

# HALL OF REMARKS

BY HERREL HALLMARK

**HOW DID YOU** enjoy the thunder and hard rain early Friday morning? I awoke around 4:30 a.m. to the sound of loud thunder and before long it started raining real hard and continued to rain for most of the morning.

By noon the skies had cleared and the sun was out, but forecasts called for more rain during the day and night and again on Saturday.

Everything should really begin to look green before long if we do not have any more really cold spells.

A GOOD CROWD of interested parents turned out Thursday night, despite the weather, for the local Open House at Cisco public schools.

Most of them remained at Cisco Jr.-Sr. High for the annual Senior Play, which was, as usual, a very delightful performance.

ALWAYS UNPLUG any small electrical product after using it, cautions the Association of Home Appliance Manufacturers (AHAM) and Underwriters Laboratories (UL).

Don't assume that if the switch is "off," there's no danger of electrocution. This may not be true if the product comes into contact with water.

Electrocutions may occur in kitchens, bathrooms or outdoors — anywhere near water sources.

Never use any electrical product while bathing or put it where it can drop or be pulled into the tub or sink. If the appliance accidentally falls into the water, don't reach into the water for it. Unplug it immediately at the wall outlet.

Never leave a small portable electrical appliance within the reach of small children. Children left unattended could pull the plugged-in, but switched-off appliance into the tub or sink and risk being electrocuted.

DO YOU HAVE a horseless carriage?

Weatherford is looking for horseless carriages. Not because of gas prices, but because of the Annual Weatherford Spring Festival Parade coming up April 23.

The Weatherford Spring Festival Parade is always an interesting look at what used to be the primary modes of transportation. Every year antique buggys, wagons, cars and trucks make their way down Main Street to the delight of the people that line the parade route.

If you have an antique buggy or car, or know anyone with one, please contact Helen Davidson by calling 817-594-1484, or writer her at 1014 Zion Hill Road, Weatherford, Texas 76086.

The driver of the vehicle will receive two complimentary tickets to all Spring Festival events, which include a tour of historical

## CJC Women Advance To Regional Game

With a 14-2 conference record holding second place, the Cisco Junior College Wrangler women's basketball team advanced to the Regional Tournament held March 3, 4, and 5 in Big Spring at Howard County Junior College. In the first round CJC matched up with Amarillo Junior College at 4:00 p.m. on Thursday.

The Wrangler women have met Amarillo twice earlier in the season. At the Amarillo Classic the Badgers took the advantage 57 to 54, but later during the Western Texas Classic, Cisco came out on top by a score of 70 to 66.

If the Wrangler ladies won in Thursday's contest, they played Friday at 8:00 p.m. meeting the winner between Western Texas and Howard County. The Regional Tournament finals were Saturday at 8:00 p.m. with only the top team progressing to the National Tournament in Mississippi.

**CISCO KID CAR WASH**  
3rd St. and Ave. E  
Where Most People Wash. Wash your venetian blinds, throw rugs, motor.

homes, an arts and crafts show and lots more.

The parade starts in front of Weatherford High School at 9:30 a.m., drivers need to be there to check in before 9 a.m.

The parade will culminate with the opening ceremonies at Cherry Park. All Spring Festival activities will take place Saturday, April 23, and Sunday, April 24. For more information, contact the Weatherford Chamber of Commerce.

## NEW CofC MEMBERS

**BIG COUNTRY REAL ESTATE**, 509 E.8th, Cisco, was being welcomed as a new member of Cisco Chamber of Commerce when the above photograph was taken Wednesday morning. Chamber officials were on hand to present the membership certificate to the business. Those persons shown are (left to right, standing): Fred Wheeler, CofC Membership Drive chairman; Randy Speegle, CofC manager; Robert Dudley, CofC president; Jenny Franklin, real estate agent; Dana Goosen, real estate agent and broker. Seated is Kim Brandon, real estate agent. Big Country agents not shown are Penny A. Reay and Larry Franklin. (staff photo)

**A.R.A. FOOD SERVICE** at Cisco Junior College was presented with a Cisco Chamber of Commerce membership certificate following the quarterly CofC breakfast Thursday morning. John Rehak (second from left), received the certificate for the service. Also shown are (left to right): Robert Dudley, CofC president; Bobby Fink, CofC membership committee member; and Randy Speegle, CofC manager. (staff photo)

**E.L. GRAHAM MEMORIAL HOSPITAL**, Highway 80 West, Cisco was presented with a membership certificate in the Chamber of Commerce Thursday morning following the quarterly CofC breakfast. Shown are (left to right): Robert Dudley, CofC president; Kay Mosley, Director of Nurses at the hospital; Helen Orr, hospital administrator; William McKinnon, vice-president of Rural Hospital Management Inc.; and Randy Speegle, CofC manager. (staff photo)

## Stamey Speaks At Lions Club Meet

Characteristics of a good club were outlined by O.L. Stamey, veteran of some 47 years in Lionism, in a talk last Wednesday noon at the weekly luncheon of the Cisco Lions Club at the Colony Restaurant. Lion Walter Knowlden was program chairman.

Mr. Stamey, retired educator and a former Lions district governor, suggested that "a good Lions will be a busy organization with

## Lions Club Variety Show Set Monday Night At CHS

Plans are complete for the Cisco Lion's Club's variety show at 7:30 p.m. Monday, March 7, at the high school auditorium. Chairman Jasper Cook reported at the club's luncheon last Wednesday noon at the Colony Restaurant.

A near capacity crowd is expected to turn out for the show, which will consist of an hour and a half of good family entertainment with music, singing and comedy. Lions Club members are selling tickets for \$1 or they may be purchased at the door Monday night for \$1.50.

The program will include six skits, featuring Lions Club members, along with

music by the high school combo, Trudy and Rosie Marshall in song, the Willard Johnson Western Band, a male quartet and a "special surprise or two," Chairman Cook said.

Purpose of the variety show is to raise money that Lions will add to their fund to erect a pavillion at City Park in memory of several deceased members, including the late Tom B. Stark and the late Gene Abbott. The park structure will be of concrete and steel and will be available for rental by the public for picnics, family reunions, and so forth. The nominal fee will pay for utilities.

"This will be a much needed facility in Cisco," Judge Cook said, "and, hopefully, it will be a much used one." The club has been working on plans for the project for the past year. Soon after City Park was opened several years ago, the Lions Club built rest rooms there.

Judge Cook noted that the club set the price of the show tickets (\$1 advance or \$1.50 at the door) low in order to have a large crowd. "You can still get tickets from any Lion," he said. "A Lion will even deliver tickets if you telephone for them. There is a limited supply, so get yours soon." Judge Cook said those

unable to obtain tickets elsewhere can call him at home after 5 p.m. — phone 442-3154.

Committees in charge of various details were listed as follows:

Ticket takers — Charles Clark, O.L. Stamey, E.L. Jackson and Earl Ray.  
Curtain pullers — Marcus Ray and Randy Speegle.  
Prop men — C.B. Dill, Robert Dudley, Truman Kirk and Walter Knowlden.  
Lights — Rick Whately; spot light — Bruce Sellstrum.  
Various club members will take part in the gags. Musical entertainment will be presented prior to the first gags and between acts, Judge Cook said.

## Ballots Complete For Three Local Elections

The ballots for three elections — City Council, Hospital Board and Public Schools — were complete Wednesday as the deadline passed for candidates to file. Voting will be on Saturday, April 2, at the Corral Room of Hotel Laguna.

Gary L. Nichols filed as a candidate for the board of trustees of the Cisco Public School to give voters an opportunity to select from

three for each place to be filled. There were no other late additions to the list of candidates.

The ballots for the three elections will list candidates as follows:

**City Public Schools**  
Place 1 — Donald Gorr, incumbent, owner of Gorr Oil Company; Lola Cozart, homemaker and wife of Roy Cozart, local contractor; and Bobby Smith, local CPA.

Place 2 — Steve Cozart, building contractor; Howard Worley, oil lease operator; and Shirley (Gus) Smothers, Place 3 incumbent, director of student activities at Cisco Junior College. Charles Humphries, Place 2 incumbent, did not file for re-election.

Place 3 — Dr. Allen McGinness, local dentist; Travis Star, independent oil operator; and Gary L. Nichols, employee of Lone Star Producing Company.

**City of Cisco**  
Mayor — Eris Ritcie, incumbent, owner of Southwest Enterprises; and

W.E. (Edd) McGough, owner of Edd's Auto Salvage.

**City Council** Place 1 — Linton Batters, incumbent, local contractor.

Place 2 — Brad Kimbrough, incumbent, owner of Kimbrough's Funeral Home.

**Hospital Board**  
Candidates for two vacancies — Bruce Stovall, oil supply company owner, incumbent; Armo Chambers, owner of Cisco Funeral Home, incumbent; and Judy Pharr Dudley, employee of Sears Order Office and wife of Robert Dudley, manager of J.C. Penney Co.

Absentee voting in the three elections will begin March 14th and continue through March 30th.

## Abilene Jaycees

### Due Here For Club Discussion

A group of Abilene Jaycees will be coming to Cisco Tuesday, March 8 at 8 p.m. to discuss what Jaycees are and to discuss plans for a possible future Jaycee club in Cisco. The meeting will be held at Olney Savings.

All interested young men between the ages of 18 and 35 are urged to attend the meeting.

## CofC Board Of Directors Meet

The Chamber of Commerce board of Directors met Tuesday March 1st. Present at the Meeting were: President Robert Dudley, 2nd Vice-President Jerry Morgan, 3rd Vice-President Dan Dixon, Norman Wallace, Fred Wheeler, Elaine Dixon, and Manager Randy Speegle.

The Gene Abbott Memorial was reported on by Randy Speegle. At the time of the board meeting there had been approximately \$1000.00 donated to the fund. The committee is thinking about constructing fitness stations around a jogging path. At the time of the board meeting a site had not been chosen.

The Membership committee was reported on by Fred Wheeler. It was reported that this last month there had been 8 businesses added

to the membership. These are: Cisco Exxon, Charles Preston, ARA Food Service Inc., Patterson Ambulance Service, E.L. Graham Memorial Hospital, Big County Real Estate, Ensearch Exploration, Inc., and Archie Channess. And there have been 6 individual members added to the membership. These are: Willard Johnson, Mr. and Mrs. Milo Steffen, Deane Kingsbury, Ace Prescott, Mr. and Mrs. O.M. Speegle, and Lynn Wages.

"Christmas in May" committee report was reported on by Dr. Norman Wallace. It was reported that there have been nine applicants who have applied for help through this program. There has been approximately \$1800.00 in pledges and cash so far. The committee will need approximately \$3500.00 to work with.

## Special Meeting Set For AARP Chapters

A special meeting of AARP Chapters from Eastland, Breckenridge and Cross Plains and representatives from Rising Star and Ranger, will be hosted by the Cisco Chapter of the American Association of Retired Persons on March 17, in the Senior Citizen Center. A catered luncheon will be served at 12:00. Cost per person is \$4.00. President Walter

Knowlden stressed that this special meeting will substitute for the regular Thursday evening meeting. He also urges all AARP members to attend as well as other persons interested in the AARP program. "I hope for a 100 per cent attendance," he said.

Reservations for the luncheon should be called in prior to March 16, at 442-2263, or to the Cartee residence 442-2024.

Guest speaker will be Patrick Luby of Dallas, AARP Area VII representative for five southwestern states. Also attending will be Bruce Long, Special Assistant to the State Director for North Texas, and Howard Clemmons of Granbury, Assistant State Director.

Discussion will center on state and national legislation affecting senior citizens, including the withholding tax on savings accounts and proposed revisions to Social Security.

This meeting is a follow-up on a meeting held at the Center on February 18, attended by presidents and members of area AARP Chapters when the subjects of the savings account tax and Social Security were discussed. About thirty persons attended that meeting. Roy Cartee was moderator.

Mr. Luby was in field operations for six years in Kansas City and was the national tax-aid coordinator in Washington, D.C. He holds a Master's degree in Gerontology from the University of North Carolina, and presently teaches a course in the Economics of Aging at the University of Texas Health Science Center in Dallas. Prior to affiliation with AARP, he served as a United States Army Officer with the 82nd Airborne Division and Vietnamese Rangers.

## Gun Club Will Meet Monday

Cisco Gun Club will meet Monday March 7, at 7:00 p.m. at the Range Club House. All members are urged to attend.

## Don Morrison Due In Cisco Tuesday At 7

Don Morrison, Post master and Bible teacher from Throckmorton, will be teaching at the First National Bank Community Room of Cisco on Tuesday, March 8, at 7 p.m. All interested persons are invited to attend.

## Little League Thanks City For Support

The Cisco Little League would like to say thanks to the City of Cisco for the support they have given the league in helping get the new park underway. Anyone who is interested in the Little League is encouraged to donate money or material or labor to this project. Thanks again to the "City"!

the club and the community in general.

1. Arrange good programs to make meetings interesting and productive.
2. Organize an effective development program and assign members to work on selected projects.

Gene Foster was a guest. Lion Jasper Cook presided in the absence of President Ivan Webb and Vice President C.B. Dill.

### Revival Services Set At East Cisco Baptist

Revival services will begin at East Cisco Baptist Church Sunday, March 6th. Bro. Fred Porter, pastor of First Baptist Church in Breckenridge, will be preaching.

The singing will be led by Bro. Shon Wagner who is Music Director at First Baptist Church in Ranger.

Noon services will be held each week day at 12:00 o'clock.

A covered dish lunch will be served each day. The evening services will begin at 7:00 p.m. Monday thru Saturday.

Everyone is invited to worship with them during these services. The nursery will be provided for all services.

### WORD of GOD

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.

But his delight is in the law of the Lord; and in his law doth he meditate day and night.

And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.

The ungodly are not so: but are like the chaff which the wind driveth away.

Therefore the ungodly shall not stand in the judgement, nor sinners in the congregation of the righteous.

For the Lord knoweth the way of the righteous: but the way of the ungodly shall perish.

*Psalms 1*

-macaroni/tomato beef, green peas, buttered new potatoes, fruit salad, bread, butter and drink.

Wednesday--swiss steak, spinach, buttered new potatoes, fruit salad, bread, butter and drink.

Friday--baked ham, potatoes, broccoli, waldrof salad, pineapple upside down cake, bread, butter and drink.

### Senior Citizens Nutrition Menu

Last week we started a series entitled "Lentils are protein-rich."

As far back as Biblical times, the Lentil was regarded with derision. Ezekiel, the Old Testament Prophet, was required to eat a penitential bread which contained the lowly lentil. The straits to which Esau was reduced, forcing him to sell his birthright, are underscored when it is realized that the "Mess of Pottage" received in exchange was made of lentils.

The enemies of these Biblical characters though they were causing trouble by giving "such a poor diet" when in fact they were helping the people who received such food. Although the lentil is a bland type of food, by itself, it is thoroughly at home in soups and salads, and makes a delightful addition to a wide variety of savory vegetable dishes and casseroles.

Next week we will explain how you might include lentils in your diet and be the winner!

The programs for the past week included: Janet Thomas, Nutrition Expert, discuss with the members "The sodium content of your food."; The Star-Brite Band from Rising Star performed for the Senior Center members, and Birthdays and anniversaries were honored.

The menus for the week are:

**Monday -**

### CHURCH SERVICES

**REDEEMER LUTHERAN CHURCH**  
Sunday School and Bible classes begin at 9:30 a.m. The Communion worship services begins at 10:30 a.m. Pastor Crockett's message, entitled "Afraid God Will Burn You?" is based on Exodus 3:1-8b, 10-15.

Problems in life can weigh people down. They loose

### Agape Class Of Calvary Meets Tuesday

The Agape Class, of Calvary Baptist Church, met Tuesday night in the home of Celia Shackelford.

They met to elect a class Treasurer and Outreach Chairman. Connie Clement was elected Treasurer and Laura Marshall was elected Outreach Chairman.

Wanda Nelms brought a very good devotional on I John 3:11-24, entitled "Love Shares Itself With Others."

Among those attending the meeting were: Laura Marshall, Celia Shackelford, Betty Trimble, Wanda Nelms, Connie Clement, Arlene Thompson, Alene Cotten, Kathy Harris, Joyce Lane.

### BIRTHDAYS

We salute the following Ciscoans who will observe birthdays during the week:

Top dog in walking shoes since before people knew what to call them.

**THE ORIGINAL WALKING SHOE.**

Before people knew what to call them, we made shoes with shock absorbing cushioned crepe soles. And totally supportive steel shanks. And Breathin' Brushed Pigskin™ uppers, to flex when a walking foot flexes. And we called them Hush Puppies™. And we priced them affordably. And we still do. We knew what you wanted all along.

# Tommy Claborn Shows Champion Sheep In Houston

Tommy Claborn, Cisco High School senior, attended the Houston Livestock Show and Rodeo last week and returned with the Champion and Reserve Champion titles in both ram and ewe divisions.

Assisted in his showings by Robert Gorr, a student of Cisco High School, Tommy swept the Class I Ram Lamb entry with the first and second place titles along with the Champion and Reserve Champion titles.

In the Class II division, a pair of Ram Lambs belonging to Tommy Claborn won first place. Tommy's pair of Ewe Lambs also won first place in their division of Class VII.

and Reserve Champion entries were in Class VI, Ewe Lambs. The two won first and second place as well. First place awards were also presented to Tommy Claborn for his entries in

Class VIII (Two-Tooth Ewe) and Class XI (Best pair of Sheep - Male and Female). Grant Robinson, Cisco FFA-Ag teacher, accompanied Tommy and Robert, who are both members of the

Cisco FFA, to the Houston show.

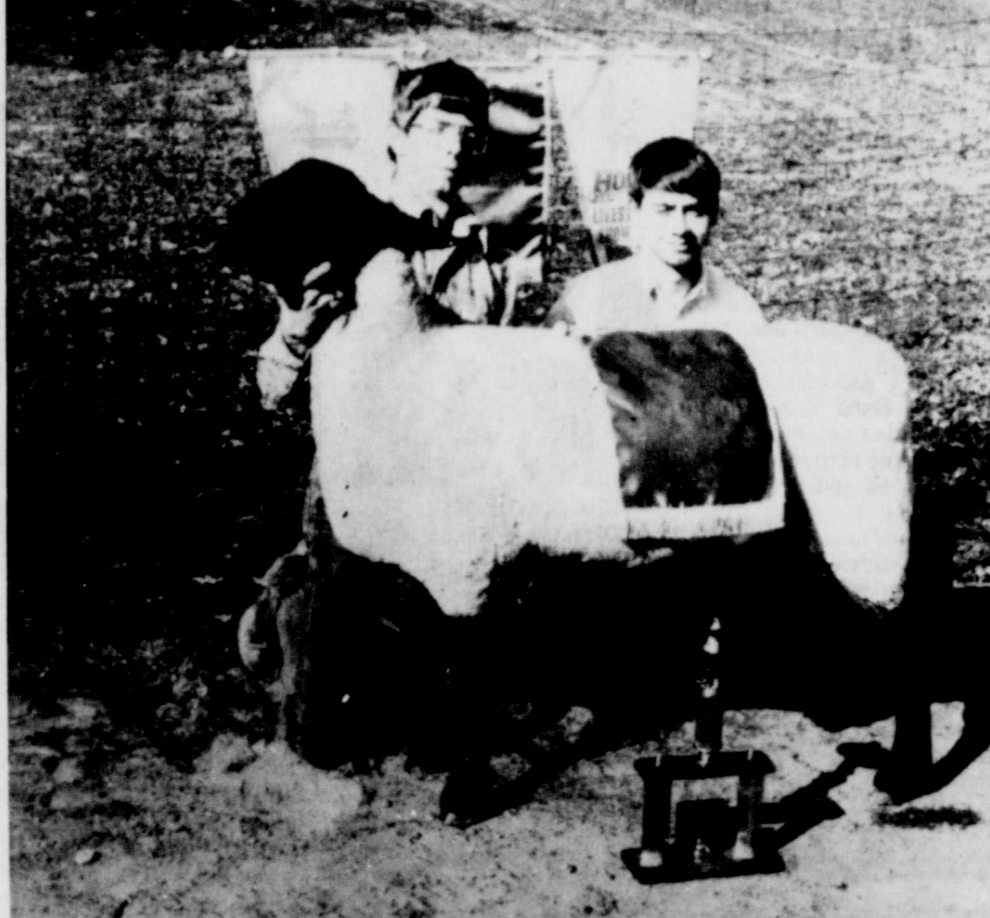

The Suffolk breed of sheep shown by the local youth were judged by Dr. Frank Craddock of Texas Tech.

CHAMPION RAM of Class I at the Houston breeding Sheep Show was exhibited by Tommy Claborn of Cisco. Tommy is shown here with his trophy-winning sheep. (staff photo)

RESERVE CHAMPION RAM of Class I also belongs to Tommy Claborn of Cisco. Tommy was assisted in his showings at the Houston Breeding Sheep Show by Robert Gorr of Cisco. Robert (left) and Tommy are shown with the 2nd place ram. (staff photo)

CHAMPION EWES of Class VI at the Houston Breeding Sheep Show is owned by Tommy Claborn of Cisco. Tommy and his assistant, Robert Gorr, are shown here with the prize-winning ewe. (staff photo)

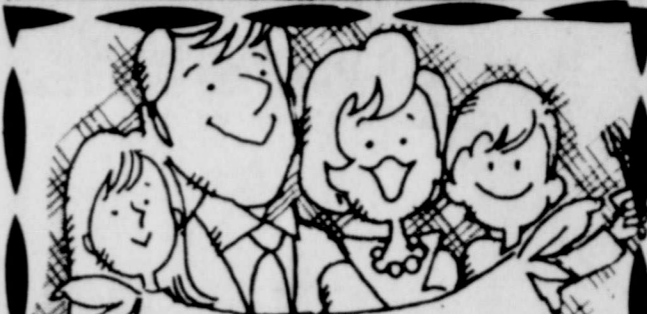

RESERVE CHAMPION Ewe of Class VI belongs to Tommy Claborn of Cisco. Robert Gorr, who assisted Tommy with his showings at the Houston Breeding Sheep Show, is shown with Tommy and the 2nd place ewe. (staff photo)

## Cisco Softball Assoc. Is Taking Applications

The Cisco Softball Association is now taking applications for summer teams. Any boy or girl, age 6 to 9, may play T-Ball and girls 10 to 12 and girls 13 to 19 may play fast pitch provided their application is turned into the Association. The Association will also have Guys and Dolls and individual adult slow pitch teams this summer. Applications may be picked up at a specified time and place to be given later in the newspaper.

Association is a non-profit aid organization which receives its only financial aid through projects executed by the youth. There are no individual fees paid by youth playing softball through the Association; therefore, many volunteers are needed to help maintain the summer fun-time for youth. Adults are needed, as usual, for coaching and other leadership duties. These people do not necessarily have to have children playing softball. More parent participation is encouraged in every aspect of this growing Association and everyone is cordially invited to meetings. The Cisco Girls Softball Association requests your presence at the next meeting to be held at the Chamber of Commerce, March 7, 1983 at 7 p.m. Applications for all age groups will be available at this time.

## Eastland Coach Resigns March 3rd

By Gary Shade

Eastland Maverick head coach Rodney Hess, who guided the Mavericks to their first ever state football championship this season, officially resigned as head coach and athletic director Thursday night at a specially called school board meeting.

Hess resigned so that he could take the same position at class AAA school Montgomery, Texas, just outside Houston.

The school board acted quickly in naming a replacement for Hess as Ronnie Hughes accepted the Eastland head coaching duties and athletic director.

Hughes in his third year at the school worked under Hess as an assistant coach. Hughes has been in coaching for 12 years and before moving to Eastland was head coach at Arp, Texas where he coached a young team, made up of mostly sophomores and juniors, to a 4-6 record.

Eastland High School Superintendent Ray Pruitt commented on Hess's resignation by saying, "He has done us an outstanding job. We hate to lose him but we do wish him the best in his new position."

The Eastland school board gave Hess a pay increase in January in an effort to keep

him in Eastland.

Hess has been in Eastland six years and since coming to Eastland has guided the Mavericks into the playoffs three of those years where they won the District title in 1980, Regional title in 1981 and the State title in 1982.

Since Hess came to Eastland the Mavericks have gone 43-25-2 and were 35-4-1 the last three years. Hess's career record is 104-62-4.

In his first year at Eastland Hess started a rebuilding program and guided the Mavericks to 2-8 season. The program dropped a bit the second year as the Mavs were 1-9 but improved in the third year to 5-4-1. The last three years are the years that Eastland fans will never forget as the Mavericks were 9-2 in 1980, good enough for the district title, 11-2 in 1981 and 15-0-1 in 1982 in which they won the state AA title.

Rod Hess commented on the past and on the future by saying, "I have really enjoyed the stay here and have appreciated the hospitality. The school board has been great to work for and I wish the school the best of luck in the years to come."

Hess went on to say, "It was an honor to work with these kids. They are an exceptional bunch of kids. I

first coached them in the 7th and 8th grade and watched them grow up. I just hope that I get the opportunity in Montgomery to work with another bunch of kids like we had here."

Commenting on Ronnie Hughes as his replacement Hess said, "Ronnie will do a super job. The kids will not notice that big a difference in the programs. He will have a lot of success and you couldn't hire an outsider to do as good of a job that he will do."

When asked what changes would be coming in the athletic program at Eastland Hughes said, "We have a good program here it's just a matter of keeping it going. Some of the changes that I would like to see that I also talked about with the school board Thursday night is re-organize the elementary PE program. I would like to get a good elementary program going. Some of our other needs, that the school board said we would get is, for a field house, since we don't have one now, and for some improvements on the tin gym on the hill. If its 30 degrees outside then its 20 inside or if its 90 degrees outside then its 110 inside. We just need some improvement on it where the boys can come and lift weights and work out a little easier."

Hughes also said that he

## Ranger Jaycees Set Consignment Auction

Consign Your Items Now!!

The Ranger Jaycees are planning a Consignment Auction for April 16, 1983. If you have items you wish to consign to the sale please contact the members of the Jaycees so they may advertise them. Or you can contact: Gentry Auction Co. TXS-123-0395, Rt. 3 Box 19, Ranger, Tx. 76470, Jackie D. Gentry 647-1308 or Johnny Graham at 647-1987 or Larry Herrington at 647-1483.

## Mrs. Coy Dial Donates Chair To Hospital

Mrs. Coy (Lou) Dial has donated an invalid chair to E.L. Graham Memorial Hospital as a token of appreciation for care rendered to her and her late husband.

would hope that the school board would get the projects going as soon as possible and said that he hoped that the field house would be ready to use before football season.

By having a new field house Hughes said that would give more room in the new gym for the 7th and 8th grade classes changing and storing equipment along with giving the other levels more room to work.

When asked if he would hire any new assistants Hughes said, "I am real happy with everyone on the staff. They have done a real good job and I will stick with them. We will have to hire one new man to make up the empty spot that Hess is creating."

Hughes also said that he would like to build to the already strong track program by hosting some track

meets on the Junior High level for next year.

By keeping a strong athletic program going Eastland fans may be seeing more and more winners in Eastland.

Among the regular 91st District Court cases last week was the case of Mrs. George E. Jenkins of Cisco on the charge of passing a worthless check.

Mrs. Jenkins was charged for passing a check for \$200 at a store in Cisco.

District court Judge Jim Wright heard the case and handed down the decision that the defendant make full restitution and was fined \$75.00 plus court cost and was assised the term of one year in the county jail.

Confinement in the county jail was probated for two years.

# A.C.U. Symphonic Band Will Present Concert Here

The Abilene Christian University Symphonic Band, under the direction of John Whitwell, will present the opening concert of its spring tour at Cisco Junior College at 8:15 p.m. in the Harrell Fine Arts Auditorium Wednesday, March 9.

The tour, which will take the band over West and Central Texas and Oklahoma, includes stops in Fort Worth, Edmond, Okla., Lawton, Okla., Oklahoma City and Wichita Falls, will conclude Sunday, March 13.

Under the direction of the ACU Department, the band is a part of the ACU tradition in music which is known throughout the country, and even internationally. Members of the ACU bands have been a part of several USO tours over the years.

The one-hour concert will feature "Colossus of Columbia," "Concerto for

Trumpet," "Boys of the Old Brigade," "Danza Final from Estancia," "Lincolnshire Posy," "Ye Banks and Braes O' Bonnie Doon," "Finale from Symphony No. 1," "Symphony for Band," "Marche Militaire Francaise," "Folk Dances," "The Liberty Bell," "Elisa's Procession to the Cathedral" and "Folk Song Suite."

Whitwell is in his second year as Director of Bands at ACU, after teaching for 16 years in the public schools of Michigan. He received the Bachelor of Music Education degree from ACU and the Master of Music Education degree from the University of Michigan.

He has served as conductor of the University of Michigan All-State program at the National Music Camp, the Michigan State University Youth Music Program,

and the University of Wisconsin Music Clinic. Whitwell was honored as the Michigan recipient of the A.R. MacAlister "Mac" Award in 1978 and the Michigan School Band and Orchestra Association's "Teacher of the Year" in 1979.

He maintains active memberships in the College Band Director's National Association, Texas Music Educator's Association, the American School Band Director's Association, the National Band Association and holds an honorary membership in the Michigan School Band and Orchestra Association.

His bands have performed at the Midwest Conference on Vocal and Instrumental Music in Ann Arbor, Mich., and the prestigious Mid-West Band and Orchestra Clinic in

## Local Girl Places 3rd In Abilene Contest

Two Abilene youngsters and a Breckenridge lad are the winners in the Oscar's Trash Can contest for free tickets to Sesame Street Live performances at Taylor County Coliseum.

J. T. Jarrell, the 5-year-old son of Mr. and Mrs. Julie Jarrell of Abilene, won the 3-5 age category; Brent High, 7, son of Mr. and Mrs. Joe High of Breckenridge, took the 6-8 group; and Jenny Ward, 9, daughter of Mr. and Mrs. Morris Ward of Abilene, won first place in the 9-10 age group.

The contest, which started in Sunday's Reporter-News,

drew more than 400 entries. The entry deadline was 5 p.m. Thursday, February 24, and winners were notified by telephone Friday, February 25.

Oscar's Trash Can contest, held in conjunction with National Newspapers in Education Week, asked participants to look through the newspaper for pictures of 10 items and paste them onto the trash can.

Second place was awarded to Jennifer Voogt, 8, daughter of Robyn Walker of Abilene; Laroy Saunders, 9, daughter of Mr. and Mrs. Roy Saunders of Abilene;

and Michael McGaughey, 4, son of Mr. and Mrs. Mark McGaughey of Knox City.

Earning third place were Donnie Dillard Jr., 4, son of Mr. and Mrs. Don Dillard of Cross Plains; Becky Elliott, 7, daughter of Mr. and Mrs. James Elliott of Cisco; and Jennifer Rose, 10, daughter of Mr. and Mrs. Joe Gonzales, 1609 Westmoreland.

## Lola Cozart Announces For School Board

As a candidate for Cisco Independent School District board of trustee place 1, I Lola Cozart make the following statement:

I am married to Roy Cozart a general contractor. We have 2 daughters, Shirley Gary and Colleen Brumley; 3 grandchildren, Toffie Shirley, Jeff McCoy and Will Brumley; also 2 step grandsons, Alan and David Gary. Everyone in my family except one 7 month grandson, is attending or has attended and graduated from one or more of the Cisco schools.

Within our society there lies the tradition of raising a family and educating our children. So they can become a good citizen and an employable person for the betterment of our great nation.

One thing we must be concerned with, do we provide the education our young people need? Is our educational process providing for our future? It is my concern as I hear good teachers are hard to find. Good teachers can be found. Athletic is certainly important, to have a healthy school environment, but we must look at education realistically. Let us provide a good education with an administration that will work with our teachers and the community. It is most important teachers feel comfortable so they may teach to the highest of their degree.

I ask any parent, teacher or employee of our school district to visit with me at their will. The community is responsible for education. Together as parents, board of trustee, administrator and teacher we can have a good school system in Cisco.

I hope you will consider me as you vote on April 2 for your school trustees. I will not be a follower but I am an individual listening to our community.

Lola Cozart

## Taking Offbeat Silhouettes

If you're looking for a creative way to add impact to your photos, consider silhouettes.

Sometimes it's funny how the human mind works. When I was much younger and playing at the task of becoming a great creative photographer, I decided to manufacture a silhouette photograph—a stark black subject against a perfectly white background.

I stretched a white sheet across an open doorway and placed a potted plant behind the sheet. Then I threw some photofloods on the plant, causing the plant's shadow to fall on the sheet, which I photographed from the opposite side of the doorway.

As I recall, it worked out pretty well. Looking back, though, I have to wonder why on earth I went to all that trouble.

Anyone can take effective silhouette photos. If you shoot an auto-exposure camera—whether disc, 110, instantprint, or 35 mm—you've probably taken quite a few, yourself. Whether or not you did so intentionally is another matter.

You see, whenever you aim a light meter at a fairly dark subject set against a substantially lighter background, the light in the background "fools" the meter into thinking the subject is well lit. It signals the camera to the necessary aperture for the exposure. The result: accidental silhouette.

Knowing this, you quickly grasp the method for eliminating accidental silhouettes. Simply set your adjustable camera's shutter speed to a slower-than-called-for speed (or open the aperture wider than suggested). If you're using a non-adjustable camera, simply flip on the flash for daylight fill. That, too, will defeat accidental silhouettes.

But how about those times when you come across a truly strong, graphic subject which would look well as a silhouette? Can you actually deliberately set out to take a silhouette photo? Well, you not only can, you should.

The possibilities for silhouette shots are nearly endless. Bathers in a strongly reflective mountain stream, volleyball players on a white sand beach, jagged tree limbs against a bright sky—all might adapt well to high-contrast silhouette shots.

But don't overlook some of the less obvious possibilities. One of my favorite pastimes is snooping in old, abandoned barns (with the owners' permission, of course). You'd be amazed at the number of silhouette opportunities I find there. I find windows, cracks in the roof, holes in the roof, skylights, barn doors, vents—all kinds of openings beyond which the bright outside waits. All I have to do then, of course, is "frame" an interesting subject against the opening.

The photo accompanying this column is a good illustration. I recently came across a barn window inside which hung several intriguing implements. It was a natural. But, after snooping a little closer, I saw a bit of sunlight spilling onto the windowsill and illuminating some additional objects. Not wanting to lose these highlights, I used a handheld incidental light meter to give me the right reading. The result: silhouetted hanging implements with properly exposed objects on the windowsill.

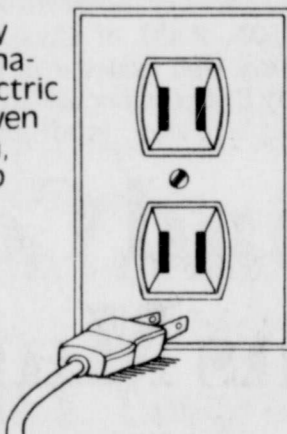

One word of caution when shooting against (or even through) old glass windows. They can be extremely dirty. That's part of their charm, of course. But, in the finished print, that dirt often shows up looking like UFOs—Unidentified Freaking Objectables. If you want to get rid of them, you'll either have to wash the window before shooting (okay, okay—so you don't do windows!) or else get handy with a brush and some touch-up spotter, like Spotone, Berg, or McDonald. That can be a lot of work, but the results may well justify the effort.

**WARNING:  
IF YOU THINK  
THE POWER IS OFF  
WHEN THE SWITCH IS OFF,  
YOU'RE WRONG.**

## KEEP AWAY FROM WATER.

Everyone knows that electricity and water are a dangerous combination. But did you know that an electric appliance is still electrically alive even if the switch is off? If the plug is in, the power is on. So when you keep appliances near water, keep them unplugged.

One drink is 12 oz. of 100 percent alcohol.  
SUREST POLICY IS... DON'T DRIVE AFTER DRINKING!

## Bonnie Hill Will Teach Artist Classes At C.J.C.

Cisco Junior College will offer art classes taught by Bonnie Erwin Hill, freelance artist from Austin. Beginning Art will be taught March 23, 24, 30 and 31. Intermediate Art I will be taught April 13, 14, 20, 21, 27 and 28. Intermediate Art II will be taught May 11, 12, 18,

19, 25 and 26. These classes will be held from 6:30 to 9:30 each of these nights in the Art room in the Fine Arts Building.

Bonnie is a graduate of Cisco Junior College and has studied art at the School of Fine Arts and Galleries with Charles Berkley Norman, at

the Laguna Gloria Museum and School with Gustav Likan and at the Instituto Allende in Guanajuato, Mexico. She has taken advantage of opportunities to learn from European artists and has made frequent visits and extended study trips into Mexico.

She owns and operates her own studio in Austin where she teaches classes and gives individual instructions. She conducts painting workshops both out of town and in various places around Austin.

In her classes, still life is a basic "must". It does not matter what subject is preferred, painting still life affords an excellent opportunity to study and analyze design, color and value essential to all types of painting.

Bonnie believes the best way to learn to paint is by painting. Printed materials will be handed out for reference, but studio time will be devoted to painting. Each Wednesday evening students will begin a painting and complete it on Thursday evening.

Tuition for the Beginning Art class will be \$40. Tuition for the Intermediate Art I and II classes will be \$60 each. Students will be required to buy their own supplies. A list of supplies will be given them when they register. Registration deadline for the Beginning Art class is March 21. To register or for more information, call Mrs. Watts at (817) 442-2567, extension 113.

Be sure to watch for Ms. Hill's workshop in Wildlife painting during the summer months.

(Paintings by Bonnie Hill)

(Paintings by Bonnie Hill)

## Twenty-Two Attend Emergency Course

Some 22 students attended an eight-hour Respiratory and Circulatory Emergencies course in the Corral Room of the Laguna Hotel Saturday, Feb. 26.

The students ranged in age from high school to senior citizens and were from Cross Plains, Eastland and Cisco, according to Roy Cartee and Louise Anderson, the certified instructors for the course.

Among the instructions offered in the course were how to administer a stoma, a device used to breathe through, adult CPR and infant CPR.

The course was sponsored by the Industrial Education Club of Cisco and a film on procedures was provided by Cisco Junior College.

"The course is free but the students have to pay for the

textbook," Cartee says. "We have people who are seeking recertification and some older people who have illness in their homes and want to know what to do in case of emergency."

There were four aids attending to help with demonstrations and show the correct techniques to the students as they attempted to pass the tests. Two visitors were also in attendance.

"We have one dummy which we use for demonstration and we borrowed two others from CJC and Ranger Junior College," Cartee adds.

The course is offered periodically throughout the year in order to train new students in CPR techniques and to help others be recertified.

## Pre-Testing Set For LVN Program March 15

Pre-testing for the Cisco Junior College August, 1983 Licensed Vocational Nursing program in Cisco will be held Tuesday, March 15 at 8:30 a.m. in the nursing classroom located in the Vocational I building.

Prospective students must be at least 17 years of age and must be in good physical and mental health. Students must be high school graduates or have successfully taken the GED examination establishing high school equivalency.

For full information, interested persons (male or female) may contact Gerald Birt, Vocational Dean or Wanda Wheatley, Program instructor at 442-2567.

## Scranton Holds Musical Saturday

Scranton's musical will be at 7:00 p.m. Saturday, March 5, at the Scranton Community Center.

Especially invited are all musicians. There will be a concession stand.

## Police Investigate Office Break-In

City police investigated a break-in last Tuesday night at Southern Television Antenna System offices on West 8th Street, Police Chief Randy Whittle reported Friday. Nothing was found to be missing, the chief said.

Police handled three misdemeanor theft cases, a shop-lifting case, and two cases involving criminal mischief, Mr. Whittle said.

WHERE YOU CAN TAKE IT OFF AND LEARN HOW TO KEEP IT OFF!

CofC Drive Nets 40 In Three Months

THOSE OF US who saw Mr. Jasper Cook on Abilene Channel 9 TV's Mid-Day with Kay show last Thursday noon are convinced that he is a real pro.

when it wasn't storming. They enjoyed visits in Palm Springs, Phoenix, Tucson, El Paso and points in between.

Mr. Cook, judge of the People's Court in Cisco, did a good job of advertising the variety show, the City of Cisco, and in doing something for Lionism as he showed slides and told about the summer camping program for crippled children.

GLAD TO HEAR that Mrs. Dovie Callaman is back home in Cisco after a stay in an Abilene hospital... W. E. (Dizzy) Dean of our town was in Temple last Wednesday for an eye checkup.

THE VARIETY SHOW should be interesting to watch from back of the curtain as well as out front. Our scouts report that C.B. (Runt) Dill and Marcus Ray, both Lions, will handle the pulling of the curtain.

MR. GERALD Winnett and Mr. Bruce Stovall, local oil men, report that the recent missionary trip they headed to Torreon, Mexico, was a good success.

Others helping behind the scene include Randy Speegle, Robert Dudley, Truman Kirk, Bruce Sellstrum, Walter Knowlden and Rick Whitley, who will handle the lights.

WHAT'S THE general reaction to the black beard that Mr. Bill Reynolds, local oil man, has been cultivating for the past six weeks?

FRIDAY, March 4, was the birthday of Dr. C.M. Cleveland, long-time good member of the Lions Club and one of our town's top citizens.

Guess they're getting a head start on the beard growing contest that is held at the annual spring Ranch Day at CJC.

Dr. and Mrs. Cleveland sincerely appreciate the many expressions of concern by their many friends.

A GOODLY CROWD of lady folks turned out last Wednesday noon for the monthly luncheon at the Cisco Country Club.

IT'S SPRING break time for our town's students. The folks at Cisco Junior College and the Cisco Public Schools will shut down all classes during the coming week.

The luncheon was catered by Patty Rodriguez... Dorothy Jones won high score at bridge, and Thelma Albright won the prize for low.

CLASSIFIED ADS PAY OFF!

Cisco Chamber of Commerce held its quarterly breakfast here Thursday morning at 7 a.m., in the Colony Restaurant.

Chamber president Robert Dudley called the meeting to order and George Brazell gave the invocation.

The money is to be used to establish a memorial to the late Chamber manager.

breakfast. She works with Senator Bob Glasgow in his district office located in Fort Worth.

NOTICE OF MEETING OF THE GOVERNING BODY OF CITY OF CISCO

Notice is hereby given that a regular meeting of the governing body of the City of Cisco will be held on the 8th day of March 1983, at 7:00 p.m., in the Council Chambers at which time the following subjects will be discussed, to wit:

ITEM I: Regular Meeting of February 22, 1983. OLD BUSINESS: ITEM I: Request of Mr. Luke Harrison to Address Council Concerning the Lake Bernie Grass Lease.

ITEM II: Consider Approval of Ordinance Regulating the Possession and Consumption of Alcoholic Beverages in the City of Cisco, Texas; Defining Terms; Providing a Penalty; Severability; and Declaring an Emergency.

ITEM III: Consider Approval of Ordinance Regulating Private Clubs in the City of Cisco, Texas; Providing for a Permit and Fee; Establishing an Effective Date and Applicability; Restricting Location; Establishing Hours of Operation; Establishing Unlawful Conduct; Procedure for Transferring Permit; Providing a Penalty; and Severability-1st Reading.

ITEM IV: Consider Approval of Ordinance Regulating and permitting Video Games and Other Coin Operation Games in the City of Cisco, Texas; Defining Terms; Providing for Exceptions; Establishing an Effective Date and Applicability; and Providing for a Penalty-1st Reading.

ITEM V: Discussion of Location of Spears Street in College Heights Addition.

ITEM VI: Presentation of Assignment of Ballots and Election Supplies. CITIZEN-COUNCIL DISCUSSION: I, the undersigned authority, do hereby certify that the above Notice of Meeting of the governing body of the City of Cisco is a true and correct copy of said Notice and that I posted said Notice on the bulletin board in the City Hall of Cisco, and said Notice was posted on March 4, 1983, at 10:00 a.m. o'clock and remained so posted continuously for at least three days immediately preceding the date of said meeting.

Dated this, the 4th day of March, 1983. City of Cisco By Ginger Johnson City Secretary

The new businesses which have joined are as follows: Bateas Builders; Big Country Real Estate; Joe Cooper, CPA; Dorothy's Sunshine Fabrics; Ensearch Exploration; Gilbert Texaco; E.L. Graham Memorial Hospital; Interiors Unlimited; Jack and Jill Day Care Center; Harold Reich Automotive; Songs and Psalms Bible Book Store; West Texas Disposal System, Inc.; Cisco Excon; Charles Preston; ARA Service Inc.; Patterson Ambulance Service; and Archie Chalmers.

Individual memberships were recently issued to Wylie Cox, Bobby Fink, E.L. Jackson, Willard Johnson, Truman Kirk, Mrs. R.W. Merket, Mr. and Mrs. Homer Nix, Mr. and Mrs. Willis Parker, John Scott, Bruce Smith, Mr. and Mrs. John R. Smith, Charlotte Speegle, Letha Stafford, Mr. and Mrs. Milo Steffen, Elizabeth Webb, Deane Kingsbury, Ace Prescott, Mr. and Mrs. O.M. Speegle, Lynn Wages and C.W. Henry.

CofC President Dudley explained the "Christmas in May" project being sponsored by the Chamber and stated that money, materials and time are needed by donations. He said the project needs an approximate total of \$3500. Only \$1800 has been given in pledges or funds so far. He urged everyone to give their donations as soon as possible.

The "Christmas in May" project has nine applicants for the renovation of their homes. The project picks out a needy or disabled older person who needs some work done on their home and Chamber volunteers do the work at no charge to the recipient.

Mr. Dudley also reminded everyone that more contributions are needed in the Gene Abbott Memorial fund.

Dear Editor: I am impressed with our new State Representative Jim Parker's efforts to deep us, the constituents, well informed of pending legislation in our state government.

Like the weather, every one cusses the government but no one does anything about it. We expect government to do something about government. That will never happen, the people will have to do something about government. Telling our friends what we think doesn't do any good-they already know what we think, and they don't have governments ear anymore than we do, but our elected representatives do. They are our voice, our only voice in government.

Several years ago, a U.S. Senator from Colorado was addressing an audience, and his topic was the importance of constituents informing their elected officials of their opinions. He went through all the standard excuses people use for not writing and negated them one by one.

Our elected officials are far more aware of the power of our vote than we are. They want to please us against the day of reckoning at the ballot boxes, but how can they

please us, if we do not tell them what we think? Sincerely, Mrs. Bernice Prescott

Sheriff's Sale Held Tuesday In Eastland

Cisco City Manager Mike Moore stated Wednesday that a Sheriff's Sale was held Tuesday afternoon at the courthouse in Eastland to auction off three parcels of land in Cisco.

The amount of taxes owed determined the lowest bid to be accepted. Due to the amount of taxes owed, none of the properties sold. The ownership of these properties now reverts back to the taxing entities which have taxes against them: City of Cisco, Cisco School Board and County.

City manager Mike Moore stated this Sheriff's sale was the first in a planned series to collect back-taxes owed on abandoned property in Cisco.

Chief Whittle listed some of the changes he has made in the department as follows: Creating a Criminal Investigation Division and

# County Lifestyle

SUNDAY, MARCH 6, 1983

## Women's Clubs Attend Texas Day Tea

The City Federation of Women's Clubs of Cisco met at a Texas Day Tea on the afternoon of March 3 in the First Baptist Church, Cisco. Mrs. Arlin Bint, President of the City Federation, greeted Presidents and members of the six City Clubs composing the group.

These included: The Cisco Music Club, Mrs. J.C. Dyer, President, Cisco Garden Club, Mrs. Charles Davis, President, First Industrial Arts Club, Mrs. Stanley Pirtle, President, The Delta Kappa Gamma Society International, Mrs. Joe Sparks, President, The Lake Cisco Extension Homemaker's Club, Mrs. Ray Judia, President, and

the Twentieth Century Club, Mrs. M.D. Allison, President.

The Fellowship Room of the Church was beautifully decorated by Mrs. Lloyd London with arrangements of pink camellias and tulip tree blossoms.

The program was opened by President Mrs. Arlin Bint, who gave a brief sketch of Texas history and the reasons for this commemoration.

A violin solo by Mrs. Ben Krauskopf of Cisco Music Club followed. Ruth Powell was accompanist on the piano.

Wesley Valek, History Instructor at Cisco Junior College, then spoke on the topic

"The Writing and Preserving of Family Histories" Mr. Valek brought along an old "Soup Line Cup", an object which began his own interest in history.

This red and white enamel cup, which is actually the size of a small bowl, belonged to his Grandmother Valek. It was issued to her when she boarded a ship to immigrate from Europe (Moravia) many years ago. His family was about to throw the cup into a junk heap when he rescued it.

"Once I started asking questions I couldn't stop," he said.

"Too many people think their histories are not important. But the history of our nation is actually a history of families."

Valek encouraged each person to write their own history for their families, and to never discard any material or artifact with family significance.

He emphasized that photographs, especially, should be identified. He spoke of his difficulties in trying to identify photographs in his own family collection.

In his talk Valek included data about a number of sources which have information useful for family histories. He also brought

along samples of material concerning family histories and genealogies. He offered help to persons interested in this type of project.

At this time Valek, along with his other work, is researching the history of German settlers in the Cisco area.

## Rev. And Mrs. Killion Feted On Their 50th Anniversary

After a large "Open House" celebration on Feb. 27 for their Fiftieth Wedding Anniversary, Rev. and Mrs. O.T. Killion of Eastland assumed that the special events were over. They planned to have a quiet dinner at home on the evening of the actual date of the Anniversary - March 3.

Then an invitation from Ruth and Roy Cartee took them over to the Colony Restaurant in Cisco on the evening of March 3. As they walked in they expected to see the Cartees sitting at a table arranged for four.

Instead they found two long tables arranged for dinner, and about 28 Senior Citizens of the Cisco area waiting for them. These friends greeted the Killions with singing: "Happy An-

niversary To You!" The rest of the evening was spent enjoying good food and fellowship. Attending the event were: Eddie and Anna Dytzel, Billie Wood, Roy and Arvella Speegle, Oren Speegle, W.C. and Thelma Tickner, Marguerite and Tom King, Bea Chick,

Chief Bender, Ruby Dunlap, Vernon Hagar, Johnnie Jeffcoat, Leora Bean, Ima Thompson, Velma Joiner, Bill McCoy, Annie Rendall, Annie Sublett, Jo Phillips, Mildred Johnston, Dero Rains, Roy and Ruth Cartee, and the honorees, the Killions.

## First Annual Robert E. Howard Memorial Writing Contest

The Robert E. Howard Memorial Writing Awards program is a writing contest which is being administered by Ranger Junior College and the Ranger Creative Writing Club under the sponsorship of Mrs. Alla Ray Morris in memory of Robert E. Howard.

This contest will consist of two categories of writing—poetry and the short story. There will be three divisions for participants. 1) people residing in the Ranger, Cisco, Eastland area. 2)

Students at Ranger Junior College and, 3) Students at Ranger High School. Participants may enter in both the short story and poetry categories.

Prizes will be \$50 for the first place entry in both the categories for each division. All entries must be typed and submitted by April 1. For more information, contact Dr. Donna Walker at 647-3234 or 647-1650 or Dean Leonard Marusak at 647-3234 or 647-1891.

MR. & MRS. VICTOR CORNELIUS

## Celebrating 60th Anniversary Sunday

Inez and Victor Cornelius of Eastland, who married March 3, 1923, will celebrate their 60th wedding anniversary this Sunday, March 6, at an informal open house for relatives and close friends.

Hosting the party, which will be in their home at 1906 Blair Drive, will be their daughters, LaVerne Meek of Fort Worth and Catherine Germany and her husband, Jack, of Eastland.

Long-time Eastland residents, the couple met in school in 1922. Mrs. Cornelius, who before her marriage was Inez Pettit, grew up in Kosciusko, Miss., moving to Eastland in 1921. The couple was married at the Baptist parsonage in Anson.

For several years Cornelius's sign painting business took the couple to live in other cities—Abilene, Lubbock, and Corpus Christi, but in 1926 they returned to Eastland where Cornelius has been in business ever since. With a patent on an advertising idea, he began a theatrical printing company in 1936. After buying a menu printing company in 1958, he later added his own patented

"Rediclips" and in 1977 developed a laminated nursing home tray card. All products are used nationally.

Cornelius served Eastland as mayor in the early 1940's, and his interest in civic affairs has continued through the years. In 1978 he and his wife provided new enameled street signs for the entire town.

The Corneliuses have five grandchildren and one great grandchild. They are Jeff Germany of Denver, Colo., Cary Meeks of Carlsbad, N. Mex., Chris Meeks of New Orleans, La., Lisa Germany of Austin and T'resa Meeks of Fort Worth. The two young women will be in Eastland for the celebration.

Among the other out-of-town guests in Eastland for the special occasion will be Mrs. Cornelius's sisters, Mrs. I.E. Thorpe of Irving and Mrs. Boyd Meeks of Slaton; her brother, C.W. Pettit of Lawton, Okla., and their sister-in-law, Mrs. A.B. Cornelius of Graham.

Other Eastland relatives are Cornelius's sister, Mrs. Florine Miller, and their sister-in-law, Mrs. C.C. Cornelius.

## Abilene Artist To Have Art Show In Eastland

Abilene artists, Donna Jay, will hold a solo art show of her oil paintings during the month of March. She is the wife of Bill Jay, Vice President of Teller 24, First State Bank of Abilene. They have two children both married, Phala of Arlington and Kelly of Abilene.

Donna has been painting off and on for the past ten

years, but has only been able to take serious instructions for part of that time. She prefers landscapes and animals for subjects but also does still life.

Donna's paintings will be on display during the month of March. Be sure and come by the Chamber of Commerce office and see this display.

**ATTENTION**  
The Health Spa at 309 W. Main in Ranger, now has day classes (ladies only) for Jazzercise beginners. Classes will be held from 9:30 a.m. to 12:30 p.m. Mon., Tues., Thurs. and Fri. ## ROOFING THAT WON'T GIVE IN TO THE ELEMENTS THAT DESTROY METAL.

Even under the worst barnyard conditions, including acid rain and animal urine, Onduline roofing can't rust or corrode.

It's manufactured from organic fibers, corrugated for extra strength, and then totally impregnated with asphalt, one of nature's best preservatives.

So while destructive chemical reactions slowly gnaw away at even the most expensive metal roofing and siding, Onduline simply does its job. Protecting your animals, your buildings, your equipment, and your investment year after year.

## Gordon Spot

County Extension Agent

DeMarquis Gordon

It's time to spray fruit trees if you want fruit free of worms this year. Peach, plum and apricot trees should be sprayed at pink bud stage and again when 75% of the petals have fallen.

The spray should contain an insecticide to control insects and a fungicide to control diseases. The suggested insecticides are Topsis M, Malathion, Sevin, & Zolone. The recommended fungicides include Captan, wettable sulfur and Benomyl. Follow the directions on the amount of chemicals to add per gallon of water. Some fruit tree sprays have a mixture of insecticide and fungicide.

Repeat this spray 10 to 14 days after petal fall and again 10 to 14 days after the second spray. It may be necessary to apply as many as 5 applications at 10 to 14 day intervals except on early maturing varieties. Do not apply insecticides within three days of harvesting plums or within seven days of harvesting peaches.

We have Home-owners fruit and nut spray schedules in the Extension office to give you more information on fruit tree spraying.

At this time of the year, lawns need a boost to get

them in shape for the growing season, which is just around the corner.

Scalping a lawn in late winter serves to revitalize it and promote spring and summer plant growth. Begin this operation by lowering the blade of your lawnmower one-half inch below the normal setting. Then, mow the lawn in two directions that are at right angles to each other and remove the clippings after each mowing.

To keep crabgrass, grassbur and other unsightly weeds from appearing, apply a pre-emergence herbicide (weed killer) in early part of March. The pre-emergence herbicides will only control annual grass and weeds - those that come up from seeds each year. Dacthal (DCPA) and Balan (Benfen) are examples of commonly used pre-emergence herbicides. When applied properly, these chemicals form a barrier in the soil that will prevent the germination of any seed. This barrier must be in place before the weed seed begins to germinate in order to get control.

The chemical barrier formed by the herbicide usually lasts from 60 to 120 days, depending on the soil and environmental condi-

## Time To Spray Fruit Trees

tions. Since some weeds may continue to germinate through spring and early summer, it may be necessary to make a second application in early summer to get season-long control.

Any lawn maintenance operation that stirs the soil

such as dethatching and aerification may cause the chemical barrier to be broken and allow weeds to germinate. For that reason, it may be well to plan these operations before the pre-emergence herbicide is applied.

Combinations of herbicides with fertilizers are available and convenient to use, but should only be used according to instructions on the label. If you apply herbicides and fertilizer separately, wait until April to apply the fertilizer.

## 700 Drumsticks Expected At County Livestock Show March 16-18

Look for 700 drumsticks at the Eastland County Livestock Show which is scheduled to unfold March 16, 17 and 18, County Extension Agent De Gordon reports.

In what is expected to be the biggest and best show ever, entries are already at record highs, he said, with 603 already registered compared to 517 last year. One of the biggest increases is in the area of broiler competition, a recent addition to livestock lineup. Last year there were 18 pens of five chickens each; there's to be 70 pens of five this year.

Beef, of course, will be among the top draws, with an annual county revenue of \$18.6 million in beef production, according to Gordon.

Agent Gordon has been giving a Texas Agricultural Products slide feature showing the importance of Texas beef, and explained that an

extra judging day has been added to county stock show so that judging can be at times more advantageous to the public.

Gordon gave the program Tuesday for the Eastland

Lions Club when New Member Phil Dalgleigh was installed as a new member, with Terry Edwards as sponsor. Don Bradshaw, president, and Emory Walton has the program next week.

## Peanut Production Will Be Program Topic In Carbon

Peanut production in 1983 is will be the topic of a program for growers Tuesday night, March 8. The Extension Service sponsored program will be in the Carbon School Cafeteria and will begin at 7:30 p.m.

County Extension Agent, DeMarquis Gordon, says the program is planned to help growers reap maximum profits from their 1983 peanut crop.

Four Extension Service Specialists will discuss peanut production recommendations. Dr. Ashley Lovell, Extension Economist-Management, will discuss management and peanut budgets. Dr. George Alston, Agronomist, will speak of the subjects of soil fertility, varieties and weed control. Dr. Chip Lee, Plant Pathologist, will talk

about recommendations for disease control. The fourth speaker will be Dr. Jesse Cocke, Entomologist, who will discuss the latest insect control recommendations.

Peanut growers from throughout Eastland County are encouraged to attend this meeting.

## News Brief

State Rep. Jim Parker has joined in supporting the Veterans Housing Assistance Program up before the legislature, according to the Texas Land Commissioner Garry Mauro, which will permit \$20,000 loans to vets for a home in rural or urban area. A constitutional amendment will be required.

## Auction's Best

by Fred Tucker

### IT ALL ADDS UP

The auction action is often quite exciting. Bids are made and items are sold at a rate that sometimes sees an average of 75 to 100 sales per hour.

We're interested in giving you a snappy auction so the bidders will stay interested until the last item is sold.

Properly handling the business transactions on auction day is a real big job. But, our auction clerks are professionals at handling the business end of an auction and you'll appreciate our fine auction accounting system.

Every transaction is recorded in detail by identifying the article, recording the price it brings and identifying the buyer. Receipts for each purchase are given to the buyers. And the seller gets a complete accounting for every transaction that balances with the total gross.

Our auction accounting system meets the approval of Courts of law, attorneys, bank trust departments and you will like it, too. It's another reason that people say "when it comes to buying or selling AUCTION'S BEST."

### Julia Worthy

Yes, Virginia, there is a Santa Claus.

This is not really a Christmas story, but that's when it began for the staff of the four newspapers published by H.V. O'Brien.

Santa and his elves—otherwise known as H.V. and his work force—were so busy printing everyone else's letters to jolly old St. Nick and recognizing special celebrations that they never did get to have their own party. Not at Christmas, that is.

However, Santa and Mrs. Santa, who also answer to "H.V. and Gay Nell," had a Christmas party Monday night at The Pizza House in Eastland.

If it isn't common knowledge that any worker is no better than the family backing him, it ought to be. Certainly, the O'Briens think this is true, for the families were very much in evidence.

This may be the proper place to reassure any of you who may be fretting about the world going to the dogs: It isn't.

The youngsters who came with their elders were enough in number for me to predict Terra Firma will be orbiting about as usual in another fifty years.

These children are well-grounded in the magic words, "please" and "thank you." They did not run, poke, nor shove, and I heard no shrieks nor whines. I'm sure a parental word was dropped now and then since the party was not a gathering of angels, but the point is that the word was dropped, and furthermore, it was heeded. Bravo!

The children may have been reflecting their parents' own reflection of the examples they find in their employers.

There was a brief devotional.

The evening was not restricted to only an "office party" tag.

Wanda and Herrel Hallmark had recent birthdays, and a huge birthday cake served as a dessert

## Pizza House Party

after the pizzas. Many happy returns to the happy couple with the happy children.

Viola Payne brought along her Germunder violin, a favorite of several violins she plays. Viola also introduced Tim Webb, guitarist and vocalist. A number of musical selections entertained the diners—out, and Rose Webb and Charlotte Bailey, Tim's mother and sister from Strawn, lent their vocal talents to the musicians. Tim, Sherrie and their children live in Carbon.

Monday nights at The Pizza House usually don't see that many people having a good time, so we are very much in favor of any having a Christmas party whenever wanted. We might suggest St. Patrick's Day is coming up, followed closely by

Easter, San Jacinto Day is in April. May Day is an international holiday; then there's Mother's Day and Memorial Day in May...and someone is sure to graduate. June has Father's Day—well, we could just party all year...especially, on Mondays. This would do a lot for "blue Monday."

It is my opinion that this party should have been reported as a news story, but it is also my opinion that H.V. would balk at that. Maybe he'll be lenient with my column—Julia, as well as Virginia—will find out if there really is a Santa Claus!

ED. NOTE: The Pizza House is a good place to have a get-together. The food is good and the management cordial.)

## Keith To Speak At Buckaroo Homecoming

From all indications a lot of Breckenridge High School

exes will be in Breckenridge for the Buckaroo Homecoming March 12. That's the word from Ron Payne, president of the Breckenridge Ex-Students Association.

"We have had good response from ex-students who now live away from Breckenridge," Payne said.

Registration will take place in the high school building from noon-2:30 p.m. March 12. An assembly will be held in the new Bailey Auditorium at 2:30 p.m., followed by a hospitality hour at the Elks Lodge from 4:30-6:30 p.m. A dance featuring the group "Sage" is scheduled from 7:30 p.m.-1:30 a.m. at the Elks Lodge.

Speaker for the afternoon assembly will be R. Drake Keith, a 1953 graduate of BHS

## H & R BLOCK FEES UNDER \$50.00

H & R Block fights inflation. Again this year, short form 1040EZ prices are starting at only \$7.50, which includes the full Block guarantee. In addition the 1040A form will be instantly processed, so you will only have one visit to H & R Block. All you will need to do is sign and mail it to get your refund.

Block has never charged on the basis of income or the size of the refund, but solely upon the return's complexity. THE AVERAGE CHARGE last year for all returns in this area was less than \$40.00.

Skilled preparers conduct personal interviews to be certain that every legal deduction to which the customer is entitled will be uncovered. Often taxpayers are short changed when they simply file the

form they received in the mail from the government.

All types of tax returns are done by H & R Block. This includes the Federal 1040A, 1040 state returns, complex corporations and foreign tax income and preparation.

H & R Block has 2 conveniently located offices to serve you. Call today, appointment available.

## Friends Begin Fund For Mrs. Seago

Friends of Eastland County Native Mrs. Dale (Cynthia Harbin) Seago, who underwent open-heart surgery recently, have started a fund to help her family with the medical expenses.

Mrs. Seago, daughter of Ray and Faye Harbin of Eastland, graduated from Eastland High School in 1972 and the classmates of that year have been especially challenged to help in this project.

Her husband, Dale Seago, is a former member of the Eastland Police Dept., and is presently with the Midland Police Dept. where the family moved a few years ago.

They have one daughter, Traci, 4.

Mrs. Seago was taken from ICU to a room Monday and is reportedly in satisfactory condition. Her address is Methodist Hospital, 6565 Fannin St., Houston, TX 77030.

Persons wishing to contribute to the fund may do so at Eastland National Bank where Mrs. Sharon Arther is serving as secretary. Checks could be mailed to Mrs. Arther in care of the bank.

Mrs. Seago's parents are well-known throughout the county. Her mother operates the bus station in Eastland and her father runs the Foremost milk route.

## Olney Savings Announce New Branch

OLNEY—Alan D. Myers, Jr., chief executive officer and president of Olney Savings Association announced today that United Savings of Houston and Olney Savings have entered into an agreement for Olney Savings to acquire United Savings' Holiday branch office, located at 129 W. Olive.

This action is subject to approval of state authorities. It should be completed around April 1, 1983.

Myers commented, "We are excited and proud to be able to serve the people in Holiday, and we are ready to our part to help the entire community."

Olney Savings is a \$500 plus million state chartered savings and loan association with branch offices in Olney, Seymour, Jacksboro,

## Revelations Seminar To Begin March 7

A Seminar on the Book of Revelation will begin at 7:30 p.m. Monday, Mar. 7, in the Petroleum Building in Eastland. The Building is located on the corner of Seaman and Commerce Sts.

This Study Course, which has received favorable attention in other towns of the area, is sponsored by the Seventh-day Adventist Church. Virgil Prindle of Ranger will lead out with the local Study.

The Seminar, with its in-depth look at the Book of Revelation, will be held three nights per week, Monday, Wednesday and Friday, for eight weeks. The Study will last about one hour each evening.

Participants will receive Bibles and other materials used in the Study. There will be no charge for any part of the Seminar.

"The purpose of the Course is to encourage Bible Study, and especially to inspire people to know the Book of Revelation," states Prindle. "This Book has a special message for the times in which we live."

"A number of local people have already registered for this course, in response to announcements which were mailed out. We have room for some more."

"An interested person may register by calling Ph. No. 442-3186, or No. 629-2719 evenings. All are welcome."

**Immunizations Thursday**

## EnRe Completes Good Producers In DRS Field

EnRe Corp. of San Antonio completed two of the best new producers, both located in the Southeast D.R.S. Field 10 miles northwest of Cisco.

The wells are designated as the No. 5 and No. 6 Mitcham Estate. They showed potential to yield 111 and 82 barrels of oil per day, respectively. Additionally, they indicated ability to make 216,000 and 162,000 CFD casinghead gas.

Locations are in a 640-acre lease in Eastland County's SPRR Survey, Section 493.

The No. 5 well went to 3,972-ft. bottom and will produce from perforations 3,824 to 3,840 feet into the wellbore. The No. 6 bottomed at 3,990 and will produce from perforations 3,865 to 3,877 feet. Both production intervals are in a conglomerate rock structure.

Amarillo-based Piper Energy fished the No. 1 Martin four miles south of Carbon. It pumped 150 barrels of oil and 420,000 CFD gas on open choke.

Location is in a 40-acre unit in G.W. Robinson Survey, Section 34. The developmental well went to 2,901-ft. bottomhole. It will produce from a perforated interval 2,622 to 2,708 feet into the hole.

Flowing 99 barrels of oil per day on a 14/64 choke, the No. 2 Pitts-Murdock has been completed in the Kleiner Field one mile north

west of Cisco. With tubing pressure coming in at 215 PSI, the well also potentialized at 128,000 CF casinghead gas daily.

Hanvey Production Co. of Dallas is the operator.

Hanvey took the hole to total depth of 4,099. It will produce from perforations in the Lake Sand, 3,506 to 3,514 feet into the wellbore. Drillsite was in an 80-acre drilling unit in the A.C. Stephens Survey, NW/4.

Four new producers have been fished in Eastland County's Hawk Eye Field by A-B Production Co. of Arlington. The wells are designated as the Nos. 1 through 4 Tarver "B".

Location is in a 160-acre unit in Sec. 76 Block 3 of the H&TCRR Survey, nine miles northwest of Rising Star. Bottomholes ranged between 1,170 to 1,200 feet. Production intervals ranged between 1,116 to 1,132 feet.

The No. 1 and No. 2 wells made 40 BOPD apiece, while the No. 5 and 6 potentialized at 18 BOPD each, all pumping on open choke.

Eastland-based Regal Operating fished the No. 8-A Shook in the Midkiff Field, showing ability to pump 35 BOPD on open choke. Drillsite was in a 160-acre unit in the H&TCRR Survey Sec. 56 Blk. 3, 10 miles south of Cisco.

Regal took the hole to 1,130-ft. bottom and perforated the Adams Branch Formation for production 1,068 to 1,076 feet into the hole.

The Eastland company also has filed for permits to drill four more 1,200-ft. wells in the Midkiff Field. The wells are designated as the Nos. 8-A, 9-A, 10-A and 11-A Johnson. The location is in a 240-acre lease in the Mary Ann Clark Survey A-51, 10 miles south of Cisco.

Operating out of Rising Star, Southeastern

Resources Corp. has filed initial production data for a new producer in Eastland County's JMJ Field, five miles northwest of Eastland.

Pumping on open choke, the well showed ability to yield 25 barrels of oil daily, plus 500,000 CFD casinghead gas.

The well is in a 640-acre lease block in the H&TCRR Survey No. 32 Block 4, five miles northwest of Eastland. It bottomed at 4,001 feet and will have a production interval in the Marble Falls Formation, 3,430 to 3,477 feet into the wellbore.

The new oilers have been brought on line in the Midkiff Field by Forum Energy Inc. of Abilene. Designated as the No. 1 and No. 2 A.H. Johnson, the wells showed ability to make 33 and 22 barrels of oil per day, respectively.

The operation is in a 45-acre lease in the Mary Ann Clark Survey A-51, two miles southwest of Romney. The No. 1 well has total depth of 1,233 feet and will produce from Adams Branch perforations 1,164 to 1,178 feet into the hole. The No. 2 bottomed at 1,256. It will produce from perforations 1,180 to 1,194 feet.

Dallas Energy Development Corp. has successfully completed two new producers in wildcat territory. The Eastland County explorers are designated as the No. 2 and No. 3 St. Johns, with drillsites 10 miles south of Cisco.

Pumping on a 16/64 choke, the No. 2 well indicated potential for 21 barrels of oil and 101,000 CFD casinghead gas per day. The No. 3 came in at 23 BOPD and 110,000 CFD on a 14/64 choke.

The operation is in a 191-acre lease block in the Mary Ann Clark Survey A-51.

Eastland-based Starr Operating Inc. has driven stake for an Eastland County

wildcat for oil eight miles south of Cisco. The explorer well will be known as the No. 1 D.D. Jackson "30". It will be located in an 80-acre unit in the H&TCRR survey, Section 99 Block 3. Projected total depth is 1,500 feet.

A 2,000-ft. Eastland County wildcat re-entry operation is scheduled by Sun-Key Oil Inc. of Dublin nine miles northeast of Desdemona. It is the No. A-1 Frank. Location is in the J.W. Johnson Survey A-332 where Sun-Key has 160-acres in a unit.

Operating out of Fort Worth, Trumpler Petroleum Corp. has filed for permit to drill a 4,000-ft. wildcat for oil or gas four miles southeast of the Ranger city limits. The explorer well is designated as the No. 2 Robinson. It is in a 100-acre lease in the Eastland County's S.B. Evans Survey A-86.

A pair of Eastland County wildcats are scheduled by Snow Oil Co. of Fort Worth, both situated four miles east of the Ranger city limits. The wells will be known as the No. A-1 Elma Wood and the No. A-1 Claborn. Both carry permit for 2,000 feet of hole making. Each of the wells is in a 40-acre drilling unit in the H&TCRR Survey Sec. 25 Blk. 3.

Location has been staked for an Eastland County wildcat three miles north of Carbon, with Clymer-Schaaf-Barnett of Wichita Falls as operator. The explorer well will be known as the No. 1 Kidd "B". Drillsite will be in a 10-acre lease in the H&TCRR Survey Sec. 41 Blk. 2. Projected total depth is 1,900 feet.

Sun Exploration of Abilene has staked drillsites for five new wells in the North-Central Ranger Unit in the Eastland Regular Field, four miles west of Ranger. Three of the wells are water injection probes, while the other two are aimed at oil production.

Sun has 3,370 acres under lease, with drillsites in the Mary Fury and John York Surveys. Total drilling depths will range between 3,690 and 3,725 feet.

The same operator has filed for permit to drill one oil and one water injection well

in the Ranger-McCleskey Unit of the Ranger Field, three miles west of Ranger. There are 1,362 acres in this operation. Projected total depths are 3,725 for both wells. Drillsites will be in Eastland County's W.H. Ahrenbeck and Brothers Survey.

At a location seven miles southeast of Eastland, Caraway Operating of San Angelo has driven stake for the No. 2 and No. 3 "A" R.O. Duncan in the Eastland Regular Field. Both carry permit for 1,700 feet of hole. The locations are in a 100-acre lease in the H&TCRR Survey Sec. 10 Blk. 2.

Eugene A. Roberts Jr. of San Angelo has filed for permit to drill a shallow developmental well in the Eastland Regular Field five miles west of Cisco and a quarter mile east of the Callahan County line. It is the No. 1 Weldon Isehower. Drillsite is in a 223-acre lease in the GCSFRR Survey Section 4. Projected total depth is 600 feet.

Welcome Well Service and Boykin Brothers of Coahoma have teamed up to stake drillsite for the No. 4 Reagan Estate, a 3,900-ft. developmental venture in the Eastland Regular Field. Location is in a 120-acre lease in the H&TCRR Survey Sec. 38 Blk. 4, nine miles northwest of Eastland.

Location has been staked for the No. 24 G.P. Brawner in Eastland County's Waldrop Field, three miles northwest of Rising Star. The well is situated for total depth of 1,150 feet. It is in a 240-acre lease block in Eastland County's ETRR Survey Sec. 25 Blk. 3. Dallas-based Petro-Mack Inc. is the operator.

Flowing 40 barrels of oil per day on a quarter-inch choke - plus 425,000 CF casinghead gas - the No. 1-A Emfinger has been completed in Stephens County's L.C. Clevinger Field by Centennial Petroleum of Longview.

Flowing tubing pressure stood at 910 PSI. The hole bottomed at 3,950 feet. The production interval will be a set of perforations in the Ranger Formation, 3,720 to 3,724 feet into the hole.

Location is in a 151-acre lease, T&NORR Survey.

W.J. Whitt of Moran has posted first production figures for the No. 1 Holland Boney in the Northwest Ranger Field, seven miles north of Ranger.

Tested on a quarter-inch choke, the Boney well pumped at the rate of 32 barrels of oil per day with flowing tubing pressure of 40 PSI. It is located in a 174-acre lease in Stephens County's J.R. Carter Survey.

The production interval will be a set of perforations in the Marble Falls Formation, 3,502 to 3,513 feet into the hole. Total drilling depth was 3,775 feet.

The Wimberley Corp. of Breckenridge has filed for permit to drill three developmental wells in the Stephens Regular Field seven miles south of the Cad-do community. The wells will be known as the Nos. 1, 2 and 3 Bradford "B". They are located in a 460-acre lease in the T&PRR Survey. Projected total depth for all three wells is 4,500 feet.

Sun Exploration and Production of Abilene has fished the No. 13 Charles Branch, showing capacity to pump 19 barrels of oil per day on open choke.

Location is three miles southwest of Breckenridge in the Stephens Regular Field. Sun took the hole to 3,460-ft. bottom and perforated the Stephens Regular Formation for production 3,276 to 3,304 feet into the hole.

The operation is in a 160-acre drilling unit in the LAL Survey, Stephens County.

Pumping at the rate of 30 barrels of oil per day on open choke, the No. 1 Rosenquest has been completed in the Stephens Regular Field by Petroleum Corp. of Texas.

operating out of Breckenridge.

The well was drilled to total depth of 2,525 feet and will produce from a set of perforations, 3,406 to 3,448 feet. Location is in a 42-acre lease in the LAL Survey within the City of limits of Breckenridge.

Consolidated Oil Corp. has successfully completed a pumping oiler in the Stephens Regular Field 10 miles south of Breckenridge. It is the No. 1 Beene, pumping at the rate of five barrels of crude per day on open choke.

The well went to total depth of 4,300 feet and will produce from a perforated interval 3,555 to 3,561 feet into the hole.

Drillsite was in a 160-acre unit in Stephens County's T&PRR Survey.

...give little thought to the question of values when we should measure them in terms of personal worth in everything he buys, enjoys or does. For example, some folks will buy real estate without any kind of evidence of title disregarding the fact that the principal value of the purchase is in the title, not in the land itself or the improvements thereon. This kind of thinking costs property owners thousands of dollars annually which could be saved and a part of the savings wisely spent for an abstract of title or title insurance.

AUSTIN -- This week, we continue the review of major issues facing the 68th Legislature, issues, I feel, of major concern to all Texans.

**Water:** The issue of water continues to be a vital one for our state in the face of dire predictions that before the turn of the century we could be facing shortages of crisis proportions.

For instance, the House Committee on Natural Resources' interim report recommends the Texas Railroad Commission be required to formulate rules to prohibit saltwater from oil and gas wells from being disposed of in such a manner as to prevent pollution of freshwater aquifers and that freshwater not be used for oil and gas well recovery operations.

While a number of specific proposals for legislation affecting the conservation, safety and purity of our water sources will be considered in this session, the real need still remains a comprehensive water plan for the state to assure future supplies for generations to come.

**Pari-mutuel Wagering:** Legal betting on horse racing has been an issue faced by the Texas Legislature several times in the past.

A bill to legalize pari-mutuel wagering was defeated on the House floor in 1981 and was the most recent major test of the issue.

Proponents support such legislation with the argument that in a time of diminishing state revenues from other sources, taxing the proceeds from on-track betting represents an important new source of money.

Opponents continue to counter with the argument such betting increases the likelihood of criminal activity in the state through legalized gambling.

One bill has been introduced to permit pari-mutuel wagering on a local-option basis approved by voters in individual counties. It earmarks the proceeds for welfare programs, specifically aid to families with dependent children.

**Transportation:** Two major issues face the 68th Legislature bearing on our state highways and roads systems.

One hope for defraying a major portion of this cost may be the \$3.4 billion Texas expects to receive as its share of the recently enacted 5-cent a gallon federal tax increase on motor fuels.

The other issues involve the deregulation of the intra-state trucking industry.

The shippers and the carriers are facing-off in a battle to determine if the rates charged and the frequency of routes will continue to be set by the State Railroad Commission or be left up to the individual carriers.

**Prison Reform:** Texas operates the largest prison system of any state in the nation.

Over the past several years, the federal courts have ordered massive changes and reforms in both the state system as well as the county jails.

The thrust of the court mandated changes in the state system is to relieve overcrowding.

Until alternatives to overcrowding are found, as much as \$237 million could be needed to simply build new inmate housing.

The Blue Ribbon Commission for Comprehensive Review of the Criminal Justice and Corrections Systems has made several recommendations for changes which could represent some of these alternatives.

Among these are: streamlining and expanding the parole process, shorter prison sentences, construction of medium security facilities, limitations on the imposition of the habitual criminal statute, use of community-based correction and vesting the power to impose sentences solely with judges rather than allowing juries to also mete out punishment as is the current practice.

All of these suggestions are likely to be considered by the Legislature in this session.
