to continue through September 28.

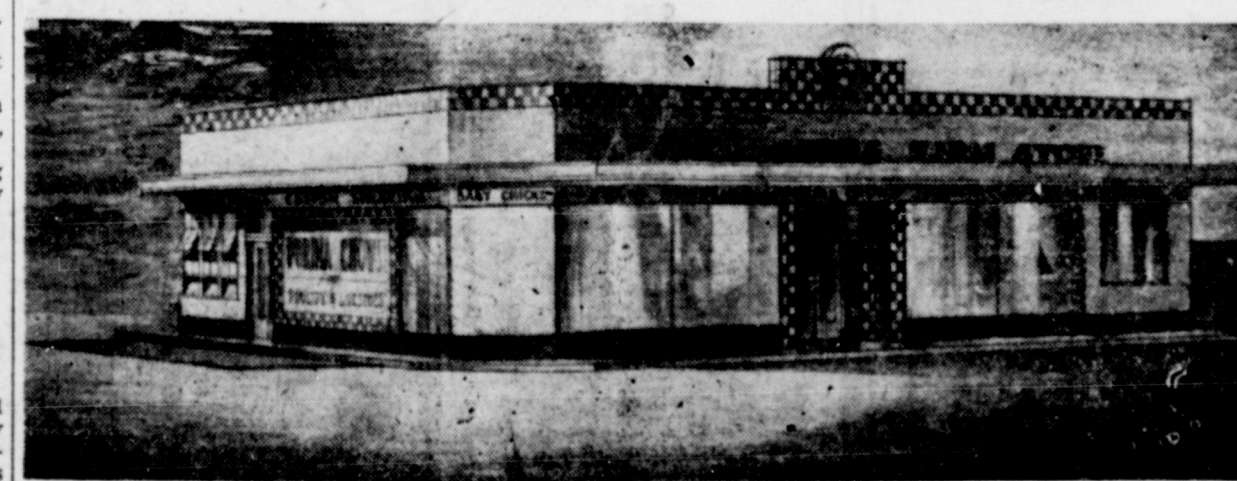

Rev. J. Henry Cox, of Amherst, will conduct the revival. There will be two services daily, at 10 a. m. and at 8 p. m. The Public is invited to attend.

## Legion Auxiliary Elects Officers

The Legion Auxiliary met last Wednesday evening to elect officers. Elected were President, Mrs. Marion Hare; Vice-president, Mrs. James Case; Secretary, Mrs. H. L. Barbour; Treasurer, Mrs. Blonnie Ray; Reporter, Mrs. Milton Forbes; Chaplain, Mrs. Jesse Osborn.

It was decided to have a membership drive and the Auxiliary was divided into two groups with Mrs. Buck Woods and Mrs. Francis Gilbreath to head the groups. The losing group is to entertain the winning side and the husbands.

## Jones Farm Store Observes 1st Anniversary

A big party has been planned by the Jones Farm Store in celebration of their first anniversary, the party to be held the coming Saturday, September 17, at the store, located just north of the railroad tracks on the Plainview highway.

F. W. "Chief" Jones, proprietor, announced a number of attendance prizes as well as prizes for most produce brought in, favors for all who attend, and said that coffee and donuts will be served throughout the day.

## Assembly Of God Begins Revival

REV. BURNS

A revival will begin Sunday night, September 18, at the Assembly of God Church located at the corner of Avenue E and East First Street.

Rev. A. N. Burns, of Oklahoma City, will be giving inspiring messages each evening, and those who attend are assured of good singing which they will enjoy.

Rev. L. H. Hubbard, local pastor, extends a hearty welcome to all to attend this revival.

Mrs. J. L. Brooks, mother of Mrs. Jim Cook, former resident of Muleshoe, passed away Sunday morning in the Cook home at Clayton, N. M.

Funeral services were conducted Tuesday afternoon at the First Baptist Church in Panhandle, Tex., and interment was in the White-deer, Texas, cemetery.

Attending the services from here were Mr. and Mrs. Olin Jennings and Dixie.

## Jennings Is Out For Holt's Place

Joe W. Jennings of Hale County has announced his candidacy for Representative of the 120 Texas Legislative District.

The office was recently left vacant by the resignation of Rep. I. B. Holt of Lamb County.

Gov. Allan Shivers has called a special election for November 8, to select a successor to Holt.

Jennings has been farming in Floyd and Hale Counties for the past twenty years. He is a member of the Hale County Water Use and Conservation Association, in connection with his candidacy Jennings said:

"I am in full accord with the principles of the recent 'Water Bill' sponsored by the High Plains Association and passed by the 51st Legislature. I will support that law and any amendments that may be necessary to strengthen or clarify the law.

"I am a firm believer in Farm-Market roads and will support such construction within the financial ability of the State. I realize a solvent financial condition is necessary to the maintenance of constitutional democratic government and shall oppose deficit financing at all times.

"I pledge adequate support to all necessary government functions, but am opposed to waste and extravagance.

"I pledge my best efforts in the interests of the county. I have no ambition for any other or higher office. My sole ambition is to represent our district and I will devote all my efforts to the work at hand."

## It Pays To Plant Good Varieties Of Wheat; Allotments Are Reduced

COLLEGE STATION, Sept. 13.—In a short time, grain drills will be a common sight throughout Texas. However, seed of the acreage planted will of course depend on the size of wheat acreage allotments. The importance of planting only good quality varieties cannot be overstated.

E. A. Miller, extension agronomist of the Texas A. & M. College System, advises wheat growers to plant only those varieties that have good baking qualities as well as good yielding ability. Since the new improved varieties are good yielders, there is no longer any need for planting varieties with poor baking quality which are trouble makers on the market, he adds.

Most of the flour goes into commercial bakeries and they demand flour with which they can make the kind of bread that consumers desire.

The recommended varieties in the main wheat area of Texas are Westar and Comanche for bakers flour. Wichita and Triumph are best for family trade flour. Also, excellent quality varieties are Tenmarq and Turkey, but they are not as good yielders as Westar and Comanche.

In central Texas, the Austin variety which is more rust resistant

is well adapted, while in south Texas the new variety called Seabreeze has done well, especially for grazing. However, seed of the latter is still scarce, says Miller.

Texas formerly had a reputation for fine quality wheat which was in demand because it was nearly all of good baking varieties. Unfortunately, some varieties with poor baking quality, which were brought in from other states, have caused Texas to temporarily lose its good reputation for high quality wheat. This has resulted in some mills shipping in good quality wheat from the northern states to meet the keen competition and demand for good flour, says Miller.

The situation is now changing fast. Surveys made by the Texas-Oklahoma Wheat Improvement Association show that approximately one and a quarter million more acres in Texas were planted to good quality wheat varieties for harvest in 1949 than in 1947. Texas as a whole, showed a 25.7 percent increase in acreage of the better varieties.

This, according to Miller, is indeed a fine showing and should bring dividends to the wheat growers of Texas in regaining their reputation for good quality wheat.

## Cotton Growers Said Turning Their Attention To Early Defoliation

## Dr. Plinke Has Located Here

Wesley G. Plinke M. D., his wife, Virginia, and two sons, Bobby, age 4, and Wesley Gordon, Jr., age 1, have recently moved to Muleshoe where Dr. Plinke has opened an office for the general practice of medicine. Dr. Plinke is a native of Minneapolis, Minn., and his wife is from Kemper County, Miss.

After taking pre-medical work at Union College, Madison, College, University of Minnesota, and University of California at Los Angeles, the doctor enrolled at the medical school of the College of Medical Evangelist, Loma Linda and Los Angeles, Calif.

He interned at the Washington Sanitarium and Hospital, Takoma Park, Md. and has spent three years in private practice at Hickory, Miss., and in Odessa, Texas. He says that he was attracted to locate in Muleshoe by the sound agricultural prosperity of the area and the friendliness of the people.

A spray of ammonium thiocyanate dissolved in water and applied at the rate of 10 pounds per acre gives good results in drier sections of the state. This spray has not been tested thoroughly under Texas conditions and therefore cannot be definitely relied upon.

## Sewing Machine Clinic To Be Held In Corrington Home

A sewing machine clinic will be held in the home of Mrs. Marie Corrington, Bailey County Home Demonstration Agent, Friday afternoon at 2:30 under the direction of C. W. Strow, manager of the Singer Sewing Machine Co., Clovis, N. M. and Miss Marie Schumacher, Education Supervisor, Denver, Colo.

Mrs. Corrington reports that this clinic is open to any person wishing to attend especially the club women of the county. Machines will be cleaned, adjusted, and new attachments will be shown.

## Methodists Plan Big Day At Ceta

Y. L. and Progress Methodist churches are planning a big outing for their people on Sunday, September 18, at Ceta Canyon, where the camp grounds have been reserved for them, Rev. Carroll Jones, pastor said.

The groups will leave in time to get to the camp site by 11:00 a. m. There will be preaching at 11. Lunch will be spread in the dining hall at noon and Sunday school will be at 1:30.

Activities listed for the afternoon are swimming, snoozing, exploring, games, singing, then ice cream for all. Some of the people will stop for evening services at Dimmitt.

## School Building Ready In October

Completion of the new high school building sometime in October is now confidently predicted, Morris Childers, president of the school board, told The Journal today.

He said arrival of some glazed tile to be used in the corridors had put an end to material shortages and that work would go on rapidly from now on. All materials needed in the construction of the building are now on hand, it was said.

## 4-H Boys Guests At Texas Tech

Jim Prather, Earl White, Marvin Jones, Don Copley, and Robert Giles of the Bailey County 4-H Clubs accompanied J. K. Adams, their county agent, to Texas Tech Saturday for an all day schooling in the care and management of sheep and poultry.

The boys absorbed much knowledge and each was awarded a diploma at the end of the day.

SPENCE VISITORS  
Mr. and Mrs. C. Spence and daughter, Mrs. C. Spence, visiting relatives here a week.

COLLEGE STATION, Sept. 13.—Cotton has made exceptionally good growth in most sections of the State this year. Right along with a heavier set of bolls there has been ran growth of leaves. Many cotton growers are turning their attention to cotton defoliation—that is, using chemicals to make the leaves fall off so cotton will mature faster and be easier to pick.

The chemical which has been used the longest and has given good results is finely ground calcium cyanamid, according to M. K. Thornton, extension agricultural chemist of the Texas A. & M. College System.

Thornton says cotton should be dusted with calcium cyanamid at the rate of 30 to 35 pounds per acre. It can be dusted from airplanes or with ground dusting machines. The dust must stick to the leaves in order to get good defoliation. Early in the morning, while dew is still on the leaves, is a good time to dust, says Thornton, or after a rain while the air is still moist. He adds that defoliation is likely to be a failure if dusting is done during extremely dry weather or when there is no dew on the cotton leaves.

A spray of ammonium thiocyanate dissolved in water and applied at the rate of 10 pounds per acre gives good results in drier sections of the state. This spray has not been tested thoroughly under Texas conditions and therefore cannot be definitely relied upon.

Removing leaves from cotton has several advantages. It makes picking easier—whether it's done by hand or by special picking machines, or by mechanical strippers. There is less leaf stain on lint. Bolls open more uniformly and earlier. And there's less green-stuff left for boll weevils to live on.

Thornton suggests that you see your county agricultural agent for information on chemical defoliation of cotton.

## 1,000 Expected At THDA Meeting

COLLEGE STATION, Sept. 14.—A thousand women are expected to attend the annual meeting of the Texas Home Demonstration Association at Mineral Wells, September 21-23. The three-day meeting is planned around the theme—"Today's Home Builds Tomorrow's World."

Mrs. R. L. Campbell, Wildorado, Texas, president of the association, will preside over the general sessions, and other members of the board of directors will conduct work shops on the association's plan of work—results in the county, and recommendations for the new year's program.

The scope of their interests has broadened during the years of their growth in home demonstration organizations. Miss Maurine Hearn, state home demonstration agent and vice editor of Texas A. & M. College, says "The leadership which home demonstration workers have always given in the important fields of nutrition, home management, clothing, housing and the like, is also needed in solving such problems as health, recreation and the enrichment of living."

Among the special speakers for the convention are the Rev. Homer Vanderpool, Tyler Street Methodist Church, Dallas, and Mr. Wes Izzard, editor of the Amarillo Daily News-Clobe and news commentator for Radio Station KGNC, Amarillo.

Mrs. Gus Rogers, Manor, Texas, will act as chairman of the planning the six work shop sessions. Mrs. C. E. Caskey, Graham, will conduct the recreation committee workshop; Mrs. George Parr, Harris, legislative; Mrs. B. M. Harris, Plainview—the 4-H committee; Mrs. Robert Lange, Brenham, the education; Mrs. T. L. Ernest, Jourdanton—marketing; and Mrs. T. J. Ludwick, Bland, the workshop for county chairmen of the Texas Home Demonstration Association.

JORDAN IS ERECTING BRICK OFFICE BUILDING  
Construction was started this week on a brick and tile building for Roy Jordan on the rear of lots located. Mr. Jordan said the building will be 40x34 feet and that it will be divided so as to provide two offices.

**ECONOMY BEGINS AT HOME**

Senator Lyndon Johnson said some things which ought to be remembered by all who are urging economy in Government when he wrote the following column as a guest writer recently:

From my own experience I have found that the greatest obstacle to economy is, oftentimes, the group of people who wall loudest and longest for economy.

One day a Congressman or a Senator may receive a bluntly-worded letter from a group of prominent constituents demand-

ing that he stop "this foolish, wasteful spending in Government." In threatening tones the constituents will write: "We will be watching your voting record to see whether you are looking out for the tax-payers or the bureaucrats."

**Ask Money For Local Project**

Next day, the same Congressman or Senator will receive an equally blunt letter from the same group of prominent constituents demanding that he get a \$10,000,000 bill passed for some purely local pet project that is dear to their hearts.

What is the man in Congress to do? If he is true to the tax-payers, he will refuse to sponsor the bill

pouring \$10,000,000 down the drain in his home district. If he refuses to sponsor the bill, though, the voters—yes, the tax-payers—will vote against him in the next election and send some man to Congress who is pledged to vote for economy everywhere except in the home district.

**Don't Fire "Aunt Minnie"**

The same story could be told over and over. Every member of Congress receives an armload of mail each week demanding that the bureaucrats be "driven away from the public trough." So, the Congressman votes a reduce expenditures in some department and the department is forced to dismiss several thousand workers.

In the next mail, more letters pour in by the sackloads telling the Congressman that "Aunt Minnie" has lost her job with the Government and something's got to be done for her—quick.

So long as the "bureaucrats" are merely unidentified statistics everybody wants to fire them, but when a fired "bureaucrat" turns out to be somebody's Aunt or Brother or Cousin, everybody loves them.

What many people do not realize is that the "Government" which they consider bad and wasteful in Washington is the same "Government" which they consider good and indispensable when it spends money in their own backyard. If Government spending is to be cut, those cuts will be felt first at the forks of the creek—where the spending is done, not here in Washington where the spending is merely planned.

**Economy, Like Charity, Begins At Home**

If the voters really want Economy—and I believe they do—they must prepare to accept the effects of it right at home, perhaps even in their own pocketbooks. That, I know, is easier said than done. Very few men walk into their boss's office and ask for a cut in their paycheck, even though they know the firm would be in better financial straits if expenses were cut.

It is a futile and empty gesture to demand that public officials cut expenditures, then criticize them when the cuts strike close to home.

We can have economical government, we can save much more than the \$500,000,000 Louis John-

**TRUMAN'S EXPERIMENT**

WASHINGTON, D. C., Sept. 9. The following is an impartial report as to what the Truman Administration is attempting to do to prevent further unemployment. The plan is not as radical as Mr. Roosevelt's experiments,—most of which failed. It, however, seems to most Republicans like trying to "sweep back the ocean from a sandy beach with a broom". Conservatives believe in letting the tides come in and go out as nature intended.

**The Fire Department Theory**

The President's friends would use a city Fire Department as an illustration of what they are trying to do to stop a business conflagration. A Fire Department does not prevent fires from starting, but only from spreading. The Fire Chief waits until a fire starts and then rushes to it and puts it out.

If you divide the annual cost of any Fire Department by the number of fires, at first thought the Department seems inefficient. Every city spends \$1,000 to put out a \$500 fire. Yet, without the Fire Department, the little fire would grow and perhaps burn up the entire city. Hence, I believe that the Fire Chief is the most useful and important citizen of every city. They all should be paid more money.

**Apply Unemployment To Fires**

The Truman program is based upon a similar theory. If unemployment starts in a certain state—as it now has in Massachusetts and Rhode Island—the President wants to rush aid to that section immediately and stop the spread of that unemployment to other sections. To a certain extent the President is right in theory.

When the textile and shoe workers of New England are idle, their purchasing power is cut down. This causes other plants elsewhere to lay off employees. Then unemployment increases all over the country like an epidemic of flu. On the other hand, if enough government orders and aid are rushed to these sick places, the unemployed would go back to work and would again buy goods. This helps every other part of the country. At least this is the Truman theory. Whether or not it will work no one knows; but it seems worthy of trial.

**Fires Run In Cycles**

There is one feature about the fire illustration concerning which my Truman friends don't like to talk. This is the fact that with all the wonderful and efficient Fire Departments of our country, the total fire losses—over a long period—go up and down according to Newton's Law of Action and Reaction. The best Fire Chiefs in the world can't control the human element involved in connection with fires.

During certain years people are careless and when there are an extra large number of fires. These so increase that the insurance companies—through the National Board of Fire Underwriters and its efficient leader W. E. Mallalieu—get busy and start a campaign to educate people to be careful. This, combined with other factors, bears fruit and fires decrease for a series of years. But people get careless again and fires again increase. Statistics show that fires have their cycle the same as employment, commodity prices and general business.

**What About Stocks?**

But granted that this Truman son has saved—but that goal cannot be realized without the unselfish and wholehearted support of the people who elect men to public office.

In the final analysis, this economy drive—or any economy drive—will result in some hardships both to communities and to individuals. When you deal with billions of dollars and hundreds of thousands of employees, it is impossible to anticipate the result of each dollar saving that is made.

But we should remember this: the hardships of economy are not likely to be severe nor so permanent as the hardships of waste. Economy may be bitter medicine but it is necessary to cure the deadly, crippling disease of waste.

experiment will work, and I surely hope it will, Fire Departments do not build new houses nor start new businesses. Likewise, this experiment of extinguishing a depression at the start "with a bucket of water", will not change human nature and prevent a readjustment sometime. Certainly, the Truman experiment will fail unless labor leaders have a change of attitude. They can set fires faster than any Fire Department can extinguish them!

All the above means that there is no hurry to buy stocks or bonds. The Truman experiment must ultimately result in higher taxes. This leaves less money for people to invest. The real difficulty with the stock market today is not because of the dividends nor the security, but because investors have no money left to invest after paying living expenses and taxes. President Truman's experiment may help to steady the stock market; but I don't see how it could cause a bull market in stocks, commodities, real estate or anything else.

**FIREWORKS ORDNANCE**

**AN ORDINANCE PROHIBITING THE SALE AND DISCHARGE OF FIREWORKS, TORPEDOS, ROCKETS, ETC. WITHIN THE CITY OF MULESHOE, TEXAS, REPEALING ALL ORDINANCES IN CONFLICT HEREWITH, AND DECLARING AN EMERGENCY. BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF MULESHOE, TEXAS:**

Section 1. No person, firm, company, corporation or association shall cast, throw or fire any squib, rocket, cracker, torpedo, grenade, or other combustible fireworks of any kind in the City of Muleshoe, Texas.

Section 2. No person, firm, company, corporation or association shall exhibit or have in his possession, with intent to give away or sell or offer for sale or sell, within the City of Muleshoe, any squib, rocket, cracker, torpedo, grenade, or other combustible fireworks of any kind in the City of Muleshoe.

Section 3. Any person, firm, corporation, company or association who shall violate any of the provisions of this ordinance, or suffer or allow the same to be violated, shall upon conviction therefor be subject to a fine of not more than One Hundred Dollars (\$100.00).

Section 4. All ordinances or

parts of ordinances in conflict herewith are hereby repealed.

Section 5. In view of the fact that this ordinance is necessary for the immediate protection and preservation of the public health, safety and general welfare, it becomes necessary that this ordinance shall be in full force and effect immediately from and after its passage and it is accordingly

W. R. HARPER,  
Mayor, City of Muleshoe, Texas.  
R. J. KLUMP,  
City Secretary 36-3tc.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS To the Sheriff or any Constable of Bailey County—Greeting:

YOU ARE HEREBY COMMANDED, That by making publication of this Citation in some newspaper published in the County of Bailey, once each week for four consecutive weeks, previous to the return day hereof you summon C. E. Reecer whose residence is unknown, to be and appear before the County Court of Bailey County, State of Texas, to be holden in and for the County of Bailey at the Courthouse thereof, in Muleshoe, at or before ten o'clock A. M., of the Monday next following the expiration of Forty-two days from the date of this citation, being Monday, at 10 o'clock A. M., on the 24th day of October, 1949, then and there to answer to the petition of Purdy A. Braker, d/b/a White Auto Store filed in said Court on the 1st day of August, A. D. 1949, against the

said C. E. Reecer for suit, said suit being numbered 311 the nature of which demand is as follows, to-wit:

An action on open account for one (1) Motor Assembly for one 1930 Model 'A' Ford Coupe, which defendant purchased and refused to pay for after installing said motor and using same.

HEREIN FAIL, NOT. But have you then and there before said Court, this writ, with your return thereon showing how you have executed the same.

WITNESS: M. G. Bass, Clerk of the County Court of Bailey County, Texas.

Given under my hand and the seal of said Court, at office in the city of Muleshoe, this 7th day of September, A. D. 1949.

ATTEST:

M. G. BASS,  
Clerk, County Court, Bailey County, Texas.  
By LILLIAN A. SELLARS, deputy. (SEAL) 37-4tc.

From where I sit... by Joe Marsh

**Sure You Haven't A "Blind Spot"?**

As I was driving down Main Street last Saturday, another car swung out right in front of me. It turned out to be Buck Blake. He wasn't going fast. It was just that he had something else on his mind at that particular moment.

Buck's really one of the nicest fellows I've ever known. But, sometimes he gets to day-dreaming on the road. He sort of gets a "blind spot" to what's going on about him!

Now, lots of normally considerate folks have their "blind spots."

It could be anything from day-dreaming while driving a car to humming out loud at the movies.

From where I sit, it's mighty important to be on guard against your own "blind spots." The other fellow has a right to his "share of the road," too—whether it's having a taste for a temperate glass of sparkling beer or a desire to listen to some classical music if he wants to.

Joe Marsh

**FROM ARIZONA**

Jack Damron of Phoenix, Ariz., visited in the home of Mr. and Mrs. Joe Damron and family last week.

**TO HALE COUNTY**

Mr. and Mrs. E. E. Dyer visited their farm in northwest Hale county Sunday afternoon.

**Allison Home Scene Of Party**

The Gerald Allison home, in Muleshoe, was the scene of a lovely party, when the "losers" entertained the "winners" of the Pleasant Valley social club with a one o'clock luncheon, Friday, September 9th. The rooms were decorated lavishly with garden flower, and a beautiful bowl of roses centered the table.

A four course luncheon was served. Mrs. E. K. Angley, as captain of the winning team was presented with a corsage, and guest prizes of tea towels were presented by the hostess. Games were enjoyed in the afternoon.

Those present were mesdames: Floyd Andreas, Harold Allison, A. J. Moffitt, Jack Epps, J. E. Dulin, Oscar Allison, Gerald Allison, E. K. Angley, R. L. Roubinek, Herman Haberer, and Miss Betty Brunk, of Colorado Springs, Colorado.

**WSSC MEETS**

WSSC met Tuesday afternoon in the home of Mrs. Finley Peirson but due to the inclement weather there were only a few members present and the program was not given as planned.

**ROSE QUEEN**

Rose Marie Young of Tyler will be crowned Rose Queen of the Twelfth Annual Texas Rose Festival to be held Sept. 30, Oct. 1 and 2 in Tyler. Also in attendance at the coronation will be Duchesses and Ladies-in-Waiting from 27 Texas cities, six other states and Mexico.

**Bridal Shower Given Honoring Mrs. Harold Cowan**

Mrs. Harold D. Cowan, the former Miss Bette Guthrie, was honored with a bridal shower in the home of Mrs. Roy Bryant Wednesday afternoon, September 7.

Adding to the beauty of the lovely home were the floral decorations, which were arranged by Mrs. Lee R. Pool.

In the receiving line were Mesdames: Roy Bryant, Earl Lee, mother of the bride; P. A. Cowan, Littlefield, mother of the groom; and the honoree.

Refreshments were served from a lace covered table beautifully arranged with a miniature bride and groom surrounded with blue delphinium.

Miss Doris Eickel and Mrs. Weldon McCarty presided alternately at the punch bowl.

The brides book was in charge of Miss Dorothy Waggoner, while Miss Charlene Prather greeted guests.

The gifts presented the honoree by her many friends were on display throughout the house, they included a complete service of Revere-Ware, pottery and silver.

Hostesses for the occasion were Mesdames: Roy Bryant, F. H. Davis, Morris Childers, Bill Boothe, Clyde Waggoner, Don Fudge, Weldon McCarty and Misses Dorothy Waggoner, Doris Eickel and Charlene Prather.

**Wesleyan Service Guild Meets With Mrs. Jack Holland**

Wesleyan Service Guild met Monday night September 12, in the home of Mrs. Jack Holland.

The president, Mrs. Curtis Spivey, was in charge of the business session.

The devotional was given by Mrs. Bill Collins. Prayer was led by Rev. T. G. Craft.

Mrs. Fred Johnson, chairman of Study, gave a resume of the new study "Japan Begins Again" and introduced Mrs. Ray Edwards who brought the first 3 chapters.

Present for the occasion and enjoying the delicious refreshments were Mesdames: A. S. Stovall, Bill Collins, Ray Edwards, Curtis Spivey, Jim Cox, Olin Jennings, Harold Wyr, Lester Garth, Jim Burhead, T. G. Craft, Francis Gilbreath, Morris Childers, W. Q. Casey, Fred Johnson, Miss Elizabeth Harden, one visitor, Mrs. G. O. Jennings and the hostess.

The next meeting will be with Mrs. Ray Edwards, Monday night, September 26.

**Bridal Shower Given Honoring Mrs. Don Barnett**

Mrs. Don Barnett was honored with a bridal shower at Fellowship Hall, Thursday, September 8, from 4:00 to 6:00 o'clock.

Upon arrival the guests registered in the brides book after which they viewed the many lovely gifts that were sent by a host of friends.

The serving table was centered with a crystal bowl of lavender asters surrounded by a circle of silver lace medallions each with a lavender aster attached to streamers of silver ribbon.

Hostesses for the occasion were Mesdames: C. L. Baker, Leslie Moore, J. E. Randol, Earl Jeter, Albert Carroll, W. B. Wagoner, and J. Clyde Taylor.

Those present for the occasion or sending gifts were Mesdames: C. L. Baker, Frank Wagoner, S. T. Tipton, J. J. Mocks, John Garrett, T. E. Bartlett, Buford, Clyde Bray, Ethel Buchanan, A. P. Barnett, S. C. Caldwell, Joe Tipton, G. A. Pittman.

Arnold Morris, John Smith, Orby Jarnum, Deward Ruckshell, W. M. Harmon, Raymond Gaede, Jesse Osborn, Maud Jones, Mary E. Hart, A. W. Crow, George Brock, Ray Puckett, R. E. Barnett, W. B. Martin, Noel Woodley, N. H. Greer.

Misses: Mary Barnett, Louella Wilterding, Maurice Wilterding and Jayne Damron.

**Leather Shop Clinic Held Mon. and Tues.**

A leather craft shop was held at the Fellowship Hall Monday and Tuesday of this week under the direction of Mrs. C. E. Davis, owner of Davis Custom Leather, Red-Cut Projects, San Angelo, and Mrs. Marie Corrington, Bailey County Home Demonstration agent.

Mrs. Davis had all the equipment with her and the articles to be worked according to order.

In the two day clinic there were 30 billfolds, 14 coin purses, 8 underarm and shoulder strap bags, 2 gum scabbars, and 3 belts cut and finished by the group.

Club members and others who attended are: Mesdames Roy Carney, Neal Smith, John Thomson, J. T. Shofner, S. C. Caldwell, D. V. Clair, O. L. Dutton, Harold Mardis, J. E. Day, W. H. Awitrey, Kenneth Burton, Bonnie Williams, Joy Jones, W. W. Couch, Gordon Murrach, Lilla Melendy, Elgin Boyter, A. W. Copley, Doc Wilhite, Davis Anderson, Jessie Gray, F. W. Watt, Chester Anderson, Mack Fowler, L. T. Sarrar, J. K. Adams, and the directors.

The meeting was very successful and all the women are very proud of their work.

Plans were made for Mrs. Davis to return for another Shop Friday and Saturday November 25 and 26.

**Family Reunion Weidebush Home**

Hosting the Dunn family reunion Friday through Sunday were Mr. and Mrs. Rudolph Weidebush and family.

Those attending were the parents Mr. and Mrs. Arthur Dunn from Holtville, Calif.; Mr. and Mrs. Howard Weidebush, Fort Morgan, Colo.; Mr. and Mrs. J. R. Egan and son Jay, Lubbock; Mrs. W. M. Ingle and family, Levelland; and Mr. and Mrs. B. Hart, Fort Morgan, Colorado.

Be friendly with the folks you know. If it weren't for them, you'd be a total stranger.—Scottish Rite Bulletin.

**NEW DOLL TAKES SHAMPOO, WAVE**

Latest thing in toy realism to gladden the hearts of little girls everywhere is this Tami doll with new nylon wig that can be shampooed and waved. Research by two large corporations—Ideal Novelty and Toy Company and DuPont laboratories—was necessary to create the unique wig, which is capable of withstanding shampooing, combing, and curling. Complete with play-wave kit, it was produced by Ideal in cooperation with the Toni company.

**Little-Sain Vows Read At Decatur**

Miss Rosa Lea Little, daughter of Mr. and Mrs. Alexander Little, Decatur, became the bride of Mr. Walter Sain, son of Mr. and Mrs. J. H. Sain, Muleshoe, at 7:00 p. m. Saturday, September 10, in the Fundamental Baptist Church at Decatur. Rev. Clyde Spain, Jr., performed the ceremony, before an altar decorated with beautiful white gladiolus and white tapers.

The bride wore a lovely white slipper satin gown with a finger-tip veil. She carried a white Bible topped with a bouquet of red roses and white streamers.

Mrs. Anna Eloyee Coats, pianist, played and accompanied Miss Bennie Ruth Watkins, who sang "Always" and "I Love You Truly".

Miss Joy Little, sister of the bride, attended as bridesmaid, wearing a white and pink nylon gown. Vernon Thomas, Muleshoe, was best man. Don Spain, Decatur and Wyne Thomas, Chico acted as ushers.

Miss Sandra Kay Rawie, niece of the bride, assisted as train-bearer. The candle lighters were Misses Bobbie Meador and Clara Nell Williams.

At the reception held immediately following the ceremony, at the church, the table was decorated with a lovely lace tablecloth, centered with a beautiful three-tiered wedding cake topped with a miniature bride and groom, surrounded by fern and angel lilies.

Those presiding at the punch bowl were Mesdames: Ray Cobb, W. B. Little, and T. M. Rawley.

After a short trip to Garlsbad, N. M. the couple will be at home in Muleshoe where he is employed.

**Party Given Football Boys**

Last Friday night Barb Grandy and Joyce Blackburn had a party for the football players and their dates at Barb's. They danced and played ping pong. For refreshments they had ten ice cold watermelons. Those present were Barb and Bill Green, Joyce and Ted, Billie Payne and John Dee, Margaret and R. E. Janice and Bill, Jerrie Nell and Benny, Jeanette and Gene, Jo Aldine and Keith, Kay and Jimmy. Stags were Ray, Joe Frank, Wild Bill, Bill Collins, and Aubrey. Everyone that didn't come really did miss a good time as well as good eats!

**Study Club Met In Jennings Home**

Muleshoe Study Club met in the home of Mrs. G. O. Jennings with a Pot Luck Dinner Social last Thursday evening in the first meeting of the 1949-1950 Club year.

Those present for the occasion were Mesdames: Pat R. Bobo, M. F. Green, John Watson, A. J. Gardner, Noel Woodley, A. E. Lewis, Milton Forbes, Charles Lenau, Lee Pool, Buck Woods, Henry Williamson, Buck Ragsdale, and the hostess.

The next meeting will be Thursday, September 22, in the home of Mrs. Marion Harris with Mrs. John Watson co-hostess.

The program will be on "Southern Culture" with roll call answered with "A Popular Writer", "Literature" will be given by Mrs. Milton Forbes, "Music" by Mrs. Noel Woodley, "Songs of the South" by Mrs. Pat R. Bobo.

**VISIT CISCO AND COLLEGE STATION**

Mr. and Mrs. Delma McCarty and Mr. and Mrs. Weldon McCarty visited Delma's parents, Mr. and Mrs. A. W. McCarty in Cisco Saturday and Sunday. From Cisco they went to College Station to enter Weldon in A. & M. College.

Henry Morton Robinson, whose new novel, "The Cardinal," is being called the first great novel of the Catholic Church. The story traces with dramatic intensity the career of Stephen Fermac—as parish priest, personal secretary to a Cardinal, aide in the Vatican secretariat and, finally, as a Prince of the Church. It starts in the September issue of Cosmopolitan magazine. Robinson's last novel, The Great Snow, was published in 1947.

**RAINBOW ASSEMBLY TO MEET THURSDAY**

Muleshoe Assembly of Rainbow will meet in regular session Thursday evening in the Masonic Hall, at 7:30.

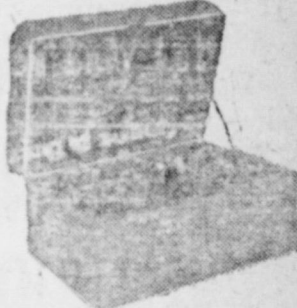

Initiatory degrees will be conferred on Miss Rita Peeler. An invitation to attend has been extended to all Masons and Eastern Stars.

Plans for the Installation of Officers will be made at this meeting.

The present Worthy Advisor is Miss Kay Malone and Mrs. Buck Woods is the Mother Adviser.

### Polio Foundation Asks Dimes and Dollars Now to Pay for Patient Care in Epidemic of Infantile Paralysis Throughout Country

With thousands of children and adults in hospitals today as the result of current widespread polio epidemics, and with as many new cases likely to develop in the months just ahead, the National Foundation for Infantile Paralysis has launched a Polio Epidemic Emergency Drive to provide immediate funds for patient care.

The price-tag on this year's epidemic will be so enormous, according to Basil O'Connor, National Foundation President, that \$14,500,000 must be raised to meet the national polio bill.

During 1948, when there were 27,908 cases in the country, the highest number since the record total in 1916, the National Foundation and its Chapters spent \$17,000,000 in March of Dimes funds to provide epidemic services, he said. With even more cases this year, it looks as though it may cost \$25,000,000 in 1949 to pay for that part of medical and hospital care which families cannot pay themselves.

By the end of August, as much money had been advanced in epidemic aid to National Foundation Chapters whose March of Dimes funds have been exhausted by the cost of care as was total in all of 1948. The nation's total number of cases now is as large as a full year's toll in previous years, with predictions for at least double that number before December 31.

Furthermore, it is estimated that a minimum of \$5,000,000 will be required to continue helping 1948 patients who still need clinic or hospital treatment. The National Foundation gives assistance as long as medical care is necessary, regardless of age, race, creed or color.

The money raised in the Polio Epidemic Emergency Drive will be used exclusively for services to polio patients in all states, Mr. O'Connor said. Contributions may be mailed to POLIO, care of your local Post Office.

"This emergency drive is our only hope of providing care for patients without slowing up scientific research and professional education programs of the National Foundation," Mr. O'Connor explained. "It is an ironical fact that this heavy incidence,

### H. D. Club Met With Mrs. Wimberley

The Muleshoe home demonstration club, at Thursday, September 8, at the home of Mrs. Marvin Wimberley with the agent and nine members present. Roll call was answered with "Anecdotes About Members' Children."

Mrs. S. C. Caldwell gave the H.D. Council report. Miss Hatfield will give a demonstration on landscaping Oct. 18 beginning at 2:30. The sewing machine clinic will be held at Mrs. Marie Corrington's home Sept. 16, beginning at 2:30. Everyone interested is invited to attend.

Never stand up to iron when you can do it sitting down, said Mrs. Corrington in her demonstration on "Easy Way To Iron a Garment." She demonstrated the sit-down type of ironing board, ironing a shirt the simple and easy way. Card holders, laundry carts, and over the door hangers were demonstrated.

The essentials for making ironing easier consists of a sit down ironing board, the wide board for ironing sheets, table cloths, shirts etc., the cord holder, door rack and of course, a comfortable chair. Mrs. Copley gave a talk on "Simplify Your Ironing."

Mrs. Caldwell, the president, asked that each member bring a full report of her year's work to the next club meeting for the "measure your club."

This consists of amount of produce sold during the year such as poultry, eggs, vegetables, etc. number of jars of fruit, vegetables etc. canned, amount of frozen food put in locker such as fruit, vegetables, meat, poultry, etc. Each demonstrator is to bring a full report of her year's work. Please bring the list already written out on paper.

The next meeting will be Sept. 22 at the home of Mrs. Tom Zimmer at 2:30. The subject for the program will be exchange of ideas and patterns on crochet and other fancy work.

### VISITED FRIENDS

Audine Melton of Frederick, Okla., visited in the home of her sister, Mrs. Don Price and friends over the weekend.

FOLKS WHO'VE HAD EXPERIENCE WILL TELL YOU

Get a Servel GAS Refrigerator.

IT HAS A TEN-YEAR GUARANTEE"

ONLY SERVEL STAYS SILENT, LASTS LONGER

The people who appreciate Servel most are those who've also owned other kinds! It's easy to see why. You're sure of long-lasting noise-free performance with the Gas Refrigerator!

Fact is, Servel alone guarantees ten years of silent, dependable refrigeration. For only Servel has no moving parts in its freezing system. No machinery to wear, no motor to make a sound. A tiny gas flame does the work. So Servel stays silent, lasts longer.

But see for yourself. Come in today and discover Servel's wealth of latest modern conveniences. Choose a Gas Refrigerator—and get more for your money!

STAYS SILENT... LASTS LONGER

pound boy, born Monday at the Green Hospital.

### PTA EXECUTIVE COMMITTEE MEETS

The PTA Executive Committee met Wednesday night in a called meeting at the home of the president, Mrs. R. E. Herrington. The meeting was called to approve the yearbooks and to calendar business for the meeting next Monday night. Committee members present for the meeting were: Mrs. Leon Smith, Mrs. Bill Collins, Mrs. Ed White, Mrs. Morris Childers, Mrs. Clyde Holt, Mr. and Mrs. Fred Johnson, Mr. Grandy and the president.

### Hospital News...

Joe Frank Cummings is resting fairly well. He had his leg fractured playing football.

Marie Ingram was in for minor surgery. She has gone home.

Marvin Grandy was in for medical care. He has been dismissed.

Mrs. A. R. Bounds was in for medical care, she was transferred to Plainview.

Mrs. A. H. Freeman is in for surgery. She is doing well.

Mrs. Morris McKillip is in for medical care and is resting well.

Mr. F. H. Davis is in for surgery. He is doing well.

### Congratulations To:

Mr. and Mrs. A. D. Stancell on the birth of a son, Danny Lee, born Sept. 12.

Mr. and Mrs. C. L. Spivey on the birth of a son, Clarence O'Dell, born September 12.

Mr. and Mrs. L. Gleason on birth of a son, Bobby Max, born September 12.

### OFF TO YOKOHAMA

Second Lieut. Rudolph Johnson and Mrs. Johnson are here to visit his parents, Mr. and Mrs. S. F. Johnson and other relatives and friends before his sailing to Yokohama, Japan, for a tour of duty with the Third Army in the occupation forces. Lieut. Johnson has just completed a course at the Infantry School, Fort Benning, Ga.

### SUNSHINE CLUB MEETS WITH MRS. R. L. LEWIS

The Sunshine Club met Sept. 1 in the home of Mrs. R. L. Lewis. The meeting began by each lady reading a verse from the Bible.

There were three visitors, Mrs. Mimms, Mrs. Anders, and Mrs. Hix, from Plainview.

Members present were: Mesdames Chambliss, Odum, L. D. Tipton, Barnhouse, J. D. Crawford, Meek, Ladd, Stinson, Kolar, Hart, Simmons, Coulter, I. H. Gattlin, Harvey, and the hostess.

Mrs. Lewis was honored with a pink and blue shower.

Presidents Wilson, Tyler and Cleveland married while in office.

MULESHOE

**NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS**

The State of Texas  
City of Muleshoe  
County of Bailey

To all qualified voters of the City of Muleshoe, Texas, who own taxable property in said city and who have duly rendered the same for taxation:

TAKE NOTICE that an election will be held in the City of Muleshoe, Texas, on the 27th day of September, 1949, to determine whether or not the Board of Commissioners of said City shall be authorized to issue the bonds of said City in the amount of \$11,000, for the purpose of establishing, constructing and equipping an airport in and for said City, including buildings and other facilities incidental to the operation thereof; and which election was duly called and ordered by the Board of Commissioners of said City, passed on the 31st day of August, 1949, and which ELECTION ORDER is made a part of this Notice, and is in words and figures as follows, to-wit:

**Election Order For The Issuance Of Bonds**  
The State Of Texas  
County Of Bailey

ON THIS the 31st day of August, 1949, the Board of Commissioners of the City of Muleshoe, Texas, convened in special session at the regular meeting place thereof in the City Hall, there being present and in attendance the following members, to-wit:

Will Harper, Mayor; Dudley Malone, Commissioner; Julian E. Lenau, Commissioner; with the following absent: none, constituting a quorum; and, among other proceedings had, were the following:

Commissioner Lenau introduced an order and moved its adoption. The motion was seconded by Commissioner Malone.

The motion carrying with it the adoption of the order, prevailed by the following vote:

AYES: Commissioners Lenau and Malone, and Mayor Harper.

NOES: None.

The Order is As Follows:  
WHEREAS, it is considered by the Board of Commissioners to be to the best interest of the City that the Bonds of said City shall be issued for the purpose and in the amount hereinafter stated, therefore,

Be it ordered by the Board of Commissioners of the City of Muleshoe, Texas,

I. That an election be held on the 27th day of September, 1949, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified resident electors who own taxable property in said City and who have duly rendered the same for taxation:

"SHALL the Board of Commissioners of the City of Muleshoe, Texas, be authorized to issue the bonds of said city in the total principal amount of Eleven Thousand Dollars (\$11,000), said bonds to mature serially over a period of years not to exceed eleven (11) years from the date thereof, and to bear interest at a rate of not to exceed three per centum (3%) per annum, payable annually or semi-annually, for the purpose of establishing, constructing and equipping an airport in and for said City, including buildings and other facilities incidental to the operation thereof; and to provide for the payment of the principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

II. That said election shall be held at the City Hall in the City of Muleshoe, Texas, and the entire City shall constitute one election precinct.

III. That the following named persons are hereby appointed officers of the election, to-wit:

Tom Zimmer, Presiding Judge; Mrs. Henry Williamson, Judge; Mrs. H. O. Barbour, Clerk; and Mrs. E. R. Wright, Clerk.

**HOME LOANS**

CONVENTIONAL AND FHA TO BUY, BUILD or REMODEL

FOR INFORMATION SEE

Mildred Davis Western NPLA Building Muleshoe Clovis, N. M. P. O. Box 470

IV. That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

V. IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with House Bill Number 357, passed by the Fifty-first Legislature in 1949, and that printed on such ballots shall appear the following proposition:

"For the issuance of bonds and the levying of the tax in payment thereof."

"Against the issuance of the bonds and the levying of the tax in payment thereof."

AS TO the foregoing proposition, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote on the proposition.

VI. That a copy of this order, signed by the Mayor of the City and attested by the City Clerk, shall serve as proper notice of said election.

VII. That said notice of said election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS", in the City Hall, the election precinct herein designated, and at two other public places in said City, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in THE MULESHOE JOURNAL, a news paper of general circulation in the City of Muleshoe, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.

## Sheriff's Report . . .

Hello Everyone: This finds us without much to report other than drunks and wrecks.

Folks, we had a pretty serious wreck last Friday night just after the football game. There wasn't any serious injuries, but the two cars that were involved were almost a total loss. The people in both cars were very fortunate in that they were not seriously injured or anyone killed.

Folks we know after a football game everyone is keyed to a high pitch, and were feeling good over our boys victory, but folks lets not ruin or mar their victory by leav-

ing these games in a breakneck speed. There is a lot of sportsmanship shown at these high school games and you as parents of these boys can help a lot by driving and teaching the boys and girls in their driving.

We as peace officers dislike having to stop any of you as much as you dislike being stopped and cautioned or given a ticket. So folks lets all cooperate and not have this happen again. The next victim of a wreck may not be as fortunate as were these.

We do not have a sufficient number of peace officers to handle traffic at these games so we must depend on your cooperation. There has been several complaints the past two weeks of dogs being poisoned. Folks, ever who the guilty party may be must not have stopped to think that this is a pretty serious thing. I agree there is stray dogs that should be killed, on the other hand there is people that have dogs that really love them, that has been killed. In one case a man had two registered bird dogs just pups about three months old that had never been outside of their pen only when they were taken out. They were never allowed to run loose yet were found dead in their pen, poisoned. This poison was given these dogs in their own pen and when poison is placed just any place a small child could get hold of it. This is just to ask ever who put this poison out NOT TO DO IT AGAIN. If it ever happens again we are going to do our best to find out the guilty party and prosecute them as far as the law allows. If there is a stray dog around both- ering you let us know and we will try and take care of it.

This week so far there has only been three arrests, all for drunkenness. Two have paid off the other is still in lieu of \$51 fine.

We have just completed our tax roll for 1949 and will have out tax notices in the next few days. The total valuation for Bailey is \$6,291,945.00.

This is an increase of a little

## Sorority Sleepers

Let campus winds howl and frost lace your window—these flannel-dorm fashions will warm you like an Alma Mater sing. In policeman blue or fireman red—the pajamas for about \$5, the night-shirt about \$4—you'll want the whole team, and wear the nightie over pajamas during those "wee sma' hour gabfests." Good House-keeping editors especially like the Tyrolean influence of their cotton braid trim.

## Lawler Heads Senior Class

By popular demand Ted Lawler was reelected president of the senior class for the fourth straight time. R. E. Bryant was returned to his post as vice-president as was Mary Jo White to her post of secretary. Now elected treasurer and reporter are Jerry Julian and Joyce Blackburn respectively. We chose Arlyn Kriegle to represent us, the seniors, on the Student Council.

We called upon Miss Moore (naturally) to bear with us and be one of our sponsors for her third time. Don Jackson was elected as our other class sponsor.

We thought our room mothers did such a swell job last year that we reelected all of them plus Mrs. Horace Blackburn.

We kept our same class colors, red and white, same motto, "Backward Never, Forward Ever." Oh yes Juniors just a note to the wise we chose our class flowers red roses so you'd better be prepared.

Speaking of the Mighty Juniors, they chose Ed Nichols as their president, Teddy Harrison as vice-president, Leatrice Martin as secretary, Jo Ann Hill as reporter and as their student council representative Gene Tipps. Lucky sponsors for the Juniors were Mrs. Brown and Coach Bailey.

Room Mothers elected to help them out were: Mesdames Dudley Malone, R. C. Gaede, Robert Sanders, Morris Douglass, Finis Kimbrough, and Roy Jordan.

On the sophomore side of the ledger Earl Jennings was elected president. Don Moore vice-president, Marilyn Gupton secretary and Billy King Sgt. at arms. Sponsors are Mrs. Case and Coach Green, Room Mothers chosen were

THE MULESHOE JOURNAL, Thursday, September 15, 1949

### VISITING IN MULESHOE

Mr. and Mrs. W. W. Evans of Brewtonville, Mass., have been visiting his sisters and families, Mr. and Mrs. Morris Douglass and Mr. and Mrs. Dudley Malone. Mr. Evans is attending MIT at Boston. He formerly lived in Muleshoe and is well known to many friends by the name of "Skeezix".

### TO THE UNIVERSITY

Miss Jayne Duggan left Saturday to attend ~~the~~ University this fall. Miss Duggan has attended Baylor University the past two years.

### SAN ANGELO VISITORS

Mr. and Mrs. F. A. Allison spent the weekend in San Angelo with his father, J. L. Allison and her daughter, Mrs. James Peace.

Shafer, Julian and Casey. Aubrey Heathington is the guy who will represent them on the Student Council.

The Freshies chose as president Bobby Seid, vice-president, Frances Totten Secretary Bob King and reporter Gerald Carver.

Sponsors: Mrs. Newsom and Mr. White.

### TO CALIFORNIA

Mr. and Mrs. C. A. Barnett left Sunday for California to visit relatives and friends.

## Lions' Queen

Wearable, washable Glosheen is in the swim again as shown above by Janice Harvell, 17-year-old blonde from Carolina Beach, N. C., chosen "Queen of the Lions" by 30,000 Lions International delegates at New York. This Waverly fabric, used for draperies and slipcovers, keeps its crisp beauty through countless washings. It was made into a swim suit by Claire McCordell, celebrated designer. Quaint provincial pattern is called "Daisy Lisa."

## Cub Scout News

The Cub Scouts met in a Pack meeting Monday night, the first time since May. Cub Master Tootie Middlebrook was in charge.

We discussed the transferring of eleven year old boys to the ten-derfoot troop of the Boy Scouts. We have three boys in Den 2 who will be transferred to the Scout troop next pack meeting night, which will be the second Monday night in October, October 10.

We have Den meetings once each week at the Scout Hut, Den No. 1 will meet each Wednesday afternoon at 4:15 with Mrs. Blaylock as Den Mother. Den No. 2 will meet each Friday afternoon at 4:15 with Mrs. Daily Howell as Den Mother.

Mrs. Jack Stallings was appointed recreation chairman. We are planning a program for next Pack meeting night.

We need more parents to come out and help us. Eight year old boys who want to become Cub Scouts, come to the Scout Hut either Wednesday afternoon or Friday afternoon and one of the Den Mothers will help you.

Excluding the Presidents who were assassinated, three U. S. Presidents have died in office.

Over \$200,000 over last year. This is due to the new buildings, new wells, and the raise from ranch land to farm land.

Until next time I remain your sheriff, Hugh Freeman.

# PORTALES RAMS TO GIVE MULES RUGGED TEST FRIDAY

## Rams Rated Big Favorite Over Mules; Green To Revamp Mules Backfield

Friday night the crippled Mules will invade for the first time the stronghold of the Portales Rams. The starting line-up for the Mules will be about the same in the line as it was against the Springlake eleven. Bill Gaede and Benny Douglass will start at ends, Charles Taylor and Bill Collins will start at tackle, Robert Martin and Bill Thomson will start at guard and Phillip Garrett will start at center.

Ed Nickels will start at the quarterback slot and Bobby Goss will start at fullback. The other two starters in the backfield were still undetermined. The choice lies between Ray Kersey, Bobby Seid, Kenneth Lovelady, Howard Tate and Bill Green who will be ready for the Portales game. Odell Spivey may also be ready for the game Friday night, but the coaches had not decided whether he would be ready when the Journal went to press.

The game with the Portales Rams has been dedicated by the boys to their mate Joe Cummings who was injured last Friday night in the Springlake tilt. The Portales Rams are rated as a two to three, possibly four touchdown better ball club than the Mules. The Rams will outweigh the Mules over 10 pounds per man according to all reports. Most of their men are green this year, but they do have a few vets back. Three or four men in the backfield are veterans and only one or two in the line are veterans but the line is said to average around 185-90 pounds per man while the backfield will average around 175-85 pounds.

This is naturally, a non-conference game and the Portales team rates along with many of Texas class AA teams and for the past two or three years have been going near the top for the championship crown of New Mexico. This game with the Rams will give our boys plenty of experience which is what they need more than anything else right now. A large crowd of local fans are expected to make the trip over to New Mexico to witness this

## Lazbuddy Downs Muleshoe 7-6; To Play There Sunday

The Lazbuddy baseball team bounced back after being defeated on the previous Sunday by the Muleshoe nine, and took a 10-inning decision 7-6.

The Lazbuddy crew played the best ball game of the season in defeating the Muleshoe nine it was said by many of the Lazbuddy rooters.

Lazbuddy's White, started on the mound and pitched the entire 10-innings for the winning team. Behind the plate, catching White was Parham.

Hartley started on the mound for the Muleshoe lads and was relieved in the sixth frame by Wallace who is credited with the loss. Muleshoe gathered 7 hits and 6 runs while the Lazbuddy crew collected 8 hits and 7 runs.

Muleshoe went into an early lead in the second scoring 2 runs while holding Lazbuddy to 1 run in the same inning, but Lazbuddy went out in front in the third inning scoring 2 runs while blanking Muleshoe. In the sixth Muleshoe went back out into the lead, scoring 3 runs to Lazbuddy's 2 making the score 5 to 4. Lazbuddy tied the ball game up in the seventh, scoring 2 runs to Muleshoe's 1. The Lazbuddy nine finally pushed a man across the plate for the winning run in the 10th inning to win 7 to 6.

Next Sunday afternoon the two teams will again meet on the Lazbuddy field for the third game. As it stands each team has one win and one loss in their two previous meetings and the game Sunday will decide the winner of the three game series.

Robert Fulton and Samuel F. B. Morse, two American inventors born within 10 years of 1800, helped finance themselves as young men through successful portrait painting.

game which according to all information we can gather is the first game between the two teams.

## MULES ROLLED TO 26-7 WIN IN FIRST GAME

### Injuries Plague Mules; Cummings Out For Season

The Muleshoe Mules looked better than expected last Friday night in their 26 to 7 triumph over the heavier-than-reported Springlake Wolverines.

The game proved to be a costly one for the Mules with two of the Mules main string backfield men being put on the sidelines with injuries.

Joe Cummings was the recipient of the worst injury, having received a broken leg which will put him out for the rest of the season. Cummings only got to play part of one quarter before he was injured, but he made a fine showing of himself in those first few minutes of the game.

Odell Spivey was the other back put on the sideline due to injuries received in the first quarter of the opening game, but he may be ready to see action Friday night at Portales, if not he will be ready by the time the Mules meet Slaton.

The Mules elected to receive the opening kickoff and returned it to the 26-yard line from which point they marched down to the Wolverines 20. At this point after one or two plays failed, quarterback Ed Nickels dropped way back and tossed a pass to Bobby Goss on the 15-yard line and he raced the remaining 15-yards for the first score in the ball game.

After kicking off to the Wolverines and holding them for downs, the Muleshoe lads made another long drive down the field carrying to the 15-yard line. Spivey went through at this point for 7-yards and another plunge took the ball to the 2-yardline where the Wolverine were penalized half the distance to the goal line which put the ball on the 1-yard line. On the next play Goss went over for the Mules second TD. Try for both extra points failed.

Springlake bounced back into the ball game early in the second quarter when they drove from their own 30-yard line to the Mules 42 with line plays featuring Smith and Barlow doing the ball carrying and Barlow doing the passing. On the 43-yard line Barlow handed off to Smith who slipped through the Mules line, out into the secondary and on to the goal line for the only score in the game for the Wolverines.

The Mules made a last-minute second quarter comeback when halfback Ray Kersey broke into the Wolverine secondary and did a magnificent job of broken field running which netted the Mules 35 yards and carried them to the Wolverine's 25 yard line. After three unsuccessful attempts to pass, the Mules opened up a huge hole in the middle of the Wolverine line and Bobby Goss raced 25 yards for the Mules third TD. Goss also kicked the extra point giving Muleshoe a 19 to 7 lead at half time.

Early in the third quarter, Bill Collins recovered the Wolverine only fumble on their own 10 yard line. Ray Kersey shot through a gapping hole in the middle of the Wolverine line and untouched for Muleshoe's final score. The try for extra point was good and the Mules led 26 to 7.

Both teams battled from there on an even terms and the game ended with the Mules racking up their first victory of the season over the Wolverines.

## 45 Girls Report For Basketball

From The Stinger

Girls Basketball started Monday morning with a long conference and the getting ready for practice Tuesday morning. Don Jackson, our new coach will be looking forward to having one of the best teams in the district this year. Although this is his first year teaching girls Basketball he's expected to be a good coach and from the amount of girls in gym practice he's expected to be one.

Although we won't see any action 'til after football season is over we're all out doing our best. Girls in training are Wanda Kimbrough, Will Malone, Janice Jordan, Sondra Jackson, Billie Payne Graves, Gay Sanders, Leatrice Martin, Emily Jarnigan, Donna Kimbrough, Jerie Nell White, Anita Broyles, Jo Ann Hill, Ivera Blackwell, Frankie Moffitt, Marilyn Gupton, Katherine Black, Joy and Dorothy Nelson, Barbara Gabbert, Dolores Locker, Pauline Keiton, Betty Mooneyhan, Rita Peeler, Estelle Ramn, Jo Adine Wagnon, Janie Thomas, Barbara Bowers, Betty Chisholm, Maude Coffman, Bobbie Collins, Joyce Collins, Evelyn Dreadin, Annie Lee Fair, Norma Graves, Sammie Carroll, Christine Dreadin, Dorman Jenkins, Carolyn Dirk, Marie Knowlton, Joyce King, Mildred Newkirk, Glenda Reid, Joyce Spivey, Frances Totten, Linda Thurman, Margaret Sanders.

THE MULESHOE JOURNAL, Thursday, September 15, 1949

### Slants From The Sidelines ...

By W. E. Hill

The Springlake Wolverines were much heavier than we were led to believe they were and they fielded a powerful eleven that put up a good battle all the way. They will be giving some of the class B teams in their district plenty of trouble before the season is over.

The Sudan Hornets met the same fate that the Littlefield Wildcats met on their opening night. The class B Dimmitt eleven rolled to a 12 to 7 win over the Sudan crew which probably took a little wind out of their sails.

Some have been heard to say that Sudan only used their second string boys, but that would not be very logical for them to do that as the first string boys are the ones that need the experience right now. Of course every team wants to win their first game of the season too, so that doesn't add up either. We believe the Sudan eleven were just not keyed up enough when they met the Dimmitt team and that they underestimated Dimmitt's power.

However Sudan may come bouncing back as the Littlefield Wildcats did this week when they defeated Roscoe 34 to 0.

Morton rolled over the south half of district 4-A team, O'Donnell last Friday night 27 to 0. The score is not so bad, but the O'Donnell eleven were unable to even make a first down against the Indians... they may be potent so let's keep our eyes on them.

Sundown put on a strong aerial bombardment to down the Tacka Bulldogs in the rain 20 to 12. Lamesa, class AA, edged past the Levelland Lobos 7 to 0 Friday. This means that the Levelland aggregation has a powerful team again this year.

Joe Cummings will be out of uniform the remainder of the football season with a severely broken leg which occurred in the first quarter of the Springlake-Muleshoe game last Friday night.

This is certainly a grain of salt for Joe to swallow. Last year he was ineligible to play and this year Joe is a senior. He wanted to play football more than anything else and was being groomed as one of the key men in the Mules backfield. Joe is a great athlete and it is a shame that he had to be deprived of the one high school sport that he loved the best.

The team will miss Joe greatly during the season as he was one of the best backs we had, but the team hasn't forgotten Joe, and they are playing the game at Portales for him. For the only few minutes Joe was on the field last Friday night, he showed that he had the makings of one of the district's best backs... we hope that he goes on to college after he completes high school... he can make anybody's ball team.

Ray Kersey was the surprise back of the evening last Friday

night and he showed that he had plenty of what it takes to make a good ball toter.

Bobby Goss is the workhorse and brother when he gets steamed up he can really travel. Phillip Garrett, Bill Collins, Bill Thomson, Robert Martin and Charles Taylor all looked good in the line. We can't say too much for the ends. They have a lot to learn yet.

Some more boys will be getting into Friday night's game that only saw very little or no service in the Springlake game. Bobby Seid, 185 pound fullback will more than likely see action for the first time. Bill Green another back weighing 150 pounds will see some service. Aubrey Heathington will get to see some action. Odell Spivey who showed he could really go will get back into the lineup provided he has recovered sufficiently from his

Last Tuesday the Pep Squad met the eighth period for the first time

injury. Of course Bobby Goss will see action as well as Ed Nickels.

In the line Charles Hornbrook, may get to see some action as well as J. R. Henry, Dwayne Burkhead and Marion Waggoner.

this year and elected their cheer leaders.

They are Jo Ann Hill, Leatrice Martin, LaQuintas Whatley. The officers were elected last year and they are: President Jo Ann Hill; Vice-president, Mary Jo White, and Secretary Charlene Bass. They began practicing Tuesday and did a swell job at the game Friday night. Let's all back them one hundred per cent.

New Hampshire and Indiana are the only states which have no mottos.

**Tri-State Fair Is Shaping Up**

The 1949 Tri-State Fair and Exposition is taking shape rapidly. Fair officials, according to John K. Boyce, President, are looking forward to one of the biggest and best fairs in the organization's 26-year history.

Agricultural and Livestock Exhibitors of the Tri-State area will be competing for more than \$14,000 in cash prizes.

The new Bull barn will house all livestock. This building, recently completed at a cost of approximately \$75,000 is one of the finest in the nation.

The old livestock building has been remodeled and given a face-lifting and will be the new home for Quarter Horses.

For the first time since 1941 there will be a poultry show. Earl Curry, Superintendent of this show is already at work to make the reactivated poultry show a success.

**TO COLLEGE STATION**  
 Dick Taylor left today for College Station where he will attend A. & M. He is a junior student, majoring in Poultry Husbandry.

**GUESTS IN GOSS HOME**  
 Mr. and Mrs. Carroll Goss had as guests over the weekend, her mother Mrs. A. B. Robertson, and sister Mrs. W. E. Stewart and Mr. Stewart and two sons, and an aunt, Mrs. Ruth Turner of Fort Worth and they also visited Frank Matthews and Mrs. Matthews.

**THE CIRCUIT RIDER**  
Rev. Carroll M. Jones has become an editor. He is getting out "The Circuit Rider" for Y. L. Progress Methodist Church of which he is pastor. In issue No. 1, Volume 1, he says he has found a paper can consume plenty of what should be considered valuable time; all criticism is generously solicited and will be kindly rejected. The sheet is mimeographed.

**Pleasant Valley**

Mr. and Mrs. Jack Epps went to Colorado Springs to bring their daughter, Betty home for her vacation.

Mr. and Mrs. C. B. Wells of Tucumcari, New Mexico, visited in the Jack Epps home Sunday and Monday.

Mr. and Mrs. Pat Bullock visited with Mr. and Mrs. Jack Epps Sunday afternoon.

Mr. and Mrs. Hubert Gammon of the West Camp Community visited with Mr. and Mrs. Jack Epps Tuesday.

Mr. and Mrs. Harold Allison and children visited in Hobbs, N. M., with Dr. and Mrs. Kenneth Osborn last Saturday. They then went to Hagerman and Roswell to visit other friends and relatives. Returning to Pleasant Valley Monday.

Charlene Prather has enrolled in Tech to start her Freshman year. Dr. and Mrs. F. L. Shelby of Oklahoma City, Oklahoma, were visitors of Dr. Shelby's brother, F. L. Shelby and Mrs. Shelby last week end.

Recent visitors at the home of Mr. and Mrs. F. L. Shelby were Mr. and Mrs. Sam Coleman of Sasakwa, Oklahoma.

Natilee Angeley, daughter of O. K. Angeley is attending Eastern New Mexico University this fall.

**BOOKS ADDED TO THE LIBRARY**  
A new book for the Muleshoe Public Library is "Lord Johnnie," by Leslie Turner White.

Men will like and women will love dashing Lord Johnnie, left handed scion of nobility. Strange mixture of London's white hall—where the thieves and pickpockets dwell. Johnnie the rogue was at home in both. Leader of London's underworld, Johnnie barely escapes hanging, but not before he has met the lovely lady Leanna Somerset. His headlong adventures take him out to sea as a pirate. His yearning to be a gentleman is seldom absent from his mind. Fulfillment of that desire comes in an unexpected way, one that caught even the brash Johnnie off guard.

**SQUARE DANCE JAMBOREE IS SET AT HEREFORD**

A Gala Square Dance Jamboree is to be held in Hereford, Saturday September 17th. The Jamboree will be located in the Veterans Ball Park and is scheduled to begin at 8:30 p. m.

J. F. Sparkman, Amarillo, will be Master of Ceremonies and the Range Riders Square Dance Band of Amarillo has been engaged for the occasion. An interesting program is being organized featuring guest callers, exhibition sets and couples dances.

A platform sufficiently large to accommodate 38 sets is being built by the Junior Chamber of Commerce, in Hereford, Texas, sponsors of the Jamboree. Proceeds will go for enlarging the Christmas Lighting Program, put on every year by the Hereford Jaycees.

It is expected that square dancers and exhibitionists from all over the Panhandle will attend.

**ATTEND SOUTHWESTERN INSTITUTE SCHOOL**

Mrs. H. S. Sanders, Sr., and Mrs. Homer Sanders, Jr., returned home Tuesday from Houston where they attended the second annual Southwestern Institute School held at the University of Houston, for the study of wallpaper and its use in the home.

Representatives of the large wallpaper factories of Chicago and New York spoke to large groups of retail merchants and sale personnel. Instructors from the University gave lectures on wallpaper, used correctly in interior decorating and its relation to furniture and draperies.

They attended the school five days, and visited in Galveston and points of interest around Houston.

**BACK TO A & M**

J. Clyde Taylor and son, Dick, left today for Bryan where Dick was to enroll for another term at A. M. College. Mr. Taylor was to attend to business matters while on his trip.

**NEW SAFETY DEVICE FOR CHILDREN**

Scientific curiosity is a built-in feature of every child, and Pat Lavin, 7, is no exception. Whirlpool, the new electric clothes dryer, makes it absolutely safe for Pat to poke around inside the machine to satisfy her inquisitive mind. As soon as the youngster opens the door, a new device automatically and instantly stops all action. There is no chance that she will be hurt while seeking knowledge.

**Dog Story ...**

Ray Morrison's little boy's little dog lay panting in the sun, sick unto death. Ray decided he had been poisoned and ought to be destroyed to end his suffering, so he put a rifle bullet into his head.

The dead dog remover came, tossed the body of the animal into his truck, and removed it to the junk yard.

The little boy wondered if his dog would go to heaven, and he certainly prayed that the dog would return. Sure enough, that evening the little dog came back home. He had recovered from his illness and the rifle bullet grazed his skull, stopping under the skin. He has been receiving preferred treatment and quite a bit of attention from the family and neighbors ever since.

**CHARLES ALSUP ATTENDS ANNUAL 36th REUNION**

Mr. and Mrs. Charles Alsup were in Waco last week to attend the annual reunion of the 36th (Texas) Division, returning home Sunday.

Charles reports having renewed acquaintance with the little Italian boy, who stowed away on a ship coming to the U. S., thereby causing lots of legal entanglement with immigration officials. The lad could only say "Charles Thompson, Waxahachie, Texas." Thompson was allowed to take charge of the boy and has since adopted him, renaming him Johnny Thompson. The lad led the big reunion parade.

The little Italian endeared himself to the soldiers when he carried water to the wounded. Now 15, Johnny is in the tenth grade in school, plays football and is a regular young American, Alsup says.

**R. L. PROPS IS TAKING PART IN NAVY MANEUVERS**

R. L. Props, seaman apprentice, USN, son of Mr. and Mrs. E. E. Props of Route 2, Muleshoe, is serving aboard the attack transport USS Bexar, which is participating this fall in "Operation Miki", a large-scale amphibious exercise in the Pacific.

The maneuvers, scheduled for late September, October and November, involve nearly 40,000 soldiers, sailors and marines are designed to dislodge an imaginary "aggressor" force from the Hawaiian Islands. Gen. Mark W. Clark, Commanding General of the Sixth Army, is overall commander.

**USO DIRECTOR BAILEY COUNTY IS APPOINTED**

Z. O. Lincoln, Levelland, has been named District 7 chairman of the Texas USO reactivation campaign. T. E. Braniff, state campaign chairman, announced today.

The district headed by Mr. Lincoln includes Hockley, Cochran, Lamb and Bailey counties. The Texas campaign will raise \$500,000 toward the national goal of \$10,100,000 for USO, Mr. Lincoln said.

"The cold war continues," he declared, "and our people have called for a big Army, Navy and Air Force so that our country will be ready to meet any pressures from the enemy."

Inhabitants of the Isle of Man are called Manxmen.

**Muleshoe Shivers As Cold, Rain Hit**

People of this territory brought out coats and warm jackets as a cold front descended Tuesday, accompanied by rain. An unseasonal low of 48 degrees was registered.

To date 1.73 inches of rain has fallen at Muleshoe in September—and it was sprinkling again today.

Showers have fallen on the day and in the amount shown here: 1st, .02; 5th, .61; 8th, .40; 10th, .06; 13th, .58.

In most places ample wheat planting moisture has fallen and the rains have helped sorghum grain and cotton crops, it was said.

**MAY MOVE TO MULESHOE**

Glenn L. Teal, Abilene, here on business this week, took time to renew his subscription to The Journal. He said he probably will move to the farm he owns about 8 miles northeast of Muleshoe after January 1.

**TO FORT WORTH AND DALLAS**

Mr. and Mrs. Ewell Pritchett are visiting relatives and friends in Fort Worth, Dallas and Waco this week.

**WEST VISITORS**

Mr. and Mrs. C. M. West entertained in their home over the weekend, friends from Estancia, N. M., Mr. and Mrs. B. A. Kincheloe and daughter Kathryn.

**RETURN FROM WICHITA FALLS**

Mrs. Thurman White and son Cliff returned from a weeks visit with her parents and friends in Wichita Falls. While visiting in Wichita Falls Cliff had the misfortune to fall ill with the mumps and didn't enjoy his visit very much.

Installation plan buying in England is known as the "hire purchase" system.

Colgate Clock in New York harbor, with an illuminated dial 38 feet in diameter is the largest clock in the world.

Experiments in flying were carried on by the Wright Brothers at Kitty Hawk, N. C., because winds there are steadiest and strongest of anyplace in the United States.

New York and San Francisco fairs commemorated the 150th anniversary of George Washington's inauguration.

Salt content of the Great Salt Lake is high because there is no outlet. The lake loses water only through evaporation, leaving only the salt.

Teeth are the only part of the body which does not repair itself.

Rip Van Winkle and Sleeping Beauty slept longer than anyone else mentioned in literature.

**LARRY GEARY FUNERAL RITES HELD SUNDAY**

Larry Geary, 7 year old son of Mr. and Mrs. C. E. Geary, of Borger, grandson of Mr. and Mrs. G. D. Kersey of Muleshoe, passed away Wednesday, September 7, in Borger. He had been ill about ten months.

Funeral services were conducted at Blackburn-Shaw chapel in Borger Sunday, September 11, by Rev. McDowell, Baptist pastor. Grave-side services were conducted at 3 p. m. Sunday in Lubbock cemetery by Rev. A. W. Blaine, pastor of the First Baptist Church of Muleshoe. Mr. and Mrs. Geary have been here with her parents several days and Mrs. Kersey will accompany them home for a visit of two or three weeks.

**BACK FROM HOUSTON**

Mrs. H. S. Sanders, Sr., and Mrs. H. S. Sanders, Jr., and Mike have returned home after a visit in East Texas. The two ladies attended a school of interior decoration held at the University of Houston.

**OKLAHOMA VISITORS**

Mr. and Mrs. A. J. Gardner and sons Max and Don visited relatives and friends in Hollis, Oklahoma, last weekend.

**CUSTOM CLOTHES DISPLAY SCHEDULED TODAY POSTPONED**

A tailoring display of custom clothes, scheduled at the Lambert Cleaners for today, September 15, has been postponed. Woody Lambert of the firm said. Ed V. Price and Co. were to display more than 300 fine woollens, many in full pieces here. Lambert said the company would schedule another date and he asked the public to watch for further announcements.

**RETURN FROM VACATION**

Mr. and Mrs. A. J. Gardner and sons Max and Don returned last Thursday from a weeks vacation in the mountains of New Mexico.

**HAVE NEW SON**

Mr. and Mrs. Eugene Black are parents of a boy, born September 13, at Clovis Memorial Hospital.

Bungalow houses originated in India.

There are about 5,000 different languages in the world.

Rio de Janerio means January River.

**COTTON Defoliation**

We Are In Position To Furnish and Apply Chemical Defoliant With Our Special Built Airplane Duster

M. K. Thornton, extension agricultural chemist of Texas A. & M. College says: "The chemical that has been in use longest and has given good results is finely ground calcium cyanamid." It can be applied successfully by aerial dusting....

Defoliation removes leaves from cotton, eliminating much trash from the lint, and allowing bolls to open more uniformly and earlier.
