Cisco Junior College Names New President Monday

Dr. Henry E. McCullough of Lufkin has been selected as the new president of Cisco Junior College, according to an announcement today by Lee D. Woolley, president of the CJC Board of Regents. McCullough, who holds degrees from North Texas State University, is currently serving as Dean of Instruction at Angelina College. He is married and the father of five children. He is expected to move to Cisco

the middle of June and take over the chief administrator's duties at the college on June 18.

In making the announcement of Dr. McCullough's election by the Board of Regents, Woolley stated, "The Board is very pleased that Dr. Henry E. McCulloch will be assuming the presidency of CJC. He has been recommended to us as one of the outstanding educators in Texas. His

qualifications will enable CJC to continue under the quality of leadership as it has under the administration of Dr. Norman Wallace.

The board screened 35 applicants from through out Texas and four other states. The selection process took six weeks: Mr. Woolley said he commended the Board of Regents for their dedication and time spent during this search process. The Board of Regents is made up of Lee D.

Woolley, President, Brad Kimbrough, Vice President, Lloyd McGrew, Secretary, and members Bill Austin, Roy Dennis, Charles Preston, Billy Reynolds, Rudolph Schaefer and J.D. Yardley.

Dr. McCulloch is a native of Dallas. He attended North Texas State University for both undergraduate and graduate work, and he holds a Bachelor of Business Administration and a Master of

business Administration from NTSU, receiving the Master's in 1955. He also received his Doctor of Education from NTSU in 1961.

McCullough has taught in the business department at North Texas State University, West Texas State University, Kilgore College and Grayson County College.

Dr. McCulloch moved to his current place of employment, Angelina College in Lufkin, Texas in 1968 where he serves as Dean of Instruction.

He has served on many

committees of the Southern Association of Colleges and Schools, the chief accreditation agency for colleges in the south and southwest. He has served as Secretary-Treasurer of the Texas Association of Junior College Administrators and is a member of Phi Delta Kappa educational fraternity.

The McCulloughs are members of the Baptist church, and he has been active in the American Heart Association, Rotary Club, Chamber of Commerce and the United Fund.

DR. McCULLOUGH
...CJC President

Dorothy's Sunshine Fabrics Plans Open House

OPEN HOUSE—Dorothy's Sunshine Fabric owner, Dorothy Guenther, announces that her shop will have an Open House Sale this week at 1010 East 18th in Cisco. Shown in the picture (left to right) is Dorothy Guenther and Shirley Hargrave, member of the C of C. Dorothy invites everyone out to see the items she carries, and take advantage of her sale this week. There will also be gift certificates given away during

the sale and she invites everyone to come and register to win. The shop is an add-on room built onto their home, so Dorothy is able to transfer the savings she would pay on rent onto the prices on the fabric, patterns, and other sewing notions. She also carries handmade gifts by Wilma, the new net fabric and all types of summer fabrics including the terry cloth. (Staff Photo)

Revival Set At FEMC June 15-17

There will be a revival held at the First Evangelical Methodist Church beginning Friday June 15 through Sunday June 17 with Pastor Jack Wease bringing the messages for each service. Jack Wease lives in the Fort Worth area. He is the Mid-States District

Superintendent for the Evangelical Methodist Churches and has been for the past 3 years. Ester, his wife will be with him for the revival.

The services will begin each night at 7:30 p.m. and Sunday morning service will begin at 11:00 a.m.

There will be a Bar-b-que Supper Saturday night and Special Music for each ser-

vice. Pastor John Clinton encourages everyone in the area to come and join in on the fellowship and take this opportunity to Praise the Lord with your fellow christian brothers and sisters.

S. Thompson

Fund Extended

The Sonny Thompson fund has been extended until the end of July. He has undergone surgery at Hendricks Hospital for a malignant brain tumor and will be undergoing treatments for 6 weeks.

The family thanks everyone for their contributions.

Cisco Student

Receives Degree

A Cisco Student at Angelo State University was among 410 Students to receive degrees during spring commencement at the University.

Audie Lee Woolley received a Bachelor of Science Degree, Magna Cum Laude, with a major in Pre-Medicine.

AMANDA LYNN LUSTER—Lisha Marlina Luster announces the birth of her sister Amanda Lynn Luster. She was born May 7, 1984 at 7:39 p.m. at Hendricks Hospital in Abilene. She weighed 8 lbs. 5 1/2 ozs. and was 21 inches long.

Maternal grandparents are Ladell Luster of Cisco and William Luster of Lubbock. Paternal grandparents are Mr. & Mrs. Billie R. Stover of Matador.

Maternal great-grandparents are Floreine Angell of Nacona and Mr. & Mrs. Bill Slover of Matador.

Number Attend Mrs. Brown's Memorial Services June 2nd

A number of out-of-town relatives and friends came to Cisco June 2 to attend the Memorial Services for Mrs. Leah Brown.

They included Mr. and Mrs. Harold Brown and Mr. and Mrs. Kevin Brown of Victoria, David Burns Brown of Tyler, Mr. and Mrs. Ollie Blodgett, Mrs. Annabelle Stocking, Mr. and Mrs. Randy Blodgett, Billy Blodgett, Mrs. Lottie Oakes, and Mrs. Marcie Haley of Wichita Falls; Mr. and Mrs. Garland Brown, Mr. and Mrs. Lloyd Brown and Ivan Brown of Bledsoe, Texas; Mrs. Dee Ball and daughter, Terri Lea Ball of Big Spring, Mr. and Mrs. Lonnie Pingree of Dallas.

Services were in the First Methodist Church, with the Rev. Frank Williams officiating. Instrumental music was furnished by Betty Odom on the organ and Viola Payne on the violin. Pallbearers were Ricky Whatley, Mike Langrill, Lloyd McGrew, Jim McCanties, John Penn and Tommy Toland.

Leah Brown was born to Mr. and Mrs. Wilhelm Ermsoff at McCloud, Oklahoma on Jan. 8, 1905. Her father, a rancher, moved his family to north Texas when Leah was quite young.

The Ermsoff family was musically talented, with its

members playing various instruments. Wilhelm Ermsoff played the violin, and Leah accompanied him on the piano at an early age. She continued to play the piano and the organ throughout her life, furnishing music for churches, programs and socials wherever she lived.

Art became another great interest in Leah's life, and in time her beautiful paintings were enjoyed by many people. Leah married Uita (Gene) Brown at Seymour in May, 1924. Gene Brown, a Cisco area native, had been born in Scranton on the John Brown Land Grant. A rancher and teacher, Gene served as a High School Principal in San Angelo and other schools in West Central Texas. The couple had one son, Harold.

After his retirement from teaching, Gene and Leah Brown moved into Cisco. Gene Brown died here in 1961.

Leah Brown served as Church pianist for the First United Methodist Church,

and held various offices in the Church, including that of President of the U.M.W. She was a choir member for more than 25 years.

During this time she worked with art clubs, and was named "Artist of the Month" in Abilene, Cisco, and Eastland. Her scenic and still life paintings were recognized in shows and exhibits throughout the Southwest.

Her musical talents were also given freely to the community, playing the piano for Senior Citizen's Luncheons and many other programs. Some of her time was spent in travel across the United States and in various countries of the world, where she gained new insights into scenic beauty and painting techniques.

Survivors include her son, Harold, of Victoria, a grandson, Kevin, of Victoria, two sisters, Mrs. Annebelle Stocking and Mrs. Ruth Blodgett of Wichita Falls, and many other relatives and friends.

WTU Files For Rate Increase

West Texas Utilities Company has filed for an increase in its electric rates for retail customers.

Local Manager Jack Kennedy said the application was filed Friday June 8, a full year since WTU's last rate application, and is a systemwide request for higher rates. Simultaneous filings were made in all incorporated towns and with the Public Utility Commission of Texas at Austin for an increase in rural areas, unincorporated towns and in 21 municipalities which have ceded jurisdiction over electric rates.

The proposal would produce an annual increase in total retail revenue of \$30,845,695. This amounts to 12.4 per cent.

Kennedy said the additional revenue is necessary to carry out WTU's current heavy construction program, which includes a new coal-fired power plant at Oklaunion near Vernon.

"By the time these rates

become effective, we will have spent \$167 million on the Oklaunion Power station and related projects," Kennedy said. "Our last rate increase was not enough to carry us through this construction program, which is essential to continued reliable electric service to our customers."

WTU had requested an increase of \$26.6 million in its filing in June, 1983. A hearing in that case was held at Austin in September, and the final PUC order granting about half the requested amount became effective January 4, 1984.

The Oklaunion plant will be completed in late 1986, almost 10 years after WTU's newest existing generating unit was completed at Fort Phantom Power Station near Abilene.

Citing a "Light at the end of the tunnel," Kennedy said WTU's spending should taper off as the construction

(Continued Back Page)

HALL OF REMARKS

BY HERREL HALLMARK

FLAG DAY is this Thursday, June 14, so be sure and remember to display your flag and show your patriotism to your country. With all the turmoil in the world today and the burning of American flags in other countries, Americans should stand behind their country and the country's leaders. Support them with your prayers.

IN REFERENCE to the vandalism which occurred recently at the Oakwood Cemetery, Mrs. Mosely, 510 W. 2nd, has a wreath that was thrown over her fence into her yard. She says if you placed a wreath on a loved one's grave and now it is missing, go by her house and identify it and you can have it.

I UNDERSTAND that Little Shoes and Kid's Kountry will be moving to a new location sometime soon. They are going to place both of their businesses in the building which has been occupied by Heather's Hallmark on Conrad Hilton Avenue.

As you probably know, Heather's Hallmark is moving their store to Eastland. Owner Ken Parker works as a CPA in Eastland.

WE STILL are having hot and dry weather, with high humidity, in the Cisco area. However, we believe it will rain in this area before too long, thanks to the day of prayer held last Sunday, June 10.

God knows our needs and he will honor them.

DESPITE THE low level of the lake, everyone is enjoying spending part of their weekends there, either swimming, boating or fishing. A lake is a great recreational facility for any area and Lake Cisco has been enjoyed for years by many of this area.

A good rain, which would help to raise the level of the lake, would certainly be welcome by all those who use the lake for recreation. More water would mean a larger area for skiing and boating, as well as putting swimmers farther from the main stream of the lake.

YOU WILL want to join us in welcoming the new Cisco Junior College president, Dr. Henry E. McCullough of Lufkin, to Cisco. He will be moving to Cisco the middle of June and is married and the father of five children.

More may be found on Dr. McCullough elsewhere in this edition of The Cisco Press.

You will also want to join us in wishing the Dr. Norman Wallace good luck with their new position in Beville. They will be missed by this community, since they were very active and helpful in all areas of community involvement.

JERRY WHITE IS EMPLOYEE of the month for May at Burgess Manning Inc. Jerry has been employed at Burgess for four years. His job is to operate the press break. He is versital, dependable, and always willing to lend a helping hand to other workers. We are proud of Jerry. A \$50 gift certificate at Sears will be awarded to him. (staff photo)

DEPARTMENT OF THE MONTH for May at Burgess Manning, Inc. is the indirect department. This department consists of Shorty Agnew and Joe Lambert, maintenance; James Smith, shipping, Paul Lavender, materia-

handler, Baylis Pope and Dean Murray, material coordinators; Gary Stennett, quality control; and Janie Wilson and Doris Lewis, office. (staff photo)

Moran News

By Mrs. Luke Huskey

Visiting with Mrs. J.W. Booth, last week were Mr. & Mrs. John J. Booth of O'Fallon, Ill., Mr. & Mrs. Bert Booth of Temple, Dr. and Mrs. Tony Vita of Allen, Mr. and Mrs. Bryant Evans of Abilene and Mrs. Katy Milhern of C'Fallan Illinois.

L.L. Walker is receiving treatment in the West Texas Medical Clinic in Abilene.

Shawn Brewster of Eden is visiting his grandparents, Mr. and Mrs. Hubert Brewster.

FLEA MARKET

The American Legion of the Ernest F. Pettit, Post No. 343, in Moran will sponsor a Flea Market at the American Legion Hall on Saturday, June 30, starting at 8 a.m. Anyone wishing to have a table can contact the Post Commander, Hubert Brewster of the Post Adjant, R.W. Miller. The American

Legion Auxiliary will have a concession stand, selling pie, soft drinks, hot dogs and tamales.

MUSICAL

It is almost time for the Moran Country Musical, which will be held on Friday night, June 22, at the Moran Community Center. The musical is free to anyone who wants to come and listen to Country and Western Music. Sid Vick of Breckenridge is the Master of Ceremonies. Come and enjoy an evening of fellowship and music. The concession stand will be open at 6, with the program to start about 7 p.m.

AUXILIARY MEETING

Eight members were present for the American Legion Auxiliary meeting on Monday night, June 4. The president, Shirley Brewster, called the meeting to order and the group repeated the

"Lord's Prayer" and "The Pledge to the Flag" in unison.

The group sold Poppies for Memorial Day and received \$242.32, and \$72.33 was sent to the Department Headquarters, one-third of the proceeds has to be sent to Headquarters, after the price of the poppies has been taken off. The group wishes to thank everyone for their contribution to make the poppy sale a success. The group received 500 poppies, which is the most that the unit has ever had.

The group sells sandwiches at the Bingo games to help with the projects for the Auxiliary.

Thank you notes were acknowledged.

Frances Green, of the Nominating Committee submitted the following for officers for the ensuing year: Shirley Brewster for President; Dollie Miller for 1st Vice President; Lucille Forbess for 2nd Vice President; Elma May Huskey for Secretary-Treasurer; and Dorothy Tollefson for Sargent-of-Arms. The group were elected by acclamation.

The Auxiliary State Convention will be held in El Paso on July 19-22. It is hoped that the unit will be represented.

Clela Collingsworth will be the Sandwich Chairman. Bea Reynolds and Lucille Forbess will continue as the Telephone Committee.

Visiting with Mr. and Mrs. Robert Charles Green and James this week are her parents, Mr. and Mrs. Jim Mesher of California and Mr. and Mrs. Ernie Gallertine and Doll Cook of England.

WORD OF GOD

CONFESS THE LORD!

Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven.

But whosoever shall deny me before men, him will I also deny before my Father which is in heaven.

Matthew 10:32-33

When You Buy, Build
or Remodel, You Can Save
Thousands of Dollars*
on Your Electric Bills over
the Life of Your Home if
it's a WTU-Approved
E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME
OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

*COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.

An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more. (Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

Richard & O.T. Arnold of Lake Leon.

"Lunch And Learn" Program

To Be Held June 14

All interested persons are invited to attend the June "lunch and learn" program.

The program will be this coming Thursday, June 14, from 12 noon until 1 p.m. in the Texas Electric Service Company Reddy Room in Eastland.

The program will be "Nature's Magic" presented by Kathryn Cawley, Abilene Lone Star Home Economist. The program will be on cooking with herbs and spices and will feature some exciting, new ideas to "spark up" those every day meals. The program will also include a demonstration on

making potpourri from herbs and spices.

Persons attending the program are invited to bring a sack lunch and drinks will be furnished.

The monthly "lunch and learn" programs are sponsored by the Eastland County Extension Service and are open to all ages regardless of socio-economics level, race, color, sex, religion, handicap or national origin.

BASS CLUB

Fishing Report

Terry L. Wilson

Friday night's open team tournament held on beautiful Lake Cisco, hosted a small turnout, but the anglers present brought in some fine fish.

First place was won by Terry Wilson and unidentified partner, by request. These gentlemen had 2 fish weighing 3 pounds 7 ounces. Second place was won by Bruce Sellstrum and Tommy Thompson, 2 fish weighing 3 pounds even. Tommy and Bruce also won big bass weighing 2 pounds 4 ounces.

Sunday's team tournament drew 5 avid anglers for what proved to be a hard days fishing. First place was won by Don Flowers, last months tournament winner.

This month, Don brought in 2 fish weighing 3 pounds 15 ounces. Don also won big bass weighing 2 pounds 12 ounces. Second place honors was captured by Herman Dunlap, with one fish weighing 1 pound 15 ounces.

An important aspect of all tournament competition is time, as one of our anglers can testify, arriving at weigh in 20 minutes late this angler would have placed 2nd or third, so always be sure that time piece is in working order, its as important a

piece of tournament competition as your rod and reel.

KEAN's Big Bass Classic paid a record \$25,000 to Mabry Tatom Jr., Sweetwater. Mr. Tatom's fish was taken on a gold colored Fat Rap near Tanglewood Island. Second Donald Holland, Abilene, \$10,000; Leslie Patterson, Breckenridge, \$5,000; Milton Saltzman, Midland, \$3,000; Bill Collier, San Angelo, \$2,000.

Kean's annual event went off with a few hitches. During Saturday evenings festivities, patrons were able to remove a lock from the refreshment wagon and help themselves, fun in the sun was running high.

Safety on the water should always be first and foremost during boating. Alcohol can impair your judgement as easily on water as it can on dry land. Keep a firm grip on common sense and always play it safely.

Two Leaders Honored At State Roundup

COLLEGE STATION---
 Two area 4-H leaders were among 28 in Texas honored at the 1984 State 4-H Roundup at Texas A&M University, June 5-6.
 Ann Lane of Gustine and Barbara Long of Rising Star were recognized as the top adult volunteer leaders in the Central District of the Texas Agricultural Extension Service, Texas A&M University System. The Extension Service is the parent organization of 4-H.
 Each honoree received a special plaque provided by the Texas 4-H Foundation, the service organization of 4-H.
 Long has served as a 4-H leader for five years with the Stars of the Future 4-H Club

HONORED AT STATE 4-H ROUNDUP Two adult leaders from each of the 14 Extension Districts were honored during a special luncheon at the 1984 Texas 4-H Roundup at Texas A&M University, Jun 5-6. Dr. Zerle L. Carpenter, (left) director of Texas Agricultural Extension Service, and Jim Morriss (right) of Austin, representing the Texas 4-H Foundation—the service organization of 4-H—are shown presenting a plaque to Adult Volunteer Leader (1 to r) Mrs. Ann Lane of Comanche County, and Mrs. Barbara Long, Eastland County. They represented Extension District 8.

In Rising Star. She has been a staunch promoter of 4-H and was instrumental in increasing the number of members in her club from 12 to 40 over a two-year period.
 Long also has taken the leadership in expanding the project areas in which 4-H members participate and as increased public awareness of the 4-H program. In addition to serving her club, Long also has been involved in a host of 4-H programs and activities in Eastland County and has also taken part in numerous district and state activities.
 Long's influence has gone a long way in getting 4-H members more involved in all phases of the program. Her club hosted the county 4-H awards banquet last year, and she has been instrumental in organizing the Rising Star Fair. The number of animal entries at the fair has increased from 35 in 1981 to 142 this year.

YOU AUTO KNOW
 00000
 IN THE INTEREST OF SERVING THIS AREA,
JIM CALDWELL BRINGS YOU THESE IMPORTANT MONEY-SAVING ARTICLES:
 Stuck in a traffic jam on a warm day? To keep engine cool, turn off the air conditioner and shift into neutral if you can. If car threatens to overheat, turn on the heater for a while to help disperse engine heat.
 If the alternator light flickers at medium-to-high speed, don't assume the dash gauge is at fault. The drive belt may be loose.
 Drinkers who drive should know that a 12 ounce bottle of beer has just as much alcohol as a 1 1/2 ounce "shot" of whiskey. Ditto 6 ounces of wine.
 If warm engine won't re-start after a brief stop, there's probably carbon on the cylinders.
 If your gas mileage is poor, check these less-than-obvious possibilities: low transmission fluid, slip-page drive belts, dragging brakes, dirty oil, restricted exhaust passages, or contaminated coolant. Your mechanic can think of more reasons.
NEW-USED CARS
 If your gas mileage is poor, it's time to switch to a new (or late-model used) car from **JIM CALDWELL MOTORS**, 314 W. Main, Eastland, 629-2636.
 Our fuel-efficient cars save you money on the road.
AUTO REPAIR

Charley's Aunt Will Open Roof Garden Summer Season

Charley's Aunt by Brandon Thomas is the opening play of the 1984 professional summer season at the Roof Garden Dinner Theatre in Cisco. The play will run Thursday, Friday, and Saturday, June 14-16 and 21-23.

The world-famous comedy is set in Victorian England in which two young undergraduates at Oxford, Jack and Charley, contrive to see their sweethearts by having a fellow student disguise himself as an older woman (Charley's aunt) to

serve as a chaperone. The plan backfires on them however when the guardian of one of the girls decides to court the "aunt" and things become thoroughly confused when the real aunt makes her appearance under an assumed name. Through quick wit, fast action, and incredible luck this funny farce reaches a happy conclusion.

Tickets are \$12 for dinner and show. Dinner time is set at 7:00 p.m. Call (817) 442-2589 for reservations.

Defensive Driving Course Offered At Cisco Jr. College

As a service to the community, Cisco Junior College will offer a Defensive Driving Course June 18 and 19 from 6-9:30 p.m. in the Science Hall Lecture Room. Fee for the course is \$20.

The Defensive Driving Course is an eight-hour classroom course designed to improve driver skills and attitudes, especially in emergency situations.

Drivers who complete the training are eligible for a 10% discount on automobile

insurance rates covering bodily injuries, property damage, medical payments and collision coverages. Good for three years, the discount may be renewed by retaking the Defensive Driving Course.

Enrollment fee must be paid by 3 p.m. on June 18. No late registration fees will be accepted.

For more information or to register, call or come by the President's office at Cisco Junior College.

98 Attend Camp

98 attended the Eastland County Camp June 1-2. The camp was held at the Texas 4-H Center in Brownwood. 4-H'ers began the 1st day with Water Safety, then swimming. The campers all joined in the fun and attended a party that evening. They could enjoy a carnival or dance. Then they retired to the Texas Star for a

ceremonial. After the brief vesper they had a midnight swim and dance. The next day began with a salute to the sun rise. Each 4-H'er could attend 2 sessions. The choices were shooting sports (rifle and archery), Group Dynamics (leadership skills), a nature walk, canoeing, belt braiding and halter making and last was horse care, grooming and selection. The day continued with a Rodeo full of games and fun. This year the camp counselors were Jr. Leaders and they did a fantastic job. A special thanks goes to the 4-H County Camp Committee for a job well done!

Life of Christ Pageant Begins Production

The Kendrick Religious Pageant "THE LIFE OF CHRIST" termed by the July 1980 edition of the TEXAS MONTHLY MAGAZINE as being the best outdoor drama in the State of Texas, is now in its 20th year of productions.

Summer productions of the pageant will begin June 14, 1984 and will be presented each Thursday and Friday night at 9 o'clock DST through August 17, 1984.

This production is the complete LIFE OF CHRIST from the birth through the resurrection, portrayed in sixty scenes by a cast of dedicated Christian people of all walks of life and religious denominations. The production is NON-DENOMINATIONAL, with the script being taken word for word from the King James version of the Holy Bible with nothing added or taken from. Included with the cast is a grey donkey for the Mother Mary, a white donkey for the Triumphant Entry of Jesus, a camel for the wisemen, and sheep for the Shepherds in the field.

Admission is \$3.00. FREE PARKING AND OVERNIGHT CAMPING is allowed on the grounds. Electric

and water hookups are available for a minimal fee. Restrooms are available on the grounds for the convenience of those attending.

Also located on the pageant grounds is Texas' only all Religious Diorama and Museum which is open every day of the year from 10 a.m. til 4 p.m.

The Diorama is scenes from both Old and New Testaments set with 140 LIFE SIZED FIGURES as realistic as is possible with NARRATION, also from the King James Bible, and SOFT ORGAN MUSIC for each scene. As you view the scenes, you are actually standing right in the midst of the figures, giving you the feeling of being right there with the biblical characters. Admission to the Diorama is children 6 through 11 \$2.00 and Adults \$2.50. Each tour lasts 1 1/2 hours.

So plan a spirit filled trip and to the LIFE OF CHRIST PAGEANT halfway between Cisco and Eastland, Texas on U.S. Highway 80.

For further information, contact the LIFE OF CHRIST PAGEANT Route No. 2 Box 46, Cisco, Texas 76437 or Phone 817-629-8672.

4-H'ers Place 10th At State

State 4-H Roundup was held June 5-7. 4 4-H'ers attended the state contest at Texas A&M University. The 4 were on Eastland County Livestock Judging Team. They competed with 28 teams for a top position in the state. Our team placed 10th, congratulations! Along with the team, 19 projects were entered in the state project show. Each participant received a rosette for entering. An adult also went to roundup and received "Outstanding Leader Award." Barbara Long of Rising Star was named one of 28 individuals to receive this honor in Eastland County. Congratulations Barbara!

Gifts for Dad wrapped free

Lights From The Christian World

by Josephine Cleveland

"Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go." Genesis 3:14.

A minister made a trip back to his native country, Ireland. On his return he told of the hate and violence that plagued his homeland. "Yet," he said, "I found some who were serving the Lord and living righteously." He told how one woman lived in a small house and often had little food. She prayed fervently for a loaf of bread. Some young men of the village overheard her praying. They laughed at her faith in God. They connived among themselves. They went to the bakery and bought a loaf of bread. One climbed the roof of her tiny house and dropped the loaf down the chimney. It rolled onto her floor. When the woman saw it she began to praise and thank the Lord.

Finding a small jar of jelly she carried the jelly and loaf to her table and began to eat it. The young men burst into her house laughing. "You think God sent you the bread but he didn't. We did. We bought it at the bakery; we threw it down you chimney; we gave it to you."

The woman listened to their explanation and then said, "You are wrong. God did send it. He used Satan to deliver it."

Many things that come into our lives may be meant to harm us; but the Lord delivers us from them all. Paul wrote to the church at Rome, "There are many who are behaving as the enemies of the cross of Christ. They are destined to be lost. They are proudest of something they ought to think shameful; For us, our homeland is in heaven, and from heaven comes the Savior we are waiting for."

the Lord Jesus Christ, and He will transfigure our bodies into copies of His glorious body. He will do that by the same power with which he can subdue the whole universe.

God condemned Satan because he beguiled Adam and Eve. He told Satan,

"You will crawl and will eat the dust of the earth all the days of your life." ALL THINGS WORK FOR GOOD as you live righteously in Him. Satan can only do to you what you allow him to do. You have the power in Christ to overcome all his wiles. God is Supreme!

GED To Be Given At CJC

The General Educational Developmental Test (GED) will be given at Cisco Junior College from 8 a.m. to 4 p.m. on the following dates: Wednesday, June 13, and Wednesday, June 20.

June 20 is the last testing date for the summer but testing will resume in September.

The GED is designed and administered to individuals who did not graduate from high school. The tests are given to person 18 years of age and older. Persons who are 17 years old and are not enrolled in high school are fully eligible to test and have parental or guardian permission.

The GED consist of five tests in the following areas: grammar, social studies, natural science, literature,

and math. Fee for the exam is \$15. The GED is available in both English and Spanish. Testing is limited to six persons per session. For more information call Mrs. Pena at (817) 442-2567.

Church Of God Camp Meeting July 9-15 At Camp Inspiration

Texas Camp Meeting will be held July 9-15 at Camp Inspiration in Eastland.

Dr. James Curtis of Albuquerque, New Mexico, will be the evangelist, and Rev. Lynn Higgins of Odessa will be song evangelist.

Pre-registration fee will be \$2.50 per person (a maximum of \$10 per immediate family). Registration at camp will be \$3 per person (a maximum of \$12 per immediate family).

The May annual business meeting was held May 19 at Camp Inspiration. Opening prayer was by Odis Taylor. Larry Smith introduced the G.B.C. students, Tony Suzzre and David Swofford.

Twenty-three voting members from 12 district churches answered roll call. Secretary Darrell Basham read minutes of last annual meeting.

Treasurer Smith gave the financial report for the past year. The beginning balance

was \$5,277.95, the total income for the year was \$105,375.50, the total expenses were \$108,039.86, and ending balance including all accounts was \$11,078.84.

Sheila Herring gave the report on youth camps held last year. Approximately 200 attended the camps. All youth camp fees were raised to \$35 for 1984. A two day camp for first and second grades will be held from 3 p.m. Monday, July 23. Cost will be \$6 per person.

Larry Smith reported on the annual minister's meeting which was held at the camp in October. Leader for this year's meeting will be Al Rice of Wycliffe Bible Translators of Dallas.

A report on Kingdom Builders was by Lee Middlebrooks.

Juanita Hester gave a list of this year's projects, including completion of the new church building, Gazebo; ballfield, youth

building, repair broken water lines in the pool and bath house, roof the office, bath house, dining hall, and two cabins.

Current projects approved and unfinished are youth activities building, gazebo, and Inspiration Walks. The Senior Citizens donated approximately \$500 toward the gazebo fountain, and the W.C.G. will help with the Inspiration Walks, and they would also like to have a water ripple along the path.

Officers elected were June Strickland, vice chairman; Larry Smith, treasurer of Executive Committee; and Wade Butler, Christian Education Committee.

Irrigation Field Day June 19

Irrigated peanut growers who are interested in reducing the cost of irrigation should attend a field meeting Tuesday, June 19 at 1:30 p.m., near Gorman. County Extension Agent De Gordon says a program will be given on the evaluation of irrigation pumping plant performance 3 miles south of Gorman on FM Road 2689 (Gorman-Kokomo road).

Wayne Keese, Extension Agricultural Engineer from Texas A&M University, will demonstrate for growers how to evaluate pump efficiency and how to make repairs and adjustments to lower energy costs.

A night meeting will be held at the Gorman High School Cafeteria beginning at 8:00 p.m. says Gordon. Keese will discuss peanut irrigation water management.

He will tell growers how water and energy may be conserved to lower irrigation costs.

The afternoon field program will be on Berniece Rodgers place which is farmed by Durwood Burgess.

The programs were planned by the county peanut committee and the Extension Service to help reduce irrigation energy costs. Gordon says rising energy prices have made irrigation cost a major portion of the total cost of producing peanuts. Many irrigation farmers could reduce their energy cost substantially by adjusting, repairing or replacing inefficient pumping equipment because inefficient pumping plants waste tremendous quantities of energy. The first step toward

more efficient pumping plant operation is evaluation of the performance of existing pumping plants.

Wise management of irrigation water deduces both water and energy reports Gordon.

He says all peanut growers and others interested in cutting irrigation costs are invited to both meetings.

County News Briefs

EASTLAND

This is Fun in the Sun week in Eastland, with lots of special sales and events. Eastland merchants are advertising their merchandise in a special tabloid being distributed in this edition of all Eastland County newspapers. Some merchants will have sidewalk sales Saturday. Also scheduled for Saturday are a huge Flea Market, Arts and Crafts show, and honors for special fathers. There will be a free blood pressure check, soft drinks and food booths, clowns and balloons, and lots of other things around the Courthouse Square Saturday. Exhibitors are expected from a wide area.

The Eastland Kiwanis Club and Volunteer Fire Department will host a Pancake Supper at the Fire Department Saturday, June 16, 11:00 a.m. to 6:00 p.m., in conjunction with the big "Trade's Day". Tickets may be purchased from the Kiwanis or Fire Department, or at the door. Proceeds from the Supper will go to benefit the Fire Department and the Club.

Eleven delegates and alternates from Eastland County are preparing to attend the Democratic State Convention being held at Sam Houston Coliseum in Houston June 15 and 16. Dr. G.A. Dunn of Rising Star will Chair the County delegation. Ann Murray of Eastland was elected Secretary. A move to change the way Texas Democrats choose their Presidential candidate was among 9 Resolutions considered.

CISCO

The entrance gate of the Cisco Airport has been realigned and locked to try to prevent future vandalism and unauthorized vehicular traffic on the runway. In making this announcement, City Manager Mike Moore said the combination to the lock will be provided upon request to any in-

dividual with a need, if they go to City Hall in person. A pedestrian gate and a parking lot outside the gate are provided to accommodate people meeting incoming passengers. It is hoped that Cisco Municipal Airport will be able to attract and support a full-time fixed base operator (FBO) in the future.

The General Educational Development Test (GED) will be given at Cisco Junior College from 8:00 a.m. to 4:00 p.m. on Wednesday, June 20. This will be the last testing date for the summer, but testing will resume in September. Fee for the exam is \$15, and the test is available in both English and Spanish. For more information call Mrs. Pena at 442-2567.

RANGER

Ted Allen has been named as Head Coach and Athletic Director of Ranger High School by the Board of Trustees. He comes to Ranger from Clarendon, where he has coached teams with excellent records. This past year coach Allen's football record was 8-1-1. During the 1980 season Clarendon was District Champ of the 2-Aa with a record of 8-2.

Northview residents, Eastland, are enjoying swimming sessions in the Ranger swimming pool twice per week now. The residents and instructors come for a swim in the morning, then eat lunch in the park and help clean the premises. This has proven to be an excellent arrangement for all, according to Northview Recreational Director Jolene Mazel and Pool Manager Dorothy Rogers.

SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

Our civilization has produced the best cars, but at the same time some of the worst citizens. We have achieved material security, but are about to pass into moral obscurity. We have found ourselves scientifically, but have lost ourselves spiritually.

We are wandering through a moral wilderness of permissiveness because we have forsaken the Lord and His Word. It is like a pilot throwing out his compass and chart, and boasting, "I can navigate this airplane without any aids."

The heart of man is so constructed that it cannot navigate, morally and

spiritually, without a Guide and His guidelines. A wise man on accepting Him, acknowledged in Psalm 48:14, "This God is our God for ever and ever: He will be our guide even unto death."

If there was no Guide there would be distress here and despair hereafter, because there are many ideas about what is right and what is wrong. God has given us the guidelines in His Word. They are profitable and reasonable.

Not every one who says, "This God" can go on to say, "is our God." But the one who can have happiness here and will have heaven hereafter.

Drilling Bits

First production figures have been posted for a natural gas producer in Stephens County's Neely Field, five miles west of Stawn.

Mid-Central Energy Inc. of Mineral Wells is the operator.

Designated as the No. 9 Copeland Ranch, the well flowed 495,000 CF gas daily on a 375-in. choke. The absolute open flow came in at a respectful 1,820,000 CFD.

Located in a 580-acre lease, T&PRR Survey, the well was taken to total depth of 4,182 feet. It will produce from a set of Bend Conglomerate perforations, 3,739 to 3,742 feet into the wellbore.

A pair of 1,900-ft. developmental wells are scheduled for spudding in the Jackson Field, Stephens County, seven miles south of the Caddo townsite.

The wells include:
-Rob-Joe Oil's No. 18 Robert Jackson "H", located in a 320-acre lease in the T&PRR Survey.

-Jackson Oil's No. 21 Robert Jackson, located in a 160-acre lease, T&PRR Survey.

Ray Herring of Graham has filed first production data for his No. 63 Scarlett in the Stephens Regular Field 11 miles south of Breckenridge.

The well flowed 256,000 CF gas daily on a 1.25-in. choke. The open flow rating came in at 430,000 CFD.

The operation is in a 358-acre lease in Stephens County's T&PRR Survey. Herring bottomed the hole at 1,936 feet. Production will be from a set of perforations at 1,876 to 1,881 feet.

Operating out of Graham, Red Dog Production Inc. has filed permit to drill the No. 1 Ashby 5X in Palo Pinto Regular Field 12 miles northwest of Brad. With permit to drill to 4,650-ft. bottom, the well is in a 20-acre lease in the AB&M Survey 1.

The No. 7 Jones is scheduled to be drilled in the Palo Pinto Regular Field six miles southwest of Grafrod. Wes-Mor Drilling of Graham will be the operator. Carrying permit for 1,900 feet of hole, the well is in a 406-acre lease in the Thomas Harrell Survey.

R.G. Creswell of Graham is preparing to make hole for the No. 4 Ashby, a developmental try in the P.K. Field, about 12 miles northwest of Brad. Aimed at Conglomerate gas pay, it is in a 20-acre lease in the AB&M Survey. It is under permit for maximum depth

of 4,399 feet.

The No. 4 R.N. Pierce is scheduled to be drilled in the Palo Pinto Regular Field five miles northwest of Gordon. Mont-Land Co. of Graham is the operator. Location will be in a 543-acre

lease in the T&PRR Survey, Palo Pinto County. The well is scheduled for maximum depth of 3,800 feet. It is aimed at either oil or gas pay.

International Oil and Gas Consultant of Graham will be seeking production in two

different Palo Pinto County fields when it spuds the No. 4 and No. 5 Chestnut, both located about three miles west of the Brazos community.

The No. 4 well carries permit for 4,300-ft. Maximum depth and is aimed at production of either oil or gas in the Conglomerate Forma-

tion in the Chestnut Field. The No. 5 is scheduled to be drilled to total depth of 1,900 feet and will be aiming at oil or gas in the Palo Pinto Regular Field.

Location is in a 320-acre lease in the T&PRR Survey.

Austex Energy Co. of Fort Worth is preparing to drill a

4,500-ft. developmental well in Palo Pinto County's Willie Mae Field, with Conglomerate Formation gas production as the target.

Location is in a 160-acre lease in the T&PRR Survey, about three miles south of Brad. The well will be known as the No. 2-A Harold Slemmon

Gordon Spot

County Extension Agent

DeMarquis Gordon

The rain was sure welcomed in Eastland County last week. This was needed to get peanuts and other crops planted. The southern half of the country had 4 to 5 inches of rain while the northern areas received much less. Areas north of Cisco and near Morton Valley had from .4 to .9 inches of rain.

With this moisture we need to make as much hay as possible. Hay supplies were generally depleted this past winter due to extensive cattle feeding, so planning you hay needs will be particularly important.

Although weather plays a major role in forage production, the person cutting and baling the hay has the greatest impact on its quality. Thus management of a hay meadow is the primary reason for high or low quality hay.

Fertility and cutting management are important factors producers can combine to produce the best hay possible. With proper management, fertilization can boost production of a high quality hay, but it cannot do the job by itself.

Past studies at Texas A&M on fertilizer effects on Coastal bermuda hay production showed 100 pounds of nitrogen per acre yielded 4.38 tons of hay with 9.1 percent crude protein. Nitrogen applied at 600 pounds per acre yielded 10.65 tons of hay with a crude protein content of 12.4 percent.

Fertilizing is important in high quality hay production and in increasing production, but it must be coupled with good cutting management for top quality hay.

Stage of growth at cutting is an important aspect of quality hay production. Young grass is high in protein and high in digestibility because it has less fiber pre-

sent. As grass gets older, more stem develops, protein decreases, fiber builds up and digestibility drops.

A study in Georgia showed a clipping frequency of three weeks yielded on the average of 9.7 tons of hay per acre, 19 percent crude protein and 27.7 percent crude fiber. In comparison, a clipping frequency of ever 12 weeks yielded 11.6 tons of hay per acre, 9.7 percent crude protein and 35 percent

crude fiber. A high rate of fertility in the study boosted production and crude protein levels higher than normally expected, but results do show the decrease in protein and increase in fiber accompanying aging in grasses.

Early cutting does sacrifice some production, but you get higher quality hay that can better meet the nutritional needs of livestock.

Ida Quinn-Detention Matron and Deputy Sheriff

By Viola Payne

"Anyone being booked into jail is at a crossroads in his life," says Ida Quinn, from behind her desk in the Sheriff's office.

"They are in a crisis. Some will talk about it-and maybe try to do something. Others will hide under a hard veneer."

Ida Quinn, with her short curly hair and bright smile, could be mistaken for a student at one of the local colleges. But her job is something quite different-she is a Matron at the Eastland County Jail, and also a Deputy Sheriff.

You would hardly call this

law enforcement work a "job"-it is more a calling and profession. For Mrs. Quinn is actually on call 24 hrs. per day. She is always present when women are booked into jail or transported anywhere.

She talks to disturbed female prisoners, and tries to calm them. She takes them to the Booking Area when they need to make phone calls, and if they ask for a Minister they are brought out to talk with him. They may contact a lawyer of their choosing for counsel.

Ida Quinn checks on these inmates during the day, and counsels with them if they wish. She listens if they need

someone to talk to, trying to relieve anxieties and fears when possible. Most women who are unfamiliar with the jail are afraid of being locked up and afraid of being molested.

Her duties in the office include answering the phone, bookkeeping, logging, serving civil and criminal papers, and handling salary payments for some county officials.

She also goes on juvenile calls for the Child Welfare Department and transports juveniles while they are detained. She can be sent to any part of the county to make arrests, or to carry out the duties of a Deputy Sheriff.

Ida Quinn was born Ida Lou McClure in Breckenridge, and finished High School in that city. She married, had three children, ran a home, and did secretarial work. She established a home in Eastland, where she presently lives. Her children are: Mary Griffin, Abilene, Greg, 19, of Olney, and Kellie, 15, who is a student at Eastland High School.

Before Mrs. Quinn began her law enforcement duties she took special training. She was certified as a jailer in 1980, about the time inmates were moved from the Old jail into the present facility. She attended a Jailer's School in Abilene in 1981, and in 1982 took 9 week course in Abilene which led to her certification as a Peace Officer. She made the highest score in this class.

Her additional training has been in Civil Process at the D.P.S. Academy in

Austin, where she graduated from a 40 hr. course.

As Ida Quinn unlocks the heavy steel door to the detention area of the jail, she praises the new building. She notes that this jail has passed every state inspection with high ratings since it had been opened. It has been cited, in fact, as among the three best-run jails in the state.

A long corridor leads past the alcove arranged for visiting, opposite the exercise area. Visiting hours are 1-4 p.m. Wednesdays, and there inmates talk to visitors through heavy glass. Past the Library, with its modest collection of books and magazines, gray corridors lead to various sections of the building. There are muffled voices and the faint smell of antiseptic.

At the booking area the prisoners shed personal belongings and receive white coveralls to wear. The women are allowed to make up while in jail.

Ida Quinn explains that there are four cells for women, with no female prisoners at the present time. There are usually around 25 men confined in the jail - at present there are less.

The walls of the cells are beige, with orange metal tables providing the only color. All inmates may have a radio and photographs. Medical care is provided on a 24 hr. basis.

When out of this detention area and back to the Sheriff's office, Ida Quinn discusses some of the reasons why women are brought to the jail.

"Alcohol and drugs are in-

involved in many of the offenses. Then there is burglary, shoplifting, and forgery. You can say that women's crimes run a lot like men's - right down to the violent ones. There are simply a lot less women committing them.

"But crime among women is on the rise, especially during the last few years. And we get women of all ages - from teenagers to grandmothers.

"The abuse of alcohol is one thing that cuts through all segments of society. You may have a fine home and be a community leader - but if the D.P.S. finds you intoxicated weaving along in a car, you will end up right here on our doorstep.

"Some people don't realize this - and get pretty angry at the law enforcement officers. We don't make the laws - we just try to enforce them. Most of the women who are booked here soon make bail."

Then Ida Quinn speaks, in general terms, of the women who are jailed.

"Their lives seem to fall into a pattern, although there are exceptions. Usually they come from economic groups with few opportunities, and no security.

"They are from broken homes, where there was little love demonstrated. Usually they suffered some form of child abuse, physically, mentally, or both.

They have had little training and not much encouragement in education or religion. So they grow up and marry and then have a

Ida Quinn, matron and deputy, opens a familiar door leading to the area of the jail where prisoners are kept

divorce of their own - with even more feeling of rejection.

"Somewhere along the line these women have developed a low self-image, with a feeling of discouragement, helplessness and even rage. They believe that nothing good will ever happen to them.

"Those who will talk to me say something like this: 'Want to see a loser? Look at old, ugly me - who would ever want me?'

"They have lost trust in everybody, including themselves."

Working at the jail, says Deputy Quinn, does have its bad times. Like seeing an inmate incarcerated long enough to be withdrawn from alcohol and drugs, noticing that his brain is beginning to function normally; then, once he is out, seeing him fall right back into the same trap, and having to be brought back again.

It is sad, too, to see a runaway child jailed temporarily because there is no other safe place for him to go. The youngest has been an 11 year old boy who was hitchhiking on the Freeway.

But there are more hopeful situations, and these are what cause Ida Quinn to smile.

"I love my work," she says. "Being jailed is a bad experience, but those who want to be helped can be. I find it satisfying to work with people - to feel that I might have been able to help someone at a really low time in their life.

"I can't imagine doing anything else."

Ida Quinn, Eastland County jail matron and deputy sheriff, works at her desk as well as other areas in the jail.

Fun-In-The-Sun Event Set Wednesday-Saturday

Final preparations have been made for the four-day Fun-in-the-Sun events being held in Eastland Wednesday through Saturday.

Eastland merchants are offering red hot bargains during the four days, and some will have sidewalk sales Saturday.

Saturday promises to be the highlight of the festivities with a variety of special activities being plan-

ned to keep everyone busy and entertained.

A giant flea market and arts and craft show will be held around the courthouse square. Exhibitors are expected from Cisco, Grapevine, Weatherford, Abilene, Graham, and Albany, according to Cindy Carlton, who is handling the arrangements.

Putnam News

By Mrs. R.H. Taylor

A good part of the Big Country had rains the past week, but as usual they passed Putnam by. We had 4 tenths of an inch, Tuesday night, but by noon Wed. it was all gone. I know my neighbors are not living right. I am sure it is not me! However, our time will come, and we are thankful that we are missing the tornadoes that are striking some places.

There are some tanks still with enough water to fish in. My neighbors have been catching some nice fish. They won't tell where!

The First Baptist and Church of Christ had their monthly pot luck lunch at the Community Center last Sunday. About 30 were present for the good food and fellowship.

The Baptist Church is celebrating its 75th Anniversary in July. If any of you readers ever attended the Putnam Baptist Church, we would be happy to come and help us celebrate!

Mrs. Jiggs Shackelford of Baird had major surgery at Abilene last week. At last report she is doing fine.

Mrs. Hulén Smith spent two days at West Texas Medical Center this week. She went for tests. Her son Clifford of Lewisville came and took her to the hospital.

Mr. & Mrs. Norris Weeks of Baird came by last Sunday and took his mother Myrtle Weeks with them to visit another son R.D. and family of Eastland.

The G.W. Weeks have moved into their new home. We are glad to welcome them to Putnam. They will be leaving this week for

Omaha, Nebraska to visit a daughter there.

Mrs. Betty Fraley spent last weekend at Fort Worth and attended the Miss Teenage Pageant there. She also visited her daughters' family Mike and Tary Cason and the granddaughter at Decatur.

Mr. and Mrs. John Rice of Gorman visited the G.W. Weeks this week. Mrs. Rice will be remembered as Willa Belle Jones who lived at Putnam and attended school here.

We are sorry to report the death of Mrs. Arno Rogens- teens mother, Mrs. Ollie

Nicks, of Snyder. Mrs. Nicks was 99 years old.

Bill and Dorothy Taylor of Weatherford and Tom and Cheryl Lemmons and Heather of Abilene visited Mrs. R. B. Taylor Sunday. Cheryl and Tom are leaving Wednesday for a 10 day stay at Nassau on the Bahama Islands.

The Buford Greens of Graham and the Darrell Greens of Clyde had lunch their mother and Calvin King Sunday.

Mr. & Mrs. Bill Lewis of Dallas are here supervising the building of their new home.

'To A Prominent Citizen'

Today I had a business appointment with a lady that is a prominent citizen of our little City of Cisco. I knew her only by name (I thought), and her new title in Cisco. To my pleasant surprise, she knew me from years past. She also knew my mother. I am so happy I visited with this lady.

I realized almost immediately that she was very well read, very knowledgeable and also a very warm christian lady. She is on the side of justice 'for all' and a very understanding person. She brings great honor to our city.

She has suffered personal loss recently, not once but twice, her daughter and her husband. The two were loves of her life.

As we were visiting, we realized we had things in common: personal loss. I tried in my feeble way to comfort her, and to tell her I too had tragedy in my past. To my surprise she already knew, and told me something I didn't know. My mother was killed in an auto accident in Cisco in 1954. He daughter (the one she recently lost) was the first person to notice my mother had been pinned under the second car involved in the accident. The ambulance driver nor the police had noticed! My mother died in the hospital although everything that was humanly possible was done to save her. God smiled on her and she quietly slipped away from us. This same daughter sang a special at my mother's funeral.

I am only sorry I didn't know all of this in time to

thank her. I'm quite sure the rest of the family appreciated this then, and I will be forever grateful. Also, I learned this lady I talked with today knew my mother personally and still has a great respect for her some 30 years hence.

The reason I was not at the funeral was because I lost my first born baby on Sunday, had surgery on Monday before mother was killed on Thursday.

Together we relived our losses. We know, there's no doubt, God in Heaven carried us day by day. Sure, friends care, they have given us their love, friendship, have been there for both of us, then and now. This is just wonderful, but God is the One that we must turn to. She and I take life one day at a time.

Depending completely on our Lord, there is no other way we as human beings could stay sane. Sometimes there are only one set of footprints--they are not mine or hers, they are the Lord's. He carries us most of the time.

I'm sure by now, you know of whom I speak. I'm also sure you will agree with me that she is a great honor to our little city.

May I say, "thank you" to this wonderful person for telling me that she enjoys what I "try" to write. Thank you, kind lady, for talking to me.

By Vera Wheat

Help Offered Patients

'Coping With Cancer' a program by the American Cancer Society to educate cancer patients on how they can live a more independent life, have hope for recovery, and secure the best available treatment and health services for their particular type of cancer was presented to a surprisingly large group of people on May 29 at Eastland Manor Nursing Home.

Everyone was welcomed and the visiting speakers were introduced by Nancy Clark, R.N., who is affiliated with Eastland Manor and who is directing the health services available for local cancer patients from the American Cancer Society as a volunteer.

Ima Gene Hurst, R.N., spoke on the purpose of the program, and the filmstrip "I Can Cope" was shown.

Communicating and expressing your feelings was the subject of a talk by Price Mathison, a chaplain at Hendrick Medical Center.

After a break, Linda Jordan, R.D., gave some nutritional hints which could be

Beck Family Reunion Held

The Beck Reunion was held June 2, 1984 at the Calvert Po Farm in Ranger, Texas. We enjoyed lots of good food and visiting. Those attending were: Charlie and Lera Beck, Corvis and Illeana Beck, Charlie and Frankie Beck, Arthur and Dude Beck, Alta Carroll, Caryn Boone, all of Ranger; Andrew and Dennie Beck, Wanda and Franklin Skinner of Morton Valley; Lillian Petree of Olden; Bill, Glenda and Donna Hart of Azle, David and Ginger Jackson, Vicki, Wedni and Gregory Fischer, Jim, Maxine, and Becki Calvert, all of Fort Worth; Ruben and Elfreda Beck of Eastland and Doris Beck of Galveston.

helpful for patients.

The concept of this program is based on a single rather simple assumption: Many worries and anxieties that cancer patients have can be helped by learning from other people who are in the same boat! A number of the patients in the pilot pro-

Williaford-Muirhead Wedding Vows Said May 26

The First Baptist Church of Dallas was the setting for the double ring ceremony uniting in marriage Miss Beverly Gail Williaford and Tracy Johnston Muirhead.

Dr. W.A. Criswell, pastor of First Baptist Church, officiated at the candlelight service, which was held at 11 a.m., May 26, 1984.

The bride is the daughter of Mr. and Mrs. Frank Williaford of Grand Prairie and the bridegroom is the son of Mr. and Mrs. Jack Muirhead, Jr. of Eastland.

The wedding was held in one of three chapels, which was beautifully decorated with greenery and tall, white candles.

Given in marriage by her father, the bride wore a full length gown of Oriental tissue paper silk with tatters, featuring a cathedral length train with an embroidered floral design. Hand sewn beads and lace accented the neck line and the long sleeves. The veil and band

grams found that this kind of independent personal learning can lead to understandings that can give hope for the future. Many patients have not only found understanding, but also knowledge that meets their needs.

A tape by Dr. Victor Hirsch, Medical Oncologist, "Learning About Your Disease" was shown.

Volunteers with the Eastland County Unit of the American Cancer Society have kind of "learned the ropes" now and they are able to help local cancer patients in a number of ways.

A lot of information is now available and equipment that is available for use by patients is being stored and can be delivered and set up in a patient's home in 24

hours after a request. Some medical supplies may also be obtained.

Transportation is a big local need, so if you are already making trips to a medical center or if you would be willing to take someone, please contact Nancy Clark or Pam Bien at Eastland Manor, 629-1753. Youth groups may also be able to help.

was of silk with hand sewn pearls.

She carried orchids with white roses and gardenias accented with baby's breath.

The maid of honor was Gloria Montgomery of Dallas. She wore an orchid chiffon long gown fashioned with tatters and ruffles.

The bridegroom was attired in a white tuxedo with a white ruffled shirt and vest, ascot tie, and cummerbund. The best man was Clay Williaford, the bride's brother.

For her daughter's wedding, Mrs. Williaford chose a long, ankle length, teal green, chiffon dress with an orchid corsage.

The bridegroom's mother wore a long chiffon gown of dusty rose with an orchid corsage.

The bridal cake was of three tiers decorated with roses and topped with a bridal couple. The bridal table, from which punch and cake were served, was centered with a spring flower arrangement.

Miss Kelly Muirhead, sister of the groom, assisted with serving the cake and punch, and also Miss Kathy Muirhead, sister of the groom, registered the guests.

A rehearsal dinner was served Friday evening to the wedding party and family members.

The groom is employed as a civil engineer with a Dallas construction company and the couple will make their home in Dallas, following a wedding trip to San Antonio.

WORD of GOD

Return Unto The Lord!

And shalt return unto the Lord thy God, and shalt obey his voice according to all that I command thee this day, thou and thy children, with all thine heart, and with all thy soul;

Deuteronomy 30:2

WORD of GOD

Old Testament (Prophecy)

And the Lord said unto me, Cast it unto the potter: a goodly price that I was prized at of them. And I took the thirty pieces of silver, and cast them to the potter in the house of the Lord.

People n Things Writer's Club Contest Open From June 1 to Aug. 1

IF A PROJECT the Cisco Lions Club is working on materializes like they hope, the outside mail boxes at the Cisco Post Office will be relocated on Avenue E. Presently, you drive to the southwest corner of the post office lot and can legally drop mail while driving west. The driver is on the wrong side and frequently must get out of the car and walk around to mail something.

If you approach from the west, you are in position to drop the letter from the driver's side. But you're on the wrong side of the street. At best, the present arrangement is second class for our First Class Post Office.

A Lions Club has met with postal authorities. The new arrangement will be a one-way drive-through with the driver on the side next to mail boxes. It is a commendable project and let's hope that it works out.

WITH JULY THE 4th only about three weeks away, the Lions Club is already busy with plans for their annual carnival at City Park. The carnival will be part of the city's Independence Day celebration. There will be announcements very soon about the big event.

Chairman Ivan Webb and his committees hope to have the picnic pavilion floor paved by July 4th celebration time.

SORRY TO HEAR that Joe Perry, 1984 CHS graduate and quarterback of last year's football team, suffered painful injuries in a mishap at the baseball game at Teenage Park the other night. Joe was hit in the mouth by a baseball.

Joe had a mild concussion, a badly cut mouth, chipped teeth and a broken nose. He spent a day and a half in the E.L. Graham Memorial Hospital. Understand he's back in action this week.

THE WM. E. (Bill Austins) spent three days over in Big D attending furniture market last week. They're restocking the Austin's Furniture Store that was destroyed by fire a few months ago. Hear tell that the Ronnie Ledbetters, the Bobby Smiths and the Dr. Allen McGinnesses are working on plans for a vacation later in the summer to the delightful island of Jamaica in the Caribbean. Bet they like it. If you didn't like the Callarman kittens at 700 Front, you might try some that Mrs. Gerald Parks of 1603 Primrose has as gifts to the first callers.

A PADRE ISLAND vacation is in the works for the Douglas Campbell family, including son Larry Campbell and family and daughter Mrs. Ron Rhodes and family. George Callarman and son Steve of Grand Prairie visited his mother, Mrs. E.L. Callarman, here last Sunday. And the Eldon Callar-

Obituaries.....

Bud Brown Services Held In Colorado

Services for Virgil "Bud" Brown, 57, of Denver, Colorado were held at 1:00 p.m., Wednesday, June 13, 1984, in Chapel, 29th at Wadsworth, Denver, Colorado. Burial was at Ft. Logan National Cemetery in Denver. Mr. Brown died Thursday, in Denver following a short illness.

Born November 27, 1926, in Cross Plains, he lived in the Cisco area since he was about 1 year of age. His parents were James Losson Brown, Sr. and Virginia Lisenser Brown. He attended Cisco schools and worked in the area.

He married Ivy Lena Clegg October 4, 1951, and worked for Texaco in Port Arthur, Texas. The Browns moved to Denver in 1972 where Mr. Brown worked for Burlington Northern R.R. until the time of his death.

Survivors include his wife, four brothers, James L. of Houston, Pa., George W. of Port Arthur, Texas, Franklin R. of Gretna, La., and Richard P., of Denver; one sister, Evaline Girardi, of Denver; several nieces and nephews; and his aunt, Mrs. Frank Wood of Cisco.

mans of Big Spring visited home folks... Mrs. Eugenia Arrington, who lives over in Arkansas, arrived Monday for a visit with her parents, the E.L. Jacksons.

LOCAL LITTLE League officials are pleased to learn that the district LL tournament next month will be held in Cisco. They will be making an announcement soon... See Lawyer Billy Wright's attractive missus driving a new Lincoln Continental... Thugs used some kind of paper that worked as good as dollar bills to rob the Colony Car Wash of several hundred dollars in quarters last week. They have a change machine at the car wash for the benefit of people who need quarters to use in car washing.

TRACY OWENS and Dorothy Farnsworth of Cisco teamed up to win the second flight in a Guys and Dolls golf tournament at Stephenville last weekend. Robbie and Flo Robinson tied for second in the third flight. George and Pat Owens were a team. And Letha Stafford played with a friend from Glen Rose... Bennie Nichols played in the tournament at Baird-Clyde a couple of weeks ago. He won the "closest to the pin" contest on a par-three hole.

MR. FRANK Young of the city street department tells us that they paved three blocks on Beech Street last week. They'll be working in the area of Intermediate School and on 17th Street next, he said. Frank says they did a thorough job of cleaning out the overhead water tower in south Cisco when the water was off all night last Thursday to tie in the new main line... The Cisco Steak House and Inn has a nice room up front now where meetings of 25 folks or so can gather for chow and business.

WORD of GOD

Jesus said: Blessed are the pure in heart: for they shall see God.

Matthew 5:8

WTU Files Application

(Continued From Page 1) program nears completion. Also, since coal is much cheaper for generating electricity than natural gas or oil, the fuel cost should be more stable after the new plant comes on line.

No major changes in rate structure are included in WTU's proposal. The requested rates would mean that a residential customer using 600 kilowatt-hours a month would pay \$7.55 more each month for electricity. A commercial customer using 1,700 kWh would pay \$19.37 more. These amounts include fuel costs.

WTU serves customers in 161 separate communities, 82 of which operate as active incorporated towns. The rate case filings were made in 61 towns, while information on the rate case was made available to the 21 incor-

The Writer's Club has established a memorial in the inspirational division honoring one of our charter members.

It is called the Lou Prange Award. The person winning the most First Places in the Contest will also win an Award called the David Autry Memorial Award.

No more than two entries per person will be allowed in any one category. A writer may enter as many different divisions or categories as he wishes, however.

Categories of the Contest, with a first, second and third place to be awarded in each, are as follows:

- ARTICLE
- SHORT STORY
- POETRY (TRADITIONAL)
- POETRY (FREE OR MODERN VERSE)
- INSPIRATIONAL ARTICLES
- BOOKS (Published within

the last two years) JUVENILE STORY

Word lengths are as follows: Articles and short stories up to 3000 words; juvenile, 1,500 words poetry, 30 line limit.

Material submitted must be original, unpublished and typewritten. Submit one copy; make sure to retain a carbon. Cover sheet instructions: Place your name, address and telephone number in the upper left hand corner. Opposite this, in the right hand corner, state category and number of words. Place title in page center. Do not put your name elsewhere on the manuscript.

On first page of the manuscript place category, word length and page number in the upper right hand corner. Center title on page. Type on one side of paper only; double space with one inch margin on all

sides. Place title and number of page at top of right corner of each of the following pages.

Please mail or give manuscript to the Contest

Director: Viola Payne, Rt. 2, Box 207, Cisco, Tex. Phone: 442-3186.

WAL-MART HELPS

Wal-Mart Store Manager Larry Olbekson (L-R) presents \$224.77 that was raised by store employees to Patsy Griffith, whose home burned last week, as Domestic Manager Dorothy Algood and Ladies Wear Manager Donna Gibson look on.

Mr. Olbekson allowed the employees to have a bake sale and car wash Saturday for their fellow employee and to collect donated clothing and household items.

Mrs. Algood organized efforts with the employees generously donating and taking part. Employees John McKinney, Geneva Williamson and Wanda Roe also washed cars to raise part of the money.

The Griffith home southwest of Cisco was destroyed during the recent electrical storm.
