

Stamford Man Is New Band Leader

ALVIN B. YOUNG JR.
Alvin B. Young, Jr., of Stamford, has been employed by the Cisco Public Schools as band director for the junior and senior high schools for the 1981-82 school year, Supt. James Couch announced Friday.

Mr. Young, who is completing his 4th year of teaching and directing the bands in the Stamford schools, will succeed Wayne White who has resigned the Cisco job to accept a similar position at Breckenridge.

Mr. Young was born in San Antonio on April 6, 1951, and graduated from high school in 1969 at Uvalde. He is a music education graduate of Abilene Christian University and has attended post graduate seminars at ACU, West Texas State and East Texas State Universities.

For the past three years, Mr. Young has taught at the ACU Summer Band Camps where duties included teaching marching band fundamentals, assisting with percussion classes, supervising

extra-curricular camp activities and competitions, and supervising dormitory behavior.

Mr. Young is a member of several music educators' associations and other professional groups. He is a member of the Lions Club, serving as District 2E-1 band organizer for the Lions International Convention. He is married to the former Janice Brown and they have one son, Jay Alan, 10. They are members of the Church of Christ.

Mr. White directed the band program here two years.

Scott Bailey To Be Guest Speaker At Rotary Club Awards Luncheon

SCOTT BAILEY
Scott Bailey, County Judge of Eastland County, will be the guest speaker for the annual Cisco Rotary Club Citizenship Awards Luncheon to be held on Thursday, May 21, at the Colony Restaurant.

The luncheon will honor Mike Keating and Gretchen Cermin, Cisco High graduating seniors who were chosen as the club's award recipients for good citizenship.

Eris Ritchie, chairman of the luncheon, stated that Judge Bailey had been a long-time supporter of the club's awards luncheon, and that the judge had personally attended most of them since they were begun in 1966. "We know that our county judge is one of the most pro-good citizenship people to be found anywhere, and we're delighted that he can be with us," Mr. Ritchie said.

Judge Bailey was born and reared and is a lifetime resident of Eastland County. He attended local public schools in Cisco and graduated from

Cisco Junior College in 1951. After transferring to North Texas State College, he received a B.S. degree in Secondary Education with history and government as teaching fields.

After college graduation, he entered the U.S. Army during the Korean conflict and served with the 17th Infantry Regiment in Korea. After returning to the United States, he was employed by the Oil Well Supply Division

Bobby Rains Is Candidate For Cisco City Council

Bobby Odell Rains has authorized The Cisco Press to announce that he is a candidate for City Council Place IV in the May 30th special city election. He has released the following statement:

"My name will be on the ballot of the upcoming special election for Place IV of the City Council. I am a native of Cisco, and graduated from Cisco High School in 1968. I am presently employed by Texas Oil & Gas Corp. as a system's operator. Before taking my present position I managed Guthrie Truck Harbor for three years and prior to that was an owner-operator for six years. I am a former Cisco Jaycee, and presently active as a Cisco volunteer fireman, coach of a little league baseball team and Cub Scout leader.

"I am married to the former Jeanne Bryant, a teacher at Cisco Primary School. We have three sons, Robert, 12; Tim, 10 and Bradlee, 6. My parents are Mr. and Mrs. Odell Rains of Cisco.

"I would like to help Cisco change its present image. Local government can influence the life of every citizen, as well as the city's welfare. Let's all work together to get back to the old Cisco which people know and love. Please vote on May 30."

of U.S. Steel Corporation. He resigned this employment to continue his education, and entered the University of Texas at Austin for graduate study.

Judge Bailey was a high school teacher for three and one-half years before being elected to the 57th Session of the Texas Legislature in 1960, representing Eastland, Callahan, and Shackelford Counties. In 1962, Eastland County was redistricted to include Stephens and Palo Pinto Counties. Mr. Bailey was unsuccessful in his bid for re-election to the new district, but later in the year of 1962 he was nominated and elected to fill the vacancy of Eastland County Judge, which was created by the death of the late Judge John S. Hart. He has occupied that position since that time.

Judge Bailey is married to the former Mary Nicholas of Carbon, and he and Mrs. Bailey have two children—John, age 13 and Melissa, age 12. He is a member of the Eastland County Bar Association, of the American Bar Association, and was admitted to the State Bar of Texas in May of 1980.

Chairman Ritchie pointed out that members of the public are cordially invited to attend the luncheon Thursday. It will be at 12:00 noon at the Colony Restaurant. Those attending will simply go through the buffet line and pay the club's treasurer for their meal. Special guests of the club will include the parents of the award recipients and the superintendent and principal for the schools.

Review Board Votes To Nominate Cisco To Register

Cisco has moved a major step closer to being named one of the historically significant cities in the United States. The National Register Review Board of the Texas Historical Commission voted to nominate the main street and a large residential area to the National Register of Historic Places at their quarterly meeting in Port Aransas Saturday, May 2.

The unanimous vote marked a significant milestone toward the completion of an idea and venture which the Cisco Historical Society began in April of 1980. A year and untold hours of work

Softball Assoc. To Meet Monday

The Cisco Softball Association will have a meeting at 7:00 p.m. Monday, May 18, at the Community Room of the First National Bank.

later, the major hurdle has been passed.

As presented to the Review Board, the boundaries of the designated district are as follows: beginning at the railroad tracks on Avenue D and going south on Avenue D to 14th Street, west on 14th Street to Avenue J, north on Avenue J to 9th Street, west on 9th Street to Front Street, north

Boy Scouts To Have Court Of Honor Sunday

Boy Scouts will have a Court of Honor Sunday, May 17, at 3:00 p.m. at the First Presbyterian Church.

Troop 101 will hold their Court of Honor to honor all boys who have advanced for the past year. Rank advancement will include tenderfoot through eagle. The public is welcome. Reception will follow.

on Front Street to the railroad tracks, and east along the railroad back to Avenue D.

As explained by the Texas Historical Commission staff, one last task remains to be finished. A 1980 amendment to the National Historical Preservation Act of 1966 requires that a majority of the property owners in a designated district are to consent to the listing.

The procedure and guidelines for fulfilling this amendment, however, have not been given to the Commission. Thus, the Commission is continuing to review potential listings and holding those to be nominated until the guidelines are forthcoming.

The Commission noted that they are optimistic that all the work can be completed, and that the Cisco District can be formally nominated to the National Register by the end of the summer.

WINS OUTSTANDING HONORS AT FESTIVAL—The Cisco High School Band, under the direction of Wayne White, played "The Flickertail March" and "Suite Italienne" for judges at the Carlsbad, New Mexico, Music Festival on May 1, 1981. Five other AA bands also competed for honors. Cisco received a first division plaque for their musical efforts on Friday. On Saturday they learned that they had been selected as the "Best in Class AA" bands. For this honor the band received a trophy which will be on display in the trophy case at Cisco High School.

The Cisco band traveled to the Carlsbad Festival via two chartered

buses, leaving on Thursday, April 30, and returning on Saturday, May 2. They stayed at the Rodeway Inn with sponsors Carolyn Sipe, LaNelle Anderson, Lee Kinard and Jerry Davis. In addition to playing for the festival contest, trip plans included swimming at the indoor pool, a visit to Presidents Park and a tour of Carlsbad Caverns. Noteworthy to parents and officials of the school are reports of the "good manners and excellent behavior" the Cisco young people exhibited wherever they went on the trip.

Congratulations to the high school band for a job well done!

Service Club Quilt Is Their Contribution To Centennial

Cisco Service Club members are proud to present their contribution to

Cisco's Centennial — their version of the history of Cisco — on a beautiful and

unique full, bed size quilt to be given away by drawing on May 21 at the Centennial Play, during the intermission. The play, under the direction of Cisco Intermediate School's music teacher, Davene Jeffcoat, will be held on "Centennial Day," May 21 on the campus of Cisco Junior College at Harrell Fine Arts Building at 7 p.m.

In search for a club project, the idea of the quilting project grew from passing comments. Sandra Woolley, chairman of the quilting committee, suggested that the club pursue a simple quilting project. Mrs. Woolley met with much enthusiasm from club members and combined with the young women's desire for participation in Cisco's Centennial celebration, the idea for the "Centennial Quilt" was born! So, a hesitant attempt was made at a project which may ordinarily take years for a group to complete. They knew that they had less than six months to complete the project, with only a few experienced quilters.

Luckily, club members had talented and willing husbands, so they solicited Steve Cozart, local builder, and husband of club member Linda Cozart to build their quilting frame, and the club began its work! With all the enthusiasm of the club members, their consistent and diligent efforts, the Centennial Quilt was completed in time for the Centennial Celebration.

Besides all of the handiwork that went into the

making of the quilt, other work was likewise necessary. Mrs. Woolley met with all available and knowledgeable persons for research on the history of Cisco. Bill Roberts, Cisco Junior College instructor, was most helpful in this area, as he is currently working on a book on the very subject. With the idea in mind to select the important events of decades, and to keep the research as simple as possible, Mrs. Woolley compiled Cisco's story. Locating pictures that would be used as patterns for appliques on the quilt was not an easy task, either. Yet Mrs. Woolley being the dependable, thorough and conscientious person she is, did locate the pictures. Club member, Janice Hobbs, did the art work for the patterns to be applied on to the quilt and Mrs. Woolley com-

SOME MATERIAL MAY NOT BE SUITABLE FOR CHILDREN

GORDON SPOT

by DeMarquis Gordon

There are large numbers of insects present this spring. One particular insect is creating a lot of concern in the homes, offices and other buildings in Eastland County. This is a very small wingless insect that jumps or hops similar to fleas. They are not fleas however. The insects are springtails. Springtails are found all over the world and are very ancient insects.

We do not know why there are so many this year. I don't remember ever seeing

springtails before.

Springtails usually feed on fungi and decaying organic material, but some attack germinating seeds, roots and other parts of tender shoots. In the house they are found in damp places or in the soil of potted plants. The small insects are equipped with a ventral "spring" called the furcula which enables the insect to jump some distance.

Any of the household insecticides seem to be effective in killing the springtails. If you have these insects, you

might check your potted plants as the source of infestation. A little Malathion in water should help control insects in the potted soil. I don't believe they attack humans, even though they are sometimes called snow fleas.

It is too early to spray for the pecan nut casebearers, but we have reason to believe they will attack the young pecans earlier this year than they usually do. We are on the lookout for the eggs of the moths and will keep you informed of the time to spray pecans.

It's going to cost more to produce Coastal bermudagrass hay in 1981, and that means producers will need to get more for their

commodity. To cover these production costs, producers will need to sell their hay at more than \$55/ton or \$1.65 per 60-pound bale.

With increasing costs of fertilizer, energy, labor, custom services, chemicals and equipment, breakeven variable or operating costs are projected to average more than \$47 per ton for a three-ton per acre expected yield and almost \$51 per ton for a planned yield of 6 tons per acre. The higher variable costs per ton for the greater yield is due to decreased fertilizer efficiency.

When fixed costs such as interest, taxes, depreciation and land rent are added, total breakeven costs are more than \$55 per ton for the 3-ton per acre yield and slightly less for the 6-ton yield. If land rent was based on the land's market value, the 6-ton yield would have a per ton breakeven price to cover total costs significantly below the breakeven price for the 3-ton yield.

Using a budget and keeping a close check on production costs is critical in managing Coastal bermudagrass hay so as to realize a profit.

The higher the level of planned production, the more critical management becomes in assuring success and profit. Thus, producers must give careful consideration to such areas as sources of fertilizer, methods of application, and whether or not to use herbicides and insecticides.

P.A.C.E. Racing Pigeon Club News

On May 9 we flew our last race for the 1981 Old Bird Season. The birds were turned loose in El Paso at 7:30 a.m. Lee Preston's bird covered the 485.168 miles in eleven hours and eight minutes at a speed of 1278 yards per minute or 43 MPH. Curtis Young's bird took second place at a speed of

1182.781 yards per minutes.

Our young bird races, birds banded in 1981, will start in September. I hope to be in the winner's circle a little more often come September.

If you are interested in joining our club or have any questions, call Jack Parker at 629-2906.

CHS Athletes Recognized At All Sports Banquet

Cisco High School's athletes were recognized in the annual All Sports Banquet Tuesday night in the new banquet room of the White Elephant Best Western Motel which recently opened. The Varsity cheerleaders took care of all the arrangements for the banquet which was catered by Oscar's Barbecue.

Individual awards were given to each student of Cisco High School who participated in some form of athletic events. Special awards were given for football and basketball and recognition was made of those who had excelled in track (girls and boys), golf, tennis and to the cheerleaders, both junior varsity and varsity.

Those receiving awards in football were: Mike Sherman, Stormy Davis award; Chuck Cannistraci, defense award; Forrest Starr, offense award and Players-Coaches award.

Awards for basketball were presented to the follow-

ing girls: Gretchen Cermin, leading rebounder award and leading free throw; Patty Sellers, defense award; Terri Dunahoe, leading scorer and Most Valuable Player; and Kathy Phillips, Miss Hustle award.

Receiving awards in basketball for the boys team were: Gary Speegle, defense award; Joey Worley and Mike Gallegos, leading rebounders; Tracy Owens, leading free throw; Forrest Starr, leading scorer and Most Valuable Player; and Chuck Cannistraci, running award.

A portion of the film of the District meet made by Lloyd McGrew was shown at the banquet program.

C.W. "Whitey" Davidson spoke to those at the banquet and stated he has "never been acquainted with a finer group of young people than in Cisco." He said he has adopted Cisco as his home town and it saddens him to leave, but he will be moving to Corpus Christi after this school term ends.

Mr. Davidson gave his "spirit hat" to Cisco High School principal Jim Puryear with instructions

for him to wear it at this year's football games. Mr. Puryear announced that Mr. Davidson has been

named as an honorary letterman of Cisco High School "on behalf of the kids and coaches."

FOOTBALL AWARDS were presented to three Cisco High School Lobos at Tuesday night's All Sports Banquet. Those receiving awards were (left to right): Chuck Cannistraci, defense award; Mike Sherman, Stormy Davis award; and Forrest Starr, offense award and Players-Coaches award. (staff photo)

CJC Board Accepts Computer From JRB, Land From Rockwell

Formal acceptance of a computer valued at \$48,000 and 3.1 acres of land worth \$6,000 was approved by the board of regents of Cisco Junior College at their monthly business meeting last Monday night.

A Systems Three IBM computer was donated to CJC by JRB Super Markets as the firm recently sold its stores and closed out its Brownwood headquarters offices, Dr. Norman Wallace, CJC president, told the board. The computer, which cost considerably more, has an appraised value of \$48,000. A similar computer was given by JRB Super Markets to Howard Payne University, Dr. Wallace

said. The computer has been moved to Cisco and installed at a cost of \$525, Dr. Wallace said. It will be used for both CJC business and education records. The college's other computer will be used exclusively by students in class work, Dr. Wallace added.

The 3.1 acres of land is a tract along the T&P Railway Right-of-Way in the vicinity of Rockwell Lumber Company and the Hilton Mobley Hotel, and it was presented to CJC by the Rockwell Foundation. It has an appraised value of \$6,000, Dr. Wallace said.

Plans for the 3.1 acres of land will be determined by the board, Dr. Wallace reported. It is possible that it can be used in connection with the Mobley Hilton development, he added.

"We are very grateful to Mr. J.R. Beadel of the JRB company and to the Rockwell Foundation for these very substantial gifts," Dr. Wallace said. "The computer is a valuable addition to our business department and will add considerably to our ability to teach in the business field. We sincerely appreciate this gesture on the part of Mr. Beadel."

Letters TO THE EDITOR

Dear Editor: Cisco's Centennial! What a wonderful week of events and celebrations, culminated by a reunion of CHS exes.

Exes strolled onto the campus, not by dozens, but hundreds to reunite with classmates and teachers from years gone by. Hearts swelled with pride as old grads belted out the Lobo Fight Song, and fond memories burst within as greetings were exchanged.

So many concerned Ciscons gave so much time and effort to make the Centennial a great success. Our thanks and appreciation are extended to all of those who planned, organized, and carried out our Centennial events.

Sincerely, Carroll Barnhill '40 6633 Britley Drive Fort Worth, Texas

"The Rockwell gift can mean a great deal as our community develops as a tourist center. The tract of land will be put to use that will benefit our city."

In other action, the board approved renewal of the ARA Food Service contract for the coming year. The

board approved the acceptance of an invitation for the CJC band and Wrangler Belles to attend the 1981 Macy Christmas Parade in New York City.

Dr. Wallace said this was the fourth time CJC has been invited to the parade, which is broadcast nationally by television networks.

Erin Ritchie, who assists the college in public relations matters, will handle details of the 1981 band and belles trip. Complete information will be available soon.

Dr. Wallace told the board that the school year would end during the week and that plans for summer school would be announced soon.

Nimrod To Have Homecoming Sun.

Nimrod homecoming will be held Sunday, May 17, in Nimrod Community Center. Brother Ted Bailey, former pastor, will be speaking on "Coming Home."

Bring a covered dish. Iced drinks, cups, plates, etc. will be furnished.

Come see old friends.

The Nursing Home provided corsages for the mothers.

On Thursday, May 14, Bro. M. Slaughter, who holds our Thursday morning services, brought special guests with him. His guests were Pastor Armo Bentley of East Cisco Baptist Church and Bro. Skaggs, pastor of First Baptist Church, Early, Texas, and Mark Bird, the director of Education and Music Department at East Cisco Bpatist Church. Bro. Bird led us in our music selections and Bro. Skaggs spoke from St. John 11:35 "Jesus Wept."

The residents were very inspired by this message. Thanks to Bro. Slaughter for always thinking of us at the Center.

After all that is what life is all about, caring for one another.

Senior Citizen's Nutrition Menu

The Cisco Senior Center has been designated as a community focal point for services to senior citizens in the Eastland County area.

The Center will continue, as it has in the past, to provide many services such as: the taking of blood pressure, referrals in the social services area, guidance and referral in regard to money management, provide guidance through shopping opportunities, assisting with requests for employment, develop recreational programs, provide nutritional guidance, make referrals in the area of health care, and other personal problems which result in the aging process.

Ruth Cartee, the senior center director, stated "Nearly all of these services have been provided by the Center since its opening date. The action of the Council of Governments designates the Center and calls to the attention of all senior citizens, in the county and surrounding area, where they may get help with their individual problems."

The programs during the past week were: a musical quartet by Rev. O.T. Killion, Mozell Phillips, Dixie Montgomery, and Mrs. O.T. Killion. Mrs. Killion accompanied the group by playing the piano. Another quartet also sang Vernon Hagar, Ruby Dunlap, Jack Robertson, and Mrs. Jack Montgomery. Mrs. Anna Dysel accompanied the group.

The Eastland and Cisco volunteers were honored with a breakfast last Tuesday. Eighty members attended the breakfast. It is always a delightful occasion when the Cisco and Eastland groups get together for food and fellowship. Table games followed the breakfast.

The menus for the week are:

Monday--chicken fried steak/gravy, buttered new potatoes, chopped broccoli, pear halves/cheese, bread, butter and drink.

Wednesday--beef and macaroni, blackeye peas, glazed carrots, banana pudding, bread, butter and drink.

Friday--beans and franks, turnip greens, harvard beets, peach cobbler, cornbread, butter and drink.

SCHOOL MENU

The breakfast and lunch menus for the Cisco Primary, Intermediate, Junior High and High Schools during the week of May 18-22 are as follows:

Monday: breakfast--oatmeal, apple juice and milk. Lunch--pizza, buttered corn, applesauce, cake and milk.

Tuesday: breakfast--rice, juice and milk. Lunch--pinto beans, corn on the cob, carrots, celery, cornbread, fruit and milk.

Wednesday: breakfast--doughnuts, juice and milk. Lunch--chicken patties, mashed potatoes, english peas, roll, ice cream and milk.

Thursday: breakfast--cereal, juice and milk. Lunch--barbecued weiners, ranch style beans, salad, brownies, roll and milk.

Friday: breakfast--toast, jelly, prunes and milk. Lunch--burritos and cheese, cole slaw, pineapple, graham crackers, roll and milk.

The menu each week is subject to change.

The weekly publishing of the school menu is sponsored by the P-T-O.

There will be no published menu for the last week of school, May 25-29.

Hospital Auxiliary To Meet Monday

The general meeting of the E.L. Graham Memorial Hospital Auxiliary will be held at 2 p.m. Monday, May 18, at the hospital. Update of the hospital, will be the subject of a talk by Bill McKinnon, consulting administrator from Hendrick Medical Center.

QUEENS BASKETBALL HONOREES at Tuesday night's Banquet were (left to right): Terri Dunahoe, leading scorer and Most Valuable Player; Kathy Phillips, Miss Hustle award; Gretchen Cermin, leading rebounder and leading free throw award; and Patty Sellers, defense award. (staff photo)

BASKETBALL HONORS were given to members of the boy's basketball team Tuesday night at the All Sports Banquet. Members receiving awards were (left to right): Forrest Starr, leading scorer and Most Valuable Player; Mike Gallegos and Joey Worley, leading rebounders; Tracy Owens, leading free throw award; and Chuck Cannistraci, Running award. Not shown was Gary Speegle, defense award. (staff photo)

Jewelry Industry Discussed At Rotary

Two aspects of the jewelry industry--diamonds and their substitutes, and watches--were discussed and demonstrated at the Cisco Rotary Club's noon luncheon Thursday by Al Anderson, Cisco jeweler. Displays from the Anderson Jewelry Company's stocks were passed around for inspection as Anderson sketched in necessarily rapid detail, advances in techniques and mechanical design in these areas.

Next week's luncheon of the club will mark a special event annually observed for some fifteen years when two Cisco High School graduates, Gretchen Cermin and Mike Keating, will be presented Citizenship awards. Presentation will be made by County Judge Scott Bailey, it was announced by Erin Ritchie, program chairman.

Parents of the students

will also be recognized and members were invited to bring their wives or other guests, which several indicated they would do.

Of significance in Anderson's discussion was the difficulty, from a layman's view, of distinguishing between the beauty of the latest of diamond substitutes, the CZ or Cubic Zirconia, and the real stone, a difficulty emphasized by the fact that the ersatz gem rarely sells for more than \$100 while the genuine article commands prices ranging into the thousands for a modest size.

In the field of watches Anderson traced a development from the spring-wound escapement, standard for so many generations, to the most sophisticated of modern quartz-energized mechanisms which yield no more than three minutes of error in a year's operation. There was even a wrist

watch containing a computer in addition to the usual time-keeping apparatus. Various forms of electronic and quartz mechanisms were briefly discussed and exhibited, such as Accutron, Pulsar and so forth, each of which brought forward improvements Anderson suggested had now appeared to reach a level of stabilization.

A used piano, purchased by the club to meet a program need long felt, was on display in the club meeting room at the Colony Restaurant. President Norman Wallace, who was also program chairman for the day, announced that it would be put to use at the next meeting after a badly needed tuning.

OIL NEWS

Texas operators reported 117 gas and 37 oil discoveries in April 1981, the Railroad Commission's Oil and Gas Division announced today.

In the year-earlier month, 83 gas and 52 oil discoveries were filed with the state's energy regulatory agency.

Gas discoveries in the fourth month of the year included 46 in deep South Texas, 19 in the Refugio area, 15 in West Central Texas, 12 in Southeast Texas, six in East Texas, five in the Midland area, four in the San Antonio area, three each in East Central Texas and the San Angelo area, and two each in North Texas and the Panhandle area.

Oil discoveries included six each in West Central Texas, North Texas, and the Refugio area, five in the San Antonio area, four in Southeast Texas, three each in the San Angelo and Lubbock areas, two in the Midland area, and one each in deep South Texas and the Panhandle area.

In April, operators reported 227 exploratory and field tests wound up as dry holes. New applicants for permits to drill oil and gas tests totaled 3,359 in April, compared with 2,646 in the same period of 1980.

Applications to drill, deepen, plug back and for service wells in April amounted to 3,585 against 2,922 a year earlier.

Operators filed 811 amended applications to drill. A year earlier they submitted 560 amended requests.

Texas oil and gas wells produced 583,259,315 Mcf of gas in January 1981, down 3.96 percent from field runs a year earlier.

Marketed gas production

totalled 502,647,367 Mcf and reflected a 3.55 percent decrease from the January 1980 volume. Marketed production is the total gas to transmission lines, carbon black and plant fuel and lease use.

Gas exported from Texas in January totaled 278,561,666 Mcf. Natural Gas Pipeline Co. of America was the month's largest exporter, moving 74,803,896 Mcf of gas of which 39,199,206 Mcf was Texas-produced gas.

Exports of Texas-produced gas in January totaled 205,068,679 Mcf, and reflected a 3.82 percent decrease from the year-earlier month.

Texas gas production in January came from 210,742 oil and gas wells.

In December 1980, Texas wells produced 586,792,097 Mcf of gas. Marketed gas production in December totalled 505,328,106 Mcf. December exports of Texas-produced gas totaled 197,751,998 Mcf.

***** Sites chosen in Eastland

Van Oil Corp. from Pasadena, Calif., filed applications to drill three Eastland County wildcats three miles southeast of Cisco.

Each test has a proposed depth of 4,000 feet.

No. 1 D.D. Castle will be drilled on a 720-acre lease.

It spots 660 feet from the north and 1,980 feet from the east lines of Section 48, Block 3, H&TC Survey.

No. 1 McCracken Trust will be drilled on a 670-acre lease.

Site is 660 feet from the south and east lines of Sec-

tion 47, Block, 3, H&TC Survey.

Site for No. 2 McCracken Trust is 1,980 feet from the north and 660 feet from the west section lines.

Kahan Energy Corp., Cisco, will drill two wildcats three miles northeast of Scranton. Each test is slated for 660 feet.

No. 9 Gardner will be drilled 2,950 feet from the north and 2,377 feet from the west lines of Section 130, Block 3, H&TC Survey.

Site for No. 10 Gardner is 2,167 feet from the south and 2,114 feet from the east section lines.

Nimrod Operating Co., Cisco, staked No. 1 Wright as a wildcat two miles south of Cisco.

Having a proposed depth of 1,800 feet, it spots 1,500 feet from the north and 1,200 feet from the west lines of Section 69, Block 3, H&TC Survey.

Sentinel Petroleum Corp., Hurst, plans No. 1-C Louise Harlow as a proposed 3,900-foot wildcat five miles southeast of Cisco.

Location is on a 40-acre lease, spotting 630 feet from the north and 2,173 feet from the west lines of Section 27, Block 3, H&TC Survey.

Scranton High School To Hold Homecoming

Scranton School Alumni will hold their Annual Homecoming, Sunday (June 7, 1981), beginning at 9 a.m. at the Scranton Community Center on the School grounds.

Presentation of Awards: (Oldest Graduate and Farthest Traveled)

(The Afternoon program is flexible and may vary from the order printed).

Officers for 1981: Jack Ledbetter, President; Donald Rhyne, Vice President; Mary Alice (Morgan) Edwards, Secretary-Treasurer

Program Committee: Mildred (Boland) Geist, Chairman; Opal (Gattis) Edwards, and Jean (Bailey) Posey.

The Scranton Exes Committee would like to request that every Former Student and Teacher who has not received an Invitation, send their Name and Current Mailing Address to: Mary A. Edwards, Sec'y, P.O. Box 92 Moran, Tx. 76464, so the Mailing List can be updated. Saturday Night (June 6, 1981), preceding Homecoming, is the date for the Monthly Country & Western Musical at the Center. Many of us come early and enjoy the Music provided by Amateur Groups from the surrounding area.

Tarleton Graduates Largest Class

Degrees were conferred on the largest graduating class since Tarleton State University awarded its first baccalaureate degrees as a four-year institution in 1963 at spring commencement exercises on the TSU campus May 10. Tarleton President Dr. W.O. Trogdon awarded master's degrees to 51 students, bachelor's degrees to 237 students, and associate degrees in nursing to 31 students.

Dr. John M. Prescott, Vice President for Academic Affairs at Texas A&M University, was commencement speaker.

The Distinguished Teaching Award for the 1980-81 school year was presented to Dr. A.O. Grant by TSU Vice President Dr. Robert Fain. Dr. Grant, a native of Breckenridge, is former head of the Department of Social Science and has been at Tarleton since 1948. He resigned his position as head of the department in 1976 to return to full time teaching. The award is made annually by the Faculty Senate and the Student Senate.

Field Day Planned for 4-H

Eastland County 4-H Adult Leaders Association met Thursday night, May 7 at the Eastland National Bank Community Room. Chairman Phil Osborne called the meeting to order. Members present were Marceil Laminack, Barbara Long, Betty Kidd, Troy Cross, Phil and Sandra Osborne and Extension Agents John Blair and Donna White.

Reports were given on past 4-H activities such as the county-wide Clothing Training, County and District Round-Up contest and County-wide Record-book Training.

One upcoming new event, the Wildlife Field Day, was

discussed. The July 7 Field Day at the La Mancha Ranch will feature several different workshops and recreation in the 4-Her's may participate in. The workshops will begin at 9:30 with a choice of these topics: Small Animals, Skinning and Tanning Hides, Fishing, Tour of the Ranch, Fresh Water Aquariums and Trapping Furbearing Animals. The 4-Her will have an opportunity to participate in 4 of those workshops listed above. A weiner roast will be furnished for the noon meal by the Adult Leaders Association.

The Association also voted to pay half of everyone's way to County Camp again this year. A portion of the State 4-H Congress delegates will also be paid. The delegates way to the 4-H District Leadership Lab will also be provided by the Association.

A committee of Marceil Laminack, Betty Kidd, Vonda Anderson and Barbara Long were selected to serve as the nominating committee for the 1981 year. The next Adult Leaders meeting will be July 30 at the Eastland Park and will feature a Family Night Ice Cream supper.

Beef Cattle Short Course To Begin Monday

Livestock producers and other interested adults are reminded of the Beef Cattle Short Course to be held May 18-21 at 7:30 p.m. in the Eastland Voc Ag Building.

Dr. Elmer Krehbiel, Beef Cattle Specialist with Texas A&M University, will conduct the program. Subjects to be covered in the short course are: nutritional requirements, winter feeding, minerals, vitamins, feed additives, implants, facilities, equipment, selection of bulls and cows, animal identification including freeze branding, cross breeding, feeder

cattle grades, diseases, parasites, reproduction, market trends, and management for efficient production.

Additional information may be obtained from the Vocational Agriculture Teachers, Charles Hutto or Fred Brown, at 629-1021

Focus On Customers

To be effective in planning community festivals, fairs and similar events, focus on the customer, emphasized Dr. John Crompton at a recent conference for community planners at Texas A&M University.

"Find out what the people want," said Crompton, an associate professor with the Texas Agricultural Experiment Station and Texas A&M's Department of Recreation and Parks. "It's not what you want that's important but what your customer wants."

"You need to sell the benefits of your product, not the product itself," he noted. "Your promotional material must convey what the benefits of your product (event) are." He pointed out that most people take part in events such as fairs and festivals because of excitement, increased self-satisfaction and self-worth, and association with peer groups.

In marketing an event or activity, Crompton listed five sets of tools to work with: clients (different groups of people), products (what you have to offer), time and place, price and promotion. "If you aren't as successful with your event as you would like to be, then you can change any one or a

combination of these five items," he noted.

Crompton suggested segmenting the product or event to satisfy different client groups, such as youth, senior citizens and those of various nationalities. Various activities and events can also be planned on socio-demographic, behavioral and geographic differences.

"As far as promoting an event is concerned, the best promotional tool is for people to see the actual site," said Crompton. "Put your fair where most people will see it, where the most traffic is. This is the best, cheapest promotional tool you've got."

Crompton also noted the importance of adding a new dimension to your product (fair) each year and to build your promotion around it. "Bring in something new each year and abandon old things that have turned into losers," he emphasized.

The conference was sponsored by the Texas Agricultural Extension Service, Texas A&M Department of Recreation and Parks, Bryan-College Station Chamber of Commerce, Discover Texas Association, and Texas Association of Fairs and Expositions.

GRAND OPENING!

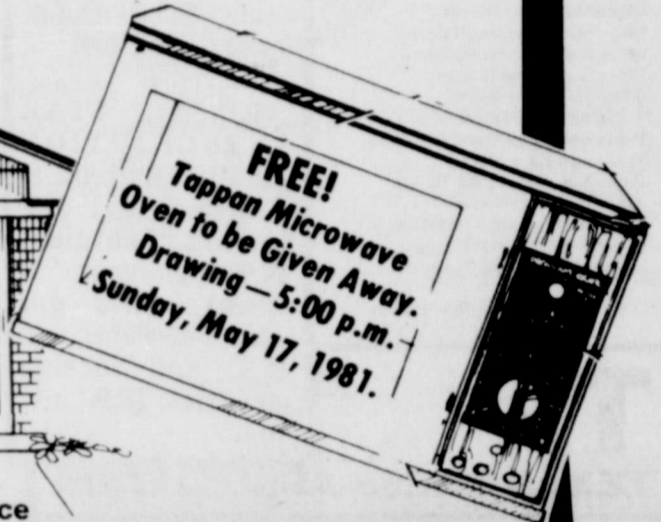

Sunday, May 17

I'm working for you... building the Answer Home.

Realtors Welcome!

new homes from
\$35,350

If there's one thing you can depend on these days it's...nothing stays the same. Food, clothing, and rents—they're all increasing. The price of living will never go down—that includes new homes for growing families. But the benefits of owning a new Answer Home by Colony are still as important today as they were yesterday. Some of my friends keep telling me it costs too much to buy such a home. Well, I'll be darned, Colony Homes and I have an idea...a new Answer Home from \$35,350.

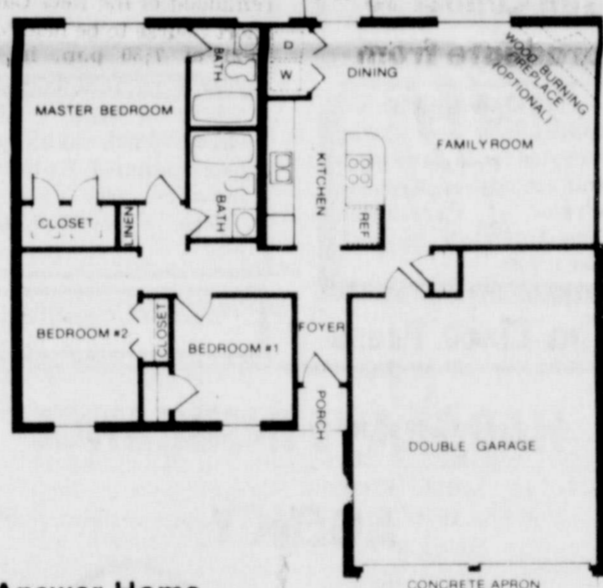

Colony Homes invites you to its spectacular GRAND OPENING all this week at Colony Square. Colony greets you with incredibly low prices on the all new, exciting Answer Homes.

Some friends have asked what is the Answer Home. It's the good 'ol country atmosphere complete with wide open space. Why, it's only the most satisfying place you'll ever want to put your feet on! And, take it from me, Arnie—craftsmanship is the most important part of the total "Answer."

It Costs More To Rent Than Own!

The cost of a new Answer Home is within your reach—here is why! When income tax day rolls around you get a nice tax deduction on your new Answer Home. And your monthly mortgage payment always stays the same — it never increases.

Inflation, man 'o man am I worried about that. But my Answer Home will generally increase in value because of that same inflation. Remember too, there are no hidden repair costs in a new Answer Home. It's built better than many older or used homes. Also, the more money you "invest" in your new Answer Home, the more you can get in return if you have to move. I tell 'ya, it's almost better than putting money in the bank.

The Answer Home — Combines Efficiency And Comfort

A while back, my friends at Colony and I realized new homes were costing too much. Material shortages and construction costs were sky-rocketing. Well, a new era is here—the new Answer Home. I've cut needless cost while increasing efficiency and comfort. I know your salary may not be large, so I've built a home with many features found only in much more expensive homes priced from just \$35,350.

I give you total liveability and affordable price in a two or three bedroom, two bath Answer Home. It's back-to-the-basics with a difference — comfort. Everything you need is combined into one beautiful home. Here's from 926 to 1,375 sq. ft. of space to grow and enjoy life. Ladies can have that terrific sewing room, the men can putter around their work shop, and the kids can have their own room, too. Then there's the all electric kitchen with dishwasher, disposal, range, and vent hood, woodburning fireplace, fully carpeted, marble vanities and walk-in closets. And a one or two car garage is available to protect and store your cars or tools. Finally, look at this important feature — your new Answer Home is an energy saver. It's packed with energy saving materials and products. You have your own thermostat. It controls just the right amount of soothing cool air in the summer and cozy warm air in the winter—there's very little waste. In a Colony Answer Home, you'll find room for anything and everyone.

Freedom Of Choice

That's what my Answer Home offers! You choose your floor covering or carpet colors. Feel free to select from a variety of brilliant kitchen counter finishes. Your bath will be a masterpiece with your choice of color motifs. Best of all, my Colony friends have a host of "customizing" floor plans, and distinctive exteriors for you'all. Ladies and gents, it's fun and rewarding to pick out the final touches that make your house a real home.

You Can Have Confidence In Colony Homes

They're the NUMBER ONE builder in Eastland County. That's a big responsibility. That is why I've got to build the most value for every dollar in your new Answer Home—it's my reputation. I'm so confident, I can guarantee your new Answer Home for TEN FULL YEARS from major structural defects (Home Owner Warranty). Naturally, the Answer Home is FHA and VA approved. Floor to roof, Colony's got quality.

This is your family's largest single investment—it's also the best! The Answer Home is your "protection" against inflation. And I think my common sense approach to building the Answer Home is your sign of dependability. The Answer Home is the way to own a valuable home at a price you can live with.

Take The Tour

Come out today and let Pat Burton at Colony give you a guided tour during this fabulous GRAND OPENING. Register for Free Prizes Now.

Get out of the rent rut — and get into a new Answer Home by Colony for an affordable price starting at \$35,350.

Tell 'em Arnie said it was OK to look around!

CHURCH SERVICES

Sunday, May 17, 1981

FIRST CHRISTIAN CHURCH

Church School begins at 9:40 a.m. and morning worship at 10:50. The JYF will meet at 4 p.m. Sunday. Choir practice will be held at 7 p.m. Tuesday. The night group of CWF will meet at 7:30 p.m. Wednesday.

REDEEMER LUTHERAN CHURCH

Sunday School classes and adult Bible hour begin at 9:30 a.m. The worship service in the Parish Hall begins at 10:30 a.m. Pastor Crockett's message is entitled "Building For Eternity!" based on Ephesians 2:19-22. The Lutheran Hour will be aired over KERC at 12:30 p.m. Pastor Wallace Schulz reminds everyone that no one can live a perfect life; therefore, he urges his listeners to turn to the Lord Jesus just as they are. His sermon is entitled "Your Sin-Debt Is Cancelled!"

The service of dedication begins in the new church building at 3 p.m. Pastor Theodore R. Griesse of St. Mark Lutheran Church in Waco will bring the message. His sermon is entitled "Living Stones!" based on I Peter 2:4-10. All guests, visitors and members are invited to remain for the barbecue which will be served in the Parish Hall after the service. Adult Information Session will meet with Pastor Crockett in the Parish Hall on Monday from 9 to 11 a.m. Ongoing Ambassadors for Christ seminar will be in the

Parish Hall on Tuesday from 7 to 9 p.m., beginning with a pot-luck meal. Please bring a main dish and a salad or dessert. Pastor Fred Darkow from Winfield, Kansas, and Mr. Jeff Baker from St. Louis, Missouri will also present helpful matters on estate planning. All the members are urged to attend. Special appointments may be made for private conferences in estate planning.

The Nursing Center worship service will be on Wednesday at 10 a.m. Vacation Bible School planning session will meet in the Parish Hall at 8 p.m. Catechism class will meet in the Parish Hall on Saturday from 10 to 11:15 a.m.

Lutherans To Dedicate New Church

Redeemer Lutheran Church will dedicate its new church on Sunday, 17 May 1981 at 3:00 p.m. Pastor Theodore R. Griesse of St. Mark Lutheran Church in Waco will bring the message. Area Lutheran pastors will assist the host pastor, The Rev. Dell J. Crockett, in the dedication service.

The new church is of traditional design and will comfortably seat 250 people. Faceted glass windows throughout the Chancel, Nave, & Balcony symbolize Old and New Testament themes, and were designed

by Miller-Cowan & Associates of Belton.

Worship facilities measure 40'x80'. Cost of the new church is approximately \$200,000, and the members are within \$40,000 of retiring the total expense.

Architect is George A. Petersen and general contractor is Hubert L. Hays, Inc., both of Ft. Worth. Chancel furniture (altar, pulpit, lectern, communicant's rail, sedelia) were built by Griffin and Sons of Brownwood. Pew, Baptismal Font, Altarware, & Organ from the old church will be used in the new.

Members of the Building Committee are Joe D. Ziehr, Chairman; Mrs. Ed (Irene) Wende, secretary; Loren Stroebel; Roland Stroebel; Fred Ziehr; and ex officio members Dr. Ayres R. Cermin, Chairman of the congregation and Pastor Dell J. Crockett. Mr. Edwin Wende is serving as the Congregation's Building Supervisor.

The public is cordially invited to the festival of dedication Reception & open house in the Parish Hall will follow immediately after the Service.

Officer Si Bradford a colorful character

Boyce House in his book, "You Can Always Tell A Texan, (But You Can't Tell Him Much)", tells this story of a well known person or two around these parts of the county for many years.

We quote - from page 30 in Boyce's book, "perhaps the best known name among citizens of Palo Pinto County was that of a native son, the late James C. Wilson, who served in Congress and then for many years as United States District Judge in Fort Worth. Another name mighty well known in the county was that of the late Si Bradford, noted peace officer of Strawn.

One day a long sleek automobile, driven by a colored chauffeur in livery, rolled into Strawn. In the back seat was a distinguished-looking man, wearing a dark suit and a black hat. He was reading some important looking documents through glasses that were on a long cord.

The car cut across the middle of the block and drew up at the curb. Marshall Bradford sauntered over and addressed the owner. "Have that driver back up and go to that turning - block at the intersection and come in right."

"Oh, come now, my good fellow," the visitor said, "We are already here."

"Or," Bradford continues, as though he had not been interrupted, "I'll have to take you down to the city hall."

"Surely you wouldn't do that," the other remonstrated.

"And the fine," Bradford kept on, in a level tone, "Will be \$14.95."

The stranger bristled, "Do you know who I am?"

Si could well have put the same question for he was one of the most renowned peace officers in the annals of the Southwest, but he merely drawled, "No, I don't know who you are."

"Well, I'm an associate Justice of the Supreme Court of the United States."

Si sifted his "chaw" to the other jaw and replied, "I don't care if you're Jim Wilson himself, you'll have to obey the law in Strawn" - end of quote.

And people did obey the law in Strawn, too, with peace officer Si Bradford around to enforce it.

Si started out peace officering in April 1900, when Strawn was a booming coal mining center.

Bradford started living in Palo Pinto County in 1883.

Si Bradford

His favorite firearm that was his protection, was a Remington derringer which he carried constantly from the year 1900. He had many "close calls," and on one occasion the firearm proved most effective in saving his life.

This was in 1913 when he had had a feud for several months with a saloon-keeper. The saloon-keeper bought him a new 45 and was boasting around town that he was going to get Bradford. It wasn't long until a man was forcibly evicted from the saloon and the saloon-keeper, expecting trouble, grabbed his new 45 and went outside. Bradford was standing at the door and he warned the saloon-keeper not to come outside with the gun. The man whirled and fired and the bullet tore through Bradford's left wrist. But he quickly drew his gun with his wounded hand, and with numb fingers, managed to bring his gun to his right hand while the saloon-keeper was firing at him. Three of the saloon-keeper's bullets tore through Bradford's left coat pocket, ripping a plug of tobacco in shreds and the derringer came through once again for Bradford, dropping the saloon-keeper, mortally wounded.

Bradford won national fame when in 1927 he tracked down three of the four Cisco "Santa Claus" bank bandits in the Battle of South Bend.

BIRTHDAYS

We salute the following Ciscoans who have birthdays during the week:

May 18--Ann Adams, Mrs. E.E. Maples and Charles Ingram.

May 19--Mrs. W.W. Shirley, Roy Hathaway, Mrs. Wayne Reynolds, Mrs. Joe Tullos, Gerald Harris, Danny Gosnell and Diane Marie Thompson.

May 20--Revis Gregg, H.K. Neeley, Willie Elton James and Suzanna Parks.

Older Americans Have Inadequate Diets

Millions of older Americans are eating poorly. Inadequate diets may be undermining their health and weakening their ability to live independent, self-sufficient lives.

Some estimates indicate that one-third or more of the 24.1 million Americans age 65 and over may consistently lack basic nutrients essential to their physical and mental well being including proteins, vitamins, minerals, fiber from fresh fruits and vegetables and whole-grain cereals, and other recognized basic dietary needs.

Inflation may be increasing the toll of elderly malnutrition. Many older people are spending a larger portion of their income on heating fuel and rent, which may mean less money for food.

Inflation and poverty are not the only or perhaps even the leading causes of

elderly malnutrition. Although some older people are too poor to eat adequately, many others eat poorly because they have lost the interest and incentive to prepare and consume anything more than snacks and sweets, the type of junk food usually low in those nutrients older people need most, while high in sugar, sodium and fats, which they should eat sparingly.

Poor nutrition tends to feed on itself and form a vicious circle. Poor diet results in low energy and a depressed outlook which in turn translates into low interest in cooking and eating.

The national nutrition program for older people, which operates at 39 sites in the West Central Texas Council of Governments Area Agency on Aging area, tries to do more than merely provide food. The program

recognizes that mealtime is a time for socializing, and so it provides social outlets for many older people and thus deals with some of the social factors linked with bad nutrition.

The national nutrition program for older people aims especially at low-income elderly persons; older people unable to shop for food and to prepare well-balanced meals because of disabilities or lack of skills; and older people whose feelings of loneliness, discouragement or rejection, reduce their incentive to prepare and eat their meals alone.

Although such priorities are part of the 1972 legislation establishing the nutrition program, Congress set no eligibility limit other than the age of 60. All persons 60 and over, and their spouses, regardless of age, may participate.

The goal of the program is to help meet "the social

needs of millions of persons aged 60 or older" as well as their nutritional needs and to "reduce the isolation of old age, offering older Americans an opportunity to live their remaining years in dignity," the Older Americans Act states.

The nutrition program has grown and expanded rapidly since its launching in 1973. The number of meals served annually has passed the 150 million mark, with about 167 million meals served in 1980-40 million of them home delivered. The proportion of meals served to home-bound older persons has been increasing rapidly.

The group meal sites, where about 76 percent of the total meals are served, are located in senior centers, churches and synagogues, housing for older people, schools, restaurants and other types of sites.

Most nutrition sites offer some social or health services, such as transportation, hearing and blood pressure tests and legal counseling, and some offer recreational and educational programs.

Every nutrition site uses volunteers. Volunteers outnumber paid staff by about eight to one—256,000 volunteers to about 32,000 paid staff nationwide.

With food costs rising steadily, so have per-meal costs in the program—from \$1.80 in 1978 to about \$2.14 in 1979, counting both food and preparation costs.

At these nutrition sites, participants are given an opportunity to make a contribution for their meals. These contributions are used in the program to provide the meals at the site at which they were donated.

Homemaker's Tips

Recently I have read and seen where some schools are already having pre-registration for public school kindergarten children next year. I am going to write this week's column on what you as a parent can do to help your child take this "big step" successfully. Parents play a major role in helping their 5 year old make this big adjustment without being fearful or anxious.

When a child develops a fear of school or even refuses to go, both the child and parents are physically and emotionally drained unless the situation receives immediate attention, a temporary crisis may become a chronic problem.

During the summer months, parents can help prepare their kindergarten age child for this new experience. How can parents do this? Here are some practical suggestions - some "do's and don't's" - which have proven effective:

"Don't make the beginning of school a topic of daily conversation during the summer months."

"This summer, don't allow older children to frighten or tease the younger child with tales of how awful school is. If necessary, speak with the older children privately about their responsibility in helping the younger child go to school without fear. Try to make the older children your allies."

"Do answer honestly all questions the child asks about school and what to expect. The "little" details on how long he will be away from home, and how he will get back and forth to school are all important. Working mothers will also want to make certain that the child knows the arrangement for before and/or after-school care."

"Do treat going to school as part of the normal course of events, something is expected."

"Don't give the impression that there is any choice about whether to go or not to attend school. Parents should not argue the issue. A calm, matter-of-fact, positive attitude. You may want to add that there is a law that requires school attendance."

"DO communicate to your child that you appreciate the effort he or she is making to do what is being asked, and that you as a parent will do your part to make it as easy as possible for the child to meet this new responsibility. There are many ways to communicate this support: "Would you prefer your new shoes or your sneakers for the first day of school?" Or, "think of something special you would like us to do when you get home from school!"

"Do make transportation plans clear to the child. If the child is to walk to school, walk the route together

several times before school begins.

"Don't set a pattern of walking into the classroom. Goodbyes are best said at home or in the car."

"This summer, parents should make every effort for their child to meet and make friends with other children that will be entering kindergarten."

"Many non-working mothers look forward to the free time they will have once their child enters school. However, don't tell the child how much fun you are going to be having while they are in school."

"Do create a normal routine atmosphere at home the first few days of school. This does not mean that you deny or avoid the uniqueness of the first day of school but, on the other hand, don't give the child the impression that his leaving for school is the same magnitude as "Lindbergh's solo flight over the Atlantic". Parent's responsibility is to provide reassuring support when needed, but otherwise to "play it cool".

"Don't assume that all the child's anxiety is the child's. A mother's worry and tension are highly contagious for the child."

These "do's and don't's" are just some of the practical suggestions. I hope they will

Sunday, May 17, 1981

help you prepare your 5 year old for their school experience.

RECIPE FOR THE WEEK
Zero Salad Dressing (Low Calorie)

½ cup tomato juice
1 T. finely chopped onion
2 T. lemon juice or vinegar
Salt and pepper to taste

Put all ingredients in a jar with tight-fitting lid. Shake well each time before using. Keep refrigerated. NOTE: Parsley or green pepper may be added.

RETIREMENT PARTY—Carey W. Hightower, (center), was honored with a surprise retirement party Friday, May 1, at the Hightowers home in Cisco. Hosting the occasion were their daughter, Kathy Hightower of Huntsville; their son and daughter-in-law, Mr. and Mrs. Carey W. Hightower, Jr. of Cisco and employees of Thrift Mart, Avenue E, (formerly JRB). Mr. Hightower was presented a 35 year service plaque engraved with store employees' names. Making the presentation was (left) Rick Abbott, store manager, along with Mrs. Carey W. Hightower (right).

Punch and cookies were served to guests attending from Cisco, Breckenridge, Abilene, Burkett, Eastland, Olden, Brownwood and Huntsville.

Mr. Hightower was employed by JRB Super Markets for 16 years. He had been the manager of the JRB store in Cisco since 1970. He had worked 35 years for different companies before his retirement.

Moran News

By Mrs. Luke Huskey

COUNCIL MEETING

At the Moran City Council meeting, Tuesday night, May 5, the Council voted to charge \$50.00 for a sewer hookup. The previous charge was \$20.00; also the water bills were changed. Water customers within the city limits will have a \$12.00 water bill for 2,000 gallons of water and the trash hauling will be \$2.00 for a total of \$14.00. The sewer charge will remain \$5.50. The outside water customers will have \$15.50 plus \$3.00 for trash hauling. These price increases are due to the financial circumstances of the city.

The city secretary will collect the city taxes.

The Continental Telephone Co. had sent a franchise tax check for \$74.62.

No sales tax check was received in April.

The city had used 842,500 gallons of water or 2.58 acre feet. 186 meters were reported.

The city had received a revenue sharing check for \$289.00.

Wesley and Brenda Hough have been employed by the city and will take care of the city business.

The council asks that anyone having any complaints, to write the complaint, sign the complaint and leave the complaint at the city hall.

Mrs. Will Townsend is receiving treatment in the Albany Hospital.

Mrs. J.J. Thomas is receiving treatment in the Haskell Hospital.

Kamber Knowles spent the weekend with his mother, Mrs. Floyd Knowles. Mrs. Knowles returned home with him for a visit.

Mrs. Pearl Roach of Abilene and nephew, Edward Hayden of Dallas were greeting friends in Moran and attended the Methodist Church.

BIRTHDAY CLUB PARTY

Members of the Birthday Club met at the American Legion Hall in Moran Friday night, May 8, and helped Mrs. R.W. Brooks celebrate her birthday. A delicious "pot luck" supper was enjoyed by the group, after which the happy birthday song was sung, along with many greetings. Mrs. Lucion Brooks gave a reading. Those helping Mrs. Brooks celebrate her birthday were Mr. Brooks, Mr. and Mrs. Lucion Brooks, Ezra Weir, Merle Newton, Elma May Huskey, Mildred Smith, Barney Midkiff, Mr. and Mrs. R.O. Smoot, Mr. and Mrs. Robert Thompson and Mae Delle Jones.

Mrs. Fred Bankston spent the weekend with her children in Arlington and Everman, Mr. and Mrs. J.J. Porter and family and Mr. and Mrs. Jim Bankston and family.

AMERICAN LEGION AUXILIARY

Forty persons attended the salad supper given Saturday afternoon, May 9, honoring the senior citizens of Moran. The supper was held at the American Legion Hall. Mrs. L.B. Jones, auxiliary president, greeted the visitors

The Pack Plays Double Header And Wins Both

Cisco's pro team The Pack played a double header here Sunday, May 10, with the Abilene Jets. Cisco won the first game 12 to 3 and won the night cap 9 to 3. The Pack played two outstanding ball games and their record is now 4 wins and two losses.

The following are team members who played Sunday: Ronnie Webb, Jim Speegle, Buddy Ramirez, Andy Hawari, Craig Kent, Ed Murphy, Cam Webb, JoBob Moore, Ronnie Eudy, Chuck Cannistraci, Chris Mellette, Brad Wilcoxon, Lenord Brown and Ronn Clark, coached by Ralph Ramirez and Jackie Williams.

Cisco will play the Abilene Pirates in Abilene Sunday, May 17, at 2 p.m. Cisco has a real good ball team, come out and watch the men play.

John Isenhower Receives Award

John D. Isenhower of Putnam has been awarded a federal government Gold Service pin and letter of appreciation for 35 years of service as the official cooperative weather observer for their West Texas community.

For more than a quarter of a century, Isenhower has taken daily temperature and rain readings for the National Weather Service. All the data he collects is compiled and mailed monthly to the Environmental Data Services National Climatic Center in Asheville, North Carolina. There the information is processed for computer storage and published in NOAA's Climatological Data to become part of a permanent record of the world's weather.

Isenhower was the mayor of Putnam for many years. He is semi-retired and tends to his farm.

SCHOOL NEWS

Cheerleaders for Moran High School both high and grammar school were elected at a school meeting last week. High school cheerleaders for 1981-82 are Jana Miller, Sindia Martinez, Kathy Jackson and Blanche Jenitho. Mascot will be Hollie Stewart. Grammar school cheerleaders will be Shirley Mark, Jennifer Whitt, Windi Smith and Becky Martinez.

Melvin Holland and Sharla Mitchell were elected Mr. and Mrs. M.H.S.

Gay Garrett was elected athletic queen and Billy Parrish was elected athletic king.

Grammar graduation will be held on Thursday night, May 28. Tiffany Brooks is the valedictorian and Hollie Stewart is the salutatorian. High school graduation will be on Friday night, May 29, with Pam Raymond as valedictorian and Susan Stewart as salutatorian. The exercises will be held at 8 p.m. in the high school auditorium.

Piano Recital To Be Tuesday

Some of the students of Mrs. Lloyd Swindle will be presented in a piano recital Tuesday, May 19, at 7:30 p.m. at the First Baptist Church in Cisco.

The students to be presented are Steve Couch, Dana Carlile, Kim Arnold, Angie Bradford, Janet Glenn, Charla Bradford, Heidi Lundstrom, Jana Muller, Kristie Cozart, Renee Dillard, Cheryl Casey, Kyle Crockett, Amy Hawkins, Vickie Morton, Diana Lane, Marla Crockett, Karen Crutchfield, Misty McCullough, Allison Williams, Staci Jones, Deanna Parrigan, Anthony Howard, Jeffery Howard, Leah Lambeth, Katie Baird and Rhonda Bradford.

The program will consist of hymns and classics. The public is invited to attend.

Pleasant Hill Homemakers Club Holds Meeting

The Pleasant Hill Extension Homemakers Club held a meeting Thursday, May 14, in the home of Mrs. Monte Booth with co-hostess, Pearl Booth.

Present for this meeting were 14 members and three visitors, Dorothy Barton, Paula Simms and Verlie Baird. The devotional was given by Betty Hastings. Mrs. Hastings spoke on "Praise."

The club plans to help 4-H girls with sewing. This sewing is for the 4-H Fashion Review to be held in July. Pleasant Hill Club will continue to serve refreshments for the Nursing Home birthday parties. These are a couple of projects planned by the club for the summer.

The next meeting of the Pleasant Hill Extension Homemakers Club will be May 21, at the home of Lisette Wendt with co-hostess, Dora Schaefer.

Bible Baptist Church Women Meet

A short business meeting was conducted by Mrs. Wanda Payne.

The closing prayer was given by Mrs. Marie Schaefer.

Those attending were Mmes. Wanda Payne, Willie Langford, Dianne Coleman, Carrie Collier, Marie Schaefer, Fay Owings, Betty Green, Maunia Copeland, Nelda Gary and the hostess, Mrs. Lee.

The Bible study was brought by Mrs. Elizabeth Lee on the subject "The Bible." The inspired word of God that reveals God and His will for us. Types and prophecies of Christ the Savior in the Old Testament and the greatest thing in the world is love for God is Love.—1 Corinthians 13 chp.

Contract Is Approved For Paving Airport Runway

A contract to pave the runway at the Cisco Municipal Airport was approved as recommended by the Texas Aeronautics Commission by the City Council at the regular monthly meeting Tuesday night.

Lipham Construction Company of Aspermont was low bidder for the job, and a contract was approved for that firm. The company will lay two-course surface treat-

ment on the runway for \$46,042.30. Plans call for work to commence by June 1 and to be completed about July 1.

The state agency recommended the Aspermont firm after opening and studying bids in Austin. TAC will prepare lighting plans and specifications and will recommend that the city take bids on this portion of the project at an early date.

In other action, the Council heard a report from President Anton White on activities of the Cisco Cemetery Association for the 1980 calendar year. The report showed the association took in \$18,484 during the year, including \$7,200 from the city, \$6,555 from the sale of cemetery lots, \$4,546 in interest on invested perpetual care funds and \$183 in stock dividends.

Expenses during the year totaled \$16,107. Mr. White's report showed. Largest item of expense was about \$9,000 for labor at the cemetery, \$3,333 was spent on mowing equipment, and \$1,942 on new water lines.

City Secretary Ginger Parker reported to the council that the sum of \$2,697.77 received from the Parks and Wildlife Commission last December was the final installment on a February, 1977, grant for use in improving the boat ramp at Lake Cisco.

A grant of \$4,200 approved for Cisco recently is a new project and it calls for the city to spend \$6,000 on boat ramp improvements to earn a \$4,200 grant. The council voted to proceed with the project.

A tax equalization board composed of Carl Gorr, Mrs. Freda Weiser and Mrs. Ardythe Caldwell was appointed by the Council. Plans for board sessions will be announced.

The Council designated the Laguna Hotel Corral Room lobby as the official polling place for the May 30th special election. Cisco Junior College, owners of the building, had advised the city that some time ago a wedding had been booked in the Corral Room for May 30th.

Repairs for the city park swimming pool were ordered after a discussion. It was reported that there is a crack in the concrete bottom of the pool. It was decided to make temporary repairs for this season and to do a permanent repair job after the season ends.

The Council took under advisement a suggestion that city water meter deposits be raised from the present \$10. No action was taken.

The city manager was authorized to employ ten young people during the summer in a CETA (Manpower) program. It was understood that one worker would be assigned duties at City Hall and others would work in the street department under the supervision of Frank Young.

A number of candidates for the City Council in the May 30th election were present and were introduced and given an opportunity to make statements. This group included Eris Ritchie, candidate for mayor, and Bobby Rains, Luke Harrison, Jay Maples, Leonard Tipton and Brad Kimbrough, candidates for the council.

Minutes of the April 28th regular meeting and a special called meeting on May 7th were read and approved.

Cisco Writer's Club Announces Contest

The Cisco Writer's Club wishes to announce the opening of its 1981 Contest, and to invite all interested persons to participate. The annual Contest is a showcase of talent from the area, giving all writers a chance to demonstrate their ability. The names of the Contest Judges will be announced at a later date.

The rules are as follows: **CISCO WRITER'S CLUB WRITING CONTEST 1981** Opening date: June 1, 1981. Closing date August 1, 1981. Winners to be announced and prizes given September 1, 1981.

A \$2.00 fee will be charged for each manuscript, book or photograph submitted, payable to the Contest Director when contest material is submitted. A self-addressed envelope with return postage should accompany the entry. All entries remain the property of the author or photographer.

This year the Writers Club has established a memorial in the inspirational division honoring one of our charter members. It will be styled the Lou Prange Award.

No more than two entries per person will be allowed in any one category. However, a writer may enter as many different divisions or categories as he wishes.

Categories of the contest with a first, second, and third place to be awarded in each, are as follows:

ARTICLE, SHORT STORY, POETRY (Traditional), POETRY (Free or modern verse), INSPIRATIONAL ARTICLES, BOOKS (Published within last two years), PHOTOGRAPHY (black and white with titles), PHOTOGRAPHY (Color with titles), JUVENILE STORY (Pre-school, pre-teen, teen)

Word lengths are as follows: articles and short stories up to 3,000 words; juvenile, 1,500 words; poetry, 30 line limit.

Material submitted must be original, unpublished and typewritten. Submit one copy; make sure to retain a carbon. Cover sheet instructions: place your name, address and telephone in the upper left hand corner. Opposite this, in the right hand corner, state category and number of words. Place title in page center. Do not put your name elsewhere on the manuscript.

On first page of the manuscript, place category,

word length, and page number in the upper right hand corner. Center title on page. Type on one side of paper only; double space with one inch margin on all sides. Place title and number of page at top of right corner of each of the following pages.

Mail or give your entry to either of these co-directors: Lela Latch Lloyd 1411 Ave. D. Cisco, Tex. 76437 Tel. 442-2143

Vida Killion P.O. Box 487 Cisco, Tex. 76437 Tel. 442-1561

Oil News

Van Oil Corp. from Pasadena, Calif., filed applications to drill three Eastland County wildcats three miles southeast of Cisco.

Each test has a proposed depth of 4,000 feet.

No. 1 D.D. Castle will be drilled on a 720-acre lease.

It spots 660 feet from the north and 1,980 feet from the east lines of Section 48, Block 3, H&TC Survey.

No. 1 McCracken Trust will be drilled on a 670-acre lease.

Site is 660 feet from the south and east lines of Section 47, Block, 3, H&TC Survey.

Site for No. 2 McCracken Trust is 1,980 feet from the north and 660 feet from the west section lines.

Kahan Energy Corp., Cisco, will drill two wildcats three miles northeast of Scranton. Each test is slated for 660 feet.

No. 9 Gardner will be drilled 2,950 feet from the north and 2,377 feet from the west lines of Section 130, Block 3, H&TC Survey.

Site for No. 10 Gardner is 2,167 feet from the south and 2,114 feet from the east section lines.

Nimrod Operating Co., Cisco, staked No. 1 Wright as a wildcat two miles south of Cisco.

Having a proposed depth of 1,800 feet, it spots 1,500 feet from the north and 1,200 feet from the west lines of Section 69, Block 3, H&TC Survey.

Sentinel Petroleum Corp., Hurst, plans No. 1-C Louise Harlow as a proposed 3,900-foot wildcat five miles southeast of Cisco.

Location is on a 40-acre lease, spotting 630 feet from the north and 2,173 feet from the west lines of Section 27, Block 3, H@TC Survey.

RAYMOND HENDRICKS AND JOYCE JESSUP

Announces Engagement

Mr. and Mrs. Charles L. Jessup would like to announce the coming marriage of their daughter, Joyce L. to Raymond Dean Hendricks, son of Mr. and Mrs. Harold D. Hendricks.

The reception will follow the ceremony. Everyone is invited. The wedding is informal.

'Vial Of Life' Is Sponsored

By Homemakers

"Vial of Life" is a program designed to provide critical information during an emergency and is being sponsored by the Eastland County Extension Homemakers.

Important medical information is placed within the vial which is then taped in a specific location in the refrigerator or in another readily accessible place such as a ladies purse, or in the pocket of a car.

The vial contains information regarding the residents address, name, age, physician's name, past medical history and current medication.

The information could be vital for rescue teams during emergencies.

A decal is placed on the outside door to alert emergency personnel that vital life saving information can be found inside.

The "Vial of Life" is available to all senior citizens at a 25% discount. These vials will sell for only \$1.00, and only 75 cents for senior citizens. They will be on sell soon from any Eastland County Extension Homemakers.

The money made from these vials will help to send the Eastland County delegates to the state meeting. It will also be used to buy a flag for the Eastland County Courthouse.

The Eastland County Extension Homemakers would like to thank you for making their club a success. Homes make up their clubs.

Be looking for "Vial of Life," it could save a life.

CHS Track Stars Are Honored At Lions Luncheon

Members of the Cisco Lions Club met Forrest Starr and Gary Speegle, Cisco High School track stars who were in Austin this Saturday (May 16) for the state track and field meet finals, at their weekly luncheon last Wednesday noon.

Lion Jim Puryear of CHS introduced the young athletes and told about their victories in the regional meet at Stephenville recently. Track Coach Tom Slagle also was introduced. Starr, a senior, will run the 300-yard intermediate hurdles at Austin while Speegle, a junior, was scheduled for the high jump event.

Movies of the regional meet, which were made by Lloyd McGrew, were also shown. Mr. Puryear told Lions that Cisco won the annual district meet with 160 points with the number two team scoring 103 points. He told Lions that the state meet matches the eight top athletes of all Texas in the various events.

Guests included Dr. Joe Stamey of McMurry College, Abilene, and Thelma Marie Johnson, Cisco Junior College student.

FAREWELL TO AN OLD FRIEND

For the past 88 years the name Rockwell Brothers has been synonymous with the growth of Cisco. From the time when customers came to town in buckboards to buy lumber and supplies. Through the oil boom when drilling companies purchased lumber for derricks, through two world wars, the Great Depression, and the construction of Lake Cisco Dam, this establishment has met the needs of the citizens of this community. If not for Rockwell Brothers the homes your fathers and grandfathers grew up in might not have existed. But for the past few years, times have not been good for Rockwell Brothers Lumber and now it is time to close an era in the history of this community, for Rockwell Brothers Lumber in Cisco is closing its doors forever. It is the opinion of this reporter that this is very bad for our community for without competition citizens will have no choice but to trade at one location which is good for the competition but very bad for the community. Whenever a business closes and competition ceases to exist a monopoly arises usually not to the benefit of the citizens of the community. It is sad to think that youngsters of the future will not come to the big orange building with their fathers as so many youngsters have for so many generations here in Cisco. One regular customer has told me that when he first came to Rockwell Brothers he rode in on a buckboard for lumber and kegs of nails, well keg nails have fallen to the wayside in favor of more modern methods of packaging. So too has Rockwell Brothers Lumber Company of Cisco fallen to the wayside, kind of run up a dead end street 107 East 5th. It is sad but nevertheless it is still farewell to an old friend. David B. Colfry III, Manager Rockwell Brothers Lumber Company Cisco, Texas 1981

Weedhopper-A New Way To Fly

Phil Rogers, who resides at 1110 W. Main in Eastland has an interesting new business. It is called the Cent-Tex Aero Light Co. and he sells the Weedhopper.

The Weedhopper is an inexpensive airplane, that is easy to build and fly. It comes in a kit form, complete with everything but the

fuel. It weighs about 160 lbs., and is completely portable. The Weedhopper will carry a full-sized man and offer brisk performance at high altitudes. Its excellent sort field capability and tight maneuverability gives fun flying in any open, unsurfaced area away from crowded

airports. The Weedhopper requires no license to fly, and neither does the pilot, but the minor modifications, it can be licensed in the Homebuilt "Experimental" category. It is recommended that the pilot of the Weedhopper receives dual instruction in a conventional aircraft before

Easy, breezy comfort from Naturalizer.

A snappy fashion look that's loaded with comfort features—that's Naturalizer's sunny "Lone Cedar" style. Featuring a fully lined upper in a dazzling array of colors, fully cushioned insoles, and a feather-light cork leather sole. See it all at our shop!

MY SHOE SHOPPE

Corinth Baptist Will Hold Working Sat.

Corinth Baptist Church, between Cisco and Eastland will have their annual Cemetery working this Saturday, May 16, 1981. All of those interested are asked to bring their tools and help clean the cemetery.

Lone Cedar Golf

Lone Cedar Country Club Golf Scramble Sunday, May 17 at 1:30.

Lone Cedar will hold a parent-child golf tournament May 30-31. Entry fee is \$15.00 per p person, includes meal Sat. evening. Trophies will be given. For reservations call: Pat Pullman 629-1756 or 629-2488 or Mike Simmel 647-3613.

A Weedhopper takes off within 250 feet and climbs 350 feet per minute up to 10,000 ft. It cruises forty MPH for 100 miles and turns 60 degrees in a 70 foot radius. It is flown with a rigid seat, stick control and no weight shift. It can carry up to 250 lbs. and lands at 20 MPH within 100 feet.

Mr. Rogers says, all who are interested should feel free to come by and he will be glad to explain about the Weedhopper more fully.

Public School Teachers To Receive Raise

Senator Bob Glasgow (Stephenville) announced today that the Senate Finance Committee has released its version of the State budget for the next two years. Public school teachers will receive a 26 percent raise over the next two years if the committee's budget is approved.

The recommended raise is made up of a 8.5 percent increase in base pay for each of the next two years in addition to a 4 percent annual increase designed to compensate teachers for their increased experience.

Senator Glasgow stated, "I hope this increase is enough to keep our best teachers from taking higher-paying jobs in private industry. We cannot afford to let teacher salaries be reduced so much by inflation that the teaching profession cannot continue to attract and retain dedicated, competent teachers."

"Although I favored a 33 percent raise over the next two years," Glasgow con-

Merger Of Provident Savings & Olney Savings Announced

A merger of Provident Savings and Loan Association and Olney Savings Association was announced today by D.D. McClatchy, president and chief executive officer of Olney Savings and Patricia Byrom, president of Provident Savings. Effective with the merger, corporate operation of the financial institution will be under the

name Olney Savings Association. According to both McClatchy and Byrom, the merger will affect a change in name only and allow the new Olney Savings office to significantly extend existing services to the Brownwood community.

"We're very pleased to be a part of the great Olney Savings organization," commented Byrom, "it's a move that will expand our base of capital to handle any type and size of loan and give us great strength and reserves. It's a good move for the entire Brown County area."

The merger announcement followed the notification by the Federal Home Loan Bank Board of Little Rock, Arkansas.

"We're delighted to see Olney Savings and Provident Savings join hands," said McClatchy following the official announcement, "and proud to be a part of the Brownwood and Brown County community. The men who founded Provident in 1976 are to be commended; especially the late Mr. Howard Harlowe, founding chairman of the board and Mr. Paul Miller, the organization's first president. We look forward to serving the citizens of this community and being very involved in civic activities."

"This merger is significant to the whole area," said Byrom who now becomes vice president and manager of the Brownwood Branch of Olney Savings Association. Savings, from

both existing and future customers, will continue to be insured up to \$100,000 by the Federal Savings and Loan Insurance Corporation (FSLIC).

The present board of directors for Provident Savings will become Advisory Directors to the new Olney Savings Association office.

Olney Savings Association is a \$251 million savings and loan association with 13 offices serving almost 30 Texas cities. Olney Savings and its divisions operate

offices in Olney, Seymour, Jacksboro, Bridgeport, Nocoona, Weatherford, Azle, Graham, Brownwood and soon Archer City. Also, Ranger Savings in Ranger, Eastland Savings in Eastland and Electra Savings in Electra, all divisions of Olney Savings.

People n Things

GUSS YOU noticed that the electricity was off for about an hour Wednesday. It went off about 25 minutes until 12 noon and came back on just as the Cisco Lions Club finished eating and their sing-song with Wyley Peebles leading and Tracy Couch playing the piano, all just before the program. It was pretty dark out at the White Elephant Room as there are no outside windows. They left the door open and a few candles burned.

Mr. Jack Kennedy, manager of West Texas Utilities, reports that the electricity was off while they changed out a big transformer at the substation here. It was in trouble, necessitating the maintenance. A crew came over from Abilene to handle the work.

When the electricity goes off, we're all reminded how much we depend on it. We take for granted that the lights and the power is there at the flick of a switch. A negative factor was having to reset all the electric clocks around the house and office.

TWO MEMBERS of the Cisco Police Department were back on the job full-time last Wednesday. They're James Pence and Mike DeMarzo. Chief Bill Pence reports that they have just finished eight weeks attending the certification school for law enforcement officers at Abilene.

Chief Pence added that "we now have a complete staff on the job day and night."

DRUGGIST Lloyd McGrew's fingers still tingle and the missing ends itch occasionally. The two middle fingers of his left hand were cut off at the first joint in a lawn mower mishap recently. The wound has healed but the two fingers are pretty touchy... Dean Hendricks and Joyce Jessup, both employees at Thrift Mart, are being married May 30th in the Corral Room at Hotel Laguna, which necessitated the city election being moved to the hall at the hotel. They had booked the room prior to the election being ordered... Only one absentee vote had been cast Thursday for the May 30th election at City Hall. Deadline is 5 p.m. May 26th.

MR. KEN Parker, one of the CPAs over at Smith, Verett & Company, tells us that his wife is real pleased with Heather's Hallmark Store that she opened here recently. Heather, who is Mrs. KP, lets him help with things like the bookkeeping, moving boxes and things and sweeping floors when he drops by after work at his office, Ken reports.

The store, across the street from First National Bank, is real nice.

COACHES AND sports fans were pleased with the news that the school board has asked Supt. James Couch to check into the

possibilities of building a modern track for use of local athletes. Cisco is the only school in the district that doesn't have a regulation track.

Understand school officials will study the feasibility of moving the north stands at Chesley Field out from the gridiron to make room for an oval track around the football field. If they cannot be done, other possibilities will be explored.

It would be nice if Chesley Field could be enlarged and upgraded, improving the football field and stands as well as providing a track there.

OUR SCOUTS report that there's a real possibility that Cisco High School won't be in Class 2AA longer than one more year. When the Interscholastic League moves you, you stay two years. CHS is graduating 50 seniors this year and will move in a freshman class of 80. The number of high school students determines the league you play in, and CHS will likely move up to 3AAA after the 1981-82 school year, we're told.

So...an improved track and football field would be in order, huh?

COACHES TOM Slagle and Danny Kent took Track Stars Forrest Starr and Gary Speegle to Austin Friday so they could compete this Saturday in the state meet. A number of fans, including Head FB Coach Jim Puryear, planned to be in the cheering section... Often when we go out to hit golf balls in the late afternoon, we see a long, tall young man playing by himself. He is Kendall Anderson, son of the Al Andersons and a sophomore out at CHS. He plays two or more balls and appears to be working hard on his game. Understand Kendall, member of the CHS golf team, has made good progress this year. He is a good student, plays basketball and maybe football... Plans are being made for a reunion of Lobo footballers in July, we hear.

HATS OFF TO Mr. S. Lopez for his work on city streets. Lately, he has been sweeping the streets downtown and hauling off gravel and dirt and debris...

Glad to hear that a half dozen or more youths will be employed during the summer months to help with street work... The street beside the drive-in mail box at the post office certainly needs some attention... And the T&P Railroad's crossing at the north end of Avenue D is rougher than we've seen it in 30 years or longer.

LAST MONDAY night's "meet the candidate" program was given a "well done" by Mr. John Webb, former mayor and long-time observer of city hall things. He attended the meeting and was impressed with the way the meeting was carried out and with the candidates...

Hal Page, retired Texaco station operator, was wearing a purple beret when we met up with him the other day... Mr. and Mrs. E.A. Sherwood of Okemah, Okla., visited with the congregation at the First Christian Church last Wednesday night. He is a former minister there... Mrs. Polly Wright is hostess this weekend to two grandchildren, Becky and Kevin Meyers, whose parents, Gary and Ann Meyers, are vacationing for a few days in Mexico. The Meyers live in Dallas.

THERE'S A Couple's Golf Tournament this weekend at the Baird-Clyde golf course and a number of Cisco couples have entered. This group includes the Gene Abbotts, the Robbie Robinsons, the John Schaals, the George Owens, the B.J. Perrys and Ralph Glenn and LaVerne Simmel.

But they bring home some bacon.

Citizens For Better Gov't. To Meet Mon.

The Citizens for Better Government will meet at 8 p.m. Monday, May 18, at the Corral Room. All citizens of Cisco are encouraged and invited to attend.

A spokesman for the Citizens for Better Government express thanks to the citizens of Cisco for their attendance at the "Meet the Candidate" program May 11.

NOTICE OF MEETING OF THE GOVERNING BODY OF CITY OF CISCO

Notice is hereby given that a special called meeting of the governing body of the City of Cisco will be held on the 18th day of May, 1981, at 7:00 p.m. in the Council Chambers at which time the following subjects will be discussed, to wit:

Item I: Discussion-ambulance service.

Item II: appointment of Tax Equalization Board.

I, the undersigned authority, do hereby certify that the above Notice of Meeting of the governing body of the City of Cisco is a true and correct copy of said Notice and that I posted said Notice on the bulletin board in the City Hall of Cisco, and said Notice was posted on May 15, 1981, at 8:30 a.m. and remained so posted continuously for at least three days immediately preceding the date of said meeting.

Dated this, the 15th day of May 1981.

City of Cisco,
By Ginger Parker
Acting City Secretary

Public Notice

NOTICE TO CUSTOMERS OF HIGH TURBIDITY

Dear Customer:

The City of Cisco during the month of April, 1981, supplied water that exceeded the Texas Department of Health's "Drinking Water Standards," which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-523 (US), for turbidity. The water supplied failed one or more of the following criteria: (1) the monthly average exceeded 1 turbidity unit (TU)

The presence of excessive turbidity or cloudiness in drinking water may interfere with the effectiveness of disinfection of the water. Permitting the turbidity level to exceed the standard may present a risk to the health of persons drinking the water.

However, up to five turbidity units (TU) may be allowed if the supplier can demonstrate that the higher turbidity does not: (1) interfere with disinfection, (2) prevent maintenance of an effective disinfectant agent throughout the distribution system, or (3) interfere with microbiological measurements.

The water system is being studied to correct any high turbidity at any future date. This notification of the public is in compliance with the Texas "Drinking Water Standards" and the "Safe Drinking Water Act" as a means of keeping the public informed.

R.J. Turpin
City Manager

Centennial Quilt

(Continued From Page One)

pleted the design of the quilt. The finished quilt measures 75 by 97 inches and is a full bed size quilt, consisting of 19 individual appliqued and embroidered blocks. The quilt begins with a lovely appliqued scene depicting the first settlement of Red Gap (Cisco's original name) and follows the development of Cisco to the 1980's. With Cisco's colorful history listed below is a brief description of other appliqued blocks on the quilt:

"First Churches"--The club felt that the first churches were an important part of Cisco's development and that they most certainly deserved recognition.

"Railroad Crossing"--In 1881 the original post office of Red Gap moved to what is now Cisco, named after John J. Cisco, a New York banker who financed the railroad, which started the ball rolling in the town. The two railroads depicted here are the T&P and Texas Central.

The devastating cyclone of 1893, destroyed most all of Cisco, but the "Red Front Drug Store." Because Cisco was developing so fast because of the railroads, buildings were constructed hurriedly and poorly so the cyclone took its toll.

"The Blacksmith Shop"--Many associate Cisco's ever-present Blacksmith Shop with the town. It's not been so many years ago since Mr. Clements filled the position of the local blacksmith.

"The Cisco Kid," Cisco's own logo.

"The Mobley Hotel"--Ciscoans are especially proud of their own Mobley Hotel, which was the first business establishment of the late Conrad Hilton. Plans are now in progress for the restoration and renovation of the hotel by the Hilton Foundation.

"The oil derrick" is symbolic of the oil boom which hit Cisco in the 1920's. At the beginning of the 20's, Cisco claimed a population of 3,000 but soon grew to 15,000. This is the reason for Cisco's several large hotels.

The windmill symbolizes many ever present structures in the area, necessary at one time, for life itself.

Center block, map of Texas with Cisco's location.

"Antique Clock" stood in front of the First National Bank until a couple of years ago, but as time progresses, it was replaced with the modern-day digital type clock mainly due to the consistent damage by vandalism and the impossibility of replacing parts. Plans are to reassemble the land mark in front of the renovated Hilton one day in the future.

The "Red Barn"--Many passerbys associated Cisco with this landmark for many years. The barn located approximately three miles southeast of Cisco on Interstate 20, was burned by vandals in July 1980, and saddened the hearts of many Ciscoans.

Scene of Cisco's own "Big Dam," lake, park, zoo and one time world's largest swimming pool--self explanatory because of its uniqueness in itself. To see, but visualize its past beauty leaves one with an everlasting memory. The dam was constructed in the 1920's to fill the need for Cisco's growing population.

The lake attracted many visitors for many years.

The zoo was closed in 1930 because of the depression and its effect on finances, with the impossibility of financing the feeding and upkeep of the animals. The animals were moved to the Fort Worth Zoo at that time.

Cisco's tremendous swimming pool, up until about six years ago, also brought many visitors to Cisco, and with many by-gone experiences, remains in the memory of all who once visited there.

The "Santa Claus Bank Robbery" of 1927 has gained much attention because of its unique story. Several books on the subject are available, with many articles still in print.

Cisco Junior College--Ciscoans are proud of the "school on the hill." The college has operated under the name of many, but was established as "CJC" in 1940.

Lobo, Cisco Public Schools Logo.

Caduceus--Also self explanatory to symbolize the hospitals of Cisco.

This block depicts Cisco's many faces of industry--in the area of peanut farming, agriculture and the past and present factories.

The last block on the quilt is indicative of the once

CENTENNIAL QUILT

again oil boom of the 1980's.

The Cisco Service Club was organized in 1975, originally named the "Jaycee Wives." Due to a lack of membership, there was a need to expand the club roll, in order to progress. The club has grown from a membership of ten to the present roll of 38, now under the leadership of the current club president, Deborah Whitely.

The club is active in many areas of Cisco activities. The public schools have been of particular interest to the club, along with the club's yearly scholarship to Cisco Junior College. The Service Club contributes to the support of various local funds and organizations. Participation by the club in various local events is also one of the Service Club's priorities. Club members offer their physical labors to deserving groups, besides their monetary support. To illustrate the many faceted interest of the club, the Cisco Service Club was instrumental in the organization of the regularly scheduled bi-monthly blood drives at the E.L. Graham Memorial Hospital.

With many projects behind the young women of the club and many projects yet ahead, this particular quilting project has brought pride and unity to the Cisco Service Club--a necessary ingredient for any successful organization. Meeting weekly at the Chamber of Commerce for the quilting brought many unknown friendships with every club member participating in one capacity or another.

The Centennial Quilt has been on display at various Cisco locations including the Chamber of Commerce, the Lemon Tree Boutique and is

Descendants Of McAuleys To Have Reunion May 30-31

The descendants of Charles I. and Ella Jane McAuley will have a family reunion May 30 and 31 at the Church of Christ Encampment Grounds at Lake Cisco.

presently on display at J.C. Penney's. Tickets are still available for \$1.00 each at the Chamber of Commerce, the Lemon Tree Boutique,

State Farm Insurance and Ted's and Rex's One Stop.

Thanks is extended to all who had a hand in the making of the quilt.

OBITUARY

Final Rites For Jesse G. Payne Held Friday

Funeral services for Jesse Garten Payne, 69, of Dublin, were at 4 p.m. Friday in Patrick Street Church of Christ in Dublin, directed by Harrell Funeral Home of Dublin. Frank Brisco, minister, officiated. Burial was in Cow Creek Cemetery northwest of Dublin.

Mr. Payne died at 9:50 p.m. Wednesday in Golden Age Manor Nursing Home in Dublin.

He was born August 25, 1911, in Itasca. He married Madge Lee Clanton on September 19, 1941. He had been a lease operator and oil field trucker the past eight years and had lived in Dublin since 1979. He was a member of the Church of Christ.

Survivors include his wife; three sons, Wayne Lavon of Phil Campbell, Ala., William Garten and David E., both of Sonoma; two daughters, Virginia Anette Lethco of Cisco and Betty Laverne Miller of DeLeon; three brothers, William Ralph of Abilene, Frank of Hillsboro and I.B. of Dublin; 14 grandchildren and a great-granddaughter.

Services For Forrest L. Brown Held Wednesday

Graveside services for Forrest L. Brown, 80, of Gorman, an Albany native, were at 11 a.m. Wednesday in Albany cemetery, directed by Godfrey Funeral Home. Dale Scott, minister of Albany Church of Christ, officiated.

Mr. Brown died Monday morning at his home in Gorman.

He was born May 30, 1900, in Albany. He married Beulah Rhone 61 years ago in Miami, Texas. He was a member of the Church of Christ. He was self employed and owned and operated a grocery store in the 200 block of West 8th Street in Cisco during the 1940's.

Survivors include his wife; two daughters, Barbara Lewis of Hoffman Estates, Ill., and Shirley Trigg of Wichita Falls; a sister, Mrs. Florence Foster of Albany; two sisters-in-laws, Mrs. Ada Mobley of Cisco and Mrs. Russell Dill of Rising Star; six grandchildren; and a great-grandchild.
