

**REGIONAL TRACK MEMBERS**—Members of the Cisco High School Girls Track Team who will be going to the Regional Track Meet in Stephenville on Saturday, May 4th, are shown in the above photo. They are, (left to right)

front row: Coach Lori Larrison, Debby Emsley, Brenda Ayala, Sampty Sipe and Ingrid Valek; Second row—Leigh Callarman, Keri Campbell, Candy Escobedo, Wendy Emsley, Krista Shepard and Kristi Bell. (Staff Photo)

## Golf Tournament Is Set Here For This Weekend

Several of this region's top golfers are expected to compete in the annual J.L. Stafford Par-Scot-Scam Partnership Golf Tournament at the Cisco Country Club this coming weekend.

Bennie Nichols, who teamed with Bob Bennie to win last year's tournament, will play with Mike Thiberville of Cisco this year. Mr. Bennie decided not to participate due to the work involved in keeping the golf course during the tourney. Mr. Nichols and Mr. Thiberville played as a team to win the three

previous tournament before last year.

Other teams expected include Don Johnson of Athens, formerly of Cisco, who will return to play with Ralph Glenn of Cisco. Local teams expected to play include Bobby Smith and Delbert Schaefer, Keith and Kevin Winnett, Donnie Worley and John Rios, Arlie Whitley and Steve Thomas, Tim Jones and Bernard Campbell and Jim Yowell and Jim Puryear.

Teams are expected from Eastland, Ranger, Cross Plains, Baird, Abilene and elsewhere. The tourney will be limited to the first 40 teams to enter.

Billed as a "fun tournament," the event's format calls for the teams to post their low ball scores at the end of the first day—Friday, May 3. These scores will determine the flight in which each team will participate, according to Chairman Jim Puryear.

The Saturday, May 4 round will use the scotch format - the team members hit-

ting alternate strokes from tee to cup. The final day's round will be a scramble affair with both players hitting every shot from the place of the best ball.

Bennie Nichols and Bob Bennie of Cisco were the winners of the tournament last year. It was understood that Mr. Bennie, who is superintendent of the golf course, was not sure that he would be able to play this year.

Prizes will be cash for flight winners and runner-up. Mr. Puryear said. The entry fee is \$50 per team.

Mr. Puryear said that qualifying scores would be accepted by telephone from players unable to shoot 18 holes on the opening day.

"The tournament was designed so that every team will be able to compete and enjoy the weekend," Mr. Puryear said. "This is an annual classic and many area golfers look forward to it."

Entry fees should be sent to Arlie Whitley, Lake Cisco Country Club, Box 389, Cisco, 76437.

## Worley Team Wins Golf

The Trace Worley team won first place in a playoff as five teams tied with scores of five under par for nine holes in a scramble golf tournament that was part of the Cisco High School Ex-Students Reunion program last Saturday at the Cisco Country Club.

A total of 78 CHS exes took part in the tournament. The first place team was composed of Mr. Worley, Zack Hunt, John Hagen, Steve Young, Forrest Lloyd and Jeff Lloyd.

Second place was won by the Craig Starr team that included Audie Woolley, Kevin Winnett, Keith Winnett, Donnie Worley and Buddy Ramirez. Winning third place was the Bobby Smith team that was composed of Robert Smith, David Waters, Anthony Strother, Earl Carson and Mitchell Agnew.

Fourth place was won by Andy Mosley team including Bob Bennie, Tim Bennie, Dick Bennie, Bob Justice and Paul Mosley. Winning fifth place was the Bennie Nichols team of Arlie Whitley, Bill Hansen, John Lofton and Charles Kilbourn.

Other teams (first place)

was the captain were as follows:

D.E. Weathers, Molly Weathers, Billy Hammer, Cleve Dunaway, Glen Poynor and Fern Poynor, four under par; Slick Slaughter, Frank Shackelford, Senter Caffrey, J.W. Thomas, Bill McCrary and Lona McCrary, two under par; Mike Thiberville, Manning Davis, Roger Davis, Rick Whitley, Gordon Carlson and Benny Pippen, four under par; George Owens, Pat Owens, Benji Lipsey, Zac Henderson, Buck Whitehead and Donice Whitehead, four under par.

Steve Thomas, Monty Tolar, Joe Torres, John Torres, Jimmy Yowell and Forrest Starr, three under par; David Eaton, Kirk Evatt, John Rios, Joan Tipton, Diana Webb and Gary Webb, three under par.

Ronnie Edwards, Trent Edwards, Robby Edwards, Lawrence Johnson, Jim Robinson and Cliff Thomas, two under par; Geep Mitcham, Carrel Smith, Bernard Campbell, Tim Jones, Jim Puryear and Pepper Puryear, one under par.

Chairman Bobby Smith said the tournament was a success.

## Bailey and Bradford Are Rotary Award Recipients

John Bailey and Angela Bradford have been named recipients of the Cisco Rotary Club Citizenship Awards for 1985, according to an announcement by Mayor Eris Ritchie, Chairman of the Awards Committee of the club.

The two Cisco High School graduating seniors were chosen by a select committee from the Cisco High School faculty. The award is based on meritorious conduct in some dozen traits of good citizenship as demonstrated by the two during their four years at CHS.

John and Angela will be honored at the Rotary Club's annual Citizenship Award Luncheon on Thursday, May 9, at 12:00 noon at the Colony Restaurant. Speaker for the occasion will be Dr. Barry Thompson, president of Tarleton State University.

John is the son of Judge and Mrs. Scott Bailey of Cisco. His high school honors have been numerous, including National Honor Society membership, band, football, Teen Involvement, and Future Farmers of America. This year he is serving the F.F.A. as Area Treasurer, and he has also been a Student Council Officer. Last year he was a finalist in the Lions Club Speaking contest. John's future plans include attending Cisco Junior College and later Texas Tech or the University of Texas in view of a career in either accounting or law.

Angela is the daughter of Mr. and Mrs. C.G. Bradford of Cisco. She has also enjoyed many distinctions as a student at Cisco High. She is this year serving as Student Council president, and she is also the reigning CHS Homecoming Queen for 84-85. She has been a Key Club member all four years of high school, and a class officer for three years. Other involvements included four-year Student Council membership, tennis team, National Honor Society, Future Homemakers of America, and Teen Involvement. Following graduation, she plans to attend the University of Texas with a major in Psychology or Counseling.

The Citizenship Awards Program is an annual project of the Cisco Rotary Club, begun in 1966. Mr. Ritchie was president of the

club at that time, and he has been chairman of the program each year since then. Quite a number of well-known speakers have been featured at the annual luncheon, including a con-

gressman, lieutenant governor, state Attorney General, state and county judges, well-known newsmen, and several university presidents. Each speaker appearing at the annual af-

fair has been a person interested in the promotion and encouragement of good citizenship among youth. Last year's address was given by Dr. Ralph Phelps, president of Howard Payne University.

Anyone who would like to attend the luncheon is invited to do so, Mayor Ritchie stated. Reservations are not necessary. "Just come out to the Colony, go through the buffet line, and join us in the meeting room," Mr. Ritchie said. Parents of the two young people, as well as CHS administrative officials, will be special guests of the club for the occasion.

## Kindergarten Pre-Registration Set May 1-12

Pre-registration for Kindergartners will be from May 1-12th.

This registration is for children who are now 5 years of age or will be 5 on or before September 1, 1985.

Bring your child's birth certificate (not hospital certificate) and complete immunization record. Before your child can attend school in Texas, she/he must have 3 DPT and 3 Polio shots or doses. One of these must be after the child's fourth birthday. Also required is the Measle, Rubella, and Mumps shot (all in one, or three separate shots.)

Please bring this information with you when you come to Mrs. Webb's room at the Primary School. Please come between 2:30 and 3:30.

## Open House Set Sunday At Nursing Center

There will be an Open House Sunday, May 5th from 2-4 p.m. at the Cisco Nursing Center. The Sweet Carolines will be singing at 2:30 p.m. also. Wendy Wester of the Promise Kids will be here to sing. The 3 p.m. service will be conducted by the First Christian Church. Everyone is cordially invited to visit us during this week.

There will be special activities during the week geared toward nursing home.

Looking forward to seeing you. Refreshments will be served.

## Volunteers For Project To Meet

Volunteers for the Christmas in May project are being asked to meet at 7:00 a.m. at the Cisco Junior College Cafeteria on Saturday, May 4. A breakfast will be served.

There are a number of projects to be worked this year. A number of churches have accepted some of the applications and will have workers. Other applications

## FFA Awards Are Given Here

The Future Farmers of America held their annual banquet last week and the following students received National FFA Foundation Awards.

First Star Dream Hand Award, Shannon Berry; Star Chapter Farmer, Chris Ledbetter; Swine Production, Rodney Williams; Sheep Production, Cynthia Zuchernick; Soil and Water Conservation, Robert Heath; Home Improvement, Ronnie Ingram; Star Agriculture Business Man, Shannon Kendall; Placement in Agriculture Management, Wade Shackelford; Agriculture Sales and Service, Chris Jobe; Agriculture Processing, Minnie Brown; and the FFA Sweetheart, Laurna Gage was given a gift certificate.

accepted for assistance will need the additional help. One home needs painting so anyone who can help in the preparation is asked to bring their paint scrapers, caulking guns and other tools. Other homes need general repair, plumbing, roofing and some concrete work.

The Christmas in May is sponsored by the Chamber of Commerce. The effort involves the whole community including churches, civic groups, and volunteers. Those assisted are the elderly and the handicapped with low incomes. The amount of applicants accepted depends on money and priority of need. All money donated to the program is used for material only.

The persons benefitting from the project will be notified this week. The major need is for many workers to volunteer to help.

## Cisco Gun Club Will Meet

### Monday, May 6

The Cisco Gun Club will hold its regular monthly meeting in the Bank Community Room at 7:00 p.m. on Monday, May 6, 1985.

Members are urged to attend and the public is welcome.

## Best Dressed Cowboys and Cowgirls

**FIRST GRADE WINNERS**—Winners for the best dressed cowboy and cowgirl contest held last week at the Cisco Primary School are Garrett Gerhardt and Kelly Elliott. (Staff Photo)

**SECOND GRADE WINNERS**—Winners for the best dressed cowboy and cowgirl contest held last week at the Cisco Primary School are Lillian Lewis and Robby Fink. (Staff Photo)

## HALL OF REMARKS

BY HERREL HALLMARK

**BUSY, BUSY, BUSY!** That is how it has been at the Press office during the past week. Three rolls of film were used at the Folklife Festival and parade here this weekend. Unfortunately, space will not permit the printing of all the photos in the newspaper.

**HATS OFF TO THE** Cisco Civic League for their successful Folklife Festival. It seems to keep on getting better year after year.

Also congratulations to all those who had a hand in planning the weekend's festivities, from the parade to the CHS reunion, and everything in-between.

Cisco was fuller this past weekend than it has been in a long-long time. Didn't it feel good to look along Conrad Hilton Avenue Saturday morning and see the sidewalks filled with people?

**YOU HAVE** probably already read the following article at one time or another, but I am re-printing it here because it makes one stop and think about the ways of the world.

### COMMUNIST RULES FOR REVOLUTION

(Editor's note: To the best of our knowledge, this article was first printed in the Bartlesville Examiner-Enterprise in 1919. It was reprinted again in 1948 in The New World News, after the Florida Attorney General secured it from a known member of the communist party who acknowledged that it was

# Eastland County

Cisco, Eastland and Ranger were each anxious to be the point from which a road would be built from the Texas and Pacific to Breckenridge and each raised a substantial sum to assist in securing it. Breckenridge was willing to help any effort which might accomplish that end and subscribed liberally to each of the propositions with the result that there were three roads started for that place. The Hamon-Kell road, which had been extended from New Castle to Breckenridge was continued on through Ranger. The Eastland promoted line was stopped at Breck-Walker, a few miles from the Stephens County Capital; and the Cisco project was completed to Breckenridge, where after a short lapse it was continued to Throckmorton and after a few years of operation was acquired by The Texas and Pacific Railroad Company which operated it for some time before being abandoned and the rails removed.

In the fall of 1919 Breckenridge was without railroad connections and was willing to co-operate with any interests by which such connections could be obtained. The Wichita Falls and Southern Railroad had been completed to New Castle in Young County some years before but no successful effort had been made to project it further South.

Sabano was a school in 1883-84 at which time J.A. Moody, Frank Raymond, and J.S. Moss were trustees. The District was enlarged in 1914 when all of Union Hill and part of Haskel district was added to it; however there seems to have been a later arrangement as Union

appears as a separate district and continued active until 1931.

Cade seems to have been the first school in this vicinity, appearing on the school records in 1882-83 with J.J. Roberts, I.M. Lane, and J.H. Harbert as trustees and a Mr. Hyatt as teacher.

In 1884 Wheat took the place of Cade and received State money for building purposes. In 1909 the name was changed to Salt Tank at a different location and this condition remained until the district became Crocker in 1919 and a new school house was built at the present location. The district has a very creditable school building and continues to teach to and including the 7th grade, transferring its high school pupils to the Rising Star Independent District under contract.

Cook became a public school in 1889, located on the South side of Sabano Creek on the Perry Brooks place. After some years it was moved to a location about 1 mile North of the creek and continued in service until 1940 when it was merged with Crocker.

## STATE CAPITAL HIGHLIGHTS

By Lyndell Williams  
TEXAS PRESS ASSOCIATION

AUSTIN—What a week of political controversy and confusion it was in the Texas Legislature.

No sooner had Democratic Gov. Mark White departed the Capitol to visit Texas National Guardsmen playing war games in Honduras, but Republican U.S. Sen. Phil Gramm walked in to preach fiscal conservatism to a joint session and urge rightist Democrats to switch political parties.

In Honduras, White surprised many with his vocal approval of President Reagan's defense policy.

At the Capitol, Gramm pointedly invited former West Texas Congressman Kent Hance to quit the Democrats and cross party lines.

Meanwhile, speculation keeps building that Hance may challenge White in the '86 gubernatorial Democratic primary.

### Budget Sculpted

Amid all the hoopla aimed at jockeying for the best position to win the political middle next year, the House Appropriations Committee, toiling in a quiet, steadfast manner, finished a \$36.1 billion budget proposal that successfully trims millions and avoids a tax increase.

A bipartisan panel, weighted with more Democrats than Re-

publicans, the Appropriations Committee did what many said couldn't be done. And they did it with long hours, hard work, and little glory to show for it.

But to those who watched them, the panel members shine as an example of what bipartisan cooperation can achieve, and they don't need anyone from deficit-plagued Washington, D.C. advising them about fiscal prudence.

The streamlined budget proposal now goes to the full House for finishing touches.

### Bucking Tradition

House members last week bucked a long legislative tradition by voting to make an estimated 100,000 migrant farmworkers eligible for unemployment benefits next year. Present law exempts the workers from the benefits, and for years large growers and business lobbies have stymied efforts to change the law.

The farmworkers' victory, leveraged by a court ruling that the present law is unconstitutional, will not be complete until the Senate concurs.

### Earlier Primary

Another surprise advance of a controversial issue occurred when a Senate committee approved a bill creating a March presidential primary and making Texas one of the early states in the nominating process.

A separate primary would still be held in May, and the bill prohibits persons from voting in one party's presidential primary in March and another party's state primary in May.

That "party purity" clause kept the bill stalemated by a coalition of Republicans and conservative Democrats, who are expected to continue the fight when floor debate begins.

### Water Plan Stalled

Progress halted on the omni-

bus Texas water plan when West Texas lawmakers clashed with East Texas colleagues again over protection of Texas coastal waters.

West Texans say they need water for economic growth, but East Texans are insisting the water must keep flowing to the coast to protect bays and estuaries there.

This same issue caused the defeat of the water proposal last session.

### Temple S&L in Trouble

The state Savings and Loan Department took over the daily operations of a Temple savings and loan and filed lawsuits against three businessmen alleged to have brought about the financial problem through misrepresentation.

Directors of Bell Savings Banc of Texas requested the state step in for five years of supervision because of heavy losses stemming from more than \$100 million in loans to condominium investors. Assurances of federal backing for deposits have kept most customers from withdrawing.

The suit alleges the businessmen misrepresented commitments to take over second phases of the loans, causing the S&L to make under-collateralized loans.

### Food to Africa

Texas Agriculture Commissioner Jim Hightower said last week his agency's plan to collect food grains for drought-plagued Ethiopia has raised \$33,000, enough to feed 23,500 starving persons.

The program will accept donations until June 1, when it will use donated money to buy surplus grain and powdered milk for shipment.

He also said a new committee composed of Texan and Mexican farmers will be formed soon to improve farm exports to Mexico.

## WORD of GOD

New Testament

And Simon Peter answered and said, Thou art the Christ, the Son of the living God.

And Jesus answered and said unto him, Blessed art thou, Simon Bar-jona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven.

And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.

Matthew 16:16-18

## RUST COUNTRY MEATS

## Oil Instruments

A 2,000-ft. Palo Pinto County wildcat is scheduled for spudding four miles north-northwest of Graford, with M&N Oil of Wichita Falls as the operator. Designated as the No. 4 Lillie Humphries, it will be located in under-designated acreage in Palo Pinto County's TE&L Survey.

A potent new producer has been completed by Sun Exploration in the Ranger Field four miles north of Eastland.

It is the 2610 Northwest Ranger Unit, pumping 186 barrels of 40-gravity oil per day on an open choke from McClesky Formation perforations at 3,143 to 3,454 feet into the wellbore.

Sun bottomed the well at total depth of 3,730 and plugged back to 3,688 feet into the hole.

Location has been staked by Northridge Corp. of Duncanville for a 4,000-ft. Duffer Formation test in Eastland County's Beck-Hise Field four miles north of Eastland. The well is designated as the No. 2 A.C. Goen. It is in a 124-acre lease in Eastland County's H&TC Survey A-861.

Eastland County's Richey Field gained a new producer when Katlaco Drilling completed the No. 1 Kleiner seven miles north-northwest of Cisco.

The well showed ability to make 26 barrels of 42-gravity oil per day, pumping on open choke.

It was taken to total depth of 4,135 feet and will produce from a perforated interval in the Duffer Formation, 3,951 to 3,956 feet into the wellbore.

The Hawk-Eye Field, Eastland County, gained four new pumping oilers when H.E. Austin completed the Nos. 15, 16-A, 17-A and 18-A Cox about two miles west of Romney.

The wells showed ability to

pump 10, 10, 30 and 20 barrels of oil, respectively.

Production intervals ranged from 1,134 to 1,150 feet into the wellbores, all within the Adams Branch Formation. All four wells were taken to total drilling depths of 1,200 feet.

Pumping 31 barrels of 43-gravity oil per day on an open choke, the No. 1 Gray was completed in Eastland County's Mobay Field by Katlaco Drilling Inc.

Location is about seven miles north-northwest of Cisco.

Katlaco bottomed the well at 4,104 feet. Production will be from a set of Ellenburger perforations at 4,034 to 4,040 feet into the wellbore.

Pumping 25 barrels of oil daily plus 25 barrels of salt water on an open choke, a new producer has been added in the Nimrod Field, Eastland County, by Monarch Energy Corp. The well is designated as the No. 3-A Wright.

It probed to total depth of 1,390 feet and will produce from a perforated interval in the Cross Cut Formation, 1,354 to 1,356 feet into the hole.

Location was in a lease about one mile southeast of the Nimrod townsite.

Two new producers with combined potential for pumping 103 barrels of oil daily have been completed in Eastland County's REB Field, with SNow Oil Co. as the operator.

The wells include the No. 2 Stewart-Whittington, four miles east of Eastland, and the No. 1 Russell, five miles east-northeast of Eastland.

The new producers showed ability to pump 48 and 55 BOPD, respectively on open choke. They also made 30 and 28 barrels of waste water per day.

Production intervals in the Marble Falls Formation will range from 3,220 to 3,244 feet into the hole.

The Stewart-Whittington well is in a lease in the B.E. Tanner Survey A-1901, while the Russell is in the A.S. Jones Survey A-799.

Eastland County's East Nimrod Field will see more developmental action when Hoffman Oil spuds a pair of 1,500-ft. developmental wells about one-half mile southeast of the Nimrod townsite. The wells will be known as the No. 5-B and No. 6-B Schaeffer. Both are aimed at pay in the Patio Formation, with drillsite in an 80-acre lease in the H&TCRR Survey A-1428. Hoffman is an Eastland-based firm.

T.L. Robertson Operating of Eastland has filed for permit to drill the No. 2 Fisher, a developmental try in the REB Field. Location is three miles north of Eastland in a 40-acre unit in the H&TC Survey A-1125. It is scheduled for 4,000-ft. maximum hole and is aimed at pay in the Marble Falls Formation.

The No. 6 Woods Heirs, pumping 42-gravity oil at the rate of 17 barrels per day, has been finished in Eastland County's Ranger Field by Double River took the venture to total depth of 3,855 feet and perforated the Marble Falls Formation for production at 3,184 to 3,269 feet into the hole.

The well made 30 barrels of water per day in addition to the oil production.

Production in the Cross-Cut Formation will be the target when H.E. Austin of Cisco starts making hole for his No. 13-B Texas in the Nimrod Field, two miles west of Romney, Eastland County. The well carries permit for 1,400-ft. maximum drilling depth.

First production figures have been filed for a newly completed oiler in the Ranger Field three miles west-southwest of Ranger.

The well is designated as the No. 256 North Central Unit, with Sun Exploration as the operator.

On an open choke, it

pumped 15 barrels of 40-gravity crude per day plus 27 barrels of waste water. Sun took the hole to a 3,570-ft. bottom and perforated the McClesky Formation 3,341 to 3,443 feet into the hole.

Three different operators have banded wildcat ventures in Eastland County as dry holes and have issued plug-and-abandon orders.

The ill-fated wells include: -B&B Energy's No. 5-A Schaeffer, 1,376-ft. TD, one mile southeast of Nimrod.

--Ridge Oil's No. 5 Hagaman South, 3,700-ft. TD, one mile northeast of Ranger.

--RAW Energy's No. 2 Blackwell "B", 3,377-ft. TD, five miles southeast of Eastland.

Enre Corp. has posted first production data for a new producer in Eastland County's Kleiner Field, about two miles north of Cisco.

Enre bottomed the hole at 4,131 feet. Production will be from a perforated interval in the Duffer Formation, 3,876 to 3,890 feet into the wellbore.

On an open choke, the well pumped 12 barrels of oil daily along with three barrels of salt water.

A stripper well has been finished in the Eastland Regular Field two miles north of the Pioneer community, with Clyde Petroleum Inc. as the operator. The well is designated as the No. 203 North Pioneer Unit.

It pumped three barrels of

oil and 10 barrels of waste water daily on an open choke. It was taken to total depth of 2,620 feet and will produce from a set of Caddo perforations 2,520 to 2,534 feet into the hole. Oil-tested at 40-gravity.

Developmental wells in two Eastland County fields have been plugged and abandoned by three different operators. The ill-fated ventures include:

-The No. 2 C.R. Roy, 1,672-ft. TD, in the Gerge (Strawn) Field, about two miles northeast of Sabanno.

--R.D. Caraway's No. 1 Kolly, 1,659-ft. TD in the Eastland Regular Field, two miles north-northeast of Seranton.

--Paul DeCleva's No. 1-A Schaffner, 3,572-ft. TD in the Eastland Regular Field, about four miles northeast of Rising Star.

Stephens County gained a new producer when the No. 1 Harris was finished by Conday Industries. Located three miles south of Parks, the wildcat flowed 125 barrels 44-gravity oil per day on a 12/64-inch choke with tubing pressure at 290 PSI.

The operation is in the T&P Survey. It was taken to a total depth of 4,273 feet and will produce from a set of perforations in the Ellenburger Formation at 4,257 to 4,262 feet.

At a location one mile southwest of Caddo, Intrepid Oil & Gas Co. has completed the No. 3 Garland Cody in the Stephens Regular Field.

The well pumped five barrels 40-gravity oil per day along with seven barrels water.

With drillsite in the T&P Survey, the well was drilled to 3,950 feet total depth. It will produce from a set of perforations in the Marble Falls Formation, 3,839 to 3,844 feet into the hole.

Pumping eight barrels 39.7 gravity oil per day with four barrels water, the No. 8 Rober Jackson "G" has been brought on line in the Jackson Field, Stephens County, by Jackson Oil Co.

Location is the T&P Survey, five miles northeast of LaCasa.

Jackson took the hole to an 1,800-ft. bottom and perforated the Strawn Formation for production at 1,728 to 1,778 feet into the hole.

Ray Herring of Graham has revealed plans to drill the No. 4 Kline, a 4,400-ft.

developmental well, four miles northwest of Gunsight in the Stephens Regular Field. The operation will be in the T&P Survey, Stephens County.

Bandera Energy Co. has finished a new producer in Stephens County, pumping 22 barrels 42-gravity oil per day with 24 barrels water. Drillsite was in the T&P Survey, ten miles west of Gunsight, in the Stephens

Regular Field. The well is designated as the No. 3 Agnell.

The operator took the hole to a 4,238-ft. bottom and perforated the Conglomerate Formation for production at 3,886 to 3,890 feet.

# Olney Savings And Loan Announces Acquisition Of Five

Alan D. Myers, Jr., chairman of the board and chief executive officer of Olney Savings Association announced today the acquisition of five offices of Southern Savings and Loan Association, headquartered in Brownwood, Texas.

Approved by the Federal Home Loan Bank, the Texas Savings and Loan Department and the Federal Savings and Loan Insurance Corporation (F.S.L.I.C.), the five offices include Coleman, Comanche, Cross Plains, DeLeon and Stephenville. Olney Savings already operates a branch office in

Coleman, and the two branches will be consolidated immediately.

Jerry Richardson, senior vice president/division manager of Olney Savings, will assume management responsibilities of the new offices. And, according to Myers, there will be no changes in personnel.

This acquisition will make Olney Savings one of the largest thrifts in Texas with combined assets in excess of \$850 million and 30 offices throughout northwest Texas.

Olney Savings began serving the Brownwood area in

1981, when they acquired the branch office of the Provident Savings & Loan of Brownwood located at 1602 Austin Avenue.

Myers commented, "We are so excited to be able to expand our services in and around Brownwood. We are eager to become more actively involved in each of the communities, and to do our part as concerned citizens."

Olney Savings, chartered in 1927, prides itself in being recognized by peers as one of the most profitable savings and loan associations in Texas, as well as across the country. Primarily serving

communities in small to medium size towns, Olney Savings' steady growth is due to targeting its operation to the special needs of rural Texas.

Olney Savings has offices in Albany, Anson, Archer City, Azle, Bowie, Boyd, Bridgeport, Brownwood, Cisco, Coleman, Crowell, Decatur, Electra, Gainesville, Graham, Holliday, Jacksboro, Nocona, Olney, Seymour, Throckmorton, Weatherford, Wichita Falls, and Vernon. Also Ranger Savings in Ranger, and Eastland Savings in Eastland.

## Letter to the Editor

All letters are subject to editing, and must be signed. Names withheld on request.

Dear Sir:

I do not always write a popular view and in this case certainly swim against a violent current of propaganda generated by people organized to profit from hatred.

The mass media have fully expressed their view and you will win few Brownie points if you print this. Still I feel as I write.

I recall a story of a vote taken in a certain church in East Liverpool, Ohio, at which time one voice said "Nay". The new preacher asked why the objection and the old Yankee replied that since he had been a member he never recalled anything ever having passed unanimously there and he aimed to see to it that nothing ever did. I hope that my views are not quite that contrary.

Aside from the dyed in the wool Democrats to whom no Republican can do anything right and the equally dyed in the wool Republicans to whom he can do no wrong there are a number of people who can still reason and given time to think can do so for themselves.

When Pres. Regan decided to place a wreath at Bitberg cemetery it seemed that he was expected by some to dig up each body to examine first. The fact that one was reported to have killed ten of what at the time were considered his nations enemies outraged some. A professional Holocaust survivor stated that Nazi Germany was totally evil against concentration camp victims who represented everything good. The facts we were given during the war was that only 5% of the German people were party members. Thus he makes a blanket indictment of the 95% who were not party members and sanctifies those who were in concentration camps for murder, child molesting, perversion, and members of the Communist party.

What was that saying about "There is so much good in the worst of us and so much bad in the best of us -" but that is only nice sounding words.

So great has been the deluge of hate that many say, "We can never trust Germans." They are probably right. There was Eisenhower, a German name for sure, Erickman, Haldeman, Admiral Nimitz, and don't forget Sec. of State George Schultz, of bad stock every one. In fact people of German extraction make up about 20% of the U.S. population. Just look in any phone book and count those people we can never trust. Or

maybe if we loaded the entire population of Germany on boats and brought them here they too would become transformed?

Does that sound sarcastic? Well, it was intended to be. What nation has never made war? Switzerland. Her men are well armed but too few to challenge neighbors.

Would you consider an American cemetery representative of all evil if men who participated in the wanton killing of refugees in the bombing of Dresden or who were at Mei Lei were buried there?

I don't recall reading that Christ said "Love your enemies and forgive EXCEPT -". Also, I think that if we pray, "Forgive us for our trespasses AS we forgive -" then, if as means in like fashion, we then ask that He hold a grudge AS we do.

Anyhow the Supreme Court ruling that the US was a Christian nation was long ago and enough decisions contrary to that concept have issued since to nullify it.

If I really needed lessons in unending hatred, I have hillbilly kinfolk who could give the equivalent of a college degree in that without even use of TV.

Now, aside from any religious angle, since so many only believe in Merry Christmas present and Happy Easter Egg, most psychologists and psychiatrists will tell you that nursing hatred for wrongs, either real or imagined, can damage both body and mind, and warp judgement. If so of individuals it could hardly be beneficial to the nation to be force fed a diet of propaganda, hate and irreconcilability.

Around doesn't heal by constantly digging at it nor by letting it fester under the surface.

If Jews don't want us ever to forgive or forget an evil deed then let's do it all the way. Let's remember the deliberate, unprovoked, murderous assault on the USS Liberty by Israel which they lie continually about. Not a man of Liberty's crew has ever accepted the claim that it was an accident nor did the Navy board of inquiry. German officials are forced to do public penance for their nations crimes, why aren't Israel's also? Even two Jewish members of Liberty crew called their attackers murderers and things less printable.

Yours truly,  
Gordon S. Clark

### Judge Bailey To Preside At

### Council On Aging Meeting

Eastland County Judge Scott Bailey, who is also State Chairman of the Citizen's Advisory Council on Aging, will preside over a meeting of this group in Austin on May 2 and 3.

The 28 state-wide members of the Council are expected to join him at this time.

A number of important items relating to programs from the elderly of Texas

will be discussed. These include details of how to implement the "Silver Haired" Legislation, which was approved by the State House and Senate about three weeks ago.

This enactment provides for senior citizens to participate with the State Legislature during a specified time in 1986.

Judge Bailey expect to return home on May 4.

#### DAY LILLIES COME OF AGE

The Hemerocallis, better known as the Day Lillies has come a long way from Grandmothers garden when there were only two basic colors, orange and yellow. Even some farmers thought of the Day Lilly as a weed and certainly a nuisance.

The hardy herbaceous plants which grow from 12 inches to three or four feet high, have long, strap-shaped leaves and in summer bear lilly-like flowers chiefly of orange, yellow, and mahogany shades. The individual flowers are short-lived but they are borne over a period of several weeks. They belong to the Lilly family, liliaceae. Hemerocallis is found wild in Japan, and other eastern countries, and southern Europe, and some kinds are naturalized in eastern North America. The word is derived from hamera, a day and kallos, beauty, an allusion to the short life of the bloom. The Daylily's bloom lasts only for a day, but the many buds on a scape provide a long season of bloom. They are easily cultivated, multiply freely, are permanent, and apparently are not palatable to insects. If one studies the blooming dates of the varieties, a garden of daylillies can be built that will bloom from June to September. Move your daylillies any time, they are the toughest plants I know.

Daylillies make a very satisfactory plant for the perennial border. Also, if

planted en masse, they require less work than any other kind of border, for little or no weeding is required. Put on one foot centers, their arching grass-like leaves will shade the ground so heavily in two years that weeds are inhibited. Scratching the soil around them in early spring and cultivating the front of the border hardly more than twice during the summer takes care of the weeding problem.

If later on one decides to propagate them by divisions, large divisions should be taken to get quick results. Ideal conditions for daylillies include any good garden soil and full sun, where the blooms are most profuse. However the more delicate pastel shades hold up best in light shade, suggesting a compromise between quantity and quality. An occasional outbreak of sucking insects may mar the foliage slightly but won't harm the plant. It can be controlled with Malathion and cygon-1.

There are many ways to use daylillies within your landscape and with these plants being so easy to grow you would not overlook them. The hybridizers have been and are still working on new combinations of colors and I think we have only seen the beginning of an explosion of color in daylillies. GOOD GARDENING UNTIL NEXT WEEK FROM YOUR GARDEN EDITOR, TED BRICE!

The House just passed it's version of the State budget for the 1986-1987 biennium and the 'fee bill' to fund that budget. I voted against the fee bill but voted in favor of the budget bill.

I think it is important to look at these two major legislative items from the standpoint of political experience. The leadership of this state, in the House, Senate and Executive branch, have repeatedly stated that the budget would be passed with no new taxes. Each of us will have to decide according to our own definitions, whether or not that was accomplished.

Proponents of the fee bill, of course, promoted it as a 'revenue enhancement' at the expense of 'users' of the state services in which state fees increased, e.g. a \$10.00 probation fee was increased to \$40.00, a \$10.00 driver's license fee was increased to \$12.00, and fees were increased for the movement, distribution or sale of milk or milk products.

Opponents of the fee bill adopted the approach and philosophy that 'a rose by any other name still smells like a rose' and maintained that the fee bill is simply a disguised tax bill promoted by those lacking the integrity and intestinal fortitude to call it what it is, that being a tax package.

As is usually the case, one would expect that the correct conclusions to be

somewhere between these two extreme positions.

We still must await conference committee action to iron out differences between the Senate version and the House version of the state finance package but, under any circumstances, the ultimate product will have significant tuition increases and fee increases of one sort or another. Anyone interested in specifics should let me know.

While I was not deleriously happy with the budget, as passed by the House, it is a much 'leaner and cleaner' budget than was passed my first session and just may be as close to being a good budget for the state as can be obtained in light and diverse and conflicting interests of 181 'cooks stirring the porridge'.

At all costs I would like to avoid one or more special sessions that would be necessitated by the ultimate failure of this budget bill because of the tremendous expense to the people of the state as a result of such special sessions.

I learned years ago in hard divorce cases that a judicial decision totally unsatisfactory to both parties was generally the most fair. I think this can be applied to this new budget in that few people are going to be pleased but hopefully the miseries are spread equally in a fair manner.

### County Softball Association To Meet Thursday, 7:30 P.M.

The Eastland County Softball Association will have an important meeting Thursday, May 2, at 7:30 p.m. in the Eastland Bank Community Room, according to

the president Carlos Martinez Sr.

He added that anyone in Ranger who is interested in starting a second teenage ball club should call 629-3469.

If you think this is the only way to reach every household in the area, then think again!

## Special Farm And Ranch Business Management For Women Landowners

A special seminar on Farm and Ranch Business Management for Women Landowners will be held May 14-16 at the Holiday Inn South, 4440 West Airport Freeway, Highway 183 in Dallas-Ft. Worth.

The seminar is designed to help women explore income-generating and tax-saving opportunities for their farms and ranches, says Dr. Wayne Hayenga, economist and attorney with the Texas Agricultural Extension Service, Texas A&M University System.

Discussions will center on income taxes, farm leases, business organization, estate planning and oil and gas leasing.

Farm leases and operating agreements take many forms, notes Hayenga, and many of these will be discussed at the seminar including benefits and restrictions to both landowners and tenants.

Regarding income tax planning, tax-saving opportunities will be explored for

business growth, land sales, retirement income and helping out children and grandchildren.

A session on estate planning will deal with wills, trusts, estate tax deferrals, gifts and property titles, Hayenga points out.

Estate planning tools which will be discussed include use of corporations and partnerships, selling part of the business, installment sales, oil and gas interests, special farm land valuation, deferred estate tax payments, life insurance and discounted estate taxes (flower bonds).

This is the second year Extension is hosting this program series. Other locations are Amarillo on May 7-9 and San Antonio May 28-30 if people would like to attend at one of these locations.

A registration fee of \$80.00 will be charged, which includes the cost of meals and materials. For registration information call 629-2222, Eastland County Extension Service Office.

# Eastland Host's The District II-AA Junior High Track Meet

Eastland hosted the District II-AA Junior High Track Meet Friday, and the results were announced as follows:

**7TH GRADE BOYS**  
1. Winters, 142 points; 2. Cisco, 79; 3. Coleman, 75; 4. Eastland, 73; 5. Baird, 51; 6. Albany, 48; 7. Ranger, 11; and 8. Jim Ned, 10.

**400 METER RELAY**  
1. Winters, 54.18; 2. Cisco, 55.03; 3. Coleman, 55.58; 4. Eastland, 56.84; 5. Albany, 56.99; 6. Baird, 57.73.

**800 METER RUN**  
1. Bryan, Winters, 2:33.56; 2. Rocha, Albany, 2:37.15; 3. Jaimes, Cisco, 2:37.87; 4. Fillman, Baird, 2:41.19; 5. Hobbs, Coleman, 2:42.25; 6. Schupenhaver, Coleman, 2:43.69.

**110 METER HURDLES**  
1. Cowen, Winters, 20.42; 2. Harris, Coleman, 20.86; 3. Joy, Baird, 20.93; 4. Kirkland, Baird, 21.74; 5. Riley, Eastland, 22.18; 6. Hammonds, Coleman, 22.19.

**400 METER DASH**  
1. Rocha, Albany, 66.72; 2. Rangel, Winters, 67.37; 3. Potter, Albany, 69.12; 4. Jones, Baird, 69.70; 5. Browning, Albany, 70.23; 6. L. Rangel, Winters, 76.43.

**300 METER HURDLES**  
1. High, Eastland, 47.99; 2. Escobedo, Cisco, 48.48; 3. Cowan, Winters, 50.48; 4. Lett, Winters, 51.74; 5. Schaefer, Cisco, 52.31; 6. Hammonds, Coleman, 52.94.

**100 METER DASH**  
1. Patton, Winters, 12.64; 2. Madlock, Coleman, 12.99; 3. DeLaCruz, Winters, 13.27; 4. Fikes, Coleman, 13.42; 5. Robinson, Baird, 13.49; 6. Goosen, Cisco, 13.52.

**200 METER DASH**  
1. Madlock, Coleman, 26.84; 2. DeLaCruz, Winters, 27.01; 3. Fox, Ranger, 27.33; 4. Price, Albany, 28.42; 5. Robinson, Baird, 28.80; 6. Lett, Winters, 29.67.

**1600 METER RUN**  
1. Bryan, Winters, 5:52.12; 2. Fikes, Coleman, 5:55.26; 3. Tharps, Coleman, 6:08.38; 4. Hobbs, Coleman, 6:11.0; 5. Boland, Eastland, 6:16.41; 6. Murry, Ranger, 6:19.93.

**1600 METER RELAY**  
1. Eastland, 4:29.74; 2. Cisco, 4:31.14; 3. Winters, 4:39.41; 4. Baird, 4:45; 5. Coleman, 5:00.59; 6. Albany, 5:02.65.

Field event point totals:  
Ranger, 4; Coleman, 6; Albany, 8; Jim Ned, 10; Baird, 17; Cisco, 30; Eastland, 31; Winters, 36.

**SHOT PUT**  
1. Zell, Cisco, 36'6 1/2"; 2. Orms, Eastland, 31'3 5/8"; 3. Lett, Winters, 30'10 1/2"; 4. Rocha, Albany, 30'8 3/4"; 5. Patton, Winters, 30'1"; 6. Lujano, Winters, 29'7 3/4".

**HIGH JUMP**  
1. High, Eastland, 4'10; 2. Jones, Baird, 4'10; 3. DeLaCruz, Winters, 4'10; 4. Fox, Ranger, 4'8; 5. Price, Albany, 4'8; 6. Bryan, Winters, 4'6.

**DISCUS**  
1. Zell, Cisco, 103'7; 2. Lett, Winters, 97'10; 3. Orms, Eastland, 87'6; 4. Mehaffey, Eastland, 81'6; 5. Escobedo, Cisco, 76'9; 6. Lujano, Winters, 76'0.

**LONG JUMP**  
1. Bunton, Jim Ned, 15'4 1/4"; 2. Campbell, Cisco, 14'10 1/4"; 3. Fikes, Coleman, 14'9 1/2"; 4. High, Eastland, 14'7 3/4"; 5. Price, Albany, 14'6"; 6. Patton, Winters, 14'5 3/4".

**POLE VAULT**  
1. Bryan, Winters, 8'6; 2. Joy, Baird, 7'.  
**8TH BOYS FIELD EVENT TOTALS**  
Ranger, 18; Coleman, 20; Albany, 13; Jim Ned, 4 1/2; Baird, 9; Cisco, 18; Eastland, 25; Winters, 46 1/2.

**HIGH JUMP**  
1. Needham, Ranger, 5'2"; 2. Williamson, Eastland, 5'2"; 3. Wallace, Cisco, 5'2"; 4. Corn, Baird, 5'2"; 5. Staggs, Coleman, 5'2"; 6. Cortez, Winters, 5'0".

**SHOT PUT**  
1. Carrillo, Winters, 43'9; Dewbre, Ranger, 42'7 1/2; Sprinkles, Coleman, 41'4; 4. Shackelford, Cisco, 37'7; 5. Morrison, Baird, 37'4; 6. Brock, Cisco, 36'2 1/2.

**LONG JUMP**  
1. Rottan, Eastland, 17'5 1/2"; 2. Fields, Cisco, 17'1 1/2"; 3. Cortez, Winters, 17'0; 4. Parvin, Jim Ned, 15'11"; 5. Corn, Baird, 15'9"; 6. Craig, Albany, 15'7 1/4".

**POLE VAULT**  
1. Galbreath, Albany, 9'6"; 2. Smith, Winters, 9'0"; 3. Bishop, Winters, 8'6"; 4. Selby, Winters, 8'0"; 5. Craig, Albany, 7'6".

**DISCUS**

**1. Sprinkles, Coleman, 125'8"; 2. Bishop, Winters, 118'2"; 3. Owens, Eastland, 114'11"; 4. Rives, Winters, 108'; 5. Ramirez, Coleman, 101'8"; 6. Espinoza, Eastland, 101'2".**

**TEAM STANDINGS - 8TH BOYS**  
1. Eastland 139; 2. Cisco 112; 3. Winters 92 1/2; 4. Coleman 56; 5. Ranger 38; 6. Albany 23; 7. Jim Ned 19 1/2; 8. Baird 13.

**BOYS 400 METER RELAY**  
1. Eastland 50.72; 2. Winters 52.33; 3. Cisco 52.48; 4. Coleman 53.98; 5. Jim Ned 54.70; 6. Ranger 55.74.

**800 METER RUN**  
1. Wortman, Eastland, 2:24.19; 2. Shaw, Cisco, 2:24.41; 3. Young, Cisco, 2:26.50; 4. Porter, Ranger, 2:33.26; 5. Foster, Winters, 2:35.12; 6. Melder, Eastland, 2:37.87.

**110 METER HURDLES**  
1. Farmer, Eastland, 19.35; 2. Mizell, Eastland, 19.44; 3. Tullett, Cisco, 19.53; 4. Beal, Coleman, 19.93; 5. Thornton, Eastland, 20.77; 6. Foster, Winters, 20.78.

**100 METER DASH**  
1. Rattan, Eastland, 11.95; 2. Fields, Cisco, 12.19; 3. Russell, Coleman, 12.33; 4. Cortez, Winters, 12.56; 5. Craig, Albany, 12.82; 6. Bilger, Eastland, 13.10.

**FINALS - 400 METER DASH**  
1. Williamson, Eastland, 58.88; 2. Rives, Winters, 59.10; 3. Wallace, Cisco, 62.30; 4. Young, Cisco, 62.58; 5. Burton, Cisco, 63.04; 6. Parvin, Jim Ned, 63.06.

**FINALS - 300 METER HURDLES**  
1. Tollett, Cisco, 47.34; 2. Hohertz, Cisco, 48.46; 3. Mizell, Eastland, 49.41; 4. Parvin, Jim Ned, 49.98; 5. Selby, Winters, 50.39; 6. Halfman, Winters, 51.44.

**FINALS - 200 METER DASH**  
1. Russell, Coleman, 25.54; 2. Craig, Albany, 25.61; 3. Marshall, Eastland, 26.28; 4. Coen, Baird, 26.55; 5. Nelson, Jim Ned, 27.37; 6. Betts, Eastland, 27.40.

**FINALS - 800 METER RUN**  
1. Farias, Winters, 2:57.26; 2. Edminson, Albany, 2:59.6; 3. Yowell, Cisco, 3:03.04; 4.

**FINALS - 1600 METER RUN**  
1. Needham, Ranger, 5:25.06; 2. Shaw, Cisco, 5:26.91; 3. Wortman, Eastland, 5:40.09; 4. Brister, Ranger, 5:53.85; 5. Lane, Eastland, 5:55.19; 6. Morris, Eastland, 5:57.98.

**FINALS - 1600 METER RELAY**  
1. Eastland, 4:01.97; 2. Cisco, 4:05.44; 3. Winters, 4:19.51; 4. Coleman, 4:18.17; 5. Jim Ned, 4:37.58.

**7TH GIRLS FIELD EVENT POINT TOTAL**  
Ranger, 0; Coleman, 26; Albany, 41; Jim Ned, 1; Baird, 4; Cisco, 18; Eastland, 44; Winters, 16.

**DISCUS**  
1. Sargent, Eastland, 68'2; 2. Edmission, Albany, 68'1; 3. Farias, Winters, 57'2; 4. Roberson, Coleman, 56'3; 5. Mitchell, Eastland, 56'1; 6. Collins, Winters, 54'11.

**LONG JUMP**  
1. Chapman, Coleman, 13'11; 2. Hood, Eastland, 13'11; 3. Parrott, Albany, 13'6"; 4. Cora, Baird, 13'4; 5. Snyder, Albany, 13'2 1/2; 6. Palmer, Winters, 13'1 1/4.

**TRIPLE JUMP**  
1. Hood, Eastland, 28'8"; 2. Edington, Coleman, 28'7 1/4; 3. Lyerla, Eastland, 27'7; 4. Willingham, Cisco, 26'9; 5. Lester, Eastland, 26'9; 6. Parrott, Ranger, 26'7 1/4.

**HIGH JUMP**  
1. Vickers, Albany, 4'6; 2. Whatley, Cisco, 4'2; 3. Farias, Winters, 4'; 4. Roberson, Coleman, 4'; 5. Holland, Eastland, 4'.

**SHOT PUT**  
1. Berry, Cisco, 27'4"; 2. Edmission, Albany, 26'2"; 3. Schlegel, Albany, 25'0; 4. Lyerla, Eastland, 24'7 1/2; 5. Palmer L., Winters, 23'4"; 6. Lambert, Jim Ned, 22'9 1/2.

**FINALS - 400 METER RELAY**  
1. Eastland, 57.30; 2. Coleman, 58.64; 3. Winters, 59.23; 4. Albany, 49.46; 5. Cisco, 59.94; Baird, 60.04.

**FINALS - 800 METER RUN**  
1. Farias, Winters, 2:57.26; 2. Edminson, Albany, 2:59.6; 3. Yowell, Cisco, 3:03.04; 4.

Rose, Winters, 3:04.83; 5. Dobbins, Coleman, 3:05.07; 6. Jaggars, Baird, 3:07.50.

**FINALS - 100 METER HURDLES**  
1. Hood, Eastland, 17.76; 2. Holland, Eastland, 19.25; 3. Palmer, Winters, 19.48; 4. Ford, Eastland, 19.55; 5. Dennis, Cisco, 19.77; 6. Yowell, Cisco, 20.08.

**FINALS - 800 METER RELAY**  
1. Eastland, 2:03.89; 2. Winters, 2:08.32; 3. Coleman, 2:10.26; 4. Baird, 2:13.72; 5. Cisco, 2:15.38; 6. Ranger, 2:20.61.

# WELCOME TO OUR NEW SPECIAL SECTION! Real Estate Section...

**How To...** By Dave Petzal  
Editor  
Mechanix Illustrated

More and more people are taking the time and effort to refurbish houses which a few years ago, would have been torn down. When dealing with these old-timers, you come across some unusual terminology to describe their construction. Here are a few of these terms, courtesy of *Mechanix Illustrated* magazine.

A **Bargeboard** is usually scalloped or carved and hangs down from the projecting edges of the roof. It is also called a **gableboard** or **vergeboard**.

A **Dormer** is any structure projecting from a sloping roof and housing a window or vent. A particularly interesting one is the **Eyelid dormer**. It's sometimes called an **eyebrow dormer**. Everybody knows the difference between a gable-end roof and a hip roof. But in old houses you often run into the **Gambrel** roof. This roof has two slopes on each side of the ridge... a shallow pitch at the top and a steeper one at the bottom. Sometimes there is a flare or kick at the bottom edge.

Another is the **Mansard** roof. This one has two pitches on all four sides. The bottom slopes are high and steep, often containing dormers. The upper slopes are shallow and usually not visible from the ground.

Then too, you will run into terms like **fanlight**, the semicircular or semi-elliptical window over a door. The fanlight is usually accompanied by **sidelights**, the fixed glass at the sides of windows and doors.

**Century 21 EASTCO INC.**  
647-1302 112 Railroad Ave. Ranger 647-1302

# Area News Briefs

## RANGER

The Vocational Nursing Program at Ranger Junior College is now accepting applications for the 1985-86 school year. This training program has been developed by RJC in cooperation with the Texas Education Agency and the Texas State Board of Vocational Examiners. It is divided into two sections - preclinical and clinical. The pre-entrance exam will be given in June. For more information call Dean Marusak or Pat Morgan at 647-3234.

Jim and Jody Pearson, song evangelists from Stamford, Nebraska, will present a concert at the Ranger First Christian Church May 4 at 7:30 p.m. The Pearsons are in a full-time ministry of presenting music at concerts, revivals, fairs, rodeos and other occasions. Their songs are country-western in style. Everyone is invited to their concert at the First Christian Church.

The City of Ranger is accepting bids on work to be done at the swimming pool. The work will be done on both the children's pool and the large pool. It will consist of filling in cracks and holes, sandblasting, painting footage markers, and further sandblasting to smooth finish. This should put this pool in first-class shape.

## EASTLAND

Tickets are on sale for the annual All-Sports Banquet, which will honor the public school athletes. The event will be held Monday, May 6 at Siebert Elementary School, and will feature baseball great Bobby Bragan of the Texas Rangers as speaker and entertainer. The meal will be catered by Oscar's Barbeque, and it is suggested that tickets be secured early from the sponsoring Quarterback Club. A number of awards will be made at this event.

The First Baptist Church of Eastland will sponsor a youth-led revival May 3, 4 and 5 in the sanctuary. Services will be at 7:30 p.m. May 3 and 4, with the revival concluding during the worship service at 11:00 a.m. May 5. Kellar Nevill will direct the service, and Robert Ragland will lead the music. There will be fellowship following both evening services, and a breakfast at 8:30 a.m. on Sunday, May 5.

The Rotary Club of Eastland will have a consignment auction May 11, 10 a.m. on the Wal-Mart parking lot. Anyone having something to consign may contact any Rotary member. The profits earned by this event will go back into the community.

Nan Mitchell of Eastland, daughter of Mr. and Mrs. Bill Hart and Roy Mitchell, has been named Big Country Junior Miss in a competition sponsored by the CJC Wrangler Belles. Other winners were Loretta Grant of Baird, 1st Runner Up, and Melanie Fore of Breckenridge, 2nd Runner Up. Amy Norris of Carbon received the Talent Award, and Shonda Martin of Eastland received the Spirit of Junior Miss Award.

The Eastland County Art Association will hold a meeting Thursday, May 2 at 7 p.m. in the Texas Electric Reddy Room. The Demonstrator this month will be Sarah Shelton of Bangs. She will demonstrate realistic oils of Texas scenes. Interested persons are urged to come out to this informative meeting.

There will be a Game Day at Lone Cedar Country Club on Friday, May 3, beginning at 10 a.m. All sorts of games will be played and prizes awarded. Lunch will be served at noon. The fee will be \$4, and everyone is invited.

The annual Kokomo-Simpson Cemetery Association meeting will be held in this community south of Eastland on Saturday, May 4. A number of people plan to gather at the cemetery in the morning hours, then basket lunches will be spread at the Kokomo community center at noon. This is a time of homecoming for many, so all interested persons are invited to come and enjoy a day of visiting and reminiscing with friends.

## CISCO

The "Christmas in May" Committee has set Saturday, May 4 as the work date for the annual project. An appeal is being made for all volunteer workers to be at the Cisco Junior

College cafeteria at 7 a.m., where breakfast will be served. The work being done this year includes general repair, roofing, painting, plumbing and some concrete work. Persons benefiting from this work will be chosen from among the elderly and the handicapped.

Cisco Junior College is now taking applications for the September 1985 Licensed Vocational Nursing Program. In accord with certification requirements, applicants must make applications in advance and pass a pre-entrance physical and examination. The twelve month program will hold classes in Cisco, with clinical work in Cisco and Eastland hospitals. For more information please contact Vocational Dean Gerald Bint or Program Instructor Wanda Wheatley at Cisco Junior College.

Wade Shackelford of Cisco is a new junior member of the American Angus Association reports Dick Spadder, Executive Vice President of the national organization. Junior members of the Association are eligible to register cattle in the Association, and take part in Association sponsored shows and other events. The American Angus is the largest beef registry association in the world.

The annual J.L. Stafford par-Scotch-Scream Partnership Golf Tournament will be held at the Cisco Country Club May 3, 4, and 5. The event will be limited to the first 40 teams that enter. Chairman Jim Puryear said that prizes will be cash for flight winners and runnersup. The entry fee is \$50 and may be sent to Arlie Whitley, Lake Cisco Country Club, Box 389, Cisco 76437.

## GORMAN

The Gorman Lions Club is planning a big Rummage Sale on May 18 and 25 at Warren's Watermelon Shed on Highway 6. All proceeds will go toward the Miss Gorman and Little Miss Gorman contest. If you have any items to care to donate, please call the Gorman Progress, Gorman Pharmacy or Higginbothams. This will be a big sale - the public is urged to come by.

The Crimestoppers will meet on Thursday, May 2 at 7 p.m. at The Senior Citizens Center. Come out and learn about crime prevention and the work of this group.

The Musical at the Fire Hall will be held Friday, May 11. All are welcome at this community entertainment, especially area musicians.

Clean-Up week in Gorman will be May 6-10. The city will make an effort to haul away any large trash that the individual cannot haul. A real drive will be underway to make the town a safe and clean place.

## BAIRD

The book of Callahan County History now has a name! The winning title was submitted by Mrs. Floyd Ryan of Leveland and selected by popular vote out of 22 other titles. The name will be: "I Remember Callahan - A History of Callahan County". Information bulletins about the book are expected to be mailed out by May 1. If anyone needs help completing their history, contact the area representative or Hicks Turner at 529-3579.

## Lone Cedar Game Day May 3

The next game day at Lone Cedar Country Club will be Friday, May 3 beginning at 10 a.m.

All sorts of games will be played and prizes awarded in each game.

Lunch will be served at noon and play resumed. A surprise awaits the lucky person. Fee will be \$4.00. Everyone is invited.

## Precautions During Lighting Storms

COLLEGE STATION -- When it comes to a brilliant display of lightning in Texas skies, "better safe than sorry", is a good motto.

Deaths from lightning may be rare, but it's short-sighted for anyone to ignore the simple precautions and slight inconvenience of safety measures, says Texas A&M University Agricultural Extension Service health education specialist Dr. Mary Ann Heussner.

She says the first rule of lightning safety is to get away quickly from any open space - a field, golf course, hill-top, beach or pool. Get away before the rain starts, since lethal bolts sometimes strike during the muggy lull before a storm.

"If you're caught outside, the best kinds of shelter are buildings equipped with lightning protection system, steel-framed buildings, and cars, busses or tractors with metal tops and closed win-

dows," advises the specialist. "But don't trust a flimsy shelter on a golf course."

When you can't take cover, you can better your chances by taking refuge in a ravine, culvert or ditch - keeping away from pipes and staying alert for flash floods, Heussner says.

When none of this is practical, crouch as low as possible with no part of your body except your knees and toes touching the ground. Also remember to avoid tall isolated objects, like a one tree, staying twice as far away as the tree is high.

Just being indoors doesn't entirely protect you from lightning, Heussner points out.

Stay away from open doors and windows, fireplaces, radiators, stoves, metal pipes, sinks, bathtubs, shower stalls, and plugged-in electrical appliances.

Electricity of lethal strength can enter a home not only by a direct strike, but also by a side flash from another object like a tree, and through pipe lines and wiring.

"Unfortunately, when someone is struck by lightning, by-standers often don't know what to do," remarks the specialist. "Others won't touch the victim for fear he is still electrically charged."

But a lightning victim can be safely touched, and often revived by mouth-to-mouth resuscitation, Heussner says.

Adults who work outdoors or enjoy outdoor sports may have a healthy respect for lightning, but children are often unaware of its danger. The specialist recommends that parents review lightning safety precautions with their youngsters along with bicycle and swimming rules for the summer.

Someone has said, "The Japanese kill themselves by harakiri, and the Americans by hurry-worry." But it is written in Psalm 37:7, "Rest in the Lord, and wait patiently for Him."

The expression "rest in the Lord" means "be silent toward the Lord." The idea is that of waiting in silence for that which the Lord is about to do for you.

Moses led the Israelites out of Egypt. But the Egyptians pursued them and overtook them at the Red Sea, and they were frightened. While they were criticizing and contriving, Moses said, "Fear not! Stand still and see the salvation of the Lord, which He will work for you today."

Hold your peace and remain at rest." Then Moses stretched out his hand over the sea and the Lord turned it into dry land. And the Israelites marched through the sea on dry ground.

Red Sea experiences come into all our lives. Some try to suggest to the Lord, while others are silent toward Him. Some try to work things out in their own bungling way, while others wait for Him to work it out in His blessed way.

Be still and rest in the Lord. Wait for Him. The Lord is worth waiting for. His clock is never slow. He will come to you just when you need Him most.

Chris Johnson, son of Mr. and Mrs. Lowell Johnson of Oplin, was recently named winner of the 1984 DEKALB Agricultural Accomplishment Award. The award, sponsored nationwide by DEKALB Ag Research, Inc. and DEKALB-PFLIZER Generics, is presented to the senior agricultural student attaining the highest degree of scholarship, leadership, and work in a supervised agricultural program. Following his graduation from High School, Chris plans to attend Tarleton State University.

## RIISING STAR

The U.I.L. One-Act Play cast of Rising Star High School presented the winning One-Act Play "The Plum Tree" in a benefit performance for the Jerry Brown fund on Tuesday, April 30 in the school gym. No admission was charged, but donations were accepted for the fund. Jerry, a sophomore at Rising Star High School, has been hospitalized for several weeks, and will need a lengthy convalescence when he is released.

BRINGS YOU THESE IMPORTANT TIPS...  
**YOU AUTO KNOW**

The brake pedal should feel firm when you press on it. If brakes feel "spongy," or if you note a change in the resistance, have them checked promptly.

Statistic: 1 out of every 46 vehicles in the U.S. was stolen or vandalized in 1983. Security devices helped keep losses from being even higher.

If your car is subject to heavy loads or other severe driving conditions, consider a supplementary cooler to protect the engine and/or the transmission from the danger of overheating.

It's smart to use headlights even during the day if visibility is bad. Even if the lights don't help you see the road, they'll help other drivers see YOU.

## New-Used Cars

It's smart to choose YOUR new (or late-model) car from the terrific autos now featured at Jim Caldwell Motors, 314 W. Main, Eastland, Texas 76448, 629-2636. Come in for a test drive soon.

## Auto Repair

It's smart to schedule a spring tuneup now. See the expert mechanics at Jim Caldwell Motors, 314 W. Main, Eastland, Texas 76448, 629-2636.

## Body Shops

It's smart to repaint your older car if it's still running well. Our expert workmanship can make it look new again, at Jim Caldwell Motors, 314 W. Main, Eastland, Texas 76448, 629-2636.

# Eastland County Weather Watch -- A Safety Net

How well does the National Weather Service cover Eastland County?

Some people are a little unsure of how to answer this.

But one thing they can be certain of - the County has a network of law enforcement officers, Firemen and many unpaid volunteers who go out

in the worst of weather and check for dangerous situations.

Like Terry Edwards and Eastland Fire Chief Jack Graham, who headed right for Kokomo Saturday as soon as they received word over their radios about the hail.

Terry, it is said, chased

down a possible tornado all the way to Comanche County to see which way it was going.

C.W. Guthrie, Cisco volunteer fire chief, was away down Highway 183 at that time, observing the green hail cloud at quarters too close for comfort.

In the meanwhile Ranger

weather spotters, led by Fire Chief Darrell Fox, were scattered on high hills around the town, watching the storm move toward Lake Leon. Ranger was lucky - it got just a dash of hail.

These three men, Terry Edwards, C.W. Guthrie and Darrell Fox, coordinate the Weather Watch activities in their respective towns. Since storms usually move into Eastland County from the west, N. west of S. west, they give close scrutiny to clouds within 75 miles of the county in that direction.

They depend on radar information primarily from the Fort Worth Weather Bureau in whose territory Eastland County is located. The Abilene Weather Station

## Annual Romney Cemetery Assoc.

### Meet Set May 6

The annual meeting of the Romney Cemetery Association will be held Monday, May 6, at 7:30 p.m. in the Christadelphian Church at Romney.

This is the year for election of officers. All association members and persons interested in the operation and upkeep of the Romney Cemetery are invited and urged to attend.

does assist at times, however.

The Department of Public Safety in Callahan and Eastland County and the

County Dispatch are in constant touch, and when anything threatening is sighted the Dispatch alerts the Weather Watchers in

each town. In Cisco there are 30 Weather Spotters, and C.W. Guthrie calls out as many as needed. They patrol an area

west and south of town, and are in instant contact by radio. The City of Cisco has a loud siren which can warn the whole town in the event of a tornado.

In Eastland there are six Weather Watch volunteers, plus the Coordinator, paid Firemen, and Tommy Patterson of the Ambulance Service. They range out to Flatwood, Morton Valley, Spur 490, and anywhere else needed. Eastland has a warning system of three long blasts on the siren.

Ranger has 27 volunteers, and when the Dispatch notifies them a number are out immediately. There is no overall warning system in the town, so in the event of a tornado the Fire Department plans to stay out on the streets warning people.

Of course none of the Eastland County Weather Watch volunteers are paid for their time or use of their vehicles. Many of them are also Volunteer Firemen. Surely this is an unselfish service, and one for which residents can be very thankful. Where could you find any better neighbors?

# County Industrial Committee Is 'Tool'

"A tool to use for the entire county," is the way Chairman Delton Ake described its purpose to members of the Eastland County Industrial Committee at a meeting this week.

Officers and members of the various steering committees met to develop further plans and to set goals for the immediate future, all with the purpose of bringing new payroll to Eastland County.

Among the many topics discussed were plans to have building and/or site information from towns in the county channelled to Emmett Lasater who will serve as a depository of information for county-wide use as prospects come and ask "what's available?"

The steering committees were asked to meet, recruit additional workers and to set short and long-range goals

for their particular area. They are to report back at a meeting next week. Another important goal is to secure options on potential industrial sites so that the county will have an "in hand" package of information when prospects ask.

A brief discussion was held on the advisability of establishing a non-profit corporation to shelter the county-wide effort. Details are to be secured.

One of the most positive endeavors to come out of the meeting was the suggestion that this county would make an ideal "snow-bird nest" for those northern-climated retirees who came south for the winter, and who are generally tired of the over-

crowded, over-exploited Texas Valley area.

It was pointed out that these mostly senior citizen retirees would prefer a wooded, lake area to park their living trailers for months, and that they would be good visitors stimulating the economy and providing additional out-of-town dollars into the area.

Another important discussion was that for grooming and generally aiding and assisting existing industry to help them grow and prosper, rather than exerting all-out efforts for additional industry.

Sixteen workers met Thursday morning to continue and expand the work of the county-wide effort.

# Melody McGough Selected To Compete In Pageant

MELODY MCGOUGH

Miss Melody McGough, 15-year old daughter of Mr. and Mrs. Pat McGough of the Nimrod Community and a sophomore at Cross Plains High School, has been selected to compete in the Miss Texas Teen Pageant to be held at the Loews Anatole Hotel in Dallas, August 30, 31, and September 1. The pageant is the official statewide finals for the Miss Teen National Pageant to be held in November of 1985.

Contestants from all over the state will be competing for the title. All Contestants are between the ages of 14

## Olney Savings Acquires Five Institutions

OLNEY—Alan D. Myers, Jr., chairman of the board and chief executive officer of Olney Savings Association announced today the acquisition of five offices of Southern Savings and Loan Association, headquartered in Brownwood, Texas.

Approved by the Federal Home Loan Bank, the Texas Savings and Loan Department and the Federal Savings and Loan Insurance Corporation (F.S.L.I.C.), the five offices include Coleman, Comanche, Cross Plains, DeLeon and Stephenville. Olney Savings already operates a branch office in Coleman, and the two branches will be consolidated immediately.

Jerry Richardson, senior vice president/division manager of Olney Savings, will assume management responsibilities of the new offices. And, according to Myers, there will be no changes in personnel.

This acquisition will make Olney Savings one of the largest thrifts in Texas with combined assets in excess of \$850 million and 30 offices throughout northwest Texas. Olney Savings began serving the Brownwood area in

and 18 and must have at least a "B" average in school. They are required to participate in the Teen Pageant. Through this program many young ladies are becoming involved in community activities by contributing at least 12 hours of time to some worthwhile charity or civic work. The March of Dimes Birth Defects Foundation is the national charity organization for the Miss Teen Pageant.

Teens will compete for \$3,000 in cash, a self-improvement scholarship to

1981, when they acquired the branch office of Provident Savings & Loan of Brownwood located at 1602 Austin Avenue.

Myers commented, "We are so excited to be able to expand our services in and around Brownwood. We are eager to become more actively involved in each of the communities, and to do our part as concerned citizens."

Olney Savings, chartered in 1927, prides itself in being recognized by peers as one of the most profitable savings and loan associations in Texas, as well as across the country. Primarily serving communities in small to medium size towns, Olney Savings' steady growth is due to targeting its operation to the special needs of rural Texas.

Olney Savings has offices in Albany, Anson, Archer City, Azle, Bowie, Boyd, Bridgeport, Brownwood, Cisco, Coleman, Crowell, Decatur, Electra, Gainesville, Graham, Holliday, Jacksboro, Nocona, Oleny, Seymour, Throckmorton, Weatherford, Wichita Falls and Vernon. Also Ranger Savings in Ranger and Eastland Savings in Eastland.

**WASN'T THE Folklife Festival** an outstanding event this year? It is our considered opinion that the 12th annual festival was the best and that the old Rockwell lumber yard is a fine place to hold it. There was ample room for the assorted booths and quarters for programs without undue crowding. It would be nice, somebody said, if the Festival could locate permanently in the Rockwell area. A lot of improvements were made there for this year's show and others will be needed. Festival officials had nice things to say about a number of folks who provided a lot of labor, including Plumber Tommie Lee, Electrician Tim Cheshire and Contractor Wayne Webb. There was a lot of good entertainment. We heard the Willard Johnson C&W Band play an hour's concert that was applauded by one and all.

**THE GERMAN Band** that includes Dr. and Mrs. Ayres Cermin, John Muller, Berry Crudginton, Gregg Swindle, Susan Schaefer and Elizabeth Webb did a fine job. They introduced a new instrument - a salt box. You pour salt on a hollow box and take a special stick and rub it in the salt to keep time with the music. It produces a scratching kind of noise that adds to the program. They invited folks from the audience to play the salt box with them, and while we watched Jammie Fry and Jane O'Pry took turns at the salt

box... Mrs. George (Pat) Owens drew a good crowd for her entertainment hour. She has a nice voice and accompanies herself on the piano.

**THE KIWANIS Club's** barbecue Friday night at Festival headquarters drew a good crowd. And the food was super... Met up with Mr. O.C. Penn of Pampa who was here for the reunion. He has been with Hughes Tool at Pampa for 30 years... Saturday's parade was outstanding, too. Mr. Charlie Jordan, the Abilene TV weatherman, seemed to enjoy being the parade marshal.

Enjoyed the trail ride breakfast that CJC threw for visiting horsemen and for others. Russell Cozart, 2-1/2 year old son of the Mack Cozarts of Clyde, won a trophy as the youngest trail rider present. And Mr. Albert Roby of Brownwood, one of four generations of riders in the parade, won the trophy as the oldest trail rider. He's 87.

**MET UP WITH Mr. Morris (Doug) White**, who lives up in Colorado, at the breakfast. They're fine and enjoyed the weekend, he reported... Betty Warren Griffin of Dallas was there with the Tommy Tolands... It was like old home week at the Festival. We kept running into old friends, including Cindy Broyles Frailey of Fort Worth, here visiting relatives... Also met

up with **The Gary Myers** of Dallas (She's the former Ann Wright) at the Festival... And John McAnlies of Odessa was here and he reported that his brother, Pat McCanlies, now works for an off-shore oil drilling company currently on location near Africa.

**RAN INTO Mr. Bob Woolsey** of Austin. He and wife, the former Glenda Hughes, and children were here visiting relatives. Bob, an official of the Texas Highway Department, reported to us that they're saving 1.8 million dollars this year by planting flowers and grass that doesn't need mowing along highways. The highway department, he added, gets more and more applause from folks who appreciate their wild flowers that line highways of the state... Weekend visitors included the Sonny McCreas of Rockwall and his sister, the former Mary McCrea, of Denton... Another visitor was Travis Roach, former CHS footballer de luxe, who is now a lawyer and CPA in Austin... Dick Bennie, a highway patrol sergeant at San Antonio, visited home folks during the weekend.

**SAW ANOTHER former Lobo great**, Mr. Benji Lipsey, of Houston in town for the reunion... Also saw Jim Coats of Stephenville, who owns a couple of Ben Franklin Stores... Mike and Kay Morris of Fort Worth were here visiting their parents and friends and relatives... Mike Cheshire, who heads Texas Instruments' drafting department in Dallas, also was here for the reunion... Saw two former Lobo football coaches in town - Mr. Jay Williams of Fort Worth and Mr. Zac Henderson of Burkburnett... Dr. and Mrs. Joe Stamey brought his dad, O.L. Stamey, over from Abilene to spend Saturday in town and at the reunion. Mr. OLS is doing fine as he recuperates from an illness.

**MR. DICK WARD**, formerly of the Otis Company here who now lives in Garland, was at the Festival demonstrating some antique chairs that he was restores. And he enjoyed seeing many old friends... Also intown were the Earl Carsons, who are moving from Hamilton to Waco... A

thunderstorm late Saturday dampened the reunion at the high school and caused a change of plans. They moved the barbecue from City Park to the High school gym to get out of the rain, which our area needed... Incidentally, it rained from six tenths in town to about two inches south of town... Saw Dr. Clark Odom, Dallas surgeon, who was here to visit home folks and old friends.

**MR. RONNIE Hearne**, coach of the Lady Wranglers at CJC and coach of an all-star girls team that played in TWC Gym at Fort Worth last Friday night, told us that his team won the game. This was his second year to coach the team of all-star girls from Texas high schools. Mr. Hearne was one of three Texas junior college girls coaches who were nominated as the 1985 Texas Junior College Girls Coach of the Year - a fine honor, indeed.

**THE CISCO Municipal Airport** had extensive damage of a hanger door during the recent wind storm... Mr. Wm. E. (Bill) Austin of the furniture store was due home early this week from an Abilene hospital. He had a room full of flowers and a big sack full of cards from well wishers.

One of the cards that Mr. Austin received had this word of caution: "Be careful in that hospital... a friend of mine went there and came home with a baby."

**OUR SCOUTS report** that Mrs. Joe (Virginia) Wheatley of our town was mentioned in a column in the nationally circulated newspaper, Women's Wear Daily, recently. The writer noted that Michael Katz, prominent in women wear circles in New York City, was real proud of a quilt made for him by Mrs. Wheatley.

Mr. Katz, a friend of the Wheatleys, had sent her a quantity of silk scraps. And Mrs. JW used some of them to make a quilt that was sent to Mr. Katz.

**IN CASE YOU** didn't get time to go out, the Little League season opened last Friday night with a good crowd at Rylee Field. And they played again Saturday night. The park was in good condition and everything

# Carnival In Town This Week

**KENNY'S FUNLAND-** A carnival, sponsored by the Cisco Volunteer Fire Department, is in Cisco this week. It was setting up on Monday when the photo was taken and is scheduled to be here through Saturday, May 4. (staff photo)

was working except the popcorn machine, which they hoped to have running this week.

The Little Leaguers played again Saturday night as the field was in fair condition after the rain. They're scheduled for action again on Thursday, Friday and Saturday late afternoons and nights this week.

for 1985-86 class officers.

Elected were: Cliff Hatcher, President; Russell Williams, Vice-president; Casandra Bradford, Secretary; Kevin Kirk, Treasurer; and Jeff Kinser, Reporter.

They will begin their positions in September, when school resumes after the summer break.

**CHS Elections Held Last Week**

Elections were held at Cisco High School last week

**Special Service**

Evangelist Jose Deleon of Temple will be conducting a special prayer service for the illness of Betty Munguia, Saturday, May 4 at 11:00 a.m. in the home of Mr. and Mrs. (Teco) Toribio Munguia located on East Pioneer in Rising Star. Evangelist Deleon will be preaching and there will be a singing by the church group. An invitation has been extended to everyone to come and be with the family at this special service.

**Hageman Reunion Set May 5**

The Hagemann Reunion will be held on May 5, 1985 at the Lakewood Recreation Center near Pioneer. The meal will begin at noon. Paper goods will be provided, so bring your favorite covered dishes and your lawn chairs, please bring any old family pictures that you would be willing to have reproduced. Orders for individual copies will be taken that day.

## Obituaries .....

**Services For W.W. Cherry Are Wednesday**

Services for William Woodrow Cherry, 71, of Cisco, a farmer, were held at 10 a.m. Wednesday at Kimbrough Funeral Home. The Rev. Benny Hagan, pastor of Corinth Baptist Church, officiated. Burial was at Gunstight Cemetery. Mr. Cherry, died at 10:40 a.m. Monday after a sudden illness.

Born March 1, 1914, in Limestone County, he farmed in the Nimrod community. He married Sarah Esthna Lovell Aug. 14, 1938. She died in 1964. He was a Baptist.

He was preceded in death by a son, Vernon Cherry on March 26, 1985.

Survivors include a sister, Myna Perkins of Alexandria, La.; a daughter-in-law, Patsy Cherry of Cisco; three grandsons, Don Vernon Cherry of Bruceville, Dale E. Cherry and Wallace Woodrow Cherry; and two granddaughters, Patricia Fay Cherry and Brandy Antonette Cherry, all of Cisco.

Pallbearers were Jake Morgan, B.D. Green, Quincy Arnold, Bob Bennie, Buddy Seabourn and Gordon Cannon. Honorary pallbearers were Odell Rains, C.W. Guthrie and Benny Pippen.

**Services For Albert Morgan Are Monday**

Services for Albert M. Morgan, 69, of Eastland, formerly of Cisco, a mail carrier for 25 years were held at 2 p.m. Monday at Cisco Funeral Home.

The Rev. Frank Williams, pastor of First United Methodist Church in Cisco officiated. Burial was at Scranton Cemetery in Cisco, directed by Bakker Funeral Home in Eastland.

Mr. Morgan died at 3 p.m. Saturday at Eastland Memorial Hospital after a brief illness.

Born Dec. 24, 1915, in Scranton, he married Ruth Meglasson April 18, 1951, in Cisco. He retired in 1975 and moved to Eastland.

He was preceded in death by two brothers and a sister.

Survivors include his wife; a son, Daniel Louder of Brenham; a daughter, Val Jeanne Rutledge of Fort Worth; five brothers, Morris of Scranton, George of Abilene, J.W. and Jake, both of Cisco, and James of Clyde; two sisters, Mildred Connell of Baird and Bama Fleming of Cisco; two grandchildren; and a number of nieces and nephews.

## Why Haven't You Moved Your Checking Account To Olney Savings?

- 1 Maybe because you didn't know that Olney Savings offers interest-bearing checking accounts.
- 2 Maybe because you didn't know that on a variety of checking accounts, Olney Savings pays current market interest rates.
- 3 Maybe because you are waiting for us to tell you that we want you to move your checking account to Olney Savings. We do.

You would never invest your savings in an account that didn't earn interest. So why allow yourself to have a non-interest bearing checking account?

Think about it, and then come see us soon, or call and we'll come see you.

**OLNEY SAVINGS**  
We're Neighbors. You Can Believe in Us.

## Questions about home telephone wiring?

"Oh, I get it. This wire goes to this wire..."

Get TELE-HELP. The free information booklet program created by the employees of Southwestern Bell Telephone. It's specially designed to provide answers to our customers' questions and reaffirm the belief in community service on which our company has grown.

TELE-HELP BOOKLET #10: A Guide to Home Telephone Wiring tells you how you can save money by installing new wiring or by changing existing outlets in your house or apartment. You'll learn about the various materials and color codes you'll need to connect your phone. How to convert your old telephone outlets for modular phones. Options you have if you'd rather have someone else do the work, and more.

To order your free TELE-HELP booklets, send in this coupon or call TOLL-FREE 1-800-325-2686, extension 81, Monday-Friday, 8 a.m.-5 p.m.

Mail to: TELE-HELP  
Southwestern Bell Telephone, Drawer 8  
Wheeler Station, St. Louis, MO 63188

Please send the number of TELE-HELP booklets checked here:

# C.J.C. News

Cisco Junior College is now accepting applications for the September 1985 Licensed Vocational Nursing program at Cisco.

In accord with certification requirements, applicants must make application in advance and pass a pre-entrance physical and examination.

The twelve month program will hold classes in Cisco with clinical work in the E.L. Graham Hospital in Cisco and the Eastland

Memorial Hospital in Eastland on a rotating basis.

Satisfactory completion of the program entitles the student to a certificate from the college, and qualified him/her to take the State Board of Vocational Nurse Examiner's examination.

A prospective student must be at least 17 years of age and must be in good physical and mental health. Students must be high school

graduates or have successfully taken the GED examination establishing high school equivalency. The GED examination is given on the CJC main campus in Cisco.

Employment opportunities for a licensed Vocational Nurse are very good; the demand for LVN's far surpasses the supply.

For full information, interested persons (male or female) may contact Vocational Dean, Gerald Bint or Program instructor, Mrs. Wanda Wheatley in the Vocational-Technical building on the campus or by telephoning (817) 442-2567.

## Fishing Outdoors

Terry L. Wilson

### Jackpot Results

April 27th on Lake Leon 27 anglers set out in search of 1 fish 14" inches or longer. Most of our entries did report numerous fish in the 11"-13" range. But at the final weigh in the following 3 anglers came out on top. 1st James Fullen, Eastland, 2 pounds 11 ounces; 2. Tommy Thompson, Cisco, 1 pound 13 ounces; 3. Floyd Kaerwer, 1 pound 6 ounces. The money pay back was as follows 1st \$121.50; 2. 72.91; and 3. \$48.60. Not to shaby for a days fishing. Most of the fish were taken on spinnerbaits and crankbaits worked through weed beds.

We would like to thank all our participants and we hope

to see you all at our next open tournament. The date and lake have not been selected as of yet, but we shall notify as soon as possible.

Following this jackpot the Brownwood Bass Club held their monthly club tournament Sunday on Lake Leon also. As you may recall, Saturday evening we had a lot of severe weather pass through. But these gentlemen showed some excellent bassing skills and brought in some excellent fish. We might mention Brownwood fishes 3 fish 12" stringers, exhibiting the growing interest in conservation of our resources. Results were as follows.

1st Robert Brown, 3 fish 6 pounds 3 ounces. Roberts big fish tipped the scales at 3 pounds 8 ounces. 2nd place and big bass went to Bill Whaley 4 pounds 2 1/2 ounces. 3rd place, Herchell Duncan, 1 fish 1 pound 12 ounces. 4th place, George Paul, 1 pound 12 ounces also. 5. Fred Baker 1 pound 10 ounces. There were 20 fish 12" or longer weighed, with only 2 fish dying and the remainder were release back into the lake. Thanks gentlemen for your extra effort to keep these fish alive.

May 5th the Breckenridge bass club shall be holding their annual Open Invitational on Hubbard Creek. This shall be a 3 fish 12" minimum. 1st place shall pay \$750.00; 2nd \$200.00. This is one of our better small tournaments in this area. It is always run very professionally, but with an air that makes one feel right at

home. May 6th U.S. Bass shall be holding a team tournament on Lake Brownwood. Headquarters shall be Fishing Village. May 18th and 19th marks the annual KEAN Big Bass Classic. This years event is expected to surpass last years record payback.

May 11th U.S. Bass Team Tournament Possum Kingdom, May 11th Eastland County Bass Club Iner Club Tournament lake

to be drawn.

Thursday at 7:30 p.m. we shall be holding our May meeting. Members are urged to attend as we shall be handing out our TABC affiliation cards and patches. Also discussion of our up and coming invitational September 15th, 1985. And of course we shall draw for our door prizes and choose this months lake.

Terry L. Wilson

## Feeding Birds In Your Backyard Can Be Rewarding

Spring and summer actually can be the most rewarding times of the year for people who enjoy feeding wild birds in their backyards, according to the Wild Bird Feeding Institute, based in Northbrook, IL.

"Fall and winter are not the only times of the year to feed wild birds," advised George Harrison, author of *The Backyard Bird Watcher*. "Feeding birds during the spring migrations and summer breeding seasons can produce some of the most exciting wildlife experiences of the year."

Other experts agree. Author and bird authority John Terres writes in his book, *Songbirds in Your Garden*, "...feeding birds during the summer can be just as entertaining as in the winter."

Alfred D. Geis, a biologist and urban wildlife specialist with the U.S. Fish and Wildlife Service, has undertaken some of the most extensive studies ever conducted on wild bird feeding.

"People should feel free to feed birds year-round, not just during winter when they think the creatures are most needy," according to Geis. "In fact, birds may benefit more from being fed in the spring, when their natural foods are least available."

People will benefit, too, because spring migrations cause a greater variety of species to visit backyard feeders. Flocks of such northern birds as pine siskins, redpolls and evening grosbeaks that have spent the winter in the South to move north, stopping to refuel at feeding stations.

Others become restless and more aggressive. Dark-eyed juncos and tree

sparrows stage mini-fights for dominance of the feeding trays. Male northern cardinals begin passing sunflower seeds to their mates as the spring courting season gets underway in earnest.

Male American goldfinches become blotchy-looking as they change plumages from winter's dull olive green to spring's brilliant yellow.

Thus spring becomes an excellent time to keep feeders filled with birds' favorite foods. For cardinals, chickadees, nuthatches and titmice, try sunflower seeds. Niger (thistle) seed, cracked sunflower and both white and red proso millet will attract the finches. Beef suet will be to the liking of hungry woodpeckers and nuthatches.

Beef suet provides birds with needed energy and is a very popular food during the spring and summer seasons. Unfortunately some people hesitate to put suet out during warm weather because they fear it will melt or attract flies. In fact, if it is genuine beef suet, which is the fat surrounding the kidney, it will do neither.

In addition to packaged seeds that birds consume the year around, spring and summer feeding far also can include raisins, berries and even chunks of citrus. There is something about sweet orange juice that is irresistible to, for instance, orioles. A half orange impaled on a tree trunk nail at the feeding station will catch the attention of the brilliant orange and black birds throughout the spring and early summer.

Hummingbirds are just as eager for sugar water (one part sugar to four parts water). Especially made hummingbird feeders are available at hardware stores, nature centers and lawn and garden shops. While the only species of hummingbird living in the East is the ruby-throated, in the West there are up to a dozen different varieties of the insect-like jewels flitting about most gardens seeking flower nectar and sugar water.

Where you feed birds can be as important as what you feed them, the Institute points out. Each species has a specific area in the natural habitat where it searches for food. By filling all the niches with feeders and the right

kinds of bird food, you maximize the chances of having the greatest variety of birds in your backyard garden.

Finches, chickadees and titmice, for example, prefer the hanging and tube feeders. Cardinals, jays and grosbeaks are more comfortable at tabletop or tray feeders. Juncos, sparrows and doves eat on or near the ground. Woodpeckers, nuthatches and creepers search for food on tree trunks, which is where suet feeders should be placed. Bird feeders for all of these feathered friends usually are available wherever quality, prepackaged bird food is sold. Plans also are available to make your own. As summer approaches and migrating birds have reached their breeding grounds, the clientele at backyard feeders changes again. Summer birds are nesting birds. They stop frequently at feeders for quick snacks as they take a break from nest building, egg laying or feeding their hungry youngsters. And it is during the summer season that young birds will begin join-

ing their elders at backyard feeding stations and bird-baths.

Regardless of where you live in North America, wild birds at backyard feeders easily add interest and fulfillment to any summer day. Plus, most backyards are breeding territories for a variety of summer residents.

If you live in the northeast, you likely will have a pair of robins, house wrens, chickadees and downy woodpeckers nesting around your home. In the Midwest, also watch for cardinals, juncos and English sparrows.

If you live in the South, you could have a pair of mockingbirds defending your yard against all other mockingbirds as well as against the neighborhood cats. Watch, too, for cardinals, brown thrashers and towhees.

In the Southwest, cactus wrens, long-billed and LeConte's thrashers and scrub jays are frequent

backyard residents. In Northwestern yards, Steller's jays, various thrushes and golden-crowned sparrows are common.

"In some respects," George Harrison notes, "summer feeding can be more enjoyable than winter feeding. Many birds will bring their young along to teach them how to extract seeds from feeders or eat suet."

In all, brilliantly colored songbirds flitting about the yard can be as enjoyable as the most beautiful spring and summer flowers. Write to the Wild Bird Feeding Institute about your experiences, what foods are most enjoyed by what birds in your area. The address is 1441 Shermer Road, Suite 110, Northbrook, IL 60062.

Thursday,

May 2, 1985

# Town Filled For Festivities Here

Town seemed to be packed last weekend as close to 2,000 visitors came to Cisco for the Cisco High School Ex-Students reunion. Visitors also joined others in attending the Cisco Folklife Festival and Frontier Jubilee Parade.

The weekend festivities were kicked off Saturday morning with the parade. Winners in the float division were: 1. Linda Norris of Carbon; 2. Peach and Melon Festival float from De Leon; and 3. Walton's Electric of Cisco.

Winners in the Horseless Carriage (antique cars) division were: 1. Sonny Thompson of Cisco; and 2. Cisco High School Class of 1954.

Riding Club winners were: 1. Brown County Riding Club; and 2. Eastland County Riding Club.

Crowd Pleasers were: 1. Eastland County Popovers Gymnastic Team; and 2. Jammie Dee Dancers of Ranger.

Following the parade, the Folklife Festival, sponsored by the Cisco Civic League, opened for its 12th year. The new location at the old Rockwell Lumber Yard on East Fifth Street seemed "made to order" for the festival's needs.

More room for booths was provided and there did not seem to be as much congestion around the exhibits as in the past. Entertainment

tents were placed in the middle of all the booths drawing people from all sides.

Highlighting Sunday's activities at the Festival was the Old Tyme Fiddler's contest. Winner of the contest was Chester Derrick of Odessa in the 60-and-over division. R.D. Weeks of Eastland placed second and W.D. Bailey of Gorman won third.

In the 59-and-under division, Bonnie Workman of Rule won the "best of show" award. David Skains of Carlsbad, Texas won second

place and Bill Burns of Abilene came in second.

On Saturday, sidewalks and halls at Cisco High School were filled by the many ex-students who returned "home" for the second all-school reunion. Over 800 exes registered at the school, but the number of visitors, counting spouses and dependents, was estimated between 1,800 and 2,000.

M.M. (Doc) Parmer of Cisco was recognized as the oldest living graduate of CHS. Mr. Parmer graduated

in 1916. Nancy Sherman of Anchorage, Alaska, was noted as having traveled the longest distance to attend the reunion.

The general meeting held for the reunion Saturday afternoon was well attended. Former teacher and CHS graduate, Arlin Birt was master of ceremonies. Mayor Eris Ritchie gave the welcome address. Ex-teachers of CHS occupied the registration booth.

The afternoon barbecue was moved from Cisco City Park at the Lions Pavilion to inside the CHS gym because of rain. Oscar's Barbecue of Cisco catered the affair.

Following the reunion, there was a reception at White Elephant Restaurant and Saturday night a dance was held at Cisco Country Club for the ex-students.

Bill Philpott and Geneva Webb were in charge of this year's reunion and they reported that 3,000 letters were sent out to CHS exes. Plans call for the reunion to be held again in five years.

WILLIE & MAVIS WATTS

## Crusade For Children In May

The Light Company will be holding a children's crusade at 7:00 p.m. from Sunday, May 5 to Friday, May 10. The meeting will be held at the First Evangelical Methodist Church on Highway 80 West in Cisco. There will also be an 11:00 a.m. service on Sunday, May 5.

The Light Company is a ministry of Willie and Mavis Watts who chose its name because Jesus is the Light of the world and they are two Watts' who are out to spread the light of Jesus into the hearts of children everywhere. They use the means of puppets, music, contests, storytelling, and other ways of evangelism to give the message of Christ.

Willie and Mavis Watts are from Pine River, Minnesota where he pastored a nondenominational church Lone Cedar Country Club Game Day Set

The next game day at Lone Cedar Country Club will be Friday, May 3 beginning at 10 a.m.

All sorts of games will be played and prizes awarded in each game. Lunch will be served at noon and play resumed. A surprise awaits the lucky person. Fee will be \$4.00. Everyone is invited.

Barrett said Cisco officers and DPS troopers blocked off the roadway near the truck for about three hours until safety factors could be checked.

Putnam News By Mrs. R.B. Taylor

Ideal spring weather continues to hold sway in the Putnam area. The temperature ideal though we are needing rain badly. I'm sure we have ample deep moisture, but the top is cracking open. The weathermen are promising rain this weekend. Maybe we

will get it. Have you noticed how heavy and abundant the leaves are on the trees? And all colors from the silvery jade green of the mesquites to the almost black of the oaks and all shades of green between. Mother nature is at her best it seems.

We continue to have some on the sick list. Loren Everett is at a Temple Hospital. Mr. J.D. Bilbrey will have surgery at Dallas Veterans Hospital May 1st. Mr. Hulén Smith is home after eye surgery at a Dallas hospital and Bud Fleming is at the home of his sister, Mrs. Mitt Cook at Clyde recuperating.

Ollie Burnam celebrated her birthday last Sunday. Members of her family visiting were her daughter, The James Isenhower family, a granddaughter, Dianne Heidelberg and son Chris of Breckenridge. Also visiting this week have been a nephew Mr. and Mrs. Burnam from Lafayette, La.

Rev. and Mrs. George Weeks attended a wedding of a couple of his former church members at Comanche Saturday. George performed the ceremony.

Visiting Mrs. Taylor have been her nephew, Dr. Randy Kunze and son Derek of Ft. Worth and Homer Taylor of Sweetwater. Also Bill and Dorothy Taylor of Weatherford.

Mr. and Mrs. Darrell Green and daughter Ashley of Clyde visited her mother, the Bill Lewis' last Saturday.

A large group of Putnam citizens attended a meeting of the Westbound Water Supply Corporation at the Corral Room at Cisco Monday evening.

Mr. and Mrs. James Burson of Houston are visiting their mothers at Cisco and Putnam. Maxie Solomon and daughter Betty Burson visited relatives at DeLeon Thursday.

The G.W. Weeks will preach at Mitchell Church Sunday, and then go to San Antonio to visit their daughter.

Billy Speegle visited his sister Annie Mae Donaway and Melton also his mother, Mrs. Nettie Speegle at the nursing home at Baird Friday.

Jo Ann Collinsworth of near Moran and Faye Woods of Cisco and Ollie Burnam all went to Abilene Thursday to the eye doctor and shopping.

The Milton Donaways attended the one year birthday party at Brownwood for little Charlie, the son of the Warren Donaways on Thursday. Friday they left for Odessa where they will visit their son Hubert and family.

RAIN Moran and community received some much needed rain, Sunday night or Monday morning. 1.3 inches fell, which will be very beneficial to crops, grain and gardens.

Mr. and Mrs. Joe Parker and Hud of San Antonio spent the weekend with Mr. and Mrs. Lucion Brooks.

Mrs. Allie Thorpe of Odessa, Mrs. Flora Blackwell and Joe Blackwell of Crane visited with Mr. and Mrs. Jim Howard over the weekend.

Mr. and Mrs. Bob King of Houston spent the weekend with her parents, Mr. and Mrs. Roy McCoy. Sunday visitors were Mr. and Mrs. Winfred McCoy of Cross Plains.

Johnnie Cottle of Abilene spent the weekend with his parents, Mr. and Mrs. Jerry Cottle.

Mrs. Jeanette Young, James, Jeff and Robert of California visited with Mr. and Mrs. B.G. Young one day last week.

COMMUNITY DINNER Approximately 50 people enjoyed a delicious community dinner at the Moran Community Center Sunday, April 28. The dinner was sponsored by the churches of the community.

## CJC Accepting LVN Applications

Cisco Junior College is now accepting applications for the September 1985 Licensed Vocational Nursing program at Cisco.

In accord with certification requirements, applicants must make application in advance and pass a pre-entrance physical and examination.

The twelve month program will hold classes in Cisco with clinical work in the E.L. Graham Hospital in Cisco and the Eastland Memorial Hospital in Eastland on a rotating basis.

Satisfactory completion of the program entitles the student to a certificate from the college, and qualifies him/her to take the State Board of Vocational Nurse Examiner's examination.

A prospective student must be at least 17 years of age and must be in good physical and mental health. Students must be high school graduates or have successfully taken the GED examination establishing high school equivalency. The GED examination is given on the CJC main campus in Cisco.

Employment opportunities for a Licensed Vocational Nurse are very good; the demand for LVN's far

surpasses the supply.

For full information, interested persons (male or female) may contact Vocational Dean, Gerald Birt or Program instructor, Mrs. Wanda Wheatley in the Vocational-Technical building on the campus or by telephoning (817)442-2567.

James Clark, 38-year old Clyde resident, spent a day at E.L. Graham Memorial Hospital after being hospitalized last Friday morning for treatment. He had inhaled gas fumes while working with a truck on an oil lease near Cisco.

Mr. Clark was released Saturday morning. He had been overcome about 11 a.m. Friday after inhaling hydrogen sulfide, a poisonous gas that was described as extremely dangerous.

Mr. Clark drives a transport truck for Conoco. He said he felt dizzy at the Tulley lease well site, six miles west of Cross Plains, where he picked up a load of "sour oil."

He continued toward Cisco, where his company

unloads at the Pride tank batteries about a mile south of Cisco on Texas 206. He said his body "kept trying to pass out," but he kept going.

Company personnel in Abilene, monitoring his truck radio, became alarmed when he "began making funny noises."

"The dispatchers alerted someone who got help for me," Clark continued. He said he has no memory of parking his truck at the Pride tank battery.

Cisco Police Det. Sgt. Tom Barrett said a representative from Big County H2S tested the truck and its contents and found the gas measured 100 parts hydrogen sulfide per million.

H2S is the chemical symbol for hydrogen sulfide, which gives off an odor similar to rotten eggs.

Barrett said Cisco officers and DPS troopers blocked off the roadway near the truck for about three hours until safety factors could be checked.
