LADIES NIGHT—The annual Ladies Night Banquet of the Cisco Rotary Club was held Thursday night at the Colony Restaurant. Paul and Delores Washburn are shown above with Allen Masters, program chairman. Dr. Delores Washburn was the guest speaker. (Staff Photo)

Dr. Washburn Speaks At Rotary Club Banquet

Dr. Delores Washburn of Abilene spoke on the benefits of a good eating background and the effectiveness of eating home-cooked meals during the annual Ladies Night Banquet of the Cisco Rotary Club. The banquet was held Thursday night, Feb. 16, at 7:00 p.m. in the Colony Restaurant.

Approximately 25 persons were in attendance for the banquet and Allen Masters served as program chairman. He expressed thanks to Cisco Mayor Eris Ritchie, who was unable to attend, for securing Dr. Washburn as the speaker for the event.

Coffee Monday

The Don Underwood for Sheriff Campaign Committee will host an informal Get Acquainted Coffee at 7:00 p.m. Monday, February 20, 1984 at the Colony Restaurant.

All interested persons are invited to attend, it was announced.

Unable Attend

Don Underwood wishes to inform the citizens of Eastland County that because of a prior commitment, he will be unable to attend the political rally scheduled for Sat., Feb. 18, at the VFW.

The annual meeting honors the wives of the Rotary members and each member introduced himself and his wife.

Dr. Washburn gave accounts of the habits of eating from the early pre-Civil war days up to the present time. Her talk dealt mainly with the south, since she said the north did not really know how to cook until they were shown by the south.

She said in the early days, women nurtured their family and guests with good food and nursed their families with medicine. She stressed that the two go hand-in-hand in the times before the Civil War.

After the War, she said home-cooking began to be less important and continued to fall in importance up until the present time. She stated that most families now eat out more often than they get together at home for a family meal.

Pacesetters Quartet will perform At 1st United Methodist Church

The Pacesetters Quartet (formerly The Redemption Singers Quartet) will be in service at First United Methodist Church on February 25 at 7:30 p.m. The Burleson based group

travel across Texas and surrounding states to take their ministry of song and testimony to the people. All are residents of the Ft. Worth - Dallas area. Each man in the group has

a talent of his own and all have dedicated their abilities to the work of God. They have a blend of young and old.

With the first sounds of the piano will instantly realize the unique talents of John Points. John has been in gospel music for 38 years. He has been a member of the quartet for 3½ years. He has taught music and piano in a number of singing schools across the country. His knowledge of music and harmony is the key to the groups sound. John was voted musician of the year of the SGMA for 1982.

Jay Hensley (although only 22-years old) is already a 10 year veteran of gospel music. Jay is a multi-talented young man. As the program moves along you will find Jay playing the lead guitar, filling in on the bass guitar every once in awhile, banjo, strings, piano or almost any other string instrument. Jay's enthusiasm and excitement will surely rub off on you.

Gary Martin has been the groups' drummer since January 1983. Although this is Gary's first group to play with, his style and profes-

PACESSETTERS QUARTET

sionism is far advanced to his experience. Gary's fresh approach to music is very uplifting and his love of people and his genuine concern for the lost sets him apart.

Russ Ginther has been with us since August 1983. He is one of the best bass guitar players in this part of the country. He hails from Panama City, Florida and can tell you the longest, tallest tale about the alligators that are in Florida. If your spirit is down and you're blue, Russ can always pick you up real quick with a funny story. He is one of the finest Christian men around today.

Jeff Hensley although short on years (20), but long on talent is one of the finest young tenors in gospel music. He sings the high harmony with highs few men can reach and when he has a featured solo part you know he is singing straight from the heart. Jeff also doubles as a band member on several songs and is in charge of the record sales.

John Kincaid is the first yankee in our group. John comes from Goshen, Indiana. He sings with such excitement and emotion that before you know it he has you involved too. When John takes the microphone and steps out you not only are being sung to but you are being preached to, also.

With the haunting down home sounds of the harmonica playing of John Smith, you are instantly taken back to music of the deep south. Whether an upbeat song or the soft strains

of Beulah Land, John adds that special touch.

The baritone part is in the very capable hands of Wes Redden. Wes has been in the group since September 1979. He is not only one of the finest harmony singers in gospel music but also one of the great soloists. He has the ability to wisk you along to a place in your mind of peace and rest.

Jim Smith is the bass singer and manager of the group. He has been with the group since 1976. Jim's style of singing and his emceeing of the programs are directed to spreading the gospel.

Their musical versatility puts them much in demand for church services, concerts, revivals, reunions, homecomings, conventions, banquets and youth get-togethers. They have appeared on The Battle Songs at Will Rogers Auditorium in Ft. Worth, The State Fair of Texas, Dallas, The Texas Fair Bureau Convention in Dallas, The Amarillo Convention Center and The Lubbock Convention Center to name a few.

They describe their style as Country Gospel, Southern Gospel, and Traditional Gospel.

Whether it is an upbeat song of Praise, a slow worshipful song about Jesus, an old hymn of the Church or a testimony from one of the group you will know that you have been in the presence of the Lord. From the opening song to the alter call their program is dedicated to lifting up the name of Jesus.

LINTON BATEAS, president of Cisco Lodge 4562, welcomes Roy Dennis (left) as a new field representative of the Cisco area for Woodmen of the World Life Insurance Society. Area manager of Woodmen, Joe Gosch, says, "Mr. Dennis will attend two weeks of school in Woodmen's home office in Omaha, Nebraska. I am very pleased to have Roy represent the Woodmen of our area." HALL OF REMARKS

BY HERREL HALLMARK

I UNDERSTAND that Brian Jackson, local sign-painter, recently finished painting another sign along Interstate 20. This time to the east of town and it is advertising Cisco to all those who travel on I-20.

WE APOLOGIZE to City Judge Jasper Cook and his father for leaving out Cora Cook's funeral service from our past few editions of the paper. The service was overlooked by us and we are printing the article in this edition.

Again we express our apologies to Mrs. Cook's family. She was Judge Cook's mother.

AN EARLY morning fire completely burned the Hamburger and Pizza Factory on East 14th Street Friday morning. Just last week, owner Dub Ramsey, was welcomed as a member of the Cisco Chamber of Commerce and a ribbon-cutting ceremony was held for the business.

Students Achieve Outstanding UIL Ratings

Students attending U.I.L. competition Wednesday, February 15, for the Region VII Vocal Solo & Ensemble Contest achieved outstanding ratings according to Mrs. Davene Jeffcoat. The competition was held in Brownwood High School in Brownwood.

Junior High Students who received a I rating were: Mark McGinness, Jill Reynolds, Steve Couch,

Frances Gonzales, Jarrod Jeffcoat, Julie Weathers, Aiki Kleiner, Kevin Kirk and Leila Hawari. Cassandra Bradford in Cisco High School also received a I rating.

Junior High Students who received a II rating were: Alice Lopez, David Hammond, Kathy Hutchins and Lori Ann Speegle. Angie Bradford and Belinda Bradford received a II rating in

the High School division.

Teresa Gaeta, Rhonda Bradford, Angie Heath and Vonda Hightower also attended the Contest.

"The flu kept a few students from participating in the event but they deserve special notice for the hours of practice they put in," said Mrs. Jeffcoat. They are Cindy Choate, Katrina Denison,

Amy Hounshell and Wendy Wester.

The students were judged on tone, technique, interpretation, selection and general effect.

The choir students of Mrs. Jeffcoat are now preparing for the Jr. High UIL Choir Contest in Stephenville in March. They will be singing 2 songs in Latin and one

Acapello. All songs are High School list songs. It is quite an achievement for these students.

On March 28, CJC Junior Choir Festival will be held at Cisco Junior College. All 5th, 6th, 7th and 8th grade Solo & Ensemble students and the 6th grade choir and Junior High Choir in Cisco will be attending. CJC is one of the few music festivals in the Country.

Mrs. Jeffcoat is a devoted music teacher and Cisco is very fortunate to have her as a teacher. She was elected last week at TMEA Convention in Fort Worth as the Elementary Music Chairman for Region VII for the State of Texas for 1984-85.

She was voted by the elementary teachers in Region VII. The area is from Senora to Granbury, south to Brady and north to Cisco.

Her duties are to preside at Conventions and introduce Clinicians during the 2 workshops that will be held during the year.

WAYNE PRYOR is pictured with son, Shalor Pryor to his right and step-son Doug Knight to his left.

Wayne Pryor Crowned As Valentine King

Wayne Pryor was crowned Valentine King at the West Texas Nursing Center Valentine Party Monday night February 13th in Abilene. Pictured with him on his right is his son Shalor Pryor and step-son Doug Knight to left. Sarah Harddy was crowned Queen. She is a pretty 89 year old former school teacher, having taught in Abilene High School and other area schools for 45 years.

After the crowning, the band played appropriate music as the Queen took her walk around the room waving her wand, with the King by her side escorted by his mother Louise Pryor.

The dining hall was prettily decorated with red hearts and red and white streamers. Music was furnished by Roland Smith and the Road Runner band. Twelve couples of the Rose Ramblers from South Rose Park of Abilene, danced. The ladies were dressed in red skirts with white blouses and red ties, the men were wearing navy pants with white shirts, red vest and red ties. One of the staff members wheeled Wayne out on the floor, wheeling him around and danced with him to the tune of Elvira, receiving cheers and large applause from the crowd.

Refreshments of red fruit punch, dips, chips and cookies was served to a large crowd.

Attending from Cisco was Mr. and Mrs. Scott Morgan, Kathy and Shelly Agnew, Shalor Pryor, Doug Knight and Louise Pryor.

CHS Sponsoring College Aid

Info Night

Cisco High School is sponsoring a college and financial aid information night for juniors, seniors, and their parents on Monday, February 20, 1984, at 7:00 p.m. in the Cisco High School library.

The main point of emphasis will be on financial aid. As the cost of education after high school goes up each year, like just about everything else, many parents are wondering how to pay the bills. Even in the era of diminishing resources, there is a way to pay for college, and private financial aid funds available to assist students this year. You don't have to be poor to receive financial aid, but you do have to prove you need it. You are eligible for financial aid equal to the difference between college cost and the amount the family can afford to contribute toward meeting those costs. With cutbacks in aid a reality, families can improve their chances of receiving the aid they need by knowing what to do, when to do it, and how to do it right. A sample form will be filled out and discussed. Mr. Ralph Glenn of Cisco Junior College will be on hand to discuss financial aid and answer questions.

We hope this program will be of valuable assistance to college bound students and their parents.

For further information contact Mrs. Sharon Mouser at Cisco High School (442-3051).

Ranger Masonic Lodge will hold a dinner Feb. 23, in honor of George Washington's birthday. It will begin at 6:30 p.m. at the First Methodist Church. Eastland County Sheriff Johnnie Morren will speak on Washington's Masonic activities, and four members of the Lodge will receive 50 year awards. They are George Munnerlyn of Ranger, Lester Wood of Breckenridge, Frank Ruth of Arlington, and Lester Potter of Malakoff. The celebration is open to Master Masons and their families.

The Ranger Junior College Men's Track Team is off and running again this year. The Rangers have had nine members qualify for the National Indoor Meet, which will be held this year in Arkansas. The team travels to Odessa this week, then will take a week off before the National Meet, which will be held March 2 and 3.

St. Jude's Children's Hospital has announced that Mrs. Roseatta Stephens has been named to lead the 1984 Spring Bike-A-Thon in Ranger. Clifford Damstrom, St. Jude Director of the Southwest Region, stated that the group is extremely proud to find such a dedicated person for the important job. St. Jude's is the largest and one of the leading childhood cancer research centers in the world.

The Holy Land Still Inspires Visitors

By Viola Payne

How does it feel to carry out a long-time dream of touring the Holy Land?

"Very inspiring," says Dub Hoffman of Eastland, owner of Poe Floral Shop. "Even with some of the country looking like an armed camp, it still gives you a wonderful feeling."

"I've wanted to see that part of the world ever since I was a boy."

Hoffman reports that the only "front line" sightings he had were where Israel joins Lebanon. High barbed wire marked the border, and mine fields were about 40 ft. beyond. Firing could be heard in the distance.

This adventure and others came about after Hoffman left DFW Airport at 1:00 p.m. this past Jan. 10, for a trip to Israel, Jordan, and Egypt. He was traveling with an Educational Opportunities group (Methodist) led by a Dr. Ridgeway from Florida.

Most of the 58 persons on the tour were Ministers and laymen from Methodist Churches in Central and West Texas. Barbara Graff of El Paso, a niece of Barbara Anderson of Eastland, was among those making the trip.

"The Educational Opportunities people were very enjoyable to be around," Hoffman says. "We had devotional services each day, and heard experts speak during visits to each area. So the tour really was educational."

Hoffman, a Board member of the First Methodist Church of Eastland, explains that this is the fifth trip he had made with the Educational Opportunities group. He previously traveled with tours led by Dr. Ridgeway to Switzerland, Belgium, France and Greece.

After a three hour flight from Texas to JFK Airport, the group boarded a 747 Jor-

danian Jet. Due to extreme cold, this 300 passenger plane had to wait three hours while the wings were deiced. At midnight it lifted over the ocean, and landed briefly in Vienna the next morning.

The 13 hour flight ended in Amman, Jordan, where passport and immigration control at the airport turned out to be surprisingly light. Dub Hoffman's first impressions indicated that Jordan was an advanced and prosperous country.

After an American-type dinner at a hotel, the group slept awhile before leaving at 4:00 a.m. to cross over to Israel. When they reached the Allenby Bridge on the Jordan River, the found heavy security. This included a search of luggage and a body search as well.

They left by tour bus on down the Jordan River Valley, which drops below sea level. They visited Qumran, located in a wild and desolate area, where the Dead Sea Scrolls were found. Not far away was the large mesa called Masada, containing the last fortifications of the Zealots (Jewish peo-

ple) in their war against the Romans after the time of Christ.

After visiting this impressive area the tour group rode on to Arviv for dinner and overnight. As they continued their travels during the next few days, they saw that most of the country was dry and broken, resembling Arizona.

A lot of machine guns and other weapons were carried by young Israelis, and number of whom went to army posts each day and came home at night. Some poverty was visible, and a surprising number of Arabic Mosques were noted among the Jewish Churches and Christian Churches and Shrines.

Nazareth, where Christ spent many of his early years, was a rather large city, and modern in most respects. "Mary's Well" was an interesting site, as was the Greek Orthodox Church.

The Mount of Beatitudes, where Christ gave his Sermon On The Mount, has special interest. The Mount was actually a hill several acres in size. While in this general area the group reached the border of Lebanon.

One stop for a night was in Tiberias, an Israeli town on the western shore of the Sea of Galilee. Part of the eastern shore of the sea lies against Jordan, and a part touches Syria. While in this area the group took a boat ride to Capernaum, the scene of a number of Christ's miracles. They visited a Synagogue, and the home of Christ's Disciple Peter.

Bethany, a large town north of Jerusalem, was pointed out as the home of Lazarus and his sisters, a place visited often by Christ.

And Bethlehem, south of Jerusalem, contained a number of churches and shrines commemorating the birth of Christ. The tour group particularly enjoyed the Church of the Nativity and The Shepherd's Field.

Jerusalem, still a divided city, was the climax of the tour. There were many historic places to visit, especially in the Old City. Some of the most impressive were the Mount of Olives, Pool of St. Stephens, Dome of the Rock, The Wailing Wall, the sites of Christ's crucifixion and His resurrection, and Mount Zion.

This Mount, a hill about half as large as Eastland's Park Hill, contains the traditional Tomb of David and the house with the Upper Room which Christ visited.

January 18, was "free day" for the tour members. Dub Hoffman spent his day back in Bethlehem, and the Old City part of Jerusalem. It was a rainy, cold day, not like the 50 degrees each afternoon the tour group had been experiencing.

The tour was concluded by a trip to Egypt, a country which contrasted greatly with Israel and Jordan. There was much more general poverty, and a lack of public sanitation. There were things of interest to see, however, museums, the pyramids, the Sphinx, and

other historic treasures. There was an overnight stop in the Valley Of The Kings at Luxor, where King Tut's tomb was among those visited.

On January 25, the Educational Opportunities group flew back to Amman, Jordan, only to find that the

plane they were supposed to fly home on was grounded in New York. But they finally boarded the big 747 Jet, and settled back to try to sort out their impressions.

Hoffman came away with some lasting ones. "A trip like this enriches a person's life. For one thing, it makes

you appreciate country and home.

"We think we have problems, but look what many people in Israel live under every day. They seem happy, content and nice, but they don't even know whether they will get to keep their country."

"The greatest thing to me was to get to see the Old part of Jerusalem, and to walk where Christ walked. I'd like to go back there someday." "But first, in the summer of 1985, I'm going to the Netherlands. And that will again be with the Educational Opportunities group."

**Foster Families
Needed Now in
This County**

Foster Families are desperately needed in Eastland County and a training program will begin Monday in an effort to provide "temporary" homes for the county's battered and abused children.

That's the report from Patricia Mahan, Child-care worker with the Department of Human Resources.

"There were 30 cases of child abuse reported in this county last month," she said, "and of that number seven were sexually abused." Ages of the abused were from six to 18 years of age.

The county now has only one Foster Family, and children who must be taken from their parents for their own safety, now are taken to foster homes in other cities in this area.

The Foster Home training will begin Monday, Feb. 20, and information regarding it may be secured by contacting the Dept. of Human Resources at 629-1713.

Eight children from the total 30 reported cases of abuse wound up in foster homes, she said. In most cases, these young people are returned to their parents, either after professional counselling or prosecution.

"Two children die every week in Texas from abuse," she said.

Persons who think they might be able to provide foster care may talk to Mrs. Mahan or Alice Pritchard.

**DARTE Meet
Set Feb. 27**

DARTE: (Drug Abuse Reduction Through Education) that's the temporary name for an organization now being formed.

The goals of the organization are:

1. Helping young people learn how to make decisions;
2. Improving adult-student relationships in the school-community setting;
3. Promoting positive concepts of good physical and mental (emotional) health;
4. Providing young people and adults with resources to turn to in times of stress and trouble.

Persons interested in learning more about the program are reminded of an organizational meeting to be held Monday, Feb. 27, a 7 p.m. at the American Legion Hall in Cisco.

Already serving as an advisory panel are two physicians, an attorney, a pharmacist and a police sergeant. Supportive concerned citizens include public officials and business people.

Persons wishing more information about the challenge and the opportunity may call 442-4072 or 442-4947.

**CJC 'ARSENIC...'
March 1,2,3**

The Roof Garden Dinner Theatre in Cisco will be presenting the hilarious comedy thriller ARSENIC AND OLD LACE on March 1, 2, and 3. This classic Broadway hit has delighted millions of theatre-goers the world over and deals with the deadly doing of the Brewster sisters, two sweet old ladies who make it their charitable work to provide lonely elderly gentlemen with a quiet and permanent resting place in their cellar. Add to this a nephew who thinks he is Teddy Roosevelt and another nephew who looks and acts like Boris Karloff, and you have the ingredients for a muderously funny play suitable for the entire family. Dinner begins at 7 p.m. with tickets for the dinner and show costing \$8. Reservations are required because of limited seating space and should be made right away. Please call (817) 442-2067. You'll die laughing.

During the time it takes you to read this ad, something could happen to your title that would change your whole financial structure, or indeed it could alter your plans and aspirations for generations to come. The abstractor, in a sense, is your land title guardian, for he keeps the records day by day as you or others make them. Advise with him often about your title.

Exchange Students Seek Host Families In Area

American Scandinavian Student Exchange program is looking for area families who will "adopt" a student for the 1984-1985 school year. The students are from Iceland, Holland, England, Switzerland, Norway, Sweden, Denmark, and Finland. The students arrive in late August, attend local high schools and participate in school activities. They are very outgoing and adaptable to the American way of life. The students, all 16-17 years old, speak English well, and are required to attend public school while here.

Host families are to provide meals and shelter. All

incidental and transportation expenses are paid by the visiting students, or their families.

ASSE desperately needs more volunteers. The kids are really counting on coming over here for a year this

August.

Below is a brief description of one of the students not yet assigned to a family.

Tina Nilsson is a 17 year old girl from Lulea located in northern Sweden. Her father is a teacher and her mother works as a pharmaceutical

technician.

Tina is very interested in animals and nature. She especially likes riding horses and her family own sheep. She also likes almost every kind of music and plays the piano. Tina enjoys meeting people and would like to

spend a school year with an American Family.

If you feel you could provide this girl with a home for a school year, please contact

ASSE area representative, Carroll Draper, Route 4, Box 33, Comanche, Texas 76442. Telephone: 915-966-3588 or 817-734-2721.

Eating Out Is Fun

Friend To Friend

by Jim Hatcher

We live in a vast universe. As human beings, we are but a speck among many created beings.

In this condition, if we are not careful, we will begin to feel insignificant, unimportant, and unloved.

But thank God His Word can change those feelings. The Psalmist said of man in the long ago, "For thou hast made him a little lower than the angels, and hast crowned him with glory and honor."

(Psalm 8:5)

Yes, while we may only be a speck in a vast universe, there is something very different about man. God created us in His image! (Genesis 1:27). God created man from the dust of the ground and then breathed into man the breath of life and man became eternal—he was given a living soul. And God so loved you and me that He gave His only begotten Son that through Him we can

have eternal life! (John 3:16)

Now this eternal life comes only to those who are willing to make whatever sacrifices that are necessary to obey the one who died for us. The Hebrew writer declares, "Though he were a Son, yet learned he obedience by the things which he suffered; and being made perfect, he became the author of eternal salvation unto all them that obey him." (Hebrews 5:8-9)

Yes, you have a precious eternal soul and you are very important to God. But please do not let anyone deceive you into believing that there is nothing for you to do in the process of saving your soul. The way into heaven has been revealed and that way is in obedience to the will of Christ.

Please let me know if at anytime I can assist you in knowing more perfectly the will of Christ for your life.

We're glad you asked!

ARE YOUR MONEY MATTERS IN ORDER?

Financial planning is part of your future security program; but if you were to die tomorrow, would your family know what to do? You may already have taken care of most of the important elements, but here is a general checklist for your reference.

1. INSURANCE: Is beneficiary up-to-date? Are premiums paid?

2. ARE BANKBOOK, Social Security, V.A. and other important documents all together? Does your family know where they are?

3. IS YOUR WILL current and available?

4. DO YOU HAVE A LIST of names, addresses, phone numbers of your brokers, insurance agencies, accountants and lawyers?

There are many details you may require. Call us for a printed form on pre-planning or drop by for a free copy.

Your questions and comments on this and other subjects are welcome - in private or publicly through this column.

It is tax time! So many of the elderly must decide if they must file a tax return this year. Many of the tax forms have changed and also the ground rules as to whom must file has caused confusion among many of the elderly in Cisco and surrounding area.

Through the auspices of the AARP, the Internal Revenue has provided instruction to sufficient counselors in this city and surrounding area to take care of the need of all of those who are 50 years old or older, and for those who would like to have assistance, in filing their income tax return.

Call 442-2263 so that appointments can be made. The counselors are available on Monday, Wednesday and Friday.

The programs for the past week included: Tax Aide was provided for those who desired it; County Judge Scott Bailey spoke to the members of the Center on "Reauthorization of the Older Americans Act"; a musical program was provided by Wanda Dunlap and Rea Hunt; and dinner music was presented by Vida Killion, Alberta Sims, A.E. McNeely, and Dixie Montgomery.

A FRIDAY MORNING fire burned the recently opened Hamburger and Pizza Factory on East 14th Street, as well as the rest of the building which housed the factory. Dub Ramsey was the owner of the factory and had recently announced plans for restoring the rest of the building and opening a wholesale food business. The building which had been closed during the past few years was originally owned by J.D. Taylor of Cisco and was the beginning of Taylor Grocery in Cisco, until the new Taylor Center was built at West 3rd and Conrad Hilton Avenue. Fireman Bill Webb said the alarm

came into the fire station at 3:20 a.m. Friday and when the firemen arrived the building was already too far gone to save. He said Fire Chief C.W. Guthrie, Royce Darr, Bill Edgar and himself were on the scene until the middle of the morning. Mr. Webb said they did not have any idea what caused the fire but he would be investigating it as soon as the fire had burned itself out. (Staff Photo)
