Quitauque Cage Teams Continue Winning Streak

Taking two in a row from conference opponents Thursday and Friday, Quitauque High School cagers ran their string to six wins and one defeat in conference play for the season, while the Pantherettes, meeting the Matador girls here Friday evening, took an easy victory.

The Panthers defeated Floydada 31-24 at the Floydada gym Thursday night, and returned to their home court Friday evening to take out Matador's highly touted five by an overwhelming 40-8 score.

The Floydada Whirlwinds proved the Panthers toughest opponents for the week. While each team lost but one man via the personal four route, the game was rough and penalties were frequent. Lee led the scoring with nine points, while Bedwell and Eddleman were close seconds with eight points each.

Matador's bright red raiders failed to offer the local cagers competition Friday night, going down 40-8 under the Panther onslaught. Failing to score in the first and third periods, Ratton and Blackshear accounted for the visitor's eight points, raving four apiece. "Dopey" Bedwell led the Quitauque cagers with spectacular scoring tactics, and was responsible for ten of the Panther's points. Morrison was a close second with nine.

The Pantherettes experienced more difficulty in taking a 36-22 win from the Matador girls in a closely called match on the same evening. The game was close throughout the first half; the Pantherettes pulling away in the third period to take a safe lead as Margaret and Frances Graham, forwards, staged swift rallies to score. Bailey, Chandler and Keever, in the local's guard court, held the Matador forwards to protect the lead.

The Panthers, idle through the week during final exams, will re-open play Friday night, with four games carded for next week's bill.

The Panthers will meet the Silvertown Owls Friday night in a conference game—place to be announced.

Saturday the local cagers meet Tulia in a non-title tilt at the local gym—first meeting since Quitauque's

(Continued on back page)

LOCAL MASONS ATTEND MEETING AT MEMPHIS

Eight members of the Quitauque Masonic Lodge Thursday evening attended an open meeting of the Masonic Lodge at Memphis. More than two hundred Masons from cities over the Panhandle were present, as degrees were conferred by members of the Panhandle Certificate Men's Association—all in full regalia.

Attending the meeting from Quitauque were the following Masons: Dr. B. R. Ezzell, W. M., C. M. Walden, J. C. Preston, R. H. Tanner, S. T. Bogan, I. G. Grundy, L. B. Patterson and B. E. Farrell.

Luke Barker Says:

Saps go up in th' trees in th' spring includin' a few who cross rail-roads before lookin' fer trains.

Newt Foster was gettin' 'long purty well in th' city 'till he got 't seen' to many fur coats then he begin 't get right home-sick fer th' coon dogs.

HEAVY SNOW COVERED AREA LAST WEEK

Plenty Comedy Noted On Quitauque Streets

Heavy snowfall, beginning early Friday and continuing through the day, followed by freezing temperatures, laid a four-inch blanket over the Quitauque valley and the plains above last week-end.

The snowfall was the heaviest received here in several seasons, and was received here with high hopes for a bumper wheat crop.

Freezing winds from the north piled the snow into high drifts and coated the streets and walks with ice.

Streets and sidewalks Saturday were better fitted for skis and bobsleds than for automobiles and pedestrians—as several of the latter discovered when they found themselves gliding along on the region below the hip pockets instead of their usual dignified postures.

A group of boys spent several expectant hours Saturday following P. P. (Big Boy) Rumph about the ice-glazed streets waiting for the fall thereof—but the "Big Boy" showed a remarkable agility—picking his way like little Eva among the ice floes.

An ambitious Motel T with too-excellent brakes made a broad-side landing against the curb in front of the Kidd building Saturday afternoon, losing its footing on Main Street's finest skating rink; while snowballing was the order of the day, and more than one unwary pedestrian became just another exhibit in the local Winter Sports parade.

Old Sol, however, took charge of the weather Tuesday, paving the way for excellent mud-slinging in the coming political campaign, and put an end to the winter's finest show.

Junior Culture Club Meets At Roberson Home

Ten members of the Junior Woman's Culture Club met Tuesday evening in regular session at the home of Miss Minnie Mae Roberson.

During the business session preceding the program, two new members, Mrs. Roy Gregg and Miss Jewel Everett, were elected to membership in the organization.

A centennial program on "Texas" was led by Mary Rucker—each member answering roll call with an interesting fact about Texas or Texas history.

Jeanne Puckett opened the program with an address, "Why I am Proud I Am a Texan," followed by Mrs. J. W. Lyon, Jr., who made an interesting talk on "Texas Under Six Flags" following a song by the group, "The Eyes of Texas," the meeting was adjourned.

Attending the session were the following: Misses Mary Rucker, Seney Persons, Minnie Mae Roberson, Mabel Atkinson and Jeanne Puckett and Mesdames A. C. Bickford, Roy Burgess, Leonard Pierce, Jimmie Partin, and J. W. Lyon, Jr.

BOX SUPPER TO BE HELD AT FLOMOT JANUARY 30

Approximately twenty dollars in prizes will be awarded Thursday evening, January 30, at the Box Supper at the Flomot School, it was announced this week. Proceeds of the box supper, which is sponsored by the school, will go to the Junior Athletic Fund.

The affair will be held at 7:30 p. m. at the school auditorium at Flomot. Good music will be furnished. Explanation of prizes to be awarded will be made at the opening Thursday evening, January 30.

Orlin Stark and Clyde Tunnell spent last week-end in Quemado and other points in New Mexico.

NO TIME FOR FANCY TRICKS

Douglas Announces For Re-Election To Clerk's Office

I again wish to take this method of offering myself as a candidate for the office of County and District Clerk of Briscoe County for the term of 1937-38.

I am not unmindful of the support and co-operation given me by the citizenship of the county and for this reason it has been a real pleasure to be in a position to serve you. I wish to assure you of my appreciation of this help and ask for a continuation of it during the remainder of my term in office.

I feel that with the experience I have had in the past that I am in better position to be of real service to the County and its people than ever before.

Again I assure you that your support and influence will be deeply appreciated and wishing you much happiness and prosperity during the new year, I am

Very truly yours,
R. E. DOUGLAS

PRIMITIVE BAPTIST TO MEET SATURDAY-SUNDAY

Elder P. J. Ausmus, Lubbock, will conduct services here Saturday and Sunday for the members of the local Primitive Baptist Church at the home of Mrs. Amos Persons. Services will begin at 10:30 each morning. The public is cordially invited to attend.

L. E. Graham Announces For Commissioner

L. E. Graham this week authorizes the Quitauque Post to announce his candidacy for re-election to the office of County Commissioner, Precinct No. 2, subject to the Democratic primary, July 25th.

Mr. Graham has served this precinct for several years as commissioner, and feels that his record and the amount of work done justifies his re-election to this important office. He states that this precinct, at the present time, is in the midst of a great building program, under supervision of the County Commissioner's Court, and at the Government expense, and that someone familiar with the projects should remain in office.

Under Mr. Graham's management, the financial condition of this precinct is in good condition—better than the past several years. It is getting in better shape all the time, he said.

Mr. Graham requests the voters to study his record in office before election time and see for themselves just how the business affairs of the precinct are being handled.

Mr. Graham stated that he will make an attempt to see every man and woman in the precinct before election day and ask them personally for their support. Any assistance in this race will be greatly appreciated, he stated.

Martin Announces For Re-Election To Judge's Office

TO THE VOTERS OF BRISCOE COUNTY:

I wish to take this method of announcing my-self as a candidate for re-election to the office of County Judge and Ex-Officio County Superintendent. Although it has long been a Democratic Custom for a public official to be elected a second term, yet I am not basing my claim upon this fact alone. You are respectfully invited to investigate my record in office. If my official acts will justify your support, I assure you that your vote and influence will be appreciated.

My duties in this office are many. When there are so many things to do, doubtless some of them will be done wrong but I am constantly on the job striving to never do the same thing wrong more than once. All of the schools under my supervision are progressing nicely. Their financial conditions are improving and it is my aim to work with the various school boards with the end in view of putting them all up to date on their bonded indebtedness.

While I am only Chairman of the Commissioner's Court, yet I point with pride to their many accomplishments during the past year. The financial condition of the county is on a sound basis and it seems to me that they have an enviable record in securing Government Funds for road work. There is at present more than \$90,000.00 worth of road work actually under construction in Briscoe County. More than \$83,000.00 of this money is being furnished by the State and Nation.

It is my plan to see every voter in this county between now and election time. I want to solicit your vote in person and until that time, I would like for each voter to consider this a personal message.

Respectfully Submitted,
W. W. MARTIN
County Judge & Ex-Officio Supt.
Briscoe County.

L. E. GRAHAM ATTENDS CENTENNIAL MEETING

L. E. Graham spent Wednesday in Lubbock, where he attended a meeting of the Texas Centennial Exhibit Committee. Mr. Graham, a member of the Quitauque Centennial Exhibit Committee, represented this city at the meeting of members of the West Texas Chamber of Commerce of this district (No. 2) in the interest of the local display. He was accompanied by Rev. G. L. Keever.

WPA EMPLOYS OVER HUNDRED PEOPLE HERE

Four Projects Now Progress In and Near Quitauque

With the opening of the city paving project Monday in the auspices of the Works Progress Administration, enrollment on the four WPA projects in and near Quitauque has passed the hundred mark.

Excavation work on the project started Tuesday. Twenty-five men are employed under the supervision of S. R. Powell. Leader of Floydada is en route to the project.

Two blocks of Main Street were blocked off Tuesday, as the project started. No traffic is permitted on the two blocks. Work on Main, where the work has been routed one block south of street until the project is completed.

School Project Near Completion. Work on the WPA school project also under Powell's supervision, is nearing completion. Twenty-five men are at work there at the present time, and are expected to finish in about two weeks, Powell estimated.

Great improvement has been effected by the crew on the school and grounds. Construction of concrete walks around the campus and between the buildings is near completion—leaving only the curbing to be poured.

Levelling and drainage operations on the grounds has produced a marked improvement. Trees will be set out either this week or next, according to plans.

\$3600 was allotted by the WPA to the Quitauque Public Schools for this work.

City to Employ 50 Men

Laborers from the school improvement project will be transferred to the city paving work when the school job is completed, Mr. Powell stated Tuesday.

According to present plans, the WPA will employ more than fifty

(Continued on Back Page)

Community Club Elects Officers At Tuesday's Meeting

Election of officers for the 1936 year featured the meeting of the Quitauque Community Club Tuesday noon at the Methodist Church. Twenty-five members were present at the meeting.

C. B. McDonald was named president to succeed E. G. Rice, who has been president of the club for the first year. J. T. Persons succeeded C. R. Badgett as vice president, while E. W. Scheid took over the secretary's duties. Paul Hamilton was elected a few weeks ago as "Tail Twister," and will continue in that office. All committees of the club will continue with their duties until the '36 committees are appointed at the next meeting.

The next regular meeting of the Community Club will be Tuesday, February 4th, at the Methodist church. Geo. Owens, Homer Sanders and Leon Middleton will be in charge of the program. Visitors are extended a cordial invitation to be present.

WARNING

Only eight more days in which to pay your poll taxes. Remember, this year you vote for precinct, county, state and national officers. Have a say in the government—enjoy 1896 with a poll tax as your ticket—it only costs you \$1.75. After Friday, January 31st, it will be too late. A report from the tax collector's office state that they are approximately 500 poll tax receipts issued to date.

(Continued on back page)

AGRICULTURAL BRIEFS

BY THE BRISCOE COUNTY AGENT

The week-end snow has temporarily halted the march of the terracing and hog killing demonstrations, but what do we care so long as we can get moisture for the range and for wheat. Stockmen and wheat farmers alike will benefit greatly by this snow, even if it was the "dry" kind.

If you haven't already made arrangements with your community chairman for your terrace lines to be run or for your community hog killing demonstration you had better do so at once before the calendar gets too full. There is lots of work of this nature to be done in Briscoe County, and now is the time to do it.

Turkey Meeting at Muleshos. Friday, January 24, the Hi Plains Turkey Improvement Association* will hold its first 1936 meeting at Muleshos. Several turkey enthusiasts from Briscoe County will attend

this meeting. Plans for 1936 turkey production and turkey show will be discussed at this meeting. There will be several outstanding turkey producers present and too the leading poultry men from College Station and the New Mexico A&M will be there. A free luncheon will be served by Muleshos Kiwanis Club—and that means good roast turkey in abundance with all the trimmings.

Cotton Tags. The National Pool for cotton exemption certificates is closed but we can still make local transfers here in this office. If you need a few more pounds to complete your ginning and you can find some one in the county who has a few surplus pounds of tags just bring them in to the office and we can fix you up.

Notice of acceptance was received on the checks to be issued in

COUNTY JUDGE—W. LYON, JR. W. MARTIN (Re-election)

TAX ASSESSOR—(Jake) HONEA (Re-election)

CLERK & DISTRICT CLERK—E. DOUGLAS (Re-election)

CLERK OF THE COUNTY TREASURER—LIZZIE GREGG (Re-election)

COMMISSIONER, Pct. No. 2—V. VAUGHN CHANDLER L. E. GRAHAM (Re-election)

"By the People" — Or by Politicians? By RAYMOND PITCAIRN

During recent weeks America has heard a swelling volume of protest against interference by numerous political Boards, Bureaus and Commissions with the lives and affairs of citizens.

The protest comes from various sources—from merchants, in communities both large and small; from many growers and consumers of our food products; from increasing numbers of men and women in the professions and in business.

What is the explanation? One answer might be that such interference can seriously affect the citizen's means of earning a livelihood. But many keen observers of the current American scene suggest a deeper, and more fundamental, motive.

The protests, they believe, reflect a surge of resentment against usurpation by political jobholders of powers which American citizens are convinced belong only to officials chosen by the people.

They represent, in other words, a spreading antagonism to Bureaucracy which after expanding swiftly during several decades has achieved an unprecedented growth and power during the past few years.

When one considers the many powers now assumed by the hundreds of Boards, Bureaus and Commissions which crowd the office buildings of Washington, the protests seem more than justified. That such usurpation of authority constitutes an abridgment of the political power of the people is equally obvious.

Under our Constitution the people delegate to Congress—not to appointed Bureaus—the right to make our laws. Under it we delegate to the Executive Branch of Government—not to appointed Bureaus—the power to enforce these laws.

When these powers are usurped by jobholders in whose selection we have no choice and over whose activities we exercise no control, then "Government by the People" becomes an empty phrase.

In its place we get Government by Bureaucrats—which means not only waste of the people's money in unnecessary public payrolls and public expenditures, but a frank surrender of the people's right to govern themselves.

SALES PADS—For sale at the Quitaque Post.

Time heals all scars—but you can't make a woman believe this when she discovers her first wrinkle.

Pay your poll tax before January 31st—have a voice in your government this year!

BILIOUS

Condition Needs Double Action Treatment Stimulation of liver bile flow is not enough for complete relief, but combined with intestinal stimulation that relieves temporary constipation, quick, soothing results are certain. Herbine, a combination of herbs, combines BOTH actions and so those dizzy, headachy, indigestion, gas, run-down feelings get relieved when both liver and bowels return to normal action. Get your bottle of Herbine from druggists.

Milestones of American Genius

Monument to General Robert E. Lee erected at Richmond, Virginia

ROBERT E. LEE

GENERAL ROBERT E. LEE has been described as the finest flower of the South, but North, East and West honor him no less, not only for his soldierly qualities but for the integrity and nobility of his personal life.

Born in Virginia on January 19, 1807, with a splendid family heritage of patriotic service and genuine culture, Lee received an excellent education in the South and at West Point, where he majored in the engineering branches of military science and graduated with high honors.

Active military service came to him first in the Mexican War, when he was nearly forty years old. He was assigned critical engineering tasks and carried them out brilliantly. It was the completion of one of these hazardous tasks that was praised by General Winfield Scott as the greatest feat of physical and moral courage in the entire Mexican campaign.

Pleasant years as head of West Point followed, and later an army assignment in Texas. Then came the decisive year 1861 and the secession of Virginia from the Union. General

Lee followed the deepest dictates of his patriotic conscience. He resigned his commission and offered his services to his native State. He became Commander-in-Chief of the Confederate forces.

For him it was not a war to defend slavery, but a defense of his concept of State rights, his home, family and the traditions of his native State. He proved himself a masterly commander and won the respect and admiration even of those who fought against him.

General Lee's devoted wife was a great-granddaughter of Martha Washington. The last years of his life were spent as President of Washington University, now known as the Washington and Lee University. He deliberately chose this vocation despite flattering offers in other fields, in order that he might help rebuild the disrupted educational system of the South. He died on October 12, 1870.

In every section of our land the memory of this leader of genius is enshrined in granite and marble. The monument shown above is at Richmond, Va., the city he defended so ably.

AT THE THEATRES

QUEEN—Quitaque

Georgo Raft and Joan Bennett top the week's bill at the Queen in one of the best light comedies produced this season—"She Couldn't Take It"—on the screen Thursday and Friday nights.

Billie Burke, perennial favorite and star comedienne of many years standing, and George E. Stone, familiar character actor in Hollywood productions, are in the supporting roles.

Brightly sophisticated, swiftly paced, fully of hokum—"She Couldn't Take It" is guaranteed for a pleasant evening's entertainment.

The story revolves about a harassed millionaire, ably played by George E. Stone, and his spoiled family, with Miss Burke and Miss Bennett as wife and daughter—all in the gay whirl of New York society;

Lovely Joan Bennett, the smartest deb in town, finds herself on the spot with suave debonaire Georgo Raft, who adds Miss Bennett to the conquest of a long succession of leading ladies.

Joan Bennett ends her long feud with Raft in the time-honored manner—by falling in love. It's a gay comedy, full of fun—with an all-star cast.

On the ten cent spot Monday and Tuesday the Queen features a super attraction—Richard Arlen, popular star, in Harold Bell Wright's "Calling of Dan Matthews." It is an unusual picture—drama, action and romance—with a great cast. You have read the story—now see it on the screen at the Queen.

GEM—Turkey

"Storm Over the Andes"—an aviation thriller over South American mountains—is on the screen at the Gem Thursday and Friday. Jack Holt is the daring pilot, with Mona Barrie, Antonio Moreno and Gene Lockhart.

On the Saturday spot comes Buck Jones in "Sunset of Power," with Dorothy Dix;

Topping the week's bill on the Sunday-Monday spot is the rip-roaring production, "Frisco Kid"—with James Cagney at his best as the sailor who rises in top fighting form to rule the gaudy Barbary Coast. Margaret Lindsay, Ricardo Cortez and George E. Stone give fine performances in supporting roles.

Tuesday and Wednesday bring George O'Brien in "Whispering Smith Speaks"—with Irene Ware and Kenneth Thompson.

PALACE—Silverton

"Becky Sharp," the radiant new technicolor production, is billed Thursday only at the Palace this week. Miriam Hopkins gives a stellar performance in the "Vanity Fair" role, while the new technicolor feature is the first to be produced on the screen in a full-length feature picture.

Buck Jones—fighting, shooting, riding—appears in a new super-thriller western, "The Crimson Trail" at the Palace Friday and Saturday.

Saturday midnite, Sunday and Monday comes the brilliant successor to of Flirtation Walk to the U. S. Naval Academy, "Shipmates Forever" is much the same—but with new dance routine and popular new song hits.

Tuesday and Wednesday Buddy Rogers gives a college course in love in his starring vehicle "Old Man Rhythm", a new melody production with the popular singing star.

CHAPEL

An interesting program was presented by Miss Maness' fourth grade in chapel Friday morning. Readings were given by LaRuth Walden, Ethel Wise, Patrick, Edna Murray Tiffin, and Jack Holman. A playlet entitled "School Fever" was presented by Billy Beth Starkey, Billy Grundy and Roberson.

NEW COURSES OF STUDY ARE OFFERED

Beginning with the second semester, new courses of study will be offered in the Quitaque school.

Geometry II, Sociology and commercial law are the courses that will be offered.

COMMUNISM INVADES CLASSES

All English classes have gone communistic. School supplies such as reinforcements, paper clips, ink, etc., will be bought by all and used for the common good. This movement has aroused a great deal of comment both pro and con. Dire prophecies are made—Here are a few comments:

President Gardiner: My friends, even if this move is communistic it will be a great benefit to all the suffering masses.

Senator Kelly: I guess it's all right.

Representative Lee: What is wrong with this move? Who can be hurt? We have needed something like this for a long time.

Senator Hutch: Gentlemen, this is a step toward a communistic government such as the world has never seen before.

"If you can't be a starter, don't be a crank."

Virgil and Margie were talking about birthstones. Opal was sitting in hearing distance: Virgil: "Opal is mine." Opal: "Oh no I'm not!"

Why was Nora Dale telling Elliot Lee about the box supper for Friday night.

It is believed that Ruth really enjoys the bus rides from Quitaque for about 2 1/2 miles.

Bryant Eddleman: "After man came woman and she has been after him ever since."

H. S. VERSES

Folks, we demonstrated some of the grade school talent in the Art of Composition, now lets have a few verses from the H. S.

Mistress Mary, quite contrary, Why do you look so mad? "I offered to go dutch on my date, And he took me up, the cad!" —Johnye Womack

Little boy blue come blow your horn, Tear down the drag in wee hours of the morn, All of your neighbors, their sleep interrupt; People will love you for waking them up. —Kathryn Keever

"Studying is only play," Teacher said the other day.

If you're going to talk that way, Then I never want to play. —Jack Hutcheson

Lives of great men often remind us As the pages o'er we turn, That we're apt to leave behind us, Letters that we ought to burn. —Frankie Sanders

Some folks say that kissing is a sin, But where did begin? Adam kissed Eve, and Eve is our mo'her, So we've the right to kiss each other. —Author unknown

Oh my love, he done me dirt. I did not know he were a flirt, To those not schooled I does for To be so done as I were did. He has came; he has gone. He has left I all alone. He cannot come to I I cannot went to he He cannot was. —Yvonne Thomas

MID TERM EXAMS

Mid term exams are in the Quitaque School sent time. A number of are not required to take because they have an a ninety or above.

The last week has been busy one for the students chers as well. All term then been turned in and the busy review has passed.

Folks, war itself is no worse to the terrible aftermath. So it is mid term exams; they are bad to the students to endure, but what terrible aftermath is left on the teacher's hands.

A BIT OF ADVICE TO ANY CLASSMAN—HIGH OR LOW

Don't be wot you ain't, Jest be wot you is. If youse jes'a little tadpole Don't try to be a frog. If youse jes'a little tail Don't try to wag the dog. If youse jes'a little pebble Don't try to be the beach. Don't be wot you ain't, Jus' be wot you is, Cause the fellow that plays square Sure gets his.

COURAGE

Courage is like the stars, you will not succeed in touching it with your hands, but like the seafaring man on the desert of waters, you choose it as your guide and following it, you reach your destiny.

Plenty of people seem to be willing to follow advice, but some of them never catch up with them.

One great difference between boys and girls is that boys like to play and girls like to display.

These days one seldom hears of a man acquiring weak eyes from looking on the bright side of life.

There are approximately 5,000,000 blind persons in the entire world

Helps Babies Rest Ends Colic Pains Aids Digestion

When your baby tosses about, cries in pain and cannot sleep, why not get at the cause with McGee's Baby Elixir. It neutralizes indigestion acid, ends gas cramps and colic pains and then helps them become cheerful again. They sleep better. McGee's Baby Elixir is made of the purest medicinal extracts and syrup. It cannot harm. Years of use has proven that. Simple directions tell exactly how to use it. Tastes good. Gives relief promptly. Two sizes: 35c, 60c. (adv)

If the School of Experience issued report cards, no man would ever show one to his wife.

Marriages may be made in heaven but we've noticed that quite a few of them turn out like the other place.

Two things that the average wife thinks are always wrong are her husband and the kitchen clock.

There are nearly 170 autos stolen in the United States each day.

People still insist on trying to beat the engines to the crossings.

Confidence is seldom lost, but it is often sadly misplaced.

ADDING MACHINE PAPER at the Quitaque Post.

AT THE THEATRES

QUEEN—Quitaque

Georgo Raft and Joan Bennet top the week's bill at the Queen in one of the best light comedies produced this season—"She Couldn't Take It"—on the screen Thursday and Friday nights.

Billie Burke, perennial favorite and star comedienne of many years standing, and George E. Stone, familiar character actor in Hollywood productions, are in the supporting roles.

Brightly sophisticated, swiftly paced, fully of hokum—"She Couldn't Take It" is guaranteed for a pleasant evening's entertainment.

The story revolves about a harassed millionaire, ably played by George E. Stone, and his spoiled family, with Miss Burke and Miss Bennett as wife and daughter—all in the gay whirl or New York society;

Lovely Joan Bennett, the smartest deb in town, finds herself on the spot with suave debonaire George Raft, who adds Miss Bennett to the conquest of a long succession of leading ladies.

Joan Bennett ends her long feud with Raft in the time-honored manner—by falling in love. It's a gay comedy, full of fun—with an all-star cast.

On the ten cent spot Monday and Tuesday the Queen features a super attraction—Richard Arlen, popular star, in Harold Bell Wright's "Calling of Dan Matthews." It is an unusual picture—drama, action and romance—with a great cast. You have read the story—now see it on the screen at the Queen.

GEM—Turkey

"S'orm Over the Andes"—an aviation thriller over South American mountains—is on the screen at the Gem Thursday and Friday. Jack Holt is the daring pilot, with Mona Barrie, Antonio Moreno and Gene Lockhart.

On the Saturday spot comes Buck Jones in "Sunset of Power," with Dorothy Dix;

Topping the week's bill on the Sunday-Monday spot is the rip-roaring production, "Frisco Kid"—with James Cagney at his best as the sailor who rises in top fighting form to rule the gaudy Barbary Coast. Margaret Lindsay, Ricardo Cortez and George E. Stone give fine performances in supporting roles.

Tuesday and Wednesday bring George O'Brien in "Whispering Smith Speaks"—with Irene Ware and Kenneth Thompson.

PALACE—Silverton

"Becky Sharp," the radiant new technicolor production, is billed Thursday only at the Palace this week. Miriam Hopkins gives a stellar performance in the "Vanity Fair" role, while the new technicolor feature is the first to be produced on the screen in a full-length feature picture.

Buck Jones — fighting, shooting, riding—appears in a new super-thriller western, "The Crimson Trail" at the Palace Friday and Saturday.

Saturday midnite, Sunday and Monday comes the brilliant successor to of Flirtation Walk to the U. S. Naval Academy, "Shipmates Forever" is much the same—but with new dance routine and popular new song hits.

Tuesday and Wednesday Buddy Rogers gives a college course in love in his starring vehicle "Old Man Rhythm", a new melody production with the popular singing star.

CHAPEL

An interesting program was presented by Miss Maness' fourth grade in chapel Friday morning. Readings were given by LaRuth Walden, Ethel Wise, Patrick, Edna Murray Tiffin, and Jack Holman. A playlet entitled "School Fever" was presented by Billy Beth Starkey, Billy Grundy and Roberson.

NEW COURSES OF STUDY ARE OFFERED

Beginning with the second semester, new courses of study will be offered in the Quitaque school.

Geometry II, Sociology and commercial law are the courses that will be offered.

COMMUNISM INVADES CLASSES

All English classes have gone communistic. School supplies such as reinforcements, paper clips, ink, etc., will be bought by all and used for the common good. This movement has aroused a great deal of comment both pro and con. Dire prophecies are made—Here are a few comments:

President Gardiner: My friends, even if this move is communistic it will be a great benefit to all the suffering masses.

Senator Kelly: I guess it's all right.

Representative Lee: What is wrong with this move? Who can be hurt? We have needed something like this for a long time.

Senator Hutch: Gentlemen, this is a step toward a communistic government such as the world has never seen before.
