# **BusinessesToBeClosed LaborDay**

Most business firms in this community will be closed Monday, Sept. 1, in observance of the annual Labor Day holiday, according to a survey conducted by the Chamber of Commerce.

The City of Cisco, local financial institutions, utility companies, the Cisco Post Office and area manufacturing plants were among those planning to be closed. County Judge Scott Bailey reported that the Eastland County courthouse would be closed Monday.

A few retail firms, including Thrift Mart, Mott's, Munden's and local convenience stores and restaurants, planned to be open for business as usual.

The CofC survey showed that the following businesses would be closed: Lone Star Gas Co., West Texas Utilities Dixon Auto Supply, and The Co., Olney Savings, First Na-Cisco Press.

# **City Council Calls Public** Hearing Sept. 9

Faced with the choice of curtailing services or finding new revenue, the City Council ordered a public hearing for 6 p.m. Tuesday, Sept. 9, on the proposed budget for fiscal 1986-87 at the regular monthly meeting last Tuesday night.

Mayor Joe Wheatley reported that the Council would appreciate a large turn-out of citizens to express their opinions concerning a course of action.

The present tax rate is 55 cents per \$100 valuation and the Council has considered raising it to 57 cents, which would result in a tax revenue increase of 7.9 per cent or some \$22,000 in additional income. This, City Manager Mike Moore reported, would partly offset loss of sales tax and oil and gas revenues.

The proposed 1986-87 budget provides for expenditures of some \$1,600,000-up about \$23,000 over the current year. Immediately after the public

Mr. Moore said the 1986-87 budget provides for no salary increases for employees and no capital expenditures. Replacement for one police car is budgeted, he said. An increase in insurance rates is a "big" item for Councilmen to consider in the new budget, he added. Liability insurance alone has gone up 300 per cent, he said. The city's insurance bill exceeds \$70,000 per year.

"We have a 'tight budget' with virtually no luxury items that can be cut," Mr. Moore said. Cutting services probably would eliminate the street seal coating program now in its third year. Some 35 blocks have been improved by the street department this year.

In other action, the Council approved an ordinance on second and final reading to close the alleyway between Lots 1 through 4 and Lots 7 through 10 within Block 128, Sub-division 3.

An ordinance amending

proved on second and final reading. The ordinance adopted the Texas fresh water fishing regulations on trapping, commercial fishing and so forth.

Approved on first reading was an ordinance prohibiting the posting of signs on utility poles and public property in the city. Violations will constitute a misdemeanor and those violating the ordinance will be subject to fine. The ordinance will become effective after the second and final reading next meeting.

The Council approved the Eastland County **Cooperative Dispatch's** budget for 1987. The budget total is \$93,352 and includes \$69,863 for salaries and \$23,489 in general operating money. Of the total, the city will pay 21.4 per cent or \$18,551. Eastland County pays 29.4 per cent, Eastland 22.2 per cent, Ranger 15.5 per cent, Gorman 6.3 per

Heidenheimer that city ordinances by revised to permit alley parking was denied. Councilmen said most of the alleys are used by the garbage pickup trucks and that parked cars in the alleys would not allow them enough room.

The monthly reports on the city's financial affairs as submitted by City Bookkeeper Maryann Perry were approved. The July report showed that at the end of the month some \$833,381 or 89 per cent of the budget had been collected, including \$248,311 in taxes and \$218,680 in sales tax. Oil and gas royalties for the year amounted to \$59,128. The municipal court brought in

With cool weather this weekend, fall really seems to be in the air. Fall and football weather seem to go together. Football practice both at CHS and CJC tell us to get our stadium seats ready, for soon we will be able to see both teams in action

Classes began at CJC Friday morning and will begin Tuesday morning at Cisco Public Schools. The first CHS football game is Friday, Sept. 5, here at Chesley Field.

In going through our mail this week, we notice that the State Fair of Texas is about to begin. This year the focus will be on Texas' Sesquicentennial. The centerpiece for the Texas Pavalion in the Hall of State will be "In the Name of Liberty: From Magna Carta to Texas Independence."

A copy of the Magna Carta, the U.S. Declaration of Independence, and the original Texas Declaration of Independence will be on display.

There will be a large array of historical documents and items displayed during the state fair this year, and it might be worth a trip to Dallas to see them.

In another light we were talking with Mayor Joe Wheatley last Wednesday and he stated that since things have settled down and Cisco appears to be returning to normal he and the city council felt that the midnight to 6 a.m. curfew could be lifted. Effective last Thursday morning, the curfew is no longer be in effect.

Weather patterns right now seem to indicate an early fall. Summer isn't officially over until Sept. 21, but these cool days are a lot more comfortable than the 100 degree days. Let's hope an early fall

will come and bring much needed rain for Lake Cisco.

We spent a very interesting morning Thursday visiting Dr. Fred Cullen at Canterbury Villa. The nursing home facility that was purchased by Texas Health Enterprises has been upgraded considerably since

their takeover. Instead of a depressing place, it is alive and is a very refreshing home to visit. Thursday was pet day at

Canterbury Villa, and friends and staff were encouraged to bring pets to visit and be with the residents.

Business climate is still up and buinesses are doing much better than in the past months. Keep thinking good thoughts about Cisco.

# Wranglers Prepare For **A New Football Season**

An inter-squad scrimmage Wednesday night and a controlled scrimmage with McMurry College here Saturday morning were expected to help the Cisco Junior College football team in preparations to open the 1986 season Thursday night, Sept. 4, against Panhandle State's junior varsity at Goodwell, Okla.

Coach Rick Frazier told the Cisco Lions Club in a talk at their weekly meeting last Wednesday noon that his squad of some 125 players has been hard at work since they began practice Aug. 23 to prepare for the opener. Coach Frazier, who was

introduced by Lion Olin Odom, the program chairman, presented members of his staff, including Chuck Lawrence, defense coordinator; Rick Hoffman, offense coordinator: David Johnson, linebacker coach: and Tony Therault, running backs.

The Wranglers will have a traveling squad of 60 players for each out-of-town game, Mr. Frazier said. The squad size will be limited this year to that number due to the necessity of holding down expenses, he added.

A recent letter on Eastland County justice was interesting to say the least. However, the question I ponder now is whether the writer did not know that no officer of the court could reply without prejudicing future prosecutions or whether he did know but hoped to get a rise out of them and use their response to eliminate their options for future action.

In fact there is no Mothers Against 91st District Court as he recommends nor is there likely to be but there are groups who check the records of judges imposing too lenient sentences. With the national outrage over drugs a five year rap may seem to lenient to a lot of

Our courts are far from perfect simply because they are run by mere humans who are, after all, far from perfect. Only in the case of Federal judges do the people lack the ability to vote them out when we believe they are really rotten. So, if you don't like the

Notes On Northview County Cancer Society To Meet

Officers elected for the

It has come to my attention that many area folks are still not aware of the fact that Northview has a workshop that produces a variety of woodcrafted items. In the past the Eastland Telegram has published articles with pictures on our workshop and its products. In this article I would like to discuss the purpose for having a workshop and the rules and regulations by which the workshop is governed.

Like all aspects of programming, the workshop is here to provide our clients with Active Treatment. It is not a money-making operation, in fact the workshop is a member of the non-profit organization: Centers Workshops, Inc.

To qualify for Active Treatment, a client is placed in the workshop with specific goals and objectives derived from needs identified off of the workshop checklist that is given to the client by a staff member. These goals are written to develop vocational skills specific to woodworking. Areas of training are divided into such categories as hand tools, power hand tools, and use of large machinery. The workshop sessions are divided into morning and evening classes so a client may attend as little as one half day or as much as 5 full days. Clients train on one goal objective at a time, but each client may be on different types of goals and different objectives so a variety of training takes place. As the skill objective is mastered and validated, the client is progressed to the next objective which is usually a little more advanced skill. The ultimate goal is to train

clients for employment at their maximum potential.

Placement in the

workshop is decided during Room. the client's 30-day and then annual staffing. At that time if vocational skills are idendiscussed. tified as a priority need, the year are: Loretta Whiteclient is assigned to the President; Roy Gevara-Vice workshop for training. A President; Denelda Gevaraclient can enter the Treasury; Ann Justiceworkshop without a priority Secretary; Joanna Blairneed should he or she ex-Pub. The Marilyn Brashier-Service & client's requests are always Rehab Chairman; Letty considered by the Interdiciplinary Team. Goals and objectives are monitored by

the client's case manager to

insure that progress is being

made.

The workshop is goverened by rules and regulations of the Wage and Hour Divisions/Dept. of Labor. Clients are paid according to their production or piece rate. Piece rates are based upon time studies using Federal Minimum Wage or above as the standard for hourly rates. All clients receive checks twice monthly for their work.

As always, we welcome the public to drop in any time between the hours of 8 to 4:30 Monday thru Friday to visit our workshop. Whether you come for a specific item or merely to browse, our doors are always open. We can also produce custom designs to give you that special item

that's one-of-a-kind.

# **Health Fair Schedule Is Announced**

Would you like to know your blood sugar level, learn if you have high blood pressure, know your blood type, or determine your risk for getting cancer?

Eastland and surrounding county residents will be available to do everything from having their feet checked by a doctor of podiatry medicine (foot specialist) to knowing their stress level Thursday, September 4, at the Eastland County Health Fair at the Cisco Senior Citizen Center, 400 Conrad Hilton Ave. in Cisco. The Health Fair will be open

from 10 a.m. until 5 p.m. The Health Fair is being sponsored by the Home Economics Committee to the Eastland County Agricultural Extension Service and the Cisco-Eastland A.A.R.P. Chapters.

During the Health Fair, various medical personnel including dentists, registered nurses. laboratory technicians, physical therapist. registered dietians, pharmacist, and other representatives from health care and information.

Hendrick Medical Center of Abilene will provide information and consultations. Registered dietitians from Hendricks Medical Center will provide nutrition and special diet information. Special diets might include diabetic, low sodium diets along with food allergies. Free individual consultations and heigh-weight analysis will be offered. The Hendrick Hospital

Care/Unit Stress Center will assess a person's stress level and provide individual consultations. Dr. Larry Harris and Dr. Gary Harris, Eastland and

Cisco dentists, will provide oral hygiene and discuss any dental problems.

Dr. Danny Wheat, foot specialist and surgeon, will evaluate foot problems during the free individual consultations.

West Texas Rehab Center of Abilene will provide Grip Strength measurements. The Ranger General Hospital, under the direction

of Mike C de Baca, hospital poison prevention materials. The Abilene Social Security Administration will provide consultation on other government pro-

were Gerry Webb of Cisco, Kevin Carson of Abilene, and Jeff Cermin of Grand Prairie. They also seated guests.

Richard and Karen Shahan sang "Sunrise, Sunset," and "Together in His Hands.'

A reception was held following the ceremony with 120 guests attending. The bridegroom's cake was in the shape of Texas. Following a wedding trip

to Captiva Island, Florida, the couple is home at 812 West 8th Street, Cisco. The bride is a graduate of

Hardin-Simmons University Southwesterm and Theological Seminary. She has been employed by Wedgewood Baptist Church, Fort Worth, as preschoolchildren's intern.

Mr. Webb is a graduate of Cisco Junior College and San Angelo State University. He is manager of Webbs, Inc.,-Cisco.

# **Phillips-Phillips**

Patricia Ann Phillips (Trisha) of Bryan, and Kay M. Phillips, II (Mark) of Tomball, were united in marriage on July 26, 1986 at seven o'clock in the evening at the Central Church of Christ in Bryan. John Stultz, minister, officiated the ceremonies. Patricia is the daughter of Mr. and Mrs. Burton L. Phillips of Olden, and Mark is the son of Mrs. and Mrs. Kay M. Phillips of Pearsall.

The colors of the wedding were lavendar and rose symbolizing love and true loyalty. The bride wore a new formal length gown of organza and acetate lace. Something old and borrowed was a strand of pearls given by her step-mother. Something blue was a garter that the bride wore.

Pattie Epperson Whaley of Fayetteville, Arkansas was the matron of honor. She was a college friend and roommate of the bride. She wore a tea length gown of lavender. Kay M. Phillips of Pearsall, father of the groom, served as best man. Tricia Finley was the bridesmaid and wore a tea length gown of rose. She lives in Fort Worth. The groomsman was T.J. Gilliam, III, of Cameron, and he has been a friend of

some twenty years. Melissa Helene Phillips of Stephenville, was the flower girl and is the bride's only niece. She carried a white basket of potpourri and led a fragrant way for the bride. The ringbearer was Joseph Burton Phillips of Stephenville. He carried a pillow that was handmade by the bride and had the actual wedding rings for the couple. The ushers were the bride's brothers, Dayton Edwin Phillips of Bryan and Burton L. Phillips, Jr., of Stephenville. Following the ceremony, a reception was held in the fellowship hall of the church. The couple served each other from china plates that originally came from England and had been given to the bride by a great aunt of her mother. They also served each other punch from silver goblets that were from Madrid, Spain and had been possessions of the

the groom since childhood,

bride's mother. Special guests of the wedding party were Mr. and Mrs. Dayton C. Phillips of Stephenville. They are the grandparents of the bride. Several family members and close friends of the bride and the groom attended the wedding.

The bride is a 1978 graduate of Eastland High

# **Eleccion-Bulgerin**

Lorna B. Eleccion and Keith E. Bulgerin were united in marriage during a double ring ceremony at the First United Methodist Church in Eastland on August 23rd at 7 p.m.

The bride is the daughter of Attorney and Mrs. Geminiano M. Eleccion of Dumaguete City, Philippines. Dr. and Mrs. H.J. Bulgerin of Eastland are the parents of the groom.

Reverend Rocky Maugh, pastor of Eastland County Christian Center, officiated. Greg Evans of Dallas performed three contemporary Christian songs. Organist for the occasion was Durel Reid. Given in marriage by her parents, the bride wore a

white gown of satin embroidered silk taffeta featuring peasant sleeves, a basque wasteline detailed with beads, and a bell skirt sweeping back to a pointed satin embroidered and beaded chapel train. Her fingertip veil possessed wisps of seed pearls with accenting were attired in black tuxedos. Steve Jackson of Cisco served as best man while Alexa Garcia of McAllen, John Maddox of Fort Worth, Donnie Bulgerin fo Tyler and Curtis Bulgerin of Austin, brothers of the groom, served as ushers.

The groom wore a classic black tailed tuxedo of traditional design.

The mother of the bride wore a full length baby pink lace dress with fuscia lining and a corsage of white tropical flowers with pink variegated throats.

The groom's mother wore a full length rose sheer dress with seed pearls on the bodice and a corsage of silk burgandy roses and lilies of the valley at the waist.

The church was decorated with four seven-branch candleabras and one large fan candleabra. Each

# **Oscar Lopez Is Admn. Asst. At Lions Camp**

Oscar Lopez of Cisco worked as an administrative assistant supervising counselors at a camp for physically handicapped children this summer.

The counselors at the Texas Lions Camp for Handicapped Children are special people with big hearts who spend their summers helping children who may not be eligible for other camps. A counselor works long hours for little pay, but the rewards are unforgettable.

The summer begins with a training program which teaches the counselors sign language, techniques in lifting children from wheelchairs, and how to adapt the activities to include every handicapped camper. The counselors then become parent/teacher/friend for approximately 1300 children during the summer. On the 500 acre camp

located near Kerrville, the counselors plan and assist the children in all activities. Some of the activities include swimming, horseback riding, canoeing, shooting sports, fishing, studying nature, field sports and overnight campouts. The counselors provide safe ways for every child to do things he or she may have only dreamed of doing before.

Oscar is the son of Mr. and Mrs. S. Lopez of Cisco. He is a graduate of the University of Texas at Austin and is currently employed by the Austin Independent School District as a journalism in-structor at Murchinson Junior High.

# **Enforcement Banquet**

#### By Joyce Duggan

The fifteenth annual Law Enforcement Banquet was held at Siebert Elementary School in Eastland on Tuesday night, August 26th, 1986. Judge Jim Wright of the 91st District Court of Eastland County was Master of Ceremonies.

Judge Wright introduced the persons seated at the head table, then introduced the various law departments and members of those departments in the county. The invocation was given

by Rev. John Jones, minister of the Mountain Top United Pentecostal Church in Cisco. He thanked God for our law enforcers, both on a local basis and state-federal basis.

Texas Ranger Gene Kea was successful in his attempts at helping Judge Wright in remembering all processes that were to take place at the banquet, because Judge Wright then introduced the members of the Department of Public Safety. He also recognized the Eastland County Law **Enforcement Association Of**ficers, Cecil Funderburgh, H.T. Fillingim, and Ginny Mathews, and the Board of Directors, Roy (Butch) Petty, Bill Dowell, Chief Lyndall Underwood, Robert Ralls, and Randall Logan.

Judge Scott Bailey then lead the audience in the Pledge of Allegiance to the Flag.

Judge Wright gave a short speech, stating that no law enforcement agency could be successful unless the citizens and officers worked

BENTON LACY

Next on the agenda was the announcement of the Citizen Of The Year, which was given by Judge Tex Evans, with an oration honoring the recipient of the award. Dr. Bruce Golemon, of Ranger, was chosen as the 1986 Citizen Of The Year.

Dr. Golemon was born in Arkansas, grew up in East Texas, attended Stephen F. Austin College, earning a B.A. and M.A. Degree in music. He was choir and band director in East Texas for quite some time, then went to Cisco Junior College as a music department director, where he taught school for 10 years. He then went to work in a county office, and on to Ranger Junior College as Academic Dean.

Dr. Golemon has also received numerous other degrees at various colleges and universities. He has accomplished many goals in his 30 years in Eastland County. He is active in the First United Methodist Church in Ranger. He was a past president and is a member of the Ranger Lions Club, works with the Boy Scouts, and is the Ranger Street Commissioner. He is a member of the Ranger Chamber of Commerce, he was chairman of the Citizens Advisory Board, just to name a few of his accomplishments.

Dr. Golemon is well deserving of this award. He is loved and respected by, not only his colleagues, but everyone that knows him.

#### The second award to be given was for the Outstanding Law Enforcement Officer of The Year and was presented by Terry Sim-mons, Eastland County Newspapers representative. This award went to a lady that is also well deserving of special recognition. The recipient of this award was Mrs. Bonnie Ervin of Cisco. Mrs. Ervin began her duties in the law enforce-

ment field in February, 1972. She has been a faithful employee of the Texas **Department of Public Safety** for 14 years and 7 months as Clerk Three, Driver's License Service, Eastland County.

Mrs. Ervin grew up in Sweetwater. From 1943 to 1945, she served with the United States Naval Department as a Petty Officer. She is well known for her care and devotion to the elderly citizens of the community and for her service beyond the call of duty, putting in many long hours in the office, always with a smile. Mrs. Ervin did not carry a

gun, drive a DPS unit, or make arrests, but her many hard working hours made her an invaluable employee of the Department of Public Safety. Her charm and personality made her an invaluable citizen of Eastland County.

Mrs. Ervin will be retiring from her duties soon. A **Retirement Reception will** be held in her honor on Saturday, August 30, between 2:00 p.m. and 4:00 p.m. in the Driver's License Office, 1100 W. Main Street, in Eastland. Congratulations to you,

Mrs. Bonnie Ervin. You have certainly earned and you deserve the honor of being the Outstanding Lawman Of The Year for 1986. The guest speaker for the

banquet was State Senator John T. Montford of Lubbock, Texas. He is a Democrat and represents the 28th Senatorial District which consists of 14 counties. He has a firm understanding of the law enforcement agencies, after formerly serving as Criminal District Attorney in Lubbock County.

Senator Montford was first elected to the Texas Senate in November, 1982. He has received numerous awards and honors from many agencies. He was named "Best New Legislator" by Texas Monthly magazine. He is an outstanding spokesman and representative for the State of Texas. He is a stout supporter of the law enforcement agencies in Texas. He is working with the Special Legislative Session in Austin on budget cuts and balancing. He spoke of what a mountainous job balancing the budget is, since we have a \$3.5 billion deficit. He mative. His presence at the spoke highly of law enforcebanquet as guest speaker ment officers in their services and protecting of our communities, making them a safer place to live and raise our children.

Montford said one of our most perplexing problems now deals with our ability to cope with world crime and that the most prevalent problem is the enormous amount of illegal narcotics and dangerous drugs that are coming into our country. The law enforcement agencies are trying to put a stop to the crimes and drugs, but they can't if the budget cutback is too enormous. Mont-

ford said that just recently, he and Senator Bob Glasgow were able to put back in the budget \$3.5 million for the Department of Public Safety, both in traffic enforcement and criminal law enforcement, because they felt

it would be a step backward to cut the law enforcement budget, and it would hinder the attempts in the War On Drugs.

Senator Montford said that law enforcement agencies were always relegated to deal with results instead of causes. This causes an increase in prison population, but still the cause of crim has not been found. Montford said that instead of putting money into the budget to build more prisons, we should be finding the cause of crime and drug use and abuse and put the money into education for young children. He still feels law enforcement should still be tough on the criminal violaters and contain those who cannot adjust to society, but that finding the causes of the crimes and drugs would be by far more beneficial. The speech made by Senator Montford was both very interesting and infor-

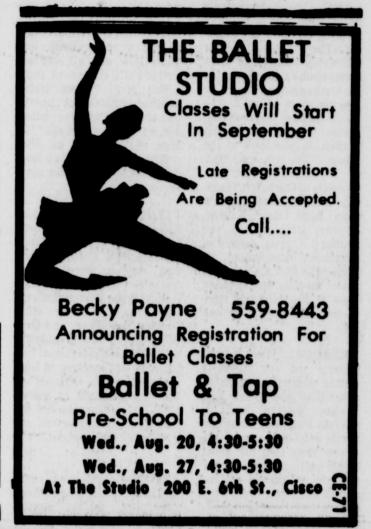

was greatly appreciated knowing he took the time out of a very busy and difficult schedule (Special Session) to come and pay tribute to the Eastland County law enforcers.

The words from Judge Wright for our law enforcers were also welcomed by the law enforcers and their supporters.

Again, congratulations to Bonnie Ervin and Dr. Bruce Golemon on their well earned awards they received at the annual Law Enforcement Banquet.

**Cisco Public Schools Set** 

Approximately 900 students of the Cisco Public Schools are expected to be enrolled as the 1986-87 school year begins Tuesday, Sept. 2. according to a report by Supt. Ray Saunders. Plans call for Tuesday to

begin with assemblies at 8:05 a.m., after which students will report to their first classes. Grades 9 through 12 will meet in the high school auditorium while the 7th and 8th grades will gather in the school gym. Principal Jack Martin of the high school and Jim Puryear of Junior High will be in charge of the respective meetings.

Classes will begin at 8:05 a.m. and run through 3:35 p.m. for grades 7 through 12, it was announced. Buses will run on the same schedule as last year beginning Tuesday, Mr. Saunders reported.

Principal Bob Lindsey of Intermediate School said students would report Tuesday at 8 a.m. to their assign-

classrooms. Kindergarten through 3rd grade will be in classes from 8 a.m. to 2:30 p.m., while the 4th, 5th, and 6th grades will be in their assigned rooms from 8 a.m. to 3:20 p.m.

Grades 1 and 2 will meet in the old building on Avenue A until work is finished in about a month on the building addition at Intermediate School campus, Mr. Lindsey reported. The kindergarten building was moved from back of the Avenue A school in the Intermediate School campus and students will report there, he added.

A new early childhood class composed of children age 3 or severely handicapped will meet from 12 noon to 2:30 p.m. at Intermediate School, Mr. Lindsey reported.

Supt. Saunders reported that members of the school faculty attended HOUSE PAINTING

"in-service" meetings Monday through Wednesday at the high school. Thursday Friday and were "preparation days" for the faculty. The preparations in-cluded locating books for issuance to students and other arrangements for the new school year.

The school buildings have undergone considerable redecorating and remodeling work in preparation for the coming year, Mr. Saunders reported. "We are looking forward

to a good school," the superintendent said. Campus activity has been considerable during the past two weeks as the Lobo Band began practice and the football team went through workouts in preparation for the new season that begins

**MEMBERS** OF the First Christian, First United Methodist and First Presbyterian Churches will hold their final 1986 union Sunday evening service at the Christian church on Sunday, Aug. 31. They've been holding the union services on Sunday evenings since June

Dr. Kenneth Breeze, Christian pastor, will be the speaker for the service. The ministers have been alternating. Also, the congregations alternate in monthly fellowship events following services. The Christians will be the fellowship hosts for the final service.

Dr. Breeze, by the way, has had a discomforting health problem for several weeks but has been able to carry on his work. His son, David, ministeral student, filled in for Dr. Breeze one recent Sunday evening. The health problem is much better, Dr. Breeze reports.

THE CISCO Minister's Association held a monthly meeting last Tuesday morning. They made plans for fellowship gatherings after home football games during the coming season. You'll be hearing more about it. The Rev. Ronnie Shackelford, pastor of Calvary Baptist Church, is president of the group ... The Rev. and Mrs. O. T. Killion of Garland, formerly of Cisco, left Thursday after spending a few days here. Rev. Killion, former chaplain of the Eastland County Law Enforcement Association, attended the EDLEA's annual dinner meeting last Tuesday night at Eastland and they visited old friends in the area.

READING THE weekly bulletin put out by First United Methodist Church we note that the Rev. Ken Diehm, pastor, was in Wichita Falls last Saturday to ride in a bicycle event-the Hotter Than Hell 100. Some 6,7000 riders from all over the country turned out for the 100 kilometer event (62.5 miles). And it was 95 degrees warm, Ken reports.

Mobley book and earn a large commission for the church on each sale ... Both Erie and Barron Hilton, sons of the late Conrad Hilton, have written Mrs. Lloyd to thank her for a copy of the book and to compliment her on it.

WHEN THEY FIRE up the typewriters on Tuesday, Sept. 2 (the day after Labor Day), Mrs. Louise Cooper will have retired again as a legal secretary at Lawyer Billy Wright's offices. And the typewriter will be in charge of Miss Diane Galle. Miss Galle, you know, moved back to Cisco last June 1st and went to work for First National Indemnity Co. When a vacancy occurred in Lawyer Wright's offices a month or so ago, they called Mrs. Cooper (who retired few years ago) back on a temporary basis. Miss Galle decided that she would like to get back to being a legal secretary so things worked Bill Philpott of FNIC

reports that they've arranged for a replacement for Miss Galle and all will be well at FNIC come Sept. 2nd. Will Mrs. Cooper have another retirement party like she did when she "hung 'em up" a few years ago? "I hope so," she told us. She will be at the law office a few days to help break in the new secretary.

OUR SCOUTS report that Lawyer Wright and two Eastland fishing and hunting buddies, Bill Hoffman and Jim Moylan, were among top prize winners in a fishing contest down Port Mansfield way recently ... Mr. Bill Philpott, president, and Mr. Joe Cooper, vice president, attended a First National Indemnity Co. meeting in Big D the other day. Officials of the firm decided to move FNIC Life Insurance Co. to the Cisco headquarters of FNIC,1 Mr. BP reports.

ONE OF OUR scouts suggests that police take note of who parks in the places reserved for the handicapped at local stores and churWranglers reports that you can get good labor at reasonable prices if you need a handy man by calling one of the CJC coaches. They

Mrs Robert (Lisa) Miller and three children of Plainview arrived Wednesday for a visit in the home of her mother, Mrs. Ed Bradshaw...The Steven Zells enjoyed a recent vacation at Crested View, Colorado. Mr. SZ is a music instructor at CJC.

THINGS GOT pretty warm out at the Marshall Jones home on West 14th Street last week when their air conditioning system went out. It was 25 years old and they decided to replace it with a modern heat pump. So all's cool and serene out there this week end ... The Henry Lind family has moved into the old Smitty Huestis residence at 1208 Avenue M. The Linds, who have lived in the country for the past seven years, purchased the Huestis home recently. He is a selfemployed carpenter...Golfer Geep Mitcham got into an all-afternoon job the other day when he decided to work over the brakes on his golf cart. But they're good as new

EVERYTHING IS pretty well back to normal with the Webbs (Cam, Mrs. John, Terry Nelson, and Kay Gann). They all went to Florida for the Aug. 16th wedding of Cam and Miss Cindy Millican at Dover, Fla. (There will be a picture and write-up elsewhere in The Press today or soon.)

Mrs. John Webb and daughter Terry Nelson and Kay Gann and her daughter Lorrie Gann and Cam flew to Florida for the wedding. Cam and Cindy drove back to bring Cindy's car and a U-Haul full of her things. Mrs. John Webb and daughters and granddaughter did a bit of vacationing at Cypress Gardens, Sea World and Disney World en route home

Webb's store closed for a week or so while everybody went to Florida. They're open for business as usual.

# **Chamber Of Commerce** Still Has July 4th Deficit

The Chamber of Commerce would like to thank all those merchants and individuals who donated toward the July 4th fireworks display. There is almost enough money to pay for them in full, said Don Shepard, Chamber of Commerce manager.

The fireworks display this year was not an afterthought; it's just that no permit or insurance could be obtained until the very last minute. Usually, we have the fireworks funded before we purchase them, Mr. Shepard said. Our deficit is only about \$200, he added.

Those who donated toward the fireworks are: Guthrie & Guthrie, Ledbetter Ins., Ted's & Rex's One Stop, Dixon Auto Supply, W. B. Wright, Jr., S & M Supply Lumber & Supply, E. D. Anderson, Wiley Cox, King Ins., B. Jeanne Jamison, Doris V. Jamison, Posey Gulf, Commercial Printing, Smith. Verett & Parker, P.C., Aryes R. Cermin, MD PA, and Best Welding Supp-
