Members and all persons interested in planning social activities for the residents are urged to attend.

Fire Destroys Storage Shed Here Jan. 13

Fire of undetermined origin destroyed a storage shed owned by J&J Investments at 1708 Avenue F at 6 p.m. Sunday, according to a report at the Cisco Fire Department. The shed and its contents were a total loss, firemen said.

Firemen went to the home of Mrs. B.L. Jordan, 808 East 13th St., at 8:40 p.m. Friday when an electric stove developed problems and began sparking. The trouble was remedied without loss.

firemen said. A smoking wood heater caused an alarm to be turned in at the home of Mrs. A.C. Holder, 300 West 17th Street, at 12:30 p.m. Sunday. There was no damage, firemen

To Discuss Local Cooperation ject vigorously, he said. A united Eastland County,

- to locate here, to provide more payrolls for this area. In a joint meeting Tuesday evening, representatives from all towns but one gathered to discuss their cooperative efforts and to make plans for further work. First order of business was to pick two representatives from each town who will meet regularly to help coordinate the work of the

Eastland County. These names are to be reported back by Friday of this week and further work will continue.

various chambers of commerce to lure industry to

ready to encourage, assist

and aid any and all industry

including General Motors

A five man team went immediately to work to make contacts concerning the GM effort. Meeting Wednesday afternoon were Tom Brashier, CofC President of Ranger, Gorman Chamber President Gene Foster, Cisco Industrial Foundation Chairman Dick Woolley, Eastland Chamber President Delton Ake and West Texas Chamber of Commerce Director Carl Conger. Their first effort was to contact the Governor's office to determine what is being done on the state level to encouarge GM to pick Texas. (It was learned that Gov. White has a meeting wit': GM officials on Monday, Jan. 21 in Detroit.)

All towns were represented at the Tuesday night meet with the exception of Rising Star, with about 18 present, and unanimous in their opinion that much can be accomplished by working together, recognizing that whatever benefits one, benefits all because of the close proximity of the towns in this county.

A task force is taking shape in Eastland County to bring industry to the area as a result of a recent article in the Wall Street Journal.

A group of men met Tuesday and Wednesday to select representatives and a chairman. Two men will be named soon from the chamber of commerce in each town. However, five men were named Wednesday to serve in the immediate future.

Delton Ake of Eastland was selected chairman. Others chosen were Gene Foster of Gorman, Dick Woolley of Cisco, Carl Conger of Eastland and Tommy Brashier of Ranger. Brashier will also serve as group spokesman:

Brashier said the task force was being formed out oa new spirit of cooperation among the cities of Eastland County. The immediate project is to investigate and pursue the General Motors pro-

Commodities Distribution

Food commodities will be distributed in Cisco on Tuesday, January 22, from 10 a.m. to 3 p.m., in the lobby of the Gaslight Apartments, in the 800 block of Conrad Hilton Avenue.

Cheese and butter will be the only foods available.

The prospect that GM may be considering Eastland as a potential site for a plant to produce the new Saturn automobile was mentined in

The Texas Economic Development Commission in Austin was contacted by the group Wednesday with the

"Along with this spirit of cooperation, we fell that a community of 25,000 working in harmony will have more impact with an industrial prospect with the magnitude of GM than five or six towns working against each other.

The time for our communities to work together is now," Brashier continued.

It Is Cookie Selling Time'

COOKIE SALE- Brownies from Troop 51 and 52 are shown above studying their cookie order forms in preparation for the beginning of cookies sales Friday. January 18 marks the start of this year's Girl Scout cookie sale. An American tradition that dates back to 1933, it's still the main fundraiser for the Girl Scouts, on of America's finest youth groups. Shown in the photo are (left to right, front row): Jane Hounshell and Annie Wright; (back row): Anna Odem, Becky Elliott, Stacey Watson, Ann Hounshell and Carrie Wilkerson. Anyone who is not contacted by a Girl Scout or Brownie and wishes to order, may call Jo Ann Cermin, 442-3200, Sara Hounshell, 442-4616, or Sharon Elton, 442-2486. The sale will continue thru January 26. (staff photo)

Texas Girl Scouts Kick Off New Theme With Annual Cookie Sales

Brownwood, Texas, January 14, 1985... "The cookies that make dreams come true." That's the theme being introduced by Heart of Texas Girl Scouts for this year's cookie sale. The theme emphasizes the vital importance of the contribution people make to Girl Scouting every time they buy a box of those greattasting Girl Scout cookies.

Now more than ever, Girl Scout activities depend on the proceeds from this annual sale. Proceeds from the sale, plus allocations from the United Way, make many learning and growing opportunities possible, from ballet and backpacking to camping and career days. So for a lot of girls, Girl Scout cookies really are the cookies that make dreams come true.

Cisco Girl Scouts will be taking orders from their customers, friends and neighbors, from January 18 through January 26. Cookies will be delivered from February 22 through March 2. Payment will not be accepted until cookies are delivered.

United Fund allocations to Girl Scouts support a wide range of direct services to troops, including leadership recruitment and training. troop organization, educational materials and supplies, professional staff services, office and clerical supplies and services.

Cookie sale profits finance weekly troop programs, provide individual assistance so local girls may benefit from national and international opportunities, develop and maintain the Girl Scout camp located at Lake Brownwood, and pay for camp equipment and program facilities.

Last year more than 69 girls in Cisco participated in Girl Scout troop programs. Cisco is a member association of Heart of Texas Girl Scout Council which served ty jurisdiction in 1984.

Council president Helen Taaffe of Weatherford emphasizes the growth and learning value of the annual cookie sale in individual girl Sometimes when we talk of thousands it is easy to lose

sight of each individual, but we have the names and faces of each Girl Scout member in mind as we begin the cookie sale every year. Of the almost three thousand Girl Scout members, many would miss those special program opportunities if we had to charge a fee that would actually cover the cost. Girl Scout programs are more affordable for all girls because much of the cost is covered by cookie sale earnings.'

Taaffe pointed out that summer resident camp fees charged to girls can be held to a minimum because cookie sale earnings cover the cost of major equipment and facilities such as tents, buildings, canoes, and sailboats.

"I think customers will want to know that their two dollars buys more than a box of top quality cookies. Their investment also helps the troop pay for year around program activities, helps the council provide camping facilities and programs for all girls, and allows the individual girl to earn her camp fee and buy her program books and uniforms.'

'We want everyone in Cisco to know that their outstanding support of the Girl Scout cookie sale in past vears has made many dreams come true for many girls in their community,' Taaffe said.

The very first Girl Scout cookie was a vanilla shortbread, baked in the shape of the Girl Scout insignia, the trefoil. It's still a favorite, but over the years, the Girl Scouts have added lots more tasty cookies to the selection. Like peanut butter Dosidos, Samoas, a Girl Scout exclusive, chocolate Thin Mints and their newest,

Chocolate Chunk cookies made with real chocolate chunks. And, they're all great cookies for a great

School Trustees Extend Contracts

The contracts approved by the board of trustees of the Cisco Independent School District at their monthly meeting Monday night were for an additional year for Coach John Parchman and Superintendent James Couch, according to an announcement by Howard Worley, board president.

Mr. Worley stated that a recent article in the Press did not make the contract extensions clear. He said both Parchman's and Couch's contracts were already good for next year and Monday

Escape Charges And DWI Filed On Cisco Man

Charges of misderneanor escape from an arresting officer and for driving while intoxicated were filed in 91st District Court against Gary Don Walker, 24, of Cisco, after he fled from a Cisco police officer last Jan. 9th. according to Police Chief Billy Rains.

The young man had been stopped by Officer Frank Thumsuden and fled on foot when the policeman started to put handcuffs on him, Chief Rains said.

The chief said that Walker voluntarily gave himself up after telephoning police Thursday. Charges had already been filed and the young man was placed in the county jail. A bond hearing was scheduled Friday.

night's action by the board extended their contracts for an additional year.

Mr. Worley also said at the meeting before last week's, the board decided to not exercise their option to purchase land between West 15th and 16th for the building of a new school. He said the owner of the land never did sign the sales contract and return it to the board. They have now decided to

look at the possibility of tearing down the old gymnasium at Cisco Intermediate School and building more classrooms and a new cafeteria at the school's present site.

The new cafeteria would be large enough to also serve as an auditorium and recreation area. The Intermediate School site would then house all students from kindergarten through grade six, doing away with the need for the present Primary school.

Citizen's Optimism Hopefully Catching

recent statement in The Cisco Press by Dan Wester, he said has been questioned by several people about his optimism in the growth of Cisco. The following question and answer hopefully explains his optimism and it is also hopeful his optimism will become contagious among Ciscoans.)

"Dan, why do you think Cisco has a chance to grow and become much more than an old town that has for years had no desire to

In the two years that I have been here I have seen strong progress occur in new businesses being opened, closed businesses being reopened, several companies making improvements to their existing buildings, and the remodeling and use of vacant buildings.

Some of the new businesses that have opened are Harvey's Appliance, Kid's Kountry, The Sidelines, J.J.'s Picnic Basket, P.J.'s Fashions, Cisco Steakhouse and Inn, Munden's Discount Center, First National Bank, Interiors Unlimited, Traditions Restaurant, Town & Country Convenience Store, Woodmen of the World Insurance Company, D&H Enterprises, Cisco Medical Office building, Fleet Cementers, Cisco Auto Trim, Cisco Hilton Avenue Garage, Custom Fab, and the car wash (beside the Colony Restaurant).

I have observed the reopening of the Colony Restaurant and the big Exxon station. Those companies that have made improvements are Cisco Pump, Quickway, Batteas Builders, Eris Ritchie's Southwest Enterprises, and the White Elephant.

The remodeling and use of vacant buildings has been done by M&M Drilling, Cisco Reclaiming Crude, Nimrod Operating, Hillard Austin Oit, Truman Kirk Law Offices, Central Masonry, Red Front Mini Mall, Page Oil, Don Hanvey Oil, Katlaco Operating Company, Lone Star Gas, Austin Furniture, Stovall Roustabout, Walton Electric, and Action Transport & Trucking.

Plus, the city street and water improvements have brought much security for prosperity.

The answer to the question presented is that we have already started to grow and prospects are very good that

we will continue to grow. An absolute point of the answer is that our town has a nationally famous history. Not only because of the Cisco-Mobley Hilton, but also because of the old Lake Park (the Six Flags Over Texas of the 1920s-1960s

Worth remembering was, the complete devastation of Cisco by the 1893 cyclone and recovery which involved manpower, help and supplies by the trainload from across the country. Also, the old Santa Claus bank robbery in which the disguised good guys' efforts caused great pain, death, and sorrow which was all for naught. This old story draws interest and is an attest to the lesson that it does not pay to deceive, especially the Cisco First National Bank

In addition, Cisco is the old train meeting station and major railroad crossing. These things and others contribute to an interest trend that is spreading across America involving nostalgia, roots, and real value (the good ole days).

These interests are best displayed and vented through turn of the century buildings and dwellings of

Our excellent accessibility to I-20 travelers is another great plus. (I imagine one million dollars passes by Cisco every day.

I know some fears progress because of the possibility of increased taxes. However, the increased property values and city improvements outweigh any tax increases due to progress. Progress provides more jobs, happier people and stronger families.

There is enough money among some of the sources within our community to pick a project and lift its face. Everybody can help by saying a positive thing, rather than a negative thing.

As our forefathers did for us in establishing our nation, we owe our posterity our every effort for a better place to live. Prosperity provides the privilege of being capable of giving and having all those things that make for livelier living.

What do you think, Cisco citizen, and how will you contribute to the coming eventful era? Write to your Chamber of Commerce and make suggestions and commitments to add life to a pro-

HOLIDAY VISITING- Visiting over the Christmas Holidays with their grandmother, Ruth Pevey, of Irving, are her grandchildren, front row: Paula Fletcher of Euless, and Teresa Pevey of Cisco; back row: Lonnie Pevey, of Cisco, Danny Fletcher, of Dallas and Sherri and William Pevey of Cisco.

Cisco AARP Has 269 Members

By Lela Latch Lloyd "Tonight we celebrate the 25th national birthday of our organization," said President Tony White. "We have a total of 171/2 million members-the largest senior citizen organization in the world.

The president continued with, "Texas has 350 AARP chapters. Together through state and national cooperation, we have accomplished these things:

"1.Established an AARP insurance program underwritten by Prudential for people 50 and over.

2. Annually conduct defensive driving courses entitled "55 and Alive" that give a car insurance deduction on their completion. "3. Published a monthly

MODERN magazine. MATURITY; a bimonthly AARP NEWS BULLETIN; and a quarterly report from the AARP Pharmacy which fills more than 6,000,000 prescriptions yearly.

4.Led the crusade for health for the aged with a slogan of 'Cut the cost; keep the care.

5.Established Travel Bureaus for senior citizens. *6. Procured a reduction in travel via bus, rented car, hotel rooms, and tickets to recreation centers, especially parks.

Rose Knowlden, treasurer, read a letter of thanks from Mayor Eris Ritchie for the Christmas gift of \$62.00 sent to the Conrad Hilton Memorial Park.

Following the "gloating of our actime" complishments as an organization whose motto is "To serve and not be served," President White showed 20 slides of the QUEEN MARY which is now a combination museum and hotel in California. This English cruiser, a pleasure ship before WWII was converted to a troop ship during that war and brought a load of 15,000 soldiers home after

V.E. Day in Europe. In the business session, Walt Knowlden re-stressed the 40-hour work week which begins next Monday for those in training to help the aged with their income tax reports. "This is another serelderly. We have people from Breckenridge, Albany, Moran, Eastland, Rising Star, Coleman and Cisco who will be in training all next week for this special ser-

Lawrence Thompson, one of the leaders of "55 Alive" said that the class would be two days, Jan. 29 and Jan. 31 at the Corral Room at the senior center.

Jack Roberson, membership chairman, asked that he be contacted at this number for dues payment: 442-3922 or for the name of any prospective member that might be submitted to him. He reported six new members for this year: Mr. and Mrs. Darrell McCrary, Mr. and Mrs. Ronald Winchester, Nell Lavery and Derwood

Meeting adjourned at 7:45

Lions Club Sees Photo Display Jan. 16

Members of the Cisco Lions Club saw a display of camera equipment and pictures made with them as the program feature last wednesday noon at the weekly luncheon at the Colony Restaurant.

Greg Qualls, employee of the oil companies at Kamon House, was the speaker. He showed Lions two cameras that he uses and discussed their capabilities and displayed various pictures made with them. Mr. Qualls yearbook handled photography while attending both Cisco High School and Cisco Junior College.

Lion Ivan Webb, serving as program chairman, introduced the speaker.

Guests for the luncheon included Frank Spangler and Mrs. Jasper Cook.

Some 30 Players Sign At Sr. Colleges

Some 30 members of the 1984 Cisco Junior College football team have moved on to senior colleges with scholarships to play on grid teams next fall, according to a report by Coach Rick Frazier.

Coach Frazier said the first mailing of invitations to football prospects went out last Wednesday. He has some 10 propects for next fall's team that transferred here for the spring semester. This group includes Quarterback Mark Pilling of Georgia Tech, Running Back Todd Akers of Texas A&L, Linebacker Shane Olsen of Thousand Oaks, Calif., and Center Fernando Gonzales of El Paso Bowie. They are freshmen.

The coach said he was interested in eight or ten area youths, including two from Cisco High School, two from Eastland, two from Albany, one from Breckenridge and

Ariel Doolittle, 325-lb.

ed a letter on intent to play at the University of Illinois next fall. Quarterback Mike Frazier has been signed by North Alabama University, and Guard Steve Beggs will go to Wyoming University. Jimmy Kanady, last year's top Wrangler runner, has signed on with Stephen F. Austin University.

Lamar University got guards Courtney Wash and David Clark and tight end Ty Harding, while linebacker Ed Fleming has cast his lot with North Texas.

Two freshmen, wide receiver Greg Holmes and running back Earl Wiley, are going to Oklahoma State and Eastern New Mexico University respectively. Offensive tackle Rich Huffman is going to the University of New Mexico.

Others and where they are going are: safeties Mark Johnson and Marcus Burnett, Western Kentucky; center Ted Ragsdale,

sophomore tackle, has sign- linebacker Dexter Branch and cornerback Kelvis Mangrum, East Texas State; wide receiver Mike Robertson and linebacker Williams, Marvin Southeastern Okla.; guard David Clark, Harding; cornerback Walter Green, Northeastern Oklahoma; tight end Keith McCarty and quarterback Gene Kennedy, Cameron University; wide receiver Aatron Kenney, Angelo State; kicker Walter Rule, Texas A&I; defensive tackle Jerry Staggs and safety Jim Hodges, Tarleton; and defensive tackle Jerry Faughtenberry and offensive tackle Terry Faughtenberry, McMurry.

> Coach Frazier said that the Wranglers will be holding off-season drills as weather permits throughout the spring semester. Some 75 athletes are now in the Wrangler camp and will participate in the off-season

Texas Most Wanted Fugitive

PASADENA, Texas--Edward Harold Bell has been running from the law for the past five years.

Bell, now 45 years old, is wanted for Failure to Appear in Court on Charges of Murder and four counts of Indecency with a Child.

This week, Bell has been selected as the first fugitive to be featured as Texas Most Wanted. A \$1,000 reward is being offered by the Texas Crime Stoppers Advisory Council for information leading to Bell's capture.

A former diesel mechanic, construction worker and pharmaceutical salesman, Bell was originally apprehended August 24, 1978, just a short time after he allegedly shot and killed Larry Dean Dickens, 26, of Pasadena.

Police reports indicated Dickens was at his mother's house and saw a man exposing himself to children in the neighborhood. Dickens, who was the father of a young daughter, went outside and grabbed the keys to the suspect's truck in an effort to detain him for police.

It was a brave act that cost him his life.

The suspect pulled out a pistol and began shooting at Dickens, who staggered to the garage of his mother's home and collapsed on the floor with his wounds. Witnesses say the offender then pulled a rifle out of his truck, walked into the garage and - ignoring pleas from Dicken's mother that his life be spared - shot the young man in the head at close range.

A short time later, police apprehended Edward Harold Bell.

Bell is described as a white male, 5-11, 220 pounds, with brown hair and hazel eyes. He forfeited a \$125,000 bond

when he failed to appear in court on January 8, 1979, to stand trial.

Anyone with information about Bell's whereabouts is Council toll-free at of dangerous fugitives. 1-800-252-8477 or their local Crime Stoppers program. Callers do not have to reveal their identities.

Texas Most Wanted is a weekly cooperative effort between Crime Stoppers and the Department of Public Safety and is designed to asked to call the Texas enlist the support of citizens Crime Stoppers Advisory in determining the location

> Cash rewards are also offered on a regular basis for information leading the capture of other wanted felons.

Left Turn Lanes Now **Around Square**

Motorists are asked to exercise caution as they approach Lamar and Seaman St. on the north side of the Courthouse Square.

Traffic lanes on this part of Highway 80 have been restriped to designate leftturn lanes on these two streets. Vehicles going straight through should pull into the right lanes, allowing those turning to use the leftturn area.

"It may take a little while," a Highway Department spokesman said, "to get used to these changes. But traffic should begin to flow a lot better - no more

fender-bendings." Some of the parking

spaces have been eliminated at each turning point to give more room to the vehicles.

A crew from the District office in Brownwood has been working on the repainting for several days, and expects to be finished with this phase by noon Saturday.

This first paintings is only temporary, however; plans are to resurface and repaint

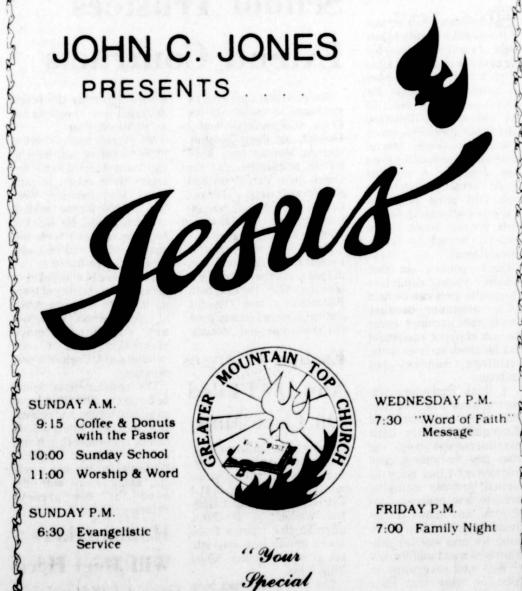

the road in a more permanent fashion next summer.

At that time traffic button reflectors, similar to those used on the main highway, will be set up at the left-turn areas. This will be more visible than the present arrange-

Cisco Jr/Sr Teams Have A Full Week

Cisco Public School basketball teams have a busy schedule for the coming week with games Monday, Tuesday, Thursday, Friday and Saturday

The schedule includes conference games Tuesday at Eastland and Friday with Coleman for the boys and girls varsity teams. Monday at 5 p.m., the Cisco junior boys and girls teams play Clyde. The boys play at Clyde while the girls will be in action here.

Cisco varsity teams go to Eastland at 6:30 p.m. Tuesday. Albany junior teams play here Thursday (boys) while the Cisco girls are playing in Albany. Both programs start at 5 p.m. Coleman's varsity teams are scheduled to play in Cisco beginning at 6:30 p.m. Fri-

The girls junior varsity team will take part in a tournament at Eula Friday and

A 31-to-27 victory by the junior varsity boys gave Cisco their only win in five games Thursday night with Eastland teams playing in Cisco and Eastland.

The Cisco 8th grade boys lost by a 32-to-30 score to Eastland 8th graders in overtime. Cisco's 7th graders dropped a 32-to-19 game to Eastland in their outing.

In two girls games at Eastland, Cisco lost two. Eighth graders lost by a score of 9-to-6 while the junior varsity girls lost by a score of 25-to-15.

Stats for the Cisco JV team were reported as follows: Leigh Callarman 1-1-3; Kelly Cooper 1-0-2; Kristy Smith 2-0-4; Leslie Gosch 1-0-2; Sherry Seabourn 1-0-2, and Missy Bailey 1-0-2.

Wal-Mart Foundation Scholarship

The Wal-Mart Store in Eastland, Texas has announced that \$1,000 scholarship will be awarded to a high school senior in the very near future. Speaking on behalf of the store, Larry Olbekson, manager of the store said, "One scholarship will be presented to a student that plans to attend a college or university after graduation from high school."

The scholarship will be based on the student's scholastic and academic achievements, extra curricular and work activities, and financial need. A team of judges, consisting of community leaders, will evaluate the applications and make their final determination during an interview with the student.

"Students interested in applying for the scholarship should check with their high school counselor for applications and more information," Larry Olbekson stated. Applications must be received by the school

counselor before February

The scholarship given by the Eastland Wal-Mart store is only one of over 755 other scholarships being given by the company. Wal-Mart Stores, Inc., headquartered in Bentonville, Arkansas, operates 745 stores in 20 states.

series in regard to hypothermia, that of the body the body mechanism not being able to adjust to the temperature change.

What is understood is that a significant proportion of older Americans are at risk of suffering a lifethreatening illness related to cold. If not detected promptly, hypothermia - a medical condition characterized by an abnormally low body temperature - can cause lasting damage to body organs, or death.

The National Institute On Aging estimates that 2.5 million older Americans are particularly vulnerable to hypothermia. Yet, many cases go undetected because the symptoms are similiar to those of a stroke, or diabetic

We will discuss this more next week. Do not forget to call the Senior Center at 442-1557 and make your luncheon reservations.

The programs for the past week include: AARP covered dish dinner and meeting was held at the center. Special music was provided by the band and choir. Dinner music was conducted by Anna Dytzel, Mildred Johnston, A.E. McNeeley and Billie Wood.

The menus for the coming week will be:

Monday- Ham, peas & carrots, cheese macaroni salad, orange whip/topping, bread, butter and milk. Wednesday-- Steak.

Lights From Christian World

Jesus said, "Your soul is worth more than the whole world." How different from the standards of men. Men measure one's worth by wealth, fame and physical well being. Yet, Jesus said that your soul was worth more than these.

People tend to put all emphasis on the body with its pleasures and physical wants. But our soul also has appetites. Down deep inside every person's heart their spirit is crying for something out there somewhere.

We are told our body will die but our soul, the part of us made in the image of God, will never die. Our spirit will live forever.

Satan is interested in your soul. Jesus believed in the devil. He said the devil is the prince of this world. God created a perfect world and never meant there to be suffering, wars and death. Satan came and rebelled against God. Then man made a choice and rebelled against Him. Evil brought suffering and death.

God was not willing that men should perish. "I have a plan." he said. "I will send my Son to earth to save the human race.

Satan tried to kill God's Son. When Jesus was on the cross, it looked as if the devil had won a great victory, but instead the devil lost the greatest battle ever fought.

Jesus arose from the dead. Christ is alive and He is coming back to this earth again! Lift up your heads, Christians! Because He lives you too will live in joy, peace and harmony with Him forever.

The Rapido River Crossing When we visited the Rapido River, there was nothing there to indicate the struggle that took place there more than 40 years

"Were you at the Rapido?" An affirmative answer draws a respectful hush, a reverent understanding. The name resounds with blood, that of men known only to be "many", who became casualty in that fateful operation. Few seek to inquire what happened there, because the effort, however great, did not succeed. Why it did not is clear in the recount of the two-day

The fall of Mount Trocchio, last height before Cassino, has pressed the Germans back onto a prepared defense line anchores at Cassino and blocking entrance to the Liri Valley along the Rapido River. Here the Germans were strong and alert, favored on the defense by the winter weather, by the terrain - flat, open soggy ground. Not only did they withstand the assault of the 36th but major bids by the British on the left, and the 34th on the right during this ame period were likewise repulsed. They held that line for five months until the mighty May offensive was launched.

The two-pronged 36th Division assault aimed at the capture of San Angelo, across the Rapido, and the establishment of a bridgehead. The attack was carefully prepared in detail and preceded by reconnaissance patrolling, the clearing of lanes through known minefields to the crossing site, and a plan of strong artillery support.

But the physical odds were too great. This was apparent before the attack to all experienced soldiers.

Thirty minutes before 2000 hours of January 20, fourteen battalions of artillery signalled the opening preparation.

But this did not hinder the

enemy from sensing the attack and returning the fire in volume. Dense fog blacked out the night. As both 141st and 143rd Infantry men approached the crossing sites, the story was the same: Incoming artillery and mortar fire, men moving over reportedly cleared lanes stumpling upon German anti personnel mines, many casualties, shell and mine fragments ripping and rendering useless the rubber boats being carried for the crossing, guides losing their way or taking the wrong turn in pitch black. In one company alone, the company commander was killed, the second-in-command wounded, and thirty men were casualties before reaching the river.

At the water's edge German machine guns and small arms close to the shore spattered into first elements attempting to cross. Boats overturned in the swift waters or were punctured when the mortars fell.

Just prior to daylight small forces of both regiments got across the makeshifts bridges. The 1st

Battalion of the 143rd found itself pocketed in interlocking German machine gun fire with the river to their backs. Then enemy tanks opened fire from San Angelo. The escape being wiped out completely, the battalion commander ordered his men

The bulk of A and B companies, 141st, dug in and stayed on the west bank through daylight of the 21st. But on communication could be had with them and no follow-up could occur over the exposed river site during the day.

The Corps commander ordered the attack for the Rapido brigehead to be resumed by a daylight assault. There would be no suprise, now, Germans, too, were bringing up reinforcements, and calling down continuous fires upon the river areas.

First set for 1400, the late arrival of more boats delayed the time until 1600. The 143rd Infantry 1st and 3rd Battalions again jumped off at that time. Though the river was smoked heavily for the attack, the Germans again countered with strong defensive fires. Casualties were heavy. The 2nd Battalion moved across after midnight and reached the flank of the 3rd Battalion about 500 yards inland after daylight. Trapped in German machine gun fire, and under heavy concentrations of mortar and scream meemies, the men were unable to make any head-

The 3rd Battalion reported running out of ammunition 430 were dead, 700 captured. Nine hundred others fell dead and wounded on the American side of the river.

pled and then driven back.

In 1946, there was an investigation into this Rapido River Crossing, but those incommand were cleared. "Ruins are dismantled and new buildings arise on the sites of the old. Men remember, but their memories fail and finally die with them. And of the deeds bravely done and hardships bravely borne soon nobody remembers but the imperfect record itself."

After visiting these battle sites, we left Sorrento for Fuiggi, or Foggia (Italian). We stopped at Caserta, which was a rest camp during the war. Situated 16 miles northeast of Naples, the "Versailles of Naples". It was best known for its Royal Palace which dates back to the year 1752, and was begun during the reign of Charles III. We visited the castle or palace and it was a huge building, with many rooms, all in good condition. the rooms were furnished with beautiful furniture, and each floor was covered with different designs of marble. The ceilings were painted with beautiful scenes and a

painting of the royal family was displayed on the walls along the huge stairway.

The gardens were over a mile long around the palace. They were well kept and many flowers and vines were in bloom. There were fountains and statues

Again we saw the many apartments where Italian people live, or "flats", as our guide called them. There was always washing hanging on the balconies, every day of the week. We saw many markets along the roadside and saw many green and gold melons for sale. Our guide told us these melons were placed in plastic bags and hung in their cellars dur-

ing the winter. Also at Caserta, base hospitals and a general hospital were located there during the war. Some of the men on our tour bus had been in the hospitals there recovering from their wounds. One of the nurses

from the 36th was on our bus and she remembered some of the men who were in the hospital when she was there. We were much impressed by one man from Atlanta, traveling with his VA counselor, who had been shot in the neck and lost an arm while there during the war.

We arrived at Fuggi late in the afternoon. This is a beautiful resort, noted for its mineral waters, and is located in the edge of the mountains.

Fishing Report

Terry L. Wilson

Fishing Outdoors

Cover, cover everywhere! All area lakes have risen to levels taking in some excellent cover or fishing structure. Weedbeds, brush piles, willows and even some new sunken boat houses. Leon's crappie are really coming around with some real nice 1-21/2 pounders coming from some main lake boat houses. Neon crappie jigs seem to be producing the best, bass slow, with a few smaller fish being taken by crappie fishermen. Brownwood's Thunderbird Bay reports overall action slow, with a few scattered crappie catches, bass good with a few solid 2 pound fish being taken near the dam. Whitney's strippers are looking good with a recent 2 fish total weight of 27 pounds, black bass fair, spoons and spinner baits on the steep on the steep cliffs worked in about 12 foot of water. Palo Pinto's crappie are beginning to show up near the hot water outlet, bass poor.

A thought which many people accept and shouldn't is the belief that during winter all bass move to deep water and become dormant; not true. There will be fish in

All-State Football Teams Announced

The All-State Football Team has been released and on the second team is Cisco outstanding Johnny Dale Seabourn. Johnny was second team offense for the guard position.

Johnny is the only representative of the district 11-AA to represent the allstate team. We would like to congratulate Johnny and the rest of the Cisco team for beging nominated to the

Other players which may interest fans include Charles Lott of Electra who played against Eastland in a playoff game. Bryan Padgett of Arp also was a player from the schoolin which Ronnie Hughes once coached.

Robert Longoria of Stam-

ford was the all-state punter as he punted against the Eastland Mavericks to open Eastland season. Royce Webb was another punter known by Eastland as he made second team all-state

for Electra. Names of interest also include Chris Gerber of Nazareth and Ricky Backus also of interest. We most recently have had several people move from Nazareth to Cisco and also to Ranger Chris made all-state for 2 positions, one kicker, second team and the other running

back first team. We would like to congratulate all the representatives for making the team. Especially Johnny Seabourn for his outstanding performance in districe 11-AA.

through September. The rains came too late to help production of peanuts and some other major crops. When it finally rained in October, peanut harvest was in progress and the rain cause harvest delays and crop

back to the 1983 drought. The last six months of 1983 was probably the driest ever in Eastland County. Many stock tanks were dry and stockmen were hauling water and supplementing

and fall rains, peanut yields the county peanut crop in 1983 and 1984 was about \$5.4 million each year compared to \$11.5 million in 1981, the last good peanut crop. It must also be noted that the acres planted in peanuts was about two thousand acres

feed for livestock. Then came the extremely cold weather of December. The new year started out very dry and remained that way until October. Some small rains in the spring put water in stock tanks, but not enough to last all year. Very little hay was produced which meant expensive outof-county hay had to be bought.

Most county cattle producers either sold out completely or drastically reduced herd numbers. As markets became overloaded, prices went down.

It was also a bad year for

the county's livestock pro-

ducers. To really understand

the problem we have to go

some last minute things be-

THIS IS sort of an advance, personal invitation to everyone to plan to attend our Open House next Sunday, Jan. 27th, from 2 to 4 p.m. at the new printing and office facilities of Eastland County Newspapers, at the new location, 215 S. Seaman St. in Eastland.

WE'LL BE printing a special section to be delivered with papers at mid-week telling about the facilities and with pictures about the construction and re-location.

IT IS our purpose to dedicate the building to the service of all the people of this area. We want to provide the best local newspaper possible for each of the towns we serve...We know that we have the best people in the world to work with, and our goal is to be the local spokesman for each of the towns and its people.

NATURALLY, WITH any such move, there's always

ing done, and we hope that most of them will be done before the doors open on that day ... As we write this, workmen are busy at work on the south side of the building trying to get parking areas finished...The contractors for that part of the job have had their problems: everytime they've tried to get it done, it's rained and/or frozen and postponed the work - but no one has complained about the rain. This is West Texas and we've always took it when it comes. But with sunshine to-

mud will be removed. In the special section. we're going to try to show and tell some history and some aspirations for the future...We've got some plans for the future that we think our readers will like.

day, there's hope that the

Energy Conservation For Religious Structures

Is your church spending too much money on utility bills? This is the problem which will be investigated as a special workshop on Energy Conservation for Religious Structures. Sponsored and conducted by the Texas Agricultural Extension Service, the two day workshop will be held on January 24 and 25 at the First Christian Church of Breckenridge. The church is located at 101 East Williams, just one block south of the Texas American Bank.

This workshop is one of only eight such workshops to be held throughout the state during 1985. An engineer and an energy specialist from the Texas Agricultural Extension staff will conduct workshop. The workshop will deal with energy audits as well as identification of problem areas. Workshop participants will be taught to prioritize according to the cost effectiveness and will take part in an actual weatherization program. The workshop will also provide an opportunity to investigate potential cost savings through major and minor capital investments of

Registration fee for the workshop is \$10 and should be made payable to the First Christian Church of Breckenridge and mailed to P.O. Box 808, Breckenridge, Texas 76024. This fee includes the noon meal each day of the workshop and various printed materials. Registration will be strictly limited to 30 participants, so pre-registration is strongly urged as enrollment will be made according to the order in which registrations are received. The Rev. Charles

equipment.

Hamilton, host pastor of the workshop stated. "We are so glad that the Extension Service has taken this significant step in providing their established expertise to assist churches with ever rising utility costs. Its a matter of good stewardship to conserve energy as well as to

better utilize the funds of the church". Additional information may be obtained by calling Rev. Hamilton at (817) 559)2744

The next Game Day at Lone Cedar will be Friday, February 1. Beginning at 10 a.m. All sorts of games will be played. Prizes will be awarded in all games. Lunch will be served at noon and then play will resume.

Fee will be \$4.00.

Oil Instruments

Sun Exploration & Production of Abilene has filed for permit to drill the No. 18 A.M. Fincher, a 3,800-ft. developmental well four miles northwest of Necessity. Location is in a 265-acre lease in the Stephens Regular Field, TE&L Survey.

At a location three miles northwest of Gunsight, Snow Oil has finaled a wildcat producer in Stephens County.

The well is designated as the No. 1 Gentry, pumping at the rate of 65 barrels per day

Location is in the T&P Survey. Bottomed at 4,332 feet, the well will produce from perforations in the Caddo Formation, 3380 to 3,408 feet into the hole.

Sun Exploration & Production has filed first production figures on a new oil well in the Stephens Regular Field. The No. 137 Elliasville Unit showed potential to make 58 barrels of oil along with 1,105 barrels of water.

Drillsite is four miles northwest of Ivan in the SPRR Survey.

The well will produce from an interval in the Caddo Formation, 3,230 to 3,270 feet into the wellbore. Total drilling depth was 3,385 feet.

A 4,400-ft. developmental try is planned by Ray Herring of Graham at a drillsite two miles north of Gunsight, Stephens County. The location is in a 60-acre lease in the T&PR Survey. Well's designation is the No. 2 Wagley. It is in the Stephens Regular Field.

A gas producer has been brought on line in Eastland County's Jessie Lee Fields, with Don H. Hanvey Oil Interest as the operator.

Located one mile northeast of Cisco, the well is in the H&TCRR Survey, A-2037. It is designated as the No. 14 Hanvey-Fee "B".

On a 5/16 choke, it flowed 859,000 CF gas per day. It was rated at 1,310,000 CFD on absolute open flow.

The well bottomed at 4,014 feet and will produce from a perforated interval in the Conglomerate Formation, 3,605 to 3,609 feet into the

At a location three miles northeast of Carbon, TEACO has finaled a new gas producer in the Eastland Regular Field.

The well is designated as the No. 3 McDaniel, flowing at the rate of 20,000 CF gas per day on a 3/4 choke. The absolute open flow rating came in at 26,000 CFD.

Location is in the H&TCRR Survey, Sec. 7, Blk. 2. Bottomed at 1,162 feet, the well will produce from perforations in the Fry Formation, 938 to 946 feet into the hole

planned by EnRe Corp. of Cisco at a drillsite three miles northwest of Cisco, Eastland County. The location is in a 640 acre lease in the SPRR Survey, A-462. Well's designation is the No. 13 Mitcham Estate "H"

Adler Petroleum of Irving has filed for permit to drill the No. 1 Yeager, a 3,250-ft. developmental well six miles northwest of Cisco, Eastland County. Location is in a 40-acre lease in the TE&L Survey, A-511. The well is in the Adler Field.

A Brownwood-based operator has staked location for the No. 1 Charles Little "B", a developmental well to be located three miles east of Carbon. With projected total depth of 1,350 feet, the well is in a 70-acre lease in the Eastland Regular Field, H&TCRR Survey, Sec. 3, Blk. 2. The operator is Midwood Petroleum.

Drillsite has been staked for the No. 1 Dwayne Wilson, a 3,999-ft. developmental well in the Eastland Regular Field. The operation will be located two miles east of Pioneer in a 160-acre lease in the ETRR Survey, A-1867. The operator is Barbara Oil of Wichita Falls.

The No. 1 Childers, a 2.000-ft. developmental well, is scheduled to be drilled in Eastland County's Scranton Field. EDAD SOL of Albu-

Crude Oil And Natural Gas Sale Contribute To Economy

The sale of Crude Oil and Natural Gas from Eastland County wells made an important contribution to the county's economy in 1983 and accounted for \$124.7-million of the \$38.3-billion wellhead value of Texas petroleum production last year.

In its annual survey of the economic impact of oil and gas industry operations in the significant producing counties of Texas, Texas Mid-Continent Oil & Gas Association reported that the county ranked 83rd among Texas' 254 counties on the

160-acre lease in the Eastland Regular Field. James Nannum Survey,

Ridgeway Exco of Houston has revealed plans to drill two 1,200-ft. developmental wells in the Hawk-Eye Field. The operator has 120 acres leased, with drillsite in Eastland County's H&TCRR Survey, Sec. 57, Blk. 3, and has designated the ventures as the Nos. 38 & 39 Delbert Tarver "A". Drillsites are one-half mile west of Romney.

basis of the value of its marketing petroleum production. These production figures included condensate and casinghead gas.

The county's well produced 2.8-million barrels of crude oil, valued at \$81.7-million, and 19.1-billion cubic feet of natural gas, valued at \$43-million. Owners of royalty in the county received \$15.6-million as their share of the output, the Association noted.

The chairman of the Association, J.C. Walter, Jr., of Houston, said:

"These figures give evidence that again last year the petroleum industry was of great importance to the economies of those counties throughout the state with significant production."

In addition to paying property taxes to cities, counties and school districts, producers in the county supported state government through production tax payments estimated at \$ seven-million, according to the Association survey. Crude oil taxes amounted to \$3.8-million, while natural levies totaled \$3.2-million.

Based on Texas Employ-· memememememememe

ment Commission figures, some 689 oil and gas industry employees in the county received wages of about \$12.6-million in 1983.

In the search for new petroleum reserves in the county, oil and gas producers spent a reported \$89.1-million in the drilling of 712 wells, including 18 wildcat, or exploratory, wells. This effort resulted in the successful completion of 370 oil wells and 74 gas wells, although some \$33.5-million was lost in the drilling of 268 dry holes. As of April 1, 1984, there were 2,308 producing wells in the county; 1,723 oil and 585 gas.

Petroleum processing also contributed to the county economy, with eight natural gasoline processing plants, having a total daily capacity of 99.5-million cubic feet of natural gas, in operation.

YOU AUTO KNOW

Flexible tubes bring warm and cool air to the air filter as needed; damaged tubes can affect engine performance, yet replacement is inexpensive. Have them checked now and then.

Seat belts are safer: some 25 percent of passenger and driver deaths come from being thrown out of the car during an accident.

If your car won't start when you turn the ignition key, put on the lights and try again. If lights stay bright, problem may be in starter or neutral switch on transmission. If they go dim, check battery connection. No lights means battery is dead or disconnected.

Hard steering, road wander, shimmy, and abnormal tire wear may be caused by defective front-wheel bearings. Schedule inspection and maintenance twice a

Average, use of cars on the road is higher these days; carburetor trouble can be expected if maintenance is not up to par

RANGER

The 1985 "Week of Prayer for Christian Unity" began on Jan. 18 and will continue through Jan. 25. The Ranger Ministerial Alliance will hold a ecumenical prayer service to commemorate the week on Wed., Jan. 23, 7 p.m. in the First United Methodist Church at 417 Elm St. All are encouraged to join in prayer for Christian unity during the week and to attend this service. This year's theme is "From Death to Life With Christ".

A firm from The American Cancer Society titled "Cancer, Assessing Your Risks" will be shown on Jan. 22 at 7 p.m. at the Ranger Community Building. Material for each person to do a self evaluation will be available. Everyone is welcome to

The Ranger High School is offering Adult Education Classes, in which persons 17 yrs. of age or older can earn their G.E.D. Certificate. You can enroll by attending class on Monday evening from 6 p.m. to 9 p.m. in the Ranger R.I.S.D. Administration Building. For more information, call 647-1187

The community has been invited to join a Drama Class at Ranger Junior College. Called Drama 101, this course is a new offering for the college, and is open to all ages of people. Students will earn three semester hours of college credit, and will have an opportunity to be involved in an actual play production. Call the college at 647-3234 if interested.

The Ranger Riding Club is riding in the Ft. Worth Fat Stock Show Parade this weekend. (Sat. 19). Bands, floats, wagons, and riding clubs have gathered from all over Texas to participate in the famous parade, which kicks off the weeklong stock show. The Ranger Riding Club is wearing their traditional western attire in blue and white. This group is unique because it is one of the few all-women riding clubs in the area. The membership is open to all area women.

EASTLAND

The annual "Golden Deeds" banquet, which is sponsored by the Chamber of Commerce, is expected to draw a large crowd to Siebert Elementary School Cafetorium on Monday, Jan. 21, 7 p.m. This has been a good year for Eastland, and a number of reports on activities will be given. Terry Edwards will be installed President of the C of C, as retiring President

Delton Ake comes to the end of his term. Featured speaker for the event will be humorist Stan White. There will be good food, a number of awards presented, and special music.

The Eastland County National Association of Retired Federal Employees (NARFE) will meet Tuesday, Jan. 22 at 5 p.m. in K-Bob's Steak House in Eastland. Pauline Hudson, newly elected President, will preside during the business portion of the meeting. A meal will be served.

A Pancake Supper will be served by the Eastland Lion's Club on Jan. 21. The place will be Camp Inspiration - the time 5 p.m. until 8 p.m. Tickets are \$3 for adults and \$2.50 for children, and are available from any Lions Club member. Plenty of good food is promised.

Spirit of Praise, a musical group from the Christ For The Nations Institute in Dallas, will be ministering at the Word of Life Church in Eastland on Sunday, Jan. 20, 7 p.m. They will have songs, testimonies, and personal ministeries. The group is non-denominational in nature. There is no admission charge, and the public is invited out to the program.

The Eastland School Board has granted station KEAS the right to do the 1985-86 live football broadcasts for the Mavericks. These broadcasts are expected to be of great interest throughout the area.

Henry Witt, who has auto glass facilities in Tyler and Waco, plans to open a center here to serve the area. He's looking for a building, and wants to open in February. He can be located through Auto Glass Commanders, P.O. Box 20541, Waco, 76702-0541 or 1-800-792-3056.

RISING STAR

A proposal to set up Bingo games in the City of Rising Star will be placed on the ballot in April. The Chamber of Commerce will sponsor the games, and plans are for them to be run by Senior Citizens for worthy organizations. This is subject to approval by the voters in the upcoming election.

The City's liability insurance has jumped from about \$4,500 per year to approx. \$28,000 per year, partially due to the difference between the gas paid for by the city and the amount sold to consumers. City officials and employees are emphatic in their belief that the gas problem does not involve heavy leaks in the gas system. If the leaks were the cause of the disparity, they say, surely the town would have already blown sky high! The City hopes to prove to the insurance carrier that the town is in no danger, and that the high rate should be resinded. Part of the problem is considered to be "wet gas" that fouls up the meters.

The monthly membership dinner at Lakewood Recreation Center will be Tuesday, Jan. 29, at 6:30 p.m. Members and their guests are invited to attend

A Park Improvement Committee consisting of Clinton Crisp, Sybil Parker and LaQuita Lucas has been appointed by the City Council. The first goal set by the committee is to collect funds to replace or improve the playground equipment. The goal is to raise \$3,000 and place the new unit in the southeast section of the park. A Park Improvement Fund has been set up at First State Bank of Rising Star.

CISCO

Cisco Junior College has named a new Football Coach, Ricky Joe (Rick) Frazier. In 1981 Frazier moved to Cisco to become defensive coordinator. CJC has recorded a 26-12 record during the years Frazier has served in this position. Charles W. (Chuck) Lawrence of Frankston has been employed as defensive coordinator for the Wranglers, while Bobby Anderson will remain as offense coordinator. All three coaches are busy recruiting players for the coming year, college officials report.

An Open house for the new Cisco Junior College building in Clyde will be held from 6:30 to 7:30 p.m. Monday, Jan. 21, according to an announcement by College President Dr. Henry E. McCullough. The open house program will include a ribbon cutting ceremony by the Clyde Chamber of Commerce. The CJC Band and Belles will perform. The Cisco Chamber of Commerce plans to send representatives.

The Volunteer Council of Cisco Nursing Care Center will meet on Monday, Jan. 21 at 7 p.m. in the dining room of the facility. Members and all person interested in planning social activities for the residents are urged to attend.

A Bell Choir is being planned at the First Baptist Church, with John Picklesimer, the choir and youth director, as head

Cong. Charles Stenholm In Abilene January 26

Citizens of the 17th District will have an opportunity to meet with Cong. Charles W. Stenholm and several agency representatives at a Town Hall Meeting in Abilene on Saturday, Jan. 26.

The meeting, which will give people a chance to listen to the Congressman and later ask questions, will be conducted at the Cullen Auditorium on the campus of Abilene Christian University. The town hall session, which is free to the public, is scheduled from 1 p.m.-4 p.m. This is the third Town Hall meeting in as many years for the U.S. Representative from Stamford.

Several representatives from two government agencies will accompany Cong. Stenholm to the meeting. Glyn Hammons, district manager of the Social Security Adminstration Office in Abilene, will explain the new law regarding Social Security income taxes.

Two representatives from the Internal Revenue Service will also be on hand to

distribute literature and answer questions. Ed Osner, the review agent from the Abilene IRS office, will be there along with Doug McHam, a taxpayer service specialist from the Dallas office. They will distribute Publication 17, a tax guide for individual returns. The book will be free to anyone who would like one. Another publication which will be available at the meeting is Publication 915, an explanation of the tax ability on Social Security retirees.

"I'm pleased that we will have representatives from these two important agencies at the Town Hall Meeting," Stenholm said. "It's important that people ask questions and find out more about our government. That's one of the reasons for this type of public meeting. It also gives me the chance to visit with the people of the 17th District and get the grass roots perspective that will allow me to understand their concerns as the 99th Congress begins."

ringer. Mrs. Vena Hart started the project with a nice donation after hearing a bell choir that visited the church a few months ago. Other donations followed. Three octaves of musical bells have been ordered, including around 27 bells. Twelve to fifteen people will be in the choir. They still need a few more donations to finish paying for the bells, and are interested in talking to people who would like to play.

The First National Bank

Dear Customer,

FIRST NATIONAL BANK IN CISCO says thank you to its CUSTOMERS for another good year. This success is a direct result of the quality clientele we are privileged to serve.

This bank and its customers are affected continually by what takes place in our community.

Conversely, our community is affected continually by the part the bank and its customers play in its daily life.

Thus, the interest of the bank and its customers, on one hand, and the community, on the other, are close. In fact they are identical.

We are proud to share with you what your local bank did in Cisco during the 1984 calendar year:

Donations and Contributions to Local and County Non-profit Organizations and Charitable Organizations - \$11,935.00

Municipal and School Bonds Purchased during 1984 and Bonds Held in the Bank's Bond Portfolio - \$413,000.00

Commercial, Agricultural, Consumer and Real Estate Loans Covering the Trade Territory of First National Bank in Cisco - \$13,593,353.53

Employment for 26 Officers and Employees Actively Involved in Community Affairs

We are proud of the contributions we are making and pledge to you that we will continue trying to be a good corporate citizen and offering you the best that banking can offer.

Sincerely,

FIRST NATIONAL BANK IN CISCO BOARD OF DIRECTORS

Gordon Spot

County Extension Agent

DeMarquis Gordon

1984 was the second bad year in a row for Eastland County farmers and ranchers. The drought of 1983 continued into 1984 and through the entire growing

Actually, the annual rainfall in 1984 in Eastland County was about average, 27.24 inches. That is like a man standing with one foot in boiling water and foot in ice water and telling him he should be comfortable. Only 12.75 inches of rain fell from January 1 to October 1 while 14.49 inches of rain fell from October 1 through December 31. The growing season for most crops is from April through September. The rains came too late to help production of peanuts and some other major crops: When it finally rained in October, peanut harvest was in progress and the rain cause harvest delays and crop damage.

As a result of the drought and fall rains, peanut yields were as low or lower than the poor 1983 crop. The value of the county peanut crop in 1983 and 1984 was about \$5.4

The Southwestern Exposi-

million each year compared to \$11.5 million in 1981, the last good peanut crop. It must also be noted that the acres planted in peanuts was about two thousand acres less last year than in 1981 because of the reduced quota allowed by the peanut pro-

It was also a bad year for the county's livestock producers. To really understand the problem we have to go back to the 1983 drought. The last six months of 1983 was probably the driest ever in Eastland County. Many stock tanks were dry and stockmen were hauling water and supplementing feed for livestock. Then came the extremely cold weather of December. The new year started out very dry and remained that way until October. Some small rains in the spring put water in stock tanks, but not enough to last all year. Very little hay was produced which meant expensive outof-county hay had to be bought.

Most county cattle producers either sold out com-

Southwetern Exposition And Fat Stock Show Start Wed. 23

tion and Fat Stock Show in Ft. Worth will start this week. It will start Wednesday, January 23, and will run until Sunday, February 3. Eastland County has several 4-H'ers that will be competing this year. Gary Simmons from Eastland will show his steer. Bobby Taylor also of Eastland will have two barrows at Ft. Worth this year. Howard Lawrence of Rising Star will compete with his hereford steer. Glen Burgess from Gorman will also compete with his steer. April Moylan of Eastland will be in full force with her steer. Leslie Allen of Nimrod and Kelli Whatley of Cisco will both be competing in the breeding sheep show with three and four head. Tonya Caraway and Shane Caraway of Gorman will be tought with their two lambs. Brian Baily of Rising Star will be competing in the breeding heifer show along with Stephanie Long, Toby Long, and Lee DeLong all from Rising Star. And finally

Shane Burgess of Gorman will be showing three sheep in the breeding sheep, market lamb, and open

We want to wish all these 4-H'ers the best of luck on their roads to GRAND CHAMPION!

Spring Fling Camp For Adults Over 55

-Over 55? Have we got a "Texas Big" bargain for you! Join us this spring at Spring Fling - an Extension camp for mature Texans. Three fun-filled days and nights of educational and recreational activities will cost a total of only \$72. Come to Spring Fling at the Texas 4-H Center in Brownwood this spring. Contact your local county Extension agent, Janet Thomas, at 629-2222, for details now.

pletely or drastically reduc-

ed herd numbers. As

markets became overload-

Range and pastureland

was in bad shape throughout

the county until October.

Much of the range and

pastureland will have to be

reseeded this year and

weeds are sure to be a major

While the fall rains did not

directly help the peanut

growers, it was a tremen-

dous help to livestock

owners. Stock tanks and

lakes were filled, winter

grass greened up in pastures

and the small grains

Income from all crops and

livestock sold by Eastland

County producers in 1984 is

estimated to be about \$29

million, slightly above the

1983 income, but about \$6

million below the 1981 sales.

Net farm profits continued to

go down due to the drought,

low prices of commodities

sold and increased produc-

Producers are looking to

1985 with optimism. So far,

the winter has been mild and

stockmen have not had to

feed as much hav as they

were expecting. The soil

moisture is better than it has

been in several years which

should help in getting crops,

pastures and range grasses

off to a good start in the spr-

ing. Most lakes and tanks

are full of water and the

under ground supply of ir-

rigation water should be ade-

quate. The optimism is

already showing up at the

livestock sales with increas-

ed demands for breeding

cows resulting in higher

prices. This is good for those

that still have cattle to sell,

but not so good for those who

are starting to rebuild herds.

Eastland

It's about time for our

agricultural producers to

have good year. Maybe this

will be it and the entire cour-

ty economy will receive the

Obituary

James Lee (Jimmy) Brackeen, 74, of Olden, a retired painter, died at 8:55 a.m. Wednesday at Eastland Memorial Hospital. Graveside services were at 2:30 p.m. Thursday at Eastland Cemetery.

The Rev. Dale Noska,

pastor of Bethel Baptist James Brackeen Church in Eastland, officiated. Burial was directed by Edwards Funeral Home.

Born Nov. 3, 1910, in Cooper, he married Mary Dahms Jan. 8, 1940, in Brenham. He was a Baptist.

Survivors include his wife; and three sons, Owen of Olden, John David of California and Steve of Cisco.

Registration Continues At Cisco Junior College

Cisco Junior College's registrar, Olin Odom. reminds area residents that registration will continue through Wednesday, January 23, at the Cisco campus and all off-campus locations. Though there will be no problem in registering as late as January 23, Mr. Odom urges those who wish to take college courses to register now in order to begin attending classes. Classes are presently in session and a minimum amount of missed time is beneficial to the student

the main campus in Cisco, at the Clyde Educational Center, or at the Abilene campus at anytime during regular office hours, 8:00 a.m. to 4:00 p.m. through

care, hospital insurance will pay all covered services except for \$200 a day in 1985.

For care in a skilled nursing facility, hospital insurance pays for all covered

supply and demand rather than government action to determine production and price.

To help make the shift, they want target prices continued as income supplement. They said loan levels should be set at marketclearing levels, tied to a historic 3.5 year average domestic price, adjusted annually by no more than 10

For the first time, delegates agreed that there should be a \$50,000 payment limitation to individuals. Another major change wanted is an end to the farmer-owned reserve, which delegates said should be replaced by additional

Also increasing are preday amounts the patient is responsible for, Hammons said. The inpatient deductible is the only cost to the patient for covered services for the first 60 days of care in a benefit period. For the 61st through 90th day, hospital insurance will pay for all covered services except \$100 a day in 1985. The 1984 figure

For the 60 reserve days of

nine-month price support loans for wheat and feed

On another major issue, delegates supported a flat tax or modified flat tax rate that is "revenue neutral."

The Texas Farm Bureau group, which has the largest state enrollment in the nation, won six awards at the convention. Three gold stars were won for first place in Information, Safety and Special Projects. Second place silver stars were won for Commodities, Rural Health, and National Af-

In his annual address to the delegates, AFBF President Robert Delano said tax reform and increased farm exports are the keys to FB's most important goal - improved net farm income.

"Nothing is more important to trade expansion than a sensible, workable, domestic farm program that does not encourage surpluses and does not price us out of the world market,' Delano said.

Fund Established

A fund to help defray medical expenses of Floyd Moore has been established at Eastland National Bank.

Anyone wishing to donate

to the fund may contact Pat Burns at the bank.

Floyd, son of Mr. and Mrs. George Moore, is a patient in Abilene, receiving treatment for leukemia.

policies.

The Medicare hospital insurance inpatient deductible, the amount an inpatient is responsible for, increases to \$400 for benefit periods starting in 1985, Glyn Hammons Social Security manager in Abilene, said recently. The 1984 deductible

was \$89

The 1984 figure was \$178.

and all but \$50 a day for up to 80 more days in 1985. The 1984 figure was \$44.50.

The Medicare medical insurance premium is also increased for 1985. The 1985 basic premium will be \$15.50 a month, compared to the 1984 basic premium of \$14.60. Some people pay a higher rate because there were periods of time they could have had medical insurance

The basic hospital insurance monthly premium will be \$174 in 1985, compared to the 1984 rate of \$155 a month. This premium applies only to persons who are not otherwise entitled to hospital insurance.

but did not

The \$75 medical insurance annual deductible will not change, Hammons said, because it is set in law.

More information about Medicare costs for covered services can be obtained at the Abilene Social Security office, located at 142 S. 5 2 for 1 SALE!

Birdview HOME SATELLITE TV

BEST ENTERTAINMENT IN THE COUNTRY!

While city dwellers enjoy it too, home satellite TV was made for all those folks in the country who can't get cable or receive only a couple of snowy channels from their local stations.

Thousands of families every year-no matter how remote they are from civilization-are discovering a whole new world of information and entertainment on more than 100 channels of TV-and it's all available right now at an affordable price.

We think country living is still the best living, and now it's even better with Birdview's multiple-receiver satellite system that gives you independent viewing on every set in your home-all from one antenna!

If you're considering satellite TV, let us show you Birdview's complete and total system built with high-tech quality and features that make it the best value in the country.

Right now, for a limited time, we have three "20-20" complete Birdview systems for \$1,695 plus tax and labor. First come, first served.

We have an unlimited amount of Birdview "20-20-M" Systems for \$2,295 plus tax and labor.

We also have other complete systems as low as \$1,295 plus tax and labor.

We're a little hard to find, but the deals are worth it.

Velia Lopez Marries Gene Conger Dec. 22 In Catholic Church Here escorted to their seats by

Velia Lopez and Gene Conger were married at 4:00

p.m. December 22, at Holy Rosary Catholic Church in

REDEEMER LUTHERAN CHURCH

The worship service begins at 8:30 a.m. Pastor Schueler's message is entitled "Meeting the Messiah" based on John 1:43-51. Sun-

day School and Bible class

begin at 9:30 a.m. Life seems like a great, mysterious cycle. Babies are born; the elderly are dying; life and death are with us each day. Does life recycle itself? Some religions in the Far East say life is one big wheel, with people being reincarnated over and over.

What does the Bible say? Don't miss the Lutheran Hour message by the Rev. Wallace Schultz next Sunday entitled "Reincarnation?" on radio station KCLW at 8:00 a.m. and on KWFT at 12:35 Wednesday, Care Center

worships at 10:00 a.m. Christian Fellowship is at 7:00

Thursday, Pastor Schueler is here all day. Jesus' Friends meet at 9:30 a.m. and 2:45 p.m. Catechism class is at 3:30 p.m. this week only

The Cisco Press

Sunday, January 20, 1984 Cisco. Father Jim Miller performed the double-ring

The bride is the daughter of Mr. and Mrs. Seferino Lopez of Cisco. The groom is the son of Jeanette Callahan

Guests registered as they arrived, assisted by Lori Lopez, sister of the bride. and Miss Leila Hawari, friend of the bride. The registry table was covered with white lace and accented with a red rose and white feather quill.

The altar of the church was decorated with five tiered candelabras, holding white cathedral tapus. The candelabras were trimmed with greenery, and sprays of red and white carnations laced with baby's breath. Large white baskets filled with white gladiolas, red and white carnations, white daisies and red roses were placed at each side of the altar. White bows marked the pews.

As a prelude to the wedding ceremony, Mrs. Carla Griffith of Breckenridge, sang "Annie's Song." The candles were lit by Eloise Torres and Oscar Lopez during the song.

The mothers of the bride and groom were both Chris Johnson of Cisco. Before taking their seats, both mothers lit individual candles placed at each end of the altar.

The bride was given in marriage by her uncle, Emelio Lopez of Barstow. The bride entered the church to the traditional "Wedding March." She wore a white satin wedding gown, fitted at the waist and flowing lavishly into a chapel length train. The oval neckline, puifed sleeves, and bottom of the gown were adorned with lace and white-seeded pearls. The bride's veil and headpiece were accented with lace and white-seeded pearls from which white netting cascaded to chapel

length. The bride carried a bouquet of cascading red and white silk roses with laceedged ribbons flowing from the bouquet.

For the traditional something old, something new, something borrowed and something blue, the bride wore a twenty-year old

strand of pearls loaned to her by Mrs. Rose Garces of Eastland. For something new, her wedding gown, and a light blue garter trimmed with white lace.

Miss Delia Lopez, sister of

the bride, was maid of honor. Other attendants, all formerly of Cisco, included Eloise Torres of Austin, Diane Zarate of San Angelo and Carol Endebrock of Lubbock. The attendants all wore red taffeta, off the shoulder, floor length gowns that were fitted at the waist. The gowns were trimmed with ruffled necklines. Each attendant wore a wreath of miniature red roses in their hair, from which red netting flowed to waist length. They each carried bouquets of red roses, accented with white daisies and baby's breath. Each attendant wore matching strands of white

The groom was attired in a black tuxedo, offset with a white pleated shirt and wingtipped collar. He wore a matching red satin bow tie and cumberbund and a single red rose as a boutonniere.

Greg McKee of Cisco, friend of the bride and groom, served as best man. Groomsmen included Kent McKee of Paris, Stanley Callahan of Cisco and Oscar Lopez of Austin. They wore traditional black tuxedos matching the groom's attire. They also wore red rose boutonnieres.

Ushers included Chris Johnson and Johnny Conger, both of Cisco. John Gaeta served as ring bearer and his sister Jessica Gaeta served as flower girl. Both are friends of the bride and groom.

During the ceremony, the bride and groom lit a unity candle using the candles each of their mother's had lit. During the lighting of the unity candle, James Deadman of Cisco sang "You Mean More to Me." Later in the ceremony, Mr. and Mrs. Joe Lopez, brother and sister-in-law of the bride of Odessa, placed a traditional white pearl lasseo around the bride and groom symbolizing the unity of their

marriage. The mother of the groom hosted a catered dinner in the church parish hall following the wedding rehearsal on December 21.

ome to Church-

A reception followed the ceremony at the Cisco Country Club. Those serving in the houseparty were Beth Lopez of Lubbock, sister-inlaw of the bride, Sandra Nichols of San Marcos, Kaye Melton of Austin and Barbara McKee of Cisco, all friends of the bride and groom. Each member of the houseparty wore a red and

white carnation corsage. The bride's three tiered white cake was decorated with clusters of red roses at the base and edge of each tier. Red wedding bells topped the cake and an illuminated fountain was placed within the pillars of the cake. The groom's cake was a traditional chocolate layer cake trimmed with dark swiss chocolate.

Both the bride's and groom's tables were decorated with red tablecloths covered with white lace and red satub ebd table bows. Silver candelabras holding red candlesticks graced each table. Coffee was served from a gold coffee server on the groom's table; punch was served from a crystal punch bowl placed on the bride's table; between the two tables champagne flowed from a silver champagne

At eight p.m. that evening, a wedding dance honoring the bride and groom was held at the Cisco Country Club. Guests danced to the music of "Latin Notes" a band from Abilene.

Before the bride and groom departed for their honeymoon, Mrs. Helen Gaeta distributed rice bags in white netting with red bows to the guests.

After spending a week long honeymoon in Las Vegas, Nevada, the couple will be at home in Cisco.

The bride and groom are both employed at Sonic Driver-In in Cisco, where the groom is assistant manager.

We salute the following Ciscoans who will celebrate birthdays this week. January 20- Ellen Green,

Harold Davies, Darold Davies, Charles Maples, Charles Gregory Qualls, Nancy Prickett, Matthew Burch and Lynn Echols.

January 21-- Frances McKinney, Robbin Maile, Lynda Rhodes Beebe, Mike Dawson and Jerry Pruitt.

January 22- Sherrie Boyd Breden, Mrs. A.P. Tipton, Mrs. Howard Shelton, Jessie Elizalda and J.D. Bilbrey. January 23- Billy Rains,

Phillip Mahaney, Dennis Ingram, Bobby Ables, Mrs. Ted Rogers, Zoe Ritchie, Helen Easter and Helen Johnson.

January 24-- Meg Reynolds and Vanessa Leann Clements. January 25-- Mrs. Ed Brashaw and Mrs. W.W. Wright.

January 26- Rena Autrey The following couples will celebrate anniversaries this week: Mr. and Mrs. Oren Speegle, January 24; and Mr. and Mrs. Holland Nix, January 25.

Dr. McCullough Speaks At **Rotary Club**

Sixty percent of the freshmen and sophomore students attending school of higher learning in Texas are enrolled in community colleges, according to Dr. Henry E. McCullough, president of Cisco Junior College, in a talk last Thursday noon at the weekly luncheon of the Cisco Rotary Club at the Colony Restaurant.

Dr. McCullough said that 'education in community colleges is the biggest bargain in Texas," pointing out that the cost to students in junior colleges averages around \$4 per semester hour as compared with some \$20 for state owned senior college and up to \$100 per hour at church schools.

The cost of education, like everything else, has been inching upward for several years, Dr. McCullough said. He added that community colleges are "looking at raising tuition rates to \$6 per hour in the not too distant

The club had 100 percent attendance of its membership for the Thursday luncheon, Secretary Bill Reynolds reported.

People of things

CITY MANAGER Mike Moore tells us that he has heard nothing but compliments about the dozen or so new trash containers that were recently installed on downtown streets.

And we hasten to tell you (if you didn't know) that the Cisco Civic League contributed most of the some \$1,300 that the new containers cost. They're so nice and are being so well received that the city manager wishes they had another half dozen or so. And he plans to buy them when and if he can find a bit of extra money in the city budget.

You'll want to join us in a tip of the hat to the Cisco Civic League as the sponsors of this project.

'This is a valuable contribution to our community," Mr. Moore said.

THERE'S REALLY no late news about the Mobley Hilton project, but things are moving along nicely. That's a report from Mayor Eris Ritchie of the official board. The Hilton Foundation's board, meeting out in California recently, gave the Cisco project a vote of confidence and approval. And they're advancing money as same is needed, reports Mr. ER.

The board expects legal details of transferring the property by deed from the University of Houston Foundation to the Cisco board to be completed very soon.

THE BOARD OF Regents of Cisco Junior College gave the Hotel Restoration project a boost when they met the other night. They began discussing what to buy to equip the Mobley Hilton's auditorium with stage equipment suitable for use by their Dinner Theater.

The CJC board, by the way, approved the return to

Services For Vina Blackburn Are Saturday

Services for Vina Lory Blackburn, 87, of Cisco were held at 2:00 p.m. Saturday, at Kimbrough Funeral Home Chapel. The Rev. Buddy Sipe officiated. Burial was at Oakwood Cemetery.

She died at 7:45 p.m. Thursday at E.L. Graham Memorial Hospital.

Born April 2, 1897, in Arkansas she married Frank Blackburn in Nov. 1912 in Rising Star. He preceded her in death.

Survivors include three sons, Claude W. of Odessa, Harold E. of St. Louis, Md., and Donald L. of Big Springs; two daughters, Velma Cole of Cisco and Lurlyne Kempner of Long Beach,

Pallbearers were Revis Gregg, Steve Clary, Billy Joe Reynolds, Bill Philpott, Jim Webb, and Bud Coats.

Services For

Mavis Dickey

Are Saturday

Mavis Dickey, 63, of Snyder died at 3:25 p.m.

Wednesday at Cogdell Memorial Hospital. Services were held at 2 p.m. Saturday at Bell-Seale Funeral Home. The Rev. Clarence Minton, a Baptist minister, of-

ficiated. Burial was held at Hillside Memorial Gardens. Born June 25, 1921, in Bonham, she married Ben Dickey Oct. 27, 1938, in Rotan. Survivors include her hus-

band; three daughters.

Shirley Newman of Snyder, Tammy Dickey of Snyder and Janice Bullard of Austin; two sons, Preston of Irving and Jerry of Snyder; five sisters, Ruth Garner of Austin, Lucille Lear of Sweetwater, Mabel Rogers of Cisco, Lois Hooks and Jewel Hartsfield, both of Stephenville; three brothers, Freddie Terry Georgetown, Elmer Lee Terry and Merle Dean, both of Johnson City; and seven grandchildren.

the family of the late C.H. Housh a large collection of advertising pencils- a collection that had been donated to the college.

Mr. Housh also donated an antique lamp made of pewter to the college. It's on display in the Texas Room at Maner Memorial Library out there. The lamp came to Texas with a German family before the turn of the century and is quite valuable as an antique.

WHILE WE WERE all shivering from blasts of icy wind and wading in snow last week, Mayor Ritchie was enjoying balmy weather in Florida. He went to Tampa to attend a meeting of the Florida Music Educators Association in the interest of his Southwest Enterprises... Mr. Rick Frazier, new head football coach out at CJC, and Professional Footballer Earl Campbell were teammates when both were in high school at Tyler a dozen or more years ago... When she was in high school ten years or so ago, Mrs. Melvin Wende was presented a typewriter. She had to replace the ribbon on it for the first time the other day.

GLAD TO HEAR Mr. Bill Darr, the retired owner of Darr's Auto Service and a long-time Ciscoan, will probably be released by his doctors to come home from Hendrick Memorial Hospital, Abilene, this weekend. He underwent major surgery there a couple of weeks or so ago... Our scouts report that Mr. O.L. Stamey of our town, who spent several days in Hendrick hospital recently, is now out and at the home of his son, Dr. Joe Stamey and family, in Abilene.

A GROUP OF Cisco Chamber of Commerce officials will be in Eastland for the annual CofC banquet over there Monday night... And others from the Cisco CofC are expected to go to Clyde Monday night for the official opening of the new Cisco Junior College Center there. A ribbon cutting is planned at Clyde from 6:30 to 7:30 p.m. The CJC Band and Belles will be on hand. And you're invited... The Marshall Joneses enjoyed a night on the town last Monday in celebration of that day 43 years ago when they said their "I do's" in a wedding ceremony at Corpus

YOU PROBABLY noticed the ad on the back page of The Press on Jan. 17th. It "Paula, for the said: wonderful first year. Love, Fred." Our scouts report that it was Fred Arnold's way of wishing his wife Paula a happy anniversary. Both work for Patterson Ambulance Service in Cisco... Mrs. Mike Anderson, who underwent surgery at Hendrick hospital in Abilene, is back home and doing nicely... It's now official. Patsy Hogan is the branch manager at Olney Savings' Cisco offices- no longer the

MR. E.I.. Walker, one of

our neighbors out on West 14th Street, saw eight robins in his yard the other morning. Isn't that a harbinger of some kind?... You could win \$100 by attending the basketball doubleheader Monday night at CJC Gym. They draw the numbers on two tickets sold to people in the audience at each game. These two people get to see how many free goals they can sink in five shots. The winner then goes to center court for a shot at the goal. If he sinks, he wins a crisp new \$100 bill. Both CJC men and women play teams from

McLennan Co. JC of Waco. AN AD IN THE Press the other day reminds one and all of something we already knew- that the First National bank is a good citizen of the town it serves. During the year 1984 the bank's contributions to the community included:

1. Donations and contributions to local and county nonprofit organizations and

charitable groups- \$11,935. 2. Municipal and school bonds purchased and bonds held in the bank's portfolio of bonds- \$413,000 Commercial,

agricultural, consumer and real estate loans covering the trade territory of the bank- \$13,593,353.

What is more, the bank has 26 employees who are involved in the various activities of the community.

THE CITY COUNCIL will order an election for next April at their regular meeting Tuesday night. Places 3 and 4 (Roy Dennis and Bobby Rains) will be filled this year... Sorry to hear that Mr. Tom Smartt, who lives up on Avenue N, is in Humana Hospital, Abilene, and is due to be there for several days... Mr. Neal Moore, Cisco's famous cowboy clown, was considering a suggestion that he march in the Fort Worth Fat Stock Show Parade this Saturday... Kent Hance, who was nearly elected to the U.S. Senate last year, and family visited in the home of the Billy Wrights here New Year's Eve.

WHO'S GOING to win the Super Bowl on Sunday? We asked a few folks and here are the answers we got Rick Frazier, CJC coach-

Martha Davis, CHS business manager- Are the

Cowboys in it? Sandy Maples, police department clerk-- San

Francisco Linda Walton, secretary to Bank Prexy Dick Woolley-

Miami. Ginger Johnson, city secretary-- Miami. Dizzy Dean, man about

town- the 49ers. Herrel Hallmark, the editor- Our boys think the

49ers will win Ethel Collier, secretary at the mayor's office-- The

Dolphins. Mayor Eris Ritchie--Miami will win it. Mary Bailey, secretary to

the high school principal-A.C. Holdridge, who took his wife to dinner in De Leon

the other day to celebrate their 39th anniversary- The

Dolphins branch manager trainee. Ed Bradshaw, local shoe salesman- I'd like to see

both of them lose.

LARGE CATCH- A 70 lb. yellow catfish was caught at 8:00 a.m. Wednesday, at Lake Cisco by Grady Sproles (left) and Tom Smartt (right). A trotline was used to catch the giant catfish. Mr. Sproles said they used big perch as the bait. When asked the location of the lake where the catch was made, he reported that he wouldn't tell. (staff

FIRST NATIONAL BANK
