Hall Of Remarks by Herrel Hallmark

WE RECEIVED a report that the Tommy Ball family at 206 Avenue I in Cisco, have a pea patch in their garden which is planted to spell their last name (BALL).

CISCO HAS STILL been blessed lately with some fine showers which help cool things off a little and make plants grow. There should be some fine gardens this year and some very pretty yards, if the rains continue to fall in this area.

Let's all hope they continue falling so the level of Lake Cisco may rise a few feet (or even inches) this year.

WHEN A BAD thunderstorm approaches the Cisco area, a lot of people begin thinking of tornadoes. Unfortunately, the United States has become known as the "tornado capital of the world" due to the frequency of twisters occurring in an area known as "tornado alley." "Tornado alley" extends from Texas north through Oklahoma, Kansas, Nebraska and Missouri.

In that "alley," from April through June, warm air flowing northward from the Gulf of Mexico collides with cold, dry winds blowing south from Canada, according to the National Wildlife Federation bimonthly report, and these "discordant elements" give birth to the violent thunderstorms that spawn tornadoes.

Also according to the report, if 1980 is an average year, some 600 to 1,200 tornadoes will kill about 120 Americans before this year's tornado season is over.

The following information comes from the above mentioned report and is interesting, if not somewhat alarming, due to the fact that this is the tornado season for this area.

A tornado (from *tornado*, the Spanish word for thunderstorms) is a rotating column of air spinning around a vacuum. "Erupting from a cumulonimbus, or thunder cloud, this funnel is made of condensed water; in effect it is a cloud itself," says National Wildlife. When the "cloud" reaches the ground, it picks up dirt and debris which makes it turn black in color. Its great destructive power comes from the high, twisting velocity of its winds, which can churn at more than 400 miles per hour.

Scientists do not know why tornadoes form in some clouds and not in others. Because most twisters are short-lived and seldom travel more than 15 miles, they are extremely difficult to study. T. Theodore Fujita, a University of Chicago meteorologist who is considered the nation's leading authority on twisters, told National Wildlife, "If you look at a world map for places that are likely to have tornadoes, you look for areas where warm moisture can move inland onto a continent from tropical waters, uninterrupted by mountains."

Usually, twisters spin in a counterclockwise rotation, traveling northeasterly at about 40 miles per hour. Most of them fizzle out in less than half an hour. "But occasionally," reports National Wildlife, "twisters come in bunches over a longer period of time." In this century this has happened three times:

*On March 18, 1925, seven tornadoes ripped across a 437-mile area of Missouri, Illinois and Indiana. The largest of them covered more than 200 miles and killed nearly 700 people.

*On March 18, 1965, a massive siege of 37 twisters covered 835 miles in six states. Some 800 people died and property damage surpassed \$300 million.

*On April 3 and 4, 1974, the greatest tornado eruption in the nation's history occurred. In a 16-hour period, no fewer than 148 twisters gouged through 13 states east of the Mississippi River, covering 2,000 miles and killing about 300 people. The damage amounted to more than a half-billion dollars.

The worst tornado of last year struck the north Texas town of Wichita Falls on April 10, 1979—a day local citizens now call "Terrible Tuesday." For 20 minutes in the late afternoon the city of 100,000 people was struck by

THE CALF WITH two heads, pictured above, was born dead Sunday night to a cow at the Conrad Schaefer place south of Cisco. The calf was delivered by Dr. Vergil Patrick, local veterinarian, who was called after the cow appeared to be in trouble. Dr. Patrick said the calf's two heads were perfectly formed and that there were two complete spines but only one set of four legs. The calf was a little heavier than a calf normally is, Dr. Patrick said. The cow, who has had several calves previously, was doing nicely. This was the first calf with two heads that Dr. Patrick has delivered or seen in 22 years as a practicing veterinarian, he said. He planned to turn the unusual calf over to a taxidermist in Brownwood to be preserved.

Janet Dowell Receives First Jimmie Campbell Award

The first Jimmie Campbell Award was presented to Janet Dowell during the recent graduation ceremonies at Cisco

Junior College. The Award honors a sophomore girl basketball player that has contributed most to the team. Each year the girl selected will have their name engraved on the base of the trophy, which will stay with the college, and the girl will be presented a trophy of her own.

Jimmie Campbell was the first coach for the girls conference basketball team, which began in 1978, and the girls won the conference title during their second year.

Morale was at an all-time low for the team when Coach Campbell was stricken by a heart attack and died early in the season this year.

Campbell had succeeded in generating a spirit of fair play and competition on the CJC campus that did not die, and the college Faculty Association agreed that Campbell deserved recognition for his efforts. The Cisco Civic League To Meet Thursday At 7:30

The Cisco Civic League will meet Thursday, June 12, at 7:30 p.m. in the Community Room of the First National Bank for their monthly meeting. The hostesses will be Peggy Anderson, Delores Hopson and Carolyn White. All members are urged to attend to discuss the summer schedule of activities including the Teen Dance in July.

JANET DOWELL name of Jimmie Campbell will now be preserved in a lasting memorial.

Janet Dowell, daughter of Mr. and Mrs. Willie V. Dowell, of Avinger, graduated from CJC May 16. The Wranglers are the Northern Texas Junior College Conference Women's Basketball Champions, and finished the season with 11 wins, 3 losses. Janet's 1979-80 final statistics are 24 games, 120 field goals, 65 free throws, 305 points, with a 12.7 average for the season. Conference statistics are 14 games, 70 field goals, 36 free throws, 172 points with an average of 12.3.

Robin Schultz Receives Dental Hygiene Degree

Robin Rae Schultz received a Bachelor of Science degree in Dental Hygiene in graduation exercises at Baylor College of Dentistry, Dallas, on June 7.

Airport Work Expected Soon With No Cash Outlay For City

Prospects appeared good this week that improvement work at the Cisco Municipal Airport, including paving the main runway, will be completed and in use this year.

City Manager John Boland reported that the Texas Aeronautics Commission expects to

complete plans and specifications for the runway work in time

for the City Council to call for bids at the June 24th regular meeting. This, he said, would

allow the city to award contracts a month later and for work to be

done before freezing weather.

The airport project will be accomplished with little or no cash outlay by the City of Cisco, according to Mr. Boland. This was assured recently when the EnRe Corporation, a San Antonio oil company with its field

operations based in Cisco, volunteered to donate labor and equipment for the runway dirt work.

The city has some \$100,000 in cash "matching funds" from TAC for the airport project, Mr. Boland said. The city's share or matching funds includes credit for \$60,000 for the land and \$7,600 for fencing. The fencing was accomplished with a cash outlay of about \$2,000 with the balance in donated labor by individuals.

Both Mr. Boland and Chairman Ronnie Ledbetter of the City Airport Advisory Board agreed that the EnRe contribution would be sufficient to provide virtually all of the balance of needed "matching funds." The project provides that the city's share of the cost can either be cash or "in kind" labor.

The airport zoning board, which was appointed several weeks ago, met with Mayor Roy Cartee and City Manager Boland at the Chamber of Commerce offices last week and reviewed the project. The board includes Gerald Winnett, Gordon Strawn, J.W. Sifton and Mr. Ledbetter. This group nominated Dr. Chief Brown to be the 5th member and chairman of the board.

Airport funds on hand include some \$7,500 in money donated by Cisco citizens and business firms. Mr. Ledbetter said that a similar amount is expected to be raised.

Both Mr. Boland and Mr. Ledbetter pointed out that "the EnRe Corporation has made a very valuable gift to our community in their donation of work to this airport project, and we know that this contribution is appreciated by our people."

Pearson-Blackerby Team Wins Local Golf Tournery

The team of Lee Roy Pearson of Ranger and Paul Blackerby of Breckenridge needed two extra holes to defeat Ralph Glenn and David Callarman of Cisco in the championship flight finals of the annual Cisco Country Club partnership golf tournament last Sunday afternoon.

The two teams had never been more than one hole apart and the match was even on the 17th hole. They halved the 18th and then played two more holes before the decision.

The Glenn-Callarman team went one up on No. 3 when Callarman's drive was just off the green and he sank his pitch shot for an eagle two. The Cisco team remained one-up until the 17th hole.

The Glenn-Callarman team beat Bobby Smith and Delbert Schaefer in the semi-finals. Smith-Schaefer won over J.L. Stafford and Bennie Nichols in the lame duck finals, scoring a two-up victory. The Stafford-Nichols team was the defending champion.

In the first flight, the Strickland-Weatherly team from Haskell won top honors, beating Craig Kent and Buddy Ramirez in the finals. The Parsley-Suggart team from Abilene won the lame duck bracket with Vandell Weathers and Jimmy Yowell of Cisco coming in second, followed by the Charlie Graham-Bernard Campbell team.

Tim Jones and Gene Abbott of Cisco won the second flight, defeating the Williams-Weatherspoon team from Haskell in the finals. Jones had an eagle two on No. 3 hole

Lee Roy Pearson of Ranger, left, and Paul Blackerby of Breckenridge won the Cisco Partnership Golf Tournament last Sunday in a 20-hole match at the Cisco Country Club.

to contribute to the 3-2 victory. The Gevara-Howard team from Eastland won the second flight consolation,

and Robbie Robinson and Carrel Smith beat the Blackburn-Kent team in the lame duck bracket.

Fund Is Started For Mable Nunn

Friends have started a fund for Mable Nunn who is still in M.D. Anderson Hospital in Houston. She has been there for eight weeks and will have to be there several more.

Classes will begin at 6:30 with closing assembly to be held at 8:00 p.m. Following the assembly each clan will have "open house" where special projects will be displayed. Ice cream will then be served to students, teachers and guests. Families and friends are invited to come and join the fun at First United Methodist Church, Friday night, June 13th.

Anyone wishing to contribute to the fund may do so at the First National Bank in Cisco. Any donations will be greatly appreciated. Anyone wishing to send a card to her can send it to this address: Mrs. Clara M. Nunn, University of Texas Cancer Center, M.D. Anderson Hospital, Room 816, Houston, Texas.

R.W. Smith Drowns At Lake Leon Tues.

Extensive efforts at artificial respiration failed and Mr. Robert Walter Smith Jr., 74, of 810 W. 8th St., Cisco, was pronounced dead at 1:40 p.m. Tuesday at Lake Leon Dam.

Justice of the Peace R.W. Rowch, who investigated, stated that cause of death was drowning, which resulted when a boat in which Mr. Smith had just entered, overturned near the Lake Leon Boat Ramp.

Assisting in the investigation was Sheriff John Morren and Deputy Ben Sancillo, who were also notified.

Texas newspapers will present Houston Oiler famed running back, Earl Campbell, with his highest honor during the Centennial Convention of the Texas Press Association June 21 in Houston.

Campbell, who has broken all NFL records in yards gained in rushing during his two years on the Oiler team, will be the eleventh Texan to be named "Texan of the Year" by the century-old association, composed of 575 Texas weeklies and dailies.

Presenting the award will be TPA President Bill Dozier, publisher of the Kerrville Daily Times.

The Texan of the Year Award is not an annual award, said Dozier. It is given when the Association wants to honor a native-born son or daughter who has brought fame to the state while bringing prominence to themselves in their respective fields of endeavor.

In the past, Texan of the Year has been given to only 10 persons, among them the late Dan Blocker, Dale Evans, C.B. (Tex) Thornton, Al Ludden, Ray Berry, Alan Bean, Phyllis George.

Campbell is considered to be the "most awarded" Texas football player and applauded as the greatest running back in football history. He began his career as a member of the Longhorn team at the University of Texas, Austin, receiving the famed Heisman Trophy.

When he went into pro football, Campbell was named Rookie of the Year in the NFL League and the two years he has played pro ball has been named NFL Most Valuable Player.

The celebrated pro will attend TPA's concluding luncheon to receive his award. Invited to attend are his mother, Ann Campbell, of Tyler, and his wife (he is to be married in early June). Guest speaker for the luncheon will be Governor Bill Clements.

Dozier said Campbell will meet qualifications the press association has set up for recipients of the high award: good humor, talent, warm heart, friendly personality, greatness of character and highly regarded in his chosen profession.

Texas Press Association's Centennial Convention is set for June 19-21 at the Shamrock Hilton Hotel in Houston, which was the city of the organization's founding in 1880.

In addition to Governor Clements, featured speakers at the convention include Norman Isaacs, head of the National News Council, New York; Jack Landau, director of the Reporters Committee for Freedom of the Press, Washington, D.C.; U.S. Senator John Tower.

ing kin.

The man and his brother-in-law, R.W. Rice, who lives at Lake Leon, had just launched the boat, and Mr. Rice was in the process of driving the towing vehicle and trailer away from the ramp, when the boat in which Mr. Smith was riding overturned.

Mr. Rice called Lake Keeper and Mr. James Johnson. The Lake Keeper dived into the lake and was successful in bringing Mr. Smith to the shore, but repeated efforts at ar-

tificial respiration by Johnson and James Glenn, failed to revive the man.

The body was taken to Arrington-Edwards Funeral Home.

This was the first drowning at the lake in about two years, JP Rowch reported.

Complete list of survivors was not available at press time, but it is understood that Mr. Smith's survivors included brothers, Homer and Johnson Smith, both of Eastland.

One Night I Had a Dream...

I dreamed I was walking along the beach with the Lord, and across the sky flashed scenes from my life. For each scene I noticed two sets of footprints in the sand, one belonged to me, the other to the Lord. When the last scene of my life flashed before us I looked back at the footprints in the sand. I noticed that many times along the path of my life, there was only one set of footprints. I also noticed that it happened at the very lowest and saddest times in my life. I questioned the Lord about it. "Lord, you said that once I decided to follow You, you would walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why in times when I needed You most, you would leave." The Lord replied, "My precious child, I would never leave you during your times of trial and suffering. When you see only one set of footprints, it was then that I carried you."

Two associates of local Century 21 Fowler Realtor were recently presented trophies by the West Texas Broker's Council as top listing and selling agents for the month of May. Peggy Swafford of the Eastland office was named as top selling agent of the Council area, and top listing agent honors were shared between Peggy and Ann Williams of the Cisco office.

Shown presenting the trophies are Becky Fowler, owner of Century 21 offices in Eastland, Cisco, Ranger and Breckenridge, and Joe Emerson, office manager.

Frances Barnhart envied girls who could wear fitted clothes-especially bikinis.

Thanks to Pat Walker's, she now has a 24" waistline

And that, she says, is something she never dreamed was possible.

But then, lots of dreams come true at Pat Walker's Figure Perfection Salons, International—and yours could be among them. Here's Ms. Barnhart's story:

Having been a housewife and mother for 10 years, I decided it was time for a change . . . to get out of the house and get a job. Hearing that a Pat Walker's Figure Salon was coming to [my] area, I got very excited and knew that I would enjoy that type of work.

I never liked to admit I had a weight problem, so I attributed my 33" waist to a large bone structure. I envied all the girls who could wear fitted clothes and especially bikinis. I had always worn long blouses and coverups to hide my large abdomen. When I did diet, I always lost weight in all the wrong places—my arms, legs and bust—but never where I needed it—my waist and tummy.

[At] Pat Walker's I learned I could still eat all the foods I enjoyed without giving up anything except the 27" I've lost . . . The beautiful part of it is that I did it with help from my co-

workers and most enjoyably with my patrons. It's nice to know there is a place you can go when you need help with a figure problem and where people understand.

Now that I'm manager of our salon I would like to say, "Thank you, Pat Walker's, for giving me satisfaction in my figure, my career and especially myself."

Discover a new, lovelier you

If you need to reduce and reshape your figure, get acquainted with the place at which you can achieve your goal pleasantly, effectively, privately and in a dignified manner.

That place is a Pat Walker salon; please don't confuse it with the gyms and spas. Pat Walker's, which has benefited people by the hundreds of thousands over the past 26 years, is noted for tastefully appointed salons in which the atmosphere is both welcoming and relaxed.

At your first visit, you are given a confidential figure analysis and an individualized program of figure correction planned just for you. Your entire program is supervised by a professional counselor.

And you get the advantage of a Pat Walker exclusive: treatments on the Symmetricon, passive exercise equipment that gently provides all the exercise you need to trim away the inches that have accumulated in the wrong places. Symmetricon treatments, conducted in complete privacy while you wear your regular street clothes, also stimulate circulation and help improve posture.

Don't wait any longer

. . . to find out what Pat Walker can do for YOU! Now is the best time. In fact, we invite you to come in for a FREE treatment and figure analysis, without charge or obligation. All you have to do is call to reserve time for your complimentary appointment. We await your call—and hope to hear from you soon.

Shown are three examples of how rising prices are affecting the cost of producing electric energy. Of course everything else has gone up, too. Materials, equipment, labor — nothing has escaped the effects of inflation.

Which means that we at WTU are striving harder than ever to operate efficiently and economically as we meet the daily needs of our customers.

auditorium beginning at 7:30 p.m. Any Eastland County 4-Her who completed a clothing project will be eligible to compete in this annual contest. A 4-H clothing project consists of completing six learning experiences plus compiling a clothing record book. The six learning experiences come from these four areas: creation and design, textiles, economics, and social roles.

4-H adult leaders are in charge of the project meetings. Several clubs have toured various businesses and called on resource people to present a short program. "We have had various types of educational programs this year which have proven very ef-

fective," states Mrs. Donna White, ACEA.

A special highlight at the County Fashion Revue will be the Project Show. This will give 4-Her's an opportunity to enter handmade projects in the Show. This may be their only entry, or they may enter the Project Show in addition to the Fashion Revue.

Make plans now to attend the Eastland County Fashion Revue and support our local 4-Her's. Many adult leaders and 4-Her's have made this event possible.

For further information call Donna White, Ass't County Extension Agent at 629-2222 or come by the Extension Office located in the basement of the courthouse.

Eastland County 4-Her's Attend Camp

Some 80 4-H members and leaders attended Eastland County's Annual 4-H Camp at Lake Brownwood on June 6 and 7. The camp was held at the State 4-H Center.

Jerry Choate opened the camp with a water safety lesson at the swimming pool. 4-Her's enjoyed lots of swimming at the camp. Lili McDonald and Amy Weeks, senior 4-H members from Ranger were in charge of the get acquainted game. The next event at camp consisted of two major activities: a volleyball tournament for senior 4-Her's and a "mini-olympics" for junior 4-Her's. The mini-olympics

consisted of four events: a scavenger hunt, tow sack race, three legged race and tug-of-war. The final activity Friday was the ceremonial led by Gorman 4-H members Rhett Harrison, Charla Little, Noble Laminack, Becky Jo Underwood, and Shannon Caraway.

Saturday morning began with a nature trail hike followed by a craft activity. Each 4-Her designed a plaque to take home.

Extension Agents Donna White and Danny Lamberth were very pleased with the outcome of the 1980 County Camp. "We appreciate the help and cooperation of our county's leaders and 4-Her's."

All clubs in the county - Ranger, Nimrod, Eastland, Cisco, Carbon, Rising Star, and Gorman 4-H were represented at the camp.

Brown And Kidd Speaks To T.E.H.A.

The Morton Valley T.E.H.A. Club was called to order by Mable Garrett in the Addie Mosley residence on Wednesday. The opening exercise was directed by Ora Mae Roberts.

Among items of business was the decision to send Dorothy Underwood as the nominee to the state meeting in San Antonio. She is also the nominee for county T.E.H.A. Chairman.

Friday, June 27th was selected as the date for the rummage and bake sale at the club House from 8 o'clock until 5 o'clock.

Leanne Brown and Shirley Kidd gave a clever presentation by posters on meat identification.

These two girls did the research, passed the tests and made the posters to gain the right to compete with others in the same field at the coming 4-H Round up at A and M.

Club members enjoyed the good punch, sandwiches, and mints in the cool restful atmosphere of the Mosley home. Present for the meeting were Dorothy Underwood, Berniece Tankersley, Mable Garrett, Jettie Green, Clara Simer, Flora Kincaid, and Edith Wilson. Guests were Oleta Wade, Donna White, Betty Kidd, Shirley Kidd, Leanne Brown and Joan Brown and the hostess Mrs. Addie Mosley.

Speaking on the Subject of Quality

... it is always an appreciative compliment when so many of our customers tell us they like our abstracts. They must for many of them have been doing business with us for more than 30 years, and still are. There is no secret attached to this expression of confidence. A quality product produces confidence. And we are proud that we have both - the confidence of a host of customers and a quality product to sell them.

Wilson, Peloubet United In Marriage June 7

Wedding vows uniting Victoria Wilson and David Cary Peloubet in marriage were recited at 7:30 on Saturday evening, June 7, in a double-ring ceremony at the First United Methodist Church of Eastland. Dr. William R. Radcliffe, minister of the First Presbyterian Church, officiated.

The bride is the daughter of Mr. and Mrs. H. Thomas Wilson, 512 South Ammerman in Eastland, the groom's parents are Mr. and Mrs. Raymond Peloubet of 3412 Acorn Run in Fort Worth.

The sanctuary of the church was decorated with large floral arrangements of rubrum lilies, Dana roses, white roses, lavender daisies, and gypsophila in brass urns against a background of cathedral tapers in brass candelabrams. Church pews were marked with candles, flowers, and greenery tied with matching ribbons. Ben Karnes, organist from Dallas, provided the wedding music. Guests were registered at the church by Lisa Germany of Austin and Bonnie Hamilton of Wichita Falls. David Johnson of Eastland and Jamie Radcliffe of Stephenville lighted the candles. Miss Wilson, given in marriage by her father, chose a gown of candlelight organza and re-embroidered Alencon lace designed by lissa. The molded bodice with a Queen Anne neckline was covered with lace beaded with seed pearls. Long tapered sleeves of organza were enhanced with lace appliques and closed at the wrist with scallops of lace embroidered with seed pearls. The skirt of organza fell to carpet length from the empire waistline and swept to a cathedral train at the back. A wide border of lace outlined the entire skirt and train.

She wore a mantilla of imported silk illusion bordered with Alencon lace matching the lace of her gown. The veil swept from a small lace coil to beyond the edge of her train. A bouquet of white roses and gardenias atop a white Bible belonging to her mother at her wedding was carried by the bride. She wore a strand of pearls, a gift from the groom.

Mrs. Philip Reeves of Oklahoma City, sister of the bride, was matron of honor. Other bridal attendants were Miss Lauran Peloubet, sister of the groom, Mrs. Timothy Diebel, Mrs. John Nichols, Mrs. Michael Palmer, and Miss Paige Pace, all of Fort Worth; also Mrs. John Frost of Shreveport, Louisiana, Miss Claire Lindsey of Dallas, and Mrs. David Burgher of Oxford, Mississippi. They were identically attired in floor length dresses of fuchsia voile trimmed in wide grosgrain ribbon of candlelight color at the waist and hemline. They wore fuchsia silk roses in their hair and necklaces of ivory baby beads. Their arm bouquets were of white roses, rubrum lilies, and lavender daisies tied with streamers in shade of fuchsia, candlelight, and lavender. John Peloubet of San Antonio, brother of the groom, served as best man. Groomsmen were Sam Gann IV, Robert Broyles, Curtis

Butts, Randy Keen, Brent Dacus, and Dennis Butts, all of Fort Worth; also John Berry and Jim Eagle of Dallas.

For the wedding the bride's mother wore a dress of pale aqua chiffon with a matching overblouse, and the groom's mother chose a pink gown fashioned with a chiffon overlay. They carried gardenia corsages.

The reception was hosted by the bride's parents in the candlelit garden of their home. Members of the houseparty serving at the bride's table were Adana Agee of Longview, Sharon Sides of Midland, and Mrs. Curtis Butts of Fort Worth. Presiding at the groom's table were Mrs. Larry VanZandt of Eastland, Mrs. David Scarborough of Fort Worth, and Mrs. Mick Damskov of Benbrook. Others in the houseparty were Mmes. David Crum, Cyrus Frost, Jack Germany, Grover Hallmark, Austin McCloud, Don Pierson Harold Price, Virgil Seaberry, Joe Sparks, Virginia Weaver Russell, and Doyle Squires.

Music throughout the evening was provided by the Ted J. Trio. April and John Seaberry of Austin presented each guest with rice filled

satin rosebuds. Rose petals were distributed by Cy and Sarah Crum of Eastland.

The rehearsal dinner was hosted by the bridegroom's parents at Lone Cedar Country Club on Friday evening. Following dinner, guests were treated to a theatrical presentation at Beall-Hurst Playhouse by Shannon and Philip Reeves, sister and brother-in-law of the bride, who are on the staff of Oklahoma Theater Center.

The bride, a graduate of Eastland High School, was a December graduate with a Bachelor of Fine Arts degree in painting from Texas Christian University in Fort Worth where she was on the dean's list and was named a TCU Scholar. She was a member and officer in Kappa Gamma social sorority and was on the exhibits committee for the TCU Gallery. She is presently employed at Witherspoon and Associates, advertising and public relations firm.

A Paschal High School graduate, the groom attended the University of Texas and graduated from TCU with a Bachelor of Fine Arts degree in radio, television, and film. His fraternity is Phi Gamma Delta. He is employed at Equitable General Insurance Company of Fort Worth.

Leaving the wedding reception for their honeymoon, the bride wore a deep rose linen dress with a white jacket. The couple will make their home in Fort Worth.

Special wedding guests were the grandmother of the bride, Mrs. Charles Hood of Hereford, and the groom's grandparents, Mr. and Mrs. R.P. Peloubet, Sr. of Shreveport, Louisiana.

Putnam News

By Mrs. R.B. Taylor

What a wonderful day weather-wise. Its so cool after yesterday! I don't think the temperature went to 100 degrees but it sure was a scorcher when the wind stopped blowing. Looks like the 20% chance for rain is not going to materialize and we need rain so badly. Most of the stock tanks are full, but I'm afraid the grasshoppers are going to get hungry if the grass and weeds stop growing.

Sorry we still have some sickness in our community. Mrs. Lee White is still in the hospital at Eastland. She is the same as last week just holding her own. Mr. John Petty is still recuperating from a stroke. He will enter an Abilene hospital this week for a brain scan. I heard today that Mrs. R.D. Williams of Baird, formerly of Putnam, entered an Abilene hospital Sunday.

My little friend Andy Maxwell has had a round of tonsillitis.

The revival at Putnam Baptist Church was well attended and had lots of good gospel preaching. The Rev. Bobby Nannoy of Pennsylvania and Rev. Gayle Summers of Virginia did the preaching. The revival closed Sunday night.

Mr. Jim Feeley of Austin spent last week with his parents, the Bill Feeleys. He did some renovating at the Feeley home installing ceiling fans, etc.

We were sorry to hear of the death of Mrs. Crayton Young this week. She was reared at Cottonwood and a sister-in-law of Mrs. George Weeks.

Our local postmistress Laverne Rutherford spent Sunday with her father, Earl Rutherford and sister's family, Doug Speegles at Cisco.

Mr. and Mrs. Don Weathermon of San Antonio spent the weekend with his parents, the Sid Weathermons.

Mrs. Naomi Heyser of Baird and Mrs. Annie Merle Simms of Pecos visited Mrs. R.B. Taylor Sunday. Mrs. Simms is a niece of Mrs. Heyser and a sister of Mrs. Maggie Cook of Baird.

Mrs. Sam Heidelberg and son of Breckenridge and Mr. and Mrs. Dwayne Rickster and children of Forney visited their grandmother, Mrs. Ollie Burnam Sunday.

Mrs. R.C. Speegle of Cisco Nursing Center spent the weekend at her home here. Visiting her were her son, Billy Speegle of Fort Stockton and her daughter, Mr. and Mrs. James Stovall and daughter, Barbara Powell of Odessa.

Mr. and Mrs. K.V. Riffe attended the wedding of his granddaughter at Fort Worth Saturday night.

Martha Cunningham of Arlington visited the home folks the K.V. Riffes Sunday. Roger Cunningham is spending the summer with his sister, Wanda and Jay Harris at Brenham. He is working on the ranch.

Mr. and Mrs. Jerry Toland and son, Jay of Breckenridge visited her parents, the John Pettys Sunday. Little Jay visited Mrs. R.B. Taylor also.

Monday morning—I am not a very good weather forecaster. We had 1 1/2 inches of rain in Putnam Sunday night. So maybe the

Having Youth Rally June 19

Callahan Baptist Association is having a special youth rally Thursday, June 19, at 7:30 p.m. at the First Baptist Church of Cross Plains. The rally will feature one of America's most popular Christian musical groups, Bridge, in concert.

Bridge consists of 15 young adults, all either in college or recent college graduates. They are a multi-talented group who exhibit some of the finest musical skills in contemporary Christian music. They have appeared in many of the nations' largest churches, colleges, civic organizations, and in ticket concerts.

Bridge records on the Impact label with the Benson Company of Nashville, one of the world's largest gospel recording and publishing companies. Bridge recently sang at the Texas Baptist Youth Evangelism Conference and on the NBC national evening news. They were in concert at the First Baptist Church of Cross Plains in November 1978.

The concert will present some of today's most significant gospel numbers as well as "standards" of the

Letters TO THE EDITOR

LETTER TO THE EDITOR: I wonder if merchants in Cisco ever think about handicapped people when they put items in the aisles of their stores.

In the month that I've been home from the hospital, I have been confined to a wheel chair. It is impossible to enter some stores to shop.

I will only be in a wheel chair for another month, but it has made me aware of the difficulties that others face. How do others cope with sidewalks that have no ramps or stores that pile merchandise or canned goods in the aisles?

Perhaps it would benefit everyone if someone in each store would try to maneuver a wheel chair through the aisles to see how their store rates. I believe more people would shop in Cisco if Cisco merchants showed they care for the handicapped.

Thank you,

church. Callahan Baptist Association believes that this concert will appeal to adults as well as youth. A freewill love offering will be received for Bridge.

Dr. Toby Irwin, church pastor and associational Missionary-Moderator invites the public to attend this rally June 19 at the First Baptist Church of Cross Plains.

Word Extension Homemakers Club Holds Meeting

The Word Extension Homemakers Club held a meeting Thursday, May 22nd, at 2:00 p.m. in the home of Mrs. H.H. Harrelson. The meeting was called to order by the president, Mrs. Era Hamilton. The opening exercise and prayer were led by Mrs. J.E. Stansell with all members present joining in unison.

The roll call was answered by either: a pet peeve at the grocery store or a vacation spot I'd like to visit. The devotional was presented by Ruby Dunlap. The program entitled "Controlling Kitchen and Household Pests" was given by Mrs. H.H. Harrelson. It was a very informative lesson.

The recreation was a brain thinking type quiz given for Mrs. Bolinger by Mrs. Short.

The next meeting will be held at the White Elephant Restaurant in the dining room. Hostess is going to be Hattie Mae Graves. Plan to attend if possible at 2:00 p.m. June 26th.

Delicious refreshments were served to Mmes. O.T. Harrelson, H.H. Harrelson, Era Hamilton, Hattie Mae Graves, Myrtle Van Short, Ruby Dunlap, Ruth Bolinger, J.E. Stansell, and Donna Clark and Willie Word.

Co. Shaklee Organizational Meeting Is Held

The Eastland County Shaklee organizational meeting was held May 20 at 7:30 p.m. at 610 West 2nd Street, Cisco. There were 20 people in attendance and the meeting was thoroughly enjoyed by each and everyone. Those people who didn't get to attend really did miss a good meeting.

The program was given by Mr. and Mrs. Jerry Calvert of Fort Worth. They did an excellent job. There will be some new items on the availability lists soon, everyone is looking forward to these new products being available. It is estimated that 65 to 70% of the average diet is junk food or synthetic food, think about that.

Mark your calendar now, on June 17, at 7:00 p.m., there will be a covered dish supper in the home of Mr. and Mrs. Charles Davis, 610 West 2nd Street, Cisco. Let's have a large crowd and be sure to bring a covered dish. There will be guest speakers from out of town, so be sure and come to the Eastland County Shaklee organizational meeting on June 17th, the covered dish supper is at 7:00 p.m. and our meeting will follow.

APPOINTMENTS FOR INTERVIEWS WILL BE ARRANGED FOR THE WEEK OF JUNE 9 THROUGH JUNE 13 BETWEEN THE HOURS OF 7:00 A.M. AND 6:00 P.M. INTERVIEWS WILL BE HELD IN OUR ABILENE OFFICE.

People Things

IT OCCURRED to us that it was a little unusual for a wedding to be performed in a cow lot. So we re-read the item in last Sunday's Press. Sure enough, John Lanehart and Doris Pritchard are to be married at 10 a.m. Saturday, June 14, at Lynn Bint's cow lot.

We confirmed The Press story by telephoning out to the Lynn Bint home. John Lanehart helps Lynn with the cowboying out there, and Doris likes horses and riding. So they decided that being married in the cow lot was what they wanted.

So...at 10 a.m. sharp, 25 or more folks will be on horseback. The bride and groom and their assistants will ride in and County Judge Scott Bailey, astride a horse, is scheduled to tie the knot.

After the wedding, the newlyweds and friends will ride through downtown Cisco. Later, they'll all gathered at the CJC Rodeo Arena for a big barbecue and there will then be a roping program. The Lynn Bints will be among those on horses for the cow lot wedding.

Doris is the daughter of the Billy Pritchards of Cisco, and John's folks are the R.B. Laneharts of Houston. The Press story ended by saying "everyone's invited."

THE BILLY JOE Taylors, who bought his grandfather's old home place of 160 acres southwest of town sometime ago, were busy last week tearing down an old house out there—one that was built in 1900 by his grandfather. It was put together to stay, BJ decided. The foundation included solid oak logs that were cut and fitted together perfectly. The oak logs are in a real good state of repair and they won't be burned or abandoned, BJ says.

Plans call for a new house to go up on the site. Mr. Taylor is a veteran mail man at the U.S. Post Office here, and Mrs. BJT teaches in the Cisco Public Schools.

WHAT'S YOUR policy on loaning out your brand new car? That's what we asked Lou Ann Pugliese, CHS senior (1980-81), when we saw her driving it last Sunday. Her mother, Ruth Pugliese, spoke up to say "there's no policy." Lou Ann works out at the Colony Restaurant.

We recalled out loud that "we always had money in our pockets until we bought our first car... have been broke ever since."

WE'RE PLEASED that we ran the item recently about the Fag Gag and Raytone Records. Otherwise, we wouldn't have received a telephone call the other night from Jim Fitzgerald, who was principal of West Ward School here 1959-63. Jim and family now live at Bayshore, Long Island, New York, where he teaches school and coaches.

Jim says he will retire in three years and then they'll move back to Cisco. His wife is the former Jean Coats and she grew up here... Jim knew all about Raytone Records.

ISN'T IT ABOUT time for Dean Madison's good horse Cisco to shed his winter blanket? Cisco, you know, is the handsome horse that is the sign for the Madison Western Store on East 8th Street... Further east on East 8th Street, work seems to be near completion on the nice building that will be Gayle Batteas' beauty shop.

The Ed Wendes of Cisco and the Roy Gevaras of Eastland enjoyed a vacation over at Hot Springs, Ark., last week. Played golf and so forth. Rick Wende of Eastland looked after the golf course for Ed while they were away.

MR. AND MRS. M.D. Bailey, long-time good citizens of our town, and their six children were honored at the Senior Citizens luncheon at noon Monday at the Laguna Hotel. The Bailey children introduced were M.D. Bailey, Jr., of Gilbert, Arizona, Gayle Bailey of San Antonio, Mrs. Carolyn Bahler of Oregon, Mo., Mrs. Elizabeth Edwards of San Antonio, Scott Bailey of Cisco, Dottie Bailey Adams of Denton and Kathleen Bailey Himmelsbach of Baker, Oregon.

MDBailey, Jr., was accompanied by his son, Dr. John Scott Bailey of Florida State University, and two sons, and Gayle Bailey, a retired Air Force officer who

is now a stock broker, brought his daughter and husband. It was a nice reunion, we were informed.

THE GRANT Robinsons spent last weekend here with home folks, and he helped his brother-in-law, Delbert Schaefer, catch some bass at Lake Cisco... Hasn't Steven Zell, the CJC prof, shaved off his beard?... Rainfall measuring up to half an inch fell in this area Sunday night, dropping temperatures and pleasing folks... A good crowd of spectators enjoyed the golf tournament matches at the Cisco Country Club last weekend. Shelley Smothers, daughter of Mrs. Gus Smothers, and Christy Smith, daughter of the Bobby Smiths, operated a lemonade stand just back of the No. 4 tee box (near their homes). And business was pretty good, they told us.

THREE CISCO lady golfers are playing in the West Texas Women's Invitation Golf Tournament this week in Abilene. They are: Letha Stafford, Dorothy Farnsworth and Mary Perry. Let's hope they bring home some bacon.

CHILDREN OF our town want to remember that swimming is free every Saturday from 9 a.m. until noon at the City Park Pool... City Manager John Boland tells us that fixing the Lake Bernie gate so water will flow on to Lake Cisco is high on the list of priority things the city is doing... The city has employed eight CHS boys, ages 15 to 18, to clean out drainage ditches and to cut weeds in the business district... Police Chief Kenneth Eaves was back on the job at City Hall on Monday after a two weeks leave. His loss in the sheriff's race was Cisco's gain... City Policeman John Pellizzari resigned his post the other day... Gregg Gorman, 11, has been visiting at the home of his grandfather, the Charles Clarks, for the past week or so. He told us the other day that he was hopeful that he would get to run the tractor this week... Kevin Winnett, local golfer playing the tournament last weekend, was hit on the head by a golf ball in the No. 7 fairway Saturday. His mother, Mrs. Gerald Win-

nett, told us that his condition was satisfactory. He had to leave the tournament... Mayor Roy Cartee was a patient at Graham Memorial Hospital this week with oral surgery scheduled.

Greater Mountain Top Pentecostal Church group toured the Syria, Israel and Jordan on a ten day trip.

Group From Greater Mountain Top Pentecostal Church Takes Tour

Pastor and Mrs. John C. Jones, Lula Petree, Wanda Jones, Thelma Schaefer, Jessie Johnson, Eria Stokes, Marie Price, and Dot Johnson left Houston May 28 for Amman, Jordan, and after a 17 hour flight arrived. The next days were spent in Jordan viewing the area. The group went into one of the most remote places in the world, to see the old City of Petra. It can only be reached by horse back, and is truly one of the wonders of the past. The group visited Damascus in Syria the next day, one of the oldest cities of the world. The remainder of the ten day trip was spent in Israel, visiting all of the major Biblical sites numbering around some 200. Because of the unrest over the bombing of three Arab mayors the

group was not allowed to go to Hebron or Samaria.

Among the places visited was Jericho, Megiddo Valley, Nazareth, Bethlehem, Gumran (Dead Sea Scroll area), Sea of Galilee where the group rode in a boat over the sea and spent the night at Tiberias, where their hotel room overlooked the Sea of Galilee. The many places close to the heart of Christians in Jerusalem were visited including Mt. of Olives, Garden of Gethsemane, Kidron Valley, Tomb of David, Damascus Gate, Rock of Mt. Moriah, Wailing Wall, and many more beautiful sights. The old Fortress of Massada near the Dead Sea was an impressive place for the group, as was the travels on the east and the west banks of the Dead Sea, and of course, River Jordan holds a special place in any Christian's heart.

Pastor John C. Jones states that he will be glad to guide any group of ten into the Bi-

ble lands, as he plans to make the trip any year that groups would like to go. By special arrangements the cost is cut by flight out of Houston straight into Jordan. There is no cost for his travels with a group, since he has special arrangements with a Arab family tour group which also guides the Billy Graham tours and assisted in the film special produced by the Billy Graham Foundation several years ago. Reverend Jones would be glad to speak to any church group and explain how the group could travel, and the pastor could receive a free trip.

The entire trip was one of excitement and lasting spiritual blessings to all who went. The pastor will be showing the slides of the trip at a date to be announced, and he will be wearing the Arab Jordanian Desert Dress and headpiece that night, and the public is invited to attend, with refreshments being served afterwards.
