MAYOR PROCLAIMS MEDICAL RECORD WEEK—Mayor Eris Ritchie (left) has proclaimed the week of October 18-23 as Medical Record Week. This is the fourth year in which recognition has been so awarded to Medical Record personnel in fulfillment of their important role as members of the health care team. Represented are Registered Record Administrators (RRA's), Accredited Record Technicians (ART's) and the enumerable support personnel involved in staffing medical record service function in the varied health care facility settings throughout the state.

The Texas Medical Record Association representing a 1,500 plus membership of medical record administrators and technicians has announced various activities highlighting Medical Record Week by medical record departments in health care facilities throughout Texas. Governor William Clements Jr. has declared October 18-23 as Medical Record Week in the state of Texas.

Sharene Richardson (right), A.R.T., Director of Medical Records at E.L. Graham Memorial Hospital, has announced that Medical Record Week will be observed during this time. (Staff Photo)

Cisco Civic League To Sponsor Blood Drive Wednesday

A Cisco Blood Drive sponsored by the Cisco Civic League will be held on Wednesday, October 21, 1981, on the Cisco Junior College campus in the Student Union Building. A team of laboratory technicians from Mary Meek Blood Center of Abilene will be present from 9:00 a.m. to 3:00 p.m.

To date, the units of blood owed to Mary Meek Blood Center have been gradually reduced, and the Cisco citizens cannot be commended enough for their outstanding support of this ever so important project.

Due to Federal Drug Administration legislation, there are no longer routinely paid donors; therefore, blood donors must be solicited on a voluntary basis.

So necessary is this blood, for life itself, every appeal for continued support is sincerely offered and appreciated. Please be aware of the following when preparing to give blood:

1. All donors must be age 18 or older; there is no age limit, only that each donor is healthfully able to give blood.

2. Blood donors should eat normally, and are encouraged to do so before giving blood.

3. No medication should be taken 18 hours prior to

donating blood.

4. No medication should be deleted without checking with the prospective donor's own doctor.

5. Any person who has been sick or had a cold within the last seven days prior to donating blood, should not donate blood.

6. Any person who has had ears pierced within the last six months at any place other than a doctor's office should not donate blood.

7. Any person who has been in Southeast Asia in the last three years should not donate blood, due to malaria possibilities.

8. Any woman who has

City's Long Range Program Outlined

Improvements for Cisco's water and sewer systems constitute the long range program for the city government, City Manager Mike Moore told the Cisco Lions Club in a talk last Wednesday noon at their weekly luncheon. The speaker was introduced by Loyal Lundstrom, program chairman.

Mr. Moore said the City Council has ordered a public hearing for Oct. 29th on a project to dispose of waste water that goes through the sewer system. This project, when completed, would enable the city to comply with EPA regulations, he ad-

ded. Water treatment facilities are badly in need of renovation and upgrading, Mr. Moore said. An engineering study is now underway and a report is expected by the City Council on Dec. 8th on the necessary improvements to meet state standards.

Streets and drainage problems have been compounded by heavy rains during the past two weeks, the city manager said. City work crews are busy on street improvements and hope to begin on the drainage problems early in the coming week, he added.

The Council also plans to study ordinances concerning unsafe buildings and houses over town, Mr. Moore said.

The city manager, noting problems have come up recently in the police department, said the staff of security authorities now is approaching full strength and that the department will be in charge of experienced, qualified people in a month or so.

Guests included Vic Verett of Breckenridge and Frank Spangler of Cisco.

FILM SERIES Sixth Film Tuesday

The sixth film, in a series "Focus on the Family" featuring family expert James C. Dobson, Ph.D., will be shown at 7:00 p.m. Tuesday, October 20, at the Cisco High School Auditorium. This film will be shown in two parts. Part One of "What Wives Wish Their Husbands Knew About Women—The Lonely Housewife," will be shown Tuesday night.

This program is free of charge and open to the public with free child care available.

Hospital Auxiliary To Meet Monday

The E.L. Graham Memorial Hospital Auxiliary will meet Monday, October 19, at 2:00 p.m. at the hospital.

All members and those interested in being members please attend.

An up-date on the gift shop will be reported.

City Considers Fine Changes, Calls For Airport Light Bids

The City Council received suggested changes in parking violation fines, called for bids for a low-intensity lighting system at the Cisco Municipal Airport and for the purchase of a new pickup truck, and approved three ordinances on second and final reading at their semi-monthly meeting Tuesday night.

City Manager Mike Moore, noting that the city installed parking meters in 1949 and that there has been no changes in their operations, suggested that the Council consider increasing fines for violations from the present 25 cents if paid within 24 hours to \$1. At the same time, he suggested raising the present \$1 fine that becomes effective after 24 hours to \$5.

Mr. Moore also suggested

that police issue a courtesy parking permit to out-of-town vehicles instead of giving them a violation ticket. He also suggested that annual parking permits be sold for \$30 instead of the present \$15.

Councilman Bobby Ingram said that he had discussed parking meters with both citizens and business firms and felt that they weren't worth keeping. He said the meters took in \$1,800 last year and cost \$800 for maintenance and that many of them are inoperative. "I would like to see the meters removed," he concluded.

Mayor Eris Ritchie said he feels that controlled parking is desirable in the business district regardless of whether the city makes money from them. He said

their purpose was to make parking available to shoppers.

A comprehensive survey to include opinions from business men and citizens was suggested by Councilman Brad Kimbrough. The Council then decided to request the Chamber of Commerce to undertake a survey and report results.

Wednesday, Dec. 2, was the date set by the Council to open bids for a contract to equip the Cisco Municipal Airport with a low-intensity lighting system. A contract will be awarded at the regular Council meeting on Dec. 8th. Plans and specifications, which were prepared by the Texas Aeronautics Commission, are available at the City Hall. The city will pay 20% of the cost and has some \$7,000

left in airport funds - sufficient for the project, City Manager Moore said. The project is expected to cost in excess of \$20,000, he added.

Bids will be opened on Wednesday, Nov. 4, for the purchase of a new pickup truck for the water department, the Council decided. Specifications are available at City Hall.

The Council approved a deed for the Cisco Armory property to Cisco Junior College. The property was purchased by the city June 1, 1970, from the Texas National Guard Armory Board and leased to CJC. Lease payments over the years have paid off the building costs and the property was deeded to CJC. The property includes two masonry buildings and some 20 acres of land on the Lake Road that has been used for the CJC Ag Department for the past ten years.

Rules and regulations for city personnel were amended by a resolution to give city employees two additional holidays - the day after Thanksgiving (4th Friday in November) and Christmas Eve (Dec. 24th). This brought the total number of city holidays to eight.

In other action, the Council approved on final reading ordinances adopting the annual city budget, levying a hotel occupancy tax, and extending the cable television franchise for 20 years.

The hotel occupancy tax of four percent will be used by the Chamber of Commerce to promote tourism for the community. Mr. Moore noted that the CofC will submit to the Council a budget for use of the tax funds by the end of the year and in September in years to come.

The franchise of Southern Television Systems, Inc., was amended to require the firm to service all areas within the city limits "if economically feasible and reasonable." In areas otherwise, the system will build cable lines at cost for subscribers.

Mrs. R.H. Massey, 105 East 13th Street, appeared before the Council to request a reduction in the assessed value of her mobile home. She said that she paid \$9,000 for it seven years ago and that the present assessed value was \$9,300. Her tax, she added, would go up to some \$125 from about \$72.

Councilmen explained that they are powerless to change valuations and that only the tax equalization board that meets in the spring has authority to set property values.

Minutes of the regular meeting of Sept. 22 and a called meeting on Oct. 5th were approved.

Present were Mayor Ritchie, Councilmen Linton Bateas, Brad Kimbrough, Loyal Lundstrom, Bobby Rains and Bobby Ingram, City Manager Moore, City Secretary Ginger Johnson and City Attorney Bill Wright. Some 10 spectators attended the meeting which lasted an hour and 15 minutes.

John and Evelyn Clinton recently became the full owners of the Songs & Psalms Bible Book Store, 116 West 8th, Cisco, purchasing the partnerships of John and Ann Boland and Rev. Larry Smith and wife, Ruby.

The Clintons want to continue to build the inventory of the store to be able to serve the area.

John Clinton said that he appreciated the customers of the past and looks forward to providing quality Christian Bibles, literature, music and church supplies in the future. (Staff Photo)

Students Taking Collections For Breck. Victims

The students of Cisco Intermediate School will be collecting good clean clothing and non-perishable foods at the school Monday and Tuesday, October 19-20. These items will be distributed to flood victims in Breckenridge.

Cisco citizens who have anything they would like to contribute, take them by the Intermediate School these two days.

Kiwanis Install New Officers

New Kiwanis officers for the 1981-82 year were installed on October 8 by Winford H. Hogan. Mr. Hogan is the Lieutenant Governor for division 35 of the Texas-Oklahoma Kiwanis district.

The officers for 1981-82 are: Stanley Pirtle, president; Mark Chamness, vice president; C.H. Warren, treasurer and John Hood, secretary. The officers,

together with the board of directors oversee the activities and programs of the Cisco Kiwanis Club. The board of directors consists of J.D. Yardley, George Murphy, Henry Schaefer, Laddie Pierce and Bill McDonald.

Joe Wheatley, the past president, was presented a plaque and a lapel pin in recognition for his outstanding work as president of the Cisco Kiwanis Club during the 1980-81 year.

There were a number of guests accompanying Lt. Governor Hogan to Cisco. They were Carl Brown, Gerald Hitt, Marvin Sapaugh and Leon Williams all of the Kiwanis Club of Clyde.

The Kiwanis Club of Cisco meets every Thursday morning at 7:00 a.m. in the White Elephant Room of the White Elephant Restaurant. Anyone interested in the Kiwanis Club of Cisco or its programs is invited to attend one of the weekly meetings or to contact one of the club officers.

Mini-Marathon Set October 20

How many times can you run 1/4 mile in one hour? Find out on October 20th by entering the Cisco Civic League Mini-Marathon. The track is being prepared under the direction of Mike Moore, city manager, and James Couch, CISD superintendent.

The track will start in the City Park (near the High School) go east onto school property east of the swimming pool, then come back into the City Park.

The age divisions of the race are: pre-kindergarten; first and second graders; third and fourth graders; fifth and sixth graders; junior high; senior high; out of school to 30; 30-50; over 50.

There will be a male and female winner awarded a prize in each age division.

Be sure to register at your age station near the track between 5:00 and 5:30 p.m. The race will start promptly at 5:30 p.m. It will end promptly at 6:30 p.m.

The CJC Band will give a concert starting at 6:30; then awards will be handed out to the race winners; then the Cisco High School band will play immediately following.

Food may be purchased in the park: hamburgers and chili packs, iced tea and soft drinks.

Plan to spend some time in the City Park and make it a Fun Night in the Park on October 20th.

PETROLEUM BUILDING NEWS
 Renovation of the Petroleum Building is now underway and leasing of space has begun.
 Presently on the ground floor of the Petroleum Building are the offices of M.M. White & Associates, a Texas General Partnership formed in Eastland County on September 8, 1980.
 This firm originally formed by M.M. White and Regina Angell is involved in the exploration and development of oil and gas interests. On June 11, 1981, M.M. White & Assoc. exchanged ownership of stocks with Buffalo Mud, Inc. partners, Warren Schroefel, Stuart Allen, and George Johnson. This partnership was dissolved by mutual agreement on September 15, 1981. On this date, the stocks were exchanged and M.M. White & Assoc. once again became solely owned & Operated by M.M. "Mike" White and Regina Angell. At no time were Mike White or Regina Angell involved in the management or operation of Buffalo Mud, Inc. George Johnson, Stuart Allen, or Warren Schroefel were never involved in the management or operations of M.M. White & Assoc. Buffalo Mud, Inc. and M.M. White are no longer affiliated in any way.
 Look for the future articles on the Oil activities of the area, the restoring of the building, it's tenants, and future activities.

SEEDS FROM THE SOWER
 By Michael A. Guido, Metter, Georgia

A merchant said to a deacon, "I like your new preacher."
 "How can you say that?" he asked. "You've never heard him preach."
 "No, I haven't," he admitted. "But he must be good. Your church members are beginning to pay their bills."
 When people really get right with God they will get right with man. You cannot be right with God if you are wrong with man. You are not honest with God if you are dishonest with man. You are not true to God if you are false to man.
 If you are right with God you will be diligent in your work, persistent in your studies, fair in your games, clean in your pleasure, true to your friends, and honest clean through. You will not do any wrong to any one.
 If you are right with the laws of God you will be right with the laws of man. You will delight in obeying God and your government.
 A man who is right with God is a walking Bible, a breathing prayer, a living saint. Are you right with God?

Mae Courtney - Outrunning Time

When Mae Courtney of Cisco - who will be 100 years old on Oct. 30th - takes one of her brisk walks down the halls of the Cisco Nursing Home she captures the interest of people around her. For this erect little white-haired lady seems as timeless as a favorite dress she is wearing. It is made of muted print, trimmed in lavender, and has a high neck, flowing skirt, and long sleeves. It's a pioneer dress - what some women now wear in the evening, or out to the Cisco Frontier Jubilee. On Mae Courtney, however, the dress is not just a symbol. For she is a pioneer, being born into the Texas frontier, and now she is one of the oldest citizens of Eastland County.

"This is the way," she explains in a clear voice. "That I 'doctor' that hip I broke last November. I get up and walk on it, so I can get it to working right."

"That's the second time I ever had a Doctor in my life, when I broke that hip. The first time was when my first baby was born, and my husband - Arthur Courtney - talked me into that. Well, I can tell you I never had any more Doctors with my other nine!" She moves one leg back and forth, ironing out a faint limp.

"I've never taken any medicine either - dodged it all my life. Prayer, faith in God, and helping your body to heal itself - that's what

keeps me going. "While I was having my own babies I became a midwife here in Cisco, helping people who especially wanted me - and others who couldn't afford to have a Doctor deliver their babies."

"I was thinking about it the other day, and I couldn't remember how many babies I had helped bring into the world. Over a thousand, at least. And I didn't lose one baby or mother." Her hands gesture swiftly, still vibrant with energy.

"I sure enjoyed those days, having my husband and the children home, and helping other people with their babies." She sits down for a moment, her china-blue eyes thoughtful. "But I sure didn't enjoy it when my children began to grow up and leave me." She chuckles softly, cheering up her own feelings.

Mrs. Courtney is bound to be very happy on Sunday, Oct. 25th when the four children still alive from her family and numerous grandchildren, great-grandchildren and friends gather in the American Legion Hall in Cisco for her 100th birthday celebration. During the hours from 1:00 to 3:00 p.m., the public is invited to an Open House to greet Mrs. Courtney and the family. Courtney descendants are coming from all across Texas, from Colorado, California, and other

parts of the southwest. Mrs. Courtney was born in 1881 in what is probably now Bosque County, Texas. Her father, I.A., had the good Irish last name of Calloway, and her mother's maiden name was Sara McKelvain. Some of Mae's earliest memories involve Indians who would come by her farm home.

"The government was trying to 'civilize' the Indians then," she explains. "They were wrapped only in blankets, and came begging for clothes. But that wasn't the only thing they came begging for."

"I was red-haired and I guess I was right good looking," she smiles. "That hair attracted them, and I reckon they wanted me for a doll." She recalls that once several Indians were sitting around a room when her father asked: "Which is the Chief?"

Each one solemnly answered: "Me Chief."

In 1889 the Calloway family passed through Eastland County in a covered wagon drawn by oxen. They settled near Moran, where the McKelvain grandparents had a farm. So Calloway made his first crop in this area in Stephens County, using oxen to pull the plow. The next year he sold the oxen, bought horses to farm with, and moved south to the Cisco area. He farmed cotton, corn and cane, and the family raised most of the food they ate. They also make their own clothing, soap, and most other household products.

Mae Courtney grew up without much of a chance to attend school or church, but she was taught practical matters at home. One bit of teaching she didn't take to was the medicine her mother tried to give her - big pills if she caught cold, Castor Oil and Black Draught in between times.

"I would take those pills in my hand and slip them

through a crack in the floor when no one was looking," Mae laughed.

In June of 1900 Mae Calloway married Arthur Courtney, an attractive young man whom she had first met in a farm community. Now he was working as a stone cutter in Cisco, so the young couple moved to a somewhat easier life in town. The work Arthur was doing included the sculpting and carving of detailed figures on tombstones, often of lambs, angels, and the like. Much of the beautiful early work in Oakwood Cemetery, Cisco was done by him.

Arthur played the violin, and when the Courtney's had children, these young people also learned to play stringed instruments.

"No sir," says Mae, "I didn't play any of that music. I was too busy cooking for all those children - besides washing clothes. But I sure did like to listen."

The children born to Mae and Arthur Courtney were Aaron, Dugan, Sara, Jane C., Ora Mosley, John Henry, Sam, Ocie, William, and Mary Lou. William died in infancy, and five others died during their adult lives.

Of the four children who

Arthur and Mae Courtney Married June, 1900

are still living, Aaron resides in Abilene, Dugan in Lewisville, Sara Courtney Shellenburger in Ft. Stockton, and Jane Courtney Seay in Cisco.

When the Courtney children were at home, the household was a busy and happy place. One of the things Mae Courtney is remembered for is the good meals she prepared - often carrying food out to sick people in the community. She never charged for that, just as she never charged for her services as a midwife. She ate moderately of her own food, usually just one complete meal a day.

In 1919 Arthur built a home in Cisco for the family, and Mae lived in this house until

her life. A number of her children and grandchildren also belong to the pentecostal church, and have made many contributions to the worship and work of this group.

Arthur and Mae Courtney celebrated their 50th Wedding Anniversary in Cisco in June, 1950. Nine of their ten children were alive at that time, and met with them. Then, in 1957, Arthur died. He was buried in the Courtney family plot, which is marked by monuments he had cut of native stone.

After Mae Courtney's hip had been broken and set a grandson brought around a wheelchair for her, thinking it might be helpful. Mae just gave one of her quick little glances toward it, and said: "Now son, you know I can't walk in that thing!" She never did use it.

She continued to discount any ideas that she might be crippled and not walk again. Fortunately the surgeon who had attended her agreed, and encouraged her to stir around as soon as possible.

Since then Mae Courtney has been returning to normal living over in the nursing home. Residents of the place, however, hope she doesn't desert them soon. Something about that supercharged little lady tripping down the halls inspires 70 and 80 year old people to at least make an effort to get well!

Cisco people, too, hope their frontier lady will be around for a long time, reminding them of part of their heritage. In April of this year Mrs. Courtney was honored as the oldest woman in Cisco, and Queen of the Centennial Celebration. Some of them still remembered her amazing midwifery and the techniques she had developed - long before "natural childbirth" became fashionable.

Yes, other people may live to be as old as Mrs. Courtney - but in work, faith, family life and enjoyment of living it is going to be hard to find her equal.

Strawn Teacher Selected To Serve On TABS Committee

Jane Kennedy of Ranger has been selected by Texas Education Agency to serve as a member of the Texas Assessment of Basic Skills Testing Program Survey Committee for the coming year. Ms. Kennedy will serve on the TABS Writing Skills committee when it meets in Austin on October 20th.

The TABS tests are given

annually to all Texas third, fifth, and ninth graders covering 3 main curricula areas—Reading skills, math skills, and writing skills.

Committee members are selected from educators throughout the state to meet and discuss the objectives of the TABS programs, review content area, examine items for content validity and for possible sex, ethnic, and cultural bias. Another meeting will be held later in the school year.

Ms. Kennedy teaches sixth and seventh grades in the Strawn Independent School District where she has taught for the past 3 years. She is a graduate of Ranger High School and earned her Master's degree from Tarleton State University in Stephenville in 1980.

Young People In College

By Viola Payne

Among the local young people who have been interested in further education is Sharla Qualls of Cisco, daughter of Lou Jane Qualls. Sharla graduated from Cisco High School in 1978, and enrolled that fall in Cisco Junior College. She graduated from C.J.C. in 1980 with an Associate in Arts Degree.

Sharla was on the Dean's List for 3 semesters at C.J.C., and Who's Who in American Colleges during her final year.

In 1980 she enrolled in Tarleton University Stephenville, as an Education major. She was on the Distinguished Student's List at Tarleton in the Spring Semester of 1981.

Sharla enjoys working with small children, and hopes to teach Kindergarten after her graduation from Tarleton. She also enjoys singing, playing the piano, and the activities of the First Methodist Church in Cisco.

Chuck Burgess of Ranger, son of Mr. and Mrs. Charles James, is another young person who is preparing for a special profession. Chuck attended Ranger High School, where he was in the Ranger High Band. He was voted a Senior Class Favorite, and served as President of the Class during his Senior year.

He graduated from the High School in 1979, and entered Ranger Junior College.

Upon graduation from R.J.C., in 1981, Chuck entered John Tarleton University, where he is majoring in Communications.

so forth between 5:00 and 7:00 p.m. Friday, November 6th. One dollar per entry. A limit of five entries.

Ribbons and cash awards will be given. Additional information may be had by contacting Arnold Henson 725-6427.

There will be a display for photography and miniatures also.

The exhibit will be located at the Multi-Purpose Center in Cross Plains. Six blocks east on 8th Street off of Main Street.

(No. 3 In Series)
When he receives his Degree he hopes to become a Sportscaster. He particularly enjoys baseball, and will probably go into that area of sports if the opportunity presents itself.

Chuck enjoys several hob-

bies, including fishing. He also entered the Peanut Creations Division of the Eastland County Fair for the past three years, winning First Place each time. This year's winning creation was a Peanut Butter Layer Cake.

Flood Clean-Up 'How-To' Information Available

The heavy rains and flooding this week have caused major damage to some homes in the county.

The Eastland County Extension Service office has a lot of good information on how to cleanup homes following flood damage. Anyone needing assistance may call me at 629-2222.

Floods, high humidity and condensation can cause serious mildew problems. If left unattended, mildew can cause considerable damage. The musty odor that accompanies mildew is usually annoying, but mildew's destruction is of more concern. When conditions are "right", mildew can cause almost complete deterioration of some fabrics within a couple of weeks.

Painted walls, woodwork and furniture which have mildewed can usually be cleaned easily and successfully. Vacuum off or remove surface growth carefully to prevent scattering the mildew spores in the house. Remove spots that remain by washing with a diluted solution of household chlorine bleach and detergent - one gallon water, one-half cup bleach, one

tablespoon detergent. Then, rinse the solution from the surface with a clean sponge or cloth. The bleach solution not only kills mildew spores and inhibits future growth, but it also lifts out unsightly stains and discoloration. Upholstered articles, carpet, rugs and mattresses must be dealt with differently. First, take the article outdoors if possible to prevent scattering mildew spores throughout the house, then remove loose mold from the outer surface by brushing with a broom. Draw out more of the mold by vacuuming the surface thoroughly. Dry out the article as quickly as possible by placing in the sun, or by using an electric heater and fans to carry away moist air and stop the mold growth.

Remove remaining mildew from upholstered articles or mattresses by either of the following methods:
1. sponge lightly with thick soap or synthetic detergent

suds, and wipe away with a clean, damp cloth, or 2. wipe with a cloth dampened in a solution of one cup denatured or rubbing alcohol to one cup of water.

With either method, use as little solution as possible to prevent wetting the filling. When mildew has formed inside the filling material of a mattress or upholstered piece, send it to a reliable drycleaning or storage company for thorough drying and fumigation. Fumigation kills molds present at the time but will not protect the article against future mold growth.

For rugs and carpets, first remove surface growth, then sponge with thick suds or a rug shampoo. Remove suds by wiping with a cloth dampened in clear water, and dry in the sun, if possible.

Treat lingering musty odors and mildew with a low-pressure spray containing a mildew-inhibiting fungicide. In areas where mildew is a major problem, frequent re-spraying may be required.

RECIPE FOR THE WEEK

At a recent meeting of the Ranger Extension Homemaker Club, I sampled some delicious bar cookies made by Mrs. Linden Boch. Mr. and Mrs. Boch are owners of the Ben Freeman orchard in the Chaney community. My co-worker De Gordon tells me that Mrs. Boch made a big hit with delicious food she served at a pecan field day. She make a delicious apple fried pie with flour tortillas as the pastry. The bar cookies that are wonderful are...

Rocky Road Bars

- 1 12-oz. pkg. semisweet chocolate chips
- 2 tablespoons butter
- 1 pkg. (10 oz.) miniature marshmallows
- 1 can sweetened condensed milk
- 2 cups roasted, unsalted peanuts
- In a double boiler, melt chocolate chips, milk and butter. Fold in marshmallows and peanuts. Line a 9x13 inch pan with wax paper. Pour mixture in pan. Refrigerate until cold. Then cut into bars.

MRS. LINDY KYLE THURWHANGER

Gloria Kay Honea and Lindy Kyle Thurwanger Are United In Marriage

Gloria Kay Honea and Lindy Kyle Thurwanger, both of Midland, were united in marriage Saturday, October 17, at the First Presbyterian Church Chapel, in Midland.

The new Mrs. Thurwanger is the daughter of Mr. and Mrs. Vernon Honea of Cisco, while the groom's parents are Mr. and Mrs. Billy Thurwanger of Fort Stockton.

Dr. Ray Riddle, pastoral care minister of First Presbyterian Church, officiated the formal ceremony.

Best man was Steve

Miller, while the groomsmen was Bret Grove, both of Midland. Ushers were W.C. Newman and Ricky Benton of Midland.

Matron of honor was Mrs. Kimberly Modisett of Midland, and Mrs. Kerrie Barrington of Throckmorton, was bridesmatron. Both attendants are sisters of the bride and former Cisco residents.

The bride is a graduate of Cisco High School and Cisco Junior College, while the groom attended Sul Ross State University. The bride is currently attending the

Moran News

By Mrs. Luke Husley

TUESDAY MORNING

The people of Moran awoke Tuesday morning to find that five inches of rain had fallen during the night. Creeks were out of banks and for a time Tuesday morning Moran was isolated as all roads from the city were under water. The Jimmy Brooks family, the Jerry Lancaster family, Mrs. Will Townsend, Mildred Smith, the Bob Roberts family and Mrs. Chester Allen were all evacuated as water got up in their homes, except for Mrs. Allen's home. The water got in the R.W. Miller home. No lives were lost from the high water, but lots of material

University of Texas at the Permian Basin in Odessa.

The newly married couple are both police officers with the Midland Police Department.

Given in marriage by her father, Vernon Honea, the bride wore an ivory satin and lace gown accented with pearls and wide lace and ruffled trim around the hem of the dress. Her veil fell to the waist from a derby-style lace and pearl covered ivory hat. The dress bodice was accented by a v-neckline outlined by a ruffle, while the dress back features a v-shape with the ruffle outlining.

Her chosen colors of burgandy, rose, and ivory were carried throughout the ceremony. The bridal bouquet was roses and babybreath silk flowers.

The groom wore an ivory tuxedo while groomsmen wore rose tuxedos.

Her attendants chose long flowing dresses of burgandy crepe de chin. The long-sleeved gowns were accented by cumberbuds.

The reception was held in the parlor of First Presbyterian Church. The bride's table was accented by rose, burgandy and ivory flowers that separated the punch and cake areas. The bride's cake was two tiers with columns in the middle separating the layers. Accents on the cake were rose and burgandy colored roses and rosebuds.

Following a short wedding trip, the couple will live in Midland.

damage was done.

Mrs. Etta Terry left Tuesday to visit with her daughter, Helen June Dennis and family in Belton.

Others known to be at the Moran School homecoming were Mr. and Mrs. Cleo Pettit, Mr. and Mrs. Bo Barte, Mr. and Mrs. Wayne Knowles, Kamber Knowles, L.P. MUSICAL

Remember the Moran Country Musical is Friday night, October 23, at the Moran Community Center. All area musicians are invited to attend and help with the music. A concession stand will be open with pie, coffee, tea and soft drinks. Come and enjoy an evening of entertainment and fellowship.

AMERICAN LEGION

New officers for the American Legion are Bob Cockrell, post commander; R.W. Miller, first vice commander; Maurice Newton, second vice commander; Robert Charles Green, adjutant; Dick Cockrell, sergeant of arms and Walter McCollum, chaplain.

Mr. and Mrs. Guy Thomason and Mr. and Mrs. Jack Moore spent a few days in Ruidoso, N.M., with Mr. and Mrs. Bobby Guy Thomason.

Mr. and Mrs. M.H. Gore visited with Mr. and Mrs. Thomas Holland and sons and Mr. and Mrs. Ezra Weir last Wednesday.

Mrs. Cliff Sill of Georgetown visited with relatives and friends in Moran last week.

Mrs. Walter McCollum is receiving treatment in the Cisco Hospital.

Fred Wylie is receiving treatment in the Eastland Hospital.

E.J. Freeman Sr. is receiving treatment in an Abilene hospital.

Cleva Collinsworth returned home with her son and wife, Mr. and Mrs. J.R. Collinsworth for a visit.

Mr. and Mrs. Thomas Holland and Melvin, Mrs. Joe Moore and Bobby Moore attended the funeral for their uncle and brother-in-law, Charles Moore in Duncan, Okla., last Thursday.

RAIN

Moran and community received about 2.70 inches of rain Monday morning, with some parts receiving more. Some of the creeks are out of banks, but no damage is being received. Since the first of last week, about four inches has fallen and the rains are very beneficial as stock was getting low, as well as some of the area lakes.

Putnam News

By Mrs. R.B. Taylor

What wonderful rains we have had all week. The sun has only shone one day. All together we have had nearly five inches. All stock tanks are full and what a boost to the grain farmers, especially the ones who had already sown wheat. And hasn't the temperature been wonderful too, no heat and no air conditioners. I wish we could have autumn all year around.

We were so happy this p.m. when our telephone rang and our good friend Ollie Burnam was on the line. Her daughter and granddaughter had brought her from Fort Worth where she has been recuperating from hip surgery. They stopped by Ollie's house on their way to Coleman where she will stay with the James Isenhower family until she is able to come home for good.

Mr. and Mrs. Homer Taylor of Sweetwater visited their parents, Mrs. R.B. Taylor and the Arlin Bints near Cisco last Monday evening.

Mr. and Mrs. Henry Wink from New Mexico visited Jack Ramsey and Maxie Solomon this week. The Wink family lived in and around Putnam several years ago. Mr. and Mrs. R.D. Threet of Carbon also visited his aunt, Maxie Solomon Tuesday.

Hall Green left this week for Nevada, where he will be tending to business for sometime. He has been at Abilene a few weeks and visiting the home folks, the I.G. Mobleys.

Jack Francisco of Denton was here last weekend. He was seeing to the disposal of his parents home here.

Mrs. Annie Merle McGowan of Pecos is visiting her sister, Maggie Cook and her aunt, Naomi Heyser at Baird.

Mr. and Mrs. Larry Campbell and sons near Baird honored her parents, Mr. and Mrs. Buster Hatchett on their 50th wedding anniversary at their home Saturday evening, with a dinner party. A few close friends and relatives of the couple wished them many more years of happiness.

Mrs. R.C. Speegle returned home this weekend after spending several weeks with her daughter, Mr. and Mrs. Babe Donaway of Odessa.

Mr. and Mrs. Bill Taylor of

Weatherford spent Sunday with his mother, Mrs. R.B. Taylor.

The Women's Study Club of Putnam met Monday, October 10, at the Community Center. Ten members and two guests were present.

The next meeting will be at the Community Center with a representative from the Lone Star Gas Company bringing the program on "Christmas Goodies" the second Monday in November.

Pleasant Hill Homemakers Club Holds Meeting

The Pleasant Hill Extension Homemakers Club held a meeting October 8 at the home of Murl Campbell with co-hostess, Vadis Phelps.

Plans were made for the club's participation in the Senior Citizens bazaar and the annual Homemakers Achievement Day.

The Senior Citizens bazaar will be held November 5 and 6 in Eastland. Eastland County Extension Homemakers provide the concession stand. Homemade soup, cornbread, pies and cakes will be served.

Achievement Day will be November 11 in Eastland. This day is set aside for Extension Homemakers to enter their crafts, including oil painting, canned foods and sewing.

The next meeting will be October 22 in the home of Carrie Hicks of Eastland.

Service Club Still Taking Applications

FEELING ANY PRESSURE?

What is it for you? The job? The boss? Traffic? Bills? Pits? Family? Deadlines? Quotas? Getting on top? Or just staying afloat? Are there more conflicting demands in one day than you'd rather face in one week?

This pressurized pace of life can come from your own inner push for recognition and achievement. Or it can be the result of those outer pressing demands.

You may not be able to alter your schedule or situation. But you can change the way you look at it. Deal with it. Live through it. and rise above it. Our people are realizing that an inner center of calm and serenity is available. What Jesus said about lasting peace that nothing can take away makes a lot of sense.

We all have pressure -- but do you have peace?

Lights from the Christian World

By Josephine Cleveland
 "If we walk in the light, as he is in the light, we have

fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin."—John 1:7
 A young woman was defending her continued attendance at doubtful places of amusements. She said to her friend, "I think a Christian can go anywhere."
 "Certainly she can," her

friend replied, "but I am reminded of a little incident which happened last summer when I went with a group of friends to explore a coal mine. One of the young women who joined our group dressed in a dainty, white dress. When we remonstrated with her she appealed to the old miner

who was to guide our party."
 "Can't I wear a white dress into the mine?" she asked petulantly.
 "Yes mum," the old miner told her, "there's nothing to keep you from wearing a white dress down there; but there be considerable to keep you from wearing a white dress back."

Friend, there is nothing to keep you from the sinful pleasures of the world. Worldiness as condemned in the Scriptures has to do with the world of sin around us. There are many good, clean and wholesome things in the world that the Christian can enjoy. This is not the world that is condemned in the Bible. It is the world of sin and sinfulness owned and operated by Satan that is condemned in the Bible.

Just as there are some special cures for certain types of diseases there is a cure for worldiness. The permanent cure is the "blood of Jesus Christ." It will wash away all stains.

If you're concerned about rising grocery costs, here's something you can do about it.

On November 3, you can make a positive step toward helping hold the line on rising grocery costs. Proposition 5, one of seven proposed Constitutional Amendments which will be offered on the ballot, would include livestock and poultry with all other farm products as exempt from property (ad valorem) taxes. The effect of passage of this amendment will be to lower production costs for livestock and poultry. In the long run, this will be a positive step we can take to help hold the line on grocery price increases.
 For you and for your family, both now and especially in the future, this may be one of the most important votes you'll ever cast.

VOTE FOR 5.
 HELP HOLD THE LINE ON YOUR FOOD COSTS!

Billy Graham Head Speaker At Convention

World evangelist Billy Graham heads a cast of speakers to address the Baptist General Convention of Texas during its 96th annual meeting in Waco, Oct. 27-19. "Be Witnesses Unto Me...Now," is the theme of the convention which will attract messengers from many of the state's more than 4,000 Southern Baptist churches to consider major business including a proposed, record-breaking \$45.4 million budget for the denomination's Cooperative Program of support for missions causes around the world.

The convention also will elect a new president to succeed Carlos McLeod, pastor of the First Baptist Church, Plainview, who has served the maximum two terms.

Graham, a Southern Baptist will speak at a Bold Missions rally in the Heart of Texas Coliseum Wednesday evening, Oct. 28. Graham will share the podium with Thrumon Bryant, area director of Eastern South America for the SBC Foreign Mission Board.
 The thrust of the rally will be on Mission to Brazil, an evangelistic program through which hundreds of Texas Baptist volunteers have gone to help Brazil Baptists and Southern Baptist missionaries achieve a Centennial goal of doubling the number of Baptist churches and church members in the South American country.
 Blind musician Ken Medema will perform in concert at the same session.

Other key speakers include McLeod, John Bisagno, pastor of the First Baptist Church, Houston; Caesar Clark, pastor of the Good Street Baptist Church, James H. Landes, BGCT Executive Director, and James Pleitz, pastor of Park Cities Baptist Church all of Dallas; Russell H. Dilday, Jr., president of Southwestern Baptist Theological Seminary, and evangelist Jay Strack, both of Fort Worth; Winfred Moore, pastor of First Baptist Church, Amarillo, and D. Michael Toby, pastor of Woodway Baptist Church, Waco.

Preceding the Convention, Texas Baptist Women's Missionary Union and Texas Baptist Men will conduct their annual meetings, Oct. 27-28, in Waco.

Growing the beautiful African Violets
 By: Ted Brice
 Hybridists have created thousands of cultivars from the original few African Violet species.
 They are free flowering and much easier to grow than their ancestors. The foliage can vary from somewhat velvety smooth or plain smooth, scalloped or wavy, lance or heart-shaped, green or variegated.
 The flowers range from single to double or semi-double in shades of pink, blue, lavender, purple, or white.
 The soil must be sterilized or a commercially mixed package of potting soil specifically for African Violets must be used.

 There are two ways to propagate and that is by seed and leaf cuttings. Remember humidity, moist soil (not wet), sterilized soil and the amount of light are major factors in growing African Violets.

A THOUGHT FOR THE WEEK

We have a lot of anti-this and anti-that fault finders in our country today. They seem to oppose everybody and everything. It seems to be a national indoor sport for everyone to tell everyone else how bad this country is . . . And, unfortunately, the boob tube takes up the sport every night . . . Politicians are all classed as cynical opportunists . . . always on the take. Businessmen are sneeringly named as the Establishment . . . always ruthless money grabbers. So-called intellectuals are signed off as a bunch of left-wingers. Seems like nothing good is being said about anybody . . . so much so that it leads us to wonder how over 220 million people could have all gone bad so suddenly!

To this national mania of "we're no good" we say: "It simply isn't true." All throughout our land there are average, plain decent, home-loving people. They mow their yards, go to work, touch up their houses, take their kids to a community swimming pool and go to church. More than any other people on earth, we Americans enjoy more benefits and advantages than any other nation on earth.

This is the real America . . . This is our country's strength . . . These are the American people.

"The Rural Church where the City Folks Attend"

People n Things

WHAT DO YOU think of Cisco's parking meters? The City Council has asked the Chamber of Commerce to make a survey of business folks and citizens generally for an opinion. The Council is studying a suggestion to raise the minimum violation penalty to \$1 and to \$5 if not paid in 24 hours.

The CofC would be pleased if you'd jot down your ideas on a piece of paper and leave it at their office. You can sign it or not.

THE CofC, by the way, is getting more and more calls from out-of-town folks who would like to lease pastures for game hunting. If you have a place you'd like to lease out, list your name and address at the CofC. We mentioned here recently about seeing quails out on West 14th Street and near the telephone company on Avenue E and 7th Street. We have a new game report—a doe deer. We saw a handsome deer grazing in the vacant lot just south of the E.T. Cornett home at 1006 Avenue N last Wednesday. The deer became excited and jumped into the yard of the C.W. Guthries next door and, after a time, jumped out on the other side and went off toward 10th Street. The Guthrie yard is enclosed by a five-foot cyclone fence.

MR. GUTHRIE, who is Cisco's fire chief, tells us that they're out of equipment for rural fire fighting. The last truck's motor went out the other day. They will accept donations for use in putting the rural fire department back in operation. Local firemen took one 1,500 gallon load of water to Breckenridge the other day after that city's water supply was contaminated by flood waters. Kenneth Deitiker, Bill Kendall, Bobby Parker and other Cisco members of the National Guard Unit at Breckenridge went there Tuesday to help when an emergency was called due to the flood.

A YOUNG Canadian medical doctor spent last Saturday in Cisco interviewing and being interviewed.

Col. Morris White of Bayfield, Colo., has been in Cisco for several days looking after business matters. Glad to hear that the W.F. (Bill) Collines of Burleson, former long time Ciscoans, have purchased a home out on West 14th Street and will be moving here soon. Mrs. James Paul Shanks of Baird visited her mother, Mrs. Rosa Lee Broyles, here last Wednesday.

THE ROY Westfalls are back after a week or so of travel trailering. They went to Robstown to visit son Billy and wife Martha and the two

little Westfalls. The Roy Westfalls stopped two days going and coming at Lady Bird State Park near Fredericksburg. It is a beautiful park with nice travel trailer facilities.

Going down, they bought bakery goods in Fredericksburg for the Billy Westfalls, and coming back they loaded up again for the David Westfalls. At Robstown, the temperature was 93 and the humidity was 91. Cisco felt good when they got home.

LAKE CISCO certainly looks good to those of us who had been out there recently. The rains put more than 10 feet of new water in the lake. Willard Johnson, one of Cisco's most dedicated fishermen, took his boat out the other morning.

"Boat docks are floating, ramps are in the water and everything looks super," he reported. He looks for fishing to be good.

THE OLD CITY jail at City Hall was being removed and will be replaced with an office for Police Chief Larry Jernigan. The city doesn't use a local jail anymore now that the new jail at Eastland has plenty of space and facilities for county citizens to house prisoners. Viola Payne, whose feature articles appear frequently in Eastland County Newspapers, now works two days each week at The Telegram office in Eastland.

OUR TOWN WILL be represented next week at a retreat for retirees at Mt. Sequoyah, near Fayetteville, Arkansas. Making the trip will be Mesdames Ella White, Leah Brown and Lela Lloyd of Cisco and Mrs. Bruce Golemon of Ranger.

The group will start home next Thursday and stop at Queen City, near Texarkana, where Mrs. Lloyd will appear on a P-TA program to review her book, "Best Damn Teacher." It was at Queen City that Mrs. Lloyd first taught school and quite a bit of her book deals with her early years as a school-marm there.

FLOOD PICTURES on television this past week brought a telephone call to Mrs. Lloyd from Alaska. Her sister, Mary Carey, wanted to know how Cisco fared in the rain. Mrs. Carey leaves Oct. 22 for six weeks in Australia where she will hunt gems with a group.

Plans call for Mrs. Carey to return home via Texas and a Thanksgiving reunion of the Latch family in Cisco. She reported that Alaska has had the second snow of the

month.

MISS LOUISE Snoddy, retired Cisco teacher, underwent surgery for a hip ailment at Hillcrest Hospital in Waco Thursday morning. Her sister, Mrs. John Leveridge of Cisco, was in Waco to be with Miss Snoddy for a few days. Mrs. JL arrived there the other night during a tornado alert and they had quite a storm in Waco, we understand.

Miss Snoddy is in room 3336 at the Hillcrest Hospital. She lives at Stillwater Teacher Retirement Home in Waco.

BANKER DICK Woolley's stock tank at their home out west of IH-20 suffered a busted dam in the heavy rains this past week. Much of their water headed south into a creek. Mrs. Pauline Low of Albany was in town Wednesday and reported that all stock tanks were running over at the Low Ranch. She missed the rain as she was visiting relatives up in the Amarillo country. Mr. A.E. McNeely, retired railroad engineer, spent last weekend over in Big D visiting relatives. Edward Wende is no longer the window clerk at the Cisco Post Office. He moved up to dispatcher recently, turning the window over to Rodney Sharpe.

MR. S. LOPEZ of the City Street Department staff was busy keeping sewer drains open on downtown streets early last Monday and Tuesday, holding down high water damages. The CJC Band and Belles have asked the City Council for permission to practice marching on the new runway at the airport. They're getting ready for the two-mile march in the New York City Thanksgiving parade. Okay, the Council said, but remember that all landing aircraft have priority.

THE CITY HALL is open during the noon hour again and a lot of folks are pleased as they can pay water bills while they're off for lunch. Looking around Lake Cisco, the eight to ten feet increase in the water level is real noticeable in the dam area and in the draw below the Cisco Country Club. Over on the south shore, Lake Patrolman C.H. (Cats) Ingram's boat house broke loose and floats peacefully 100 feet or so out in the water. And the boat loading ramp broke loose and will need repairs. A cool front thundershower dumped about a quarter of an inch of rain on Cisco around 4 a.m. Friday. The auto stalled in the deep water on West 9th Street last Monday morning belonged to Mrs. Barbara Wylie of 210 West 16th. She wrote a letter to the editor about her experience and the

letter appears elsewhere in The Press.

Letters to the Editor

Editor: Surely no one can say that Cisco doesn't have some of the finest citizens to be found anywhere in Texas. After what my daughter and I encountered on Monday of this week, I can testify to that fact.

Just by chance, I changed my usual route to the high school that morning and I decided to go down 9th Street. Little did I know what was in store for us, as I had never been down 9th Street—whether it was raining or not. We came upon what looked like your average water puddle and proceeded to go through it. Before we knew it, we were "hip high" in water, with our Thunderbird being covered 3/4 by the rapidly moving water. Our only way out was to quickly roll down a window and get ourselves out to safety.

By this time, there were two men on the scene. One stayed with us and the other went for help. In a few minutes a friend of my daughter's came by and offered to take her home so that she could change clothes and get on to school. Meanwhile, another man came out to offer his help and another came with his tow truck (he had seen my situation when he was taking his children to school so he went back to his house and got his truck). Within a short while my car was pulled out of the water, thanks to the help of these fine gentlemen. Through all of the confu-

sion, I never did get their names, but they certainly deserve a great big THANK YOU.

I offered to pay them for their services, but they refused by saying they only wanted to help me.

Perhaps you could help me to say, "Thanks to all of you who helped us—I don't know what we would have done without you."

Yours sincerely,
Barbara Wylie

Dear Editor, I had the honor and privilege of being equipment manager at CJC for Coach Bill Anderson and Bob Keyes. I graduated from CJC on May '79.

I am now attending Howard Payne University and each week that I'm here I become more and more grateful for these two men.

I'm writing to say that Coach Anderson and Coach Keyes do a lot more work at CJC besides producing winning football teams. They build character and try to instill good Christian values in each of the students and players they come in contact with.

Which in reality—that's what coaching is all about—producing good solid citizens.

I often think of these two men each day that I'm here at Howard Payne. I want to thank the board of regents and Dr. Norman Wallace for bringing these men to CJC and into my life.

People of Cisco if at all possible please back the CJC Wranglers and these men by attending the last two CJC games on the 26th and 31st of

October.
Sincerely yours,
Ed Pugliese

Senior Citizens Nutrition Menu

"Sugar in the morning, sugar in the evening, sugar at supper time..."

Remember that pop tune of the 50's? It is becoming depressingly appropriate today, says the U.S. Department of Agriculture. Sugar, that so many of us do not need, is getting harder to avoid.

Sugar, added to seemingly innocent foods as ketchup, peanut butter and breakfast cereals may be one reason the U.S. sugar consumption has jumped from 104 to 129 pounds per person during the past 60 years, according to USDA figures.

Checking food labels can help you avoid a sugary surprise, but you have to read between the lines. Sucrose, lactose, glucose, eductose, corn syrup, corn sweetener,

invert sugar and honey are all terms used to describe various sugars. They all turn to glucose in the body. Sugar by any other name is just as sweet, just as devoid of vitamins and minerals and, thanks to such sweet deception, getting harder and harder to avoid.

The menus for the week are:
Monday—baked ham, glazed sweet potatoes, 7-minute cabbage, fruit cobbler, bread, butter and drink.

Tuesday—beef stew/fresh vegetables, tomatoes, gingerbread, bread, butter and drink.

Wednesday—hungarian goulash/rice, green beans, slice tomatoes, pineapple upside-down cake, bread, butter and drink.

Friday—country fried chicken, glazed carrots, english peas salad, fruited jello, bread, butter and drink.

WORD OF GOD

Seek The Lord Because I have called, and ye refused; I have stretched out my hand, and no man regarded; Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me.
