

Annual FFA-4H Field Day Held

The annual FFA-4H Field Day held last Saturday has been termed successful by all who attended.

The field day sponsored by the Cisco Livestock Show Association is held annually at the high school. The purpose of the event is to acquaint students and parents with selecting, grooming and showing animals.

Randy Jordan, Breckenridge banker, was the speaker for the day's events and brought many helpful suggestions to all who attended.

The Field Day got underway with a judging contest with seven classes to judge. Judging contest winners in the below high school levels were: Shannon Kendall, first; Phillip Allen, second and Jerry Lang, third. Adult winners were Trudy Long, first; Barbara Long, second and Rick Whatley, third.

A covered dish luncheon was served to 114 parents and students.

A showmanship contest was held after lunch with the following winners: Tommy Claborn, sheep; Jim Moylan, beef cattle and Kathy Choate, dairy cattle.

Results of the Cisco game and of the DeLeon game were to have been phoned immediately following the games to Early.

As the district race may be

Wins or Flips Were To Decide Champ Of District 10-A Trio

The 10AA District football championship and playoff representative were to have been declared by the district officials at Early, following the Eastland-Early game.

A loss by DeLeon would make Eastland the playoff team, a loss by Cisco would make DeLeon the team, or a

three-way tie between Cisco, Eastland, and DeLeon, each of these teams was to have had a representative at Early should a coin toss have been necessary to determine the playoff representative in the event of a three-way tie.

A loss by DeLeon would make Eastland the playoff team, a loss by Cisco would make DeLeon the team, or a

loss by Eastland would make Cisco the team, if the other two teams won.

A game played Friday also, between Mason and Junction, two previously undefeated teams, was to have determined the bi-district opponent of the district 10AA representatives for the first step in the playoffs for the state class AA championship in high school football.

Parking Meter Moratorium Is Approved By City Council

A two-month moratorium on the enforcement of the city parking meter ordinance was approved by the City Council at its regular semi-monthly meeting last Tuesday night. The moratorium will be effective from Nov. 15 to Jan. 15, 1982.

City Manager Mike Moore said tape would be placed over coin slots on all parking meters during the moratorium period. The Council discussed raising parking violation fines at their Oct. 13th meeting, and decided to conduct a survey before taking action. The meters have been in use since 1949.

The moratorium period will take in the holiday shopping season. City officials expressed the hope that business owners and employees would make special efforts to leave their own vehicles away from the areas where meters seek to provide parking for shoppers.

In other action, the Council granted the Cisco Kiwanis Club a franchise to build and operate an 18-hole miniature golf course at Lake Cisco Park. Joe Wheatley, appearing before the Council on behalf of the Kiwanis Club, said the club hopes the reestablishment of miniature golf at the park will provide recreational opportunities for both adults and young people and encourage further development activities.

Mr. Wheatley said the club will spend some \$3,600 for materials that 18 individuals and businesses have underwritten and that club members will donate their labor. Plans call for a six-foot chain link fence around the golf course, additional lighting, an office building and other facilities.

Plans call for the renovation to be completed by April, 1982, and for the golf course to operate through

Labor Day each year. Local young people will be employed in the operation, he added. The club will pay the city \$1 per year as a franchise fee.

Councilman Bobby Ingram noted that the city's park board, of which he is a member, is considering a feasibility study for the lake park. The board hopes to find ways and means for new development there, he added.

There were no bids for Lots 143 and 144 and 215 on the North Shore at Lake Cisco, so the matter was tabled.

The bid of Pierce Motor Company, local Ford dealer, was accepted for a new pickup truck for the water department. The low bid submitted by Pierce was \$7,161.44 for a 1982 half-ton pickup.

The Council approved the plat for Lot 2, Block 110, City of Cisco, as submitted by Charles H. Nix and Lee Her-

shberger. The block represents some nine lots on two city blocks between Avenues L and M on 16th and 17th Streets in South Cisco. A spokesman for the owners said plans call for selling the lots to potential home builders.

Councilmen Linton Batteas and Loyal Lundstrom were named as an Ad Hoc Committee to assist the city manager in a review of dispatching city public safety services - studying the city's participation in the Eastland County Dispatch. The city contributes some \$1,300 per month to support the dispatch office in Eastland.

An inquiry from an oil company regarding the availability of three small tracts of land under which the city has mineral interests was referred to City Attorney Bill Wright for study.

During the citizen-council discussion period, Louise Allison suggested that month city financial statements include total figures as well as a list of monthly expenditures. Mr. Moore told the Council that this would be done in the future.

Anton White, president of the Cisco Cemetery Association, told the Council that work was near the half-way point on installing a new water system at the cemetery. Councilman Brad Kimbrough observed that Mr. White was doing a fine job at the cemetery.

Mayor Eris Ritchie told the Council that both he and Mayor Pro Tem Lundstrom would be out-of-town during the Nov. 24th meeting and that he has asked Councilman Batteas to preside.

The city manager's report showed that a total of \$102,112 in city taxes was collected during the month of October. This represented a 130 per cent increase over collections for the same period last year, he added.

The city manager also reported that he has been in touch with officials of the Missouri-Pacific Railroad regarding repairs to the crossing at the north end of Avenue D. He was advised that recent bad weather had delayed the work and that materials for the project are now in Cisco and work will start soon.

Minutes of the Oct. 27 and 29 council meetings were approved. Present were Mayor Eris Ritchie, Councilmen Bobby Ingram, Bobby Rains, Loyal Lundstrom, Brad Kimbrough and Linton Batteas, City Secretary Ginger Johnson and City Attorney Bill Wright. The Rev. David Adkins, pastor of First United Methodist Church, gave the invocation to open the meeting. Some 10 spectators were in the audience.

CFW Bazaar Is Success

If you missed the Bazaar and all the fun and bargains at the First Christian Church in Cisco last Friday and Saturday, 6th and 7th, you really shouldn't have! The huge success of the annual event of the Christian Women's Fellowship was mainly due to the great cooperation of all the church members, who furnished most of the food served and the baked goods; the Cisco Press for carrying the many advance newspaper notices; the Eastland KERC radio station, for its announcements several times a day; the many patrons, who came to eat meals and buy our wares; and last but not least the many, many participants in making the bazaar possible. Most of the things sold were hand made, some in preparation the whole year between bazaars. The nice hand-made posters placed in the store windows and the menu to order from, took much time and talent. Those salespersons, waitresses, servers and dishwashers, who did their jobs well and with smiles on their faces (even if their feet did hurt).

Thanks to each and everyone of you for your help! We express our sincere appreciation to everyone listed above and wish it were possible to thank each of you personally. There were so very many kind people who contributed to this project, we hope we have not omitted anyone. If you helped in any way not mentioned in a category above, please consider yourself in a "special" thank you category. We are looking forward to planning another (1982) bazaar and solicit your help now! God bless you all.

announcement by Trustees of the Twentieth Century Club. Mrs. Leveridge succeeds Mrs. J.J. Porter who resigned as Librarian after 24 years of service and who has been training Mrs. Leveridge during the past month.

Mrs. Leveridge, the former Mary Bob Snoddy, was born in Scranton to Mr. and Mrs. Robert Snoddy. Her sister is Miss Louise Snoddy, former resident of Cisco, who now resides in Waco. She graduated from Scranton High School and obtained a degree in Public School Music, with a near-equivalent major in English, from Texas Woman's University at Denton.

After teaching briefly in Scranton and Gorman, Mrs. Leveridge came to the Cisco Public Schools where she taught until 1979 when she retired after a total of 28 years of teaching.

Mrs. Leveridge was married to John Leveridge, a farmer and a native of this area, who passed away in 1973. Their three children are Bob Leveridge, teacher at Oscar Rose College, Norman, Okla., Mrs. Leannah Darr of Lubbock and Mrs. Liz McCoy of Clyde.

The Twentieth Century Club, has maintained and operated the Library as its primary objective since 1880, when it assumed sponsorship from Mr. Frank Verdon, a newspaper editor in Cisco who started the library with the donation of one volume - "Ben Hur."

Club members consider themselves and the community to be highly fortunate to have secured the services of Mrs. Leveridge, and extremely grateful for the many, many years of conscientious and devoted service by Mrs. Porter.

County Child Welfare Board Holds Meeting

The Eastland County Child Welfare Board held its regular bi-monthly meeting on Monday, November 8, at the Eastland County Courthouse.

Eastland County Placement Worker Gail Jennings urged board members to bring to the attention of individuals, civic organizations and church groups the needs of the ten foster children in the Eastland County area at this time of year. Special donations of money would provide an extra Christmas gift for these deserving children.

Donations for these children made payable to the Eastland County Child Welfare Board are tax exempt. Monies received will be given to the foster parents for selection of a gift for the child or children in their charge.

For further information in the Cisco area, contact Board Member Christine Reich at 442-2753.

Bible Baptist Women Meet At The Colony

The Bible Baptist women met in the Colony Restaurant for their monthly Bible study and fellowship meeting. Mrs. Linda Wells gave the blessing. The women enjoyed dining on food of their choice and the pleasure of visiting with each other.

A business meeting was conducted by Mrs. Linda Wells. A Christmas party was planned as part of their next meeting. The Bible study was brought by Mrs. Janet Ballard on the subject "Delight thyself in the Lord and he shall give thee the desires of thine heart."

The closing prayer was given by Mrs. Betty Green. Those attending were Mmes. Linda Wells, Janet Ballard, Barbara Mayberry, Carrie Louise Collier, Wanda Payne, Faye Owings, Nelda Gary, Betty Green and Elizabeth Lee.

Lions District Meeting Slated Here Saturday

Lion J.W. Cook sang and played his guitar as the entertainment feature at the weekly luncheon of the Cisco Lions Club last Wednesday noon at the White Elephant Restaurant. He sang several original songs in the program that was applauded by the club.

Archie Chamness, chairman of Zone Nine Lions Club, reported that the District 2E-1 governor and his cabinet would convene in Cisco at 10 a.m. Saturday, Nov. 14, at the White Elephant Inn. The group will have a luncheon at noon at the restaurant and reconvene for an afternoon session. Local Lions were urged to take part.

Mr. Chamness presented the Cisco club with a plaque awarded by the zone to the club selling the most tickets to the recent Lions Benefit Bowl football game.

Reginald Henley of Lake Granbury was a guest.

New Efforts Are Begun To Enforce Junk Car Laws

New efforts to enforce the city's junk car ordinance are underway in Cisco, according to City Manager Mike Moore. Letters were going out to property owners who are in violation of the ordinance, he said.

"Hopefully, we will receive full cooperation and be able to make a contribution toward improving the appearance of our city," Mr. Moore said.

The city council recently approved a plan to rid the streets of junk cars and overhanging tree limbs.

Acknowledges Gifts

CYAA Football Teams End First Season Nov. 8

To Have Awards Banquet Tuesday

The CYAA football results are as follows:

Cyclones 33 and Oilers 6-The Cyclones romped over the Oilers in Saturday, Oct. 31st, game. In the first quarter Donovan McDonald intercepted an Oiler pass for the first Cyclone TD. The extra point attempt failed. In the second quarter Jason Phillips completed a pass from Jeffcoat for the second Cyclone TD. The extra point was good on a pass from Jeffcoat to Andy Woody, making the score at the half 13-0.

In the third quarter Weibe scored an Oiler TD. They failed to make the point after due to the defensive efforts of Mark McGinness. The Cyclones roared back to score another TD when Jason Phillips intercepted

Regents Approved Sale Of Residence

The board of regents of Cisco Junior College approved the sale of the three bedroom house built by the building trades class to Mr. and Mrs. Barry (Butch) Crudginton at their regular meeting last Monday night. The Crudgintons paid \$25,000 for the house that is located on the old Abilene highway. Both Mr. Crudginton and his wife, the former Jodie Keating, are former CJC students. He will be the manager of the office that the Gorman National Bank is building here.

In other action, the board heard reports of school activities and approved financial statements.

A THOUGHT FOR THE WEEK

It is seldom realized that wishful thinking and contentment are opposites in many instances. For example, to say — "My problems would be solved and everything would be alright if I had a million dollars" is wishful thinking beyond the bounds of contentment. A fact of life is that one thing leads to another. Wants and desires pile up one after another beyond realistic needs. In such cases, contentment is never reached and an attitude exists that contentment is for cows only.

True contentment requires being satisfied with WHAT you are and what you HAVE NOW — while you keep planning for what you are going to be and preparing yourself for what you are going to have later. St. Paul states this premise beautifully. "I have learned in whatever state I am, to be content." Perhaps it was from his words that an old proverb originated — "He who is not contented with what he has, would not be contented with what he would like to have."

Senior Citizens Nutrition Menu

The Cisco Senior Center, for those 60 years of age or older, has come to be known throughout the Big Country as an outstanding program. This has been brought about through lots of work and thousands of hours of volunteer contribution by those involved.

The program is sponsored by the Cisco Junior College under the auspices of the West Texas Council of Governments.

The Center serves meals, three times a week that are carefully evaluated for the nutritional needs of the members.

The varied programs are structured to care for the many personal needs of the members on a counseling or referral basis.

Last year the Eastland Center was organized and the meals are prepared in the Cisco Center Kitchen. The total meals prepared by the kitchen staff vary from 250-300 per serving day.

If you know of anyone who is 60 years or older, please have them to call 442-2263 or 442-1557 so the program may be explained to them.

The programs, during the luncheons, included: singing of religious songs by Ila Wilson, Leona Callaway accompanied by Anna Dytzel; and musical presentations by J.W. Cook singing his own songs intertwined with J.W.'s humorous remarks. Leah Brown played dinner music.

The menus for the coming week are:
Monday—barbecue franks, butter beans, cabbage, cherry chip cake, cornbread, butter and drink.
Wednesday—baked ham, glazed sweet potatoes, pineapple tidbits, bread, butter and drink.
Friday—meat loaf, blackeye peas, cauliflower/cheese sauce, peach slices, bread, butter and drink.

Tracks Back Together

In a special report on Friday Public Relations Schultz from the Dallas office of the Missouri Pacific Railroad gave information concerning the train derailment in Eastland on Nov. 10th.

The accident occurred at 12:20 p.m., just west of the Highway 69 crossing on North Seaman St. A west-bound train (S.F. 1-10) with two engines and 13 cars was traveling at 25 miles per hr. All cars were loaded with especially constructed refinery vessels bound for Borger, Texas.

Mr. Schultz states that the track was in good condition, in spite of the recent flood, and the derailment cause is listed as mechanical failure in the train equipment. The 4th to the 9th cars turned over during the accident, and tore up about 150 ft. of track.

There were no fires and no personal injuries to the train crews during the mishap. A siding was cleared and the last car rerailed at 11:15 p.m., Nov. 11th. Service was resumed at 1:30 the same day.

Mr. Schultz expresses his regret at the inconvenience of the derailment, and states that the Railroad will take all precautions against such future occurrences.

Area heating saves energy

And helps reduce your monthly heating costs.

Your heating requirements will be reduced by heating only those rooms that are used regularly... even if you already have central heating. Dearborn heaters are safe. They provide warm, even temperatures. And using them is less expensive than heating an entire home.

The energy shortage is today. Buy your Dearborn area heater while all sizes are still available.

FEELING ANY PRESSURE?

What is it for you? The job? The boss? Traffic? Bills? Piles? Family? Deadlines? Quotas? Getting on top? Or just staying afloat? Are there more conflicting demands in one day than you'd rather face in one week?

This pressurized pace of life can come from your own inner push for recognition and achievement. Or, it can be the result of those outer prodding demands.

You may not be able to alter your schedule or situation. But you can change the way you look at it. Deal with it. Live through it, and rise above it. Our people are realizing that an inner center of calm and serenity is available. What Jesus said about lasting peace that nothing can take away makes a lot of sense.

We all have pressure — but do you have peace?

Yolanda Walters Working Full Time With Teen Missions International

Homecoming is over, but coming home isn't for Yolanda Walters, a 1980 CHS graduate. After spending three summers in foreign mission work with Teen Missions International (TMI) she is with the organization full time.

"My main responsibility is in the print shop, where I work operating the process camera, writing, and designing tracts and brochures", Yolanda says. In addition to these duties Yolanda will tackle a new challenge in March. She has been named editor of TMI's newsmagazine "The Control". A former editor of the CHS Lobo Howl, she has also worked as a reporter for the Eastland County Newspapers. Yolanda attended East Texas State University and was employed in the University Print Shop at that time.

Teen Missions is an interdenominational mission sending organization established to give teenagers and their adult leaders first hand experience in mission work. To accomplish this they send summer teams around the world. "TMI is not just a summer ministry," Yolanda stated, "many people think that we have nothing to do during the winter months...they are mistaken! As soon as the staff returns from deputation/vacation we will begin preparation for the Christmas Team Leader Seminar, work project, and former team member reunion. Also many staff

members will be going on the road to teach team leader seminar in various states. Coming up in March we have Mission Fest, a missions conference featuring well known christian authors, musicians, speakers, and representatives from a variety of mission boards. Other programs that TMI offers are adult sewing and construction teams, "Third World Ministries" (teams of Filipino, Indonesian, or Indian teens doing work projects in their own countries with financial and leadership aid from Teen Missions), and they operate a youth center in Glasgow, Scotland. According to Yolanda, all of this takes an enormous amount of work before it can be carried out smoothly. "Travel arrangements alone can present big problems for an excess of 1500 people a summer," she said.

This summer 53 teams are planned to do construction and evangelism in countries such as New Guinea, Egypt, Paraguay, and France. Teams consist of approximately 34 teenagers plus five adult leaders. Each staff member is required to be a team leader during the summer. This summer Yolanda was an assistant leader on the Playa Del Carmen, Mexico team. The team constructed a church for the village. It is the first Christian church in that area. "As one of the three lady leaders my job was to plan and prepare the meals in our kitchen that hut, as well as

take care of the health needs of the team. I had to be sure each person took their malaria pill, be prepared to give shots, and that sort of thing. It's a serious thing to take someone else's child to a place that you have never even been, but it is a very rewarding challenge", she says.

As in every story there is a complicating incident, there also is one in her story. The "big if" for Yolanda is finances. "Myself and the rest of the staff, including the director, are all supported by churches and individuals. Our food, bills, rent, everything we need to live is provided for by someone who has sent in support." Monthly supporters send in what they have pledged, and that is the pay of the approximately 42 staff members. Yolanda said, "For me payday doesn't always come on Friday, but I know that God provides. I have seen it, and live in that assurance."

Why would anyone go so far from home, live among strangers, and chance their next meal on whether or not someone, or some church will support them? "I do because I like to see results.

I have seen so much change in me since I began going as a team member in 1978; now I can look at the lives of the teenagers who were on my team this summer and see the growth and difference in their lives. It is exciting to see a person take an adverse situation and beat the challenge it offers them. All the different personalities (team members have never met before) different cultures, hard work, and very primitive living arrangements are difficult to face, but with God, who is bigger than all of that, they certainly aren't insurmountable. I like that challenge!"

Yolanda is home until December 6 for speaking engagements, and a "little rest." Then it's back to Florida, and her work there. She is the daughter of Mr. and Mrs. Asa Walters of Cisco.

Reappraisal Crews Still In County

The task of reappraising all of the taxable property within Eastland County continues as the work crews of McMorries and Company continue their work throughout the County. The firm has been hired to reappraise the property within the County in order for the taxing jurisdictions throughout; to be in compliance with State tax laws passed by the last two sessions of the Texas State Legislature.

Work crews have completed work in most of the Western and Southern areas of the County; although there are a few parcels still to be done in those areas. The crews working the city areas have been working in Eastland City for the last 10 days and expect the work to continue within the City for several more weeks.

Each property parcel will be visited by the field men, whose duty it will be that at time to measure the outside of the improvement upon that property and to properly classify it. This work will be done even if the property owner is not at home, but in all cases an identification card will be left for the property owner, so that they will be aware that the work has been done.

The actual value of your property will not be determined until after the first of the year as the law requires that the fair market value for each taxable piece of property within the state be determined as of January 1, 1982. Sometime this spring, hopefully around April 1, 1982, all property owners will be mailed a Notice of Reappraisal which will inform you of the new value of your property.

If you have any questions concerning the appraisal work being done, you may call the Eastland County Appraisal District Office at 629-8597 for this information. T-98

MHMR Announces Bake Sale

The clients and patrons of Eastland County MHMR work shop are extremely grateful for the response to the recent one day garage and bake sale. Results of this sale and previous sales insure that the work center will function at least through April 1982. Our goal is to see the center work continuous. The clients are depending on your continued support to help in providing them a piece of what they perceive to be the good life.

The demand for Bake Goods was so overwhelming that we are announcing a Bake sale for Cisco at Thrift-Mart on Wednesday, Nov. 18 beginning at 9:00 a.m. and a Bake Sale in Eastland at Thrift-Mart, Saturday, Nov. 21. We wish to thank the management of Thrift-Mart for allowing us to hold these sales at their facilities.

The Cisco sale will be under the supervision of Chris Gaines and Waldene Hoover. Nell Bower and Bert Johnson will be in charge of the Eastland Sale.

To make these sales a real success we need all you good cooks to donate some of your culinary art. We need donations, but as an added feature we will also accept orders. Tell us what you want and we will sincerely try to find someone to bake it especially for you. If you need someone to pick up your donation or you wish to place a special order please call 629-2341.

Remember, please support your MHMR Work Center and donate to its memorial fund today.

Darla Cagle Places In Showmanship

Darla Cagle, daughter of Joe and Darlene Cagle, represented Eastland County 4-H at the State Fair of Texas. Darla is a freshman at Carbon High School and very active in the local 4-H Club. At the fair Darla entered her market lamb and placed 11th in the class. In her particular class there were 44 other contestants. However, the outstanding

part was that Darla was chosen out of her class as the best showman. This meant that Darla would show again, this time for the sheep showmanship of the State Fair of Texas. There were 14 other contestants competing with her. Darla placed a very respectable 3rd. This is a very outstanding achievement and Darla should be commended.

Olden Homecoming Nov. 28

The 8th Olden Homecoming will be held on Saturday, November 28th. Registration will begin at 9:00 a.m. at the Olden Gym. For those who wish to eat the noon meal at the gym, please call Ron Patton at 442-2211 or 442-4377 as soon as possible or mail your money to Ron at 711 E. 21st Street, Cisco, Texas 76437. Tickets are \$3.50 each.

GORDON SPOT

By DeMarquis Gordon

Buzzing sounds of chain saws at work fill the air this time of year in Eastland County. These sounds can signal impending danger. A chain saw is one of the most potentially dangerous power tools on the market today. People using lightweight chain saws for trimming trees, cutting firewood or clearing land should be aware of hazards associated with their use.

Each year some 23,000 persons require hospital emergency room treatment for chain saw injuries. Two of every three chain saw injuries to operators and bystanders are caused by inadvertent direct contact with the chain saw blade due to a failure to follow recommended operating procedures.

Chain saw accidents occur in many different ways. For instance, an operator may reach across or hold work too near the moving saw. Or he may lose control of the saw through loss of footing, sudden turns, climbing above ground level, shifting of the saws weight while cutting at or above waist level, or through chain saw "kickback".

Kickbacks can occur when something touches the top of the saw blade, causing the saw to jump or kick back at the operator. Kickbacks may also occur when the chain is misfiled or loose, when a cut is started too slowly, or when the blade nose strikes another object.

In addition, if the bumper at the rear end of the blade is not against the wood being cut, the chain ridding across the wood may jerk the saw forward and out of the operator's hand.

Protective equipment is important to safe operation of a chain saw. Care should be taken to protect the eyes, head, ears, feet and hands from injury by wearing protective eyewear, a bump cap, heavy shoes and light, non-slip gloves. Ear protectors are also a good investment for prolonged use of a chain saw.

Another key step in chain saw safety is to keep the saw in good working order. This includes sharp saw teeth, correct chain tension, proper lubrication and properly tuned engine.

As a minimum precaution, study and understand the owner's manual before making the first cut.

Wood is becoming an increasingly economical alternative to increasing fuel

costs. However, many people know little about selecting and operating a wood-burning stove. And, few people know the real facts about wood energy efficiency.

Before purchasing a wood-burning stove, investigate the economics of burning wood. Wood-burning stoves and accessories are not cheap, and one should expect enough fuel savings to pay back the investment in 7 years or less.

We have two Extension publications that might help you make these decisions. One is titled "When Does It Pay To Burn Wood" and the other is "Selecting a Wood-Burning Stove". Come by or call the Extension Office for copies.

Matt Holliday In Actors Hall Of Fame

The young son of a well known former Eastland Countian and grandson of present Countians, has been named to the Young Performers Hall of Fame. Matt Holliday, 10, son of Mr. and Mrs. Ron Holliday of Helena, Mont., has been appointed to the honor accord-

ing to an announcement from Shallway Foundation, Connellsville, Penn. Matt's mother is the former Alice Ann Webb of Cisco. Matt's maternal grandparents are Mr. and Mrs. Earl Lewis of Eastland and the late Stanley Webb of Cisco. His paternal grandparents are Mr. and Mrs. W.D. Holliday of Throckmorton.

School Photo

In Make-up

The announcement stated that Holliday had been appointed because of his performance in the role of Amahl in the opera "Amahl and the Night Visitors," last December at Grand Street Theatre under the direction of Don McLaughlin.

John B. Shallenberger, president of Shallway Foundation, said that one of the missions of the foundation is to "achieve long-range improvement in the state of the

arts in the U.S.A. by encouraging quality performance by young performers." Admission to the hall of fame is made by the foundation's board of governors upon recommendation of directors of plays, musicals, and operas in which major roles are performed well by children. The Young Performers Hall of Fame is maintained in the foundation's headquarters in Connellsville, Pennsylvania.

Holliday, age 10, was also given a certificate of excellence "for professional excellence in public performance" and a letter from Shallenberger stating that "public performance is an act of giving and sharing, of using one's God-given talent to bring joy to others."

THE REST OF THE GOSPEL

7 And again I speak unto you who deny the revelations of God, and say that they are done away, that there are no revelations, nor prophecies, nor gifts, nor healing, nor speaking with tongues, and the interpretation of tongues; 8: Behold I say unto you, he that denieth these things knoweth not the gospel of Christ; yea, he has not read the scriptures; if so, he does not understand them. 9: For do we not read that God is the same yesterday, today and forever... 19: Why has God ceased to be a God of miracles and yet be an unchangeable being? ..if so he would cease to be God... Mormon 9:7-9, 19. The Rest of the Gospel, P.O. Box 763, Cisco, Texas 76437. p-96

115 Attend Vassarette Reunion

The first annual reunion for former employees of the Vassarette and the old Hollywood-Maxwell companies was held Saturday, Nov. 7 at Camp Inspiration. The plant opened in Eastland in Nov. 1946 and closed in the summer of 1980.

Stella Goforth Grigby was presented a gift as she was the first plant manager. Connie Cate received a gift and was so honored as the longest employee in length of service, having spent 30 years at Vassarette. Mrs. Leta M. Brockman was the oldest former employee present, 84 years of age. Mrs. Nora Harbin was runner up at 82 years of age.

Mrs. Ruby Guy, long time employee, gave the invocation. Those present enjoyed a covered dish luncheon. The next reunion will be held at Camp Inspiration the first Saturday in November (Nov. 6) 1982.

Approximately 115 persons attended this first reunion.

Those that signed the register were: Ada V. Morren, Eastland, Stella

Three Abilene Men Elected To TAPADA Board

Three prominent Abilene businessmen were elected to the Board of Directors of The Texas Association for the Prevention of Alcohol and Drug Abuse (TAPADA) at its meeting this week in Austin. Doug Justice was named president of the Association replacing Gene Howell of Temple. Justice has been an active board member for several years and served as treasurer before assuming the presidential leadership. He is partner in J&H Energy of Abilene.

Mitch Broyles, owner of Broyles Carpet Company, is a new member of the board and is well known for his work and dedication to the field of alcoholism. Among his many community activities include membership on the board of the Christian Alcoholism Recovery Program (CARP) and the board of The Open Door in Abilene. Johnny Burton, contract sales manager for the Broyles Carpet Company, is the third Abilene member to be elected to TAPADA's Board. A member of TAPADA during 1980-81, Burton devoted countless hours of enthusiastic energy to soliciting new members for the Association and was responsible for obtaining valuable financial contributions for prevention work in alcoholism. He was one of the original members of The Open Door in Abilene.

WORD OF GOD

Thou shalt not lie with mankind, as with womankind: it is abomination.

Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion.

Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you:

Needs Of Foster Children Before Welfare Board

At the November 9th meeting of the Eastland County Child Welfare Board, members felt a special urgency to bring to the attention of individuals, civic organizations and church groups to the needs of the ten foster children of Eastland County.

Special donations of money at this time would provide an extra Christmas gift for these needy children. Any donation should be made payable to the Eastland County Child Welfare Board. For further information, contact the Eastland board members.

September 14, Austin, Governor Clements signing the proclamation declaring "Texas Community College Week, November 15-22." From left to right are Dr. Robert Clinton, Director of Texas Public Community Junior College Association; Dr. Cecil Groves, President of Austin Community College; Governor Clements, seated; Dr. Ted Nicksick, Jr., President of Wharton County Junior College; and Dr. Marvin L. Baker, President of South Plains College.

Official Memorandum

By
WILLIAM P. CLEMENTS, JR.
Governor of Texas

GREETINGS:

AUSTIN, TEXAS

Texas Community Colleges are exemplary institutions, considered among the Nation's Leaders.

The colleges contribute to the cultural and intellectual environment through the endeavors of their faculties in sharing their talents and knowledge.

These colleges are located within commuting distance of more than 90 percent of the State's population.

More than one-half million persons annually enroll for credit and non-credit classes in the sixty Texas Community Colleges.

The colleges bring educational advancement within the reach of all persons and segments in the community through specialized programs and services such as those for physically handicapped and educational and economically disadvantaged students.

These colleges are serving people of all ages, with a wide variety of post-secondary educational offerings.

Texas Community Colleges are heartily endorsed by community leaders in business and industry.

The Texas Public Community/Junior College Association has set aside a week for the observance of Texas Community College Week.

THEREFORE, I, as Governor of Texas, do hereby designate the week of November 15-21, 1981, as

TEXAS COMMUNITY COLLEGE WEEK

and urge all citizens to be cognizant and supportive of this excellent public source for quality, low-cost, post-secondary education.

In official recognition whereof, I hereby affix my signature this 14th day of Sept., 1981.

W.P. Clements, Jr.

Homemaking Hints

By Janet Thomas

Thanksgiving day will soon be arriving which means now is the time to buy your turkey.

As you are shopping for your turkey, here is a guide for turkey size and number of servings:

5 to 8 pound turkey - 6 to 10 servings.

8 to 10 pound turkey - 10 to 20 servings.

12 to 16 pound turkey - 20 to 32 servings.

In most cases, large turkeys are more economical and excellent for use in future meals.

In cooking your turkey, turkeys of any size may be roasted. Correct roasting is dry heat cooking at low temperature. It requires no water, no searing, no basting, and no cover.

A shallow pan with a rack at least 1/2 inch high raises the bird off the bottom of the pan, keeping it out the juices and allowing the heat to circulate around the bird, roasting it evenly.

Always roast turkey done in one continuous cooking period. Low temperatures assure better flavor and appearance, less shrinkage and less loss of juices. The oven temperature should be set on 325° F.

It is best to start the turkey roasting 30 to 45 minutes head of schedule. If dinner is set for a definite hour, this avoids delay should the turkey take longer to cook than was estimated from the

guide. And the extra time allows the meat to stand and absorb juices so the bird is easier to carve.

When is the turkey done? There is no substitute for a meat thermometer, placed in center of inside thigh muscle (or the thickest part of the breast). When it registers 180 - 185 degrees F. the turkey is done. If the bird is stuffed, the point of the thermometer should be in the center of the stuffing and register 165° F.

The traditional "doneness test" used by many experienced cooks is a "feel" test. Turkey is done when the thickest part of the drumstick feels very soft when pressed between protected fingers, and the drumstick moves easily up and down as the leg joint gives readily, or breaks.

The approximate timetable for cooking a turkey is:

6 to 8 pound turkey - 3 to 3 1/2 hours cooking time approximately

8 to 12 pound turkey - 3 1/2 to 4 1/2 hours cooking time approximately

12 to 16 pound turkey - 4 1/2 to 5 1/2 hours cooking time approximately.

I would like to remind you to take extra care in thawing your bird before cooking. Thawing at room temperature, unwrapped, is never recommended because of the danger of contamination and food poison-

County Pecan Show To Be December 11 & 12

The 29th Annual Eastland County Pecan Show has been scheduled for December 11 and 12 reports Dan Childress, President of the Eastland County Pecan Growers Association. The pecan show, co-sponsored by the Eastland Chamber of Commerce and the growers association, will be in the county courthouse lobby.

The pecan crop this year will be one of the largest in many years and the quality will be very good according to County Extension Agent DeMarquis Gordon.

Anyone producing pecans

in 1981 may enter the pecan show. An entry consists of 43 pecans of one variety and native from one tree. All entries should be sacked and labeled with the grower's name, address and variety of pecans. These entries may be entered at the County Agent's office up until 5:00 p.m. on December 10.

On Friday, December 11, ten pecans from each entry will be weighed, shelled, and kernels weighed to determine the number of pecans in one pound and percent kernel. These two factors are important along with appearance, color, uniformity and texture.

Plaques will be given for the champion in-shell, champion shelling, and champion native pecans. Ribbons will be awarded to the first, second, and third place entries of each variety.

Childress hopes to have 200 entries representing over 40 varieties in the show.

Members of the Eastland Chamber of Commerce will assist processing of pecan entries.

Don Morrison to speak in Cisco Sunday afternoon

Don Morrison, well known Christian speaker from Throckmorton, will be teaching in Cisco Sunday, November 15, at 612 West 7th between 4 p.m. and 7 p.m.

There will be a covered dish dinner beginning at 4 p.m. The public is invited.

Weddings

Joan White Boyd and Kevin Russell Strickland

Wed In Church Ceremony

Wendy Dawn Boyd would like to announce that her mother, Joan White Boyd, became the bride of Kevin Russell Strickland in a double ring ceremony performed at 7:30 p.m. Friday, Nov. 6, at the Church of the Nazarene with Justice of the Peace Buddy Turner of Rising Star officiating.

Martin Jean Morton of Eastland was the pianist and Angie Clower of Carbon was the vocalist. Music played and sung was "You Light Up My Life."

The bride is the daughter of Mr. and Mrs. B.L. White

of Cisco. Mother of the bridegroom is Mrs. Neoma Ingram, also of Cisco.

Matron of honor was Mrs. Carla Blackwell, of Cisco, sister of the bridegroom. Bridesmaid was Miss LeAnn Carson of Cisco.

Flower girl was Wendy Boyd, daughter of the bride, and Derek Blackwell, nephew of the bridegroom, was ring bearer. The candlelighters were Richard High of Eastland and Scotty Roberts of Hawley, both nephews of the bridegroom.

Best man was Bob Laird. Sam Blackwell, brother-in-

KEVIN, WENDY AND JOAN STRICKLAND

law of the bridegroom, and Lanny Strickland, brother of the bridegroom, were groomsmen.

The bride wore a gown of white polyester organza with high rise neckline, bishop sleeves with deep cuffs, molded bosque bodice with V-neck and ruffled yolk. Semi-flow shirt with border lace trim formed a long train. Julie lace cap held a chapel length veil with lace border.

The matron of honor wore a floor length dress made of burgandy velvet with empire waistline and ruffled yolk, long sleeves and trimmed in lace. She carried long stem burgandy flowers entwined with a pink carnation and wore pink daisies in her hair.

The bridesmaid wore a floor length dress made of pink double knit topped with a velvet burgandy jacket with juliet sleeves that tied at the bodice. She also wore

pink daisies in her hair and carried long stem burgandy flowers entwined with a pink carnation.

The flower girl wore a knee length burgandy dress with ruffled bottom and white blouse trimmed with a pink bow at the neck. She carried a basket of flowers.

The ring bearer wore a blue suit and carried a square satin pillow with the couple's name and date written on it.

The reception was held in the church immediately following the ceremony. Faye Hallmark of Cisco and Denise Roberts of Hawley served the cake and punch. The cake had three tiers with a fountain in the middle and four small heart cakes surrounding it.

The bridegroom's mother hosted the rehearsal party at the church Thursday night, Nov. 5.

The bride attended Cisco High School and is employed by the Eastland County Tax Office.

The bridegroom also attended Cisco High School and is employed by G&H

County Development Corp. Founded to Stimulate Growth

A new Eastland County Industrial Development Corporation has been given approval by the County Commissioners Court and the articles of incorporation filed with the Secretary of State.

Construction material, machinery and equipment for the projects are exempt from sales and use taxes, when purchased in the name of the issuing entity which issued the bonds, however, the improved property is subject to ad valorem taxes in one form or another in most states.

IDB's are exempt from registration with the Securities and Exchange Commission.

The couple will be living at Route 2, Cisco.

IDB's are unique from typical corporate bonded debt in that the interest income which accrues to an investor is exempt from federal, and in some cases, state income taxes. Traditionally tax-exempt bonds bear interest at a lower rate than comparable taxable obligations, the result being lower financing costs for the corporation.

SECURITY FOR BONDS
The primary security pledged for the payment of the bonds may take any one of the following forms in accordance with the applicable state law. In most cases, the property to be financed may also be mortgaged as additional security for the bond issue.

(1) An Installment Sales Contract whereby the company makes installment purchase payments to the issuing entity sufficient to amortize the principal and interest on the bond issue. The Installment Sales Contract is guaranteed by the company, or in the case of a subsidiary, by the parent.

(2) A Lease Agreement between the corporation and the issuing entity whereby the company will make lease payments in an amount sufficient to amortize the principal and interest on the bond issue. These lease payments are structured in order to give the corporation an option to purchase the project at the end of the term of the bond issue. The lease payment is guaranteed by the company, or in the case of a subsidiary, by the parent.

(3) A Loan Agreement whereby the issuing entity lends the proceeds of the bonds to the company, and the company agrees to repay the loan in an amount necessary to amortize the principal and interest on the bond issue. A "note" evidencing the indebtedness is usually required.

Purpose of the corporation according to the petition is "to act on behalf of the Unit (the county) in the promotion and development of commercial, industrial and manufacturing enterprises to promote and encourage employment and the public welfare."

Signers of the petition which went to the Commissioners Monday are Dick Wooley, Grover Hallmark and Don Bradshaw.

The articles of incorporation state that the corporation is organized and may issue bonds on behalf of the Unit for the specific purpose of promotion and development of commercial, industrial and manufacturing enterprises to promote and encourage employment and the public welfare.

The corporation can under existing law issue bonds to assist new or expanding firms to increase employment.

The City of Cisco established such an industrial revenue bond financing corporation several years ago to assist a prospective industry, but did not go through with the bond issue. INDUSTRIAL REVENUE BOND FINANCING

Industrial Revenue Bond financing, also referred to as Industrial Development Bond ("IDB") financing, typically involves the issuance of bonds by a municipality or a non-profit corporation to finance an industrial plant, equipment or facilities to be leased or sold to a corporation. The lease or installment sales payments made by the corporation to the issuing entity must be sufficient to meet all payments of principal and interest on the Industrial Revenue Bond Issue, as well as pay related costs such as trustee and paying agent fees.

Industrial Revenue Bond financing originated in the South a number of years ago. The main purpose was to give communities with an economy dependent on

agriculture a means of attracting industry and additional employment opportunities. Today's Federal Regulations allow for tax-exempt financing for such items as manufacturing plants, industrial parks, commercial facilities, toll roads, housing, airports, docks, hotels, sports facilities and power plants. Most commonly financing projects are manufacturing plants, industrial parks, power plants and pollution control facilities. In addition to the Federal Regulations, individual state laws must be examined carefully to determine the applicability of each project. There is a majority of states which have enabling legislation of one form or another and a number of other states are proposing new statutory provisions. The State of Texas has recently enacted legislation which allows the use of Industrial Revenue Bond financing within the state. The Act, known as the Development Corporation Act of 1979, allows corporations to finance new projects through the sale of tax-exempt bonds. Each individual project should be researched to determine the legality for financing under the governing statutory provisions.

The financing requires a municipality or a non-profit corporation to serve as a conduit through which the amounts payable under the lease or installment sales contract flow from the corporation to the bondholders. The security for the payment of the IDB is not the issuing entity, but rather the general credit of the corporation. The bondholder relies on the corporation's ability to repay the principal and interest on the bonds. The issuing entity does not pledge or loan its credit or taxing power to the bond issue.

Tax-exempt IDB financing will provide 100% of the financing for the cost of land, building and equipment, as well as the development and financing cost of the project.

Repayment schedules on the bonds may be tailored to meet the needs of the corporation. However, the most common practice is principal retirement over a 20-year period with level debt service.

In most cases the corporation may employ standard depreciation schedules, expense the interest borne on the tax-exempt obligations and take the applicable investment tax credit.

PETROLEUM BUILDING
V.I.P. SERVICE MEMBERSHIPS AVAILABLE!
 The following services, designed to meet the needs of the Petroleum Industry, and related service companies are now being offered through the Petroleum Building in Eastland. If your offices are out of town, you are a one-man show, you are here part-time, or now and then, let us be your staff. We offer fast, courteous service for an hour, a day, a week, a month, or a lifetime, custom designed to meet your particular needs.
 Our staff and facilities offer:

Complete secretarial services. We will type one letter, or prepare a full package at your command. Book-keeping, by the job or the hour. Let our competent staff prepare your press releases, Railroad Commission Reports, file Permits, search and compile County records, collect data from Petroleum Information, (members of P.I. only), payroll, statements, Quarterly Tax reports, Oil and gas leases and filing, and map duplications. Additional services are available, such as, postage meter, photocopies, package wrapping and mailings, bank reconciliations, Notary Public, and obtaining price quotes on services or supplies. When you don't have the time or staff to hunt or prepare for your immediate needs, let us do the details. It will save you time and money. For those of you operating an office in Eastland, your membership will insure you temporary coverage during your staff's vacation or absence. Why get behind when you can get ahead by joining the Petroleum V.I.P. Services now?

Memberships will be limited. Your membership also offers full Board Room and Conference facility availability. The Board Room will be available by reservation. Seating capacity 50-60 with theatre seating, conference table seating up to 25. Furnished with podium, projector screen, slide carousel or 16 mm projectors, presentation easels, chalk board, note pads, pens, pencils, place cards, ashtrays, name tags, coffee or soft drinks. Private restrooms will be provided. If desired, a confidential secretary will be available for minutes or meeting records.

Your next conference should be in the board room of the Petroleum Building. Why pay for the extras, all the time on a square footage basis, when you can have the finest for less? The V.I.P. services will begin November 1, 1981. The membership fee will be \$150.00 per year for charter member (limited to fifty members) and after charter, memberships will be \$250.00 per year. Membership will be limited to insure the quality and availability of the facilities. The Petroleum Building will be open for your inspection the last week of October. Stop by and file your membership application now!

THE DRIVE To raise \$13,500 for the Cisco Community Chest is moving slowly forward, according to officials. Some ten clubs and organizations are helping with the campaign and they hope to complete their work during the coming week.

This year's Community Chest budget represents the financial requirements of 15 organizations that contribute to the well being of our city and area. And many of the organizations deal with young people and their recreational needs.

Let's all do our part.

LAST WEEKEND was real nice in New York City. That's the report of Mr. Winston Heidenheimer of the store. He and Mrs. WH joined some 50 friends from Abilene and surrounding towns for a weekend trip to NYC. The package included five days and four nights in the Big Apple with tickets for four Broadway plays.

Mr. WH liked "Amadeus," a play dealing with the life of Musician Mozart, best. And he thought the musical "42nd Street" was super. The play "Woman of the Year" with Laren Becall wasn't all that good although the star did a fine job, he reports.

The group went in to DFW

WORD of GOD

Parable of Jesus

Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock:

And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock.

And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand:

And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

OBITUARY

Services For Robert Hageman Held Friday

Funeral services for Robert E. Hageman, 85, of Cisco, a retired farmer, were at 2 p.m. Friday at the Cisco Funeral Home. The Rev. Lee Fields officiated. Burial was in Pleasant Hill Cemetery.

Mr. Hageman died about 12:30 p.m. Wednesday at his home after a short illness.

He was born January 15, 1896, in Yoakum County. He married Annie Dee Poff on September 3, 1921, in Pleasant Hill. He was a veteran of World War I, serving in the U.S. Army. He was a member of Pleasant Hill Baptist Church, where he had served as a deacon.

A son preceded him in death.

Survivors include his wife; four daughters, Mrs. Robert (Nadine) Stephan of Cisco, Mrs. Lee (Dorothy) White and Mrs. Mark (Bobby) Ray, both of Abilene, and Mrs. Willard (Lois) Rumley of Woodward, Okla.; a brother, Charlie of Moran; a sister, Mrs. Erna Tonne of San Angelo; nine grandchildren and 12 great-grandchildren.

Grandsons served as pallbearers.

Airport by bus, flew to NYC and back, and rode the bus back home again.

This weekend will be another big one for the Heidenheimers. They'll be in College Station for the 40th reunion of his Texas A&M class. And they planned to take in the Aggie football game, of course.

SEE BY THE papers that two Ciscoans graduated from the West Central Texas Council of Government's Police Academy in Abilene the other day. City Councilmen Loyal Lundstrom, Bobby Ingram and Linton Bateas and City Manager Mike Moore attended a banquet sponsored by the regional Council of Government at McMurry College in Abilene last Thursday night.

Governor Bill Clements was the dinner speaker.

County Judge Scott Bailey served as chairman of the nominating committee and submitted a slate of new officers at the dinner.

Music Study

Club Meets

The Cisco Music Study Club met Wednesday morning, November 11, at the Federated Clubhouse. Mrs. Harry Donica, president, presided. Mrs. Ben Krauskopf is the secretary. The program was on "Early American Music." The club collect was repeated by members.

The music program included piano solos by Mrs. Hal Lavery of "Texas Pride of the South," "From an Indian Hodge" by McDowell and "Spanish Corral." The course of study was "Music Among the Indians in the Missions" given by Mrs. Krauskopf. The hymn of the month, "Praise the Lord Ye Heavens" was announced by Mrs. Harry Donica and played by Mrs. Garland Shelton. The meeting was then adjourned.

among the best known of the famed "G. and S." Operettas will be realized and interpreted by Nettie Wilson, assisted by vocalists and instrumentalists, among whom are: Nancy Frost, Jean Davis, Ruth Hallmark, Nell England and Billy Bradley.

Mary Lou Frost, chairman of the hostess committee joins the club in warmly welcoming all Gilbert and Sullivan enthusiasts for a bright and tuneful entertainment.

"Friends of Music" may join upon arrival at the door with payment of a modest fee (three dollars) which provides four musical treats throughout the season: November, February, April and May.

"If you love music, hear it: go to operas and concerts, and pay fiddlers to play to you." (The Earl of Chesterfield, 1750).

Country Kids

4-H Club Meets

At Local Church

The Country Kids 4-H Club had a meeting at the Redeemer Lutheran Church at 6:30 p.m. on Tuesday, Nov. 10, 1981.

The foods and nutrition group were the hosts at the meeting. They fixed a taco supper. After the supper the foods and nutrition group had the program. We talked about things you do in the food show like preparing dinner, going to workshops, doing the dishes, setting the table and other things like that.

Cisco Writers

Club Meets

Tuesday At CofC

The Cisco Writers Club met at 7:00 p.m. Tuesday, Nov. 3, at the Cisco Chamber of Commerce.

Program chairman Viola Payne introduced the guest speaker, Dr. Donna Walker of Ranger Junior College. Dr. Walker spoke on the relevance of point of view in the construction of a novel, using her own multi-novel, "Alone Like Me," which she wrote as her doctoral dissertation, to illustrate her statements.

Refreshments were served by Helen Wallace to eight members and the guest speaker, Dr. Walker.

The weekly publishing of the school menu is sponsored by the P-T.O.

News From The Center

By Mae Green

On October 25th, Diana Wheeler and the children Sunday School classes from the First Pentecostal Church visited the nursing center. The group was dressed in various kinds of Halloween costumes.

Our Halloween party was hosted by the staff of the Kingdom Kids. They are Betty Odom, Louann Gerhardt, Elaine Schaefer, Sherry Wright, Sue Gosch, Cindy Hubbard and Christine Reich. The residents were served cake and punch. After everyone had been served, each of the Kingdom Kids came in dressed as different Biblical characters and the residents had a chance to guess who they represented.

Our birthday party was hosted by the Holy Rosary Catholic Church. The residents were served cookies, angel food cake and punch. The birthday honorees were Alma Keough, Lena Weatherly, Earl Steel, Alton Ingram, Evelyn Foxworth, Ola Boles and Mae Courtney who celebrated her 100th birthday.

Thank each of you for taking the time from your busy schedules to bring joy and happiness to our residents. May God bless.

ed the Kleiner home place at Avenue L and 14th Street from his mother and moved there some months ago.

THE WOODS OF our region are full of deer and turkey hunters this weekend as the new season gets underway. Dr. C.M. Cleveland and his brothers were down Brady way for their annual reunion and hunt. Joe Ed Schaefer of Arlington came out to help his dad, Rudolph Schaefer, hunt deer and turkey south of town. Glad to hear that Mrs. Rudolph Schaefer, who lost the lower part of a leg recently, is doing nicely. She has been fitted with an artificial foot and is learning to use it, Mr. RS reports.

WEREN'T YOU proud of the Chamber of Commerce for nominating the drama department of Cisco Junior College for a West Texas CofC Cultural Award? This was done on the basis of the CJC Drama Department's new dinner theater program that is region wide in attracting folks who appreciate good entertainment.

The West Texas CofC, you know, recognized those who make valuable cultural contributions each year. And the CJC project is certainly noteworthy.

The drama department, by the way, has a fine musical program on tap at the Laguna Roof Garden Nov. 18, 20 and 21. If you're interested in good entertainment and good food, call the college (442-2567) and make your reservation.

HOME AFTER an enjoyable Caribbean Cruise is Mrs. Steven G. (Marie)

Clary of our town. Her trip included a flight from Houston to Miami and a cruise aboard the USS Song of Norway. Mrs. SGC accompanied her sister, Mrs. Lois Elliott, of Denver, Colo., and her nephew and wife, Mr. and Mrs. Glenn Elliott, of Houston.

Despite some rough seas and weather due to Hurricane Katrina, the cruise was very enjoyable.

SEVERAL CALLERS pointed out that we were wrong. Quail season opens this year on the same day as deer and turkey season - Dec. 14th. Happy hunting! Color has appeared on area trees as the result of frost and light freezes a couple of nights recently. It's real noticeable out Lake Cisco way. It was like old times at the Cisco Country Club golf course last Wednesday - Mr. Charlie Graham shot a 36 for nine holes. Mrs. Reginald (Gene Cotton) Hensley of DeCordova Bend (Lake Granbury) breezed in to town the other day and won high score at a bridge party. Cisco Rotarians applauded the singing and
