Cisco High School Band At Regional Contest Saturday In Wichita Falls.

Cisco High School Band Performs At Regional Contest Saturday

The Cisco High School Lobos Band competed in the University Interscholastic League Region A Marching Contest at Memorial Stadium in Wichita Falls last Saturday.

Cisco marched against Shamrock, Olney and Canadian in the AA Conference of District I and II. Olney and Canadian were picked to go on to the State Competition and Shamrock was chosen as the alternate. Cisco did not place in the contest.

Judging the contest were Mr. Malcolm Helm, director

of bands at Lake Highlands High School in Richardson, Texas; Mr. Eldon Janzen, director of bands at the University of Arkansas in Fayetteville, Arkansas; and Mr. Robert McElroy, director of bands, Cypress-Fairbanks High School in Cypress, Texas.

The Cisco High School Band had a nice drill design, a nice trumpet trio (played by Stephanie Kimbrough, Lela Beckett and Jason Arnett), nice brass tone quality and a good full sound, according to some of

the remarks made by the judges. The judges also stated that the Cisco band generally plays very well.

This is the first year any high school in this district has ever been chosen to make it to the Regional Contest. Mr. Wayne White, Cisco High School band director, said the Cisco High School band students did not have any idea of what to expect at the Regional Contest. He added that the Regional is different from the District Contest, but the Cisco High School Band will be ready for the contest next year and know what is required of them. He said he felt confident that Cisco will be eligible for the Regional Contest again.

A total of 25 bands divided into five conferences competed in the Regional Contest last Saturday. Each band had 10 minutes to complete their show and would be automatically disqualified if their show ran longer than the allotted time. Cisco had 2:35 left on the clock when they marched off the field.

The contest started at 12:00 noon with Munday High School and ended with Martin High School from Arlington, Texas. Munday was in Conference 1-A and Martin in Conference 5-A. The contest ended at 6:30 p.m. with the announcement of the winning 5-A band.

Most of the bands are repeat performers at the Regional Contest. One band student parent from the Cleburne area, told Mr. White, it is rare for a band to make it to the State Contest if this is their first year at Regional.

Kilgore Upsets Wranglers With Score Of 38-to-20

By SUSIE ENDSLEY

Saturday night, Kilgore JC defeated the Wranglers 38-20. This was the Wrangler's first loss of the season. Their record is now 7-1. Next Saturday, the Wranglers will meet Blinn Junior College here at Chesley Field. This will be CJC's Homecoming and Parents' Day. The game will begin at 3:30 p.m. A pregame show is planned for 3:10 p.m.

Coach Frazier commented, "We played flat. It is directly the head coach's responsibility to have his team pumped up and ready to play and I didn't do that. It was a mistake that I will never make again."

Coach Chuck Lawrence named Kelvin Brooks, a 6-0, 230-pound freshman from Grand Prairie as the Top Defensive Player of the Week. He had 11 tackles and two assists. Kelvin wears jersey No. 57.

In the first quarter, Kilgore took the lead. They scored two touchdowns. Cisco was first to score, with one touchdown. Chris Coffee ran the ball in after receiving a 10-yard pass from Pike Martin. Eric Edwards kicked the extra point. Kilgore then moved to score on a

16-yard pass from Meaker. The extra point was good. Kilgore also scored on a 10-yard run by Atkins. The extra point was good. At the end of the first quarter the score was 14-7, Kilgore.

In the second quarter, both teams were equal in points scored. Cisco moved first to score. Coffee stepped into the end zone after receiving a 16-yard pass from Martin. Edward's kick was good. Kilgore connected on a

Folklife Festival Board To Meet All Next Week

The Cisco Folklife Festival Board of Directors will meet at 4:00 p.m., Mon., Nov. 9, at the First National Bank Community Room.

The Civic League Board of Directors will meet at 4:00

Scranton Country Western Musical Sat.

The Scranton Country Western Musical will be held at the Scranton Community Center at 7:00 p.m. on Saturday, November 7.

Cisco Goodfellows Receive Applications For Help

The Cisco Goodfellows have received a total of eight applications from families in Cisco who are in need of help with Christmas this year. With the economy being the way it is, the Goodfellows are expecting a larger number of applications than what

has been received in the past. The First National Bank has not received any donations to Goodfellows as of yet, but they are expecting the citizens of Cisco to help others again this year as they have always done so in the past. Cisco is known

for reaching out to help when the need arises.

Donations can be mailed to the Cisco Goodfellows, c/o First National Bank, 418 Conrad Hilton, Cisco, 76437, or c/o The Cisco Press, 700 Conrad Hilton, Cisco, 76437. A list of donations will be printed in The Cisco Press with the donor's permission in future issues of the paper.

The Cisco Goodfellows have set the cutoff date for accepting applications for Friday, December 4, at 5:00

p.m. Goodfellow applications can be picked up at the Cisco Chamber of Commerce office, 104 East 4th, during their regular business hours.

If your family or if you know of a family who would like to fill out an application for the Goodfellows, pick one up today at the CofC office.

And please help the Cisco Goodfellows again this year by sending in your donation today.

public notices

TEXAS COMMUNITY DEVELOPMENT PROGRAM HEARING NO. 2

The City of Cisco will conduct its second public hearing at 6:00 p.m., Tuesday, November 10, 1987, for the purpose of finalizing the activities and elements contained in the Community Development Program Application. Authorization will be given to submit this application to the Texas Department of Community Affairs. All citizens, particularly low income residents, are invited and encouraged to attend.

Mother's Day Pep Rally To Be Held Friday

ATTENTION!! All mothers of varsity football players. This week at the pep rally, it will be Mother's Day. Please come to the high school auditorium at 2:45 p.m. Fri-

day, November 6, to escort or be escorted by your son in our Mother's Day Pep Rally. Thanks! Cisco Varsity Cheerleaders.

Cisco Junior College Parents Day To Be Held Saturday, Nov. 6

The annual Cisco Junior College Parents Day will be held Saturday, November 7, with registration beginning at 10:00 a.m. Parents, faculty and visitors to the college will register in front of the Maner Memorial Library. In the event of bad weather the registration and reception will be held in the Student Union Building.

The Cisco Junior College

Wrangler Belles will perform at 10:20 a.m. and at 11:20 a.m. The CJC Singers will perform at 10:30 and 11:30 a.m. in the Harrell Fine Arts Building Auditorium.

A Special Event for the day will be a Lady Wranglers Exes Basketball game to be held at 10:00 a.m.

Open House for the Cisco Junior College dormitories

and buildings will be held from 10:00 a.m. to 12 noon. The CJC Cafeteria will be serving lunch from 11:15 to 1:15. Cost for the meal is \$2.75.

The Cisco Junior College Wranglers will play Blinn Junior College at Chesley Field with the pregame show beginning at 3:10 p.m. and kick-off at 3:30 p.m. The Halftime show will be a tribute to the parents

presented by the Wrangler Band and Belles. The presentation of the Cisco Junior College Homecoming Queen will also be held at halftime.

There will be a dance held at the Student Union Building at 8:00 p.m. for CJC students, visitors and faculty.

Wanda's Corner

by Wanda Ballmark

My husband Herrel and I travelled to Wichita Falls last Saturday to watch the Cisco High School Band participate in the Regional UIL Contest. The Band did not place in the contest, but they really did a great job of marching. The band members did not know what to expect at the contest and Regional is different than any other contest they have ever participated in.

There were 25 bands in the contest and we stayed until the end of the contest so we could watch all of them.

Cleburne who is in the 4-A Conference did not do that much marching. They actually put on a play, with witches, a smoke-breathing dragon, and life saving crusaders. It was really something to see. The bands had 10 minutes to play and when the final Cleburne player walked off the field there was 2 seconds left on the clock. You could tell the Cleburne band had been to Regional Contest before.

When the announcer asked the drum major if the band was ready, the Cleburne fans sitting in the football stadium, all yelled at the same time, "We're always ready!"

The Graham High School Band, Conference 4-A, played the theme song from the movie "Top Gun" and the flag corps were using the type of small flags that are used to signal airplanes landing on a ship. At just the right time a plane flew over the football stadium and released a trail of smoke as

part of the show. The Cooper High school band had over 400 band members playing in the contest. There were band students from goal line to goal line on the football field. Wayne White, Cisco High School band leader made the comment, that there were more trombone players in the Cooper band, than there were students in the Cisco band.

We have just one more football game to attend this year. Cisco travels to Hico Friday night and that's it for football, but basketball has started up. The Freshman team and the girls JV and girls varsity will travel to Bangs for a game next Tuesday night. But at least the basketball games are played inside.

Everyone was commenting at the De Leon game last Friday night how nice the weather has been this year.

There has not been any freezing nights to sit through during a ball game, as there has always been in the past. I haven't heard any complaints about it either.

Mr. and Mrs. Billy Condon of Baltimore, Maryland, spent this last weekend visiting with his parents, Mr. and Mrs. Walter Laminack in Cisco.

W. C. Denton, who underwent eye surgery in Odessa last week, was reported to be doing well and was expected to return home around the end of this week.

Cisco Lobo David Zell runs with ball at De Leon game.

Loboes Defeated By Bearcats 14-to-31

The Cisco Lobo Varsity football team lost their chance to go into the playoffs when they were defeated by the De Leon

Bearcats 14-to-31, last Friday night in a game played in De Leon.

This brings the season standings for the Loboes to 4-5, and the district standings to 2-2. The Cisco Loboes will play their final game of the season Friday night when they travel to Hico. Hico's district standings are 0-4 and the Loboes are expected to make that 0-5, when they defeat Hico. The game will begin at 7:30 p.m.

De Leon started off the scoring in the ballgame. Lance Maltby made a 29-yard run and Chad Nabors made a 1-yard run in the first quarter to make 12 points for the Bearcats. Paul Burk kicked the PAT both times to make the score 0-to-14 at the end of the first. Lance Maltby made a 4-yard run for a

touchdown and Paul Burk kicked another good PAT in the second quarter.

Close to the end of the first half, Cisco quarterback Jarrod Jeffcoat threw a 15-yard pass to Mark McGinness who ran the ball down to the 2-yard line. But a clipping penalty against the Loboes brought the ball back to the Loboes 40-yard line. When Jeffcoat threw the ball to Davin Hohbertz, the ball hit his hands, bounced straight up and Davin caught it again on De Leon's 38-yard line. Jeffcoat threw two more incomplete passes to Matt Goosen and then threw the ball to Larry Fields who made a 38-yard run for the Loboes first touchdown with :59 left in the first half. Kevin Kirk kicked the PAT, but it was counted as no good. This

brought the score to 6-to-21, in favor of De Leon.

De Leon scored twice in the fourth quarter when Brent West threw a 5-yard pass to Paul Burk with 11:54 left in the game. Paul kicked the PAT, which was good. With one minute left in the game, Paul Burk kicked a 50-yard field goal to make the score 6-to-31.

The Loboes finished the game with four seconds left when quarterback Jarrod Jeffcoat threw a 17-yard pass to Davin Hohbertz, who then pitched the ball back to Joe Flores who made a 57-yard run for a touchdown. Jeffcoat threw a pass into the end zone to Mark McGinness for the PAT, making the final score 14-to-31.

Stats for the game are as

Continued On Next Page

Wranglers Lose To Kilgore

From page 1...

27-yard pass from Meaker to Atkins to score. The extra point was good. At the half, the scoreboard read 21-14, Kilgore's favor.

In the third quarter, both teams scored on one field goal. Kilgore's Padgett came out and kicked a 34-yard field goal. Cisco's Eric Edwards, in full force, kicked a 46-yard field goal. At the end of the third quarter, the score was 17-17.

In the fourth quarter, Kilgore shot out in front of Cisco by scoring two touchdowns. Cisco's only scoring play was on a 46-yard field goal kicked by Edwards. Kilgore scored on a 12-yard run and on a tremendous 50 yard sprint to

the end zone. Both extra point kicks were successful. The final score was 38-20, Kilgore.

Biff Drew, a starting sophomore, suffered a knee injury. He was to undergo tests in Dallas Monday. The coaches were not sure if he will be ready to play Saturday. Biff wears jersey No. 83.

The leader in rushing was Paul Jones with 96 yards. All CJC's exes and parents are welcome to attend Saturday's game. Go out and support the Wranglers to victory. Good luck, Wranglers!

Band Students In Regional

From page 1...

The man added that last year Canadian did not place in the contest and this year they were chosen to go on to the State Competition. Mr. White said his plans for the Cisco Band are to go on to the State Competition next year also.

There were two bands chosen to go the State Marching Contest and one band was picked as alternate, in case either one of the two state bands, could not attend the State Marching Contest that will be held in Austin. All other teams in each division received a "no rating".

Bands participating in the contest and the winners in order of their appearance were: Conference 1-A, Munday, state, Claude, no rating, Jayton, state, and Booker, alternate; Conference 2-A, Cisco, no rating, Shamrock, alternate, Olney, state and Canadian, state; Conference 3-A, Breckenridge, no rating, Springtown, alternate, Tullia, state, Iowa Park, no rating, Carroll, state and Sanford Fritch, no rating; Conference 4-A, Cleburne, state, Snyder, no rating, Canyon, alternate, Crowley, state, Graham, no

rating, and Hereford, no rating; Conference 5-A, Caprock, no rating, Rider out of Wichita Falls, no rating, Denton, state, Cooper out of Abilene, alternate, and Martin out of Arlington, state.

A large crowd of fans from Cisco were there at the stadium to cheer for the band. Mr. White said the support from the fans helped to ease the nervousness of the students. He said he really appreciated the crowd making the trip to watch the band.

Wayne White said the next contest where all of the band members will participate together will be the Cisco Junior College Festival to be held in the Spring. In April the Spring UIL Contest will be held for all members of the band. The Individual District Band Contest will be held in January and the Individual Regional Band Contest will be held in December. The Solo and Ensemble Contest will be held in February, so the band will be winning more honors again in the near future, Mr. White said.

Shop Cisco First

Students Can Buy 87-88 Yearbook Wed.

The Cisco High School yearbook will be on sale this Wednesday, November 4. The cost of the yearbook is \$22.00 with the child's name printed on the cover and \$20.00 without the name. Checks should be made out to the Cisco High School.

This year's yearbook will be better than ever, according to this year's Annual

start. It will have its own art work on the cover as well as a theme running throughout the annual.

The public may purchase the 1988 Lobo yearbook by coming to the Typing room, Mrs. Chambers, in the High School.

Elementary students may purchase them from Mrs. Puryear in the Elementary School office.

New Art Club Meets In Cisco

Our community has a new and unusual art club.

Called The Myrtle Wilks Art Club, after the local artist who is its guiding spirit, the club was formed on October 11th with an initial membership of 26. A constitution and bylaws were drafted. Officers were elected. Those present spent part of the meeting qualifying for membership. They completed one sketch to turn in with their one dollar.

That's one of the distinguishing features of The Myrtle Wilks Art Club. Yearly membership is only \$1.00 plus one freehand sketch, taken from life. Members were instructed to "sit down in front of

something and draw what you see - a vase, a table and chair, a tree, a landscape. Pick a subject you can handle, suitable to your age and ability, then do your best to put it on paper."

This membership requirement underscores the group's earnest, "hands-on" approach. And since most members are less than teenage, keeping the fee low was a popular idea.

Members vary in age from three to three score and ten. The secretary, James Lewis of Gorman, is 16. Treasurer Jody Wilks, 13, and Membership Director Joshua Wilks, 11, are from Cisco, as is Reporter Leighton York, age 8. President is Myrtle Wilks, also of Cisco.

Other officers are Ruth York of Cisco and Nada Lewis of Gorman, who specializes in floral still lifes in oils.

Are these youngsters serious artists?

"Who can be more serious than a second grader doing his own painting?" asks Myrtle Wilks. "And who learns any faster?"

"This is an organization for those who simply love art, those who want to learn art, and those who are already skilled in art," says Myrtle, who was elected President by acclamation. "We plan to have frequent working meetings, demonstrations, special programs, and occasional workshops. The point is to get people to paint and draw, since we learn best by doing."

A get-acquainted meeting is scheduled for November 7th at 6:30 p.m. If you'd like to attend, call 442-2962 or 442-3530 for more information.

Christian Women's Bazaar To Be Held Fri. & Sat.

The ladies of the Christian Women's Fellowship of the First Christian Church will have their annual Bazaar Friday and Saturday, Nov. 6-7.

There will be lots of

useful items and food for sale. There will be hand made linens, decorative pillows, baby items, small hand painted pictures, and many pretty and useful things from which to choose.

A bake sale will be open each morning as long as the supply lasts. Breakfast of biscuits, sausage, gravy, eggs, coffee and all the treats that go with them will be served from 7 to 10 a.m. both mornings. Lunch of the traditional stew and cornbread or crackers, with tea and coffee, will be served from 11 a.m. until 2 p.m. each day. Sandwiches and desserts will also be available, all reasonably priced.

All proceeds from the Bazaar will be used for the many projects the ladies and the church plan for next year. A spokesperson said, "Come and eat with us and shop for your Christmas gifts."

Nutrition Program

The Senior Citizen program is sponsored by the Cisco Junior College. Participants in the program must be 60 years of age or the spouse of one that age. In addition to the regular activities, a nutritious dinner is served each Monday, Wednesday and Friday. Call the Center at 442-1557 and make reservations for lunch.

Programs for the week were: The Senior Center Choir and Band entertained, dinner music played by Lois Holder, Billie Wood and Lydia Krauskopf. Blood pressure was taken by Mable Theford. The Band participated in the Homecoming Parade and won a beautiful trophy.

Menus for the coming week:

Wednesday-- Vegetable soup with beef, fruited gelatin chiffon with banana, cheese stick, cookies, cornbread, butter and milk.

Friday-- Beef with barbecue sauce, potatoes au gratin, pinto beans, relish, tossed salad, cherry cobbler, bread, butter and milk.

Boy Scouts To Have Annual "Trails End Popcorn Sale"

From October 13 to November 12, 1987, the Comanche Trail Council, Boy Scouts of America, will hold its fourth annual council-wide "Trail's End Popcorn Sale." Comanche Trail

Council Executive Alford Havens has announced a major new initiative by the local council to market a product throughout the council. The product-program will involve the sale by scouting units of a popcorn product called "Trail's End Gourmet Popcorn." Proceeds from the council-wide sale will be used to benefit the scouting activities of the local council, as well as individual scouting units.

Sam Mangrum, council president, stated that escalating program costs, the need for camp equipment and maintenance, as well as continued growth in youth participation have prompted the executive board of the council to seek new additional sources of financial support. He also stated, "The Comanche Trail Council is making this an

annual affair, such as the "Girl Scout Cookie Sales." "Trail's End Gourmet Popcorn" was selected because it is a product with universal appeal. Popcorn is a great-tasting, fun-to-make, wholesome and nutritional snack that the entire family can enjoy.

Cub Scouts, Boy Scouts, and Explorer Scouts will contact the public to have them "sign-up" for one or more 3.5 lb. bucket or a box of microwave "Trail's End Gourmet Popcorn." The price for each will be \$5.00. Delivery will be around December 7, 1987. Anyone not contacted should call the local den leaders or scoutmasters, or call the council office at (915) 646-0616. Please support scouting. Place your order for popcorn.

LA FERNE TERREL AND KAY BURNS

Two Employees Of Canterbury Villa Transfer To Cisco Home

Cisco's Canterbury Villa has a new Nursing Home Administrator and a new Director of Nursing. La Ferne Terrel is the new Administrator. She transferred to Cisco from Odessa and started working here on October 19. She has been with Texas Home

Enterprises, who own Canterbury Villa, since June. She received her Nursing Home Administrator License in 1972 thru the Odessa College.

La Ferne is originally from Crane, Texas where her mother, Mary Miller, was a previous nursing home

owner. La Ferne said she is a long-time nursing home employee.

LVN Kay Burns is the new Director of Nursing at Canterbury Villa. Kay transferred to Cisco from Midland.

Kay's husband Les, works for Mobile Pipe Line in De Leon. They live in Eastland and have two children, 11-year old Trevor and 9-year old Michelle. Both children attend Eastland schools.

Both Kay and La Ferne said they would like to invite everyone out to Canterbury Villa to see the new improvements that have been made at the home.

"We're still doing repair work," La Ferne said. "We have finished with the new flooring but we still have some painting to do. Everyone is invited out to visit with the residents who live here," she added.

LINDA POINTER

Linda Pointer Is New Manager At Mott's

Mott's Variety Store, located at 1001 Conrad Hillon, has a new manager. Linda Pointer, took over duties as manager there last Saturday.

Ed and Fran Clark, previous managers at Mott's have been transferred to Abilene, where they will

open a new Mott's around November 15.

Linda is a graduate of Cisco High School and is the daughter of Coleen Pointer.

Linda said she would like to invite everyone to stop by Mott's for their everyday needs.

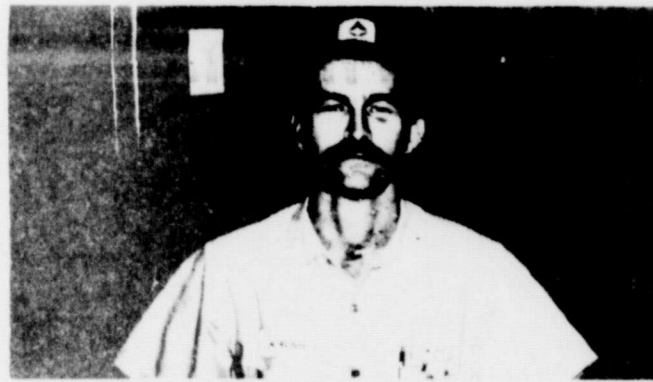

Joe Cooper Give Talk On Taxes At Rotary Thurs.

Joe Cooper gave a talk on the Tax Reform Act of 1986 at the regular meeting of the Cisco Rotary Club held last Thursday at Tradition's Restaurant.

Mr. Cooper said the tax reduction simplification act should be simple, but the new tax code becomes tough to follow. He said it was designed to help the United States government accomplish some things.

Mr. Cooper suggested that from now until the end of the year everyone should get in all the deductions they can. Mr. Cooper ended his talk with a poem called "Taxes."

The attendance for the club was 95.24. Otto Urban gave the invocation. Clois Purvis is in charge of next week's meeting.

PHILLIP COCKERELL

Phillip Cockerell Is New Lone Star Gas Manager

The new manager at the Cisco office of Lone Star Gas is Phillip Cockerell. Phillip moved to Cisco from Hamlin. He is originally from Haskell and a graduate of Paint Creek High School.

Phillip and his wife Flora Dean have two sons, 5-year

old Steven and 3-year old Jimmy.

Phillip has been with Lone Star Gas now for two years. His duties will be to take care of turning the gas on and having the gas turned off for the Cisco customers and any other outside business.

Lela Lloyd Is Home From Hospital

Lela Latch Lloyd, Cisco teacher, writer and leading citizen is home from the hospital! She returned to her residence last Saturday afternoon, after having spent one month in Hendrick Medical Center in Abilene.

It was a worthwhile month, reports Mrs. Lloyd, for she is feeling much better. She had surgery on a knee in early October, and has since been taking rehabilitation therapy in and out of the hospital units. Her sister, Annie Rendall of Ranger, is staying with her at present. Another sister, Mary Carey of Alaska, will arrive in Cisco next week. Mrs. Lloyd expects to soon be able to resume her normal errands and active life.

Town And Country Raised over \$65,000

Town & Country Food Stores, Inc., raised \$65,703.66 for the Muscular Dystrophy Association during the year 1987. The chain of 139 convenience stores and supermarkets located in West Texas and New Mexico, has its headquarters in San Angelo.

The 128 participating stores raised the money through individual store projects and donations during the year. The amount exceeded the company's goal of \$65,000, with each store averaging over \$500. Over the past six years, Town & Country Food Stores have contributed over a quarter of a million dollars to the Muscular Dystrophy Association's search for a cure to neuromuscular diseases.

Eastland County Soccer Assoc. Have 260 Players

By Richard Kurklin
In the fall of 1985 a group of Eastland County people recognized a need and took action to fill that need.

There was a need for recreational activity for children and youth who did not participate in school sports, after the Little League season comes to an end. And it needed to be a 'safe' sport that both boys and girls could participate together in.

Answering this need, the Eastland County Soccer Association was formed.

A spirit of competition has existed between the towns of Eastland County about as long as most people can remember, and the Association founders realized that a spirit of friendship and cooperation between neighbors needed to be added.

Forming a Soccer League, 105 youth or children from Cisco, Eastland, Ranger and Carbon were placed on eight teams which played a fall schedule.

In the Spring of '86, over two hundred potential young soccer players showed up and the League was increased to eighteen teams. The League kept growing with about three hundred on twenty-four teams during the fall of '86.

A record sized crowd of about three hundred and sixty boys and girls participated on twenty-seven teams in the spring of '87.

The addition of Rising Star to the League helped to swell the numbers, but football is so popular in this area that the League has dropped to twenty-five teams and about two hundred and sixty players during this fall's football season.

A double season is now being played where players are required to sign up in the fall and teams are then formed that play a fall schedule and later a spring

schedule as parts of their season. Players can no longer sign up in the spring.

While the League was experiencing all of this growth, a major problem arose. The athletic fields of the Cisco Schools had been used by the new League in its formative stages and Cisco people had carried a large portion of the load in supporting the League. But Cisco School officials could not guarantee the League that they would be allowed to play their games on school property in the future.

The Eastland County Soccer Association sent out a plea for help, the League needed a place to play their games.

One response to that plea was received and by necessity that response decided where the games would be played.

Darrell Adams, the Association President, spoke about the League and its needs to the Lions Club and was invited to talk about those needs by and with the Eastland Industrial Foundation.

The Foundation believed in the League's merit and donated land in North Eastland to be used as soccer fields by the League.

But a lot of work and expense was still required to turn the land into a complex of soccer fields.

Jim Davidson at the Eastland National Bank

Dear Betty Crocker

Q. What do shiny pans do to a cake?

A. A shiny cake pan reflects heat, producing a cake with a tender, delicate, lightly browned crust.

Q. Do frozen baked fruit pies need to be thawed before reheating?

A. Allow unwrapped pies to thaw at room temperature for an hour. Heat in a 375 degree oven on the lowest rack for 34 to 40 minutes.

Q. What are some fresh new ideas for early holiday baking?

A. You could make extra-large rolled sugar or ginger cookies (ten inches tall) from a child's drawing, patterns traced from magazines or storybook illustrations or jumbo cookie cutters. Also, prepare your favorite sweet roll dough and shape it into "Bread Bears" or another animal or object shape. Cool both cookies and bread completely. Seal in moistureproof, vaporproof wrap to freeze. Decorate when you're ready to give the goodies away.

Do you have a question? Write Dear Betty Crocker, Box 1113, Dept. Betty, Minneapolis, Mn. 55440.

the League needs certified referees, coaches, and equipment and field managers. It takes twenty dollars and an eighteen hour course on Friday nights and Saturdays to get certified to referee in youth soccer games. And that includes receiving the North Texas soccer newspaper "Pitch" and insurance.

The League has about 44 coaches and seven certified referees at present.

Another need is a used refrigerator and maybe a freezer for the concession stand if someone would like to donate one.

When children under age eight are playing no score is kept.

In the older age groups the teams compete and the first, second and third place teams are recognized. Every player on each team received a medal for competing, but on the first team the medals are gold plated, on the second they are silver plated, and on the third they are bronze.

Plans are to keep improving the facilities, the participation and the attendance. The concession stand can be finished and grass, bleachers, fencing, and maybe picnic tables can be added at the complex.

At the end of the spring schedule there will be an awards ceremony and there will be more announcements about it in the future. It will mark the completion of three years for the League.

Darrell Adams, the League President, extends a special thanks to everyone who has helped to make the League a success.

Repairs To Continue At Possum Kingdom Dam

The Board of Directors of Brazos River Authority, at its regular quarterly meeting in Waco on October 19, authorized expenditure of \$6 million in Authority funds for continuation of the investigation and repairs to the dam at Possum Kingdom Lake. This authorization is in addition to the \$2.1 million approved in April of this year. The additional expenditures are expected to be sufficient to fund the ongoing investigation and repairs until the Board's January 1988 meeting. At that time it is anticipated that a final schedule and budget for completing the repairs will be presented for the Board's review and approval.

The lake level was drawn down 13 feet from the normal maximum operating level of 1,000 feet as a safety precaution while investigations of indicated foundation problems and immediate corrective modifications are being made at the dam. The temporary maximum operating level of 987 feet was reached on April 24 and is expected to be in effect for at least six months and maybe as long as a year. Lowering of the lake level to 987 feet was ordered by the Federal Energy Regulatory Commission, which licenses the hydroelectric generating facilities at the project.

Meanwhile, repair work at

the dam proceeds on schedule. Installation of monitoring instruments used to detect any movement in the dam continues, along with drilling of relief wells to relieve water pressures found to be occurring beneath the dam. To date 55 piezometers, 8 extensometers, 5 inclinometers and 22 relief wells have been installed. Additionally, a highly sophisticated and sensitive surveying system has been installed at the dam, which allows very precise monitoring to detect any further movement of the structure that might occur.

Representatives of FERC from Washington and from the FERC regional office in Atlanta, Ga., met on October 8 at the project with representatives of the Brazos River Authority and its consultants to review progress of the investigation and repair work to date.

The PEOPLE'S FORUM

I've Been Wrong Before

By Gordon S. Clark
Though certainly not an anarchist, I do believe in the saying, "He governs best who governs least." Or as the framers of the Constitution mostly thought, government should serve only to prevent person's from abuse of others.

Permit me to repeat what Tom Anderson said, "Politicians are like rats. It is not the damage they do, but rather what they mess up, that we can't afford." I shall not take sides in the argument about who invented the airplane. For in Greek mythology Daedalus fashioned wings, Leonardo DeVinci built model airplanes and others no doubt dreamed of emulating the birds but we credit the Wright Brothers with the first manned flight. Consider now that it was both the dreamer who invited and the technician who produced a working model that made the dream come true.

While they were entertained by a man from the Smithsonian Institute who plugged for their new publication "BOOK OF FLIGHT" it brought no joy to notice a big many missed. He stated that flying and airplanes developed faster in Europe after the Wright Brothers flight BECAUSE THEY WERE LESS RESTRICTED BY LAWS. Now how does that speak for what we have been brain washed to believe is "The Land of the Free"? Certainly it was not intended that way but since the turn of the century the direction and pace of meddling in personal freedom has quickened. Oh my yes, but always with high sounding rationalizations. Thus the length of the chain does not mean one is not chained nor does one caged have to try the bars before the fact that he is caged become actual. When we encounter the bars we realize what was there all along.

Catholic Rummage Sale

Catholic Youth Group of Cisco, Eastland and Ranger will hold a Rummage Sale Saturday, Nov. 7, at Holy Rosary Catholic Church in Cisco.

Funds raised at the sale will be used for a youth trip to San Antonio.

Anyone wishing to donate items for the sale has been asked to contact Ana Walker, 442-4741, or Helen Gaeta, Cisco Chamber of Commerce, 442-2537.

mises to do things for people is more likely to do thing TO people. The wise course would have been, "Do me a favor by not doing me any favors."

An experience which still galls me is my attempt to get information from governmental agencies during the energy crisis (whether you believe that one was real or contrived).

Knowing that the 1949 Yearbook of Agriculture "TREES" stated that by use of weak acid and moderate steam pressure forest waste could be converted to syrup which could then be fermented with yeast to produce ethanol (grain alcohol.) There remained 45% syrup consisting of pentose (five carbon) sugars which could be used as animal feeds.

Additional facts I have aroused questions. Corn syrup does not crystallize because it has 11 to 12% pentose sugars. In 1893-4 a Japanese named Takamine introduced a Manhattan Distillery in Peoria, Ill. the saki making process where enzyme from fungus was used instead of yeast. The result was 11 to 12% more alcohol than traditional distillers got from corn. Could it be that fungal enzyme made alcohol from five carbon sugars? Takamines process was discarded probably for the simple reason that the liquor did not taste like the liquor American drinkers were used to. But carburetors have no taste

buds.

I wrote the US Dept. of Agriculture asking about the kinds and strengths of acid and amount of steam pressure used to convert cellulose to syrup. It should have been simple. The US Forest Service had run the tests as tax payer expense. But USDA switched my letter to Dept. of Energy which informed me that they had granted a fat sum to one Dr. Kendel Pye of U. of Penn. to run experiments on that subject.

Next my letter of protest to a Houston paper brought a letter from the head of the Texas Dept. of Energy "explaining to me" that the process was still experimental and not yet practical.

I was not placated, I was furious. Texas was paying a bunch of dead-heads to duplicate what a bunch of federal dead-heads were doing, namely paying for work the tax payers had financed years before.

"Experimental" the genius from Austin had informed me without reading that the West Coast pilot plant in 1948 had processed 200 to 200 TONS of forest waste PER DAY. A sizeable test tube I must say. "Not yet practical" he had said yet the year book stated that it was producing alcohol for 1/5 the cost of the same stuff from grain. While gasoline was around 20 cents a gallon in the 40s and the cost of alcohol from grain in the 70s was around \$1.09 and

the 40s gas at 20 cents included road tax it is obvious that even at 1/5 it was not a practical fuel in the 40s but could beat the cost above a dollar when some farmers were turning their grain into alcohol fuel.

Thus ended in a fit of fury my quest for knowledge. Government does not honestly want our people knowing or doing things for themselves. If you don't believe that then try to gain any technical information your tax dollars financed.

There are still times when I wonder whether enzymes from fungus might convert five carbon sugars to alcohol and what the specifics are in converting cellulose to syrup I doubt I will ever know. Big Oil, Big Liquor, and Big Lumber get what they want from government but unless you have ways I do not, then don't waste your time. You will be happier keeping your nose to the grindstone, your shoulder

to the wheel or whatever while you watch the games on the boob tube and nurse a six pack.

Little of the Norse worship of Odin and Thor remains but from what would be their Book of Proverbs we have, "Moderately wise one should be. Not otherwise, for a wise man's heart is seldom glad."

With Gulf Oil and others pushing oil exploration in Communist Angola, the North Sea and Arctic fields barely tapped, the Falkland Island and South China Sea fields not even touched it is unlikely that we will be short of oil in our life time. Meanwhile with grain still cheap and a farmers ability to make his own fuel for a bit over a dollar the price of gasoline should not go much above the cost of producing alcohol plus the bit Big Oil can figure is the trouble and time cost of producing your own. That is to say that they won't boost it higher without a lot of anticonglomerate collusion by the politicians.

Letter To The Editor

Dear Editor:

To your Guest Slot of Nov. 1 may I say AMEN! Eastland County is fortunate to have a person as dedicated to history as Ron Bailey. Even though Mr. Bailey is not a native Eastland Countian, he has

put in hours and hours of unpaid, volunteer work in the Eastland County History Book.

Roy Smith and Darrell Basham are to be commended on their volunteer efforts to get accepted the "articles of Incorporation" whereas,

Eastland Only County Location For Social Security Representative

There will be no Social Security Representative in Cisco or Ranger during the month of November, according to information from the Office in Abilene. This change is for one month only, and is due to Computer training scheduled for the

personnel.

There will be a representative in Eastland at the Courthouse basement office on Tuesday, Nov. 17 at 10 a.m., and Tuesday, Nov. 24 at 10 a.m. Residents of Eastland County who need assistance may contact this individual.

the book may be published as a project of a Texas non-profit corporation at cost of the publisher.

If a name of an Eastland County family or person is left out it will not be an oversight of the committee. Many of the committee members will write your family story for you, but committee members must have the information now. Only you have the information.

Many families have several 500 word stories. Each generation is a story. Please help the volunteers in including your family now.

Sincerely,
June Hicks

Olney Savings Announces Two New Tax-Advantaged Investments

Olney Savings announced today the addition of two new investments: Taxbrake, single premium life insurance, and Base, a single premium deferred annuity, according to Mr. Alan D. Myers, Jr., chairman and chief executive officer.

Endorsed by Olney Savings, "These new investments provide tax advantages by enabling our customers' money to earn and compound interest without current tax liability," said Myers.

Offering tax-deferred growth, both Taxbrake and Base feature one or three year guaranteed interest rates; 100 percent principal guarantee, backed by the general assets of Life Insurance Company of the Southwest; no sales charges; a sixty-day bailout provision to protect against substantial interest rate declines; and are available through "Aplus"-rated Life Insurance Company of the Southwest, Dallas, Texas.

(A.M. Best, the recognized

authority in analyzing insurance companies, rates Life Insurance Company of the Southwest Aplus "Superior", which is the highest rating given by Best.)

Life Insurance Company of the Southwest, a wholly-owned subsidiary of the Halliburton Company, Dallas, Texas, started doing business in 1965 under the laws of the State of Texas as a legal reserve insurance company. The Halliburton Company is one of the

world's largest petroleum industry service and engineering construction firms. Life Insurance Company of the Southwest conducts business in 49 states and the District of Columbia. Insurance in force now exceeds \$4.9 billion and assets exceed \$400 million.

He continued, "Annuities and Single Premium Life Insurance are a highly individualized decision. We suggest consulting with an attorney, accountant or tax advisors to see what is right for each person's particular set of circumstances. Olney Savings has qualified specialists for counseling, also, about these investments."

"With the new tax reform,

careful planning is necessary. What we feel is important...is choice," he replied.

Olney Savings, with assets in excess of \$1 billion, has offices in Abilene (2), Albany, Anson, Archer City, Azle, Bowie, Boyd, Bridgeport, Brownwood, Cisco, Clyde, Coleman, Comanche, Cross Plains, Crowell, Decatur, DeLeon, Eastland, Electra, Gainesville, Graham, Haskell, Holliday, Jacksboro, Mineral Wells, Nocona, Olney, Ranger, Seymour, Stephenville, Snyder, Throckmorton, Vernon, Weatherford and Wichita Falls.

The Lost Arrow Head

Indians in Eastland County? Mercy, yes. It's been a number of years, but there's Indians stories in large numbers.

For instance, have you heard the one about the man who carried an arrowhead in his leg for 25 years?

The man was James Madison Ellison and it happened in 1860. The very same arrow is in a display case at the Archives Room of Eastland Centennial Memorial Library.

And here's how Mrs. Langston wrote of the event in her History of Eastland County:

THE LOST ARROW HEAD
"On the 16th day of December, 1860, Gols Flanagan and myself started in an ox wagon to Blair's Fort, fifteen miles away, for some bread stuff. We had only gone a mile when we were waylaid by Indians, who opened fire on us at close range from a little ravine by the side of the road, which we were about to cross.

"Fifteen or twenty red skins facing a fellow on a turn in the road is enough to make the cold chills run down any man's back - Gols was only nineteen and I was twenty - but we didn't have time for more than that, for the bullets and arrows sang

a funeral dirge about us.

"I'm shot!" I exclaimed, falling backward in the covered wagon, and pulling a stinging arrow out of my knee. Gols turned and looked at me in a dazed manner, not seeming to understand. There was a red spot on his shirt front, and I knew he was hit, too.

"The young oxen, at sight of the Indians, wheeled around and ran as if wild, followed by the howling fiends. Presently the animals left the road and took to the open, making for a timbered spot. They ran some two hundred yards, when the wheels hit a tree, and they broke loose from the wagon.

I was nimble as a cat in those days, and the Indians having fallen some little distance behind, I leaped from the wagon and ran off in the timber. There I looked and waited for Gols, thinking perhaps he was hiding in a little hollow below me. My knee got to hurting me so bad I decided to make my way to the ranch. Gols had not come in. 'Bad' Reese went at once to look for him, and found him dead and scalped. Reese and Ral Smith went out and brought him in on a horse. Early the next morning the men went to McCain's Ranch for help,

and Mr. Hignsaw and Lyman McCain came back with them and buried Gols, and we all moved up to their fort ranch the next day. By April I was able to get around on crutches. From about the middle of January I was at my father's house in Parker County, and was disabled for six months.

"One day in 1886 something pricked me on the under side of my knee. On examination, I found a sharp black point sticking through the skin, and knew at once that twenty-five years ago I had been shot with a double-headed arrow, and had only pulled one head out. Three weeks later, on February 21, 1886, after having carried it in my knee for twenty-five years, two months and five days, the arrow head came out."

WORD of GOD

New Testament

And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.

Matthew 24:14

Eastland County Man Arrested For Theft

One man from Eastland County was arrested in Stephens County late Wednesday night, Oct. 28 and charged with theft of oilfield equipment in Eastland County, according to Stephens County Sheriff James Cain.

Cain said Danny Ray Hamrick, 27, of Eastland, was arrested and charged with theft. His bonds were set Thursday, Oct. 29 by Stephens County Justice of the Peace Veva Ford at \$5,000 for theft of oilfield equipment, a felony, and \$500 for driving while license was suspended, a misdemeanor.

Hamrick was filed on in Eastland County Thursday morning, Oct. 29 and was transported back to Eastland County that afternoon, along with his vehicle and the stolen merchandise.

Cain said the sheriff's office received a call Wednesday night, Oct. 28 around 10:15 p.m. and Deputy Randy Miller was dispatched to the Sun Oil Plant along the Eiasville highway. A pumper who works at the plant reported he "had spotted a couple of vehicles coming into the Sun Oil lease which didn't belong out there in the middle of the night."

According to Cain, the pumper went out to try and stop the vehicles to see what they were doing. Cain said the pumper managed to stop one vehicle, but the other one got away. The pumper reported that the person driving the vehicle he stopped had "no good reason for being there" and it made the pumper suspicious so he called the sheriff's office.

Cain said the vehicle stopped by the pumper was a 3/4

ton pickup pulling a gooseneck flatbed trailer.

As Miller was approaching the lease along the Graham highway, he met the other vehicle reported at the lease, a Ford Bronco. Miller stopped the vehicle—which was being driven by Hamrick—and found a load of Barton gas meters in the back of the Bronco.

Miller called Cain and "stolen checks were run" on the seven meters and "sure enough three of them came up with hits," Cain stated. He said all seven meters turned out being stolen from Eastland County.

While Miller took the subject in to jail, Cain went to the plant where he and the pumper searched the lease for the other vehicle or anything which might be missing. Cain said Deputy James Chaney was stationed at the entrance to the lease but apparently the vehicle left the scene while officers were busy with Hamrick.

According to Cain, Hamrick is employed by a contractor which works everyday at the Sun Oil lease so "he knows the lease real well."

Cain stated that Eastland County authorities and Stephens County authorities are "cooperating in the investigative effort trying to determine exactly who the other party was involved in this" and if there is any connection to oilfield thefts which have occurred in Stephens County.

Fishing Outdoors

By Terry Wilson

Put An Eagle To Work For You

November 5th at 7:30 p.m., all members and interested guest are urged to attend the Eastland County Bass Club November meeting. This meeting will begin laying the ground work for the 1988 season. Nominations for next years officers will be made during this gathering. Also recommendations will be heard from two committees. Everyone is urged to attend this very important meeting to help direct your club's future.

Creel and cove rotenone surveys at Lake Whitney near Waco reveal good news for Central Texas area fishermen, according to the Texas Parks and Wildlife Department.

The 23,000-acre lake northwest of Waco has an excellent largemouth bass population and good numbers of crappie as well, said biologist Ken Sellers of Waco.

"During a recent angler survey, 87 percent of the 38 parties we interviewed had caught fish," Sellers said. "They reported catching 154 largemouth bass. About 92 percent of the catch was released, and 23 percent of those fish were of legal size for retention."

Crappie fishermen reported releasing 62 percent of the 128 fish caught.

Whitney has the statewide limits for bass, at five per day and 14-inch minimum length limit. The crappie regulation is a special 25 per day limit, with a 10-inch minimum length require-

ment. Sellers said a September cove-rotenone survey revealed a substantial increase in largemouth bass population, compared to similar surveys in 1984 and 1986. Workers found 36 pounds of bass per acre from three surveyed coves. "This was approximately three times the weight of bass collected from the same three coves in 1984 (nine pounds per acre) and 1986 (11 pounds per acre)."

So as you can see, the new 14-inch limit along with conservational minded anglers have certainly help on this impoundment.

Nothing has better underwater vision than Eagle's Z-7200 liquid crystal graph (LCG).

Now, thanks to a new high-contrast display, no sonar creates sharper, easier-to-read signals. A wider viewing angle insures good visibility from nearly any position, even when wearing polarized sunglasses. The screen (with 192 vertical pixels) and keyboard are backlit for nighttime use.

In addition, Lowrance's popular Grayline feature clearly separates objects on or near the bottom, such as rocks, stumps, weeds, and fish, from the true bottom. Bottom track and zoom capabilities of any 10 foot or larger segment insure maximum detail when searching for fish.

Even with its many features, the Z-7200 is incredibly simple to operate. With a touch of the "on" button the unit sets proper sensitivity levels and depth

ranges, and constantly displays bottom depth in digital form. Interference and false echoes are eliminated with an automatic discrimination feature.

The sleek but rugged case is completely waterproof and houses state-of-the-art electronics which generate 500 watts of power for probing depths of more than 400 feet.

A fish alarm audibly alerts the operator to the presence of fish. A zone alarm warns of water deeper or shallower than pre-selected levels, making it a perfect navigational aid and anchor watch.

All Eagle LCG's are made in the U.S.A. For more information contact the Public Relations Department, Eagle Electronics, P.O. Box 669, Catoosa, Ok., 74015.

November 8th will be the date for the E.C.B.C. inter-club tournament. The drawing for which lake will be held at November 5th meeting. And don't forget there are still a few slots open for this year's T.A.B.C. top 6. Y'all come and bring a new member.

Terry L. Wilson

Use The Classifieds

Eastland County Retired Teachers Assoc. To Meet

The Eastland County Retired Teachers Association will have their second regular luncheon meeting of the year Monday, November 8, at 12:30 p.m. at the Birdcage Restaurant in Friendship Inn on Interstate 20

East of Eastland. A program of interest to all has been planned.

All members are urged to attend. Charles Hodges of Ranger is the president.

Survivor Benefits Payable

Social Security benefits can be paid to many survivors of workers who die after working long enough in work covered by Social Security, Glyn Hammons, Social Security manager in Abilene, said recently.

These survivors include the worker's unmarried children under 18, under 19 if a full-time high school student or over 18 if disabled before reaching 22; a parent caring for a child under 16 or disabled who gets benefits; a widow or widower 60 or older, or 50 or over if severely disabled; and dependent parents 62 or older.

In addition, a surviving divorced wife or husband can generally get the same benefits as a widow or widower if the marriage to the worker lasted 10 years or more.

A lump-sum payment of \$255 can be made to a worker's eligible widow or widower, or, if none, to the worker's child entitled to benefits.

It is important for survivors to apply for benefits as soon as possible after the worker's death. This is generally important for

widows and widowers under 65 because benefits cannot generally be paid before the month of application.

When applying, survivors should have their own and the worker's Social Security cards or a record of the numbers, birth certificates for any eligible children, marriage certificate, proof of the worker's death, proof of

age for the widow or widower, and Form W-2 or self-employment tax return for the past year. Parents 62 or older will need to show they were dependent on the worker for their support.

For more information about Social Security survivors benefits or about other Social Security benefits, contact the Abilene Social Security office, located at 142 S. Pioneer. The telephone number is 698-1360.

Area News Briefs

RANGER
Homecoming at Ranger High School turned out great last weekend. The Ranger Bulldogs won the game against Hico, 9-0, thanks to some good work by the local players. During the festivities Misty Barrett was named as Homecoming Queen, with Terri Kay White as Band Sweetheart and Chris Cockburn as Band Beau. J.R. Hunt was recognized for his announcing of the Football Games for 18 years. This honor was presented by Charles Koch, High School Principal.

The Ranger Junior College men's Baseball team received a special treat recently when they had the opportunity to practice and play with professional baseball player Ellis Burks. An RJC player in 1983, Burks is currently the starting center fielder for the Boston Red Sox. Burks said TJC Coach Don Flowers asked him to come down and spend some time with the players, and he told Flowers it would be a pleasure. Burks said it was always good to "come back home". He is originally from Fort Worth, and while at RJC trained under Coaches Jack Allen and Don Flowers.

A public meeting will be conducted at 5:30 p.m. on Thursday, Nov. 5 at City Hall to solicit public comment on needs that could be addressed through an application for a Planning Grant to the Texas Department of Community Affairs. Interested citizens are urged to attend.

CISCO
The City of Cisco is proposing a grant request to the Texas Department of Community Affairs for \$275,000. City Manager Mike Moore says Cisco is competing with 25 to 30 other Texas cities, and there will be only five or six who will receive this funding. If Cisco is approved, improvements for the northeast part of the city will begin. Street paving will start, and code enforcements be upheld. There will be sewer and water line placement, and other work.

Cisco merchants held an Open House on Tuesday, Nov. 3, 7-9 p.m., election day. The Cisco merchants offered special bargains for customers during these hours. Cisco is always an interesting place to shop, with many places offering things which can't be duplicated nearby. Where else can you find the equal of the fine musical instruments sold at Anderson's Jewelry, or the special items at Songs and Psalms Bible Book Store? Other stores, too, have exclusive lines of merchandise, or offer bargain prices. Some make a specialty of antiques and art supplies.

All area High School students are invited to attend a dance in the Corral Room at the Laguna Hotel (downtown Cisco) Saturday, Nov. 7 at 8 p.m. Admission is \$3 per person, with the Cisco Sophomore Class sponsoring the event. A cash prize will be awarded to the Student Council of the area school with the largest number of students registered.

Iela Latch Lloyd, favorite Cisco citizen, is home from the hospital. Mrs. Lloyd had surgery on a knee early in October, and has been staying at the facility for orthopedic treatment. She is feeling much better, and plans to be out driving and running errands soon. Her sister, Annie Rendall of Ranger, is visiting her presently. Another sister, Mary Carey of Alaska, plans to be in Cisco next week.

EASTLAND
The Eastland County Art Association will hold its regular meeting at 7 p.m. Thursday, Nov. 5 at the Texas Electric Reddy Room in Eastland. Jo Hubbard of Rising Star will give a demonstration in oil media. Mrs. Hubbard is well-known for her beautiful work, and will have some helpful suggestions. All members are urged to be present, and visitors are also invited.

The Brown-Bag Luncheon at Eastland Memorial

Library this Wednesday, Nov. 4 will offer advice on a very special matter - how to make the most of your looks. Allene Smith, beauty advisor, will give the program at 12 noon. She will give information about the care of skin, eyes, face - and how to enhance natural beauty. There will be no charge for these services, and samples of products will also be available. So bring a lunch and join the crowd for fun and learning.

Don't miss the Senior Citizens Bazaar Thursday and Friday - Nov. 5-6 at the Rebekah Lodge, 300 N. Lamar in Eastland. There will be many beautiful handmade items for sale, and the Seniors keep all proceeds. The Bazaar is sponsored by the Eastland County Extension

Homemaker Clubs and the Eastland National Bank. The Homemakers Clubs will have delicious food for sale at noon each day.

The peanut crop in Eastland County looks good this year, according to DeMarquis Gordon, County Agent. Gordon says it is too early to know how it will compare with last year's crop, however. A lot will depend on the weather during the next six or eight weeks, for the soil is dry, and some crops need moisture and warm weather to complete maturity. Other peanut fields have nematodes and plant diseases, and rain and warm weather would increase this damage. All farmers agree that a heavy frost or freeze in early November would be the most

damaging of all.

The 7th Annual Reunion for all former employees of the Vasarette of Munsingwear, Inc and the old Hollywood-Maxwell-Corset Companies will be held Saturday, Nov. 7 from 10:30 a.m. to 2:30 p.m. at Camp Inspiration. A covered dish luncheon will be served at noon. The manufacturing concern opened in Eastland in 1946 and closed in 1980.

A beautiful Holiday centerpiece with three candles will help to bring on the Christmas spirit for some family during the Holidays. It is the Grand Prize which will be given away at the Merle Norman and Heather's Hallmark Annual Holiday Open House on Nov. 10 in Shady Oaks Shopping Center in Eastland.

BAIRD
The Sheriff's Posse will be hosting a chili supper Friday, Nov. 6 from 5:30 p.m. until 8 p.m. The place will be the school cafeteria, and the

meal will consist of chili, beans, crackers, tea and coffee. It is an "all you can eat" supper, costing \$3 per person for all over age 12. Those younger than 12 can eat for \$2 per child. Come and get warmed up before the football game.

The Baird High School Band brought home a 1st Division Win from the competition in Abilene on Oct. 24. This is the second year in a row for the Band to make a 1, which is not surprising to Director Devenport and other fans of the local musicians. Now that they have won the 1st Division standing this will enable them to win the Sweepstakes Award. That is if they receive a 1 and concert and sight reading when they attend the April contest. Last year the Baird Band was State runnerup in Class A. The Band will give its Christmas Concert on Dec. 16. Plan to come out and hear this talented group.

Eastland County Football Scores

In what had to be the 'game of the week' Ranger came through and put the bite on the Hico Tigers 9 to 0. It broke a scoring drought for the Bulldogs as they posted their first win of the season and plunged Hico into the district cellar.

Eastland's 28 to 0 shutout of Dublin and De Leon's hard fought 31 to 14 win over Cisco put Eastland and DeLeon in the two District 13 AA playoff spots.

But who will be the District 13AA champions? That will be decided Friday night when the districts two 4-0 in district teams, Eastland and DeLeon, play in Eastland.

Baird is in the top spot in District 8A after a 27 to 0 win over Gorman, and Rising Star with a 42 to 8 defeat of Loneta is trailing close

behind the Bears. Carbon fell victim to Novice 44-12 while Zephyr was edging Gorman 50 to 48 and May was outscoring Strawn 54-7. Cross Plains defeated Jim Ned 14-6, the Albany Lions chewed up the Anson Tigers 37-15, and Breckenridge kept their playoff hopes alive with a 33-14 win over Bridgeport.

Great Gift Ideas For Everyone In This Season's HOTTEST Colors And Styles!

Ferne Lee, Director of the "Meals On Wheels" Center in Baird, takes time to talk about the work of the Center.

The 'Meals On Wheels' A Community Effort

By Viola Payne

I couldn't have picked a better day to visit the "Meals On Wheels" Center in Baird. It was Thursday, that weekday when local volunteers bring in covered dishes for a buffet dinner-meeting.

This time there were fourteen of those wonderful cooks, along with Ferne Lee, Director of the Center. There were also two visitors from Abilene - Richard Thompson of the Department of Human Services, and David Merrill, Contract Manager of the Department.

Ferne Lee's smile and welcome radiated good cheer. And the building on Market street, with its blue and white curtains and homespun touches, had its own charm.

I wanted to talk to Ferne Lee about her work, for Baird's "Meals On Wheels" is known as a model program. This is a project which other towns in the area have a great need for.

But at 12 noon the dinner spread before us seemed the most urgent matter. The ladies had prepared beef barbecue, an array of tasty vegetables, home-grown vegetables, salads and home-baked desserts.

After filling our plates we sat at the long tables. I look-

Volunteers furnish most of the transportation for these meals. They also visit with the home-bound and check on their needs.

"I never realized how important this work is - how needed - until I got into it," Mrs. Lee said.

As we finished our meal she explained how the program began in Baird. Nine years ago a worker from the Department of Human Services in Abilene persuaded her to take the Directors job and set up the "Meals" effort.

"My husband, W.J., was very supportive of the program," Mrs. Lee said. "He delivered meals, worked on maintenance, and helped haul commodities from Brownwood.

"The local people also pitched in and helped keep the work going. For several years we rented a building, but finally had a chance to get this place."

Ferne said that when she first looked inside this building she didn't see how it could ever be restored.

"Buddy Brame convinced me that it was worth fixing up," she said. "He worked hard at it. A lot of other people cleaned and hauled off trash and did what they could."

"We moved in here five years ago, and it has really been convenient."

Mrs. Lee said that when her husband died in 1982 she felt that she would have to give up the job of Director. It was not only because of the shock of her loss, but the fact that her husband had helped so much with the outside work.

"I told Bill Skinner," she said - "There is no way I can run this place any more!"

"Yes, you can do it," Skinner told me. "We will see that you get your commodities delivered, and help you in any way we can." So I kept on."

Mrs. Lee recalled that not only these Officials helped - but others from the town. The work kept on growing.

She explained about the various fund-raisers, such as garage sales, chili suppers, and other events. Some of the volunteers come in each week to quilt. Sometimes they quilt for other people, and other times they make quilts to auction off.

"I've been so lucky," Ferne Lee said. "I'm just glad to be in a town that cares for other people. I know I would have missed a lot if I hadn't been involved in this program."

We finished our visit, but I lingered for a moment, thinking about some of the things she had said. I decided that the real measure of a town lies in how it treats its people - especially those who cannot help themselves.

Peebles-Zell Program Is Considered Outstanding

All seats were taken in the Women's Clubhouse Oct. 21 when Cisco Junior College musicians Wyley Peebles and Steven Zell presented a program for the Eastland Music Study Club.

Virginia W. Russell, Club Vice President, opened the meeting. She gave a special welcome to Marjorie Young of Eastland, who is a new member of the Club. "Friends of Music" were also welcomed, along with the regular members.

Lucille Sims, Program Leader, introduced the performers, noting that Peebles, a vocalist, is Head of the Fine Arts Department at CJC. Zell, an organist and pianist, teaches in the Department. The instructors brought along two vocalists from the CJC Music Department - Karen Munoz, a Freshman from Munday, and Brad Watson, a Freshman from Abilene.

The musical numbers were interwoven with a review by Nettie Wilson of the first chapters of the book "The World of Musical Comedy." This book, written by Stanley Green, is being used for the Music Club's Course of Study for the current season.

The works of Victor Herbert, George M. Cohan, Rudolf Friml and Sigmund Romberg were used in this Study. These compositions belong to an era from around 1895 to around 1940, with most of them written before World War I. They are considered distinctly American in style, and were generally written for Broadway musicals.

The vocal selections at the program began with "Ah, Sweet Mystery of Life", (Herbert) sung by Karen Munoz. Her soprano voice had sweet tones and a wide range. Brad Watson sang "Yankee Doodle Boy", (Cohan), displaying a strong, resonant baritone. Then Peebles, Munoz and Watson blended voices in "Give My Regards to Broadway", by

Cohan.

One of the best known of all the numbers, "Indian Love Call", was presented as a duet by Karen Munoz and Brad Watson. This was an attractive number, with a good mix of tones.

Then Peebles gave an excellent solo, "One Alone", from "The Desert Song" by Romberg. A solo, "Stout Hearted Men", was effectively sung by Brad Watson.

Steven Zell gave a fine piano accompaniment to all the vocal selections.

As the audience heard this Operetta-type music they reflected on the special charm of these pieces. They are often called "period music", or "music from a certain era" and are sometimes referred to as nostalgic or dated.

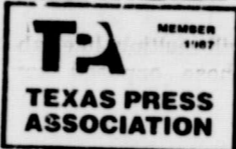

But some of the compositions transcend form and time to become classical - appealing to people on University themes. Nettie Wilson, in concluding the program, referred to quotes from Sigmund Romberg: "A melody is still a melody", and "Romantic music will never die".

All at the program agreed.

Beta Upsilon Chapter To Meet Sat. In Cisco

Beta Upsilon Chapter of Delta Kappa Gamma Society International will meet at 9:00 a.m., Sat., Nov. 7, in the Cisco First National Bank Community Room.

Mrs. Hazel Taylor, of Eastland, will talk about the Adult Literacy Program. Mrs. Taylor is director of a volunteer program to teach adults how to read and write English and also teach English as a second language.

Madonna To Be At Majestic

This weekend Madonna will appear at the Majestic Theatre in "Who's That Girl?" In this PG-rated comedy Madonna plays Nikki Finn, a recently-paroled free spirit who was jailed for the murder of a wealthy businessman had committed.

Folk Dances From Mexico To Be Shown

The Cross Timbers Fine Arts Council, Inc. will present "Ballet Artes de las Americas" Nov. 7 at 8 p.m. in the Jaye C. Helms Auditorium at the Stephenville High School. The San Antonio based dance company, formerly known as the "Ballet Artes de Mexico and the River City Stompers," will be performing exciting and authentic folk dances from Mexico as well as other regions of North, Central and South America. The dancer's projection, posture, footwork, and the flamboyant skirt movement of the female dancers are performed with grace and elegance. The originality of the costumes and the lively choreography of the dances create an atmosphere of being in the countries these dances represent.

Ballet Artes de las Americas has performed in festivals, colleges, and universities throughout Texas and Mexico, as well as appearing on television for cultural and educational purposes.

Tickets for the performance are \$6 for adults and \$2 for children 12 and under, and may be purchased at Stephenville banks, the Stephenville Chamber of Commerce, or at the door performance night.

Dunne), his daughter's square fiance, to drive Nikki to the bus that will take her back to her home in Philadelphia. Loudon, a dour and irritable lawyer, is none-too-impressed with the loud-mouthed, slightly-infantile street sparrow, nor is he too thrilled with the other errand he has been forced to run: While driving Nikki to the bus station, he also has to pick up a full-sized cougar to bring home to his fiance's family.

The trio begins a frantic romp through New York, descending into Harlem, meeting up with an eccentric breeder of wild animals (Sir John Mills) and, of course, falling in love.

The fact that "Who's That Girl?" works stems from

the casting of Griffin Dunne opposite Madonna. Dunne is not your typical teen dream, and in fact it is his urbane glibness and his persistent fussiness that give this film the very edge that saves it.

And Madonna? Well, try as we might, we couldn't hate her. Her street-wise squawking and her prankster behavior are grating at first, but we warmed up to her surprisingly well. In her perkier moments she is fun, culling from the performances of every classic movie bad girl.

See "What That Girl?" at the recently renovated Majestic Theatre in Eastland. Features Friday, Saturday and Sunday at 7:30 p.m. and matinee Saturday and Sunday at 2 P.M.!

CISCO ATPE officers: Ruth Stewart, president; Susan Watts, vice president; Debra Gosnell, secretary; David Summers, advisor; Rhonda Walker, treasurer; Irene Hunt, Elementary School representative; Lori Whatley, Junior-Senior High School representative is not in the picture.

RUTH SCHAEFER, president of Cisco ATPE, and **CINDY BILBY**, president of Eastland ATPE, attended a regional leadership conference in Abilene Oct. 22.

Cisco Association Of Texas Professional Educators Install Officers

The Cisco Association of Texas Professional Educators installed officers Oct. 22nd at Olney Savings.

Officers of the year are Ruth Stewart, president; Susan Watts, vice president; Rhonda Walker, treasurer; Debra Gosnell, secretary; David Summers, advisor. Building representatives are Lori Whatley for junior and senior high school, and Irene Hunt for elementary.

Judy Gibson, ATPE regional president from Breckenridge, installed officers.

A business meeting followed and plans were discussed for a scholarship to be offered to a Cisco High School senior.

The Cisco Association of Professional Educators is part of a state-wide organization which has over 43,000 members. Member-

ship is available to all professional educators and administrators as well as support personnel. College students with education majors are welcome to join.

Public membership is also available. Benefits include a one million dollar liability insurance policy to professional and associate

members. Anyone wishing more information about membership may contact Ruth Stewart at 442-4280.

Texas Men Turning 26-Years Of Age Reach An Important Milestone

Men who turn 26 during the remainder of 1987 will be reaching an important milestone according to the Selective Service System.

Young men born in 1961 were required to register with Selective Service in July of 1980 when President Carter reinstated the registration requirement. These men turn 26 in 1987. Selective Services does not have the authority to accept a young man's registration after he has reached his 26th birthday.

Harold Doyle, Texas Selective Service State Director, warned that, with few exceptions, a man who

fails to register before turning 26 will permanently forfeit his eligibility for federal student financial aid, job training benefits and most federal employment. Additionally, non-registrants face possible prosecution as felons. Texas has registered nearly one million men since 1980.

NEWSPAPER DEADLINES:
Monday, 5:00 p.m. (For Thursday Paper And) Thursday, 5:00 p.m. (For Sunday Paper)

Cisco Baptist Assn. WMU To Meet November 16 In Moran

It is cause for celebration when an organization sees its cause advanced from Mite Box offerings of \$3,000 per year to 250 missionaries to \$67,000,000 for over 7000 missionaries in 100 years.

In 1888, thirty-two women met in Richmond, VA and organized Woman's Missionary Union. Representatives from 12 states joined a central committee in order that all Southern Baptist women might work together in supporting mission work at home and abroad. May 14, 1888, is the actual birthdate.

There was a good representation from the 37 churches and missions of Cisco Baptist Association when they met at First Baptist Church in Gorman on Oct. 9 to launch the year of celebration. The church was decorated in the Centennial theme and pictures of early mission leaders - both local, state and national - were displayed along with many mementos of the past including some beautiful old quilts. Three young women of the church dressed in early American costumes and served as pages.

The theme, "A Century to Celebrate, A Future to Fulfill" was interpreted by the associational director, Lucile Sims. Hebrews 13:7-8, the 1987-88 Watchword, was quoted in unison and Peggy Phillips led in prayer for the missionaries. After the business session, a skit was presented that challenged the women to achieve goals in increased missions awareness, membership, and mission support for the Centennial Year.

Annual reports were given by age-level directors. The director gave a summary report which showed 68 WMU organizations and 958 members throughout Cisco

Baptist Association.

Connie Carroll sang the Centennial Hymn, "God, Our Author and Creator."

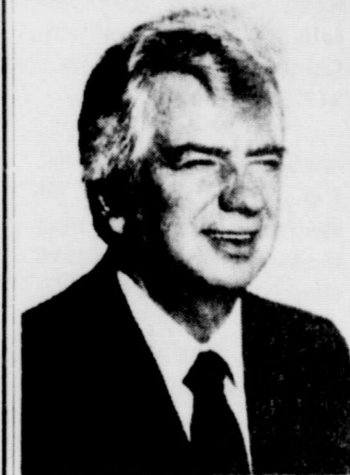

Dr. Jack Redford, associational Director of Missions, gave the message. He challenged the women to meet needs in our own area and expressed his hopes and plans to reach a large percentage of unchurched people in Cisco Association. He pointed out that church growth is not keeping up with population growth and challenged the women to be busy in their own communities reaching people.

Following a covered dish lunch, conferences were led by the associational officers. Serving during the 1987-88 year will be Lucile Sims, FBC Eastland, associational director; Hazle Taylor, Lake Leon Mission, associational

secretary; Mary Barton, FBC Breckenridge, Baptist Women Director; Connie Carroll, FBC Gorman, Baptist Young Women Director; Nora Carter, FBC, Gorman, Acteens Director; Alice Perry, FBC, Eastland, GA Director; and Denise Piker, Necessity, Mission Friends Director.

Promotional Directors include Debbie Parsons, FBC Eastland, Enlistment-Enlargement; Doris Bail, FBC Breckenridge, Mission Action; Joy Deadman, East Cisco, Mission Study; Peggy Phillips, East Cisco, Mission Support; and Ruby Halbert, FBC, Ranger, Centennial Chairman.

The next meeting of the Cisco Bapt. Assn. WMU will be at 5:30 p.m. Nov. 16, at First Baptist Church, Moran.

Reading Your Insurance Policy

COLLEGE STATION-- Even when consumers do a good job of comparison shopping among companies for insurance coverage, they seldom take the extra step of reading the actual policy after buying it.

Why bother to wade through the often hard-to-understand terminology? Family financial experts say it could save you a few surprises if you ever have to make a claim on the policy.

"An insurance policy is a contract which should be read, just like any other legal document," explains Mary Clayton Nance, a specialist with the home economics program of the Texas Agricultural Extension Service.

"Policy language can be difficult to understand, but it has evolved, in part, out of

court cases. Precise language is needed so the policies will stand up in court," she adds.

The specialist says that if you know what to look for, reading a policy may be easier. The typical parts of a property/liability policy are:

- Declarations page. This separate cover-sheet is fastened to the policy. It states the policyholders, property and liability to be covered, and the types and amounts of coverages purchased, including deductibles.

- Insuring agreement. This section spells out the responsibilities of the policyholder, such as paying the premium, providing accurate information or following procedures for filing a claim. It also states the

responsibilities of the insurance company to pay legitimate claims, represent covered parties in court or perform other services stated in the policy.

- Conditions of the policy. The coverage provided by the policy, and the requirements of the policyholder and insurance company in the event of a claim are stated in this section.

- Exclusions. This part describes properties and losses for which coverage is not provided in the policy, and lists conditions under which coverage doesn't apply.

- Endorsement. Any written document which changes or modifies the policy in some way is an endorsement. Adding coverage, for example, would require an endorsement.

Nance advises consumers to read their insurance policies for a better understanding of exactly what it does and does not cover, before a claim becomes an issue.

Hospital Report

Eastland Memorial

The following patients have released their names publication in this newspaper:

Samuel Ray Woody
Emma Jean Armstrong
William Jeremy Petty

Obituaries

Mary Wallace

CISCO—Funeral services of Mrs. Mary Yeager Wallace, 83, were held recently in Tyler at Lloyd James Funeral Home Chapel with Dr. James T. Garrett, Dr. Leo S. Rudd, Sr., and the Rev. Carroll Copeland and Roy Lee Williams officiating. Burial was in Rose Hill Cemetery.

Born Dec. 30, 1903, in Cisco, she had been a resident of Tyler 50 years. She received her bachelor's degree from Hardin-Simmons University, her master's from University of Texas at Austin, and had done graduate work at Southern Methodist University, Boston University, University of Texas and University of Denver.

Mrs. Wallace moved to Tyler in 1936 as county school supervisor. She taught education and English at Tyler Junior College from 1947 until 1956. At that time she became part-time counselor. Two years later she was appointed full-time counselor and served as director of counseling and guidance for 23 years before retiring in 1970.

Mrs. Wallace was the widow of the late Carl Wallace, a former editor and editorial writer for the Tyler Courier-Times - Telegram.

She was an active member of Marvin United Methodist Church.

Survivors include one sister, Miss Mildred Yeager, Tyler; and several cousins.

Mozelle Davis

CISCO—Mozelle Davis, 82, of Cisco, died Sunday, Nov. 1, 1987, in Midland Memorial Hospital after a lengthy illness.

Graveside services were held at 1 p.m. Tuesday, Nov. 3, 1987, at Garden of Memory Cemetery in Paducah, with the Rev. Neely Landrum, pastor of the First United Methodist Church in Crowell, officiating, directed by Mvdatt Funeral Home.

Jasper Raymond Minnick

BRONTE - Jasper Raymond Minnick, 83, died Sunday at a San Angelo hospital. Services will be at 2 p.m. Wednesday at the Bronte Church of Christ with Thomas B. Minnick officiating, assisted by Randal Maxwell. Burial will be in the Fairview Cemetery, directed by Shaffer Funeral Home.

Born in Erath County, he lived in Freeport and moved to Bronte in 1970. He was an electrician and a member of the Bronte Church of Christ.

Survivors include his wife, Geneva Clifton Minnick of Bronte; three sons, Robert L. Minnick of Grants, N.M.; Raymond J. Minnick of Milwaukie, Ore.; and Terry J. Minnick of North Hampton, Maine; two brothers, George L. Minnick of Ranger and Thomas B. Minnick of Skellytown; three sisters, Gladys Aldridge of Tempe, Ariz., Addie Lee McAfee of Gordon and Arda Beth Wylie of Breckenridge; six grandchildren; and five great-grandchildren.

Rev. Wilburn Jones

Funeral services for the Rev. Wilburn Jones, pastor of the North Seaman St. First Baptist Church from 1977 until 1984, were held Saturday at New Mount Pleasant Baptist Church in San Antonio.

Rev. Jones died Wednesday in a hospital in San Antonio following a short illness. He and Mrs. Jones returned to that city to make their home after his retirement in Eastland.

Born March 25, 1906 in Stephenville where he attended public schools and later moved to San Antonio. He had been a deacon of the New Mount Pleasant Baptist Church for 47 years and in 1972 accepted the call to the ministry.

He was a Thirty-Second Degree Mason, vice president of the National Laymen's Movement U.S.A., and president of the B M & E State Laymen's and Usher's State Convention and Secretary for Ministers, Deacons and Laymen Conference of the La Grange district.

Mrs. Roston (Loudell) King of Eastland attended the funeral and was a part of the Memorial Services, which were conducted by Pastor J. Carlton Allen who gave the eulogy, using his text Judges 19:16 - "And behold there came an old man from his work out of the field at evening."

Survivors include his wife of San Antonio.

Isla Carlock

BROWNWOOD - Isla Carlock, 83, died Friday at her home. Services were held at 2 p.m. Saturday at Davis-Morris Funeral Home Chapel with the Rev. R.D. Williams officiating. Burial was in Eastlawn Memorial Park.

Born in the Blake Community, she was a lifetime resident of Brown County. She was a member of First Baptist Church and a homemaker. She was the widow of Alvin Carlock.

Survivors include a brother, R.R. Butler of Rising Star; five nephews; three nieces; and several great-nieces and nephews.

James Allen Smith

RANGER - James Allen Smith, infant son of Martin and Sandra Smith, died Wednesday at an Eastland hospital.

Graveside services were held at 2 p.m. Saturday at Merriman Cemetery with the Rev. Johnny Griffith officiating, directed by Edwards Funeral Home.

Survivors include his parents; a half-sister, Samantha Gene Dutton of Ranger; his maternal grandparents, Steve and Sammie Howeth of Ranger; his paternal grandparents, Martin and Naomi Smith of Bacliff; maternal great-grandparents, Delbert and Eulene Hayes of Breckenridge and Loyd Howeth of Graham.

Robert Carey, Sr.

CROSS PLAINS - Robert L. Carey Sr., 91, died Saturday at a local nursing home.

Services were held at 3 p.m. Sunday at the Higginbotham Funeral Home Chapel with the Rev. A.M. Fox officiating, assisted by Ruby McCowen. Burial was in the Cross Plains Cemetery.

He was born in Eastland County.

He was a member of the Pentecostal Church. Survivors include two daughters, Thelma Wade of Merkel and Doris Walker of Burkett; a son, Robert L. Carey Jr. of Winters; a brother, Vistor C. Carey of Brownwood; a sister, Julia Nix of Brownwood; 14 grandchildren; 28 great-grandchildren; and two great-great-grandchildren.

Alfred Brumbelow

EASTLAND - Alfred Gilbert Brumbelow, 68, died Sunday at local nursing home.

Graveside services were held at 2 p.m. Wednesday

at the Palacios Cemetery, in Palacios, directed by Kimbrough Funeral Home of Cisco.

Born in Hemphill, he was a longtime Eastland County resident.

Survivors include several cousins.

Call Social Security Office

Before Going

It is a good idea for people in the Big Country area to call Social Security before taking the time to visit the office. The reason is that most Social Security business can be taken care of by telephone, Glyn Hammons, Social Security manager in Abilene, said recently.

Unless the person's business is urgent, it is best to call after the middle of the month. This is especially true this month because a large percentage of the staff is involved in a training program and not available to answer the phone or take interviews. The training is necessary and will allow us to give better service with an improved computer operation after the training is complete. So, if your business isn't urgent, wait until the latter part of November, or if possible, even until mid-December to contact us.

Even if a person needs to visit the office, it is a good idea to call for an appointment. This can help shorten waiting time.

Examples of business that can be handled by phone include:

- *Applying for Social Security benefits. A claim can be started by phone and completed by mail.
- *Apply for Medicare.
- *Changing name and address in Social Security records.
- *Reporting a change in marital status.
- *Reporting stopping or starting work or to report any other event that can have an effect on benefits.
- *Reporting a lost or stolen check or delayed payment.
- *Getting help in completing a Medicare form.
- *Arranging for direct deposit of checks.
- *Getting a benefit estimate.
- *Requesting a statement of earnings.
- *Getting help in requesting a review of a claim decision.
- *To ask any question about Social Security.

The telephone number of the Abilene Social Security office is 698-1360 and is located at 142 S. Pioneer, Abilene.

"Grand Canyon" To Be Shown At Omni Theater In FortWorth This Week

GRAND CANYON: The Hidden Secrets - is the new film opening this week at the OMNI Theatre in Ft. Worth. If you have never been to the OMNI this would be a wonderful place to start.

The OMNI was built in 1963, at a cost of \$8.5 million, and is housed in the Ft. Worth Museum of Science and History at 1501 Montgomery St. The OMNI is unique in construction in that the 353 seat auditorium is a dome 80 feet in diameter, tilted at a 30 degree angle to the horizon. There are 6 sound systems that feed 72 speakers. This allows the sound track to 'move' across the theater in sync with the action on the screen.

Creator/Director Keith Merrill, who won an Oscar for 'The Great American Cowboy', was on hand for a live interview after the performance. He stated that it took 2½ years of study and planning to achieve the exact right effects. When asked what about the film pleased him most, he said it was the reaction of the public to the film. Even the people who have visited the Canyon are thrilled by the film. It shows so many areas that are inaccessible to the public. In fact there were some areas photographed that have never been visited by more

than 1,000 men since America was discovered.

The entire film is made either from a helicopter or on the river. If you have ever given thought to doing any serious white-water boating, this film is a must. With the more than life sized screen enveloping you, it is almost more life-like than being there. In fact you will find yourself reaching for both your seatbelt and a towel.

The film explores the canyon from the time it was occupied by the Anasazi Indians in 650 A.D. through the Coronado Expedition in 1540, as well as allowing you to make the trip down the river with John Wesley Powell and his followers, as they took the first recorded trip down the river. Believe me, it is truly a hair raising experience.

They reconstructed the boats to the exact specifications and made the journey in as near the same conditions as could be duplicated. There are times when the water completely encompasses you and you are actually struggling to fight your way to the surface so you can breathe. Director Merrill said that in striving for authenticity they discovered that it is not true that 'an actor will give his right arm for a part'. It took many weeks of searching to

find a one armed man who would play the part of Powell and shoot the rapids in the old v-bottom type boats that were used by the original exploration party.

I was reminded of the term 'soar with eagles' as we swept over the canyon rim and descended into the depths of its crooks and crevasses. We came face to face with the birds, reptiles, insects, and animals that dwell there. And I do mean 'face to face'. Have you ever looked eye to eye with a stringing scorpion, and him be 10 times bigger than you? Or closely examined the teeth of a mountain lion, as he spat and hissed at you from 72 speakers?

The theme of this film is educational, the filming is extraordinary, and the scenery is breathtaking. All in all it is a tremendous show that the whole family will enjoy. And the price is right - admission is \$4.75 for the general public, \$3.00 for children 12 and under and senior citizens. Show times are: 1, 2, 7, & 8 p.m. Tue. through Fri. 11 a.m., 1, 2, 3, 4, 7, 8, & 9 p.m. on Saturday, and 1, 2, 3, 4, 7, & 8 p.m. on Sunday. There are special school and group rates also. More information can be obtained by calling (817) 732-1631.

POSTAL EXAM

The EASTLAND, ALBANY, BRECKENRIDGE, CISCO, CROSS PLAINS, RANGER AND RISING STAR Post Offices will be accepting applications from the general public for the Clerk Carrier exam November 2 thru November 6. The starting pay is currently \$9.92/hr. plus excellent benefits. Hiring is based on exam score.

Study Guide by Postal Exam Preparation Center

The study guide by P.E.P.C. was researched and written by the foremost authority in America on how to gain employment with the Postal Service. The author, Mr. Stephen McNally has the following qualifications:

- 1) former postal employee
 - 2) averaged 100% on 5 out of 5 Clerk Carrier exams using the methods in this book
 - 3) currently a Ph.D. candidate in education
- The Clerk Carrier exam guide includes 3 complete tests, diagnostic practice exercises, tips to make you "testwise" and more...

Only the P.E.P.C. study guide has received the stamp of approval from a former Sectional Center Postmaster, a former Postmaster and two former Exam Specialists. You may purchase this study guide for \$15.00 (1st class postage included.)

Proper Preparation Prevents Poor Performance

MONEY-BACK GUARANTEE: To order a complete workshop recorded on cassette tapes by Mr. McNally (Includes study guide, supplementary study aid, 10 additional practice tests and full money-back guarantee if you do not score 85 on your exam) send \$40.00 (includes 1st class postage and handling) to:

Three County Youth Honored At 4-H Gold Star Banquet Mon.

Eastland County's most outstanding 4-H members for 1986-87, Toby Long, LaDawn Little, and Natalie Stevens, were honored Monday, November 2nd, at the annual Central District 8 Gold Star banquet at the Parr Country Club, Lake Proctor.

TOBY LONG

Thirty-two boys and girls from each of 19 counties in the Central District also, received Gold Star pins, symbolic of the highest county 4-H honor provided by the Texas Agricultural Extension Service, parent organization of the huge youth program.

Selection is made by a local committee on the basis of personal development, leadership, achievement in 4-H projects and activities and contributions to the overall county 4-H program.

Approximately 400 youth are involved in the county 4-H program.

The guest speaker was Dr. Don Newberry, President of Howard Payne University in Brownwood.

Presenting the Gold Star awards to winners was Mr. Ronnie Robinson from Comanche County Electric Cooperative.

Brad Reynolds, District 8 4-H Council Chairman, presided.

The banquet was a cooperative effort of the Extension Service and Erath and Comanche County Electric Cooperatives.

Toby Long is the son of Tony and Barbara Long of Rising Star. Beef activities have been one of the major projects for this award winner, along with sheep, swine, leadership and many more. He has been an officer in his club, serving as President, Council Chairman and District 8 Council Treasurer. Toby has also, competed on a State level in Livestock Judging and Method Demonstrations. He is a past recipient of the Danforth Award and very active in the Junior Leaders Association. He serves as an example of how it should be done in Eastland County.

LaDawn Little is in the 6th year of her 4-H career. She is the 16 year old daughter of Mr. and Mrs.

Bobby Little, of Kokomo. LaDawn has interests in many different projects, including Beef, Foods and Nutrition, Sheep and Clothing, just to name a few. She has participated in State level competition with her Record Books and Method Demonstrations. She serves as a project leader in the Foods and Nutrition project and is an active member of the Junior Leaders Association. LaDawn has set her goal high and strives to be the best in everything she does. She is truly a "shining 4-H Star" in Eastland County.

LaDAWN LITTLE

Natalie Stevens is the 14 year old daughter of Mr. and Mrs. Ralph Stevens of Eastland. She has been an active member in 4-H Clubs for the past four years. Natalie has held many offices in various clubs, including District 8 Council Delegates, Treasurer and Recreation Leader. She has competed on the State level in many events, including Method Demonstrations and Share-the-Fun. Miss Stevens has shared knowledge of foods and clothing by serving as a Junior Leader in charge of these project groups. Natalie is truly an asset to the Eastland County 4-H program.

NATALIE STEVENS

cluding District 8 Council Delegates, Treasurer and Recreation Leader. She has competed on the State level in many events, including Method Demonstrations and Share-the-Fun. Miss Stevens has shared knowledge of foods and clothing by serving as a Junior Leader in charge of these project groups. Natalie is truly an asset to the Eastland County 4-H program.

Hay Show To Be Held Nov. 19 At Feed Stores

An Eastland County hay show has been scheduled for Thursday, November 19. All Eastland County producers are encouraged to pull a sample of their hay for the show according to DeMarquis Gordon.

Eastland County Extension Agent. A show sample consist of one fourth (1/4) of a conventional bale of 5 pound box of hay pulled from a large bale.

The hay show samples must be left at a local feed

Gordon Methodist Church To Hold Harvest Festival

The First United Methodist Church of Gordon will have its annual Harvest Festival on Saturday, November 7, at the American Legion Hall. Homemade arts and crafts and baked goods will start selling at 10:00 a.m. A dinner of turkey and dressing, complete with sweet potatoes, homemade rolls, pie, and drink will be served at 11:30.

store or the County Agents office or on before November 13. Producers should include their name, address and kind of hay. A producer may enter one sample in each of seven classes. The classes include 1) Alfalfa and other Legumes; 2) Coastal Bermudagrass; 3) Other Bermudagrasses; 4) Sorghum-sudan hybrids and Forage Sorghums; 5) Other Perennial grasses; 6) Oats and other winter annual grass and 7) Peanut hay.

Protein analysis will be made on each entry at no cost to the producer. Gordon says, the hay show judge will classify each entry based on the protein score and the physical score. Physical score is determine by the stage of maturity, texture, leafiness, foreign material, and color. Ribbons and plaques will be awarded to the winners.

Hay shows are designed to be educational and provide producers an opportunity to see the difference in hay quality. It is important that producers know all the key elements that go into top quality hay, says the agent.

CAPITOL UPDATE

by Jim Parker

Legislation failed during the last session of the legislature that would have placed Texas in approximately the same position that the state of Florida now stands in regard to a citizen's possession of handguns.

That much ballyhooed Florida legislation has just become effective and, stating the case as simply as possible, provides a situation whereby a citizen can obtain a permit to carry a concealed weapon on his or her person. It has since been amended but the original law would have allowed a Floridian to strap on a six-gun and walk around Main Street if they so chose.

It is going to be interesting to see what happens to crime statistics in the state of Florida. Of course, those in favor of gun control say crime will multiply like rabbits; those opposed say crime will cease to exist. The truth lies somewhere in between and only time will tell; but, whatever the outcome, I suspect it will have a profound impact on Texas in 1989, since I know concealed weapon permit legislation is waiting in the wings here in our state also.

Texas has a really strange "pistol-packing" law right now. The law effectively says you can carry a pistol if you are traveling or if you are engaged in a lawful hunting or sporting activity. The trouble is, as I see it, in each case you have to have a

court determine if you are doing these things or not.

By the 1989 legislative session it may well be time to take a long, hard look at Texas' gun law. I suppose we can be grateful that our sister state, Florida, will have worked out some of the kinks before we have to address that issue.

As always, I'd like to have an idea what you think. I look forward to hearing from you.

The Kincaid Co.

The Next Best Thing -

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

CJC Wrangler Men's Basketball Team Win At Snyder 95-to-92

The CJC Wrangler Men opened the 1987-88 basketball season with a 95-92 win over the Western Texas Westerners in Snyder Monday night. The Wranglers jumped out to an early lead, but led by as much as 11 points during the first half, but could never pull away. They led 52-45 at halftime. The second half was much the same story, with CJC moving out to seven and nine point margins, only to see the Westerners continue to close the gap. With less than two minutes remaining, WTC's James Hill hit a three pointer to tie the game at 92-92, but Cisco came back with a lay-up by Todd Mannon and a free throw by Marc Chambers to secure the win.

Ronald Ateman, a 6-4 freshman from Garland, led the Wrangler scoring with 20. He also pulled down 7 rebounds. Other Wranglers

scoring in double digits were Thomas Miller with 16, Mannon with 15, and Chambers with 13.

According to Coach Dan Montgomery, "I was very pleased with our effort and we shot the ball very well both from the field and from the free throw line. However, we must improve our ball handling and our defense if we are to be a strong team this year."

Next action for the Wranglers comes this weekend in the eight team Chapparral Tournament in Midland. They open with host Midland College at 7 p.m. on Thursday. Other teams in the tournament are South Plains, Howard, Garden City (Kansas), Ranger, Trinity Valley, and Jacksonville Baptist.

The home opener will be a return match with Western Texas on Tuesday, November 17.

Stats for the Monday night game are as follows:
 CISCO JC (95) - Gould 2 0-0 5, Ateman 9 2-3 20, Mannon 7 0-0 15, Miller 8 0-0 16, Benson 1 2-3 4, Burns 2 0-0 4, Venzant 2 2-2 6, Williams 1 2-2 4, Chambers 4 5-7 13, Smith 3 2-2 8. Totals 39 15-19 95.

WESTERN TEXAS COLLEGE (92) - Hill 6 5-7 18, Jackson 3 2-2 8, Greene 3 0-0 7, Spear 2 4-6 8, Nelson 10 0-1 20, Martin 6 0-2 12, Marshman 8 3-7 19. Totals 38 14-25 92.

MORAN NEWS

By Mrs. Luke Huskey

Mrs. Cleve Collinsworth is receiving treatment in Graham Hospital, Cisco.

Mrs. L. L. Walker spent a few days in Longview with her daughter, Mrs. Ned Baker, Mr. Baker and family.

Moran and community received a light shower of rain Friday morning which was appreciated. A much larger rain would be real good.

Mr. and Mrs. Ezra Weir spent last week with his sisters, Mrs. Estelle Hudson and family of Shamrock and Mrs. Verna Isham and family of Perryton. They helped his sister, Mrs. Hudson, celebrate her 85th birthday Sunday.

Don Boyett is receiving treatment in Humana Hospital, Abilene.

Elma May Huskey spent the weekend in Jacksboro with her sister-in-law, Mrs. Eddie L. Smith.

VETERANS SUPPER
 The members of the American Legion will have a barbecue supper on Wednesday evening, Nov. 11, in observance of Veterans Day. A barbecue chicken with all the trimmings for \$3.50 a plate will be held starting at 5 p.m. through 7 p.m. This is a fund raising project for the

Legion.
 The members of the American Legion Auxiliary will sell Buddy Poppies on Monday, Nov. 9, for the Veterans Day Project. Support the disabled veterans and buy a poppy.

Weekend guests of Mr. and Mrs. I. G. Redden and Mrs. Ellen Dennington last week were Mr. and Mrs. Charles O'Shields, Mr. and Mrs. Bobby O'Shields and children, Mr. and Mrs. Junior O'Shields and Beverly O'Shields all of Mineral Wells; Helen Bitts of Lubbock, Juamita Stone of Lubbock, Pearl Grant of Anton, and Mr. and Mrs. Tim Redden and son of Lubbock.

Mrs. Grace Isbell of Midland and Mrs. Pauline Borron of Imperial spent a few days with their brother, C. L. Miller and Mrs. Miller.

Walter McCollum of Breckenridge visited with friends in Moran last Sunday and attended the Methodist Church.

The Moran Birthday Club will meet at the Moran Coffee Shop on Tuesday night, Nov. 10, starting at 6:30. Those who have birthdays in November will be honored. Come and enjoy the evening.

Remember the Auxiliary Christmas Box for the Veterans of the Veterans

Hospital in Waco. The gifts will be given to the Veterans to give to their families for Christmas gifts. Any gift of towels, cup towels, socks, hose, cosmetics or toys will be appreciated. Please, do not give breakable gifts as the box will have to be mailed. Money gifts are acceptable. The box will be mailed by November 24.

Mr. and Mrs. Horace Miller of Rio Vista spent a few days this week with his brother, C. L. Miller and Mrs. Miller.

Mr. and Mrs. Larry Mohon of Houston spent a few days at their home in Moran.

Dean Tollefson of San Antonio spent the weekend with his parents, Mr. and Mrs. Dale Tollefson.

The Moran School Halloween Carnival was well attended on Friday night, with plenty of food, fun, fellowship and spoofs. The Spook Parade started the carnival off, meeting at the Community Center at 3:45 and parading to the school house.

Prizes were given to the child with the most original, most Hallowe'enish, Scariest, and Funniest, for first, second and third places.

Cares Goodwin was first in the most original, with Donna Boyd winning second and Jane Coe, third.

Wade Jones won first place with the most Hallowe'enish, Andrea Gruell won second and Cynthia Gilmore won third for the most Hallowe'enish.

First place for the most Scariest was Ben Cottle, se-

Women from the Girling Health Care Inc., gave a birthday party for Mr. Lee Leiske last Monday at his home. He celebrated his 100th birthday. Ladies who work for Girling Health Care have taken care of Mr. Leiske for over a year now. Shown in the above photo are Wanda Kellar, Mary Ellen Williams, Karyn Davis, Linda Graham and Frances Donahoe.

Men In Service

Airman Pedro De Leon Jr., son of Pedro and Lipa De Leon of 305 Park, Cisco, has graduated from Air Force basic training at Lackland Air Force Base, Texas.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition airmen who complete basic training earn credits toward an associate degree through the community college of the Air Force.

He is a 1987 graduate of Cisco High School.

cond place was Melissa Brooks and Clayton Snyder won third.

The Funniest spoof was won by Jeremy Crews, second place winner was Jeffery Crawford, and Clifford Cook was third place winner.

Thanks everyone for your cooperation in making the Hallowe'en Carnival a success.

Mrs. Charlene Fenn of Hempstead spent a few days last week with her mother, Mrs. Jack Moore.

Please save front portion of label from canned food products

Everyone is also asked to cut the Campbell soup label so that the front part of the label is still in one piece as shown in the illustration.

Labels For Education Program Will Help Buy Equipment For Schools

The Cisco Elementary School and the PTO are participating in the Labels For Education Program again this year.

From November 1, 1987 to March 1, 1988, the students at Cisco Elementary will be collecting labels from the

Campbell Soup Company products.

The goal of the PTO is to collect 10,000 labels during that time. Campbell Soup Company will provide equipment such as audio/visual tools, athletic equipment, reference books and

teaching aids free of charge when the labels are redeemed at the end of the drive.

Since so many families ordinarily use Campbell products, PTO president Diane Carlile would like to ask everyone to help by saving the labels and giving them to our students or bringing

them to Mr. Lindsey's office. Mr. Lindsey is the principal of the Cisco Elementary School. A box will be by his office door. Or if anyone needs someone to stop by their home and pick up the labels, they may do so by calling, Yvonne McFadin, 442-3380.

Everyone in Cisco is asked to please help with this worthwhile project.

There are currently 620 Campbell product varieties participating in the Labels for Education Program. A list of the products are:

PRODUCT	VARIETIES	SIZES
Campbell's* Condensed Soups	65	10, 26 & 50 oz.
Campbell's* Gold Label Soups	8	10 oz.

County Resource Group Names Board

THE NEW BASKETBALL teams got underway Monday night out at Cisco Junior College and CJC has good team prospects again this year.

Coach Dan Montgomery of the Wranglers has a volunteer assistant coach this year - the Rev. Steve Coutouzis, pastor of the Church of the Nazarene. Steve works with the team as time permits. He is qualified as he played basketball up in the Indiana country where the game is king.

You'll want to get organized to attend the Wrangler and Lady Wrangler games as the football season is winding down and the new sport takes over.

REV. COUTOUZIS, by the way, has completed his first year at the helm of the Nazarene church and he can report good progress, according to our scouts. When he took over some 14 months ago, the Nazarene Sunday school had an enrollment of 40 youngsters. Last Sunday, the number had grown to 80. Steve credits the growth to "our very fine young people's leaders."

The church, by the way, purchased a Ford Super Van last week for use in the Sunday School and other activities of the congregation. A 1982 model, it's brown two-tone and very handsome, indeed. They can haul 20 children or 15 adults without overcrowding. Something else is new at the Nazarene church office - they have a new photo copier for use of all departments.

IF YOU LIKE fresh turnips and greens, get out a basket and rush out to the H. N. Thompson place on the road that goes south under I-20 near the Church of Christ. He's in a brick home on the left after you pass some mobile homes.

Mr. Thompson told us that he planted a big field and has enough for everyone. And they're free. All you've got to do is gather what you want. Go out there and if nobody's home, go ahead and get yourself some turnips and greens.

Mr. Thompson is a retired pipeline contractor and has lived in these parts for many years.

VISITING OVER at First Methodist Church last Sunday morning, we were pleased with their special music. Andy and Randy Taylor, twin sons of the Billy Joe Taylors, played a trumpet duet that was very good indeed. And Miss Wendy Wester sang a solo, accompanied by her mother, who is the church pianist.

Randy Taylor is the Methodist church choir director and his brother Andy sings in the choir. They both have grown beards and are still identical twins, as far as we can tell. Randy is director of the band at Cross Plains High School, and Andy directs the band at Wylie High School.

The twins, who are now 35 years old, grew up in Cisco, finished high school and

junior college here and went to Tarleton State University where they finished with music degrees.

Randy's wife is the former Ginny Webb, daughter of the Jim Webbs, and they have three children. They live on Golden Kinglet Drive out in West Cisco. Andy and wife Betty Kay, formerly of Brownwood, live at the Taylor home farm out near Scranton.

It has been interesting to observe Randy and Andy over the years.

OVER AT THRIFT Mart the other afternoon, we watched a big dog as he walked around out front for a time. The dog suddenly decided to go into the store and he simply walked up to the door on the right side and the electronic opener admitted him.

Pretty soon, somebody in the store told the dog to leave. He obeyed, going to the door on the right and was let out by the electronic door opener. We decided that the dog knew his way around at Thrift Mart.

LETTERS SENT out to invite folks to attend the first meeting of the Cisco Scrabble Players Club have brought in good response, in fact, overwhelming, reports Mrs. Gloria Turner, one of the queen bees in organizing the club. First meeting, you know, is Thursday night, starting around 6 p.m., at Olney Savings.

Although the club will be open later to anyone who plays, because of availability of boards and space, Thursday night's meeting will be limited to those who have been contacted by phone or in person and who said they would attend.

If needed, a larger place to place will be sought, Mrs. Turner said.

THE HALF TIME show of the Cisco Junior College Band and Belles at last Saturday night's football game at Chesley field was super. The Belles were dressed in football uniforms and did a real nice routine while the band played "You've Got to be a Football Hero."

The game here this week with Blinn and with Ranger next week at Eastland will end the 1987 season. The Band and Belles will be at both games, of course.

THE ABILENE TV station that puts on the Friday night after game shows showed some of the Cisco football team last Friday night and they named our Joe Flores as "player of the week" for the previous week. Olney Coffee Club men were real pleased one day last week when Mrs. J. C. (Mabel) Fletcher brought in a nice cake. Her late husband was a club member for several years. Cisco Lions Club members had net profits of over \$400 on their recent CHS Homecoming Fish Fry.

President Roy Dennis reports ... If they don't confirm Judge Ginsberg for the Supreme Court, we suggest

The County Resource meeting Thursday at the First Baptist Church in Eastland was attended by a number of people from this area.

Several decisions were made, including one to set up a Board of Directors. This Board will work on plans for assistance to the needy, and present them at each general meeting.

Those named to the Board were: DeMarquis Gordon, County Extension Agent, David Bondurant, Pastor of the First Christian Church, Dennis Noska, Director of the Eastland MH/MR Center Peggy Roberts, Director of the Multipurpose Center, Maria Duncan, Department of Human Services, and Martha Knowles, Department of Human Services.

Others in attendance at Thursday's meeting were Dr. Robert Jefferies, Pastor of the First Baptist Church, Nannette Keith, Department of Human Services, Waldine Stephenson, Mangum Baptist Church, Mattie Donelson, Mangum Baptist Church, T.G. Jackson, Civic and Church worker, Corrie Cowley, Dept. of Human Services Volunteer, Mary Dunn, Vista Worker at Multipurpose Center, Patty Matthews, Volunteer of Dept. of Human Services, and Viola Payne, Eastland County Newspapers.

There were a number of reports at the meeting as to current needs and help available. Nannette Keith said that more people than ever were coming to the Department of Human Services for help. Many times they had to send families to the Multipurpose Center for emergency food, and this agency had a hard time keeping enough in the food

pantry. Mrs. Keith also said that several volunteer were now helping with the work-load at the Department of Human Services. "They are a great help to us," she said.

Mary Dunn, Vista Worker, reported that she had had "no success" in her efforts to secure a location for a County Food Pantry in Eastland. This would be a place where more food could be stored than at the Multipurpose Center.

Peggy Roberts, Center Director noted that the facility has to close one week each month, due to commodity distribution, and is also closed on Fridays. Volunteers are needed to keep the Center open on those days, she said.

The group decided to continue to support the Food Pantry in the Multipurpose Center, and continue to look for a larger place. Mrs. Roberts and Dunn said they really appreciated the recent contribution of can-

ned goods, and hoped the public would continue to bring all donations possible.

Several people reported that the Ministerial Alliance in Ranger was doing a great job in providing emergency food and clothing in that town. A need was stated for a directory of where help was available in other parts of the county.

Pastor Bondurant seemed to express the feelings of the group when he said: "We can't drop this now." The people voted to have another meeting on Thursday, Nov. 19, at the First Baptist Church. Community and Church leaders and other interested individuals are urged to come out and have a part in this work.

Nimrod Baptist Is New Church

The noon meal is being enjoyed together in the Nimrod Baptist Church's recently constructed fellowship hall after Sunday morning's services. Members had reason to celebrate as their place of worship had just been constituted as an independent Southern Baptist Church after being a mission of the Mangum Baptist Church. At least forty-five people attended the Sunday morning services of the new church. The mission was started "from scratch" about two and one half years ago by pastor Lee Rodgers after a former church had been disbanded years ago. Area Missionary Jack Redford gave the "charge" to the new church and Lee Rodgers preached the sermon. Sunday morning services begin at ten and visitors are welcomed.

The Savings Really Add Up

with **WTU's Energy Saving Plan!**

YOUR BLUEPRINT TO SAVINGS & COMFORT
E.S.P. Energy Saving Plan
HEAT PUMP CASH ALLOWANCE \$500 per home
CALL WTU

Energy Savings
Your energy savings will really add up when you qualify your home for WTU's Energy Saving Plan. You'll save money in energy bills for years to come when your home meets the energy-efficiency standards of the Energy Saving Plan.

Resale Value
An E.S.P. Home will have a better resale value than other homes on the market, because it offers home owners lower energy bills. Energy bills are an important consideration for most families, so your E.S.P. Home will fit into a prospective home buyer's budget easier than a non-E.S.P. Home.

Cash Allowances
WTU's Energy Saving Plan will now pay you larger cash allowances for installing energy-efficient equipment in your home. Consider a central system electric heat pump.

E.S.P. Book
The new E.S.P. Book clearly outlines all of the programs, cash allowances and requirements of the New and Improved Energy Saving Plan. The E.S.P. Book also has specific information on insulation, air infiltration control, energy-efficient equipment and much more!

WTU WILL PAY YOU:
\$500⁰⁰ per home
With a Seasonal Energy Efficiency Ratio (SEER) of 8.0 and above.

To qualify for the cash allowances, your home must meet the E.S.P. requirements and be served electricity by WTU.

Pick up your FREE copy of the new E.S.P. Book at any WTU office, and start adding up your savings today!
