A marker denoting the Rock.

There Is A Rock

"Rock Of Ages", with words by Augustus M. Toplady and music by Thomas Hastings, is one of the most beloved Christian hymns. Its words form a prayer, beginning:

"Rock of Ages, cleft for me
Let me hide myself in Thee."

The actual rock which inspired this symbolic text is found in Cheddar Gorge in southwest England, an area which is still wild and beautiful.

One day about 1762 a minister, Augustus M. Toplady, was traveling through the Gorge. A terrific storm broke, and he looked about for shelter. Then he saw a huge rock with a cleft - a place where he would be safe. While waiting there, stirring words and phrases seemed to form in his mind.

Many years later, about 1830, Thomas Hastings composed music for the poem.

The Rock, symbolizing Christ the Rock of Ages, is still found in Cheddar Gorge. A marker denotes the spot where Rev. Toplady hid from the storm.

Murder Suspect Arrested Here Early Monday

Calletano Rodriguez, 41, a Mexico national, was arrested by Cisco police on IH-20 here at 2:30 a.m. Monday on charges of murder in connection with a shooting in Fort Worth Sunday night.

Firemen Answer Two Alarms Jan. 1

The Cisco Volunteer Fire Department began the new year by answering two alarms, records at the fire station showed Tuesday. Firemen went to the city trash dump after fire broke out in the big pile of debris. There was no property loss.

Firemen went to the Oak Motel on IH-20 access road when a heating stove began smoking. The blaze had been put out with a fire extinguisher when firemen arrived.

173 Fire Alarms Recorded In 1981

A total of 173 alarms, including 32 in December, were answered by the Cisco Volunteer Fire Department during 1981, records at the Cisco Fire Station showed. For comparison, records showed that there were 173 alarms in 1980 - the same number as in 1981; 180 in 1979; 151 in 1978; 158 in 1977 and 102 in 1976.

Fireman David Gill said that three of the 1981 alarms were "recalls."

Loudany made the arrest, assisted by City Policeman Carl Neal. The man, who spoke no English, was taken before Justice of the Peace I.W. Ussery in Eastland who read his rights in Spanish.

Two Fort Worth detectives arrived in Eastland Monday morning and took custody of the man at the county jail.

The shooting took place in the Magic Lounge, a bar, in Fort Worth early Sunday night. The man took Debbie May, 20, an employee at the place, hostage and released her 40 miles east of Cisco in Palo Pinto County an hour before he was apprehended.

Fort Worth police put out a radio alert and officers along IH-20 were watching for the Rodriguez car. The auto was impounded and was in storage at Ted's Wrecker Service here, city police reported.

WORD OF GOD

Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time:

Casting all your care upon him; for he careth for you.

Young Bride Dies In Accident Here

The body of Ana Irma Umana, a 24-year old bride of three days who lost her life in a highway mishap on IH-20 near Cisco on Dec. 31st, was transferred by Cisco Funeral Home to an Arlington funeral home the following day.

Mrs. Umana died and her 23-year old husband, Miguel, a Tulsa pilot, was injured in the one-car accident near Cisco. Mr. Umana was taken to Eastland Memorial Hospital and released after a checkup revealed no serious injuries.

Mrs. Umana was pronounced dead at the scene by Gorman Justice of the Peace Pat Ingram. The couple was traveling from Los Angeles to Tulsa, and Mrs. Umana was driving the car. The

report said the car ran off the left shoulder, was over corrected, and then crossed back over the east-bound lane. The car overturned three times on the interstate median, a DPS report said.

Mrs. Umana's body was thrown some 15 feet from the car. It was understood that the body was taken from Arlington to Chihuahua, Mexico, for burial. The young couple had married three days before in California.

DPS Trooper Steve Foster investigated the mishap. He was assisted by Larry Jernigan, Cisco police chief.

The Umana car, a 1979 Toyota, was a total loss. It was picked up by Ted's One Stop Service of Cisco and was sold Monday to a wrecking yard at Ranger.

tion's top 20 teams, will meet.

STORE BURGLARIZED

A burglar broke into Mott's Variety Store at 1001 Avenue D New Year's Eve night and took several rolls of pennies, nickels and dimes from cash registers, City Police reported Monday. The building was entered through an air-conditioner duct on the roof.

Mayor Urges Chest Donations

Cisco Mayor Eris Ritchie urged anyone who has not given to the Cisco Community Chest this year to please do so. He said the Community Chest is an important part of our town and should be

supported by local citizens.

According to figures released last week in the annual finance drive, total collections have amounted to \$7,350.00, according to Treasurer Ron Patton. That is only a little more than half of the projected goal.

The 1982 goal amounted to \$13,350 and this represented the budget requests of the following: Red Cross, \$400; Salvation Army, \$100; Girl Scouts, \$2,400; Boy Scouts, \$2,400; USO, \$100; ABC Club,

\$1,000; Little League, \$1,000; Girl's Softball, \$1,000; Mental Health, \$150; Child Care Center, \$1,200; Cisco Public Library, \$1,000; Senior Citizens, \$500; and Cisco Welfare Association, \$2,000.

Drive workers were hopeful that additional contributions would be coming in. Anyone not contacted was asked to send or leave a check for the Community Chest at the First National Bank or the Chamber of Commerce.

PTO Grateful For Work Against Drugs

The PTO is grateful for the opportunity to work with the communities of Texas War against drugs. They are very pleased to have joined this effort to make a better life for the children of Texas and to make Texas a better state.

Governor Clements' Texans' War on Drugs Committee chaired by H. Ross Perot has been waging this campaign with a three-pronged approach—law enforcement, legislative, and educational. The education, research arm of the Texans' War on Drugs Committee, D.A.R.E., has a three-pronged effort—to educate the public on drug abuse; to conduct research on the effects of drugs and ways of halting the misuse of drugs; and to assess the status of drug abuse in the public schools.

Building a network of coalitions, speakers, and regional field coordinators strategically placed throughout the state, D.A.R.E., plans to reach every citizen in its efforts to greatly diminish the abuse of drugs in Texas.

This region, Region 3, is headquartered in San Angelo - 209 A - West Beauregard, (915-653-2461), and the efforts are being directed by the Regional Field Coordinator, Marilyn Golightly. Coordinators have

been contacting community leaders, setting up public meetings, and helping to launch community coalitions to fight drug abuse at the local level.

D.A.R.E. will be enlisting the assistance of all agencies, communities, and concerned citizens who are involved with youth and who want to help reach the ultimate goal of both D.A.R.E. and the Texans' War on Drugs Committee—that is, to provide a drug-free, healthy environment for the children of Texas. The local D.A.R.E. coordinator will be providing developmental support, programs, and resources to assist the community in this fight.

Marilynn Golightly will be the PTO speaker on January 12, 1982, at 7:00 p.m. at the CJC College Auditorium. She will tell everyone about the D.A.R.E. which is a War against Drugs. Also how parents can become more aware and more informed about drugs. The PTO would like the help of all clubs, organizations, schools, parents and children to encourage everyone in Cisco to attend this very important and informative meeting so that citizens of Cisco may work together to make the town a better place for the children.

1982 Tax Exemption Applications Mailed

Eastland County property owners will be receiving 1982 tax exemption applications in the mail within the next few days. These exemption applications will cover many of the exemptions granted to property owners by the tax units of the County.

Employees of the Eastland County Appraisal District have placed over 6,600 exemption applications in the mail. The new State Property Tax Code which becomes effective as of January 1, 1982, makes the County-wide Appraisal District responsible for the administration of all exemptions granted by taxing bodies of the County.

The applications mailed were sent to all Eastland County property owners who had been granted an exemption of any kind for the 1981 year. If your name was left off the mailing list or you just do not receive an application in the next few days, please check with the Appraisal District office for the property application.

All applications must be returned by May 1, 1982 and must be completely filled out. The law provides that any application submitted after that date or incompletely filled out cannot be granted.

The completed applications may be returned by mail or dropped off at either

the Appraisal District office in Eastland or one of the local school tax offices.

If you have any questions concerning the exemptions or your possible eligibility for one, you are urged to contact the Eastland County Appraisal District for assistance. The office is located on the second floor of the Eastland County Courthouse and the telephone number is 629-8597.

The mailing address for return of the applications is: Eastland County Appraisal District, P.O. Box 914, Eastland, Texas 76448

THE REST OF THE GOSPEL
... a record of God's dealings with man from the time of creation. The Bible is indeed a book of immense consequence. Book of Mormon prophets who in visions saw it come forth testified of its great value. But we also learn from the Book of Mormon how generally unappreciated the biblical record is.... Nephi speaks, of lack of gratitude to the Jews... what thank they the Jews for the Bible which they receive from them?... Do they remember the travails, and the labors, and the pains of the Jews, and their diligence unto me, in bringing forth salvation unto the Jews?... Have ye obtained a Bible save it were by the Jews? **Linda Dorman & Donnie Worley
Are United in Marriage**

Miss Linda Lee Dorman and Donnie Frank Worley were united in marriage at 4:00 p.m. Saturday, January 2, 1982, at the Church of Christ in Cisco. Mr. Dale Scott, minister at Albany, performed the ceremony.

Parents of the bride are Mr. and Mrs. Clarence L. Dorman of Taft. The groom's parents are Mr. and Mrs. Howard E. Worley Jr. of Cisco. The church altar was decorated with a white

double arched candelabra flanked on each side by a seven branch candelabra, all were entwined with greenery and gypsophila. Two white wicker baskets of soft pink and white gladiolas completed the altar setting. Pews were marked with pink satin and similax and gypsophila.

The bride given in marriage by her father, chose a gown of white organza enriched with rows of chan-

tilly and venise lace on see through neckline making a high rise neckline. Victorian sleeves richly detailed with venise lace. Deep lace bands marked the empire waistline. Repeat of lace on bouffant skirt. Tiers of pleats and lace marked the chapel train. Lace traced the hemline. A venise lace Juliet cap held two tiered veil of tulle with lace marking the edge of the veil. Fingertip length with blusher veil. She carried a bouquet of red roses, white carnations and gypsophila.

Mrs. Clint Logue, of Austin, served as matron of honor. The bridesmaids were Mrs. Donald Hodges of Smithville, sister of the bride, Mrs. Glen Burkhardt, Miss Carolyn Moody, both of Taft and Miss Hazel Worley, sister of the groom of Cisco.

The attendants wore identical a-line gowns with lace accenting neckline and collar. Slit sleeves topped the blouson top. The flow skirt

was formal length. Each carried a deep pink rose with pink streamers. Babies breath and pink ribbon adorned their hair.

Miss Taunya Hodges and Miss Amanda Hodges, of Smithville, nieces of the bride, served as flower girls. They wore long gowns of a small print in wine and natural flowers accented with natural color lace and garnet velvet ribbon. They wore a smaller version of the bridesmaids hair ornaments, and carried white wicker baskets of pink carnations.

Trace Worley served his brother as best man. The groomsmen were Joey Worley, brother of the groom, Mark Evatt, Keith Winnett and Barton Philpott, all of Cisco.

The groom wore a black full dress tuxedo, and the groomsmen wore gray ascot tuxedos.

The ushers were Don Hodges of Smithville,

brother-in-law of the bride and Clint Logue of Austin.

The mother of the bride chose a floor length gown of mauve knit with long chiffon sleeves, accented with a chiffon bow at the neck.

The groom's mother wore a floor length gown of burgundy knit, gathered at the waistline and accented with an ecru lace ruffle at the neck and hemline.

The ceremony began with the wedding chorus; directed by Mr. Eris Ritchie, singing "I'll Always Be True." Mr. Gene Gwinn sang the "Wedding Prayer," followed by the chorus singing the "Wedding Song." The bridesmaids and groomsmen entered as couples, the matron of honor and bride all entered to the chorus singing "Faithful and True." The couple and wedding party exited to the chorus singing, "God Bless You Go With God and The Lord Bless You and Keep You."

Honored guests were the brides grandmother, Mrs. Lorene Mullens of Dallas Center, Iowa and the groom's grandparents Mr. and Mrs. Howard Worley Sr. of Austin and Mrs. Hetty Dent of Austin.

Miss Julie Dennis of Cisco was seated at the bride's book.

A reception was held at the church following the ceremony.

The bride's table was covered with a white cloth with a white lace skirt. A four tiered wedding cake decorated with white garlands and pink roses and topped with the traditional bride and groom was at one end of the table. An eperne with miniature pink carnations and gypsophila with white tapers was in the center of the table. A crystal punch bowl with pink punch completed the table. The bride's bouquet was also placed on the table. Miss Leanne Agnew of Cisco and Mrs. Elwood Leonard and

Miss Michelle Leonard of Abilene, aunt and cousin of the groom, served at the bride's table.

The groom's table was covered with a white cloth with a brown and white checked gingham overlay, and a white lace skirt. A german chocolate, heart shaped cake with chocolate roses was at one end of the table. An arrangement of yellow flowers, Jonquils, mums and daisies flanked by silver candle holders with brown tapers was in the center of the table. Coffee was served from a silver coffee service. Miss Cathy Moody of Taft and Jolene Dorman of Des Moines, Iowa, cousin of the bride, served at the groom's table.

Hostesses at the reception were Mrs. Bob Keyes, Mrs. Roy Dennis, Mrs. Linton Batteas, Mrs. Bobby Garrett, Mrs. Gene Gwinn, and Mrs. Eris Ritchie, of Cisco, and Mrs. Joe Faber and Mrs. Myrtle Morris of Taft.

Rice bags were handed out by Katie Keyes, Brady Dennis, Roy Worley, brother of

the groom, Melessa Batteas and Kimberly Leonard, cousin of the groom, of Abilene.

Guests attended from Abilene, Austin, San Angelo, Midland, Arlington, Amarillo, Dallas Center, Iowa, Perry, Iowa, Ankeny, Iowa, Des Moines, Iowa, Smithville, Cisco and Taft. Carol, sister of the bride, Mike and Angie Pawlick of Karnes City, were unable to participate and attend because of Angie being in the hospital.

The bride chose a lavender tweed suit accented with a lavender velvet collar and

buttons and white blouse as her going away outfit. After a trip to Dallas, the couple will be at home in Cisco.

The bride is a graduate of Taft High School and Del Mar College of Cosmetology. She is employed at Universal Hairstyles in Cisco. The groom is attending Cisco Junior College and is employed by Worley and Sons.

A rehearsal dinner was hosted by the groom's parents, Mr. and Mrs. Howard Worley, Friday night, January 1, at the church for family members of the wedding party.

Doris Chamness Is Following Her Dreams

By Viola M. Payne

The newspapers have been publishing stories about Eastland County young people who are attending College. Just as interesting are the accounts of those who stay young in spirit and creative energy, and return to College to enrich their lives. One of these is Doris Chamness of Cisco, who is adding academic credits to her career as a homemaker, wife, and Mother.

And this is probably the only time in the history of Eastland County that the mother of ten children - and fourteen grandchildren has been so determined to return to academic life.

"One can still find time," Doris says, "To grow in knowledge and develop the talents each of us have."

Doris Modean (Harvison) Chamness was born to textile mill workers during the depression years, and spent most of her early school years in Waco. She attended Gurley Elementary, a small rural school just outside the city limits. She always enjoyed school, and recalls the name of each of her teachers with affection.

The family moved to Louisiana in the late 1930's, finally settling in Houma. Here Doris attended all four years in the Terrebonne Parish High School, graduating in 1942 at the age of seventeen - in the upper quarter of her class.

World War II found Doris, with her family, moving to California. She had decided on a career in nursing, but postponed that for awhile. She attended a small community College where she studied pre-med courses, and at the same time worked full time for Pacific Telephone and Telegraph Co.

In 1943 Doris met Archie Ray Chamness, and they were married in December, 1945. At this time Doris decided against going on to Nursing School. Her husband was employed by a Chemical Co. in the Railroad Division - a job which kept them traveling back and forth across the country on the railroads.

They later settled in California, then in Kansas City, Mo. and then to

Doris's delight - they arrived back in her home state of Texas.

First they lived in Odessa - then by 1954 in Midland. They established their own business, for by this time her husband was a mechanical contractor and involved in construction. Later he also became a Realtor.

In 1958, after a rapidly growing business, Doris saw her husband selected as one of those named in the Texas Edition of "Men of Achievement - 1958".

Their first child, a daughter, was born in March of '48. While living in Odessa a son and two daughters were added. Then, in Midland, three sons and three daughters were born to the family, making ten children in all. At one time Doris found herself driving children to four different schools, with the older daughter already in College.

"You can bet that a lot of P.T.A. and Band programs were attended," Doris laughs.

In 1972 it was decided to cut back on the size of the family business and move to a smaller town. After investigating possibilities, the family moved to Cisco. Six children were still in school. Now, in 1981, two daughters are still attending Cisco Public Schools.

With the family growing smaller, Doris began to think about going back to school. In the fall of 1978 she enrolled as a full time student at C.J.C. The courses she took in business and selected floral studies enab-

led her to be certified in floristry. While attending she was named to the President's List - a special honor for someone who had been out of High School for 36 years!

After these courses were completed, Doris followed through with another dream. She had never sketched or painted, but had thought a lot about it. With her husband's encouragement she enrolled in Art Classes at C.J.C. with Instructor George Holland.

Doris found him to be an excellent teacher, and very patient with a beginner. The more she learned the more she wanted to paint. Soon many hours of the day and night were spent practicing her painting.

"I had the feeling that I wanted to paint everything I saw," Doris says.

When Mr. Holland left C.J.C. in 1980 he suggested that Doris continue to study with Sue Mullinax, the current C.J.C. Instructor in painting, drawing, and sculpting. By now Doris has spent 3 Semesters with Mrs. Mullinax, and states that an even further desire to paint has been instilled in her.

"It takes time for one to develop in art," Doris says, "But I find it really thrilling to now be able to transfer some beautiful thought or picture to canvas - to know that the urge no longer has to be suppressed."

And what does the husband, ten children, and fourteen grandchildren think of all this?"

"I am so proud of them!" Doris reports. "They have been very supportive, and seem to take pride in any of my accomplishments. This should encourage others to not forget the dreams of other years."

There are other good aspects to older students attending the local Colleges, Doris says. "It allows those educating facilities to be used by all in the community. Then they are more fully appreciated by all."

"Special thanks should go to the Board of Regents for establishing programs suitable for all ages."

SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

Yesterday I saw a builder's ad in the morning newspaper that read, "Don't paint over old problems." Then it pointed out areas of buildings in need of repair.

How like people. In our conflicts we often deny that a problem exists. We say, "Everything's fine!" and we paint over the problem. But denial does not bring deliverance. It only deepens the despair.

Sometimes we say, "Forget it!" and we paint over the problem. But the relief is only temporary, and the hurt comes back to

Texas Oil & Gas . . .

Industry Top Taxpayer At State, Local Levels

By Avery Rush, Jr., Chairman
Texas Mid-Continent Oil & Gas Association

The severance tax paid on crude oil and natural gas by producers long has been recognized as the cornerstone of support for Texas state government. Last year this support reached a record high level.

A total of \$2.2-billion was paid on Fiscal Year 1981 production at the rate of 4.6-percent on the wellhead value of crude oil and 7.5-percent on the wellhead value of natural gas. This tax bill accounted for 28.3-percent of total state collections and made the petroleum industry the largest single taxpayer to state government.

Now, a survey by the Association shows that the Texas petroleum industry was the largest taxpayer at the local level, as well. In Calendar Year 1980, the last year for which data are available, this industry paid approximately \$938.6-million in ad valorem (property) taxes to all local jurisdictions — counties, school districts, and cities. This accounts for slightly more than 22-percent of that year's total property tax collections throughout the state.

In addition to these large categories, in Fiscal Year 1981 the industry paid \$77.7-million in corporate franchise tax. That accounts for approximately 18.6-percent of total state collections on this tax.

Also, in 1981, the industry paid \$11.7-million in a well servicing tax and an additional \$2.3-million in an oil and gas regulatory tax.

These state and local tax payments have provided various governments in Texas with a substantial amount of the money needed to meet many of their social and educational commitments. Texas' oil and gas dollars paid 64.7-percent of state costs of aid to dependent children, medical assistance, and teachers' retirement matching. Moreover, money from this same source accounted for approximately 30-percent of state funds spent on public education.

Due in large measure to these direct tax payments by the petroleum industry, Texans enjoy a number of advantages. These include the following:

1. No personal income tax.
2. No corporate income tax.
3. One of the lowest per capita tax burdens in the country.
4. The best business climate in the nation.

The availability of ample energy resources has allowed Texas to experience its greatest period of economic growth and development in addition to providing a tax base unparalleled in this nation. The continued good health and vitality of our petroleum industry is in the best interest of every citizen of the nation's No. 1 energy producing state.

People n Things

THE TWELVE people, mostly Ciscoans, who left Dec. 26th for a Shepherd's Staff project in Mexico, got home last weekend, and the trip was a most rewarding experience. That's the word from several folks who took part in the project.

Making the trip were the Rev. Bruce Stovall, the leader, and his daughter, Kelly Stovall of Cisco, Tim Sample, Fort Worth and Howard Payne College; Kevin and Gina Winnett, Cisco; Gerald, Francille and Leslie Winnett, Cisco; John Hagan, Cisco and HPC; Brad and Sherry Kimbrough, Cisco, and Rosa Vielma, Sinton and HPC.

In a little town near Torreon, Mexico, the group spent a week to help with a church building project, conduct a daily bible school and hold evening worship services. The Kimbrough travel trailer was the cook shack and the group used the trailer, a brick barn, a tent and a van for sleeping.

Mr. Stovall has made a dozen or more such trips to Mexico, and it was the third for the Bradshaws and the second for the Winnetts. And they plan to go again.

IT WAS THE first time in 30 years and Dr. Chief Brown took and enjoyed a vacation last week. That's the word from one of our scouts, Dr. and Mrs. Brown and Mr. and Mrs. Gene Damron drove out to Ruidoso, New Mexico, on Dec. 26th and met the Damrons' California daughter and family.

The Browns and the Damrons enjoyed watching the young folks snow ski but weren't brave enough to try it. They got home in time to see the New Year come in last Thursday night.

ANOTHER CISCO group enjoyed the snow skiing slopes at Cloudercroft, New Mexico. This group included the Gene Zellmans, the Donald Gorrs and the Clyde Evatts. And, again, the senior watched as the juniors enjoyed the slopes.

The men folks sat by the fireplace in a cabin and watched the Cowboy-Tampa Bay football game on television last Saturday. They drove home Sunday, and the sandstorm they encountered around Big Spring was like old times, reported Mr. Zellman.

THE JOHN McGuire enjoyed a Christmas that was very white, indeed. They left a few days before and were in Telluride, Colo., to enjoy Christmas with their daughter, Charlotte, who lives out there. There was snow on the ground when they arrived and it snowed almost every day while they were there.

The McGuire left a day or two before they had planned to get out ahead of a blizzard. They got home last weekend. Telluride folks get very little television football as there are no stations near and there's no cable.

OBITUARY

Services For Arnold Seabourn

Funeral services for Arnold Lee Seabourn, 73, of Odessa, formerly of Cisco, were at 2:30 p.m. Tuesday at Corinth Baptist Church, directed by Kimbrough Funeral Home. The Rev. Buddy Sipe, pastor of First Baptist Church, officiated. Burial was in Corinth Cemetery.

Mr. Seabourn died Sunday afternoon in the Big Spring Veterans Administration Hospital.

He was born October 22, 1908, in the Corinth Community. He was a U.S. Army Air Corps veteran of World War II. He married Opal Simmons on July 3, 1930, in Eastland. He was a Baptist. Survivors include his wife; a son, Arnold Lee Jr. of Odessa; a sister, Mrs. O.I. Murry of Odessa; four brothers, Joe of Cisco, Clifford of Olden, Woodrow of Washington, D.C. and Gordon of Eastland; and four grandchildren.

Nephews served as pallbearers.

service... Once, Mrs. JMcG took a short cut across a yard and found herself waist deep in snow and had to be rescued... And they enjoyed every minute of the trip is their report.

THE CHARLES Clarks of El Rancho Clark took themselves a little Christmas vacation. They drove down south in Texas for a bit of touring. Sorry to hear that they've given up on the Clark oil well and plugged and abandoned it... Some of the city water department workers had to answer a call to duty on Christmas Day. A four inch water main ruptured at Oakwood Cemetery and was sending a geyser high into the air when it was discovered... Was in an office to see a man the other day and noticed this sign: "Please be patient - you will receive the same careful consideration."

THERE'S A mystery of sorts out on Primrose Lane in west Cisco. An armored car was parked all one day in front of the Paul Blaine house and it was gone the next morning. Last we heard, he had offered no explanation to neighbors... Letha and John Schaal have purchased the La Cantina Club at the Cisco Country Club from the B.J. Perrys. Mr. BJP plans to devote full time to his contracting business.

THEY'RE JUST about finished with the new athletic track out back of the Cisco Junior-Senior High School building. And you're going to be very proud of it...

Read where the state highway department spends \$11,000,000 a year to pick up trash and debris from highway ditches... Cisco's Girl Scout House is now 26 years old. And, in 1913, the same building was a depot at Carbon and Mr. A.E. McNeely, retired Cisco railroad man, slept in it at night... You'll want to drop in at the CoC during January and see the Big Country Art Association exhibit there. Mrs. Vallie Parker, Cisco official of the association, completed work on the show plans Tuesday.

Church Moving

The Word of Life Church in Eastland previously located at 412 N. Bassett is in the process of moving to 501 S. Lamar. They recently bought the former Inspiration Church of God building in which the Inspiration Child Care Center had been using.

According to pastors Mike Boland and Larry Coats the Wednesday evening services will be conducted in the T.K. Nevill home located at 518 S. Walnut. Members of the congregation are now in the process of painting and repairing the building to have it ready for occupancy as soon as possible.

WHERE FAMILIES OF ONE OR MORE ARE WELCOME

What picture comes to mind when you hear the word "family"? Do you see a mother, father, and 2-3 children? What does a family look like?

Every family is unique. There are families with children, some with no children, some are single-parent families, and there are blended families... Part-time families occur when a parent has custody on weekends or during vacations. Families come in all sizes and in wide variation.

Your family - of one or more - is welcome with us. Though every family has its own specific set of problems and potentials, we all need Christ. His love and human caring. Let us meet your family this week!
