

HALL OF REMARKS

BY HERREL HALLMARK

CISCO FINALLY received some real football weather here this week, at least on Thursday night it was. The weather in Anson was clear and almost cold as the 7th, 8th and J.V. teams played there.

Coats, blankets and sweaters were in abundance in the stands as the fans watched the teams from Cisco. Cisco's 7th grade team was the only group which won their game, but the other two teams turned in good performances despite the final scoring.

Friday temperatures were predicted to reach into the 80s, so the Friday night fans might not have been as cool as they were Thursday night.

CISCO JUNIOR College won their game Thursday night and will be going into the annual Lions Club

Benefit Bowl against Ranger Junior College with a 5-2 season record. The Benefit Bowl is played annually in Breckenridge and is scheduled for Saturday night, October 22, at 7:30 p.m.

Lions Club members are selling advance tickets. You can save money if you buy your tickets in advance, as well as save time from standing in line waiting next Saturday.

TWO GRAND Openings of new businesses were held here Saturday morning in the 200 block of East 8th Street. Little Shoes and The Flower Shop held their openings this weekend.

Photos and some information concerning the openings may be found elsewhere in this edition.

Be sure to go by and welcome them into Cisco's business community.

Jr. Varsity Loses First District Game

The Junior Varsity of Cisco High School lost their first District game of the season Thursday night against the undefeated Tigers in Anson. Cisco's J.V. is now 3-1 in district play and 3-3 for the season, while Anson is 6-0 for the season.

Cisco scored first in the second quarter of play while Anson scored once in the second quarter, twice in the third quarter and received a Cisco safety in the third quarter, for a 26-8 win over Cisco.

Neither team was able to score during the first quarter of play. Cisco began their scoring drive during the last few minutes of quarter. With Brian Nichols at center, Cisco quarterback John Gonzales completed a pass to Dusty Deitiker to move the ball to mid-field. Stanley Callahan moved the ball to Anson's 35-yard line. A run by Danny Kearney was stopped because of a Cisco penalty and the ball was placed back on the 40-yard line to end the first quarter.

On their first play of the second quarter, Cisco QB Gonzales hit Michael Wester for a 40-yard touchdown pass play. In the try for two extra points, QB Gonzales com-

pleted a pass to Deitiker in the end zone to make the score 8-0 with 9:50 left in the second quarter of play.

Anson received the ball on the kick-off and began their own scoring drive. The Tigers drove the ball downfield until it rested on Cisco's one-yard line. On a quarterback sneak, Anson scored with 7:27 left in the second quarter. Their try for two extra points was good tying the score at 8-8.

In the final seconds of the first half of play, Anson threatened to score again and their runner was stopped on Cisco's seven-yard line by James Berry as time ran out on the first half of play.

Anson received the second half kick-off at their own 35-yard line and returned it to Cisco's 43. On their first play, Anson took the ball into the end zone for a 43-yard touchdown run. The try for two points was good making the score 16-8 with 9:42 left in the third quarter.

On their second possession of the quarter, Anson put together another scoring drive when they received Cisco's punt at their own 38-yard line. In four plays

FEMC Film Set Sunday

On Sunday, October 16, at 7:00 p.m., the First Evangelical Methodist Church on Hwy. 80 in Cisco will be showing a Billy Graham film entitled "His Land" about the land of Israel. Everyone is invited.

Bond Election Ordered For New Sewer Plant Financing

Ordinances to call an election of the proposition of approving bonds to finance waste water treatment facilities, to authorize issuance of bonds to finance water system improvements, and to establish new water department rates were approved at the semi-monthly meeting of the City Council last Tuesday night.

A bond election was ordered for Saturday, Nov. 19, at the Corral Room of the Laguna Hotel on the proposition of issuing \$675,000 in Revenue and General Obligation Bonds to finance the construction of a new waste water treatment plant. M.L. Bailey was named election judge with Margaret Torres as alternate judge.

The Council and engineers presently are seeking the most cost effective plan for a new facility to replace the present sewage disposal plant that has been condemned by state water and health authorities. Replacement during 1984 has been mandated by court action.

The ordinance was passed as an emergency, which required only one reading. A town hall type meeting will be held at 7 p.m. Tuesday, Nov. 1, at the High School auditorium to permit citizens of the community to study the matter. City officials, engineers and state water and health authorities will be at the meeting.

Ginger Johnson, city secretary, and Beth Prickett of the city hall staff were named absentee voting clerks.

An ordinance, also passed on emergency first reading, authorized the issuance of Utility System Revenue Bonds in the amount of \$1,300,000 and confirmed the sale of the bonds to the Texas Water Development Board and the Farm Home Administration.

Contracts were awarded last month for construction work in the system improvement program, which will include a filtration plant at Lake Cisco. A pre-construction conference is expected to be held in about 10 days and work is due to begin soon after Nov. 1, City Manager Mike Moore told the Council.

Joe Smith, Abilene, employed by First Southwest Corp. and acting as the city's financial consultant in the improvement program financing, reported that the interest rate that the city will pay the Texas Water Resources Board on bonds has dropped in recent months from a projected 10.95 per cent to 8.2 per cent. City plans call for \$800,000 of the \$1,300,000 to carry the 8.2 interest rate with the balance of \$500,000 to bear interest at the rate of 5.65 per cent. The new rate, Mr. Smith said, would save taxpayers several hundred thousand dollars over the 30-year loan period.

The waste water project

final score 26-14. Cisco eighth graders who made good defensive plays were Mark McGinness, Jarrod Jeffcoat, Joe Flores, David Reyes, Andy Woody, Jason Phillips, Gordon Davis, Brian Wagnon, Robert Webb, Jerry Feiner, Tim Rains and William Pevey.

was the subject of a site hearing at the meeting. In addition to the site just east of town on which the Council holds an option, an alternative site has been offered. It is located northeast of town between the Breckenridge highway and the old landfill.

Engineers told the Council that the optioned site would cost some \$768,200 to develop while the alternate has an estimated price tag of \$1,204,600. Soil samples have been taken and tested in laboratories, the city manager reported. Frank Wilcoxon, Randy Honea and Ross Honea appeared as interested citizens to ask questions.

The new water, sewer and sanitation rates, established in the ordinance on first reading, will raise the average minimum bill from \$15.50 to \$24.00 for all services. Mr. Moore told the Council. It calls for a \$12 minimum of 2,000 gallons of water. The minimum for

senior citizens will go up from \$12.50 to \$21.00.

Meter deposits under the new ordinance will go up from \$25 to \$50 to \$200, depending on the size of the tap. Customers who pay their water bills after the 16th of the month will be charged a \$5 penalty. Sewer and sanitation charges remain unchanged.

Water customers living outside the city limits, who presently pay a \$5 surcharge in addition to the minimum, will pay a \$10 surcharge under the new ordinance. The ordinance, which becomes effective Dec. 1 and with billing Jan. 1, will provide extra revenue to meet bond payment for the new improvements, Mr. Moore said.

The ordinance will be published as a legal notice in The Press in the near future.

The Council approved amendments to their financial advisory contract in connection with financing the improvement program to re-

tain a bond attorneys for the loans as required by regulations.

The Council held a public hearing on the proposed revenue sharing program for 1983-84 and then adopted a budget calling for spending some \$54,000. The funds will be used for capital improvements as follows: police department, \$3,000; fire department, \$1,500; street department, \$41,700; and water department, \$7,100.

An agenda item to authorize obtaining a permit for the city to install 12-inch water lines under the railroad right-of-way was tabled for study.

Manager Randy Speegle and Chairman Elaine Dixon of the Chamber of Commerce were present to make a report of revenues and expenditures of the hotel occupancy tax for 1982-83 and to submit a budget for the coming year. Income amounted to \$15,212 and expenses totalled some \$8,100.

Expenditures included renovating signboards on I-20. A budget calling for spending \$17,201 during 1983-84 was approved. This will include \$8,000 for advertising, \$4,000 in salary supplements, \$450 for office supplies, \$1,200 on special events and a sum for a savings account fund for use in a future community center project.

City Court Judge Jasper Cook submitted a report for third quarter activities. The report showed that 98 traffic violation tickets were issued and some \$1,106 was collected in 10 bad check cases. The court's gross income for the year amounted to more than \$20,000 for three quarters, the report showed.

Mayor Eris Ritchie presided at the meeting. Present were Councilmen Bobby Ingram, Bobby Rains, Roy Dennis, Brad Kimbrough and Linton Bates, City Manager Moore, City Secretary Johnson and City Attorney Billy Wright.

Seventh Wins Over Anson, 8th Loses

Cisco's seventh grade football team won their first game of the season Thursday night in Anson while the eighth grade team lost by the score of 26-14. The seventh grade score was 8-6.

Cisco Junior High's seventh grade team is now 1-2 for the season and the eighth grade team is 0-5.

In the seventh grade game, neither team was able to score during the first three quarters of play. At half-time the score remained 0-0, as it did at the end of the third quarter.

Cisco's touchdown was set up when Doug Whitt intercepted an Anson pass around the 35 or 40 yard-line of Anson and returned it to the one. With Whitt at quarterback, Kody Wallace took the ball and scored. Wallace also made the two extra points on the conversion play giving Cisco an 8-0 lead in the fourth quarter.

Anson came back and scored their own touchdown in the final quarter of play, but they fumbled the ball on

their try for two so Cisco remained in the lead 8-0.

Good defensive plays for Cisco's seventh grade were made by Greg Hammer, Benny Ramirez, Cory Graves, Scott Stuart, Phillip Shackelford, Kody Wallace and Brady Brock.

In the eighth grade game, Anson scored twice in the first quarter of play, once in the third quarter and once in the final quarter. Cisco did not get on the scoreboard until the final quarter of play when they scored two touchdowns.

Anson scored early in the first quarter of play and again with 2:16 left in the quarter. Both times Anson tried an extra point kick but neither was good making the score 12-0.

In the final minutes of the first half of play, Cisco started out on their own 40-yard line and drove the ball downfield to Anson's 25 on runs by Brian Wagnon, Andy Woody, Mark McGinness and quarterback Jarrod Jeffcoat. With 33 seconds left in the half, Cisco failed to get a first down and the ball turned over to Anson.

The first half of play ended with the score 12-0, in favor of Anson.

In the second half of play, Anson fumbled on their first possession of the ball and Cisco's Woody recovered it at Anson's 41-yard line. Four plays later, unable to gain a first down, Cisco's McGinness punted the ball into the end zone.

Anson began moving the ball downfield and scored

with 2:29 left in the third quarter on a quarterback sneak play. The try for two extra points was no good making the score 18-0.

Cisco received the kick and began moving the ball downfield for their first scoring drive of the night. Starting out on Anson's 37-yard line, Cisco moved the ball on runs by McGinness, Wagnon and Woody. With the ball resting on Anson's three-yard line, Wagnon took the pitch out from QB Jeffcoat and scored with 7:17 left in the final period of play. A handoff to Woody gained two extra points making the score 18-8.

Anson came back on their next possession of the ball and drove it downfield until they scored with 3:42 left in the game. The Anson quarterback kept the ball on the next play for two extra points making the score 26-8.

Cisco was still ready to play ball and when they received the kick, they started their second scoring drive from their own 28-yard line. Runs by McGinness, Wagnon and Woody, along with a pass from Wagnon to Jason Phillips, moved the ball downfield to Anson's four-yard line with nine seconds left in the game. A pitchback to Wagnon gained the touchdown. A reverse play to Woody carried the ball into the end zone on the conversion play, but a Cisco penalty for holding wiped out the extra points. On their second conversion try, McGinness was not able to get into the end zone, making the

THE GRAND OPENING of The Flower Shop, 207 East 8th Street, Cisco, was held Saturday morning. Members of Cisco's Chamber of Commerce assisted in the Ribbon-Cutting Ceremony. The new florist shop was to have a drawing at 4 p.m. that afternoon. The shop owner also said free carnations were to be given to all persons who had brought in draw-

ings for their grand opening. Shown at the ceremony were (left to right) Randy Speegle, CofC manager; Roy Dennis, CofC member; Gina Thompson, Flower Shop employee; Jody Thompson, owner of The Flower Shop; Fred Wheeler, CofC member; and Shirley Hargrave, CofC member. (staff photo)

A RIBBON-CUTTING Ceremony for the Grand Opening of Little Shoes, 205 East 8th Street, was held Saturday morning in Cisco. The specialty shop for children's shoes was assisted in its grand opening by several members of the Chamber of Commerce. Shown

in the picture above are: Fred Wheeler, CofC member; Mrs. and Mr. Bill Hester, CofC members; Dela Sedillo and Nancy Bacon, Little Shoes owners; Roy Dennis, CofC member; Shirley Hargrave, CofC member; and Randy Speegle, CofC manager. (staff photo)

26 CJCers

Selected To

Who's Who

The 1984 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN JUNIOR COLLEGES will include the names of 26 students from Cisco Junior College who have been selected as national outstanding campus leaders.

Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

Outstanding students have been honored in the annual directory since it was first published in 1934.

Students named this year from Cisco Junior College are: Melvin Modesty, Austin; Julia Florence, Blanket; Ruth Hill, Boyd; Pam Lykins, Breckenridge; Bruce Barnes, Carol Endeb; ck, Karen Harwell, Cladean Kinser, Delia Lopez, Becky Thompson, and Eloise Torres of Cisco; Leonard Garces and Mary Watson of Eastland; David Noll, Falls City; Deanna Lopez, Ft. Worth; Linda Bubert, Hamilton; Laney Oliver, Jacksboro; Franz Patterson, Killeen; Kelle Burnett, Brad Butler, Nancy Click Butler, and Mary Fariello of Merkel; Terry Bean, Cross Plains; Regina Rust, Rising Star; John Blankenship, Sonora; and Sherri Lewallen of Wheeler.

4-H Teaches

Horsemanship

For youngsters who want to learn to ride and care for horses, the 4-H horse program has all the ingredients. More than 10,200 4-H'ers between the ages of 9 and 19 are enrolled in the horse program conducted by the Texas Agricultural Extension Service, Texas A&M University System.

Members can participate in a series of projects and are involved in hundreds of local events including meetings, farm tours, trail rides, shows, parades and clinics.

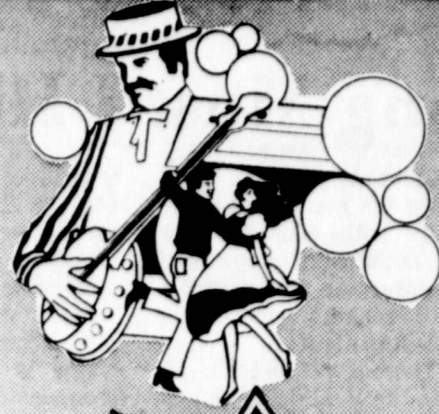

It is not necessary to own a horse to be active in the 4-H horse program, says John Blair, county Extension 4-H program coordinator.

The horse program, which is led by volunteers and coordinated by Extension staff, provides an opportunity for 4-H members to participate in many exciting events, a major one being the annual State 4-H Horse Show, a five-day event each July. Youth can also compete in horse judging and horse demonstrations, with the final objective being State 4-H Roundup each June at Texas A&M University.

Youth in the program also use their skills to help others. Many conduct programs to help the handicapped enjoy riding and learn about these horses and ponies.

Youth who excel in the 4-H horse program can qualify for numerous awards sponsored by the American Quarter Horse Association, Texas 4-H Foundation and the Insurance Company of North America.

Mary Carey Will Give Local Review Of 'How Long Must I Hide' Oct. 19

by Viola Payne
Mary Carey of Cisco and Willow, Alaska will review her new book "How Long Must I Hide" at 8:00 p.m., Wednesday, October 19, in the First National Bank Community Room, Cisco.

The Cisco Writer's Club, sponsor of the event, cordially invites the public to attend the Review and the Autograph Party which will follow.

"How Long Must I Hide", published by Eakin Press, Austin, is receiving wide media attention in Texas and elsewhere. It is cited as a compelling account of two years Mrs. Carey spent with her first husband, "Roy" after his prison-break in East Texas in 1938.

Will Wilson, former Attorney General of Texas, says in his foreword to the book: "This is a great and

true love story. All the ingredients are here—youth blinded by faith, courage, hope and ambition... danger and adventure—an unavoidable and dominating fate working against the lovers.

"There is misguided loyalty and then disgrace, family rejection and finally disillusionment. Throughout the story there is an overriding foreboding of tragedy.

"In the end, after love has burned itself out, Mary Carey played an active part in the righting of wrongs—"

Mrs. Carey dedicates the book: "To the Underdog. If reading this book keeps one person from committing suicide, great is its success."

This book was painful and costly for the author to live, and possibly to write. Readers will find a strange immediacy about it—a wrestling with violence and

sometimes unresolved conflict. With its local and southwestern setting, it is certain to attract particular interest here.

But it will go far beyond that. For although its time-frame is in the 1930's, it seems as current as today's newspapers. As current, indeed, as love, danger, terrible choices, power and lust in high places, prison corruption, poverty and pain and guilt. For these are some of the realities of life in any age.

The account of Mary's experiences begins on a day in August, 1938, when she decides to leave her job as a reporter with the Abilene Reporter-News and help her husband after his escape from prison. While hiding and running with him toward California, she realizes the immense gulf between them.

"The man I loved was suddenly a stranger to me," she says. "I shrank from him. He was eaten by hatred for the whole world and everybody in it. He seemed disinterested in the future...the future happiness that I wanted for us."

She lived in that situation until 1940, meeting enough perils to last her for a long while. The dark side of life, for her, meant eating raw rattlesnake on the desert, hopping freights, surviving at various jobs, facing almost constant danger, and finally contemplating suicide.

"I found I had built my house on sand," she says.

Fortunately, for herself, her family, and for many who have known her since, Mary was able to turn her life around. Her message to her parents, when finally deciding to make the break, was: "I'm taking the straight way home, immediately, non-stop."

And to others, who might be in the middle of their own 1983 choices, she says: "Watch your own excuses for breaking the laws of God and man. Know when to quit. I never did."

Mrs. Carey eventually divorced the "Roy" of "How Long Must I Hide". He was

returned to prison—she worked for prison reform. She remarried, and happily. In 1962 her second husband, Richard Carey, died, and she moved to Alaska.

Other books Mrs. Carey has written are: "Alaska, Not For A Woman," "Fireweed Philosophy," "Let's Taste Alaska," and "Green Gold in Alaska".

Between writing and other enterprises she often returns to her home town of Cisco, where she visits with her sisters Lela Latch Lloyd and Annie Rendall.

Through her life experiences as well as the intensely personal "How Long Must I Hide" Mary Carey emerges as one who has never been afraid to risk or feel emotion. Some people go through life trying to do neither.

Roof Garden Will Open October 17

The opening production of the 1983-84 season at the Roof Garden Dinner Theatre in Cisco will be John Steinbeck's classic drama OF MICE AND MEN. This is a tremendously moving story about two roving farmhands during the 1930's, one of whom unwittingly murders a woman. Ultimately it is a story about brotherly love in a cruel and indifferent world.

Three preview performances (show only) will be given on Monday, Tuesday and Wednesday nights October 17-19 beginning at 7:30 p.m. primarily for the student audiences with CJC tickets at \$1.00 and all other tickets at \$4.00. Dinner Theatre performances will be held Thursday and Friday nights October 20 and 21 with dinner served at 7 p.m. Tickets are \$8.00 regular admission, \$7.00 CJC student admission.

Band Boosters Will Be Selling Pizza Kits

The Band Boosters of Cisco will be selling pizza kits again. This kit includes 6 pizzas, either cheese, pepperoni, or sausage, at a price of \$14.95 per kit. This averages \$2.49 for a 12 inch pizza. They are delivered fresh and can then be frozen.

The money made from this project is used to help sponsor Band activities. This year we have approximately 225 students enrolled in Band from 6th grade thru High School. We should be very proud of all these kids.

The next order will go in Oct. 17, 1983 and be delivered to the High School the week of Oct. 24, 1983.

If you haven't tried these pizzas we urge you to try them and help support the bands. In the near future we will also be offering a Mexican Food Kit at the same price, hopefully, with the December shipment.

If you haven't already been contacted please call: La Nelle Anderson at 442-2752 day or 442-2011 at night.

Lobo Booster Club Holds Meeting Oct. 11

The Lobo Booster Club met at 7:30 at the Cisco High School Library on Tuesday, October 11, for the regular meeting.

The following individuals and/or businesses were added to the list of Lobo Boosters:

Dr. M. Allen McGinness and family, J.C. Penny Co., Russell Newman Mfg. Inc., Kimbrough Funeral Home, E.B. Mott Co., Batteas Builders, Lee Kinard family, Ted McCollock, Lloyd London, Ed Stuart Family, Bob W. Smith family, Bob Prickett, Manning & Martha Davis, Benny Gary family, Bruce Speegle, Bob Qualis, Major & Dorothy Farnsworth, Stanley Pirtle, Claude H. Yeager, Charles & Jean Jessup, Carl Kleiner and Gail Batteas.

Al Anderson, Lloyd McGrew and Glenn Ferguson each have lifetime memberships.

Shower Set

There will be a come and go wedding shower in honor of Mike and Cindy (Riggs) McGough on Saturday, October 15, from 2:00 - 4:00 p.m. at 306 W. 4th. All friends and family are invited.

Carp Tourney Is Set Oct. 22-23

The last Carp Tournament of the year will be held Saturday, October 22 through Sunday, October 23 at Lake Cisco. The tournament is sponsored by Cisco Pump and En Re Corporation. Everyone is invited to enter.

First place will receive 50% of the pot, second place 30%, and third place 20%. First place prize is

estimated to be about \$300. Other prizes to be awarded are a Calcutta, and a \$10 prize for the smallest carp caught.

Weigh in will be at the "Point". Entries can be obtained at Cisco Pump and En Re Corp. The large turnout from the past tournaments is appreciated and a larger participation is expected for this tournament.

Calvary Baptist Church Plans Groundbreaking

Calvary Baptist Church will have a groundbreaking ceremony for their new auditorium on Sunday, October 16, at 3:00 p.m., on the parking lot north of the present auditorium. The church is outgrowing its facilities and has had to utilize metal buildings for Sunday School space. Plans include

remodeling the present auditorium to provide additional fellowship and educational space. The men of the church will be doing the work themselves with a target completion date for the summer of 1984. Ronnie Shackleford is pastor of the church and Wayne Webb is chairman of deacons.

CJC Enrollment At Record High

Cisco Junior College has an all-time record 1,804 students enrolled for the 1983-84 fall semester. Dr. Norman Wallace reported to the Board of Regents at their monthly meeting last Monday night.

The number of full students on the Cisco campus totaled 714. Enrollment in Abilene amounted to 716 students, and this number included several hundred part-time students. Enrolled at the Clyde campus were 346 students. The nursing program included 13 students at Ballinger and 15 at Graham.

Dr. Wallace noted that the growing enrollment picture was evidence that the community college concept was growing in popularity "and we feel that it is an endorsement of the quality of education being offered."

In other action, the board accepted a bid of the Bell and Howell company for three motion picture project-

tors. The low bid of three submitted was \$2,008. Dr. Wallace said the projectors would be used to show educational films in class rooms throughout the school system.

Other routine matters were considered by the board.

1st Christian Church Plans Book Review

You are invited to the First Christian Church at 2:00 p.m., October 23, 1983, to hear a book review - "The Bronze Bow" by Elizabeth George Speare, to be given by Leila Hawari.

The book review will be followed with religious singing by the Bradford Sisters.

After the program, there will be a tea held in the Fellowship Hall honoring the young ladies.

Please bring a friend with you.

Witches Stew Supper Planned In Nimrod

Nimrod Neighbors Progressive Club will have a Witches Stew Supper, Monday, October 24, at 7:00 p.m. in the Nimrod Club House.

The charge will be one can of "something" to go into the stew and a dessert. Everyone is welcome. Music will be provided.

Mr. Picklesimmer, music and education director at the First Baptist Church, was accompanied by the piano by Miss Tracey Couch, the club's sweetheart. Bob Conner, program chairman, introduced Mr. Picklesimmer.

C.B. Dill, club president, reported that net profits from the recent Lions Fish Fry amounted to about \$400. This money, he added will go into the club's fund for use in community projects.

Secretary Jasper Cook said that tickets are being sold by all Lions for the annual Lions Benefit Bowl football game that will be played Saturday night, October 22, between Cisco and Ranger Junior Colleges in Breckenridge.

Smith Team Wins Tourney

A score of 60 - eight under par - won top honors for the Carrel Smith team in a scrabble golf tournament last Saturday afternoon at the Cisco Country Club.

Second place went to the Maryann Perry team with a score of 63, and the Bennie Nichols team won third after a playoff with the Letha Stafford and Bernard Campbell teams. The three teams had scores of 64.

Playing with Mr. Smith were Joe Heyser, Joey Worley, Pat Owens and Garner Altom. The Perry team included Vandell Weathers, Fred Wende, Roger Autrey and Sutton Crofts. Playing with Mr. Nichols were Flo Robinson, Manning Davis and Lucy Collier.

Friend To Friend
by Jim Hatcher
Cisco Church of Christ

Surely no one would contradict the fact that we live in a highly technical, cold, indifferent world.

John Powell in his book, A Reason to Live! A Reason to Die!, states, "The most tragic paradox of our times is this: Man is discovering so much of his world that he is losing meaningful contact with it."

We see the loss of this meaningful contact on every hand. If we want to be entertained, we need no friends. We simply turn on the television and hope that no one interrupts us.

If our children want to play games, it no longer involves friendship or imagination. They entertain themselves with ready made, cold, indifferent electronic toys.

Certainly progress and technology are wonderful. Who would want to go back to the horse and buggy days? But success has created a friendship problem. We have become isolated from people. The wise man in God's Word reminds us, "A man that hath friends must show himself friendly" (Proverbs 18:24).

Yes, everyone wants friends, but it is a two-way street. To have friends we must put forth the effort to cultivate friendships.

It is my prayer that, through this article, we can become friends. But do not let it end with reading the words of this article each week.

If at any time I can be of service to you or your family, please feel free to call on me AS A FRIEND.
See you next week.

Maranatha Revival To Start Oct. 24

A chorus often heard around the MARANATHA BAPTIST CHURCH in part is "The blessing's will come down as the prayers go up". The members have been praying for growth and the Lord has blessed. If you have passed down US 80 between Eastland and Cisco, no doubt you have seen this growth in progress.

The structure, housing baptistry, class rooms and fellowship hall, is material proof of the spiritual classes and prayer services. This two year old church conducts three regular family services weekly. Teachers are as busy as are the Saturday hammers and saws. Individual classes based on the King James Version Bible are taught at 10:00 a.m. Sundays. Also Sundays at 6:00 p.m. there are prayer classes for the men and women, Youth Bible Quiz, preschool classes, and a "chorus time" class. There are also classes for the mentally handicapped both services.

If you have not already been invited to the coming Revival by one of the members of MARANATHA BAPTIST CHURCH consider this your personal invitation. Nightly, 7:30 p.m.... October 24-29, our pastor will be sharing God's Word with us. If you do not like to drive at night or a distance, just ride our bus. That's what it is for! Call 629-8091 or 629-8344. We are country, down-to-earth folk who invite you to come worship and praise the Lord as we learn together.

Lights From The Christian World
 Josephine Cleveland

In 1831 two busy boroughs in New York City were separated by the East River. There were no telephones, radios or methods of communication between these places. Only a small ferry gave a point of contact between these boroughs.

An engineer, John Roebling who started the first wire factory in the United States became interested in designing bridges. He designed a plan whereby a suspension bridge over the East River would connect the two boroughs. While directing the construction he was fatally injured. His son completed the bridge, which is 1,595 feet long and was the largest suspension bridge in the world when completed in 1883.

The magnificent Brooklyn Bridge hangs from steel cables which are nearly sixteen inches thick. The cables are fastened to 275 foot towers at either end of the bridge. The bridges six lanes provides adequate room for motorists driving between Brooklyn and Manhattan.

Friend, God designed an even greater structure which would span the heavens. His Son willingly carried out and completed the design begun by His Father. CHRIST JESUS BECAME THE BRIDGE. Using the vehicle of Faith you can depend on the strength and power of this Bridge to take you safely to this Eternal City planned and prepared for you.

Gold Star Winners- (L TO R) Mrs. Dorothy Underwood of the Extension Homemakers presents \$100 savings bonds to Shannon Caraway and Sue Ann Osborne for the the highest 4-H award at the county level.

2 Receive Highest County 4-H Award

The Gold Star Award is the highest 4-H award given at the county level. The award is not only an honor, but a privilege to receive. Only a few select individuals per county can receive the award per year. A Gold Star recipient spends many devoted hours and years of work to achieve this honor.

The Gold Star recipients for Eastland County are Sun Ann Osborne and Shannon Caraway. These two individuals will attend the District 8 Gold Star Banquet November 1, 1983 in Waco. Shannon and Sue Ann received an extra honor this year by being selected the Gold Star recipients. They both were given a \$100 dollar saving bond from the Eastland County Extension Homemakers.

Auction's Best
 by Fred Tucker

*1981 Auction Marketing Network

RETIRING OR MOVING?

At least 18 per cent of the people in America will move this year. And many of you are thinking about retiring. These decisions are a part of your life and will affect at least one out of every five of your family and friends soon.

When making your retiring and moving decisions you'll soon discover that you've really accumulated a lot of possessions in the last few years. And you'll quickly see that it will be very difficult, time consuming and quite expensive to haul your possessions across the country or even around town.

But, you can turn these accumulated possessions into quick cash by holding an auction. A well planned auction can cash out your entire household in just a few short hours. And, I provide complete auction service so you don't have to worry about a single detail.

It's a whole lot easier to have an auction and put cash in your wallet than it is to put your piano, refrigerator & hide a bed in a truck. And remember, when it comes to buying or selling **AUCTION'S BEST** (sm).

News Briefs

CISCO
Saturday, Oct. 29 will be annual Homecoming Day for Ex-Students and will also be Parents Day on the Cisco Junior College campus. Parents Day 1983 salutes the many families who are represented at CJC. Activities will begin with registration from 10:00 till 10:30 a.m. in Manor Memorial Library. There will be a Wrangler Belle reception honoring Pat Owens. Open House at the dormitories, a barbeque luncheon, an afternoon football game, and other events.

The annual Book Fair of the E.L. Graham Memorial Hospital Auxiliary will be held Friday and Saturday, Oct. 14-15, in the lobby of the Laguna Hotel. Hours will be 10:00

a.m. to 6:00 p.m. Friday and 10:00 a.m. to 3:30 p.m. Saturday. Besides thousands of books, there will be baked goods for sale. Proceeds will be used to buy equipment or add services at the hospital.

The Cisco Chamber of Commerce is sponsoring a Retail Trade Day Sale in downtown Cisco Sat., Oct. 15. Local merchants will offer super bargains. A Rummage Sale is also planned for the day by the Cisco Kiwanis Club at the parking lot of Cisco Lumber and Supply.

The last Carp Tournament of the year will be held Sat., Oct. 22 through Sun. Oct. 23 at Lake Cisco. Sponsors are Cisco Pump and En Re Corporation. Entries can be obtained from these businesses, and everyone is invited to enter.

EASTLAND
Steady growth is projected for Eastland and its schools, according to the Eastland Chamber of Commerce, Bank, electric service companies and local business people. James

Wright, Manager of the Chamber of Commerce, states the Chamber is working with two industries at present, and expects one if not both to relocate in Eastland. One would employ about 150 people and the other 50 to 75. A new retail business is also expected to locate here.

The Dale Carnegie Course, which is designed to help people meet the challenges of life in a positive way, will be offered in Eastland County this fall. Harold A. Rumzek of Wichita Falls, manager and instructor for the course is presently in the area making arrangements. Details may be secured by calling 629-8585 for a personal interview.

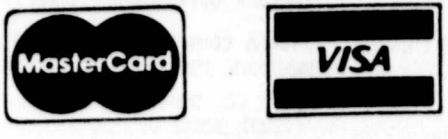

The Cornith Baptist Church, located mid-way between Eastland and Cisco, has scheduled revival meetings for Nov. 2-6. Prayer meetings will begin at 6:30, with the sermon beginning at 7:00 p.m. Sunday evening preaching service will begin at 6:30 p.m. J.B. Harlan of Point, Texas, who pastors a church near Lake Tawakoni, will be the evangelist. Burditt Hitt, the church's pastor, invites the public to attend the ser-

RANGER

Roaring Ranger Days on Oct. 8 drew a crowd of more than 4,000. The Chamber of Commerce and Mike Ford, Chairman Roaring Ranger Days, thanks the hundreds of individuals who worked together in the preparation of the booths, special area, decorating the downtown, and the provision of food and drinks for everyone. It is planned to continue the Roaring Ranger Days as an annual celebration, adding interesting things each year.

Ranger Volunteer Firemen will host the North Central Texas District Fire Convention Saturday, Oct. 15. Big name firefighters, Boots and Coots will be featured. Representatives from fire departments in the district will be present for a fun filled day. A catered barbeque dinner will be served at the school cafeteria, advance tickets only, approx. 7:30 p.m.

RISING STAR

Recipients of the Eastland County 4-H Gold Star awards are Shannon Caraway and Sue Ann Osborne, both of Gorman. Also named for honors at the 4-H Awards Banquet held in Rising Star were Becky Jo Underwood of Gorman and Shannon Kendall of Nimrod, receiving the Danforth Award. Bo Caraway of Gorman was named outstanding adult 4-H leader. Congressman Charles W. Stenholm spoke to a large crowd assembled at the banquet.

The Rising Star 4-H Club has collected over \$455.00 in the Cystic Fibrosis campaign, with more than 20 members participating. Rising Star merchants and business people assisted with contributing reaching the total in one day. All hope to help wipe out the No. 1 genetic killer of children and young adults.

Chief of Police Herbert Hooten of Rising Star has begun an active reserve force in the town. Rudy Sayas is Captain, Guy Stewart is lieutenant, and Delbert Biggs is sergeant. They have received certification for this volunteer work. Chief of Police Hooten is on duty during days, and Robert Fletcher, a graduate of the Police Training School in Abilene, is night patrolman.

Courthouse Report

John Delano Pointer 49 of Cross Plains has his probation revoked this week in 91st Dist. Court by Jim R. Wright. Judge Wright ordered Pointer to serve 10 days in the Eastland Co. jail and fined him \$150.00. Pointer had been arrested west of Ranger on Int. 20 June 27, 1981 by DPS Trooper Leroy Polnick. He was placed on probation July 10, 1981. He failed to report to the probation clerk as ordered.

Ranger Junior College student pled guilty to two counts of criminal trespass this week in 91st District Court before Judge Jim R. Wright. He was ordered to serve 15 days in the County jail on each count. Washington had been charged with entering the girls dormitory at Ranger Junior College October 1, 1983. He was arrested October 4, by the Eastland County Sheriffs Department. Washington waived his right to an attorney. Emory Walton was the prosecuting attorney.

Two San Antonio men entered guilty pleas Thursday afternoon in 91st District Court. Charles Duane Grant and Thomas Clint Tondre Jr., both 39, were each charged with unlawfully carrying weapons (firearms) and possession of a controlled substance, barbituric-acid derivative. Judge Jim R. Wright fined both men \$1,000 on each count, bringing each man's fines to \$2,000. Wright also handed down probated one-year sentences in Eastland County jail to Grant and Tondre. The men were arrested Dec. 10, 1982, at the Best Western Motel in Eastland by Police Chief Bobby Arriola and Sheriff Johnnie Morren. Attorney Bob Chappell of Abilene represented Grant and Tondre. Emory Walton, district attorney, prosecuted.

Wayne Buford Dalton, 56, was assessed three years in the Texas Department of Corrections and was fined \$100 for the charge. Dalton was arrested June 26 in Rising Star by Constable Gene Hicks. Hicks testified that while investigating a report about an alleged disturbance, he saw a pickup truck being driven erratically. Hicks said he stopped the driver of the truck, and he identified Dalton as the driver. Department of Public Safety Trooper Robert Ralls, who administered a breathalyzer test, said Dalton's blood-alcohol level measured .20. The legal level for intoxication is .10. Dalton, testifying in his own defense, told the jury he was not driving the pickup truck but that he was at home on his front porch at the time the incident reportedly occurred. However Dalton did not deny being intoxicated that evening. Truman Kirk of Cisco represented Dalton. Emory Walton, Eastland County district attorney, was the prosecuting attorney.

GEORGE AND LENNY

The opening production of the 1983-84 theatre season at the Roof Garden Dinner Theatre will be John Steinbeck's classic drama OF MICE AND MEN sponsored by the Fine Arts Department of Cisco Junior college. OF MICE AND MEN is a tremendously moving story about two roving farmhands during the 1930's, one of whom - "with the strength of a gorilla and the mind of an untutored child" - unwittingly murders a woman. Ultimately it is a story about brotherly love in a cruel and indifferent world.

There will be three preview performances (show only) Monday, Tuesday and Wednesday nights October 17-19 beginning at 7:30 p.m. primarily for the student audiences with CJC student tickets at \$1.00 and all other tickets \$4.00. Dinner Theatre performances will be held Thursday and Friday nights October 20 and 21 with dinner served at 7 p.m. Tickets are \$8.00 regular admission, \$7.00 CJC student admission. Shown are John Akes and Michael Riser

PRO RALLY IN EASTLAND CANCELLED

John Grimshaw, chairman of the Texas Pro Rally, said the sports car competition planned for Saturday in northern Erath County and the eastern edge of Eastland County has been cancelled.

The Stephenville Chamber of Commerce and the Erath County judge had endorsed the races, he said, but later changed their minds.

He said he also met a roadblock in Eastland County when Eastland County Commissioner Jack Blackwell vetoed the race, which was to be held as part of a national rally.

Blackwell cited the objection of Roy Johnson, a landowner who lives about two miles from the proposed race route, Grimshaw said.

Drilling Bits

At a location two miles Northwest of Rising Star, Bergen Enterprises of San Saba has finalized a new oil producer in Eastland County's Eastland Regular Field.

The well is designated as the No. 1-A F. W. Roberds, flowing oil at the rate of 35 barrels per day.

Location is in a 80-acre lease in the Sec. 26 Blk. 2, E.T. RR Co. Survey. The well will produce from perforations 1,162 to 1,090 into the hole.

H.G. Sledge of Midland has filed first production figures on a new oil well in the REB Field. The No. 4 Jan San 21 showed potential to make 67 barrels of oil per day.

The operator has 170 acres leased, with drillsite in Eastland County's Sec. 21, Blk. 4, H&TC RR Co. Survey, six miles Southeast from Eastland.

The well will produce from an interval 3,532 to 3,554 feet into the wellbore. Total drilling depth was 3,980 feet.

The No. 12-1 Martin Unit #12 has been finalized by Morrison Energy Co. of Abilene.

It is a developmental well in the Moreno Field, five miles South of Carbon. Drillsite is in a 40-acre lease in Eastland County's C.L. Latham Survey.

Daily potential of seven barrels was posted with the Railroad Commission. The well went to a 3,000-ft. bottom, and top of pay zone was logged at 2,648 feet. Production will be from perforations 2,664 to 2,702 feet into the wellbore.

At a location one mile Northwest of Romney, Buck Wheat Resources Inc. of Eastland has finalized a new oil producer in Eastland County's Hawk-Eye Field.

The well is designated as the No. 1 M. G. Gibson, flowing oil at the rate of eight barrels per day.

Location is in a 81-acre lease in the Sec. 58, Blk. 3, H&TC RR Co. A-1947 Survey. Bottomed at 1,260 feet, the well will produce from perforations 1,083 to 1,086 into the hole.

Morrison Energy Co. of Abilene has filed first production figures on a new oil well in the Moreno Field. The No. 4 Martin Unit #4 showed potential to make six barrels of oil per day.

The operator has 40 acres leased, with drillsite in Eastland County's Nugent A-164 Survey, four miles South of Carbon.

The well will produce from an interval 2,650 to 2,694 feet into the wellbore. Total drilling depth was 3,000 feet.

The No. 2 M.K. Courtney "C" has been completed by Southeastern Resources Corp.

It is a developmental well in the JMJ Field five miles Northwest of Eastland County's H&TC RR Co. #32 Survey.

Daily potential of 35 barrels was posted with the Railroad Commission. The well went to a 3,572-ft. bottom, and top of pay zone was logged at 3,342 feet. Production will be from perforations 3,392 to 3,398 feet into the wellbore.

Producing 132 barrels of oil per day, along with 192,000 CF casinghead gas, the No. 46 Lake Leon was completed successfully by The Dallas Group Inc. of Mesquite.

Drillsite is eight miles Southeast of Eastland. It was drilled to 3,740 ft. total depth and will produce from an interval 3,273 to 3,285 feet into the wellbore. Production tests were run on a 32/64 choke, and tubing pressure registered 114 PSI.

The location is in a 20-acre lease in Eastland County's Lot 22, W.M. Van Norman A-545 Survey.

At a location five miles North of Eastland, C.R. Gallagher of Lubbock has finalized a new oil producer in Eastland County's REB Field.

The well is designated as the No. 1 Johnson, flowing oil at the rate of 85 barrels per day. Tubing pressure was 50 PSI. The well also showed potential for 150,000 cubic feet of casinghead gas per day.

Location is in a 42-acre lease in the Sec. 35, Blk. 4, H&TC RR Co. Survey. Bottomed at 3,865 feet, the well will produce from perforations 3,505 to 3,527 into the hole.

Stephenson Oil & Gas Inc. of Eastland has filed first production figures on a new oil well in the Eastland Regular Field. The No. 1 Gladys Hartman showed potential to make nine barrels of oil per day. The operator has 40 acres leased with drillsite in Eastland County's Sec. 16, Blk. 2, H&TC RR Co. Survey, three miles Northeast of Carbon.

The well will produce from an interval 1,115 to 1,118 feet into the wellbore. Total drilling depth was 1,350 feet.

The No. 1 Hill has been finalized by Cordova Resources Inc. of Dallas. It is a developmental well in the Eastland Regular Field, one mile West of Pioneer. Drillsite is in a 30-acre lease in the Eastland County's T. Benson A-21 Survey.

Daily potential of 13 barrels was posted with the Railroad Commission. The well went to a 2,570-ft. bottom, and top of pay zone was logged at 2,480 feet. Production will be from perforations 2,483 to 2,524 feet into the wellbore.

Flagco Snyder has filed first production figures on a new oil well in the Eastland Regular Field. The No. 5 David G. Watson showed potential to make two barrels of oil per day.

The operator has 91 acres leased, with drillsite in Eastland County's Sec. 78 Blk. 3, H&TC RR Co. A-1431 Survey, three miles Southeast of Nimrod.

The well will produce from an interval 1,287 to 1,289 feet into the wellbore. Total drilling depth was 1,370 feet.

A 4,000 ft. developmental

well is planned by Katlaco Operating Inc. of Lubbock at a drillsite three miles Northeast of Cisco, Eastland County. The location is in a 40-acre lease in the Sec. 69, Fee, "F". It is in the Kleiner Field.

Supreme Oil Co. of Abilene has filed for permit to drill the No. 1 Charles Massagee, a 750-ft. developmental well 10 miles Southeast of Ranger. Location is in a 136-acre lease in Eastland Regular Field.

A Ft. Worth-based operator has staked location for the No. 1 M.K. Courtney, a developmental well to be located four miles North of Eastland. With projected total depth of 4,500 feet, the well is in a 80-acre lease in Eastland County's Marble Falls Field, Sec. 40 Blk. 4, H&TC RR Co. Survey. The operator is Leonard Brothers Operating Co.

Two 1,150-ft. re-entry tries are planned by Blanco Industries Inc. of Blanco at a drillsite two miles North of Rising Star, Eastland County. The location is in an 80-acre lease in the Sec. 26, Blk. 2, ET RR Co. A-853 Survey. The wells are designated as the No. 2 and No. 3 J.T. Alford, in the Waldrop Field.

Snow Oil Co. of Ft. Worth has revealed plans to drill a 4,000-ft. developmental well in the Marble Falls Field. The operator has 168 acres leased, with drillsite in Eastland County's Sec. 36, Blk. 4, H&TC RR Co. A-2021 Survey and has designated the venture as the No. 2 Castleberry-West. Drillsite

is seven miles Northwest of Eastland.

A 4,500-ft. developmental well is planned by Leonard Brothers Operating Co. of Ft. Worth at a drillsite four miles North of Eastland, Eastland County. The location is in a 160-acre lease in the Sec. 22, Blk. 4, H&TC RR Co. A-1994 Survey. Well's designation is the No. 1 Simer. It is in the Marble Falls Field.

A Grand Prairie-based operator has staked location for the No. 3 Ranger West Strawn Unit, a developmental well to be located six miles Northwest of Ranger. With projected total depth of 2,000 feet, the well is in a 169-acre lease in the Eastland County's T&NO RR Co. A-533, R.B. Truly A-625 and S.J. Robinson A-424 Surveys. The operator is North Ridge Corp.

Richey & Co. inc. of Ft. Worth has revealed plans to drill a 4,200-ft. developmental well in the REB Field. The operator has 40 acres leased, with drillsite in Eastland County's Sec. 38, Blk. 4, H&TC RR Co. A-1883 Survey and has designated the venture as the No. 1 Kincaid A. Drillsite is eight miles Northeast of Cisco.

A 4,000-ft. developmental well is planned by Trinity Exploration Co. of Ft. Worth at a drillsite eight miles Northwest of Rising Star, Eastland County. The location is in a 240-acre lease in the J.W. Montgomery A-1187 Survey. Well's designation is the No. 1 Helen Crawford. It is in the T.E.C. Field.

B&B Operating of Odessa

has filed for permit to drill the No. 1 W.D. Brown, a 3,000-ft developmental well five miles Northwest of Gordon. Location is in a 160-acre lease in Eastland County's Sec. 11, Blk. 1, H&TC RR Co. A-199 Survey. The well is in the Eastland Regular Field.

Flowing 1,398,000 CF gas per day on a half-inch choke, a new producer has been brought on line in Palo Pinto County's Riebe Field 10 miles north of Gordon.

It is the No. 2 H.W. Riebe, carrying an absolute open flow rating of 2,100,000 CF/D. Location is in a 305-acre lease in the T&PRR Survey. Edwin S. Nichols Explorations Ltd. of Meridian is the operator. The well bottomed at 4,000 feet and will produce from a set of perforations in the Atoka conglomerate, 3,872 to 3,880 feet into the wellbore.

McMillan Operating is planning a wildcat pullback for gas pay nine miles southwest of the Town of Palo Pinto. The Abilene firm has 220 acres leased, with drillsite in the T&PRR Survey.

The well in question is the No. 2 Irsfeld. Proposed total depth is 4,040 feet.

Chester R. Upham Jr. of Mineral Wells has filed for permit to drill the No. 2 Chastain, a 4,600 ft. developmental venture in Palo Pinto County's Calabria Field. The operation will be in a 393-acre lease block in the George Green Survey, about two miles northeast of the Brazos community.

At a location nine miles

Northwest of Breckenridge, Ensearch Exploration Inc. has finalized a new oil producer in Stephens County's Sec. 12 Blk. 10, S.P. RR Co. Field.

The well is designated as the No. 3 J.W. Stourd Unit, flowing at the rate of 122 barrels per day on 10/64 choke. Tubing pressure was 840,000 PSI.

Location is in a 41-acre lease in the Sec. 12, Blk. 10, S.P. RR Co. Survey. Bottomed at 4,666 feet, the well will produce from perforations 4,294 to 4,309 into the hole.

Piranha Production Inc. of Graham has filed first production figures on a new oil well in the Rickles Field. The No. 9 Ed Hinson showed

potential to make 14 barrels of oil and 200,000 CF casinghead gas per day.

The operator has 320 acres leased, with drillsite in Stephens County's Sec. 7 Blk. 2, SP RR Co. Survey, five miles Southeast from Eliasville.

The well will produce from an interval 4,152 to 4,176 feet into the wellbore. Total drilling depth was 4,320 feet.

Wranglers Win Over A&M J.V. 10-6

The Wranglers of Cisco Junior College strengthened their season record to 5-2 Thursday night in College Station where they defeated Texas A&M's Junior Varsity by the score of 10-6.

early in the game on their first drive of the night. CJC fielded the ball and moved it downfield to A&M's one-yard line where it was fumbled and lost, killing the drive. Neither team was able to score in the first quarter of play, but CJC got on the

scoreboard first with a 30-yard field goal by Walter Rule in the second quarter of play.

A&M came back in the same quarter and scored on a one-yard run by Sonny Harmon. The extra point

kick was blocked by Marvin Williams making the half-time score 6-3 in favor of A&M.

Cisco came back in the third quarter of play and scored their winning touchdown on a 12-yard pass

from Scott Ellison to Matt Simpson. The extra point kick by Rule was good making the score 10-6.

Texas A&M's J.V. received the football in the final seconds of the game on Cisco's end of the field around the 20-yard line where they had four tries for a touchdown. CJC's Reginald Shannon, a 6'3", 240-pound, sophomore defensive tackle from Dallas, helped stop their chances at a score when he sacked the quarterback for losses on two of their four tries.

Besides Shannon, CJC coaches also named Kelvis Mangrum as a defensive standout. Mangrum is a freshman defensive back from Jacksonville. He stands at 5'10" and weighs 175 pounds.

Cisco's defense only allowed Texas A&M's J.V. ten first downs during the game, along with 79 yards rushing and 119 passing. The CJC defense helped to keep A&M's pass completions at 6

of 33 attempts.

Offensively, Cisco gained 87 yards rushing and 186 yards passing during Thursday night's game.

Fund Set Up For Baker Infant Here

A fund has been set up for Clint Travis Baker, son of Mr. and Mrs. Jack Baker of Cisco at the First National Bank of Cisco. Clint was born September 25, 1983 in Hendricks Hospital in Abilene with congenital heart disease. He was transferred to Ft. Worth Children's Hospital where he underwent surgery last Tuesday. He is still having tests.

Mr. and Mrs. Baker have no insurance and they are having to travel back and forth to Ft. Worth to be with Clint.

They have one other son, Roy, age 7 at home.

BURGESS INDUSTRIES has selected Paul Lavender as Employee of the Month of September. He has been employed at Burgess since January of 1980. Paul is classified as material handler. His duties include control and organization of the metal yard and of the finished goods yard. He is a valuable asset at the plant. Paul was awarded a \$50 gift certificate from Sears. (staff photo)

CISCO EVENING Lions Club boss Al Young is shown as he prepares to "stir a bowl of chili" as second vice president Clyde Sublett and District 2-E1 Governor Archie Chamness react. Little Marty Sublett also helps out the group.

Evening Lions Club Will Sponsor Chili Supper

When things heat up at 7:30 p.m. on the Chesley

Field gridiron, Cisco Lobo and Eastland Mavericks

fans can be "warm and full" next Friday night.

1st Industrial Arts Club Meets

The First Industrial Arts Club met for their regular monthly meeting October 6, 1983. Guest speaker, Nancy Clark, R.N., Eastland, Texas, gave an informative slide presentation and commentary on Home Health Care. During the business meeting that followed the

program, plans were discussed for the Diamond Jubilee Anniversary of the club to be celebrated in November. The next meeting will be October 21, 1983, with club member Evelyn Fry in charge of the program entitled, A Touch of Fall.

The Cisco Evening Lions Club is sponsoring a Chili Supper, scheduled from 5-7 p.m. in the Cisco High School Cafeteria.

Tickets for the event are on sale all this week from members of the club. Cost of the tickets is \$2.50. Tickets will also be available at the door.

Desserts will be available to go with the chili. Tickets will also be available at the door.

Al Young is president of the Cisco Evening Lions Club.

Auxiliary Of Hospital Plans Meet Oct. 17

The E.L. Graham Hospital Auxiliary will have its regular meeting on Monday, October 17th at 2:00 at the hospital. President Kitty McCracken will preside at the meeting; program chairman, Polly Wright will introduce the speaker for the meeting - Joe Cooper, who will speak on "Drug Abuse in Eastland County."

A report of the Book Fair which was held on October 14-15 will be given by co-chairpersons Lois Adling and Pearl Honea. The Auxiliary always welcomes new members-active or associate. The dues for an active member are \$3 and \$5 for an associate. Ruth Heidenheimer is the membership chairman of the Auxiliary. Visitors are welcome to attend the meeting and "see what the organization is all about."

THE FIT AND WELD Department at Burgess Industries has been selected as Department of the Month for September. Employees of the department are shown in the above picture: Ralph Rameriz (department head), John Torres, Danny Hobbs, Rudy

Gevera, Rick Browder, James Weiser, Jack Merrill, Fred Hernandez Sr. and Ray Maples. The company is proud of this department for the good work that brought this honor. (staff photo)

Music Study Club Holds Meeting October 12th

By Vida Killion
The Cisco Music Study Club, members of the Texas Federation of Music Clubs, met Wednesday, October 12, at 10:00 a.m. in the Federated Club House.

Mrs. J.C. Dyer, president, called the meeting to order. Mrs. Hal Lavery gave the invocation.

Mrs. Ben Krauskopf, secretary-treasurer, read

minutes of the May meeting. She made the following notations: Membership dues are paid; the Club plans to complete the current Course of Study Book this club year. She presented new year books to members. The books were printed by Bill Roberts. Viola Payne made a motion to pay the printing cost. Mrs. Hal Lavery gave a second to the motion. Motion

carried.
Mrs. Dyer gave an indepth review of the function of the Federated Music Clubs. In the United States there are four regions: Western, Central, Northeastern and Southeastern. Within regions we have Districts. We are in the Central Region. Our area is called the Texas/Oklahoma District. Texas is divided into 12 Districts. We are in the Third District. Mrs. J.C. Dyer, president of the Cisco MSC and the Third District, also serves in State capacities as State Historian and Chairman of Magazine and Literature Promotion. She attended the TFMC Board meeting at the Holiday Inn Country Villa, Midland, Texas, September 15-17.

Each State send a representative to National.

Regions may select a member to be sent to National to be voted on as a member at large. Out of this group, persons are chosen to compose a National Board of 60 members.

Each District has American Music Chairmanship congruent with the State and National Chairmanships.

TFMC offers awards, scholarships and endowments.

The first to receive the J.C. Dyer, Jr. state violin award was 11 year old, Sylvia Bernard of Houston.

In the Scholarship for the Blind, FMC's of this area had a part in sponsoring the now internationally known trumpeter, Stacy Blair.

Endowment Funds may be given entirely to National or a part may be reserved for Texas.

The Cisco MSC will present Mrs. Leota Bartholomew in Piano Recital, October 30, at 3:00 p.m. at the First Presbyterian Church of Cisco.

Members voted to have programs, personal invitations, napkins and name tags printed for the occasion. Member hostesses will serve refreshments.

Hymn of the month, "O Zion, Haste," was presented by Vida Killion. Mrs. Lynn Williams played the hymn.

Members present were Mrs. J.C. Dyer, Mrs. Ben Krauskopf, Mrs. Lynn Williams, Mrs. J.S. Mobley, Mrs. Viola Payne, Mrs. Hal Lavery and Mrs. O.T. Killion.

CARD OF THANKS
I would like to take this opportunity to thank each and everyone who helped make the 1983 edition of the Moran Homecoming and the towns Centennial Celebration such a success. Little praise is due at all to me, the praise and my thanks goes to those who were responsible for the beautification of Moran and for taking care of the thousands of details necessary to bring about this most exciting weekend. For a brief moment in time Moran was beautiful.
Robert C. Green

Fair Assoc. Says Thanks

Many thanks to each and every one who helped make the Eastland County Fair a huge success.

Special thanks to the banking institutions in the county: First National Bank, Gorman; First State Bank, Rising Star; First State Bank, Ranger; First National Bank, Cisco; Eastland National Bank, Eastland and

Ranger Savings. Each made a meonetary contributions to help us meet fair expenses. Thanks. The Eastland County Fair Association.

1983 ANTLERLESS DEER PERMIT ISSUANCE

Antlerless Deer Permits To Be Issued Oct. 27 At Courthouse

Texas Parks and Wildlife Department will issue antlerless deer permits for Eastland County on Oct. 27 from 8:00 a.m. - 12:00 noon and 1:00 - 5:00 p.m. in the Eastland Courthouse.

A map with the antlerless deer permit issuance compartments and issuance rates will be posted in the county courthouse prior to the issuance date. To qualify for permits, a landowner must own or control acreage equal to at least one-half of

the permit issuance rate of the compartment where the tract is located.

After opening of the hunting season, permits will only be available through Regional Offices located in Rockport, San Angelo,

Tyler, Waco and the State Office in Austin. Permits will not be issued by local department personnel.

Landowners or other agents are urged to pick up permits on the scheduled issuance dates.

People n Things

AN EXTRA COLD winter is in prospect. We received this report from Mrs. Bobby Ingram, police department girl Friday, and she got the information from her dad, Mr. Jewell Snider, of Gorman.

Mr. Snider has been around long enough to read the signs such as the extra heavy coat of hair on animals, food storage habits of squirrels and the like. So...you'd better get your long handles ready.

The weather man's first norther of the fall blew in Tuesday night and temperatures were in the low 50's early Wednesday and upper 40's early Thursday. Folks were out in coats and sweaters and Dr. E.E. Addy came out in his beret.

WHEN YOU GO out of town for a month, there are things you miss that you would have wanted to attend...Things like the party they gave at the First National Bank's community room recently for Mrs. E.E. Addy, Sr., on her 95th birthday.

Many friends and admirers of Gran Addy dropped in to pay their respects and to wish her a happy, happy birthday. Our scouts report that she thoroughly enjoyed the event and greeted one and all with a good word and a big smile.

Those of us who missed the happy occasion want to hasten to add our best wishes for many more good years.

THERE'S A NEW house under construction on West 14th Street in the Oaks Addition, and it's being built by Contractor Hollis Williams of Cisco for Jim and Sylvia George of Cisco. It's a three bedroom, two bath brick home and will have central heat and air and a lot of features.

The Georges recently sold their home at 1109 West 7th Street to Mrs. Dorothy Oakley of Hico, mother of Mrs. Gilbert Copeland of Cisco. The new George house is expected to be finished in about a month.

Mr. George is employed as safety director for EnRe Oil Corporation here.

YOU'VE PROBABLY already noticed it but the big Lobo Band board in the window at The Lemon Tree is very nice. It contains pictures of band members...And the African Violets in the window at Dean Drug are worth a second and maybe a third glance...Wayne Webb, local contractor, has purchased the Hanlon home at the corner of West 14th St. and Avenue N, according to scout reports...Glad to hear that Mrs. Brad (Sharon) Wilcoxon is doing nicely

obituaries

Services For Sybil Jo Myers Held Monday

Sybil Jo Myers, 59, of 2401 Pine St., a former Cisco Junior College instructor, died at 8:34 p.m. Monday at Hendrick Medical Center. Services were at 2 p.m. Wednesday at Elliott-Hamil Funeral Home, 542 Hickory St. in Abilene.

The Rev. Pepper Puryear officiated. Burial was at Pleasant Hill Cemetery near Cisco.

Born March 1, 1924, in Loraine, she graduated from Foursan High School. She married Bill Myers Sept. 17, 1948, in Abilene. She managed a Burger King for two years, and she also worked for 12 years as an instructor at Cisco Junior College. She had lived in Cisco for 12 years, moving to Abilene from Brownwood in 1983. She was a member of First Baptist Church in Cisco.

Survivors include her husband; two sons, Billy Lee Myers Jr. of Austin and Jimmy Myers of Fort Worth; a daughter, Vicki Jo Palmer of Abilene; her father, Marvin Claxton of Abilene; two sisters, Alta Bart of Irving and Jeannie Claxton of Dallas; three brothers, Lloyd Claxton of Big Spring, J.L. Claxton of Houston and Burl Claxton of Detroit, Mich.; a cousin, Norman McMahan of Colorado City; three grandchildren; and several nieces and nephews.

following surgery for a sinus problem. Hospitalization wasn't required.

THE JOHN McGuires

postcard friends from Oregon last weekend. They're spending a couple of months vacationing in the northwest and Canadian Rockies and were due at the home of their daughter, Miss Charlotte McGuire, in Telluride, Colo., this weekend... Mrs. J.C. Fletcher is back home after spending several days in the E.L. Graham Memorial Hospital... The annual mini-marathon was a good success out at City Park last Tuesday afternoon. Guess they'll turn in a list of the winners... Mr. Melvin Wende, the assistant postmaster, is sporting a beard that's now six weeks old. Understand he's growing it for the upcoming deer hunting season in Colorado.

TOTAL RESOURCES of the First National Bank were up nearly \$500,000 at the end of the third quarter as compared with figures for three months earlier. And this indicates a healthy condition for our community... Mr. Ronnie Ledbetter, local insurance man, recently enjoyed a white wing dove hunt in the Sugar Lake country of Mexico. He made the trip with a group of Dallas friends and shooting was super, he reports. He brought home 60 birds—all the law allows...Thieves struck at the Cisco golf course last Saturday night. They made off with seven green cup flags. And a few nights before some vandal drove a car across the No. 5 green with considerable damage. They're rebuilding the No. 9 green as it had been in trouble for several months.

THE HONORABLE Jasper Cooks, judge of the
