HALL OF REMARKS

BY HERREL HALLMARK

ANYONE WHO saw both of the Lobo games this year, might almost think they were two different teams. In their first game against DeLeon they did not seem to be enthused about the game, but in last week's game in Haskell they were fired up and ready to play.

Cisco Nursing

Center Asks For Flower Pots

The volunteer council of Cisco Nursing Center is issuing a special plea for any size flower pots and saucers. This is in conjunction with an effort to place live plants in all residents' rooms. Plants and potting soil have already been donated. But this is a plea for pots or containers of any size. Please bring them to Mae Green, activity director, at Cisco Nursing Center, or call Mrs. Betty Cook at 442-2458 if anyone would like to have them picked up.

Girl Scout

Work Party Set Saturday

A Girl Scout work party will be held Saturday, Sept. 18, beginning at 7 a.m. at the Girl Scout House, 715 West 15th. Anyone interested in getting the Girl Scouts off to a good start come and bring tools for cleaning the yard or house.

For more information call Betty McGrew, 442-1051.

1st Industrial

Arts Club Will

Open Year Thurs.

The First Industrial Arts Club will open the 1982-83 club year with a coffee at the Federated Women's Club House Thursday, September 16, at 9:00 a.m.

The new officers will be introduced, year books presented and programs, work and projects will be reviewed for the ensuing year.

All members are urged to attend.

Oil Lease Bids

Opened By Board

Several bids for oil and gas leases on land owned by the Cisco Public Schools were opened at the monthly meeting of the board of trustees Monday night. The board decided to study the bids and take action at a special meeting Thursday night, Sept. 16.

The bids covered the 27-acre campus surrounding the Cisco High School building.

The board opened bids to buy a new tractor and other equipment for the ag farm but rejected them because all were considerably over budget estimates. Supt. James Couch reported.

Other routine matters were handled by the board.

CHS Band Boosters Will Hold Meeting

The Cisco High School Band Boosters will hold their second meeting of the year at 7:30 p.m. Monday, Sept. 20, in the CHS Band Hall. President LaNell Anderson will be in charge of the meeting.

At the first meeting of the year, held Aug. 23, two trips, one to allow the CHS Band to perform at the Southern Methodist-North Texas State game and the other to attend a band festival at Astroworld in Houston in the spring, were discussed.

Among the other activities planned for the boosters is the operation of the Eastland County Fair food concession. The CHS boosters will be in charge of the concession for the entire run of the fair, which will be held Oct. 20-23 in Eastland at the fair grounds.

The club also voted to buy five yards of Astroturf to place on the sidewalk outside the band hall. In other action, the club voted to purchase a microwave oven for use in the Chesley Field concession stand to aid in the preparation of food, and to purchase three, three-gallon Igloo coolers for the band to use for holding drinking water on the buses during trips.

Anderson and the club members present also commended the CISD board for the painting, new carpet and for fixing the roof of the band hall.

The second meeting will be held to further discuss the Oct. 2 trip to Dallas and the April 14-16 trip to Houston, along with other business. Everyone is invited to attend the meeting.

Lobos Scalp Indians 7-0, Will Face Seymour Here Friday

Cisco High School's Lobo varsity, who defeated Haskell 7-0 in Haskell last Friday, will be playing their second non-district home game of the season against Seymour this Friday. Kick-off between the Lobos and the Panthers will be at 8 p.m. in Chesley Field.

There will be no Junior High or Junior Varsity games this Thursday. Head coach Jim Puryear said Seymour is too far to have a junior varsity game, so Thursday night is open.

The seventh and eighth grade teams will open this season next Thursday in Winters, along with the junior varsity.

Coach Puryear said Seymour should have a respectable team this year. They are in District 7-AA and are 1-1 for the season in non-district play.

Seymour opened their season with a 12-2 win over Henrietta but was defeated last Friday by Knox City 27-6.

The Lobos are also 1-1 in non-district play and Coach Puryear credited the Cisco defense with winning last Friday's game in Haskell. He stated the defense held Haskell from scoring three different times.

About this week's game with Seymour, Coach Puryear stated, "We need to get the offense going and put more points on the scoreboard. That is what we plan to do this Friday."

Brian Fleming, who played part of last week's game against Haskell, should be in the starting lineup this week. Brian missed pre-season scrimmages and the opening game against DeLeon since he was recuperating from surgery this summer.

This week's starting lineup will be about the same as last week's according to Coach Puryear.

In last Friday's game with Haskell, the Indians received the opening kick-off in their end zone but halfback Albert Sherman returned the ball to Haskell's 23 yard line before being stopped by the Lobos.

The Lobo defense played tough and gave up only one yard on the first play. On the second play Haskell's Toby Wilks was dropped for a four yard loss and he lost two more yards on the next play. The Indians were forced to punt the ball from their 18 yard line. Haskell's Mark Bailey booted the ball near mid-field where the Lobos took over their first possession of the game at Haskell's 48 yard line.

The Lobos opened their scoring drive with a hand off from quarterback Randall Rattan to Jason Potter for a two yard gain. Potter picked up two more yards on the next play and QB Rattan kept the ball for the first down and a gain of seven yards. A handoff to David Seabourn moved the ball six yards closer to the goal and an incomplete second down pass left the ball on Haskell's 31 yard line. QB Rattan handed off to Potter on the next three plays for a gain of eleven yards and a first down. Larry Adams took the next handoff seven yards for another first down placing the ball on Haskell's 13 yard line. Potter picked up four yards, David Seabourn gained two and QB Rattan made Cisco's fourth first-down of the drive when a Haskell Indian grabbed Rattan's face mask on the tackle and Haskell was penalized. Potter moved the ball to the one-yard line, gained nothing on his next run and the Lobos were penalized on their next play bringing about a third down with six yards to go. A pitchout from QB Rattan to Potter got the touchdown with 3:05 left in the first quarter. The PAT kick by

Kenneth Preston was good, making the score 7 to 0.

During the remainder of the game neither team was able to score, although both teams threatened to score in the second quarter but their drives were killed by interceptions.

Haskell threatened first early the second quarter when they moved the ball downfield from their own 39 yard line to Cisco's 20-yard line. In a first down situation, Haskell's QB Mark Bailey threw a pass which was intercepted by Cisco's Franky Seabourn at the 14 yard line.

The Lobos took possession of the ball at their 14 and moved the ball back downfield to Haskell's 17 yard line where a Rattan pass was intercepted by Haskell's Lonnie Hise at the end zone. Hise returned the ball to the Indians 24 yard line.

Haskell received the second half kickoff and started their drive from their own 33 yard line. They moved the ball to Cisco's seven yard line where the Lobo defense held Haskell during a fourth down and seven yards situation turning the ball over to Cisco at the Lobo eight yard line.

Haskell threatened again near the end of the third quarter when they recovered a Lobo fumble at Cisco's 37 yard line. They proceeded to move the ball to Cisco's 11 yard line where they needed two yards for a first down to keep the drive going. Once again the Lobo defense stiffened, stopping the Indians short of the first down.

Neither team was able to score during the remainder of the game leaving the final score 7 to 0.

Outstanding Lobo defensive players included Randall Rattan, Mike Williams, Franky Seabourn, Jason Potter, Brian Fleming, Bud Wood, Brad Hawari, Kenneth Preston, Sean Manire and Robert McCulloch.

Haskell's outstanding defensive players included Doug Richardson, Mark Bailey, Toby Villa, Shane Welch, Keith Reed, Lonnie Hise, Joseph Toliver, Joseph Perez, Patrick McCoy and Steven Bird.

STATISTICS

First downs: Cisco 14; Haskell 10
 Rushing yardage: Cisco 163; Haskell 130
 Passing yardage: Cisco 58; Haskell 19
 Passes completed: Cisco 3 of 8; Haskell 2 of 15
 Intercepted by: Cisco 1; Haskell 1
 Punts, Average: Cisco 5 for 30; Haskell 4 for 32
 Penalties, Yards: Cisco 5 for 50; Haskell 2 for 20
 Fumbles Lost: Cisco 1; Haskell 2

WTU Files For General Increase In Retail Rates

West Texas Utilities Company has filed for a general increase in its rates for retail customers.

The official application was filed Monday in Cisco by Local Manager Jack Kennedy.

The manager said the application is a systemwide request for higher rates.

Simultaneous filings were made in other incorporated towns for retail customers within their jurisdiction and with the Public Utility Commission of Texas for an increase in rural areas, unincorporated towns and in 13

incorporated towns which have ceded jurisdiction over electric rates.

The principal reasons cited for the request were the cost of WTU's construction program, high interest rates and the effects of general inflation on the cost of providing service.

The proposed rates would produce an increase in total retail revenue of \$20,404,166. This amounts to 9.4 per cent.

No major changes in rate structure are proposed except for some adjustments of allocations among customer classes. For residential customers, the average electric bill, including fuel costs, would go up by about 10 per cent, although the actual increase would vary with the amount of usage.

WTU's last rate case was filed in the fall of 1981 and settled early in 1982 without a hearing and for an amount considerably less than had been requested. WTU had asked for 15.2 per cent but received 8.3 per cent. Company officials said at that time that another increase probably would be necessary within the year.

The Company had to spend over \$55 million this past year on new construction and must spend even more in the years immediately ahead to assure a continued reliable supply of electricity. The construction program includes a new coal-fired power plant at Oklaunion, as well as new transmission lines and distribution facilities over the system.

WTU built its last power plant in 1977 and since then has been able to lag behind most other utility companies in new construction and in rate increases. A recent survey by the Public Utility Commission of Texas shows that WTU's customer bills are lower than the state and national averages.

Collins Hardware Sold, Opening Soon

Milton Stowe of Nimrod has purchased the Collins Hardware store and building from the estate of the late Con Collins, according to an announcement this week.

Mr. and Mrs. Stowe, who have owned a farm at Nimrod for six years and who have lived there a year, own and operate a large machine shop for the oil field trade at Nimrod. He retired a year ago after being supervisor of Bell Rubber Company's machine shop in Dallas for 27 years.

The Collins store will be managed by Mrs. James (Ann) Ward, daughter of the Stowes. Her husband works for Otis Engineering Co. here and they live in a mobile home at the Stowe farm at Nimrod. The Stowes are members of the Pentecostal Church in Cisco.

Mr. Stowe said that they hope to have paper work completed in time to open the store within a week. The store has been closed since the death nearly two years ago of Con Collins. The store was founded some 75 years ago by the late John J. Collins.

Firemen Answer

Grass Fire Calls

Grass fires continued to occupy the attention of the Cisco Volunteer Fire Department during the past few days. Firemen made three trips to the area of E.L. Graham Memorial Hospital last Friday to put out a grass fire that kept breaking out.

Last Sunday, firemen were called to the north shore of Lake Cisco to put out a grass fire. It was under control when they arrived. At noon Monday, firemen answered an alarm caused by burning trash on East 12th Street. At 3:30 p.m. Monday, firemen went a mile north on U.S. Highway 183 to put out a grass fire.

No damage to property was reported.

Tickets On Sale For Football Tilt

Tickets for the Sept. 24th Lions Benefit Bowl football game between Cisco and Ranger Junior Colleges are on sale by members of local Lions Club and at The Press Office.

President Ivan Webb of the Cisco north club said tickets would cost more at the game and urged fans to buy their tickets soon from a Lion. Profits from the game will be divided by sponsoring Lions Clubs for use in their community benefit projects.

The game will be played in Breckenridge.

Bonnie White

Will Teach

Oils Workshop

Bonnie White, well known Central Texas artist, formerly of Eastland, will teach a workshop in oils. The class will be September 27th from 9:30 a.m. to 3:30 p.m. at the Frame Makers. She will teach a group of lessons in progressive painting starting September 27th at 7:00 p.m.

For more information call 442-1251.

WORD of GOD

Fast and Pray

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

New inside and out downstairs, upstairs needs to be finished, have already purchased new fixtures for bathroom upstairs, also have new central air and heat ready to install. Sits on plenty of ground and already financed and will pay out in six years. This is a bird's nest on the ground as the owner has to leave town.

Near new, three bedroom brick, this is a very attractive dwelling. It is roomy, they did not skimp on material when it was built, has electric garage door lifts and etc.

Owner lives out of town and needs to sell attractive frame dwelling with lots of room, and very well worth the money.

We have sold several conservative type houses and here is another very livable frame dwelling on paved street, priced to sell.

A place you will like, situated very good and you will like the way it looks with possible owner financing.

One, two-story frame dwelling priced right, good location.

One, two-story brick you will need to see to appreciate.

Another two-story frame that most people would like to own.

Three bedroom brick with extra ground to go with, owner financing.

80 acres very good land, no minerals and priced to sell.

Look, we have 10 to 15 other houses, commercial buildings, mobile homes, you name it, we may have it and cannot afford to advertise them individually.

We are getting the property and we are selling it, so come on in or call.

4-H Offers An Exciting Youth Program

4-H is...
What Is 4-H?
4-H is an exciting youth program that helps young people learn how to do new and interesting things through learn-by-doing projects.

Members may be found in urban, suburban, and rural areas. 4-H is a non-profit, educational program which is open to all youth regardless of race, color, religion, or national origin.

There is no membership fee but each member is usually responsible for financing his or her own projects. 4-H is the youth phase of the Texas Agricultural Extension Service.

Youth Can Be in 4-H
Boys and girls 9-19 take part in 4-H by joining a 4-H club. A 4-H club is a group of boys and girls who participate in 4-H projects, run their own club, elect officers, and develop their own program with the help of adult volunteer leaders. Improving leadership and citizenship are two of the greatest benefits of 4-H club membership. Above all, 4-H is educational. 4-H explores everything from rabbits to rockets, from canning to camping, from square dancing to veterinary science.

Things You Can Do In 4-H
4-H projects help you learn better ways of doing things in the sciences, agriculture, home economics, and recreation. There are many things you can do in 4-H:

- Discover new ideas and skills
- Make things you can use
- Learn to keep records of your projects
- Take part in club meetings and activities with friends
- Learn to present educational demonstrations
- Have fun at 4-H parties, camps, fairs, picnics, and tours
- Make new friends

As a senior 4-H'er you can serve as a junior leader and help younger members with

projects. Junior leaders also lead activities for their club and for the county 4-H program.

After you become 14 years old, you can try for State and National awards. This may include a trip to Texas 4-H Roundup, Texas 4-H Congress, or out-of-state trips to Chicago, Washington, and other points of interest.

College scholarships are also available to outstanding 4-H members through the Texas 4-H Foundation. Your county Extension agent can tell you more about the many awards available.

A Variety of 4-H Projects
There are over 70 projects from which to choose. Here is a sample to show the variety available.

Automotive Care & Safety, Beef Cattle, Bicycle, Clothing, Dog Care and Training, Entomology, 4-H Child Development, Food and Nutrition, Landscape Horticulture, Photography, Plant and Soil Sciences, Poultry, Rabbit, Resources Development, Sheep and Goats, Swine, Veterinary Science, Wildlife Management and Woodworking.

4-H Is a Family Affair
4-H involves the family in fun and in work. Members select and conduct their projects with the approval and support of parents. Parents provide encouragement and much of the resources needed by the 4-H'ers for project work. The understanding parent is often the force that helps 4-H members through their beginning years of 4-H

and sets the stage for a fulfilling and enriching experience as a senior 4-H member.

4-H Leaders and Advisors
Adults in the community who are interested in helping young people serve as 4-H leaders or advisors. These adults -

- Enjoy working with young people
- Are concerned about the future of our youth

- Can be:
- Organization leaders who help coordinate 4-H clubs

- Project leaders who help 4-H members with their projects

- Activity leaders who help members plan and conduct various 4-H activities

- Can help in an already organized club or can start a new 4-H Club.

There are great personal rewards as a 4-H leader or advisor in working with youth. They have a profound impact on the lives of their 4-H members.

Who Is Involved in 4-H?
4-H Members - Boys and girls 9-19 for whom the program is organized.

Parents - Parents provide help and inspiration, financial support, and help keep their sons and daughters active.

Volunteer 4-H Leaders - Both adults and junior leaders help 4-H members with 4-H projects and activities, and advise members in running the affairs of a 4-H Club.

Texas Agricultural Extension Service - Your county Extension staff are profes-

sionals who extend the knowledge and research findings of Texas A&M University for use by your local 4-H club in conducting 4-H projects and activities.

Friends of 4-H - Many adults, businesses, and organizations in your community support with donations, personal service, and encouragement. These are indeed "Friends of 4-H."

4-H Emblem, Pledge, and Motto

The 4-H's represent the 4-square development of:
Head - To help you learn new and better ways of doing things.

Heart - To help you develop ideals and standards for living in society.

Hands - To give you the opportunity to develop useful skills and to apply them.

Health - To help you develop habits of good health.

"I pledge -
My Head to clearer thinking,
My Heart to greater loyalty,
My Hands to larger service,
My Health to better living,
For my club,
my community
and my world."

Slogan
"Learn by Doing"

The 4-H Motto
"To Make the Best Better"

4-H Prayer
Help me, O Lord to live so that the world may be a little better because Thou didst make me.

Word Of Life Rally Is Set For Saturday

The Word of Life Ministries rally will be held Saturday, September 18, at 7:30 p.m. in the Breckenridge High School Auditorium. The program, It's M.A.G.I.C., will be presented by Bubba Graham, Vaughn Weatherford and Danny Scarth, who are on the staff of Multi-Media Ministries. They use

comedy and "magic", later explained as illusions to present the gospel of Jesus. All area youth are invited to attend.

See M.H. Perry for GROUP INSURANCE 629-1566 or 629-1095 104 N. Lamar-Eastland, Texas

L to R Jim Kennedy, Agency Mgr. Mac McWhorter, Director, Ted Bott, Director, Cecil Self-Sec-Treas., Ernest Reich, Pres. Seated: Scott Bailey

Sept. 19-25 Is Farm, Ranch Safety Week

County Judge Scott Bailey has proclaimed September 19-25, 1982, as FARM AND RANCH SAFETY WEEK in Eastland County, at the request of Ernest Reich, Eastland County Farm Bureau President.

This marks the 39th Annual National Farm Safety Week, co-sponsored by the National Safety Council and the U.S. Department of Agriculture.

The theme for the 1982 observation of Farm Safety Week is "MAKE IT A SAFE HARVEST".

In the proclamation, Judge Bailey said, "There is a basic set of safety practices that apply to the operation of all harvesting equipment." These include:

- * Read and heed the

operator's manual for each machine in your harvesting operation.

* Make sure all workers are trained and competent to do their jobs safely.

* Keep all shields in place. Stay away from unshielded, moving parts.

* Always disengage the PTO or drive, then turn off the engine before unclogging, servicing or fixing a harvest machine. Failing to do so is a major cause of harvest-time amputation accidents.

* Adjust ground speed to field and crop conditions. Watch out for obstacles, ditches, steep slopes, overhead powerlines and such.

* Keep children and non-workers off and away from equipment.

* Wear appropriate personal protective equipment when the job or job conditions call for it. Wear well-fitting clothing that gives ample skin protection and has no loose ends to be caught by moving parts.

County Receives Grant For Assistant D.A.

Senator Bob Glasgow of Stephenville has just received

Crackdown On

DWI's Predicted

State Rep. John Sharp, D-Victoria, told a small audience at a meeting of the Victoria Political Action League he thinks the next session of the Legislature will include an effort to tighten state laws dealing with drunk drivers.

"We can no longer turn our heads and continue to accept the actions of drunk drivers," Sharp said.

He said that "public outrage" is growing in Texas over the fact that highway fatalities are on the rise and more than half are directly attributed to consumption of beverage alcohol.

He said he expects to see increased pressure from some quarters who want to see the drinking age raised back to 21.

Currently it is legal for a 19-year-old to buy and consume alcoholic beverages.

Tighter control of probation and adjudication in DWI cases might also be proposed, Sharp noted.

He said it is now possible for a person convicted of DWI to receive probated sentences, and have no record of the offense appear on his record.

ed notice from the State Criminal Justice Advisory Board that the County of Eastland has received a grant from the State of Texas.

The grant in the amount of \$21,214.00 is to the County of Eastland for an Assistant District Attorney.

"These grants are to assist local communities and counties in their law enforcement and criminal justice programs and are a must for

our local agencies," stated the Senator.

He also added that this program of local assistance is one of the first to be cancelled by the Federal government and subsequently picked up by the State. Federal funds for the criminal justice grant programs were discontinued last year and have been continued with the State of Texas supplying the needed funds.

Donations Asked For Mistie Roe

T.J. O'Neal, Pastor of the Church of God in Eastland, wishes to inform the public of the needs of the Mistie Roe family. The parents of the little girl are Jerry and Sharon Roe. Mistie, around eight years old, has been in the hospital for at least one month. She had surgery for a ruptured appendix, and was in I.C.C.U. for at least three weeks. She has been in a serious condition, but is better now.

"We are asking for donations from Churches or individuals," states Pastor O'Neal. "Mistie's mother works at Central Drug, but her Dad is out of work at present. Insurance has not been paid as yet.

"There will be a special

Peanut Field Day Set For Sept. 23

Peanut producers throughout Texas are invited to the annual Peanut Field Day at the Texas A&M University Plant Disease research Station September 23.

Activities begin at 1:00 p.m. with guided tours of research plots and station facilities, said Gordon Woolam, Extension Agent - Pest Management, Eastland/Comanche Counties.

Featured at the field day will be displays and discussions dealing with a host of topics relating to peanut production, including varieties, breeding for disease and nematode resistance, foliar and soil-borne disease, controlled droplet applicators, weed control, post-emergence grass herbicides, herbicide incorporation techniques, skip row planting and drought stress resistance.

New crops and forages will also be discussed, and farm equipment will be displayed by a host of dealers and manufacturers, said Woolam.

Experiment Station research scientists and specialists with the Texas Agricultural Extension Service will be on hand to lead discussions and answer questions.

The Texas A&M Plant Disease Research Station is located two miles east of

Yoakum on Texas Highway 111.

For more information contact Gordon Woolam at 817/629-8661.

Production Credit Assoc.

Holds Annual Meeting

Country western musician Dale McBride will provide the entertainment for Stephenville Production Credit Association's annual meeting September 18, 1982 (Saturday) in the Stephenville High School Auditorium. The meeting begins with registration at 10 a.m. followed by the business session. A barbecue meal will be served by

Deans Catering Service.

Stephenville Production Credit Association is an agriculture credit cooperative. So far this year the Association has loaned more than \$80 million to farmers and ranchers in Comanche, Eastland, Erath, Hamilton, Hood, Johnson, Parker, Somervell, Tarrant and Wise counties.

According to president James K. Pettit, two directors will be elected. Nominees are incumbent Fred Klutts of Pottsville; incumbent Jerry J. Laughlin of Morgan Mill; Gene Glibreath of Edna Hill and D.E. Mauney of Gorman.

Other business items include the report from the board of directors by Fred Klutts of Pottsville and the report from the president.

East Cisco Baptist Church Will Show Film Sunday

"The Living Word," a new film produced by World Wide Pictures, will be presented by East Cisco Baptist Church, 506 East 11th, on Sunday, Sept. 19, at 6:30 p.m. The showing is free, and open to the public.

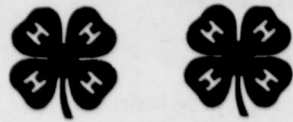

Featuring narration by Billy Graham and Cliff Barrows, the film weaves together Scripture passages, great works of religious art,

music, and some of the most stunning color footage ever filmed in the Holy Land. The film touches the heart and mind of the viewer with its relevance to twentieth-century mankind.

Rich in visual beauty, and enhanced by a powerful, original, musical score, "The Living Word," brings the pages of the Bible to life in a fresh new way.

The Rev. Armo Bentley, pastor of East Cisco Baptist Church, is extending an invitation to all to attend. "The Living Word" is an outstanding film for anyone who has unanswered questions about just what the Bible means to us today. The producers of the film feel the real beauty of the production is not so much the color photography, which is truly memorable, but more the clear way in which it explains what the Christian faith really is. God has a plan for us, set in motion at the moment of Creation, and it's still being realized today. The film aims to help each viewer discover that plan, and to see how our lives fit into that plan.

World Wide Pictures, the producer of "The Living Word," is the film ministry of the Billy Graham organization. Among the company's other releases are the award-winning "The Hiding Place" and the recent film, "Joni" which stars Joni Eareckson, a quadriplegic, as herself.

September is the beginning of the 4-H year and many clubs will meet for a first time after a busy summer. For anyone who might be interested in participating in 4-H the following is a list of all Eastland County 4-H Clubs and their next meeting date.

4-H is a non-profit organization, that means there are no dues or fees. 4-H also serves all youth ages 9-19 regardless of socioeconomic level, race, color, sex, religion, or national origin. For more information about your local 4-H club contact the Eastland County Extension Office at 629-2222 or 629-1093. We are in the process of organizing a 4-H school club in Carbon.

GETTERS 4-H CLUB-- Tuesday, September 14, 1982, 7:00 p.m., Eastland National Bank (Meets 2nd Thursday of every month)

CISCO GOOD TIMES GANG-- Thursday, September 16, 1982, 7:00 p.m. - Place to be announced (Meets 3rd Thursday of every month)

EASTLAND CO. 4-H ADULT LEADERS-- Monday, September 13, 1982, 7:00 p.m. - Texas Electric Reddy Room

RISING STAR 4-H CLUB-- Monday, September 6, 1982, 7:00 p.m. in school gym. (Meets 1st Monday of every month)

NIMROD 4-H CLUB-- Tuesday, September 7, 1982, 7:30 in the community center (Meets 1st Monday of every month) Meeting on Tues. this month due to holiday.

GORMAN 4-H CLUB-- Monday, September 13, 1982, 8:00 p.m. in the Methodist Church Fellowship Hall (Will start meeting the 2nd Monday of every month)

RANGER - NEW 4-H SCHOOL CLUBS-- Monday, September 13, 1982, 4th-6th grade - 12:15 in library 7th and 8th grade - 1:00 in H.S. library (Will meet the 2nd Monday of every month)

County Democrat Chairman

Nominates New Committeeman

Dr. Gus Dunn, Eastland County Chairman, nominated Ed Worstsher for our 22nd District Executive Committeeman on Planning and Legislation, at the Friday Senatorial District Caucus, at the state convention in Dallas.

A majority of the 136 members of the 22nd District voted for Ed Worstsher over the incumbent Rusty Rains. Worstsher was one of the two persons elected by the caucus to positions on the 66 member State Democratic Executive Committee. Nancy Brannon of Lewisville, was elected to serve as Program, and Chair nominations.

The highlight of Eastland County Delegates at the convention was meeting personally, former Vice President Walter Mondale,

Senator Gary Hart, Senator Alan Granston, Senator Ernest Hollings, and all the top Texas Democrats on the Statewide ticket.

The seven Eastland delegates participating in the two days of voting were Mary Baily, Ann Murray, Guy Lyerla, Joe and Barbara McCollum, Roberta Newham, and G.A. Dunn.

Also Attending

The Skinner Reunion

In addition to the family members listed as attending the Skinner family reunion at La Mancha Ranch August 28 and 29, these also attended: Sam and Marie Sharp, from Carlton Texas, Rey and Shine Walton, from Ft. Worth, and Randy and Elaine Moran from Cisco. All reported a very good time.

Strake Talk

SMALL BUSINESS—A RESOURCE WE MUST PROTECT

You can look around the square of any Texas town and see the backbone of the state economy—and of the national economy. It's small business and it provides half of all jobs. By the current state definition there are 260,000 in our state—that's 97% of all Texas businesses. The small businessman and woman not only provide jobs and pay taxes; their independent tradition also helps explain the enduring quality of our democratic form of government.

The state of Texas recognizes the importance of small business and has programs to help it. But we can do better.

For one thing, we can abolish the sales tax on utility bills which now falls basically on small business owners. Large manufacturing and processing firms don't have to pay the tax, but the grocer, retailer and florist do. It is not fair.

My opponent opposed doing away with this tax in the last session of the legislature. The tax will bring in an estimated \$220 million in 1984-85. But when you compare that with the extra \$5.1 billion the legislature will have to spend during that time, I feel we can do without the tax and the revenue it will bring. And, as Lt. Governor, I would support its repeal.

I would also support putting into effect recommendations of the small business task force initiated by the Governor. Two of these recommendations are especially appealing. One is to help small business borrow money at better rates. Most small businesses which fail do so because they are under-capitalized. To help that situation, franchise tax money would be deposited in participating banks, which would, in turn, make loans at lower rates to small businesses.

The other recommendation is that we form a group of small business development centers at colleges and universities statewide. Money for the centers would come from the U.S. Small Business Administration, the state and participating schools. The centers would provide training, counseling and other help to small business owners so that they could be more competitive in the marketplace.

If you have any thoughts on this, I'd like to hear them. Please write me at 1213 W. 34th Street, Austin 78705.

91st DISTRICT COURT GRAND JURY REPORTS TO EASTLAND COUNTY

TO THE RESIDENTS OF EASTLAND COUNTY:

The current session of the grand jury met in special session to hear testimony regarding the illegal drug traffic in Eastland County. After carefully considering all testimony presented, we concluded that a serious county wide drug problem now exists. We believe it is our duty and obligation to so inform each of you.

We are not aware of a quick and easy solution to the problem, but believe the first step is to make all residents realize that a problem does in fact exist. We ask each and everyone to become actively involved in helping find a solution, and encourage everyone to cooperate in the apprehension and conviction of the individuals involved. In addition, we encourage each succeeding grand jury to review the situation and evaluate any progress made.

The primary beneficiaries of our efforts will be our children and grandchildren. However, if we continue to ignore the problem, hoping it will go away, some of our children will be harmed and eventually we will all suffer the consequences.

Eastland County Grand Jury

OFFICE OF
EMORY C. WALTON
CRIMINAL DISTRICT ATTORNEY
EASTLAND COUNTY, TEXAS
EASTLAND, TEXAS 76448

TELEPHONE
817-629-2609

POST OFFICE BOX 527
EASTLAND, TEXAS 76448

September 14, 1982

TO THE CITIZENS OF EASTLAND COUNTY:

Drug traffic can be stopped in Eastland County. I have been working with the Grand Juries of Eastland County for some time regarding the drug problem in the county because it is evident that the problem is getting worse. Several years ago, a jury assessed a 99 year prison sentence for delivery of a marihuana cigarette and that sentence scared the dope pushers. Afterwards, the Texas Legislature reduced marihuana possession of less than 4 ounces from a felony offense to different misdemeanor offenses, depending on the amount possessed.

When the state legislature reduced the possible penalties of various drug offenses, it appeared that the public became somewhat apathetic about the drug problem. There are some who contend that smoking an occasional marihuana cigarette is no worse than a youth drinking an alcoholic beverage. That contention is incorrect. In the first place, it is not in the best interest of a youth's health and development to drink alcoholic beverage or occasionally smoke "pot" because of the possible consequences and long term effects. In the second place, seldom, if ever, does a person go from alcoholic beverage consumption to "speed", LSD, heroin or other strong drugs, but it is certainly not uncommon for a person to go from smoking "pot" to harder drugs.

Ten years ago, drug usage existed primarily among those persons in their early twenties or older. Today, we are seeing drug usage in teenagers. Within the last year, we have committed youths, as young as 13, to a state institution as drug addicts. You do not have to wait until your loved one or friend is arrested for drug usage to ask for help. There is no such thing as an innocent experiment with drugs because any usage of drugs creates a potential for further usage with the ultimate probability being addiction. In fact, the State Bar of Texas has developed a program to warn pre-school children how to avoid the dangers of marihuana and other drug usage and this program is being given to pre-school children in various parts of the State.

Fortunately, a majority of our Eastland County youth know and realize the dangers of drugs; nevertheless, anytime a person, regardless of age, becomes involved with or addicted to drugs, not only is that person affected but also his or her family and friends.

The various law enforcement officers and school officials are concerned about the drug problem; however, there are certain high court rulings which make it difficult for the law enforcement officers to be as effective as they would like. Consequently, I am glad that the citizens of this county are becoming more aware of the drug availability in the county and are willing to become actively involved in the "war on drugs". Any help that any citizen can be is welcome and gratefully appreciated. Too, the assistance and involvement of any citizen may help save another person from the physical, mental and financial problems that do result from drug usage.

Please help in the "war on drugs"; the life you save may be one you know and love. You, the mother, father, loved one or friend of a young person, can help stop the drug problem by becoming familiar with the various warning symptoms of potential drug usage. For instance: Do you know where your child is tonight?

Very truly yours,

Emory C. Walton

P.O. Box 748
Eastland, Texas 76448
Residence 629-2951

Dispatch 629-1728

817-629-1774

To The Citizens of Eastland County:

Mr. O'Brien, Editor of the Eastland Telegram, has asked that I give this letter in regard to marijuana and drug use in Eastland County. This unquestionably is the single most important danger in our community. Marijuana and drug use must be supported by money. The only way users can obtain money is by committing theft, burglary, robbery and other crimes.

The single most dangerous myth in our country today is that marijuana is a harmless drug. This myth is based largely on research done in the late 60's and 70's. Scientist now know that marijuana is an insidious, subtle and very complex substance, and that moderate to heavy use can damage the lungs, alter the structure of brain cells and produces serious psychological and psychosocial effects. Some would argue that the use of marijuana does not lead to the use of other more dangerous drugs. This simply is not so. For example, it has been proven in other areas that among the 50% of high school seniors who smoked marijuana 43% used one or more additional illegal drugs. Among youngsters who don't smoke pot, the use of other drugs is unknown.

Throughout the State it is shown that during the last three years the age for marijuana use has steadily decreased. In many communities eleven is the average starting age.

I sincerely feel if we can stop this before it is introduced to the school children, by this I mean beginning at the elementary level and nipping it in the bud before it gets out of control with our teen-agers.

Marijuana leads to the use of other drugs such as "crystal", "kitchen crank", and other drugs being sold that in many instances the seller has no idea what he is selling.

I want the parents to realize that my office wants to help. When we have the cooperation of the parent and it is brought to our attention as soon as any indication is shown that the child is using any drug, we can help. There are facilities that we, through recommendation or through the courts, can obtain and affect the healing and curing of the use of the problem. There is excellent counseling available as well as the Vernon Drug Center for teen-agers. We have been able to help a great many of our teen-agers by assisting them in becoming involved in the counseling and or getting them admitted to Vernon's Drug Center.

My hope and I believe the biggest step that I can take towards stopping this abuse is by a one on one relationship with the young people through the school system by having a deputy working specifically in the preventative stage by visiting our schools throughout this County on a daily basis. The fact that an officer is around, available not only to the school but to the students, will do more toward curtailing and stopping the use of marijuana and drugs among our school children and the community than all of the arrest and convictions combined.

In short, I believe in preventative enforcement. That takes cooperation from each one of us. If you feel your child is involved or has a drug problem, please call me, let me try to help.

Sincerely
Johnnie W. Morren, Sherriff
of Eastland County

OILFIELD DISPATCH

Snow Oil Company of Fort Worth has filed for permit to drill the No. 1 Perdue, a projected 4,000-foot wildcat for oil or gas, 3.5 miles northwest of Eastland. The venture will be in a 35-acre lease in Eastland County's H&TC RR Survey.

Location has been staked by G&L Operating Company of Hamilton for a 2,000-foot wildcat probe in Eastland County, five miles north of Rising Star. The well is designated as the No. 1 Cooper. Drillsite will be in a 150-acre lease in the James Jett Survey.

S.E. Resources, Corp.,

operating out of Rising Star, has recorded a successful developmental well in the JMJ Field. It is the No. 3 J.C. Nash, showing potential for 82 barrels of oil, along with 230,000 CF casinghead gas per day on an open choke.

Drillsite was in a 160-acre lease in the H&TC RR Survey, eight miles northeast of Cisco, in Eastland County.

The well was drilled to a total 3,980-foot bottom after entering the pay structure at 3,464-feet. It was perforated to produce from an interval 3,464 to 3,472-feet. Tubing pressure was 45 PSI.

At a location one mile west

of Romney, 3B Oil Company of Lovington, New Mexico, has completed three new oil wells in the Hawkeye Field.

Drillsite were in an 80-acre lease in Eastland County's H&TC RR Survey. All three wells had total depths of 1,170-feet and all entered the pay strata at 1,085-feet.

The No. 6 Tarver is pumping 42 barrels of oil and 190,000 CF casinghead gas per day on an open choke. It is producing from a set of perforations 1,103 to 1,117-feet into the wellbore.

The No. 7 Tarver is producing 40 barrels of crude, along with 180,000 CF casinghead gas per day on an open choke. It is producing from perforations 1,095 to 1,112-feet into the hole.

The No. 11 Tarver is producing from a set of perforations 1,096 to 1,110-feet into the hole and is showing daily production of 37 barrels of oil and 140,000 CF casinghead gas, on an open choke.

The No. 6A Johnson is slated to be drilled in the Midkiff and Hawkeye Fields

by Regal Operating Company of Eastland. With projected total depth of 1,200-feet, it will be spudded in a 5-acre lease of the Mary Ann Clark Survey, 10 miles south of Cisco, in Eastland County.

Pumping at the rate of 38 barrels of crude oil per day on an open choke, the No. 6 McCall was completed in the Hawkeye Field by Nimrod Operating Company of Cisco.

Drillsite is in a 30-acre lease in Eastland County's McCall Survey, two miles southwest of Romney.

After entering the pay zone at 1,116-feet, the well went to 1,172-foot bottomhole. It was perforated to produce from an interval 1,118 to 1,132-feet into the hole.

Chase-Mann Petroleum, Inc. of Fort Worth has posted initial production figures for the No. 1 R.L. Rugh C.M., new wildcat gas well, two miles west of Eastland.

The well indicated potential for 1,164,000 CF gas per day on a half-inch choke. Absolute open flow was rated at 1,460,000 CF. With drillsite in a 160-acre lease in Eastland County's H&TC RR Survey, the well had total drilling depth of 3,916-feet. It entered the pay horizon at 3,798-feet and will produce from a set of perforations 3,798 to 3,800-feet into the wellbore.

Three 4,200-foot developmental wells are planned by EnRe Corporation of Cisco at a drillsite 10 miles northwest of Cisco, Eastland County. The locations are in a 640-acre lease

in the Mitcham G Survey, DRS Field. Well's designations are the No. 5, 6 and 7 Mitcham G.

Two new oil producers in the Eastland County Regular Field has been finalized by Phase IV Petroleum Company of San Angelo. Designated as the No. 2 and No. 10 M.E. Taylor, the wells are located in an 80-acre lease in Eastland County's H&TC RR Survey, six miles southeast of Eastland.

The No. 2 well indicated capacity to produce 26 barrels of oil per day on an open choke. Bottomed at 1,160-feet, the well will produce from an interval of perforations 1,041 to 1,047-feet into the hole. The pay formation was first encountered at 1,042-feet.

The No. 10 well encountered the pay strata at 1,042-feet and went on to bottom at 1,160-feet. It is producing 19 barrels of crude oil per day on an open choke, from perforations 1,049 to 1,055-feet into the wellbore.

The No. 1 Brown, a developmental well in Eastland County's Mergner Field, is scheduled to be drilled 10 miles south of Ranger. Brown Operating Company of Eastland is listed as the operator. Location is in a 40-acre lease in the McLennon County School Land Survey. Projected total depth is 3,400-feet.

Lawrence-Cannon Drilling Company of Abilene has revealed plans to drill a wildcat in Eastland County, three miles northeast of Cisco. The well will be located in an 80-acre lease in

the H&TC Survey, and is to be designated as the No. 1 Walcott. Projected total depth is 4,500-feet.

The Eastland County Regular Field gained a new gas producer when the No. 1 Paul Harlow was completed by Louisiana Crude Oil & Gas Company of New Orleans, three miles northeast of Pioneer.

On an open choke, the well showed ability to yield up to 497,000 CF gas per day. The absolute open flow came in at 529,000 CF. Location is in a 49-acre lease in Eastland County's ETRR Co. Survey. Total depth of the well was 2,546-feet and it was perforated for production 2,344 to 2,352-feet into the hole.

Ridge Oil Company, operating out of Breckenridge, has recorded a successful developmental well in the Northwest Ranger Field. It is the No. 1 Bond, showing potential for 7 barrels of oil per day on an open choke.

Drillsite was in a 143-acre lease in the HT&B RR Co. Survey, four miles northwest of Ranger, in Eastland County.

The well was drilled to a total 3,590-foot bottom after entering the pay structure at 3,482-feet. It was perforated to produce from an interval 3,488 to 3,546-feet.

Buckwheat Resources, Inc. of Eastland has recorded two successful developmental wells in Eastland County's Midkiff Field. The wells are located nine miles northwest of Rising Star, in the Maryann Clark Survey.

The No. 1-C Johnson C showed potential for 25 barrels of oil per day on an open choke. The well is located in a 90-acre lease. This well was drilled to a total 1,209-foot bottom after entering the pay structure at 1,121-feet. It was perforated to produce from an interval 1,121 to 1,130-feet.

The No. 1 Johnson is located in a 5-acre lease and is showing daily potential for 20 barrels of crude oil. It entered the pay strata at 1,158-feet and is producing from a set of perforations 1,158 to 1,169-feet into the hole. Total depth is recorded at 1,241-feet.

Flowing natural gas at the rate of 1,202,000 CF per day on a .75-inch choke, the No. 1 Kyer "2987" is a successful new developmental well in Eastland County. Jones Company of Albany is the operator.

The well exhibited absolute open flow potential of 2,300,000 CF. Location is in a 320-acre lease in the TE&L Survey, about two miles northeast of Pueblo.

After entering the pay zone at 3,712-feet, the well bottomed at 4,124-feet and will produce from a set of perforations ranging from 3,713 to 3,720-feet into the hole.

EASTLAND Petroleum Land Services Co.

A Division of Texas Petroleum Land Services Companies will lease your minerals

If there is enough merit to justify drilling FOR THE OIL OPERATOR, we also offer mineral title search, complete leasing services, and all phases of curative work.

For the land owner: If you don't know how many minerals you have or whether or not you own the leasing rights, we will run title on your tract and give you a proper land man's Title Letter to set forth the facts of title as we find them in the Records of Eastland County- and all our services come at a price you can afford with professional quality you can depend on. We also have some qualified drilling deals.

Oil Is Where You Find It...

.....so sayeth the oilmen. So is love, happiness, success and all of the other elements that make up our lives. Where do you go to find title information? Not on the street corner or the barber shop or any other place except in an abstract office. Yes, we have it, compiled, indexed and assembled daily, from the very beginning down to the present time, plus years of experience and training. Visit us soon and let us have an opportunity to serve you.

Henry Webb To Speak At Cisco Baptist Assoc. Rally

Henry Webb, deacon ministry consultant, church administration department, Sunday School Board of the Southern Baptist Convention, Nashville, will be the guest speaker at the Cisco Baptist Assoc. rally, Monday, Sept. 20 at First Baptist Church, Albany.

HENRY WEBB

He will be speaking about the deacon and his ministry. The program will begin at 7:00 p.m. All interested people are invited to attend.

Webb, a deacon in Two River Baptist Church, Nashville, was editor of the church administration department's *The Deacon* magazine from 1977-80. He came to the Sunday School Board from Kalihi Baptist Church, Honolulu, where he was pastor for nine years. Earlier he was an associate in the Hawaii Baptist Convention's division of cooperative church development, which included responsibilities as state student director and Baptist Student Union director, University of Hawaii. He also was a member of the Hawaii Baptist Convention executive board of six years.

Webb attended Oklahoma University, Norman; West Texas State University, Canyon; Southwestern Baptist Theological Seminary; and holds the M.Div. and D.Min. degrees from Golden Gate Baptist Theological Seminary. He served as Baptist Student Union director at Amarillo (Texas) Junior College; Colorado State University, Fort Collins; and Colorado State College, Greeley. He also taught school in Hereford, Texas.

Drunken Drivers Are Everyone's Curse

Drunken driving, often seen as a humorous folly of man, is finally getting the negative attention it deserves. States across the country are changing lax laws relating to it. But wide public support is necessary to make sure the laws are enforced and the trend continues.

In Houston, the week end of June 12, county and state agencies conducted a "blitz" to find drunken drivers. Offenders were taken to jail.

In other states, the problem is being addressed with tougher laws in which offenders spend time in jail, pay fines or lose their licenses. In Dade County, Florida, drivers arrested on suspicion of being intoxicated are videotaped during testing, for later use in court. Ninety percent of them plead guilty after viewing themselves.

These moves undoubtedly will be effective, but the importance of an active public cannot be minimized. It is

significant that vocal Mothers Against Drunk Driving chapters have had influence nationwide in getting tougher laws passed. It shows that VOTERS HAVE A POWER THEY MAY NOT REALIZE.

While drunken driving may seem worth a chuckle or two when viewed harmlessly on television, the statistics are sobering. About half of the more than 49,000 traffic deaths in the United States last year involved drinking. All are tragic, but the saddest and most disgusting have to be the ones that take the lives of children.

Houston's project is worthwhile, planned by thoughtful people sincerely seeking a change. But one week end's worth of traffic saturation will barely make a dent. Only a constant policing effort, bolstered by the support of a public tired of the waste of life, can finally effect a solution.

Social Security Rep.

Releases Schedule

The three-month schedule for the Area Social Security Representative has been released as follows:

Cisco, Chamber of Commerce, Wednesdays, 1:30 p.m., Oct. 13 and 27; Nov. 10 and 24; and Dec. 8 and 22.

Eastland, Courthouse Basement, Tuesday, 10 a.m., Oct. 5 and 19; Nov. 2 and 16 and Dec. 7 and 21.

Gorman, Senior Citizen Center, Mondays, 1:30 p.m., Oct. 25, Nov. 22 and Dec. 20.

Ranger, Joseph Bldg., Main St., Wednesday, 10 a.m., Oct. 13 and 27, Nov. 10

and 24 and Dec. 8 and 22. Rising Star, City Hall, Mondays, 10 a.m., Oct. 25, Nov. 22 and Dec. 20.

Tammy Rose Is In Scott & White

Tammy Rose of Eastland, daughter of Mr. and Mrs. Tommy Rose, is in the Scott and White Hospital in Temple, and would enjoy hearing from her friends. Cards may be addressed to Tammy at Scott and White Hospital, Room 462, Temple, Tex. 76501

HSU 'Six White Horses'

To Come To Eastland In Style

Hardin-Simmons University's white horses will be traveling in style when they come to the Eastland County Fair Parade Oct. 23rd.

A new trailer, 35 feet long and seven and a half feet wide, has been built with a Weatherford firm engineering the project, according to Dr. William O. (Bill) Beazley, assistant to the president and coordinator of the Six White Horses and their coed riders.

Two families, Mr. and Mrs. Earnest Barrow of Eola and Mr. and Mrs. Guy Caldwell of Abilene have made gifts to the university to assist in the project, Beazley reported. Both Barrow and Caldwell are members of the university's Board of Development. Caldwell is a former trustee.

"They have been outstanding friends of the university and of the Six White Horses and the coed riders and to me personally," said Beazley.

The horses' trailer is the first new one in 16 years and can handle a maximum of eight horses. "Of course, we normally take just six horses, but on long trips, we taken an extra horse," Beazley said.

"It is a very efficient trailer because it also has a tank room which can be used as a dressing room for the girls," he said. The trailer also is equipped with hydraulic brakes.

A newly designed logo of the Six White Horses by Darrell Wood, director of communications, has been placed on the trailer, Beazley said.

BULLETIN

Martha Eugenia Ryan and William Monroe Elms Are Married September 9

Martha Eugenia Ryan, granddaughter of Mr. and Mrs. E.L. Jackson of Cisco, was married to William Monroe Elms on Saturday afternoon, Sept. 9, in St. Paul's Episcopal Church in Marfa. Officiating were the Rev. James F. Eubanks of St. Phillip's Episcopal Church of Belen, N.M., former vicar of St. Paul's in Marfa, and the Rev. Ted Peck of First Presbyterian Church of Fort Davis and Marfa.

The bride is the daughter of Mr. and Mrs. F.H. Ryan Jr. of Marfa. Her father gave her in marriage in a double ring ceremony.

The bridegroom is the son

of Mr. and Mrs. Lee W. (Tinker) Elms, also of Marfa.

Serving as best man was Robert Vizcaino of San Antonio. The bride's maid of honor was "Mushy" Hewitt of San Saba.

Bridesmaids were Kathleen Ryan of Alpine, sister of the bride, Ginger Dempsey of Alpine and Marla Baker Nunez of Odessa.

Andy and Chris McKnight served as acolytes, and Gallie Ann Elms, sister of the bridegroom, was the flower girl.

Groomsmen were Lee Elms of San Antonio, the bridegroom's brother, Scott

Cross of Alpine and Dan Newsome of Denver, Colo. Ushers were Richard Rose of Van Horn and Frank Martinez of Odessa.

The church sanctuary was decorated with baskets of ferns in chancel; bouquets of apricot and white carnations with touches of dried leather leaf adorned the altar, flanked by seven-branch candelabra.

Directly under the altar cross stood the wedding candle decorated with greenery. It was lit by both bride and bridegroom from the altar candles during the service.

Each of the church's windows held an arrangement of ferns with white bows.

Mrs. George Cross, organist, played Purcell's "Trumpet Voluntary" as the processional, and Bach's "Jesu, Joy of Man's Desiring" for the recessional.

The bride wore a chapel-length dress of candelight silk chiffon and lace with an empire waistline. The lace bodice was embroidered with pearls, and a standup lace ruffle formed a collar along the sweetheart neckline. Long lace sleeves ended in ruffle cuffs, and a cascade of ruffles extended down the front of the dress and formed a train in back.

Her hat, of modified Queen Anne style, was of matching lace and pearls with a veil of illusion. Her bouquet was of apricot and white carnations with leather leaf accents arranged around an Episcopal Book of Common Prayer.

The book, "something old" for the bride, had been brought to Albany, Texas, from Nashville, Tenn., in the 1880s by the late Alice Lyons Overton and now belonged to the bride's mother. For something new, the bride carried a tuppence in her shoe which her mother had brought back from England this summer. Something borrowed was a string of pearls belonging to Mrs. J.H. Blackwell. To complete the traditional rhyme, the bride wore a blue pin which had belonged to her grandfather, the late Judge F.H. Ryan of Pecos.

Bridal attendants wore dresses of apricot silk with empire waistlines and floor-length, accordion-pleated skirts. The dresses featured matching cocoon jackets. All wore ivory picture hats with apricot ribbons, and carried sprays of apricot and white carnations with touches of leather leaf and greenery.

The flower girl wore a long

dress of apricot chiffon, the skirt caught up with flowers to form scallops at the hem. She also wore an ivory picture hat with apricot ribbon, and carried a basket of apricot and white carnations.

Following the ceremony, the bride's parents received guests at a barbecue at their home, catered by Robert W. Bryson of Alpine.

The bride's cake was a white, three-layered confection with white roses and candles along the sides. It was topped with traditional bride and bridegroom figures.

The bridegroom had a two-layered chocolate cake in the form of a horseshoe.

Houseparty members included Mrs. Rudy Scott, sister of the bride, Mrs. Bill Williams, Mrs. Bill Peiser, Mrs. Lee Elms, Mrs. Scott Cross, Mrs. Richard Williams, Mrs. Bill Shannon, Mrs. Bobby Fellows and Mrs. Terry Allison. Mrs. Kevin Ryan and Mrs. Bill Quick were unable to attend.

Among out-of-town guests were Shirley Tipton of El Paso, Mark Suh of Houston, Dr. and Mrs. Harold Miller an daughters of Alpine, John Ryan of Fort Davis, brother of the bride, Mr. and Mrs. Rudy Scott of New Orleans and Mary Lou Dempsey of Austin.

Leaving the barbecue, the bride wore a navy blue and white suit with white hat and shoes.

The bride graduated from Marfa High School in 1981 and is a sophomore at Sul Ross State University.

The bridegroom is a 1974 MHS graduate and received his bachelor of science degree from Angelo State University in 1978. He taught school in Van Horn and is a former director of student activities at Sul Ross.

The newlyweds will be at home at the Paisano Baptist Encampment, where the bridegroom is employed as general manager.

Work Underway On New BSU Center

Construction work is well underway on a new Baptist Student Union Building adjacent to the campus of Cisco Junior College and officials hope to complete the project by October 1, according to reports Tuesday.

The building is expected to cost about \$30,000, including donated labor and materials. Wayne Webb, local contractor, is supervising the building work.

The structure is of log construction and will have a

fireplace and be air-conditioned. The building contains 1,500 square feet plus an eight by 50 foot porch. It is being erected on property acquired by the BSU just west of the building used by the organization since 1968. The old building was sold to Cisco Junior College.

The BSU project is supported and directed by three Cisco Baptist Churches — First Baptist, East Cisco Baptist and Calvary Baptist

— and the board consists of the pastors and others from each church, including the Rev. Buddy Sipe, the Rev. Armo Bentley, the Rev. Ronnie Shackelford, Bill Philpott, Al Anderson, Wayne Webb and Lucy Collier.

Financing includes funds realized from the old building plus a savings account of \$7,000 and other donations and gifts.

Ruth Skaggs spends 2 hours each week as director

of the center. She is an employee of the state BSU organization. The center is carrying on a full program of activities in the old building during the construction period.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 2, 1982

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing the state property tax."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$80,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium.

The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

Miss Paula Allen and Jerry Keeney Exchange Marriage Vows Aug. 14

Paula Allen and Jerry Keeney exchanged marriage vows in a garden ceremony at the home of the groom's parents, Mr. and Mrs. Lawrence Keeney of Cisco on Saturday, August 14, at 11 o'clock in the morning. Officiating was Pastor Bob Mayberry, formerly of Cisco, of Fort Worth.

The bride is the daughter of Mr. and Mrs. Edwin Schaefer of Sabanno.

The bride was given in marriage by her brother, Richard Allen of Cross Plains.

The bridesmaids were sisters of the bride, Bridgette Green of Baird and Debbie Thomas of Cross Plains.

The groomsmen were Chris Mellette of Cisco and Tommy Green of Baird.

Many friends and relatives attended.

Let's talk.

Information about your changing telephone service from Bob Cox, Community Relations Manager.

Industry changes will affect us all

This is a time of significant change for Southwestern Bell and for the entire telecommunications industry. Decisions are being made as to how we are organized; in how we price and market our services; and in the policies that govern our industry.

These changes will touch everyone—customers, shareholders and our employees. They involve new concepts in home and business communications, and new ways of obtaining and using telecommunications products and services.

Keeping Pace with Change and Its Impact on You

As the company restructures itself and adapts to these changes, you will want to know their impact on you and your telephone service. That's part of my job: keeping you informed about our plans. My duties also include recommending areas for service improvements, monitoring service problems and serving as the company's representative to the community.

Naturally, you'll continue to call the Business Office with questions about your bill or our Repair Bureau to get your telephone line fixed. But I'll try to keep you posted about changes that might affect your service.

While I've had the opportunity to visit with some of you about these telephone issues, it's impossible for me to speak personally to everyone. That's why I will be using this column to communicate with you. My address is listed at the end of the column. Please feel free to drop me a note anytime. I'll be glad to hear from you.

I can't guarantee that I will have

all the answers or instant solutions. But, I can promise that I will listen and help you in whatever way I can.

Most importantly, I will keep you posted on changes—local and national—that affect your telephone service.

Company Rate Hearings Begin With Texas PUC

As you're probably aware, our hearings with the Texas Public Utility Commission in Austin to increase rates have begun. We are well aware this is not the way to win a popularity contest. It's unfortunate, but it's necessary.

The \$471.5 million we are seeking is more money than I can imagine, but so is the \$1.5 billion we've budgeted this year to expand and improve service in Texas. Incidentally, this is the fifth straight year we have committed more than \$1 billion in the state.

Almost a third of the total we've asked for is the result of rules the Federal Communications Commission recently adopted, requiring faster recovery of expenses for depreciation and other capital costs. The FCC's action was taken because competitive and technological developments have resulted in shorter service life for telephone equipment. It's a simple, but costly, fact.

Remember, if you have something to talk about, don't hesitate to drop me a line. Here's my address:

Will also tell you your lucky days & numbers. Just one visit will convince you. Located in private house.

1014 Coggin Ave. Brownwood, Texas 915-646-9690

Summer vacation is over and thousands of youngsters are back to school, many for the first time.

Captain G.J. Matthews of the Texas Highway Patrol said "Last year in Texas, the pedestrian death accounted for approximately 16% of our total traffic fatalities with many of those being school age children."

"The Texas Department of Public Safety wants to remind all motorists that with the start of school, you will be seeing those big yellow school buses where they have not been all summer," said Captain Matthews. He said that all drivers are required to stop for school buses when the bus is stopped to load or unload school children and has its overhead red lights activated. Captain Matthews pointed out that the law concerning stopping for a school bus applies to drivers in the city limits as well as out in the rural areas. He also stated that drivers must stop from either direction before passing the bus.

The only time a driver can legally pass a stopped school bus is for the flashing red lights to be turned off, the bus driver to motion a vehicle by or for the bus to resume motion. Captain Matthews was careful to point out that in either of these situations, a driver needs to remain alert for school students. They could still dart into the path of your vehicle, he said.

Captain Matthews said, "With the start of school, all drivers need to be extra cautious around our schools." He said, "the children will be excited about a new school year and might not be thinking about all the safety rules in bike riding and crossing streets so it will be left up to the motorist to protect them."

"Drive as if you have a child attending that school," he said.

College Bound Students Advised Of Test Dates

Juniors who are interested in going to college after graduation should take note that the Preliminary Scholastic Aptitude Test/National Merit Scholastic Qualifying Test (PSAT/NMSQT) will be given on Tuesday, October 19, 1982, at Cisco High School.

The PSAT/NMSQT gives students a chance to find out what the College Board's Scholastic Aptitude Test (SAT) is like and can be used to predict scores on the SAT. It also helps students in planning for college. Further, students who opt to participate in the College Board Student Search Service have an opportunity to hear from colleges that they might not otherwise learn about. The PSAT/NMSQT is also the qualifying test for students who wish to participate in the nationwide scholarship competitions administered by the National Merit Scholarship Corporation. Students in competition for this scholarship awarded in 1984 must take the PSAT/NMSQT in 1982.

Before the test, students will receive the PSAT/NMSQT Student Bulletin which contains a complete sample test with an answer key and scoring instructions. In December, students will receive a Report of Student Answers which displays the correct answers and the student's responses as well as scores. Schools will return booklets at the same time so that students can review the original questions. Students will also receive *About Your PSAT/NMSQT*, a booklet containing information on interpreting PSAT/NMSQT results and on general college planning.

The fee for taking the 1982 PSAT/NMSQT is \$4.25 per student, to be paid at the time of registration. Fee waivers may be requested for students from low-income families who cannot afford to pay the fee. Students may register for the test in the counselor's office before October 6th. Students requesting fee waivers must register before September 27th.

Revival Draws Record Crowds In Cross Plains

The revival in the Rock Church in Cross Plains, on 8th Street, is now drawing record crowds, and interest is very high. Evangelist E.J. Hierholzer said this mercy seat revival has become a great blessing for the sick and needy ones. Every Tuesday and Friday night when he and his helpers pray and lay hands upon those that have like precious faith. No denominational line is drawn.

The subject for Monday, Sept. 20, will be "They Shall Still Bear Fruit in Their Old Age," according to Psalms 92:14. Evangelist Hierholzer announced. Special attention will be given to the aged ones. Rev. Hierholzer also gave notice of the Wednesday, Sept. 22, subject, "Rain, Rain, Rain." Those interested can mark their calendars and "come and join us in prayer for rain on that date," he said.

Faith Baptist Church Revival

The Faith Baptist Church will be starting a revival Sunday, Sept. 19, which will continue through Friday, Sept. 24. Dr. Carl Baugh of Springfield, Mo., will be the guest speaker.

Dr. Baugh graduated from the Baptist Bible College in Springfield and has pastored several churches. He established the Calvary Heights Baptist Church in St. Louis, Mo. and also founded the International Baptist College in St. Louis. He has recently resigned his work in

St. Louis and has moved back to Springfield, and will now be over all missionaries in Figi. He is presently in charge of the dig in Glenrose uncovering the dinosaurs tracks. Dr. Baugh is a lecturer of Bible facts and will bless your heart as you expound on these things. He was raised and attended

school in Dublin, Texas.

Dr. Baugh will be speaking in the morning services and each night at 7:30 through Friday.

The services will be held at 700 West 18th in the church's new location even though work is not near completed on the building and parking lot. The people of the church along with the pastor extend a cordial invitation to all to attend.

Church Plans Homecoming

Mangum Baptist Church will be celebrating their homecoming this Sunday, September 19, beginning with worship services at 11:00 a.m. Dinner-on-the-grounds will be immediately after the services. Services will begin again at 1:30 when

former pastor, "Hoop" Sublett will be preaching. Many special guests will be singing and there will be congregational singing. Everyone is invited to come be a part of this special time in the life of Mangum Baptist Church. Services will conclude about 3:30 p.m.

Use Your ENERGY To Save Electrical Energy...

By using some of your energy you can save electrical energy. Simply by adding insulation, caulking around windows and doors, and adding weatherstripping you can help stop heat loss in your home. Stopping heat loss will help your home to operate more efficiently. Also, consider installing a 200% efficient heat pump cooling and heating system in your home. If you want more information pick up our FREE Home Energy Conservation Guide at any WTU office.

MELVIN WENDE, superintendent of postal operations (assistant postmaster) at the Cisco Post Office, got home last Friday night from up Washington way where he spent three weeks in a management training course for new postal supervisors.

Melvin was met at DFW airport by his wife Linda and two sons and the Morgan Flemings, his sister and brother-in-law. Understand he lost ten pounds while there, indicating that he worked pretty hard. Postmaster Wiley Cox of the Cisco PO took a similar course for two weeks at Memphis, Tenn., some time ago.

IT HAS BEEN a month or two now since the City Council voted to do away with the downtown parking meters but folks still insist on putting money in them. Mr. C.H. (Cats) Ingram of the police department was making the rounds the other day to empty the meters of coins. He put a piece of tape over the coin slot like he has done several times.

People come along and park. They tear the tape off and put in coins. Plans call for the meters to be removed eventually.

WHEN DOVE SEASON opened recently, it was the first time in a good many years of dove hunting that Mr. Rudolf Schaefer of our town didn't miss a shot. That's what he told us. And after a bit of questioning, it came out that Mr. RS didn't get a shot that day.

Dove hunting is still pretty spotty, according to reports. If you go early and stay late and work hard you can get a limit. The Bill Huffmans of Houston are in town for a few days of visiting and dove hunting.

OBITUARY

Services For Laverne Taylor Are Wednesday

Funeral services for Laverne Taylor, 69, of Cisco, were at 10 a.m. Wednesday at Kimbrough Funeral Home. Gary Adams officiated. Burial was in Oakwood Cemetery.

Mrs. Taylor died at 6:35 a.m. Monday at Cisco Nursing Center after a long illness.

She was born September 17, 1912, in Bowie County. She moved to Cisco at an early age and married William Leroy Taylor here December 2, 1929. She was a member of the Church of Christ.

Survivors include her husband; two daughters, Nancy Lenz of Waxahachie and Evelyn Toof of Hay Springs, Neb.; a brother, William Scarlett of Cisco; a sister, Winona Lanham of Clyde; six grandchildren and a great-grandchild.

Services For Josephine Love Are Sunday

Funeral services for Josephine Estella Love, 92, of Cisco, were at 3 p.m. Sunday at Kimbrough Funeral Home. The Rev. Ronnie Shackelford, pastor of Calvary Baptist Church, officiated. Burial was in Oakwood Cemetery.

Mrs. Love died at 8 a.m. Saturday at Cisco Nursing Center.

She was born February 25, 1890, in the Boxelder community in Red River County. She married George Archie Love on September 3, 1911, in Boxelder. He died April 25, 1962.

She was a member of Calvary Baptist Church.

Survivors include a daughter, Mrs. Troy Galyean of Brownwood; three grandchildren; two great-grandchildren; a sister, Mae Dudley of Annona and a brother, Eri Posey of Annona.

Pallbearers were members of Calvary Baptist Church.

TWO OF THE most attractive fans at last Saturday night's CJC football game were Elizabeth Marie and Stephanie Ann Madison, 15-month old twin granddaughters of the Dean Madisons and the Wayne Brooks of Cisco. Their parents are Steve and Cindy Madison of Stephenville.

The Madisons, including parents and grandparents and the twins, went to Haskell on Friday night to see the CHS game and then attended the CJC game Saturday night. Steve is a senior at Tarleton State and works as assistant parks and recreation director for the City of Stephenville.

COACH TOM Collins and his whole CJC basketball squad attended services at the First Baptist Church last Sunday morning. Duff Hale's 10 year old son shot a dove on the fly here the other day, reports Grandfather Ted Hale. The Duff Hales live at Midlothian and came out for a bit of dove hunting and visiting. Catherine Abbott's golf score added up to 78 shots for 18 holes one day last week.

A VISITOR in our town last weekend was Mrs. Pat (Dorothy) Ryan of Marfa. She came out to visit her parents, the E.L. Jacksons, and to give them a report on her recent trip to the British Isles.

Mrs. Ryan, librarian for Marfa High School, flew to London for six weeks of vacationing. She does a lot of jogging and walking and her travels to England, Scotland and Ireland included some hiking, bus riding and travel on trains with a Eurail Pass. This enabled her to visit many smaller places and to meet people and see things interesting.

Mrs. Ryan went home Sunday.

THE TOM AUTREYs got home last weekend after a travel trailer vacation down in the Texas Hill Country. He says they'll probably up to their knees in bantam chickens as all of the bantam hens at their place on the

Rising Star highway decided to set on nests full of eggs while they were gone.

Mr. Autrey, who works for SWBell Telephone Company here, is back on the job after surgery on an ankle for a pinched nerve that turned out to be arthritis. He's walking good.

MR. TED ROGERS of The Press staff and his missus recently stopped in at Palo Duro State Park near Canyon and attended a performance of the historical pageant TEXAS Super was the way he described it. The Rogers vacation included visits to points of interest in New Mexico. Morgan Fleming, who was the Reporter-News agent here for several years until he resigned for another job a year or so ago, is back on the R-N job. He took over the north part of Cisco from Laura Hamilton on Sept. 1.

OVER AT THE First United Methodist Church, Mrs. Ella White and Mrs. Eunice Penn were presented plaques during a worship service for their membership in the FUMC choir for over 50 years. Congratulations are in order, huh? Mr. O.L. (Robbie) Robinson of 1404 Park Drive entered Baylor Hospital in Big D on Monday. He was scheduled to have his gall bladder removed by mid-week. The Manning Davises were in Robert Lee over the weekend. Her brother-in-law was buried there in services Sunday afternoon.

CISCO JUNIOR College has a booth at the West Texas Fair in Abilene again this year and Mrs. Jammie Fry is in charge of same. The booth advertises the college. A Pafford ambulance took one of the Tyler football players to E.L. Graham Memorial Hospital at half-time last Saturday night. The young man had a dislocated shoulder and Dr. Ayres Cermin was able to put everything back in place so he could go home by bus with other members of the Tyler squad after the game.

The J.C. Fletchers and probably others from Cisco were over Stamford way last Saturday afternoon for the

Congressman Stenholm barbecue and rally. The Fletchers attended a meeting for stockholders of an oil company in Fort Worth last Thursday night.

MET UP WITH Mr. Steve Lanham over in Abilene the other day. As many of you know, Steve grew up in Cisco, attended CHS and CJC and got his start in business as a Cisco Press paperboy. Later, as he got older, Steve learned printing at the Press office.

Now, some 25 years later, Steve is production supervisor for the Abilene Reporter News and has been for several years. He flew out Saturday for Munich, Germany, to visit a factory that builds printing presses. He recently made a similar trip to Washington, D.C., and the Chicago area.

Steve's mother, Mrs. Winona Lanham, lives at Clyde with her daughter Ruth who is with the Clyde bank.

THE LINER, a magazine published by Exxon Pipeline Co. in Houston, printed a nice article entitled "Guinn Remembers" in its August issue. As you know, Mr. W.P. Guinn retired some years ago after a career of some 50 years with Humble (Exxon) Pipeline Co. Now, at age 88, he is Exxon's oldest annuitant.

A native of Alvarado, Texas, Mr. Guinn joined Humble in 1919 soon after WWI duty. The magazine paid tribute to him for his many contributions to the company before he retired.

"The last 17 years of Guinn's career were spent at Cisco in North Texas where he was manager of the North Texas Division," the article said. And Mr. Guinn was quoted as follows: "The happiest days I've had were in Cisco."

Our town remembers Mr. Guinn, of course, as an outstanding citizen. His good wife Frankie died a year or so ago, and he continues to keep busy in church and community affairs at Houston. He has two daughters, eight grandchildren and seven great-grandchildren. And all Cisco wishes him well.

A COUPLE OF Sundays ago, the Rev. Buddy Sipe of First Baptist Church invited children in the audience to come forward as the morning service began. They gathered around him at the front of the auditorium for the weekly "children's sermon."

Mr. Sipe began by inquiring if the children knew about the huddle in football. Eve Elton, little daughter of the Lamar Eltons, responded to all in the auditorium, "Yes, Bro. Buddy, and the Lobos too!" After a pause, she added but they did not mean to.

Last Sunday, the Sipe mini sermon for children had a Grandparents Day theme. "Do you like parents or grandparents best," he asked. And Dusty Schaefer, young son of the Delbert Schaefer, spoke up with this answer: "Grandparents."

Putnam News

By Mrs. R.B. Taylor

This reporter played hookey last weekend. I went to Sweetwater to visit Homer and Carolyn and did not get back in time to get the news in. Therefore I have some items that should have been in last week.

Charlie Reynolds, who married Blanche Cunningham who grew up at Putnam, died at Tulsa, Okla.

Mrs. Naomi Hesser and Mrs. Bonnie Farmer of Baird returned home this week after visiting their niece, Mrs. Annie Merle McGowan at Sherman for a week.

We really are enjoying the cool weather (Sunday). We have had just a sprinkle of rain here this afternoon. Looks like it might rain more. We were happy to see Charlie Jordan back on

KTAB last night giving the weather. We welcome you back Charlie and hope the cool spell you predicted for Monday comes.

Mrs. Vola Everett of Cisco and Ollie Burnam visited their aunt Mrs. Annie Bishop and their niece Mrs. Madge Hornsby at the nursing home at Cross Plains last week.

Mrs. R.B. Taylor visited Mrs. R.L. Clinton at Cisco Saturday. Mrs. Clinton has been recovering from a bad sinus infection.

Mrs. I.G. Mobley and Mrs. Buster Hatchett near Baird went to Abilene Wednesday.

Mr. and Mrs. Bill Brown of Fort Worth and Mrs. Gayle Isenhower of Coleman spent Labor Day weekend with their mother Ollie Burnam.

Mr. JoAnn Collinsworth had surgery on her hands this week. She is still in Hendricks Hospital at Abilene. Her sister, Mrs. Mike (Stella) Hughes of Rankin was with her a day or so.

I enjoyed visiting with Mrs. Ioma Howard of Cisco at the beauty shop at Cisco this week. Mrs. Howard was the former Ioma Carson and was reared at Putnam.

Mr. and Mrs. Buford Green of Perryton are visiting the home folks this weekend.

Mr. and Mrs. Babe Donaway of Odessa visited Mrs. R.C. Speegle and the Milton Donaways this week.

Mr. and Mrs. Dick Weeks of Abilene have purchased the former Baptist parsonage. They plan to do a lot of renovating on it. They will make their home here. Welcome Dick and Louise.

Mrs. Judy Maxwell moved her mother Mrs. Dorothy LaFlore from DeLeon this week to a rest home at Cisco.

Mrs. Bernie Moore of Cross Plains visited her aunt, Mrs. George Weeks Saturday.

Congratulations are in order for Mr. and Mrs. George Weeks, who

celebrated their 64th wedding anniversary Saturday, Sept. 11. Many more happy years together, George and Myrtle!

Moran News By Mrs. Luke Huskey

Miss Carrollyn Louder of California and Opal Clement of Dallas spent a few days with Mrs. Carroll Louder.

Cy Waters of Killean spent the Labor Day weekend with Alfred Agnew.

Bert Booth of Temple spent a few days with his mother, Mrs. Bud Booth.

BIRTHDAY CLUB PARTY

Members of the Moran Birthday Club helped Dorothy Boyd, Mae Delle Jones and Ezra Weir celebrate their birthdays at the meeting held Thursday night, September 9, at the Moran Coffee Shop. Others in attendance were Mrs. Weir, Mr. and Mrs. Lynn Williams, Elma May Huskey, Mr. and Mrs. James Garrett, Georgiana Freeman, Bessie Fields, Mr. and Mrs. Lucion Brooks, Dick Cockrell, Wayne Hitt, Imo Ruthledge, Mildred Smith, Frances Green, Mr. and Mrs. Morris Ledbetter, Mr. and Mrs. Bud Brooks and Frances Smoot.

The happy "birthday song" was sung to the honorees, after which Mrs. Lucion Brooks showed some slides of the wild flowers, historical points and other things of interest to the group.

The group invites anyone to come for an evening of fellowship and entertainment.

Pleasant Hill

Extension Club

Meets Sept. 9

The Pleasant Hill Extension Homemakers Club met September 9th in the home of Joanne Priest. After the regular business meeting a program was presented by County Agent Janet Thomas. This program was on "Women and Credit."

The nominating committee presented nominees for club officers for the 1983-84 year. New officers for the term are Mary Louise Hearn, president; Diane Carlile, vice president; Blanche McGaha, secretary; Muri Campbell, treasurer; and Arleta Shirley, council delegate.

Club members will serve refreshments at the Cisco Nursing Center Thursday, September 16.

Present at this month's meeting were Vadis Phelps, Twila Lee, Diane Carlile, Allene Smith, Mary Hearn, Vergie Hale, Joy Worley, Dorothy Barton, Gaby Masters, Arleta Shirley, Brandon Carlile and County Agent Janet Thomas.

The next meeting of the Pleasant Hill Homemakers Club will be October 14 in the home of Arleta Shirley.

AARP Will Hold

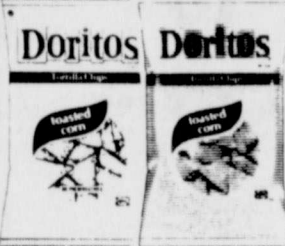

Regular Meet

Thursday

The regular monthly meeting of the Cisco Chapter of AARP will be held at 6 p.m. Thursday, Sept. 16, at the Corral Room. There will be a covered dish supper. All members are asked to attend.
